EXECUTIVE MEETING 10/4/87 — Summary

The meeting held in Brisbane over a total of 10½ hours, was dedicated to the ongoing well being of the Association. A number of decisions are to be implemented as a result of the deliberations of the Executive, other matters although discussed at great length have not as yet been finalised and therefore are still the subject of further consideration.

Decisions made that can be announced are

- National Trap Championships 1992 — N.S.W.C.T.A.
- Club advertising via the C.T.S.N. to be increased by 15% effective as from the July issue
- Olympic Discipline Nationals 1988 — Canberra March 13-19
- I.S.U. Referees system to be implemented as soon as practicable
- National office to be relocated — full report in July C.T.S.N.
- Permission granted to Singleton/Upper Hunter Gun Clubs to conduct what is broadly known as a car shoot
- Registration fees for 1988

Full membership	\$30.00 to \$35.00
Second family	\$15.00 to \$20.00
Junior	\$1.00 to \$10.00

In keeping with the Notice of Motion proposed by the National Executive Committee registration fees are to be increased by \$5.00 as from January 1, 1988. Registration fees for Juniors have been increased from \$1.00 to \$10.00 owing to the existing high cost of processing plus insurance which amounts to approximately \$7.50 per junior shooter.

Matters under discussion include

- A proposal from W.A. to combine Trap and Skeet National Championships — decision September 1987
- National Referees Association recommendations to the Executive — Referred back to State Association for comment by way of a written report — decision September 1987.

As well as the items listed, many other matters were discussed and once finalised will be advised to all members via the C.T.S.N.

One important point to remember is that in relation to the recommendation on rule changes, no decisions have been made and none will be made prior to the Executive meeting to be held in Melbourne in late September.

AROUND THE TRAPS

with Laurie Connors

Saturday April 4, 1987. The start of what was to be a rather exciting and most successful D.T.L. Nationals, was hosted by the Queensland Clay Target Association, at Brisbane Gun Club.

The layout of the elevated club house and its grounds, to me, seems to assist in creating an excellent atmosphere for the running of major events, at this club, and these Nationals were no exception. Entries were not as high as 1986, however support received was well above budgeted figures for all events making the likelihood of yet another profitable Nationals possible.

Excellent scores were recorded in individual titles with the Blue Ribon event, the National Double Barrel going to 455/455. It was by fourteen year old Michael Diamond from Illawarra Gun Club, N.S.W. Michael proved he is no "slouch" with a shot gun, and won the Junior Double Barrel, shot in conjunction, made the open and junior Macintosh Teams, as well as taking High Gun honours in both. Winning the overall open High Gun with the score of 463/475 was also to this credit. There is no doubt this young lad is going to be a difficult customer at the junior level for some years to come, not to mention the hidings he is going to dish out to many his senior, wherever and whenever he competes. The prospects for one so young with the proven ability so far shown in his short shooting career, is anybody's guess. One can see Gold Medals coming Australia's way in the not too distant future, if Michael continues in the sport of shot gun shooting. Congratulations Michael on your performance, you added a bright and memorable spot to our 1987 D.T.L. Nationals.

Sunday April 12, 1987. Gold Coast Gun club received a visit from a number of shooters still in the area, enjoying the Queensland sun, after the D.T.L. Nationals in Brisbane. The visitors helped swell numbers competing in an excellent program organised by long time Club President, Colin Witt and his band of workers. Among them and made very welcome, were members of the National Executive, Brian Growden from S.A., Kay Woods, Tasmania, Jack Matthey and myself from Victoria.

• Left: Gold Coast Gun Club President, Colin Witt, congratulates David Ryan on his win at their club shoot.

Owing to urban development and complaints received from nearby property developers, this club has been given its marching orders. It is to be re-sited in another location where hopefully the work done in establishing the new club won't be wasted, as is the case with the existing facility. When a club is forced to move on, a lot of the hard work and material that is put in to build it, is not retractable. The pity of it all, is a great deal of money and time is wasted and irreplaceable.

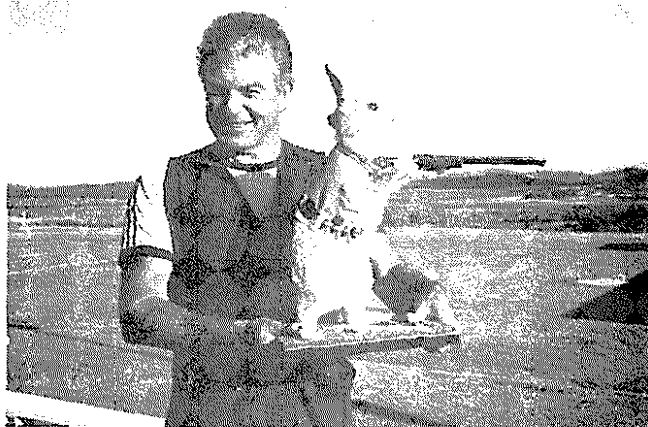

• Collecting their trophies and sashes won at the Gladstone Gun Club Easter tournament. From left to right, Danny Cosagrande and David Auger.

If you are not a regular competitor, and are contemplating a visit to the Gold Coast Gun Club, you may need to familiarise yourself with the new site. I believe the move is well past the planning stages. Best of luck Gold Coast Gun Club, you may need to familiarise yourself with the new site. I believe the move is well past the planning stages. Best of luck Gold Coast, you run a good "ship", and it would be a pity if you were lost to our sport.

Saturday April 18, 1987. Gladstone Gun Club held their Annual two day Easter shoot over this weekend. Forty-eight shooters attended which was well below previous tournaments. Many reasons were given for the decline, in traveling costs, population decline in the town, and the general condition of our economy. However, there was no decline in the trophies provided, or the hospitality extended to all shooters competing. It was my first visit to this club, and there is no doubt it is very professionally run. The facilities are of an excellent high standard. Should you contemplate a visit to this club in the future, like me, you won't be disappointed. Scores were not generally high over the events, with many shooters being able to share in the spoils. Major winners were David Auger, the Points Championship 40/40, Danny Casagrande won both the 40 target event with 137/144 and the Single Barrel title 61/61. Jim Riggs captured the Continental title 33/33. High Gun honours over the program were, Ladies, Kay Rehbein, 216/245, Junior, Michael Beale 211/245, with Danny Casagrande taking High overall honours 231/245.

Saturday April 25, 1987. The long established New

• One time professional rabbit shooter, Neil Berry from Shepparton, Victoria, caught trying to souvenir the Gladstone Gun Club mascot. Note: shooting jacket, spare bullets and club badge.

• Remember this fellow? Angelo Piazza, top referee at the 1985 Wagga Nationals. Not a bad shot either. Won Double Barrel honours at the N.S.W. Gun Club with his "side by side".

• Gary Rootes, displays the style that won him the Points Championship and High Gun Overall at N.S.W. Gun Club.

South Wales Gun Club had some thirty shooters attend their club shoot. The "TINY" man Rex Northcott, a member of the Committee and a worker for this club, seemed to be in charge of ground control, and kept things on the move. Top N.S.W. referee Angelo Pizza shot a 50/50 to be outright winner of the Double Barrel Championship on the program. Angelo used a side by side to take the title. Garry Rootes won the Points Championship 74/75 and also High Gun honours over the program with a score of 136/140. This club is another experiencing attendance problems. Because of this, simulated shooting is also organised by the club and is increasing interest, attendance and activity around the club.

Sunday April 26, 1987. Sydney Gun Club, sharing a ground with Marconi, attracted fifty-three shooters to compete at their club shoot. This was a good roll up, pleasing club management and organisers, which is under the Presidency of Graham Boyce. Major title winners were, Double Barrel Championship Preston McIntosh 69/69. Points Score, Sam Toson 86/87, Single Barrel, Peter Pontella 25/25. I was informed that in the not too distant future, and in a joint venture with Marconi and Sydney clubs, the installation of Olympic Trench is contemplated. Extra land has been purchased for this discipline to be added to their fields of D.T.L. Trap and Skeet facilities. This complex is being prepared and has been allocated to host the 1988 New South Wales Trap Carnival.

See you where there is shooting.

1987 NATIONAL TRAP CHAMPIONSHIPS

The Brisbane Gun Club was the venue and the club grounds were in absolute first class condition.

President, Tom Meadows and his Committee are to be commended for the way that they presented their Club for the National Titles.

The fears weather wise, that the titles were maybe a month too early were discounted as for other than a couple of minor interruptions, the weather was as consistent as one would require.

The varied trade displays were very eye catching and they certainly added to what was a truly great Nationals atmosphere.

• Pictured at the opening of the 1987 National Trap Championships in Brisbane, left to right, Mr Gary Gilbert, Queensland Director of Sport, Mr Len Keogh, Federal Member for Bowman and ACTA National President, Roy Holtfreter.

The 1987 titles were opened by Mr Gary Gilbert, State Director of Sport, Queensland who fired the official first shot of the tournament and having missed the target declared it "to be harder than it looked".

With numbers around the 500 mark the first event was under away and some good scores resulted.

Possibles: A. Cousens Vic, J. MacTaggart N.S.W., A. Gull Qld, W. Pilkington Vic, N. Beal Qld, R. Godfrey Vic.

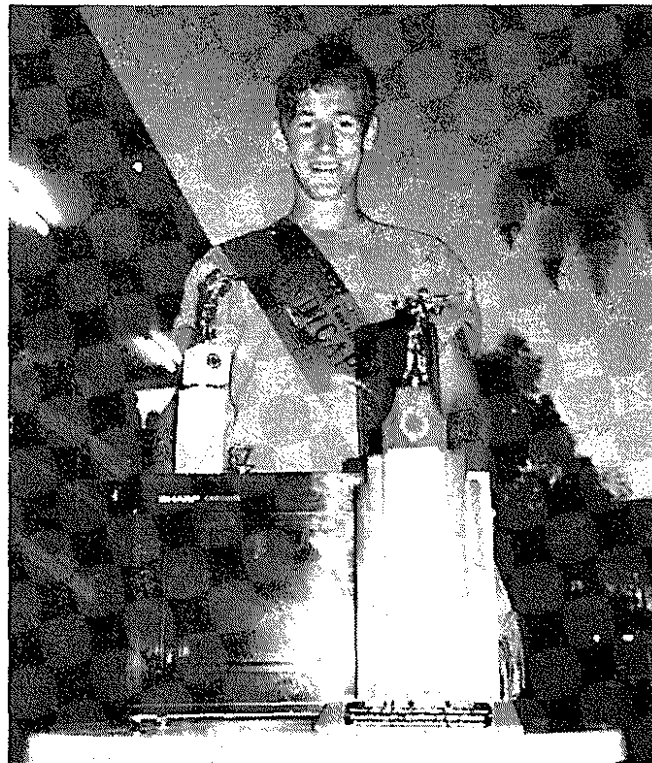

After the last target had been determined we had a new title holder in Andrew Gull from the Sunshine Coast in Queensland with a well shot 84/84. In second place on 83/84 another fine effort was Noel Beale from Townsville, third on 67/68 was N.S.W. shooter John MacTaggart.

In the sectional titles a New Zealander in Janice Pickett was a very worthy title holder with a well shot 49/50. Scott Cook 61/63 from Sebastopol Vic. emulated his brother Andrew (1986 Junior) by taking out the junior title with the Victorian Howard Durbridge winning the Veterans title with his score of 48/50.

35th NATIONAL DOUBLE BARREL CHAMPIONSHIP

EVENT SPONSOR: Olin Australia — Winchester Division

The D.B. Championship sponsored by Winchester as part of their 21st Anniversary celebration again proved to be the most popular event. Conditions were variable throughout the day however, this did not appear to be a detrimental factor for 41 shooters recorded the possible.

The shoot offs commenced and when down to the last two shooters we were fortunate to be able to see history being made. 14 year old Michael (David) Diamond from New South Wales and Doug (Goliath) Smith from Queensland were both determined to win the coveted title. Doug having won on a number of occasions and Michael attempting his first win kept hitting the targets until poor

light called for an overnight postponement.

Resuming on the Monday morning as though there had not been any break both shooters were at their best.

At the 455th target Doug missed and this left Michael Diamond the winner with a score of 455/455. In events such as this there has to be a second and while Doug occupied this position he made certain that Michael had to win the title the hard way. Congratulations to all who competed particularly those who shot the possible and of course the two shooters who thrilled the crowd with their magnificent exhibition of shooting double barrel style.

TEAM 3128

Cont'd from previous page

Again sponsored by Winchester, the ladies title was well fought out and resulted in the title being taken to New Zealand. Janice Pickett continuing her good shooting recorded a score of 50/50 to win the title and the Winchester 21st Anniversary trophy.

In second place was well known Victorian Shooter Faye Burton from Kerang on 49/50. Third after a shoot off was Queenslander Dianne Reeves with a 50/52.

7th JUNIOR DOUBLE BARREL CHAMPIONSHIP

With Brett Dunstan 49/50 from Victoria anxious to successfully defend his junior title, Michael Diamond was forced to shoot the possible to win and take out the Junior and Open Double. In third place was another promising shooter from New South Wales, Glen Campbell with 50/52. With scores such as this being achieved by our Junior shooters, the sport in Australia is in good hands.

• Michael Diamond is congratulated by Winchester Division General Manager John Canning on taking out the Junior D.B. Title. Place-getters Brett Dunstan and Glen Campbell.

• Deservedly so, the honour of the 33rd National Single Barrel Title goes to Doug "Steeleye" Smith.

33rd SINGLE BARREL CHAMPIONSHIP

Event Sponsor: Franchi Australia and Begonia Books

The field of 423 had their eye not only on the National title but the \$1000 cash prize that went to the overall winner. Doug Smith was not deterred by the shot dropped in the D.B. event for along with seven others he shot the possible.

Possibles: R. Award N.S.W., S. Collins Vic., P. Grove N.T., W. Pilkington Vic., D.W. Smith Qld., C. Haigh Qld., R. Smith N.S.W., R. Vidal N.S.W.

While the shoot offs were not as long as that of the D.B., Doug Smith finally emerged as the winner with a score of 107/107 from a determined and persistent Tony Alvaro on 106/107.

A treble to New Zealander Janice Pickett with 52/56 to win the Ladies title. Howard Durbridge added to his handicap title by taking out the Veterans section with another fine score of 49/50. Junior Michael Diamond took second junior title with a score of 49/50.

National Champion 1987 Doug Smith, Brisbane Qld. 107/107. Event Entries 423.

• Echuca Gun Club President Ray McKenzie, a fine shot and a fine sportsman, displays the trophies received on his win in the 26th Australia/New Zealand Trap Championship.

26th AUSTRALIA/NEW ZEALAND TRAP CHAMPIONSHIPS

Event Sponsor: Olimpyc Targets

The third event in the selection for the Mackintosh Team. 400 plus contested the title which was totally sponsored by Olimpyc Targets.

Seven possibles, R. Smith N.S.W., S. Atkins, Vic., T. Catling, W.A., R. MacKenzie, Vic., J. Barker, N.S.W., G. Appleby, Tas., C. Burt. N.S.W.

Again the shooting was of a very high standard and at the last target, Echuca President Ray MacKenzie emerged victorious with a total score of 174/174. Many fine scores recorded with Tasmanian Graeme Appleby shooting a 171/174 for the first place in "AA".

Brisbane Thelma Meadows took time off from Club duties to take out the Ladies section with a 147/150 — good shooting in anyone's language. Another junior title to Michael Diamond with his 149/150, what more can be said. Bill Hughes from Toowoomba won his second Veterans

title and was seen to be thoroughly enjoying himself.
National Champion 1987 Ray MacKenzie, Echuca, Vic.
174/174. Event entries 411.

• Dick Piotrowski took the Points Title in '86, this year he takes the prestigious Champion of Champions. Pictured, Grade winners Bill Chan, Salvatore Barbagallo, Robert Ellison and Greg Newey.

47th CHAMPION OF CHAMPIONS

Event Sponsor: Olin Australia — Winchester Division

Truly a well named title and won by a well credentialled performer. 1986 Points Championship title holder Dick Piotrowski 148/150 showed his consistency by winning another National Title. Dick from Cowra N.S.W. did not have things all his own way however as Greg Newey Qld. was close behind with a score of 146/150.

Vicki Deeley from Gemfields Qld. was a worthy winner of the Ladies title having shot 121/125. An excellent performance from Victorian Brett Dunstan to take the Junior title with 124/125 and that man from Toowoomba Bill Hughes did it again by winning another Veterans title with a score of 116/125.

National Champion 1987 Dick Piotrowski, Corowa N.S.W. 148/150, Event Entries 334.

• National President Roy Holtfreter congratulates a top performer in Adrian Cousins who shot 49/50 to become the Double Rise Champion of 1987.

27th DOUBLE RISE CHAMPIONSHIP

Event Sponsor: Ansett Airlines of Australia

Victorian Adrian Cousins well known for his shooting ability added a trap title to his list of honors when he won the Double Rise with a 49/50. Always a regular competitor at the Nationals Adrian's success is testimony to the effort that he puts into his shooting.

Many good performances including Janice Pickett from New Zealand with her fourth title win and a score of 37/50.

National Champion 1987 Adrian Cousins, Melbourne Vic 49/50. Event Entries 265.

7th DEAUVILLE DOUBLES

Event Sponsor: Commercial Marketing Company of Sydney

As always a popular event and always well supported. Father and son combination Malcolm and Craig Tilley from Sydney N.S.W. were ecstatic with their win and with a score of 24/25 it was a well deserved victory.

Second place to the Bertonecellos from Singleton Roberto and Ramon who with their 23/25 just lasted to defeat Geoff and Tony Fett from the Sunshine Coast on a score of 22/25.

• Commercial Marketing continue to sponsor the Deauville Doubles Event. This year's father and son team of Malcolm and Craig Tilley took first place.

• Top scores gave Thelma Meadows, a fine lady competitor and shot, and Michael Diamond, need we say any more, honours as respective High Gun winners in the Ladies and Open/Junior Mackintosh Team shoots.

MACKINTOSH INTERNATIONAL TEAMS

Qualifying scores from 244 to a high of 249 indicated that the International Teams event would be of a very high standard. The scores are not published until the final results from all Countries have been received, our team however have shot well and hopefully will again figure prominently when the final results are announced.

The team high gun scores were exceptional and we must congratulate the winners, Open M. Diamond 335/336, Ladies T. Meadows 292/300, Junior M. Diamond 298/300.

Special thanks to Winchester who have followed tradition by providing Winchester cartridges for all three Mackintosh team events.

STATE SHOULDER TO SHOULDER TEAMS

State teams resplendent in their State colours assembled under their State flags and commenced the competition for the A.C.T.A. Cup.

Defending Champion Queensland found the opposition too strong in 1987 to finish out of a place.

Victory went to New South Wales who between their five team members only dropped the one target for a final score of 124/125 targets and a pointscore of 368/375. Second on 124/125 and 366/375 points was South Australia who were valiant in defeat. Third place to the Northern Territory team 122/125 and 363/375 which considering the depth of shooters from other States was an excellent performance.

• The New Zealand Team competitors for the Glenn Cup Challenge shot 337/360 to tie with Australia in the event, being announced a drawn match.

NATIONAL CHAMPIONSHIP HIGH GUNS

Overall High Gun was won by Michael Diamond a 14 year old from Illawarra N.S.W. who shot a score of 463/475 to win the Browning B2G shotgun presented by Neil Adams on behalf of the Trophy Donor Fuller Firearms.

Ladies High Gun winner Janice Pickett from Nightcaps New Zealand with a score of 442/475 won for herself the old nugget donated by Mrs. Kath Holtfreter, wife of the National President.

Junior High Gun winner Michael Diamond recorded a magnificent history making double with his 463/475 and is assured of an outstanding career in the sport.

Veteran High Gun winner Bill Hughes from Toowoomba Qld. showed that with a 234/250 there is still plenty of ability left and was a most worthy winner.

Cont'd on page 12

• The 1987 State Shoulder to Shoulder Team of New South Wales shot a fine 124/125 to prove too strong for the other state representatives.

ALLAN BROWN CLUB TEAMS MATCH

The strong Echuca Victorian club team once again proved to be too strong for the opposition and successfully defended their 1976 win in this event.

President Ray MacKenzie led his team well with a 150/150 and with a final score of 739/750 Echuca Gun Club had done it again this time by defeating the Illawarra Gun Club 733/750 and Ipswich 732/750.

GLENN CUP

Competition between Australia and New Zealand is always keen and this year was no exception. All team members shot their 20 targets pointscore and when the smoke had settled the end result was a drawn match 337/360.

As the rules of competition decree that the cup must be won we may have been fortunate to be declared trophy holder for another 12 months.

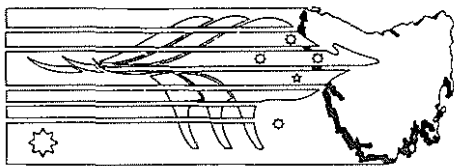

On the other hand 3 wins and 2 drawn matches in the last five years could also indicate that we are not keen to dispose of the Glenn Cup trophy.

Our New Zealand competitors shot well for their Country and with an ounce of luck could have won the day, this however was not to be and now we look forward to the next match in New Zealand in 1988.

• Neil Adams of Fuller Firearms pictured with the Overall High Gun winner of the series, Michael Diamond. Fuller Firearms, Australian Agents for F.N. Sports Belgium, donated a magnificent Browning over & under shotgun to the OA High Gun winner. Michael displays the shotgun, with the many other trophies won during the championships.

PERAZZI

The Guns with the latest and up to date technology built into them:

The gun that is continually being improved to the highest standard and expectation of the shooters who appreciate the finest quality and value for money spent on their investment — not all guns fit into this category.

The gun that was designed by some of the world's top champion shooters who knew the shooters requirements and these are being made by champion gun makers to enable you to become one of them, so why not make your first and any other subsequent purchase a PERAZZI. There are so many models available that there must surely be one just perfect for you. It will become your pride and that in itself is enough to give you the confidence required to break that LAST target that makes you a winner. Isn't that what you want to achieve? So think positively. Congratulations to all winners who by the scores recorded, proved that in 1987 they were the best performers in their respective divisions at the National Trap Championships.

• An Overall High Gun Trophy, the Ron Porter Remembrance is presented by Muriel Porter, wife of the late Ron Porter.

• A very popular win to Veteran Bill Hughes of Toowoomba in the Veterans Section of the High Guns.

SPONSORS

It is always a pleasure to be able to record the Association's appreciation of the part that our many sponsors do take in the promotion of the sport of Clay Target Shooting.

From the Handicap to the last event the Deauville Doubles, sponsorship was readily made available and on behalf of not only the winners we do thank all of our sponsors for their continuing support.

GRAND AUSTRALIAN HANDICAP

Carindale Hotel Motel and Fuller Firearms for their traditional support of meterage winners with Hercules Dot Powder.

DOUBLE BARREL CHAMPIONSHIP Olin Australia — Winchester Division

Once again Winchester have provided a Winchester shotgun to the overall winner and cartridges to grade and sectional winners.

As part of their 21st Anniversary celebrations Winchester did also extend their traditional support to the Ladies and Junior Double Barrel Championships and their support is very much appreciated.

SINGLE BARREL CHAMPIONSHIP Franchi Australia and Begonia Books

A change from tradition sponsorship resulted in \$1000 cash prize to the overall winner. Ian Hale, Franchi Australia and Geoff Mark of Begonia Books are to be commended for their innovative award which was extremely well received by all competitors.

AUSTRALIA/NEW ZEALAND TRAP CHAMPIONSHIP Olimpyc Targets

Totally sponsored by Olimpyc Targets who made available some excellent trophies. For the overall winner, a VHS video recorder and cutlery sets to the grade winners as well as trophies for Ladies, Junior and Veterans.

Olimpyc Targets courtesy of Sergio Zuffo have always been a good supporter of the A.C.T.A. and 1987 proved to be no exception.

CHAMPION OF CHAMPIONS Olin Australia — Winchester Division

Winchester with a Beretta shotgun and case for the overall winner and cartridges for grade winners, continues with their support of Clay Target Shooting.

In their 21st year in Australia Winchester as well as being commercial sponsors to our sport have over the years, shown their friendship in many ways and it is a pleasure to be associated with such a company.

We wish Mr. John Canning their General Manager many more pleasant years with the Company, for while it was Winchester's 21st Anniversary in Australia it was also John's 21st anniversary of his joining the Company.

DOUBLE RISE CHAMPIONSHIP ANSETT AIRLINES

Another supporter of the A.C.T.A., Ansett are always anxious to provide support particularly to sporting bodies such as ours.

Ansett are our official carriers and we look forward to the continuance of our long established relationship by being able to have them involved at our National Championship in the years ahead.

DEAUVILLE DOUBLES

Commercial Marketing Co. of Sydney have continued with the support of an event that traditionally belongs to them. Always a popular event and one that we trust will continue to be associated with the Commercial Marketing in the years ahead.

MACKINTOSH INTERNATIONAL TEAM

Winchester as always did make available nationally branded cartridges for all team members in the Mackintosh event, with 30 open members, 5 ladies and 5 juniors over 100T pointscore, this was a very valuable contribution to the members of the 1987 team.

VAL AND FRED HORTON Thank you for your awards for the oldest competitor and the Veterans High Gun over the six national titles.

EVANS & BALFOUR Courtesy of Les Turner, the Perazzi Trophies are awarded to the winners of each and every National title be it skeet, O.D. or trap. The Perazzi trophies are now well established and appreciated by all trophy recipients.

• ACTA Executive Director Alan Maher displays the "Perazzi Trophies" donated by Evans & Balfour at the ACTA office in Blackburn.

NATIONAL HIGH GUNS Open — Fuller Firearms

The traditional Browning High Gun award a magnificent B2G shotgun was again made available from the manufacturer through the Australian agent for Browning Fuller Firearms and was presented by Neil Adams on behalf of the Firearms.

LADIES Another traditional trophy, this year a gold nugget, donated by Mrs. Kath Holtfreter, wife of the National President. Thank you Kath on behalf of all of the Ladies that did compete.

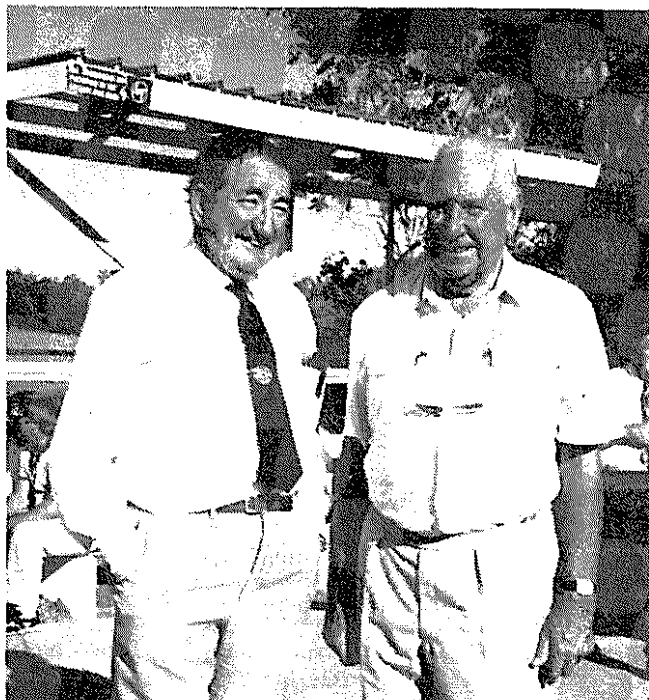

• Kath Holtfreter, wife of ACTA National President Roy, presents a gold nugget she donated to Janice Pickett of New Zealand, Ladies High Gun.

ELEY NEWTON THOMAS AWARD

The 1986 Award for the person who has done the most to promote the sport of Clay Target Shooting in the last twelve months, has gone to Wagga shooter Mr Barney Rooke.

Barney who has been State Coach for N.S.W. is a great worker for the Sport at Club/State and National Level and the recognition bestowed upon him is most deserving.

The nomination received from the Wagga Gun club was testimony to his dedication to the sport at all levels.

Well done Barney Rooke.

• Roy Holtfreter congratulates Barney on his award.

VALE: FRED CRAWFORD

Shooters in the north east especially members of the Tatura Clay Target Club Inc were saddened by the passing of Fred Crawford on April 10.

During his many years in Clay Target Shooting Fred was Secretary of the Shepparton Clay Target Club and President of the Tatura Club. He was a Life Member of both clubs.

Fred and the Purdy were well known around the northeast winning many championships and obtained the honour of a 27yd shooters.

We extend our deepest sympathy to Mrs Crawford and Family.

BLUE MANNA CARNIVAL

Shooters from all over W.A. competed in the annual Blue Manna carnival staged by the Bunbury Clay Target Club on the weekend of 21st and 22nd March.

Nearly 100 shooters ranging in age from 14 years, enjoyed ideal conditions for shooting, with some travelling from as far as Geraldton, Katanning, Cunderdin and Perth to take part in the club's major annual event.

The carnival was highlighted on Saturday by the State Skeet Championship contested by 77 shooters. Max Cubic of Collie was the eventual winner, beating Frank Ward of Bunbury in an exciting shoot off.

Sunday featured trap shooting with 66 shooters contesting the feature event, the Koombana Challenge Cup. Proving himself best on the day to take out the cup was David Kevill of the Cunderdin club.

The overall high gun for the weekend was Lex Shipp of Perth who shot 244/250 to win the Silver Crab badge.

Many of our sponsors turned up to present their trophies to the winners and were very impressed with their first introduction to witnessing clay target shooting.

The club would like to thank the following sponsors for their generous support with the Blue Manna carnival: Godfrey Weston Ltd., City Butchers, Worsley Alumina Pty Ltd., Jim Lange, Westpac Bank, R. & I Bank, Vern Patterson & Associates, Souwest Firearms, Bed Shed Bunbury, Golden West Network Ltd, Abrasive Industrial Distributors Bunbury Boring Co., Winchester (W.A.), Winchester (Vic), Colin Halse & Klen Chemicals, Mrs. Nell Usher, W.A. Guns & Ammo, Goodchilds Meats, West Country Office Machines, South West Engraving, Australian Fixed Trusts, Truckline.

WAGGA SPORTSTAR

An outstanding list of performances by Wagga clay target shooter Maree Rooke has earned her the coveted Sportstar of the Year title.

Winning the title from 11 fellow sportspeople, Maree was presented with a Sportstar trophy, a \$1000 investment account and \$500 worth of sports gear by representatives of the donors — 2WG general manager Mr Graham Cross, Mr Jim Hatfield of Wagga Mutual Credit Union and sports store owner Mr Tony Berrigan — at the Cocobabana Restaurant last night.

The award night was the climax of twelve months promotion by radio station 2WG in conjunction with the Department of Sport and Recreation.

• Maree Rooke receives her trophy at the 1986 Wagga Sportspeople's Award night when she was named "Sportsperson of the Year".

After the official presentation Maree said winning the award was more than just a personal victory.

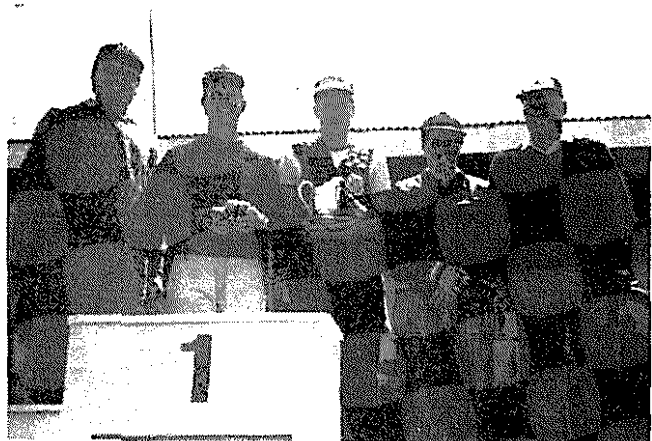

"It's an achievement for the sport and for female sportspeople.

"It also shows that women can shoot just as good as men in a male dominated sport," she said.

For Maree, last night's presentation was one of the many highlights in her career.

Amidst the lengthy lists of other achievements is a rare feat that will shine in the history of clay target shooting.

At the Australian National skeet championships held in Wagga last year, Maree qualified and was one of 15 members chosen in the Australian Open team — the first female to be named in an Australian shooting team in the

• Australian Glenn Cup Skeet Team 1987 (L. to R.): Ken Stevens, Tony Long, Adrian Cousens, Maree Rooke and Bill Stevens.

long history of the sport.

Competing at local, State, national and international levels Maree's achievements for 1986 include third place at the New Zealand nationals, second place at the Australian trap championships, outright winner of the New South Wales trap and skeet Championships, second place at the Victorian skeet championships and outright winner of the Riverina zone trap championships.

"Dad coached me from day one. My family and friends have been my biggest supporters," she said.

LETHERO TEAM WINS PREMIER EVENT

The "Premier Event" in the recently held Norfolk Island International Clay Target Championship is the 4-man Teams Event which is sponsored by Benson & Hedges. The winners of this event each receive a B&H. Jacket and their names are engraved on the Benson & Hedges Perpetual Cup.

This year saw teams from both the North and South Islands of New Zealand, Victoria, N.S.W., Queensland and Norfolk Island competing with the team from Lethero, southern N.S.W., consisting of G. Wakefield, G. Lee B. Huddleston and Mrs. Deserie Huddleston narrowly defeating the Waitemata, N.Z. team.

The Waitemata team had won this event 5 times out of the previous 7 that the event had been held.

In the keenly contested International Skeet Teams Event (2-man team) Robbie Young and Graeme Webber, both from the Waitemata Club, won the event for the second time in succession.

The International Double Rise, another 2-man team event, went to the Australian team of Mrs. Deserie Huddleston and Greg Lee.

With the only possible score of 50/50 the A grade division of the Norfolk Island Skeet Championship (50 Targets) sponsored by the Sunbeam Corporation and Pete's Place was won by Victor Ball from Waitemata with Graeme Webber coming in second and Graham Thomson from Victoria in third position. The B grade division was won by Eric Williams (Waitemata), Peter Hayman (Portland, N.S.W.) second and Rex Whitten (Tamworth, N.S.W.), third.

The Air New South Wales sponsored Double Rise Championship saw another Waitemata shooter, Barry McDonald, win the A grade division with Greg Lee (South Australia) in second spot followed by Don Lang (Thames, N.Z.).

In the B grade local sharp-shooter Gary Holland showed a clean pair of heels to his opposition and won comfortably from Eric Williams (Waitemata) and John Bradshaw (Blenheim) third.

The Norfolk Island Points Score Championship, sponsored by International Duty Free and Spectrum was won by: A. Grade — Gaven Paton (Auckland), Murray Havill (Te Puke, N.Z.), and Peter Lynch (N.Z.). B grade: was won by Les Quirk (Molong, N.S.W.), Mark Warnock (Rockhampton) second and John Bradshaw, third.

The A grade division of the Norfolk Island Single Barrel Championship (sponsored by Air New Zealand) was won by Graeme Webber (Waitemata). In the B grade Jim Enright (Auckland); Jeff McLennan (Biloewela, Queensland), and Kevin Ryan, a Junior shooter from Biloewela, Queensland took out third prize.

A Queensland shooter, Gerry Chizzotti, won the A grade division of the Norfolk Island Ball Trap championship from Jeff Dukes (South Island) and Bill Hailes (Melbourne). Les Quirk, Jim Enright and Les Corbett took out the prizes in the B grade section.

Deserie Huddleston (maybe it should be Anne Oakley) had a perfect 50/50 score in the Norfolk Island Clay Target Championship sponsored by East-West Airlines. Deserie, who comes from Canberra A.C.T., won this

event from Murray Havill (Te Puke, N.Z.) and Robbie Young (Waitemata) third. In the B grade Les Quirk (N.S.W.) proved too good for Noel Jones (Taupo, N.Z.), and John Bradshaw (Blenheim).

The Overall High Gun (best score on events 1 to 60) and sponsored by N.E.C. and Pete's Place with the prize of a N.E.C. Video Cassette Recorder going to Brian Webber of the Waitemata, New Zealand club.

Winners in the Provincial High Gun Competition were: L. Chizzotti — the Queensland Division sponsored by Jim and Desley Ryan. Mrs. Deserie Huddleston — the N.S.W. Division sponsored by Daiwa and Mike Hogden. Graham Thomson — the Victoria Division sponsored by Bond's Gotcha and Menswear International. Brian Webber — the North Island in the N.Z. Division sponsored by Foodland. Jeff Dukes — the South Island Trophy sponsored by the South Pacific Hotel. Greg Lee — the South Australian Trophy sponsored by the N.I.G.C.

The Committee and members of the Norfolk Island Gun Club extends their sincere thanks to all sponsors; the competitors and the ladies who handled the catering so well.

THE WILDFOWL CONTROVERSY

A steadily increasing surge of publicity stemming from a collection of people purporting to be LOVERS OF ANIMALS whose behaviour and graphic displays, without exception, illustrate not merely a remarkable dearth of knowledge of the subject, but a total absence of elementary common sense; broadcasts unqualified nonsense graphically displayed by their poster Ban Duck Season showing a snipers-rifle telescope reticle — only seen on rifles which firearms are never used in connection with birdlife, and being expressly forbidden for use in such hunting — and large bullet holes profusely weeping blood, is in every detail so pathetically false as to be inconceivable.

It is contemptible when groups of uninformed exhibitionists solicit and waste substantial sums of money on such irresponsible nonsense, when so many worthy causes are crying out for help and financial assistance.

Corrections in this context are urgently paramount, and thence I would advise the clowns in question to secure a copy of the National Geographic Magazine of November 1984, and read any part of the thirtyeight (38) page article covering the problems created by mismanaged wildfowl programs, noting what happened in three States of USA when in two short years, decreasing wetlands areas and the suspension of culling season saw millions of waterfowl ridden with disease, being bulldozed into heaps for burial and burning to offset the spread of pollution and ravages of Botulism and Avian Cholera; the overcrowded feeding grounds caused millions to die with deformed beaks, truncated feet, bulging skulls and no eyes. These conditions bred the Duck Virus Enteritis which spreads in streams and lakes infecting both bird life and animals. Why is culling and control vitally essential? Here in Victoria, from each nest at least eight ducklings will survive, with a minimum of five reaching adulthood. Most healthy wild duck breed for five years so the minimum possible increase each season is three hundred percent, so one million ducks would be at least fifteen million in any given five years. In the past twenty five years, Victoria's breeding and feeding grounds have been reduced to one quarter the space, and without control the combined extremes of starvation in some species and in other glutton feeding on the rice and millet fields, would kill many thousands fouling and polluting farms, streams, lakes and reservoirs and spreading disease, in addition to depleting the yield of cereal crops essential to human food requirements; so, will

our irresponsible ANIMAL LIBERATIONISTS foot the bill for correction, cleanup, loss, destruction and health risks they are planning to create? I think not since such uninformed exhibitionists have no conception of the gross stupidity they are peddling!

This year the eleven dominant species of Duck, must be reduced in numbers to not only protect the more passive and timid species whose habits govern their limited numbers, but to prevent their own species overpopulating in decreasing feeding grounds, and developing epidemics of disease.

The 'Animal Lovers' should further make note that a 'Shooter' is a registered member of any one of the eight official shooting codes, Victoria claiming in grand total less than 15,000 members; but a 'Hunter' is literally anyone from a child stalking a beetle, to any untrained gun-owner behaving with total disregard for animal, wildlife or human. THERE IS IN EXCESS OF FOUR HUNDRED THOUSAND Firearm owners in Victoria.

Let the ANIMAL LIBERATIONISTS educate themselves, be less hypocritical, a little more responsible by looking to their claimed objectives, and lend a helping hand to the SHOOTERS (with the odds 28 to 1 against them) who have fought for years to protect and preserve wildlife, manage all species in health and survival, and rid the countryside of the inexperienced, dangerous gun-toting HUNTERS who give SHOOTERS a bad name.

There are only two hundred Accredited Firearm Safety Instructors in Victoria, selected from the fifteen thousand shooters, and before the commencement of the 1987 Duck Season, every man and woman in that group urge everyone in Victoria to rise early on Tuesday March 10, and watch from 6am to 7am on Channel Two the program "Ducks in Sight", and learn that we the registered shooters are doing (and for two decades have done), something useful and positive towards preserving wildlife, and unlike the rowdy prattling of the uninformed, we just quietly, get on with the job.

TAMWORTH — ANNUAL SKEET SHOOT

Tamworth Clay Target Club, in association with the Northern Zone, conducted their 2-Day Annual Open Skeet Shoot over the weekend of the 14th and 15th February. Included in the four championships conducted was the Zone Championship and the Zone Team Eliminations.

The first event on Saturday was the 50 target Loomberah Valley Championship and the 45 shooters from a wide area of N.S.W. and Queensland recorded some good scores.

Ray Melville and Col Burt at the Tamworth Club both recorded a possible 50/50, which required a shoot off to determine the overall winner. Burt finished with 59/59 leaving Melville on 58/59 to take 1st in "AA" Grade. Sydney visitor, Christian Naudin returned 62/62 to win "A" Grade, with the "B" Grade trophy going to Newcastle shooter Frank Baldwin with 48/50. Local club member David Michie was the "C" Grade winner with 47/50. This very certainly was a great effort on David's part as he has only been shooting for a short period.

• Championship winners at Tamworth (L. to R.): Chris Hughes, Northern Zone Championship; Kel Madsen, Country Capital Championship; Col Burt, Loomberah Valley Championship.

The second 50 Target Championship also only had two possibles recorded, regular visitors from Brisbane, Ray Porter and Kel Madsen — with Madsen winning the shoot off with a score of 61/61, with Porter taking "A" Grade with 60/61. "AA" Grade was won by Ray Melville with 67/68. Steve Williams from Dubbo was the winner of "B" Grade with 61/62 and Bob Nicholson from Wyong took out "C" Grade with a score of 50/54.

The first event on Sunday was the Northern Zone Championship, and five shooters recorded the possible 50/50, locals Col Barton, Ray Melville and Col Burt along with Christian Naudin and Chris Hughes. After a good shoot off, the winner's sash and trophy went to Chris Hughes of Newcastle with a score of 83/83, from Col Burt with 81/82 who took the "AA" Grade trophy. Christian Naudin received the "A" Grade trophy with 56/57 and Steve Williams returned 48/50 to win "B" Grade. Another Newcastle shooter, Cliff Ferguson recorded 46/50 to win "C" Grade.

With the completion of this event the Zone Team positions were finalised. The team comprises Ray Melville, Col Barton, Chris Hughes, Col Burt, Geoff Walters and Roley Palmer.

The weekend finished with the 50 target Country Capital Championship, and again five shooters returned the possible 50/50 — Ray Porter, Bob Wilson, Christian Naudin, Frank Baldwin and Steve Williams. The shoot off went for a considerable period and held everyone's interest. The overall winner was Ray Porter with a score of 89/89, from Newcastle visitor Bob Wilson with 88/89 who took out the "AA" Grade trophy. Christian Naudin was again up with the winners to receive the "A" Grade trophy with a score of 63/64 and "B" Grade went to Frank Baldwin with 88/89. Local member Mick Simpson hit his straps at the end of the day and recorded 48/50 to win "C" Grade. With the four events completed the prestige award for the weekend, the overall high gun sash and trophy also required a shoot off to determine the winner. Christian Naudin and Ray Melville both finished with 198/200. Naudin being the eventual winner with 224/226. The Ladies High Gun winner was Brisbane shooter Michelle Siggs with a very good score of 184/200.

During the two days of competition various team competitions were conducted. The Ray Melville Shield was over the 1st 50 targets on Saturday and the Brisbane Team of Ray Porter, Kel Madsen, Neil Dimmick, Doug Siggs and Dave Dundon returned 243/250 to take the Shield out of N.S.W. for the first time.

• Brisbane Team — winners of the Melville Shield.

The Chris Hughes/Linatex Trophy for competition between Tamworth and Newcastle Clubs was held over the 2nd 50 targets on Saturday and the Tamworth Team of Ray Melville, Col Burt, Col Barton, Geoff Walters and Bill Clark won with a score of 243/250. On Sunday the Max Weston Shield was shot for and the in-form team of Melville, Burt, Barton, Walters and Clark were again the winners with 245/250. The Two Man Team competition over the 200 targets was taken out by Club President, Geoff Walters and Col Burt.

It was a very pleasing weekend for the Tamworth Club, with visitors from a wide area attending and some great scores recorded — the one disappointment was that the

• Tamworth Team — winners of the Max Weston Shield and the Linatex Trophy.

numbers were a little down on past years.

So for a great weekend of skeet shooting — remember the 3rd weekend in February and head for Tamworth.

ROMA GUN CLUB ANNUAL TWO DAY SHOOT. 1987.

Eight thousand dollars worth of trophies and cash certainly motivated the shooters of South Western Queensland and Northern New South Wales, with 91 shooters contesting the first day's competition.

Conditions were perfect and 21 possibles were recorded in the sweepstakes event on Saturday morning. A pool of \$546 was split up amongst these shooters according to grades.

The second event, the feature event on the program, provided much entertainment with 7 possibles (50/50) shooting off for 4 automatic shotguns. This event was sponsored by Cliff and Tanya Reid of Roma Outdoors and Sports, and the 10 trophies for the event were all purchased from Fuller Firearms catalogue.

After a long shoot off the Browning auto was eventually won by Max Barton. A Grade was taken out by Brian Cameron, B Grade by John Webber, and C Grade by Don Cameron. These three shooters are the proud owners of Bettinsoli Autos.

• Winners of the R.G.C. Auto Shotgun Classic sponsored by Roma's Outdoors & Sports. Pictured in centre wearing sash is Max Barton proudly holding a Browning Auto supplied by Fuller Firearms. Cliff and Tanya Reid of Roma Outdoors & Sports are on either side.

Second in A Grade was Mike Swale, B Grade second was Peter Anderson, and the C Grade runner up was Peter Kajewski. Second in each grade was presented with a Stirling Hunting Knife with pouch.

Third in A Grade was won by R. Moroske, third B Grade by Sam Halpin, and third C Grade, Bob Rashford. All received a deluxe gun case. This event created much interest and will probably feature on our program for many years. Keep your eyes out for the Auto Shotgun Classic as it has been named and with \$4000 worth of trophies on this one event a classic it surely is.

The Maranoa Single Barrel Championship was next up with only 4 possibles shot. This event was sponsored by Peter Maddern of the School Of Arts Hotel, a well known local watering hole, and the clubs supplier of refreshments.

Overall was won by Geoff Fett, with this brother Rod taking out first in A Grade. B Grade was won by Bob Bryant, and C Grade by Bob Rashford. Second in A Grade was Roger Vidal, second B Grade John Webber, and second C Grade Woggie Butler.

The last event on Saturday was the Maranoa Points Championship, and 4 possibles were recorded in this event also.

The shoot off had to be decided next morning due to failing light, and this caused some anxiety to Gary Redmond, who found his gun had been taken mistakenly by another shooter and was locked in a vehicle on the grounds on Sunday morning so he had to use a replacement.

The shooter responsible for taking Garry's gun, Dale Colley, has been named state handicapper after the effort he put in to ensure that Gary Redmond wouldn't win the event.

Overall was taken out by Harold Ticehurst, with Robbie Bain runner up and first in A Grade. First in B Grade was Frank McEwan, and C Grade Bob McHugh. Second in A Grade as Doug Ellis, B Grade John Webber, and C Grade Soapy Sinclair.

The points event was kindly sponsored by Bruce Boucat of Roma Caltex Service Station. Saturday night and almost everyone stayed on for the free BBQ, pig on the spit and two kegs of free beer. The Hundred club was drawn, followed by the Calcutta auction. We thank our former member, now resident of N.S.W. for selling the Calcutta under what must be described as difficult conditions. Saturday night ended on Sunday morning for a lot of people and headaches abounded.

Competition on Sunday morning was even harder, with 97 shooters facing the traps. The first event was the Maranoa Double Barrel Championship, and 19 shooters lined up with possibles for the shoot off. Overall winner was Doug Ellis, First A Grade Kev Harlow, B Grade Randal Cameron and C Grade Aaron Cochrane. Second in A Grade was Richard Dean, B Grade Cyril Pulford and C Grade Woggie Butler. This event was sponsored by Maranoa Multi Agencies and Ralph Birks has our greatest thanks.

The Cash Handicap was next on and was won by Kerry Symes with the only possible. 11-14 was shared by Don Cameron (who forgot to load his gun, or he would also have shot 50-50), Peter Kajewski, Soapy Sinclair and David Hughes. 15-17 was shared by Kerry Symes, R. Gale, Brian Cameron, Allan Jarvis, and Henry McDonald. 21-25 was shared by Rod Moody, Hughie Cameron, Gary Oehm and Mike Swale. Total prizemoney on this event was \$1000.00.

The last event on the program was the Western Zone Double Barrel Championship, with the Overall being donated by the Zone. Overall was taken out by Gary Redmond, A Grade by Barry King, B Grade by T. Baker, and C Grade by David Sexton. Second in A Grade was Mike Swale, second B Grade was Bob Bryant, and second C Grade was Bob Rashford.

The President's Trophy on the 3 Maranoa Championships was won by Roger Vidal after a toss up against his travelling companion, Doug Ellis.

from Roma.

Many shooters stayed on again on Sunday night and it was Monday lunchtime before all activity at the club had ceased. Looking forward to next year the Club hopes to hold an even better and bigger shoot and so 4 traps will probably be used. AA Grade will also probably be introduced on all events.

Roma Gun Club hopes that everyone enjoyed themselves and thanks all shooters who travelled to the shoot for their attendance. Lastly we would like to give a big thanks to our many and generous sponsors and donors for their support:

Fuller Firearms, Roma Outdoors and Sports, School of Arts Hotel, Maranoa Multi Agencies, Roma Caltex Service Station, Evans Butchery, Brian Cameron.

Without the kind donations and support given by the businesses and people above Roma Gun Club would not be able to hold such a popular and profitable shoot, and so we ask shooters to support the sponsors who support us. Until 1988, Good Shooting.

Re: Proposal by W.A.C.T.A. to combine Skeet & Trap Nationals.

I've read with interest the proposal and it seems to me that the recommendation must be viewed as a combination of the two separate features namely:

The proposed program for both Skeet & Trap and secondly the combination of both Skeet & Trap Nationals.

To me the paramount item is that the quality of the Skeet & Trap Nationals should not be sacrificed for what may be short term expediency.

REGARDING THE PROGRAM

TRAP . . . It has been traditional that the Trap Nationals be conducted over six days and while I have not competed during the last few years at these events there was, and I understand still is, a pre-nationals usually of some two days.

It seems to me that the pre-nationals is an important event for two reasons. First it allows the Club whose facilities are being used to get a return on the significant cost incurred in preparing the grounds (all clubs must be profitable or they cease to exist).

Second it allows shooters whether they be AA or C Grade to tune their performance for what is to every shooter the peak of his/her years shooting. This then suggests that a suitable program, and I'm sure that shooters would not welcome downgrading such an important carnival, would have to be conducted over some eight days! Incidentally I never cease to be surprised that trap shooters continue to attend major events where only 50 targets are shot/day/shooter (not including shoot-offs). An experienced six man squad shooter 25 targets comfortably in 13 minutes — this means some half hours shooting play (?).

SKEET . . . A meeting of skeet shooters some years ago at Mildura recommended to the Executive a program which was adopted. This program provided 100 targets/day/shooter and was to be conducted over four days. This was introduced and in my view has been successful (some modification has been made to the program by including a doubles event for 1987 — a good move). The 1986 Skeet Nationals at Wagga included a two day pre-nationals. That this was successful is beyond doubt. Wagga Gun Club was able to repay shooters who assisted in financing additions to the clubs facilities from this extended program.

I consider that the appropriate program for Skeet Nationals is a two day pre-national plus four days at 100 targets/day Nationals — a total of six days. I've experienced the old system of 50 targets for Skeet Nationals in conjunction with the Trap Nationals and while I appreciate that the intention was to give skeet

exposure to shooters, I must emphasise that skeet in the eyes of a skeet shooter is the Trap in the eyes of a trap shooter — the real clay target shooting. If a combined carnival is adopted each of the disciplines must be programmed to suit the requirements of that particular discipline — no bastardised programs simply to suit somebody's perception of what is required.

COMBINATION OF THE TWO NATIONALS . . . For a suitable program then it appears that eight days would be required for trap and six days for skeet giving a total of fourteen days shooting. From an organisational point of view this is a major project and would place a major load on both the facilities and the ACTA. From a shooter's point of view there is both the financial load (which is very significant) and the taxing of a shooter's physical resources. How many shooters could stand the pace for such a long period and still perform satisfactorily?

Switching from one discipline to another over a short period will almost certainly result in sub-standard performance — I suggest that there are very few shooters capable of such an interchange.

It seems to me that the attractions of combining both Nationals is rather superficial — it sounds good if you say it quietly.

Yours faithfully,
Reg Clarke

GOONDIWINDI BONANZA

The Goondiwindi Gun Club conducted their annual Mittengang BONANZA Shoot on Sunday 12th April. For the second year in succession the Club was able to obtain a very generous donation from Frank and Ian Woods of "Mittengang Santa Gertrudis Stud". Fortunately with this type of donation it not only makes any Club proud to be associated with such generous donors but the shooters who participate at the shoot are actually the ones who get the benefit. With Frank and Ian's sponsorship the Club was able to provide a very attractive array of trophies well in excess of \$3,000.00, and for only \$48.00 total nominations this represented very good value to the competitors.

Weather conditions were ideal for shooting and with such magnificent trophies to be won, shooters were very keen to get out on the tracks and try their hardest to be a winner or at least a place getter.

A total of 80 shooters participated with shooters representing clubs from Texas, Moree, Roma, Gold Coast, Lismore, Grafton, Sunshine Coast, Warwick, Millmerran, Guyra, St. George and Rockhampton. Unfortunately for the club the Nationals had just been completed in Brisbane and undoubtedly with the economic climate not as good as we would like it, possibly explains why last year's nominations of 123 were not reached.

The first event was a 25 T D/B "Yarrowonga Paleface 600" off 15m. Trophies for this event were in excess of \$700, and shooters were keen to be among the winners. The following shooters all recorded a possible 25/25 — C. Halpin, G. Graham, Paul Tattam, Bob Suhr, Darcy Batterham, Charles Tattam, John Fisher, Len Hohn and B. Cameron. After a lengthy shoot off the winner of the "A" Grade was the very popular Darcy Batterham of Texas, with Paul Tattam (Moree) 2nd and B. Cameron (Grafton) 3rd, while the "B" Grade was won by R. Graham (St. George) from John Fisher (Gold Coast) and Len Hohn (Goondiwindi) 3rd. The "C" Grade was won by P. Porliri (Sunshine Coast), B. Graham (Gdi.) 2nd and R. Faulkner (Warwick) 3rd.

The 50 T R.J. Woods Memorial Handicap followed with only one possible recorded, this by a very popular Guyra shooter Ray Sweeney. Ray won the 16-18 m Group and received one of the Bar fridges, other Group winners were R. Brook 47/50 (Gdi.) 19-25 and D. Hughes 47/50 (Roma)

11-15m. Although Ray shot the only possible H. McDonald (St. George), R. Faulkner (Warwick) and L. Hornby (Gdi.) were in hot pursuit, all scoring 49/50. Shoot offs were required for all place getters. Troup metre placings were as follows —

11-15m 1st D. Hughes (Roma, 2nd D. Cameron 46/50 (Roma), 3rd C. Mitchell (Moree) 46/50.

16-18m Ray Sweeney 50/50 (Guyra), 2nd L. Hornby 49/50 (Gdi.) 3rd H. McDonald (St. George) 49/50.

19-25m 1st R. Brook (Gdi.) 47/50, 2nd K. Symes (St. George) 46/50, 3rd W. Turner (Gdi.) 46/50.

The final event was 25 T. S/B "Waco Sergeant 600" 15m. H. McDonald (St. George) scored the only possible in this event closely followed by J. Peters (Gdi.), K. Symes (St. George), Ray Sweeney (Guyra), R. Mackay (Moree), all recording 24/25. After several shoot offs the following placings were as follows "A" Grade 1st H. McDonald, 2nd K. Symes, 3rd J. Peters. "B" Grade 1st R. Cameron, 2nd Bob Ronnfeltd, 3rd T. Dickins. "C" Grade 1st, D. Cameron, 2nd D. Hughes, 3rd C. Mitchell.

The overall High Gun trophy was a very attractive Attache Case and was won by H. McDonald (97/100) of St. George.

R. Graham of St. George received the Junior High Gun trophy (92-100) and Margaret Pfingst of Goondiwindi was presented with a lovely ladies wallet for the ladies High Gun. Kerry Symes of St. George received the Back Markers Trophy and D. Commens of Millmerran received the Front Markers Trophy.

The trophies were presented by Mrs. Barbara Woods of "Boonanga" and by Ian Woods of "Mittengang Santa Gertrudis Stud". Unfortunately for Frank Woods he was not able to stay for the presentations as he had to leave for the Sydney Royal Show to witness his cattle being judged.

The Club would like to take this opportunity to thank all the shooters who participated at the shot, for the sportsman like manner they displayed and for the assistance given by them in conducting the events.

The Committee of the Goondiwindi Gun Club along with the trophy winners would like to convey a very special thanks to Frank and Ian Woods of "Mittengang" for the magnificent sponsorship.

W.A.C.T.A. REPORT

By this time all W.A. Clubs will have received the circular of the proposed 5 year strategic plan for the Dept. for Sport & Recreation, who need this information from all sporting bodies to gauge possible assistance and/or involvement for the five years to 1992.

As you know we, the Clay Target shooters, have been benefactors of that support in the past few years, and are only too pleased to respond with our proposed plan. I must thank Clive Shepherd for the many hours he has devoted to this task, culminating in a very comprehensive plan for the future, to which I hope you the clubs will respond with some constructive comment.

Now to Easter and the Esperance Bay Gun Clubs 1987 Carnival which incidentally turned into a David Kevill benefit, as he won all sashes for which he competed, plus the High Gun sash — top shooting David. The weather was mild and the hospitality and the shooting was great all the weekend, making the carnival a resounding success. This was my first trip to Esperance as a shooter and along with my family will return when time permits.

Our State representatives have just returned from the Brisbane Trap Nationals, and tell me of considerable comment on our State's proposal to combine the Trap and Skeet Nationals. It seems that many of Australia's shooters think the same as we do. Congratulations to Roy Holtfreter on his re-election as National President for the third year. A great achievement to stay on top, Roy, I know how demanding it can be and we all wish you well in this term.

John Fissoli, Vice President of W.A.C.T.A. and Chairman of the W.A.I.S.U. Sub Committee, tells me that a program for training in I.S.U. Skeet and Trench for all interested shooters will soon be out and around the clubs, so watch out Victoria in 1988.

Remember, we need more members to strengthen our sport, so invite a friend to your Club's next shoot.

Good shooting.

Ross Silvester

Many thanks to all those people who came on the organised tours for the Nationals 1987. After planning six months in advance it was great so many bookings were made so early, some weeks before the competition began. Sorry we had to refuse a few as the coach could only carry a certain number. It was a pleasure to take and show you some of the many attractions around Brisbane. Thank you all for the lovely vase presented to me on our return from the Gold Coast tour, yes it was amazing, I was stuck for words. Already I have found a special place for the vase.

Coming over Buderim Mountain on the Sunday we went over a bump. This caused one of our group to swallow the sweet I had just handed to her — what an excuse to get another. Tuesday as the boat pulled away from the jetty on Karragarra Is., someone was still standing on shore taking pictures. I waved and called "Catch the next boat". I wasn't told it was all prearranged; we returned to collect her. Trust you South Australians to get in the news.

To those of you who spent extra days touring around I do hope they were enjoyed. The few heavy showers during the competition proved we can have a few days of liquid sunshine in twelve months.

Hoping to renew friendships again in Wagga 1988.

At our March Committee Meeting it was voted unanimously that our Committee are not in favour of the (50c per shooter) Ground Fee proposed by the New South Wales Clay Target Association.

With the continual rising costs, lower memberships and general decline shooting is facing now, we do not need to further increase the expenses of shooting.

We need an incentive to entice shooters back into the sport, who have fallen away in the past few years, not send them further into obscurity.

If the motion, when discussed on June 20 is not thrown out, it will widely affect the survival of many smaller clubs registered with the A.C.T.A.

Please write to voice your opinion to the NSWCTA before it is too late.

W.A. SHOOTING COMPLEX

The front cover of the May CTSN pictured both the W.A.C.T.A. State President Ross Silvester and the A.C.T.A. National President Roy Holtfreter with the magnificent complex club house as a backdrop.

We have said many times before that the complex is a credit to the W.A.C.T.A. However, we do not always recognise the host club, West Australian Gun Club, for the part they play.

The grounds for the Olympic Discipline Nationals were a picture and a credit to the W.A.G.C. President Rod Franklin and the members of his Gun Club.

While we seem to sometimes take things for granted we must always recognise the part that the club and club members take in our sport. In this particular instance we could not have asked for more as the club and its ground were presented in magnificent style to host our National Championships.

Thank you Rod Franklin and the willing workers from the W.A.G.C. for a job well done. We look forward to our return to Perth for the 1987 National Skeet Championships.

FROM THE DESK OF THE COACHING DIRECTOR

NATIONAL CHAMPIONS

I would like to congratulate Michael Diamond on his achievements this year. As many of you will probably know Micheal is a member of the national training squad, as the national junior champion, in Olympic Trap. He will be part of the Australian junior team to compete at the Olympic Trap and Skeet World Championships this year. Michael has now won the Down the Line Double Barrel Championship, he is 14 years old and really enjoys his shooting and competing. Michael is fortunate to be a part of a close loving family, who encourage and support him, but do not put undue pressure on him. I must also add that Micheal not only wins like a professional, he accepts defeat like one, not that it has happened too often lately.

We are indeed fortunate to have so many excellent junior clay shooters competing in Australia now. The fact that it is A.C.T.A. policy to encourage juniors by giving them the opportunity to represent their country in Olympic Trap and Skeet, and the World Championships has given them a goal to strive for.

The D.T.L. nationals again produced some of the highest standards of shooting you could wish to see, Doug Smith is technically one of the best shooters in Australia, he is always a delight to watch. Doug shot off for the Double Barrel, shooting over 450 to gain the second place. Doug is such a consistent shooter, and obviously treats each target, and each contest as a new challenge forgetting what went before. He proved this in Brisbane by winning the single barrel championship after what must have been a disappointment to him in just missing the double barrel event.

What a great sport we have, you probably get sick of me saying that, but to have the brilliance of Michael Diamond and the technically beautiful shooting of Doug Smith on display in Brisbane must have provided entertainment and enjoyment for all who watched the nationals. Well done Queensland for a well run nationals.

S.A. I.S.U. COACHING WEEK-END

The State Committee has asked me to help organize a coaching week-end to be held at the International Gun Club on 23rd and 24th May. Terry Rumble and Ian Hale are to demonstrate and hold discussions on the art of Olympic Trap and Skeet shooting. Graham Winter a psychologist who attended the world shooting championships in East Germany is to speak on goal setting and other sport related matters. An expert on diet for sport and health will also attend. It should be a good a week-end. The I.S.U. Committee is to be congratulated on their efforts and also the state government for assisting in funding the event.

THE NATIONAL COACHING COUNCIL

With the kind donation of funds from the Rothmans foundation and some government funding it is possible to hold a state coaching directors meeting in June this year. The various state directors will meet in Adelaide to discuss the coaching scene in Australia and a seminar will be held as part of the state directors level 3 course. All state directors are level 2 standard at present and now that the A.C.T.A. has a level 3 course accepted by the Coaching Council of Australia our state directors can work their way towards that accreditation.

MASTERS GAMES

Clay target shooting has been included in the masters games to be held in Tasmania in November of this year. This is a good opportunity for our sport to be part of a multi sporting event and it could not have been held in a better place. The philosophy of the masters games is an excellent one, just because dates roll by on a calendar it does not

mean that people who enjoy their sport cannot compete at an international level. Many of our best shooters are over 40 years old, so let's help make it the success it deserves to be.

THE OPENING

Easter and Anzac have passed, the duck season has opened and the first time since I was 11 years old, I have not been part of that event, here or interstate. With a changing society, that prefers its poultry to be force fed in confined cages, shooting ducks and quail for the table seems to be more and more a thing of the past. I have often wondered why it seems to many people immoral, to be able to identify, accurately shoot and kill, carefully clean and finally cook a wild bird, but they do not seem to give a second thought to the thousands of ducks, quail pheasants, chickens and turkeys that have known nothing but confinement. When is a duck not a duck? To many when it is presented in a plastic bag in the freezer of the supermarket. I just hope for the wild ducks' sake that as much attention is put on the draining of wet lands and the development in breeding areas as is put on the more visible duck hunter.

Preservation for future generations is a must, and I believe most shooters like myself have cared about, and where possible nurtured nature, be it ducks, kangaroos, or our fast disappearing scrub and forest, but the hypocrisy of many meat eating humans I believe deserves note.

2nd ELIMINATION FOR THE WORLD CHAMPIONSHIPS

The national training squad will be shooting 200 targets at Frankston on May 2nd and 3rd, to add to their scores shot in Perth, as part of the 800 target qualifying competition for the world championship team. The final 200 targets will be held at Downside in the long week-end in June.

Good Shooting,
Peter Quire.

WARATAH STATE NOTES

The first half of the year has passed, which brings us to our State Carnivals — the first being the State Skeet this year being held at Moree on the 7th, 8th and 9th August to be followed by the State Trap, which will be hosted by the Cowra Gun Club over the 3rd, 4th and 5th October.

The Association has been very fortunate to be able to obtain substantial sponsorship again this year from a wide range of Companies.

At the Skeet Carnival we have the support of Olympic Targets, Stewart and Allwood, Shelley's Soft Drinks and A.C.T. Ammunition, and at the Trap Carnival again we have the support of the Horsley Park Gun Shop and Winchester along with the new names of Blue Dot Targets, Shelley's Soft Drinks and Boyce Holdings.

As all Club officials will understand, sponsorship is the life blood of your sport and it is extremely difficult to find ways to express our gratitude to these companies — so we would urge all shooters and the clubs to support all sponsors 100%.

NOISE POLLUTION

President, Robby Smith is pleased to be able to report that the State Government has had a change of heart regarding the proposed Noise Pollution Licence Fee.

It is now official that NO CLUB WILL HAVE TO PAY THE LICENCE FEE. At this point we would like to thank all those Clubs who took the time to put pen to paper and fight to have this "revenue raiser" thrown out.

CONGRATULATIONS

The New South Wales shooters certainly kept the "flag" flying at Brisbane. Our Shoulder-To-Shoulder Team comprising Arthur Turner, Dick Piotrowski, "Digger" Ellison, Sam Papasidero and Peter Pontello were the winners of the Inter-State Competition. Michael Diamond for winning the National Double Barrel and the Overall High Gun — a great performance from someone so young. To Dick Piotrowski for winning the Champion of Champions and to Mal and Craig Tilley for winning the

Deauville Doubles. There were also many shooters from N.S.W. who filled the grade positions of the events and congratulations also to those who gained selection in the Macintosh Team — Robby Smith, Michael Diamond, Col Burt, Vince Gatt, Peter Abela, Ian Holschier, "Pud" Burgess, Dick Piotrowski, Jim Smith, F. Bradwell.

A fine effort — let's hope for a similar showing at Wagga in 1988.

1988 DATES FOR INFORMATION

All clubs will be preparing their 1988 programmes by now — so hopefully these dates will be of assistance to you: Tuesday 26th January: Public Holiday (No more January Long weekend).

2nd February: School re-commences.

1st-4th April: Easter.

1st-8th April: School vacation.

13th-15th April: Pre-Nationals — Wagga.

16th-21st April: Trap Nationals — Wagga.

13th June: Queen's Birthday Holiday.

4th-15th July: School vacation.

12th-13th-14th August: State Skeet Carnival.

26th Sept-7th Oct: School Vacation.

1st-2nd-3rd Oct: State Trap Carnival.

To be confirmed: Skeet Nationals — Brisbane.

RULES CLARIFICATION

Rules Supervisor, Noel Dwight has submitted the following — and hopefully this matter will be clarified once and for all. "All clubs wishing to shoot Point Score handicap events **MUST** count **BROKEN TARGETS** and not points when determining whether a possible has been shot. Then normal handicapping procedure (Rule 2.3 (e) must apply".

If any person wishes to have clarification on any rule they can contact Noel at 49 Victor Street, Cowra 2794.

While on Rules matters — after a recent meeting of the Referees Association quite a number of rules changes have been proposed. **THEY ARE NOT IN FORCE AS YET** — but, have been referred back to each State Association for discussion and thoughts — it would be totally impossible to list all proposed changes in this section however, 3 that will affect everyone are:

* to be included as part of Rule 2.1

ADD A shooter will not become eligible for down-grading in the year in which he attains a higher grade.

He will become eligible for down-grading only at the commencement of the following year.

He will become eligible for down-grading for the period of the year after he was upgraded if his last 2 x 200 targets indicate that of a lower grade.

Following re-registration he will become eligible for down-grading only at his own request.

He will not be down-graded more than one grade.

* Rule 2.3(e) Delete

ADD any competitor winning first place in a handicap event will be handicapped 1 metre.

Second place getters and group winners to be handicapped 1 metre providing they have shot the possible.

All handicap events must be shot to finality, broken targets to count and not points to determine the possible.

* Rule 4.13 Delete

ADD 4.13 for all events, load is restricted to 32 grams (1-1/8th oz) shot size no larger than number 6.

I MUST STRESS AGAIN — THESE RULES ARE NOT AS YET IN FORCE — PLEASE FEEL FREE TO COMMENT ON THE 3 THAT ARE LISTED.

A complete copy of all the proposed rule changes has been sent to each Zone Secretary, and the State Association will have further discussion at their next meeting to be on the 20th June.

DON'T WAIT UNTIL THE RULES HAVE BEEN IMPLEMENTED BEFORE YOU LODGE YOUR

COMPLAINTS — WRITE TO NOEL DWIGHT — NOW — IF YOU HAVE ANY THOUGHTS.

FROM THE CENTRAL ZONE

For those shooters wishing to contact Peter Mould — as at 13th May his new phone number is 063-455837.

Also from the Central Zone — they welcome a new delegate in Steve Foster from the West Wyalong Club — Steve replaces Noel Dwight who has served as a delegate for quite some time.

FROM THE NORTHERN ZONE

Frank Lingham from Inverell Gun Club reports that they had a successful Club shoot in April — even though it fell on Easter Saturday the attendance was good. Local shooter John Kent was the overall winner of the D/B Championship with 58/58 and in the Ball Trap event, 3 shooters recorded 25/25, Alan Kempton, Andrew Futter and John Kent. Congratulations also to Andrew Skinner from Guyra who shot his first 50 break.

Tamworth Clay Target Club held a successful shoot on Easter Sunday, and it was great to see Wyong Shooter, Kevin Thompson back around the traps — he hasn't shot for a couple of years but it would appear that he hasn't lost any of his great ability — he and John Fryer going to 230 plus in the Double Barrel before Kevin came out on top. Mick Blenman was the winner in the Champion of Champions with the only possible and Col Burt was the High Gun winner with 212/215.

On Easter Saturday, Guyra shooter Roger Vidal travelled to Coffs Harbour for their Champion of Champions shoot — Roger won the event last year and was out looking for his second victory — he was in fine form — Ball Trap 25/25, Double Barrel 25/25, Double Barrel Continental 25/25, Skeet 24/25, Tower 31/31 — well done Roger.

FROM THE RIVERINA ZONE

A very proud and excited Barney Rooke advised me in Brisbane that his daughter Maree had just been named sports Star of The Month after her fine performance in New Zealand at their Nationals — this of course came hot on the heels of Maree being named Sports Star of the Year for 1986, and now has her portrait hung in the Wagga Leagues Club along with many other sporting greats.

The Riverina Club of Downside will be hosting a National Training Squad Elimination Olympic Discipline Carnival in association with the N.S.W.I.S.U. Fund Raising Shoot over the weekend of 6th, 7th and 8th June — 300 targets of Olympic Trap and I.S.U. Skeet — should be a beauty — see you there.

FROM THE SOUTHERN ZONE

President Robby Smith advises that the Southern Zone Skeet Carnival was conducted recently and their Zone Team comprises B. Barlow, J. Worley, C. Naudin, R. Gosling, S. Subonj and K. Wilbon.

The Southern Zone Skeet Championship was won by B. Barlow with 50/50 and John Worley was the winner of the Zone Night Skeet Championship also with 50/50.

A reminder that the Sydney Clay Target Club will be hosting the Zone Night Double Barrel Continental Championship on Friday 12th June — please give this event your support as not much interest is being shown in the night events.

That's all for this month — hope to see you all at Moree at the State Skeet Carnival.

Just one last message — for those people wishing to contact State Secretary Jenny Burt — there are 2 numbers — 067-652520 (State Association number) or personal 067-659386. Jenny is now the full time Secretary for the State Association — so may be contacted on either of those numbers at any time.

WET AND DRY

N.T.C.T.A. NEWS

Well, the N.T.'s biggest State Carnival yet gets under way this Queen's Birthday Weekend in Katherine. Here's luck to all competitors!

Congratulations to Phil Grove for making the Australian team to tour New Zealand. Well done, Phil!

N.T.C.T.A. positions are on the line again at the Carnival, so it's up to all members, and Club Committees to define their, and the Association's needs, and speak up at the Annual Meeting. It's no use complaining afterwards. As an old saw says, 'You get the Committee you deserve'. Too true!

HERE AND THERE

The N.T., although with only seven reps. at the Nationals, was far from disgraced. We came third in the team shoot, with only one member missing targets. (So upset was HE that, after a prawn and plonk evening hosted by Manager Bitossi, he went on strike and didn't surface for two days. I won't tell 'em it was you, JD.)

On a more successful note, Phil Grove got the 50 in the single barrel, and went on to become fourth in Oz. Good shooting indeed.

Ken Selwood appeared to be cruising towards at least a place in AA grade in the double rise, having shot 40 on the trot, but wind and weather contributed to a final score of 45/50, 46's shooting off for third. Next time, Ken.

Back to the Territory, and old timer Steve (the Silver Fox) Lorman scored a magnificent 98/100 to take out the district skeet title. Second home was 91/100. Steve's feet weren't touching the ground, what with the win and the fact that he'd just shot his first 25 in competition. Sour note, if anything could upset the occasion, was the target he missed twice — low six. Perhaps excusable for a mollyduker, but a bit annoying for an orthodox gunner, eh, Steve. What's that about Skeet being the game you take up when trap starts to bore you?

Down at Top End, Secretary Bob Hooper says that they're finally getting the layout laid out. Let's hope that the unsafe layouts have been altered, because it was only a matter of time before someone got a barrellfull.

Darwin President, Bob Fox advises that the Committee is deep in preparation for this August's Four Day Shoot, and asks that intending shooters start organizing accommodation as soon as possible. The Picnic Day Weekend hosts the Top End's major racing Carnival, with the Darwin Cup attracting visitors worldwide in recent years. Accommodation, thus, is in demand.

COMMENT

One of the shooters at the Nationals, with Queensland connections, was recounting the shooting prowess of that most remarkable fourteen-year-old, Michael Diamond, who won the overall high gun, and the double barrel event. He went on to state that there could be no comparable Queensland shooters, for the simple fact that Queensland will not allow such junior shooters to shoot firearms. One of his acquaintances, who has two sons he wishes to become shotguns, became most vocal about the lack of action of the State body. According to the father, the Q.C.T.A. referred it back to the Club. The N.T. shooter quizzed both National and State Executive members about action on the issue. Guess what? The A.C.T.A. washed its hands of the affair, saying it was Queensland's problem, and the Q.C.T.A. official dropped it into the Club's lap.

This writer's opinion is that such insanely restrictive laws should be opposed with the full force that our Association can bring to bear on the Queensland Government, at National, State, Zone, Club and shooter level. Let us ALL stand up and be counted for the betterment of our sport. Let us start the petitions NOW, One to the local Member (for Queenslanders only), and another one for ALL directly to Sir Joh Bjelke-Petersen, who, after all, is the patron of our Sport in Queensland.

Firearm safety should start as soon as a shooter is physically capable of holding a gun, and the mid-teens would probably be the most difficult period to inculcate safe practices in a beginner: and if we want our sport to continue, and to expand, we must actively encourage our most junior shooters.

GOVE GUNNING

The Arnhem Gun Club has a new member in Graham Mills, an 'A' grade shooter, formerly of Norfolk Island. Graham, presently managing the Arnhem Club, has improved the shooting standard markedly since his arrival.

Gun Captain Greg Bateson will have some stiff competition on the walks from his better half, Pam, whose score improves with every visit. Another frontrunner in the improver stakes is Bob Bradshaw, whose second barrel shooting is awe-inspiring. Keep up the good work, Pam and Bob!

After the generator and trap renovations, the Club has decided to rebuild the Clubhouse, in preparation for a 1988 'Supershoot'.

Until next time,
Inkball

Every Day Someone Wins with Beretta 682. Why Not Join Them!

TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations - providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.

can inexpensively maintain new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Bruniton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners

New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., — and full. Key/thread cleaner come with guns featuring the mobilchoke system.

To complete the story the new *682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.

BERETTA 682 SERIES

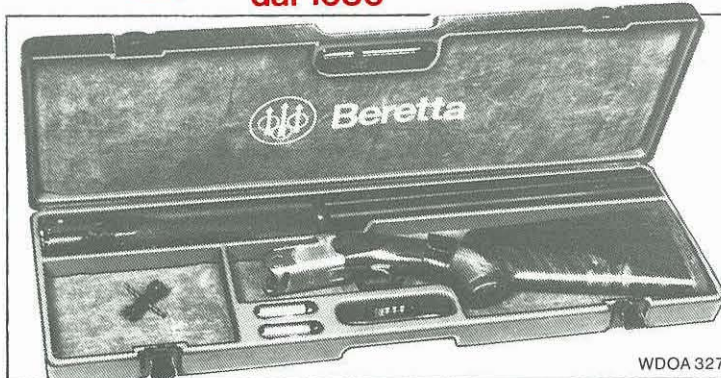

- 682 Trap: 75cm Barrels. Fixed choke I.M./F.
- * 682 X Trap: 75cm Barrels. Fixed or Mobilchokes.
- 682 Skeet 71cm Barrels.
- * 682 sporting 71cm Barrels Mobilchokes.
- * 682 Lightweight Sporting Deluxe 71cm Barrels Mobilchokes.

Any Shotshell that claims to be as good as Winchester is shooting off it's mouth!

Don't Confuse the Imitators with the Innovators

Our patented Australian made Winchester Shotshell Cartridges are designed and manufactured to the most rigid and exacting specifications. Every component gives you a winning edge and that's what makes Winchester the worlds most popular Shotshell. One piece compression formed plastic Case - for superior longitudinal strength and reloadability. Non corrosive **Primer** - for quick sure ignition in all climatic conditions. **Olin Ball Powder** - Clean progressive burning for consistent power. **Winchester Wads** - for superior gas sealing and improved patterns. **Winchester Shot** - polished alloy hardened for truer flight. When you're looking for Ammunition that's above and beyond all others, look towards Winchester - and don't confuse the imitators with the innovators.
