## EXECUTIVE DIRECTOR'S NOTES

Now that the Trap Nationals have been completed the Executive Committee and the various sub-committees will be meeting in Melbourne.

The large agenda will require the concentration of all executive members and decisions made will be advised to all members in next month's C.T.S.N.

One of the more important matters however will be the election of a new President following the decision made by Roy Holtfreter not to seek a fifth term as National President nor to continue in any official capacity with the Association.

Roy has been a tower of strength to the A.C.T.A. over his many years as a member of the National Executive Committee. His guidance will be missed as will the experience that he has obtained.

Retiring to the ranks of a club shooter after so many years in administration will not be easy for him, however Roy's wife Kath who has always been very supportive has got the travel bug and will be keeping him on the go and take away the opportunity of wondering what to do in his spare time.

On behalf of all our members we must take this opportunity to express our appreciation to Roy for the contribution that he has made to the sport. On a personal note, I would also like to record my appreciation.

Thank you Roy and we wish both yourself and Kath good health and happiness in the years ahead and look forward to seeing you around the traps for many years to come.

Alan J. Maher  
Executive Director

## OLYMPIC TEAMS PREPARATION

The Olympic Team are attending world class competitions in Yugoslavia, East Germany and Italy as part of their preparations for the Seoul Olympics.

To assist them in their endeavour the Winchester Division of Olin Australia have very generously made cartridges available for team members use.

Once again, Winchester's support is evident, and on behalf of the Olympic Team members we express our appreciation to Bruce Burns, National Marketing Manager, for the continued support.

# 1988 NATIONAL TRAP CHAMPIONSHIPS

With the Trap Nationals returning to New South Wales in a year of unsettlement so far as gun licensing laws were concerned it was anticipated that there could well be a drop in attendance.

This, in fact, was the case with shooters being down in numbers from what was expected. With the uncertainty that did exist, particularly in New South Wales, the attendances we achieved were more than satisfactory.

The host club Wagga had prepared the shooting grounds in fine style and the new club house which was officially opened on Friday, 15th April, by Mr Joe Schipp, the state member for Wagga, was ready and waiting.

The weather was perfect, grounds in excellent condition and in this regard we must thank the Wagga Gun Club and the very willing club members for the work that had obviously taken place in the months preceding the National Championships.

In opening the '88 Championships Mr Schipp also added his tribute to the work undertaken by the Wagga Gun Club as did the Mayor of Wagga Wagga, Mr Ron Harris, and then passed on the honor of firing the opening shot to John Harding, Regional Director of Sport and Recreation, who despite his enthusiasm found the target difficult to break.

● Alderman Ron Harris, Mayor of Wagga Wagga, welcomes shooters and their families to the town of Wagga.

## State Teams — Shoulder to Shoulder

Resplendent in their State Team jackets, teams from all states competed in the opening event.

The defending champions, New South Wales, were anxious to do well on their home soil. However, at the completion of the 25T Team Event for 1988 the victorious state was Western Australia captained by Lindsay Coster with a combined team score of 123/125, points 360/375.

Competition was keen with point score determining second and fourth positions. All in all an excellent start to the championships.

**Champion State 1988** — Western Australia 123/125.

● The victorious W.A. State Team.

● Runners-up S.A.

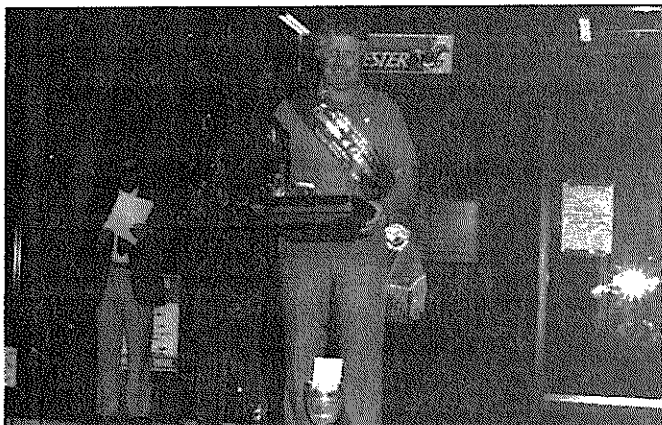

● Fine performance from the 'Territorians'.

## 39TH GRAND AUSTRALIAN HANDICAP

**Major Sponsor** — Wagga Boat and Sports Centre

With only the one possible being achieved, Victorian shooter Len Cook (18m) from Sebastopol outshot the field of 447 to become the first National titleholder for 1988.

In second place was another Victorian in Robert Christopher from Point Cook who recorded his 58/59. Also from the 18m mark with 13m shooter Scott Monahan from Hermitdale delighted with his third placing.

● Len Cook is all smiles; and now on 19 metres.

Competition from metreage positions was very keen as was the competition to decide the section winners. New Zealand's evergreen Ted McRae showed his shooting prowess and discipline versatility to take the veterans section from 17m with a 49/51. A popular winner in the ladies section was Pt Cook's Carmel Carlon also from 17m with an excellent 49/50, with New South Wales junior Mark Piotrowski from the 12m mark putting his name into the record book with a score of 54/56.

**National Champion 1988** — Len Cook, Sebastopol, Victoria, 50/50, 18m, 447 competitors.

### 36TH NATIONAL DOUBLE BARREL CHAMPIONSHIP

*Event Sponsor* — Winchester Division, Olin Australia

In keeping with tradition, this event attracted the highest number of entrants over the championships.

Receiving total sponsorship from Winchester the Double Barrel produced no less than 66 possibles from a field of 528 which included 13 visitors from New Zealand who as always were most welcome.

After many targets had been thrown the shoot-off was reduced to a field of three in Arthur Turner (Dubbo), John Murphy (Tas) and Doug Smith (Qld). All eyes were on Doug Smith who was determined to go one better than '87 and take out the D/B title.

First of the trio to depart the scene was Arthur Turner who dropped his 401st. Tasmanian Executive Member John Murphy who by now had well and truly surpassed his best ever break kept up the pressure and it was not until the 443rd target that the winner was decided. Doug Smith had done it again and with his 443/443 was the 1988 National Champion.

A great effort by all and a well-deserved victory to Doug who provided a lesson for all with his concentration and consistency.

Echuca veteran David Penn showed his prowess with a score of 49/50 to take out the Veterans Section.

**National Champion 1988** — Doug Smith, Brisbane, Queensland, 443/443, 528 competitors.

● Doug Smith, superb shooting and concentration to reign as both Double & Single Barrel National Champion.

### 8TH LADIES DOUBLE BARREL CHAMPIONSHIP

Again, totally sponsored by Winchester, the ladies championship attracted a field of 29 competitors and was well-contested.

Victory went to New South Wales shooter Georgina Mitchell from Guyra with an excellent 63/65. Pushing Georgina all the way was a determined Faye Burton from Kerang who recorded another excellent score of 62/65 with our frequent visitor from New Zealand, Zeldia McClure, showing her shooting skills by scoring 58/59 to take out the third placing.

**Ladies Champion 1988** — Georgina Mitchell, Guyra, New South Wales, 63/65, 29 competitors.

### 8TH JUNIOR DOUBLE BARREL CHAMPIONSHIP

The field of 26 were out to topple the defending champion from his throne and show that the title would have to be earned.

With his score of 52/52 Michael Diamond (N.S.W.) successfully defended his title defeating South Australian Brett Johnson from Mallala 51/52 with Tony Faranda from Werribee taking third place by recording a score of 49/50.

Winchester again provided all trophies as part of their sponsorship agreement.

**Junior Champion 1988** — Michael Diamond, Illawarra, New South Wales, 52/52, 26 competitors.

### 34TH SINGLE BARREL CHAMPIONSHIP

*Event Sponsor* — Winchester Division, Olin Australia

The second event of the Macintosh Team qualifying events commenced with a field of 432.

Again many fine scores were recorded and none better than the eventual winner in Doug Smith with a 59/59 to complete a unique double, that of winning both the National Double and Single Barrel Championships 21 years after winning the same two events.

• Single Barrel victors in Juniors, Ladies & Veterans Sections.

#### Cont'd from previous page

To hold one's form for one year is one thing but to maintain form at top level as Doug has done for so long is testimony to his true ability.

Despite his win, Doug did not have things entirely to his own liking for he was pushed all the way by Lynne Curtis from Bairnsdale who left the door open when missing his 59th target.

Consistent performers in Michael Diamond (Jnr) and Zelda McClure (Ladies) won their sections with scores of 49/50 and 47/50 respectively with best shooter Bill Mackay delighted to take the Veterans Section with a score of 45/50.

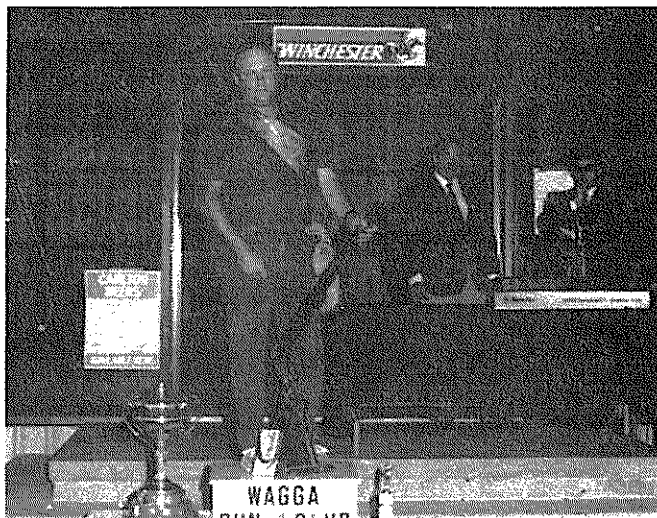

**National Champion 1988** — Doug Smith, Brisbane, Queensland, 59/59, 432 competitors.

## 27TH AUSTRALIA/NEW ZEALAND TRAP CHAMPIONSHIP

*Event Sponsor* — Winchester Australia, Olin Division

The last of the three Mackintosh Team Qualifying Events and the last chance to shoot for a position on the 1988 Mackintosh Team. Attracting a field of 414 this points score event was as keenly contested as any event held.

Many good scores were recorded, none better than Guyra's Ray Hammond who outstayed the opposition to take out the National Title with an unbeaten 168/168. Angelo Zappala from Burdekin fought the match out all the way and with his 167/168 took out AA 1st by finishing second overall.

• Ray Hammond, a proud winner of the Australia/NZ Trap C'ship.

David Penn took the Veteran Section and his second title with an excellent 146/150 as did Zelda McClure from Waitemata with a well-shot 145/150. Junior winner on 148/150 was Michael Diamond who with his win recorded his third junior victory.

**National Champion 1988** — Ray Hammond, Guyra, NSW 168/168, 414 competitors.

## ALAN BROWN CLUB TEAMS MATCH

Shot in conjunction with the points championship, the Echuca No.1 team recorded a decisive victory with their combined score of 734/750. Second place was won by the Illawarra Club 723/750 with the Point Cook team finishing in third place with their 720/750.

Club President and team captain Ray MacKenzie was full of praise for his team and proud to acknowledge the fact that Echuca Gun Club had successfully defended their 1987 win.

## MACKINTOSH INTERNATIONAL TEAMS

With qualifying points scores recorded from 243/250 to a high 249/250, all was set for a good score to be achieved in the teams match.

As the team scores are not published until the competing countries have all completed their event, it will be some time before we know whether or not we have managed to shoot well enough to win the Macintosh Trophy Competition for 1988.

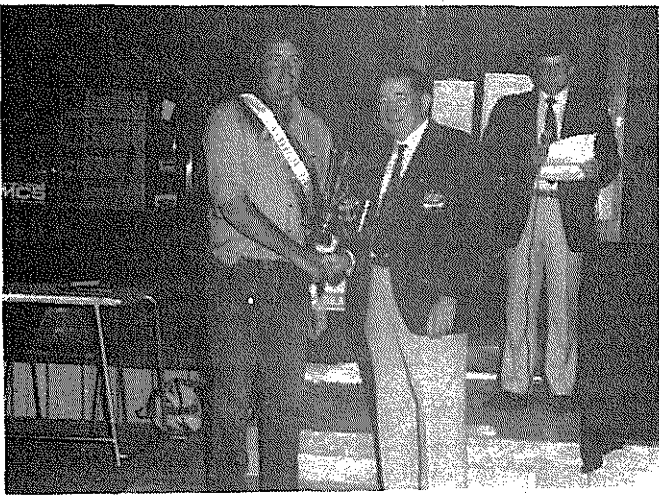

Some outstanding efforts were recorded with the Team High Guns being won by Jon Whittakers, Echuca, Victoria, 336/336, following a shoot-off with Arthur Burgess from Cobar and Doug Smith, Brisbane.

Ladies High Gun was won by Joan Longmore from Junee with a 287/300, which is an excellent score, and in the Junior competition Brett Johnson from Mallala, South

• Ladies Australian Team pictured with State Managers of Winchester Aust.

• Roy Holtfreter presents the Bauman Cup to High Gun of the Mackintosh Team, Jon Whittakers.

Australia, with a score of 289/300 won for himself the Junior High Gun title.

We would like to record our appreciation to Winchester for supplying their Winchester cartridges for these three team events. We look forward to the continuation of this Winchester tradition.

## 48TH CHAMPION OF CHAMPIONS

*Event Sponsor — Olimpyc Targets*

The prestigious Champion of Champions obviously calls for a versatile shooter and being shot from the 18m mark was very much to the liking of Sebastopol's Len Cook who having won the Grand Australian Handicap from his 18m mark recorded the only possible in this event.

The possible was shot early in the day's proceedings and Len was a bit like the expectant father pacing up and down and casting hopeful eyes on the overall winner's title and Olimpyc Targets trophy.

Everything comes to those who wait and at the end of the day's proceedings we had a second dual National Title winner.

Michael Diamond added another junior title to his record with a score of 121/125 and Ted McRae from Timaru took out his second veterans title 114/125. Being almost a local shooter, Joan Longmore from Junee took time off from her office duties to win the Ladies Section with her 116/125 and her win was well earned.

**National Champion 1988 — Len Cook, Sebastopol, Victoria, 125/125, 336 competitors.**

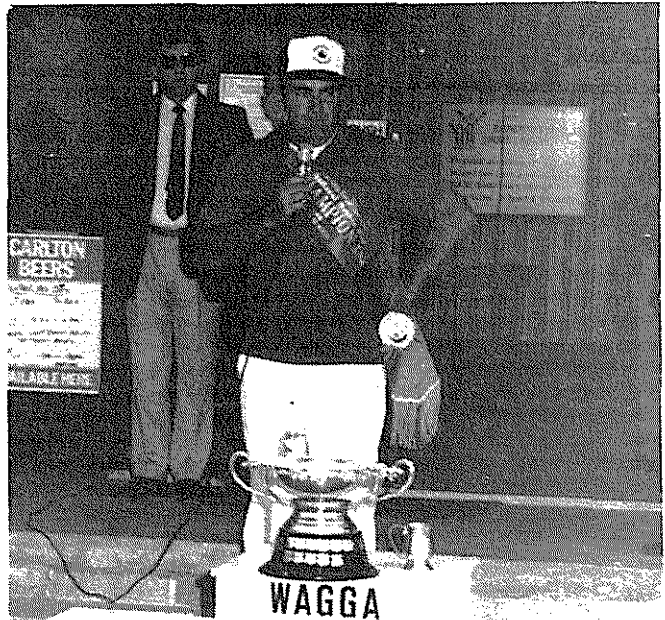

## 28TH DOUBLE RISE CHAMPIONSHIP

*Major Sponsor — Wagga Boat and Sports Centre*

With a score of 49/50 Gary Redmond from Brisbane was not overly confident of winning this event; however, at the end of the event the Double Rise Championship had been well won and Gary's score of 49/50 had accounted for all of the opposition and he was very pleased to have to find room in his car for the winner's trophy made available by Barney Rooke of Wagga Boat and Sports Centre.

Vicky Gatt from The Forest Club in New South Wales took the Ladies Section with her 38/50, Echuca Veteran David Penn was the best of the Veterans with a score of 35/50 and Michael Diamond with his 46/50 recorded his fifth Junior victory.

**National Champion 1988 — Gary Redmond, Brisbane, Queensland, 49/50, 263 competitors.**

• Top shooting gave Gary Redmond of the Sunshine State the National Double Rise Title.

• Deauville Doubles placings.

## 8TH COMARK DEAUVILLE DOUBLES

*Event Sponsor — Commercial Marketing Company, Sydney*

Sponsored for the eighth successive year by Geoff Rabbidge of Commercial Marketing, this event is growing in stature at each National Championship.

Competition was very keen and at the completion of the

Cont'd over page

event the very proud winning pair of Chris and Tony Salafia from Leeton N.S.W. accepted their trophies.

With their score of 20/20 the win was never in doubt and enabled them to finish ahead of Mal and Craig Tilley N.S.W., 37/38 and Stan and Alex Collins, Vic. 36/38.

We look forward to the continuance of this event under the sponsorship of Commercial Marketing for many years to come.

## NATIONAL CHAMPIONSHIP HIGH GUNS

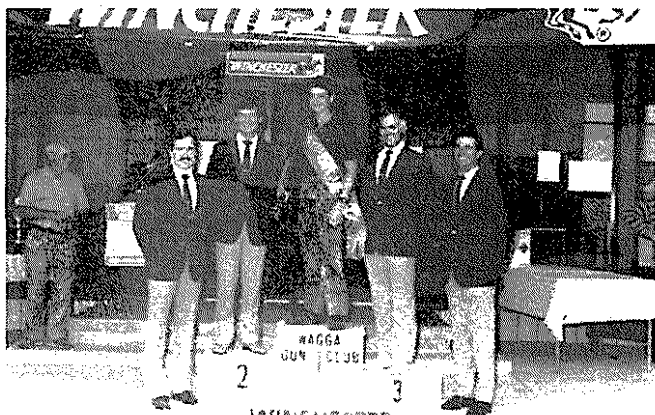

With Michael Diamond and Adrian Cousens of Victoria tying for the Overall High Gun the final result was decided in a shoot-off.

With a large crowd in attendance all eyes were on the competing pair as they strove to achieve this coveted award.

Adrian, best known for his skeet shooting prowess, proved to be a first-class competitor and tested the concentration of his younger opponent as both strove to win the Beretta SO4 donated by Winchester.

• Mrs Muriel Porter presents the Ron Porter Remembrance Trophy to National High Gun Champ Michael Diamond.

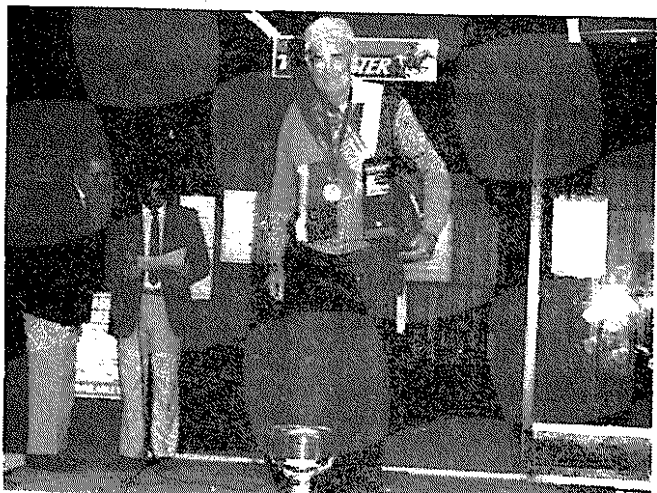

• Winchester Reps (L to R) Wayne Pilkington, Bob Dupuy, Lex Shipp and Frank Smith share the limelight with the 'little champ' Michael Diamond.

Showing, however, that his 1987 victory was not a flash in the pan, Michael Diamond with an overall 525/540 shot his way to a successive National Championships High Gun and proved that he will be a force to be reckoned with in the years to come.

Carol Zagor, an ex-Victorian now living on the Sunshine Coast, was delighted with her victory in the Ladies High Gun with a score of 410/475 and also to receive the Gold Nugget/Chain donated by Mrs Kath Holtfreter.

• A proud lady is Carol Zagor, Ladies High Gun.

• An ever-popular win to David Penn of Echuca in the Veterans section of the High Gun.

For the second successive year Michael Diamond completed the Junior/Open/High Gun Double with a Junior score of 461/475 to receive the Fred Williams water ski made available by Wagga Boat and Sports Centre.

Sweeping all before him, David Penn from Echuca was a pleased and proud winner of the Veterans High Gun with a score over the three Veterans events of 238/250.

Congratulations to all High Gun winners and a special thank you to our High Gun donors, Winchester (overall), Mrs Kath Holtfreter (Ladies) and Wagga Boat and Sports Centre (Junior).

Where would we be without our sponsors?

## SPONSORS

Sport without sponsorship would be very difficult indeed and for this reason it is pleasing to be able to record the support given to our National Trap Championships.

With sponsorship for all events the trophies were outstanding, and on behalf of all members and trophy recipients we thank those involved for their continuing support:

- **Grand Australian Handicap:** Thanks to Barney Rooke from Wagga Boat and Sports Centre for making available a Mercury outboard motor for the Overall Winner.
- **Double Barrel Championship — Winchester Division:** Olin Australia for their support for all grade trophies in the open plus the overall trophy of a Winchester 8500 trap gun and trophies for all sections of the Double Barrel Championship — Open, Ladies, Junior, Veteran.
- **Single Barrel Championship — Winchester Division:** Olin Australia for providing all grade and section trophies as well as the overall trophy, a Winchester 6500 Trap Gun.
- **Australia/New Zealand Trap Championship — Winchester Division:** Olin Australia for providing a Beretta 682X Trap Gun to the overall winner as well as all grade and section trophies.
- **Champion of Champions:** Sergio Zuffo of Olimpyc Targets for the grade and section trophies for this prestigious event as well as the National Video Camera/Recorder for the overall winner. Thank you Sergio.
- **Double Rise Championship:** Wagga Boat and Sports Centre who through Barney Rooke made available an Evinrude outboard motor to the overall winner.
- **Deauville Doubles:** Geoff Rabbidge of Commercial Marketing for trophies for the first, second and third pairs in the Comark Deauville Doubles. Very much appreciated by family teams.
- **Mackintosh International Team:** As has become traditional, Winchester did again provide cartridges for the Mackintosh Teams Event. With 30 open plus five Ladies and five Junior team members over 100 target points score, this was a very valuable and well-received sponsorship for the members of the 1988 Mackintosh teams.
- **Evans and Balfour:** Courtesy of Les Turner, Evans & Balfour again provided trophies for the six National Title events traditionally known as the Perazzi trophies. They are most welcome and very much appreciated.
- **National High Guns Open M. Diamond — Winchester Division:** Olin Australia for the magnificent Beretta SO cased trap gun. Presented by N.S.W. Sales Manager Frank Smith, the trophy was much admired and appreciated.

Winchester's contribution to the success of the 1988 National Traps Championships is acknowledged and on behalf of all shooters we record our appreciation to Winchester through National Sales Manager Bruce Burns.

- **Ladies C. Zagor:** Traditionally presented by the wife of the National President, the 1988 trophy of a W.A. nugget and chain, presented by Mrs Kath Holtfreter, was a welcome High Gun award which delighted the recipient.
- **Junior M. Diamond:** Again we thank Barney Rooke from Wagga Boat and Sports Centre for making available a Fred Williams water ski for the Junior High Gun winner. Thank you Barney for your support.

## APPRECIATION

We have thanked our sponsors and this was a very pleasant task. We must also recognise the part that our workers play in the staging of these titles. Their patience is often tested; however they always seem to retain their composure.

On your behalf we thank them all, and in particular:  
N.S.W.C.T.A. Organising Committee

State Secretary Jenny Burt

Obviously the naming of people can cause problems. I hope that by doing so I have not omitted anyone. If so please accept my apologies, for the efforts of all are of equal importance. On behalf of all concerned thank you for the part that you have played in the success of our National Trap Championships.

In conclusion I repeat a message from last year — when next making a purchase of any commodity that is available through our sports sponsors please give them the opportunity to be of service to you.

## **SHOOT MARSHAL'S REPORT**

To all those shooters who attended the Wagga Trap Nationals, may I say thank you, for your assistance and support.

Those of you who helped with the refereeing and scoring the first wave of squads, thank you for a job well done.

It was very pleasing to see that the jury was not needed at all during the carnival, this is a tribute to you shooters for your co-operation.

Thank you all again for a very enjoyable National Championships, and the best of luck to you all with your shooting in the future.

# FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

Peter Quire

## STATE COACHING DIRECTORS

Tasmania and South Australia have changed their State Coaching Directors, Robby Elmer of Tasmania and Hillary Baynes of South Australia have resigned. The shooters from both those states will thank Hillary and Robby for their efforts. I certainly thank them for their support.

Stuart Browning is the new State Coaching Director for Tasmania and Don Stevens for South Australia. Both Stuart and Don have been involved with the National Coaching Scheme for several years. Stewart is well known and respected in Tasmania and those South Australians who have not yet met Don Stevens will soon find that Don is an excellent coach and coach administrator. Shooters in the Northern Territory will remember Don from the period that he was Zone Coach in the Territory.

I welcome both Don and Stuart to the National Coaching Council. The shooters from both Tasmania and South Australia will benefit greatly from their experience and talents. Congratulations to you both.

## 1988 OLYMPIC GAMES

The Olympic Federation cut the Australian Shooting Team for the 1988 Olympics from 17 shooters to 12. This is even though the four shooting disciplines had won 17 quota spots in regional and international competition. Pistol was reduced from six shooters to three, Small Bore from five shooters to four. Running Bore maintained its one position, and sadly the I.O.F. reduced our team to four shooters from the initial five. The Olympic shooting team is:

**Clay Target:** John Maxwell, Russell Mark and Domingo Diaz, Olympic Trap; and Ian Hale, Skeet.

**Small Bore:** Don Brooks, Alan Smith, Wolfgang Jobst and Alison Feast.

**Running Game:** Bryan Wilson.

**Pistol:** Philip Adams, Ben Sandstrom and Val Winter.

I am honored that I have been appointed overall coach for the Olympic team, and will do my very best to assist the shooters to bring home the medals. Ian Bridge, a pistol shooter, has been appointed manager of the shooting team.

I firmly believe that had the I.O.F. permitted us to take the extra shooter, Michael Inguanti, he would have been a great competitor and made the team much stronger by his presence. Michael will be there next time, and show how good he is. It is a great disappointment to us all that the I.O.F. changed its policy, because of financial restrictions, so late in the day.

While on the topic of the Olympics, I have been reading a very interesting article written by the Russian coach which coincides with my own thinking. He says that the Russian team, like so many of the other world teams, had been through a period of relying heavily on psychological methods and had cut back on their training time. They have found that it does not pay off. Practice, regular training and competition develop their own psychological benefits and the shooter goes into competition with confidence based on the knowledge that the competitor can perform to the required standard.

## DOUBLE TRAP

Double Trap is a new Olympic discipline. It is designed as a spectator sport, and is easily televised. The Olympic team and myself are going to Europe in May for the championships in Suhl, East Germany, Yugoslavia and Italy. The A.O.F. will be funding the trip; besides being great training for the team it will give the shooters an opportunity to shoot Double Trap. I think it is important that all

of our shooters have the opportunity to start shooting this new discipline.

## DOWN THE LINE NATIONALS

The D.T.L. Nationals must be one of the major sporting events in Australia each year. Few sports attract the numbers that our sport does to its national championships, not as spectators but as competitors. They were a great success again this year and all involved must be congratulated. The standard of shooting was high and the conditions excellent. The nationals give me a chance to meet and talk to shooters from all over Australia. Those two stars Michael Diamond and Doug Smith were shining again, and there were many great individual performances.

## LEVEL THREE ACCREDITATION

Several of the State Coaching Directors have successfully completed their Level 3 accreditation. Congratulations to Bill Stevens, Col Burt, Hillary Baynes and Murray Alexander. Greg Chan will complete his Level 3 this year. These coaches now have experience at both national and international level, in administration and practical coaching. Our sport is extremely fortunate to have such highly qualified and dedicated coaches. Well done.

Good shooting — give those clays a break.

## W.A.C.T.A. REPORT

April has been a bumper month for W.A. The Queen's visit, the Bicentennial Road Show, the Auto Expo at Burswood Superdrome, and to top it off, the State Trap Team, comprising Alan Hooking, Andy Waschenko, Lindsay Coster, Glen O'Brien and Roy Holtfreter winning the interstate Shoulder to Shoulder Teams Match 123-125. Julie Wood making the Australian Ladies Team. Sixteen competitors from W.A. competed at the Wagga Trap Nationals with several members picking up grade medals. Congratulations, a great effort all round. Your executive, W.A.C.T.A. members and supporters are all very proud of you.

Back on the local scene, several State Titles have already been competed for. The champions are as follows: Clayton Hyder — State Single Barrel; Hedley Harmer — State Handicap; Harry Miller — State Double Rise; Daryle Bosenburg — State Double Barrel Points. Encouraging to see titles shared about. Possibly your turn next.

Welcome to Busselton, officially joining the Clay Target ranks. We look forward to competing at your venue in the near future. The executive met on the 23rd April, my first official executive meeting, and I believe it was what one would call Baptism by Fire. Our State Secretary, Mr Ross Arlow, became ill at very short notice — 9.30am the morning of the meeting — which could have created a minor dilemma. W.A.G.A. President, Terry Morony, offered services for the day. Thank you Terry. With the phones not operating and the power fluctuating, necessitating the catering service to cook lunch for the executive members on the barbecue, things looked testing.

From the meeting it has become apparent that some club secretaries are not using the procedures manual as it is intended. Clubs not having their programs vetted or programming carnivals on dates without firstly obtaining W.A.C.T.A.'s sanction can only blame themselves if these are rejected.

To clubs taking new members, be aware of your responsibilities to yourselves and your sport. Qualify the prospective member and endeavour to make sure they wish to be part of your Club for the right reasons. To take members for financial gain alone will not be in the interest of any club.

The Gun Law campaign has quietened down. Let's not be lulled into a false sense of complacency — continue to lobby for what you believe in. United we stand — divided we fall.

By the time this goes to print, our National Executive would have been re-structured to the ingoing. Congratulations to the out-going, a sincere thank you. Immediate past President, Roy Holtfreter has indicated, after many years of unselfish and dedicated commitment, he would be standing down from Nationals and State Executive involvement. Roy, we will certainly miss you on our State Executive and on behalf of W.A.C.T.A. and its members, we wish you and Kath well in your semi retirement from officialdom.

Welcome to Trevor Smith — Northam Gun Club's President, onto the State Executive.

Congratulations to Salmon Gums and Lancelin for the successful running of one day Bicentennial shoots. Great to see you having a go and getting the support you deserve. To Ronnie Baker, proxy Geraldton and Ray Hawke, proxy Eastern Goldfields, thanks for your attendance at April Executive Meeting.

Unfortunately I have been unable to attend as many shoots to date as I would have liked to. I have endeavoured to contact all Presidents and Secretaries prior to their Carnival. Hopefully in the latter part of the year, I shall rectify this. Remember your executive is appointed by you to act for you and they are fellow competitors. Decisions sometimes might not please the individual but are made for the betterment of the majority and sport in general.

Until next month, good health. W.A.C.T.A. President

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

## DOUBLE TRAP

**The new shotgun shooting event**

**David Menck  
National Rules Supervisor  
Olympic Disciplines**

During the past few years, brief mention has been made in numerous articles from the U.I.T. (the world shooting body), that shotgunners throughout the world were not satisfied with only having two events, trap and skeet, and when compared with the other shooting disciplines of rifle and pistol, which each have more events at such major competitions as World Championship and Olympic Games, the clay target shooting events were becoming less important.

As a result of this, the section committee for shotgun shooting, were given the opportunity to create a new Olympic Discipline shotgun shooting event, and this has now happened.

The new event is DOUBLE TRAP.

Double Trap has been developed by Mr Conny Wirnhier of West Germany, who was the Gold Medal winner in ISU Skeet at the 1972 Munich Olympic Games, in conjunction with Mr Andriano Laioiolo, a member of the UIT Technical Committee, and in developing this event, they have considered many matters including the cost of setting up a facility; the amount of time it takes to conduct a competition; television, spectator and media appeal; environmental and competitor safety, etc.

Double Trap is exactly what it indicates, Double Rise shooting, but with a difference.

The event is conducted either over an existing Olympic Trap (Trench) facility, or over a new traphouse about 12 metres long, located at ground level the same as Olympic Trap or Ball Trap. Two clay target throwing machines are set in the traphouse to throw simultaneous doubles.

Trap number one, which would be situated where number seven trap would be in an Olympic Trap layout, is set to throw a single target between 70 and 72 metres at a height of 3.5 metres measured 10 metres from the trap.

The second trap, an oscillating type 'continental or ball trap', is situated a maximum of 1.2 metres to the right of the first trap, and throws a 'continental' type target between 65 and 67 metres with a minimum height of 3.0 metres and a maximum height of 4.0 metres.

The effect of this combination of traps is that unlike Double Rise shooting as we know it, the targets are travelling much faster and further, and are higher. Double Trap angles are also considerably less than our standard double rise targets, with the oscillating trap only throwing 15 degrees either side of centre.

The event is shot squad fashion across the tracks from 15 metres (straight tracks as for Olympic Trap, not curved as for DTL), and shooters shot at 25 pairs at each visit. A normal day's event is 150 targets (75 pairs) with a final being conducted for the top six shooters of a further 25 pairs.

An international event over two days would consist of 250 targets (125 pairs) with a further 25 pairs being thrown for the top six 'finalists'.

Team events are conducted over 150 pairs per shooter, three shooters per team. A total of 450 pairs per team.

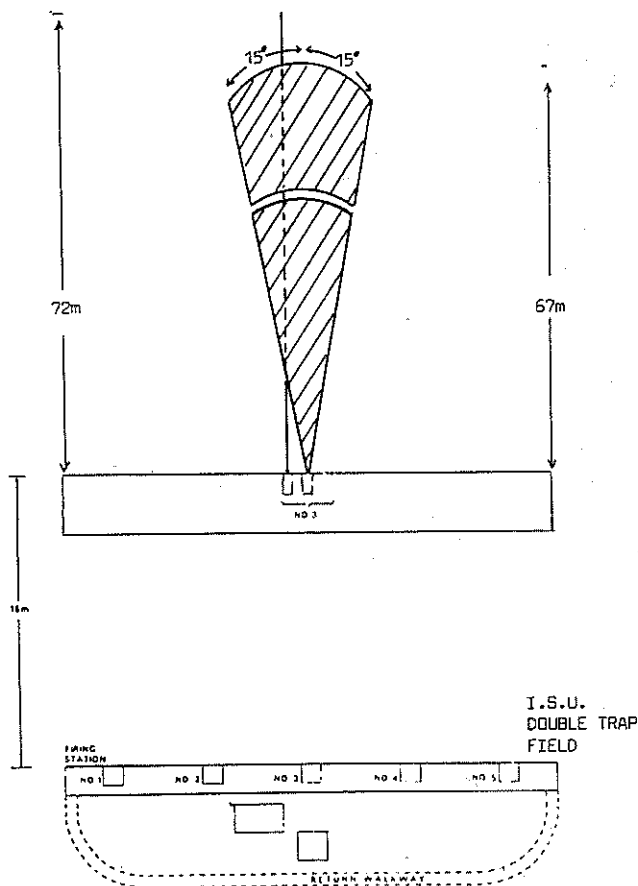

Scoring for the event is the same as it is in standard Double Rise shooting, with a broken pair being scored as one-and-one, one target being broken as 'one' only and lost-and-lost if neither of the pair are broken.

As an aid to pollution and environmental control, and for comfort and safety of the competitors, the maximum load allowable for this event has been set at 28.0 grams of lead shot, with maximum shot size not to exceed 2.5mm. In layman's terms, this is 1oz of Number 7 shot. This has been stipulated in order to reduce the amount of lead used (and the cost), and also to reduce recoil and noise.

As yet, an International Championship has not been

conducted in Double Trap — the first will be held at Bologna, Italy on 13th June, the same day as the N.S.W. I.S.U. Sub-Committee will be holding the Eastern States Double Trap Championship at Canberra International Gun Club. The Eastern States Championship will be held in conjunction with the N.S.W. I.S.U. Fund Raising Carnival, and will be 75 pairs (150 targets).

Double Trap will not be an event for the 'faint hearted', but will certainly be an event for those of us who relish a challenge. A minimum of 75 pairs of Double Trap using 1oz of shot will certainly prove a challenge to those of us who are 'fair dinkum'.

## A NEW ERA — BUTE (S.A.) GUN CLUB

By Bill Moritz

As reported in the November issue of C.T.S.N., Bute has now installed a Continental White Flyer Trap. It had its first tryout in competition on 6/3/88. For safety considerations, a new number one track was laid as well as constructing a new traphouse.

Nineteen shooters from Port August, Minlaton, Mallala and Adelaide as well as locals turned out to christen the new layout without a possible being shot.

After President Eric Commons had fired the first shot (and missed!) competition began in earnest. It soon became apparent that those well placed mallee trees were still a problem, particularly as the targets moved faster than previously. Much talk was heard of chopping, pushing with bull-bars, etc. But there would be nothing to blame for a missed target if they were removed — would there Kim & Tony & Craig & Eric & Bill & . . . ?

It is hoped that the new trap will encourage greater shooter attendance as it now brings the club into line with all other clubs.

Results were: Event 1: Mid-North D.B. Championship: A: K. Zaniol 28-29; B: T. O'Connor 22-25; C: T. Bowman 22-26. Event 2: D.B. Handicap: 1st T. O'Connor 22-24, 2nd R. Spennello 21-24, 3rd M. Roach 25-28.

By the way, no serious contenders were received for the challenge issued in November 1987 C.T.S.N. — of Bute being the last club in Australia (or the world) using the old "pull" systems as the MAIN means of releasing targets.

# RIFLE SHOOT AT VICTORIAN GUN CLUB

After the introduction of recent legislation concerning the use of firearms in Victoria, there was some talk at committee level at the Victorian Gun Club of cancelling the pre-arranged shoot involving firearms as prizes in each grade. After much discussion, the committee finally agreed to attempt to run the shoot within the new guidelines of the Victorian Legislation.

The Central Firearms Registry at Flinders Lane, Melbourne, was contacted and the question put to them as to how we could legally run the proposed shoot. A Mr Hay from the Firearms Registry pondered the problem and finally returned with the following instructions:

1. A Permit to Purchase each firearm must be obtained from the local Police Station, and the firearm is purchased in the Club's name.
2. The firearm must be registered in the Club's name before the shoot.
3. After the shoot, another Permit to Purchase must be obtained for the winner of the firearm. The usual Police clearances apply.
4. The firearm can then be registered in the name of the winner.

So, with the list of instructions and an ambition to make the shoot succeed, the committee set about planning the shoot. The Event where the rifles were to be the prizes turned out to be one of our most pleasing and simple that

• Tony Senserrick, winner of the rifle for "A" Grade being congratulated by Greg Vella and David Mark.

• David Mark, winner of rifle for "B" Grade being congratulated by Greg Vella under the ever watchful eye of Shoot Marshal, Dick Ahmeling.

we had run. Although over one hundred shooters competed, the shoot marshal, Dick Ahmeling, kept the squads well organised and everyone helped by keeping an eye on the board and backed up on time.

To qualify for the shoot off, one only had to shoot 10 targets, double barrel. Many new shooters believed this to be well within their ability and this was reflected in the good turn up of "C" Grade shooters. The "A" Grade shoot off only lasted another 24 targets which gave Tony Senserrick a rifle for shooting 34/34. Frank Vella was runner-up with 33/34. The "B" Grade was won by new President, David Mark with 20/20 with Rod Perry, proprietor of Werribee's "Gone Bush" as the runner up. "C" Grade was won by a junior shooter, Guiseppe (Joe) Faranda. This meant that Joe's father, Tony Faranda had to have the Permit to Purchase Application in his name.

• Joe Faranda, winner of the rifle for "C" Grade accepting the prize from David Mark with Dick Ahmeling keeping an eye on a future champion.

The "C" Grade runner up was a new shooter, Shane Rendall, who has been shooting trap for less than 12 months and looks like a champion of the future.

All in all, a good shoot was had by the Club and we commend any other Club willing to have a go, and we will assist them if necessary in the details required to run a firearms shoot.

David Mark

## MARYBOROUGH TIT BITS

On Sunday, March 20, we had the pleasure of being coached by Gerry Chizzotti and his band of three merry men. Seventeen shooters turned up and even took two takes on the video. I don't know if they wanted to see their mistakes or just liked being on television. So thanks to Gerry and his three merry men.

On Sunday, March 27, it was gratifying to see forty shooters at our Timber City Bicentennial one day shoot. We had shooters from Bundaberg, Gympie, Monto, Munduberra, South Coast and Mungungo. I was pleased to see my friend and shooter, Sel Horne from Kingaroy, a prominent face around the traps. Shooters to take away trophies were Barry Stolberg — Event 1 and Final Event; C. Zabors — Event 2; G. Durre — Event 3; and R. Reed — Junior High Gun. Congratulations to the travellers who won prizes and thanks to the rest for coming along.

Glen Durre and Jim Wilson, both Gympie, shot at N.Z. in the Police Games conducted from March 17 to 20. I hope I have the scores right: Glen O/A Skeet Gold, Points Gold, D.R. Silver, H'cap Silver; and Jim shot in the Aust. team and ended up with a pocket full of medals — four gold and one bronze.

Congratulations to both shooters, with special mention to Jim Wilson who retired from the Police Force on March 25 — best of luck and good shooting in your retirement, Jim.

Till next time, see you at the shoots.

Lost Bird.

## WARATAH STATE NOTES

Yet another month has passed, which brings us closer to the State Carnivals in N.S.W. As previously reported, first cab off the rank will be the State Skeet Carnival at the Tamworth Club from 12th to 14th August. The Tamworth Organising Committee have carried out a huge amount of work in readiness for this Carnival. Two additional layouts will be put through their paces in the months leading up to the carnival — this year is the first time that four layouts have been used for the Skeet Carnival.

The State Trap Carnival will again be held over the long weekend in October and the Sydney/Marconi complex is the venue. Again the home club have "moved mountains" to have all facilities ready and operational.

The State Association have been successful in gaining full sponsorship for both carnivals — an added bonus.

### TRAP NATIONALS

Perfect weather, great shooting and beautiful hospitality contributed to a great Nationals at Wagga from 11th to 21st April.

Congratulations must go to the winners and the runners-up. Without them there would not be any competition.

To those from our State who gained places in their respective teams — Joan Longmore in the Ladies Team, Michael Diamond, Mark Piotrowski, Tom Turner and Ramon Bertoncello in the Juniors and John Curran, Mark McInnes, Doug Jordan, J.W. Smith, David Coleman, A.M. Burgess, Arthur Turner, Dennis Turner, Michael Diamond, Ray Hammond, Barry Kable and Stephen Guest in the Open Team — congratulations to you all.

Special mention to Joan Longmore who managed to shoot well and give 100 per cent in the office as well — as with David Coleman who was Assistant Shoot Marshal and also finished only four points down for the team — well done to you both.

### FROM THE SOUTHERN ZONE

Attention Skeet Shooters — the Southern Zone Skeet Carnival and Team Eliminations have been moved to the HAWKESBURY GUN CLUB and will be shot on 9th JULY — please note the change of venue and date.

Also on a date change Marconi Club have moved their shoot set down for Sunday 12th June to the Monday being the 13th June — to avoid clashing with the Illawarra shoot.

### FROM THE NORTHERN ZONE

Final reminder of the Northern Zone Skeet Carnival being held at the Coffs Harbour Club on the 18th/19th June.

New Club Secretary at Tamworth, Rod Prior, has advised me of the new happenings at their club. The club shoots Trap on the first Sunday of the month and have programmed a minimum of 80 targets commencing at 12.30pm sharp. They have increased their trophy value to \$140.00 for each monthly shoot and the overall winner and each grade winner in the monthly championship will receive a badge along with their trophy.

The club has also just purchased an automatic Ibis Trap which has been installed and is operating well.

On the third Sunday of each month, the club has 100 targets of Skeet — also starting at 12.30pm — and the trophy values have also been increased for the skeet shooters.

Should you require further information regarding the Tamworth program Rod can be contacted on 66 1455 B/H or 66 1537 A/H.

Still on Tamworth — don't forget the NORTHERN ZONE COACHING DAY — which is set down for SATURDAY 2nd JULY commencing at 9.30am. Zone Coach Roy Shepherd and State Coach Col Burt will be in attendance and all present will receive coaching instruction with the benefit of the video equipment. Don't be shy — go along — ask questions — meet new people — it's for your benefit.

### FROM THE WESTERN ZONE

Another reminder of the COMMONWEALTH DOUBLE BARREL CHAMPIONSHIP which will be hosted by the Dubbo club at their Annual Golden Fox Shoot on the 4th and 5th June.

### FROM THE CENTRAL ZONE

The Zone Trap Carnival and Team Eliminations will be held at the Grenfell Club on 30th/31st July — not too far away now.

A little further ahead — but mark it down in your diary — the Central Zone coaching weekend is on again, on 29th/30th October, at the Cowra Club on the Saturday for Trap and then on to Bathurst on the Sunday for Skeet. Last year this was a huge success and plans are well in hand again for this year.

### NEW RULE

Club managements please ensure that your program committee is aware of the following:

RULE 2.3 (i): FOR OTHER THAN NATIONAL, COMMONWEALTH OR STATE TITLES, HANDICAP EVENTS SHALL CONSIST OF A MAXIMUM OF 25 TARGETS.

Quite a few advertisements were spotted in the last C.T.S.N. reading handicap events consisting of more than 25 targets.

Again this month I would urge all clubs to take advantage of the avenue of contact via this monthly bulletin — all you need to do is send your information to: P.O. Box 836, TAMWORTH, prior to the last Wednesday of each month.

Good shooting — remember the motto for 1988 — introduce one new shooter to your club this year.

# 1988 MAJURA PARK GUN CLUB "EASTER CHARITY CARNIVAL" Proceeds to A.C.T. Cancer Society Saturday 2nd April, Sunday 3rd April, 1988

A superb lunch at the Peking Chinese Restaurant in Canberra was the venue to hand over the proceeds from the Majura Park Gun Club's Easter Charity Carnival to Elizabeth Scrivener of the A.C.T. Cancer Society.

• Pictured left to right: D. Jordan (pres), Elizabeth Scrivener (A.C.T. Cancer Society), P. Simon (treasurer).

The Easter Carnival is the major event on the Majura Park Gun Club's calendar and the turn out of highly competitive shooters made the 2-day event a huge success.

Forty-nine shooters on the Saturday night and 63 on the Sunday, contributed to the \$1,325 being handed to the A.C.T. Cancer Society under the name of former local shooting identity — the late Alan Cramp.

On top of the cheque for the A.C.T. Cancer Society, shooters walked away with nearly \$4,000 in prizes, including return tickets to the Gold Coast with accommodation from ANSETT with great assistance from the Federal Police Association and the Federal Gun Club.

Michael Diamond (Jnr Olympic Trap World Champ) won O/A High Gun after a two-way battle with Majura Park Gun Club's own Peter Simon.

A highlight of the two day event was two father and son combinations winning individual grades in the same event. The first happened in the 50 Target 'Prouds' Double Barrel Championship when George Kazolis won A Grade and son Con Kazolis won C Grade and then in the 30 Target "Macbro Rental" Single Barrel Championship, Max Gault won A Grade and son Stewart (Jnr) won C Grade.

Anyone who runs an event of this magnitude knows only too well the work involved. Thanks must go to Stan Beadman for his tireless contribution to the catering, to all the shooters too, for pitching in and helping make the shoot such a smooth success.

To all shooters, your support to our sponsors would be appreciated. Gambarns, Neilson and McKecney, the Friendly Fireplace, Blue Dot, Olympic Targets, Macbro Rental, Prouds Jewellers, the Federal Gun Club, the Federal Police Association, Ansett, and Jim Reid.

The Majura Park Gun Club holds a major Championship event on the first Sunday of each month and shooting practice on Monday nights which attracts about 50 shooters, and competition every Wednesday night for about 50 shooters from the district. If you're in the area anytime, give us a call, we'd love to see you at the club. Phone (062) 91 7814.

## AUSTRALIA DAY OLYMPIC TRAP C'SHIP HELD AT CANBERRA INTERNATIONAL CLAY TARGET CLUB — 23 & 24 JANUARY, 1988

Shooters were once again faced with the "Four Seasons" over the two days of competition, but John Maxwell from Illawarra Gun Club was able to master the variable conditions to gain an early break and show a clean pair of heels throughout the competition.

This year only twenty four shooters entered the Australia Day Championship, a little disappointing for both competitors and management alike.

### SATURDAY 23rd JANUARY

The "often tense" John Maxwell began well by recording the only clean round, followed by the "slick" Jim Ellis, outstanding Junior, Filippo Petriella, Victor Burgess and Robert Thompson, all on 24.

After fifth targets, it was Maxwell with a perfect score, leading by a target from Thompson and Petriella, with Burgess a further target behind. Ellis had slipped a little, only managing a 22.

At the end of day one, Maxwell was leading the field with a well compiled 98, followed by Thompson on 96 and Petriella and Burgess on 95.

Jim Ellis was the clear leader in AA Grade with 92, R. Carr A Grade with 86, B Grade Dick Bennett with 86 and C Grade G. Williams 74.

### SUNDAY 24th JANUARY

After overnight rain, showers and light winds persisted until late morning, and these changed conditions were reflected in the scores. No 25s to greet the morn, although a disappointing Ellis of the previous day began well with a 24. Petriella and Burgess shot 23s to keep them in sight of Maxwell, who recorded a 22.

After six rounds, Maxwell had a lead of three targets over Thompson, the only one likely to catch the Australian Representative. The rest of the field had lost their way!

By round seven Maxwell had gained an extra target on Thompson and looked unbeatable but as they say in the story book, "There's many a slip 'tween the cup and the lip", and Maxwell's last round 21, almost cost him the championship, as Thompson came home strongly with 24.

Jim Ellis led AA Grade throughout the championship and the consistent Vic Burgess won A Grade. First day leader of B Grade Dick Bennett, slipped to allow Ian Prior to take the prize. The father and son team of G. Williams and R. Williams reversed their positions of the previous day in C Grade.

**FINAL RESULTS:** 1st Overall — J. Maxwell 187/200; 2nd Overall — R. Thompson 186/200; 3rd Overall — F. Petriella 180/200 & 22; 1st AA Grade — J. Ellis 180/200; 2nd AA Grade — M. Diamond 174/200; 1st A Grade — V. Burgess 176/200; 2nd A Grade — G. Smith 163/200; 1st B Grade — I. Prior 163/200; 2nd B Grade — V. Elliot 157/200; 1st C Grade — R. Williams 135/200; 2nd C Grade — G. Williams 134/200.

Australia Day Special Achievement Award: Filippo Petriella. The Australia Day Championship was sponsored by Bevan Brown Trading, Hamilton Brokers, and assistance was received from Olympic Targets and the Australia Day Sports Carnival.

# STURT PEA FROM S.A.

Only a short lot of notes this month due to being away at the Nationals.

South Australia had 28 of its members at the Nationals with a few trophies being won. Starting with the Pre-Nationals, we had Leighton Martin and Peter Hall both win their Grade in the Bicentennial Grand Prix which gave them \$200 plus a return ticket to New Zealand. George Steele shot well to get a first and a second in two of the events.

At the Nationals our team did us proud and came in second to W.A. on a countback being two points down, 360/375.

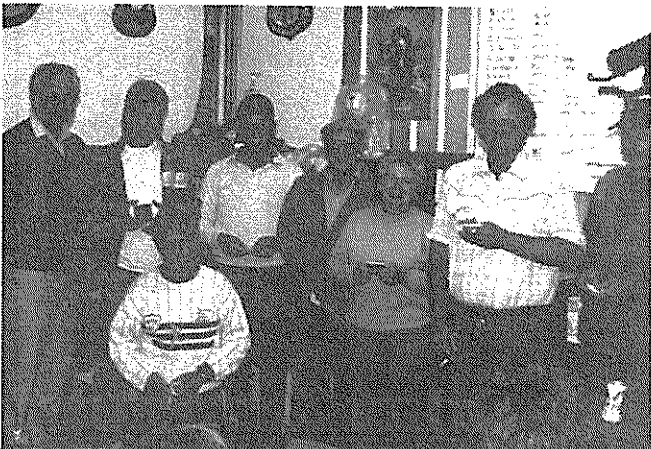

Trevor Heard shot very well in the D/B with 150/150 to eventually come first in A Grade and we now congratulate Trevor on becoming an AA shooter. Ray Mack was very pleased with himself when he came third in B Grade in the S/B event, 77/77.

We were very pleased with Brett Johnson who shot very well in the State Team's event and was second on more than one occasion in the Juniors. Brett also was the H/G winner in the McIntosh Junior Team by one point, a very good effort as it was also the first time he had been to National Titles.

Craig Bentley and George Steele were in the open McIntosh Team. Brian Growden got a second in his grade in the CH/CH, and first in D/R.

● S.A.C.T.A. State Carnival. Winners in the 60 Target CH/CH Event, with President, L. Martin, are W. Newell Lady, O/A & AA: J. Johanson, A: A. Flamigetti, B: B. Pallant, C: E. Smith, Jun. B. Johnson.

● Bicentennial winners: AA: C. Bentley, A: B. Johnson, B: P. Hall, C: E. Smith, Lady: B. Wallace, Vet: R. Cribb, Jun: B. Pallant.

## MALLALA

Reg Franks has retired from his position as President of the Mallala Gun Club after holding that position for nine years. We hope you can enjoy many more years of shooting Reg.

## WILKAWATT

This news is a little old due to our notes being held over one month, but I would like to put it in the report seeing as they took the trouble to send it in to me.

In March they held their annual Famson 100 Target Championship under some very wintry conditions. Don Beelitz was the O/A winner 146/150. 2nd: R. Ahns; B Grade 1st: K. Przibilla; 2nd: T. Heinzel; C Grade 1st: H. Parker; 2nd: P. Prentice. Ladies winner: L. Beelitz; Junior: our little guy, N. Rundle. High Gun winner on the day was D. Beelitz.

A big thank you to Famason for sponsoring this event. Prior to the start of the days' events a very successful coaching session was held.

## PT. AUGUSTA

I have had a note from their newly elected secretary, Lee Tribilcock, saying that their shoot advertised on October 16 has now been moved to October 23. This is to avoid clashing with International's Birthday Shoot. Please make a note of this in your program book.

## SPECIAL SHOOT

Sunday 5th June — Noarlunga City, Birthday Shoot.  
Saturday 11th June — Mt Gambier, Carnival Shoot.

## MAJOR TITLES FOR JUNE

Commonwealth S/B — June 11, Mt. Gambier.

State Day Ball Trap, June 12, Far West.

I hope all clubs are more than eager to hold any of the State Day and Night Titles for 1989. In the past it has been rather a shame that some of these titles have been very hard to distribute. In my next issue I hope to be able to really whet your appetite to win these titles, so be forewarned and take a title or two at your club.

## STATE BADGES

We now have available S.A.C.T.A. State Badges in the shape of a map of S.A. They look very nice and cost \$5, available through me.

## CLUB REPORTS

I would like to appeal to members not necessarily Club Secretaries, to keep sending me in your reports. We have had some very good ones from time to time. Unfortunately, I am unable to get the full report in, but please don't let that deter you, as all the reports I have had from your fellow shooters is that they like the stories.

## GUN LAWS

I would like to assure the members in this state that S.A.C.T.A. has been keeping in touch with the Gun Laws controversy and have done all that it possible to do up to this point. We have been in contact with all political parties and will be putting a submission to the select committee this month (May) on our shooter's behalf.

I.M.G.

## TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

## LOST — ONE WEDDING RING

**REWARD OFFERED — (One carton of Bondy's brew — chilled)**

You've read or heard about the "one that got away" or "why he or she missed that plum easy dinner plate target". Well, this true story will add credibility to all those yarns.

Back in 1982 at the Brisbane Trap Nationals, a contingent of Clay Shooters travelled from W.A. to do battle. Among this keen group of competitors was a comparatively new shooter who was fortunate enough to win the then existing Perth Gun Club Handicap event. The prize being an air fare to the Brisbane Trap Nationals.

On the first day of competition this lucky person, in his enthusiasm to protect his new B2g Browning, removed his wedding ring, so as not to scratch the fore-end and placed it in his jet-set carry bag. Next day the W.A. group decided to keep the empty shells and give them to a N.Z. friend at the end of the competition.

The logical spot to stash shells was in the good old jet-set carry bag. When this was full, all shells were tipped into a large bag and given to our N.Z. friend. All went well, everyone enjoyed the competition and sight-seeing, and arrived home ten days after departure. Joyous greetings at the airport, wives and girl friends overwhelmed with return of loved ones, but one observant wife who noticed hubby was not wearing his wedding ring. Up until that point not one thought had been given to the cherished family jewel from the moment it was put in the jet-set carry bag for safe keeping.

Very hard to explain and convince "little lady" why one should take off ring when so far from home, and more difficult to make reason for this sound credible.

In desperate attempt to rectify "small problem", N.Z. friend rang at home and asked to sort through shells and return ring if located. His wife explained he had not yet returned home — decided to first go to Victoria and gave his shells to the Vics — goodbye ring and almost wife.

After being home for five days, guilty party spent seven days in hospital with some sort of jungle fever — never did find out what caused it (suspect excursion to rain forest). Could have been overdose of 4X or reaction from guilt complex.

It has taken six years to muster enough courage to raise the subject of wedding rings in household. If found, contact President.

W.A.C.T.A.

P.S. Thoroughly enjoyed the trip, have been back for two I.S.U. Nationals and one Trap Nationals and still happily married.

## GEMFIELDS GUN CLUB INC.

1988 will be a full program for the Gemfields Gun Club. Shoots throughout the year highlight a Bicentennial Shoot on the 15th May, Central Highlands Champion of Champions on 19th June, Annual Two Day Shoot on the 20th and 21st August, and Zone allocated shoots in October and November.

The Annual Two Day Shoot to be held on the 20th and 21st August will be the major event of the year. Prize value for this shoot will exceed \$7,500 and sponsorship is being sought for a further prize of \$10,000 for a possible over the two days. However, details are yet to be finalised.

Two Charity Shoots are also being organised, one in May and the second in October. Proceeds from these shoots will benefit the local Queensland Ambulance Transport Brigade.

Details of these shoots and the rest of our program can be obtained from Secretary, Leanie Thompson, phone (079) 82 2083.

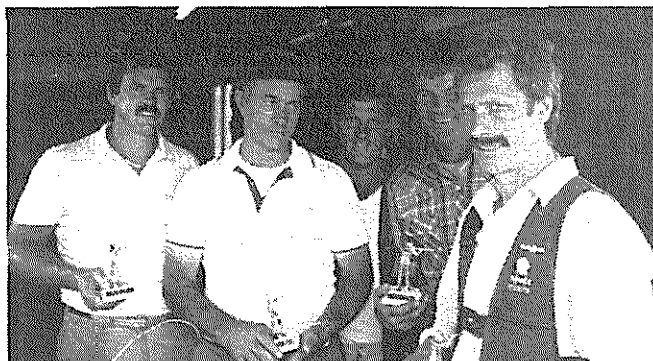

## SOUTH-EAST ZONE PREMIER TEAMS EVENT — ROUND ONE

The Mornington Clay Target Club Inc. hosted the first round of this prestigious event in February on a slightly overcast day with just a little wind.

The shoot was held at sister club Cerberus as the new Mornington layout is not ready for competition as yet.

Thirteen teams from throughout the Zone represented their clubs and as high scores were not the order of the day, two teams drew on 231-250 — Melbourne and Cerberus.

After each team member faced 5 double barrel and 5 handicap targets, the scores were again the same, at 4 down. The second round of the shoot-off, which was a real tight affair, was settled when Cerberus came in again 4 down and Melbourne lifted by one target to be 3 down, collecting the trophies for the day and the first round banner. A great finish to a good day.

● The Melbourne Gun Club winning team — R. Godfrey, A. Blease, R. Collins, B. Hoekstra and T. Peters.

25T Double Barrel Championship: A & OA: K. Rose 37-37, R. Godfrey 41-42, R. Collins 40-42; B: A. Wooley 34-35, A. Standeven 33-35, G. Vearing 34-36; C: R. Hunter 24-25, K. Cross 30-32, B. Apollonio 29-32.

25T Handicap: 1st W. Parks 39-39, 2nd S. Wright 38-39, 3rd A. Sydenham 35-36; BM: R. Godfrey 39-41. High Gun for the day: A. Wooley 61-62.

## WAGGA GUN CLUB OVER \$3.2 MILLION SPENT AT WAGGA NATIONALS

A big sigh of relief by the Wagga Gun Club Committee, NSWCTA and the ACTA now the Trap Nationals are over.

The City of Wagga Wagga greatly benefited by the Nationals with over \$2 million spent in the city itself on accommodation, food, entertainment, shopping and petrol.

Another conservative figure of \$1.2 million spent just at the Wagga Club with over \$97,500 for new factory loaded shells, \$80,000 for entry fees, \$20,000 to \$25,000 for food and drinks and a very conservative \$100,000 in sales! (shooting accessories, guns etc.). It would be near impossible to get an exact figure, but it is big business and money.

The Pre-National Championships ran smoothly and were successful even though the numbers were down. Part of the success of the championships was due to the large amount of local sponsorship. All shooters know how

• Member for Wagga Wagga Joe Schipp officially opens the new clubhouse at Wagga Gun Club. He is pictured with Barney Rooke and John Harding, Regional Director for Sport and Recreation.

important sponsorship is to this sport and we thank Coca-Cola who quenched thirsty throats, the Wagga Leagues Club where many enjoyed their meals and won and lost on the pokies! Wagga Motels Association who provided the fine accommodation, Customs International who supplied many of the trophies (for those lucky enough to win) and shopping for the ladies, Scorpio Cartridges for the shells later used in the Nationals by many, and Fuller Firearms who provided the winner with Hercules Red Dot Powder.

The official opening of the new clubhouse was conducted on Friday 15th April and was opened by the Member for Wagga Wagga Joe Schipp.

The new clubhouse has been built by the members of Wagga Gun Club with financial assistance from the Department of Sport and Recreation.

While the club is useable, there is still some more work to be done, including the finishing of lining the walls and ceiling, and floor coverings. In the future a bar, dance floor, heating and cooling and outside a barbecue area.

We would like to also thank Chandlers who provided the color TV in the clubhouse, Wagga Business Machines for the use of the photocopier, B & A Motors for the use of the two Yamaha motor bikes and local members for the use of their vehicles and trailers.

Trapping was done by the Koorringal Rotary Club with the help of the RAAF and Army recruits. An excellent job done which often goes by without a mention. They also cleaned up the rubbish and grounds and kept the area looking tidy.

Thanks must go to all other people who helped in any

way during the championships. There are too many to name, so thank you all. Many shooters are unaware of the amount of work that is done 'behind the scenes' that help the Nationals run smoothly.

The media from Wagga must be thanked for an excellent job. Results were given each day. The Wagga Daily Advertiser provided pages of photos and results and stories over the period of the championships. The Prime Network gave continuous coverage leading up to and during the championships — positive coverage, not just results but stories and interviews with the competitors. Sports editor Doug Hogan has again given an excellent coverage of our sport with many non-shooters commenting about it. Doug has spent a lot of time at the club and has a good knowledge of the sport and how it all works and this comes over in the coverage. The Riverina Leader has also been supportive with lead-up stories and information published each week (a once-a-week free newspaper).

The Wagga Club conducted two raffles over the championships. The first was 'Dinner for Two' at the French Tavern kindly donated by Stephen Bennetts, proprietor of the French Tavern, and was won by Roger Duthie of Victoria. The second raffle was a gold clay target necklace (9ct) kindly donated by Ken Cross of Anakie Qld valued at \$150.00 and was won by Brian Treloar of Victoria.

• Ken Stevens, pre-Nats S/B Champ.

The Wagga Club would like to thank the NSWCTA for their help during the Pre-National Championships.

Hope you enjoyed your stay in Wagga. Good shooting!

Maree Rooke

## GUN SAFETY

Recently my attention has been drawn to the number of new shooters joining gun clubs who lack an adequate understanding of safety regulations and on-range etiquette. The following list is intended to help new members participate safely and perhaps refresh some older members' memories.

### SAFETY RULES

1. Guns must be carried unloaded, with breach open, at all times.
2. No gun shall be put to the shoulder, or aimed in any way, except when the shooter is located as follows:
  - a) on the tracks
  - b) on the pattern plate
  - c) under direction of a qualified coach.
3. The gun will only be pointed towards the trap area or towards the pattern plate or at the instruction of a qualified coach.
4. The gun will only be loaded and the breach closed when the shooter is positioned facing the trap, or pattern plate, and standing on their correct mark, and
  - a) There are NO shooters or other people or animals in front of the shooter's mark. (This must be strictly

- adhered to in handicap shooting).
- b) There is NO red flag showing from the trap house,
- c) And it is the shooter's turn to shoot.
5. Immediately on shooting from any station the gun will be opened, and unloaded while still pointed in the direction of the target area.
6. In the event of an apparent misfire or gun malfunction, the shooter will keep the gun pointed in the direction of the target area, and call the referee's attention.
7. No more than two cartridges shall be loaded at any time in automatic or magazine guns.
8. When shooting D.T.L. or Olympic Trap and moving from No. 5 track to No. 1 track, and in skeet when moving from lane to lane guns shall be **unloaded, with breach open**. Shooters will pass behind the other shooters and the referee.
9. On the appearance of a red flag at the trap house, or any unexplained movement in front of the shooters, all shooters will immediately unload.
10. All cartridges shall contain shot size No. 6 or smaller (skeet No. 9 or smaller).
11. The wearing of thongs while shooting is not permitted.
12. Persons under the influence of alcohol will not be permitted to shoot.
13. In handicap events shooters must wait until shooters in front of them have shot and retired before loading.
14. Shooters are expected to be in control of and responsible for both their guns and cartridges at all times.

### EVERY GUN SHOULD BE TREATED AS A LOADED GUN

Every shooter should also be aware of the "etiquette" of club shooting. The following points are important as they promote a friendly and organised club atmosphere.

### ETIQUETTE OF CLAY TARGET SHOOTING

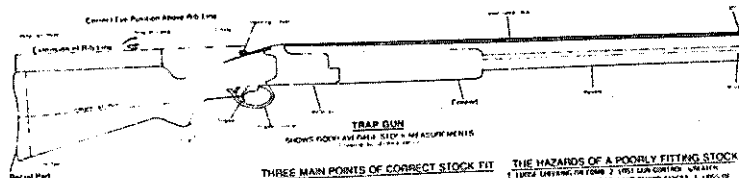

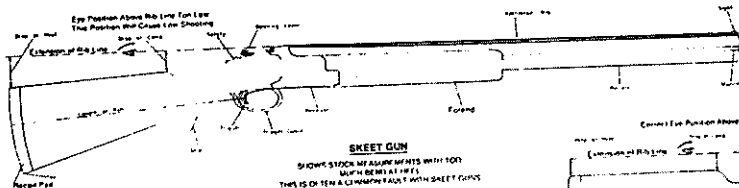

1. Your President and Committee are HONORARY. They respect your constructive criticism and expect your assistance and co-operation.
2. It is your duty to ascertain your squad and shooting layout, and to be on time.
3. Do not walk, talk, fidget, or otherwise behave objectionably when it is the next shooter's turn to shoot. Do not stand behind the referee and behave in any way that may distract the shooters. This is common courtesy.
4. Do not move from your track until the next shooter has fired. Do not leave the shooting ground until the last shooter has fired his last shot.
5. Do not obstruct the referee's view. Always walk behind him, if possible.
6. Do not engage in horseplay whilst in possession of a firearm.
7. This is your club; do not damage or pollute it in any way.
8. Dress in a neat and tidy manner.
9. Remember, it is a sport and you are expected to conduct yourself in a sportsman/sportswoman-like fashion.
10. Referees are honorary and human, and you are expected to abide by their decisions.
11. Limit your vehicle speed to 8 k.p.h. within club grounds.

Clay target shooting as a sport has maintained an excellent safety record over its long history. It is the responsibility of each and every club member to know and obey the safety regulations. The officials, coaches and referees also have a responsibility to enforce the safety regulations at all times. Our excellent safety record maintained in this potentially dangerous sport is testimony to the vigilance of our shooters in the past. Clay Target Shooting is a safe sport — let's all work together to keep it that way.

— Peter Quire

## C.M.T. CLAY TARGET CLUB

On 19th and 20th March, 1988, in what could only be described as very hot conditions, the C.M.T. Clay Target Club held its annual two-day shoot.

Club president John Harris welcomed shooters to the club and wished them good shooting for the weekend.

Captain Eddie Powell then briefed the shooters on the events for the day, reminding them of gun safety and promptness on the tracks.

First event 10 Target Eye Opener: John Harris, Ivan Halbert, J. Keville, S. Gibson, E. Eaton and T. Smith all possibles.

Event 2 — 25 Point Score: D. Kevill 74/75 overall; A: R. Holtfreter; B: G. Hogarth; C: K. Dew.

Event 3 — 25 Single Barrel District Championship: D. Kevill 22/25 overall; A: R. Bailey; B: J. Kevill; C: K. Dew.

Event 4 — 50 Double Barrel Classic: D. Kevill, R. Holtfreter, J. Fissoli and B. Thomson shot the possible. D. Kevill 63/63 overall; A: R. Holtfreter; B: B. Thomson; C: K. Dew.

So ended the day with D. Kevill setting the pace, shooting a very fine 149/150.

### DAY TWO — FINE AND VERY HOT

Event 5 — 25 Double Barrel, Cost/Divide: B. Cook, D. Kevill, J. Fissoli and B. Thomson shot the possible.

Event 6 — 25 Double Barrel District Championship: L. Reynolds 50/50 overall; A: R. Holtfreter; B: B. Hopkins; C: D. Blechynden.

Event 7 — 25 Handicap: 1st B. Hummel, 2nd J. Harris, 3rd L. Reynolds.

Event 8 — 25 Continental: B. Hopkins 60/60 Overall; A: D. Kevill; B: E. Eaton; C: K. Dew.

D. Kevill running the High Gun with a well shot 246/250. Numbers were very good, given the hot conditions. Saturday saw the temperature rise to 46° and on Sunday an unofficial reading of 50°C.

Presentations concluded the weekend, with club president John Harris thanking the ladies who worked tirelessly in what could only be described as very offensive conditions. Also thanks to trophy donors, club members, office staff and trapper boy.

Barbecue and drinks followed the trophy presentations, with a good time being had by all.

## BUNBURY CLAY TARGET CLUB — 1988 BLUE MANNA CARNIVAL

**5th & 6th March 1988**

The Bunbury Clay Target Club staged a successful Blue Manna Carnival over the Labour Day long weekend.

In hot and gusty conditions, 75 shooters from as far afield as Perth, Geraldton, Carnarvon and Koolan Island competed for trophies valued at \$2200.

The highlight of the two-day carnival was the fiercely contested State Titles.

The State Handicap Championship was won by Hedley Harmer of Geraldton with 48-50, and the State Single Barrel Championship was won by Bunbury shooter Clayton Hyder with a perfect score of 50-50.

Clayton was also overall High Gun of the carnival with a total of 261-275.

## 1982 OLYMPIC DISCIPLINE CHAMPIONSHIPS

Fine double to Ellis . . . Hale makes amends in Commonwealth Skeet Title.

The 1982 National and Commonwealth Olympic Discipline Championships were conducted at Brisbane Gun Club over the Easter period.

The National Championships were used by the Commonwealth Games Foundation as a "dress rehearsal" to test officials and equipment.

Sixty-six shooters were squadded on Easter Saturday to commence battle for the 1982 National Olympic Trap Championships. First round possibles came from Connolly, Rumbel, Budd and Flower. At the end of 75 targets, World silver medallist Jim Ellis had hit the front on 73/75, Seymour and B. Lowry were one target behind, with Long, G. Stevens and Flower on 71.

A second 73 on day two put Jim Ellis two in front of Greg Long, with Rumbel and Collinson three targets further back on 141. Porter, Lowry and Collins were tied together on 140.

The final 50 targets saw Jim Ellis drop two to win the gold medal with 194/200. Greg Long took the silver two targets behind Ellis on 192, and John Porter shot 49/50 on the last day to win the bronze medal with a final tally of 189. These were good scores as intermittent showers throughout the three days made conditions difficult.

The equipment worked well in both trenches, after slight modification by Public Works Department officers.

A field of 23 faced the starter in the National I.S.U. Skeet Championship.

John Woolley of New Zealand ran the first day clean to lead by one target from Alex Crikis, with Ian Hale one further back on 73. Cameron was on 72, Summers 71 and Boyd, the 1981 holder, on 70.

Ian Hale shot them all in the second 75 to lead Woolley by one with Crikis in third place on 146. Boyd improved his position with a brilliant 75 to add to his first day's 70, while Summers had trouble again carding 71.

Day three, the final 50 targets, Woolley again shot brilliantly breaking them all to card 197/200. Hale dropped two and had to settle for the silver medal, one target behind on 196, with Alex Crikis taking the bronze medal with a score of 194.

Cake Shoot: Ian Kent using "Sir Pude" gun. Congratulations Mr Steve Ziegler who won B Grade and overall in the 30T D/B Bicentennial Championship. He's the only one among us that will be able to shoot at the next Centennial shoot. Wayne Parks and Jeph Kent also deserve congrats. Wayne usually wins but only missed one target all day and Jeph always misses the money by one target — today he got his act together and won his third cash.

WONTHAGGI 15-4-88 — Cool & calm (20). 10T Hop: C. Burdett, B. Egan, W. Parks all 10-10. 20T Pts: A: C. George 53-60, W. Parks 51-60; B: I. Davidson 51-60, G. Coding 50-60; C: L. Milkins 50-60, J. # Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength 2¾" load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions – including **price**.

See your local Gun Dealer now for the lowest price on the toughest auto in the world.

**Every Title event  
was won using  
Winchester!**

It is rare that the scales can weigh so heavily in favour of one brand. This year the superiority of Winchester reigned supreme with every title event going to a competitor using Winchester. More than a name. A Legend.
