# EXECUTIVE DIRECTOR'S NOTES

The debenture program is now well under way and it is very pleasing to review the degree of success that has been obtained. We have received applications from all areas and at the time of writing 35 debentures have been requested which reflects a total amount to date of \$35,000 as against the \$150,000 that is aimed for. The December issue of the C.T.S.N. will carry a list of debenture holders all of whom having been asked for approval for their names to be published have willingly agreed. We are currently seeking a suitable property for the Association to purchase and are hopeful that the right one will present itself in the short term.

Our Olympians have now returned home and while they may be disappointed at not doing as well as they would have wished, we have no doubt that they gave of their very best and will be better for the experience. We obviously have considerable ground to make up prior to Spain in 1992 and with the talent amongst our younger shooters really coming to the fore, shooting in Australia has a particularly bright future providing that we work at lifting our international standards to as high a level as is possible allowing for the financial burden placed upon us owing to our remoteness as a country in the shooting world.

Reading through the November programs in the C.T.S.N. it was pleasing to notice that after their disappointing 1987 grand slam the organizers of the 2nd Hunter Valley Grand Slam have obviously learned by their mistakes and have programmed a more attractive event for 1988. We wish them well for their two day shoot, mainly for the reason that they recognized a problem existed from last year and instead of walking away from the problem they have set out to correct it, and for this reason alone they deserve to be successful.

The Skeet Nationals are with us this month and we look forward to seeing all the dedicated skeeters competing at the Melbourne Gun Club. As you will have no doubt noted, a magnificent Browning Skeet Gun has been made available by Fuller Firearms for the Overall High Gun and this recognition of the Skeet Championships is very much appreciated. We have a number of sponsors again supporting the Skeet Nationals and thank them also for their continuing assistance.

Good shooting to all.

Alan J. Maher.

## VALE

B.R. Cole

With regret we wish to inform shooters that Barry Cole, of Ipswich Club, passed away suddenly at home on September 12.

Barry was a very well known shooter in the early 1970s to the early 1980s, in South East Queensland and Darby Downs area.

He was given a life membership for the many hours of work, often until after midnight, he put into making the steel trap and skeet houses.

Previous to the 70s, he was the puller on the old traps, which he did for quite a few years.

Barry won many championships, including Queensland Intermediate C'ship, Qld D/B, Club & District Trap and Skeet C'ships, and on different occasions made the Qld Skeet team. He also won many handicaps and finished on about 24 metres.

He is survived by his wife Dell and children Sandra and Ian. The shooters extend their heartfelt sympathies.

B. Mundt,  
Ipswich Gun Club.

# THE TECHNIQUES OF SKEET SHOOTING — PART 2

Continued from July News

By George Biggs

## HOW TO SHOOT STATION ONE

In this article and in future articles we'll do a station by station tour of the skeet field and explain what I consider is a good sound procedure to adopt in order to shoot better scores at skeet.

Station one, like all other stations requires the shooter to learn and practice the basic fundamentals and put them to work every time he fires at a moving target, be it for feathers or clay targets.

In previous articles I've strongly emphasised how important it is to have selected the correct type of gun and have it correctly fitted to yourself. Having done this, it is then necessary that you learn how it should be properly handled. Always keep in mind the fact that if your gun does not fit you right, then you will never be able to handle it properly and if you don't handle your gun right then it's impossible for you to become a good shot regardless of how much practice you get and how much other instruction and coaching you have. It's as simple as that!

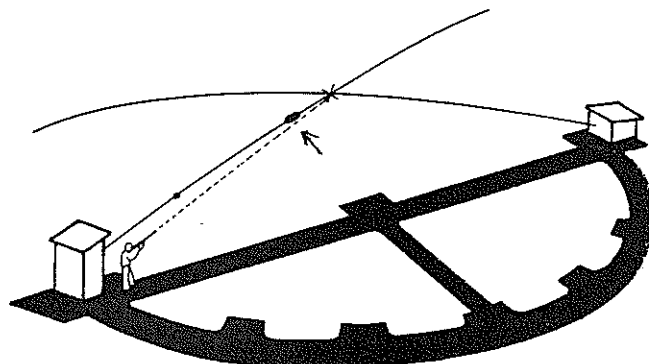

Proper gun handling will lead to better gun mounting. The position of your right and left hand on grip section and fore-end is very important. An incorrect right hand grip will lock up wrist movement and prevent free and easy movement of proper gun mounting to the correct position on one's shoulder. Incorrect fore-end hold will also cause problems. Be sure that you are not over reaching with the left hand which will cause restricted gun swing, especially on targets travelling from left to right. If we use too short a grip on the fore-end, gun swing will become jerky and inaccurate. The ideal position is a little way either side of fore-end centre — depending on length of shooter's arm. Providing all other measurements of stock are correct.

## BODY BALANCE AND FOOT POSITION

Naturally body position and stance will vary from one student to another. We will see this every time a skeet squad goes onto the skeet field simply because we are all built differently, however, it is very important to remember that our stance and body control must be

basically correct. Any stance that we adopt that creates unnecessary muscular strain is not good because it will cause erratic and restricted movement and it is also very fatiguing.

Let's view the skeet field station by station taking in turn the high target and the low target as we go around.

## STATION ONE HIGH CORRECT PROCEDURE

Check foot position for correct stance by facing the point where targets will cross at centre of field. Position gun on shoulder in right position, high up so that it comes up nicely to your cheek, remember not to push your face down to meet the stock. Low gun mounting on one's shoulder is often the cause of a missed target due to the head being taken off the comb causing misalignment of gun and eye. The message is, bring the gun up to your face and NOT YOUR FACE DOWN TO THE GUN — keep your face snug on the comb all the way through the act of firing. This is a situation where proper gun fit is vital.

The next detail is gun hold position prior to calling for the target. At this station I prefer to face down the line of target travel with feet correctly placed so that the left foot is pointing along the line of target travel with the right foot just round 15 inches to the rear and right, to give support and balance.

## GUN HOLD

On station one has to be a position that is right for the individual. The gun point will depend, to some extent, just how quickly the target is picked up. The hold I personally use is shown in the photo, also take a look at the line drawings.

At this point, and before I shoulder the gun, I do a quick mental exercise of the procedure I will follow when I call for the target.

There is a basic procedure that I've always used when shooting both trap and skeet targets.

It is something we should do when preparing to shoot each target. This procedure goes like this. It applies to both trap and skeet. As you step onto the firing line, make sure that your feet are correctly placed so that you have complete freedom of movement as you swing the gun out and on to the target.

Load the gun and place the butt correctly on your shoulder so that your face can easily rest snugly on the comb in such a position that your shooting eye can see right down the rib for a perfect gun and eye alignment.

Your next step is to point the gun muzzle at a point out from the trap house where your eyes will be focused to see the target leave then smoothly and accurately decide target direction and swing out to it from behind, form the right sight picture of gun and target relationship as the muzzle brushes the bottom of the target quickly establish correct lead, pull the trigger and follow through and watch the break.

By firstly shooting each target mentally you are building up a technique that will help you build greater powers of

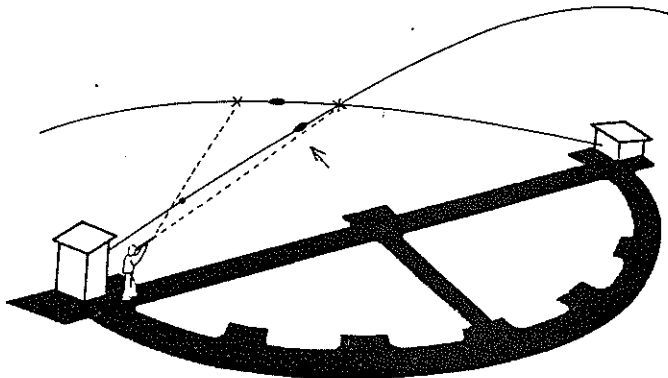

concentration and much better scores — it's positive thinking.

## SHOOTING DOUBLES FROM ONE HIGH

Contrary to what some new shooters think, shooting skeet doubles is no more difficult than shooting singles, provided we know what we have to do and how we should go about doing it.

In shooting doubles we simply use the same style as we use to shoot singles.

However, remember to swing with the targets in the normal way and do not make the mistake of jumping at the first target. You have enough time to comfortably shoot both targets if everything is done right. Feet position is similar to singles.

Drawings show gun hold point and target flight path. Note gun hold point just out from trap house and slightly below line of flight. At this point your eyes should focus back to the trap opening to pick up the target as it leaves the chute your gun should swing with the target pass it as shown in the sketch, open up a lead, pull the trigger and follow through. When shooting the double, your gun will need to swing smoothly and accurately back to the second target, pass it and pull the trigger allowing 2 feet of lead.

When swinging with the target don't make the mistake of watching the gun muzzle — look only at the target and the gun will come to where your eye is focused.

(To be continued)

## WANGARATTA versus MELBOURNE

Skeet & DTL — September 18

The Melbourne contingent arrived around 11am and after a greeting from the President and local members, the serious business of shooting got under way. There were around 45 senior and junior shooters up from the city for the biggest skeet day on the Wangaratta Gun Club's calendar. Once again every one in attendance had a grand day and once again the ladies committee turned on a great lunch free of charge for all who came. The highlight of the day is always the team shoot in both skeet and DTL, along with the junior DTL team shoot. Bob Buchan, President of the Melbourne Gun Club, takes great pride in the fact that his Melbourne Team is very rarely beaten, especially by the bushies. But this time the bushies knocked them down and ground them into the dirt and at the presentations Bill Attwood had to console Bob and loan him a handkerchief. Wang also won the junior team shoot, and after great consideration the Wang team went soft and decided to let Melbourne salvage some pride and come out victorious in the DTL team shoot. All else aside, this day once again turned out to be one of the great days of the year for the Wang club and we look forward to when we venture to Melbourne in the new year for our return visit.

Alan Larkings.

# OPEN TRAP — TAMWORTH

The program read 215 targets — \$7,000 in trophies and sashes — the weather was fine and warm — and 58 shooters paid their nomination for the big event on the 3rd and 4th September. The sheer hard work and determination of Club Secretary, Rod Prior, saw a fantastic display of trophies. Rod worked in conjunction with the program committee, who managed to secure sponsorship from the Tamworth Combined Agents, Versatile Windows, Hiscocks Sports Store, Independent Communications, Fosters Firearms and C.L.A.S.S. Ammunition.

Competition got under way with the 30 target Country Capital Double Barrel Championship. The overall winner is no stranger to the Open Trap Shooter at Tamworth, having attended almost every year — Kevin Thompson, from Central Coast, returned 40/40 for his first of many wins for the weekend. Guyra shooter, Mick Blenman was 1st in "AA" with 56/57 from Narrabri's Mark McInnes on 55/57. Western Australia regular, Chas Riegert won 1st in "A" with 33/34 from Andrew Futter on 36/38. Cobar visitor, Steve Osbourne was 1st in "B" Grade with 39/40, from Gunnedah's Bill Hodges. Barry Williams was the winner in "C" Grade with 30/32 from Kevin Ellis of Taree on 29/32.

The Versatile Windows Double Barrel Trophy Handicap was the next event and Tamworth member, Michael Carey showed the way on 14 metres to win with 78/78, from Tom Scanlon on 77/78, 3rd was Kevin Ellis with 50/51, Rod Taylor of Tamworth was 4th with 28/29, from Jim Hodges on 25/26 and Club President, Geoff Walters filled 6th place.

● Geoff Walters (left) presents trophy to Tamworth member, Mike Carey, 1st place in 30T Handicap.

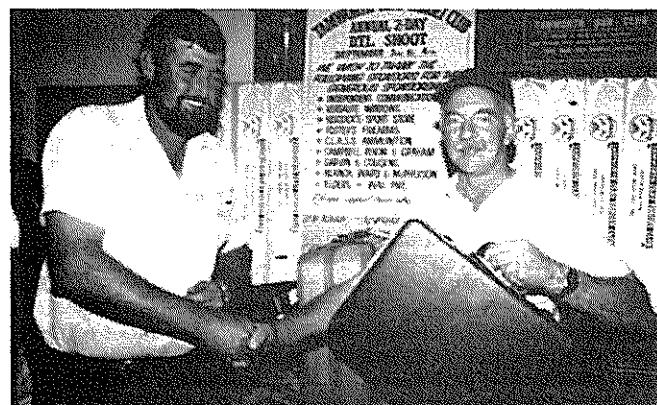

● L. to R. Sponsor John Adams (Hiscocks Sports Store) presents Ross McPherson with sash and trophy while President T.G.C. Geoff Walters looks on.

Event 3 was the Hiscocks Sports Store sponsored 30 target Country Capital Double Barrel Championship. The overall winner receiving a rod, reel and line valued at \$300 and this went to Ross McPherson from Narrabri with 42/42. 1st in "AA" was Kevin Thompson with 35/36, from David Menck. Junior shooter, Ramon Bertonecello was 1st in "A" Grade with 29/30 from Chas Riegert. Steve Osbourne returned 41/42 to take out the 1st in "B" Grade from Michael Simpson of Tamworth, another Tamworth shooter, Rod Taylor was the winner in "C" Grade from John Varley of Guyra who recorded 28/31.

The final event on the first day was a 25 target Double Barrel Handicap cash divide, and those to make the money in the 11-15m group were John Varley 25/25, Rod Taylor 23/26 and Peter Nash 22/26. Steve Osbourne was 1st in the 16-18m group, from Tom Scanlon 44/51, and Bill Hodges 28/29. In the 19-22m group, Terry Mitchell carded 24/25, from Ross McPherson 23/30 and Neville Bradbury 27/30. The back markers were taken out by Robert Uebergang, from Roger Vidal and Graham Wilson.

The Calcutta Auction was a very entertaining affair, with Auctioneer Peter Etheridge making sure that he caught every bit — by some way and other.

● Tamworth Club President, Geoff Walters, presents Rod Taylor with his trophy.

Sunday morning was again perfect weather and the first event of the morning was the 30 target Country Capital Point Score Championship which was very generously sponsored by Independent Communications. This event was taken out in fine style by Kevin Thompson with 89/90, 1st in "AA" went to Col Burt with 109/114, from Graham Wilson on 106/114. Narrabri's Trevor Atkinson was the winner in "A" Grade with a score of 88/90 from Chas Riegert. Steve Osbourne collected the trophy for 1st in "B" Grade with 88/93 from Club Secretary, Rod Prior on 82/93, Tom Scanlon returned 88/90 to take out 1st in "C" Grade from Rod Taylor on 81/90.

The next event was the 25 target Double Barrel Handicap cash divide — allowing everyone some more handicap practice before the Calcutta event. In the 11-15m group the winners were David Lonsdale, Ann Wyatt and Michael Carey. Chris Lindsay was the first home in the 16-18m group, from Tony Aceti and Steve Osbourne. In the 19-22m group, Michael Simpson recorded 25/25, from Terry Mitchell on 25/26 and Col Burt on 24/26. The 23-25m section was taken out by Graham Wilson from Robert Uebergang.

Clem Foster, of Foster Firearms was the sponsor of the 25 target Country Capital Double Barrel handicap — also the Calcutta event. The first four placed shooters taking home .22 rifles, 5th place received a gun case and 6th a shell case and 100 shells — certainly a great event to aim for. Shooting from the 22 metre mark, Kevin Thompson shot the only possible 25/25 to take 1st place, and no less than eight shooters recorded 24/25, going into the shoot

off. Stuart Stanley from Gunnedah was 2nd with 33/34, from David Lonsdale on 32/34, 4th was Ross McPherson with 33/35, from Col Burt on 32/35 and Coffs Harbour visitor, Roley Palmer was 6th with 28/30. Club President, Geoff Walters, was smiling ear to ear, having paid only a small amount the evening before for Kevin Thompson in the Calcutta. The B.J.S. Syndicate must have had inside information when they purchased Stuart Stanley — B.J.S. also being the Gunnedah origin, and the 3rd place in the Calcutta went to Chris Lindsay.

The final event for the weekend was the 25 target Double Barrel Continental Championship and this event was sponsored by Versatile Windows of Tamworth. A very pleasing result, for the hard working shoot marshal, Col Barton with 37/37 to win overall, from Ross McPherson on 36/37, 2nd in "AA" went to Robert Uebergang with 23/25.

Steve Osbourne showed he could handle "A" Grade just as well as "B" Grade and finished first with 31/32 from Terry Mitchell on 25/26. 1st in "B" Grade was Chris Lindsay with 25/25, from Clive Barton on 24/25, Michael Carey finished off a great weekend by winning 1st in "C" Grade with 26/27 from Tom Scanlon on 25/27.

With the event completed, the High Gun awards could be finalised. Something a little different was an award of High Gun for the events shot from handicap and a separate award for the events shot from the common mark as well as an overall high gun award.

• Being presented with Country Capital Cup, O/A High Gun winner is Steve Osbourne (right) who shot extremely well throughout the carnival.

Steve Osbourne capped an excellent weekend's shooting by taking out the overall high gun with 262/275. The 15 metre events high gun went to Kevin Thompson and the high gun for handicap events was taken out by Terry Mitchell.

The Grade High Gun winners trophies were sponsored by C.L.A.S.S. Ammunition and each winner received 250 A.C.T. Ammo shot shells. Kevin Thompson continued on his winning way by taking out the "AA" grade high gun with 260/275, Terry Mitchell the "A" Grade high gun with 252/275, the "B" Grade high gun went to Chris Lindsay with 253/275 and Tom Scanlon won the "C" Grade High Gun with 259/275 — great shooting. Ann Wyatt was the Ladies High Gun winner, Junior winner was Ramon Bertoncello and Veterans winner was Ray Melville. The Commonwealth Bank Cup for High Gun for Tamworth members was won by Col Burt.

The two member teams event for the Lindsay Bull Memorial Shield was contested on the Saturday events and the winning team was Ramon Bertoncello and Terry Mitchell.

The Country Capital four member teams event was shot over the Sunday's events and was taken out by the Tamworth team of Col Burt, Graham Wyatt, Lachlan Cameron and Tom Scanlon.

• Ray Melville, Veterans High Gun, pictured with sponsor Col Burt C.L.A.S.S. Ammunition (right) and Geoff Walters (left).

The club's raffle for the Cedar furniture was also finalised on Sunday and the winner of the cabinet valued at \$1,800 was J. Atkinson of Duri, the Cedar bookcase went to R. McGhire of Somerton and the table was won by the Wilkins family of Armidale.

Club President, Geoff Walters, thanked all those members who sold tickets and moreso all the people who purchased tickets in the raffle.

It's over for another year — and one thing that can be said — for those who missed it — you sure did miss some of the best trophies seen on a trophy table for a long time — it was a great shoot, everyone who came had a great time, the ladies in the canteen excelled themselves yet again — so when you are planning your shooting calendar for 1989, mark the first weekend in September for a trip to Tamworth and you too can have a chance of taking home some really great awards.

# WORLD WINNERS

Who did have the first World Championship medal and the Australian flag raised in their honour? I submit the following order account of photos and score sheets in my keeping.

This series of events started in the 1978 CTSN December when on the front cover it showed Jim Ellis coming third and gaining the bronze medal, beating Carrega the Italian champion/ex-world champion. Valduvi of Spain was 1st, also mentioned was that this was the first time the Australian flag was raised at a World Championship for an Australian shooter in an individual event.

In the CTSN January 1979, it was found that Mr Don Brook had other information to go against the above for Jim as follows below:

1979 World Championship Phoenix Arizona, USA. Miss Judy Trim and Mrs Gloria Vause from South Australia finished Gold and Silver in Ladies Match Pistol Championships. This also was the first time ever that the Australian flag had flown above our marksmen/women. So Don Brook thought until Ray Parker of Colac Gun Club came along and told us that Don Mayfield of Cavendish Vic, won the World Live Bird Championship in 1963 of which the Australian flag was raised. Ray went on to say that regarding the point that live bird shooting is now legal in Australia, it does, however, make up a large portion of competition shooting in the world today. Legal or not, here it takes none of the credit from Mr Mayfield nor alters the fact that he was the first Australian to win a World Championship and as such his name has gone down in the World Shooting Record as a World Champion, and that the flag was flown for the first time.

The previous information would have gone unchallenged except there are two more shooters of world shooting fame one has to mention, and that is Mr H. Frazer who in 1907 won £720 and a gold medal in England, and Mr W.G. (Bill) Downie of Victoria (but evidence shows Tasmania). Mr Downie won the World Championship at Monte Carlo on June 27 and 28, 1928 with 40,000 francs for 1st place, this event being the 14th Triennial Championships where he shot 25 pigeons to win from the mark of 27 metres. Also at this meeting was the great J.W.G. Sutherland who won the Prix De La Cote D'Azur. And of course you have read in the latest CTSN the story on famous Donald Mackintosh. It is worth noting that Ray Parker's mention of W.G. Downie having one eye and one arm cannot be supported by photos I have of him standing next to Jack Sutherland and the Count Granedo, President of the Monte Carlo G.C. taken in 1928.

Below is my summary of winners which include team medals.

1900	Donald Mackintosh, Olympic Games;
1928	J.W. Downie, World Championship (live birds);
1963	Don Mayfield, World Championship (live birds);
1973	Bronze Medal, Melbourne Trench Teams World Titles;
1974	Bronze Medal, Team Ladies Thun, Switzerland, World Titles;
1978	Bronze Medal, Jim Ellis, Korea, World Titles;
1978	Silver Medal, Pistol Match Ladies;
1978	Silver Medal, Air Pistol Team Ladies;
1978	Bronze Medal, Ladies Smallbore Pistol Team.

And the world winners can be carried on from here.

It appears that J.W.G. Downie was the first World Championship winner known to date and Donald Sutherland the first and only Gold Medal Olympic winner and Don Mayfield the first one to have the flag raised.

I wonder where or who has got those medals and if there is any addition to my winners list?

## MARYBOROUGH TIT BITS

On August 7th our Vice President, Peter Pagliarino hung up his U/O this weekend and spent time with his relations of the Bligh family, who are decendants of the Captain Bligh of the Bounty Fame. What better place to have a reunion than on the tall ship bounty. Hope you and your family enjoyed yourselves and you received your rum ration, Peter.

Talking of rum, there was a bit used at Kingaroy at their August one day shoot. It was cold and plenty of wind, but the hospitality was very warm as Harry and myself pulled up and the President was there to meet us. Not a big turn up but nice to meet old friends with which I fired my first shot at clays when joining in 1967. My driver, Harry Walker, took off the 60 target Medley C Grade and FM HG. Another traveller, Bill Allen of Dalby, blazed his way to 25t DB C'ship OA & A plus the 25t Cont C'ship OA & A, and won the rum raffle. Hope it didn't evaporate on the way home Bill. Thanks Kingaroy for a good day shooting and to the ladies for those hot cups of tea.

Gympie, August 14, the last two Sundays had been perfect, but not this day, with showers on and off. On his way home from visiting Cape York was Allen Sydenham of the Korumburra G.C. He was in good form to take two events. Thanks for dropping in and I hope your wife is well again Allen. Also other travellers to win were Allen and Troy Harris, Giulio Sartore and Harry Walker.

Barry Stolberg of Gympie shot at Sunshine Coast and didn't shoot any good, but bought three shooters in the blind calcutta, all winners and won the raffle, a .22 rifle (tough luck Barry). At Maryborough on the 28th he took B Grade honours in the Points and DR C'ships.

Getting into the prizes at the Maryborough shoot.  
From left, Barry Stolberg, Norm Dale and Giulio Sartore.

Remember, if you are coming up this way, throw in the gun ... Bundaberg shoots 1st Sunday, Gympie 2nd Sunday, Sunshine Coast 3rd Sunday and Maryborough 4th Sunday except December Christmas Shoot, Sunday 18th.

Till next time, see you at the shoots.

Lost Bird.

## VALE

It is with great regret that I have to report the untimely death of Colin Flaherety who was a member of the Sunshine Coast Clay Target Club. Colin was killed in a car accident in late August. He will be greatly missed by Phillipa, his family and friends.

# 1988 Q.C.T.A. STATE SKEET CARNIVAL

The Q.C.T.A. conducted the 1988 State Skeet Carnival on the Townsville Gun Club grounds over the weekend of 23rd-24th-25th September.

Total number of nominations were 53 which equalled the attendance in 1987.

Friday afternoon, the 23rd, saw the commencement of the Carnival with the Doubles Event, with the following shooters taking a share of the cash:

AA Grade: Doug Siggs of Brisbane 1st, and Mick McGill of Mt Isa, 2nd.

A Grade: Tony Long of Brisbane, 1st; Arthur Kenna of Townsville 2nd; and Neil Dimmick of Brisbane 3rd.

B Grade: Phil Leddick and Bob Robinson, both of Mt Isa shared 1st, with A. McKenna of Burdekin 2nd.

C Grade: Clint Storch of Tallawalla, a junior shooter.

Saturday 24th saw the commencement of the Bicentennial Championship. This was won after a shoot off by Doug Siggs of Brisbane with a score of 57/58 over Tom Comerford of Townsville who won the A Grade division with 56/58. AA Grade was won by Mick McGill of Mt Isa with a score of 46/50, while B Grade was won by Jim Edmonds of Mt Isa with a score of 55/58. C Grade went to Geoff Archer of Charters Towers, 48/51. 2nd placings were A Grade, Neil Hardy of Townsville 57/59, B Grade Noel Beale of Townsville 54/58, and C Grade, Ed Bukbardis 45/50. Best Junior, Ron White of Townsville, 47/50 and best Veteran was Ed Bukbardis.

The State Skeet Championship was next, shot 50T on Saturday and 50T on Sunday morning. The overall was sponsored by Winchester Australia. Neil Dimmick of Brisbane was the overall winner with a perfect score of 100/100 followed by AA Grade winner Doug Siggs with a 99/100; and A Grade winner, Mark Warnock of Rockhampton with a score of 98/100. The B Grade winner was Col Ennis of Dysart 94/100 and Townsville junior shooter, Ron White won the C Grade with a score of 90/100. 2nd placings went to AA Grade, Mick McGill 93/100, A Grade Arthur Kenna 106/110, Bob Robinson, Mt Isa, 93/100 and C Grade Geoff Archer of Charters Towers 88/100.

The Interstate Skeet Team Match was shot next with the following shooters qualifying for the team: N. Dimmick, D. Siggs, M. Warnock, A. Kenna, C. Ennis, R. Robinson, M. McGill, N. Beale, C. Warnock, R. Brook, D. Killick, R. White, T. Comerford, B. Edwards.

Arthur Kenna of Townsville was the Team High Gun winner.

The Queensland Pacific Skeet C'ship followed and Neil Dimmick continued his winning streak to be the overall winner after a shoot off with Tony Long who won the A Grade. Neil's score was 58/58 and Tony's 57/58. AA Grade was won by Doug Siggs 49/50 and Phil Leddick of Mt Isa won the B Grade with a score of 58/60 after a shoot off. C

Grade was won by Lex Frerich of Charters Towers with a score of 45/50. 2nd placings went to Mick McGill of Mt Isa A Grade with a score of 49/50, Bill Holmes of Townsville B Grade 57/60 and Graham Woollam of Townsville C Grade with a score of 44/50. Best Lady went to Bev Grice of Sunshine Coast 49/56; Junior was won again by Ron White 45/50 and Bob Rogers of Townsville won the Veterans 40/50T. This event was totally sponsored by A.E. Smith Wyllie.

The Qld Skeet Champion was won by Doug Siggs of Brisbane with a score of 244/250, and won the beautiful Perpetual Cup donated by himself for the Qld Champion. Doug also won the Overall High Gun with a score of 197/200. This trophy was donated by Casagrande Firearms of Rockhampton.

Ladies High Gun was won by Vere Storch of Tallawalla with a score of 178/200 who received the trophy donated by Stevens & Sons Firearms of Brisbane.

Junior High Gun was won by Ron White of Townsville with a score of 182/200 and he received the Halls Firearms trophy.

Veterans High Gun was donated by Shooters Warehouse of Townsville and was won by local member Bob Rogers with a score of 162/200.

The Two-Man Team was won by Neil Dimmick and Tony Long with a score of 379/400, this trophy being donated each year by Tony Long.

The Q.C.T.A. takes this opportunity to thank our many sponsors for their support, without which these carnivals would not be a success.

We also regret to advise that on Saturday during the shoot, one of the Townsville members, Dick Reeves, collapsed and died. We extend our sympathy to his relatives, and know that he will be sadly missed by the shooters of the Townsville Club.

In all it was a great Carnival, with top scores being shot and great sportsmanship shown all weekend. We look forward to the 89 Carnival which will be shot at Rockhampton.

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

# HISTORY OF OUR SPORT

## LOOKING BACK TO THE 1960s LAST NATIONALS AT "FROG HOLLOW"

By George Biggs, A.C.T.A. Historian

The year 1965 saw the last National Championships to be conducted on the Australian Gun Club grounds where they had been staged annually since 1948, when they were then rotated round the states as the sport developed on a wider national scale.

Dud Edgerton. Winner of the 1965 National Intermediate Championship shot during the last National Championships at Australian Gun Club East Burwood. His score 92-93 after a long shoot off with New Zealander Father Kelly. Dud was for some years President of the Australian Gun Club and is today still shooting and winning trophies at Frankston Australian Clay Target Club.

Shortly after the 1965 nationals the Australian Gun Club went into recess merging later with Frankston Gun Club to become the Frankston Australian Gun Club.

Proceedings for the 1965 Nationals got under way on the morning of March 4 with the National Double Barrel Championship, at 50 targets from 16 yards. The number of entries received was in keeping with the numbers in recent years. Actually 226 complete nominations were received for the National Double Title and 32 entries were received for the Intermediate Championship only, which was shot in conjunction.

The record entry for this event was received in 1952 when 253 nominated.

Probably the best shooting of the whole series took place in the tie shoot off of this event. Twenty shooters shot the possible. Although, under the usual missout conditions, the field dwindled fairly quickly, there were still six left when shooting was called off for the day owing to failing light.

When the tie resumed next morning Don Anderson (Hay

Victorian Inaugural Interstate Skeet team. 1965 saw the beginning of skeet shooting on a national scale. Teams of 5 shooters from each state competed on a postal basis. Victoria were the winners at this time. Score 121-125.

Up to this time the auto was a most popular and inexpensive weapon for a large number of beginner shooters. Most double barrel guns in Australia at this time were field guns and unsuitable for trap shooting.

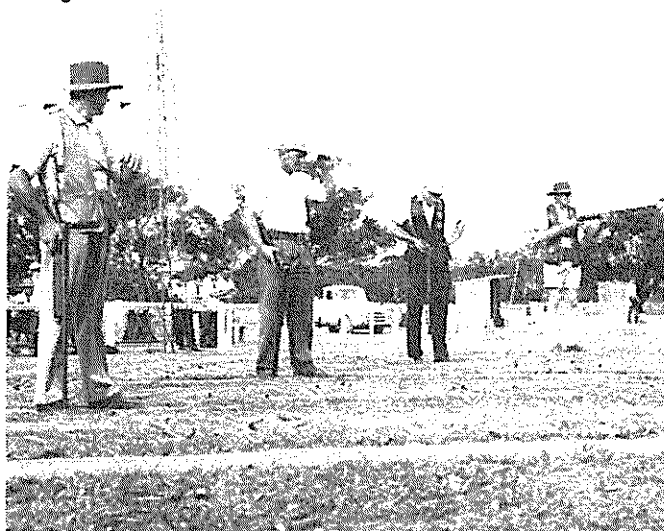

N.S.W.), John Doyle (Mildura), F.R. Hudson (Sydney), A. Hamilton (Vic), K.R. Heywood (N.S.W.) and Brian Mark (Vic) faced the traps. Anderson missed his first bird out and retired. Hudson followed twelve birds later, and Heywood four rounds later. Brian Mark went on to drop out at his 233rd round. Doyle and Hamilton then settled in to battle it out. Hamilton ultimately gaining the title with a score of 270-270. Doyle was runner up 269-270 and Mark in third place with 233-234.

The second day, when the single barrel title was conducted, saw the start of a remarkable run of success by N.S.W. shooter Warren Charlton. John Raleigh, Qld, and Charlton tied for top placing, each with 49-50. Charlton won the shoot off, 57-58 from Raleigh and Jack Blake (Tas) each 56-58.

Shooting on the third day commenced with the Australia-New Zealand Trophy Event points scoring 3 and 2 over 50 targets. Six shooters returned a possible 150-150 points, and in the shoot Warren Charlton showed his true

form and maintained his unbroken sequence to score 324-324 points and take the title. Brian Mark was runner up with 323-324. Warren's brilliant performance through the 1965 Nationals was surely something of a record when he won no less than four National Titles at the one National Series. To the above two titles he went on to win the 1965 Champion of Champions Cup Score 60-60 and rounded off the series by taking out the 1965 Double Rise Title with a score of 56-58.

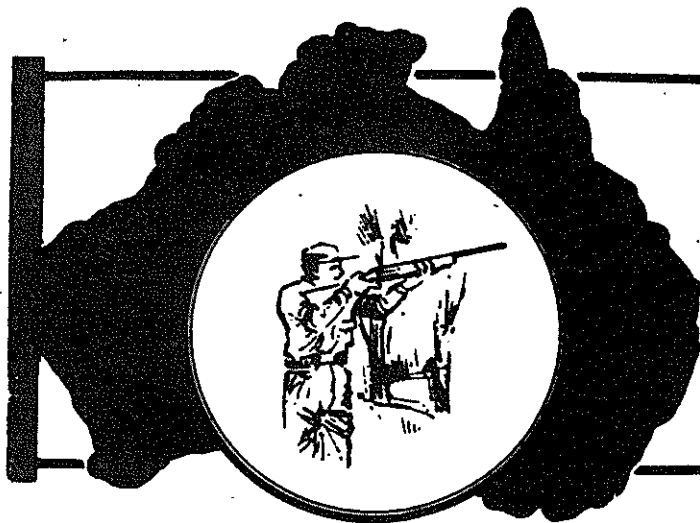

## VALE

Norman Paterson (Pop) Honorary Life Member of the Sebastopol Gun Club passed away on September 1, 1988, after being ill for some time. In his young day he was a keen field shooter. He was introduced to clay target shooting by his son Norm at the Learmonth Club in 1954, where he became trapper from 1956 until the club closed in 1965. In 1962 Sebastopol Clay Target Club also gained his services. On his retirement from work he took up a full time active interest in S.C.T.C. Although not a competitor in the sport himself, he helped with school students, venturers and scouts and the Central Highlands Police Clay Target Club, as well as being groundsman and trapper for Sebastopol. The rest of his time was spent travelling with son Norm and grandson David to other Clay Target Clubs.

Because of failing health he resigned as an active member in 1982.

## EXMOUTH CLAY TARGET CLUB

On September 11th the Exmouth Clay Target Club hosted an Australia versus American Challenge Match. A 25 Target Double Barrel Target Point score event was shot as the main event for the challenge with the Australian team consisting of Wayne Anderson, Jean Webb, Steven Webb, Peter Maier, Garry Houghton, Peter Lake. On the American team were ETCS John A. Bush, RMC Michael O. Cunningham, ET2 Dwayne G. Kunitomo, MN1 Garry L. Kellogg, SN Don J. Curtin, PH2 John Bishop. The Australian team came out winners with a score of 300 out of a possible 450 with the Americans scoring 169 out of a possible 450. The day started with a 10 target double barrel eye opener to get the shooters warmed up and used to the days conditions. That was followed by the main event with the Australian team starting off first to show the Americans the way the event would be shot. After that a 10 target single barrel event was shot with all shooters participating.

The next event was a 5 target double rise with two targets thrown up at the same time, giving the shooter two targets to hit with two shots. Then a 5 target double rise partners was held with two shooters trying to hit their own target and then lining up on the other partner's target if they missed. The day was enjoyed by all shooters and spectators and the next challenge was already being planned for by the Americans with the promise to beat the pants off the Australians next time.

## Dick Reeves

On Saturday, September 24, Dick Reeves died exactly the way he would have wished to go — shooting. He collapsed with a heart attack during an event at the State Skeet Carnival, and did not recover. Dick, aged 64, and a bachelor, had been a member of the Townsville Gun Club since 1946. Dick's great loves were duck shooting and skeet. He was a great shot at both. His quiet presence will be missed at our club and also at Burdekin and Charters Towers where he was a regular competitor, and without Dick and his dog, the swamp will not be the same.

## Aub Edwards

Townsville Gun Club members were saddened recently by the death, after a short illness, of a grand old man of shooting, Aub Edwards, at the age of 83. Aub first shot in Victoria as a young man and was still shooting up until two years ago. He loved all types of shooting, and over the years won many championships. As an indication of his prowess, he won a handicap championship at the age of 80. Aub was a Past Patron of our club and his name carries on in the sport with sons Barry, Robert and grandson Douglas, following in his footsteps.

# Winchester Ball Powder

## The case for the Defence.

When the allied defence forces introduced Winchester Ball Powder during World War 2, wear and tear on weapons was drastically reduced. Barrel life was significantly increased. Accuracy improved. And greater consistency was achieved.

As a result, Winchester Ball Powder Propellants have been used in over 90% of all U.S. Military small calibre ammunition in the past 40 years. Today the same applies for the military and civilian sporting shooters alike.

- Greatest chemical stability ever attained.
- High accuracy and ballistic uniformity.
- Lower flame temperature.
- Less muzzle flash.
- Minimum pressure and velocity variations at shooting temperature extremes.
- Super high grain density.
- Metres more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges.

With the results achieved from using Winchester Ball Powder... the Defence rests.

You can too. Send the coupon for Winchester's FREE Loading Data Book - now in its 10th Edition.

# Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength 2¾" load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions – including **price**.

See your local Gun Dealer now for the lowest price on the toughest auto in the world.
