# FROM THE DESK OF THE NATIONAL COACHING DIRECTOR — PETER QUIRE

## THE HONOUR OF MEMBERSHIP OF THE AUSTRALIAN CLAY TARGET ASSOCIATION

Membership of the Australian Clay Target Association via the membership of a Clay Target Club, is something that should not be given or taken lightly. The Australian Clay Target Association has a great record of safety, and of having as members, people of good character, who are respected in their communities.

It would be a great pity if the sport of Clay Target Shooting was used purely as a means to an end, by people who wish for one reason or another to keep their fire-arms under the proposed rash of legislation to restrict fire-arm ownership.

### MEMBERSHIP TRIAL PERIODS

Just as with a driver's licence, where it is necessary for drivers to have a trial period, and then pass a test, so perhaps the various Clay Target Clubs could consider making it mandatory for all new Club members to attend a series of safety and skill sessions run by the Club, Zone or State Coach, and at the completion of these short courses pass a practical and theoretical test.

All of those Coaches who are accredited in the National Coach Accreditation Scheme have proved that they have the ability to run such courses, and the Clubs could charge a fee for the course to cover the Coaches and Clubs costs.

Every member of the Association promotes the sport of clay target shooting by being a good citizen and a good club member, so don't let us give away club membership too cheaply, certainly welcome new members, but by setting some criteria for membership, such as the above mentioned course, we will possibly add to, not detract from, the attractions of membership.

### VICTORIAN STATE COACHING DIRECTOR

The Victorian State Association have appointed a new State Coaching Director, Bob Schwarz. Most Victorian shooters will have already met Bob, who in the early days of the Coaching Scheme was a Zone Coach. Victoria is lucky to have such an enthusiastic, experienced Coach as State Director. I am looking forward to working with Bob and I am sure that if any Victorian shooter would like to talk to him, his address is Bob Schwarz, 8030 Range Road, Bannockburn, 3831. Phone (W) (052) 78 2665, (H) (052) 81 1203.

### THE OCEANIC CHAMPIONSHIPS

The Championships are to be held in Christchurch, New Zealand. These are regional championships and the countries in the area will be competing for quota places for the Olympic Games in 1988. Australia will be fielding a very good team: John Maxwell, Jim Ellis, Russell Mark, Rob Thompson, Domingo Diaz and Geoff Mark, Trap, Ian Hale, John Summers, Craig Meuleman, Brian Thomson, Michael Inguanti, and Alec Crikis Skeet. Junior Trap

Team of Michael Diamond, Brett Dunstan and Filippo Petriella, and Junior Skeet shooter, Mark Argar. State Coaches Col Burt, Greg Chan and Murray Alexander will also be assisting with the administration and coaching as part of their Level 3 Accreditation Course. Several of the shooters will also have the opportunity to gain a qualifying score, to qualify them to eliminate for the Olympic Team at the 1988 Nationals in Brisbane.

### I.S.U. NATIONALS FEBRUARY/MARCH 1988

Brisbane will be a great place to visit in 1988 as it is the bi-centenary year and Brisbane is preparing for the famous EXPO. The Queenslanders are lucky to have a beautiful I.S.U. set-up and I am sure will see many overseas visitors on their way home from the Oceanic Games, as I believe shooters from several countries are going to Christchurch to try to gain qualifying scores; even if they cannot compete in the Games themselves.

All the very best for 1988, I hope to meet as many of you as possible, and IN 88 LET'S CELEBRATE OUR NATION, AND THE PROUD RECORD OF THE SPORT OF CLAY TARGET SHOOTING AS WELL AS ITS BRIGHT FUTURE.

## KNOW YOUR EXECUTIVE

### JIM SCOTT

Jim started clay shooting in 1960 as a member of the Dubbo Gun Club where he served on the committee of that club for a number of years, and for a time as Vice President.

When the Dubbo club went into recess he joined Warren Gun Club and was elected to their committee.

Upon the formation of zones in N.S.W. he became a member of the Western Zone and served both as President and Vice President. He then joined the N.S.W.C.T.A. Executive in 1975, went on to become State Vice President for a number of years. Jim then was elected to the A.C.T.A. Executive in 1981, for the last two years held the position of Vice President. He served on the I.S.C. Sub-Committee for a few years. He is at present involved on the following committees: Management, Nationals, Promotions and Referees.

### ROY HOLTFRETER

National President, Roy Holtfreter, commenced AUSTRALIAN CLAY TARGET NEWS — FEBRUARY, 1988

shooting clays during 1952. Being club minded, Roy convened a meeting in 1953 to form the Northam Gun Club and was elected to the position of Club Secretary.

After some years in that position he was elected Club President in 1959 and continued with a long career in shooting administration.

Assisting with the formation of the W.A.C.T.A. in Geraldton in 1955, Roy took the position of Northam and Zone delegate to the W.A.C.T.A.

W.A.C.T.A. Presidency followed in 1965 to 1968 with an appointment in 1971 to the National Executive Committee, a position which he holds to this day.

At National level, Roy became Vice President in 1981, his expertise at National level elevated him to the position of National President in 1984 where he remains today.

Roy's peers in the sport recognised his commitment, for in 1974 he was made a life member of both the W.A.C.T.A. and the Northam Gun Club and in 1982 life registration was bestowed by the A.C.T.A.

A totally dedicated shooter who has given many years of service to the A.C.T.A., Roy M. Holtfreter.

## WARATAH STATE NOTES

### RULES:

First up this month, I would like to draw to the attention of each and every shooter and Club Executive, the following rule:

5.1 (f) ANY SHOOTER DELIBERATELY FIRING AT ANY FAUNA ON ANY SHOOTING GROUND SHALL IMMEDIATELY BE SUSPENDED BY THE CLUB MANAGEMENT AND SHALL REMAIN SUSPENDED UNTIL THE INCIDENT IS DEALT WITH BY HIS STATE ASSOCIATION.

The Rules are made to be adhered to — NOT ABUSED — and it is the responsibility of the Club Management to ensure that this practice is stopped forthwith.

### ANONYMOUS LETTERS:

I am in receipt of a letter from "A Concerned Sportsman" from Orange regarding the report on the 1987 N.S.W. State Trap Carnival published in the January C.T.S.N. — It is a shame that the person concerned could not identify him/herself — however, I would just say that we are not all perfect and some of us do make mistakes.

### GUN LAWS:

As you are all aware, this matter is a grave concern to us all and will in the long run affect us all.

I have been asked by our President, Robby Smith, to assure you all that the N.S.W.C.T.A. is doing all that is humanly possible with what resources we have to fight these crazy restrictions that have been placed upon us.

All shooting bodies are contributing to the cost of a Press Release Kit, which should be available in the not too distant future.

We cannot stress strongly enough, that we must all speak out — NOW — if each and everyone of us is not heard — NOW — it will be too late. If we want to contribute to enjoy our chosen sport, we must decide who we will vote for in the next election and make those votes count.

This matter must not be just left to your Executive to fight for you — you must put your weight behind it also.

Petitions are not the thing — an individual letter from every registered clay target shooter in N.S.W. to Mr Unsworth is what is needed.

REMEMBER — IF YOU WANT TO CONTINUE TO SHOOT WHEN YOU WANT TO — SPEAK OUT NOW.

### WESTERN ZONE NEWS:

As reported in a previous edition — the Western Zone Flag went missing after the State Trap Carnival and it was reported that a reward could be posted for its return — The

Inverell Gun Club tell me that they are waiting for their money — apparently the Green and Gold flag was found up a flag pole no less at the Inverell Gun Club.

While in the West — an early reminder that the Goodooga Gun Club will be hosting the State Day Deauville Doubles Championship at their Open D.T.L. shoot being held over the 12th/13th March.

#### **NORTHERN ZONE NEWS:**

The Northern Zone Trap Carnival and Team Eliminations will be held at Guyra — in conjunction with their Annual Open D.T.L. over the weekend of the 27th/28th February. Always a great time had at the Guyra shoots and this year will be no exception from all accounts.

For those Skeet shooters wanting practice for the State Skeet Carnival — why not go along to the 2 Day Open Skeet shoot at Tamworth on the 20th/21st February. I understand that quite an amount of work has been carried out over the Christmas break and the 3rd permanent layout is all but completed. The Tamworth Committee have allocated \$2000 for trophies this year.

Another popular shoot to attend is the Glen Innes 1 Day Open D.T.L. on Sunday 7th February — great hospitality and catering — and nice cool weather conditions up there in the hills.

#### **CENTRAL ZONE NEWS:**

West Wyalong Club has been allocated the State Night Point Score Continental for this year and they have programmed it for Saturday, 20th February.

A little way ahead is the State Night Skeet Championship, which is set down for Bathurst Gun Club on the 1st May.

#### **RIVERINA ZONE NEWS:**

With the Deniliquin Gun Club requesting affiliation with the Victorian Association, and that request being granted — Zone Delegate Bryan Hall had to be replaced — Downside shooter, Bob Blake is the new Delegate for the Riverina — a welcome to Bob.

#### **SOUTHERN ZONE NEWS:**

Hawkesbury Gun Club will be hosting the State Night Mixed Targets Championship at their night shoot on Friday, 26th February.

Another Night event will be the State Night Point Score Championship, which will be shot for at the Goulburn Gun Club on Saturday 12th March.

#### **COACHING NEWS:**

Riverina Zone Coach, Fred Schmetzer has organised another Coaching morning — this time at the Leeton Gun Club on Sunday 28th February commencing at 9.30am. State Coaching Director, Col Burt will be in attendance and a varied program has been arranged.

Following on from that day will be one at the Lismore Club on the 6th March — Northern Zone Coach Roy Shepherd is handling arrangements for that one — State Coaching will be in attendance for that one also.

Don't forget — each Zone has a Coach — and they are there for the benefit of all shooters — and are only too happy to offer assistance. Why not invite one of them to your club this year?

#### **OUR OVERSEAS COMPETITORS:**

I'm sure all shooters in Australia were thrilled to read of the success of our shooters at the recent World Championship held in Venezuela. What a disappointment though, not to have received support from the television media and capital city papers. The N.S.W.C.T.A. gave financial support to all three Juniors, and it was very pleasing to receive a lovely thank you letter and report on their success from two of those young shooters. Although the amount of money was not great, both letters expressed heartfelt thanks and said that every little bit helped them and their families. Keep up the great shooting fellows.

## **VALE**

It was a sad Christmas for the family and the many friends who learnt of the passing of the late Allan Cramp, being a fellow shooter to many of them.

Allan had been seriously ill with cancer which regrettably took his life on Christmas Day. He will be sadly missed by his family and by all those who came to know him, with his smiling face and wonderful personality. His unselfish attitude to the betterment of Clay Target Shooting, especially towards helping and fostering Junior Shooters with both time and money, is a lesson we could all learn from.

Allan enjoyed shooting from the early years after encouragement from the late Jim Leahy and he never looked back after he bought his first Browning Shotgun which complemented his talent.

Joey, as some people knew him, loved travelling to shooting venues near and far, and because of his enjoyment of driving no distance was too great to attend a number of shoots, as most clubs would be aware of. More recently, knowing he was unable to shoot for health reasons, he put his knowledge and willingness into assisting in other areas.

Allan won numerous Championships and events during his time of shooting, including Champion of Champions at the State Carnival in Tamworth and qualifying for the State Trap Team in 1985.

The esteem Allan was held in by his fellow shooters is shown in the N.S.W. Clay Target Association's purchase of a Cup to be known as the Allan Cramp Cup to be used as the Perpetual Trophy for the State Points Score Championships. The anonymous donations by the person or persons involved to enable the Association to purchase the Cup was greatly appreciated.

The tremendous strength and courage shown by Allan in the latter months of his life, knowing all the odds were against him, can only reflect what we already knew of a wonderful person who will be sadly missed by all those who knew him. I know I will.

# THE FIRST AUSTRALIAN MASTERS GAMES

The first Australian Masters Games was an outstanding success with the Clay Target section no exception. Although numbers were down a little on the number of registered competitors, ninety three shooters took part in what has been said to be the best clay target event ever staged in Tasmania.

The spirit in which the competition was contested was fantastic with much friendly rivalry and a few side bets between old friends. The National President, Roy Holtfreter, officially opened the Clay Target shooting on the Thursday evening following a day of Pre-Masters competition and all was set for a great weekend.

Friday dawned bright and sunny with the strong winds of the previous day having abated. All interest, especially from the State juniors, was on Alex Crikis and he didn't let his fans down, by scoring the only possible 75/75 in the First Australian Masters Skeet Championship. The Silver medal went to Allan Blease after a shoot off with Bob Old who received Bronze.

Graeme Appleby proved that the mainland shooters were not unbeatable by taking Gold in the Double Barrel with a score of 100/100. Allan Blease once again had to survive a shoot off to take Silver from Bevin Swan.

● Double Barrel placings: 1. Graeme Appleby, 2. Alan Blease, 3. Bevan Swan.

Eighty five competitors took part in the I.S.U. Skeet competition in trying conditions. Many shooters had not shot this discipline before and this resulted in a slow first round but has created an interest, so hopefully we will see more of this type of event programmed by those clubs with the facilities. Alex Crikis once again showed what a great sportsman he is by firstly giving a demonstration of correct gun hold and then by shooting top score of 47/50. Sperry Marshall shot well to take the Silver medal with Bronze going to Don Taylor after a shoot off with Peter Giddings.

The final event, the Single Barrel, produced a win by a dark horse, local policeman Bill Williams. Bill was ecstatic about his win as it was his first 50 break. Three well

known shooters, Jack Blake, Brian Mark and Alex Crikis shot off for Silver and Bronze with success for Jack and Brian.

National President Roy presented the medals to the Overall and Group winners at the conclusion of the competition, before officially closing the event.

An event such as this involves a lot of work, usually by a few people and thanks must go to the Organising Committee and in particular Jim Briggs, Jock Bryan, Stuart Browning and Graeme Blaskett who gave their time to referee each day, relieving the shooters from this duty. To Roydon Swan and Julian Kean thanks for scoring and to Shane Yates who acted as Media Liaison Officer, well done. Finally a personal thanks to fellow office workers John Sturzaker as Tournament Director and Molly Bryan my invaluable offsider both of whom gave their time and expertise to ensure a smooth running office.

K. Woods,  
Sports Organiser.

## EVANS & BALFOUR PTY LTD SPECIAL ANNOUNCEMENT

We wish to advise you that Evans & Balfour Pty Ltd registered gun dealer, will be closing their premises at 269 Little Collins St, Melbourne, at the end of April 1988. Westpac Bank, the owner of our existing premises, wish to expand their present area next door for the simple reason they require the space.

We have been at the above address for 56 years and whilst the decision to close down was unavoidable for the reason above, our Managing Director also wishes to totally retire, having served in this capacity all these years.

While considering the difficult period the firearm trade has had of recent times, we are optimistic that it will recover within the framework of realistic control now being investigated.

As a wholesale/importer of firearms and recognised dealer of merit over the years, we will have from January 1988 a program to liquidate existing stocks of guns and shooting equipment at attractive prices. We therefore suggest it would be an advantage for you to seek a quotation on your sporting or shooting requirements, particularly on shooting equipment as a complete sell out of stock, mainly guns and rifles, will be necessary.

We can assure you our offer will be of interest, further information will be released on future trading locations in the future.

# PERAZZI

## The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

# 7th AUSTRALASIAN POLICE TRAP AND SKEET CHAMPIONSHIPS ILLAWARRA . . . 1987

On Wednesday the 14th October, 1987, the day was clear and free of wind, quite a little unusual for Illawarra Gun Club, Dapto N.S.W., as members of the Australasian Police Clay Target Association arrived on the eve of the 7th Australasian Police Trap and Skeet Championships. Travelling from all over Australia and New Zealand, the teams assembled to renew old friendships and make new ones. You see, the Australasian Police Clay Target Championships were conceived in Bendigo some seven years ago with the aim of fostering Police fellowship through the sport of clay target shooting. From that time the Championships have grown from strength to strength, having been held in most states with increasing degrees of strength.

● Illawarra Gun Club looking in fine condition for the Australasian Police Trap and Skeet Championships.

This year, through the magnificent sponsorship of the persons and firms listed below, and through the hosting in joint venture of the Illawarra Gun Club and the Federal Gun Club, shooters, both Police and Visitors, competed for trophies valued in excess of \$15,000 over three days of shooting.

Day one, Thursday 15 October, saw the event of the Australasian Police Skeet Championship, of 50 targets. Under turbo charged skies, Glen Durre of Queensland Police (Gympie) took home the cased Winchester Diamond Grade shotgun donated by J.M. Bowley (Importers of Glock Pistols), Steve Balogh of Canberra International shot the only possible to take home the visitor's trophy donated by Tom Meadows, a long time supporter.

Later that day the second event was shot, 25 pair Australasian Police Double Rise Championship. The weather had not improved at all. Dave Turner of the New Zealand Police shot a fine 46/50 under the conditions to take home the Rodney Camage Jeweller trophy of a silver dome platter. John Maxwell of Illawarra took the visitor's trophy of a silver champagne bucket donated by Don Jones of Australian Automatic Arms, Tasmania.

Day two looked fine to start with, however, it did not take long before the winds and squalls took over. Event three was the Australasian Police Point Score Championship over 50 targets.

Glen Durre of Queensland Police (Gympie) again showed fine style to record 146/150 to take home the Remington Shotgun donated by Bill Anderson (Firearms Distributors).

● Steve Steenstrup appears very pleased to receive the Australasian Police Championship from Peter Hong (Rank Xerox), major sponsor.

● Greg Pegg (Vicpol) receives the Winchester Shotgun from Wayne Pilkington (Winchester) for the Blue Ribbon Police Double Barrel Championship, Herb Prior, right, from the hosting Federal Gun Club.

Peter Jackson of Illawarra took the visitor's trophy sponsored by Miltec International (Ian McFarlane) with a score of 149/150.

Event four was the 50 target Australasian Police Single Barrel Championship which was sponsored by Ian Hale of Franchi Imports who donated a beautiful Franchi Auto Shotgun. The Police Champion in this event was Greg Pegg of Victoria Police (Tatura Club) with 48/50.

Peter Jackson of Illawarra again showed fine style to take out the visitor's trophy, donated by the Federal Gun Club of a ship's decanter with a 46/50.

Day three brought the blue ribbon event, the 50 target Australasian Police Double Barrel Championship sponsored by our traditional sponsors, Winchester.

Greg Pegg of the Victoria Police (Tatura Club) took away the Winchester Auton Shotgun with a 55/55.

It was nice to see our sponsor, Wayne Pilkington of Olin Winchester win the visitor's trophy donated by the Federal Gun Club of a Stuart Decanter with a fine 50/51.

The major prize winners for the Championships were:  
Police National Champion: over events 3-5 — Steve Steenstrup (Queensland Police) — N.E.C. Colour T.V., sponsor Rank Xerox.

Police High Gun: over total program — Glen Durre (Queensland Police) — Silver Punch Service, sponsor Phoenix Enterprise (Heckler and Koch Firearms).

Police Inter High Gun — Tex Drummond (Victoria Police) — Cased Puma Knife, sponsor Deiter Schuster (Eurocut).

● Glen Durre (Qld) receives the Winchester Diamond Grade from David Davies (J.M. Bowley) and Herb Prior (Federal Police) as the winner of the Australasian Police Skeet Championship.

● Glen Durre (Qld) receives the Police National High Gun from Herb Prior, president of the Federal Gun Club.

Police Champion Team: Victoria Police Team No. 1: Glenn Woodhatch, Terry Bannan, John Foster, Chris Penno, Tex Drummond — ½kg fine silver bar each, sponsor Rank Xerox.

Visitors High Gun — Peter Jackson, Illawarra — Gun Case and recharge torch, Keith Herron, Federal Gun Club joint sponsors.

The Australasian Police Clay Target Association, through the hosts and organisers, the Federal Gun Club, wish to publicly express their appreciation, particularly to Illawarra Gun Club for making the staff and facilities available to us and to the following sponsors who made, not only the event possible, but the magnificent event it turned out to be.

Major sponsor: RANK XEROX.

Event sponsors: OLIN AUST (WINCHESTER) — FIREARMS DISTRUBUTORS — RODNEY CAMAGE JEWELLERS — AUSTRALIAN AUTO ARMS — GRYPOL INTERNATIONAL — ALBERT HELLWEG — R.S. McNEILL FIREARMS — KEITH HERRON — J.M. BOWLEY (Tim Mathews) — FRANCHI IMPORTS (Jan Hale) — PHOENIX ENTERPRISES (H & K) — EUROCOT (Deiter Schuster) — STEWART AND ALLWOOD — COMMERCIAL MARKETING CO — FULLER FIREARMS — MILTEC INTERNATIONAL.

# AROUND THE TRAPS

With LAURIE CONNORS

The North West Zone held its Annual General Meeting at Callawadda Stawell Gun Club on Saturday November 19, 1987. The meeting was well attended by clubs with the following being elected to Zone Council.

Zone President, Jim Gawith, Vice President, David Bertalli, Secretary Treasurer, Pauline Clark, Zone Handicapper, Leon Gibson, Zone Coach, Frank James., Zone Councillors are Laurie Connors, Jim Gawith, John McVitty and Brian Rafferty, with Laurie Connors, Jim Gawith and John McVitty representing the Zone on State Council. Jim Shepherd from Maryborough, one who has given valued service over several years to the State Association and Zone Council, did not seek re-election to either body. Jim, your contribution to both these councils will be sadly missed. However, on behalf of all, many thanks for the time and effort you gave to our sport at this level. I know as soon as your business allows we will see you around the meeting table again. At the shoot that followed this meeting the "Dapper" pair of Jim Shepherd and Brian Rafferty teamed to win the Deauville Doubles Championship, with a clean 20/20. Top lady competitor, Faye Burton had little opposition in winning the Double Barrel Championship on the same program with 40/40. The 1987 Champion Honours went to Callawadda Stawell's own little boy, Phil Scott 66/74.

• The "Dapper Pair" and Deauville Doubles winners at Callawadda-Stawell Gun Club, left, Jim Shepherd and Brian Rafferty with North West Zone secretary-treasurer Pauline Clark.

• Left: Steve Haberman winner of the Victorian Olympic Trench Championship being congratulated by State I.S.U. Skeet champion Ian Hale.

Sunday November 20, 1987. Melbourne Gun Club hosted the Victorian Olympic Trap and I.S.U. Skeet Championships. This discipline is not attracting the numbers it did some years back. It appears only shooters who can record good scores are competing. I feel not enough trench layouts in Victoria is one of the problems forcing shooters into high travel costs to practise and compete competitively in this part of our sport. Steve Haberman captured the honours in the Olympic Trench with Ian Hale being the victor in the I.S.U. Skeet.

• Tex Drummond, Goroke Gun Club's top shot after winning the Xmas shoot high gun and 1987 aggregate championship.

Goroke Gun Club, Friday, December 4, 1987. Along with about 59 other shooters, I had the pleasure of being a guest at the Goroke Gun Club's Christmas shoot. It was a delight to be the recipient of such great hospitality extended to all in attendance by the club. Whilst there were trophies for everyone that competed, Tex Drummond took the honours as being top shot at this shoot. Tex won the major trophy as well as the 1987 Club Aggregate honours.

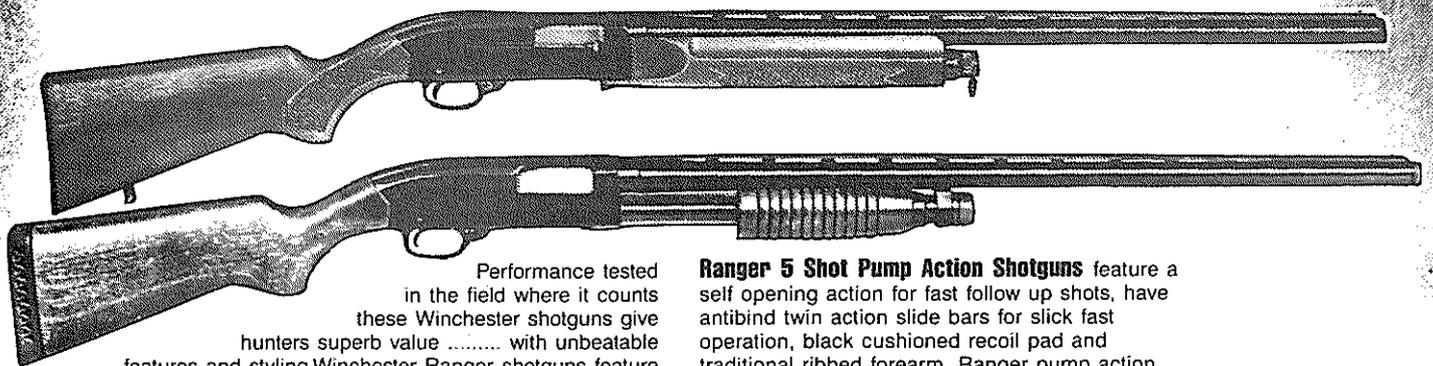

• Left: Frank James being honoured for 25 years of service to the Kerang C.T.C. pictured with Neil Berry overall winner of the event to celebrate Frank's 'Silver Jubilee'.

Kerang Gun Club, New Year's Day. Kerang Gun Club organised a special event called the Presidential Silver Jubilee Double Barrel Championship. The event was conducted to honour Frank James, who has been club president for the past 25 years. Frank is well known by the shooting fraternity and to prove they appreciated his dedication to the sport, 148 shooters turned up and entered the events. Many others attended just to say thanks to Frank for a job well done. Twenty-one firms assisted in the celebration by being sponsors. The last shot was fired by Neil Berry who won the overall trophy and AA Grade 118/118. Richard Allen was second AA 117/118. A Grade first went to Phil Scott 109/110 with Neil Franklin second 81/82. B Grade first was won by George Bradley 47/48 and Trevor Thomas second 41/42. G. Davies won C Grade first 29/30 with Trevor Phillips second 27/28. Faye Burton won the ladies section 28/29. In recognition of his contribution to the Kerang Gun Club, Frank was presented with a gold watch, suitably engraved to tell the story. From all in our shooting sports "THANKS FRANK", you deserved the honour.

See you where there is shooting,

Bev Grice.

## STURT PEA FROM S.A.

Christmas and New Year have been and gone, and we can now settle down again and concentrate on 1988. Hope you will continue to send in items of interest for this column.

I hope everyone sat down with the January issue of Clay Target Shooting News and read the long list of TRAP SHOOTING RULES, etc. Some very good reading in that issue; on pages fourteen and fifteen, Guidelines for Referees Trap and Skeet and Referee Examiners. A great help to everyone being better informed.

### STATE CARNIVAL

Only a week away by the time the February C.T.S.N. has arrived in your post. I hope you will be able to attend. We have been working very hard to make it a success. All we need now is a good attendance of shooters. Monarto Club Members are great hosts and will be flat out to see that all is in order. All sashes have been donated which I think is great. We are working at getting someone of importance to open the Carnival which would be at 10.00am on Saturday. Don't forget the event on Friday at 5pm.

### GUN LAWS

A worry to all shooters at this time. At the moment we are waiting for a copy of the proposed new Gun Laws for S.A. which are to be put to Parliament at their first sitting in February. By the time you have read this, all Clubs will be aware of what is proposed so we would like to urge all clubs and individual members to contact their local Member of Parliament as soon as possible. It would also be a good idea to place an advert in your local papers and have your club's name, secretary's phone number and address put in it for persons wishing to contact you.

### PROGRAMME BOOKS

The 1988 programme book is in circulation and I am sorry to say that in many cases the Office Bearers list is incorrect, this being a printer's error. This problem is on the agenda at the A.G.M. on 5/2/88.

### SECRETARIES

Would have received a letter from me early in January. I hope this will have been read to your members or put on your Gun Club notice board. I hope your Club will be represented at the A.G.M. on Friday 5th February at 8pm. Make sure your affiliation is paid.

### DELEGATES

You should most certainly have the A.G.M. Agenda and had some discussion with your club members. If unable to attend, please get a proxy to take your place.

### COACHES

If not by now, you will soon be receiving coaching forms to be filled in and sent to the appropriate persons as instructed in my letter. I hope you will endeavour to keep accurate records, they are very important to S.A.C.T.A. and both our National Coach Peter Quire and our State Coach Hillary Baynes.

Please be reminded we now have Coaching Videos available through me. A security levy applies of \$50 against damage and nil return of videos within seven days.

### COUNCIL MEETING DATES

Are all programmed and listed on page 11 in the programme book, A.G.M. on Feb. 27.

South East Zone have programmed meetings prior to each Council meeting. If you club has anything to be discussed, inform your delegate who in turn can present the topic to their Zone or it can be sent direct to me in writing.

### NOARLUNGA CITY

Noarlunga City Gun Club and Southern Region Field and Game held an inter-club competition in February 1987 at Noarlunga City grounds and in November at their grounds at Currency Creek. Noarlunga City brought home the shield with a narrow win of two targets, the score 1017/1150.

An enjoyable time was had by all those from both clubs who attended and participated.

## BORDERTOWN XMAS SHOOT

A very important shoot for this Club, it being the shoot off of the Andrews Family Trophy which has been hotly contested throughout the year. This year six shooters lined up on the tracks in what turned out to be a very short shoot off, all very nervous they tell me. Eight targets found the winner which was Denis Witney from Jeparit. Denis has been in the final line up on several occasions so thought it was about time he won the trophy. Next year Monarto will be joining in the Champion of Champion event. Thanks again to the Andrews family for their lovely trophy. This shoot is also the final tally up for the aggregate trophy donated by Brian and Isabel Growden. 1987 being its fourteenth year, and won again by a very consistent Bob Andrews, this making it five years in a row and one back in 1976. Congratulations Bob, but look out in 1988.

Finalists in the Andrews Family trophy: L to R: Phil Green, Linda Andrews, Denis Witney, Graham Durbridge, Dick Wilcox, Brian Growden, Tom Megaw and Bob Andrews.

## GULF COUNTRY SHOOT

The Normanton Gun Club "End of Season" Shoot, held on the 17th and 18th October, 1987, saw 21 shooters in attendance on the Saturday night. This was a perfect night for shooting, however there was only one shooter to record a possible in the first event. Wayne Reeves shot a 30/30 to take out first in the Cash Divide closely followed by Peter Weder on 29/30.

Event 2, the Gulf Country Points Night C'ship, saw Wayne Reeves take the Overall; Rod Cusack A Grade; Bob Geiger B Grade; Ted Matthews C Grade; Janet Carr D Grade; Diane Reeves Best Lady; and Brenda Schneekloth Best Junior.

● Winners of the Gulf Country Points Night C'ship, left to right: Brenda Schneekloth (Best Jnr), Diane Reeves (Best Lady), Janet Carr (D Grade), Ted Matthews (C Grade), Bob Geiger (B Grade), Rod Cusack (A Grade), Wayne Reeves (Overall).

Event 3, a 25 target D.B. resulted as follows: A: Rod Cusack; B: Wayne Reeves; C: Ted Matthews; D: Bruce Johnson. Ted Matthews shot the only possible in this event.

Sunday morning was fine, windy and hot with 21 shooters facing the traps. Event 4, a 10 target S.B. Cash Divide. Mick McGill and Peter Weder shooting the only possibles, with Robbie Cusack just missing one target.

Event 5 was the Carpentaria S.B. C'ship, and this time the Overall went to Rod Cusack 24/25; A: Mick McGill; B: Charlie Buhagiar; C: Diane Reeves; D: Janet Carr; Best Lady: Carole Weder; Best Junior: Rachael Sellings.

● Happy winners of the Carpentaria S.B. C'ship, left to right: Rachael Sellings (Best Jnr), Carole Weder (Best Lady), Janet Carr (D Grade), Diane Reeves (C Grade), Mick McGill (A Grade), and Rod Cusack (Overall). Absent, Charlie Buhagiar (B Grade).

Event 6 was the North Qld Zone D.R. C'ship. Some excellent shooting saw Mick McGill emerge the Champion with a score of 29/30. Peter Weder took A Grade 24/30; Wayne Reeves B Grade 24/30; Ted Matthews C Grade another 24/30; D Grade going to Reeve Hemsall on (dare I say it?) 24/30. Best Lady went to Carole Weder 25/40 after a shoot-off. Brenda Schneekloth the Best Junior with 19/30, and was unlucky not able to take part in the shoot-off for the Best Lady, due to illness.

Event 7, the 25 target Cameron Earthmoving Points H'cap, was won by John Yanko with a score of 69/75 followed by Rod Cusack on 66/75; Wayne Reeves on 67/78; and fourth went to Bruce Johnson on 65/78. A Calcutta was conducted on this event which created a bit of interest for the spectators who did some bidding, but the first prize went Mount Isa way.

Overall Highgun for the shoot went to Wayne Reeves; Ladies Highgun was won by Janet Carr; and the Junior Highgun going to Brenda Schneekloth.

The Nimmo Bruce's Annual Highgun (March-October) was won by Peter Weder who also gets to keep the big trophy as he has won the Annual Highgun three out of five times. Congratulations Peter. The Nimmo Bruce's Annual Ladies Highgun for this year went to Carole Weder. Diane Reeves gets to keep the big trophy as she has won it four out of five times.

As President of the Normanton Gun Club I would like to take this opportunity to thank all the trophy donors for '87 and also the voluntary workers for the assistance they gave the club. A reminder that in 1988 our Annual Shoot normally held over the May weekend, will be held the last Saturday and Sunday in May (28th and 29th) and in 1989 the Northern Zone Carnival will be held at Normanton, hopefully during Easter.

Good shooting,  
Wayne Reeves.

## KORUMBURRA GUN CLUB

Alf Hansen, of Rosedale, Victoria and one of the junior shotgunners he has taken under his wing over the years.

Michael Marshall, 15, of Denison, shot better than any of the 23 junior or adult competitors at the October day shoot at Korumburra.

Michael missed only four targets in the sixty-four target program, contested in a tricky head wind.

He won the junior and senior high guns, the 14-16 metreage in a handicap and overall in the 25 target points with 74/75.

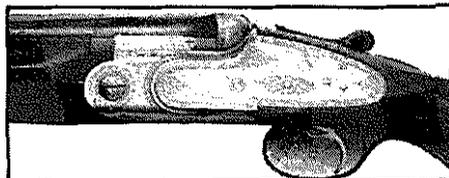

Bachelor Alf won the handicap, and collected two single blankets.

## WERRIBEE GUN CLUB HONOURS BILL AND MARJ ABBOTT

At the Annual Christmas shoot in December, the Werribee Gun Club paid special tribute to their President, Bill Abbott by presenting him with life membership.

Committeeman, Wells Hitchcock, spoke on behalf of the Club and in a sincere and moving address told the members and visitors of Bill's 35 years involvement in clay target shooting, the last twenty years being spent as President of the Werribee Gun Club.

Bill has been a tireless worker at every level of the sport from Club Member to the National Executive. This commitment could only have been made with the help of an understanding wife. Bill's wife, Marj has been a tower of strength and support.

The Club presented Bill and Marj with a Life Membership badge and a carriage clock to mark the occasion together with a card with the inscription "Presented to Bill and Marj, as a token of appreciation and esteem for many years of devoted service and leadership".

Picture shows Bill Abbott (left) and Trevor Brown, Vice President (right) after the presentation.

## ISLAND FARM

• D. Blechynden, the Handicap champ.

Attendance was good at the Cunderdin and Northam Gun Clubs combined Shoot held at Island Farm on 22/11/87. The winners of the four District Championships were: David Blechynden (Handicap), John Fissioli (Double Barrel), Bill Bridges (A.T.A.) and Eddie Powell (Points Score).

• Bill Bridges, A.T.A. District champion.

In conjunction with this event two special events were held for ex-shooters who were invited back to renew old acquaintances and to try their hand at the sport again.

Max Draper from New York showed that he hasn't lost his touch by winning the 25 target A.T.A. with a very respectable 24. There was in fact only one better score in this event, a 25 by Bill Bridges.

The final 10 target event went to Bob Cooke with a score of 10 with Brian Solomon, Max Draper and Max Kelly all returning very creditable 9s.

## GLENVALE ZZ CHAMPIONSHIP

On Sunday 30th November, 1987, sixty five shooters contested the 1987 Glenvale ZZ Championship at Glenvale Gun Club, Avenel, Victoria in front of an excellent gallery of spectators.

The day started at 9.00am with heavy cloud conditions and threatening rain with very gusty north westerly winds.

The event was shot over 20 targets and the morning session produced five shooters achieving the possible 10/10. They were Tony Sofra, David Neilsen, Mick Italia, Tony Calandro and Don Molenkovic and divided the optional sweep pool of \$560.00.

In the afternoon the winds freshened and it became evident that those with one or two targets off the pace were fast coming back into contention and the assurance of an outright winner would not be known until the very last target of the round.

However, with an outstanding display of shooting and making the hard target look easy, Ken "Crozza" Crossley from Deniliquin N.S.W. turned in a score of 19/20 and emerged as the outright winner and the only shooter to score 10/10 in the afternoon session. Ken also won the high gun, best reverse run and the 6-15 target optional sweepstakes pools.

In other words, Ken scooped the pool with the exception of the "first 10" optional sweep and collected prize money

of approximately \$3,000 together with the very coveted Glenvale ZZ Championship sash.

Ken proved to be a very worthy and popular winner and at the trophy presentation commended the efforts of the other placegetters and particularly for those that finished only one target behind, being Tony Calandro and Ray Parker.

Official results: 1st 19/20 Ken Crossley, \$1,000; 18/20 Ray Parker, \$370; Tony Calandro \$370; 17/20 David Neilsen \$170; Rex Piastri \$170; Mick Italia \$170; Tony Bradshaw \$170; John Molica \$170; Reg Coomes \$170; 16/20 Tony Sofra \$75; Steve Threlfall \$75; Marty Seymour \$75; Phil Thursfield \$75; Greg Peg \$75; Reg Walker \$75; Steve Atkins \$75; Rocky Furci \$75.

The day was rounded off with shoot marshal, Harry Belmore, assisting with the presentation of trophies.

Harry extended sincere thanks and congratulations on behalf of the competitors and spectators to hosts Reg and Mary Walker and their family for the tireless effort that they contributed towards making the day such a success and the hospitality that they extended to each and every one to their property and the Glenvale Gun Club.

Many thanks go to the target runners, referee Greg Peg, trap operator David Inglis, scorer Jim Piastri and particularly to the ladies that produced a very appetising lunch and afternoon tea.

In all, a magnificent sport, on a great day and good company.

Black Harry.

## VALE

### Noel George Godwin

Sydney and Marconi club members were saddened by the death of Noel Godwin (57) on Christmas Day, 1987.

Noel had endured rapidly failing health over the past few years yet still managed to shoot competitively with the aid of his supplementary oxygen supply.

A good shot, with an eye for a high grade gun, he achieved AA status in D.T.L. shooting. Before his ill health he shared committee duties of the club.

Noel is survived by his four children and nine grand children.

The committees and club members extend their deepest sympathy to his family.

We remember him as a happy man with a quick wit and was always good company.

## CLAY TARGET COMPLEX

The Sydney Marconi Clay Target Complex committee wishes to advise Clay Target shooters of progress to date and future plans. The set up of the complex is a sharing of a common shooting ground by two clubs, both clubs as individual clubs organised and run by their own shooters and committees on alternate Sundays. The grounds are controlled by the Sydney Marconi Clay Target Complex as a management body made up of four delegates from each club. This team is responsible for the maintenance and improvements on the grounds and equipment. This is funded by equal financial contributions from both clubs as required.

After lengthy negotiations with the NSW Lands Dept. and the Metropolitan Waste Authority during the last two years, the Complex was granted a lease on an extra portion of land which has enabled the complex to proceed with an expansion which will ultimately provide top class facilities for all the Clay Target Shooting Disciplines.

The first stage of the development is the addition of three D.T.L. Traps to our existing four traps and the installation of a Trench Layout. The overall objective in the future is to have 12 D.T.L. and six Skeet layouts that will also alternately accommodate two Olympic Trench and two I.S.U. Skeet layouts that can be used simultaneously. Stage one will be completed by April 1988.

The Complex also wishes to thank the NSW Dept. of Sport and Recreation for their ongoing support and financial assistance. We hope the publicity generated in the journal will help our sport of Clay Target Shooting.

Kind Regards,

Sydney Marconi Clay Target Complex.  
L. Crema, Chairman.

## 1987 VICTORIAN TRAP CARNIVAL

Report by LAURIE CONNORS  
NOVEMBER 20, 21 and 22

Maryborough Gun Club hosted the 1987 Victorian Trap Carnival and attracted 180 entries in the Victorian Double Barrel title. The State Association was delighted with the shooter support to the three day carnival. Compliments must be paid to the Maryborough Gun Club in the way they improved their facilities to cater for the tournament. The installation of a fourth trap layout and the extensions to the club rooms complement these facilities and puts it among the top shooting grounds in Victoria.

The State Annual General Meeting was held on Friday night, with the election taking place for 1988 office

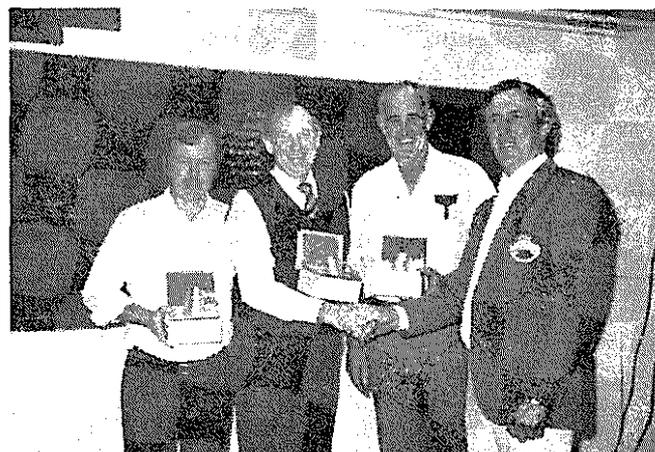

bearers. State President, Robert McDonald, did not seek re-election to office. Laurie Connors, Mildura, was elected to this position with Glen Woodhatch from Bendigo taking the responsibility of State Vice President.

The State is now represented by the following councillors: State President: Laurie Connors — Mildura; Vice President: Glen Woodhatch — Bendigo; Treasurer: Jack Matthey — Ballarat; State Coaching Director: Robert Schwarz — Geelong. ## VICTORIANS RAID LEGACY SHOOT

A strong contingent of Victorian shooters from Sunraysia Region took their share of trophies back over the border after the annual Legacy Shoot on 7th and 8th November. The shoot is organised and run by the Waikerie/Lowbank Field and Game Region and is a popular event on the Clay Shooter's calendar.

The Saturday shoot was reasonably well attended and the 50 Target Simulated event was sponsored by the Waikerie Hotel, who supplied trophies for all grades.

The overall sash was won by Robbie Robertson of Mildura with an excellent score of 38/50, A Grade winner was local shooter, Robert Maywald with 37/50 and in 2nd place with 36/50 was Les Featherston, also of Mildura. B Grade went to Harvey Nunn of Paringa with 37/50 and C Grade to Rita Maywald 25/50.

The Bill Marschall Memorial team shoot saw the Whyalla visitors combine with Mildura and Renmark to take the shield with a total of 142/200. The team comprised Bill and Malcolm Fisher (Whyalla), G. Lohmeyer (Renmark) and Les Featherston (Mildura).

After a magnificent gourmet dinner of chops, sausages and vegetables, followed by fruit and ice cream, the shooters settled down for the 25 Target Double Barrel Night event. A tense battle emerged between Bill Wilksch and Robert Maywald, both having shot the possible 25/25, a similar duel saw father and son, Bill and Malcolm Fisher tie for third spot with 24/25. In the eventual shoot off, R. Maywald emerged the victor with 27/27, Bill Wilksch second with 26/27 and Bill displaced son Malcolm for third with 29/30.

Sunday dawned a warm to hot day and the 50 Target Simulated brought better scores than the previous day. The A Grade was taken out by Robert Maywald with 41/50, followed by Don Molina (Mildura) 39/50. A terrific shoot off in B Grade saw Ivan Maywald and Harvey Nunn, both on 39/50 take the score up to 78 targets to get a result, Ivan taking the honours with 60/78, Harvey on 58/78.

Rita Maywald again took the C Grade honours with "Taffy" Gordon in second place. The combined score over both days for the 100 target simulated, again saw Robert Maywald in the winner's circle with a creditable 77/100, B Grade was taken out by Harvey Nunn on 76/100 and Rita Maywald with 45/100 took the C Grade.

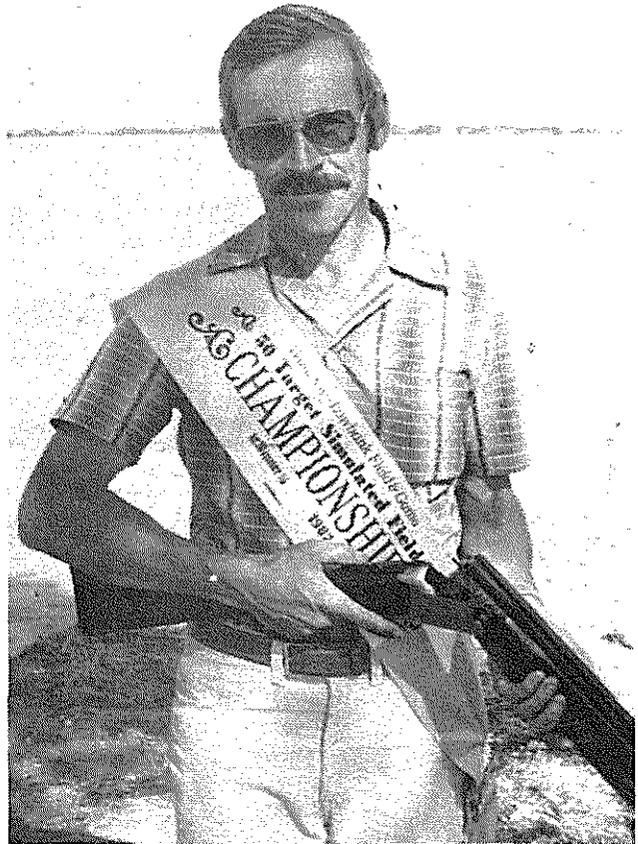

The Legacy Shield Points Score was this year changed to the George Hancock Memorial Shield, the old shield was donated by the late George Hancock, who instigated the Legacy Shoot and was a tireless worker for that charity for many, many years. The new shield was presented by Mrs Hancock, who was able to be present at the shoot and eventually presented the shield to the winner.

Cont'd over page

Cont'd from previous page

● Robert Maywald (ACTA) "High Gun" over the two days.

● Robbie Robertson, 50T Simulated Champion.

● Pat Tassone (ACTA) "Points Score" — G. Hancock Shield.

Two shooters from Mildura, Pat Tassone and Larry Dimasi, both returned perfect scores of 45/45, and went on to thrill everyone with a great shoot-off. It went to 24 targets when Larry missed with his first barrel, dropping a point, Pat finished with 72/72 to take top place. Three shooters had tied for third, Malcolm Fisher, Robert Maywald and Don Molina, all on 44/45. Malcolm emerged from the shoot off with 50/51 to take third spot.

The big event for the shoot, the Deluxe Coachlines — Flag Inns 20 Target Double Barrel, brought all shooters to

the mounds, and as the first prize was a trip for two to Sydney on the Coach and two nights' accommodation with Flag Inns, worth in excess of \$400, competitors and others were keyed up and it was no surprise that three shooters, Don Molina (Mildura), and Ivan Maywald and Bill Wilksch (Waikerie), all came in with 20/20. The now familiar shoot off was filled with excitement as Ivan Maywald dropped his first target and was eliminated, then Don and Bill were neck and neck until the 37 target when Bill missed, giving the Sydney trip to Don.

An extra simulated event of 25 targets saw Robbie Robertson turn in one of the best scores for the weekend with 22/25, Rob Maywald was second with 21/25 and Dad, Ivan Maywald third after a shoot off with 22/30.

The magnificent High Gun Trophy of six silver goblets and tray, presented by Mr Eddie Traeger, was taken out by Robert Maywald with 136/160. Rita Maywald took the Ladies High Gun. John Gordon of the Waikerie Travel Centre presented Don Molina with his prize on behalf of Deluxe Coachlines and Flag Inns. Mrs Jocie Handcock made the presentation of the Shield, and the Club President, Mr Ivan Maywald made all the other presentations. He gave thanks to all those generous business people etc., who had supported this year's shoot and the past shoots with such a wonderful array of trophies. He also thanked all those, especially the ladies, who had supplied such delightful meals over the weekend. All told just on 39 shooters competed over the shoot, numbers being down to previous years, but in spite of that it is estimated that Legacy will again benefit to the tune of approximately \$500. All in all, it was a well run shoot and those who took part had a most enjoyable time.

Due to circumstances beyond our control, we are now unable to commence shooting on our new grounds at Kowen during the early part of this year.

This is to advise that until further notice we will remain shooting on our present site at the northern end of Majura Road, and: that the I.S.U. skeet will not be shot on the same weekend as the I.S.U. trap, but will revert to the second Saturday monthly.

McClure who dropped one tgt over the program, shooting 187-188, to Chris Corneby who was upgraded to AA and also gained a metre on Hcp. M. Kavanagh also gained a metre, and for those long hop shooters who do not compete in hcp events, a lesson — the four possibilities shot were the backmarkers (and winners).

# Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun - built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out - whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms - greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength 2 $\frac{3}{4}$ " load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions - including **price**.
