PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

C.T.S.N. ADVERTISING

Owing to increased costs over the past two and a half years, during which time there has not been any increase in commercial advertising rates, the need has arisen to review the overall situation.

The decision to review our advertising rates has been forced upon the Association in view of the ever rising costs.

As the cost being incurred can no longer be absorbed, advertising rates in the Clay Target Shooting News are to be increased by 10% effective from the June issue.

Every effort will be made to maintain the new rates for as long a period of time as possible.

THE NATIONAL I.S.U. CHAMPIONSHIPS — BRISBANE, FEBRUARY 1988

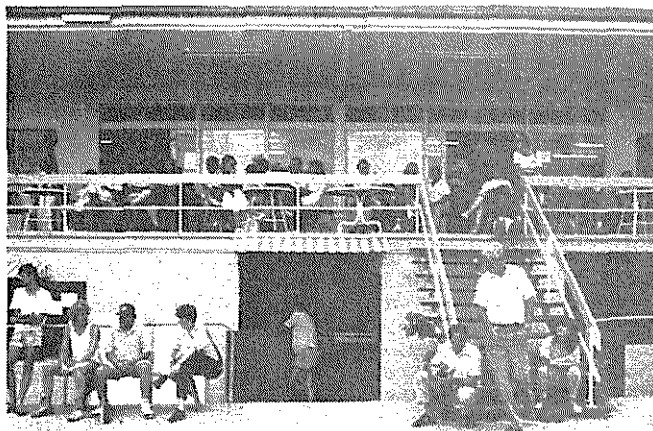

Peter Quire — National Coach
THE EVENT

This year the Commonwealth and National Championships were a very special event, not only were they to decide the Commonwealth and National Champions and the Champion of Champions in both Skeet and Trap, they were also to decide:

- a) the national team champions, both skeet and trench;
- b) the composition of the National Training Squad;
- c) the junior champions both skeet and trench;
- d) the shooters to be put forward to the Olympic Federation.

BRISBANE GUN CLUB

The host club was the Brisbane Club, which has great facilities for I.S.U. shooting, and a club house that provides excellent hospitality. The grounds were in beautiful condition and all those involved must be congratulated on their efforts. The State Secretary and level 2 Coach, Bev Grice, ran the office in her usual efficient and friendly fashion. The tournament ran without a hitch, this was due to the organisation of the director, Jim Kelly and his assistants, who included the members of the Brisbane Gun Club. It was good to have National President, Roy Holtfretter there, he lent a hand where necessary. Well done, Queensland!

● The picture tells the story — great atmosphere at the Brisbane Gun Club.

OVERSEAS VISITORS

The nationals attracted several overseas visitors. Susan Natrass, the Canadian Champion and friend, a contingent of American shooters, Art Goodman, Quinton and James Bristow and Tom Gloyd. Richard Ferguson and David Williams, N.Z., Alan Maher, New Guinea.

THE COMMONWEALTH TITLE

The numbers were slightly down on last year, but the enthusiasm and skill levels could not have been better.

The Commonwealth Skeet title: These titles are shot over 225 targets now, and Dave Dundon a local Queensland shooter won the Commonwealth Title convincingly. Dave's determination paid off with a great win. Dave shot very consistently, with his worst score being 23/25. He concentrated on the next target, not the other shooters, and this certainly paid off. Ian Hale came second and John Summers third. Mark Agar the leading Junior shot as a senior in this event shooting 209/225.

THE TRENCH TITLE

John Maxwell won the Commonwealth Title with some determined consistent shooting. John must be one of

● Commonwealth I.S.U. Skeet Champion Dave Dundon pictured with National President Roy Holtfretter.

● Commonwealth Olympic Trap Champion John Maxwell, a fine display of shooting throughout the series.

Australia's all time best I.S.U. shooters, he doesn't give up and deserves the success he has. Domingo Diaz shot 195/200 as did John Maxwell, but John shot 24/25 to Domingo's 23/25 in the final. Robby Thompson came third with brilliant consistent shooting 193 and 24/25.

It was a very exciting match with world class scores, the last Olympics was won with a 193.

The World Champion Junior Team members all shot as Seniors this year to try to secure an Olympic spot. Brett Dunstan and Michael Diamond both shot 189/200, with Brett going into the final six with a 24/25 in the last round. Craig Tilley the Junior from Illawarra, shot extremely well.

THE STATE TEAM EVENTS

It was great to see the State Teams competing in the I.S.U. events.

National Champion I.S.U. Skeet Team: 1988 Champions **VICTORIA**. Team members: Ian Hale, John Summers, Craig Meuleman.

National Champion I.S.U. Trench Team: 1988 Champions **VICTORIA**. Geoff Mark, Russell Mark, Steve Haberman.

Congratulations Victoria, and congratulations to every State that competed. These State matches really add great interest to the Nationals.

THE NATIONAL TITLES

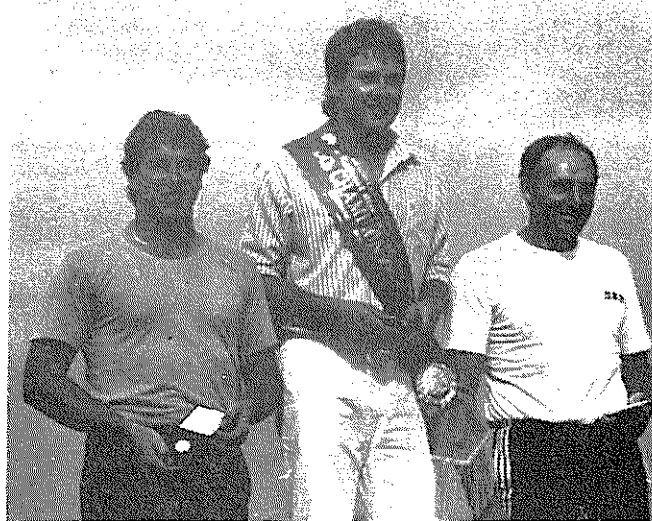

By this time in the competition the pressure was really on, not only because of the prestige of the National Title, but because the top shooters over the 400 targets would be our Olympic representatives.

National Skeet Championship: 1988 Champion **Craig Meuleman**. John Summers second and Ian Hale third.

It took Craig the first 200 to be at his usual brilliant form. He won the National Championship like the champion that he is.

• National I.S.U. Skeet placings: 1. Craig Meuleman, 2. John Summers, 3. Ian Hale.

• National Olympic Trap placings: 1. Russell Mark, 2. Steve Haberman, 3. John Maxwell.

National Trench Championship: 1988 Champion **Russell Mark**. 2nd Steve Haberman; 3rd John Maxwell.

Congratulations to Russell, his steady rise from the junior to senior ranks has seen his early brilliance develop into a skilled, dedicated shooter. Steve Haberman showed that he will be a shooter to be reckoned with in the future. He has a lot of potential, and must be congratulated on his fighting spirit and will to win.

Russell and John once again proved their ability to shoot well in stiff competition and under pressure.

Brett Dunstan and Michael Diamond both entered the National Titles as Seniors, with Brett Dunstan shooting 186 and Michael 185. Craig Tilley won the junior event with Fillipo Petrella second and Mark Grosvner third.

HIGH GUNS

This is decided over the 400 targets of the two events. To shoot consistently over the 400 targets and come out on

• A fine "High Gun" trophy display.

top is indeed a great achievement. It always gives my wife and I great pleasure to be involved in this event. It gives us an avenue to express our admiration for the dedication and sacrifice of the Olympic Trap and Skeet shooters. Anyone who believes it is possible to attain the levels of skill and consistence that is necessary in such a difficult discipline without sacrifice, is fooling themselves.

Trench: Russell Mark. **Skeet:** Ian Hale.

NATIONAL TRAINING SQUAD:

Skeet: Ian Hale, Michael Inguanti, John Summers, Craig Meuleman, Alex Crikis, Dave Dundon, Mark Agar, Junior.

Trench: Russell Mark, John Maxwell, Domingo Diaz, Robby Thompson, Jim Ellis, Ken Stevens, Brett Dunstan, Junior.

It is good to see new faces in the National Training Squad this year. Brett Dunstan the junior, finished 7th overall and Michael Diamond 8th overall. This was a tremendous performance from young shooters who had just shot 400 targets in New Zealand the previous week.

OLYMPIC REPRESENTATIVES

These were chosen over the 400 targets of the Commonwealth Titles and the National Titles. **Skeet:** Ian Hale, Michael Inguanti. **Trench:** Russell Mark, John Maxwell, Domingo Diaz.

Congratulations to these shooters. Now it is the task of all of us in the Australian Clay Target Association to support and encourage these shooters in the lead up to the Olympics in September 1988. Michael Inguanti is a new member of the senior skeet team but has been a member of the national training squad as a junior since 1985 and has represented Australia at the World Championships in Italy as a junior. He has improved each year and finished 2nd in Australia this year. Michael is a tenacious competitor and has a tremendous future in the senior ranks.

It was very rewarding to see the high standard of shooting in Brisbane, all of those shooters who have won Masters Medals can be justly proud of them. Stan Collins kindly donated the Masters Medals, many thanks to Stan, a great supporter of I.S.U. over the years.

The donors of all the trophies must be thanked and congratulated. Olympic disciplines are shot by people who, on a whole, do not expect much in the way of rewards, but it was heartening to see the support from many sponsors in Brisbane. Serg Zuffo is a great supporter, and this year the Carindale Hotel/Motel donated most generously.

1988 is a year that we can all look forward to. More and more shooters are coming to realise the challenge of the Olympic Disciplines, and that it is a truly International sport, indeed one of the sports that Australia can boast of having world class athletes competing in. It is going to be great in '88 for our I.S.U. shooters.

SNIPPETS FROM EARLIER DAYS

By George Biggs
ACTA Historian

The accompanying photo has been loaned to me by Bill Atwood and the only information he could give me was that it was taken around 35 years ago at possibly Rainbow or Sealake Gun Club in Western Victoria. Unfortunately, he could not put names to any of the shooters, however, I've been able to recognise a couple of young looking guys in Tom Lucas, with his son Robert on his knee, and Alf Hall, first on left front row kneeling. I think also Kelvin Mark. Can anyone put a few more names to the picture? Note the number of side by side double barrel guns. The over-under trap gun was just commencing to appear on the Australian market around this time.

For quite some time after World War 2 the Australian trap shooter had to make do with the English side by side double barrel game shooting gun. One other choice was the tested and proven F.N. Browning 5 Shot Auto used by a great many shooters who liked its easy pointing qualities and reduced recoil effect, plus its low cost, compared to the double barrel side by side.

● Nationals 1965, Australian Gun Club Burwood. Picture shows: Doug Smith, High Gun for Australia in the International Match being congratulated after decoration with High Gun Sash by Mrs Enid

Pedersen, wife of Executive Committee Member, Tup Pedersen. Doug Smith repeated a previous performance in winning the Australian High Gun with a possible 100 straight, all with the first barrel.

● Photo taken also at the same National Program shows shoot off in progress for the A.C.T.A. Intermediate Championship. Shot from 16 yards on the right is Dudley Egerton (Victoria) winner, and Rev Fr F. Kelly (Christchurch N.Z.) runner up. The event went to the 92nd round before a decision was reached.

● Tasmanian shooter Don Taylor from Hobart who brilliantly won the 1965 Grand Australian Handicap with the only possible 50 straight. Don represented Tasmania on the A.C.T.A. Executive Committee for several years. He was a competitor at the First Australian Masters Game during December at Launceston Gun Club where he took out a bronze in the I.S.U. Skeet event.

W.A.C.T.A. REPORT

It is with a feeling of great pride and honour I present my first W.A.C.T.A. report in my term as your State President. To accept such a position was not treated lightly. The challenge and satisfaction of being able to serve a sport that has given me much reward and pleasure in my years of involvement only reinforces my thoughts to fellow shooters to be an active club member — take on a position of office, become a qualified referee, when available, put something back into the sport you enjoy.

To follow in the footsteps of immediate past President, Ross Silvester, is indeed going to be a daunting task. In the two years of Ross' presidency, we have been fortunate enough to have had his expertise and managerial skills to guide the association and instigate many ideas which have set the foundation for future Presidents and Executive members.

On behalf of myself, the executive and all the shooting fraternity, thank you Ross for a job well done. Your continued dedication is highlighted in your nomination and acceptance to the position of National Executive member.

Congratulations to my Vice President, Mick Watson and new committee members Glen O'Brien and Clive Shepherd, and with the experience of our senior executive members and enthusiasm of our new executive members, I am sure you will find your state well served in 1988.

State Coaching Director, Murray Alexander, has just returned from the New Zealand I.S.U. Nationals as part of his level three coaching accreditation. This State is very fortunate to have someone with the calibre and ability of Murray, to guide and lift our Zone and Club Coaches to the professional standard required to achieve the best from our competitors.

The State I.S.U. Trench and Skeet Teams have just competed in the Commonwealth and National I.S.U. titles held in Brisbane. Five Trench and four I.S.U. Shooters competed. A very pleasing number considering in total there were approximately 30 I.S.U. Skeet and 65 Trench shooters.

I was fortunate enough to be part of the group and was very proud to see all W.A. representatives in State Uniform for the opening ceremony and State Team Shoot.

Third in the team Trench and third in the I.S.U. Skeet plus numerous other medals was reward for effort to a dedicated band of I.S.U. competitors. Congratulations to all involved for a great effort. The I.S.U. committee has circularized all clubs in regards to gaining more shooter involvement and suggestions in that regard. Under the guidance of Chairman R. Thomson, 1988 looks set for an exciting I.S.U. year.

Congratulations to our State representatives for the Wagga Trap Nationals.

Until next month.

President, J. Fissioli.

STURT PEA FROM S.A.

The Carnival is over so the saying goes and what a great success it was. Thanks must go to the people who supported it and to all the very willing workers both from Monarto and Council and others. The weather was a bit unpleasant on the Saturday, but thankfully improved a bit on the Sunday. Our decision to hold the event on the Friday at 5pm turned out very well with 39 shooters taking part and Graham Michell winning the free noms to the Carnival events.

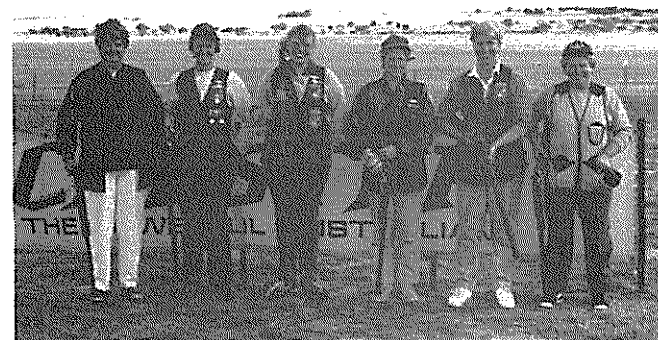

It was the Club Delegates' A.G.M. on the Friday night with 19 clubs out of 25 being represented, making it a good meeting. The calcutta was a lot of fun and raised \$230 for S.A.C.T.A. Ian Campbell felt confident by buying himself and won himself a tidy sum.

Rob Walker and his computer proved a great asset for getting shoot results.

We had Peter Lewis, member for Mallee, come at 10am on Saturday and open the shoot, and Rodney Gibb, secretary to Combined Shooters and Firearms came to present some of the trophies on Sunday. Both men were well received and we appreciate their efforts for coming.

JUNIOR TEAM: B. Johnson, D. Murphy, B. Pallant — H/G 28/29, D. Murphy, D. Lynn & N. Rundle who we believe at 11 years of age to be the youngest junior to gain selection in a State Team.

LADIES TEAM: J. Curtis — H/G 25/25, W. Newell, L. Beelitz, S. Byrnes, R. Michell, B. Wallace.

Our team to represent S.A.C.T.A. at the Nationals in April at Wagga are: C. Bentley, M. Hocking, B. Thompson, T. Heard, T. Rohrlach. It is only proper that we thank our sponsors again, Peter Hurley from Marion Hotel, Readymix Adelaide, both with a donation of money. Council members and some others who each donated money towards sashes, making them cost free to the association. The following business places were a great help with trophies bought through them: Jaffers Furniture of Pt. Adelaide, Skins and Things, Melbourne

WINCHESTER JUNIOR: Dick Ayres (Winchester) with 1st B. Johnson, 2nd A. Martini, 3rd W. Renney 32/33.

State O/A winner C. Bentley 336/350 being presented with his sash donated by Bob and Linda Andrews and trophy the opal ring. In the background L. Martin and I. Growden. Craig was also S.A. Champion Shooter, 482/500.

St. Adelaide, Electricity House, Bordertown, Green Triangle Firearms Naracoorte and last but not least, Winchester Olin Aust S.A. Division, who support the junior shooters and the O/A in the D/B. Commonwealth Bank sent along caps which were given out to shooters with nomination. Our photographer was Reg Pallant who has sent me plenty of lovely photos, so over the next few issues I would like to show them to you and so tell the story

MARYBOROUGH TIT BITS

Two of our shooters went to Murgon on February 27 for an afternoon and night shoot. Ken Greensill took off the C Grade State Night Mixed Targets and Bill Stolberg of Gympie the overall in the same event.

Next day, Maryborough Shoot, February 28, with a good turn up from Bundaberg . . . thank you Bundy, but next time drive home a bit slower, I hear the man with the torch wanted \$80.00.

With President Graeme down at the Brisbane O.D. Nationals, and a missing trap boy, Vice President had to bite the butt and get to work on moving the squads and arranging the shooters to do the trap work. Congratulations Peter on a good job and a good shoot.

Sunday, March 6 saw eight of our shooters returning to Bundaberg and we had the pleasure of bringing home a few trophies.

Event 1: N. Dale shared A Grade D.B. Points C/D. P. Paglearma C Grade D.B. Points C/D.

In the Continental, D. Schmidt and K. Greensill shot off only to let a Bundy shooter win the event. A new shooter to our club, Allen Harris brought home a place in the Skeet, Double Rise and Front Marker for the day. But the bloke to take the cake was Stafford Smith who shot the jackpot of the day of \$100.

Congratulations to all shooters that can travel and make the day for our neighbour clubs and also those who make it worthwhile.

Maryborough shoots every fourth Sunday — Bundy first Sunday — Gympie second Sunday.

I will try to see you around the traps.

NEW ZEALAND NATIONAL CHAMPIONSHIPS 1988

This year 30-plus shooters took part in these championships, and along with their wives and families a very good representation from Australia was in attendance, and witnessed some very fine shooting from both sides of the Tasman.

The weather was perfect for the two days of Pre-Nationals, but as the Nationals program got underway, it was not so kind, with wind, rain and seasons of all kinds day after day.

As I stated before, some fine shooting was to be seen throughout this carnival, with the Australian shooters winning four of the six New Zealand titles, the Overall High Gun, plus one of the four Pre-National events.

Top performances were seen by — Ken Stevens (Qld): New Zealand Skeet Champion, Overall High Gun, A Grade Kilwell Trophy Match, 4th Grevece Trophy Match; Lynne Curtis (Vic.): New Zealand Double Barrel Champion, Kilwell Trophy Match Winner, 2nd Grevece Trophy Match; John Murphy (Tas.): New Zealand Sparrow Champion; Ken Selwood (NT): New Zealand Point Score Champion.

• Ken Stevens — the outstanding Aussie performer at the NZ Nats.

The All States Team that contested the Glenn Cup match during this program, performed well but were unsuccessful in defending this trophy, losing to the New Zealand Team by three targets. The team members being: Phil Grove, Ray McKenzie, Tony Rohrlach, Graham Appleby, Bill Stevens and Max Cubic.

As an Executive member, and the spokesman for the Australians during these championships, I would like on behalf of all the Australians present, to thank the New Zealand Clay Target Association, and its members, for their hospitality and friendship shown to us, and also thank them for the way in which they received our wins, which shows that sportsmanship and friendship exists between these two great countries in Clay Target Shooting.

AUSTRALIA DAY OPEN SHOOT

Canberra International C.T.C., Sunday,
January 24, held at Goulburn Workers G.C.

The Down-The-Line section of the Club's Canberra Australia Day sports carnival, Australia Day celebrations, could not be run in conjunction with the Olympic Trap section at Canberra due to non completion of the new grounds at Kowen: thus the Goulburn venue. We thank the Goulburn Workers Gun Club Committee for allowing us the use of their grounds and facilities to "get us out of a hole!". Your offer to help was greatly appreciated.

A small roll up to an attractive program and terrific prizes too, but only forty one keen-eyed competitors lined up at 9am on January 24.

Event one, a ten target eye opener, yielded fourteen possibles.

The second event was the twenty five target Bicentennial Double Barrel Championship.

An excellent shoot-off between Vince Gatt and Kevin Thompson saw Vince Gatt emerge the victor with 109/109 from Thompson with 108. Thompson's consolation prize was winner of AA Grade. Kevin Loy took out the second place in AA with 25/36. Local identity, Wayne Baxter won A Grade with 50/51 from R. Wood on 36/37.

B Grade was a Canberra International affair, John Taylor won with 38/39 from Gary Betar with 33/34.

A battle of the sexes emerged from the C Grade competition, B. Carr on 23/25 edged out Doreen Newcombe on 38/42 to win. Doreen won the Ladies prize with 23/26 and T. Turner was the top Junior with a possible.

The Stan Webber Point Score Championship was the next keenly contested event, in which we saw R. Ptrowski take out the overall trophy with an excellent 75/75, from Peter Abela on 83/84 to win AA Grade. F. Roberts was runner up in AA with 82/84.

D. Price on 95/96 was able to edge out the consistent Wayne Baxter by a point in A Grade. B Grade was won by M. Campbell with 66/75 from J. Rue on 78/90. It wasn't ladies day out in the C Grade stakes, as B. Carr narrowly won from Suzie Balogh with 64/75 and 61/75 respectively.

The ladies trophy went to V. Gatt and the Junior winner was T. Turner.

Edments Jewellers sponsored the handicap event, where Steve Teitzel with 29/30 won from P. Fairhall with 28/30. Third place was won by T. Turner with 27/30. The front marker trophy was won by up-and-coming Junior, Suzie Balogh on 23/25 and the back marker trophy went to Barry Kable with 23/25.

High Gun: P. Ptrowski, Inter. High Gun: B. Carr 120/140, Ladies High Gun: Suzie Balogh, Junior High Gun: T. Turner 131/140. Australia Day Special Achievement Award: Doreen Newcombe. The shoot was sponsored by Stan Webber Pty Ltd and Edments Jewellers. Assistance was received from the Australia Day Sports Carnival.

VALE

JAMES FREDERICK (JIM) CLEARY

Jim Cleary, a member of the Geelong Clay Target Club for many years, passed away suddenly on 25 March, 1988.

Jim will be remembered for his cheerful unassuming manner and his years of service as club Treasurer.

Sadly, it is less than a year since he retired due to ill health.

Jim spent all his working life with the Ford Motor Company, and was a member of the team associated with the design and production of the first 'Falcon'.

Although not the best shot in the club, Jim enjoyed his shooting, often in the company of two of his sons, Peter and James Junior, and was highly delighted when the occasional trophy came his way.

He will be sadly missed by friends, club members and the shooting fraternity.

MAY 1988 — WARATAH STATE NOTES

By the time you are reading this month's report, the 1988 Trap Nationals will be over, and the workers will be taking a well earned rest. More in the next issue.

STATE SKEET CARNIVAL:

As most of the skeet shooters would be aware, this year's carnival will be hosted by the Tamworth Club from 12th to 14th August. The State Association and the Tamworth Club have been very fortunate in receiving a large sponsorship from the Prudential Assurance group in Tamworth. The Company will be sponsoring three Championships, providing the sashes and championship badges, team badges and each member of the State Team will receive a Prudential T-Shirt. All shooters nominating will also receive a small souvenir from Prudential.

This sponsorship, along with the usual support from Stewart and Allwood and the target suppliers, makes for a great State Skeet Carnival.

Keep the 12th/14th August free and make the trip to Tamworth to shoot over 4 layouts.

FROM THE RIVERINA ZONE:

Zone Coach, Fred Schmetzer, reports that he and State Coach, Col Burt had a very successful coaching weekend at Leeton recently. Extremely hot weather on Saturday may have reduced the attendance numbers, however those who attended were very appreciative of the opportunity offered to them.

On Sunday morning 35 shooters were "keen to go" by 9.30am. This offered a challenge to the two coaches who were kept rather busy. They both responded to the challenge and by lunch time all shooters could see they were worthy of the name of "Coach".

● Fred Schmetzer (left), Col Burt (right front) with some of the shooters who attended the coaching seminar at Leeton.

Riverina Zone Secretary, Lola Charles has sent me a cutting from the Narrandera paper — which is very interesting. Lola tells me that when the paper is running short of news these days, they delve into their archives and run stories from, say, on this day, but in 1888 — this cutting was from the Narrandera Ensign, Thursday 2nd February, 1888 and goes on to say that a meeting of gentlemen desirous of forming a GUN CLUB in Narrandera will be held at the Tattersall's Hotel on Friday (tomorrow) evening at 8.30pm, when it is hoped that all lovers of the sport will attend. In an adjacent column there is further mention of the meeting saying that considering the large number of "knights of the Trigger" in this

NOTES FROM THE WESTERN ZONE:

The Western Zone Trap Carnival and Team Eliminations will be held at the Cobar Gun Club on the 14th and 15th May. Their Annual General Meeting will also be conducted during this carnival.

A reminder of the Annual Golden Fox shoot which is conducted by the Dubbo Gun Club. This is on again on the 4th and 5th June and the club will also be hosting the COMMONWEALTH DOUBLE BARREL CHAMPIONSHIP during this program.

NOTES FROM THE NORTHERN ZONE:

Zone Coach Roy Shephard has arranged the second Coaching Day for the year in the North — this one being held at Tamworth from 9.30am on the 2nd July, which is a Saturday.

These Coaching Days are for anyone and everyone who wishes to take advantage of the resources of both Roy and State Coach, Col Burt. These days are more for the experienced shooters rather than the shooters who come to the introduction to shooting type day. Roy will have the video equipment in use and each shooter will receive individual attention — so if you have a problem or would like to receive a little help — go along to the Tamworth Gun Club on the 2nd July. Further information — Roy Shephard (066) 62 3046 or Col Burt (067) 65 9386.

The Gunnedah Gun Club will be holding their Annual Tally-Ho Cup shoot on the 14th/15th May — the STATE SINGLE BARREL CONTINENTAL CHAMPIONSHIP being conducted during the weekend. New Club Secretary, Bill Hodges advises that plans are coming along well for this shoot.

The Tamworth Club have made some vast improvements to their already first class facilities. The 3rd skeet layout has been completed and was put through its paces at their open skeet shoot on the 20th/21st February — all that is required now for the State Skeet Carnival in August is the temporary 4th layout to go into place. The club also has a new much larger office, and have had a telephone connected — the number being (067) 69 1585.

The Guyra Gun Club hosted the Northern Zone Trap Carnival recently — with some excellent scores being recorded.

During the weekend, Guyra shooters Doug Ellis and Roger Vidal recorded big breaks — Ellis recorded a break of 462, Vidal 426. Some results were: Zone Double Barrel, Doug Ellis 416/416 — Zone Single Barrel, Mark McInnes

● Northern Zone Trap Carnival High Gun winners. L-R: OA John Farrell, AA Rex Varley, A Ken Futter, B Glen Lawrence, C Arthur Coleman.

34/34 — Zone Point Score, Angus Mitchell 108/108. The High Gun trophies went to Zone President John Farrell taking overall with 297/300, Guyra Secretary, Rex Varley won "AA" with 296/300, Bingara Bank Manager, Ken Fuller did not take long to settle into "A", and recorded 294/300, "B" High Gun went to Glen Lawrence and Port Macquarie Secretary, Arthur Coleman won the "C" High Gun with 266/300.

Zone President, John Farrell reminds all Clubs and Club Delegates of the Zone's Annual General Meeting and allocation of championships to be held at the GUNNEDAH GUN CLUB ON SATURDAY 14th MAY, commencing at 5.30pm. This is the Saturday of the Tally-Ho Cup shoot at Gunnedah — please make the effort to be there.

Tamworth Publicity Officer, Kevin Weatherall reports that their Annual 2 Day Skeet Shoot was a huge success. The Program Committee worked overtime to obtain excellent sponsorship and were rewarded with 63 shooters.

WANGARATTA VISITS MELBOURNE

By Carol Ogden

For more than fifteen years the Wangaratta and Melbourne Gun Clubs have been conducting a series of inter-club competitions. Each club visits the other once during the year. These visits are one of the highlights of the shooting calendar. As well as the friendly inter-club rivalry that exists there is a social side to the visits. There are always non-shooters who travel on the chartered buses which carry the visitors.

● Winning Melbourne DTL Team: Rod Godfrey, Paul Krumins, Alan Blease and Merv Whitelaw. (Graham Thomas unavailable for photo) with Tony Penny, Wangaratta President, in the background.

On 28th February, Wangaratta visited Melbourne. A large crowd enjoyed the lunch which was served before the afternoon's activities, which included a tour of the Caribbean Gardens organised for the non-shooters.

Although the team events were a 'clean sweep' for the Melbourne Gun Club, the Wangaratta people took it like good sports. 'Bucko' claimed that they were crying in the men's room but that wasn't proven. In any event, we at Melbourne look forward to renewing friendships on our visits to Wangaratta.

TEAM RESULTS:

VALE

AUGUST BUERCHLER

August (Gus) Buerchler died suddenly on February 20th, 1988 aged 63 years.

How does one describe the void left by the death of such a dedicated sportsman as Gus?

Gus commenced shooting at Mt Isa in 1956 and when that club went into recession he and other Mt Isa members travelled to Cloncurry and Mary Kathleen to shoot.

Gus was instrumental in the formation of the Mt Isa Gun Club at its present location, he was a dedicated skeet shooter and was a driving force in getting skeet shooting facilities at Mt Isa.

Since his retirement Gus has been an active member of the Sunshine Coast Clay Target Club, also being on their committee. Again his love for skeet shooting compelled him to press for a skeet layout to be built at this club. It is a dreadful shame he did not live to reap the benefits of his labours.

Gus was a Referee Examiner, a Club Coach, a Zone Councillor and a State Councillor at the time of his death.

On behalf of all Queensland shooters, we offer our sincere sympathy to Betty his wife. She, like so many of us, believes that although the man may have gone, his memory and influence lives on through the many and varied ways in which he helped in the development of clay target shooting in Queensland.

A true gentleman of the sport — Gus Buerchler.

Bev Grice,
Secretary Q.C.T.A.

TOWNSVILLE GUN CLUB

Queensland Trap Carnival — April
30th, May 1st and 2nd

Northern Zone Skeet Carnival: June
25th and 26th

Townsville Annual Open 2 Day Shoot:
August 20th and 21st

Queensland Skeet Carnival:

The Gun Club is 30 kilometres from town at
Killymoon Creek on Bruce Highway, south.
Excellent camping facilities on grounds.
Visit the Great Barrier Reef, go snorkelling,
swimming, feed the fish. Also view the coral in
the yellow submarine.

Stay at the Reef in Australia's only floating
hotel.

Maybe you haven't time to go out to the reef,
then visit the Reef Wonderland in town. There
are huge glass tanks with coral and fish the
same as out at the reef. Also the museum and
viewings at the Omnimax Theatre.

Do you like a gamble? Try your luck or even
stay at the Sheraton Breakwater CASINO.
Take your family to the Billabong Sanctuary
and see some of Australia's unique animals,
including crocodiles, dingoes and echidnas.
The Club shoots regularly every 3rd Sunday of
the month. We have four shooting disciplines,
skeet, trap, trench and tower. Also we have
simulated field shoots.

We extend an invitation to all Gun Club
members throughout Australia.

P.S. Our winter temperatures day time range
up to 26°C, night time about 14°C.

Winchester Ball Powder

The case for the Defence.

When the allied defence forces introduced Winchester Ball Powder during World War 2, wear and tear on weapons was drastically reduced. Barrel life was significantly increased. Accuracy improved. And greater consistency was achieved.

As a result, Winchester Ball Powder Propellants have been used in over 90% of all U.S. Military small calibre ammunition in the past 40 years. Today the same applies for the military and civilian sporting shooters alike.

- Greatest chemical stability ever attained.
- High accuracy and ballistic uniformity.
- Lower flame temperature.
- Less muzzle flash.
- Minimum pressure and velocity variations at shooting temperature extremes.
- Super high grain density.
- Metres more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges.

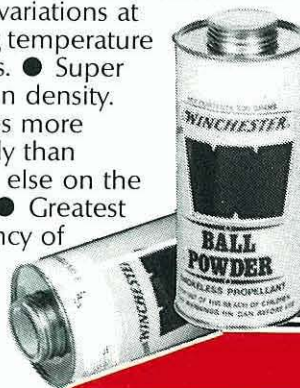

With the results achieved from using Winchester Ball Powder... the Defence rests.
