1985 SKEET NATIONALS

to be held at

MELBOURNE GUN CLUB

Victoria Road, Lilydale

November 14-17, 1985

Thursday, November 14, 1985, 9am start

Event 1 — City of Melbourne Skeet C'ship 50 Tgt

Nom. \$15 (Juniors \$12)

Comp. Levy \$2

Graded Opt. Overall Sweep \$2

Opt. Purse \$5

Overall medal — AA, A, B, C medals 1st, 2nd, 3rd
Ladies, Juniors, Veterans medal

Event 2 — National Skeet Carnival C'ship 50 Tgt

Nom. \$15 (Juniors \$12)

Comp. Levy \$2

Graded Opt. Overall Sweep \$2

Opt. purse \$5

Overall Medal — AA, A, B, C medals 1st, 2nd, 3rd
Ladies, Juniors, Veterans medal

Friday, November 15, 1985, 9 am start

Event 3 — Australasian Skeet C'ship 50 Tgt

Nom. \$15 (Juniors \$12)

Comp. Levy \$2

Graded Opt. Overall Sweep \$2

Opt. Purse \$5

Overall medal — AA, A, B, C medals 1st, 2nd, 3rd
Ladies, Juniors, Veterans medal

Event 4 — The Adrian Hayes Memorial — All States Skeet C'ship 50 Tgt

Nom. \$15 (Juniors \$12)

Comp. Levy \$2

Graded Opt. Overall Sweep \$2

Opt. Purse \$5

Overall medal — AA, A, B, C medals for 1st, 2nd, 3rd
Ladies, Juniors, Veterans medal

State Shoulder to Shoulder Teams match to follow event 4, if time a problem to take place Saturday morning before Commonwealth C'ship.

Placings for 50 target events will be conducted in conjunction with the next event. All possibles squadded in the order they qualify.

Saturday, November 16, 1985, 9 am start

Event 5 — Commonwealth Skeet C'ship 100 Tgt

Nom. \$25 (Juniors \$18)

Comp. Levy \$5

Graded Opt. Sweep \$1 each 50, \$1 overall \$3

Opt. Purse \$5

Overall medal and royal blue sash AA, A, B, C
Medals for 1st, 2nd, 3rd
Ladies, Juniors, Veterans medal

Sunday, November 17, 1985, 9 am start

Event 6 — 15th National Skeet C'ship 100 Tgt

Nom. \$25 (Juniors \$18)

Comp. levy \$5

EXECUTIVE DIRECTOR'S NOTES

October already, with the last of our 1985 Nationals still to be shot.

While the numbers competing at the Skeet Nationals at Melbourne Gun Club will be lower than the Trap Nationals the competition nevertheless will be just as keen and all entrants will be assured of good shooting. If you have attended the Skeet Nationals before, then make sure that you are there in November, if it's your first opportunity, don't miss it.

It is also with pleasure that I am able to advise of an addition to the program with a perpetual trophy to be known as "The Adrian Hayes Memorial Trophy" which will be for competition between Interstate teams in Shoulder to Shoulder Competition.

This perpetual trophy has been kindly donated by the Hawkesbury Gun club to honor the memory of one of their most respected members. With replica trophies being supplied by the Hawkesbury Gun Club, competition will be keen for what undoubtedly will become a most coveted trophy at each annual Skeet National Championship.

Don't forget the Skeet Nationals. Details of which are available elsewhere in this edition.

It will be an opportunity for me to meet some of the people I have been corresponding and conversing with and I also hope to see and meet as many shooters as possible at the Melbourne Gun Club.

After the Skeet, what else is there to look forward to? Well I for one am looking forward to some sunshine which will help to lift our flagging winter spirits. Shooting in the better weather I am told, is an enjoyable part of Clay Target shooting. I for one look forward to the Spring/Summer shooting season.

To be a shooter however one must be registered as such. Just a reminder that registrations for 1985 are to be closed off at October 31 with registrations following that (November 1) onwards being for 1986. This cut off will not apply of course to any competitors at the Skeet Nationals as to be eligible to compete in the 1985 Championship you must be registered as a 1985 shooter.

Only news to date from our shooters in Italy is that in a warm up competition Bill Iles from the Frankston Australia Gun Club shot a 99/100 to win for himself a motorcycle.

Bill will be pleased with his form as we all are. The other team members, whilst not winning motor bikes are all shooting well and are looking forward to the big events to follow.

News will be published of course as it becomes available.

Disappointingly the International Shooting Committee have had to postpone the visit by the U.I.T. Judges chairman Hans Kowar who was to conduct courses for B Grade Judges during October.

The visit however will be reconsidered at a later date when we may be able to combine with some of the other disciplines.

Please make certain also that any visitors that you take to your club sign the club visitors book as Insurance these days is a real problem. Your club Secretary has the full details and please co-operate with his/her requirement.

Hoping to meet with you at the Skeet Nationals and wishing all entrants good shooting.

A.C.T.A. PUBLIC LIABILITY POLICY

Please be advised of the extension to the existing A.C.T.A. Policy.

IT IS EXTREMELY IMPORTANT THAT YOUR CLUB ABIDES BY THE POLICY CONDITIONS.

I. School Children

Competing on registered A.C.T.A. Club grounds under the supervision of registered A.C.T.A. Shooter.

Protection applies so long as they (school children) are registered as Club Visitors on the club visitors register and are applying to A.C.T.A. rules and by-laws.

II. National-State-Club competitions

Protection applies so long as the event(s) held is officially ratified and minuted by the affiliated club applying strictly to A.C.T.A. Rules and by-laws.

III. Club Visitors (School Children and Adults)

Must be registered as Club Visitors on the Club Visitors register.

YOUR CLUB RESPONSIBILITY THEREFORE IS:-

1. To provide a visitors register which must be signed by all persons described in I. School children, II. Club Visitors.

2. Ensure that no person engages in shooting of any kind other than they being under the control and supervision of registered A.C.T.A. Shooters.

3. To ensure that any event organised by either I. The National Body, II. The State Body, III. Your Club.

Which is conducted at your club, has been officially ratified by your club at a constituted meeting and minuted accordingly.

NOTE: FAILURE TO ABIDE BY THESE REGULATIONS MAY CAUSE EXTREME DIFFICULTY SHOULD A CLAIM ARISE.

WALTZING MATILDA THE LIKELY HIT

PESTA SUKAN GAMES, SINGAPORE

... these were the headlines in the Singapore Newspaper, The Straits Times, on Saturday 3rd August, the first day of the 1985 Pesta Sukan Shooting Competition.

Eighteen Australian shooters from New South Wales and Victoria were entered to compete in what was sure to be some of the best competition yet encountered by most, on what is classed as one of the most difficult shooting ranges to be found anywhere.

In all over eighty competitors from nine nations participated in the ten day long annual competition, which was once again so efficiently hosted by the committee of the Singapore Gun Club.

Thanks from all competitors and supporters, both Australian and otherwise, must go to Singapore Gun Club President Milton Tan and 'ever efficient' Secretary Stephen Yap and their committee, for their hospitality and for what once again proved to be a most enjoyable and closely contested competition.

The majority of Australian competitors, many accompanied by their wives, arrived at Singapore's Changi Airport rather late on Wednesday night 31st July to be met at the luggage collection point by Gun Club members Lai See Pan and Lai Sze Woo who checked all the firearms, had them cleared through customs and took them off to the safety of the gun club armoury.

Laws regarding firearms in Singapore are extremely strict, and even the locals are not permitted to take their guns home with them. Along with all other firearms, those brought by the Australian competitors were locked away and could only be used on the range during practice and competition.

All the Aussies who arrived early had a few days to acclimatize, do some shopping and get in a bit of practice before the competition commenced. Singapore's shops and plazas are a real eye opener for those who haven't

experienced them before and there would be no doubt that every member of the Australian contingent took advantage of the unbelievable range of well priced watches, electrical equipment, photographic apparatus, clothing or almost anything else one could possibly imagine.

Weather conditions for the competition were just as expected — hot, humid and likely to pour down rain at any moment without a lot of warning. Such conditions certainly made it uncomfortable for the Australian shooters who spent most of their time between shots wiping their shooting glasses, guns and brows.

Having arrived in Singapore from the middle of Australia's winter most of the contingent found the conditions a little bit different to say the very least.

The competitors from the eight other nations, Singapore, Indonesia, Malaysia, Japan, Hong Kong, Belgium, France and Papua New Guinea all appeared less perturbed about the weather conditions having mostly come to Singapore from the Northern Hemisphere summer. The exceptions, of course, were the Indonesians and the Papua New Guineans who are used to similar conditions throughout the year.

Prior to the commencement of the competition officials appointed referees and an international jury was also selected. Australia was represented on the jury by David Menck and Brian Bond. Ex-pat Australian Graham Norris from Port Moresby, (President of the South Pacific Shooting Confederation) represented PNG. Stephen Yap officiated for Singapore whilst the other participating nations were also represented.

Into the competition and after two days of practice the first event got under way at 8.30 a.m. on Saturday 3rd August, following an official opening ceremony at which all competitors were presented to Mr S.S. Dhillon, Secretary-General of The Singapore National Olympic Committee. A cup of tea, a few sandwiches and some local cuisine were then offered to get the competitors in the right frame of mind.

Forty-three shooters from seven nations lined up for the I.S.U. Skeet on a skeet field that often comes as something of a shock to competitors seeing it for the first time. The range is located in a narrow valley with a steep grassy hill directly behind the low house and thick jungle type conditions growing right to the boundary behind the high house. This together with trees outlines on the skyline further up the valley make for a most difficult background.

Rapid changes in light conditions also occur frequently to further aggravate the problem, especially during the first few squads early in the morning.

Round one completed and nineteen year old Victorian Craig Meuleman showed that he was going to be the one to beat. Craig's first round was a perfect 25, the only one of the first round.

Lo Vun Vui and Vincent Teo of Malaysia, Christian Binet of Belgium and Chen So Yim also of Malaysia carded 24s all to be one off the pace.

Two more clean rounds of 25 by Meuleman saw him well out in front at the end of day one.

• Looking over the trench layout in Singapore towards the construction site.

Craig Meuleman (Australia)	75/75
Lo Vin Vui (Malaysia)	72/75
Christian Binet (Belgium)	72/75
Vincent Teo (Malaysia)	71/75
Chen So Yim (Malaysia)	71/75
Ian Hale (Australia)	70/75

• Skeeties Craig Meuleman, Glen Clarke and Ian Hale after receiving their team medals.

Day two of the Skeet and Meuleman continued on his merry way. Another clean round and the first ever 100 straight shot at Singapore Gun Club.

Four targets later Craig proved he was in fact human and missed high two single then one more during the round to finish with a good 23. Another 23 in his sixth round saw Meuleman finish day two four targets down on 146/150.

Back with the rest of the field Vincent Teo of Malaysia moved into second place at the end of day two on 142/150. Binet and Lo Vin Vui dropped back to equal third with 141/150, Tony Cheun of Hong Kong and Gilbert Sumendan of Indonesia on 139/150 while Ian Hale was still not putting it together and was back on 138/150 with Singaporean all rounder Lee Kum Cheok.

Len Norman from Sydney celebrated his birthday to shoot his only clean 25 of the competition to be on 136/150.

The end of day two also saw the competition of the teams event. A great deal of importance is placed on the outcome of the teams competition and it was not until the final round of the day that the Malaysian 'A' team could show their jubilation. Brian Bond had the pressure right on him and needed a 24 in his sixth round to secure the team gold for Australia. Brian could only manage a 21 (his worst round of the competition), but it was not this round that won Malaysia the Gold. It was the Malaysians' depth and consistency, after 150 targets their team were placed 2nd, 3rd, 10th and 11th overall. Not bad in a field of 43.

Team Scores — I.S.U. Skeet

1. Malaysia 'A' (Vincent Teo, Lo Vin Vui, Chen So Yim, Jimmy Chin.) 552/600.

2. Australia (Meuleman, Hale, Glen Clarke, Brian Bond.) 549/600.
3. Singapore 'A' (Lee Kum Cheok, Peter Lee, Tang Kee Kong, Ang Soon Hock.) 529/600.
4. N.S.W. I.S.U.
5. Singapore 'B'.
6. Malaysia 'B'.
7. Papua New Guinea.

50 targets to go in the Skeet and it appeared the Straits Times would be right, Waltzing Matilda would be the likely hit. Meuleman shot another brilliant 25 and finished in his last round with a 24.

A personal best of 195/200 to break the range record by three targets and also record the best ever score shot in Asia.

A magnificent effort by the young Australian.

Malaysians Lo and Teo finished with 48 and 46 respectively to come in second and third. Unfortunately Teo finished out of the money as local rules allow for only one individual or team medal per nation.

Browning representative Binet carded the fourth top score, a 186/200, to take the bronze medal.

Canberra's Brian Prosser and Ong of Malaysia both finished well to record the only 25s of the last round but both had left their run too late.

SKEET RESULTS (first ten places)

C. Meuleman (Australia)	— 25, 25, 25, 25, 23, 23, 25, 24. — 195/200 1st
Lo Vin Vui (Malaysia)	— 24, 23, 25, 23, 23, 23, 24, 24. — 189 2nd
Vincent Teo (Malaysia)	— 24, 23, 24, 24, 23, 24, 23, 23. — 188
C. Binet (Belgium)	— 24, 24, 24, 20, 24, 25, 22, 23. — 186 3rd
Gilbert Sumendap (Indonesia)	— 24, 22, 23, 25, 22, 23, 22, 22. — 183
Tony Cheung (Hong Kong)	— 24, 22, 20, 24, 24, 25, 21, 23. — 183
I. Hale (Australia)	— 23, 23, 24, 23, 23, 22, 23, 21. — 182
L. Norman (Australia)	— 22, 23, 22, 22, 25, 22, 23, 23. — 182
Ally Ong (Malaysia)	— 21, 22, 22, 20, 23, 25, 24, 25. — 182
B. Prosser (Australia)	— 22, 22, 22, 22, 22, 23, 23, 25. — 181

Another two days of shopping and/or practice and it was into the Olympic Trap event. The trench layout in Singapore has been relocated during the past few years and now faces across and down the range instead of down the range as it did previously. Left hand targets still head towards a grassed hill which shows plenty of evidence as to where the shot lands, quite often behind the target. Straight away targets and right hand swingers head towards a major construction, part of the huge shooting facility development being constructed by the Ministry of Defence at a cost of many millions of dollars.

Many new faces appeared at trench practice including the second group of Australians to arrive. The Japanese team also turned up in force as did a fresh team of Malaysians and Singaporeans while Merv Whitelaw, Tom Lucas and Graham Thomas were all fresh from their shopping trips.

Cont'd from previous page

Four times World Champion Michel Carrega from France, the defending Champion was in attendance as part of the Browning Team. Browning were sponsors of the entire competition.

Browning was also represented by one of their leading gunsmiths, who, despite the language problem (he didn't speak a word of English), was kept very busy giving the large quantity of Browning guns 'a birthday'. All free of charge. It was interesting watching some of the faces when shooters were given their gun back, wondering if they were in fact getting the same old one back.

Round one of the Olympic Trap event completed and the lead was shared by Carrega, Russell Mark and Kwa Eng Cheong of Singapore, all on 24. John Maxwell of Illawarra and Victorian Domingo Diaz both had 23s on the board with a few others including out of luck 'skeetie' Ian Hale making a name for himself on 22.

The second round saw the lead change with Maxwell taking over the lead on 47/50. Carrega and Mark were joined by a host of others on 45, two off the pace.

Greg Oehm from Moree, a reasonably newcomer to Olympic discipline shooting, made his presence noticed by recording the first 25 of the competition during his third round.

End of the first day and Maxwell was well out in front on 71/75, K.K. Tang on 69 and 68 for both Carrega and Mark. The rest of the field, numbering 52 in all, were well spread out, Gilbert Sumendap from Indonesia was on 67/75, Diaz on 65 and Greg Oehm on 64.

Three more rounds on the second day and Carrega's 74/75 for the day had him in the lead by one target from John Maxwell on 141/150 and one more back to Russell Mark on 140/150.

150 targets finished and so was the team event. Australian 'A' team had beaten the Singapore 'A' team by a massive 20 targets. The first time in five years the Singaporeans had not taken the gold.

Team scores — Olympic Trap

1. Australia 'A' (Maxwell, Mark, Diaz, Elliott.) 537/600.

• Successful Olympic Trap Team — Vic Elliott, John Maxwell, Russell Mark and Domingo Diaz.

2. Singapore 'A' (Ricky Soon, Tan Boot Huat, Lee Kum Cheok, Lee Wung Yew.) 517/600.
3. Japan 'A' (Igari, Kasuya, Tsunoda, Sakai.) 495/600.
4. Singapore 'B' 8. Japan 'B'.
5. N.S.W. I.S.U. 9. Papua New Guinea.
6. Malaysia. 10. Japan 'C'.
7. Australia 'B'.

Final day of the competition and another 8.00 a.m. start in hot humid conditions saw both Maxwell and Mark fall further behind Michel Carrega after the first round. Carrega posted two 23s for the day to finish with a handy score of 188/200, well below his range record of 197/200 shot in this competition in 1983, but good enough to take the gold for 1985.

Russell Mark finished strongly but too late to catch the Frenchman. Russell's 25 in his last round saw him finish on 187, one behind Carrega with the silver medal. John Maxwell also finished well with a 24 to record a total of 185/200, but unfortunately ineligible to take the third place medal because he was of the same country as another placegetter. Gilbert Sumendap, the consistent Indonesian, finished well on 180/200 to take out the bronze medal from Greg Oehm who shot another clean round of 25 in his last round to come in 5th.

OLYMPIC TRAP RESULTS (first ten places)

M. Carrega (France)	— 24, 21, 23, 25, 24, 25, 23, 23. — 188/200 1st
R. Mark (Australia)	— 24, 21, 23, 25, 25, 22, 22, 25. — 187 2nd
J. Maxwell (Australia)	— 23, 24, 24, 23, 22, 25, 20, 24. — 185
Gilbert Sumendap (Indonesia)	— 19, 24, 24, 23, 23, 23, 23, 21. — 180 3rd
G. Oehm (Australia)	— 21, 18, 25, 21, 23, 23, 22, 25. — 178
Ricky Soon (Singapore)	— 18, 22, 22, 24, 22, 25, 20, 23. — 176
D. Diaz (Australia)	— 23, 22, 20, 23, 24, 22, 22, 20. — 176
Tan Boon Huat (Singapore)	— 21, 22, 20, 23, 22, 24, 20, 21. — 173
Igari (Japan)	— 20, 21, 21, 20, 24, 23, 21, 22. — 172
Lee Wung Yew (Singapore)	— 20, 20, 23, 21, 21, 20, 22, 24. — 171

All the shooting over and competitors and supporters were hosted to a magnificent Presentation Night Dinner compliments of Browning at the Equatorial Hotel.

Individual and team medals were presented by the distinguished guests.

Australian competitors featured well at the presentation with Craig Meuleman's record breaking 195/200 to win the I.S.U. Skeet being a highlight and receiving a tremendous ovation. The Skeet team from Melbourne of Meuleman, Hale, Clarke and Bond (who unfortunately was not there because he had to take his wife back to Australia unexpectedly) also were well greeted when receiving their silver medals.

In the Olympic Trap, Russell Mark had to be content to accept the silver behind many times world champion Michel Carrega. Certainly no disgrace to be beaten by one target by a man of the calibre of Carrega.

• Silver Medal winner Russell Mark presents the Overall winner Michael Carrega with a memento.

In a very fine gesture, Russell Mark presented Carrega with a Koala Bear suitably attired in Green and Gold as a memento and for his dedication to the sport over many years.

The Australian composite Olympic Trap Team also received a wonderful ovation when presented with their Trap Gold Medals, as mentioned the first time in five years the Singaporean team has not received this award.

Following the official presentations, a representative from each participating nation was awarded a memento, for which they responded. Tom Lucas responded and made a presentation on behalf of the Australians present and was followed by Graham Norris who presented a magnificent carved coat of arms on behalf of the Papua New Guinea group.

Sincere thanks were conveyed by all present and by each contingent to the organising committee and in particular Stephen Yap, a truly dedicated worker for Clay Target Shooting.

In all a most successful trip by the Australian shooters many of whom had not experienced overseas competition prior to this trip. The experiences gained by all that did attend will no doubt be of great value in the future and hopefully the experiences of those that made the effort might encourage others to follow in their footsteps.

MIR/685

IN THE INTERESTS OF SAFETY

Ross Williams

ON JULY 26, some 373 secondary school students took part in the Seventh Victorian Schoolboy/Schoolgirl Clay Target Championships at the Melbourne Gun Club.

The entrants, from 60 schools, came from widely separated parts of the state. As in 1982/3, the cost of travelling meant that youngsters from distant drought-affected areas were unable to make the trip, and 19 of the schools which had previously participated did not send students. Even so, 24 new schools were represented.

Such events have a long history. Regional championships go back a quarter of a century to a match between Mansfield High School and Wangaratta Technical School. The first state shoot took place in 1979, when 170 entrants met at Jeparit.

In the following year, 223 went to Geelong. Melbourne Gun Club played host to 305 youngsters from 53 schools in 1981, and has continued in that role ever since.

The effects of the drought were not immediately apparent in 1982, as 357 kids nominated from 53 schools. (Unfortunately I do not have the actual attendance figures, but memory says the real figure was closer to 300 than 360). In the next year, however, the state of rural finances was clearly reflected in a lower attendance of 296, again from 53 schools.

The pattern of growth was restored in 1984 — 391 youngsters representing 57 schools fronted up to the traps. And although the number of heads was down a bit this year, the number of schools was up.

Attending these functions is quite an experience. The conduct of the kids is beyond reproach and contrasts strongly with the behaviour of participants and spectators in certain other sports. Politicians and senior police officers have attended, and have been suitably impressed. For myself, I always go home feeling intensely proud of the young Australians I have seen that day.

Why have 'em?

Like the regional championships, the annual state championships are woven into the firearms safety training which now forms part of the curriculum of approximately 150 Victorian post-primary schools. **Neither the in-school programs nor the championships are intended to be recruiting vehicles for the clay target movement.**

Sure, shotguns predominate in the school programs.

But this is chiefly because the shotgun happens to be a very convenient means to an end. It should not be forgotten that some schools employ fullbore, smallbore and sporting rifles, and air rifles too. Student championships have been conducted in fullbore.

The underlying rationale for such events is as follows:

Firstly, the regional and state shoots help to motivate and eventually to reward the kids who are taking part in school-based firearms safety training. Although everyone knows that only a handful can win prizes, everyone also knows that such occasions are thoroughly good fun. Participation is the thing that provides both the motivation and the reward. Certainly that's how the kids see it, otherwise they wouldn't leave their home town at three in the morning, as some of them do.

Secondly, the championships provide a goal — to be judged trustworthy enough to shoot under the school's name.

• The scene at Melbourne Gun Club where the schoolboy/girl championships were conducted.

Finally, they bring youngsters together in a climate which demonstrates quite forcefully that safety is more than a local concern.

Goal-setting, motivation, provision of rewards and other forms of reinforcement . . . these are integral parts of the educational process. The real role of regional and state championships for school students cannot be grasped unless the underlying rationale is understood first.

THREATS

Unfortunately there are two threats to the future of school-based firearms safety training.

One concerns insurance cover for students who are in attendance at shooting sessions. There are big problems here. But because the situation is in a state of flux, and I'm not up with the latest, I will say no more at this juncture.

And the other? The strength of the school championships has led some elements within clay target ranks to suggest that they should be running such events. At least one shoot has been conducted on this basis. In my opinion, such thinking is extremely narrow and short-sighted, and the long-term effect of an "opposition" series of events can only be destructive.

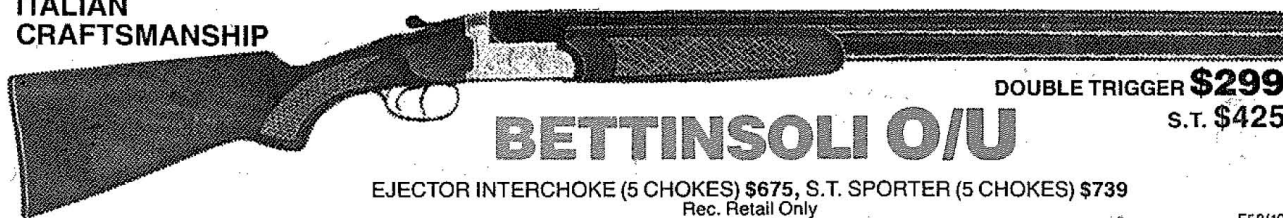

The championships must continue to be organised from within the education system. They must remain independent of sectional interests. Shooting organisations can (and should) assist in the work, but they must not try to take it over.

Credit where credit's due

For the past seven years, a team of volunteers from the Jeparit Gun Club has ensured the smooth conduct of the shoot by running the office. Coming to the Melbourne Gun Club means two days, a round trip of 800 km and considerable personal expense, and these people deserve thanks and congratulations for a job well done.

Organiser Lyn Barr, Principal of Wangaratta High School, pays tribute to the Jeparit volunteers, and to the sponsors, Winchester, without whose backing the State

championships simply could not exist in their present form. Similarly, he thanks members of the Melbourne Gun Club and its president, Bob Buchan, for the provision of their top-class facilities and practical assistance. However, it should not be forgotten that Mr Barr's vision, drive and dedication and the support of his wife have played a key role over the years.

And so to the results:

Girls' Champion was Christine Flavel of Rainbow High School, with a score of 16/20. She was followed by Keiva Lowry of Westbourne School on 15/20. Christine has an enviable record in these state championships. She placed third in 1982, was runner-up in 1983 and won the 1984 event. I believe she is the first girl to take the honors twice.

In an impressive display, Rohan King of Rochester High School sealed the Junior Boys' Championship with 19/20. Second place went to Reece Atherton of Wonthaggi Technical School, who scored 23/25 in a shoot-off.

The Senior Boys' Championship fell to Rohan Penn of Echuca Technical School. His score of 20/20 also earned him the High Gun sash. The runner-up, Anthony Smith of Horsham Technical School, scored 28/30 after a strongly contested shoot-off.

Rohan's victory in the senior event was not unexpected as he is the National Double Rise Champion. He has the style and apparently the temperament to take him right to the top.

Echuca Technical School won the Teams' Championship with 67/80. The team comprised Rohan Penn, Simon Keece, Gary Newton and Bryan Watson. Jamie McIntyre, Michael Nagorka, Geoff Flack and Jason Ross totalled 62/80 to earn second place for Hamilton Technical School.

* * *

EDITORS NOTE:

Reference to the Insurance Cover for students being a problem has been solved. Clubs have been advised of the necessary procedure and providing that attention is always paid to the policy conditions there should not be any problem.

VALE

The Hamilton Gun Club regrets to advise of the sudden passing of Terry Greed on August 15th. Terry was a respected member of the club and was a willing worker at club shoots.

For the past 2 years, served as Hon. Treasurer and previously on the club committee.

During his years of shooting Terry was a true sportsman who travelled regularly around the district, and will be sadly missed by members of the W.D.G.C.A.

The club extends their deepest sympathy to his wife Annelie and the Greed family.

VALE

Max Gibson, one of Hay's oldest and most esteemed members passed away recently after a short illness.

Max was a member of the Club when it was situated on the Maude Road, Hay and when Live Birds were shot. He was one of the foundation members of the Club when it shifted to its present site at the Showgrounds in the late 1940's.

His shooting prowess enabled him to win the 1954 Double Rise Commonwealth Title and the NSW State Skeet Title in 1956. His name is on many of the Honour Boards within the Clubhouse for various other achievements. His speciality in the recent years has been to win the Club Mug in excess of 20 times, the last being in February, 1985.

Max has been a Patron of the Club in recent years and will be sadly missed by all who knew him.

N.S.W.C.T.A. — EXPLANATION OF LIABILITY

ALL SHOOTERS & CLUB EXECUTIVES — PLEASE READ THIS!

For some time the State Executive have been perturbed by the fact that some clubs are allowing unregistered shooters to compete. I know that many clubs and members do not realize that, in the event of an accident, court action could be taken and any member could be held liable ie: he could have to sell his own home or any other asset to meet the court order.

A simple way to protect your club and your members is to ensure that:

(a) YOUR CLUB IS AFFILIATED

(b) ALL MEMBERS ARE REGISTERED WITH THE A.C.T.A.

You will then have full insurance protection.

In an effort to clarify the position and warn those persons concerned our Legal Monitor, Mr Robert Parker has prepared the following information.

Len Bird — President.

★ ★ ★

Within the sport of clay target shooting in N.S.W. it would seem that there are two aspects requiring closer scrutiny.

One: Shooters not registered with the A.C.T.A. joining registered clubs and subsequently taking part in registered competition.

Two: A.C.T.A. registered shooters competing on privately owned grounds not registered with the A.C.T.A. and in some cases not licensed by the N.S.W. Police as a shooting range as required by the firearms and dangerous weapons act.

During analysis of these developments within our sport, one cannot but feel that the proposed N.S.W. firearm legislation is perhaps, the single most important contributing factor.

This is to say, because one of the proposed criteria by the N.S.W. Government for a citizen to obtain a shooters licence is to be, mandatory membership of a gun club. Clay target clubs are experiencing an increase in membership for licencing purposes only.

One cannot incriminate a club committee for accepting members in this way, after all, committees are elected by members to operate their club and part of that operation is to raise revenue. Nor can one blame people for attempting to join our clubs in response to proposed restrictive firearm legislation. However, let us look at some of the ramifications.

Firstly we are confronted with Shooter A. Shooter A. joins an A.C.T.A. registered club to comply with the proposed licencing law but does not register as a shooter with the A.C.T.A. Shooter A, does not subsequently take part in competition.

Secondly we have Shooter B. Shooter B. goes through the same procedures as A, but does compete in A.C.T.A. sanctioned competition.

For the sake of argument, shooter A. comes onto a club ground and signs a visitors book. In the case of an accident, this shooter may be covered by insurance and even be lucky enough to receive full compensation. Then again we all know how fickle insurance companies can be at times.

Just how much insurance cover and of what description does the club have? Are you as a member of that club exempt from liability? In the situation where a club is unincorporated, and an accident occurs with resultant litigation, club members could find that they are personally liable.

In the case of Shooter B., the considerations of shooter A. are still applicable with a few additional problems.

(i) What of the moral considerations of Shooter B. experiencing the competitive privileges of an A.C.T.A.

registered shooter without having to pay the prescribed fee.

(ii) What control can there be over the grading and handicapping of this shooter when, there is no proof of registration by way of a registered handicap card?

(iii) This type of activity does exist and it is contrary to our A.C.T.A. rules. In fact, some unregistered shooters have been known to participate in A.C.T.A. competition, win the event, be duly awarded and accept the relevant trophy.

Where is our sense of fair play? That which Australians are said to be famous for.

When a situation arises for the A.C.T.A. or N.S.W.C.T.A. to deal with governments, for grants or legislative matters etc., the association representatives concerned are always questioned on how many people they represent. A.C.T.A. registration lists are the only figures available to our emissaries, therefore, registered members are more vital to our credibility in the long term than unregistered club participants.

Perhaps a way for clubs to maintain this new influx of members and to avoid any unpleasantness, would be to encourage short trial periods of membership without registration during which shooters could go through the learning process and determine whether or not they wish to continue with the sport. During the trial period, no A.C.T.A. competition could be entered into and after the period registration should become mandatory. Perhaps one should be too presumptuous to suggest a lay-by system of registration fees during a new member's trial period of say, three months.

Maybe present registered A.C.T.A. members should be doing more to encourage non-registered members to "do the right thing." After all, once registered, shooters are not restricted to participating at their home club only and as you know this opens up endless social avenues for enjoyment within our sport.

Now to look at the second aspect of concern, that of registered shooters competing on unregistered grounds.

One would like to believe that before entering in to this activity a shooter would ask him/herself some relevant questions.

(a) Is my shooter to shooter insurance valid in this circumstance? Hardly.

(b) Who is liable if I'm involved in an accident and fault is proved to be mine? Without insurance, this could be my ruination.

(c) Does the owner of this property have a public risk insurance policy? If he does not and there is an accident it could be the ruination of him. Is that what I want?

(d) Is this property registered in accordance with the relevant section of the firearms and dangerous weapons act? If not, where do I stand if complaint is made and legal action results?

(e) If anything unforeseen happens, just what would be the far reaching consequences to me and my sport generally? Remember, shooters are not the most popular section of our community.

(f) I signed a paper absolving the property owner of all responsibility in the case of an accident. Just how legal and binding is this document? Does it work both ways?

(g) If something goes amiss here could the A.C.T.A. members throughout the country suffer because of my action of coming to and competing on an unregistered ground?

All these questions and probably more could have answers contrary to those which you would expect or would like. Perhaps before entering on such a venture we should give some time for the head to rule rather than the heart?

As firearms legislation becomes more restrictive in all its forms, e.g.; weapons licencing, shooter licencing,

PERAZZI

All enquiries and orders immediately attended to irrespective of state.

ground licencing, noise pollution, hunting restrictions and all additional ones our legislators can either think of themselves or be talked into by small pressure groups. It is my contention that the honest clay target shooter is going to need strong State and National administrative representation. To this end we have to be prepared to have all our club grounds and members registered with our National administrative unit. With these numbers of people to represent the A.C.T.A. will have the reason and the power to represent us with the strength, confidence and determination we deserve.

Rob J. Parker
Legislation Officer.

INTERNATIONAL GUN CLUB - SOUTH AUSTRALIA

BIRTHDAY SHOOT, NOVEMBER 24 & 25, 1984.

A large number of shooters (93) were in attendance at the International Gun Club and the committee extends its thanks to all those who participated.

The first event on Saturday was the Jim and Annette Finis Olympic Trap Event, apart from individual trophies the event was open to any team of four shooters (Three registered and one club member). The excellent shield donated by Jim and Annette was won for the second year by the S.A.G.C. team and our congratulations are extended to D. Lymn, R. Dean, L. Martin and D. Foster as winning members.

On Sunday the Colin Sparnon Memorial Shield was contested for the first time and was won by the International Gun Club Team with a score of 122/125.

Our thanks go to David Sparnon for the donation of the shield and trophies. Colin Sparnon was a committee member of the International Gun Club for many years and is sadly missed by all.

The event everyone was waiting for the "Scotta Interstate Transport Television Shoot" was strongly contested and the three winners were, "A" — D. Lymn, "B" — R. Alvaro and "C" — Mrs. B. Wallace our congratulations to these major prize winners.

Our sincere thanks again goes to Barry Lewis for his major sponsorship of the main event.

On Saturday night the club hosted 80 people and a great night was enjoyed by all together with an exciting Calcutta. The club extends a great thank you to all those hard working ladies in the canteen and to all those who participated in another good weekend of shooting.

The results of the shoot are as follows:

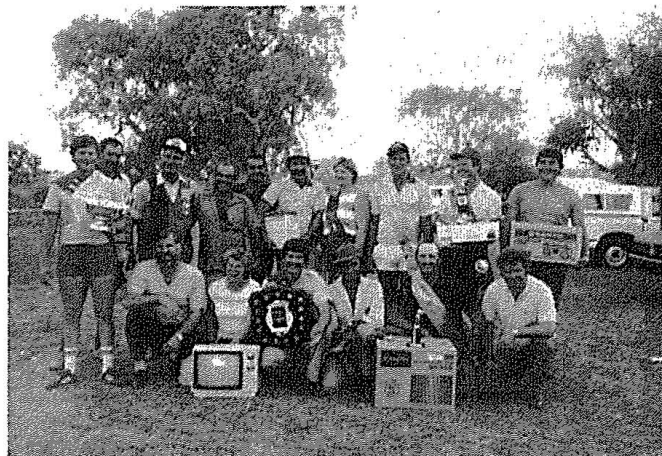

24/11/84

1. 25T Anniversary Trench — OA & "A" G. Worden 25/25, "A" 2nd D. Lymn 32/35, "B" — 1st J. Gerogles 41/45, D. Foster 40/45, "C" — 1st K. Jarvis 21/25, 2nd J. Muscio 29/35.
2. 25T Anniversary DB — OA & "A" D. Lymn 94/94, "A" — 2nd R. Dean 93/94, "B" — 1st R. Smith 74/75, 2nd B. Webb 31/32, "C" — 1st J. Richichi 24/25, 2nd P. D'Alesandro 23/25, Ladies A. McVicar 23/25.

3. 20T Anniversary P.S. — OA & "A" G. Worden 84/84, "A: — 2nd R. Dean 81/84, "B" — 1st J. Muscio 58/60, 2nd B. Newell 56/60, "C" — 1st G. Donald 58/60, 2nd A Dallemolle 56/60, Ladies A. Harding 48/60.

25/11/84

1. 10T H/Cap — 1st D. Lymn 46/46, 2nd J. Richichi 40/41, 3rd J. Zappia 31/33, FM — Mrs. W. Newell 19/20.
2. 25T Anniversary DB — OA & "A" D. Oliviero 116/116, "A" — 2nd R. Dean 115/116, "B" — 1st Miss A. McVicar 41/42, 2nd R. Bisi 40/41, "C" — 1st I. Newell 26/27, 2nd G. Donald 25/27, Ladies B. Wallace.
3. Scotta Transport Graded Shoot — "A" 1st D. Lymn 80/80, 2nd K. Harding 79/80, "B" — 1st R. Alvaro 60/60, 2nd R. Smith 59/60, "C" — 1st Mrs. B. Wallace 30/31, 2nd R. Marconianni 29/31, Ladies A. McVicar 23/25.
4. OA HG — G. Worden 174/175, "A" HG — R. Dean 149/150, "B" HG — R. Bisi 140/150, Ladies HG — A. McVicar 129/150, Junior HG — R. Muscio 130/150, Veteran HG — J. Laxton.

• An array of smiling faces and top trophies, the successful combination for a top shoot.

RICHMOND RIVER GUN CLUB

"BALL TRAP 1985 — LISMORE"

The annual Winchester Ball Trap Championship for 1985 this year was joined by the 1985 Northern Zone Ball Trap Championships.

A 50T Continental Championship was the D.T.L. Program for the day. A perfect day dawned after a frosty night and competition was first class during the crisp morning. Ball Trap is not everyone's favourite due to its excessive speed compared to normal D.T.L.

L to R. Vaughan Lavelle — Zone Ball Trap Champion 1985. Peter Flack — Don MacAulay's O/A Champion (D.T.L.) John Hall — Winchester O/A 1985 Champion.

Although not so popular, a really pleasing crowd rolled up at sunny Lismore for the two major "Ball Trap" events.

As scores and squads returned to the club a 24/25 by club Secretary Vaughan Lavelle had the Zone championship secured for 1985. The long awaited Winchester event being next saw favourites falling by the wayside as Brisbane shooter Stein and locals John Hall and Tony Mitchell carded near perfect 24/25 scores.

A fierce shoot off saw "Hallie" whittle his opponents down to finish as the Winchester 1985 King of Ball Trap at Lismore.

A 50T Continental drew good response and despite a mixed program of Ball Trap and D.T.L. International Champion Peter Flack ripped into the 50 with ease to take Don MacAulay's Silverware from the shelf.

Group: Winchester Ball Trap 1985 Winners. Front L to R: T. Mitchell, P. Stein, I. McDonald, J. Hall. Back L to R: B. Robinson, B. Finch, V. Lavelle, A. Clarke.

Our History in Words & Pictures

RECORD ATTENDANCE AT NATIONALS

By George Biggs, A.C.T.A. Historian

Notes, from the Editor's notebook A.C.P.T.S.A. News April 1950 — records went by the board at the Association's big weekend of shooting over March 11 and 13 last.

In 1949, when 153 shooters faced the traps for the Champion of Champions cup tournament, it was considered by many that the limit, or at least the very near limit, had been reached in attendance figures from the competitive angle. However, this total was shattered in no small way when 214 paid up for the privilege of entering in the big 60 bird event on March 11 — 61 in excess of the previous record high of last year. The fact that such a huge

muster of shooters were handled, squadded, recorded and shooting on the mark under two hours was good going and those responsible are due for commendation. The field and office staff worked willingly and well and their team work was indeed creditable. Special thanks are extended to all those who assisted in bringing about the outstanding display of efficiency throughout the entire period of competition and social functions which intervened.

Congratulations were extended to Jack McCraith on winning the 1950 Champion of Champions cup and to Jim Smith of Queensland on winning the International Team High Gun.

Analysing the scores of the entire field it was something of a surprise to note the limited success gained by back markers throughout the series. This, despite the fact that all backmarkers were years forward on their normal handicap mark.

Time to Relax 1950

Venue for the Annual A.C.P.T.S.A. dinner and trophy presentation at the conclusion of the National Championships. Vic Fankhauser's packing shed adjacent to the Australian Gun Club grounds, East Burwood. 130 attended the function. Admission was free to competitors and sponsors. Picture shows a section of the crowd enjoying the hospitality of the club. Vic is pictured 3rd from left, front row. Vic's packing shed was the rendezvous for future annual dinners at the conclusion of the National Championships.

THE VERY FIRST THOUGHTS OF STATE ASSOCIATIONS

The formation of the State Associations of the A.C.P.T.S.A. began to take shape by mid 1950, by taking this step the Executive Committee is hoping that this new form of clay target shooting administration will become an established fact within the very near future. It is reported that New South Wales council has already been formed, as well as Tasmanian and Victorian groups. The Queensland council will hold its preliminary formation meeting during the course of the big shoot at Roma about the middle of this month.

In view of the rapid development of the sport which has so long been administered from the headquarters in Melbourne, it was felt by A.C.P.T.S.A. officials and many leading shooters in all States, that councils would need to be developed in each State in order to handle the rising amount of local matter requiring attention. The A.C.P.T.A. is heartily in accord with the procedure. It is intended that the A.C.P.T.S.A. should retain its present entity, having the State councils as administering branches. The A.C.P.T.A. will become a form of National council and comprise two or possibly three delegates from each of the State bodies. By this means the viewpoint of every State will be equally represented on the governing body.

New Years Day 1955.

Rainbow Gun Club (Vic) President Bill Mark, hands over the Holden Car to winner of Rainbow Grand Prix, Errol McMillan. This event was the much discussed event of the year conducted by Rainbow Gun Club with first prize a Holden Motor Car. It was the first time such a trophy was shot for. Conditions were not difficult although warm, and over the scheduled 20 targets of the match, no less than 37 returned full scores. The tie shoot was decided under miss-out conditions and took the best part of 2½ hours to decide. Errol McMillan finally came out the winner of the 75th round. The field numbered 161, an all time record for a country shoot in Victoria.

Alexandra Gun Club (Victoria) 1959

This was the club's second and last shoot with a motor car as a trophy. Picture shows number of possibles on the 2nd occasion. Club President Luke Doyle is kneeling in front. Luke served as a member of the A.C.T.A. Executive Committee for a number of years. He was also responsible for the formation of the Alexandra club and served as President for quite some years.

A group of well known Tasmanian shooters at the 1955 Nationals East Burwood Champion of Champions. Winner, Sperry Marshall is shown kneeling, brother Paul, also kneeling on the right, was the 1959 Champion of Champions. At the back top right hand corner, is John Tyquin former A.C.T.A. President. Second from the right in dark shirt is Bob Morgan. Bob played a big part in having Australia accepted into the International Shooting Union. He was also instrumental in the world moving target Championships coming to Melbourne in 1973, Long time Vice President is Bill Rainbird, far right, second row.

DARWIN GUN CLUB TENTH ANNUAL SHOOT 1-7 AUGUST

by R.E. Fox

The Darwin Gun Club's 1985 annual shoot was held, as usual, over the first long weekend in August. This weekend is traditionally a very important part of the city's sporting calendar with visitors coming from all over Australia to participate in a wide variety of activities.

The many visitors, temporarily escaping a bleak Southern winter, happily thawed out in the beautiful Top End dry season weather. The grounds were in top condition enhancing the club's reputation as one of the best appointed for its size in Australia. Numbers were down, nevertheless, on previous years possibly a consequence of higher travel costs which always hit those in remote communities hardest.

• Alan Spence O/A High Gun 327/335.

The weekend was highlighted by some fine shooting. Alan Spence took out the 50 T trench on Friday, 2 August and then stormed through the first five DTL events by shooting nothing but possibles. He dropped his first target in the shootoff for the 20 T SB against Geoff Mark, who also shot well. Alan took a nosedive in the 15 T double rise but he wasn't on his own there, as this event sorted out many other tyros as well. During the shoot off for event 3, 30 T DB, some contractors over the road decided to burn off some rubbish. The fire got away and the smoke was so bad that spectators had difficulty seeing the competitors let alone the clays. This did not deter Alan Spence and Guy Bedington from a fine shoot-off of Spence 155/155,

• Brian Mark entertaining — where does he get them all from?

• Carol Maher with an original Leslie Campbell for winning C grade in the 50T DB event.

Bedington 154/155. Someone was heard to remark, "Where's the b---y gas masks?" Alan really had no competition for the Over All High Gun for the weekend with a score of 327/335, a truly magnificent performance.

The ladies high gun was hotly contested by Carol Maher and Doreen Aylett with Doreen finally coming out on top. It was also pleasing to see two of the local junior shooters, Thomas Weis and Mark Grosvenor, performing well over the weekend. Thomas won the Junior High Gun trophy.

The Calcutta dinner and auction on Sunday night was a great success with Brian Mark entertaining everyone with a never ending series of risque stories. Where does he get them all?

Darwin Club President, Ken Selwood, won the 30 T H/CAP in a short shootoff from Carol Maher. Well, we have to let him win sometimes you know! Ken wasn't happy until the club photographer had taken at least two rolls of film of him with his trophy.

The locals may have got some of their own back during the D.G.C. Duck and Goose Shooting Championships on Tuesday, 6 August. Due to late cyclonic rains in March, the start to the season (open day August 1) was slow to say the least. No birds were sighted let alone shot. To add insult to injury, Bill Arandt fell into a deep buffalo wallow dunking himself and his Perazzi. The goose santee breakfast, nevertheless, was enjoyed by all.

The D.G.C. barramundi fishing championship the following day was much more successful with MOST visitors catching a barra. Jimmy Hunter won the day with a 10 lb catch, definitely better than a poke in the eye with a burnt stick.

All in all a successful weekend, so come on you Southerners, let's see a few more of you up here next year.

• Darwin Club President, Ken Selwood, receiving his trophy for 1st 30T Hcp from Phil Groves.

RESULTS:

1/8/85: 50T PS Winchester State Championship:

O/A B. Mark, 146/150; 1st A — G. Chan, 145/150; 2nd A — G. Bedington, 147/153; 1st B — K. Selwood, 140/150; 2nd B — J. Bell, 131/150; 1st C — T. Honeyman, 144/150; 2nd C — Carol Maher, 138/150.

2/8/85: City of Darwin 50T Trench:

O/A & 1st B — A. Spence, 48/50; 1st A — G. Mark, 69/75; 2nd A — K. Bowring, 67/75; 2nd B — R. Saggars, 47/50; 1st C — D. Semmler, 42/50; 2nd C — C. Maher 41/50.

3-4-5/8/85: EVENT 1 5T SB Case Ammo: 1st — B. Mark 25/25.

EVENT 2 30T PS: O/A & 1st A — A. Spence 90/90; 2nd A — B. Mark, 92/93; 1st B — I. Winstanley, 85/90; 2nd B — E. Hawkins, 93/99; 1st C — A. Abbott, 97/105; 2nd C — C. Maher, 94/105; Ladies — C. Maher, 82/90.

EVENT 3 30T DB: O/A & 1st A — A. Spence, 155/155; 2nd A — G. Bedington, 154/155; 1st B — P. Delis, 41/41; 2nd B — M. Delis, 40/41; 1st C — T. Honeyman, 35/36; 2nd C — W. Philo, 35/37; Ladies — C. Maher, 35/37.

EVENT 4 5T PS Case Ammo: 1st — B. Mark, 57/57.

EVENT 5 20 SB: O/A & 1st B — K. Woods, 34/34; 1st A — G. Mark, 33/34; 2nd A — A. Spence, 24/25; 2nd B — W. Richards 29/30; 1st C — C. Maher, 22/24; 2nd C — K. Ison, 21/24; Ladies — C. Maher, 18/20; Junior — P. Delis, 17/20.

EVENT 6 15T DR: O/A & 1st A — B. Mark, 27/30; 2nd A — J. Doyle, 36/40; 1st B — D. Aylett, 25/30; 2nd B — K. Selwood, 24/30; 1st C — M. Grosvenor, 31/40; 2nd C — J.

Davis, 28/40; Ladies — M. Stacey, 25/30; Junior — M. Grosvenor, 24/30.

EVENT 7 50T DB: O/A & 1st A — G. Mark, 91/91; 2nd A — W. Gribben, 90/91; 1st B — T. Weis, 86/86; 2nd B — B. Treloar, 85/86; 1st C — C. Maher, 49/50; 2nd C — W. Philo, 48/50; Ladies — D. Aylett, 49/50; Junior — P. Delis, 47/50.

EVENT 8 5T PS H/CAP: 1st — A. Spence, 66/66; 2nd — T. Abbott, 63/66.

EVENT 9 30T H/CAP: 1st — K. Selwood, 37/37; 2nd — C. Maher, 36/37; 3rd — T. Weis, 30/31; 4th — M. Grosvenor, 70/71; Ladies — D. Aylett, 28/30; Junior — P. Delis, 33/35; Meterage 11-15 — K. Bathman, 28/30; 16-19 — I. Hageman, 38/40; 69-71 — A. Spence, 69/71.

EVENT 10 50T DB CALCUTTA: O/A & 1st A — R. Hammond, 68/68; 2nd A — J. Hunter, 67/68; 1st B — E. Hawkins, 49/50; 2nd B — T. Weis, 59/61; 1st C — W. Philo, 51/53; 2nd C — M. Grosvenor, 50/53; Ladies — D. Aylett, 50/53; Junior — P. Delis, 43/50.

HIGH GUNS: O/A — A. Spence, 327/335; Ladies — D. Aylett, 308/335; Junior — T. Weis, 296/335.

EDITORS' MAILBOX

Dear Sir,

The members of the Griffith Clay Target Club wish to register a strong protest against the acceptance of target rule. We feel this rule is a major reason for the disenchantment obvious amongst shooters and is a very real factor in the fall-off of shooter registrations.

Our objections are as follows:

1) We do not believe the average shooter has enough time to compute the flight of the target in the split second before firing. Shotgun shooting is reflex shooting and there are very few shooters capable of making a correct decision in time.

2) As club referees we do not agree that the shooter should be penalized for any error on our part, particularly as we are not registered referees but shooters doing our best to keep our sport going.

3) This rule flies in the face of fundamental sportsmanship in that the competitor is not given the benefit of the doubt when a referee or trapper accidentally causes the conditions of competition to change adversely for that competitor.

4) When refereeing we believe that we should be allowed the right to give a judgement on how well we have delivered the target to the shooter; if we believe it to be a fast or slow pull we should be allowed to say so; if we feel our action was a contributing factor to the shooter missing that target he should be given another.

5) The referee is in a better position than the shooter to judge whether or not a target has left the trap correctly and is on the proper flight path as indicated in the rules governing the correct setting of the traps for the competition. A shooter pays good money to compete and is entitled to expect good, legal targets for his money.

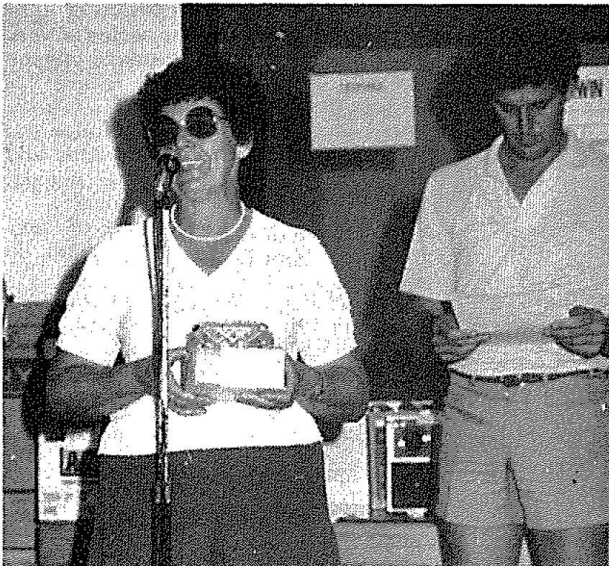

This new rule does not stamp out possible collusion between referee and shooter any more than the old rule did and because it is obvious that the new rule has more disadvantages than advantages, we advocate an immediate return to the old rule where the referee was just that — a referee — not a glorified button pusher.

Yours faithfully, Bernice Britain, Honorary Secretary Griffith Clay Target Club. Countersigned: K. H. Sim, R. E. Lewis, L. Brissenden, S. Codemo, D. C. Wallace, I. F. Evans, G. McDonald.

REFEREES' SEMINAR

Important Referees Seminar Wednesday October 16 at Frankston Australian Gun Club at 8pm sharp.

Video display by George Biggs will be available. Every interested shooter is welcome.

• Doreen Aylett Ladies High Gun 308/335.

THE LUIGI FRANCHI STORY

OVER 120 YEARS OF HISTORY, TECHNOLOGY AND TRADITION

The first Franchi came from Como across the river Adda at the time when Brescia belonged to the powerful Venetian Republic La Serenissima.

He left behind a difficult situation: the Duchy of Milan had passed from Spanish to Austrian rule, giving a hard time to anyone longing for freedom. He settled in Brescia, married and started the dynasty that has reached the present days. Originally a silk worker, amidst the Brescians he quickly learned the secrets of iron forging and became one of the masters, keeping up this tradition from father to son.

After Napoleon's time and a return of the Austrian domination, the Franchi family took part in the Italian war of independence 'the Risorgimento' fighting alongside Garibaldi; Martino Franchi died for him at the Mentana battle.

By 1968 the dynasty was already well introduced in the Brescia firearms industry.

The genealogical tree branches out more and more and the Franchi take interest in several fields. During the 1st World War they associated with the Gregorini of Lovere (which becomes Franchi-Gregorini) at present Innocenti-Sant'Eustachio the Dalmine and Metallurgical Tempini. They own mines in the valleys of Val Camonica, Val di Scalve and Val Seriana, as well as special cast iron blast furnaces and hydroelectric plants.

After the war and the inevitable jolts of reconversion of the industries completely devoted to war production it is Luigi Franchi that succeeds in distinguishing himself. With a partner he takes over the Angelo Duina Company which becomes Colturi & Franchi, then Lorenzotti and Franchi and finally Luigi Franchi s.p.a.

The concern continues to expand and to penetrate new markets, thanks to the Franchi loving care and skilful management.

It passes without any damage through the ruins of the 2nd World War and in the post-war period starts again with dignity and intelligence, foreseeing new market chances by the steady increase of its production range.

Alongside the outstanding side-by-sides, the range is extended from sporting over-and-under shotguns to the conception and development of a lightweight automatic shotgun when production a few years ago reached the unexpected goal of over 1 million units.

Presently, times have evolved and Luigi Franchi has become part of a world famous group which has based its success on the most advanced technologies.

A capable staff of executives has been added to the management of the firm, professional experts in the field of firearms production, which have devoted to Franchi decades of tireless efforts.

Today more than ever a firearm with the Franchi name entitles the owner to that glow of extra pride.

The first shotgun of remarkable renown produced by Franchi was the Aquila side-by-side. External hammers, lavishly engraved and marked with the inscription Luigi Franchi, Brescia on the left hammer pin, it featured a triple lock, Greener system.

A beautiful shotgun, whose only flaw was to be perhaps a bit expensive. This was happening in 1916.

The economic version of the Aquila was the Nibbio, followed two years later by the Diana model, last shotgun with external hammers to be produced by the firm.

A shotgun destined to become legendary was produced in 1930: the Imperiale model, followed in 1935 by the Littorio. Both models had a common specification: Holland and Holland type side locks. Franchi adopted this very costly solution and facts proved it was the right one.

In fact this increased the strength of the shotguns, improving also the line and elegance. The Imperiale and the Littorio were used for competition shooting and from them originated the Imperiale Montecarlo Extra series, still produced at present and standing at the world's highest quality level. There is no need to point out all the inestimable qualities of this shotgun. The names of famous owners and countless victories at World Championships speak for them.

Besides these famous firearms, in the years between the two wars Franchi also produced an over-and-under, a magnificent shotgun to meet new market demands, based on the Boss system, featuring a monobloc with lateral locking lugs and H&H type side locks.

In 1945 the factory had to face the problem of reconversion from war to civilian products. The shotgun that allowed it to employ with great profit the highly skilled workers was the automatic.

It was inexpensive, universal and, in some cases, irreplaceable.

The first one came out in 1946 but a real rise in quality was obtained in 1948 thanks to Mario Franchi. For a long time Franchi had been interested in light metal alloys, and Mario Franchi had the courage to use one of them for the realization of the automatic, thus producing the 48/AL, the lightest shotgun in the world (2.800 kg = 6 lbs. 3 oz.). Well over one million units have been produced to date with lasting success.

1946 also saw the birth of the Airone, the first post-war side-by-side, which became the Astore 1947, with hammerless Anson & Deeley type box locks. It was a very strong, elegant and well balanced shotgun, already showing what was going to be Franchi's strongest attribute: quality workmanship and perfection.

Right after Franchi presented the market with an over-and-under which was bound to become famous: the Alcione. Notwithstanding the higher production costs involved in the production of these firearms, Franchi had already reached such a stage of industrial development as to be able to offer this over-and-under at a competitive price.

The shotgun became a great and lasting success.

Franchi superior technology in the employment of light metal alloys led to the realization of another series of very successful firearms: the Falconet over-and-unders, chosen by field and mountain shooters who prefer to carry a lighter shotgun (less than 3 kg = 6.5 lbs.).

At present the Franchi production range includes the following firearms: Highly prestigious side-by-sides and over-and-unders of the Montecarlo Extra series, completely hand made to individual specifications.

Anson & Deeley type box lock side-by-sides of very accurate workmanship such as the Astore 1 Super de Luxe, Astore 2 etc.

Franchi over-and-unders of the Alcione series, renewed in line, engraving, mechanism, to perpetuate a name which is famous in the gunmaking art.

Extra light over-and-unders of the Falconet series, also redesigned to offer the shooter the most modern shotgun on the market.

Competition shotguns for Trap, Skeet and Sporting disciplines which have given the possibility to thousands of shooters to improve their performance. Moreover Franchi produce commercially a wide range of revolvers, .22 rifles, air rifles, recoil pads and special gun oils.

Today as ever the Franchi name stands for quality the world over.

NARROGIN CLAY TARGET CLUB INC

The Narrogin Clay Target Club was the venue for the State Double Barrel and State Deauville Doubles Championships at the weekend 20th and 21st July.

In attendance were John Eddy, State President and Roy Holtfreter, National President.

The first event was taken off by Ted Dickinson, of West Australian Gun Club. District Double Barrel Champion, and he also took off the A Grade.

B Grade was won by G. Ferrara of W.A.G.A. and C Grade was taken off by Eddy Toomey, Geraldton.

• Ted Dickenson (WAGC) receives his trophy from Narrogin CTC president Helen Weise as husband Darrell looks on.

The State Deauville Doubles Championship was won by two Geraldton shooters, father and son, Bert and Michael Boschetti, second place was won by father and son team, Merv and Jim Neve, Kalgoorlie.

Event three was the Narrogin Handicap. Overall winner was Max Cubic from Collie. The 11 to 15 metreage was won by Tim Rowe of Narrogin, 16 Metres was won by Len Sharpe also of Narrogin. The 17 to 18 metres winner was Roy Holtfreter, Northam, and 19 metres and over was won by Max Cubic, Collie.

Event four was the District Double Barrel Points Championship, A Grade winner was Roy Holtfreter, Northam, B Grade winner was W. Jackson, and C Grade winner was John Gentle from Northam. Roy Holtfreter was the overall winner.

• Father and son State Deauville Doubles champs Bert and Michael Boschetti.

The State Double Barrel Championship was to follow and after keen competition the overall winner was Gary Kelly of Geraldton. Gary also took off A Grade. B Grade winner was Bert Boschetti, Geraldton, C Grade winner was Michael Boschetti also of Geraldton.

Best unplaced lady was Gay Shipp of W.A.G.A. Juniors was taken off by Ashley Wiese, Narrogin, and Veterans winner was Charlie Holly, Kojonup.

Event six was the "Narrogin Cup" and the overall winner of this event was Max Cubic of Collie, who also took off A Grade. B Grade was won by S. Herbert from Katanning and C Grade was won by Tim Rowe of Narrogin. Winner of the Juniors in this event was Michael Boschetti, Geraldton. Ladies was won by Leslie Watson, Geraldton and Veterans was won by Alf Coleman, W.A.G.A.

• Lex Shipp of Winchester Australia presents the Winchester Cup to the State Double Barrel champion Gary Kelly. Gary also won the O/A High Gun for the weekend.

Overall High Gun for the weekend's shooting was won by Gary Kelly, of Geraldton.

B Grade winner was Bert Boschetti, Geraldton and C Grade High Gun winner was Michael Boschetti also of Geraldton.

Ladies High Gun was Helen Wiese, Narrogin.

Junior High Gun was Micheal Boschetti.

Veterans High Gun winner was Charlie Holly, Kojonup. Club member Peter Riseborough prepared an excellent meal for the Saturday evening.

The pig and lamb cooked on spits were supplemented by vegetable dishes prepared by the women of our club, shooters and families were delighted with the meal.

Presentation of trophies on Sunday evening was rounded off with a barbecue tea enjoyed by all the shooters and friends.

EDITOR'S MAILBOX

Dear Editor,

I would like to take this opportunity, through the pages of the C.T.S.N. to thank every shooter that has donated trophies, badges and sashes to enable me to conduct novice 10 target events each fortnight at Melbourne Gun Club.

I would like to make special mention to the following people:—

Spiro Teboneras and Skip Hansen who have both made guns available for those shooters who don't possess their own.

Shooters and ammunition factories that have donated shells for the juniors and also my good friend Stewart for the many sashes he has donated for novice events.

I end this letter on a very sad note because the person who has helped me a lot during the past years Phil Collins, passed away in July, after a long illness.

I miss you Phil as does every shooter at Melbourne Gun Club.

R. Henwood

I.S.U. SKEET SEES THE LIGHT: AUSSIE JUNIORS EXCEL IN SINGAPORE:

The long awaited "depth" in Australian I.S.U. Skeet appears to be rising.

Whilst I.S.U. Skeet has enjoyed excellent results internationally over the past few years, one of the most concerning facts has been the lack of depth in the sport, however slowly but surely the sport is increasing in numbers and the skills of the individuals are becoming more competitive. This is largely due to the availability of more I.S.U. Layouts around the country, thus enabling the aspiring and experienced shooters a place to train without travelling a million miles.

The very healthy competition circuit in N.S.W. this year has given the Sport a Tremendous shot in the arm with every shooter benefiting from the travelling and competition. I.S.U. Skeet in Victoria has enjoyed an influx of Juniors, taking into account that in International SKEET and TRENCH juniors may compete until the year they turn 21.

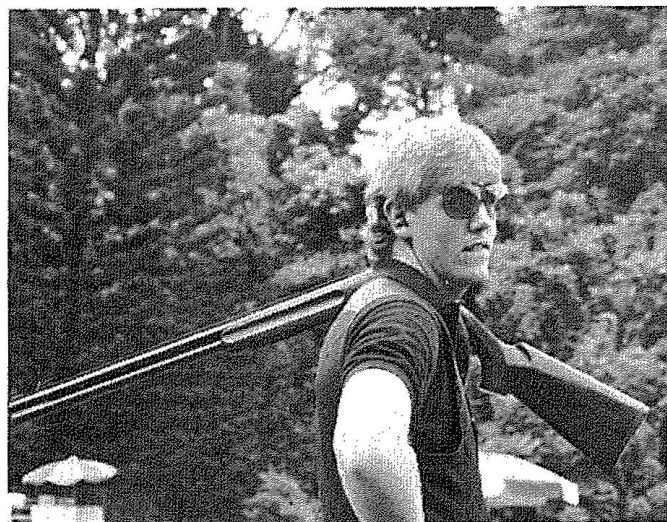

These young people are enthusiastic and are enjoying a healthy growth rate in the sport.

• Outstanding results from Craig Meuleman.

At the recent Pesta Sukan Games hosted by the Singapore Gun Club Victorian Junior 19 year old Craig Meuleman Carded a magnificent score of 195 ex 200 shooting the first 100 straight setting a new record for Singapore and Asia slashing Binet of Belgium's 192 ex 200. This young gent has paid his dues over the last few years practising hard and listening to those with the experience to teach and never quitting the task, he is reaping the reward of hard work.

Glen Clarke a new chum to the sport, also went to Singapore and for the amount of time he has been shooting put up an excellent performance on a layout that has the dubious title of the hardest in the world. There are several others putting their shoulder to the wheel in the junior categories and this is a wonderful thing for our country. More experienced shooters in Len Norman from N.S.W. Brian Prosser from A.C.T. Graham Guy from Victoria to name a few are all extremely competitive.

• Glen Clarke — a solid performance.

This year saw for the first time, juniors being added to the World Championship Team Michael Inguanti is representing us in Skeet with Brett Dunstan in Trench, by including juniors this year gives every young person the chance to compete for selection in their own categorie. The sports of International Skeet and Trench require a tremendous amount of skill to be able to perform well, to attain this skill one needs time and plenty of practice developing those skills. The system we have in this country is good provided the shooter is prepared to "stick at it." It's not easy but the rewards are terrific. Next year is Commonwealth Games year with the selections being held at The Brisbane Gun Club in February, the Skeet match should prove very interesting with the two positions for the Commonwealth and the Four positions including juniors for each discipline on the line.

MOREE GUN CLUB

The weekend of the 13th and 14th of July saw MOREE GUN CLUB hosting the New South Wales Night Skeet Championship. Shooters from Sydney and Brisbane as well as local shooters came to contest the six events to be shot during the weekend.

Saturday was fine but a cold wind had everyone reaching for extra coats. Seventeen shooters took their marks for the first event; a 25 target Eye Opener. Jim Wilberforce and Dave Dundon shot the possible and shared the graded sweeps with eight other shooters.

Event 2, the Gwydir Valley Championship had 19 starters. In the first round Reg Clarke, Jim Wilberforce, Dave Dundon and John Turnbull shot 25's. After the second round Dave Dundon emerged as the clear winner with a perfect 50. Reg Clarke, Jim Wilberforce and John Turnbull shot 24's and after a short shoot off (12 targets) in fading light John Turnbull won "A" grade from Jim Wilberforce. Paul Tattam took "B" grade honours from Ces Herbert and Mick Taylor "C" grade from Ken Badgery.

While the shooting had been going on Moree Club members had been barbecuing half a sheep and half a pig. These offerings along with hot veges made for a very enjoyable evening meal for all.

Night had fallen, black clays changed for white and after a minor hitch the 25 target night eye opener got under way with seventeen shooters. Reg Clarke shot the only possible and shared the sweeps with eight other shooters.

Now for the big one. Sixteen shooters braved the cold conditions. After round 1, Jim Wilberforce and John Turnbull were joint leaders with 23's. Reg Clarke came good, as usual, in Round 2 and came in with a possible and a total of 45. Jim Wilberforce shot 22 to equal. Doug Siggs and John Turnbull were next best with 44's. After another shoot off (Short again) Jim Wilberforce was the 1985 N.S.W. Night Skeet Champion. Reg Clarke took "A" grade from Doug Siggs. "B" grade went to Steve Subonj from Lyle Buxton and "C" grade went to Austin Donaldson from Moree's President Paul Davies.

It was very cold now so the two big diesel powered heaters and hot tea, coffee and the odd rum helped ward off the cold.

Sunday dawned cold with a heavy frost. After a few problems with the traps twenty-two shooters took to the tracks for the Moree Gun Club Championship. Reg Clarke and Steve Subonj had the only 25's after round 1. When the last shot had been fired Reg Clarke and Jim Wilberforce both had 48's. Reg finally got to win a shoot off leaving Jim Wilberforce the "A" grade winner from Doug Siggs who had to shoot off against Greg Oehm. Steve Subonj took "B" grade from Ces Herbert and "C" grade went to Russ Roberts from Mick Taylor.

Twenty-five shooters contested the last event, a 50 target Cash Divide. (Graded). Reg Clarke at last shot the lot and shared the winnings with eight other shooters.

Even with the small numbers of shooters attending the competition was intense with a number of shoot offs to decide O/A winner and grade winners during the weekend. As usual honours for HIGH GUN were keenly contested. After shooting finished on Saturday 8 targets separated the top three shooters. Reg Clarke eventually ran out winner with 239/250. Well done Reg.

• Reg Clarke accepting the High Gun Trophy from Greg Oehm.

RESULTS OF EVENTS 2, 4 AND 5

Event 1. The Gwydir Valley 50 target Skeet Championship
O/A Dave Dundon 50/50.

"A" John Turnbull (1st) 61/62, Jim Wilberforce (2nd) 60/62.

"B" Paul Tattam (1st) 44/50, Ces Herbert (2nd) 43/50.

"C" Mick Taylor (1st) 42/50, Ken Badgery (2nd) 35/50.

Event 4. The N.S.W. Night Skeet Championship
O/A Jim Wilberforce 55/60.

"A" Reg Clarke (1st) 54/60, Doug Siggs (2nd) 46/52.

"B" Steve Subonj (1st) 43/50, Lyle Buxton (2nd) 42/50.

"C" Austin Donaldson (1st) 39/50, Paul Davies (2nd) 36/50.

Event 5. The Moree Gun Club Skeet Championship
O/A Reg Clarke 56/58.

"A" Jim Wilberforce (1st) 55/58, Doug Siggs (2nd) 47/50.

"B" Steve Subonj (1st) 46/50, Ces Herbert (2nd) 45/50.

"C" Rus Roberts (1st) 45/50, Mick Taylor (2nd) 40/50.

As usual the weekend could not have taken place without the invaluable help and assistance by the ladies who kept us fed and watered all weekend. Our most sincere thanks to you ladies.

NORTHAM & DISTRICTS GUN CLUB

• John Tetlow victorious in both the Northam Town Council DB District c'ship and the Northam District SB c'ship. Club President Bruce Maley at rear.

Conditions Friday and Saturday warm and sunny Sunday cold, wet and windy attendance 50.

The annual series of Clay Target Championships were once again conducted by the Northam and Districts Gun Club on the week-end.

Friday commenced with a 25 target graded event with Cunderdin shooter John Fissioli winning the A Grade section, John Gentle from York the B Grade and Lady shooter from Geraldton Shirley Hocking the C Grade.

Saturday's first event was the Northam Town Council Perpetual trophy which was very ably won by West Aust Gun Club member John Tetlow with Lindsay Coster W.A.G.C. winning the A Grade, John Gentle from Northam Gun Club the B Grade and another local and relatively new shooter John Blechendyn winning the C Grade.

• Robin Bailey (left) receives the Hannagan Rheem Trophy from the Mayor of Northam Mr V. Ottaway.

Following a cash graded event the other main attraction for the week-end was the "Hannagan Solar Shop-Rheem" sponsored District Double Barrel Handicap.

John Fissioli from Cunderdin and Robin Bailey (WAGC) were equal top scores, with Robin Bailey winning the resultant shoot off.

Having a great week-end John Tetlow came to the fore again in event 6 by winning the Single Barrel District Championship. Ron Baker from Geraldton won the A

Page 23

• Lex Shipp Overall High Gun with Shirley Hocking Ladies High Gun.

Grade, Scotty Gibson (Katanning) the B Grade and Wayne Peach from Geraldton the C Grade.

The conditions that had by now deteriorated from ideal warm sunny weather to cold, wet and windy, the final event, the Districts Points Score Championship, was completed.

Jeremy Lowe from WAGC won it outright with Max Cubic Collie taking off the A Grade, David Fox also from Collie the B Grade and Wayne Peach from Geraldton the C Grade.

The best overall score for all events on Saturday was Lex Shipp from the Western Australian Gun Club. The best lady shooter was Shirley Hocking from Geraldton.

The best Junior was David Farthing from WAGC while Northam's own Merv Madew took off the Veterans' overall trophy.

• Junior Overall High Gun David Farthing with Mrs Kath Holtfreter, wife of National President Roy.

NSWCTA BULLETIN

Christmas is fast approaching and, I suppose, a busy time for all the shooters with farming interests. Let's hope that the season goes OK and you have enough cash over for next year's nominations.

CAR BADGES

Our first issue have now completely sold out and another batch made — these are very attractive and represent both the State Association and the ACTA. They are available from all Zone Secretaries or the State Secretary at \$10 each. To the Girls — why not buy one of each and attach it to the car; an excellent Christmas present.

STATE TIES

Jenny advises that a new batch of State Ties have arrived — these are a pleasant blue in colour with a red waratah emblem — contact Jenny Etheridge and she will forward you one "post haste".

STATE BLAZER

Full information was in the "August News" — however,

in case you have forgotten I'll repeat it — this way you have no excuse not to be wearing one by Christmas.

The Procedure is:

Go to your local menswear store and order your blazer — at the same time request a pocket piece of matching material (approx 18 cm x 18 cm or 8" x 8") send this material with \$6.50 to JJ Cash, 91 Murphy Street, Richmond Vic 3121 Attn: Mr Russell Grant and ask him to embroider the NSWCTA emblem on it. Mr Grant has a sample and will deliver it within one week from receipt of order. Some Countries, will not allow any Representative Team (ie. National Team or State Team) to be photographed unless they are wearing an official blazer — let's all purchase one and wear it with pride.

BIRDIES PROVERB

"A woman drove me to drink."

"And I never had the courtesy to thank her."

"INCORPORATED COMPANY" or "PUBLIC RISK INSURANCE"

Recently — we have been advised to consider forming each individual Club into an Incorporated Company. I believe each Club Executive should investigate this very thoroughly before proceeding.

There are advantages and disadvantages to each avenue and all Clubs must make their own decision to suit their own particular requirements.

The principal reason for consideration of a Company structure is to limit the liability of club members in the event of an accident where negligence is proven. Should this matter be taken to court, an award could be given against the Club or one, or all of its members — joint and severally. To clarify this — each member could be held liable to contribute monies from their own pockets to meet the court award.

There are two avenues available:

1. Formation of an Incorporated Company
2. Public Risk Insurance
3. Formation of a Company:

This avenue will cost the Club in excess of \$600 and will render the Club liable to pay Income Tax on all interest on investment income and some other forms of income as follows:

Under \$416 — No Tax

\$416 to \$2250 — at 55¢ in the dollar allowing for the \$416 concession.

Over \$2250 — Taxed at 46¢ in the dollar.

Also, the Club will be required to effect a Public Liability policy to a value of \$2,000,000.

Each year certain returns have to be rendered, including your Company Income Tax Return which will involve the Club in expensive accountancy fees.

The advantage is that it will limit the liability of each member as the Company is separate body and may be sued or may sue as the case may be.

PUBLIC LIABILITY POLICY

This is relatively inexpensive and, if obtained to cover person to person and Club, could prove to offer the same full protection as the Company. I referred a copy of our Association Public Risk Insurance Policy to a Solicitor and he states "In his opinion the insurance cover our Association holds at present gives each person full protection."

The above information is given after consultation with the Corporate Affairs Commission — Australian Taxation Office and a Legal Firm. I do not accept any responsibility for the above and I stress that it is a brief summary of the position. The Executive of each Club should discuss the matter with their local solicitor and then ask their Committee to act in the best interests of their members.

A THOUGHT

"One way a husband can make his wife listen, is to talk to another woman"

Good Shooting,
Len Bird

A TREATISE ON MEMBERSHIP DECLINE

Over the last 12-18 months each issue of the C.T.S.N. has mentioned at least once, the concern felt over the continued loss of members, and the vain hope is repeated that a "drive to encourage clay target shooting" will reverse the statistics.

The reports of annual shoots generally begin: "Although a fall in attendance from last year . . . everyone enjoyed themselves."

Following is an assessment of where the losses occur and the reasons given by a majority of those interviewed who

- (a) have given the sport away
- (b) shoot less
- (c) are generally unhappy and now considering joining (a) or (b).

Losses fall into 3 main categories:

- (i) New shooters who join and stay a relatively short while and then resign.
- (ii) Shooters of long standing but not A or AA grade.
- (iii) Older aged shooters.

Members of each group give as their main reason for shooting less or for resigning as monetary cost. Not the money in itself, but they perceive the cost to the "average shooter" is appreciably more than to the A or AA member. This means that majority is not getting value for money. Put another way, the A and AA grade shooters are being subsidised by the "average shooter".

This is obviously brought about because of:—

- 1. the preponderance of fixed mark shooting.
- 2. the ineffectiveness of the present handicap system.
- 3. the rules as they are now.

Observations on the above.

1. As has been quoted in several "letters to the Editor", fixed mark shooting results in

(a) many co-called "canny" shooters managing their scores in order to remain in the grade they choose. The honest shooter suffers.

(b) protracted shoot-offs wherein the A and AA members indulge in perhaps 120 or so "free practice targets" while the average shooters sit around for an hour or so awaiting the next event, aware that their money is paying for the clay targets being used. An oft-heard remark, "I've come 100 miles to shoot —, not sit about and pay for someone else's targets to this extent."

(c) The grading system divides the big clubs into cliques which tend to be separate entities, and the top groups appear most elitist to the newcomer. This is NOT a good thing.

(d) In small clubs it often happens that there is a great shortage of competitors in one particular grade — perhaps only one shooter in a grade. The problems here are obvious but not often encountered in the big clubs, hence are not sufficiently considered.

2. Handicap System.

(a) Many handicaps are shot in so-called metreage groups. Why is this so? Apparently so the back markers will be assured of a trophy. This whole method of shooting is an admission that the handicap system, at the moment, is unsatisfactory. The most blatant support for this statement is that, whereas in former times there was a consolation "front-marker" trophy for the inexperienced shooters, quite often there is now no such trophy, but a 21-25 metre trophy!!

(b) Another situation causing dissent is when, say, eight people in the 15-18 metre group shoot 20/20 in handicap and go on to shoot another 20 targets or so before a winner emerges. Apart from the winner, no one gets anything. However, at the same time someone in the 19-25 metre group who has shot only 17/20 wins an equally valuable trophy, with no metreage penalty.

3. Rules favour the most competent shooters.

(a) Optional sweepstakes for fixed mark shooting, unless otherwise advertised, are not in groups, but overall. Often in State events these are compulsory sweepstakes obviously a benefit for the A and AA classes.

(b) The newer shooter frequently shoots at an illegal target — misses — and is astounded at the rule which designates that HE is the judge of legality. What infuriates him is when he suspects (as many of the squad also do) that a lurk-merchant has refused his weakest bird on the pretext of a "slow release", and then proceeds to shoot a "possible".

(c) If a B/16 shooter earns a metre to go to 17 metres, he is then only one metre in front of an AA shooter graded on 18 metres. This difference is not sufficiently great.

(d) Cash handicaps at the moment have to be shot out, and this does not appeal to the "average" shooter who has been very lucky to shoot a possible.

Older shooters are penalised in several ways. In fixed mark shooting they lack the stamina to win a shoot-off in any grade from B grade upwards. Those who have been AA grade are not permitted to drop below A grade despite their honest B grade (or worse) performances. Similarly A cannot regress below B. Many shooters over the age of 60 drop out before the official "veteran" age of 65 years. Most lack the stamina for a long shoot-off, so their competitiveness is greatly limited. Shepparton and some other clubs have apparently seen the futility of this rule and advertise THEIR veteran age at 60 years. Some older guys who are non-competitive shoot for "targets only", but they are the ones who love shooting more than golf.

It is felt that these inequities have grown "like Topsy", as most clubs are run by A graders who see the world through the eyes of A graders, so it IS NATURAL THAT THIS HAS HAPPENED, and no blame is intended. The newer shooter is not a forceful person in club management, so, instead of rocking the boat, he leaves and plays golf or another sport.

Talking of Sport. It is felt the A.C.T.A. in itself is too centralised, and instead of trying to formalise shooting, should be making the statement, "A gun club is formed to serve the wishes of the locals and, to be viable, needs to attract members by catering for their preferences, be it S.B., D.B., Points, Continental or whatever."

Suggested Remedies.

Let us realise everyone likes to win just once in a while, so make it possible for everyone, on his day, to feel he can do just that.

1. A more equitable handicap system. (This would require a lot of revision and would also incorporate a scale, e.g., of 16.18.20.22. for minimum handicaps for C, B, A and AA.)

This would:—

(a) encourage clubs to revert to the old practice of having only one championship (fixed mark) event each day.

(b) be more sociable and less separatist.

(c) reduce shoot-offs, and so,

(d) be less costly.

(e) encourage "pride in handicap"

(f) make optional sweeps more equitable.

(g) be fairer for everyone.

2. Revise the grading system.

(a) After 250 targets reject the two lowest scores and average the remaining 200.

(b) Allow shooters to regress (with adequate safeguards).

3. Lower the veteran age to 60 years.

4. Revise rules which are a nonsense, inadequate, unsatisfactory or contradictory.

"CONCERNED SHOOTER"

NORTHERN NOTES

N.T.C.T.A. NEWS

Preparations for the inaugural Skeet Championships are well under way at Katherine, with President Slug Winstanley preparing the second layout for the shoot. Katherine's 'now you see it, now you don't' skyline should add a bit of a challenge to competitors.

HERE AND THERE

It is sad to report that a Territory 'institution', the 'Ballongilly Shoot' may not be held this year. Originally held on the Queen's Birthday weekend, it was forced to change when the N.T.C.T.A. used this long weekend for the State Trap Carnival. Last year's shoot, for \$1000 prizemoney, was reasonably well attended, and enjoyed, particularly by Greg Chan, who returned to Darwin with the lion's share of the cash. Hopefully Pauline and Ernie Rayner will be able to promote this excellent shoot in future years.

Well, Bob Pearce is the latest shooter to benefit from graham 'Scrubby' Joiner's search for the perfect gun. Bob bought the Perazzi 'reject' as soon as it went on the market. What now, Scrubby? On the subject of personalities, a well-known local shooter, imported from N.S.W. a couple of seasons ago was having a very uncharacteristic round of skeet, firing with little interest, and mumbling harsh words to all and sundry. When quizzed as to the reason for his ire, it seems that a couple of shooters who shall remain nameless told our 'skeetie' that release triggers were banned from all future A.C.T.A. competition.

The attitude of 'I can't shoot my gun anymore, so I don't care', soon changed when he realized his leg had been pulled. Max is still thinking of a way to get even, so beware, J.D. and Greg.

It is upsetting to see so many experienced shooters refusing to renew or sit for their Referee's badges. The excuse so often heard that 'the rules are changing so fast it's not worth bothering about' has become a poor one of late. Like any other sport, 'if you don't know the rules, you can't play the game well' applies. Club committees can also assist by having half a dozen rulebooks for sale at shoots, or, better still, giving new shooters a rulebook when they join the club.

Top End Gun Club's Field and Game layout is being well used at present with the onset of the cool weather. It's a pleasure to be able to wander around the course now. There still has not been a possible 25 shots at the club, but Barry Munt assures me that this will not be long in coming, as shooters are improving steadily.

Mark Jones, visiting from Melbourne shot well to take out 'C' grade trophies at the Darwin Gun Club recently. Rumour has it that a working holiday at a buffalo camp is next on the agenda.

Long time Darwin shooter Tony Barressi won his first trophy for many seasons when he took out 'C' grade skeet honours with a well-compiled 43/50 recently. Well done Tony!

Jim Bitossi from Katherine is a constant visitor to Darwin these days. Following his first-ever selection in the State Trap team, Jim's after all the competition he can get, and it seems Darwin's the place at present.

'Mr Handicapp,' Gerald Fong Lim looked like he had another 'feather in his handicap' recently, when he came in with 28/30, but he had to settle for third place behind local law enforcer Ron Winter, and 'Dazzling' Daryl Read. Maybe next time, Gerald!

SAFETY CORNER

With Duck season upon us once again, the pumps and autos are coming out of mothballs and appearing in the swamps. A few have been seen at the practice shoots, but most of us seem to take it for granted that we will be as safe in the swamp as we are on the tracks without a couple of rounds to become re-acquainted with our 'garden stakes'. Last season the writer had an experience he would not care to repeat when he found himself walking behind a Gun Club colleague who was carrying his auto over his shoulder with the barrel staring the writer in the face at zero feet distance. It was only when we stopped 'for a blow' that I noticed that the gun had its action closed. The colleague, when asked, advised that the gun was loaded, but the safety was on, so it can't go off! Exit one future shooting partner!

P.S. Rumour has it that .22's are NOT the 'in thing' for wing-shooting our wildfowl.

STOP PRESS

DARWIN GUN CLUB FOUR DAY SHOOT

It is disappointing to record that only seventy shooters attended this shoot, the richest on the Territory shooting calendar. However good shooting and weather were enjoyed, and incidents were few, the main shooter's complaint being the 'call now, bet a target tomorrow' machine in layout one. Quite a few fancied Calcutta shooters came to grief on the layout. Let's hope that's sorted out by next August!

It was good to see Past President of the A.C.T.A. Ern Hawkins back at the shoot after a lengthy absence. Ern thought it was OK too when he won the airfare trophy in 'B' grade in the Calcutta. Visitors took out all the airfares, with Ron Hammond scoring in 'A' grade, and Bill Philo doing best in 'C' grade.

Local President Ken 'Short speeches' Selwood won the Grand Handicap with a possible off 19 metres to keep the home flag flying, and the local Junior 'Hit Squad' of Tom Weis, Mark Grosvenor, and the Delis brothers, Mike and Pete, gave fair warning to the 'big boys' with some top target busting.

A battle royal developed for Ladies' High Gun, with long-time visitor Tasmanian Doreen Aylett eventually winning from Carol Maher of Melbourne, who went to 'B' grade and back to 17 metres for her fine shooting.

The Overall High Gun was a 'No Contest', with Alan Spence hitting the front from the first shot and never being challenged at any stage. It was sad to see this fine shooter 'drop' his 49th target in the handicap, but, as Alan says '21 metres is too far back anyway'.

Brian Mark enlivened the Calcutta auction with his repertoire of rich and risque recitations, and got top money auctioneering the shooters also. Thanks, Brian.

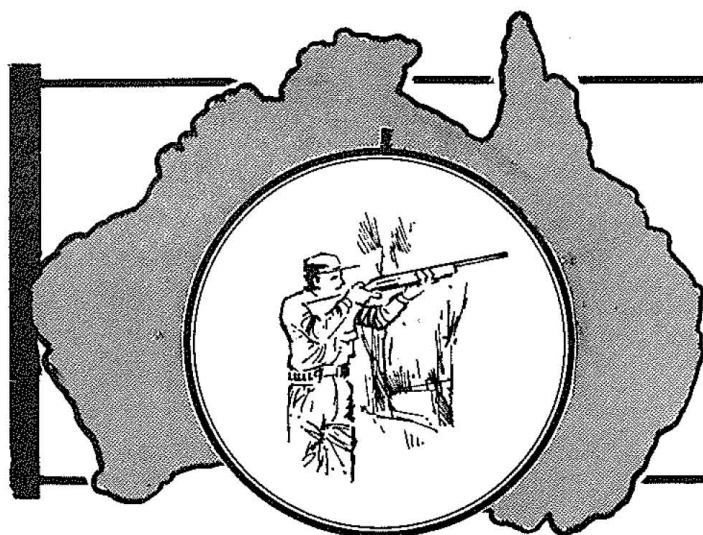

Jabiru shooter Brian Sutcliffe is in the doghouse at present. After holidaying in the 'West', Suttie decided to drive non-stop from Perth to Adelaide, much to the dismay of the family.

Alice Springs Publicity Officer Gary Wenck reports that the club is coaching students at the Alice's three High Schools, as a lead up (no pun intended) to a Schools' Carnival later in the year. The club also intends to run a five way shoot with archers, pistoleros, big bore, benchresters and shotgunners sections competing. Let's hear the results, Gary.

Duck shoot morning was a bit slow, with the score of shooters only bringing in two ducks. Not much of a feed for a hungry clan, but 'Been There Before' Doug Chan had packed away kilos of last year's birds, marinated and chopped up for the hungry hordes.

Quote of the Morning Greg Chan to Tony Bradshaw, after MFS's comment on sate (satay, satee, whatever spelling you prefer) sauce; "Calling this fine recipe just peanut spread is like calling pate just goose livers!"

Until next time,
"Inkball".

Richmond River Gun Club

The presence of Winchester is appreciated at our club and our special thanks to them and also Don MacAulay of MacAulay's Trophies, Lismore.

Cont'd from page 15

Ten year old Junior Shooter Matthew Kirkpatrick takes time to concentrate prior to calling for the release of his "Ball Trap" target. Matthew, son of Ian Kirkpatrick, Bonalbo, was one of the three juniors shooting for the Richmond River Gun Club in the Winchester Ball Trap Championship recently. With the "little fellow" is Graham Bennett of Young, N.S.W. and Barry Finch of Coffs Harbour. Matthew took the junior trophy of this day.

BEGA GUN CLUB

At the Annual General Meeting of the Bega Gun Club held on 14/8/85 the president Mr Neville Teale, Secretary Lynne Teale and Treasurer Virginia Deacon were all re-elected. The Club thanked the office bearers for their dedication over the past twelve months and looks forward to another well organised year of shooting. The Secretary's address remains 125 High Street, Bega 2550.

BURNIE GUN CLUB

At the A.G.M. at the Burnie Gun Club on August 5 the following were elected as Committee Members: President — F.R. Smith, Vice President P Saunders, Club Handicapper — George Burgess, Shoot Marshal — Kevin Walker, Club Coach — Harvey Astell, Secretary/Treasurer — R. Dawkins — 9 George Street, Chasm Creek, Burnie 7320.

WEST WYALONG GUN CLUB

At our Annual General Meeting held on August 1 the following office bearers were elected. President — Mr. G. Bolte, Secretary — Mr. S. Foster, Treasurer — Mrs. Y Ashton, Club Coach — Mr. F. Ashton, Publicity Officer — Mr. S. Foster, Club Handicappers — Mr. B. Dent and Mr. D. Morton, club Delegate — D.T.L. Mr. S. Foster, I.S.U. — Mr. B. Dent, Committee — Mr. D. Lindsay, Mr. D. Hopper, Mr. V. Kalms, Mr. K. Maxwell.

WAKEHURST GUN CLUB

The Executive positions for 1985/86 are as follows: President — Ray Cerny, Secretary — Bernice Goodwin, 33 Grasmere Crescent, Wheeler Heights 2098, Telephone No. 982 3569, Assistant Secretary/Treasurer — Robyn Lang, Life Member — Ray Cerny, Patrol — Bonar Knight, Trustees — Roy Johnson, Fred Taylor.

TOOWOOMBA GUN CLUB

Our committee for 1985/86 is as follows: President D.E. Moon, Vice president G. Adamson, Secretary K. Miller P.O. Box 5068, Toowoomba 4350, Treasurer T. Hopkins, Captain M. Hass, Vice Captain V. Tipman, Committee M. Adamson, R. Dean, Donovan, D. Hopkins and G. Manning.

LEONORA GUN CLUB'S ANNUAL GOLD NUGGET SHOOT REPORT

This year's shoot was held over the weekend of July 6th and 7th, with sixty eight shooters from Newman, Geraldton, Perth, Bunbury and the Goldfields Clubs of Esperance, Southern Cross, Kambalda, Kalgoorlie, Laverton and Leinster.

The programme included the Commonwealth Continental Championship sponsored by the Leonora Stores, The State Double Rise Tower Championship sponsored by the Central Hotel, in addition to two gold nugget shoots for which Leonora's annual shoot is renowned.

Highlights of the weekend's shooting were the success of Geraldton junior shooter, Mike Boschetti, the commissioning of the Club's third DTL layout with its automatic trap and the keen competition between Kalgoorlie's Jim Neve and Collie's Max Cubic for the championship honours.

Mike Boschetti, competing away from his home town for the first time, was in excellent form over the two days which culminated in his taking out the Junior High Gun (129/155), the C grade State Mixed Targets Championship (56/60) and second in the C grade Commonwealth D/B Continental Championship (43/51).

The Club has spent more than \$6,000 on improvements over the last few months in a project to produce first class facilities for Clay Target Shooting in the N.E. Goldfields. This effort is being boosted by a grant from the Leonora Shire Council along with the support of individuals and businesses in Leonora. The club boasts two towers and three DTL layouts with the commissioning prior to the weekend shoot of the third DTL layout and the Club's first automatic loading Continental trap. The trap worked well over the weekend particularly once the trap boys activated the right switches.

Kalgoorlie's Jim Neve and Collie's Max Cubic were in good form, competing vigorously against each other. Jim came home the better with the two State Championships against Max's Commonwealth Championship as well as the weekend's High Gun after a shoot off with Max. Neale Johnson of Leonora, Merve Neve of Kalgoorlie and Murray Alexander of Perth kept them honest, particularly Neale with his second in the 5 S/B Continental Gold Nugget Shoot, and A Grade win in the 10S/B gold nugget shoot, thus keeping alive his tradition of winning back at least one of the nuggets which he donates to the Club's annual shoots.

Gold Nuggets were also won by Murray Alexander, Dale Newland, Les Hall, Eddie Toomey and Steve Niendorf in the 10 S/B graded gold nugget shoot and Max Cubic in the 5 S/B Continental gold nugget shoot.

At the end of the prize presentations, the Club president Ken "Buck" Winter was presented with a Beretta 682X TRAP gun donated by Club members in appreciation of his services to the Club since its inception when he was foundation member. Buck has been hankering after this gun since he first laid hands on it at the Perth Nationals and it was only through the co-operation of Murray Alexander and several club members liaising with other WA gunsmiths that the Club was able to forstall Buck's purchase of this gun and enable the Club to present it to him. As an aside, he was able to give back to his wife, Margaret, the gold "paperweight" with which he had been attempting to purchase this gun.

The weekend finished with a Hungi meal washed down by the contents of several kegs amid replays of video film of the Sunday's shooting and prize presentation.

Full details of the weekends shoot are:

EVENT 1: 15 pair state double rise tower championship Shoot off for first. 1st Jim Neve, Kalgoorlie, 46/50; 2nd Mac Cubic, Collie, 43/50; 3rd Merve Neve, Kalgoorlie, 27/30.

Mixed Meterage C'ship: R. Glenn 32-32, I. Holschier 31-32, T. Holschier 36-37. 15T Mixed C/D 5S/B & 5P D/R: 1 possible: I. Holschier 15-15. It was great to see the ever-increasing support from our local shooters. One who returned to the club after a number of years break was David Bond who was rewarded by winning the 20T D/B Hop. Well done. Congratulations go to the Holschier boys, Tom and Ian, each picking up placings in three separate events. Also the full Grand Prix program is out and from response a minimum of 150 shoots looks to be an understatement.

DUBBO 4-8-85 — Fine, warm. 10T DB EO C/D: G. Walton, B. Walton, T. Eade, R. Jenkins all 10-10. 20T DB 15m: A. K. Walton 22-23; B. P. Keough 28-28; C. L. Bates 19-20. 30T Hop: B. Powell 30-30, P. DOUBLE TAKE

Diamond Grade™. One look at the dramatic rib design, internationally dimensioned stock and the anatomically contoured trigger will show you this is one serious shooting machine. A whole new breed of Winchester.

Diamond Grade. Take another look. Distinctively engraved frame and carefully

selected American Walnut stock inlaid with ebony diamonds is proof that superior performance can be beautiful. Offered in a wide range of Trap and Skeet models, these are the guns that serious competitors asked for. We listened.

Be sure to see this "jewel" at your local Winchester dealer.

LOADED IN YOUR FAVOUR

Technically the odds are in your favour when you use Australian made Winchester patented Shotshell Cartridges with matched components. Every component is scientifically designed and manufactured to exacting rigid specifications to give you the winning edge. One piece compression formed plastic **case** - for superior strength and reloadability. Non corrosive **Primer** - for quick sure ignition in all climatic conditions. **Olin Ball Powder** gives clean progressive burning for consistant power. **Winchester Wads** - for superior gas sealing and improved patterns. **Winchester Shot** - polished alloy hardened for truer flight. When you add it all up how could you use anything but Winchester Shotshells - Loaded in your favour.
