# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

## EXECUTIVE COMMITTEE APPOINTMENTS

The West Australian Clay Target Association have advised of the appointment of Mr Ross Silvester from Bunbury Clay Target Club as their representative to the National Executive Committee.

Ross, immediate Past President of W.A.C.T.A. replaces Murray Alexander who, with his commitment to shooting as State Coaching Director W.A., will no doubt appreciate the additional time that he will be able to devote to his special area of coaching where he has shown his expertise and also enable him to complete his Level 3 Coaching Accreditation.

Another new face at Executive level will be V.C.T.A. Past President Robert McDonald from Toolondo Gun Club.

Robert has obtained a great deal of experience with the V.C.T.A. and this experience at National Level will be an asset to the Association.

Robert replaces Jack Matthey on the Executive, which will allow Jack more time for his other duty, being State Treasurer of the V.C.T.A.

We welcome Ross and Robert to the National Executive Committee and express our appreciation to Murray and Jack for their input to the Executive Committee.

## SHOOT MARSHALS MESSAGE

1988 National Trap Championships.

To those shooters attending the Nationals in Wagga may I wish you good shooting throughout the days of competition.

As the attendance at Wagga will be large, the need for the running of a smooth shoot will be essential.

I will be enforcing the one target penalty on any shooter who misses his/her squad or does not referee or score when it is their turn.

On the reverse side of your entry form will be the terms and conditions of entry to these Nationals . . . PLEASE READ THEM.

Robbie Smith

### TRAP NATIONALS CARTRIDGES

The only cartridges that will be on sale at the Wagga Gun Club grounds during the 1988 National Championships will be those made available under licence to the A.C.T.A. from:

#### WINCHESTER AUSTRALIA CARTRIDGES SCORPIO

Shells available from authorised trade sites only

## NATIONAL TRAP CHAMPIONSHIPS HANDICAP CARDS

Nominations will not be accepted from any shooter who cannot produce a stamped handicap card or have the handicapper approve the reason for not being able to do so.

All shooters from AA to C grades must present their card to the handicapper for stamping prior to nominating.

## MACKINTOSH TEAM 1987

With results received on February 19, Australia has swept all before it and won the competition in all three divisions.

**FINAL RESULTS:** Open/7500. Australia 7386; New Zealand 7316; England 7272; Ireland 7204; Scotland 7174; Wales 7167; Zimbabwe 6907.

**Ladies/1500:** Australia 1413; England 1379; New Zealand 1351; Scotland 1323; Ireland 908.

**Juniors/1500:** Australia 1453; England 1423; New Zealand 1416; Scotland 1331; Ireland 1301; Wales 1219.

Congratulations to all team members for the performances achieved both personally and on behalf of Australia.

## FIREARMS EXEMPTION — N.S.W.

Following approaches made by the A.C.T.A., the following exemption has been approved and is applicable for the year of 1988.

### PLEASE READ CAREFULLY

### REGULATION 1C — Firearms and Dangerous Weapons Regulations

(Extract) New South Wales Government Gazette No. 33

(1C) Any person, not being a resident of New South Wales, who is a member of a firearm or pistol club situated outside New South Wales and approved by the Commissioner is exempt from the requirement of section 25 or 40 of the Act to hold a pistol licence or a shooter's licence —

- (a) While the person is carrying or possessing a firearm in the course of travelling to or from, or carrying, possessing or using a firearm in the course of participating in, a target shooting event conducted during 1988 at an approved pistol range or approved firearms range in New South Wales.
- (b) While the person is carrying or possessing a firearm in the course of travelling to or from a target shooting event approved by the Commissioner and conducted during 1988 at a pistol range or firearms range outside New South Wales.

and, while exempt from that requirement, is also exempt from the requirement of section 40a of the Act that the firearm be registered.

Effectively, this exemption applies to all Interstate (other than NSW) and Overseas shooters for the year of 1988, and will allow for freedom of movement both within and through N.S.W. for the remainder of 1988.

Shooters who must be able to produce evidence of their being a bona fide member of the Australian Clay Target Association (1988 Handicap Card) must also carry with them and be able to produce on demand, documentation issued in their home state (not applicable Qld., Tas., Overseas visitors) that allows them to possess and use a firearm.

# AROUND THE TRAPS

With LAURIE CONNORS

One of the most talked about subjects for some time amongst shooters, around the traps, is the changes being made by the Cain Government to the existing Victorian Firearms Legislation. One of the questions being asked is who is doing what for me? The Victorian Clay Target Association is well aware of the problems the legislation may create for its members, and is doing all within its power to try and keep sanity in any likely changes by the present Government, particularly those changes that threaten law abiding shooters and not the "crim" in our society who uses firearms to commit a felony.

In Victoria there is an umbrella organisation called the Shooting Sports Council of Victoria. Currently the Shooting Sports Council represents ten affiliated organisations. They are Victorian Field and Game Association, Sporting Shooters Association of Victoria, Antique and Historical Arms Collectors Guild, Victorian Rifle Association, Victorian Small Bore and Air Rifle Association, Victorian Amateur Pistol Association, Australian Deer Association, North Eastern Deerstalkers Association, Australian Bowhunters Association and Victorian Clay Target Association.

It is this group, known as the Shooting Sports Council, the Cain Government has accepted spokesperson and representative of the shooter. The V.C.T.A. has only just re-joined this organisation after a lapse of membership since 1983. The V.C.T.A. Council delegate at that time, was not invested with the power to commit the V.C.T.A. to any levies or costs, that may be arrived at by the S.S.C. in meeting, to combat any Government Gun Legislation being introduced during the 1982 elections. It appears other bodies did not have the same restraint. This created concern and problems to the V.C.T.A. at that time. There were also other areas of S.S.C. administration, the V.C.T.A. Council were not fully supportive of, and therefore did not continue with membership. However, it has been necessary for the V.C.T.A. to re-think its position with this body.

The present Cain Government has elected to discuss the contemplated firearms legislation with the S.S.C. only. As well, the Government under its new draught legislation, will only recognise shooting organisations that are affiliated with the S.S.C.

Under the present constitution and guidelines as laid down by the S.S.C., each affiliate can have one delegate per 1,000 members of its organisation on the S.S.C., hence Victoria has three delegates. They are Glen Woodhatch, who is also the V.C.T.A. Legislation Officer, Robert Schwarz and Laurie Connors. This is the first time, since being involved with the S.S.C., the V.C.T.A. has actually fulfilled its responsibility in this area with three elected delegates. Another query I have had from our members is what the "Policy" of the V.C.T.A. is in regards to Firearms Legislation. Our Policy is that as adopted by the Shooting Council and fully supported by the V.C.T.A. Space does not allow for publishing in the C.T.S.N., however, the policy is available to all members upon request.

The A.C.T.A. does not have a National Policy, other than to give support to all States where the use of firearms by its members is being threatened. Other similar organisations to ours are likewise, such as the Victorian Field and Game Association, they do not have a National Policy. This would not be necessary unless a National principal was at stake.

The Firearms Legislation Fund, as set up by the A.C.T.A., and to which every A.C.T.A. registered shooter has been a contributor, is there to be used for the protection of us as legitimate gun owners. This money is held in trust by the A.C.T.A. and is made available to, and

at the request of, a State Association. The V.C.T.A. has already, in the past, been granted money from this fund, and no doubt will make further claims, should the necessity arise. The N.S.W. State Association has recently applied for and been granted \$10,000 from the fund to combat changes that are being contemplated with their firearms legislation.

Another Committee, set up by the Government, is the Consultative Committee. It has delegates from the S.S.C., as well as personnel elected by the Government. Robert Buchan is a Government appointee on this committee. It works in an advisory capacity to the Government, as well as hearing appeals from those refused shooting licences.

Another Sub-Committee is the Firearms Training Sub-Committee. This Committee has the responsibility of setting up the format that will be used for the training of persons in firearms safety, prior to them being issued with a shooter's licence. It will be the responsibility of approved accredited firearms instructors to educate all future shooter licence applicants, prior to them being issued with a shooter's licence. No new shooter licence will be issued until this is in operation. Juniors whose shooter's permit expires at the present time are affected by this part of the legislation. They are unable to obtain a licence on the expiry of their permit until they have attained the necessary training now being set up by the Firearms Training Committee.

The V.C.T.A. has organised several public meetings around Victoria, with the sole purpose of informing shooters of the proposed legislation changes. The first of these was run at Bendigo Gun Club, followed by one at Frankston Australia Gun Club and the last taking place in Lismore, Victoria, at the Lismore Public Hall.

Shooters requiring information on the proposed legislation should contact the V.C.T.A. Legislation Officer, Glen Woodhatch, 43 Prouses Road, Bendigo, 3550.

See you where there is shooting,

LAURIE CONNORS

# PRESIDENTIAL REPORT TO A.G.M. 1987

Your Association has just completed a year of utmost difficulty brought about by pressures directed at the shooting sports, mainly concerning the use of our sporting equipment by persons not trained in their use, probably never alerted to the dangers of firearms as children by their parents because they were never associated with these in their youth as we more than likely have been, and mentally disturbed in some way when these necessities to our sport were to hand at the wrong moment.

However, we have generally endeavoured at executive level to answer the questions levelled at us all in this regard, with the positive response that we believe that all A.C.T.A. members are responsible firearms users. To my knowledge, no member of our Association has been guilty of any criminal misdemeanor involving this equipment in 1987 and our rules both actual and moral are positive in respect to such if they occur, against our fellows, fauna or flora, and should be actively prosecuted by club officials if they are infringed. Only in this way can we justify the privilege of owning and using our firearms.

The increasing pressures on shooters generally in respect to restrictive gun laws in the states of N.S.W. and Victoria have, I believe, brought a potential problem to clubs there, which will escalate to other parts of the country, and that is the wish, or prospective requirement, of gun owners to join a club to legitimise their ownership of the weapon, rather than be an active and useful member of that club. I would suggest that while an increase in our membership is desirable, it is welcome only for the right reasons, and I would warn clubs against allowing new shooters to enjoy the facilities provided over the years, for more than a couple of practice shoots, and then only subject to signing your visitors book. If they are not prepared then to join your club and pay the necessary fees, they would more than likely become a liability rather than an asset, if allowed to continue.

As you are aware, we disposed of our premises at 8 Main Street at a considerable profit on our purchase price. We were prepared to repurchase part of this property when redeveloped to suit our purposes but this did not eventuate, through circumstances beyond our control. We were forced to move in a hurry to protect our interests, at considerable expense, but have since moved to cheaper premises in Mt Waverley which can be financed from the interest generated by our building fund, which now stands at \$200,000. We intend to purchase as soon as a suitable property is located, hopefully in an area which will allow another capital gain, and we welcome any propositions from our members.

Shooting at an international level had a lift in 1987, particularly at junior level. We now have five quotas for the Olympics due to the efforts of our shooters. Our training squad is now in the process of elimination to fill these spots. At home we ran three very successful national series and our thanks must go to the various organising committees and their helpers, mostly shooters, who staged these events for us. I am particularly proud of my home state W.A. in the way they ran the Skeet Nationals, and the local shooters' support to produce a near record field of 187. The Masters Games held in Launceston proved to be very popular and many of our older shooters were elated once more to be among the medals.

I would like to again, on behalf of your Association, thank all sponsors, large and small, for their contribution to our sport, at National, State and Club level. We are indeed fortunate that this is available and given so freely. Your own support of our Junior Travel Fund is commended, and has produced results. This is an on-going project and we look forward to further donations.

The recently adopted revamp of the rules which should be effective for the next five years, unless some

unexpected anomalies arise, were the result of much discussion between the Referees Association, State Associations and your Executive. We are now turning our attention to the Olympic Discipline and following the appointment of David Menck as National Rules Supervisor (I.S.U.), States are now in the process of setting up their own organisation and training referees.

Our National Coaching Director has maintained his high standard and can be proud of the achievements shooters led by him have attained in 1987. The coaching seminar held in Adelaide and attended by all State Directors, was a resounding success and will benefit our coaching scheme no end. The support we receive from the Australian Sports Commission is really appreciated by your Executive and ensures our coaching scheme does not founder.

The finances of your Association are basically sound, but unfortunately operating expenses have escalated without a corresponding increase in revenue from operations and a static subscription, which has been the same for the last five years. As an instance of this, we incurred an increase of 32% on our insurance last year despite a change of insurer for a lower rate. Consequently our trading figures show a deficit of \$38,877 which is more than budgeted for. I would direct your attention to the notes attached to the financial statements for an explanation of some of the reasons for the shortfall. Your Executive decided to increase the subscription by \$5.00 for this year as intimated at the last A.G.M. When this power was vested then, however, this figure is not anywhere near inflation or C.P.I. increases over the period and I suggest that your incoming committee must keep this in mind. Expenditure has been pruned wherever possible without reducing the services asked for. Your Executive have decided to hold one meeting a year instead of two, as has been done in the past, to reduce expenditure, but in my opinion this is a retrograde step and should only be a temporary measure. This will throw an extra load on the management committee which could very well make the job untenable.

The notice of motion to be put at this meeting regarding the issue of a replacement delegate for the State from which the President is elected, if accepted, will save on expenditure, but I can assure you that this person has his work cut out to represent you properly having to attend three Nationals, Executive, Management and all sub-committee meetings, generally at the expense of his contribution to state and club. I appreciate the latitude shown to me by W.A. in this regard.

In closing this report, I would congratulate my executive on their input for the year in representing the various states. The staff at the office for their willingness to co-operate and still produce the goods under the trying circumstances of moving, and the State Associations and Clubs I was able to visit, for their hospitality.

This will be my last opportunity to address you in this position as I intend to resign all executive positions, both National and State, at the end of my term. I can only say that I am extremely proud to have been allowed the privilege to represent you for the past four years.

Roy M. Holtfreter.

## ANNUAL REPORT 1987

It is my pleasure to be able to present to members the 1987 Annual Report and Balance Sheet of the Association.

In presenting this report the traditional format of reporting to members has been adhered to.

### EXECUTIVE COMMITTEE

For a fourth successive year the members of the Executive Committee elected Mr Roy Holtfreter from Northam, Western Australia to the presidency of the association. As always Mr Holtfreter was a busy president and, as well as chairing meetings of both the executive and management committees, also attended all meetings of the various sub-committees of the association.

Mr Holtfreter has indicated his intention to relinquish all official positions at the expiration of his elected term and his experience which has been gained over the many years of his involvement with the association will be missed. We wish him well in his retirement to the Northam Club and look forward to seeing him at our National Championships for many years to come.

Vice-president Mr Jim Scott from Dubbo, New South Wales, was also an untiring member of the executive, and his knowledge of the sport was of great assistance throughout the year. As well as occupying the position of national vice-president, Jim was appointed by his state association as the N.S.W. representative to the National Referees Association and with those responsibilities added to his responsibilities from the N.S.W.C.T.A., 1987 was a busy year for him.

Two meetings of the Executive were conducted in 1987, one at Brisbane following the National Trap Championships with a subsequent meeting in Melbourne during September.

As has become the standard, meetings of the Executive were very demanding and to extract a passage from the 1986 report which is still the case today, "It is hoped that the decisions made are accepted in the manner in which they are arrived at, that being for the good of clay target shooting in Australia."

Changes to the Executive were made during the year with Mr J. Murphy replacing Mrs K. Woods from Tasmania, Mr J. Bitossi replacing Mr D. Barnes from Northern Territory and Mr R. Brook replacing Mr E. Ransom from Queensland.

On behalf of all members we record our appreciation for the involvement of the retiring members of the Executive and welcome those who have been elected as their state's representative to the National Executive Committee.

### MANAGEMENT COMMITTEE

Being the Committee responsible for the conduct of the Association between meetings of the Executive Committee, the executive members after due and careful deliberation entrusted management positions to Mr L. Connors from Mildura, Victoria, and Mr T. Catling from Katanning, Western Australia, who with both Mr Holtfreter and Mr Scott, by virtue of their elected positions of

president and vice-president, comprised the four-member committee.

Meetings of management are held as deemed necessary and the Executive at their meeting in April showed confidence in this committee with their encouragement for management to fulfil their elected role by assuming more responsibility than had previously been the case. The management committee have shown by their handling of the many matters that came their way, that the confidence in them was not misplaced.

This is a most important committee and it will be of benefit to the association if they are able to continue to operate in the same manner in ensuing years.

## INTERNATIONAL SHOOTING COMMITTEE

Preparations for the Olympic year of 1988, as well as our involvement in the World Shotgun Championships in Venezuela, made for a busy year. The committee which includes three members elected from general membership as shooters' representatives was chaired by Mr L. Connors and is to be congratulated on their contribution to the Association during 1987.

With two meetings throughout the year, the committee attended to many matters relating to shooting in general as well as shooting on the international scene.

1988 may well see some variation to the composition of this committee as well as its possible renaming to reflect to members that it is in fact a National Shooting Committee representing our three disciplines, trap, skeet and I.S.U., and not, as many feel is the case, international shooting alone.

## PROMOTIONS COMMITTEE

An exciting achievement in 1987 with the Winchester Olin Australia company and the A.C.T.A. entering into a two-year sponsorship of the Trap Nationals which totals in excess of \$50,000. In addition to this sponsorship Olympic Targets have also agreed to provide sponsorship in excess of \$8000 for the same period.

We appreciate the support shown by both companies and trust that their support to the Association is returned by members.

## AUSTRALIAN SHOOTING ASSOCIATION

This Association which represents all disciplines on the international scene is not, as was reported last year, as active as we would wish; however, it is the body which is recognised internationally and for this reason we must be supportive.

Difficulties late in the year with the resignation of the General Secretary have resulted in the A.S.A. not being able to operate efficiently. We are confident that this problem will be overcome in the near future.

## NATIONAL COACHING DIRECTOR

With the benefits that are achieved by having a full-time coaching director, we are commencing to see the results that we have been looking for.

We are one of the few sports to have introduced a Level 3 coaching scheme and because of this Bill Stevens, Queensland, and Hilary Baynes, South Australia, attended at

their own expense the World Shooters' Championship in Venezuela as a requirement of their Level 3 coaches' accreditation.

Additional coaches will be attending the Oceania Championship in New Zealand also as part of the Level 3 coaches' scheme and the benefit to shooters at all levels will be readily seen as the coaching scheme develops.

All state coaching directors attended a very successful weekend seminar in Adelaide during the year which was financially assisted by the Australian Sports Commission and Rothmans Sporting Foundation.

National coaching director Peter Quire has had a busy 1987 with visits to various states as well as his duties with the national training squad. 1988 being an Olympic year will offer no respite.

## AUSTRALIAN SPORTS COMMISSION

The assistance received from the Australian Sports Commission is very much appreciated as it provides the Association with the services of a full-time national coaching director, administration assistance and financial support for the coaching scheme and international teams.

During 1987 our international shooters attended World Cups in Korea, Mexico, Moscow and Venezuela and they were assisted financially with funds received from the A.S.C.

The Australian Sports Commission through its Sports Talent Encouragement Grant, provided financial assistance to a number of our elite athletes.

The Institute of Sport provided a training camp in Canberra for the national coaching squad which was also attended by state coaching directors and appreciated by all.

The Australian Sports Commission does have in its employ some extremely dedicated sports people and it has been a pleasure to have been able to work with them throughout 1987.

## AUSTRALIAN OLYMPIC FEDERATION

As part of our Olympic preparation, financial assistance was received from the A.O.F. and allocated towards costs incurred by members of the National Training Squad as they sought to obtain Olympic Games quotas for Australia. Jim Ellis from Canberra did successfully obtain an Olympic quota for his country at the World Cup in Korea. We extend our appreciation to the Olympic Federation for their assistance with our Olympic preparations and congratulate Jim on his achievement.

## MEMBERSHIP

Club membership remained reasonably stable throughout the year; however, the number of registered shooters was slightly down on 1986. With the firearms problems that have been encountered in New South Wales and Victoria we would reasonably expect registrations to increase in 1988 with many being anxious to obtain legal status through club membership.

Clubs are cautioned against accepting new membership applications for the short-term benefit that may be obtained. What is required is active participating members as against increased numbers on membership rolls.

## STATE ASSOCIATIONS

State Associations have continued to co-operate with the National Office. Co-operation is most important for the ongoing welfare of all concerned and it is pleasing to be able to record the assistance received from State Association Secretaries.

State Associations with support received from respective State Governments are continuing to develop their administration and coaching skills for the betterment of shooters. The support received from State Governments is appreciated at national as well as state level and trustfully will continue for many years to come.

## NATIONAL CHAMPIONSHIPS

**Olympic Discipline:** The I.S.U. Championships conducted at the Whiteman Park Complex in Western Australia were well organised and administered by the W.A.C.T.A. through their organising committee and Tournament Director Ross Bailey.

### 1987 National Training Squad

Olympic Trap:	J. Ellis A.C.T. R. Mark Vic. J. Maxwell N.S.W. T. Rumbel N.S.W. R. Thomson N.S.W. C. Bailey N.S.W. M. Diamond N.S.W. (Jnr)
I.S.U. Skeet:	J. Summers Vic I. Hale Vic. C. Meuleman Vic. B. Dudenas Vic. B. Thomson Vic. M. Inguanti Vic.
National Champions:	Olympic Trap — J. Ellis A.C.T. I.S.U. Skeet — B. Dudenas High Gun Trap — J. Ellis A.C.T. High Gun Skeet — I. Hale Vic.

On behalf of all competitors we express our appreciation to the Perth Gun Club for their assistance in having the grounds in outstanding condition and the W.A.C.T.A. for their contribution to the success of the first of the 1987 National Championships.

**D.T.L.** Conducted under the auspices of the Q.C.T.A. and tournament director Richard Brook, the Trap Nationals were again highly successful.

The Brisbane Gun Club provided a perfect setting to promote the sport and although a few heavy showers were encountered they were soon forgotten.

The outstanding performance in Brisbane was New South Wales Junior Michael Diamond who carried all before him and is assured of a most promising career at all levels.

A total of 533 shooters competed in Brisbane represented by AA 154, A 158, B 148, C 73 which included 28 ladies, 17 juniors, 18 veterans, 21 N.Z., 2 U.S.A., 1 U.K.

**National Champions:** Handicap — A. Gull Qld.  
Double Barrel — M. Diamond N.S.W., J. Pickett N.Z. (L), M. Diamond N.S.W. (J)  
Single Barrel — D. Smith Vic.  
Champion of Champions — R. Piotrowski N.S.W.  
Double Rise — A. Cousens Vic.  
High Gun — M. Diamond N.S.W.  
Ladies — J. Pickett N.Z.  
Veteran — W. Hughes Qld.  
Junior — M. Diamond N.S.W.

The assistance of State Secretary Mrs Bev Grice was very much appreciated as was the co-operation received from the Brisbane Gun Club and all concerned.

Shooters enjoy the Brisbane atmosphere and in 1987 it was at its very best.

**Australian Skeet:** Another successful National

Championship was conducted at Whiteman Park, Western Australia and again we must record our appreciation to the W.A.C.T.A. and the organising committee headed by tournament director Clive Shepherd. In conjunction with W.A.C.T.A. was the Perth Gun Club who once again had the facilities in first-class condition.

The Nationals attracted a near record number of competitors finishing only two short of the Victorian record of 189. Western Australia shooters are to be commended for their support of shooting in Western Australia as they certainly were there in numbers.

**National Champions:** Doubles — P. Johnston Vic.

National — S.R. Rooke N.S.W.

Ladies — M. Rooke N.S.W.

Veteran — E. McRae N.Z.

With two National Championships held in Perth during 1987 the W.A.C.T.A. as well as the Perth Gun Club had important functions to fulfil for the Association. On both occasions they responded to the challenge and conducted very successful and most harmonious events — we thank them on your behalf.

## INTERNATIONAL COMPETITION

### Mackintosh International Team Match

**Open:** With an outstanding score of 7386/7500 our Australian team retained the prestigious Mackintosh Cup finishing ahead of New Zealand 7316 and England 7272. This event is keenly contested and to earn a place on the team is an honour that all strive to achieve.

**Ladies:** After a three-year winning streak which ended in 1986 our ladies rose to the occasion and recorded a winning score of 1418/1500 to finish well ahead of England 1379 and New Zealand 1351. Four out of five to our ladies who are well pleased with their final result.

**Junior:** Five victories in a row for our Junior Team who with their score of 1435/1500 finished nicely ahead of second placegetters England on 1423.

**High Guns: Open:** M. Diamond N.S.W. **Ladies:** T. Meadows Qld. **Junior:** M. Diamond N.S.W.

### Glen Cup — Australia vs New Zealand (D.T.L.)

Despite all efforts on the track, scores were level at the completion of the six-man team event with the trophy therefore staying in Australia.

We continue to enjoy competing against our New Zealand friends who will be out to wrest the trophy back when they conduct the 1988 match in New Zealand.

## WORLD SHOTGUN CHAMPIONSHIPS

The Australian team, under the direction of National Coaching Director Peter Quire, competed in Venezuela under very trying conditions.

Sportsmanship was by all accounts not as would have been expected and some countries had difficulties other than breaking the targets to overcome.

Despite these difficulties the team performed magnificently with Michael Diamond winning the Olympic Trap junior title and the Australian junior team of M. Diamond, B. Dunstan and F. Petriella winning a gold medal for Australia, also in Olympic Trap.

Many good performances were achieved with our international shooters being amongst the very best in the world.

## CLAY TARGET SHOOTING NEWS

This monthly publication does receive recognition as being the best of its kind in Australia. This is due in no small way to the work effort of Leanne Day who without fail always meets the publishing deadline.

Contributions are always welcome and space will continue to be provided whenever possible. Costs have certainly increased and as there has not been any increase in advertising costs for the past two years the cost of the magazine is reflected in the Annual Balance Sheet — this aspect will be discussed early in 1988.

We appreciate the support of our many advertisers both commercial and club and thank them for the continuance of their advertising support throughout 1987.

## SPONSORS

As always our traditional sponsors were always there during 1987 when called upon for assistance. Where would the sport be without the support which is received not only at national level but at all levels from club to national championships?

Without attempting to single out any person or company I can only, on your behalf, say thank you to all concerned for being there when asked to assist.

Don't forget, when next making a purchase of any kind, to ask yourself "Can I obtain this item or product from one of those companies who support the A.C.T.A.?"

## ADMINISTRATION

Another very busy year for the office administration as the demands on the services that we strive to provide are ever-increasing.

One of the many time-consuming areas that exists is when we are asked to provide or give a ruling on matters pertaining to the shooting rules.

Inquiries are always referred to State Rules Supervisors and it is important that should members have a query on the rules they address them to the Rules Supervisor in their state.

Probably the subject which about which we receive most inquiries is that of our public liability insurance cover. Throughout the year a summary is published in the C.T.S.N. that in 90% of cases contains the answer to the query that is received. If you do have a query in this regard please ring or write to the National Office; however, it will save time and money in most instances if the summary provided is first referred to.

## NATIONAL OFFICE

Changes have taken place at the office both in personnel and office location.

As is known we have moved from our Blackburn location to temporary premises in Nunawading and shortly in the New Year will be on the move again.

Our accounting is now attended to by Miss Tina Costello who joined us early in the year following the resignation of Peter O'Donnell who did elect to pursue other fields of interest.

Staff numbers were cut back by a decision of the Executive from five to four. However, it has now been found the outback which reduced costs has increased the workload to such a degree that the decision has been reversed and a junior will be appointed to the staff at the appropriate time.

For the few who wonder as to the need for a staff of five, I can only say that should they wish to call in to the office at any time they will appreciate that if we are to continue to provide the services that are required we can only do so if there are sufficient workers to carry out the duties that are expected of them.

Karen Scales who has been with us for some years will be departing once we establish our new location as additional travel on top of her 35km-each-way journey each day is not practical for her to consider.

As has been mentioned, Leanne Day is very heavily involved with the Association as well as attending to the records etc. of our registered shooters.

Leanne's knowledge of the sport plays a vital part in her daily activity and her contribution to the efficiency of the office is not to be underestimated.

I would like to publicly thank the office staff for their support throughout the year which was never found wanting.

## SUMMARY

Many problems are confronting us, not the least being

the threat to shooters' rights to possess and use a firearm.

We have not seen the end of this problem and 1988 will need to be a year of support from all sections of shooting.

As the issues at hand are controlled by state authorities, we as a national body must support the wishes of the respective State Associations which in turn are reflecting the wishes of the shooters in that state.

We are working behind the scenes with some success. For those who have said that the A.C.T.A. is not doing anything, I can only say that they have obviously not taken the time to investigate the matter for we are, as would be expected, working on behalf of our members — allow us the time to achieve our objectives.

The shooting rules review has been completed effective 1.1.88. It is not anticipated that there will be another review for approximately five years. This does not mean that there will not be any alterations or amendments during the five-year period for we are prepared to correct anomalies that are brought to our attention. Hopefully these will be few and far between.

In closing, 1987 has not been all that we would have wished; we have problems with gun licensing that must be overcome. We do have other areas that need improving upon and we will continue with your support to work for the betterment of the sport of Clay Target Shooting.

I look forward confidently to a successful 1988 and thank the members of the Executive Committee and all members for their support throughout 1987.

Alan J. Maher  
Executive Director

# OUT OF THE PAST HISTORY OF OUR SPORT

GEORGE BIGGS  
ACTA HISTORIAN

Looking back 20 years or so. People and events that have contributed to the development of our sport of clay target shooting over the years.

Press Statement

24th August, 1965

## Target Shooting to be permitted on Sundays in New South Wales

The N.S.W. Premier, Mr Askin, said today that Cabinet had approved a recommendation made by the Chief Secretary (Mr Willis) that legislation be drafted to amend the Police Offences Act to permit organised target shooting on Sundays.

"At the present time Section 19 of the Act provides a penalty for shooting or carrying firearms on Sundays and it is proposed to amend the Act to enable exemptions to be made from the provisions of the Section, subject to such conditions as may be prescribed."

Mr Askin said that the Minister had made the recommendation following his consideration of representations by a number of Clubs which participate in clay target shooting. The proposed amendment will, however, enable exemption to be granted in respect of other forms of organised target shooting.

"It is also intended," Mr Askin added, "to increase the penalty for illegal Sunday shooting from £5 to £50, which is more in keeping with present-day values and will provide a deterrent against indiscriminate shooting which may cause damage to property or endanger the lives of human beings, livestock and wildlife."

## TWENTY FIVE YEARS AGO

A report of the day announced that "the Nobel Clay Pigeon Shooting Club — the pioneer club of inanimate target shooting in Australia — will write 'Finis' to its spacious shooting grounds at West Footscray (V.) next weekend at a special farewell gala meeting. The area will soon be taken over for factory buildings. The gathering is certain to draw many of the originals. The report goes on to say, "The ground at West Footscray is fronted by a deep quarry. In the volatile depths of this excavation in 1927 a band of enthusiasts brought about the birth of organised clay pigeon shooting. From this humble beginning the sport has gradually spread to every State in Australia and the number of clubs shooting clays exclusively has grown to 65. Only 11 took part in the first Footscray shoot. The continual building of factory works has necessitated shifting the club to other headquarters — yet to be decided".

It is worthy of comment that the self same shooting ground of the Nobel Club, which, it was stated, was required for factory buildings, is today as bare of buildings as it was when the Nobel Club moved out in 1939. It is also of interest to note that the Nobel Club's first President was the great shooting sportsman, J.W. Sutherland (better known as "Calrossie"), Vice Presidents were the late E.B. Turner and Fred Clift. Joint Hon. Secretaries were Geoff Rutledge, now of Brisbane and the late Mac Evans (founder of the present day firm of Evans & Balfour). "Duxbac" (H.G. James) was the original Treasurer.

It was fitting that a veteran of over 50 years' trap-shooting, in the late Charles Corbett, and a pioneer member of the Nobel Club, gained main honours of the club's final day at West Footscray. Of the field who took part that day, only Des O'Callaghan is still numbered among the active shooters of today.

AUGUST, 1964

INTERNATIONAL MATCH. AUSTRALIA AGAIN WINS IN 1964. Australia repeated its victories of 1962 and 1963 when the 1964 Australian International Team successfully defended the title it had won in the two previous years. Cabled advice was at A.C.T.A. headquarters from London on July 1, which read: "MACKINTOSH TROPHY WON BY AUSTRALIA HEARTIEST CONGRATULATIONS STOP NEW ZEALAND 8636, SOUTH AFRICA 8479, ENGLAND 8427, WALES 8256, SCOTLAND 8084, IRELAND 8083, CENTRAL AFRICA 7643 REGARDS PAGE."

Australia's winning score as revealed in June issue, when the full team scores were published, was 8763/9000 points, this giving Australia a winning margin of 127 points or only 16 points less than the Australian record winning margin established in 1962, when the Australian team aggregated 8764 points, one more than that registered this year.

The Australian winning score of 1964 was a model of consistent shooting. As an example, it will be noted that although several shooters were capable of breaking 100 straight, none was equal to a full score in points. Further, the top score was 298/300 points and the lowest was only 22 points below that high standard. On the form shown by the Australian shooters over the past three years it will indeed be something of a surprise if Australia cannot continue to be the premier shooting country of the British Commonwealth of Nations.

The following table lists the winning teams since Australia was first accepted into the International fold in 1939:

		Winning Margin
1939	England .....	1878 "kills"/2000
1948	England .....	1410 "kills"/1500
1949	Australia .....	1374 "kills"/1500
1950	England .....	1657 "kills"/1800
1951	Australia .....	1443 "kills"/1500
1952	England .....	1645 "kills"/1800 (S/B)
1953	England .....	5013 points/5400
1954	New Zealand .....	1725 points/1800

## BEHOLD THE SHOOTER

He spends much time, energy and income on attempting to do something that he already knows is well-nigh impossible.

He clutters up the home with such oddments as guns, cleaning gear, gun cases, loaded and unloaded shells, every conceivable piece of re-loading equipment, rags, oils, shooting jackets, badges and patches, to say nothing of books, newspaper cuttings and magazines — all about guns and shooting.

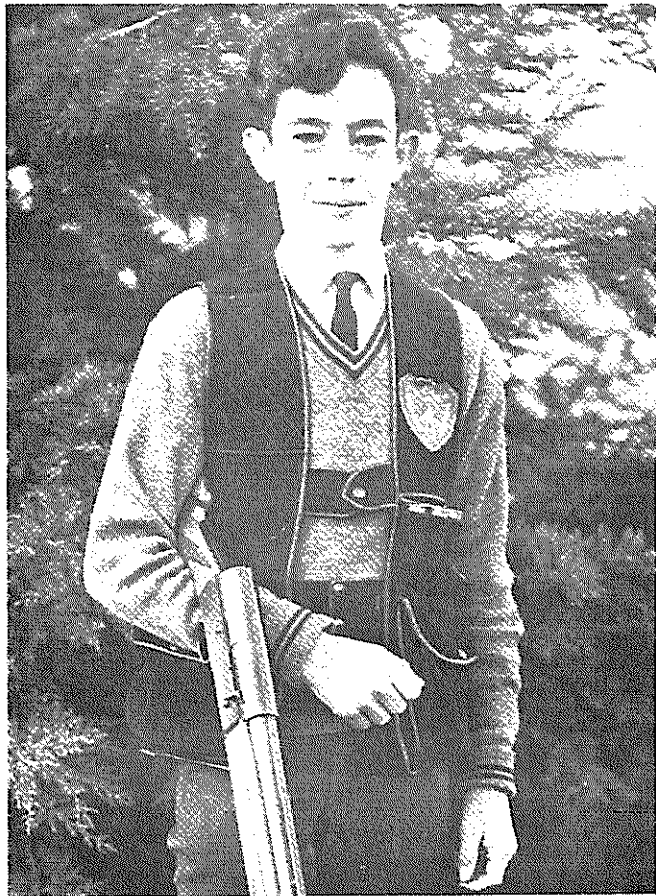

He goeth to shoots full of enthusiasm and hope, spends more than he can afford, and brings home either nothing, or at least a trophy that this wife and family have no use for.

He sometimes takes his wife and family to a shoot, then sets about completely ignoring them and discusses with other fanatics such uninteresting subjects as loads, swing, breaks, lost birds, chokes, high combs and patterns.

There is no hope for this person, as invariably he threatens to "give it away" and systematically sells all his guns and accessories at considerable financial loss, and then meets up with one of his old cronies and immediately sets about re-purchasing another gun and more gear (by this time it has all advanced in price), and from then on, much more shooting occurs and more strife on the home front.

When he finally enters Heaven??? ... his pass word to St Peter probably will be "PULL".

## THE OCEANIC REGIONAL CHAMPIONSHIPS

Australia's Olympic Trap and Skeet shooters performed magnificently, they scooped the pool, winning the Badge Match, the Individual Championships, both senior and junior and the team events.

**Badge Matches** — Senior Trap: Jim Ellis; Junior Trap: Michael Diamond; Senior Skeet: John Summers; Junior Skeet: Mark Agar.

**Oceanic Championships** — Trap, Senior event: Gold medal: Russell Mark; silver medal: John Maxwell. Trap, Junior event: Gold medal: Michael Diamond; silver medal: Filippo Petriella; bronze medal: Brett Dunstan. Skeet, Senior event: Gold medal: Craig Meuleman; silver medal: John Summers. Skeet, Junior event: Gold medal: M. Agar.

John Maxwell and Russell Mark.

The Dynamic Trio — Filippo Petriella, Michael Diamond and Brett Dunstan.

## OLYMPIC QUOTA SPORT

Australia won all of the available Olympic quota spots, Mark and Maxwell in Trap and Meuleman and Summers in Skeet.

Jim Ellis had previously won a quota spot in Korea, so we now have five country quota places in the Olympics, which will have to be competed for at the Nationals in Brisbane by the shooters with a qualifying score.

They are — Skeet: I. Hale, C. Meuleman, A. Crikis, gained in East Germany; J. Summers, B. Thomson, gained in Korea; D. Cunningham, M. Inguanti, M. Agar, gained in New Zealand. Trap: T. Rumbel, R. Mark, D. Diaz, gained in East Germany; J. Maxwell, gained in USSR; J. Ellis, gained in Korea; M. Diamond, F. Petriella, B. Dunstan, gained in New Zealand.

Incidentally there are only three other countries in the world that have more country quotas, that is USSR, USA and Italy.

The highlights were the 198+24 shot by Craig Meuleman, the highest score shot in international competition, out of Australia by any Australian shooter, and the performance of the Junior Team.

Craig Meuleman and John Summers.

Michael shot a 190 to win the Junior Gold, Fillipo 189 and Brett Dunstan 188. Mark Agar shot 100 straight, and all of the juniors now have a qualifying score. New member to the team was David Cunningham from Victoria, a most promising shooter who has represented Australia at Field and Game as well as Clay Target. He shot 190 and in doing so shot a qualifying score.

The shooters who win the right to represent Australia at the Seoul Olympics will have to be ratified by the Australian Olympic Committee. It is my opinion that all 16 of the qualified shooters deserve to win the spots, they have trained, travelled, sacrificed income and are in their separate ways great Australians, their energy and dedication deserve the greatest praise. Well done.

State Coaching Directors, Col Burt, Greg Chan and Murray Alexander accompanied the team, their assistance was invaluable, without their talents I am sure the team would not have performed as they did. Thank you all for your support.

David Cunningham.

By the time you read this the National I.S.U. Championships will be over and the Australian team known, I would just like to ask you all to support that team, as the members who go to Korea will have another hard year ahead of them, they will need the strength that comes from the support and recognition of their peers.

Remember shooters, the only competition is the next target.

*Good shooting,  
Peter Quire*

## A NOTICE FOR SKEET SHOOTERS

Following upon a meeting in Perth at the 1987 National Skeet Championships it has been decided to form an Association known as the Australian Skeet Shooters Association and obtain legal status as an incorporated body with Adrian Cousens of Victoria, the Public Officer.

The Articles of Association that we are endeavouring to have approved will call for five people to be appointed to form the Committee.

Until such time as our application for incorporation is approved the Association will be administered by Adrian Cousens of Victoria and Doug Siggs of Queensland.

Any applications received for membership of the Association will be acknowledged once our legal entity has been established.

Once membership has reached a figure of 30 a meeting will be called to elect persons to the Committee of the Australian Skeet Shooters Association which is being formed to promote Skeet Shooting within the A.C.T.A. and is not to be mistaken as being a breakaway body.

**Adrian Cousens,  
Bairnsdale, Victoria**

## PRESIDENTIAL MEDAL

Following the receipt of nominations for the Presidential Medal, which is awarded annually for a person's contribution to the development of the sport, the Management Committee being the approved judging panel has approved the nomination of Mr George Biggs (Victoria) nominated by the Frankston-Australia Gun Club.

George has been a stalwart in the sport and is as active as ever as seen by his regular contribution to the magazine.

Congratulations George from all clay target shooters who will be given the opportunity to applaud your honour of being the recipient of the 1987 Presidential Medal when it is presented to you in Wagga at the National Trap Championships this month.

## CLUB AFFILIATIONS 1988

# OLYMPIC QUOTAS FOR AUSTRALIA

Oceanic Games — Christchurch

By David Menck

The World Championships held late last year in Venezuela were hailed as probably the most successful venture ever by an Australian Shotgun Shooting Team, however, this claim must now surely be contested following the Australian Shotgunners success at the Oceania Games held last week in New Zealand.

The Clay Target Shooters of Australia have now reached a point where they can claim to be as good as any shotgun shooting nation of the world, and far better than most, following the magnificent performances by our representatives, to win all four Olympic Games Quota spots up for grabs in New Zealand.

Only two other nations, Italy and Russia, have bettered our efforts of a total of five shotgun quota spots for the Seoul Olympic Games. Both of those countries have each won the maximum of six spots, three in Olympic Trap and three in I.S.U. Skeet.

Not only did our Oceania Games representatives win all the quota spots, but they also completely blitzed the opposition right from the start.

Rivalling the winning of the quota spots for highlights of the trip was the individual effort of each of the juniors.

Each of our four juniors, Mark Agar, Michael Diamond, Filippo Petriella and Brett Dunstan shot an Olympic Games minimum qualifying score of 188/200 or better.

Mark Agar sports the new fashion, a black tie affair.

On the first day of competition, Monday's Badge Match, Sydney junior Mark Agar shot a magnificent 100/100 ISU Skeet, to head the open section winner, New Zealand's John Woolley, by two targets. Victorians John Summers and Alex Crikis finished one target behind Woolley on 97/100, with Michael Inguanti and Ian Hale both on 95 taking the next two spots.

The Olympic Trap saw Russell Mark complete a very good 74/75 for the day to take the lead on 144/150, three targets ahead of Filippo Petriella on 141, with Robert Thompson, John Maxwell, Michael Diamond and Sydney based Kiwi, Brent Woodward all on 140.

The completion of the second day's shooting saw the finalising of the team events, with Australia taking all the honours.

**OLYMPIC TRAP:** 1. Australia 'A' (Maxwell, R. Mark, Ellis) 421/450; 2. Australia Jnrs (Diamond, Petriella, Dunstan) 419/450; 3. Australia 'B' (G. Mark, Thompson, Diaz) 413/450; 4. New Zealand (Coppins, McGowan,

Wistrand) 395/450; 5. New Zealand 'B' (Woodward, Cave, Morrison) 389/450.

**ISU SKEET:** 1. Australia 'A' (Hale, Meuleman, Summers) 437/450; 2. Australia 'B' (Crikis, Inguanti, Cunningham) 427/450; 3. New Zealand 'A' (Woolley, Farrell, Cameron) 425/450; 4. New Zealand 'B' (Dodds, Everett, Jukes) 410/450.

Although medals were only awarded to the winning teams in both disciplines, the above is in fact how each team finished.

Special mention must be made of the excellent score shot by the Australian 'A' I.S.U. Skeet team of 437/450. **THE HIGHEST SCORE EVER RECORDED BY AN AUSTRALIAN ISU SKEET TEAM.**

While on the subject of teams, the Australian Junior Olympic Trap Team, which won the World Championship only a few months ago, again demonstrated their ability being only two targets behind the winning Australian 'A' team. **WELL DONE BOYS.**

The third day, with only 50 targets plus the 'final' round to be completed, saw Brett Dunstan, who was in the first squad, shoot a perfect 50/50, to add to his overnight 138 to record an Olympic Games Minimum Qualifying Score. Also in the first squad, Ellis finished on 186, Geoff Mark and Domingo Diaz on 183s, and the Kiwis were out of it.

Squad two saw Russell Mark finish in first place on 191/200, with Michael Diamond also shooting the 50/50 to finish one target back with a good qualifying score of 190. Filippo Petriella shot very well for the day to add 48 to his overnight score and qualify on 189, along with John Maxwell. Woodward finished on 188/200 and Robert Thompson on 187.

## WARATAH STATE NOTES

### MESSAGE FROM YOUR PRESIDENT:

By the time you read this we will no doubt know if we are affected by the Unsworth's Government Firearms Legislation Act or shooting along with the Coalition's Proposed Act.

A lot of shooters within N.S.W. are not aware of the part that your State Association took in the proposed changes to the Firearms and Dangerous Weapons Act.

Your State Association along with all the Affiliates of the N.S.W. Shooting Association is financially supporting a Press Release Kit, that is being formulated by the N.S.W.S.A. — the parent body within N.S.W. We also applied for and were granted a substantial grant from the A.C.T.A. Legislation Fighting Fund by the National Executive.

These funds were placed with the Joint Task Force, namely The Firearms Advisory Council and the Sporting Shooters Association of Australia. Once again all affiliates of the N.S.W. Shooting Association are supporting this body as it was felt that we would achieve much more by being seen as one large body of shooters with a common goal and very few spokesmen, not all going out where we would become very fragmented and no doubt being pulled apart by the media. If you saw the newspaper and television adverts or happened to attend any of the many local public meetings you would agree win or lose this Task Force did a magnificent job.

Hope this can help clear the air for those of you who thought that we were doing nothing about your interests. I can tell you that I personally kept in contact with the Task Force either in their office or by phone throughout each week of the campaign.

Good shooting to you all and best of luck to those of you attending the National Championships at Wagga — hope to see you all there.

### NOTES FROM THE LAST STATE MEETING:

The State Executive met on the 6th February and addressed a long and varied agenda. Some of the matters to be brought to the attention of clubs and shooters are:

- 1: The State Trap Carnival will now have a Handicap event on the program;
- 2: A reminder to all Club Secretaries of the advertising requirements for Commonwealth and State Championships. i.e. Commonwealth Championships to be advertised in the C.T.S.N. at least once, two months prior to the actual shoot date; and State Championships to be advertised in the C.T.S.N.
- 3: The States Annual General Meeting for 1988 will be held on the Saturday night of the Trap Carnival and will be at the Sydney/Marconi Complex.
- 4: Guidelines were established for new shooters joining our Clubs following the introduction of the new gun laws on the 1-1-88. These guidelines and appropriate membership application forms have been sent to all affiliated clubs.

- 5: A further reminder that all Zone Coaches are available upon request to attend coaching days — arrange coaching sessions etc. etc. They are all just waiting to be asked.

### NOTES FROM THE SOUTHERN ZONE:

Zone Secretary, Pam Smith has advised that their Zone Annual General Meeting will be held at the Illawarra Gun Club on 24th April, 1988. It will also be at this meeting that the 1989 Zone Championships will be allocated.

Pam has asked me to stress that all Club Delegates from the Southern Zone should attend this meeting — it is in your club's best interest.

For those of you looking for some shooting over the Easter break — and also wanting to support a very worthy cause — why not go along to the Majura Park Gun Club on the 2nd and 3rd April? The Club is going to donate all profits from the shoot to the Cancer Society — certainly a wonderful gesture.

Saturday's events get underway at 6.30pm and include the Southern Zone Night Mixed Targets Championship — after the Easter bunny has been on Sunday, events start at 9am and included in the 110 targets for the day, will be the Allan Cramp Memorial Point Score Championship. More information can be obtained from their Secretary, Phil Turner.

Canberra International Clay Target Club's new secretary, Chris Milligan has advised that they are unfortunately still having problems getting progress underway at their new grounds — this has necessitated an alteration to their shooting program. I.S.U. Skeet will not be shot in conjunction with the Olympic Trap events as advertised in the Blue Book — but will now be conducted separately on the second Saturday of each month until further notice.

The Southern Zone Skeet Carnival and Team elimination, also set down for Canberra on the 9th and 10th April has been moved to the 18th/19th June — still on the Canberra grounds.

It may be wise for shooters intending to travel to Canberra shoots to contact Chris Milligan on (062) 41 4979 to clarify times etc. until they can complete their new facility.

### NOTES FROM THE RIVERINA ZONE:

This month will see all roads leading to the Riverina city of Wagga — for the 1988 Trap Nationals. The Wagga officials have been working very hard to have their new club house and associated facilities completed for the Nationals and I'm sure that all those who attend will be very surprised at the huge amount of work that has been carried out since you were last in Wagga.

The Pre-Nationals will be conducted from Tuesday 12th to Thursday 14th inclusive, Friday 15th will see the Munt and Jolly Bicentennial Grand Prix event — 50 targets from 16 metres (see full program details in this issue) and the Nationals will commence on Saturday 16th and run through to the 21st April.

There will be a change to the past Carnivals, in so far as the Official Opening Ceremony and Inter State Shoulder-to-Shoulder Teams competition will be conducted first thing on Saturday morning prior to the Grand Australian Handicap getting under way.

Promises to be a great 10 days of shooting — don't miss it.

N.S.W.C.T.A.

## STURT PEA BACK NEXT MONTH

Due to the large content of material, space does not allow for the S.A. Notes to be published this month. Sturt Pea from S.A. will be back in force in the May C.T.S.N.

## CONDITIONS OF ENTRY — NATIONAL TRAP CHAMPIONSHIPS

1. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
2. Squads of 6 to shoot 50 Targets/75 Targets in brackets of 25 one visit only to the traps for all titles.
3. Each shooter is to take enough cartridges to shoot at 50 Targets/75 Targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. **Should the two-minute time limit be exceeded by any shooter then a penalty of the LOSS OF ONE TARGET shall be incurred.**
4. Shooters who fail to appear in time for their squad will be re-squadded towards the end of the event and incur a penalty of the **LOSS OF ONE TARGET.**
5. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
6. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooter's signature will be credited with the lowest score recorded.
7. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET IN THE NEXT EVENT.** Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
8. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
9. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
10. Shooters may only nominate in any one section of an event, Open, Ladies, Junior, Veteran. Shooters who are eligible for, and elect to pay a reduced nomination (60% of open nomination) to enter a specific section shall only be eligible for the section entered. A minimum of three persons must compete in any grade or section before Sashes/Medals/Trophies are awarded.
11. When team selection is involved shooters shall be eligible for the open team irrespective of the section nominated for. In addition to open teams, shooters shall be eligible for team selection for the section nominated, Ladies, Junior or Veteran. To be eligible for selection or naming in any team, competitors must have competed in a clear majority of programmed events.
12. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep/purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
13. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
14. Competitors using automatic shotguns during the National Championships may recover their empty shells providing they have obtained an automatic I.D. card when nominating.
15. Practice tickets are available for purchase only at the area controlling the optional sweep/purse entries.
16. The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
17. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. **NOTE: A \$5 fee will be charged for the issue of any duplicate handicap card.**
18. Any interpretation of the program and conditions of entry will be the responsibility of the Executive Committee whose decision shall be final.

**Note:** In the event of any omissions to the conditions of entry, nomination form to determine final conditions.

## HANDICAPPING NATIONALS 1988

To make it easier for all concerned — office staff, handicapper and shooters — we would like all shooters to please note and adhere to the following points:

1. Please present your current 1988 Handicap Card for stamping before nominating. Also your up-to-date 1987 card.
2. Nominations will not be accepted unless cards are stamped by Handicapper.
3. Any shooter unable to produce a 1988 Handicap Card, must produce a Club Receipt as proof of A.C.T.A. registration.
4. Such shooter shall be allowed to compete on handicap and grade given. But any moneys or trophies won shall be held by the A.C.T.A. until proof of handicap and grade are verified.
5. Rule 2.1 (m). Should it be found that a shooter deliberately misled Management regarding his grade and/or his handicap, the shooter will be suspended for a period of three months.
6. If an error is made on your card, have your club secretary or handicapper neatly rule out the error, rewrite it correctly, stamp and sign it.
7. Any obvious low scores entered on handicap cards just prior to the Nationals that enables a shooter to be downgraded, will not be taken into consideration. Rule 2.7.
8. Please watch the handicap board, if your name appears on the board, please report to handicapper's office.
9. If you do not wish to be downgraded, please advise handicapper's office.

## CONDITIONS OF COMPETITION — ENTRY

Entry in the 1988 Australian Trap Championships is open to all shooters who are registered for 1988 with the Australian Clay Target Association.

Temporary honorary membership will be offered to overseas visitors who can produce evidence that he or she is a current financial member of their home country's equivalent body to the Australian Clay Target Association.

Australian competitors must produce their 1987 and 1988 registration cards before nominating, to the 1988 Nationals Official Handicapper. Where a competitor was not registered for 1987 he must produce his 1988 registration card.

## DIVISIONS

The competition will be divided into a number of divisions except in the 36th Australian Double Barrel Championship, where there is a separate Australian Women's Double Barrel Championship and an Australian Junior Double Barrel Championship.

Shooters may only nominate in any one section of an event, Open, Ladies, Junior, Veteran.

Shooters who are eligible for, and elect to pay a reduced nomination (60% of open nomination) to enter a specific section, shall only be eligible for the section entered.

A minimum of three persons must compete in any grade or section before sashes/medals/trophies are awarded.

When team selection is involved shooters shall be eligible for the open team irrespective of the section nominated for.

In addition to open teams, shooters shall be eligible for team selection for the section nominated, Ladies, Junior or Veteran.

To be eligible for selection or naming in any team, competitors must have competed in a clear majority of programmed events.

## AGE QUALIFICATIONS

**VETERANS** — are those competitors over the age of 65 years on April 16, 1988.

**JUNIORS** — are those competitors who, on April 16, 1988, will be under the age of 17 years.

## TIME STARTING

Each day's event shall commence at 8.30 a.m.

Shooters who fail to appear in time for their squad will be re-squadded towards the end of the event and incur a penalty of the loss of one target.

Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.

## CARTRIDGES

Cartridges of the competitor's choice may be used in all National Championships. Cartridges will be available for purchase at the carnival at competitive prices.

## TARGETS AND TRAPS

Targets throughout the program are to be black and will be supplied by Olympic Targets. All targets thrown remain the property of the organisers.

All throwing equipment will be electrically operated. The traps used will be Winchester White Flyers.

## CLASSIFICATIONS

It is the responsibility of the competitor to see that their entry is correctly classified — an indication can be obtained from the daily scoreboard.

This applies to trap grades, open, ladies, juniors and veterans divisions.

Contestants are reminded that regrading and rehandicapping will be carried out on a daily basis, where required by the rules.

Ladies, Junior and Veterans who have elected to enter the open section will be indicated on the High Gun Scoreboard as OL, OJ, OV.

## PRACTICE

Practice, subject to trap availability, will be available throughout the championships. Tickets may be purchased at the designated area.

## CASH PRIZES

In all events with the exception of the Grand Australian Handicap and Deauville Doubles, cash prizes will be awarded to the overall winner, and to first to third place-getters in each grade.

These cash prizes are calculated as follows: **Overall winner** receives 50c per nomination in the event. **Grade winners** receive 50c per nomination in the particular grade. Second in each grade receives 40c per nomination in the grade, third 30c.

## SHOOT-OFFS, CONTINUATION OF EVENTS

If, for any reason, the event cannot be completed on the day it commences, the management reserves the right to stop shooting at any time if considered necessary.

In such a case, the competition will recommence where it left off, on the following day.

## NOMINATIONS ALL EVENTS

## AUTHORITY

This program shall control the 1988 Australian Trap Championships. The shooting rules of the Australian Clay Target Association will govern all points not otherwise provided for.

The Association's Management Committee, through the Tournament Organising Committee, reserves the right to, at its discretion at any time prior to the commencement of any event on the 1988 Trap National program, change or modify the program in any way.

## GAMBLING IS NOT PERMITTED ON EVENTS STAGED BY THE AUSTRALIAN CLAY TARGET ASSOCIATION

## SERVICES AND FACILITIES

### CATERING

The catering service will be provided by an outside contractor. Arrangements are being made for meal services to be available with an extensive but practical menu.

### SOUVENIRS

In addition to a variety of souvenirs which will be offered by commercial supporters of Clay Target Shooting the Australian Clay Target Association will merchandise a

souvenir 1988 National Championship Badge which will be available from the N.S.W.C.T.A. Display Area.

#### TRADE DISPLAYS

Commercial organisations associated with clay target shooting have supported the tournament by establishing displays of products connected with the shooting sports. These displays will be located in an area specifically designated for trade exhibits. Competitors and visitors to the ground are encouraged to support these trade displays as, in this way, exhibitors can be encouraged to maintain their support for clay target shooting.

#### PARKING

Ample parking is available adjacent to the club ground for the cars of competitors and visitors. The parking area will be clearly marked. Please do not park in any area shown as being reserved, as freedom of movement is required at all times — PLEASE CO-OPERATE. Competitors' vehicles will not be able to gain admission to the club grounds.

#### TOURIST INFORMATION

Tourist information is arranged and publicised by the Wagga Tourist Information Centre, who will have a stand on the grounds, days 1 & 2, where further information may be obtained.

#### HIGH GUN AWARDS

**Overall High Gun Award:** A Beretta SO4 Under/Over Shotgun donated by Olin Australia — Winchester Division will be presented to the competitor with the highest aggregate score over the official program.

## GEELONG C.T.C. CHARITY SHOOT

On New Year's Day the Geelong Clay Target Club, in conjunction with the Lions Club of South Barwon held their 18th annual charity shoot. Originally this shoot was held on Boxing Day, but after two years, a decision was made to change the event to New Year's Day.

During these 18 years, the clubs have been successful in raising over \$40,000 for charity. Some of the organizations to benefit from the moneys raised are: Kal-Kee Elderly Persons Home — The Spastic Society — The Hearing Dog Program — The Geelong Hospitals — Save Sight Program.

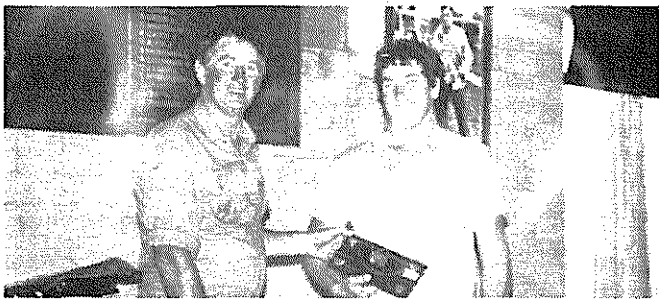

The Club wishes to thank the shooters for their support over the years and hopes that they will continue to support this worthy cause.

Thanks must also go to the sponsors as their generosity is responsible for a large portion of the moneys raised. We hope they will continue this sponsorship in the future. Winchester Division of Olin have given great support since the shoot inception with Epic Hardware and Beaurepaire Tyre Service sponsoring events for several years. Many other local businesses have given donations and support along the way.

Although numbers were down on previous years, this year's shoot proved successful with good scores being shot in every event. Lions Club members scored, barbecued, made salad sandwiches and hot drinks throughout the day and generally kept the shooters happy.

Hope to see you there next year.

At the trophy presentation a special club award (the Golden Dummy) was presented to Stephen Haberman. Stephen has had outstanding success in Dummy Spitting over the past three years, winning each year on a unanimous vote.

Inaugural winner Reg Coombes, presenting Golden Dummy award to Stephen Haberman.

A good turn-out of top shooters from all over the region made the day a huge success. The first Sunday in the month at Majura Park is certainly growing in popularity with excellent trophies, good turn-outs and extremely close competition. The highlight of the day was the 30T D/B C'ship with club president D. Jordan beating arch rival P. Lyons to take the event. Congratulations to the committee on another top shoot.

MAJURA PARK 17-2-88 — Not good (42). 25T D/B Night C'ship: OA: P. Simon 30-31; AA & OA: D. Jordan 29-31; B: J. Reid 28-31; C: R. McGregor 24-25. # Every Day Someone Wins with Beretta 682. Why Not Join Them!

## TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations - providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

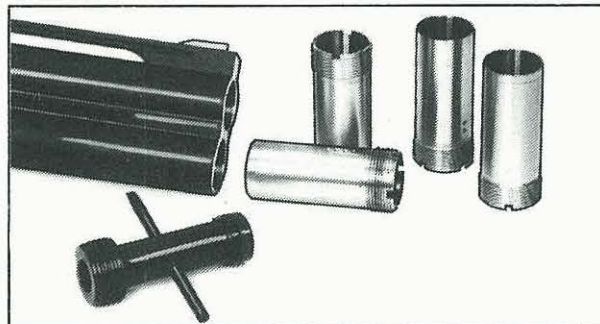

3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.

can inexpensively maintain new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Bruniton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners

New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., — and full. Key/thread cleaner come with guns featuring the mobilchoke system.

To complete the story the new \*682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.
