THE UNTOLD STORY OF AUSSIE GOLD

By George Biggs, A.C.T.A. Historian

THE MEDAL WINNER WHO WASN'T

A piece of our sports history has been discovered and recognised after 87 years. Most Australians will know of Betty Cuthbert, Murray Rose, Marjorie Jackson, Dawn Fraser, Herb Elliot and other Olympic winners of past years. But what about Donald Mackintosh?

In the year 1900 Australia sent three male competitors to the Paris Games. One of them was Donald Mackintosh, at that time classed as one of the best shots in the world. In Paris he won gold medals for game and live bird shooting but, because he was not recognised by the Australian Olympic Federation, Australia did not officially credit him with the honor.

Mackintosh's achievement, in fact, went unrecognised for 87 years, then Brisbane couple Professor Max and Dr Reet Howell, researching a book on Australian gold medal winners, came across his case.

They found an official 1936 A.O.F. history of Australia's participation in the Olympics did not include Mackintosh as a competitor in the 1900 Olympic Games. But other sources including Alexander Weyand's *The Olympic Pageant* and John Grombach's *Olympic Cavalcade of Sport* did include the shooter as a gold medal winner.

The Howells decided to clear up the matter and set about obtaining Mackintosh's recognition by the International Olympic Committee.

Their efforts were rewarded when, on September 14, 1987, I.O.C. Secretary-General Francoise Zweifel sent a letter to the authors confirming Mackintosh's medals.

The mystery of Donald Mackintosh's medals is one of the highlights of the Howells' new book — *Aussie Gold: The Story of Australia at the Olympics*.

Some of Donald's more conspicuous wins on the Continent and in England and at home are as follows:

- First in Melbourne Gun Club £2000 Handicap shooting 33 birds straight from 33 yards handicap.
- Melbourne Gun Club £100 Challenge Cup, won three times.
- London Gun Club £200 Challenge Cup, three times in succession.
- Paris Gun Club £200 Challenge Cup, three times in succession.
- Grand Prize of Italy, Florence, £1600.
- Grand Prize Aix Les Bains, £1600.
- Championship of Belgium Ostende, £400.
- Grand Prize Monte Carlo, £2000.
- Championship of London Gun Club, £300.
- Grand Prize Milan, Italy, £1600.
- Grand Prize Madrid, Spain, £1600.
- Grand Prize Monte Carlo, £2000.

Donald Mackintosh first visited England in 1896 where he spent a year, returning again in 1900 to spend the next nine years. Donald worthily represented Australia in European and British shooting circles, gaining much prominence as a successful competitor in the most important shooting events in the old world.

• Donald Mackintosh ... won gold ... but Olympic Federation would not recognise him.

WINCHESTER

DARWIN GUN CLUB

ANNUAL SHOOT

The Darwin Gun Club 1988 annual shoot was held over the weekend of 30 July to 1 August. As usual the preliminary events on the previous Thursday night and Friday morning (27-28 July) made the weekend into a five-day event.

Numbers were a little disappointing, particularly in view of the standard of advertised trophies, but this did not dampen the enthusiasm in what turned out to be a thoroughly enjoyable shoot.

Thursday night featured the 50 target points Winchester State Night Championship sponsored, of course, by Winchester. Winchester representative and veteran of many Darwin shoots, Dick Ayres, did the honours and presented the trophies. That quiet chap from Melbourne, Tony Bradshaw, took home the Winchester Ranger pump gun and overall sash. Ron Wimshurst was right behind Tony to win A Grade and a fine Winchester hand crafted knife. B Grade was won by Darwin President Bob Fox and C Grade by Brian Aldrick.

• Tony Bradshaw receiving his Winchester pump gun from Dick Ayres after the 50 PS Winchester State Night Championship.

Friday morning showed Darwin weather at its best for the 50 target City of Darwin Trench Championship. A generous sponsorship by Telecom enabled us to have antique telephones for trophies. Overall and first in B Grade was Bill Eagle with 48/50. Brett Dunstan won A Grade and veteran Clarrie Copping won C Grade. Only 7 squads shot the Trench leaving plenty of time for DTL practice.

The main shoot was officially opened by the Territory Minister for Tourism and Racing and Gaming, the Hon. Mr Eric Poole on Saturday morning. Eric welcomed all visitors

including ACTA Vice President Leighton Martin and then spoke about the Territory Government's support which enabled the club to shift to its present location and to establish what must be one of the best equipped clubs for its size in the country. (There would be few with a membership of around 60 that can boast a trench, a tower, four DTL and three skeet layouts.) After declaring the shoot open Eric went out on the walks to break the first official clay of the shoot. Many thanks Eric for your time and sportsmanship!

• The Minister for Tourism, the Hon. Mr Eric Poole opening the shoot.

The 10 target single barrel eye opener started in perfect weather but a savage south-easterly wind blew up during the 30 points and persisted on and off all day. The wind gusts caused left swingers to suddenly climb erratically and right swingers to take unpredictable nose dives. Yours truly lost a target which disappeared just as I shot because of a willy-willy. Apparently I was the only mug who did not see it coming! The wind had an obvious effect on scores leaving many shooters shaking their heads in disbelief as targets sailed erratically away unharmed.

Nevertheless Guy Bedington picked up a handy \$400 in the eye opener. Bill Eagle won the 30 points score overall and A Grade and a Winchester rifle. Alan Pobjoy also picked up a rifle in B Grade as did Bob Cook in C Grade. The microwave ovens in the 50 double barrel were taken away by Greg Hipwell (OA & 1st A), local Peter Hoare (1st B) and Russell Evans (1st C). That was Russell's last event as a C Grader as it resulted in his being promoted to B Grade.

The dreaded south-easterly was again prevalent on the following day but perhaps not quite as bad. Nevertheless scores took a hammering and of course that had nothing whatsoever to do with carousing at certain discos and casino the night (sorry morning) before!

Local sports store proprietor and club stalwart, Greg Chan, won the 10 points eye opener and \$400. In the 30 single barrel portable stereotypes were won by Greg Hipwell (OA & 1st A), Clarrie Copping (1st B), and local Bob Dalgleish (1st C). Steve Atkins won the overall in the 50

double barrel from Greg Hipwell in one of the few good shoot offs in the weekend. Steve, John Blechynden (1st B) and Peter Brammer (1st C) carried off the colour TV sets.

The traditional Calcutta dinner was held on Sunday night. Despite only 59 shooters having nominated for the Calcutta, Darwin auctioneer and former Darwin President Ted Easton and his intrepid team sold over \$3000 worth. Ted's chief spotter, John Franklin, quickly woke up the visitors who had not seen the show before. Ted and his team of three "cockatoos" did a terrific job and made it into a most enjoyable Darwin style night.

The wind was not so bad on the last day, Monday 1 August. Greg Chan made it a profitable weekend by winning the \$400 for the eye opener, 10 single barrel handicap (that sorts them out!).

The 30 target Computer Sales and Leasing Handicap featured truly unusual trophies of gold nuggets for 1st, 2nd and 3rd. These were won by Steve Atkins, David Blechynden and Dick Ahmeling respectively. The nuggets were from Territory gold and were presented by Ken Selwood, former Darwin President and now partner in sponsor company Computer Sales and Leasing. Thanks Ken!

The final and major event of the weekend, the 50 double barrel Australian Airlines Calcutta, was shot as a graded handicap with AA on 18 metres, A on 17, B on 16 and C on 14. Steve Atkins won overall and first in AA Grade after a short shootoff from Larry Dimasi. Ron Smith won A Grade, Graham Carbury B Grade and David Blechynden C Grade. All grade winners picked up return airfares from our major sponsor Australian Airlines.

Local Laney Grove won the ladies high gun and Clarrie Copping won the veterans high gun. Steve Atkins was a clear winner for the overall high gun, the trophy being a handsome engraved watch donated by Fishing and Outdoor World and presented by Greg Chan. Thanks Greg!

The advertised duck and goose hunting for Tuesday 2nd did not eventuate because of the late (again!) start to the season (27 August). However the fishing trip to Corroboree Billabong went off well. Tony Bradshaw was the champion angler having caught two very nice barra and one just over the legal limit. Unfortunately there were no worries about exceeding bag limits but it was a glorious day with or without fish!

Despite the relatively low numbers the weekend was a resounding success thanks to our sponsors and to all the club members who worked so hard to make the weekend a success. A special thanks is called for to all the ladies who worked so hard and so cheerfully to feed and water us extraordinarily well throughout the weekend.

See you all next year.

Bob Fox

WARATAH STATE NOTES

STATE PRESIDENT'S REPORT — 1987/88

Our President Robby Smith presents his report to the Annual General Meeting being held at Sydney/Marconi Gun Club on October 2, 1988.

Another exciting and fulfilling year has passed for me in Clay Target administration at all levels within this State.

The challenges are many, something I enjoy especially when I see the results at the end of our meetings, National and State Carnivals and the healthy balance sheet at the end of the year.

FIREARM ACT

May I say thank you to all those members of our Association who helped and supported in any way in the campaign in which your Association was deeply involved with the Joint Task Force during the State Election.

I would also like to see you maintaining some pressure on your local members, whether Labour or Liberal on the Firearms Act. It has not completely gone away, some of it has only been laid to rest.

STATE CARNIVAL

Again both Carnivals were fully sponsored and we welcomed a new sponsor from outside the firearm related area who was our major sponsor at the Skeet Carnival, Prudential Assurance. To all our regular sponsors I say thank you and hope you and your members support them in return.

TRAP 1987

As usual for Cowra, the ground, amenities and food were excellent, thanks to the members and their families.

SKEET 1988

This Carnival was conducted by the Tamworth Club who had to do a lot of work to conduct the first carnival over four layouts (No. 4 was a masterpiece). I must thank all the Tamworth members for their effort and hospitality over the Carnival. The time is not far away when we will require a five trap layout for this carnival.

TRAP 1988

Sydney/Marconi have installed two extra layouts for this Carnival and all is looking good. It points to a very successful Carnival. We also welcome two new sponsors this year to the Carnival from outside the Firearm related area — Westfield Shoppingtowns and Munt and Jolly, Master Plumbers, for our new event — the State Handicap.

TRAP NATIONALS WAGGA 1988

Truly a magnificent Carnival. My personal thanks must first of all go to the Wagga Gun Club for the use of their

grounds and for the excellent way in which they turned out this venue, along with the new club house. All was made well for a great tournament. To all those on the Organising Committee who spent many hours attending meetings at their own expense may I say thank you. To those who helped in the office and out in the field may I also thank you.

BICENTENNIAL GRAND PRIX WAGGA 1988

What an event! It had it all from excellent trophies to the drama of shoot offs. My thanks on this occasion must go to Munt and Jolly, Master Plumbers of Five Dock who until this event had nothing at all to do with shooting. To receive \$4000 from outside our sport was a great shot in the arm for Clay Target Shooting.

Additional sponsorship from Winchester, Thomas Cook Travel and the Wagga Motor Association meant that this event was fully sponsored and showed a good return to our Association. Thank you all for your support.

REFEREES/EXAMINERS

All referee examiners have been re-examined. We have completely revamped our examiners, a list of whom will appear in the 1989 edition of our Blue Book. All referees will be contacted in the near future by our Secretary requesting them to contact their nearest examiner.

FINANCE

With your Annual General Meeting Agenda you will receive a Financial Report. You will see from this that your Association is in a very sound position. Last year was the first we worded to a budget and I am pleased to report that we were within \$200 of budget. Please study your Financial Report before the A.G.M.

STATE COACHING DIRECTOR COLIN BURT

Col again is still doing an outstanding job. His dedication and ability in this position is something we should all appreciate. Col is now a level three coach. He is only too happy to come to your club with your club or zone coach to assist your members in any of our various disciplines.

ISU SUB-COMMITTEE, DAVID MENCK

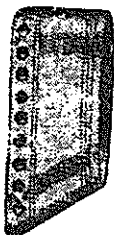

David Menck, Chairman of the Committee has done a very fine job. The Committee ran a very successful State Carnival at West Wyalong and a charity shoot at Canberra. They have also run their State Training Squad Examinations series at all clubs with ISU facilities.

STATE HANDICAPPER, PETER HAYMAN

Congratulations to Peter on his efforts this year. He certainly had some work to do, Trap Nationals Wagga, plus our own State Carnivals.

SUMMARY — NATIONAL PRESIDENT

the very best following his appointment as our National President.

To be able to work as your President it would not be possible without the dedication and commitment of my hard working Committee. To you all, thank you for your support. To my two Vice Presidents, Jim Scott and Peter Mould, may I thank you for your assistance throughout the year.

No doubt the smooth running of this State would not be possible if it were not for the efforts and dedication that Jenny puts into her position as State Secretary.

This year has been, to say the least, a very demanding year for Jenny with the running of our own State Carnival, Bicentennial Grand Prix, The Wagga Nationals assisting Wagga with their Pre-Nationals, getting ready for the 1989 Skeet Nationals along with the normal duties. As Secretary I believe Jenny has shown us all the abilities she really has.

Jenny, thank you for your assistance throughout the year. We look forward to serving this Association and its members for another year to the best of our ability.

Once again to all my Executives, Clubs, Sponsors, the shooters of NSW, and to my loyal supporters, Pam and my family, thanks for a great 1987-88.

Robbie Smith, NSWCTA President

CHANGE OF APPROVED SHOOTING DATES

I would remind all Club Secretaries, that should your Club wish to alter an already approved shoot date — OR — conduct an Open shoot that has not already been approved — you must first make application to the State Association to do so.

Almost every month we read in the C.T.S.N. of alteration to shoot dates — none of which have been approved. We seek your full co-operation in this matter.

1989 APPROVED OPEN SHOOT

In the next few weeks, all clubs will receive a poster, detailing all the approved Open shoots for 1989. This should enable shooters to see at a glance what is on when.

THE COACHING HAPPENINGS

State Coaching Director, Col Burt conducted an I.S.U. Coaching Seminar at the Taree/Wingham Gun Club on Sunday September 11. Terry Rumbel also attended and offered his wealth of knowledge to those present.

Col has more I.S.U. Coaching dates set aside for 1989, and it is hoped that Terry will again be available to assist. The dates for these will be advised next month.

All the shooters in and around Cowra and Bathurst — don't forget the Trap Coaching at Cowra on Saturday October 29, followed the next day by Skeet at Bathurst. Further information can be obtained from Central Zone Coach, Dick Toshack.

FROM THE NORTHERN ZONE

President John Farrell reminds everyone from the Zone who will be attending the State Trap Carnival, of the requirement for them to score on the Zones layout (Trap No. 2) at the carnival. Referees are taken from the squad but the zone responsible for the trap is to provide the scorers. The following shooters make up the Zone Team for Sydney/Marconi: Tom Turner (Jnr), Angus Mitchell, Ken Fuller, Dave Edmonds, Rex Varley, John Farrell, Neil Nugent, Pat Young, Roger Vidal, Geoff Lancaster, Mick Blenman, Andrew Futter, Ray Hammond with the reserves being Geoff Baxter, Tom Turner (Snr), Doug Ellis, Jack Barker, Ray Sweeney, Terry Mitchell, Col Varley, Gary Harrison. Some of the members of the team have already advised that they will not be able to attend — so if you are a reserve — there is a good possibility that you will be needed.

ATTENTION SYDNEY AREA SHOOTERS

As you would be aware, the NSW Gun Club are holding their Annual Charity Shoot on the 29th and 30th October. The shoot will be opened by the NSW Minister for Sport, Tourism and racing, Bob Rowland-Smith. Please give it your support.

STURT PEA FROM S.A.

Notes time seems to come around very quickly and this time I am trying to get over my second bout of the dreaded flu. I hope not too many of you have had it and if so are recovering and you definitely have my sympathy.

THANK YOU

To those who take the trouble to send me bits and pieces of news or phone them in. It helps a great deal and it also keeps all the S.A. news together. I am very happy to always include your name on the bottom of their report for your club. This also means we are pulling together for the betterment of our state and its members.

PROGRAMS

I was starting to get a bit worried as there were four clubs rather late with their programs. This does not help when it comes to checking of dates, but nevertheless overall I am really pleased with the cooperation by secretaries.

BITS AND PIECES

First of all, congratulations to Kym Zaniol and his wife Donna on their big step into the married ranks. I have not had the privilege of meeting Donna, but Kym is now one of the Western Zone representatives on State Council. We wish you both all the very best.

A very big 50th birthday was celebrated by Metro Martini on August 15. I believe his family and friends saw to it that the day didn't go by without some celebrations.

We went to a shoot held at S.A.G.C. on August 14 where they had a very good attendance of both old and new shooters. It was also very pleasing to hear that their club attendance at shoots has improved out of sight and that they have some very keen new members. A lot of the credit for this can only go to the dedication of their committee for their time and their commitment.

I was watching the news on TV the other night (around August 24) and was more than elated to see the coverage that Mt Gambier were given for one of their many very successful gun handling and safety coaching days with one of the schools in their area. Trevor Reschke and Tom Megaw were both on the screen coaching the students.

Brian went to the Millicent shoot on August 28 for their district D/B event, which Phil Green won and then continued on his winning way to scoop up the Clubs Jackpot, so I guess he went home rather pleased with his day's shooting. There were also some new faces at this club too. One fun event Millicent have initiated is a challenge shooting day with the local football clubs. I believe ten members from each club, be they players or spectators, get together as teams to challenge Gun Club members with the result that some of the football followers are attending their shoots and at this stage are quite happy to shoot for clays only.

Perhaps some other clubs would like to report on some of their activities and maybe give others some new ideas.

VALE

I am very sad to report the death of Ross Ritchie from Meningie who was a member of the Lake Albert Gun Club. Ross had been in hospital for twelve weeks prior to his death. Some 14 years ago Ross was the recipient of a kidney transplant. He and his family have lived those years one day at a time. Ross was a very hard working man and carried on with his business with zest and determination, but from time to time it was necessary for him to spend time in hospital. He enjoyed all sport, played golf and was a clay target shooter for many years with many titles being accredited to him. One of his relaxations was fishing and I would be very surprised if the Ritchie household freezer never had one in it.

Ross is survived by his wife Shirley, two daughters and a son, and eight grand children. We extend our sympathy to the family. He will be greatly missed by many people.

Coaching — We will apply to the Institute of Sport for any grants that may be available to be able to continue on with the Coaching work that D. Stevens has started. G. Michell also suggested that coaching weekends could be held at a suggested \$10 cost to those attending to cover costs which would include all aspects of shooting, including setting up and maintaining traps. Also to include speakers on the sport or anything else shooters deemed to be interesting to them about clay target shooting.

Each Zone has put forward names of shooters to be Referee Examiners, these will be confirmed at a later date.

We also welcome Kym Zaniol and Chris Smith onto Council from W.Z. Council members approve of my decision to send all correspondence to Club Secretaries in the hope that more information gets to all club members.

1988 N.S.W. STATE SKEET CARNIVAL

Again the second week in August — the venue — Tamworth. This was the first time that Tamworth has hosted the State Skeet Carnival and in doing so had to provide two additional layouts to bring the total to four. Their hard working committee under the leadership of President, Geoff Walters tackled the job with great enthusiasm, making the third layout a permanent and the 4th, semi-permanent. The team had the No. 3 layout finished by February of this year, and gave it a good workout at their open Skeet Shoot, with No. 4 having the finishing touches put on it in mid July. The 4th layout received some interesting comments — having been constructed over a gully — the first 5 stations were platforms with ramps and handrails — however everyone who shot at layout No. 4 claimed it to be the better background and a huge success. As is always the case with the Tamworth club, the facilities and ground were in tip-top condition and their committee and ladies in the kitchen can feel proud of the way in which they presented their club for the 90 shooters who attended.

Competition got underway on Friday with the 50 target Qld/NSW/Vic Challenge Championship. This was the first of three events sponsored by Prudential Assurance — being the major sponsor this year. The defending champion was Chris Hughes. The Overall winner, following a shoot off was Christian Naudin from Wakehurst. Runner-up to Christian was Doug Siggs from Brisbane with a score of 61/62, 2nd in AA went to Kel Madsen on 55/56. Chris Hughes finished 1st in A 61/62 from Barney Rooke on 60/62. The likeable taxi driver from Wakehurst, John Cobley was the winner of B Grade with

W.A.C.T.A. REPORT

The great news for this State is the confirmation of the 1991 World Shotgun Championships which will be held at Whiteman Park. A fine achievement by A.C.T.A. and W.A.C.T.A. for the promotion of our chosen sport.

The foresight of the government to build an International Complex, the magnitude of Whiteman Park in the hope of attracting international events, our sport must be very grateful. The opportunity to rub shoulders with the world's best clay target competitors can only lift our personal performances.

In general, executive business has been comparatively quiet. The next few months are going to be very busy. The major carnival to mark on your calendar is the State Skeet and Trap Teams shoot on October 15 and 16. It is intended to have a testimonial dinner on the Saturday night of the second day carnival for our immediate past national president, Roy Holtfreter.

AROUND THE TRAPS

I travelled to Narrogin on July 10. Unfortunately I could not make it on the Saturday. Always an enjoyable supported shoot. Congratulations to M. Callaghan, winner of the Narrogin Cup and A. Waschencko, winner of the High Gun. An entertaining shoot off for High Gun between L. Shipp and A. Waschencko extending over many traps.

C.M.T. club member, G. Beard, new executive member T. Smith and myself travelled to Geraldton for their Crayfish Carnival. Approximately 125 competitors indicates the support this club gives around the state, and the hospitality they extend to one and all.

Club President and State Vice President, M. Watson and his committee, put on a program that shooters travel for "plenty of targets". The weekend proved to be very successful and enjoyable, particularly the barbecue and entertainment after. Congratulations to D. Kevill, winner of the State Champion of Champions, and the State Continental and High Gun winner. Unluckiest shooter of the weekend must have been M. Callaghan in every shoot off, without success all weekend.

I.S.U.

The I.S.U. Trench was conducted at Whiteman Park Complex. Twenty five competitors shot in perfect conditions. M. Alexander shot off against J. Harris and succeeded in winning his first I.S.U. State Trench title. Congratulations Murray. Always pleasing to see members who unselfishly give to the sport receive something for their efforts.

Northam Gun Club held their two day carnival on the 20th and 21st August. Numbers were a little disappointing but nonetheless a very enjoyable and well conducted shoot. Congratulations to L. Shipp — State Mixed Targets, Eddie Toomey — High Gun, and Jack Hartley, Keith Hunter — Commonwealth Deauville Doubles.

I noticed this poem pinned to Geraldton's club wall. I recommend every club do the same, and even post a copy to your local member of parliament.

A VOICE FROM THE PAST, ON GUN LAWS — One of Australia's greatest poets, Henry Lawson, wrote these lines in the first decade after Federation — 1907. Modern politicians please note what Australians thought then, and still think now. Henry Lawson called his poem:

EVERY MAN SHOULD HAVE A GUN.

So I sit and write and ponder, while the house is deaf and dumb,
Seeing visions over yonder of the war I know must come.

In the corner — not a vision — but a sign for coming days
Stand a box of ammunition and a rifle in green baize.

And in this, the living present, let the word go through the land,
Every tradesman, clerk and peasant should have these two things in hand.

No — no ranting song is needed, and no meeting, flag or fuss —
In the future, still unheeded, shall the spirit come to us;

Without feathers, drum or riot on the day that is to be,
We shall march down, very quiet, to our stations by the sea.

While the bitter parties stifle every voice that warns of war,
Every man should have a rifle and have cartridges in

store.

Until next month,
J.A. Fissoli,
W.A.C.T.A. President.

EXECUTIVE DIRECTOR'S NOTES

Exciting times ahead with the granting of the 1991 World Shotgun Championships to Australia. The Championships which will attract the very best to our shores will be held during November, 1991, at the Whiteman Park Shooting Complex. Even though we are speaking of 1991 there is and will be a considerable amount of work to do and a seven-man organizing committee has already been established to commence the initial planning.

The Championships were allotted to Australia by the General Assembly of the U.I.T. at their meeting in Spain during July of this year at which time those assembled were presented with a formal written submission backed up by a 12-minute video extolling the virtues of the sport in Australia. As an Association we are very much indebted to Mr Reg Wagland, Manager of the Whiteman Park Shooting Complex whose involvement on behalf of the shotgun discipline in preparing the submission was truly outstanding. Well done, Reg.

Still on the international scene, our Olympians are now overseas with Olympic Shooting Team Coach, Peter Quire, who has recently been granted the distinction of becoming a B Grade Judge. We have no knowledge of their progress at the time of writing other than they are all giving of their best, we wish them well.

Skeet Nationals are coming up in November at the Melbourne Gun Club and having recently attracted good numbers to their State Skeet Carnival the V.C.T.A. will be looking for good support from their skeet members.

Following the Skeet Nationals, Melbourne will be hosting the first of the 1989 Nationals when the cream of our international shooters will be shooting for places on the National Training Squad which brings with it the opportunity to represent their country at the 1989 World Shotgun Championships in Italy and the 1990 Commonwealth Games in New Zealand.

On the coaching scene, it is very pleasing for the sport to have six fully accredited level three coaches, Murray Alexander W.A., Greg Chan N.T., Col Burt N.S.W., Hillary Baynes S.A., Peter Quire S.A., and Bill Stevens Qld. Each of these have contributed time and money in their efforts to gain level three coaching status and the sport will benefit with their combined experience.

Good shooting. Alan J. Maher

50/50 from local shooter Steve Nash on 49/50. Coffs Harbour shooter, Derek Chambers returned 44/50 to win C Grade, from Robert Campbell on 47/58. The Ladies section was a popular win to Lee Wilson from Melbourne with a fine 48/50, Clive Barton from Tamworth commenced his trophy winning run by taking out the Juniors with 48/50, and Ray Melville was the winner of the Veterans trophy with 49/50.

Saturday morning was again a fine, clear warm morning for the 82 shooters who nominated for the 8th N.S.W.C.T.A. Championship. This event was sponsored by Stewart and Allwood, and carried a perpetual cup in addition to the sash, badge and trophy for the winner. For the perfect shooting conditions it was surprising that only three possibles were recorded. The overall winner was Ray Porter with a score of 64/64, from Col Burt of Tamworth with 63/65. 2nd in AA was Doug Siggs with 49/50. The winner of A Grade with 50/50 was Warren Charlton from John Worley on 68/69. The Tamworth Club's treasurer, Peter Nash was the winner of B Grade with 48/50 from Newcastle publican, Paul Duncan on 58/61. 47/52 from Peter Smith of South West Rocks gave him 1st in C Grade from John Harris of Bathurst. Maree Rooke took out the ladies trophy with 46/50, Junior winner was Clive Barton with 49/50 and a popular winner was Steve Subonj who won the Veterans with 53/55.

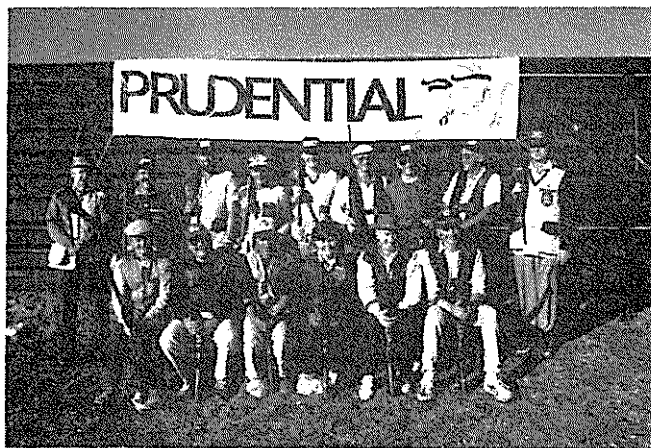

The Prudential Assurance Championship was the 3rd event, and still in perfect conditions — only 1 possible — that of John Worley from Wakehurst. Close behind was Ray Porter with 49/50 to take 1st in AA from Kel Madsen.

● Robby Smith presents Christian Naudin with his trophy after winning Event 1.

Warren Charlton was the winner of A Grade with 61/62 from Guyra shooter Michael Blenman. Swan Hill shooter, Geoff Moore was the winner of B Grade with 50/51 from Clive Barton of Tamworth on 49/51. Derek Chambers collected another trophy by returning 44/50 to finish ahead of Ken Holmes from Narrabri in C Grade. The Ladies winner was Maree Rooke with 49/50, Clive Barton added to his tally with a 49/50 in the Juniors and Steve Subonj took out the Veterans with 46/50.

With the two events on Saturday completed, the State Skeet Team for 1988 was finalised and with the scores that he had recorded it was no surprise to see Clive Barton's name very near to the top of the list. The team comprises Warren Charlton, John Worley, Col Burt, Clive

Barton (J), Michael Blenman, Les Aberley, Barney Rooke, Christian Naudin, Geoff Walters, Reg Clarke, Maree Rooke (L), Kevin Wilbow, Rex Varley, David Michie and Mark McInnes.

Also a fine effort was that of Maree Rooke to finish well ahead of many well known skeet shooters.

First up on Sunday morning all 15 team members presented for their photo session, and to receive a T-shirt with the compliments of Prudential Assurance, two packets of shells each, from A.C.T. Ammunition and their team badge and pocket from National President, Jim Scott.

Once the team had shot the additional 50 target and the scores had been totalled the 5 member Shoulder-to-Shoulder team was announced. Those to pack their bags for Melbourne in November are: Warren Charlton, John Worley, Col Burt, Christian Naudin and Mark McInnes.

With the team event completed the 90 shooters squadded up for the 50 target N.S.W. State Championship — again only 3 possibles. After a shoot off the popular winner was Wakehurst shooter, George Petrou with 61/61 from Paul Johnston of Melbourne on 60/61, 2nd in AA was Col Burt with 49/50. Merv Whitelaw was the winner in A Grade with 50/50 from another Victorian, Laurie Mauger on 49/50. The B Grade winner was Clive Barton with 48/50 from John Cobby with 49/52. C Grade went to John Harris with 49/55 from Noel Dwight of Cowra with 48/55. The Ladies trophy went to Maree Rooke with 47/50, Junior winner was Clive Barton with 48/50 and the Veteran winner was Ray Melville also with 48/50.

The final event for the weekend was the 50 target Tasman Championship and was generously sponsored by Sergio Zuffo of Olmpyc Targets. The overall winner was Barney Rooke with the only 50/50. Following his promotion to AA Grade for this event, Clive Barton showed no mercy by dispensing with Doug Siggs in the shoot off with a score of 60/62, Doug took the trophy for 2nd in AA. Another great supporter of the N.S.W. Carnivals, Neal Dimmick was the winner of A Grade with 86/87 from Jim Wilberforce of Hawkesbury. The B Grade trophy went to Bill Woodhouse from Swan Hill with 56/57 from Paul Kouroupis from Wakehurst. Michael O'Connor dusted off his skeet gun and showed that he had not lost his touch by winning C Grade with a score of 48/54 to finish ahead of Derek Chambers on 47/54. Maree Rooke collected yet another Ladies trophy with a score of 51/54, following a shoot off with Lee Wilson. The Junior winner was Clive Barton with 49/50 and 48/50 from Ray Melville saw him take the Veteran trophy.

The prestigious Hawkeye Shield for Inter-Zone competition was won by the Southern Zone combination of John Worley, Christian Naudin, Kevin Wilbow, Eric Schute, Richard Hunt and Paul Kouroupis with a score of 273/300.

● Clive Barton — winner of many trophies.

The keenly contested 2 member team competition was won by Neal Dimmick and Ray Porter with a score of 389/404 — after a shoot off with Col Burt and Paul Johnston.

The 5 member teams competition again was a close struggle, the eventual winners being the Brisbane combination of Doug Siggs, Dave Dundon, Kel Madsen, Neal Dimmick and Ray Porter — their score was 956/1000.

Last but by no means least, the high gun winners — Veterans High Gun was won by Ray Melville with 189/200, Junior High Gun was won by Clive Barton with 195/200, Maree Rooke took out the Ladies with 189/200 and the State Team High Gun winner was Christian Naudin.

The final trophy to be presented was that for the overall high gun.

I think trophy donor Col Burt's words sum it up — "If I had to be beaten by one target, I'm so proud that it was you" — Junior shooter, Clive Barton with a 195/200 received a standing ovation from the packed club house — on a truly remarkable performance. Take heart all those other juniors — Clive has a birthday in October.

To our great sponsors — Prudential Assurance, Stewart and Allwood, Olympic Targets, A.C.T. Ammunition — thank you — it would not have been the success that it was without your support.

A very special thank you to that old skeet shooter — now Prudential Assurance man in Tamworth, Alan Mower, who gave us 150% effort and support for this carnival.

To the Tamworth Club Committee and workers — give yourselves a pat on the back, you did a great job and deserve more than just thanks.

Finally, to everyone who helped over the weekend, to those who offered their congratulations on a job well done, to all the shooters who attended, from the N.S.W.C.T.A. — thank you — and we look forward to your company next year in Wagga.

Jenny Burt
Secretary.

PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

SNIPPETS FROM OUR HISTORY – THE WAY IT WAS

By George Biggs, A.C.T.A. Historian

Items of interest taken from Clay Target News 1968 The Editor's Report goes on to describe interesting highlights of around that time. The highlight of all being Australia's dominance of the Mackintosh International Team Match. Over the first 22 years of the competition Australia won nine times, England six times, New Zealand five times and Canada on two occasions.

22nd INTERNATIONAL TEAMS' MATCH

Australia has again won this prized International event with the score of 7355/7500. This score is 104 points more than that of the next competing country and Australia has now won this event eight times during the last 11 years.

Scores were: Australia 7355, Canada 7251, England 7247, New Zealand 7241, South Africa 7138, Ireland 6983, Wales 6940, Scotland 6935, Rhodesia 6394.

The Australian section of this 1968 International Event was shot under calm and clear conditions in a temperature of 80°F at the Bolivar grounds of the South Australian Gun Club on March 13. The final section was shot near Cardiff, Wales on July 5.

Although varying methods of scoring have been used over the year, the 7355/7500 recorded by Australia in 1966 and again in 1968 appear to have established the highest total to date. All contestants can be justly proud of their contributions.

● J. Webster, age 13 years, of Cobar (NSW), winner of "Mafeesh" Grand Handicap 19/8/67 proudly wears his sash and holds the trophy which will be inscribed with his name at the Cobar G.C.

● Keith Cameron as winner of the Pacific Coast Double Barrel Championship and the Hogarth Cup at the Gold Coast Gun Club being congratulated by W.A. (Andy) Gordon, Executive Committee Member (Queensland) and President Gold Coast G.C., January 15, 1967.

A double perfect score of 300/300 each has been registered in 1967 by J.N. Thomas (Melbourne) and M. Burgess (Cobar), and in 1968 by M. Burgess (Cobar) and S. Marshall (Hobart).

The final section of the 1969 International Teams' Match will be held at Edinburgh, Scotland on Friday, July 18 and a cordial invitation has been received from the Clay Pigeon Shooting Association for any Australian shooter who is able to attend.

Heartiest congratulations are extended to the members of the 1968 International Team, winners from the Clay Pigeon Shooting Association and from the Australian Clay Target Association.

GERALDTON GUN CLUB

CRAYFISH CARNIVAL 1988

The Geraldton Gun Club received a record number of 128 shooters when it hosted its 9th Crayfish Carnival on the 6th and 7th August. The marquee which was erected in anticipation of the large attendance was appreciated by all, along with the crayfish lunches, a speciality of the kitchen at a price of \$6.00. Shooters from all over the State

attended, from as far as Newman in the north to Esperance in the south.

David Kevill of Cunderdin Gun Club was the top shot for the weekend, winning both State Titles programmed, the State Champion of Champions and the 50 target State Continental. He furthered his success by taking home the Overall High Gun Sash and sterling silver badge which is donated annually by Planet Fisheries. Jean Bunter of Geraldton was High Gun winner in the Ladies division with J. Oliveri and A. Costa of Perth sharing Junior High Gun honors, and A. Brown also of Perth the Veteran High Gun.

On Saturday in wintry conditions shooting commenced at 8.30am with a 25 target Point Score Championship. R. Pickard was the Overall winner with the only possible.

The 60 target State Champion of Champions was shot in one visit over three layouts with D. Kevill outright winner with a score of 121/125. This event held places to 3rd in each grade, Ladies and Juniors and was sponsored by Kailis-Gleam Fisheries.

Next event on the programme was 25 target Double Barrel Crayfish Graded with placings down to fourth place in each grade. Pleased winner in A Grade was J. Fissoli from Cunderdin, Bill Chandler (Geraldton) B Grade and J. Lange from Bunbury C Grade.

Sunday's shooting commenced with a Special Event of 10 target continental which had a Dunlite lighting plant as the overall trophy. This was won after a shoot off by H. Millar (Esperance) for the second year running.

Top shot D. Kevill was again successful in the State Continental after winning in a shoot off.

The City of Geraldton 25 target double barrel sponsored by Gun Mart was won by N. Johnson from Leonora.

Last event of the programme, the Crayfish Handicap, was reduced to 10 targets because of the time factor, and although light was fading, H. Millar was overall winner with J. Bunter (Geraldton) first in the 11-15 metreage. Sixteen metreage group winner was another Geraldton shooter, Mark Hatch and J. Hartley, a Geraldton fisherman won 17-18 metreage. Bunbury visitor, Clayton Hyder was first in the 19-25 metreage group.

The trophy presentations and complimentary barbecue at which a vocalist entertained shooters and visitors was a fitting end to a most successful carnival.

In closing, out thanks must go to the trophy donors whose generous support make our carnival possible.

BICENTENNIAL SHOOT

By "VeeJay"

The recent Bicentennial Open Shoot conducted by the Richmond River Gun Club Lismore, was, without doubt, the most successful celebration, reunion and promotion of shooting ever undertaken by the club's 1988 committee and members.

Being our country's 200th year, it was appropriate that the day reflected some of our sports' history in the form of modern shotgun as well as those "good old" doubles that "Pop and Dad" used to compete with.

The program was set as: 1. 50 Target D/B 15m Modern Shotgun. 2. 50 Target D/B Side by Side (Mixed Targets).

Some sixty odd shooters presented themselves for competition on the day along with a good number of former members and their wives. It was pleasing to have Mrs Lee, widow of the late great Clorrie Lee in attendance, plus foundation members Jack Neal and Dud Edwards.

The first event was won by Jim Ferrett with a perfect score of 50/50 (Modern Shotgun). No problems! The long awaited Bicentennial Side-by-Side event was the premier event of the day with a large field of contestants lining up to face the 50 targets. (One has no idea the number of "doubles" that surfaced for the occasion and the stories that each shooter could tell in relation to his shotgun... it

● Linda Schneider and Roy Shepherd look the part in period costume. When the old Lismore Club was formed "Old Shep" was only a pup.

was all quite unbelievable!

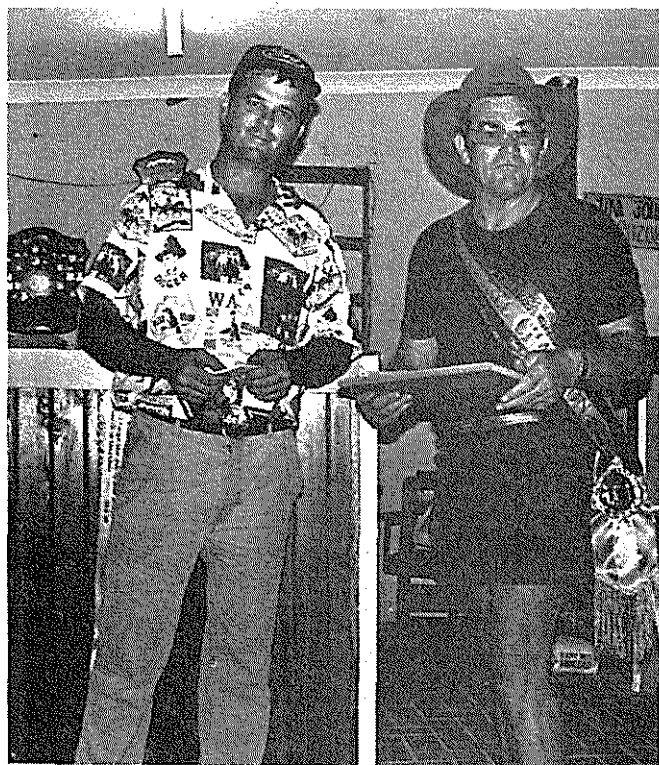

John Lee (Grandson of Clorrie) contested the event using one of the fine old doubles that his grandad used so effectively in his latter years.

Someone asked for two inch shells (no response from the younger brigade and just stares from the rest).

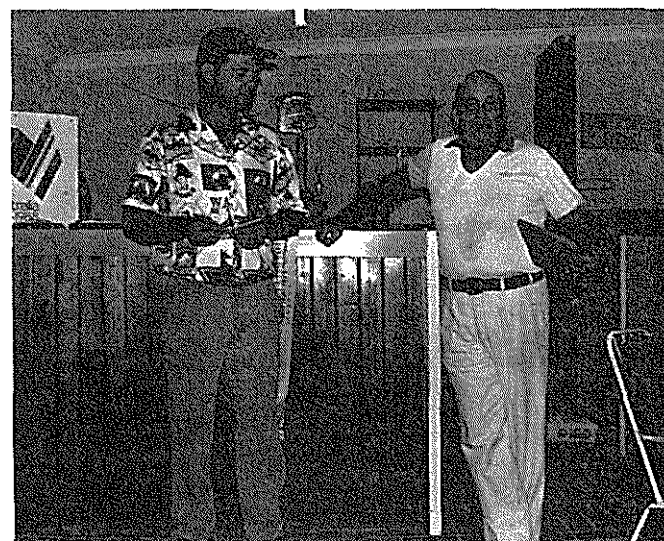

When this event got under way very positive shooting was the result with the biggest surprise coming from oneself after 20 straight with a Samuel Marson hammer gun. I now understand why Jim Bell (Veteran) was only cocking one hammer as target number 21 saw a confident finger slip off the first trigger of mine and instantly discharged the second as well. A real "show stopper".

● Ted Schneider being congratulated by Vaughan Lavelle after winning overall in the Side-by-Side event.

● Jim Ferrett of the Gold Coast took overall in the 50 Target Modern Shotgun. Here his reward is received from Club President, Ted Schneider.

● Club foundation member "Dud" Edwards accepts his grade trophy from Club President, Ted Schneider. "Dud" displayed all of his past form by coming along winning his grade outright.

At the end of the event Ted Schneider, Club President, had dealt with the 50 mixed targets with unbelievable skill and concentration having dropped only some five points out of a maximum seventy using a Hollis Hammer double.

Our special thanks go to those who attended and those who brought along many valuable items for display and demonstration. There is talk of a 201 celebration in 1989 for all side-by-side enthusiasts.

MARYBOROUGH TIT BITS

Not a very good day for shooting at Bundaberg on July 3 with Allen Harris the only traveller to take an event, that being C Grade 25T D/B. Pleased to meet Mr and Mrs Winzen from S.A. as they were at Maryborough some time ago on holidays and have now moved to Bundaberg. Congratulations to Mrs Winzen for winning the Skeet handicap, and hope you both enjoy shooting in the area.

Another perfect day at Gympie saw travelling winners Spencer Ross, Brian Rowsell and R. Fett, with our own Troy Harris taking out two events and Allen Harris winning an event and the F/M High Gun.

Sunday 10th, Stafford Smith took out the 100 Ball Trap H/G and went on the next week to take out the B Grade Trench O/A and H/G.

July 16 and 17, Maryborough held their Inter Club shoot, Saturday Big Bore 20t 500yd. Night Small Bore 40t Silhouette, Sunday 20t S/B Clay Targets, with Maryborough victorious in the three way prize.

July 24 we were hosts to Barbara and Grant Bollen from Wyhalla, S.A., who were shooting their way to Cairns on holidays. Thanks for donating the wads back to use again. Grant shot 1st in one event, 3rd in another and took the High Gun. Hope you both had a good shoot with us and call in again.

Welcome to Ian Gregory, a new member, hope you enjoy shooting, Ian.

Gold Coast on the 24th held the South East Zone Comp. Congratulations to Troy for taking the 25t Handicap O/A with very good shooting, Allen shot C H/cap, 2nd in D/R C Grade, and 2nd Pts C Grade with Ken Greensill 2nd S/B C Grade and Les Greensill in shoot off in Melody to no avail. I asked Gympie to install a trophy shop so we can buy one on the way home, wouldn't it be good?

Till next time, I will see you at the shoots.

Lost Bird.

VALE

It is with deep regret I write to advise of the passing away of a famous shooter in Harry Anderson of Grenfell, N.S.W.

Harry died suddenly on August 8, 1988 at home.

I have known Harry for twenty years, first meeting him at Hay Gun Club's car shoot, when I was introduced to him, I took a liking to Harry instantly. Every year I have visited him and his family at Grenfell and have been most welcome, going duck shooting and clay target shooting many times together.

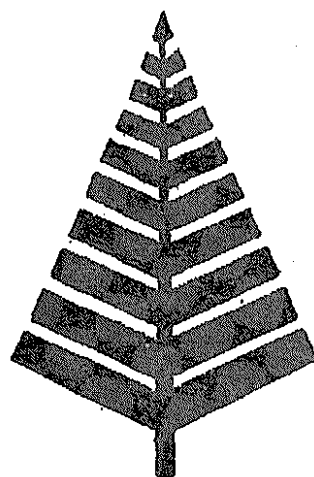

Harry's knowledge was enormous, a great bushman and nature's gentleman, he was always ready to explain things to me.

His shooting record was great; he won hundreds of championships, represented Australia in the International teams in the 1940s, 50s and 60s, and split the car shoots many times. Harry was an incredibly confident shooter, from 24 yards he shot 50 first barrels to win a gun at Hay in 1976 and that was after a break of shooting for twelve months. That was the last time we shot together.

Upon hearing the bad news I became most sad and just had to tell you something of this great gentleman, Harry Anderson.

Marconi G.C. Member.

SKEET SHOOTERS —

ATTWOOD-LAW PERPETUAL SKEET CUP

In 1978 two well known "Skeeties" — Bill Attwood of Melbourne and Kevin Law of Wangaratta presented to the Wangaratta Clay Target Club a magnificent silver cup to be used for the promotion of Skeet shooting at Wangaratta.

The trophy is shot for twice a year at Wangaratta and goes to the skeet high gun winner of the day over a program of usually 100 targets. To have one's name and score inscribed on its base is indeed a great honour.

Wangaratta club members consider this to be the most prestigious event in country skeet. It is keenly contested for as shown by the well known names already inscribed on it.

The next contest for this lovely trophy on October 30th will be the 21st occasion it has been shot for and the club hopes to see a top line-up of shooters on that day.

The club has two skeet layouts in a most picturesque setting with plenty of shade and an excellent clubhouse and amenities.

Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength 2¾" load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions – including **price**.

See your local Gun Dealer now for the lowest price on the toughest auto in the world.
