## EXECUTIVE COMMITTEE APPOINTMENTS

Owing to the resignation of Dexter Barnes, the N.T.C.T.A. has appointed Mr Jim Bitossi, of Katherine, N.T. to the National Executive Committee.

On behalf of all shooters we thank Dexter for his efforts while combining his role as N.T. Secretary Treasurer with membership on the National Committee.

While thanking Dexter we also welcome Jim Bitossi to the Executive Committee and look forward to receiving the benefit of his experience during the term of his appointment.

Regretfully, resigning also is T.C.T.A. Executive Member, Mrs Kaye Woods. Kaye as well as combining the Secretary/Treasurer office for Tasmania, has occupied a number of positions nationally. Being a member of the Management Committee in 1986 and currently Chairperson of the Nationals Sub-Committee, Kaye has always placed the sport first and foremost and her experience at National level will be missed as will her input at the various meetings which the Executive do participate in.

Fortunately, Kaye has agreed to remain as Chairperson of the Nationals Sub-Committee and her experience in this area will prove to be beneficial to the National Championships as a whole.

From Tasmania, replacing Kaye on the National Executive Committee is John Murphy, a member of the National Referees Association and well known throughout the sport.

Welcome John and thank-you Kaye for your contribution to Clay Target Shooting over your years of involvement.

## EDITOR'S MAILBOX

### Proposal to combine Trap & Skeet Nationals

Further to our argument on this subject which appeared in the April issue of C.T.S.N., we would like the following follow-up article to be printed in the C.T.S.N.:

Since the last W.A.C.T.A. argument for combining the Trap & Skeet Nationals which appeared in the April C.T.S.N., we have had many opinions put to us and this leads us to comment further.

The main comment is that all our National Championships are of equal importance and should be available to the greatest number of shooters possible. Fragmentation of our sport is not the best way to develop it, because the real danger is that two associations could develop and with our small numbers that would be to the detriment of us all. Many shooters have said they would like to shoot in both the Skeet & Trap Nationals, but cannot afford the expense of attending two National series. If the idea that each group pursuing a particular discipline of our sport are entitled to a Nationals of their own, then perhaps the keen Double Rise shooter should have a Nationals for D/Rise padded out with District Championships as the Skeet Nationals already is.

We believe that the best way to develop Clay Target shooting is to expose as many shooters as possible to all types of shooting. Many shooters that had a try at Skeet because it was part of the old Nationals, now do not shoot skeet and the same applies to Skeet shooters that now do not shoot trap. The argument that shooters cannot adapt from one to the other really does not come into it, as the keen devotee will concentrate on his or her particular event as they do now, and so many just want to participate, and we are at present preventing them from doing so. What is needed is a Nationals series of only our National Titles, so let us put them back together and then the sport will all have a win.

Another very good reason for the combination is the sponsors. Surely it would be more attractive for any sponsor to have all disciplines shot at one venue around the same time, rather than having to send their representatives at great cost somewhere else at another time of the year. It is time we thought of the sponsors, as we do not need much imagination to see what sort of a National Championship it would be without sponsorship. Think about it.

Another aspect is the financial burden on A.C.T.A. We all know our sport is not on the increase but is struggling to maintain our present numbers, and this is reflected in the A.C.T.A. finances. What better way of conserving our finances by saving the cost to A.C.T.A. of travel and accommodation for National President, Executive Director and others by having one Nationals instead of three.

These decisions have to be made on realistic and business values, and not to cater for the selfish wants of a few, but for the survival of our sport.

**R. Arlow,  
Secretary.**

# HISTORY OF OUR SPORT

By George Biggs, A.C.T.A. Historian

## LOOKING BACK 50 YEARS

Nearly 50 years ago in March 1939 the veteran champion trapshot, Donald Mackintosh, officially presented the now famous International trophy valued at 100 guineas, to the A.C.P.T.S.A. for perpetual competition between teams representative of England, Scotland, Wales, Ireland and Australia. England won the trophy on the first two occasions prior to the outbreak of war. The cup was next competed for at the Australian Gun Club grounds East Burwood on March 14th, 1948. This would be our third International Match.

June 1939 was a month of big events. Australia took part for the first time in the International competition. Fred Burns won the Champion of Champions cup for the second successive year (at this time the champion of champions cup and the International match was a one-day tournament), Ted Holmes won the N.S.W. Single Barrel Championship at Moree. In the International Teams Match Australia registered 1748 aggregate. Athol Love 118/125 was High Gun from Vic Fakhauser 117/125 and Jack Bryant 112/120 — these three all registered 93/100 over the original course.

In the Champion of Champions events Fred Burns won with 49/50 from George Purcell of Launceston 49/50 and Jack Bryant came in with a 49/50.

Looking Back to 1949: At this stage we were just recovering from the effects of the war years. Australia wins their first International Teams Match on the third attempt.

## REPORT FROM THE EDITOR'S NOTEBOOK

Australia's success in winning the Macintosh International Trophy for 1949 and with it premier empire honors in the International Clay Target Shooting field is the paramount interest of the moment. The news of our Australian Team's success has been warmly received throughout the Commonwealth, and from all accounts equally well received in Great Britain.

Australian Team Scores were:

V. Fraser	Vic	22	19	21	22	84
L. Shilling	Vic	20	24	18	20	82
E.W. Brice	N.S.W.	20	23	17	20	80
J.K. Bryant (Sen)	N.S.W.	24	23	24	24	95

The score of the substitute shooter J. Bryant, who was included in the team after the first round of 25 targets in "Bendigo" H. Ceresa, is disallowed, and therefore is not included in the scores to count.

Since 1948 the International Teams Match has been contested annually by England, Scotland, Ireland, Wales, Canada, New Zealand and Australia; at one brief stage both South Africa and Rhodesia did take part without any success.

The International Teams Match has been a popular part of our National Annual Championship tournament since 1948.

Over the years 1948 to 1974 Australia has won 13 times, England four times, New Zealand six times and Canada four times.

## AUSTRALIAN MACKINTOSH INTERNATIONAL TEAM 1958

In the May issue of the C.T.S.N. we published a picture of the 1958 Australian Mackintosh International Team. At the time of printing I was unable to put names to all faces and invited help from any of our readers who may be able to help with the names of the whole team.

I'm indebted to Bill Attwood for his part in providing a copy of the 1958 news which carried a picture with names of each team member as follows:

Back row left to right: J. O'Donnell, Newton Thomas, Andy Tie, Cal Hollow, Don Corstorphan, T.E. Stone

2nd back row: Bob Jorgy, C.L. Barnes, A. Bradley, W. Ratty, Harry Anderson, R. Faunt, Don Scrowcroft.

3rd row: H. Bushby, Don Glover, J. Wright, Edie Brenk, Peter Wray, S. Marshall, Bill Finnegan, Luke Doyle, Bill Commons, R. Richardson, S. McFarland.

Front row: D. Davey, Norm Guy, (Stan Cole Referee), Mick Hamilton, (John Houston, A.C.T.A. President), Clem Mudford, Fred Burns, Lou Lupp.

W. Ratty N.S.W. with a score of 296/300 points was High Gun.

## LOOKING AT THE PRESENT

Report from Frankston Gun Club — the Frankston

Pictured at the Frankston-Australian Gun Club left to right: Craig Meuleman, Ian Hale, Domingo Diaz, Alex Crikis and Russell Mark.

Australian Clay Target Club boasts a record few other sporting organisations in Australia can equal.

The Carrum Downs based club provided five of the six representatives in the Australian clay target team at the recent Edinburgh Commonwealth Games and World Championships in East Germany.

From a team of six shooters chosen from the best clay target marksmen throughout Australia, Craig Meuleman, Ian Hale, Domingo Diaz, Alex Crikis and Russell Mark are all members of the Frankston Australia Clay Target Club.

The only 'outsider' was Terry Rumbel from Canberra.

Domingo Diaz was the most successful member of the group during their overseas trip, winning the World Universal Trench Cup at Barcelona in Spain. He achieved a record score of 197 out of a possible 200.

## Australian Sports Aid Foundation

### AUSTRALIAN CLAY TARGET ASSOCIATION JUNIOR WORLD CHAMPIONSHIP TEAMS FUND APPEAL

The Australian Clay Target Association has recently been accepted as an organisation registered with the Australian Sports Aid Foundation.

The Foundation has been established by the Australian Sports Commission and its prime task is to raise funds for the development of sport.

Being a registered association, the A.C.T.A. is conducting a fund-raising appeal between the months of July 1st and December 31st to raise funds to assist with the cost of sending a team to the 1987 World Shotgun Championships in Venezuela, as well as providing ongoing assistance with the development of the sport at junior level internationally.

The Australian Sports Aid Foundation is now listed under section 78 of the Income Tax Assessment Act, so providing the legal basis for donations over \$2.00 to become tax-deductible.

Donations may be forwarded to the fund on the form below and all donations will be recognised in the C.T.S.N. unless otherwise indicated. Receipts will be issued in all circumstances.

Please give this appeal the consideration that it should receive and if electing to become a donor to the Junior World Championship Team Fund, make your donation payable to the Australian Sports Aid Foundation, C/- the A.C.T.A. and indicate whether or not you wish your donation to be recognised in the C.T.S.N.

The Secretary,  
Australian Sports Aid Foundation,  
C/- Australian Clay Target Association,  
P.O. Box 198,  
Blackburn, Vic. 3130.

Dear Sir,

I wish to donate an amount of \$..... to the Australian Sports Aid Foundation.

My donation is given unconditionally; however, please give preference in its allocation to the Australian Clay Target Association's Junior World Championship Team Fund.

I enclose my cheque for the amount of \$..... which is crossed and payable to the Australian Sports Aid Foundation.

Signature .....

Name ..... (please print)

Address .....

I do/do not (please indicate your preference) wish my donation to be published in the Clay Target Shooting News.

### GIFTS TO SPORT CAN BE TAX DEDUCTIBLE

Most of us are aware that donations to many charitable organisations can be claimed as tax deductions and it has long been a bone of contention that similar advantages were not available to the sporting community.

You will be pleased to know that the Federal Government, through the Australian Sports Commission, has acted to change this anomaly by creating the Australian Sports Aid Foundation and amending the Income Tax Assessment Act.

It is now possible for you to donate money to your sport, association or even club and claim the donation as a tax deduction. The mechanics of this operation require you to make the donation to the Foundation and to tell the Foundation where you wish the donation to be paid.

The Australian Clay Target Association has written to the Foundation and we are now a registered organisation which means that we can use the Foundation for our fund-raising.

Donations can be made on the prescribed form contained in this magazine.

Remember all donations may be claimed as a legitimate tax deduction.

# NATIONAL TRAINING SQUAD 1987

The final series of eliminations to determine the Australian Teams to compete at the World Moving Target Championships in Venezuela during November 1987 and the Oceanic Regional Games in New Zealand, March 1988 have now been completed.

Leading qualifier in Olympic Trap was A.C.T. shooter Jim Ellis with a final score of 763/800.

In the I.S.U. Skeet the leading qualifier was Melbourne shooter John Summers with an excellent 774/800 which includes a new Australian Record of 199/200. Well done John Summers.

Final Team selections were:

Olympic Trap	Jim Ellis, A.C.T.	763/800
	John Maxwell, N.S.W.	761/800
	Russell Mark, Vic	757/800
I.S.U. Skeet	John Summers, Vic	774/800
	Ian Hale, Vic	771/800
	Craig Meuleman, Vic	761/800

The Training Squad will during September attend a live-in training camp at the National Institute of Sport in Canberra. Once again, Clay Target Shooting has been recognised by the Institute.

• National Olympic Trap Team — Russell Mark, Jim Ellis and John Maxwell.

# MOSCOW WORLD CUP REPORT

John Maxwell

The following is a brief report on my recent trip to the World Cup conducted in Moscow from May 10-17, 1987.

This was my first opportunity to compete in one of the World Cup events. I had purposely selected Moscow so as to coincide training with the 2nd and 3rd eliminations for our World Championship team. This approach proved successful and I believe my performance at both competitions benefited.

Travelling to one of these shoots as an individual puts added pressures on that person as they must perform all the administrative functions as well as keep their concentration on the shooting competition. On the other hand one of the advantages of travelling alone is that you can organise events to suit exactly your own requirements, e.g. flights, training, entertainment, meals, etc.

I went to Moscow with several aims as a competitor, and in general I was satisfied with my performance although I would have liked to win a quota spot for Australia. In general the range and facilities were excellent with the only problem being poor target colour and slow targets both during practice and the competition. I seemed to get more than my share of slow targets and needed to shoot 5-10 repeats per round. Target colour was a very pale red and they were impossible to see as they left the trap and for the first few metres.

The shooting conditions were almost perfect with the exception of some windy periods and scattered clouds.

Accommodation was at the Hotel Sport where all official sport teams stay. The Hotel was basic by Western standards but there was no problem with meals or security. Transport was well organised between the hotel and the shooting range and the trip took about one hour with a police escort.

In my opinion Moscow hosts a good competition and we should look at sending a full team here in the future. There was in excess of 20 full teams entered for trap and skeet in Moscow and the competition had all the flavour of a World Championship.

Results — World Cup, Moscow 1987:

1. Damme Jorg, GRD	195 + 24 219
2. Monakov Dmitrij URS	194 + 23 217
3. Bladas Josec ESP	193 + 22 215
8. John Maxwell Australia	192

John's trip to Moscow for the World Cup was in an attempt to obtain an Olympic Games quota position for Australia.

The trip was made at his own expense with some assistance from the Australian Olympic Committee whose support is very much appreciated.

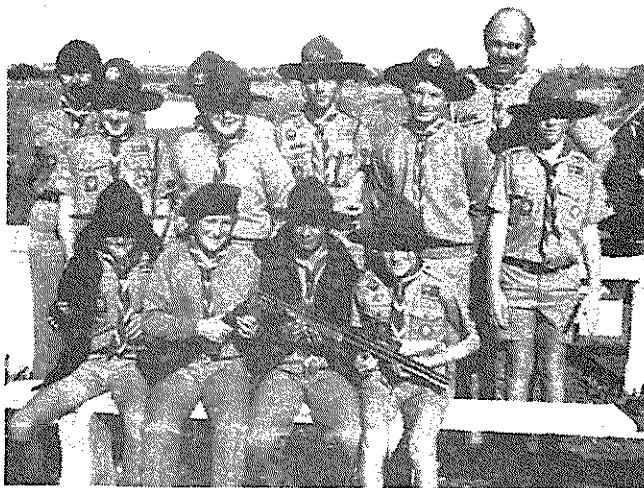

## WAGGA GUN CLUB SCOUT SHOOTING

The 2nd Wagga Scout Troop were instructed in 'Firearm Safety & Usage' on Sunday 7th June.

The 12 Scouts and their Troop Leaders attended a two-hour lecture on Firearms and Safety Procedures. The lecture was conducted by Barney Rooke, Bruce Tingle and myself.

It covered such things as: safety, different calibres, gauges, firearms, licensing laws, correct mounting procedures, clay target shooting, and juniors in the sport.

The Scouts then tried clay target shooting. Most were under the age of 12. As usual, the first reaction when given a gun to mount was to lean back. It was quite difficult to get some of the kids to lean forward, but eventually they all got it right. They then were allowed to start shooting (only one shell). Each fired at 20 targets — most had a reasonable success rate.

● 2nd Wagga Scout Group with their troop leaders.

Maybe in future years, a couple may join a Gun Club, but even if they don't at least firearm SAFETY has been enforced in their minds and won't be forgotten.

Troop Leaders also tried shooting and were able to get about a 50-60% hit rate.

The Scouts have to sit a test and pass it on Firearm Safety. If they pass they will gain another "badge to the collection".

Local TV, the Prime Network and newspaper The Daily Advertiser covered the scouts learning to shoot, with about three minutes of "air time" on TV and a picture of a young scout holding a gun.

The long weekend was a good weekend for media coverage; after the Prime Network filmed the Scouts they went out to Downside to film the Trench and ISU Skeet Team Eliminations. Clay Target shooting was covered on Saturday, Sunday and Monday nights — a great boost for the sport.

Other Scout groups are interested in participating in a similar exercise. A worthwhile exercise though!

In the afternoon there were six NOVICE shooters (one female). These novices had about 50-70% success rate. All were very keen to come back to the club. The novice shooters are put on a separate layout to the competition. The trap is in hole no.3, so the targets are easier for them to hit. (If you give them harder targets they don't hit as many and get discouraged and don't return.) They all get individual attention and coaching; after only 10 targets they stop, then talk about it, watch the experienced shooters shooting, then they shoot another 10 targets and so on. It is worthwhile doing this for the novices as it has paid off with new memberships; not only that but they feel welcomed if they are "looked after".

All clubs should also try to organise special 'Novice Days'. Advertise and pass the word around — a few experienced members or accredited coaches and a few spare guns and time is all that is needed. Maybe they won't all join, but they do have friends they will tell. Just keep on trying — it pays off.

Good shooting and see you around the tracks!

## ANNUAL TWO DAY SHOOT 30th & 31st MAY, 1987

With only 66 competitors the shoot ran smoothly. The weather was excellent and enjoyed by all, Saturday's event being the Kalgoorlie Businessman's Classic 100 D.B. 15m. Only three possible 100/100 came in. The shooters were Tom Vodden, Kambalda, Chas Riegert, Cunderdin and Harry Miller, Esperance.

After shooting off, Tom Vodden became the Overall winner with 127/127 and A Grade winner. Second for A Grade was Chas 126/127 and third David Keevil 189/190. B Grade winner was Harry Miller 100/100, from H. Harmer 97/100 and third Bert Boschetti 99/103. C Grade winner was Eric Hoggard 98/100 from J. Dohnt 97/100 and third Alan Brown 94/100.

An extra event was held on Saturday as the Businessman's Classic finished so early. In this 25 DB Points Score event Tim Catling and Paul Fyfe shot the possible 75/75 for A Grade, Peter Strike was the B Grade winner with 74/75 from W. Bridges and Bert Boschetti both on 72/75, and C Grade was won outright by Ric Davis 74/75 from John Wood 70/75.

Sunday's first event was the DB Points State Championship in which Brendan Vodden, Kambalda and Mike Callaghan W.A. Gun Club, both shot 150/150. After shooting off the winner became Brendan 171/171, therefore Mike Callaghan received second in A Grade 168/171.

• Murray Alexander (left), Brendan Vodden (right), the State DB Points Championship winner.

The B Grade winner was Bert Boschetti 145/150 from P. Strike 143/150. Mark Scullion was the C Grade winner 144/150 from Clinton Raynor 138/161.

Then into the State Double Rise Championship, scores crashed on the High Gun board. Of course there were still some good scores, deciding the winners as follows: Max Cubic Overall winner and A Grade winner for the third successive year with 47/50, second in A Grade was David Keevil 51/60. B Grade first was Bert Boschetti 45/50 and second was Julie Wood 38/50. C Grade winner was J. Dohnt 37/50 from Clinton Raynor with 40/60.

Overall High Gun winner was David Keevin 289/300. Junior High Gun winner was Clinton Raynor 245/300. Ladies High Gun winner was Julie Wood 269/300.

• Tim Catling (left) congratulates Double Rise State Champion, Max Cubic.

This put an end to the weekend and a good time was had by all. The barbecue was eaten and drinks were had which led to a good evening of jokes by the fire.

## WARATAH STATE NOTES

### BLUE BOOK ORDER REMINDER:

All clubs would have received an order form for the 1988 Blue Books — this form and a cheque must be returned to the State Secretary no later than the 28th August, 1987.

If your club was one that missed out in '87 why not check with your Club Secretary to ensure that the form and cheque have been completed and returned by the due date.

### STEP-BY-STEP TO INCORPORATION:

Our Past President Len Bird has very kindly prepared a very easy to follow, step-by-step guide to incorporation. As Len said in his letter, he has put three clubs and the State Association through via this method and has not had any problems. It should be worth noting that in all cases Len has not sought the assistance of an accountant or a solicitor. The guidelines are available from the State Secretary on request. Any club that hasn't undertaken incorporation to date really should give it a great deal of thought.

At our last State Executive meeting, "Pud" Burgess gave an account of a child injured off a "fun ride" being run by a Rotary Club in N.S.W. The club was not incorporated, and the child's family are now taking action against the four directors of that Rotary Club to the tune of one million dollars each!

Yes, it could happen to your club if an accident did happen and your club was not incorporated.

### ADVERTISING POSTERS:

All clubs have received two advertising posters recently, one each for the State Trap Carnival and State Skeet Carnival — and should have them displayed in their club house for all to see.

You will see from both posters who our sponsors are for this year — it is sincerely hoped that all shooters will support those sponsors.

- STEWART AND ALLWOOD
- OLIMPHYC TARGETS
- A.C.T. AMMUNITION

- RANA HOTELS PTY LTD
- GOLDMARK JEWELLERS
- MR MALCOLM FULLER
- EDGEWOOD PARK

are the sponsors for the State Skeet Carnival.

For the State Trap Carnival at Cowra:

- BLUE DOT TARGETS
- HORSLEY PARK GUN SHOP
- FULLER FIREARMS
- BOYCE HOLDINGS
- SHELLY'S SOFT DRINKS
- WINCHESTER AUSTRALIA.

Please support those who support our sport.

### FROM THE CENTRAL ZONE:

Secretary Jenny Mould reports that the Central Zone Skeet Team Elimination was held at Bathurst recently, and their team to contest the Hawkeye Shield at Moree is: Les Aberly, Ron Frisby, John Harris, Peter Hayman, Eric Schutte and Laurie Arnold with reserves being Rod Smyth and Rob Campbell. Certainly looks a strong team and they are sure to carry the flag well for the Central Zone.

Jenny also reminds Trap shooters of the central Zone Trap Carnival being held at the Boorowa Gun Club on the 29th and 30th August — no doubt will attract a huge turnout with the State Trap Carnival also being hosted by the Central Zone.

A little further ahead is the Zone I.S.U. Carnival at West Wyalong on the 27th September.

Also at West Wyalong is the Commonwealth Day Single Barrel Championship, set down for the 19th September — just some dates to remember.

### FROM THE NORTHERN ZONE:

The Northern Zone Skeet Team eliminations were held back in February; however all members of the team have been practising hard and are determined to win back the Hawkeye Shield. The team is Ray Melville, Col Barton, Chris Hughes, Col Burt, Geoff Walters and Roley Palmer with reserves Bill Clarke and Graham Wilson.

Some dates to remember in the North are 26th September Cessnock will conduct the State Day Double Rise Championship, also that weekend the 26th and 27th September the Zone I.S.U. Carnival will be conducted at the Taree/Wingham Gun Club, and a little further on in the year is the State Night Double barrel Championship on the 17th October at the Upper Hunter Gun Club.

A final reminder of the 2 Day Open Trap Shoot at Inverell on the 15th and 16th August — don't miss it.

### FROM THE RIVERINA ZONE:

Secretary Lola Charles tells me that their Zone Trap Carnival will be held at Wagga on the 30th August and also in August — Narrandera have the State Day Walk-Up Championship on the 16th August.

I had the opportunity to attend the Annual I.S.U. Subcommittee's Fund Raising Shoot at Downsides over the June long weekend — I would like to take this opportunity to thank Bob Blake and his wife for their hospitality and also Bev Tye for making us feel very welcome — we had a great time.

That weekend will be remembered for a long time — with John Summers 299/300 at I.S.U. Skeet — it had to be seen — congratulations John from all shooters in N.S.W.

### FROM THE SOUTHERN ZONE:

Goulburn is the place — 13th September the date — for the Southern Zones Trap Carnival — no doubt they will be out to get a super strong team to take the Denis Hunt Trophy away from the Northern Zone — who I might add have a very strong hold on it and are not about to give it up easily.

### FROM THE WESTERN ZONE:

They have their Zone Trap Carnival and Team elimination set down for Narrabri on the 25th and 26th

July. Brewarrina have the State Night Double Barrel Continental Championship on the 19th September and further out west — at Cobar will be the State Night Double Rise Championship on the 12th September.

### FROM THE COACHING DESK:

State Coaching Director Col Burt will be conducting a coaching weekend in the Central Zone in conjunction with their Zone Coach, Dick Toshack. Saturday the 1st August will be Trap coaching at Cowra Gun Club and the following day (2nd) will be at Bathurst for Skeet Coaching. Further information can be obtained from the Central Zone Secretary, Jenny Mould or Zone Coach, Dick Toshack.

### REMINDERS:

Don't forget, if you have any questions on rules direct them to Noel Dwight and he will answer them via this section.

Also, don't forget to send in any interesting information that will help to build up this section and make it more interesting. I have always said — it is FREE ADVERTISING.

Good shooting.

## W.A.C.T.A. REPORT

On the last weekend in May the Eastern Goldfields Gun Club held their annual Trap Carnival. The number of competitors was down a little which seems to be the norm these days. On the Saturday was Kalgoorlie Businessman's Classic 100 D/B. This was shot in warm sunny conditions and four shot the 100 straight and after a long shoot-off Tom Vodden of Kambalda Club was the winner. As usual the targets were very easy to see and the general high scores reflected this. On the Sunday the State D/R was held and was again won by Max Cubic for the third time in a row — excellent shooting Max. Also the State D/B Points Score Championship was contested resulting in a win for Brendon Vodden, fresh from his State D/B win at Cunderdin earlier in the month. His score was 75/75 — a great win Brendon. The Carnival, as usual, was expertly run and along with the Goldfield hospitality made an enjoyable weekend.

Very soon now the State Clubs will be receiving information on plans for blocking moves by the Animal Preservation Society to stop all duck shooting, as I mentioned last month. I feel it is important that when you are in contact with your old duck shooting mates or people you know who shoot ducks, discuss the subject and keep them informed of what is happening. If all duck shooters respond to the campaign it will have a much stronger impact. Do not forget to contact your local Members of Parliament on an individual basis; this of course need not be done until later in the year.

Now to the Skeet Nationals which are this year being held at the W.A. Shooting Complex from 29 October to 1 November, preceded by two days of Pre-Nationals. All planning is proceeding well and the Tournament Director, Clive Shepherd, has just completed minutes of the last meeting of the Organising Committee, from which came the decision that 10 caravan bays will be available at the Complex for interested shooters.

On the 13 and 14 June, the W.A. Gun Club held the State I.S.U. Skeet Championship. Unfortunately I was unable to attend due to work commitments, but I believe some 35-40 shooters braved the trying conditions to shoot 100 targets each day. Congratulations to the winner who was Joe Coci, and the State Team which was A. Forsberg, J. Coci, J. Puglia, M. Cubic and B. Sorensen — well done fellers.

Hope to see you around the clubs and good shooting.

Ross Silvester, President.

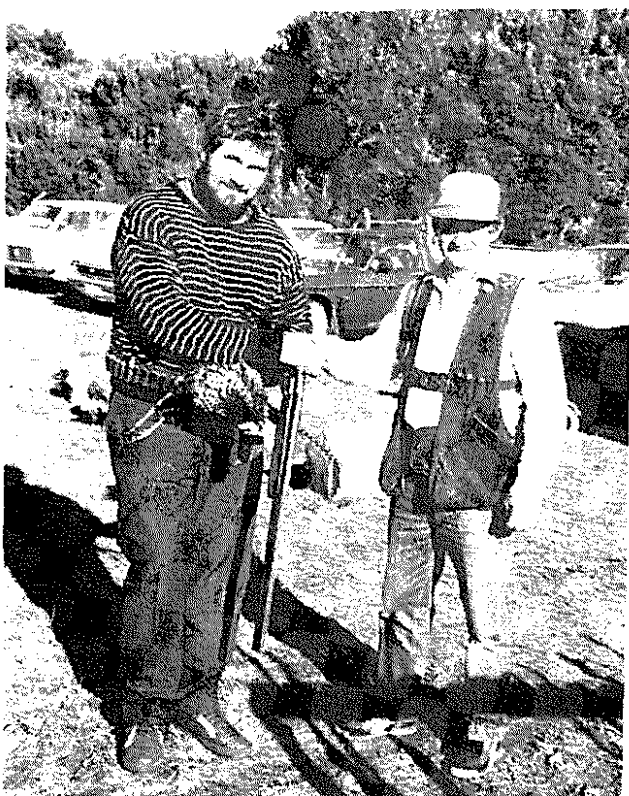

## KING ISLAND GUN CLUB

The King Island Gun Club staged an annual event on June 8 to coincide with the two day pheasant season. One bird was offered as the major prize for an event won by Steve Zankar. The picture taken by John McDougall of Sebastopol shows Committee Member Ron Hill presenting Steve with the much appreciated bird.

The event was put on in aid of the King Island Game Birds Association. The latter raffled a Franchi Auto Shotgun (donated by Franchi Imports) which was drawn at the end of the shoot and won by Mark Haines.

The shoot was attended by many interstate shooters, capping off a very successful weekend both financially and weather wise. There were no negative reports, everyone shot a bird even though some were inedible.

## STURT PEA FROM S.A. SKEET CARNIVAL

May 30/31 S.A.C.T.A. held their Skeet Carnival with an attendance of 61 shooters in mostly fine weather. We were pleased to have in attendance the National President Mr Roy Holtfreter. Shooters also came from W.A., Vic., N.S.W. & Qld. The ladies Skeet Team from Victoria were over, some of whom took out some of the prizes.

The O/A winner in Event 1 score 50/50 and Event 2 score 63/63 was won by Rob Dower.

The main event, the 50 Target S.A. Skeet Championship, was won without doubt by Ray Kimber, the only shooter to shoot 50/50. All remaining grade placings had to be fought out with shoot offs. Event 5 saw W. Sangster come out on top as O/A and A Grade winner with the excellent score of 65/65 after a lengthy shoot off with very little light left. The event was reduced to 25 Targets because of the failing light only to have 15 shooters get the 25 Targets. Shoot offs then took quite some time with nobody wanting to give in.

• Leighton Martin, Rob Dower, Roy Holtfreter, Brian Grawden. Over the weekend Rob won O/A in events 1 and 2, was 1st in AA in events 3 and 5, was the Carnival O/A High Gun winner and S.A. Champion shooter. Roy presented the trophy.

Rob Dower over the weekend ably managed to become the O/A High Gun winner with a score of 174/175 plus S.A. Champion Shooter score 223/225. Ladies High Gun was won by Carol Ogden score 165/175, all the way from Melbourne. A very pleased Fred Grey won the Veterans 163/175 and looks groovy in his prize, a S.A.C.T.A. jumper, also pleased with his jumper prize was the Junior winner, D. Murphy.

S.A.C.T.A. were very pleased with the sponsorship for the first time from the MULWEX Company who donated 4 x 2.5kg tins of powder to the O/A and a first in each grade in Event 2 the Festival City Skeet C/S, and a cloth badge to go with second placing. It was also very pleasing to S.A.C.T.A. to have Mr Harold Hollingsworth from Mulwex fly all the way over from Melbourne to present the trophies.

Once again we thank THE GUN RACK for supporting

the Carnival and donating O/A in Events 3 the S.A. Skeet C/S, and Event 5. Donations from such companies help to make the Carnivals more of a success, so we thank them again.

The Open Postal Team was really thrilled this year with the inclusion of Bridgette Dower as it was the first time a Lady had made the Team for S.A., so congratulations Bridgette.

The Shoulder to Shoulder Team to go to Perth later this year is R. Dwyer, K. Holmes, R. Dower, M. Kimber, R. Kimber.

I.S.U. held some successful Trench practice on the same weekend and quite a few took advantage of the D.T.L. practice trap.

### COUNCIL A.G.M.

Held on 30/5/87 and in attendance was Roy Holtfreter. We thank him for his helpful comments.

Office bearers remain the same.

**COMPLEX** — Metro Martini bought along the plans he has drawn up for the nine Layouts. Leighton has been continuing to have consultation with Sport and Recreation and letters have been sent to International who are interested in being the host club and also to S.A.G.C. who are forming a committee to discuss the proposal and get the feelings of their members. The Government is keen to get on with the project as soon as possible.

### PROGRAM CARDS

I sincerely hope that all Clubs have returned their Program cards to me by now. If not you had better be quick or your Club will not be included in the book.

Council is having a meeting around mid August to sort out any clashing of dates. Any major shoots clashing will

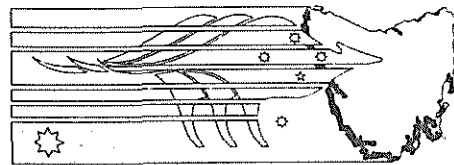

either be changed or cancelled so I hope you have all done your homework.

### BORDERTOWN CLUB

Was pleased to host a fun family day and night shoot with the Mundulla Football Club with a total of 25 football guys and gals taking part. We had a great barbecue tea supplied by footy club. The night shoot was much fun, especially the drawn partners D/D with footy members teaming up with Gun Club members who were the coaches on the day. I have to tell you this very quietly, but two footy members shooting together won the D/D, they being M. McGrice and partner Mr Toone in a shoot off with B. Growden and L. Tucker. Brian wasn't quick enough to pick up his partner's lost target (better say that or I'll be in trouble).

# WAKEHURST GUN CLUB INC.

## Competes for Singapore Airlines Trophy five years in succession

Whilst Singapore Airlines were celebrating their 40th Year Anniversary during the month of May, the Wakehurst Gun Club Inc., Sydney, were getting ready for the 5th Year of the Singapore Airlines Champion of Champions Shooting Competition, which took place on the 31st May, 1987.

This magnificent Trophy once again attracted some 40 professional Trap and Skeet target shooters from N.S.W. who battled hard to win this popular trophy over 55 mixed targets, i.e. 10 targets S/B, 10 targets P/S, 10 targets D/B, 25 targets Skeet.

The Competition got under way in mild and overcast conditions, and perfect scoring by A. Grade shooter John Costa — who scored 71/75, giving him an Overall win.

Chris Naudin — a previous trophy winner — won the A. Grade 1st prize with a score of 70/75, together with Peter Lahood — another A. Grade shooter winning 2nd prize with a score of 68/75.

• Back row: John Pile (Manager N.S.W.-A.C.T. Singapore Airlines), Peter Lahood, John Costa, Chris Naudin, Ray Cerny, Charles Abela, Ken Lown; seated: Rodney Van Beek, George Petrou, Mathew Guberina.

The B. Grade prizes went to Rodney van Beek winning 1st prize with a score of 67/75, and George Petrou 2nd prize in B. Grade with a score of 65/75.

The C. Grade prizes went to: 1st prize Ken Lown and 2nd prize to Matthew Guberina with an equal score of 69/75 after a shoot off to determine 1st and 2nd grade places.

Mr John Pile, Manager N.S.W. & A.C.T., together with Charles Abela — District Sales Manager, Sydney from Singapore Airlines, and also a member of Wakehurst Gun Club Inc., together with Mr Ray Cerny, President of Wakehurst Gun Club were in attendance to present the trophies to the lucky winners.

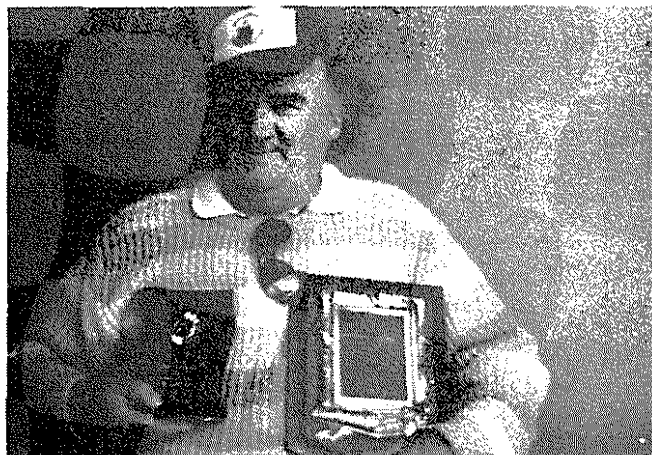

# STATE SPORTSPERSON

State Sportsperson Award for 1987 was presented to Martin Gough at the recent State Trap Carnival held at Toowoomba Gun Club.

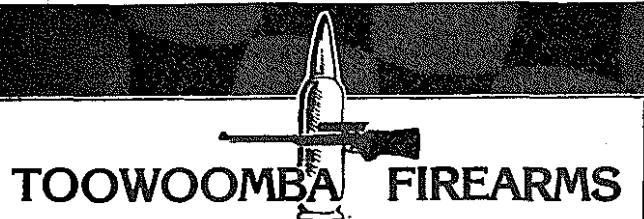

Martin was recommended for the award by the South East Zone of the Q.C.T.A. for his contribution to the sport both in club administration and more recently as S.E. Zone Coach.

Martin has initiated a novice shooters program at his home club of Kallangur which he runs each weekend, introducing many new members to the club and to the sport in general.

Congratulations Martin, the sport could do with more like you.

# McARTHUR RIVER GUN CLUB CARNIVAL NEWS

Date: May 16/17

Venue: McArthur River Mine (MIMETS)

Scene: Annual Shoot

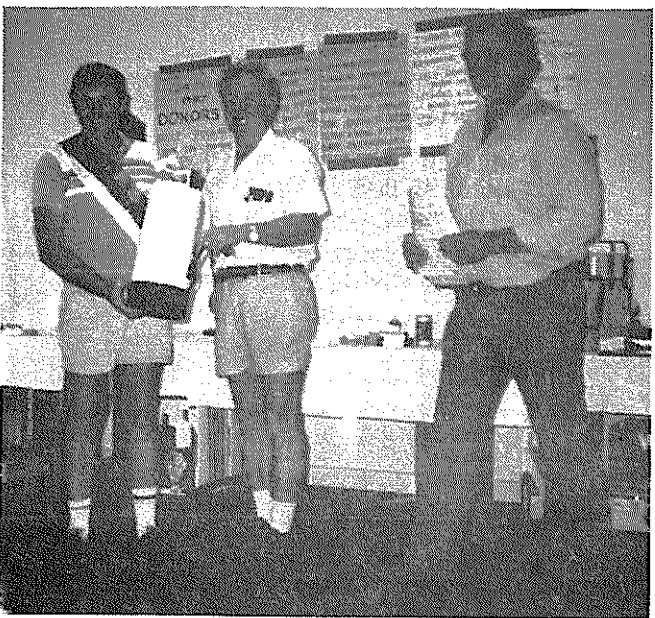

With shooters travelling and flying from Cessnock, N.S.W.; Toogoolawah, Qld; Mt Isa, Jabiru, Darwin and Camooweal, a good weekend was inevitable at the Gun Club. The pressure was on, right from the start, with a 10 target D/B event lasting a total of 68 targets. Excellent shooting by P. Groves enabled him to win through a shoot-off.

● Event 2 — Patron's Trophy: Overall Rob Cusack 71/75, Mt Isa.

Event 2 enabled the Chinese connection — the Cusack brothers — to show their style. Unfortunately with only one bullet Rod was unable to take the overall placing. This event, the Patrons Trophy, is the McArthur River Gun Club original — which caught many shooters — point score off handicap.

The N.T. Mixed Target Championship was won from the

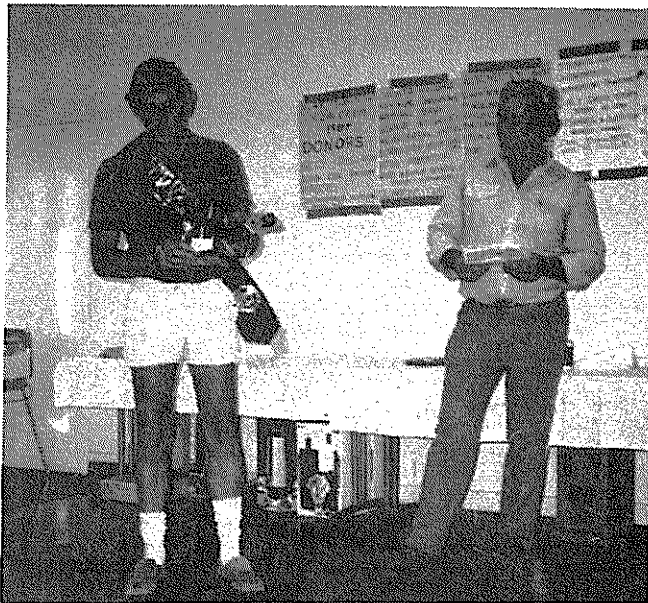

● Event 3 — N.T. Mixed Target Championship: Overall K. Selwood, Darwin.

start by K. Selwood who overall only dropped two birds in the double rise. Top shooting Ken.

With only one possible shot in the Sportsman Trophy, R. Knapp cleaned up the crew, showing his Qld strength.

The Teams Event proved popular with the ".05" taking the lead with close competition from "the unwanted". This event puts some excitement into the weekend's shooting and was enjoyed by all.

The M.R.G.C. Annual 50T event proved successful for the first time — we hope to make this an established event. P. Groves shot his possible. The Calcutta was a crowd-drawer. Would an outsider or an underdog take the prize? With consistent shooting from B. Pearce, his weekend was made, 1st place in the Calcutta.

● Event 6 — M.R.G.C. Annual Championship: Overall P. Grove 50/50, Darwin.

The M.R.G.C. would like to thank the following people:

To all the Isa visitors for their help with refereeing, pencilling, scoring the Calcutta book and to all those others who made the weekend a success.

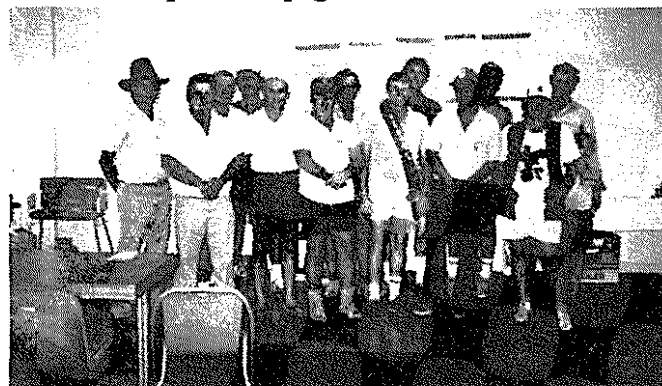

Thanks to Bernie and Aileen Kilgariff for the opening of the shoot and their endless help over the weekend.

Thanks to the cooks for keeping our stomachs full. Thanks to the trapper for her endless job. Thanks to Jeanne Dunne for presenting the Patron's Trophy on behalf of John Cox (MIMETS) who was unable to attend due to work commitments.

And an extra big thank you to MIMETS for allowing the use of their facilities.

Donors include: Patron John Cox, Bruce Pollock, MIMETS, Carpentaria Exploration, Colinta Holdings, Nev and Val Andrews — Brommage Earthmoving, Westpac Bank, Mt Isa, Bernie Kilgariff, Borrooloola Bulk Discounts, Heartbreak Hotel, Rod & Rifle — Katherine, Olympyc Targets, Winchester Australia, Curly Dann Sports Store — Mt Isa, Chief Minister N.T. — Steve Hatton, Pungalisa Station, Billigara Station, Balbarine Station, K. & P. Harlan, Borrooloola Butchers, P. & M. Fittock, Barr Enterprises — Katherine, Ation P/L, Peter Deans Mensworld — Katherine, Johnny's Electrics — Katherine, Chemtronics, Katherine Pharmacy, Fishing & Outdoor World — Darwin, Jan Tuxworth MLA, Martin Family, Retter Family and Holt Family, Borrooloola Contracting, Quan Sing Transport — Darwin, Curly Wild's Transport — Mt Isa, Charlie & Jeanne Dunne.

## VALE

On June 15, 1987 the Richmond River Gun Club, Lismore lost one of its longest serving members in Herb Threlfo. Herb had been in ill health for some time with diabetes. He had worked to build Richmond River Gun Club facilities to what they are today over many years.

Our members had the chance on June 28 to shoot for the Herbie Threlfo Memorial Shield in Double Rise Competition. This was the event that Herb dearly loved.

Our thanks go to Sylvia Scarborough-Threlfo for donating this fitting memorial to a fellow shooter, and dear friend.

Bruce Robinson,  
Secretary R.R.G.C.

# N.S.W.I.S.U. FUND-RAISING CARNIVAL

## Downside International Gun Club, June long weekend

The 3rd Annual N.S.W.I.S.U. Sub-Committee Fund-Raising Carnival, held this year at the Downside International Gun Club, near Wagga Wagga, was once again well supported and hailed by all who attended as a very worthwhile and successful weekend.

This year, the final National Training Squad/team selection event was held in conjunction with the carnival, which for the first time offered three events, each of 100 targets, in both disciplines, Olympic Trap and I.S.U. Skeet.

Sponsorship for the weekend was once again difficult to come by, however the sub-committee would like to once again acknowledge the valuable support given by:

- Olympic Targets/Scorpio Cartridges
- Evans and Balfour
- C.L.A.S.S. (Col Burt, Tamworth)
- A.C.T. Ammunition (Keith Oakley, Mulwala)
- Blue Dot Targets
- Mulwala Explosives Factory (Mulwex Powder)
- Fuller Firearms
- A.C.T. Lightning Shot (Canberra)

These are the people who support your sport — give them your support in turn.

Major highlight of the weekend must surely be the magnificent exhibition of I.S.U. Skeet shooting displayed by Victorian John Summers. John completely blitzed the field over the entire weekend, shooting 100/100 on Saturday, the first day; 99/100 to take the honours on the second (and in doing so create a new Australian I.S.U. Skeet record); and finally shot yet another 100/100 on the third day to take the overall high gun honors 299/300.

Congratulations John, a magnificent effort.

Although outclassed over the weekend, the entire field of I.S.U. Skeetees shot well. Ian Hale, Craig Meuleman, Brian Thompson, Ben Dudenas and Michael Inguanti, as well as locals Jerry Cole, Col Burt, Brian Prosser, Jim Wilberforce and Bob Kennett all put in some good scores.

The standard was high, and there were certainly no odds-on favourites at any time over the weekend; perhaps with the exception of Summers. That also went for the 'long barrel' events.

In both disciplines, the National Training Squads were squadded together, many of the elite starting very shakily in the first round or so. In fact, the only clean score during the entire first round was recorded by Victorian junior Peter Schwarz of Geelong. Geoff Mark started with a 24 but, apart from that, 20s, 21s and 22s were the order of the first round.

After a round or so, the scores started to improve, Maxwell posted a clean 25 in his third round while Ellis, Russel Mark and Michael Diamond settled for 24s. Ellis in fact shot six 24s for his next six rounds.

At the conclusion of the first day, Maxwell was overall winner of the Pacific Coast Olympic Trap Championship on 94/100. Geoff Mark took AA Grade with 93, while A Grade went to Victor Kalms from West Wyalong, with Gary Grant from Point Cook taking B Grade and the junior trophy going to Michael Diamond.

John Summers had cleaned up the first 100 straight to take day one honors on the Skeet Field, Meuleman carding 96/100 to take AA Grade. The A Grade section saw an extremely good performance from Jerry Cole of Sydney, who started with a 22 but then ran 75 straight to record 97/100 for the day. B Grade went to Bob Kennett, while Michael Inguanti took the junior trophy and Judy Prosser the ladies.

Day two also saw Maxwell take overall honors in the Olympic Trap with a good 98/100. Ellis had a day full of 24s to total 96 and take AA Grade, A Grade went to Pud Burgess, B Grade to Narrandera shooter John Blain, with

Michael Diamond recording 94/100 to once again take the junior trophy.

The second I.S.U. Skeet event saw little change from the previous day's results, except John Summers missed his target for the weekend recording 99/100. Ian Hale notched up 95 to take AA Grade, while Jerry Cole, Bob Kennett, Michael Inguanti and Judy Prosser took their grades and sections for the second day in a row.

At this point, the final 200 targets for the National Team selection was completed, and the teams for the World Championships in Venezuela, and the Oceania Games in New Zealand, were decided.

The Olympic Trap Team — Jim Ellis 763/800, John Maxwell 761/800 and Russell Mark 757/800.

The I.S.U. Skeet Team — John Summers 774/800, Ian Hale 771/800 and Craig Meuleman 761/800.

The final events of the weekend were the Eastern States Olympic Trap and I.S.U. Skeet Championships.

In the Skeet, John Summers continued where he had left off the previous day to record yet another 100/100 for the day. Ian Hale again took AA Grade with 95, Jerry Cole shot 92/100 to take A Grade, while Bob Kennett again won B Grade and Judy Prosser the ladies section.

The Eastern States Olympic Trap Championship saw a three-way tie after the completion of 100 targets, with Michael Diamond, Russell Mark and Pud Burgess all recording 97s. During the shoot-off round, Pud dropped a couple to be out of contention, and it appeared that the other two would need to go 'miss and out' until Russell missed his last to give Michael the overall. Russell took AA Grade, Pud Burgess A Grade and local president Bob Blake B Grade.

High Gun honors over the weekend weren't all that hard to work out —

I.S.U. Skeet	Overall — John Summers .....	299/300
	AA Grade — Ian Hale .....	285/300
	A Grade — Jerry Cole .....	279/300
	B Grade — Bob Kennett .....	243/300
	Ladies High Gun — Judy Prosser	
	Junior High Gun — Michael Inguanti	
Olympic Trap	Overall — Michael Diamond ..	283/300 + 25
	AA Grade — Russell Mark ....	283/300 + 23
	A Grade — A.M. Burgess .....	276/300
	B Grade — Gary Grant .....	242/300
	Junior High Gun — Michael Diamond	

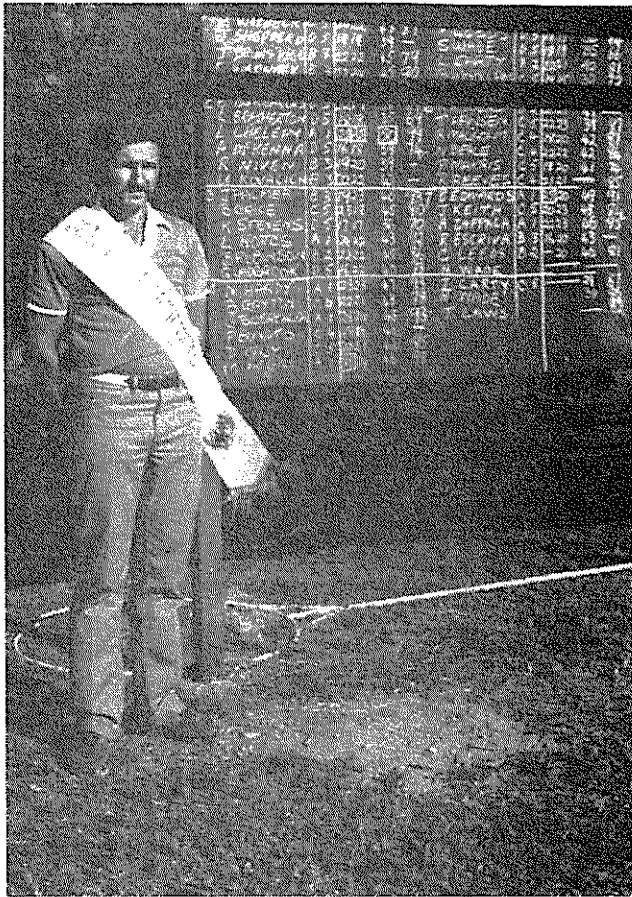

In all, a very successful weekend which certainly produced some fine competition for the competitors in all grades. The objective of the weekend, i.e. to raise funds for the N.S.W. Sub-Committee, was certainly achieved, but this would not have been possible without the assistance of the Downside International Gun Club, the State Secretary Jenny Burt, who did the books for the third year, and all those who assisted in any way.

**David Menck**  
Chairman, N.S.W.I.S.U. Sub-Committee

## NORTHERN ZONE SKEET CARNIVAL

Townsville Gun Club was the venue for the inaugural Northern Skeet Carnival on the 30th and 31st May. The shoot was well supported by shooters from Mt Isa, Charters Towers, Burdekin and Townsville also Rockhampton, Glenden and Sunshine Coast Gun Clubs. Saturday, 42 shooters competed with 40 on Sunday. The first two events on Saturday were 25 targets sweepstake events with 18 shooters reaching possibles with handicap in event 1 and 16 in event 2.

Event 3 was the Northern Zone Championship, 50 targets. Laurie Chelepy from Rockhampton came in with a winning 50. The Northern Team was selected on this event: Bill Holmes, Barry Edwards, Neil Hardy, Arthur Kenna, Bob Rogers (all from Townsville) and Mick McGill

(Mt Isa). The team then shot a further 50 targets to post a score for the Inter-Zone Skeet.

Sunday, 100 targets Townsville Skeet Championship was shot with Laurie Chelepy the winner 99/100.

The overall high gun was won by Laurie Chelepy with 149/150 on events 3 and 4, but Laurie's weekend score was 199/200.

A meeting was held on Sunday with the shooters deciding yet we will have a Northern Zone Skeet Carnival next year, but closer to the State Carnival. Also keep costs to a minimum by having badges and an overall sash, unless we can attract a sponsor. Everyone agreed it was a very good shoot, although the wind played havoc with the targets, it was very strong. Next year's venue will be decided later in the year.

Sandra Wade,  
Publicity Officer,  
Townsville Gun Club.

## SPECIAL MENTION

A special mention must go to Brisbane shooter Gary Redmond for a magnificent performance at the Queensland Trap Carnival at Toowoomba in May.

Gary shot —

- 177/177 to win the State D/B Championship
- 168/168 to win the State Points Championship
- 57/60 for runner-up in the Double Rise
- 150/150 in the Team Shoot to give him 400/400 for the Qld Champion Award (as he also shot 50/50 in the Single Barrel)
- 395/400 for O/A High Gun (missing only 2 Double Rise and 3 H'cap targets)

Congratulations Gary — a fine performance.

## A TRIBUTE TO SID

Sid Churches who passed away on 15th May, aged 74 years, will be remembered by many shooters as the founder of TAIPAN PROJECTILES. Used by many professional and sporting shooters in Australia and New Zealand, "Taipan" was a household word in shooting circles from the late '40s to the early '70s.

Sid's interest in firearms began at an early age, and he was a keen rifle and pistol shooter. In 1967 when he and Elva opened Taipan Gunshop, Sid was introduced to clay target shooting, and later developed a love for Skeet, so much so that he and Elva donated a pair of Winchester hopper fed skeet traps to the S.A. Gun Club. Sid had open heart surgery in 1977, but even this did not keep him away from his loved skeet for long.

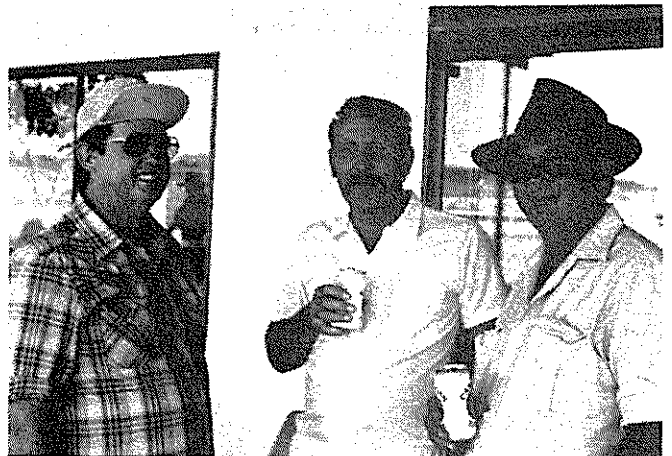

He was a life member of Alexandra Gun Club, and the S.A. Gun Club. Sid and Elva spent many happy hours at gun clubs in S.A. and interstate and made many friends during their travels.

Sid will be sadly missed by the many friends and business associates made through his lifetime.

Sid is survived by his wife, Elva, daughters Frances, Diana, and son Barry.

## TOP SHOOT

The 1987 Annual Shoot of the Mount Isa Gun Club turned out to be a top shoot in every respect, with visitors coming from as far as Melbourne, Townsville, Normanton, McArthur River, Camooweal, Karumba, Charters Towers, Richmond etc., with plenty of good refreshments, with a well organised program and nearly 60 shooters, it just had to be an excellent weekend.

• Three of a kind — W. Brummel, Mt Isa, P. Erickson of Camooweal and T. Martin from McArthur River.

Trophies exceeded the \$2500 mark and they were well spread around. The "Burglar" title was not awarded to anybody this shoot. However, Noel Beale from Townsville inches his way to the top to win the High Gun 264/280.

G. Matthews of Mount Isa won the Average High Gun with 238/280.

Ladies High Gun winner U. Brummell with 243/280 was also a joint winner in the 50 Target Calcutta with B. Power, both scoring 49/50.

The Veterans High Gun was taken out by A. Borics with 245/280.

All in all, the two day shoot went very smoothly and everyone had a great time, even the Victorians!

On behalf of the Mount Isa Gun Club I would like to thank everyone who took part in this shoot, also for the

people who looked after the catering. It was excellent.

Special thanks to the business people of Mount Isa who donated all the trophies and helped to make the weekend a successful one.

And last but not least, thanks to the numerous visitors who turned up and made the competition better.

I hope they will spread the good word about our Club, and perhaps we will see more of you in the future.

From Mount Isa we wish you all the best.

Gabby Magdics,  
Publicity Officer, Mt Isa Gun Club.

## WAGGA GUN CLUB NEW CLUBHOUSE PROGRESS REPORT

• Wagga Gun Club's new club house, front view, Stage 1.

Most shooters would know that the Club was granted \$31,000 through the Department of Sport and Recreation. The balance, totalling \$40,000 would be provided by the Club (most of this would be volunteer work by members).

The work on the new clubhouse started quite late due to the usual 'red tape' and the work involved in the 1986 Skeet Nationals. With the Skeet Nationals over, work was able to begin, first was the four steel frames. This had taken quite a while to get put into place without the proper equipment. The next stages started, as usual with many clubs, only a few willing workers. The walls and roof were up by March and presently the plumbers and electricians are working.

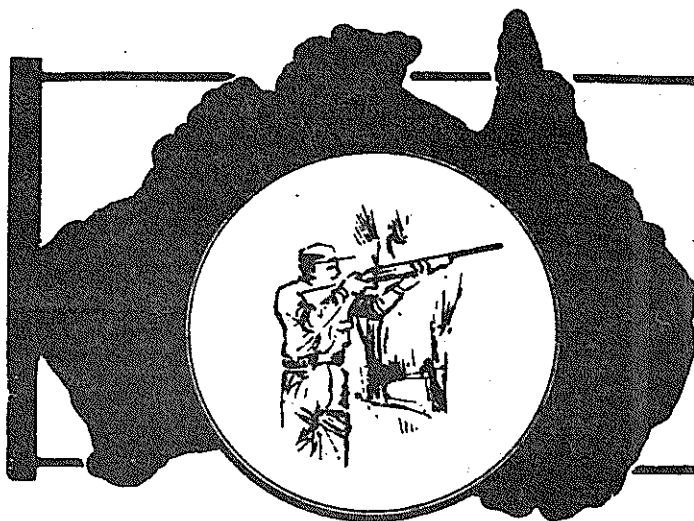

The clubhouse will be 75 x 40 feet with a verandah to be added on in the final stage. Inside will be (when stage 1 is completed), three ladies toilets, wash basins, shower with the same in the mens. There is also a large kitchen, office and bar with plenty of room for open floor space and eventually a proper dance floor.

At this stage the clubhouse is 65% complete. The clubhouse will be operational for the Trap Nationals next April. It will certainly be an improvement on the old clubhouse. During periods where State and National events are being conducted the old clubhouse is used for the office and there is nowhere for the shooters and their families to sit, now both is available.

If you have not booked any accommodation, start NOW. Some motels are already booked out.

Good shooting and maybe we'll see some of you before next April.

Maree Rooke,  
Publicity Officer.

# WET AND DRY

**N.T.C.T.A. NEWS:** The fifth Annual State Trap Carnival saw a remarkable best-ever break of 253 recorded by Ken Selwood, which, in most shooters' memories is also the top tally shot by a Territorian. Well done, Ken!

Ken also took out the High Gun Award, and, to cap it off, was elected President of the N.T.C.T.A.

Bob Fox, Darwin's President, becomes Vice-President, and Paul Weis, after a one-year absence, has taken over his old Secretary/Treasurer portfolio.

The numbers were down considerably for shooters 'shooting the programme', only 27 full noms being received from the 53 shooters present. I won't say anything about the programme, other than that it was hastily compiled and poorly executed.

With such numbers, returns to shooters and to the Association were the worst yet. It is to be hoped that the present Committee can arrange a greatly improved and better publicised shoot in 10 months' time. A lot of work needs to be done in the ensuing months on sponsorship for what should be our major shoot. We have sat back with minds in neutral for too long.

Enough said on the above; but we have a Skeet Carnival in September; much organisation again is needed for a reasonably successful shoot.

The N.T. team caused headaches for at least one member of the retiring executive when a Queensland resident, N.T.-registered, made the five-man Shoulder to Shoulder team for the '88 Nationals. Well done J.A.

Mark Grosvenor also joined the team, by shooting himself into 'AA' grade, and there must be something out at Jabiru for Dave Moon, who also graduated to the 'big boys'.

Individual event winners were: Dexter Barnes, Points Score; Tony Hare, Single Barrel; Ken Selwood, Double Barrel, Team Double Barrel and Double Rise; Grant Bollen, Handicap; Interstate Postal Shoot High Gun was Greg Chan.

The first day was 'more than somewhat' hectic, with traps, leads and motors breaking down almost on the half hour. It seems that a spike in the power supply caused most of the trap problems. With the delays, most shooters were not impressed by the decision to postpone the final squads in the single barrel event until the next morning. It was argued, and correctly so, that, as previous squads were also hampered by the position of the sun, so should subsequent squads. The Shoot Marshal decided 'off his own bat' that conditions were adverse and, with the departure of most shooters, the jury and club representatives were powerless to reverse what should have been their decision. Not good enough, Shoot Marshal!

**HERE AND THERE:** Darwin shooters turned up in droves for the 'Bring a Friend' day recently. It's an idea which has been tried successfully previously, on an annual basis. It might be a better idea tried quarterly, and with the emphasis on short events and many of them. As the Skeeties were heard to say as they took the field at 3.30 for their midday shoot, 'It's been a long day'.

With such shooting, it has always been a mystery that presentations over a long program are left until last; in racing circles, when the race is run, and you're on a 'high', you're presented with the Cup, the Cheque, and the Chit Chat. A shooter shouldn't have to wait around like a stale 'bottler' for every other thing to be shot; you've had your hour of glory, and I think it should be rewarded then and there. There is nothing as boring as sitting down to presentations over a full weekend's programme, and hearing the same old speeches hashed up ad infinitum. Done every couple of hours, it's bearable.

Organisation shouldn't be a problem to any Committee with a collective brain in its head; the only drawback is that the trophies keep reducing as the days go by and the display is not as impressive. However, it's less of a problem to put them in and out daily for whoever's got the job; the

'fair dinkum' top drawer trophies should be the only ones done at the conclusion of the shoot; the High Guns awards.

Enough windmill tilting,  
Until next time,

### Cont'd from page 13

Tom Mock and his wife Rosie have returned home after a 10 week holiday up to the Kimberleys to visit their son down the coast of W.A. and across the Nullarbor to home, camping on the way. Hope Jeff and Marg Hinge have a good trip up to Darwin and then home through W.A. with some friends.

Tom Megaw and some of the students involved in the Coaching Schools.

### MOUNT GAMBIER

Have been holding some very successful Coaching Schools with 100 students from Secondary Schools in the District. Mt Gambier High, Grant High, Allendale East  
AUSTRALIAN CLAY TARGET NEWS — AUGUST 1987

Area & Tenison College. Winchester supplied the cartridges and Targets given by Gambier West Brake Service, Mr Joe Kljun. Great to see Club members giving their time to teach young people some gun safety and handling skills.

On 13/6/87 at the Mt Gambier Gun Club a very pleased Tom Megaw won the District D/B after a shoot off with six shooters who had all shot the possible. This event is sponsored by Trident Tyre Company, in Mt Gambier. Tom is now eligible for the finals of the Andrews Family Trophy at Bordertown on December 19th.

Bob Andrews on the day won the O/A High Gun award. Bob being a very hard man to beat at any time.

# BLACK CHROME

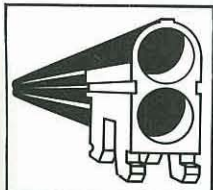

## IN AN ORDINARY WORLD, A TOUCH OF THE EXTRAORDINARY.

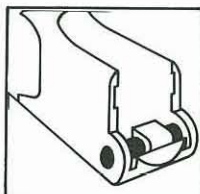

Laurona's unique BLACK CHROME process gives these precision Trap and Field guns a rust resistance factor some 60 times that of conventional blueing. Exteriors of barrels and Multi choke tubes are black chromed, whilst interiors are hard chrome lined (even threaded areas) — providing the ultimate resistance to rust, corrosion and pitting.

Ornate engraved 'Old Silver' finished receivers are complimented by select walnut woodwork, oil finished and hand checkered the traditional way.

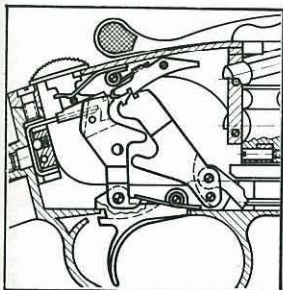

In addition to Multi-Choke versatility, the Laurona 85 series offers design innovations and features far and away ahead of similarly priced firearms. Laurona 85 — precision made guns at affordable prices.

For optimum strength and reliability, barrel tubes, chambers and locking lumps are constructed of one piece forging, not sleeved or jointed.

Well dimensioned high alloy steel hinge pin is centrally reinforced for greater strength and durability. Large forearm metal contact area ensures consistently firm, smooth opening/closing action.

Laurona's unique inertia and mechanically activated single selective trigger assures re-setting for second barrel with the lightest of loads — or in the event of a cartridge misfire. In addition, hammers are double toothed to avoid accidental discharge.

The unique Laurona 85 Series trap and field guns — a touch of the extraordinary in a very ordinary world.
