FRONT COVER: Right — Russell Mark, winner of the Victorian 1986 Trench Title with 196/200, pictured with Ben Duden as the 1986 Victorian ISU Skeet Champion with a score of 191/200. The championships were held at the Frankston-Australian Gun Club in November.

EXECUTIVE DIRECTOR'S NOTES

As I mentioned last month, there have been two meetings recently conducted, the International Shooting Committee and the National Executive Committee.

Both of these meetings had very long agendas and as a result were very time consuming. Many varied items were discussed and as a result decisions taken.

In an attempt to keep you well informed on the everyday workings of the Association, a summary of the meetings held are published for your notice.

INTERNATIONAL SHOOTING COMMITTEE — December 4, 1986

1. The Olympic Discipline Championships from 1987 will be competed for using the new International format for finals. This format which may not appeal to many, has been introduced at our Championships to ensure that when competing internationally, be it at the Olympic, Commonwealth Games or World Championships, that our shooters are not disadvantaged.

The format will allow for 75 targets to be shot on each of the first two days (Trench and Skeet), at the completion of the 150T a cut off point will be established for all other than the top 24 competitors, who will be resquadded to shoot the final 50T.

At the completion of 200T the top six from the 24 will contest the final which will be shot over an additional 25 targets. In the event of a tie for any positions a count back shall take place, first in rounds and then if necessary in targets to determine positions.

Should this not then separate any shooters, a shoot off will be conducted with the shooter missing first eliminated, providing each shooter has shot at an equal number of targets.

All entrants will shoot the full 200 targets on this system with the top six at the completion shooting an additional 25 targets.

2. The State Associations will be requested to frame their 1988 I.S.U. program in a manner that will enable continuity of competition. This is considered to be a most important area and the co-operation of all State Associations will be sought at the appropriate time.
3. Masters badges for proficiency levels will be introduced as from the 1988 O.D. National Championships, levels to be Gold 192/200, Silver 190/200, Bronze 188/200.
4. **Olympic Games.** Provided that quotas have been secured, eliminations for positions in the Australian team will take place between those shooters who have fully qualified.

No person shall be able to obtain a qualifying standard or compete for an Olympic quota for Australia unless he has first received the sanction of the A.C.T.A.

5. Members of the National Training Squad must shoot the designated program of 400T to be eligible for selection for the teams to compete in the World Moving Target Championships.

A number of additional items were discussed and recommendations made to the Executive Committee.

EXECUTIVE COMMITTEE MEETING — December 6, 1986

This meeting took place at Geelong where the Executive were hosted by Winchester who arranged meals and accommodation, as well as providing the meeting venue, an excellent gesture and we must thank Winchester through John Canning and Bruce Burns for the opportunity of meeting in Geelong and touring the Winchester plant, a most interesting day for all concerned.

1. The A.C.T.A. Public Liability Insurance cover has been hit severely with an increase in the annual premium of 32%. While this is in keeping with the industry trend on Public Liability, it nevertheless is another example of rising costs.
2. The Nationals Sub-Committee has been reformed to

investigate all aspects in relation to National Championships. Appointed to the Sub-Committee are Mrs Kaye Woods (Chairman), Jim Scott and Brian Growden.

3. The recommendation to discontinue the practice of awarding grade high gun medals and trophies has been approved.
4. A review on the awarding of the A.C.T.A. pewter medal has taken place, this medal will now be awarded only to the overall winner with an additional medal to be struck for Ladies/Juniors/Veterans Grades. This decision has been taken owing to the High Cost of the medal which has almost priced itself out of existence.
5. Reduced nominations are to be introduced for all future Nationals and will benefit Ladies, Junior and Veteran Shooters. Nominations will be at 60% of the open nomination amount. The payment of a full nomination however, is still required to win recognition and trophies in the open section. Selection in open teams is also conditional upon the shooter having paid the full open nomination amount.
6. Trap National sequence of events as from Brisbane will be:
Day 1 Handicap
Day 3 Single Barrel
Day 5 Champion of Champions
Day 2 Double Barrel
Day 4 Points Championship
Day 6 Double Rise
7. Queensland Shooters under the age of 14 years are not and will not be allowed under any circumstances to compete in the State of Queensland until such time as the current legislation may be amended to so allow.
8. The recommendation from the International Shooting Committee that members of International Teams who do not comply with the conditions of selection be no longer considered for selection in future overseas teams was approved.
9. The National Referees Association will meet formally in Melbourne on Saturday, February 14.
10. Penalty conditions have been introduced for late starters and for failing to Referee and score when allotted to do so. These conditions will be printed on the Nationals nomination forms.
11. A notice of motion together with an Executive recommendation will be placed before the Annual General Meeting, these have been publicised separately.
12. In accordance with a decision taken at the 1986 Annual Meeting the Association has applied to migrate from a Company Limited by Guarantee to an Association under the Associations Incorporation Act (Vic.). This application has been made using the existing Memorandum of Association and Articles of Association to which there has been no alteration other than the introduction of terminology in certain instances to comply with the Associations Incorporation Act.
13. In accordance with rule 3(17) the Executive Committee have set the nominations and trophy values for the year of 1987. The full details are published separately.
14. Nomination procedures will allow for shooters to request they be squadded in the same wave as other identified shooters.
15. 1988 National Trap Championship have been approved for April 16-21 with the Wagga Gun Club being the likely venue.
16. A new National title will be added to the Skeet program as from 1987. This will be a 50T National Skeet Doubles Championship which will replace the National Carnival Championship. The winner of the National Doubles Title will be awarded the Silver Australia Badge.

Contd over page

Contd from previous page

17. The results obtained in the National Doubles Title will have bearing on any long run break, any miss in doubles will be a miss in the long run break.
18. A seven member team will be sent to the 1988 New Zealand Trap Championships. Comprising one member from each State including the Northern Territory, the team will be self selecting with the best performance from each State at the A.C.T.A. 1987 Trap Nationals in Brisbane forming the seven member team.
Full nominations must be paid in the qualifying event to be eligible, Double Barrel, Single Barrel, Points Championship.
19. The Practice of Card playing at all National Championships is to be prohibited in areas embracing the club rooms, bar and dining areas or such areas as may be determined from time to time.

As can be seen, the meeting was long and exhaustive and the combined efforts and attention of the Executive to the matters at hand assisted the chairman in the running of an efficient and worthwhile meeting of the National Executive Committee.

On behalf of the Executive and all members of the Association, we extend our deepest sympathy to National Vice President Jim Scott and his wife Joan, for the loss of their daughter Susan, who passed away on Friday, January 2, after a long illness.

Jim and Joan, the thoughts of your many friends are with you in your time of sadness.

ALAN J. MAHER.

PRESIDENTIAL MEDAL 1986

The Executive Committee is pleased to announce that Mr T. Comerford of the Townsville Gun Club has been awarded the A.C.T.A. Presidential Medal for 1986.

Mr Comerford is well known in Townsville and has been honored in recognition of his contribution to the development of the sport. It is anticipated that presentation will take place at the 1987 National Trap Championships in Brisbane.

ELEY-NEWTON THOMAS AWARD 1986

Nominations for the Eley-Newton Thomas Award are now open and may be forwarded to the A.C.T.A. Office up to and including March 31, 1987.

Guidelines: The award is presented to the person who has done the most to promote the sport of Clay Target Shooting in the previous year (1986) and is to be forwarded to the A.C.T.A. via an affiliated Club or State Association.

Judging Panel: A.C.T.A. Executive Committee.

Presentation: Subject to the acceptance of any nomination received, the award will be presented at the most suitable National Championships during 1987.

Recipients from Inception:

1982	Mrs B. Grice — Queensland
1983	Mr M. Alexander — Western Australia
1984	Mr R. Dean — Queensland
1985/86	Not awarded

The Presentation of this award is at the discretion of the Executive Committee whose decision shall be final. The receipt of nominations by the A.C.T.A. does not determine that the Eley-Newton Thomas Award will be presented for 1986.

Nominations: Addressed to: The Executive Director, A.C.T.A., P.O. Box 198, Blackburn, Vic. 3130.

Closing Date: March 31, 1987.

REFEREES & REFEREE EXAMINERS

The following formats have been approved by the National Executive Committee and will be implemented effective January 1, 1987.

REFEREE EXAMINER

MEMBERS:

As appointed by a Rule Supervisor in accordance with rule 4.23(a).

APPOINTMENT:

To retain appointment until such time as he may elect to resign or alternatively his appointment is terminated by the respective State Association in relation to rule 4.20(c).

DUTIES: In Accordance with Rule 4.22(a-d)

1. To examine applicants for referee status for A.C.T.A. trap and or skeet.
2. To submit to the A.C.T.A. Executive Director a recommendation on forms, Trap — Blue 26A, Skeet — Pink 26B for the confirmation of appointment as a qualified referee for the respective candidates.
3. To re-examine every referee within six months of the expiration of his five year appointment and advise the A.C.T.A. Executive Director of either the:
 - A. Continuance of Referee status if re-examined satisfactorily, for an additional five year period.
 - B. Cancellation of referee status if unsatisfactory.
 - C. Continuance of referee status — without re-examination for an additional five year period.
 - D. Cancellation of referee status — without re-examination, together with cancellation reasons.

IDENTIFICATION:

Each referees examiner will be issued with a "Referees Examiner" badge by the A.C.T.A. Office.

The A.C.T.A. will provide details annually on each State Secretary of those referees who are eligible for re-appointment. State Secretary will advise referee examiners accordingly.

ADVICE:

Each referee will be advised by the A.C.T.A. office of the decision of the referee examiner at the expiration of his five year referee appointment.

REFEREES

1. Following upon an approach by a registered shooter to his Club President or Secretary
OR
2. an approach by a Club President or Secretary to a registered shooter.
providing the shooter has achieved a satisfactory standard a recommendation will be made in writing to the nearest registered Referee Examiner that the candidate be given a practical and oral examination.

APPOINTMENT:

1. For a period of five years from the date of examination.
2. To be re-examined at the expiration of each five year period.
3. Failure to be re-examined following this period will result in the withdrawal of referee status.
4. A six month extension will be granted to allow for re-examination.

DUTES: In accordance with rule 4.20

AUTHORITY:

To give final determination in all cases coming under his jurisdiction as set forth in the rules.

IDENTIFICATION:

Each referee will be issued with a referees badge which must be worn at all shoots.

Would all referees and referee examiners please familiarise themselves with the guidelines that have now been established on an ongoing basis.

Alan J. Maher,
Executive Director.

NOTE: A revision of all badges is currently underway, once completed, badges will be issued in accordance with the applicable guidelines.

NOTICE OF MOTION — ANNUAL MEETING

(In accordance with rule 36D)
Submitted by National Executive Committee

The Articles of Association be amended to read, under Rule 13, Subscriptions, "The Annual Subscriptions payable by members shall be such as the Executive Committee shall from time to time prescribe.

"All Annual Subscriptions shall become due and payable in advance of the 1st day of January each year. Any Incorporated club or delegate admitted to membership during a year shall pay the full subscription for the year in which it or he is so admitted."

The notice of motion proposed by the National Executive is that the constitution be amended to enable the National Executive to set the annual registration fee. This would provide a lot more flexibility for the Executive in managing the finances of the Association. The present situation means that the Executive, becoming aware of a necessity for an increase of registration fees in mid 1986, has to propose the increase at the 1987 AGM and the increase will be effective January 1988. All business matters agree that to predict so many months in advance is almost impossible and this change will now help to alleviate this. I assure shooters that the Executive will use this authority responsibly, and remind you that most club committees set annual fees. The Executive is made up of two representatives for each State Association, whom they may replace if unhappy with their delegates performance, so I see no problem in according the Executive the right to set the registration fee. An example is the proposal to increase it by 16% after five years, which clearly indicates a responsible attitude.

N.T. Hardy,
Management/Executive Member.

RECOMMENDATION TO ANNUAL MEETING Submitted by National Executive Committee

"The registration fee be increased by an amount of \$5.00 effective as from January 1, 1988, for both first and second family members.

ALAN J. MAHER.

The National Executive of the A.C.T.A. wish to increase the annual registration fee by \$5.00 to \$35 and the second family member to \$20. If the Annual General Meeting endorses this request, the rise will be effective January 1988, some five years since the last increase. In a way this rise is overdue, as the Executive have delayed this request until absolutely necessary, for as a committee, it is well aware of the economic climate. This five dollars is necessary to fund a 32% increase in our premium for public liability insurance, together with production costs for Clay Target Shooting News which rose 14% last year and 8% this year, as well as all those small regular increases we are all aware of. I believe this is a most reasonable request and look forward to your support of this important recommendation in April at the AGM.

N.T. Hardy,
Management/Executive Member.

Interesting to read in the January issue of Gunshot, the N.Z.C.T.A. Magazine, that 1987 membership fees have been determined as being Full Member — \$37.40; Family Member — \$33.00; Junior Member — \$26.40.

FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

SKREET NATIONALS WAGGA.

The Skeet Nationals saw some good shooting and prove again that skeet shooters are dedicated and love their sport. It was rewarding for me to meet so many shooters and discuss their shooting with them.

Being at the Nationals brought home to me how important it is for shooters to find a style of shooting that suits their particular body, eye sight and reflexes. There cannot be any one ideal style. I see no reason why any shooter cannot become a good competitor and gain satisfaction from their sport, but some of us are a little stiffer, our reflexes a little slower and our hand eye co-ordination not as fast, this being so even if our body shapes are similar. It is important to analyse not only our bodies but our ability to pivot, point and swing and adjust these to suit ourselves.

Champions are champions because they have adapted their stance, gun hold, swing etc., to suit their bodies. The whole process of shooting the clay is natural and comfortable and with practice the gun becomes an extension of the body. But what suits any one particular champion may not necessarily suit everyone.

With the assistance of a coach initially, find the correct stance and hold for you, and then learn to monitor yourself, and ask yourself what it is that you do when you break the clays and feel comfortable about it. Take note of your feet position in relationship to the pad, and in skeet the gun start position, and then practise. Practice is the key once the shooter has the correct stance to suit his body, and understands the importance of waiting to see the target, before moving. Practice will ingrain the correct movements in your muscle memory. Practice your gun hold, stance and swing in the laundry, in the kitchen, anywhere, as long as you take heed of gun safety, of course.

Too often I see shooters mimic some movement that a champion makes that is suited to that champion, but not to the mimicker. If God had made us all the same shape and size and with reflexes of the same speed, we could learn the skills of shooting by numbers, but of course this is not the case. It is possible to learn many things by watching others, but to be successful, we as shooters must develop our own individual style. Champions become champions because they practise, are dedicated to personal improvement, have a style that suits them, and a desire to win, and the confidence in their own ability to do so.

I.S.U. NATIONALS PERTH 1987

The Olympic Trap and Skeet Nationals are to be held in Perth in February 1987. This will be the first I.S.U. Nationals at W.A.'s magnificent new grounds. There are three Olympic Trap layouts and three Olympic Skeet grounds. The shooting complex in Perth is really something to see now. Any shooter who can be in Perth in late February early March can be assured of enjoying a great facility and W.A. hospitality as well as enjoying competing for the 1987 National Squad, and possibly representing Australia in the 1987 moving target Championships in Montecatini in Italy, and also have a chance to represent Australia in the Oceanic regional championships to be held in late January or early February, giving the opportunity to gain a qualifying score to make them eligible for selection for the 1988 Olympics. Don't forget you have to be in it to win it.

CLAY SHOOTING 1986

1986 has seen Domingo Diaz win the World Championship in 5 trap in Spain, Ian Hale shot equal third score at the World Championships, Adrian Cousens came 2nd in America at their World Skeet Championships, Terry Rumbel and Domingo Diaz won bronze at the Commonwealth Games, Terry won the silver medal at the badge match of the Commonwealth Games and Domingo and

Terry came fourth at the World Championships in Germany. Terry Rumbel broke the Australian record in Olympic Trench and won the South Pacific Games, Craig Meuleman broke the record in Olympic Skeet, Adrian Cousens has shot over 501 straight in American Skeet. Add to all that, outstanding performances in D.T.L., and all I can say is, what a year!

CLAY SHOOTING 1987

We have a great sport, we can break clays from an early age to as old as we get, and compete at any level we choose to, and add to that, I believe without doubt, clay shooters are the friendliest sports people there are. So in 1987, with enthusiasm and commitment, clay target shooting will go from strength to strength. We must adapt and be forward looking. Looking back fills a need, but must be used to build upon, to create a brighter future. May 1987 be full of broken clays for all of you.

Peter Quire, National Coaching Director.

WARATAH STATE NOTES

PRESIDENT'S NOTES

I would like to take this opportunity to wish Ken and Betty all the best for the future after many years of service to the Clay Target Shooters of New South Wales.

Over thirty years of administration at National, Club and State level, is certainly a great effort, and for this the shooters of New South Wales give you a big THANK YOU!

I am fully aware of the amount of time, and effort, that has gone into this Association since its inception, and I can assure you all in New South Wales that I will do everything I can for the shooters of this state.

SHOOTERS DECORUM

I have now shoot marshalled the last three Skeet Nationals, and the Nationals at Wagga were not much different than the others, but for one thing.

Squad Members not showing what would, and should be, common courtesy, yet alone a rule. Leaving the tracks before the last shooter has completed station eight.

SKREET NATIONALS WAGGA

The success of this carnival belongs mostly to one man, Barney Rooke, and along with his club (the Wagga Gun Club), daughter Maree, and a few willing helpers, New South Wales were able to stage a very successful Nationals.

The shooters numbers in most events topped those of Melbourne, showing after all that Victoria is not the home of Skeet Shooting.

I would also like to thank the shooters for their co-operation, and my committee for their efforts in the running of these Nationals, Tournament Director Rob Parker, Handicapper Peter Hayman and Col Burt, office Jenny Burt, Jim and Joan Scott, Mark Holland and a special thanks to Kaye Woods for her assistance in the office, and thank our executive director Alan Maher for his help.

ROBBIE SMITH.

FOUND

A set of polichokes — branded "Sarriugarte" was handed to the office at the Bendigo Clay Target Club some months ago. The owner can recover same by contacting Keith Daniel on (054) 43 1696.

JUNIOR SHOOTERS — UNDER 14 YRS

Any Junior who intends shooting at the Brisbane
Trap Nationals in April and is under 14 years of age
MUST OBTAIN LEGAL PERMISSION TO DO SO.

If residing outside of Queensland, you must provide
the Q.C.T.A. State Secretary, Mrs Bev Grice, with the
following information:

FULL NAME ADDRESS DATE OF BIRTH

Photocopy of any licence held or written advice from
yourself that the holding of a licence is not required
under your State's law.

All information to the Secretary, Q.C.T.A., P.O.Box
22, Moffat Beach, Queensland, 4551. Tel. (071)
91 4977 by:

NO LATER THAN FEBRUARY 28.

Upon receipt of the required details, by 28th
February, an exemption will be granted to allow you to
compete at Brisbane — not applicable to Queensland
shooters under the age of 14 years.

SHOOTING ETIQUETTE

A bad habit has started to creep into our sport and it is
one that must be avoided at all times.

Shooters are leaving the tracks prior to the last shooter
completing his round and this lack of courtesy must be
discouraged by all shooters.

If you play your part others will play theirs and the prob-
lem will no longer exist.

Please show your fellow shooter the same courtesy that
you expect from him.

1986 VICTORIAN STATE I.S.U. CARNIVAL

Report by Laurie Connors

NOVEMBER 22 AND 23, 1986

The final 200 targets to select the Victorian State Training squads in I.S.U. Skeet and Olympic Trap was hosted by Frankston Australian Gun Club. Both the State, I.S.U. Skeet and Olympic Trench titles made the final 200. They were shot under ideal weather conditions compared to the first 200 at Melbourne Gun Club. Thirty-four shooters entered the Olympic Trench event and eleven the I.S.U. Skeet. The competition was tough for outright winners with the juniors showing their ability to match it with the top shots in all eliminations. Top scorer to make it in the Olympic Trench State Training Squad was Steve Haberman with 377/400. Domingo Diaz 376, Russell Mark 370, Geoff Mark 364. Two juniors filled the other two placings, Wayne Vella on 357 and Mark Crevatin 353. Not far behind Mark and taking the two junior spots in the squad were Mark Rogers and Brett Dunstan, both on 352.

The I.S.U. Skeet Training Squad consists of Craig Meuleman 378/400, Ben Dudenas 369, Alex Crikis 366, Glen Clarke 363 and Graham Guy 358. Disappointing to note, no juniors competed for positions in the I.S.U. Skeet Training Squad, especially when so much is being done to encourage and assist the juniors to participate. Something for the Trench juniors to watch for is a 100 target Championship event to be conducted at Frankston Australian Gun Club in February 1987. The event carries as first prize to the top junior an air fare to Perth W.A. to compete in the I.S.U. Discipline Nationals. It is being

• Junior Olympic Trench Shooter Wayne Vella who won top honours with 97/100 to be junior team High Gun.

sponsored by Frank Vella, one who is right behind our juniors, giving them all the encouragement he can.

Results of the State Olympic Discipline titles were as follows:

1986 STATE TRENCH CHAMPIONSHIP

Overall: Russell Mark 196/200; AA: Bill Iles 195/200; A: Wayne Vella 183/200 + 22 + 21 + 24; B: John Dunstan 170/200 + 23; C: Con Vasilidis 159/200; Junior: Wayne Vella 183/200 + 22 + 21 + 24.

1986 STATE I.S.U. SKEET CHAMPIONSHIP

Overall: Ben Dudenas 191/200; AA: Craig Meuleman 187/200; A: Glen Clarke 187/200; B: No entries; C: Alan Reid 134/200; Junior: Michael Inguanti 185/200.

1987 SHOULDER TO SHOULDER TEAMS FOR W.A.

Olympic Trench: Steve Haberman 377, Domingo Diaz 376, Russell Mark 370.

I.S.U. Skeet: Craig Meuleman 378, Ben Dudenas 369, Alex Crikis 366.

INTERSTATE POSTAL TEAMS

OLYMPIC TRAP

Russell Mark, Bill Iles, Geoff Mark, Steve Haberman, Domingo Diaz, Mark Crevatin. Team High Gun: Bill Iles 97 + 25.

Junior Team: Mark Crevatin, Mark Rogers, Wayne Vella, Brett Dunstan.

I.S.U. SKEET

Craig Meuleman, Ben Dudenas, Glen Clark, Graham Guy, Alex Crikis, Michael Inguanti. Team High Gun: Ben Dudenas 96/100.

WET AND DRY

'WHERE'S NORTHERN NOTES?' DEPT.

Even after 'NN' had been in the 'News' for over twelve months, hardly a month went by when some shooter didn't comment on the title, usually to the effect that the 'NN' title could refer to almost anywhere in Oz. After suffering these comments in silence, 'Inkball' finally, in frustration, ran a mini-competition to select a short, suitable alternative caption. The successful entrant assured the writer that the title referred solely to the writing style, and was in no way to be confused with the seasonal changes occurring in our tropical North.

N.T.C.T.A. NOTES

The writer has still received no notification from the Association regarding dates and venues of N.T. Championships for 1987. Time's running out, fellows.

Belated congratulations to our N.T. Skeet team, who performed admirably in Wagga, way back in November. Special congratulations to Tom Weis, for his 'three in a row' Junior High Gun. Gove's representatives kept the flag flying with personal bests from Henrick Madsen, Greg Bateman and Bob Dalglish.

DARWIN DIARY

Darwin City Council is again showing its fangs, presenting the Gun Club with another rates bill for a total amount of near \$8000. Most of the Clubs sharing the Complex have been similarly slogged, and most Clubs, also, have no chance of paying such ridiculous imposts. Rumour has it that legal action may publicise the Council's inanity, with a combined Sporting Clubs representation presenting a united front.

'Bull' Bathman scooped the 'C' grade pool recently, when he took all the trophies, all of alcoholic persuasion, in everything from tower, to trap, to skeet. It seems 'Bull' had no shortage of helpers to assist him to dispose of the goodies.

Ken Selwood is still being ribbed over an interview he arranged with the local paper. If Ken can shoot to the standard of the interview, watch out world!

The Christmas shoot was a reasonable success, with novelty shoots taking the bite off competition. The double rise, off handicap and the Deauville trebles proved good spectator value, although shooters who took these shoots seriously could be heard gnashing their teeth to the jawbone.

It was also pleasing to see the numbers of 'lapsed' shooters who turned up and kept the Christmas spirit flowing. At one stage, there was an alternative Committee, with Presidents, Vice-Presidents, Secretaries and Range Officers in abundance. It's a pity these shooters couldn't become regular fixtures at the Club again, as a wealth of experience has been lost to shooting generally.

COACHING COMMENTS

Yulara Gun Club is one of the few Clubs to have increased membership during the year, and increased it yet again. With thirty five members on the books, and more anticipated, the Club is a tribute to the hard work and enterprise of a dedicated band of, for the most part, brand new shooters.

Greg Chan reports that, although the welcome from the weather was wild and woolly (mini cyclone would describe it briefly), on his recent visit to the rock group, the welcome from the Club members was well worth the watering down.

TOP END TOPICS

At the recent Annual General Meeting of the Club, Barry Munt was re-elected President for the seventh consecutive year. Alan Rippon, retiring from the Secretary-Treasurer's position, was accorded a vote of thanks from the members for his work over the year. Peter Bateman took over Treasurer, John Doyle took the Secretary's slot, Eric Rhinelanders continues on as Range Officer, Phil Crute is Building Supervisor (for the new Clubhouse) and Don Millen was persuaded to become Publicity Officer, a job he did unofficially in years gone by at Darwin. Congratulations all!

RULES RORTS

We can come forward ONE Metre each year, if we haven't won anything during the year, provided we shoot at 200 or more handicap targets, but we can go backwards and forwards between grades at the drop of the proverbial hat. It is not inconceivable that a shooter who 'plays a tune' on his grades can cheat his fellow shooters at least a dozen times a year by shooting in a lower grade, winning at a major shoot and going up a grade, then shooting 'off' for a couple of events in his next 400 targets and being downgraded again. The only fair way to sort out grading rorts is not to reward a shooter for shooting poorly, but to handicap him for shooting superior scores. THE ONLY MOVEMENT IN A CALENDAR YEAR IN GRADING SHOULD BE UPWARDS. If a shooter over the calendar year shoots lower than the grade he has attained, he is entitled then to drop one grade, just as in handicap shooting, he is entitled to move forward one metre. This system will stop grade cheats, eliminate much of the handicapper's work at all levels, with grade movement occurring, generally, only once a year. It will also make a shooter shoot to his capabilities, knowing that he is only going to be downgraded at the end of each year. It also stops poor weather, bad lighting, strange layouts from incorrectly influencing gradings of a shooter. If the shooter shoots well during the year he is graded upwards and can only be regraded further upwards, regardless of poor scores shot during bad weather, bad temper, or bad targets. What about it, Rules Association? Any comments for and against, from anyone, would be welcome at the 'News'.

Until next time,
Inkball.

VALE

Illawarra Gun Club regrettably note the passing of Club Secretary, Graeme Sperring, on December 18.

Illawarra Gun Club extends sympathy to his wife and family.

"He may not have been the best shot
He did give up his weekends for others
He did become involved in club activities
Trouble is we only notice when it's too late."

WAIKERIE "LEGACY" SHOOT FATHER v. SON FOR TRIP IN GREAT SHOOT-OFF

Story and Photos by JOHN GORDON — WAIKERIE

The weather conditions for the Waikerie Field and Game "Annual Legacy" shoot held over the 8th/9th November were perfect, even if a bit on the warm side. Many of the 50 plus shooters returned home with their first summer tan.

Highlight of the weekend was without doubt the great "shoot-off" for the Kangaroo Island trip between former members (now of Whyalla), Bill Fisher and son, Malcolm.

In company with Bob O'Brian, Dennis Pfeiller and Ron McNamee, all had returned a perfect 20/20 in the 20 Double Barrel event, sponsored by Lloyd Aviation and the Island Resort.

By the time they had reached 29 targets only father and son remained in touch and this went on to a thrilling 45 targets before age prevailed and the younger Fisher succumbed on his 45th. "Dad" took out the honours with 45/45, D. Pfeiller was 3rd with 28/29 and Best Lady was Rita Maywald with 17/20.

● Father V. Son Duel. Malcolm congratulated 'Dad' (Bill Fisher) after winning the K.I. Trip.

The winner received vouchers from Mr John Gordon of the Waikerie Travel Centre on behalf of Lloyd Aviation, who supplied the air flights and the Island Resort of Kingscote, who are supplying the accommodation. The prize is valued in excess of \$260. Saturday's shoot was a 50 target Simulated event sponsored over all grades by the Waikerie Hotel. This again brought some great "shoot-offs" to decide the winners.

Another father/son duel saw Ivan and Robert Maywald fight it out for overall top spot both having shot 39/50. In this case the younger emerged the winner with Robert taking the honours with 59/75. Ivan had to be content with the "B" grade 1st place, 54/75, 2nd in "A" grade was Ken Triffitt of Adelaide with 38/57 after a "shoot-off" with Bill Warriner of Canberra. 2nd in "B" grade was Bill Wilksch on 43/57 after a "shoot-off" with Bob O'Brian.

Ron McNamee 26/50 took the "C" grade with Colin Nunn of Paringa 2nd 24/50. Best lady, Rita Maywald 21/20. The "Bill Marschall Memorial" teams shield went to "Wilksch's Wingers" with 148/200. R. Maywald 39, I. Maywald 39, M. Burnell 33, W. Wilksch 37.

After a sumptuous barbecue tea, it was a bit of a wait until it was dark enough to hold the 25 target D.B. Night Championship. Here again it was a "shoot-off" to separate the top three positions, Bob O'Brian, Don Molina (Mildura) and Robert Maywald all on 24/25. Molina dropped his third target and returned 26/28 for third place, Maywald dropped his 32nd for 2nd place with 31/33 and top place

● "The Champions" all ACTA members. L to R: Bob O'Brian — Night D.B. 100T simulated over two days. R. Maywald "A" Grade, I. Maywald "B" Grade, R. McNamee "C" Grade.

went to O'Brian with a creditable 32/33.

Local shooter Harvey Nunn had to "shoot-off" with Canberra visitor, Bill Warriner, to decide the Skeet. Both shot a possible 25/25. Nunn came off the better with 37/37, Warriner 2nd on 36/37, Peter Caddy (Barmera) was 3rd with 34/35.

Sunday dawned with the promise of another hot day, but it did not deter the shooters and a strong contingent again lined up for the 50 target Graded Simulated, over two rounds of the course. Some targets had been altered from the previous day.

Shooters may have been a bit off, due to the hot conditions as no "shoot-offs" were needed. Robert Maywald on 40/50 took the "A" grade spot with Bill Warriner 38/50 in 2nd place. "B" grade honours went to Peter Caddy 37/50 and 2nd was I. Maywald 34/50.

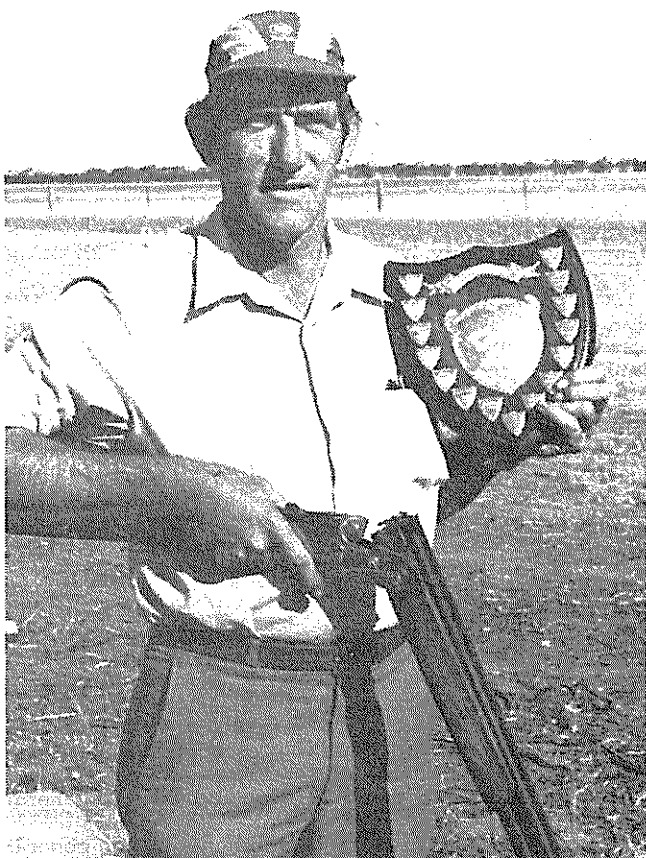

Colin Nunn reversed his spot with Ron McNamee from Saturday's "C" grade and took 1st place with 26/50. McNamee 2nd 25/50, Rita Maywald was again best lady with 22/50.

The Legacy Shield points score was shot for the last time, space has now run out on the shield. It was originally donated by the late George Hancock, who was the instigator of the "Legacy" shoot. Mrs Hancock has indicated that she will present a Memorial Trophy to be competed for next year.

Two shooters tied on perfect 45/45s, Dennis Pfeiller and Brian Spencer. Dennis came out the best with 60/60. Brian had to be content with 2nd place on 57/60. There was a good "shoot-off" for third position between Peter Caddy and Bob O'Brian, both having shot 44/45. Peter won with 59/60.

The magnificent "Eddie Traeger" High Gun went to Robert Maywald with 135/160 over the two days, Ladies High Gun was Rita Maywald 84/60, a mother/son combination this time.

The Club President, Mr Marty Burnell gave thanks to all who had assisted over the two days and also special thanks to all those business houses and individuals who had supported the club with both trophies and goods. Without such support the sum donated to "Legacy" would never be as much. He then presented most of the trophies. Mr Ian Light, manager of the Waikerie Hotel, had presented their trophies on the Saturday. The trophies for the 20 D.B. were presented by John Gordon of the Waikerie Travel Centre, whilst the Championship Sashes were placed on the

● Dennis Pfeiler (ACTA) winner of "Legacy" Points Score Shield.

● Mother & Sons. "High Guns". Rita and Robert Maywald (ACTA members) shot the best over the two days.

winners by Leanne Lines of Loxton.

It was again a most successful shoot with visiting shooters from as far away as Canberra, Adelaide, Whyalla and Mildura and also several Riverland towns. It is anticipated that "Legacy" will benefit to the tune of a minimum of \$500.

P.S. The raffle was drawn by Bill Warriner of A.C.T. and 1st was Tony Ballony, 2nd Ken Triffitt, 3rd Peggy Gibson.

1ST PRE-NATIONAL SKEET CHAMPIONSHIPS WAGGA GUN CLUB

● 1986 Pre-National Championship winners of Wagga Gun Club. Graham Webber — New Zealand, Robert Dower, SA, Adrian Cousens, Vic.

Well, the Skeet Nationals are over for yet another year. The Championships were a great success and Wagga broke three of Melbourne's 1985 entries, equalled another and was only a few down on the other two events.

Practice was advertised as being available from Monday afternoon the 10th, but while the small committee of workers were doing the 'last touches' on the Saturday/Sunday before, shooters were already arriving and wanting plenty of practice.

The 1st Pre-Nationals were also a great success with many more shooters competing than expected. Sponsorship of all the events by local businesses was the main factor in the success of the Pre-Nationals. These sponsors provided excellent trophies at high values. These sponsors must be thanked because without them we would not have had a successful National:

Coca-Cola — Customs International — Silver Key Cafe — Winchester — Wagga Leagues Club — Commercial Club — ACT Ammunition — Fuller Firearms.

Weather and shooting conditions were near perfect for most of the week.

All the Pre-National Championships were won with perfect scores and always having to be decided by shoot-offs with some going for a considerable time. This gave an indication of the standard of shooting that would be at the Nationals, which was extremely high with the possibility of the skeet break record being broken again. Adrian once again came very close but not quite close enough, he made another break of 501 straight.

Also thanks to the very small hard working committee and workers who helped with the construction of the new layouts and other jobs to help bring the standard of the club up to national level in the short period of time. (Incidentally, the committee and workers consisted of four men and three women.) These people have been thanked, but need thanking again. Some alone spent over 800 hours in the construction of just the skeet layouts.

Many of the shooters do not realise the amount of 'behind the scenes' work involved in making the Championships run smoothly; replenishing the trap houses and cleaning the rubbish up each day. Our committee at the club have been branded the 'quiet achievers'.

Those who attended the Nationals were surprised by the amount of media coverage we received for the Nationals. Local television station RVN2 — The Prime Network (which covers a huge area) spent many hours and much work in preparing lead-up stories and footage for the Nationals, this started in November 1985. During the Nationals they spent a few hours EACH day at the Club taking footage and interviews with shooters, this was then covered on the news each night with a considerable amount of time being given. Under the guidance of Sports Editor, Doug Hogan, publicity of Clay Target Shooting and the Nationals started well in advance of the championships here in Wagga with many of the general public commenting on this. We are very lucky to have such a good association with someone like Doug and The Prime Network team, who are ready, willing and interested in the shooting and give us many hours in total of positive publicity.

Local paper, the **Daily Advertiser** which has an average circulation of over 17,000 a day (which more than likely increased while the Nationals were on!), also gave us good publicity. During the Nationals, Sports Writer, Ian Smith, did an excellent job with his coverage. Ian spent a lot of time at the Club before and during the Championships with stories in every day with results as well as photos. We are also very lucky to have a good association with the **Daily Advertiser** and Ian Smith.

Riverina Leader, which is a free paper once a week, were also very good with leadup stories and pictures leading up to and during the Nationals.

Our **Riverina Radio Broadcasters 2WG** with Sports Editor, Allan Hull, gave us plenty of 'air' time. Friday and Saturday Sports Talk programs as well as in general sports and news items. Interviews were conducted from the studio as well as via the phone. Most of the interviews went for five or more minutes.

I would like to thank all those involved with the media coverage of the skeet shooter's 'prestigious' event of the year and their time involved in coming out to the club and learning a little more about shooting and skeet in general and for making my job much easier.

We have had very favourable comments by the general public about shooting. At least they now know we are not a bunch of idiots with guns. The club has also had about 2-3 phone calls a week about people interested in coming to have a look/try at clay target shooting.

We had quite a few spectators during the week which is encouraging. The Nationals were a big plus for the City of Wagga Wagga and also for our sport.

The club would also like to thank Mr Sergio Zuffo for the kind loan of his automatic Kromson skeet traps and the portable skeet layout. Also thanks to Melbourne and Queanbeyan Gun Clubs for the loan of their traps.

I'm sure that those who attended the Skeet Nationals had a wonderful stay in Wagga and at the Nationals. It was also good to see the Ladies taking grade trophies in with the men.

The Sapphire necklet and earrings which were kindly donated by Ken Cross (Qld) for the raffle was won by Kevin Weatherall's wife, Shirley, of Tamworth. Congratulations.

Construction of the new club house has started and will be finished by the Trap Nationals in 1988.

Good shooting and all the best for '87.

Maree Rooke,
Publicity Officer, Wagga Gun Club.

REMOVABLE CHOKES — THEIR EVOLUTION

CHOKE has been defined as "a constriction, usually at the muzzle end/s of the barrel/s, intended to improve the density of the pellet pattern/s". One way of achieving this is through the use of removable chokes. The idea is not new. In this country an early and successful attempt was made by Thomas Turner who produced an attachable short pair of choke tubes (see illustration). These were fixed on the ends of a double-barrelled gun's muzzles. The illustration is taken from "Practical Hints on Shooting", 1887. The author claimed he had fired some 1,000 shots through a gun so fitted without the attachment working loose. Even in those days these muzzle devices were separately proofed and stamped. The weight of this gadget was given as 2oz.

For those who wish to use one gun for all their shooting, which I favour, the add-on screw-in, drop-in, screw-on choke tubes do have a great attraction.

Between the wars we had the Cutts Compensator. Produced in the States and derived from military-type weaponry, eventually someone fitted a modified version of it to semi-automatic and pump guns. Such guns were often barrel-heavy and this was overcome by rebalancing. The greater diameter of the Compensator made the gun so fitted shoot low. This caused no problem for the Americans; they simply bent the barrel slightly upwards to raise the pattern placement.

Most well-dressed skeet shooters of those days used pumps or semi-autos so fitted — and to good effect. A full selection of screw-on choke tubes, from skeet to full, were supplied. Those which I shot and tested threw good patterns equating to the chokings indicated.

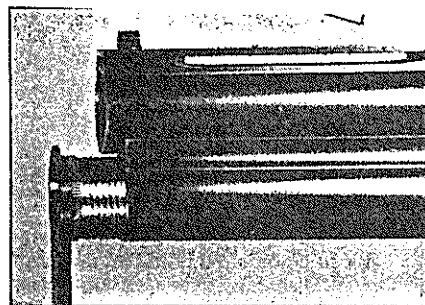

I also did some experiments with the Cutts spreader chokes. With the help of an engineering friend we redesigned one of these, eventually producing one to throw an oval pattern, the idea being that for crossers one would turn the choke to throw the oval pattern horizontally whilst for Station 8 and the Springing Teal type of target one set it to throw the oval pattern vertically. The trouble was that to produce an oval pattern one also flattened it. Regretfully I came to the obvious conclusion that what I and many others really required was simply a much much greater all-round pattern.

My friend Gough Thomas took out his slide rule and designed a screw-on rifled choke. Fitted to a semi-auto it really did what it had been designed to do — throw 50-in diameter patterns at about 20 yards. This was much wider than the usual pattern produced by a normal skeet gun of around a 30in diameter at the same distance.

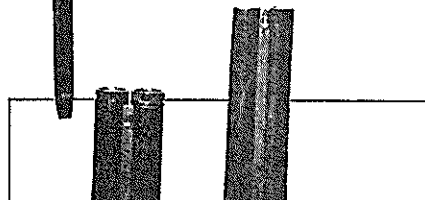

All of which was encouraging. But most clay shooters always watch how they break their targets. If they begin to "tail" their targets and are chipping the back edge, they take note and either increase their speed of swing or open up their sight picture. The extra wide patterns of the rifled choke made this accurate reading of pattern placement more difficult. This in turn resulted — at least in my own case, of even more confusion — not conducive of improved scores! The police ruled that a gun fitted with a rifled choke required a firearms certificate with all the extra expense and hassle and so the idea was dropped. I am still convinced that the Gough Thomas rifled choke had much to commend it for, say, ferreting rabbits or close-range woodland shooting.

Greener's also supplied a fine set of screw-in choke tubes for their GP Multichoke gun. A compensator was first fitted to the barrel, into which the tubes were screwed. I owned one some 25 years ago. It handled well and the patterns were excellent. I only once tried the experiment of sharing a pigeon hide with a friend who also owned a Multichoke — but not for very long. To my mind compensators at such times are anti-social.

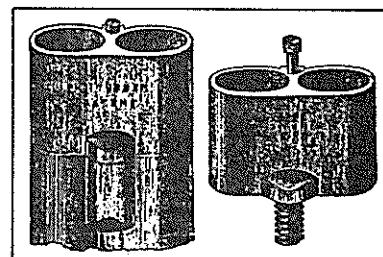

Also available was, and indeed still is, the collet-type of choke. With or without a compensator, these were fitted to

English-designed screw-in choke tubes.

Both sets of barrels are by the same maker. The ones with the screw-in chokes are only 5mm wider at the muzzles.

Thomas Turner Patent (1887).

The Cutts Compensator with a spreader choke tube fitted.

single-barrelled guns. One model claimed a range of eight degrees of choke available "at a twist of the wrist". Another was designed to automatically tighten up one degree of choke each time the gun was fired, the idea being if one missed with the first shot one immediately was provided with the required tighter choke for the next shot at the going-away target. Whether the thing worked in reverse on incomers I know not.

Since then there has been much development work and many single-barrel guns and O/Us are designed from scratch to be fitted with choke tubes as standard. Some of these tubes are even designed to throw off-centre patterns. For myself, I regrettably am all too capable of eccentric pattern placement without the help of so much sophistication. I believe that within the next few years there will be available new guns, O/U and single-barrel in a wide range of qualities, all with choke tubes supplied as required.

As for side-by-side guns, as far as I know there is only one side-by-side which will be sold new with choke tubes. The above illustration shows two sets of barrels, both of the same make, one without chokes and one with. There is very little extra width at the muzzles; actually it is only 5mm. This gun will be available later this year.

As to converting existing guns with conventional barrel/s, there has been extensive work done in the States. Briley of Houston, with the aid of a computer, fine machine-tools and high quality steel has been converting guns to screw-in chokes whether single barrel, side-by-side or O/U. I patterned some guns when I was over there and the results were excellent. Mr Briley told me that the

barrels needed a minimum of about .35 thou thickness barrel wall from the muzzles extending back for 3in. It was also vital for the barrel/s to be bored concentrically.

Work on similar lines has been done in this country. Although the choke tubes are shorter, have a different shaped thread and fixing key, the patterns which I have so far seen are fine. Both gun and tubes so fitted in this country must be submitted for proof and be passed before being sold to the public. This has to be done under the rules of our Proof Houses, and rightly so.

PERAZZI

The Guns with the latest and up to date technology built into them:

The gun that is continually being improved to the highest standard and expectation of the shooters who appreciate the finest quality and value for money spent on their investment — not all guns fit into this category.

The gun that was designed by some of the world's top champion shooters who knew the shooters requirements and these are being made by champion gun makers to enable you to become one of them, so why not make your first and any other subsequent purchase a PERAZZI. There are so many models available that there must surely be one just perfect for you. It will become your pride and that in itself is enough to give you the confidence required to break that LAST target that makes you a winner. Isn't that what you want to achieve? So think positively. "PERAZZI FROM YOZZI".

VCTA SOUTH EASTERN ZONE CARNIVAL

Held at Frankston/Australian Clay Target Club.

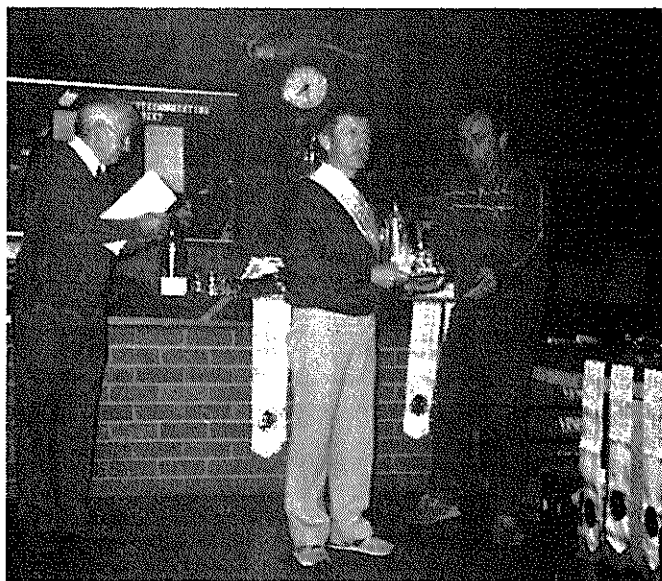

On a cool and overcast Sunday late in October, with a fine attendance of 167 shooters the carnival ran smoothly all day.

The Carnival is the final round of the South East Zone Premier Teams Event which was shot in conjunction with the first two events, being the Double Barrel and Handicap.

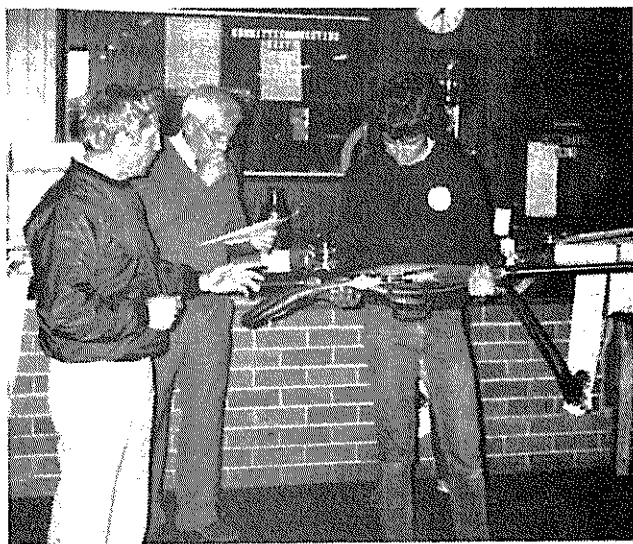

The winning team on the day was Bairnsdale with 235/250, represented by: D. Luef, G. Hine, M. Huggins, G. Petruska and P. Curtis.

The series winners for 1986 were Nepean with 1168/1250.

The Team Series High Guns were: DB Ken Rose 125/125; Handicap Ray Collins 120/127; Overall Bill Woodward 266/267; Junior High Gun: Dean Wilson 227/250.

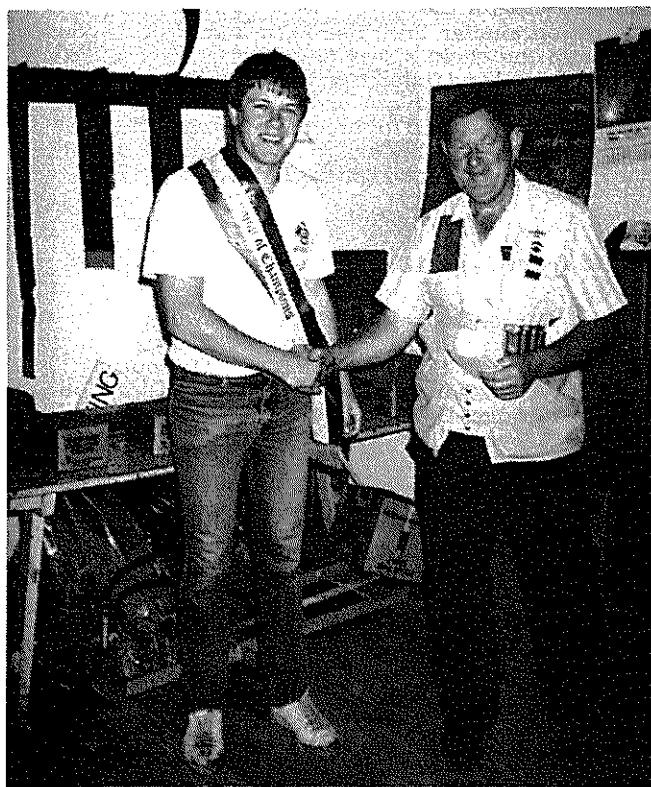

OA & AA Double Barrel C'ship. Fred Heinze (centre) with Zone President Bob Buchan (left) and Tony Bradshaw one of the willing workers on the day.

Handicap winner Paul Drennan presented with his shotgun prize by Past President of the Zone Fred Heinze. Bob Buchan studies his script.

WERRIBEE GUN CLUB

Russell Mark an AA shooter, shot the only score of 25/25 in the event of the Werribee Gun Club Champion of Champions shot off 20 metres. The event attracted 50 competitors. Russell is pictured being congratulated by Werribee Gun Club President, Mr W. Abbott.

KUBOTA KINGS

The happy prize winners in this year's Kubota Power Products Handicap event shot at Cerberus Gun Club. From left to right, Bill Woodward 49/50 and very pleased with his 800 Series generator. John Neumann, Kubota's Sales Manager. Peter Forner 58/60 behind his portable pump. Chris Carrol 57/60 petrol motor and Ken Rose 44/50 backmarker division with his case of shells. A good day for all and a great day for these winners.

The Cerberus Gun Club wishes to thank John Neumann and the Kubota Power Products Company for their support again this year and hope that shooters throughout Australia can support any of the groups like Kubota who in turn support the sport of Clay Target Shooting.

DYSART GUN CLUB

Bob Meaney won the Annual High Gun with an average score of 93% for the year. Bob is pictured right with Dysart Gun Club Vice President, C. Ennis making the presentation.

A THANK YOU

To Ellen and Charlie: It was a 5am start on November 15 when the wife and myself boarded a bus at Hervey Bay to play the pokies at Tweeds.

After visiting two clubs, we pulled up at noon on the Sunday at Terranora Lakes Country Club. At that time I set my wife up with the usual amount of change for the pokies while I went off to have a cool one. This is when I noticed a waiter with a shirt and at the back saw a photo of Clay Pigeon Shooting. After investigating, I found that the sport was conducted on the grounds. I knew I was heading in the right direction as there was the sound of Pull — Bang.

Ellen and Charlie were looking after the practice that day and they soon had me wearing the club jacket and firing the club gun. I bought a few packets of AAs as my cases for reloads were getting low and would come in handy. My advice to any shooter going to Terranora Lakes with the wife for pokies, take your gun (if from Queensland you will need a registration), and have a good afternoon, thanks to Ellen and Charlie, I sure did.

Any shooter coming to Hervey Bay for the holidays, bring your gun and you can shoot at our club at Maryborough on the fourth Sunday of each month.

Norm Dale,
Hervey Bay.

SKEET NATIONALS

The January edition of the C.T.S.N. made mention of the six shooters who had shot the possible in the National Skeet Championship. Not a bad effort by any means and certainly worthy of praise.

So are the shooting efforts of fellow Victorians, Peter Curtis and Brian Thomson who also shot the possible but were overlooked, albeit inadvertently in the published results.

We are pleased to be able to congratulate them both and also set the records straight.

AUSTRALIAN CLAY TARGET NEWS — FEBRUARY 1987

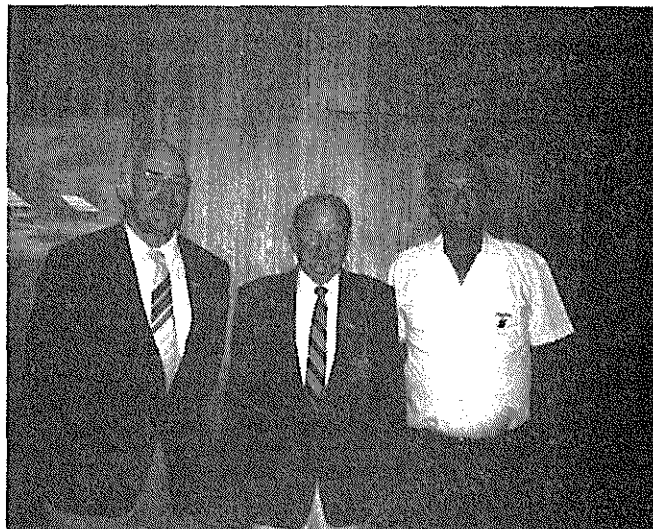

COWRA GUN CLUB LIFE MEMBERS

Cowra Gun Club members held a special dinner at the Town House on Saturday, November 22, to celebrate the bestowing of three club Life Memberships.

Three of the club's finest stalwarts were honoured with "Life Membership" badges. They are Richard Toshack, Les Alexander and Mick (Cliff) Sinclair.

The badges were presented to these men in appreciation of their many years of time and effort they have contributed, and are still contributing, to the Cowra club, particularly their invaluable tutoring of young shooters coming through the ranks to give the club a consolidated future.

Congratulations to the trio from all shooting enthusiasts.

• Long serving gun club members, Dick Toshack, Les Alexander and Cliff Sinclair, who have been bestowed with life memberships of the Cowra Gun Club.

Green or Gold Caps with Australia Badge

available in mesh or enclosed styles.

RAAF POINT COOK

On Thursday, November 13, 1986, the RAAF played host to the Navy and Army trap shooting teams at the RAAF Gun Club, RAAF Base Point Cook, Victoria. The occasion was the 1986 Inter-Service trap shoot for the Winchester Olin-Aust. Pty. Ltd. Shield. Due to the efforts of the groundsmen and the Gun Club Committee members, the picturesque shooting grounds and surrounds were in immaculate condition. The weather was perfect, sunshine with a slight breeze.

At the end of the 5 target eye-opener, the RAAF were one target up with a score of 29/30, and Navy and Army 28/30. At the end of round two the Army looked good with a score of 59/60 to RAAF 57/60 and Navy 54/60. At the end of round three the RAAF turned in a score of 55/60 and led by four targets to Navy 54/60, and Army 50/60. The final round saw the RAAF and Navy drop five targets each and Army dropped eight. The RAAF were victorious by four targets over Navy with Army third. Final scores were RAAF 167/180, Navy 163/180 and Army 161/180.

The overall high gun was won by Peter Campbell (Navy) with a perfect score of 35/35.

The RAAF high gun was won by SFT Carmel Ford the only woman competitor. Amongst 17 experienced male shooters, her score was 34/35.

Another first in this demanding sport is that Carmel and her husband, SGT Allan Ford are the first husband and wife team to shoot in the ISS competition, and this is their second season as representatives for the RAAF.

The Army High Gun was won by John Kirkby with a score of 33/35.

● Wayne Pilkington presenting the Winchester Olin Australia Pty Ltd Shield to CHAP David McLeod.

WORLD CHAMPIONSHIPS JUNIOR FUND

I am pleased to advise that a grant of \$1000 has been made to a fund designed to have juniors representing our sport compete at World Championships.

Subject to juniors fulfilling a selection criteria determined from time to time by the International Shooting Committee, it is envisaged that two junior teams would be selected to attend World Championships which are held every second year.

Should you wish to subscribe to the Fund which has commenced with a \$1000 grant from the Australian Clay Target Association, I am certain that it would be appreciated by our junior shooters.

All donations to the fund will be recognised in the C.T.S.N.

Alan J. Maher

The Executive Director
A.C.T.A.

PO Box 198,
Blackburn, Vic. 3130.

I do/do not wish my donation to be published in the CTSN.

AROUND THE TRAPS

With LAURIE CONNORS

Saturday, November 29, 1986. The North West Zone Council held its Annual General Meeting at Warracknabeal. Clubs were well presented at the meeting indicating the Zone is continuing to operate successfully. At the meeting some changes were made to Council. The Zone now has a new President at the helm. Widely travelled and well known shooting personality, Jim Gawith, from Jeparit was elected President of the Zone. John Clark, from Warracknabeal capably held this position for several years, but did not seek re-election. John also resigned from the position as State Delegate. Jim Gawith was also elected to take this responsibility. Jim Shepherd, through

● Left: David Flavil from Jeparit being presented with his trophy by John Perry, manager of Westpac. David won the Champion of Champions sponsored by Westpac and Naylor Agencies at Warracknabeal Gun Club.

AUSTRALIAN CLAY TARGET NEWS — FEBRUARY 1987

NOTICE INTERNATIONAL F.I.T.A.S.C. PRE WORLD CHAMPIONSHIP SHOOT SYDNEY — APRIL 1988

The Sydney Branch of the N.S.W. Field & Game Assn. Inc. has been invited to host a pre world championship F.I.T.A.S.C. shoot in Sydney one week prior to the World Simulated Field Shooting Championships.

Between 50 and 80 competitors are expected from overseas who have expressed their interest in attending an international shoot prior to travelling to Geelong for the World Championships.

We would be pleased to hear from shooters within Australia that are interested in attending an International Simulated Field Shooting Event as proposed.

The program (subject to finalisation), would include:

- 200 targets over two days;
- Nominations — approx. \$130.00;
- 1st prize approx. \$800.00; down to 10th prize approx. \$100.00;
- Grades will not apply — all scores will be off the gun;
- Nominations will be by post only and will be limited to 200 shooters with first preference going to overseas shooters;
- A complete new range configuration will be developed;
- Paid Trappers and Referees will man each shooting stand.

Shooters are invited to register their interest by either writing or telephoning:

**The Secretary, Sydney Branch,
NSW Field & Game Assn, Inc.,
P.O. Box 946, PENRITH. NSW. 2750.
Telephone: (02) 673 2401.**

pressure of business, was forced to relinquish the position as Secretary Treasurer for the Zone. Jim held this position for several years and handled the job admirably. Pauline, wife of past President John Clark, has taken on this role. The Zone Council now consists of: President, Jim Gawith; Vice President, Leon Gibson; Secretary Treasurer, Pauline Clark; Jim Shepherd, Laurie Connors and David Bertelli. This is David's first appearance on Zone Council. State Council Delegates are Jim Gawith, Jim Shepherd and Laurie Connors, with Leon Gibson as proxy delegate. With the Zone showing a healthy position financially after its activities through 1986, all still looks promising for 1987. After the meeting, the Warracknabeal Gun Club conducted their monthly shoot. Appreciated by all, was the barbecue lunch provided by the club at their grounds, prior to their shoot commencing. A good field attended the program

with the first event 10 targets points being divided by Leon Gibson, Russell Black, Dick Grainer, Ken Sloan and Dennis Witney. The President's Double Barrel Championship "A" and overall went to Laurie Connors 35/35 with David Flavel 34/35 2nd. Robert Jorgenson 1st in "B" grade 33/34 and George Eagles 31/32 2nd. Mark Reading won "C" grade 23/25 with Doug Hams 24/29 2nd. The Novice section went to Ken Bird 17/25 and the ever popular Lady competitor, June Gawith added yet another prize to her already long trophy list, by winning the Ladies trophy. Leon Gibson won "A" and Overall in the Points Championship with 78/78, 2nd was Ron Newell 72/75. June Gawith came up again to collect the "B" grade 1st, 73/78, with Cyril Budde 101/105 2nd. Mark Reading again won "C" grade 1st with 66/67 and Tony Flavel 62/75 2nd. The main event, the Champion of Champions sponsored by Westpac and Naylor Agencies, was capably won by David Flavel.

• **Right:** Manager of Winchester Olin, John Canning, congratulates Stewart Browning, Executive Member from Tasmania on winning the fun shoot. At rear, Tim Catling from WA displays his second trophy, while Jack Matthey, Victoria, shows what a pleasure it is to come third.

December 1986. This month was meeting time for the National Executive, with the International Shooting Committee on December 4, and the National Executive on December 6. As I attended these meetings I can report both were very productive, with many hours of deliberation being given to agenda items. A summary of decisions will be forwarded to all State Association Secretaries for their State Council perusal. As well, the summary will be published in C.T.S.N. for general shooter's information. This being so, I will not dwell on providing any information pertaining to the meetings in this column. The day prior to the meeting, the National Executive and wives present, were invited to be guests of Winchester Olin in Geelong.

• **John Canning** shows the strength and size of the Winchester shotshell.

All were given a guided "Cooks Tour" of the factory, finishing with a few shots at clays at Winchester's Trap layout. As well as being a fun shoot, trophies were provided for the top performers. Stewart Browning from Tasmania put up the best score and collected top honours. Tim Catling, W.A. was runner up, and Jack Matthey, Victoria, went away smiling with third placing. Thanks Winchester for your informative tour and great hospitality.

• **Left:** Peter Kriss congratulates Rex Piastrri on winning his father's, Alan Kriss Memorial Event at the Shepparton Gun Club. Others to win at the same program are Enzo Calandro, Neil Berry and Alan Spence.

December 7, 1986. Shepparton Gun Club. It is some time since I have had the pleasure of visiting this club. Fifty-three shooters attended, and like me found the conditions a little wet early. However they did improve before the day was over. Neil Berry battled it out with Steve Atkins to win the first event on the program 38/40. Alan Spence made it a double by winning the second and third events on the program. The Alan Kriss Memorial Shoot went to club member, Rex Piastrri with Robert Godfrey taking second honours.

Food for thought — One of the greatest pains to human nature, is the pain of a new idea.

See you where there is shooting.

LAURIE CONNORS.

THE FOREST GUN CLUB

● Tony Alvaro, Anniverry Shoot winner.

The Forest Gun Club's first 2-day shoot proved to be very successful due in no small measure to the hard working committee who put in a third trap layout at the last minute.

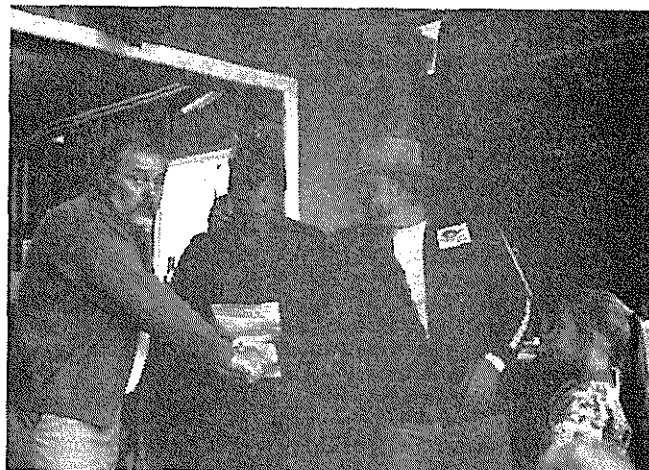

In spite of the new layout, giving one the feeling of perching on mountain peaks, the greatest number of possibles were broken on said layout.

We were very fortunate to have the sponsorship of Bob Webb, Winchester, Graham Boyce and Shelley's Soft Drinks, which was greatly appreciated and enabled the club to give up to 3rd in every grade.

The Shelley's Shield was won in fine style by young shooter Brad Webb. We hope to make this an annual event with Shelley's sponsorship.

● Big John Howg can still smile telling Mike Channell about the one that got away.

● Soapy Bradwell — Fearless Fred and Graham Boyce at presentation.

The 30 Target points score saw a grudge match between "Soapy" Bradwell and President, "Fearless Fred" Twarloh, with Frank winning with 101/102.

The evening turned out cold but not enough to stop everybody enjoying the pig on spit cooked to perfection by head cook Mick Freestone and his apprentices.

Many stayed to finish the evening with singing and fellowship. Thanks to Mal Tilley and Preston MacIntosh for providing music.

Day two saw Tony Alvaro in fine form taking out the Anniversary Shoot. Preston MacIntosh made Tony work hard to win.

In "B" Johnnie Haugh had a touch of 1st Target Syndromes which cost him his 75 straight break badge. Hard luck John.

Local, Bob Dunk, 1st shoot after an eight month layoff, didn't stop him being in the money on both days. Good also to see Bill Nock in the winning circle.

In all, a very successful 2 day shoot.

N.S.W. GUN CLUB LIMITED 11TH ANNUAL CHARITY SHOOT 1986

by Hank Theunissen

At noon on 25th October the Local Member for Pittwater, Mr Jim Longley, officially opened the 11th Annual Charity Shoot of the N.S.W. Gun Club.

Mr Longley spoke to shooters at the official opening in support of the sport and of his party's policy in relation to firearms legislation in New South Wales.

Rex Northcott the Club's Shoot Marshal, then briefly coached Mr Longley in the art of clay target shooting, who then proceeded to fire the official opening shots.

The weather was windy with a few clouds on Saturday and fine and sunny on Sunday.

The Club managed to successfully obtain sponsors to support all its programmes and it should be noted that the major sponsors were: Scorpio Cartridges (Serg Zuffo, Ken Davis, John Philipson); Horsley Park Gun Shop (Peter Abela); Mr. Conversions (Neil Randall).

We would also like to thank Cessnock Gun Club for their generous donation of a trophy for the charity shoot.

Naturally the remaining sponsors in the true spirit of charity were the members of the N.S.W. Gun Club.

Trophies were provided for Overall and 1st to 3rd places for each grade in championship events and 1st to 10th places in the Grand Charity Handicap.

It was good to see Alan Cramp and David Austin in attendance after their recent bouts in hospital.

After the completion of shooting on the opening day, a complimentary dinner of "Roasted Butts of Beef" was consumed by shooters eagerly waiting for the calcutta to begin. The Club's regular auctioneers, Hank Theunissen and Rex Northcott were able to, apart from entertaining the bidders present, auction every shooter off at good prices.

With an improvement in the weather on Sunday shooting commenced early and, under the watchful eye of Rex Northcott, proceeded smoothly and quickly for the rest of the day. There were many shoot-offs, all of which were quickly organised and run by Rex.

Shooters attended from metropolitan as well as distant country clubs providing excellent competition for all shooters. Quite a few visitors regularly complimented Club Officials about the number of prizes provided and in particular, their presentation and display in the clubhouse.

The main event of the weekend was of course the Grand Charity Handicap. This 30 target event produced some fine shooting, however only Peter Allen off 12 metres and Paul Etherton off 18 metres shot the possible. After a shoot off Paul Etherton was the eventual winner.

Of course one must not lose sight of the fact that the purpose of the weekend shoot was to raise funds for local charities and on this occasion the Club elected to support the following charity and community groups: Terrey Hills Public School, Terrey Hills Red Cross, Terrey Hills Senior Citizens, Terrey Hills Apex, Terrey Hills Public Library, Terrey Hills Girl Guides, Terrey Hills Boy Scouts, Terrey Hills Bushfire Brigade, and Duffeys Forest Bushfire Brigade.

In this time of economic upheaval, it is a fine gesture indeed for shooters to come together in a spirit of comradeship and fraternity knowing that the proceeds of their shoot will go to the needy and to projects that will benefit the community. This was particularly borne out by the response later that day from representatives of the charities who attended to receive their cheques. Of course it does well for the shooting community to undertake this type of activity as indeed it goes further towards cementing better relationships not only with local charity recipients but the community as a whole.

The shoot ended with the prizes being presented by the Club's President, John Philipson and Senior Vice-President, Alex Comino to the successful competitors. The overall winners of each event were presented their sashes

● L to R: Alex Comino, Snr. Vice President, NSW GC; John Philipson, President, NSW GC; Mr Jim Langley, member for Pittwater, officially opening the 11th Annual Charity Shoot.

● L to R: John Philipson, President, NSW Gun Club, presents overall winner Kevin Walton with the High Gun Sash.

by the sponsors of their events.

The shoot was attended by shooters from all over the state with the Overall High Gun going to Kevin Walton from Gilgandra, who also won the Champion of Champions.

The Club would like to thank the ladies in the kitchen, Margaret, Marcia and Betty and the office staff Barbara and Charles. Without their assistance the shoot would not have been the success that it was.

RESULTS:

The Overall High Gun was won by Kevin Walton from Warren Gun Club with a score of 226/240.

Saturday Program:

Event 1: **15T D.B. Eye-Opener:** The eye-opener was shot by: H. Theunissen, A. Lucas, I. Lee, B. Samules, M. Bateman, G. Guymer, P. Pontello, S. Zuffo, G. Bedington, I. Bruce, F. Moore.

Event 2: **25T 15M Olympic Targets P/C C/Ship:** O/all: Paul Etherton, NSW, 104/105; AA: 1. Guy Bedington, NSW, 103/105, 2. Hank Theunissen, NSW 83/87, 3. Kevin Walton, Warren, 73/75; A: 1. Ian Lee, Newcastle, 73/75, 2. Ramadan Ali, NSW, 72/75, 3. Ian Anderson, NSW, 71/75; B: 1. Rob Ward, NSW, 74/75, 2. Ian McLeay, NSW, 88/93, 3. Ron Melrose, Wakehurst, 85/93; C: 1. Alex Comino, NSW, 63/75, 2. Mat Guberina, Wakehurst, 61/75, 3. Ken Davis, NSW, 59/75.

Event 3: **25T 15M Ken Davis S/B C/Ship:** O/all: Angelo Piazza, Marconi, 35/36; AA: 1. Vince Gatt, Marconi, 34/36, 2. Alan Cramp, Goulburn, 25/27, 3. Peter Pontello, Marconi, 26/28; A: 1. Ian Lee, Newcastle, 31/33, 2. Richard McAllister, NSW, 29/31, 3. Peter Abela, Sydney, 27/29; B: 1. Ian Bruce, NSW, 27/30, 2. George Guymer, Narranderra, 26/30, 3. Rob Ward, NSW, 25/29; C: 1. Frazer Moore, NSW, 21/25, 2. Dean Guberina, Wakehurst, 21/26, 3. Alex Comino, NSW, 20/26.

The Saturday High Gun Sweep was won by Ian Lee and cut \$155.

With the advent of daylight saving there was sufficient time to run a 25T Double Barrel winner take all sweep-stake, with Hank Theunissen being the eventual winner scoring 95/95.

Sunday Program:

Event 4: **25T 15M Seiko D/B C/Ship:** O/all: Hank Theunissen, NSW, 75/75; AA: 1. Tony Alvaro, Marconi, 103/104, 2. Kevin Walton, Warren, 102/104, 3. John Guberina, NSW, 58/59; A: 1. Bob Ward, NSW, 50/51, 2. Alan Lucas, NSW, 49/50, 3. Lou Baratto, Forest, 42/43; B: 1. Alex Zapantis, NSW, 38/39, 2. Don Geddes, Marconi, 35/36, 3. John Richardson, NSW, 29/30; C: 1. Ken Davis, NSW, 23/25, 2. Dean Guberina, Wakehurst, 25/28, 3. Frazer Moore, NSW, 24/28.

Event 5: **30T Grand Charity Handicap:** Places: 1. Paul Etherton, NSW, 41/41, 2. Peter Allen, Upper Hunter, 40/41, 3. Kevin Walton, Warren, 54/55, 4. Dean Guberina, Wakehurst, 53/54, 5. Bruno Prampero, Sydney, 35/36, 6. Ian McLeay, NSW, 34/35, 7. Alan Lucas, NSW, 32/33, 8. Ramadan Ali, NSW, 30/31, 9. Bob Knott, Wakehurst, 30/32, 10. Mat Guberina, Wakehurst, 48/50; Metre Groups: 11-14 Kleon Zapantis, NSW, 27/30, 15-18 Don Geddes, Marconi, 47/49, 19-21 Lou Baratto, Forest, 31/33, 22-25 Alan Cramp, Goulburn, 28/30.

Event 6: **30T 18M Horsley Park Gun Shop Champion of Champions:** O/all: Kevin Walton, Warren, 50/50; AA: 1. Tony Alvaro, Marconi, 56/60, 2. John Guberina, NSW, 62/70, 3. Joh Fryer, Newcastle, 60/70; A: 1. Lou Baratto, Forest, 47/50, 2. Ian Lee, Newcastle, 46/50, 3. Ramadan Ali, NSW, 83/90; B: 1. Graham Beer, NSW, 48/50, 2. Rob Ward, NSW, 55/60, 3. Ian Bruce, NSW, 52/60; C: 1. Dean Guberina, Wakehurst, 42/50, 2. Ken Davis, NSW, 49/60, 3. Garry Way, NSW, 40/60.

Event 7: **10 Pair Mister Conversions D/Rise C/Ship:** O/all: Caesar Diaz, Newcastle, 20/20; AA: 1. John Guberina, NSW, 39/40, 2. Tom Turner, Cessnock, 37/40, 3. Peter Pontello, Marconi, 27/30; A: 1. Ian Lee, Newcastle, 28/30, 2. Ron Carr, Newcastle, 25/30, 3. Andy Woodman, NSW, 17/20; B: 1. Mark Channel, Forest, 24/30, 2. Graham Beer, NSW, 32/40, 3. Rob Ward, NSW, 31/40; C: 1. Ken

Davis, NSW, 15/20, 2. Joe Boustany, Wakehurst, 26/40, 3. Paul Kouroupis, Wakehurst, 24/40.

BOOROWA GUN CLUB

● President of Boorowa Gun Club, Guy Evans, congratulates John Blazley on his outright High Gun win.

● Winner of the NSW Night Single Barrel Championship, Johnny Lawrence is congratulated by Guy Evans, President.

● Winners and runners up during the New South Wales C'ship. Back row, left to right: Mal Campbell, Bill Mackie, H. Anderson, Rex Percival. Front row, left to right: Darrin Corcoran, Glen Campbell, Johnny Lawrence and John Blazley.

KORUMBURRA GUN CLUB

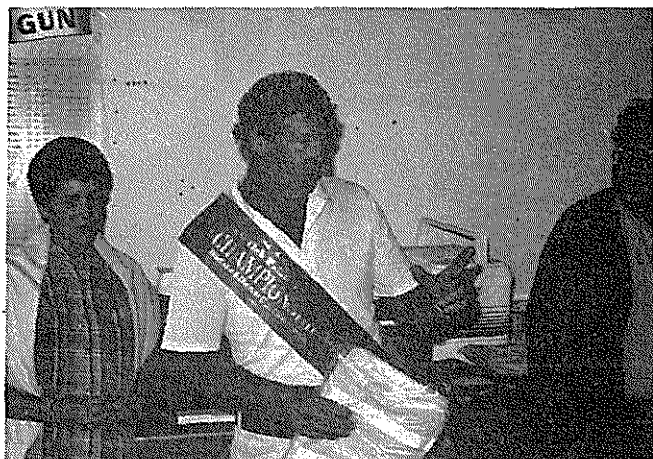

● Korumburra Gun Club members and the Budge Shield they won last October for the third year in four. The shield is contested by Gippsland's five clubs. Left to right: Alf Brown, Peter White, Alan Sydenham, Tom Gannon and Stuart Allen. Peter White, club president, won the five-shoot individual aggregate AND the backmarkers aggregate.

● Central Gippsland dairy farmer, Bruce Webb, 32, and the Mark Edgar Memorial Cup, which he won at Korumburra on November 22, with the best score in a double barrel event. He holds the cup for 12 months. With him is the former club president's widow, Wyn, who made the presentation.

CLUBS COMBINE

● Cunderdin President, Bob Thomson (centre) makes a point (again) whilst Mr and Mrs Maley have a chuckle.

The Cunderdin Gun Club and Northam & Districts Gun Club combined on Sunday, November 11, to close the season by competing for four Club Championships, followed by a wind up barbecue and presentation of trophies. Visitor from Perth, Gordon McArthur won the first event, the Double Barrel, after a marathon shoot off between himself and John Fissioli, Robert Thomson and Kevin

● John Fissioli (right), pictured with Club President, Bruce Maley and Mrs Maley.

Hopkins from Cunderdin, Mike Callaghan (Perth), David Blechynden and Roy Holtfreter (Northam). The shoot off went to 58 targets before a result was obtained.

Cunderdin Club President, Bob Thomson, won the next event, the Points Score, Bruce Hopkins the Single Barrel and John Fissioli the Skeet.

Shot in conjunction with the days events was the Cunderdin Clubs Presidents vs Northam President trophy, which was narrowly won by Cunderdin with a total of 232 points to Northam 228.

STATE POSTAL TEAMS — 1986

The following scores have been recorded for the 1986 State Postal Competition.

Victorian Teams have been the most successful with wins in the Open and Junior Trap, Open Skeet, and Olympic Trench and ISU Skeet.

Congratulations to Mark Crevatin of Melbourne

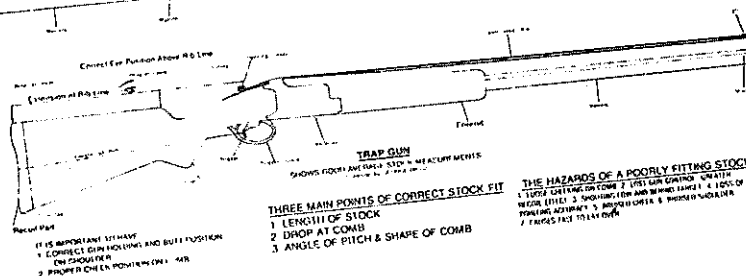

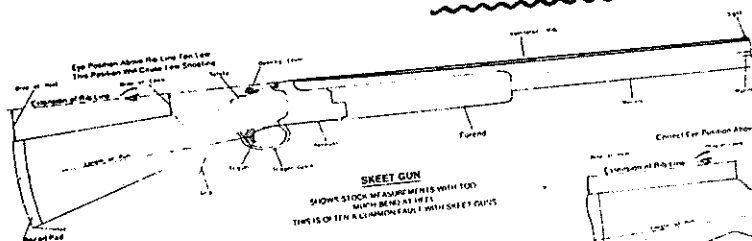

Gun Club and Adam Vella for their joint win in the Newton Thomas Award. Both juniors shot a perfect 75/75 to take out the coveted Newton Thomas Medal for 1986.

Medal presentations will be made by a State Member of the National Executive Committee.

INVERELL RSM 20-12-86 — Fine & hot (40). Well, our Xmas Shoot has been run and won again for another year, and what a day it was. The weather was very kind to us, and the support from our neighbouring clubs was absolutely fantastic. We had hams, chooks and other goodies to be won, and although we actually held three events we feel that it would be sufficient to just name the main winners. AA: (Ham) Ray Hammond, M. McCosker: B. (Ham) J. Newby: C. (Ham) R. Kingsmill. As you can see we showed no favouritism. Chooks were won by Ray Hammond, Col Varley, R. McKay, J. Paul, Bob Wetzler, R. Kingsmill, Paul Wright and Bill Mitchell. The remainder had to share in the other goodies mentioned above. The HG was a turkey, and was won by Peter McGuire. We would like to take this opportunity of wishing all gun shooters a very happy Xmas and a most prosperous New Year.

JUNE 28-12-86 — Fine, warm, windy (16). 20T Novelty CD: C. Brandon 20-20. K. Longmore. B. Rooke both 18-20. 15T All Yards CD: B. Rooke 15-15. H. Anderson. J. BLACK CHROME

IN AN ORDINARY WORLD, A TOUCH OF THE EXTRAORDINARY.

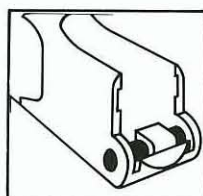

Laurona's unique BLACK CHROME process gives these precision Trap and Field guns a rust resistance factor some 60 times that of conventional blueing. Exteriors of barrels and Multi choke tubes are black chromed, whilst interiors are hard chrome lined (even threaded areas) — providing the ultimate resistance to rust, corrosion and pitting.

Ornate engraved 'Old Silver' finished receivers are complimented by select walnut woodwork, oil finished and hand checked the traditional way.

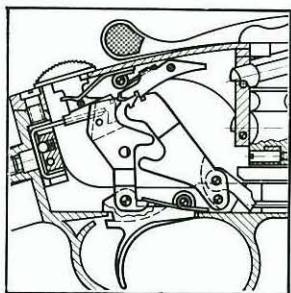

In addition to Multi-Choke versatility, the Laurona 85 series offers design innovations and features far and away ahead of similarly priced firearms. Laurona 85 — precision made guns at affordable prices.

For optimum strength and reliability, barrel tubes, chambers and locking lumps are constructed of one piece forging, not sleeved or jointed.

Well dimensioned high alloy steel hinge pin is centrally reinforced for greater strength and durability. Large forearm metal contact area ensures consistently firm, smooth opening/closing action.

Laurona's unique inertia and mechanically activated single selective trigger assures re-setting for second barrel with the lightest of loads — or in the event of a cartridge misfire. In addition, hammers are double toothed to avoid accidental discharge.

The unique Laurona 85 Series trap and field guns — a touch of the extraordinary in a very ordinary world.

LAURONA

Distributed throughout Australia
by Olin Australia Ltd.

EX^{SUPER}CELLENCE.

When you're looking for ammunition that's above and beyond all others look towards Winchester Superexcellence.

Australian ammunition that is scientifically designed and manufactured to the most rigid and exacting specifications. Every component gives you an edge, and that's what makes Winchester Superexcellence.

One piece compression formed plastic **case** with all brass **base cup** – for superior strength and reloadability. Non-corrosive **primer** – for quicker, sure ignition in all climatic conditions.

Olin Ball Powder® – clean progressive burning for consistent power. **Winchester Wads** – for superior gas sealing and improved patterns.

Winchester Shot – polished alloy hardened for truer flight and uniform patterns.

In a word
Superexcellence.
