MULTISCALE CHARGE BARS **POWDER BAFFLE**

NO EXPERIENCE NEEDED
COMPLETE WITH POWDER
& SHOT CHART

\$50 Post. Incl.

ALL METAL UNIVERSAL CHARGE BARS

MODEL 'C' — for the
MEC 600 Jr, 700
Versamac, Sizemaster
77, MEC 600, 400, 250
and 250 Super
Reloaders, and the
Texan LT, GT and FW
models.

MODEL 'D' — for the
MEC 650 and Grabber
models.

The Model "C" and Model "D" are fully adjustable charge bars for powder and shot; shot-capacity from 1/2 oz. to 2 1/4 oz. and powder-capacity from 12 grs. to 55 grs. They come complete with a powder and shot-chart with 487 powder and shot-settings. Both models are for field and target-loads, and for all gauges.

- ALL METAL construction (made of high precision diecast zinc).
- Highly SIMPLIFIED method to read scales and to adjust knobs. In fact, the NEW ADJUSTING METHOD is part and parce of our U.S. and Can. Pat. It's a cinch.
- Definite BOTTOM GUIDES for powder and shot-valves (no floating valves).

PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

Tony Yozzi Sports,
460 William Street, Perth. 6000.
West Australia.

Ph. (09) 328 4981 A.H. (09) 271 2766

SOLE DIRECT factory representative and distributor for Western Australia for PERAZZI FIREARMS — AMMUNITION — Special Shooting Glasses supplied in Miniature Case resembling Perazzi Gun Case with Optic Cleaner included — Saga ammunition — Kromson clay target traps 240V — 12V and standard hand traps. A TRIBUTE TO ROY HOLTFRETER

Roy Holtfreter started his involvement with Clay Target Shooting in 1952 with the Northam and Districts Gun Club. Never a man to sit back and watch others at work, he was right in it from the beginning.

When Western Australia formed their State Association in 1954, Roy was a delegate to that body and has been ever since, and in that 35 years has missed only three meetings. This in itself would be a lifetime achievement for most ordinary shooters, however, Roy progressed to being A.C.T.A. Delegate for W.A. in 1972 and has contributed much to the Australian scene since then.

He was instrumental in rewriting the Constitution, creating the Legislation Fund, Building Fund, has managed an overseas Australian Team and was Handicapper at several Nationals, to name a few of his many activities during his time on the Executive. It was, therefore, fitting that in 1984 Roy was elected National President, a post he has filled for four terms.

Roy Holtfreter has always been a fair man in every situation, but was never afraid to do the hard things when he believed it was the right thing for the sport, even if in doing so, it upset someone.

Roy is a fine shot at all disciplines of our sport as his many sashes and trophies clearly show. Above all, his integrity, sense of fair play and foresight has been of benefit to us all over the years. Few, if any, have contributed so much in all facets of a sport and we thank you, Roy, for having been so involved.

Finally a word of warning to all Veteran Shooters. Roy will be among you in about three years and he will be a tough competitor in that section, but above all, you will enjoy his company as we have done for a long time.

We wish you, Roy, and your wonderful wife and supporter Kath, the very best in future years and look forward to seeing you around the traps.

From all shooters in Australia and in particular those from Western Australia, we say thank you Roy for being there.

Ranger Pump & Semi Auto Shotguns

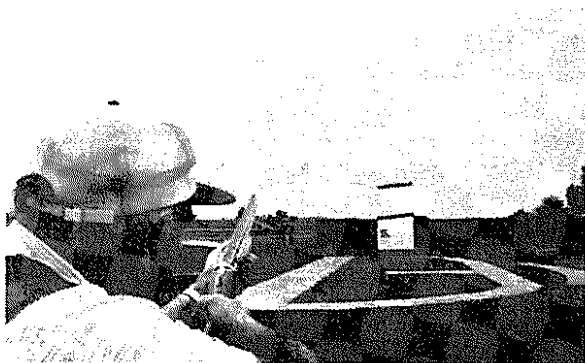

Superb value and styling with unbeatable features. Winchoke interchangeable choke versatility. Ventilated rib barrel, selected American timbers. 5 shot pump features twin antibind slide bars and self opening action. The Semi Auto is gas operated for low recoil and fast follow up shots.

WINCHESTER

SO YOU WANT TO SHOOT SKEET! HERE ARE SOME TIPS ON WHAT IT'S ALL ABOUT

By GEORGE BIGGS

Skeet shooting originated in America about 1920. It was developed to simulate and as a substitute for various types of field shooting. Today it has become as popular as trap shooting in all countries where clay target shooting is practised. It has, for some years, together with trench shooting, been a part of the Olympic Games and World Moving Target Championships.

Two forms of skeet shooting are practised in Australia, U.S.A. and New Zealand. They are known as American and International. Throughout most other countries and especially Europe, only International style is shot. International skeet only is shot at World Moving Target Championships and the Olympic Games.

International Skeet does not vary all that much from American skeet. Actually, the field layout is identical and the shooting progresses in the same way from station to station using eight stations in all. However, the targets are thrown further — 71 yards as against 55 yards for American. Gun holding position prior to calling for target, a rule stipulates that part of stock must be touching one's hip below elbow in its normal hanging position. A three second delay or part of on the targets' release after the shooter's calls is another hazard. Other variations of rules and target shooting procedure like shooting doubles from stations three and five go to making International skeet more difficult and certainly an interesting challenge.

SELECTION OF YOUR SKEET GUN

Although there are available several different styles of guns suitable for skeet shooting, such as the double side by side. This type of gun usually comes with two triggers. Each barrel is differently choked, the right or first barrel to be fired is usually more open than the left.

The automatic is now manufactured by quite a few gun manufacturers throughout the world. Most of them are gas operated making this type of gun much more pleasant to fire due to less recoil effect.

The automatic's single barrel and single trigger make it a very easy pointing gun at clay targets. The only problem being that the fired shell is automatically pitched out after firing and has to be picked up from the ground if we want them for reloading.

Autos have become much more trouble-free in recent years, even with some of the not so well resized reloaded shells! Autos are more often seen on the skeet field than at

trap. The gas operated auto has a lot going for it as far as the lady shooter is concerned, because it is softer to shoot and it points nice and easy. However, it must be fitted properly for the user. Cost of the auto is considerably less than the under and over gun.

By far the most popular gun over the past twenty years has been the under and over for both skeet and trap shooting in Australia.

As I have said earlier, the under and over shotgun is used by possibly more than 95% of all Australian trap and skeet shooters, mainly for its reliability, balance and ease of gun pointing. Names like Browning, Perazzi, Beretta, Miroku, Franchi and Winchester seem to dominate the trap and skeet grounds throughout Australia. They all do a first class job.

A great many skeet guns come from the manufacturer with a stock that has too much bend down — or in other words, too much drop at the comb. This problem will result in poor scoring due to your shooting eye being below the rib level when your cheek is resting on the comb. If you suspect that you have this problem, have your gun stock checked out by a competent person.

FUNDAMENTALS OF SKEET SHOOTING

Regardless of whether you shoot trap or skeet, the basic technique remains the same:

- Learn the fundamentals involved;
 - Learn how to apply them;
 - Learn how to practise them always, at all times.
1. Proper gun fit
 2. Correct gun mounting
 3. Body and gun control
 4. Good stance position
 5. Gun and target relationship (sight picture)
 6. Watch for the target leaving the trap. See it bright and clear
 7. Lead the target, fire and follow through
 8. Select a good gun hold position relative to the trap house
 9. Learn to concentrate
 10. Shoot one target at a time and NEVER EVER think about the one you just missed, or how many more you have to shoot.

TECHNIQUES OF SKEET SHOOTING

Often we see shooters "fall into a hole" on a particular target, then go from bad to worse in an attempt to get back their form. They actually get to a stage where the target is lost before they even shoot at it — it does, in fact, become a monster.

When this problem crops up we need to go back and have a look at the basic principles of skeet shooting.

We must be sure of our correct stance in relation to the position of gun holding point and the spot where we wish to break the target. And if we are watching closely for the target to appear, this is done by focusing our eyes in the area around the trap opening, then our chances of breaking the target are very much better.

Remember, look hard for the target and continue to watch it until your gun catches up to and passes to establish lead and trigger let off.

On stations two, six and eight it becomes necessary to use the left hand more in order to help in putting the barrels in line with the fast flying target. It also helps in accurate pointing and establishing proper lead.

Position of the left hand on forend is vital. It should not be extended too far out. Best position for fast and accurate pointing is a couple of inches forward of the gun's metal action.

Station six is the opposite to station two only that it leaves the trap opening at a lower level. However, it still has to be handled in the same manner. Bear in mind that low six is climbing more than high two. This means keeping your muzzle up on the target right from the start of your swing. This is why we must always have our gun point, prior to calling, right on the line of target travel.

Left hand position on forend for stations low six and eight can be extended a little further out. Not only will this give you a better muzzle pulling aid, but it will also give more accuracy of point on the fast moving target going from right to left.

Check your gun mounting to see that the butt is in the correct position on your shoulder — not further out on the upper arm. If this happens your cheek becomes separated from the comb during the process of pointing at the target causing inaccurate shooting.

Poor gun mounting is often the result of incorrect gun fit. Stock too long or too short, often skeet guns have too much bend down or too much drop at comb level, a low comb will cause low shooting on most skeet targets because they are mostly still rising when shot at — especially high two, low five and six, also low eight.

I suggest working at developing your own style that will give free and easy unrestricted movement of gun and body. Watch your stance from station to station and always be in perfect balance during the entire process of shooting at the target. Stand upright with head up and bring the gun to cheek — not cheek down to gun — with feet 12 to 14 inches apart. A tall, broad-shouldered shooter will need to position his feet as wide apart as his shoulders in order to be in balance while swinging with the target.

Remember — we cannot expect to hit our target if we are not pointing where we are looking. So if our gun does not fit properly, chances are we won't be pointing right. We will also have a similar position if we are incorrectly mounting the gun.

As the shot pattern leaves the muzzle it begins to lengthen. This is called stringing. Tests have shown that at 40 yards it has strung out to around 8-12 feet and is cone shaped.

STANCE FOR SKEET

To shoot skeet successfully requires us to pay special attention to proper stance and body movement. We must

remember to avoid any strained or tensed unnatural body and foot position. Not only does an unnatural position use up extra energy, it also restricts one's natural easy movements. It will cause a jerky gun swing. The proficient skeet shooter will always have a well-balanced body position from start to finish of each shot. He is, in fact, relaxed, but also alert.

The ground layout sketch illustrates gun holding point prior to calling for target.

Body weight should be such that the majority of our weight will be on the forward leg with knee just slightly bent, upper part of the body is then leaned slightly forward from the hips (care must be taken not to exaggerate this position).

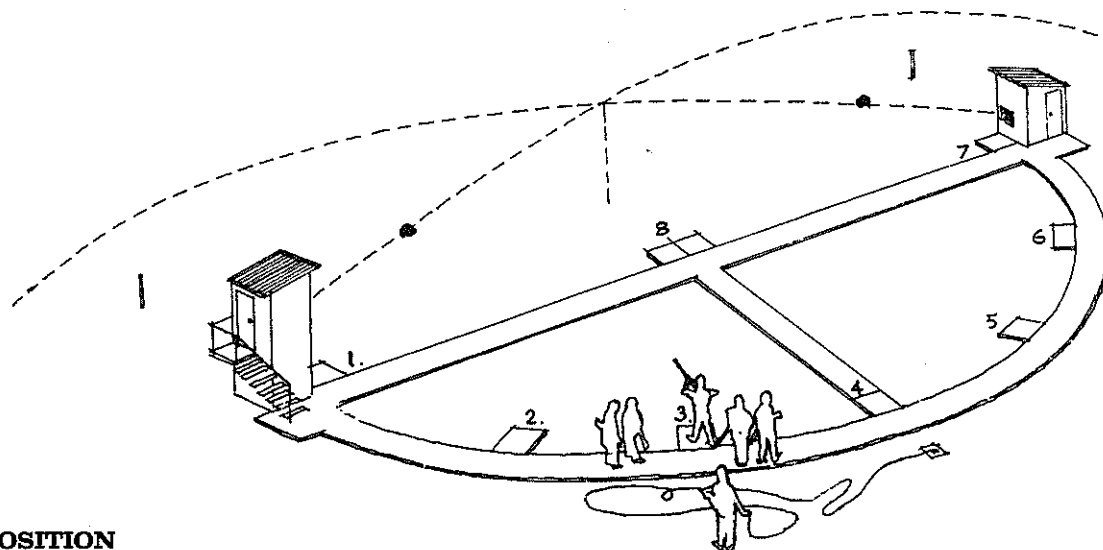

FOOT POSITION

Foot position is very important and will vary from station to station. Above all else we must adopt a balanced and relaxed stance and still be alert — ready to swing smoothly and quickly after the target when we call "pull". The good skeet shooter will pay special attention to his feet placing. Too close together will cause the shooter to be off balance when he begins to swing after the target. He will, in fact, tend to move his body from the hips causing a rolling action and low shooting. Body movement must be from the ankles up. Too wide a stance will cause unnecessary muscular tension and restricted movement.

Contrary to what some shooters may think, the safety catch on your gun is completely divorced from the gun's cocking and uncocking of the hammers. The safety catch is actually a mechanism that prevents the trigger or triggers from being pulled when on safety. Fact is, the hammers are still cocked so that if the gun is dropped or jarred by a fall, the hammers can operate and fire the shell — even though the safety catch was on "safe".

In future issues of News I'll give a station by station article on shooting skeet from all eight stations.

Have a good day's skeet shooting.

BODY POSITION

Take a proper stance at each station. This means we face the spot on the targets' flight lane at a point where we intend to shoot the target, which should be over station number eight or just a little past.

WARATAH STATE NOTES — JULY

Firstly this month, I'm sure all shooters from our State will join with me in offering congratulations to Jim Scott on his recent election to the position of National President. It is hoped that shooters everywhere will give Jim their full

support during his term in office.

STATE SKEET CARNIVAL:

You will find elsewhere in this edition, the program for

• Cont'd over page

Page 5

• Cont'd from previous page

our State Skeet Carnival — being held at the Tamworth Club from 12th/14th August. Due to the very generous sponsorship received from Prudential Assurance, Olympic Targets and Stewart and Allwood, the program has been expanded and trophy values increased. All Championships will now carry an overall sash, badge and trophy, as well as trophies for 1st/2nd each grade and ladies and juniors.

For the first time this year, the State Championship will also carry a Perpetual Cup in addition to the silver N.S.W. badge and sash. All looks set for a great carnival — and with it being conducted over four layouts for the first time — all 250 targets will be shot at.

FROM THE CENTRAL ZONE:

The Zone Skeet Team eliminations were held recently in readiness for the upcoming State Carnival. Those Skeet shooters packing their bags and loading plenty of shells will be John Harris, Peter Hayman, Rod McRobert, Bob Campbell, Les Aberley and Noel Dwight. The Central Zone also hosted the State Night Skeet Championship and this was won by John Harris with a score of 44/50, filling the minor placings were Rod McRobert, Steve Subonj and Lew Tosolini — congratulations to those shooters.

Another reminder of the Zone Coaching Day being conducted on the 29th/30th October. Saturday will be taken up with trap shooting at Cowra and on the Sunday, the Bathurst club will be the venue for Skeet coaching.

FROM THE NORTHERN ZONE:

The Zone's Annual General Meeting was held during May, with all members of the committee being re-elected. Delegate Andrew Futter was re-elected for a further three year term.

The Gunnedah Club hosted the State Single Barrel Continental Championship, which was won by Col Burt, following a shoot off with Gunnedah shooter, Gary Carlyon.

Inverell Club Secretary, Russell Kingsmill has forwarded some details of that club annual open shoot which is set down for 20th and 21st August. The club have programmed 200 targets — all from the 15 metre mark — which will include four championships and a \$1,000 cash divide and calcutta — with over \$3,000 in cash and trophies up for grabs. For those shooters who regularly read this column, you will be aware that I have sung the praises of the Inverell shoot for the last few years — it certainly should not be missed — the hospitality is great and a beaut time is assured. Don't miss it.

The first weekend in September will see the annual open trap shoot at Tamworth. Club Secretary, Rod Prior and his hard working program committee have come up with a program of 215 targets — comprising four championships, a trophy handicap, two handicap cash divides and a calcutta event — with over \$7,000 in trophies and sashes. They have programmed handicap events with big trophies to give the front markers an even chance of winning a big trophy — also something a little different as well as the overall high gun — they will be having a 15 metre high gun sash and trophy and a handicap high gun sash and trophy — so that everyone will be in with a chance. They have certainly opened the purse strings and are striving for a big attendance — hopefully the trap shooters will show their appreciation and attend on the 3rd/4th September.

FROM THE SOUTHERN ZONE:

Tony Russell from the Narooma Bowling and Gun Club pointed out that in the Southern Zone Directory in the Blue Book the club information for Marconi and Narooma have been condensed into one — therefore under the information for Marconi the line giving directions is actually belonging to Narooma — and missing is the Secretary for Narooma Tony Russell, 4 Chauvel Cres., Tuross Head, (044) 73 8118. The directions for the Marconi club are the same as for Sydney.

The Zone Trap Carnival is being staged at Illawarra on the 11th September — being the current holders of the

Denis Hunt Trophy for inter-zone competition — those Southerners will be out to hold it for another year — with the State Carnival being on home soil and all.

Good shooting and don't forget to send along any information that you would like printed — as long as it reaches P.O. Box 836, Tamworth prior to the last Wednesday of the month — we will include it.

N.S.W.C.T.A.
(067) 65 2520

W.A.C.T.A. REPORT

By the time this reaches your desk we should know if our bid for the World Shot Gun Championships was successful. A.C.T.A. with the support of W.A.C.T.A. have made a bid for the 1991 I.S.U. Trench and Skeet Disciplines to be held at the Whiteman Park Complex in Perth. A great boost for our sport in W.A. if successful. Recognition must be paid to Reg Wagland in compiling a submission with very limited time that a professional group of promoters would be envious of. Thanks, Reg, for a great effort.

Around the Traps: Leonora recently conducted its two-day carnival. Congratulations to our two State Title winners, Jeff Neve — State 30 D.R. Tower and Jim Neve — State 30 S.B. Tower. High Gun winner Jim Neve. From all reports a well-run shoot with the coveted Gold Nuggets shared around. Pleasing to see State Coaching Director, Murray Alexander at Leonora offering his expertise and conducting a raffle to generate much-needed funds for coaching.

W.A.G.C. under the leadership of club president Terry Morony recently conducted a two-day Skeet Carnival. Numbers again were a little disappointing bearing in mind the programme was formulated to attract Field and Game members and a large contingent of social Skeet Shooters into the competition ranks. Nevertheless an enjoyable shoot by those who competed. Top effort by Laurie Hull from Katanning, shooting 100-100.

I.S.U. — The I.S.U. Skeet Titles would now have been competed for. The State three-man team to compete at the 1989 Nationals would also have been decided.

Below are the I.S.U. Trench dates. The qualifying formula is 600 targets plus compulsory 200 State Trench. Top three qualifiers over 800 targets State Representatives. Several weekends have been programmed, i.e. Saturday W.A.G.C., Sunday C.M.T. or vice-versa to enable competitors travelling long distances to be able to shoot 200 targets in one weekend.

Dates: 25th June W.A.G.C., 26th June C.M.T.
12th July W.A.G.C., 24th July C.M.T.
30th-31st July W.A.G.C. State Trench
27th August C.M.T., 28th August W.A.G.C.
1st October W.A.G.C., 2nd October C.M.T.
13th November C.M.T., 16th November C.M.T.
27th November W.A.G.C.

Your I.S.U. Committee after input from all zones has now finalised the 1989 formula and dates for Skeet and Trench and these will be published in the next edition.

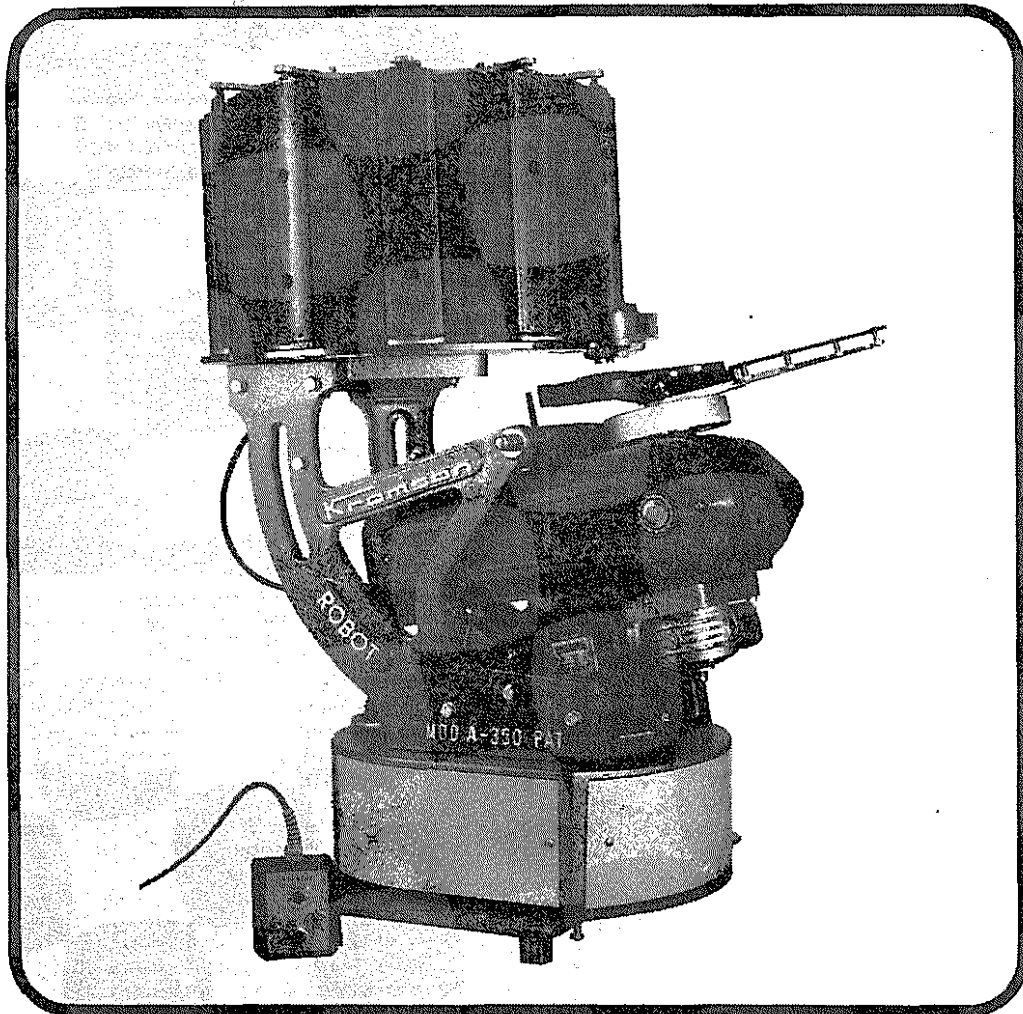

Executive Notes. Myself along with Reg Wagland and Terry Morony have had meetings with the department of Sport and Recreation in regard to fund allocations for our association for the 88-89 season. The Minister for Sport and Recreation has approved a special package of assistance for country sport associations within the sports instant lottery fund to help country sports development. When familiar with this procedure to follow, our ever-efficient secretary Ross Arlow will be in touch with club secretaries. Ross has recovered from his illness and is back on deck enthusiastically working for us in his normal keen manner.

Until next month,

J. Fissioli
President, W.A.C.T.A.

Q.C.T.A STATE CARNIVAL – D.T.L.

The Queensland Clay Target Association held its Annual State Trap Carnival in Townsville on the weekend of 30th April, 1st & 2nd May 1988.

The weather was not good, very cloudy with some showers, however the ground looked great, and as usual many shooters and their families enjoyed the facilities and hospitality of the Townsville Gun Club.

The new office which was added to their building proved a great asset, as did the new working area for the ladies in the kitchen. The catering over the weekend was great, with breakfasts, lunches and dinners available all weekend for the shooters and their families.

The numbers were down this year, due to a number of factors, economics, the opening of Expo, the opening of The Stockmans Hall of Fame, and to some the closeness of the Nationals to our carnival proved too big a burden as well.

The first event was the Winchester Pointscore Event and this was won outright by Joe Peckett of Scrubby Creek with a score of 75/75. AA Grade went to Robert Nugent of Roma 78/81, A Grade was won by Doug Killick of Charters Towers 73/75, while B Grade was won by Townsville shooter John Keith 73/75 and lady shooter Dianne Reeves of Normanton won C Grade with a score of 69/78.

Second place in the grades went to — AA: Ray Maroske of Rockhampton 75/81; A: Peter Bell of Charters Towers 72/75; B: Jim Edmonds of Mt Isa 79/84; C: John Palmer of Mt Isa 66/78. Best Lady went to Bev Grice of Sunshine Coast 68/75. Best Junior went to Ben Bowden of Kallangur 66/78. Best Veteran went to Jeff Tainish of Lismore 71/75.

The second event was the State Double Barrel Championship — this was won by Ken Stevens of Ipswich 64/64 after a shoot off with John Malone of Pt Denison who won the AA Grade with a score of 63/64. Second in AA Grade was D. Casagrande 49/50. A Grade was won by Mark Warnock of Rockhampton 65/66 after a shoot off with Mick McGill of Mt Isa who took out second in A Grade. B Grade was won outright by Jim Edmonds of Mt Isa 49/50 with John Keith of Townsville winning second place in B Grade with 48/50. C Grade was won by Murdo Crombie of Brisbane with a score of 46/50 while second place went to junior shooter Craig Buezekom of Gemfields 45/50.

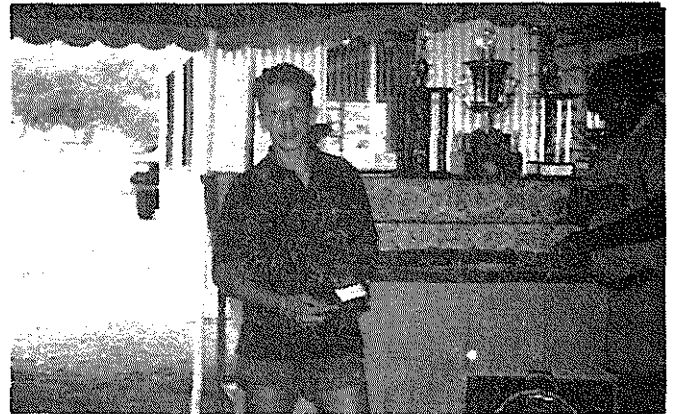

The placings in the ladies were: 1st Kaye Rehbein of Bundaberg 47/50, 2nd Bev Grice of Sunshine Coast 46/50, 3rd Donna Pietzner of Eton-Mackay 43/50. Junior placings were: 1st Craig Buezekom of Gemfields 45/50, 2nd Robert Niven of Burdekin 43/50, 3rd Justin Seawright of Ravenshoe 42/51. Veterans' placings were: 1st Barry Nasser of Clermont 47/50, 2nd Alf Hardwick of Townsville 46/51, 3rd Jeff Tainish of Lismore 45/51.

On Sunday morning the first event was the State Pointscore Championship. Overall was won by National Vice President Jim Scott of Dubbo 157/162 after a shoot off with Ken Stevens of Ipswich who won the AA Grade 156/162, Angelo Zappala of Burdekin got second place with a score of 150/156. A Grade was won by Dick Burns of Springsure 145/150 with Col Ennis of Dysart taking out second place in A Grade with a score of 142/150. B Grade was won by Rod Cusack of Mt Isa 142/150 while second place went to Bev Grice of Sunshine Coast 140/150. C Grade was won by John Barbagallo of Herbert River 149/159 after a shoot off with Greg Maltby of Pt Denison who took out second place in C Grade with a score of 148/159.

Ladies results were: 1st Bev Grice of Sunshine Coast 140/150, 2nd Kaye Rehbein of Bundaberg 124/150, 3rd Dianne Reeves of Normanton 119/150. Junior results were: 1st Robert Niven of Burdekin 138/150, 2nd Jamie Clem of Kallangur 127/150, 3rd George Willett of Kallangur 125/150. Veterans' results were: 1st Barry Nasser of Clermont 136/150, 2nd Jeff Tainish of Lismore 127/150, 3rd Alf Hardwick of Townsville 113/150.

● Jim Scott and wife Joan display the Queensland Pointscore Perpetual Trophy won by Jim at this year's DTL Carnival.

● Jamie Clem receives the Newton-Thomas Medal, awarded to him for top junior scoring in the 1987 Postal Competition.

● 1988 Junior Queensland Team.

The next event was the State Double Rise Championship. This event was won outright by Ray Maroske of Rockhampton with a score of 43/50 while Ken Stevens shot off with Jim Scott of Dubbo, with Ken winning the AA Grade with a score of 55/70 while Jim won second in the AA Grade with a score of 52/70. A Grade was won by Ray

Meaney of Dysart with his score of 40/50 while Don Turnbull of Charleville won his shoot off to win second place in A Grade. B Grade was won by Chris Murray of Richmond with 41/50 while Joe Peckett of Scrubby Creek got second in the grade with 39/50. C Grade was won by junior shooter Craig Buezekom of Gemfields 33/50 with second place going to Greg Matthews of Mt Isa 31/50.

Ladies results were: 1st Donna Pietzner of Eton-Mackay 43/60, 2nd Bev Grice of Sunshine Coast 42/60, 3rd Kaye Rehbein of Bundaberg 31/50. Junior results were: 1st Justin Seawright of Ravenshoe 35/50, 2nd Craig Buezekom of Gemfields 33/50, 3rd Ben Bowden of Kallangur 26/50. Veterans' results were: 1st Barry Nasser of Clermont 31/50, 2nd Jeff Tainish of Lismore 26/50, 3rd Charlie Selke of Kallangur 22/50.

Monday morning and the last day of shooting. It commenced with the State Single Barrel Championship. This was won by Gladstone shooter Jim Riggs with a score of 58/61 while Townsville shooter Greg Worden won AA Grade with a score of 56/60 while Ken Stevens of Ipswich won second place in AA Grade with 46/50. A Grade was won by Dick Burns of Springsure with 46/50 while Ray Meaney won second place in A Grade with 45/50. B Grade was won by Chris Murray of Richmond with a score of 57/61 while lady shooter Donna Pietzner won second in B Grade with 45/50. C Grade was won by Greg Maltby of Pt Denison with 40/50 while another lady shooter Tanya Nasarenko won second with 39/50.

Ladies results were: 1st Donna Pietzner of Eton-Mackay 45/50, 2nd Tanya Nasarenko of Kallangur 39/50, 3rd Carol Weder of Normanton 38/50. Junior results were: 1st Justin Seawright of Ravenshoe 44/50, 2nd T. Harris of Maryborough 36/50, 3rd Craig Buezekom of Gemfields 35/50. Veterans results were: Barry Nasser of Clermont 42/50, 2nd Jeff Tainish of Lismore 36/51.

The last event was the Cash Handicap: 11-15m: 1st T. Karty of Townsville 27/27, 2nd G. Willet of Kallangur 26/27, 3rd L. Dunne of Eton-Mackay 31/32; 16-18m: 1st R. Niven of Burdekin 26/27, 2nd G. Matthews of Mt Isa 25/27, 3rd A. Richardson of Gladstone 23/25; 19-21m: 1st R. Maroske of Rockhampton 27/28, 2nd M. McGill of Mt Isa 26/28, 3rd D. Killick of Charters Towers 25/26; 22-25m: 1st D. Casagrande of Rockhampton 24/25, 2nd R. Nugent of Roma 27/29, 3rd C. Ennie of Dysart 26/29. Each of these winners also received a Bicentennial medal.

The Interstate Trap team comprised: K. Stevens, D. Burns, A. Zappala, G. Worden, D. Casagrande, R. Rehbein, R. Cusack, R. Collinson, R. Nugent, C. Ennie, J. Keith, J. Riggs, R. Maroske, B. Nasser and M. Warnock. High Gun: K. Stevens. Ladies Interstate Team comprised: B. Grice, K. Rehbein, D. Pietzner, D. Reeves, G. Burns, T. Nasarenko. High Gun: D. Reeves. Junior Interstate Team comprised: R. Niven, C. Buezekom, J. Seawright, J. Clem, T. Harris, B. Bowden. High Gun: J. Seawright.

● Overall High Gun of the 1988 Queensland Trap Carnival, Ken Stevens.

Queensland Champion: K Stevens 390/400. Overall High Gun: K. Stevens 373/400. Ladies High Gun: B. Grice 322/400. Junior High Gun: J. Seawright 321/400. Veterans' High Gun: B. Nasser 330/400. Two-Man Team: D. Casagrande and R. Maroske. InterZone Teams Match: S.E. Zone No. 1: K. Stevens, A. Long, R. Rehbein, B. Grice, K. Nasarenko, K. Rehbein.

On behalf of the Queensland Clay Target Association I take this opportunity to thank our sponsors: Winchester Australia, Stevens & Sons Firearms, Olimpyc Targets, T. & T. Meadows, Gladstone Guns & Ammunition, A.B. Long, Sportsmans Warehouse Townsville.

LETTER TO THE EDITOR

To all shooters,

The time has come for reasons beyond my control, where I regretfully am forced to bow out of clay target administration at a National, State and Zone level.

In doing so, I would like to convey to all, my appreciation for the support given to me in the various responsibilities that were entrusted to me during my years of involvement as your representative.

On the shooter's behalf, and for the benefit of the sport, I have at all times endeavoured to do my best for all concerned.

I take this opportunity to wish the Association continued growth and success in the years to come.

Clay Target Shooting is a great sport, and I have no regrets for the time I have spent assisting with its development and administration over the years I have been involved at all levels.

All the best with your sport and my warmest regards to all.

See you where there is shooting.

Laurie Connors

BARRAMUNDI TOP END TOURS

Darwin Gun Club 1988 Annual 5-Day Shoot. Combine the Darwin Shoot with Barramundi fishing. 21 days Safari-style holiday in the Top End. All you need to bring is summer clothes, sleeping bag and pillow. Everything else, i.e., boats, motors, lures, rods, tents, all accommodation and meals in transit supplied. Travel from Lismore, N.S.W., starts 6 a.m. Sunday July 24th arriving Darwin Wednesday 27th. After the shoot, leave to go Barra fishing for next 12 days. Room for 12 people only, so first in first served.

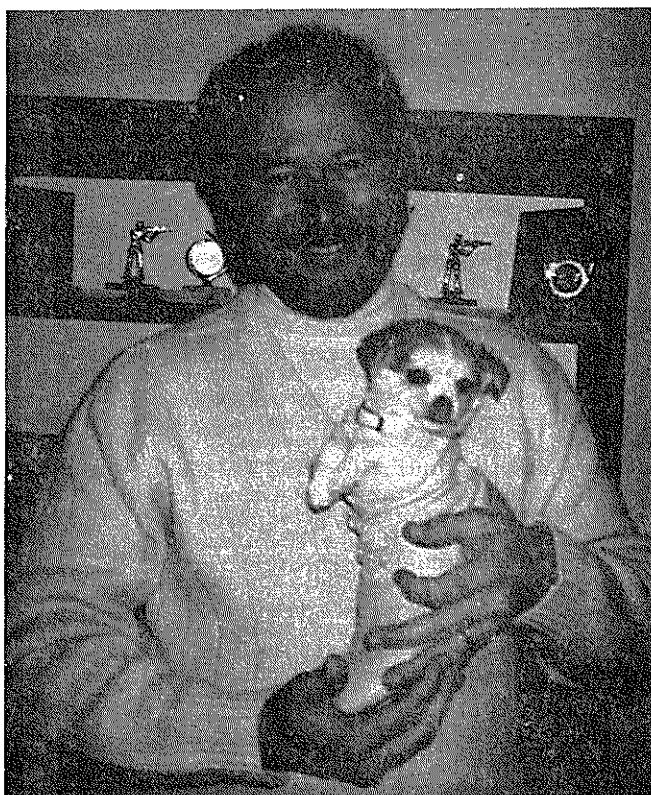

Price for the complete trip is only \$1695.

Ring "Bruce Robinson's Barramundi Top End Tours" now to make your booking.

Address: "Fairbrae", Caniaba, via Lismore.
Phone (066) 21 4207

KNOW YOUR EXECUTIVE

Leighton Martin

Leighton has been shooting clays for eleven years and been victorious in winning six State Titles, over one hundred club and district championships and gaining selection in five State Trap Teams.

Being President of S.A.C.T.A. for eight years and also President of the Central Zone in South Australia, representing his state on the Executive Committee of the A.C.T.A. since 1982 shows the experience Leighton has on the administration level. Hence he has been elected recently (May 88) to reign as National Vice President of the A.C.T.A.

Leighton enjoys travelling far and wide to Clay Target Clubs, to meet the shooters and compete in the sport he so loves.

STURT PEA FROM S.A.

July and mid-winter, can you believe it, the year is still flying past and we have now started the second half of 1988.

PRESIDENT'S REPORT

Gun Legislation — Metro Martini, Paul O'Sullivan and John Gould put together an excellent submission which was delivered to the Parliamentary Select Committee on May 20th.

I would like to thank the above men for their time and trouble in preparing the submission. Copies are held by all Council members and the State Secretary.

Complex — Approval was given in May to let the contract for the erection of the security fence around the perimeter of the Shooting Complex. Survey pegs have also been put in place for the Trap Houses and the entrance road to the Clay Target Range.

Consultation with Recreation and Sport will be ongoing over the next few months and progress can be reported on a regular basis.

I would like to assure all members that Council has the best interest of all its members at heart and hope you will support their decisions on your behalf in regards to the Complex and if at all in doubt, feel free to ring me on (087) 58 6264. This also applies to anything to do with S.A.C.T.A. as it is far better to have things correct.

Brian Growden

COUNCIL MEETING

The Council Meeting was held on May 7 and Carnivals for 1989 are as follows: D.T.L. — February 10-11-12; Skeet: May 27-28; O/Trap: May 27-28 at this stage; Commonwealth Titles Day: Sunday, October 8. This day is to be held on the same weekend as the Central Zone Carnival, which will be on Saturday, October 7. On the Sunday S.A.C.T.A. will run the Commonwealth Double Barrel and Tower during the day and the Continental Double Barrel at night. The Monday following is a public holiday.

STATE TITLES

As I mentioned in the June issue I hoped to be able to encourage clubs to take more titles, well I am pleased to report that my plan has gone into action.

Any person winning a State day or night title (not mini-targets) has their name sent down to me and at the end of the year I send them an invitation to compete in a State Titles shoot off at the D.T.L. Carnival to get an overall State Titles winner.

Ray and Pat Mack have generously offered to sponsor this title and will give a substantial shield which will stay at the club and an equally substantial trophy for the winner.

The trophy is to be known as "The Ray and Pat Mack S.A. State Championship Perpetual Shield".

R. E. Sharp & Sons Gunsmiths

Specialists in all aspects of repairs & alteration of trap & field firearms, customising and complete restoration of modern and antique firearms.

15 Welden Drive, Coldstream 3770 (Close to Melbourne Gun Club)

New Business No. next issue. After Hours: Dick (03) 544 5662, Kevin (03) 739 1819

● Joy Curtis presenting winning Western Zone Team Captain with the Max Curtis Memorial Shield.

I would like to take this opportunity to remind clubs that State Titles are to be advertised in the C.T.S.N. prior to the event. At the same time it would be worth advertising that the winner is eligible for the shoot off at the D.T.L. Carnival. Council has yet to decide the shoot off procedure. Thank you very much Ray and Pat.

COACHING

I am pleased to report that the coaching in the hands of State Coach Don Stevens and his assistant Don Beelitz has got off to a good start. Subject to finance being available to assist them in their travels from club to club, we hope the coaching can continue, in our State.

PROGRAMME

Programmes are progressing along on schedule at this stage but must be returned to me no later than July 31 to be finalised at the August 6 Council Meeting. Please see that all forms are correctly filled in and returned to me.

SECRETARIES

We had replies from eight out of 25 clubs on the fund raising letter which is very poor to my way of thinking. When you don't answer correspondence it affects all members in S.A., not just those at your particular club. This is your association and we need your help. In future all correspondence will be sent to Club Secretaries and she/he will take it from there. It is costly to have to double up on correspondence or to have to make a phone call.

Some clubs have regular monthly club meetings or perhaps an hour before your club shoots would be more practical. Give this some thought as the better our communication is the better it is for S.A.C.T.A. as a whole.

REFEREES

We have lost a lot of our registered Referees through them not being re-examined so Council has put forward the following plan.

That Zones nominate a Club in their area to examine both old and new Referees in consultation with Trevor Reschke. It has been suggested that more Referee Examiners should be appointed, so this will be an agenda item at the next Council meeting. If you would like to be a Referee let your Club Secretary know.

SPECIAL SHOTS

Saturday 9, Broken Hill Novelty Day; Saturday 30, Whyalla Birthday Shoot; Sunday 31, Whyalla Birthday Shoot.

I.M.G.

PORT AUGUSTA

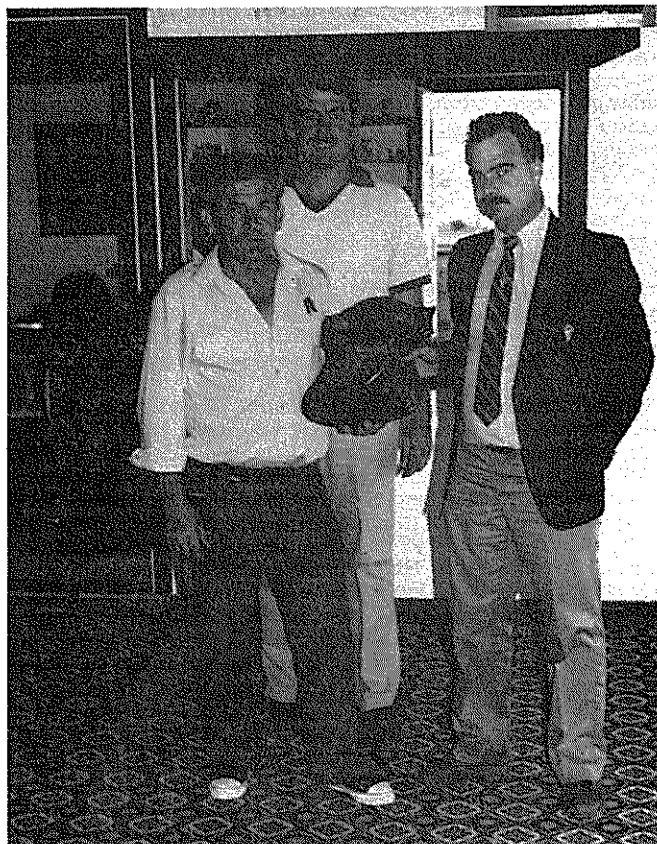

The P.A.G.C. in conjunction with Kentucky Fried Chicken Company are proud to announce the sponsorship

of a Perpetual Shield and a Pewter Mug for 13 years. The Shield will stay at the Club and the winner's name will be engraved on it, the winner will receive the Pewter Mug. This Shield will be shot for in October each year and the event will be a 20 Targets Handicap Championship.

The Manager of Kentucky Fried Chicken in Port Augusta, Mr Bill LePoidvin, said the company was pleased to be associated with the Port Augusta Gun Club and wished them all the best in the years to come.

Port Augusta held an open day on June 5 to coach new shooters wanting to join the Club.

R. Bisi

● Port Augusta Club President Remano Bisi holding the "Kentucky Fried Chicken 20 Target Handicap Championship" Shield with Bill LePoidvin and Club Secretary Lee Trebilcock.

ALEXANDRA

The Alexandra Gun Club held its Annual General Meeting on April 30th in their clubrooms at Milang. The office bearers were all voted in unanimously. John Fleetwood was again elected President, with Ron Mueller his deputy. June Smith was hastily re-elected as Secretary/Treasurer. Ian Campbell, the Club Coach (also its new delegate to S.A.C.T.A.), proposed that John Fleetwood be honoured with Life Membership. This was applauded by all and accepted.

At the conclusion of the formalities a special (no charge) event was shot for. The "Bicentennial Champion of Champions" of Alexandra Gun Club members. 25 targets were thrown, 9 D/B, 8 P/S, 8 S/B, off 15 metres. A handicap event was thought of, but the targets were a handicap anyway. The accumulation of picks up over a year — White, Fleuros, Magpies, the "odd" black. A real licorice allsort! With a perfect score of 41/41 John Hutchings was presented with a special silver medal donated by Ian Campbell. The presentation was held at John Fleetwood's "Humpy" at Clayton where a BBQ was the way to end the day.

June Smith

MUNT AND JOLLY — BICENTENNIAL GRAND PRIX

This event was the "brainchild" of our N.S.W. State President, Robby Smith. Being the Bicentennial year and having the added bonus of staging the Trap Nationals in our State, Robby wanted to stage an event that would be long remembered.

The sights were set very high in relation to the allocation of trophies and cash awards — which meant a 100% effort to attract a major sponsor — and following many long and unsuccessful submissions and meetings — from right under our noses came the sponsorship of Munt and Jolly, Master Plumbers of Sydney, they joined with our old friends and valued and reliable supporters, Winchester, The Wagga Motel Association and Thomas Cook Travel. Plans were well underway by the end of 1987 — with the advertising posters distributed and word of mouth adding to the promotion of this "one off" event.

Our trusted badge makers, Rick and Arch from Exclusive Die in Sydney were working on a souvenir badge which was to be given to each shooter taking part — Stewart and Wendy Gillman had an order for a "once only" sash — the Cup was purchased and polished up ready for the big day.

That day arrived — Friday 15th April — and the Wagga weather was perfect — 373 shooters paid their nominations and went off to shoot 50 targets double barrel from 18 metres.

As the shoot off sheets were prepared — 24 possibles were noted. Those in the running were Stephen Guest, Brian Samuels, Garry Scarce, Bevin Swan, Leighton Martin, Tony Salafia, Richard Dean, Doug Smith, Steve Balogh, Craig Tilley, John Withers, Rob Uebergang, Bill Jones, A.M. Burgess, Ken Stevens, Tony Bradshaw, Steve Atkins, David Nielsen, Dexter Barnes, John Murphy, Russell Mark, Adrian Cousens, Joe Pistone, Ian Holschier.

As the shoot off progressed some disappointed faces appeared back at the office — however, there were a few "stayers" amongst the ranks. A.M. Burgess, Tony Bradshaw and Adrian Cousens were up to the 200 mark — Adrian missed his 223rd target — leaving only two on the layout. Target number 263 was to prove a nightmare — for both shooters — Burgess missed and Bradshaw followed in quick succession — leaving the huge crowd of spectators gasping — so on they continued for another 24 targets and "Pud" missed — leaving Tony to make a clean shot and take home the spoils — which he did with a score of 285/286.

With all shoot-offs completed, everyone moved into the new club house on the Wagga grounds for the presentations. Representatives from Munt and Jolly, Bob and Robyn Howe had been on hand all day, and for a couple who had never seen clay target shooting it was quite an experience for them. With the trophy table prepared — proceedings got underway. Overall winner, Tony Bradshaw from Point Cook in Victoria, received the Munt and Jolly Cup valued at \$500, sash, two return tickets to New Zealand from Thomas Cook Travel, \$1,000 cash from the Wagga Motels Association and one case of Winchester shot shells — plus a Munt and Jolly sloppy-joe — one happy shooter.

Each grade winner received one return air ticket to New Zealand and \$200 cash — the recipients being: 1st AA Grade: A.M. Burgess, Cobar 284/286; 1st A Grade: Leighton Martin, International S.A. 77/77; 1st B Grade: Peter Hall, International S.A. 59/60; 1st C Grade: Shane Rendall, Victorian 57/61.

The runners-up in each grade received a case of Winchester shells. 2nd AA Grade: Adrian Cousens, Melbourne 222/223; 2nd A Grade: John Withers, Ipswich 68/69; 2nd B Grade: Glen O'Brien, Geraldton 58/60; 2nd C

Grade: Con Kazolis, Majura Park 56/61. The Ladies winner was Joan Longmore from Junee with an excellent score of 49/50. Brett Johnson from South Australia and Tom Turner from Cessnock, N.S.W. both recorded 49/50 and they staged a strong tussle before Turner finished with 81/82; and in the Veteran ranks Jack Harker from Cosgrove was the winner with 47/50. The Ladies, Junior and Veteran winners also received a case of Winchester shells.

• Frank Smith, Winchester, presents Joan Longmore with her trophy.

Very favourable comments were received — which must mean it was well received by the shooters. From a N.S.W. point of view we were pleased that so many took part and made it the success that it was. To the Wagga Club — thank you for allowing us to use the grounds on the main day of the Pre-Nationals. To our valued sponsors — what can we say? Thank you does not seem to be enough — Bob and Robyn Howe from Munt and Jolly, Simon Terry from the Wagga Motel Association and Frank Smith from Winchester — it would not have been the huge success that it was without your valued support.

Jenny Burt

Ansett.

A.C.T.A. PRESIDENTIAL MEDAL 1988

Nominations for this prestigious award are now open and should be forwarded to reach the Executive Director no later than October 31, 1988.

The following guidelines are to be taken into account by Clubs or State Associations intending to lodge a nomination for consideration.

Presidential Medal: Awarded to a person or persons for their contribution to the development of the sport.

Judging Panel: Management Committee.

Maximum Awarded: Three — subject to favourable consideration.

Closing Date: October 31 — P.O. Box 800, Glen Waverley, Vic. 3150.

Note: The receipt of any nomination does not necessarily relate to the awarding of a Presidential medal.

Nominations received will be placed before the Management Committee for their consideration and decision.

No correspondence will be entered into regarding any nomination received.

PREVIOUS RECIPIENTS:

1980	G.R. Porter	Qld
1981	R.C. Mules	S.A.
1981	G.R. Richards	W.A.
1981	J.N. Thomas	Vic
1982	R.F. Buchan	Vic
1983	No Award	—
1984	L.F. Bird	N.S.W.
1984	A.J. Smith	Qld
1985	No Award	—
1986	T. Comerford	Qld
1987	G. Biggs	Vic

1988 WAGGA NATIONALS

I think you will all agree the Wagga Nationals will be remembered as the friendly, well organised Nationals. The Jury was not once called upon to do their duty. This in itself is a milestone. I understand this is the first time ever this has happened.

Full credit must be given to the small band of willing workers, dedicated to clay target shooting. Like any group of people, there is only a certain amount of them prepared to work for the benefit of others. Not only did they work hard during the Nationals, but the organising committee met on a number of occasions during the year.

To all those people who worked before and during the nationals, I would like to say a big thank you for a job well done. To Alan Maher, thank you for your support and guidance, and keeping us all on the straight and narrow path to success.

Jim K. Scott
Tournament Director

MARYBOROUGH TIT-BITS

Bundaberg, April 10 — 100 targets double barrel made up of four 25T events. Maryborough took a good share in the prizes with Peter Pagliarino, front marker and three C Grade events. Others who featured were Allen Harris, Troy Harris, Ken Greensill and P. Shaw, OA A Grade and three event A Grade places, he was also lucky enough to draw the \$100 jackpot and was good enough to shoot it. This is the second time a Maryborough shooter has taken the jackpot in as many shoots.

• Vice President Peter Pagliarino presents P. Shaw with 25T DB 15m, 25T SB Island Plantation C'ship and OA High Gun.

Maryborough, April 24 — A good turn up from Bundy. Fresh from Wagga Wagga were Rob and Kath Rehbein (Kath who blazed her way into the Ladies' Australian Team). Both shot A and B in the 20T DB and Kaye also shot B Grade 25T Points. Rob showed up again in the double rise.

Good shooting to Jeff Schmidt of our club for keeping the Jim Kinghorn Memorial at home and congratulations to Troy Harris for shooting the OA points. A good shoot to keep in mind is Maryborough 25th September One-Day Shoot — 105 targets with a 9.30 am start.

Till next time I will see you at the shoots.

MONARTO CLAY TARGET CLUB INC. ANNIVERSARY SHOOT 26th and 27th MARCH, 1988

There we were, still recuperating from one of the best ever State Carnivals, held just seven weeks before at our Club, and now our 2 Day Anniversary Shoot was upon us already. Swapping over to March from our previous month of October was a bit of a gamble, numbers being slightly down from our previous numbers, but the competition was just as keen and all those who competed over the weekend were by no means disappointed with the change. We even managed a weekend of temperatures well into the mid-thirties and 'no wind' — in fact it was so hot and still that a little breeze would have been a welcome change.

Competition began on Saturday with the Daish Irrigation/Baker Boy 25 Target Double Barrel Championship, and this event was taken out by John Johansen (Monarto) with 43/43 after a shoot off with Graham Michell (Monarto) 42/43.

Event 2, the Murray Mallee Petroleum 25 Target Double Barrel Championship, shot in conjunction with the Shell Shield Team event. Overall went to Leighton Martin (International) with a score of 39/39. The Shell Shield went to the International Gun Club team (made up with a couple of 'ring-ins' from Monarto), team members being Richard Dean, E. DeMichele, Leighton Martin, Les Stone (M) and John Bretag (M), who shot 119/125.

The last event for Saturday was the Swanport Cellars 25 Target Point Score Championship which was won by Phil Johncock (Lake Albert) with a perfect 75/75.

High Gun for day one went to Phil Johncock with 122/125.

Following our usual sumptuous evening meal of pig and sheep on spits with all the trimmings, on finding it still early and doing away this time with the usual 'calcutta', we decided to have a 20 Target Double Barrel night shoot, cash divide. The best score to come in was an 18/20 shot by Russ Cribb (Alexandra). Ruth Michell (Monarto) won the special "Ladies Prize" much to her horror, when she later found out that the other 'girls' had not tried when they found out what the prize was going to be!

Sunday dawned another hot and humid day and the first event, the 30 mixed target Clem Thomas Memorial Championship went for the first time to an 'outsider' in Brett Johnson (Mallala) with another perfect score of 50/50.

Event 2, the State Deauville Doubles Championship, 20 Pairs from 22 metres was won by the team of Clinton Wohlfiel (Monarto) and Peter Rundle (Wilkawatt) with an 18/20. Neither boys having a partner for this event were teamed up by Club President, Graham Michell, who I am sure later wished he had not done such a good job. Oddly enough, three of the couples Graham teamed up all came in with 17/20s and the 'red hot favorites' Tony Famiglietti and Dino Oliviero, winners of many Deauville Doubles titles around the State never even managed a placing. A thoroughly entertaining event!

Lynn Beelitz (Wilkawatt) managed an outright victory by taking out the Monarto Grand Anniversary 25 Target Handicap. Shooting from her 16 metre mark she outshot both Michael and Stephen Harding (Murray Bridge father and son duo) in the shoot off. She made the fellas squirm as she powered her targets to win with a 32/32 from Michael with 31/32 and Stephen coming third with 28/29. Meantime a great battle was going on for 4th and 5th placings between Fred Bailey (Monarto) and Merv Hein

(Monarto) whose second barrels were enough to make the onlookers weep with envy. Merv finally succumbed to Fighting Freddie's "gotcha, can ya beat that" tactics with 34/35 to 33/35, which kept the crowd amused while this particular shoot off was taking place.

The final event for the weekend, the Coca Cola 25 Target Double Barrel Championship, shot in conjunction with the Graham and Ruth Michell Team Shoot, was won in fine style by Dino Oliviero 67/67 (International) from Tony Rohrlach (Monarto) 66/67. The Michell Cup this year went to the International Gun Club, which in this event was able to fill their team with their own Club members — Peter Marcoionni, Richard Dean, Metro Martini, Dino Oliviero and John Richichi, shooting 122/125. The 'extra' shield being shot on this event was the "Dontlingatoolonga Shield" (the toilet seat complete with redback spiders on it) shot for only between the Clubs of Monarto, Lake Albert and Wilkawatt, went this year to the Wilkawatt Club. Well done team!

Dick Ayres, South Australia's "Mr Winchester" (looking resplendent all weekend with his bandaged nose following a recent operation), presented Tony Rohrlach (Monarto) with the Overall High Gun trophy. It was great to have both Dick and Rhonda at the shooting knowing just how 'crook' Dick felt following his surgery, so we thank you both for your company. Tony Rohrlach shot 215/225 for his High Gun, having just returned from the New Zealand Nationals where he represented the State of South Australia in the Australian Team match.

Other High Guns for the weekend went to Tony Famiglietti (Monarto) for A Grade 210/225, Lynton Schubert (Wilkawatt) for B Grade 208/225, and John Bretag (Monarto) for C Grade 194/225. Veterans High Gun finally went to Russ Cribb (Alexandra) following a shoot off which went well into the evening, until the light was gone and Ron Hill (Southern), through the poor visibility, lost sight of his target and in doing so lost the Veterans trophy. Great shooting by both these veterans. Ladies High Gun went to Ruth Michell (Monarto) who has at last managed to pick herself up out of the 'hole' she was in, with a score of 192/225. Junior High Gun went to Brett Johnson with 196/225.

What a great weekend! Thanks to all the helpers, office staff, ladies in the canteen, cooks in the store room, bar boys, trapper boys and to our sponsors.

(A belated thank you to the Clay Target Shooting News for not only printing our last report in full, but also giving us front cover photograph as well — this Club's Publicity Officer got a great thrill at seeing her photograph on the front cover.)

Hoping to see you all back again next year.

Ruth Michell
Publicity Officer

A.C.T.A. TIES
YES, THEY ARE NOW IN STOCK!

CLUB NEWS

POONCARIE GUN CLUB

Newly appointed office bearers for Pooncarie Gun Club are — Secretary: Mrs E.C. Ireland; President: David W. Lambert; Assistant Secretary: N.M. Skomorrow; Treasurer: Kelvin Ireland.

Carol Scheer; Vice President: Mr George Hanson; Captain: Mr David Bowden; Vice Captain: Mr George Hanson.

VALE

Martin Gough

PORT MACQUARIE GUN CLUB INC.

Following the Annual General Meeting of this club the new members of the Board for 1988/89 are — President: Mr K.E. Neill; Secretary: Mr A.P. Colman; Treasurer: Mr R.E. Curtis.

Being a former member of the Kallangur Gun Club I feel it would be remiss of me if I did not pay tribute to a great sportsman, true gentleman, and good friend in Martin Gough.

ALEXANDRA GUN CLUB INC., S.A.

The Club's Annual General Meeting was held on 30/4/1988. Elected to office were — President: John Fleetwood; Vice President: Ron Mueller; Secretary/Treasurer: Mrs June Smith; Club Coach: Ian Campbell; Patron: Mr Bill Quinn.

Martin gave of his time, any time to help those who wished to improve in our great sport. His coaching skills were immense as well as his ability to communicate with anyone at any level.

A great competitor and avid duck shooter, Martin will be sorely missed, although, I'm sure his numerous "drawings" will grace many gun club walls for years to come.

Deepest sympathy to his wife and children. As a former pupil of Martin's, I say thanks and goodbye.

SALMON GUMS GUN CLUB

New office bearers for 1988 are — President: Mr Geoff Sanderson; Treasurer: Mr Dennis Rolland; Secretary: Mrs

Ross Spencer
Kingaroy Gun Club

Five Centuries of Craftsmanship have made this publication possible.

Beretta
Firearms

Beretta, the world's oldest manufacturing dynasty, spans five centuries and twelve generations of dedication towards perfection.

Culminating in firearms that are an extraordinary blend of old world craftsmanship and state of the art technology.

Our latest Beretta catalogue - itself a masterpiece and collector item, is the finest expression of the family motto: "If it bears the Beretta name, it will be the best". Through this catalogue with lavish colour photography and fascinating text you will discover just why Beretta is the best and why you shouldn't shoot anything but Beretta.

For your Free Beretta catalogue, send the coupon to **Olin Australia Ltd., P.O. Box 776, Geelong, Vic. 3220.**

With your cheque for \$2 for postage and handling.

Any Shotshell that claims to be as good as Winchester is shooting off it's mouth!

Don't Confuse the Imitators with the Innovators

Our patented Australian made Winchester Shotshell Cartridges are designed and manufactured to the most rigid and exacting specifications. Every component gives you a winning edge and that's what makes Winchester the worlds most popular Shotshell. One piece compression formed plastic **Case** - for superior longitudinal strength and reloadability. Non corrosive **Primer** - for quick sure ignition in all climatic conditions. **Olin Ball Powder** - Clean progressive burning for consistent power. **Winchester Wads** - for superior gas sealing and improved patterns. **Winchester Shot** - polished alloy hardened for truer flight. When you're looking for Ammunition that's above and beyond all others, look towards Winchester - and don't confuse the imitators with the innovators.

WINCHESTER
