**FRONT COVER:** The scene is set for an almighty 1986 Trap Nationals. An aerial view shows the stage where top competition will be shot out by hundreds of keen trapshooters contesting a prestigious National Title.

# EXECUTIVE DIRECTOR'S NOTES

A very busy March month coming up as we complete arrangements for the 1986 Trap Championships and the 50th Annual General Meeting of the Association both of which will be held in early April.

The Trap Carnival is something that we are really looking forward to. Reports from the various clubs and shooters alike show an unprecedented interest in the competition, this feeling is further strengthened from within the trade as comments have been received that there appears to be a renewed interest in the sport as a whole.

All of this means that you are giving support to Clay Target Shooting and this support will be shown by the numbers attending at Echuca, where records are likely to be established.

The Annual General Meeting on Friday, April 4, will also be of interest and trustfully, well attended as it provides an ideal opportunity to have ideas presented and discussed.

Good ideas should always be worthy of discussion and serious consideration, not all will be acceptable however, this does not mean they are not worthwhile, maybe they have not been prepared with sufficient care or maybe they will need some refinement before considered for adoption, above all else if you have something to offer by way of a suggestion then prepare accordingly and make certain your thoughts and views are made known — an exchange of ideas and views will ultimately benefit all.

Elsewhere in the C.T.S.N. you will find early advice of Notices of Motion that will be presented to the Annual Meeting. In an attempt to clarify the thinking behind these proposed amendments I offer the following points which are to be read in conjunction with the Notice of Motion.

1. The Bluewaters Gun Club have put forward a notice to ensure that clubs must become and remain a member of their respective State Associations to remain affiliated with the A.C.T.A.

The reason quite simply is that State Bodies who control and stage State Championships etc., as well as working on behalf of their State shooters must be authorised by state members to represent the State at National Level.

Unless the State Body is speaking on behalf of all members in its respective State there could and has been in the past areas of difficulty in standardisation of the Association from all levels.

The lines are already established, they now need to be documented.

2. A motion submitted by Cowra Gun Club, quite clearly, wishes new adult shooters to receive an A.C.T.A. lapel badge with their record of registration.

This in fact is already happening, however it is the wish of the Cowra Gun Club to formalise the procedure.

3. Submitted on behalf of the Melbourne Gun Club upon advice from the Association's Legal advisers.

The reasons put forward by the Association's Solicitors quite clearly indicate that this Notice of Motion should be approved by members, as the Act is specifically designed for Associations such as ours.

4. An alteration is proposed to ensure that sufficient time is available to allow for discussion on amendments to the Articles or Notices for special meetings.

It is felt that a twelve (12) week period would be sufficient — only a minor amendment put forward by the Townsville Gun Club however, it would be in the best interests of all concerned should this Notice of Motion be approved.

5. A motion is to be submitted under General Business for an increase in the Club affiliation fee as from January 1, 1986.

The proposed increase from \$10 to \$30 per year is to allow for an increase in the A.C.T.A. Public Liability Insurance policy from \$1m to \$2m. As the increase in cost is substantial it is considered that the proposal to increase

club fees by \$20 would be acting in the most responsible manner.

This would then allow for all clubs to discontinue their own Insurance for registered shooters which will guarantee all persons are protected for a cover of \$2m and clubs would be benefiting by the savings of a minimum of at least \$180 per club.

6. For the purpose of allowing the Executive Committee to propose notices of Motion, the Constitution shall regard the Executive Committee as a member. This will enable the Executive to have matters raised at Committee level placed before the Annual Meeting as a recommendation.

Personally, I believe that all the proposals should be accepted by the meeting as they are in accordance with the best interest of shooters and clubs as well as in the last proposal being economically viable.

In other words — they all make sense to me and I trust that member clubs for the good of the Association will see fit to agree.

---

## NOTICE OF MOTION — AN EXPLANATION

1. In theory, club delegates at our Annual General Meeting represent the opinion of their club committee and membership, and items listed on the agenda as notice of motion will have been discussed by the club committee and their delegate instructed of their opinion and how to vote.

2. Our official organ of communication is Clay Target Shooting News, mailed to each fully registered shooter, and an item listed as notice of motion on the AGM agenda should have an explanation of the proposal in CTSN and an opportunity for opinion opposed to the motion, prior to the AGM, so that everybody down to the grassroots member knows what is proposed and can think over the argument for and against.

3. At present only two weeks notice of motion is required prior to the Annual General Meeting, and in the past when only this minimum has been given, the result has been:

- (i) few club delegates have known of the motion prior to the meeting and so can only vote by their personal and hasty opinion on the matter.
- (ii) few club committees will have had opportunity to meet and discuss the proposal and instruct their delegate.
- (iii) No mention of the notice of motion will have been in CTSN nor a detailed explanation supporting the motion nor a chance for an opinion against the motion to be printed.
- (iv) If such a motion is passed then those opposed have a right to complain that it was "railroaded through" and they were denied the democratic right to have an argument opposing the motion fully considered. This failure of the democratic process leads to breakaway groups.

4. Why twelve weeks notice of motion? The 1986 Annual General Meeting is held on the 4th April and to allow a club committee a chance to meet and discuss the motion, articles must be printed in the March edition of CTSN. Articles for the March edition of CTSN must be on the editor's desk on 1st February and to allow time for preparation of items supporting and opposing the motion early January is the latest that notice of motion for the AGM should be received ... twelve weeks prior to the AGM.

5. If this proposal is accepted, the result should be an improvement of standard of the Annual General Meeting and avoidance of last minute motions which can upset the harmony of ACTA.

National Executive Committee

# AROUND THE TRAPS

with Laurie Connors

Saturday January 4, 1986. Another shooting year starts, and what better way to kick it off than to be heading for the Gold Coast Queensland, and attend Coffs Harbour Gun Club's annual two day carnival.

I was not the only shooter with this in mind and over 100 shooters a record for this tournament, turned up to enjoy the hospitality extended by club President, Stan Simmonds and his band of workers.

Camping on the grounds with excellent facilities available for shooters wishing to stay where the action is, the "House full" sign soon went up, well before events actually started. Over 60 shooters participated in the practice session proving to the club administrators they were in for a busy weekend. When the real thing started, not only were shooters there in numbers, they were in great spirit and fine shooting form.

In the first event on the program. Peter Flack, from Sydney, using a brand of cartridge he well knows, shot a club record 201/201 to win the A-A Grade section of the event.

• Left: Bruce Hall, from Bairnsdale, Victoria, a visitor and winner at the Coffs Harbour shoot with 192 straight. Bruce is being congratulated by Bill Turner after their marathon shoot-off.

Local club member and hard worker for the club John Farrell shot 95/95 to take "A" Grade, Vic Eather won "B" Grade with 38/38 and B. Robinson 28/29 "C" Grade. The Banana Republic Single Barrel Classic, saw Vince Gatt, also from Sydney win A-A section with 35/36.

"A" Grade went to Bruce Hall from Bairnsdale, Victoria 25/25. Bruce was showing a lot of determination to try and take home a trophy, after the long drive to attend the shoot. John Cunningham won "B" Grade 36/37 and Ted Watts "C" Grade 25/25.

The third event on the program, The Coffs Harbour Disposals Point Score Graded Trophy event saw one of shooting's gentlemen Alan Cramp from Goulburn win "A-A" with 89/90. Lyle Buxton won "A" Grade 74/75. Max Harrison "B" Grade 75/78 and Rod Odgaard "C" Grade 74/75. Peter Freeleagus, well known shooter from the

• There's always got to be a loser! You can see by the smile on Alan Cramp from Goulburn it's not him. Here Alan is being congratulated on taking the honours in the shoot-out by his opponent Jim Hunter (left) from Warren.

Brisbane area was telling me he hasn't been shooting a great deal of late, however he put 86/86 on the board to win A-A in the Baileys Hardware Graded event.

Bruce Hall, still showing determination to win, shot 110/110 to take "A" Grade. Rex Whittan looked to be enjoying every shot when he won "B" Grade with 87/87. Pat Young won "C" Grade 31/31.

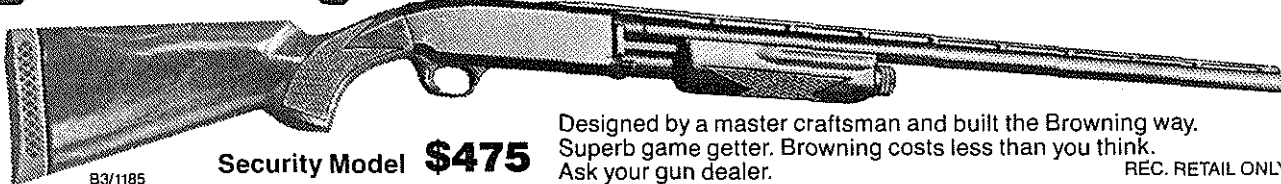

The major event on the program, The Coffs Harbour Grand Classic saw some excellent shooting before Grade winners were decided. Allan Cramp again "A-A" winner with 100/100, Bruce Hall "A" Grade 192/192, George Foster "B" Grade 56/56 and Paul O'Brien "C" Grade 29/31. Bill Turner shot 57/57 to win A-A in event 7. "A" Grade went to Ted Schreider 51/51, "B" Grade Garry Moore 41/41 and "C" Grade Bruce Ringland 23/25.

The last event on the program, the John Williamson Toyota Continental Graded trophy event saw Roger Vidal break 119/119 to win A-A Grade, a great performance.

• Right: Stan Simmonds, President of Coffs Harbour Gun Club, congratulates Roger Vidal on winning the Williamson Toyota Continental Trophy Shoot 119/119.

● Angelo Piazza and his charming wife Michelle, collecting his High Gun trophy at the Coffs Harbour two-day carnival. 244/250.

Tom Turner won "A" Grade 53/53, Cliff Bradley "B" Grade 32/32 and Helen Finch "C" Grade 24/25 Ladies High Gun went to Helen Finch 216/250, Junior High Gun to Tom Turner 244/250 and Open High Gun Angelo Piazza 244/250. The tournament over and all trophies presented to the fortunate winners, one can only say on behalf of all present, "THANKS COFF'S" for a great weekend. Saturday January 11, 1986.

The Sunshine Coast Gun Club conducted what is known as their Annual "Super Shoot" over this weekend. Here one was to again witness a record attendance of over 100 shooters competing in the events. Shooters came from twentyone different Queensland Clubs. Also in attendance were visiting shooters from New Zealand and the United States. Victorian, N.S.W. and W.A. shooters were also attracted to the tournament.

Victorian shooter Mark McInnis shot 135/135 to win A-A Grade section in the first event on the program. Lex Stolberg from Gympie shot 41/41 to win overall in the 30 target Single Barrel Lighthouse Special. Vic Hyde from Rockhampton won the Sunshine Coast Gun Club Points Championship 96/96. Local Club member Geoff Fett shot 144/144 to take top honours in the 45 Target Supershoot.

Major winners in the last event on the program, a cash handicap, were 11-15m group, Peter Gordon N.Z. 30/30, 16-19 Peter Anderson Brisbane 113/113, 20-25 Rod Fett Sunshine Coast Gun Club 39/39. Robert Nugent from Roma dropped two points over the weekend to win High Overall honours with 228/230.

This club is showing a great deal of progress since my first visit three years ago. It features three D.T.L. traps, some under lights for night shooting, excellent club rooms with facilities for skeet shooting now being installed. Club president is Geoff Dixon.

Saturday January 18, 1986. A favourite club of mine and many other shooters visiting the area, the Gold Coast Gun Club conducted its annual two day tournament over this

weekend. Seventy shooters turned up to participate in the events. Colin Witt is the President of this club and has been for the past nine years. He is a capable president and handles his position very professionally, particularly in the way their tournaments are conducted. Also the way he extends hospitality to visiting shooters.

● Robert Nugent proudly collecting the High Gun sash and trophy he won at the Sunshine Coast Gun Club with a score of 228/230.

It is obvious to me Col is ably assisted by a good working committee. Peter McLachlen, Alf McColl, Joe Box, Kevin Seeney and Graeme Turrell are some of the members I know in his team.

In warm conditions they produced yet another good weekend of shooting for the enthusiast with Queensland's top shot Greg Newey showing everyone how it should be done. Greg was in every event on the program and was the one everybody had to try and beat.

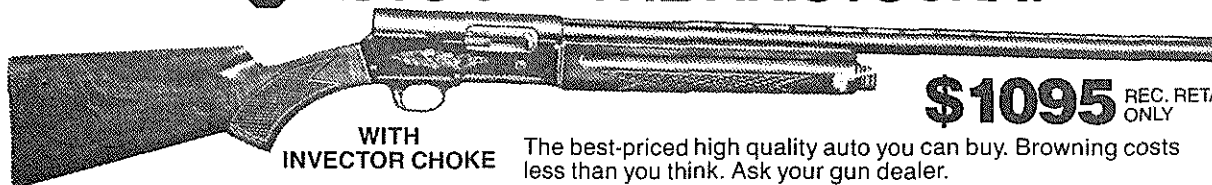

David Ryan took overall honours in the first event and beat Greg for the J.M. Bauman Gold Cup with 43/43. David also shot 68/68 to outlast Greg in the shootoff for A-A section in the Beenleigh Toyota \$500.00 trophy event.

However Greg outlasted the field in the third event and won the Pacific Coast Points Championship 75/75. Greg followed this up by winning the Lee Hogarth Silver Cup for the sixth time 32/32. He then shared A-A honours in the \$700.00 "Shooters Loot" event with Bill Stevens, by both shooting the possible 80/80.

Gerry Hermle was too good for all in the Gold Coast Champion of Champions from 22 m. Gerry won the event 43/43. However Greg Newey was the man of the tournament, and proved it by taking High Gun honours over the program by shooting the possible in every event

B2/1185

● Cont'd from previous page

● Caloundra Gun Club President, Geoff Dixon, and club member Geoff Fett, seated on rail, congratulate visiting shooters on their trophy wins at the Caloundra "Super Shoot". Left: Randal Cameron, Roma, Qld, shot 143/143 straight; Button Powell, Hermitdale, N.S.W. 116/116, and Vic Hyde, Rockhampton, Qld 96/96, to win their trophies.

● Right: Greg Newey showed what a top shot he is by winning the Lee Hogarth Perpetual Cup for the sixth time. Also the Pacific Coast Points Score Championship, Overall High Gun and the special \$250.00 cash trophy for shooting the possible 260/260 over the two-day Gold Coast Carnival. Club President Colin Witt congratulates Greg on his grand performance.

and finishing with 260/260.

The club put up a special \$250.00 cash trophy to any shooter who could shoot the full score on the program. Greg was delighted to take the prize and requested all present at the completion of presentations, to join him at the bar and help celebrate his feat. A fine gesture and a fitting finish to yet another successful Gold Coast two day tournament.

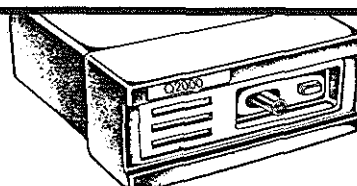

What do you reckon? Whilst staying in the Gold Coast area I ran into a few of my Victorian shooting mates.

Met one from Maryborough, the one with the beard and thinning slightly on top. He had been to "Jupiters Casino" in Surfers Paradise. Invested \$4.00, had beginner's luck and turned it into 800 bucks.

The last I saw of him he was heading for home with his "loot" his wife trying to convince him, as all household earnings are shared she was entitled to at least half. I don't know if she had the same luck as he did!

See you where there is shooting,

Laurie Connors

# 50TH ANNUAL GENERAL MEETING ECHUCA VIC

FRIDAY APRIL 4, 1986

The following notices of motion, having been received in accordance with the Associations Articles of Association, will be presented to the Annual General Meeting for its consideration.

NOTE: The word member or members wherever used relates to an affiliated club as distinct from a registered shooter.

## NOTICES OF MOTION TO AMEND THE ARTICLES OF ASSOCIATION

1. **Notice of Motion:** Submitted by Bluewaters Gun Club  
Article 5 to be amended to include, following the words "admit to membership of the Association.",

(A) "Providing however that the Executive Committee shall have the power to refuse membership to such clubs as are not or do not remain affiliated members of their respective State Associations."

(B) "Any member not becoming or remaining an affiliated member of its State Association shall cease ipso facto to be a member of the Association."

2. **Notice of Motion:** Submitted by Cowra Gun Club

Article 40 to be amended to include:—

(A) 40 (d) Adult Shooters registering for the first time with the Association shall be forwarded the A.C.T.A. Lapel badge with their record of registration.

3. **Notice of Motion:** Submitted by Melbourne Gun Club acting of the advice of the Association's Legal Advisors.

(A) The Association migrate from being a Company, Limited by Guarantee under section 66 of the Companies code, to a body incorporated under the Associations Incorporation (VI) Act 1981, which is an Act especially designed to regulate Associations such as the Australian Clay Target Association.

4. **Notice of Motion:** Submitted by Townsville

Article 36 to be amended to include:—

(A) 36 (c) Notices of Motion that propose alterations to the Articles of Association must be received by the Association at least twelve (12 weeks) prior to any General Meeting at which they are to be presented.

5. **Notice of Motion:** Submitted by the Melbourne Gun Club

Article 36 to be amended to include:—

(A) 36(d) For the purpose of submitting Notices of Motion to Annual or special General Meetings. The Executive Committee to be considered to be a member.

## VALE

Central Coast Clay Target Club sadly announces the loss of one of our committee members, Mr. Peter Blattman who drowned whilst fishing.

Peter will be sadly missed by all of his fellow shooters.

The Barcaldine Gun Club regrets to advise that Guy Hill passed away after a short illness.

Guy was a foundation member of the club, when it was formed in 1952, and served on the first committee. For the past four years he has been the club's Hon. Treasurer.

The club extends their deepest sympathy to his wife and daughter.

# SOUTH PACIFIC CHAMPIONSHIPS — NATIONAL O.D. CHAMPIONSHIPS

In hot and humid conditions, the Championships were well attended, well fought out and well organised. The Brisbane Gun Club, and in particular Tournament Director Mr Jim Kelly, left nothing to chance and must be congratulated for their efforts, as must all of those who gave so freely of their time. Thank you all.

Many highlights take place over a seven-day carnival, none more impressive than the display of trick and novelty shooting by Matt Dryke of the U.S. Army Marksmanship Unit (Skeet).

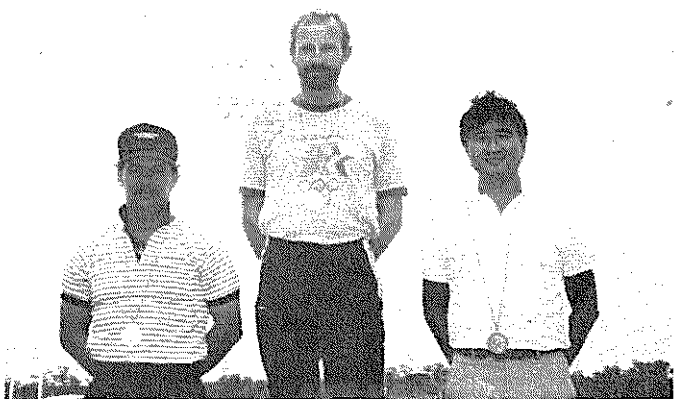

Seeing is believing as they say, and this is one time that I would agree. The tricks were that difficult they looked easy; unbelievable shooting from an expert, not to be attempted by others.

The 100T International Invitation Teams Event brought shooting teams together from various corners of the world. Internationals competing — Hong Kong, U.S. Army Marksmanship Unit, U.S. Shooting Team, Canada, Malaysia, Papua New Guinea, New Zealand and Australia.

The standard was excellent and a surprise to some of our visitors, albeit a pleasant surprise. The scores were of a high standard which indicates good competition and pleasingly our Australian shooters were right up there with the best the competition had to offer.

● Victorious in the International Invitation Trap Team 100, Bill Iles (93), Terry Rumbel (99) and Jim Ellis (98).

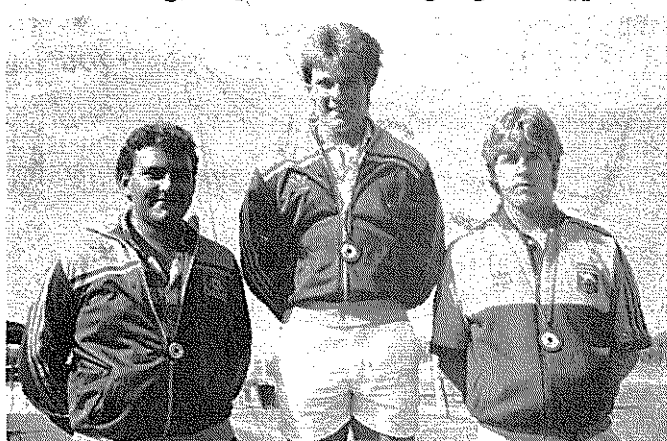

● Individual Skeet International Invitation, Gold to John Woolley (NZ), Silver to Mick Smith (USA) and Bronze to V. Teo (Malaysia).

## FINAL RESULTS

International Invitation Trap Team 100t: Australia 290-300, U.S. Army M.U. 289-300, Australia (B) 278-300.

International Invitation I.S.U. Skeet 100T: U.S. Army M.U. 292-300, New Zealand 286-300, Australia 284-300.

A great effort by all these shooters whose scores are shown in the C.T.S.N. with all other results. The Australian I.S.U. Skeet Team managed to take third place after two shoot offs with the Australian Junior Team who also scored an excellent 284-300. The senior shooters have had a warning, the pressure is now going to be applied.

● Top performances throughout the Carnival Skeet Juniors (left to right): Michael Inguanti, Craig Meuleman and Glenn Clarke.

Individual trap scores were also of an excellent standard with Terry Rumbel holding on for a magnificent 99-100, Brett Erikson of the U.S.A. following closely with 98-100 for second place from Jim Ellis, also 98-100.

The skeet was a thriller with John Woolley of N.Z. and Rick Smith of the U.S.A. together on 100-100. The shoot off commenced and Rick Smith in the second twenty-five dropped a target leaving the way clear for his opponent. However, the pressure told as John Woolley also missed his

● Record Achievement by the 400T High Gun Winner who also took out the South Pacific Olympic Trap Individual, South Pacific Invitation Individual & ACTA Open Individual.

● Cont'd over page

target and they were level on 149-150.

The last 25 saw Rick Smith drop another and, at the completion of the shoot off, John Wooley emerged as the clear winner on 174-175 from Rick Smith U.S.A. 173-175. Next on 99-100 was Vincent Teo of Malaysia with Glen Clarke our Australian Junior producing the best Australian score with 97-100.

The 200T South Pacific Championships, A.C.T.A. Open, was next and with 100T behind them the score was set for what should be a great shooting match. After two days of shooting some fine scores had been recorded.

The trap field was led by Terry Rumbel and Domingo Diaz both on 149-150 from Hobbs of the U.S.A. 148-150, closely followed by Australia's Jim Ellis and Russell Mark on 147-150 and the last 50T was obviously going to be very interesting.

At the same mark, the skeet field was being led by Ian Hale and Al Mullins of the U.S.A. both scoring 147-150, a point ahead of Rick Smith U.S.A.

• Top performance over the 400 targets won Domingo Diaz (right) selection for the Commonwealth Games and World Shooting Championships. Pictured also is Jim Ellis, a threat at any Trench Shoot.

With the scores in the South Pacific 200T combining with the National 200T to produce the members of the National Training Squad as well as the Commonwealth Games and World Championship teams the air was filled with anticipation of a great competition as team places were keenly contested.

At the completion of the 200T event, a new Australian and South Pacific Shooting Federation Olympic Trap record score had been set by Terry Rumbel with what all agreed had been an outstanding shoot with a final score of 199-200. Terry naturally also took out the title of the South Pacific Shooting Federation Championship.

Domingo Diaz recorded an excellent 198-200, good

• A selection of Smiling Skeeties.

• Eva Funes and Ellen Dryke ventured from America to be the two lady competitors in the Skeet field.

enough at any other time to win, not this time however, but nevertheless an outstanding world-class score.

At the completion of 200T in I.S.U. Skeet, Al Mullins of the U.S. Army M.U. and Rick Smith of the U.S.A. were level on 195-200 and both went in to a 50T shoot off, Al Mullins eventually taking out the open skeet title with a score of 244-250 from Rick Smith who finished with a fine 243-250, good shooting by both of these overseas visitors.

The S.P.S.F. Championships were won by Ian Hale of Australia with a score of 194-200. The competition from overseas was excellent and Ian Hale with his 194 was only one target behind the open winner at the completion of the 200T. Our visitors were clearly surprised by the standard of our Australians and really had to work harder than they may have thought they would to record their scores.

With the South Pacific Championships completed, all were anxiously awaiting the first shot of the Australian National Championships. An influx of new competitors increased the squads and in the hot and humid conditions that were prevailing the shoot was on.

At the completion of the first round of 75 targets, the pressure was starting to emerge and, in the I.S.U. Skeet section, the leader was Rick Smith of the U.S.A. on 74-75 closely followed by Alex Crikis, John Wooley N.Z. and Vincent Teo of Malaysia, all on 73-75.

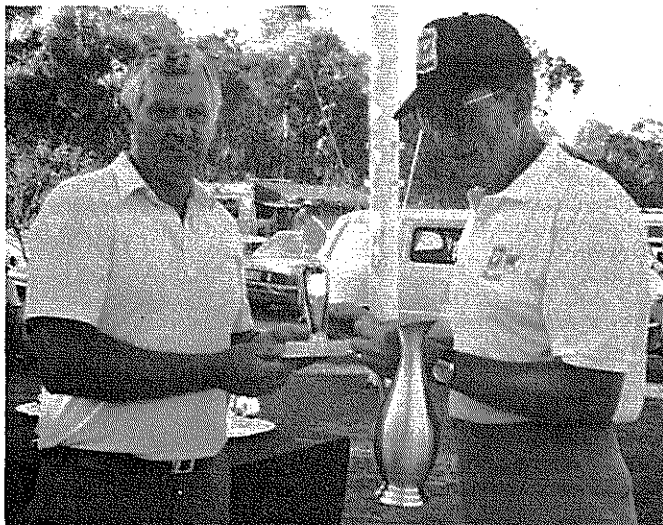

The Olympic Trap field was also starting to sort itself out and at the end of the first 75 targets the leaders were R. Marks with an excellent 75-75 from J. Maxwell, S. Collins on 73-75 as was N.S.W. Junior M. Diamond and the three U.S. shooters, J. Waldron, D. Johnson, B. Erikson.

Shooting continued through a second 75 targets and, at

• Brilliant shots from the U.S. Army Marksmanship Unit Matt Dryke and Al Mullins.

• Overall Skeet High Gun victor, Al Mullins, is presented with Trophy. Donor: Peter Quire.

the two-thirds way, in the I.S.U. Skeet the leaders were R. Smith on 149-150 from Al Mullins U.S.A. M.U. 147-150, V. Teo of Malaysia and A. Crikis of Australia both on 145-150.

Olympic Trap leader at the same time was J. Waldron, a Junior from the U.S.A. on 147-150 who had now established a three-point break from a group of five Australians, G. Mark, R. Mark, J. Maxwell, T. Rowe and S. Collins all on 144-150.

At conclusion of the 200T we had two new National Champions.

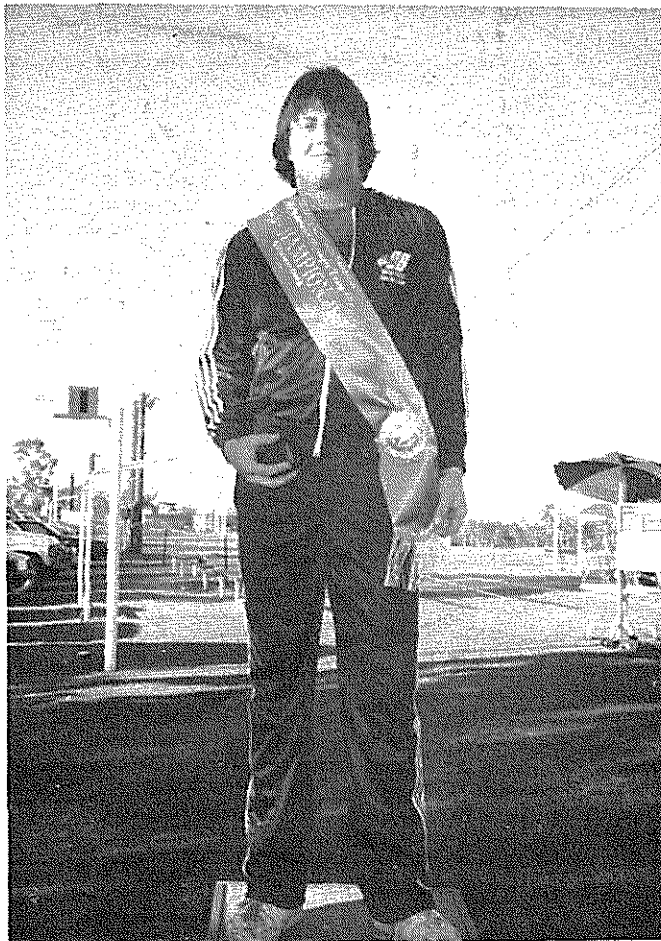

Al Mullins of the U.S.A.M.U. after a shoot off with Rick Smith of the U.S.A. was the Australian National I.S.U. Skeet Champion for 1986 with an excellent 196-200 + 24. Rick Smith, an extremely unlucky competitor, lost his second shoot off for the carnival to finish second on 196-200 + 23 with Vincent Teo of Malaysia in third place on 193-200. The best Australian score was recorded by Victorian Ian Hale with a fine 192-200 + 72.

The ladies winner, another International in Eva Funes of the U.S. Shooting Team, recorded a well-shot 182-200 with Victorian Michael Inguanti shooting an excellent 192 to take out the Junior title for 1986.

All eyes in the Olympic Trap event were on 20 year old Jay Waldron of the United States Shooting Team who had been leading the event by three targets at the completion of 150T, much to the delight of the manager of the U.S. Shooting Team, Lloyd Woodhouse.

After the 200 had been shot this excellent shooter had fought off all challengers and with a score of 195-200 Jay Waldron of the United States Shooting Team was the new Senior and Junior Australian Olympic Trap Champion for 1986. In second place was John Maxwell from N.S.W. on 193-200 with another member of the U.S. Shooting Team, Dayne Johnson in third place on 242-250 following a shoot off. The ladies winner with a score of 153-200 was Georgina Mitchell, a junior from N.S.W.

With our National Titles taken away by our International visitors who shot well and proved to be excellent ambassadors for their country, one could be excused for thinking that we are or were not good enough. Not so — for as we

• National Olympic Trap Champion for 1986 is 20 year-old Jay Waldron.

• Placings for the National event — Gold: Jay Waldron (195); Silver: John Maxwell (193) and D. Johnson (242).

F19/1185

• David Menck, Chairman of NSW ICU Committee, displays one of the new perpetual trophies donated by his Committee in conjunction with Olympic Targets. The trophies are to be presented to National Champions in each discipline.

saw with Terry Rumbel's South Pacific record of 199-200 we have the shooters to shoot on equal terms with the best of them.

Our Juniors are starting to show the improvement that we have been waiting for and in the near future will be a force to be reckoned with. Particularly in the I.S.U. Skeet where two have made the open training squad, Craig Meuleman and Michael Inguanti, with Craig going on to gain a team position for the World Shooting Championships in September.

Congratulations to all competitors for the manner in which they competed. We also extend our congratulations to all trophy winners from overall through grades and look forward to seeing them in action again in 1987.

To the major event winners, well done. You both have a year as our National Champions and we trust that you will give us the opportunity to win our titles back when next we shoot with Olympic Discipline Championships. This will be in Perth, Western Australia at the new Shooting Complex to be conducted from February 28 through March 5, with possibly another 200T following should our application to compete in the Australian Games be approved.

Until next we shoot the Olympic Disciplines, good shooting to all.

Alan J. Maher

EXECUTIVE DIRECTOR

• Jim Kelly (right) Tournament Director, aids the Minister for Arts, National Parks & Sport, Peter McKechnie, as he fires the opening shot.

## IN APPRECIATION

The Association wishes to record its appreciation to the following companies and individuals whose assistance made the 1986 Olympic Discipline Nationals an outstanding success.

**Olympic Targets:** Trophy donors to the National Titles, ISU Skeet and Olympic Trap.

**Winchester Australia:** For providing cartridges to International Teams for practice and competition.

**N.S.W. I.S.U. Sub-Committee:** Donors of two new perpetual trophies for the National Championships, in conjunction with Olympic Targets.

**Peter & Barbara Quire:** Trophy donors for High Gun winners.

**South Pacific Shooting Federation:** For assisting in the combined program.

Together with tournament director Jim Kelly, shoot marshals Rob Smith and Tim Catling, all of whom gave their free time to ensure a well-organised program, plus all of those whose names are too numerous to mention.

We know that without these untiring workers it would be extremely difficult and so on behalf of those shooters who attended the carnival, "Thank you all".

**Brisbane Gun Club:** From President Tom Meadows down through the committee and voluntary workers who were kept busy in the humid conditions.

**BEV GRICE,** who worked tirelessly and efficiently to aid in a smooth running office.

## SOUTH PACIFIC SHOOTING FEDERATION INVITATION TEAMS — 1986 FINAL RESULTS

**OLYMPIC TRAP — TEAMS:** Australia (A) 290-300 (T. Rumbel 99, J. Ellis 98, W. Iles 93), U.S. Army Marksmanship Unit 289-300 (B. Bailard 95, B. Erikson 98, M. Hobbs 96), Australia (B) 278-300 (G. Boyd 91, J. Harris 93, C. Bailey 94).

**Individual:** T. Rumbel (Australia) 99-100, B. Erikson (U.S.A.M.U.) 98-100, J. Ellis (Australia) 98-100.

**Junior:** J. Waldron (U.S.S.T.) 91-100, M. Rogers (Australia) 87-100, E. Everett (New Zealand) 84-100.

**I.S.U. SKEET — TEAMS:** U.S. Army Marksmanship Unit 292-300 (A. Mullins 98, M. Dryke 98, R. Wilson 96), New Zealand 286-300 (M. Cameron 95, J. Farrell 91m, J. Wooley 100), Australia 284-300 (A. Crikis 94, I. Hale 96, B. Thomson 94).

**Individual:** J. Wooley (New Zealand) 174-175, R. Smith (U.S.A.) 173-175, V. Teo (Malaysia) 99-100.

**Junior:** G. Clarke (Australia) 97-100, M. Inguanti (Australia) 95-100, C. Meuleman (Australia) 92-100.

**Ladies:** E. Dryke (U.S.S.T.) 90-100.

## SOUTH PACIFIC SHOOTING FEDERATION CHAMPIONSHIPS — 1986 FINAL RESULTS

**OLYMPIC TRAP:** Individual: T. Rumbel (Australia) 199-200 (RECORD), J. Ellis (Australia) 196-200, C. Bailey (Australia) 193-200.

**Junior:** M. Rogers (Australia) 184-200, D. Everett (New Zealand) 180-200, B. Dunstan (Australia) 173-200.

## WORLD CHAMPIONSHIPS JUNIOR FUND

*I am pleased to advise that a grant of \$1000 has been made to a fund designed to have juniors representing our sport compete at World Championships.*

*Subject to juniors fulfilling a selection criteria determined from time to time by the International Shooting Committee, it is envisaged that two junior teams would be selected to attend World Championships which are held every second year.*

*Should you wish to subscribe to the Fund which has commenced with a \$1000 grant from the Australian Clay Target Association, I am certain that it would be appreciated by our junior shooters.*

*All donations to the fund will be recognised in the C.T.S.N.*

*Alan J. Maher*

The Executive Director  
A.C.T.A.

PO Box 198,  
Blackburn, Vic. 3130.

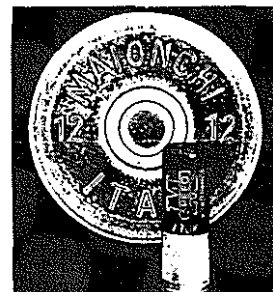

Please find enclosed a donation of \$.....  
towards the World Championships Junior Fund.

Signed: .....

I do/do not wish my donation to be published in the  
CTSN.

## You wouldn't put inferior petrol into a high performance car.

When you think how much a day's shooting costs you *in real terms* it doesn't make sense to skimp on essentials. You want the highest performance attainable from your gun and that's what you get with Maionchi Cartridges. Their consistent high quality outclasses the competition and brings the results you want . . . time after time. It's worth paying a little more for the best. **Insist on Maionchi.**

# FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

Our national down the line championships are to be held in early April in EchUCA and I have had many phone calls and letters seeking advice on shooters preparations for the event. I cannot give specific advice about problems with technique unless I know what that problem is, but there is generalized advice about preparation for a major shoot that might assist shooters.

The nationals are a grand event by any standards, the numbers of competitors makes it special and different to any other event, as does the fact that they are to decide Australia's best D.T.L. shooters. I think it is the goal of most serious clay shooters to not only participate in the nationals but to win a national championship.

Many good club shooters have told me that they are disappointed with their performances at the nationals, I would put this down in most cases to pressure and the lack of big match experience. The advice that I give then is to help shooters cope with that tension and pressure.

1. Mistakes are made because the gun is held too tightly when the shooter is nervous, that all important follow through is affected.

To combat this the gun must become a part of the shooter's body, the shooter must feel that the gun is just an extension of their arms.

This feeling is achieved by the constant handling of the gun, put it in a convenient place at home, being aware of gun safety of-course, pick the gun up every day, practice holding it, practice shooting an imaginary target, watch yourself in the mirror, and be pleased with the way you feel when shooting that imaginary clay.

The American Army Team shooters both male and female use their guns to exercise with, lifting, twisting and bending exercises gets the body used to the weight of the gun.

2. Tiredness affects many shooters, they are not used to competition each day for a week, and often do not have the stamina required, they shoot well in the pre-nationals and then peter out when the nationals are on.

It is important then to build up your stamina and fitness in the weeks leading up to the nationals.

Try to practise at least once during the week and use the local shoots as build up practice. You will then find it much easier to get into the rhythm of shooting each day, when you get there.

3. Train yourself to think of your shooting as a series of one target competitions. If you keep shooting that one target you will win the shoot, but if you are pre-occupied with winning the shoot you will miss that one target.

4. Consciously wait to see the target before you shoot, you must see it clearly, and focus on it, you can't shoot something you can't see. Practise this until it is a natural process. The first thing that happens to many shooters is that nervousness makes them jump the target, they don't wait to see it.

When you do see it shoot it, you will find that you will smash it to smithereens. You can practise this process in your mind's eye when at home or anywhere you have a quiet minute. Imagination is a wonderful thing, imagine the whole process, see yourself waiting to shoot, putting the gun up and shooting it. Our top shooters all mentally rehearse to some degree.

5. Develop your mental toughness, this can be done in conjunction with developing your fitness. Prove to yourself that you can mentally make yourself do things you would not normally want to do. To give you an example, make yourself get up at say 6 a.m. and go for a walk or a jog.

When jogging go that extra 100 yards when you think your too tired, and then congratulate yourself when you do. Win battles with yourself, you will find that when it comes to making yourself concentrate on the next target in a pressure situation, it will be so much easier to do.

6. Organise your stay at the nationals so that you can, as much as possible continue your normal living patterns. If you are used to going to bed at 11 p.m. don't suddenly start trying to go to bed at 8 p.m.

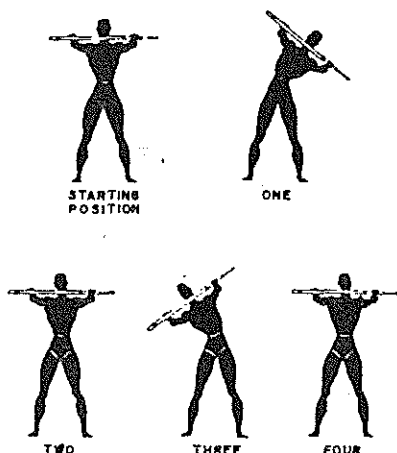

7. Get to know the lay-out of the gun club when you get there and feel comfortable and at home.

8. Believe in yourself, believe that you can shoot whatever that trap can throw out.

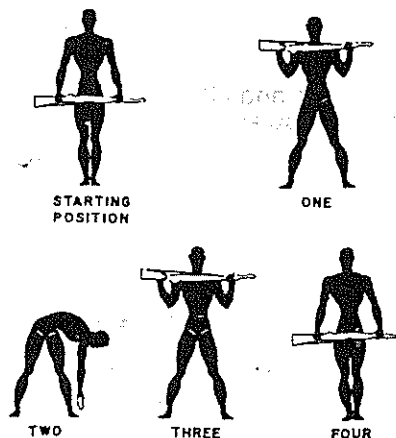

Finally, I will be looking forward to meeting as many of you as possible at the nationals. It is a great opportunity to meet old friends and to make new ones. On a different note to end with I would like to congratulate John Maxwell on winning the New Zealand I.S.U. Nationals with a score of 192/200 John has been N.Z. champion twice now, congratulations John.

Good shooting to you all.

Peter Quire.

● 1. STARTING POSITION. Side straddle, regular stance, weapon forward. 2. CADENCE. Moderate. 3. MOVEMENT. A 4-count exercise. At the count of: (a) ONE. Send the trunk to the left. Keep the knees straight. (b) TWO. Recover to the starting position. (c) THREE. Bend the trunk to the right. Keep the knees straight. (d) FOUR. Recover to the starting position.

● Exercise 11 — STEP, TURN & BEND (Figure 11). (1) STARTING POSITION. Weapon downward, feet together. (2) CADENCE. Moderate. (3) MOVEMENT. An 8-count exercise. At the count of: (a) ONE. Flex the elbows to the thrust position and step sideward with the left foot. (b) TWO. Turn the trunk to the left and bend forward over the left hip, thrusting the weapon downward to a low side-horizontal. (c) THREE. Recover to the first position. (d) FOUR. Recover to the starting position. (e) FIVE through EIGHT. Repeat on the right side.

# LATE FEBRUARY NSWCTA BULLETIN

## STATE POLLUTION CONTROL COMMISSION

Vice President Robbie Smith attended a meeting in early December of the above body and reports the following:

### BUFFER ZONES

This matter was discussed at length and, as everybody agreed, that the cost to Clubs — to buy or lease this land would be too great. It was thought that we should get Town Planners, Local Government and Councils to realize our situation when giving consideration to future development of their areas.

To help in this regard, we, the NSWCTA have been asked to supply the State Pollution Control Commission (at their next meeting on March 19, 1986) with the following:

We require information on the 20 most likely affected Clubs in this State.

### Information Required is:

1. Distance from town;
2. Distance from nearest (a) Residence (b) Factory (c) Farm;
3. Size of Club Grounds;
4. Size of Clubhouse — traps etc.;
5. Number of Members;
6. Any other relevant information.

This request will be in February "News" so I am asking ALL CLUBS to write to us a letter URGENT giving us the above details. We can then send a report to their next meeting on the situation as it affects our members.

## INCORPORATION OF CLUBS AND ASSOCIATIONS

The Law Society has a video tape and information package available on incorporation of Clubs and Associations. Cost is: \$85 the lot to keep; or \$55 the lot with video tape only hired.

The address is: The College of Law, P.O. Box 2, St. Leonards, N.S.W. 2065.

## VOLUNTARY WORKERS INSURANCE

Clubs — don't forget to keep your list of voluntary workers advised to the ACTA. If you do not supply their names they are not covered under our insurance policy — in the event of an injury each member of your Club could be held liable. Advise the ACTA on a regular basis and protect yourself.

## OFFICE SUPPLIES ETC.

We still have a supply of Ball Point Pens (\$5 per dozen), Pencils (\$3 per dozen), Matches (cartons of 50 folders at \$4 per carton) and Coasters for your bar at 250 for \$8.70.

I know it is easy to purchase these at your local store, however, we have a surplus stock so you would be helping us if you use these up — PLEEZE CONTACT JENNY BURT.

## STATE BLAZER

If you are going to the Nationals '86 at Echuca — you would look beaut in a new State Blazer and Tie — full particulars are in October '85 "News" or on request to the State Secretary (Jenny Burt) or myself. Be proud of your State and let the other States follow behind. You still have time — act now.

# MARCH NSWCTA BULLETIN

## SHOOTERS MEMBERSHIP FEE

All shooters who have not registered will be "struck off" the mailing list for the "Shooters News" in the near future.

In the back of each "News" there is an application form to use when joining or re-joining the Association — some shooters are sending this direct to the ACTA and NOT through the correct channel of their respective club secretaries. I would emphasise the importance of paying your Club, and National Fees THROUGH YOUR CLUB — in this way the Club secretary can check your membership card to make certain that your handicap and grading is correct — you may be shooting from your wrong handicap or wrong grade with disastrous results. Its not difficult to act within the rules and send your dues to your club secretary. — Please co-operate.

## STATE BLAZER

Start of a new year and what better time to purchase a State Blazer.

The procedure is: Go to your local menswear store and order your Blazer.

At the same time request a pocket piece of matching material (approx 18 cm x 18 cm or 8' x 8') Send this material with \$6.50 to J J Cash, 91 Murphy St, Richmond Vic 3121 Attn: Mr Russell Grant and ask him to embroider NSWCTA emblem on it.

Mr Grant has a sample and will deliver it within one week from receipt or order.

Let's all purchase one and wear it with pride — at or on any other occasion.

## A THOUGHT

"Everyone for himself" said the elephant, as he danced around in the chicken coop.

## CAR BADGES

We still have some available — please contact your State Secretary Jenny Burt of Tamworth and she will forward your orders. These are very attractive and will enhance the appearance of your car.

## PROGRAM BOOK

We are sorry that the proverbial "Blue Book" has temporarily changed colour, however — we ask for your constructive opinion regarding the new format. This present format creates a lot of extra work for our State Secretary and, we trust is appreciated by you — the shooter.

Please write to your State Secretary and tell her which format you prefer as this will be a guide for the ensuing years.

## RULES

The rules are gradually becoming more readily accepted by the shooters which is good for the general conduct of shoots.

I realize, that, some shooters may not like a particular rule — however, we are sportsmen and sportsladies and should recognise the fact that the rules are there and we must shoot to them.

If you feel that any rule requires change and you can suggest alteration or an improvement, please contact any one of the Rules Supervisors:

Noel Dwight — 49 Victor Street COWRA 2794

David Menck — PO Box W292 WEST TAMWORTH 2340

Robbie Smith — 3 Cleveland Place BONNET BAY 2226.

## BIRDIES PROVERB

"A Committee is a body that keeps minutes — And wastes hours".

## GOOD SHOOTING

Len Bird  
(PRESIDENT)

# Ansett.

# MICHAEL NOCERA SHOOTS A GOOD PICTURE

Michael a keen young shooter from Colac Victoria won the major prize in the Winchester Picture Shooting Contest. The prizes consisted of an Annie Oakley commemorative Rifle and 5000 rounds of Winchester .22 Ammunition valued at over \$2000.

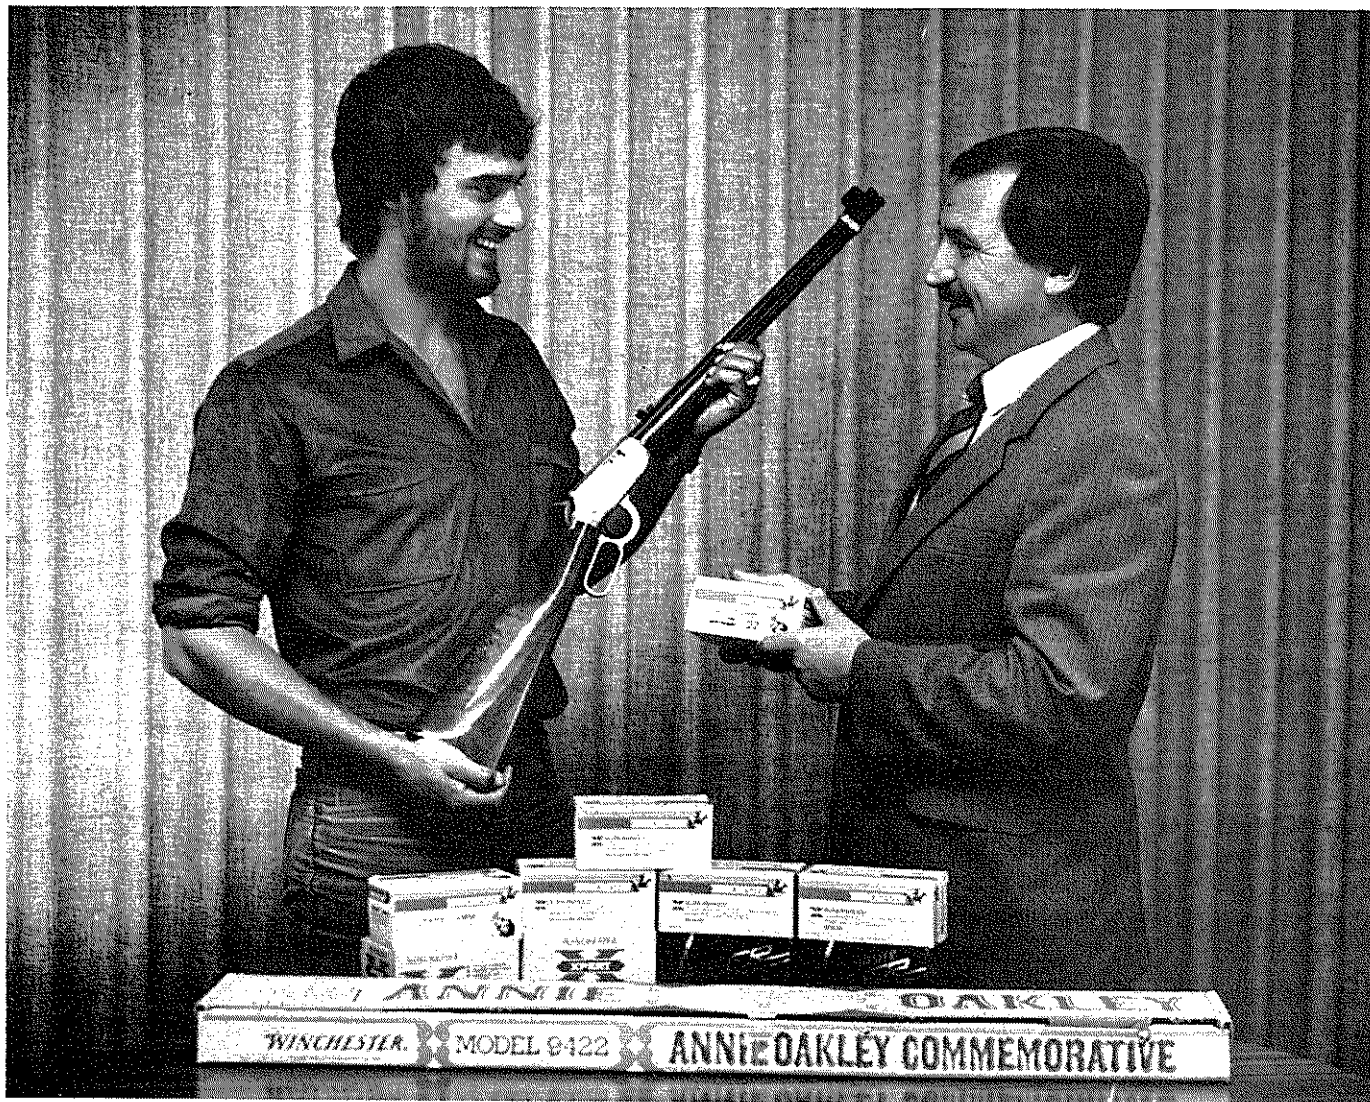

Michael's pictures during the competition won him two of the monthly prizes for accuracy when he shot at the Colac V.S.B.R.A. Club under lights.

To gain the accuracy needed Mike used SS Winchester 22LR Ammunition in a 320 Win Bolt Action Rifle with a 4

x 32 scope.

Approximately 2 hours was spent shooting each picture. Mike's shooting skills go beyond small bore, he takes an active interest in big bore, down the line as a member of the ACTA, Field and Game as well as Field Shooting.

Left: Michael Nocera, a winner of the Winchester Picture Shooting Contest. Right: Presenting the prizes, Gary Matchan Australian Sales and Advertising Manager Winchester Division Olin Australia Limited.

## WINCHESTER BALL POWDER

- Double based for greatest chemical stability ● Meters more accurately than any other product on the market for consistency in thrown charges
- The lower flame temperature prolongs barrel life
- High accuracy and ballistic uniformity ● Less muzzle flash.

BP 110

# COMMONWEALTH SHOOT TRIUMPH

by Stewart Wilkins, Publicity Officer

Well, I suppose Kerang Clay Target Club asked for it and, boy, did we get it!

Kerang's staging of its first Commonwealth championship event was an unqualified success.

As one trophy winner said, "Reasonable nominations, good trophies and a mixed program will draw a good crowd."

It definitely drew the crowd, causing the committee to almost have to seek medical help for the clubhouse to ease the hernia it almost developed.

The ladies' committee, for those who don't know them, are those ten or a dozen ladies who are all about three inches shorter than you remember them a couple of days ago, as they had their feet run off in a marathon 14-hour effort of cups of tea, coffee, cakes, sandwiches, pies, pasties, soft drinks, evening meals (some 90-odd), then suppers etc.

A great effort which left the cupboard bare of all ingredients by the finish.

Secretary Faye Taylor had prior to the day already done about one week's solid work organising trophies (three trips to Swan Hill and one to Bendigo), sashes, advertising (another Swan Hill trip), and then the effort of organising the office for the day, the night, then part of the next morning.

Targets were thrown at a rate of about 1000 per hour for the full program, adding up to about the 15,000 mark by the time "stumps" were drawn. Not one break down in the trap houses all day was high praise indeed for the Ken Burton-designed Ibis Traps and Burton and Brian Heffer hopper feeds.

All sections of the media were used in advertising prior to the day and both television and local press were present to record proceedings during the afternoon and evening. It was noted the pressure of a television camera pointed straight behind him was too much for veteran shooter and Kerang president Frank James as the first target he shot at was missed quite easily.

The 135 for the day program and 80-odd at night came from a wide area, from Guyra in northern New South Wales to Mt Gambier in southern South Australia as well as all parts of Victoria.

## BLUSTERY WINDS

With blustery conditions for most of the day a feature of the day was the lack of long shoot offs. With the number of targets thrown for the day long shoot offs weren't needed if a finish was ever to be found.

There was one nasty incident reported for the day with someone having dismantled two guns, mixing barrels, stocks and fore ends and putting them back together one bit from here one bit from there.

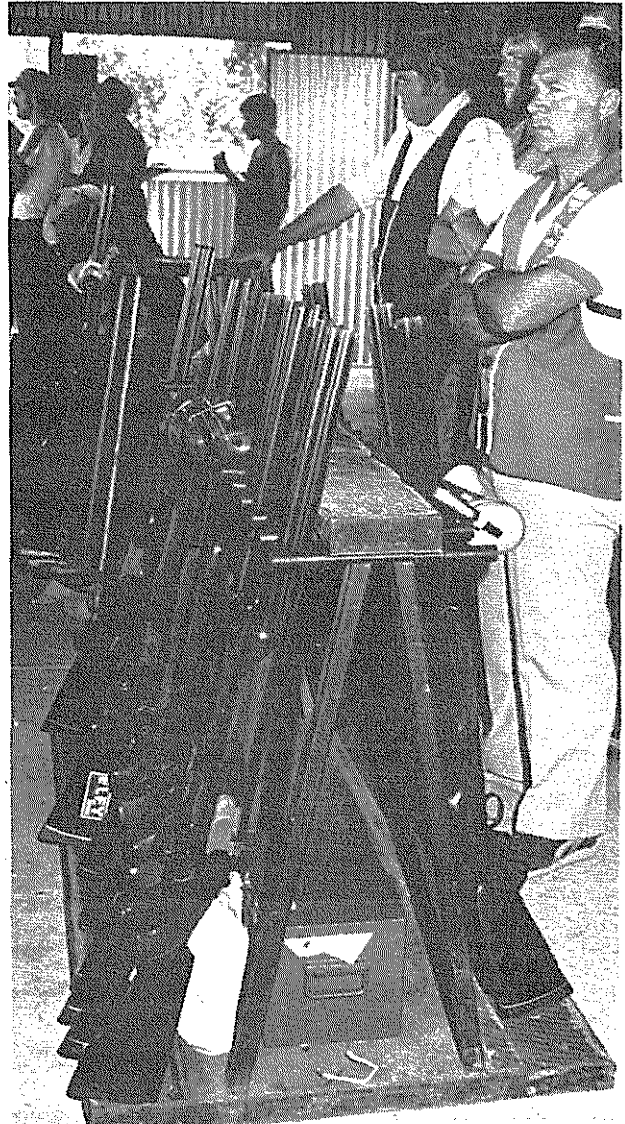

Our sport prides itself on the sportsmanship of its participants so to the person who did it, either don't bother coming back to Kerang or don't do that sort of thing at any gun club you choose to haunt in future.

Trophy donors were Attalla's Gift Shop, Kerang; Alister

Walker; H.E. Allen Pty Ltd, Kyabram; Pye, Sanyo and City Centre Discount Store, Swan Hill; Kerang Hotel; Winchester Australia and Dunstan Farmers Engineering, Kerang. Those who donated sashes but whose names escape me at the moment, thank you one and all — you certainly helped set the scene for a great day's shooting.

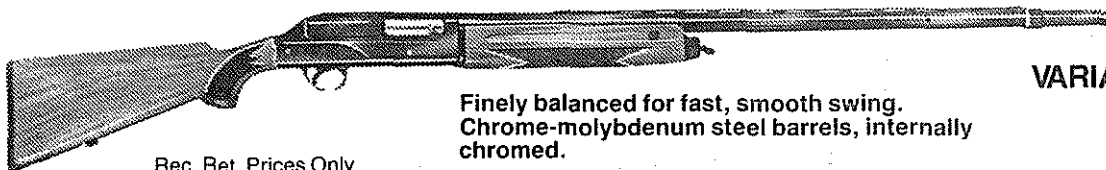

Way back, about 12.30 pm January 1, 1986 a fifteen target sweepstake event started the hostilities for the next 14 hours with some 28 possibles.

The second event, a double barrel championship, saw Wayne Upton take out A grade and overall with the highest score for the day 67/67. In B grade A. Schmedje started off a good day with 53/54. C grader A. Sheard also figured for

• Onlookers in the Kerang Clay Target Clubhouse.

• Left: Kerang's champion female clay target shooter, Faye Taylor, prepares to compete.

the first of several times with 23/24. Norm Scott was best of the veterans, Faye Taylor ladies and A. Schmedje juniors.

#### BOORT BOB'S HANDICAP

The handicap saw Boort's Bob Rigney 40/40 and Sheppartonite Alan Spence with 39/40 take off first and second places and a metre each. With group winners Ricky Maher 11/15, B. Rigney 16/19, A. Spence 20/22 and Terry Bouchier 23/25.

David Penn was best for the vets, Angie Johns the ladies and A. Schmedje again juniors.

Former Broken Hill shooter Peter Forner, now of Ballarat, 27/27, took out the single barrel continental for A grade and overall with L. Trail B grade and Cohuna's Warick Hall best of C grade.

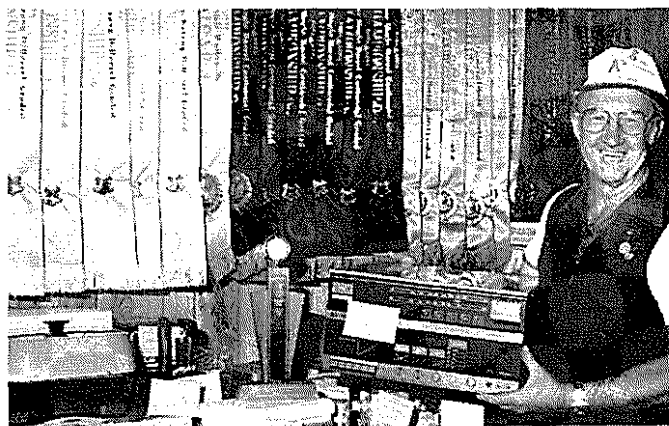

Consistent veteran Russ Young was best of that group. The pressure hadn't really got to Faye Taylor yet as she took out the ladies again. And, keeping it a bit local, Daryl Burton was best of juniors.

The blue ribbon event of the day was the Commonwealth night double barrel championship.

Until now, you could be excused for not realising some of the big guns like Berry, Hipwell, Whittacker, Glenn, Spence and Bouchier were in attendance.

But, an event with a bit of prestige and Greg Hipwell showed up with 49/50 for A grade and overall to win one of the three-in-one stereotypes. G. Patching took out the B grade section and A. Sheard best of C grade.

Russ Young, Faye Taylor and A. Schmedje scored in the

• Mr Frank James, President of the Kerang Clay Target Club (right) displays a section of the large number of first rate trophies and ribbons being contested in the day's competition.

• One of many out-of-town contestants, Mr Tony Calandro, from the Shepparton Gun Club, takes a brief respite during competition.

F41/1185

veterans, ladies and juniors respectively.

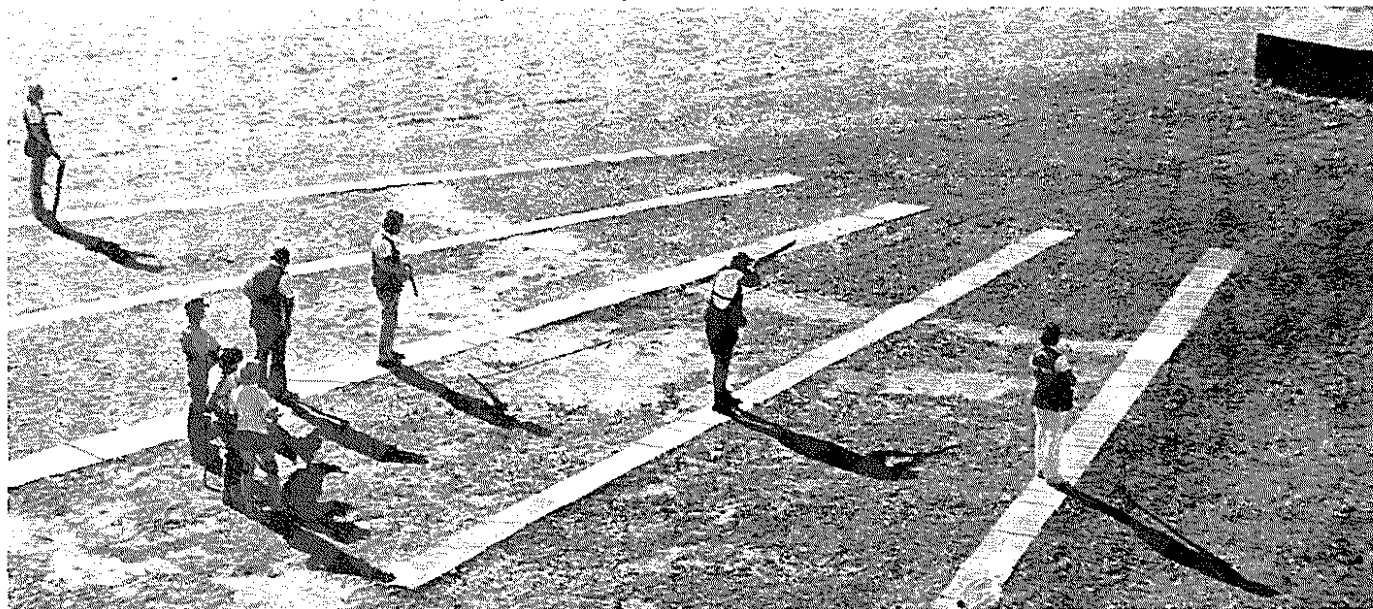

By now, patience was being stretched as the last event was started. A sting in the tail of the program a points-score championship, hopefully to help give clear winners in all sections of the high gun.

Being around 2.00 am on January 2 by now, Frank Vella showed a clear head with a 96/96 to take off A grade and overall. For B grade in a great effort, the "old fellas" David Penn and Len Baker took first and second. Seems like the older you are it just takes a bit longer to get going — maybe

they wanted another event and they could have been in it for overall!

A. Sheard took out C grade again and D. Penn, D. Burton and Liza Williams veteran, juniors and ladies.

Something I'm getting good at is forgetting things and one of those is the effort of Mrs Phyllis Moore in the kitchen. If the younger ones do half as well and stop getting into trap houses the kitchen should be well looked after for many years to come.

• Above: Clay target shooters line up during competition in the Allister Walker Handicap, the third event in the Kerang Clay Target Club's six-event New Year's Day shoot, which featured the staging of

the Commonwealth Continental Double Barrel Championship, which saw Greg Hipwell emerge as the winner.

MY-ON-KEE

# HAPPY 75TH ANNIVERSARY CRESSY

The Cressy Gun Club celebrated its 75th Anniversary in fine style. The shoot to celebrate such attracted shooters from all parts of the State as well as Queensland and Northern Territory shooters in attendance.

A big thank you to all who supported the Anniversary shoot. Below the candid camera was in working order.

An elaborate cake to celebrate the occasion.

Happy winners over the program, left to right; M. Jones, G. Arnol, S. Browning, G. Chan, Cheryl Arnol, Stephen Yates, R. Swan and G. Tarrant.

Shane Yates demonstrates how to cut the Cressy Cake.

Superior 209M shotshell primers are competitively priced to save you even more on handloading.

Two years ago, the Good Ol' Boys in Research and Development started fooling with the idea of a "hotter" shotshell primer. Dozens of variations and thousands of tests later, the results prove they weren't just fooling around.

Now the new 209M primers let you assemble more sensitive handloads with more uniform ballistics. Using less powder.

The 209M is truly a "hotter" primer. Its heavier primer pellet weight requires you to reduce the powder charge up to 10%.

We know you understand and appreciate these subtle differences. Otherwise, you wouldn't take the care to load your own. And we know the Good Ol' Boys in R. & D. would appreciate it if you put this new shotshell primer to the final test. In your handloads.

## BOOROWA GUN CLUB

The fifth annual two day & night shoot was held on the weekend of November 23 & 24. The shoot attracted over sixty shooters from various parts of the State, as well as a good contingent of local shooters, who took out major trophies after shooting extremely well against the top class competition.

Saturday nights event of the NSW Double Rise c'ship was won by Richard Fox of Wagga with Guy Evans winning the B grade section and A. Beavan taking out C grade. The main event was held on Sunday, this being the

Blue Metal Gift which carries a prize of a colour television, this was won by Stephen Guest.

Arthur Turner from Cobarr who only dropped fourteen points over the whole program of the two days was the high gun winner.

Boorowa Gun Club would like to thank their sponsors the Boorowa Ex-services & Citizens Club, John Mases Wool Store, Central Hotel & Steve Baloughs Sports & Ammunition Store.

Results of the shoot were as follows:

### SATURDAY

30t Merryville H/C D/B: B Clissold 30-30, J. W. Smith 29-30, F/M Glen Campbell 28-30.

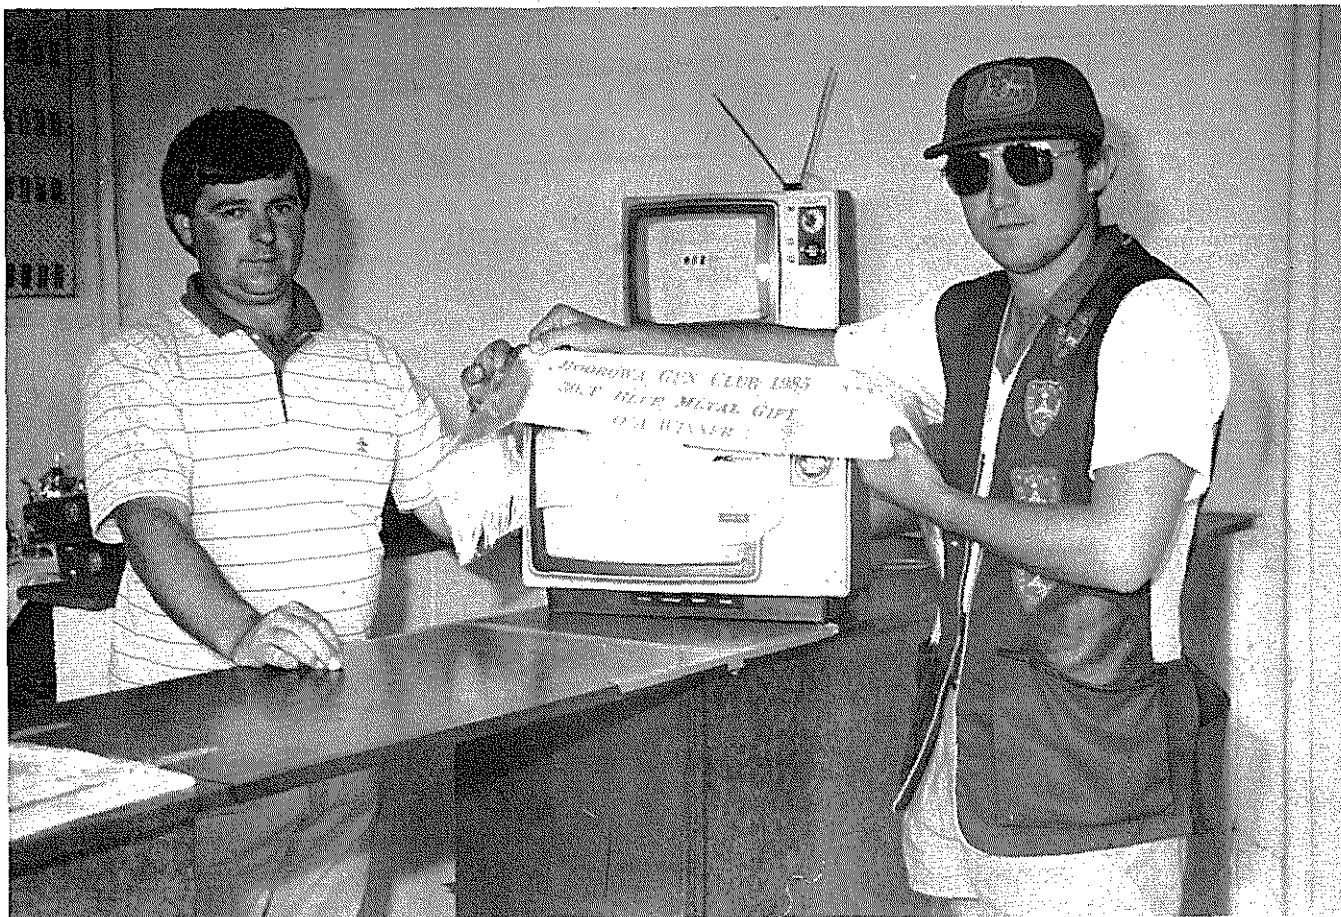

30t Blue Metal Champ/ship 15 M.A.B.C.: Outright winner J.W. Smith. (C) A Beaven, (A) J.W. Smith, (B) C. Corcoran, (C) R. Percival, (A) S Guest, (B) G. Evans. F/M Glen Campbell.

25 Pair NSW D/R Night Champ/ship 15 M.A.B.C.: Outright winner R. Fox. (A) R. Fox, (B) G. Evans, (C) A. Beaven, (A) B. Clissold (B) R. Warren, (C) B. Grocott, F/M Glen Campbell.

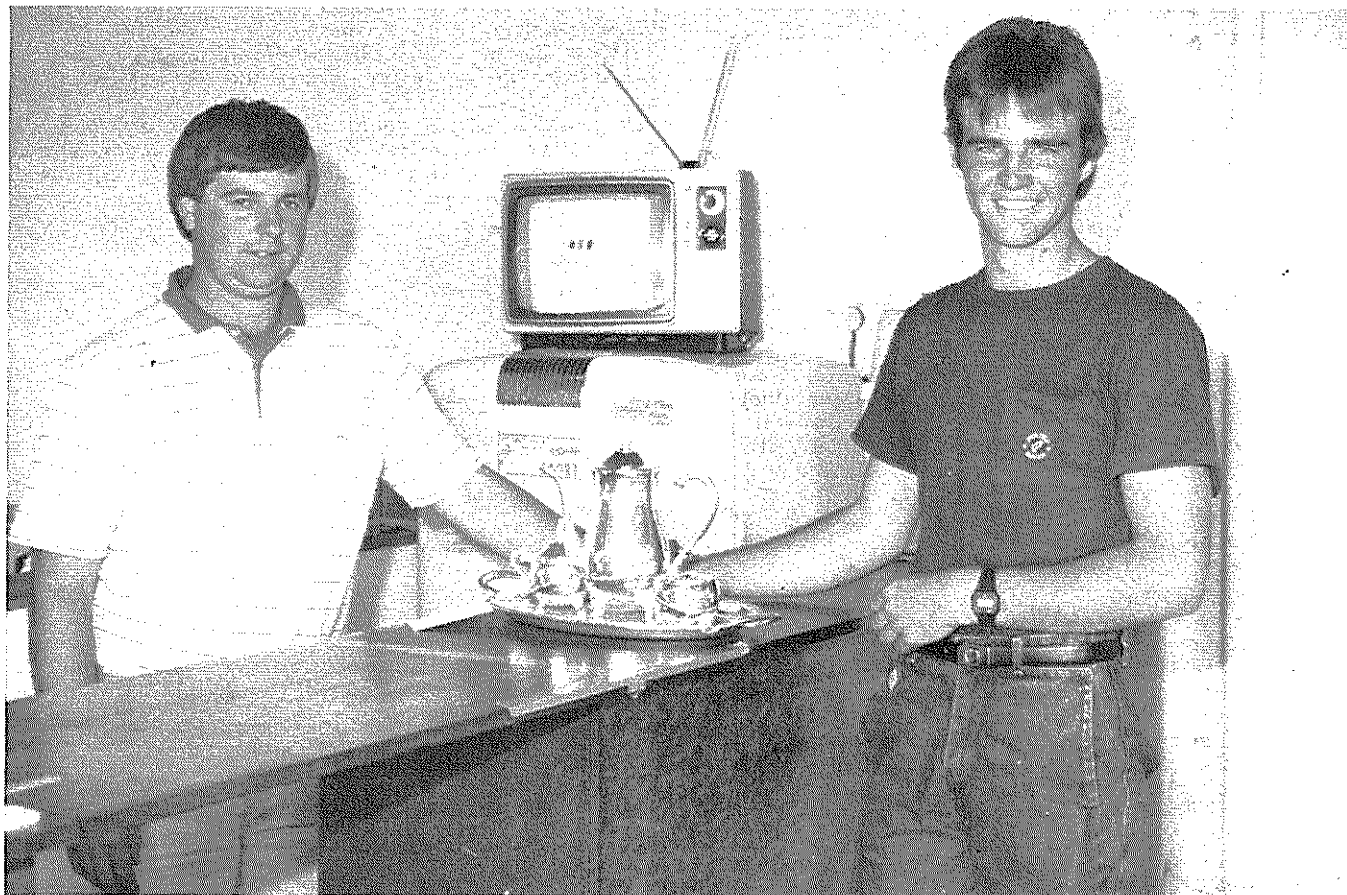

### SUNDAY

30t P/S Champ/Ship 15 M.A.B.C.: Outright winner R. Warren. (A) A Turner, (B) R. Warren, (C) A Beaven, (A) P. Hayman, (B) G. Evans, (C) W. Orouke, F/M M. Dwight.

30t Blue Metal D/B Gift ABC: Outright winner S Guest. (A) S Guest, (B) G. Evans, (C) D. Liddle, (A) A Turner, (B) P. Jackson, (C) A. Beaven, F/M Glen Campbell. Outright High Gun A. Turner. Ladies High Gun. J. Longmore. Junior High Gun. F. Pettiella. 11-14 M High Gun. A. Beaven.

● Steven Guest, outright winner of the Blue Metal Double Barrel Gift.

● Guy Evans looks pleased with himself for winning B Grade section in the 25-Pair NSW Double Rise Night Championship.

● High Gun winner for the tournament, Arthur Turner.

# KUBOTA GENERATOR FOR CERBERUS SECRETARY

John Neuman (left) of Kubota Power Products, shares a joke with Chris Carrol as he presents the sash and power generator donated by his firm.

Chris who shot the only possible in a fifty target handicap event at the Cerberus Gun Club also collected a metre for his fine performance.

## S.A. EASTERN ZONE CARNIVAL

By P.L. Johncock

● Club President Brian Crowden decorates Single Barrel champ, Don Beelitz.

● Junior High Gun, P. Steele.

Held in good warm weather on January 18 at the Bordertown Gun Club, seventy-five shooters attended the South Australian Eastern Zone Carnival. Shooters came from as far as Horsham (Vic), Esperance (W.A.) as well as all the zone clubs being represented.

Some fine scores were shot, Roger Duthie being no exception, to shoot 99-99 to win the Double Barrel event from John Byrnes 98-99.

The Single Barrel event was won by Don Beelitz of Wilkawatt with 26-26. M. Whitehead took out the Pointscore with a perfect 75-75. State President Leighton Martin took glory in winning the State Night Double Barrel event with 50-50.

The Zone Club teams shoot was won by Millicent Gun Club consisting of T. Denardis, W. Irvine, D. Todd, R. Schleter and G. Steele.

The overall High Gun was taken out by Roger Duthie, Veteran High Gun C. Copping and the Junior High Gun P. Steele. The Ladies High Gun was won by R. Michell.

John Byrnes who came second in the Double Barrel event shot a good comeback as he has not competed since May of last year and a fine 98-99 proves he still has what it takes.

All in all the carnival proved a great success which was due to the good organizing and all the help given by the helpers from the Eastern Zone. Thanks to the office workes and ladies in the kitchen for a splendid job.

The zone team to shoot at the Carnival consists of: R. Andrews, D. Beelitz, M. Whitehead, P. Green, G. Steele and B. Growden. The reserve team: R. Ayres, P. Johncock, R. Schleter and P. Steele.

● Overall High Gun, Roger Duthie.

# NORTHERN NOTES

## N.T.C.T.A. NEWS

The N.T. team for the I.S.U. Nationals in Brisbane in February is capable of springing a few surprises on unsuspecting Southerners. Greg Chan, Phil Grove and Dexter Barnes comprise one of the most experienced shooting teams ever to travel from the Territory.

The Trap Nationals team has finally been decided, and is a most representative Territory team. Darwin shooters Daryl Read, Ken Selwood and Bob Hooper join John Francis (Jabiru), Peter O'Grady (Alice Springs) and Jim Bitossi (Katherine) for the Echuca encounter.

All Clubs are reminded that Club and shooter affiliation fees for 1986 are overdue.

## HERE AND THERE

It's a pity that the Association doesn't see fit to run a Skeet elimination series for the I.S.U. Nationals. There are quite a few dedicated 'Skeeties' who have been deprived of an opportunity to represent their Territory. Next year, please, N.T.C.T.A.

Joe Bell and Ian Hageman are travelling to the Trench titles to give moral support to the team, and perhaps bob up in the placings. Good luck, gents.

Greg Chan holidaying in Tasmania at present was not impressed with his shoot off in Cressy. Three am and three degrees (Or so it seemed to our thin-blooded Northerner) did not impress at all.

Mark Grosvenor celebrated his ascent into 'A' grade with a win in a 20 target points score event. Way to go, Mark.

Secretary of the N.T.C.T.A. was reported to be unimpressed with the people wishing to re-start a Territory Club, who wrote asking for assistance, but wanted to know if it was absolutely necessary to be affiliated with the N.T. body. The silly thing is, that at present it isn't. Let's hope that's changed soon, though any Club not affiliated with a State body must miss out on so many opportunities.

Top End have not re-commenced shooting yet, due to massive amounts of rain, but Barry Munt reports that the coming general meeting will produce a 1986 shooting calendar.

## 'WHOOPS' DEPT

Seems that Mt Isa shooter Mick McGill is being called 'Terry', or 'the Minder' these days after being called 'McCann' in a recent report from the N.T. Sorry, Terr... Mick.

Greg Chan also says that he did not 'do a Spence' on his 49 target in a handicap shoot off recently. It was the 39th target. Sorry, Greg.

## SAFETY SECTION

One Territory Club may miss a couple of trappers soon if it persists in shooting tower events with no side protection. A barrel of nines at 30 feet isn't the most healthy experience. As they say in the classics, prevention is better than cure.

Until next time,

Inkball

## TRADE PRACTICES ACT

# SOUTH EASTERN ZONE TEAM SHOOT — NOEL LAPHAM FAREWELL

by W. HARDY

Eighty two A.C.T.A. Shotgunners nominated at Morwell Gun Club on 18th January for the 1st round of the South Eastern Zone Team Shoot — '86.

This zone covers the vast arch of Gippsland and draws shotgunners from Bairnsdale through to Melbourne and south to Foster and Wonthaggi — the ten clubs represented were Bruzzo, Bairnsdale, Cerberus, Foster, Melbourne, Korumburra, Mornington, Morwell, Nepean, Wonthaggi.

The weather was fine and breezy, and Morwell Gun Club members were well pleased with the co-operation of the good sports from the various clubs, who pitched in and helped for the smooth running of the program over the two trap layout.

There was some excellent shooting over the day — as the scores indicate, the place getters well pleased with their efforts — the "others" striving for every target to help their team on.

At the end of the day, Morwell emerged 1st with 235/250, Nepean 2nd 229/250, Bairnsdale 3rd 228/250 — other results in the report.

The majority of the shooters stayed on for an excellent "Tea" which was arranged in conjunction with the neighbouring class — the purpose of the team being to farewell Noel Lapham who is leaving Morwell for the warmth of sunny Queensland, and we hope a long and happy retirement.

President Bob Whykes presented Noel with a well earned life members badge and spoke of his dedicated service to Morwell Gun Club and shooting in Gippsland. Tributes from other speakers to Noel supported Bob's remarks, and certainly Morwell Gun Club's loss will be some lucky Queensland Gun Club's gain.

Noel's administration capabilities served Morwell very well, a capable and willing secretary for many years and president of the club from 1978-85, secretary again 1985-86.

Much of this time in office was done with determination and courage when Noel was hurt in an industrial accident damaging his right hand — then later arthritis slowed him down to his annoyance — but he kept on shooting and working for his club.

An example of his courage typical of the man and his determination to get shooting again was when unable to use his right hand in any way. Noel devised a way with a little alteration to the stock of his trusty Beretta u/o, and started shooting from the left shoulder! As time went on, Noel got that right hand going again somehow, and he sure delights in knocking some of the top-shots off the back mark in the "Cake Shoots" — A winner never quits!

## AUSTRALIAN SHOOTER TAKES OUT NEW ZEALAND CHAMPIONSHIP

The New Zealand I.S.U. National Championships were held at Hamilton, in the North Island, on January 11 & 12. Three NSW shooters (Len Norman, John Maxwell and David Menck) were present at the Championships.

John Maxwell, fresh from a win in the New South Wales State C'ships the week before, outperformed the field of about thirty-five competitors to win by six (6) targets. John's score 192/200 is the highest ever recorded at Hamilton (the NZCTA National Ground).

Len Norman also fresh from a victory at Downside finished well on 186/200, four (4) targets behind Gunner Cameron. Len was beaten into second spot in the ISU Skeet event after a shoot off with John Farrel.

Our congratulations to John Maxwell on taking out a National Championship and obviously doing it in style by establishing a record highest score of 192/200 at Hamilton, New Zealand.

## SINCERE THANKS

Peter & John Abela and family wish to thank the many people who have expressed their thoughts and condolences upon the loss of their son.

They are sorry that it is not possible to reply individually to each and every one.

Club 418-450. NSW trap team selected: J. Maxwell, T. Rumble, J. Fryer, G. Hipwell, R. Thompson, M. Diamond. Due to pressure of time it was decided to have a cut off at 150 and the following shooters made it to the last six squads to shoot out the event: S. Balough, J. Scott, C. Mason, G. Oehm, P. Politi, J. Maxwell, C. Bailey, J. Fryer, T. Budd, W. Jones, P. Petriella, M. Diamond, G. Hipwell, R. Mark, M. Borlin, F. Vella, A. Newcombe, T. Rumble, V. Burgess, G. McDonald, J. Dunstan, J. Ellis, A. Burgess, G. Boyd, P. Mason, R. Swarts, F. Twadeh, C. Kneebone, B. Dunstan, P. Swartz, R. Machul, W. Vella, R. Thompson, G. Sanders, R. Walker, B. Dent. Top scores for 200 targets: J. Maxwell 194-200, R. Mark 192-200, J. Fryer 190-200, G. Hipwell 189-200, T. Rumble 187-200, R. Thompson 188-200. Results of Skeet 200 targets were: OA and Champion L. Norman 175-200; A: C. Nauden 173-200, B. Rooke 168-200; B: M. Banicek 173-200, S. Balough 171-200. The inter-zone ISU Skeet event was won by Northern Zone 381-450. The NSW State Skeet team selected were L. Norman, M. Banicek, C. Naudin, S. Balough, B. Rooke, J. Wilberforce. These state titles were according to David Menck the best attended ever held for Olympic Trap and Skeet. The new perpetual trophies for individual champions and teams were presented. The trophy tables were most impressive.

# Every Day Someone Wins with Beretta 682. Why Not Join Them!

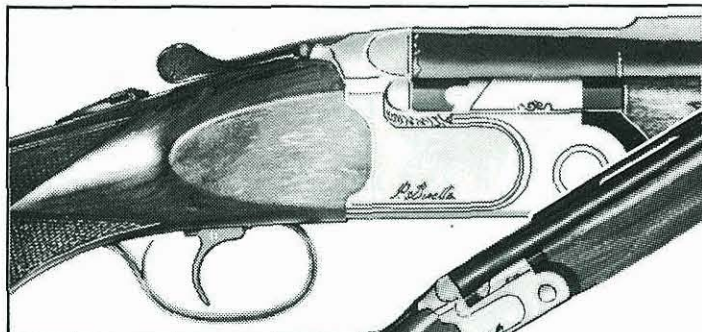

## TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

**3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.**

new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

**The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.**

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Brunton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners can inexpensively maintain

**New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., and full. Key/thread cleaner come with guns featuring the mobilchoke system.**

To complete the story the new \*682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.

### BERETTA 682 SERIES

- 682 Trap: 75cm Barrels. Fixed choke I.M./F.
- \*682 X Trap: 75cm Barrels. Fixed or Mobilchokes.
- 682 Skeet 71cm Barrels.
- 682 sporting 71cm Barrels Mobilchokes.
- 682 Lightweight Sporting Deluxe 71cm Barrels Mobilchokes.
