**FRONT COVER:** The new Clay Target Range, after the completion of 6 D.T.L. layouts, 2 Skeet, and 1 Olympic Trap, at the International Sports Shooting Park at Virginia in S.A. The new home for International Gun Club, and proposed headquarters for future S.A.C.T.A. Carnivals, and National Championships allocated to S.A. The Dept. of Recreation and Sport has been very generous with its allocation of funding, and a range site, to help make this project become a reality.

# EXECUTIVE DIRECTOR'S NOTES

Another year has come and gone, and as we look back we find that it has been a mixed one. On the one hand we find that our membership is well up on past years, and on the other we have not yet seen the last of the attempts to impose severe restrictions on the ownership of guns. We believe that shooters on the whole are a responsible part of the community and that rather than continue the efforts to thwart on the shooting population, we should be seeing a more concerted effort to encourage responsible use. We are all aware of the problems and must not, under any circumstances, give up when the need is there to continue our stand against repressive gun legislation.

The influx of new members has certainly assisted our finances, however, one year of surplus is really only replenishing the larder which, over the last three years, was becoming a little bare. The Annual Report to members will be more than healthy when compared to previous years, and if we are able to maintain the level of membership that we have enjoyed in 1988, your Association will reap the benefits in the years ahead. The old saying that there is safety in numbers may well be put to the test at a future date and for this reason alone all categories of our membership are reminded of the role that they must play if they wish to continue their involvement in the sport of shooting, particularly clay targets.

There has been a restructuring of the National Shooting Committee and for those who shoot the ISU Discipline of Trap and Skeet, the recommendations approved by the Executive Committee are most important. A total of four recommendations have been approved for introduction in 1989. They are:

## NATIONAL SHOOTING RECOMMENDATIONS:

1. Olympic Discipline National Championships will be conducted over seven days of competition with each of the State Teams matches being held on the afternoon of the third day. Day seven will provide for a 100T Olympic Double Trap Championship (non title) over 100T plus a semi final and final, each of 50 targets.
2. The Overall High Gun in Olympic Trap and ISU Skeet over the 400T Program will each receive a Gold Australia Badge.
3. The composition of and arrangements for all official teams to be restricted to team members plus appointed officials.
4. (a) A Justification Committee has been approved to review the composition of all overseas teams (all disciplines)  
(b) The National Shooting Committee of the day to be the appointed Justification Committee  
(c) All teams to be selected by a "first past the post" procedure subject to final acceptance from the official Justification Committee.

The restructuring of the National Shooting Committee will enable shooters to have their views taken into consideration and the Committee will reflect the views of the various disciplines if you support your elected representatives who, working on your behalf, are: I.S.U. David Menck, Skeet Bob Dower, Trap Peter Hayman, all of whom can be written to c/o the A.C.T.A. office.

In closing and on behalf of Leanne, Tina and Sandra, I would like to wish all members and their families a healthy and happy Christmas and extend best wishes for the continuation of health and happiness into the 1989 year.

Alan J. Maher

# A.C.T.A. DEBENTURE PROGRAM

As at 31st October, a total of 19 debentures have been taken up representing an amount of \$35,000. While we are still a long way from our goal of \$150,000 it nevertheless is a pleasing start to the program that will allow a suitable National Office to be purchased to cater for the needs of the Association for many years to come.

As well as the individual names it is pleasing to see that clubs have shown their support as well as two State Associations.

Approval has been sought from all debenture applicants to publish their support. I am pleased to be able to do this:

A.M. Burgess, N.S.W.	\$1000
T. Catling, W.A.	\$1000
C.M.T. Gun Club, W.A.	\$1000
R.G. Craigie, N.S.W.	\$1000
J.A. Fissioli, W.A.	\$1000
Geraldton Gun Club, W.A.	\$1000
P. Grove, N.T.	\$1000
N. Hardy, Qld.	\$1000
C. Herbert, N.S.W.	\$5000
R. Holtfreter, W.A.	\$1000
N.S.W.C.T.A., N.S.W.	\$3000
W.A.C.T.A., W.A.	\$1000
A.R. Watson, W.A.	\$1000
D. Wiese, W.A.	\$1000
S. Zuffo, N.S.W.	\$2000
Consent to be obtained	\$13000

Should you wish to add your name to the list of debenture holders then please complete the debenture coupon and return to the National Office.

We appreciate the support shown to date and look forward to the success of the program through the support of members.

The Executive Director,  
P.O. Box 800,  
GLEN WAVERLEY, VIC. 3150.

## A LETTER TO THE EXECUTIVE

Dear Sir,

After much thought and consideration regarding the current debenture scheme as proposed, we have come to the conclusion that rather than ask people or clubs to contribute in \$1000 debenture units that this issue should be abandoned and a levy of a minimum of fifteen dollars per member be imposed as a one off charge.

This would consolidate our finances and enable us to purchase our headquarters and place our administration into a fully paid up situation. The executive should give their consideration to the following. At current interest rates, 13½ per cent can be obtained on invested capital.

Under the current debenture proposal, persons or clubs are virtually donating 6% of their profits to the ACTA. This is \$60 per debenture or \$600 per 10 debentures per year. The current debentures scheme will be borne by too few clubs and loyal members, as is usually the case with this type of arrangement.

The executive should stop pussy-footing around and confront the problems head on. Every shooter should be levied on a once only basis to raise these finances. In the following year the association should then have surplus funds which could be invested in interest bearing deposits. This way we have a financially healthier association not burdened with a debt over our heads. This will eventually have to be repaid plus interest which will indirectly cost all members more.

Members who object to this scheme should open their narrow minds and consider that \$15 represents only about five packets of cigarettes, two jugs of beer, or 100 reloaded shells. This levy would be just a small sacrifice that everyone should contribute to so this association can be on a sound footing in the future.

In conclusion any member who refuses to pay the extra levy and resigns their membership were quite obviously only half hearted. Those members who object should really give some serious thought in that they are contributing to the future of their association and sport.

Let's get down to business and get on a sound footing. Every member should contribute and bear the burden instead of the usual minority. This way we will all be better off in the future.

Yours faithfully,

M.J. Hawley,  
G.A. Featherstone

## CHRISTMAS MESSAGE FROM THE PRESIDENT

Christmas is here again. It seems to me it comes round faster each year. By now clubs will be conducting their Christmas shoots. I wish them well, and hope they have had a successful year.

It gives me great pleasure, on behalf of my wife and myself, to wish you all a very merry Christmas and a bright and prosperous New Year.

During the year we have had a number of changes in your Executive, a number of old-hands have retired. To these people I say thank you for all the effort and hard work you have put into Clay Target shooting. To the new Executive who have joined us during the year, good luck, and remember for the improvement of shooting it is a team effort, let us all work together.

The three Nationals conducted during the year were all successful, although numbers were down in some cases. To the few hard working people who conducted these events, thank you, I did appreciate your effort.

We are still renting your association headquarters, which is most unfortunate. If the debenture program does not pick up by the end of the year, your Executive will have to look at other means of raising finance.

The 1988 Olympic Games have come and gone. We did not win any medals but I congratulate all team members for a very fine performance, and I know they did their best.

To our sponsors of our sport, we all appreciate your support.

I look to the year ahead, to the purchase of our new premises, and the three Nationals with bigger and better attendances. With your help these can be achieved.

To the Clay Target shooters of Australia, both Joan and I wish you and your families all the best for 1989, and may you break many targets.

J.K. Scott,  
National President

## AUSTRALIAN SPORTS COMMISSION COMMISSION

In keeping with the assistance given to National Sporting Associations for the development of their respective disciplines, the Australian Sports Commission have recently announced grants for the 1988/89 period and clay target shooting has received a grant totalling \$51,000.

The funding assistance enables the Association to have available the services of a full time National Coaching Director as well as assisting with development projects and the partial funding of our overseas teams which are vital to the continued growth of clay target shooting at international level.

In addition to our individual discipline grant, the Sports Commission have also announced the continuance of their funding assistance to the Australian Shooting Association which enables the shooting disciplines to employ a part time General Secretary.

### OFFICE HOURS — CHRISTMAS/NEW YEAR

Please take note that the A.C.T.A. Office will be closed as from 1.00pm on Friday December 23, reopening at 9.00am on Tuesday January 3. Wishing all of our registered shooters and families a Merry Christmas and a Happy and Healthy New Year.

Alan, Leanne, Sandra & Tina,  
A.C.T.A. Office

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

# INTER CELEBRATES ITS NEW RANGE

International Gun Club held its 1988 Birthday Shoot at its new range at the International Shooting Park Virginia, on October 15th and 16th.

This new Clay Target range will not only be the home for the International Gun Club, but also will be proposed headquarters for S.A.C.T.A. Carnivals and Nationals.

The front cover photo shows the range at the completion of Stage 1, which was finished in 12 weeks. A tremendous effort was made by Metro Martini (President), Peter Marcoionni (Past President), Bob Baker and Graham Donald (Committee) and Adrian Martini (Metro's son). Special thanks to all others who gave their time and effort to achieve this great new range.

*View of some of the visitors' cars, together with the temporary Clubhouse/Marquee at the new International Gun Club.*

*The 1st Olympic Trap squad to compete on the new range. Left: President, Metro Martini, preparing to shoot. Right: National Vice President, Leighton Martin, contemplates his first target.*

The first day of the shoot had 64 competitors eagerly trying to be the first to record possibles and/or victories on the new range. John Byrnes took initial honours in shooting the first 25/25 at Olympic Trap and again the first 25/25 in the next Double Barrel Championship. The Anniversary Trench was won by John Johanson after a long shoot off with Leighton Martin.

The Anniversary Double Barrel event was won by John Byrnes with Ian Campbell second in 'A'.

The Anniversary Point Score Championship was very well won by Peter Marcoionni, with the only possible 75/75 for the event.

The Jim and Annette Finis Trench Team Shield was convincingly won by International No 1 Team — Peter Marcoionni, Dino Oliviero, John Richichi and Leighton Martin 175/200.

Sunday 16th saw a very windy and dusty day, which was unpleasant in the least. A great crowd of 95 competitors showed their spirit and the Birthday Double Barrel event was won by a great S.A. shooter, Craig Bentley from Terry Kenyon. The following International Handicap was graded and again Craig Bentley won the 'AA' section, with Remano Bisi winning the 'A' section; Brian Cottel won 'B' section and A. Papacharalambous won 'C'. The Birthday Single Barrel Championship was also added to Craig Bentley's trophy belt. The major event of the weekend was the Colin Sparnon Memorial Double Barrel Championship, and again a great victory to Craig Bentley from Dino Oliviero.

The Colin Sparnon Memorial Team Shield was won, unexpectedly, by Mallala Gun Club after a grand shoot off, 111/125. The proud team was John Ellis, Tim O'Connor, Brett Johnson, Graham Gilbert and Ron Smith.

The Overall High Gun — Craig Bentley; 'A' High Gun — John Johanson; 'B' High Gun — Peter Hall; 'C' High Gun — A. Papacharalambous; Ladies High Gun — Barbara Wallace; Veterans High Gun — Peter Caddy.

*The impressive array of trophies, which nearly 160 competitors vied for, over 2 days of competition.*

The Saturday evening Anniversary Dinner was attended by 66 shooters and families and friends, and this was followed by a very interesting Calcutta. Peter Marcoionni was in great form, and in fine voice, and ably added over \$400 to the purse. However, Craig Bentley was the successful shooter and came from the one horse stable of Leighton Martin; quality not quantity.

We all eagerly await the 1989 International Gun Club Anniversary Shoot, for another great weekend.

# FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

PETER QUIRE

The Olympic Games are over and the teams back home again. The Australian Shooting Team certainly tried hard, and in some cases, shot their personal best scores. It was an unusual competition in that many of the best shooters in the world in Clay Target shooting found the Olympic competition tough going. The Italian shooters who had performed so well in the World Cups, Matt Dryke the World Champion and many others, just did not make the finals. Our own trap shooters, Russell Mark and John Maxwell both made the semi finals, with Russell coming 15th and John equal 22nd.

Ian Hale and Domingo Diaz failed to make the cut off for the semi finals. In the other shooting sports, Alan Smith came 11th in his event, prone, in small bore rifle and Phillip Adams in air pistol came 15th. It became obvious to me that our shooters, while being just as talented as those of the Eastern Bloc, do not have the major competition experience that the shooters from Russia or East Germany etc have, nor the opportunity to engage in long term intensive practice. Any sportsperson, whether their sport is golf, cycling, tennis, hockey or shooting, in this day and age of professionalism, to be amongst the top ten in the world, must compete at that level. There is the occasional unexpected win by an unknown, but for the level of performance required at Olympic competition, the competitors must have the confidence and toughness that comes from having to perform under pressure.

Because of lack of money, our competitors are truly amateurs. They must earn a living, and a good one to compete at all, let alone afford the continued absences from their work that competition and training require. The swimming coach bemoans the fact that the young swimmers must start making a career when they finish their swimming career, as they have no hope of starting one while they are training. How much harder it is for older people who have commitments, family and work, and who do not just jump into a pool to train, but must pay for the targets and the ammunition that they train with. That is if they can find a club open during the week, with automatic traps and someone to push the button. The fact that our shooters, when they do compete on the international scene, regularly manage to come in the top 20 in the world shows what commitment they have.

It will be essential for the next Olympics that our shooters have the opportunity to compete in the World Cups in Europe in the years prior to the Olympics in Spain. Firstly, they must do so to achieve their minimum qualifying scores, and secondly, they must perform credibly in those events to justify selection. Big fish in little pools are often little fish in big pools and whether we like it or not, little value is put on Australian performances by the Olympic Federation.

The organization and facilities in Seoul were first class, equal to anything I have seen in the world. The accommodation in the village was excellent also. The range was approximately three quarters of an hour from the village and the traffic had to be seen to be believed. A horn is essential and the drivers use them continually. It just seemed chaos to me even with half the cars off the road.

Since coming home I have had letters from England and Europe from shooters who regularly correspond with me, and they all have the same complaint that I have heard since coming home — no coverage of the shooting events on television, and only minimal coverage on the radio. There certainly wasn't any lack of television crews and reporters at the grounds, so I don't know what happened to the footage they took. The morning after John Maxwell shot 75/75 he was followed by the media, not

understanding the nature of the event, many thought he had won. Russell Mark shot very consistently, 23 being his lowest score, Russell shot 191 and John 189. The experience gained by John, Russell and Domingo will stand them in good stead for future international competition. It was an extremely high standard of shooting at Seoul. The winner of the Trap shot 197, as compared to L.A. Olympics where the winner shot 192. Jim Ellis shot a 190 and Terry Rumbel a 189 in L.A. in 1984. The presence of the East Europeans certainly made a difference. Wergner of the G.D.R. told me that he would not have qualified to go to the Olympics unless he shot 196 at the World Cup. He went on to win the Skeet with 198. Unlike the Americans he does not crouch. Monakov of Russia who won the Trap is a shooter of impeccable technique, the result of hours of practice.

The Russians tell me they are looking forward to the Australian team coming to Russia for the World Championships in 1990.

## 1 OZ. LOAD

From January 1989, 1oz loads only are to be used under the new U.I.T. rules. This will be the same for both Olympic skeet and trap. Shooters at the 1989 Olympic Nationals in Melbourne must be using 1oz (28 grams) loads.

Some of the top European shooters have been using this load and tell me that it has made only a slight difference to their scores. They believe that with future practice with the new loads they will reach their previous standards.

The theory behind the move is to decrease lead and noise pollution, and to lessen the recoil.

New records will be made with the new loads. State, National and World records will start anew from the 1st January. I am quite sure that many of the D.T.L. shooters will go to 1oz load when they see that the International discipline shooters break targets with them.

## VICTORIAN STATE COACHING DIRECTOR

I am very pleased to welcome Len Cook as the new State Coaching Director in Victoria. Len, as Director of Coaching, is enthusiastic and knowledgeable, and with the support of the many excellent coaches in Victoria, will join his organizational abilities with their coaching abilities and Victorian Coaching will go from strength to strength.

Good shooting,

PETER QUIRE

## TERRITORY CARNIVALS

The Northern Territory Clay Target Association recently conducted two carnivals both at the Darwin Gun Club. The State Skeet carnival was held over the weekend of 17-18 September and the State ISU Carnival over the weekend of 8-9 October.

The skeet carnival attracted shooters from all over the Territory as well as from Mt. Isa. It was a pleasure to welcome an old hand, Mick McGill — look forward to seeing you again next year Mick!

Weather started off as vintage Darwin with temperatures in the high 20s to low 30s but, as each day wore on, the good old south easterlies blew up making for some very interesting targets indeed. Nevertheless I would not repeat the descriptions I heard out on the traps in a quality magazine such as this!

Competition was fairly tough with individual fortunes waxing and waning. The Gove contingent kept everyone on

their toes with both Henrik Madsen and Greg Bateson turning in good performances being the two man team winners for the weekend.

Both Mick McGill and that man from Katherine, Jim Bitossi (Vice President NTCTA), started off in fine style with 24/25 in the eye opener event.

The long shoot off for the handicap was unfortunately marred by a grading error being found on one of the cards, necessitating a reordering of the place getters. The sportsmanship of all shooters involved is gratefully acknowledged.

Congratulations to Mick McGill for winning the High Gun and to Henrik Madsen, Jim Bitossi, Greg Bateson, John Millington and Jim Niland for gaining places on the N.T. State team for the Skeet Nationals in November.

## RESULTS:

### N.T. STATE SKEET CARNIVAL

Event 1: 25T Eye Opener — 1st A: Mick McGill 24/25; 1st B: Jim Bitossi 24/25; 1st C: Brian Tyson 23/25.

Event 2: 50T Marrara Handicap — 1st: Jim Niland; 2nd: Ken Bathman; 3rd: Greg Bateson.

Event 3: 50T Arafura Championship — O/A & 1st B: Henrik Madsen 48/50; 1st A: Mick McGill 47/50; 1st C: Mick Milera 45/50.

Event 4: 50T Night Championship — O/A & 1st A: Mick McGill 47/50; 1st B: Jim Bitossi 42/50; 1st C: Kevin Wright 46/50.

Event 5: 50T State Skeet Postal Match — 15 Person Team: Greg Bateson 50/50; Henrik Madsen 47/50; John Millington 48/50; Jim Bitossi 48/50; Jim Niland 46/50; Alan Wickham 43/50; Peter O'Grady 42/50; Mick Milera 41/50; Brian Tyson 41/50; Steve Lorman 40/50; Chris Hornick 39/50; Paul Wais 39/50; Russell Evans 38/50; Ken Bathman 34/50; Alan Brown 28/50.

Event 6: 50T State Skeet Championship — O/A & 1st A: Mick McGill 48/50; 1st B: Jim Bitossi 47/50; 1st C: Jim Niland 47/50.

State Skeet Team — Henrik Madsen, Jim Bitossi, Greg Bateson, John Millington, Jim Niland.

Two Man Team Winners — Greg Bateson, Henrik Madsen.

Overall High Gun — Mick McGill.

The State ISU Carnival was unfortunately not as well attended as the Skeet Carnival. Virtually all shooters were Darwin locals, perhaps a reflection of the fact that Darwin boasts the only trench layout in the Territory. Nevertheless the shoot was a very enjoyable one despite the very hot conditions.

The trench saw a battle between Ian Hageman and Ken Selwood for line honours. Ken (Bull) Bathman won the skeet high gun easily. Despite being his official go at skeet of any type and being graded A as a consequence, Maurie (Bluey) Hayes shot creditably getting himself a place in the State squad in the final round.

Congratulations to the High Gun winners Ian Hageman (trench) and Ken Bathman (skeet) and also to those who won places in the respective State squads.

Many thanks to Darwin Gun Club for hosting the two carnivals and particular thanks to Pam Wheeldon and the rest of the ladies for feeding and watering us. Also a final thanks to the executive and committee members of NTCTA for their support and assistance.

## STURT PEA FROM S.A.

To all my readers I must apologise for missing the November issue. I have to admit that I was a couple of days late.

I hope everyone is pleased with their program books. I think the printer has done a magic job.

International Gun Club held their two day Birthday Shoot at the new complex on October 15/16, and by all accounts were very pleased with the attendance of shooters. The task was a very big one to get the ground ready on time, so very well done and congratulations to International Gun Club. As we were away on Inters Birthday Shoot weekend we are looking forward to the I.S.U. Finals this weekend the 29th October.

A reminder to all shooters who, throughout the year, won a State Title, that they are eligible to shoot it out to be overall champ at the D.T.L. Carnival in February and so be the proud owner of the Ray & Pat Mack Trophy.

Skeet Team was as follows for the Nationals in Melbourne on November 17-20: D. Sparnon, R. Dower, R. Kimber, D. Burton, K. Holmes.

## MASTERS GAMES

S.A.C.T.A. are definitely a part of the Masters Games which are to be held in S.A. during October 14 and 22, 1989. Graham Michell and Leighton Martin are our reps on the S.A.S.A. to arrange our shooting days and the events to be held. I will keep you informed as the arrangements come to hand.

## CONGRATULATIONS:

### Mr & Mrs Tom Megaw

I have been waiting for some months to be able to put this item in the notes. It is a very big congratulations to Carol and Tom Megaw who were married on November 5 at their home near Allendale. Tom is a member of the Mt Gambier Club. Very best wishes, I hope you got your basket of flowers at Padthaway and that the boat trip was good. Congratulations from all who know you.

## SOUTH EAST GUN CLUB

This club is now steadily progressing with the planting of trees and the completion of two toilets. Construction has now started on the first trap layout with the concrete foundation and floor completed and by the time this goes to print the next working bee will have been held to do the stone work to finish the trap house. In the near future it is intended to get on with the levelling and get the lanes done also. The committee have already staked out the next two trap layouts and provisions have been made for a skeet layout.

Special Shoots: December — Bordertown: Final of the CH/CH donated by the Andrews family. Plus the presentations of the 1988 Growden family Aggregate Trophy.

See you in 1989,  
I.M.G.

# 1988 — N.S.W. STATE TRAP CARNIVAL

The 1st, 2nd and 3rd October was the date and the Sydney/Marconi Club was the venue for the 1988 State Trap Carnival. As has been the trend for many shoots this year, numbers were down, however, the competition was strong, even though the conditions were not kind. This year saw the staging of the first State Handicap — a 30 Target event, very kindly sponsored by Munt and Jolly, Master Plumbers of Sydney. Of the 162 competitors, only one handled his handicap mark of 21 metres with ease. Fred Schmetzer from the Leeton Club was the winner overall with a score of 41/42, from Rod McGregor of Majura Park who shot from the 16 metre mark. Douglas Forster was the winner in the 11-15m section with 27/30, Sydney shooter Michael Schmitt returned 29/31 to win the 15-17m group. A 35/37 from Rex Bown was enough to see him take out the 18-21m section and in the back markers, Kevin Perkins from Illawarra was the winner with 28/30. The Ladies winner was Linda McGregor with 27/30 shooting from 15 metres and Brian Leonard from Griffith won the Junior division with 28/30 from 13 metres.

Grade from Glen Campbell of Boorowa. David Turner shot 49/52 to win 1st in "C" Grade from Roger Baker of Tumut. The Ladies winner was Georgina Mitchell of the Guyra Club with 46/50 and Paul Fairall shot a fine 49/50 to win the Junior section.

(L-R): Craig Tilley — D/B and Fred Schmetzer, Handicap winner.

The Olympic Target State Double Barrel was the next event, and the defending champion was Dubbo shooter, Arthur Turner. Of the 168 shooters only five managed to record a possible — a big difference from last year when 39 possibles were on the score board. It was not long before a result was posted, with the winner being Illawarra shooter, Craig Tilley with a score of 68/68. Frazer Roberts returned 69/70 to take out 1st in "AA" from John Blazley of Sunny Corner. In "A" Grade, Andrew Futter from Glen Innes recorded 55/56 to take 1st from John Kelland. Hawkesbury shooter, Ross Hibbert was the winner in "B"

Mike Fisher — State Single Barrel.

Sunday morning again presented a windy outlook making possibles very difficult to achieve. The Westfield Shopping Town State Single Barrel was first up and 173 shooters took to the tracks. With no possibles recorded — those on 49 entered the shoot off with the winner being Mike Fisher from the Illawarra Club with a score of 63/64. Mike is in Australia for 18 months with his work from the United States and has been recording some good wins around the tracks in the last few months. Runner up to Mike was Michael Diamond on 62/65, 2nd in "AA" was Doug Jordan from Majura Park. Peter Lynch from Cowra was the winner of "A" Grade with 62/64 from Brian Holcombe of Narrabri on 48/50. A 46/51 from Rod McGregor enabled him to take out "B" Grade from Pat Young of Coffs Harbour on 51/57, Douglas Forster collected another trophy for 1st in "C" Grade on 40/50, from Roger Baker of Tumut on 39/50. A 41/50 from Kathy Gault earned her the Ladies trophy and Robert Holmes of Moree won the Junior trophy.

The next event on the program was the Horsley Park Gun Shop State Point Score Championship and the defending Champion was Dick Piotrowski of Cowra — again possibles were nowhere to be found — with 148s being required for the shoot off. The Overall winner was Dennis Turner from The Forest Club, with 1st in "AA" going to Darren Fairall from Dick Piotrowski. Marconi shooter, Brian Samuels was the winner in "A" Grade from

Dennis Turner — Point Score winner.

**SHELLEYS SOFT DRINKS**

Michael Bateman-Shelleys pictured with O/A winner Peter Hayman, Champion of Champions.

Chas Riegert from Katanning on 167/171. Mal Tilley shot 143/150 to win 1st in "B" Grade from Bruno Prampero on 153/162. That young fellow from Majura Park, Douglas Forster was again the winner in "C" Grade from Jake Guzellan. The Ladies winner was Kathy Gault with 136/150, and the Junior section was shared between Clinton Hawke from Cowra and Darren Corcoran, both recording 136/150.

With the three "team qualifying" events being completed, the State Teams could be finalised — the 1988 Open State Team is made up of: Peter Lynch, Michael Diamond, Mike Fisher, Greg Pinner, Dennis Turner, Peter Rose, J.W. Smith, Dick Piotrowski, A.M. Burgess, Stephen Guest, Doug Jordan, Bill Jones, Steve Osbourne, Frazer Roberts and Robert Smith. The Ladies team is: Kathy Gault, Janenne Kidd, Georgina Mitchell, Gwen Toshack, Lorraine Lloyd and Lynne Blake and the Junior team comprises Michael Diamond, Tom Turner, Paul Fairall, Robert Holmes, Glen Campbell and Darren Corcoran.

A very early start was the order of the day on Monday, to allow for the Teams match and then for the Champion of Champions to get underway. Following the Teams match — the N.S.W. Shoulder-to-Shoulder Team for the 1989 Trap National is: Michael Diamond, Mike Fisher, Stephen Guest, A.M. Burgess and Bill Jones.

The Shelley's Soft Drink State Champion of Champions was the last event for the weekend and there were two handicappers who wanted to get on the road to Cowra as soon as possible — however, Peter Hayman decided differently and recorded a 123/125 — in the first wave squads — and then had to sit out the next four hours — before being awarded the winner's sash. He did upset the plans of travel!! In the "AA" Grade section, Darren Fairall was the winner with 130/135 from Michael Diamond on 129. Local shooter, Tony Alvaro won "A" Grade with 121/125 from Peter Pontello on 120/125. A 113 from Ian Callander saw him take "B" Grade from Mike Freestone. Tony Swift won "C" Grade from Lorraine Lloyd and the Ladies winner was again Kathy Gault with 104/125, with Paul Fairall taking the Junior trophy.

The Team High Gun trophies were again sponsored by Fuller Firearms, and the Open Team High Gun went to Michael Diamond who also took out the Junior Team High Gun. The Ladies Team High Gun went to Gwen Toshack from the Cowra club.

## Cont'd from previous page

Frank Smith from Winchester made a quick dash from the Boggabri shoot to be on hand to present the Overall High Gun winners with their trophies. With a score of 390/405 Michael Diamond collected the overall and junior high gun trophies and Kathy Gault won the Ladies High Gun with 352/405.

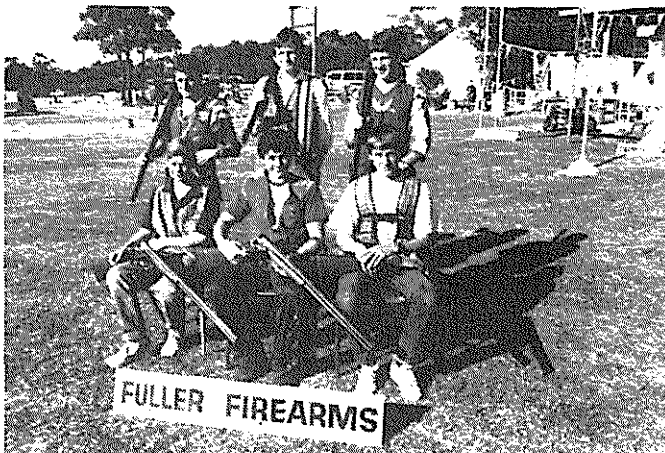

The "Home Zone" advantage showed up with the Southern Zone taking out all 3 Inter-Zone competitions and then capped it off by taking out the Bird/Scott trophy for the best presented Zone display — a great effort and congratulations to those who put the Zone Display together.

So, another Carnival draws to a close — next year all roads lead to Moree — the Club having started work on the additional two layouts already.

At this point I would like to take the opportunity to thank once again our valued sponsors — without you we could not present the quantity and quality of trophies that were presented to the winners during the three days of the carnival — Munt and Jolly, Master Plumbers — Olympic Targets — Westfield Shopping Town, Miranda — Horsley Park Gun Shop — Shelley's Soft Drinks — Fuller Firearms — and Winchester Australia.

Until next year —

## NEW LIFE MEMBERS TO N.S.W.C.T.A.

During the recent N.S.W. State Trap Carnival, President, Robby Smith performed what he classed as a very pleasant duty — this presentation coming as a total surprise to all three recipients.

Robby awarded Life Membership badges to three long serving members of the State Executive — namely, A.M. (Pud) Burgess, Jim Scott and Col Burt.

"Pud" attended his first State Executive meeting on the 17th February, 1974, and has served on the State Executive ever since — having been the original State Coaching Director and also serving on the National Executive for a time. Pud was recently re-elected to the National Executive.

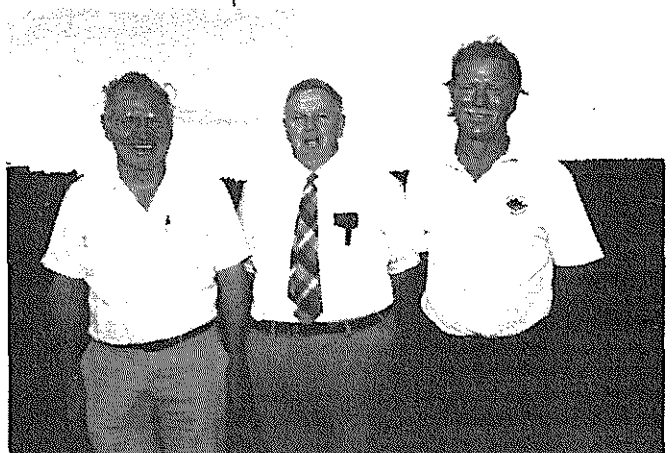

Jim's first meeting was on the 1st February, 1975 — and he too has served continually ever since that date. Jim has held many positions on the Executive during that time — being Vice President, Financial Adviser and also a delegate to the National Executive — and now as National President.

Col is the junior of the group, having been elected as a Zone Delegate on the 21st July, 1976 — and attending his first State Executive meeting on the 2nd October, 1976. Col has also continually served the State Executive since his election in 1976 and is currently the State Coaching Director.

"Pud", Jim and Col now join our previously appointed Life Members, Ernie Hawkins (Past President), Mrs Verlie Hawkins (Original State Secretary), Vince Phillips (P.P.) and Len Bird (P.P.).

On behalf of all shooters — from N.S.W. and beyond — all join to offer congratulations to three very worthy recipients of Life Membership.

# I.S.U. RULES UPDATE

Courtesy of D. Menck, National I.S.U. Rules Supervisor,  
Editor "Shotstring"

The latest copy of the I.U.T. Journal from Germany confirms the recent rumours regarding one-ounce loads. "From January 1, 1989, the maximum cartridge load for Olympic Discipline Trap & Skeet events will be 28 grams of lead shot."

The General Assembly of the U.I.T. have also decided to reduce the Minimum Qualifying Score in both trap and skeet for the 1992 Olympic Games. The new M.Q.S. are: Olympic Trap 182-200, I.S.U. Skeet 184-200. The same meeting again voted not to allow compensators or similar devices on guns used in Olympic Trap competitions.

★ ★ ★

On the subject of cartridges . . .

When the new limitations regarding shot weight come into force next year, the other restrictions as to shot size etc will not change. Maximum shot size for Olympic Trap 2.5mm (+0.1 tolerance) — in Australia this means No.7 shot is O.K., **No.6 shot is NOT.**

For I.S.U. Skeet, lead must not be larger than 2.0mm (+0.1 tol.) i.e. No.9 shot. Larger shot such as No.8 or No.7 is not allowed. Dispersant wads or similar are also not permitted, and only one type of cartridge may be used in a round, that being the type used at the commencement of the round.

## W.A.C.T.A. REPORT

December upon us already and with the year drawing to an end, I hope your involvement with clay target shooting in 1988 has been as enjoyable as mine. I would like to take this opportunity to wish all members and families a Merry Christmas and all the best for 1989.

The testimonial dinner held for immediate Past President, Mr Roy Holtfreter, was a most enjoyable evening. To hear some of the stories of his earlier shooting years proved very entertaining.

I took the opportunity to incorporate a family holiday trip north, along with Executive Member Trevor Smith and his family to Newman, via Geraldton, Carnarvon and Whittenoom. Unfortunately we ran into minor mechanical problems resulting in arriving at Newman 1.30am Sunday; 2½ days later than planned. Numbers were down on previous years. Disappointing for the club, bearing in mind the trophy value. Full credit to the Newman Club for their warm hospitality, and a club house and grounds they should be very proud of. Winner of the State Walk Up and High Gun was D. Kevill. I would certainly recommend to include this carnival in your 1989 calendar.

October 15th and 16th saw the State Skeet and State Trap team eliminations. 133 Skeet competitors on Saturday, and 140 on Sunday. High Gun for the skeet team was C. Bertini. High Gun for the Trap was P. Strike.

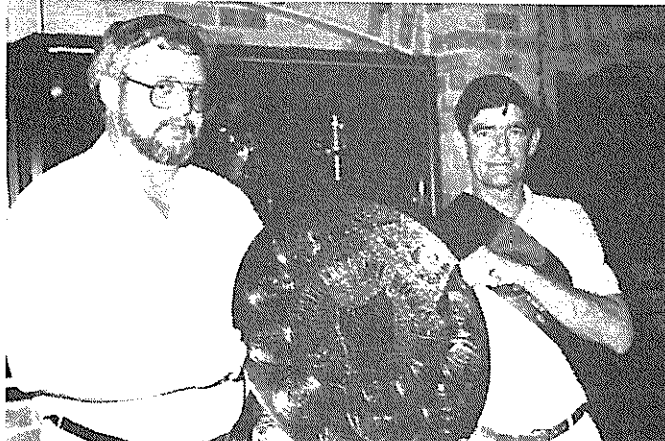

W.A.C.T.A. State Teams Carnival. State Trap Team. Back Row: J. Fissioli, H. Harmer, J. Dyas, M. Watson, M. Alexander, R. Bessen, A. Ferreo, M. Callaghan. Front Row: G. Beard, M. Kosovich, C. Hyder, P. Strike (High Gun), J. Hartley, D. Wellington, R. Silvester.

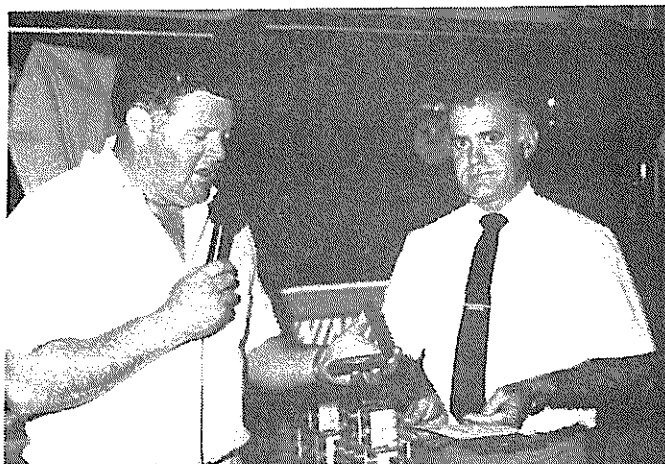

W.A.C.T.A. Carnival. Ladies State Skeet Team. Back Row: Jean Bunter, Linda Johnston, Jan Neve. Front Row: June Roach, Helen Wiese (High Gun), Elaine Forward.

Congratulations to event winners and team qualifiers. The coveted High Gun winner over two days of competition was very deservedly won by D. Wellington. Recognition must be made to our major sponsors: Stratco, Winchester, Mick

& Leslie Watson, Graham Harris Gun Mart, Scorpio Cartridges and The Department of Sport & Recreation. An interschool three person team event was conducted for the first time at our carnival. 33 Junior competitors from varying areas of the state shooting. 25 D.T.L. over 6 layouts was a very pleasing sight. Thanks to Mr Lex Shipp and Winchester for promoting and sponsoring this event. A great way to foster new shooters into the sport.

W.A.C.T.A. Teams Carnival. Overall High Gun. T. Moroney (Manager of Stratco W.A.) presenting High Gun Trophy to winner, D. Wellington.

W.A.C.T.A. Sports Person Award. D. Wiese (Medal donor) presenting it to winner Lex Shipp.

Winner of the W.A.C.T.A. Sports Person of the Year award was Lex Shipp, Junior winner Clint Rayner. Our nominees for the W.A.S.A. and Sports Federation awards were D. Kevill Senior, and Clint Rayner Junior.

I, along with nominees and invited guests, attended the inaugural W.A.S.A. Sports Star Award, instigated to recognise achievements at State and National level of sports affiliated with W.A.S.A. A most enjoyable evening with over 90 in attendance. A great idea for W.A.S.A. executive should be commended.

I had the pleasure of the company of P. Quire and A. Maher during October 29th and 30th weekend. Peter was across for a very successful coaching seminar conducted by State Coaching Director, Mr Murray Alexander.

Alan was across for the initial committee meeting in preparation for the 1991 world shotgun championships. It was pleasing to see Roy Holtfreter accept the position of chairman on this committee.

## I.S.U.

The final rounds of Skeet and Trench will soon be shot, and we will know who our state team members will be to attend the I.S.U. Nationals in Melbourne, February 1989.

AUSTRALIAN CLAY TARGET NEWS — DECEMBER 1988

Congratulations and good luck to the competitors. With the dedication these competitors are showing, and under the coaching expertise of Mr John Harris and Mr Murray Alexander, other states — BEWARE!

In closing for 1988, I wish to acknowledge the time and effort put into our sport by the Executive, and particularly W.A.G.C. President Terry Morony, Complex Manager Reg Wagland, State Coaching Director Murray Alexander and State Secretary Ross Arlow.

Until next month,  
John Fissoli,  
W.A.C.T.A. President

## WILKAWATT GUN CLUB

by Hot Shot

Thirty four shooters travelled to the Wilkawatt Gun Club for the monthly shoot on October 9th. Although rough weather conditions didn't do justice to the shooting, good results were achieved.

25 Target A.T.A. S/B Championship: 'A' — G. Warner 38/40; 'B' & O/A — L. Schubert 39/40; 'C' — N. Rundle 21/25.

25 Target Dalgety Bennett Farmers D/B Championship: 'A' & O/A — D. Beelitz 29/29; 'B' — L. Schubert 28/29; 'C' — G. Willcox 21/25.

Club High Gun — Don Beelitz; Ladies High Gun — Lynn Beelitz.

The club sincerely thanks D.B.F. for this sponsorship.

There were a few novices who shot this event so it was decided to present them with an encouragement award and this was won by Peter Best with a score of 19/30.

Preceding the shooting, a coaching morning was given by club coach and assistant State coach, Don Beelitz, and assistant club coach Wayne Hayward. Those who attended experienced a better knowledge about shooting the targets at respective angles when leaving the trap house. A few of the newer shooters were able to get a chance to gain more experience at shooting.

Extensions to the clubhouse have been made and visitors on Sunday were able to get a first glance of the reshaped clubhouse. The extensions were done under the guidance of Malcolm Frank from Adelaide. Spectators will be able to see the shooting from big glass windows and doors built in the front.

The next adventure of the gun club will be erecting trap houses for a Skeet layout. It is planned to have the grand opening of Skeet at the Anniversary Shoot in September 1989.

Eleven members travelled to Lake Albert Gun Club's two day Anniversary Shoot on October 1 & 2. Congratulations to L. Schubert who was O/A winner of the 25 Target Lake Albert Motel S/B Championship on the Saturday. Congratulations also to D. Beelitz, who was capable of shooting a perfect score on the Sunday, winning the 50 Target Meningie Liquor Barn D/B Championship and the all target jackpot which was worth over \$200. The Wilkawatt Gun Club No 1 team, namely D. Beelitz, L. Schubert, P. Rundle, T. Pfeiffer and K. Przibilla, won the Winchester Team Shield. There were seven teams competing for this shield. Well done boys! The trophy board is looking quite healthy at the moment.

Next shoot will be on November 13th, where the events will be 25 Target Murray Mallee D/B Championship. This event will be sponsored by Laser Sight and Sound from Adelaide. The winner of this event will be eligible for the Andrews Family Champion of Champions Trophy at Bordertown. The 2nd event is 20 Pr Des Pahl/Claas D/D.

## RENEW YOUR MEMBERSHIP

For the first time since the A.C.T.A. started, we have over 10,500 registered shooters, including 2,746 new members.

It is imperative for us all to re-register for 1989. We must all do our bit for our Association, not only to make sure shooters re-register, but to encourage more people to join our Association.

I look forward to a minimum target of 12,000 by the end of 1989. Not only would this help the A.C.T.A. financially, but would give us more strength when talking to Government. The gun laws have not gone away, they are still in the melting pot. The N.S.W. Government have said, only this week, they are looking into the whole matter of guns and gun laws. It does not matter in which State you live, or what Government is in power, the fact remains, Governments do not like guns, and the law will change. The more members we have, the better chance we have of Governments listening to what we have to say.

I believe the \$37 we have to pay in affiliation fees, plus \$5 for new members each year, is a small price to pay to have the use of our guns when we want, and to have a say in gun legislation.

In Government it is the numbers game, the more numbers the more they listen. So do yourself and your Association a favour, bring in more members. It is not that hard. If each club introduced say five new members, per year, plus what you introduce, just think what a wonderful Association we would have.

The future of guns and gun control is in your hands. It is a self help situation.

Jim K. Scott,  
National President.

# HISTORY OF OUR SPORT CHAMPIONS OF OUR SPORT

By George Biggs, A.C.T.A. Historian

## BARNEY ROOKE OF WAGGA

Barney Rooke first came into our sport of clay target shooting in 1968 and within 18 months of taking up the sport he had won no less than 24 overall championships. Prior to taking up clay target shooting, Barney shot big bore rifle shooting where he enjoyed a very successful record. I've persuaded Barney to give me a list of his achievements over the years since 1968.

His first State Title was the N.S.W. Walkup Championship in 1969. Then in 1970 he took out the National Grand Australian Handicap at Perth. He has since 1970 added to the list 19 State Titles, both trap and skeet, and was three times State Team High Gun. His bag of Commonwealth titles includes Commonwealth Double Barrel Mini Championship 1971 and also winning this title again in 1973. Barney's total number of championships won would be around 200 including all types.

Barney Rooke receives the Newton Thomas Award from A.C.T.A. President Roy Holtfreter at the 1987 Brisbane Nationals.

He has been a member of the Macintosh Team in 1970, 1972 and 1974, a member of the Australian Team competing in N.Z. 1971, 1972 and 1973, N.S.W. State Trap Team three times, N.S.W. State Skeet Team six times, N.S.W. State I.S.U. Skeet Team seven times and N.S.W. State I.S.U. Training Squad twice.

- In 1971 Barney shot a match with local trap shooter scoring a total of 699/700 at Wagga Gun Club.
- In 1973 a challenge from local shooter Eric Vincent with a side-wager of \$1000 with the winner collecting \$2000.
- In 1974 he was team captain of a group of 31 Australian trap shooters who competed in the USA.
- In 1976 he also captained a group of 65 shooters to New Zealand.
- In 1978 he captained a group of 106 shooters to New Zealand. (He has since taken many smaller groups to

the USA and New Zealand.)

- In 1980 he held the N.S.W. State Skeet break record of 213. This was shot at Mildura and was broken less than 24 hours later by Ian Hale. The record was broken three times in seven days. Prior to this, the record of 216 was held by George Biggs for just on five years.
- During his shooting career he has had over 25 trips to N.Z. and five to U.S.A.
- In 1978-1982 he was the Riverina Zone Coach and from 1982-1986 N.S.W. State Coaching Director. (He resigned due to other work commitments.)
- He is an Accredited Level 2 Coach and over the years has conducted more than 160 coaching seminars and schools.
- 1985-1987: State Executive (N.S.W.).
- He has been an A.C.T.A. Referee Examiner since 1974.
- Has been on various sub-committees.
- Won his first National Title in less than 18 months of shooting.
- 1978 A.C.T.A. Trap/Skeet Referee — Nationals.
- 1979 A.C.T.A. Asst. Shoot Marshal — Nationals.
- 1979 N.S.W.C.T.A. Asst Shoot Marshal — State Championships.
- 1982 A.C.T.A. Asst Shoot Marshal/Referee — Nationals.

I also found out that another shooter, Charles Lyne, originally from Tasmania, has moved to Bundy, so we wish you all the same Charles.

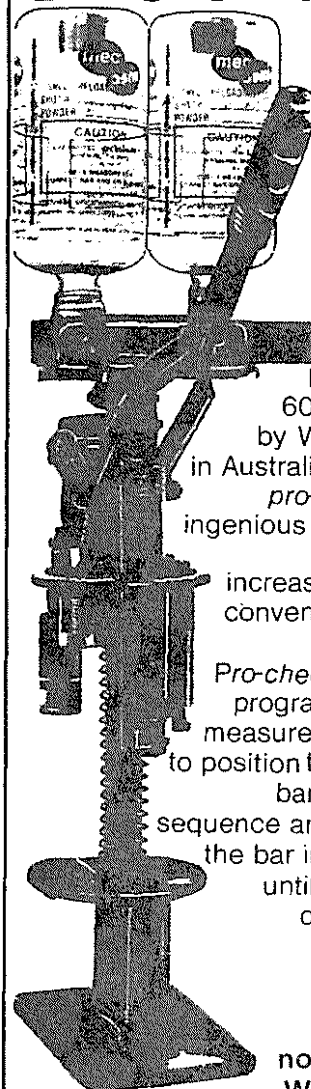

The team shoot over the weekend went to Gladrock consisting of W. Scarborough, L. Dalton, G. Whitfield, W. Whitfield and T. Meadows with Rum City coming second. High Guns: Veterans H. Walker, Ladies K. Rehbein, Junior R. Read, 11-15m H. Groves and BM to W. Scarborough of Gladstone which also included a two-day trip to Lady Elliott Island.

September 11 at Gympie was mainly a C.D. day. I had trouble getting the winners' names as a lot of envelopes were being handed around. Congratulations to those shooters who got into the cash. The ladies looked after us once again and I thank goodness that you don't have to shoot well to get a feed.

Maryborough September 25 saw another southerner take the honours in Ray Oakley from Albury-Wodonga club. Ray was placed in two events and took the FMHG. Thanks for coming Ray and hope you drop in again. Other shooters who featured were G. Fett, G. Sergiacomi, R. Rehbein, B. Stolberg and M. Swale. The team shoot for the day went to Maryborough team of P. Shaw, L. Shepard, D. Osbourne, A. Woods and J. Schmidt. Merry Christmas and Happy New Year to all shooters and families. I asked the kids in my family to put the tree up early this year and place the presents under the tree as it gets the Christmas feeling in the air, especially good when sitting in front of the telly with a tinny in hand. I can see under the tree a present in a funny shape, looks a bit like a gun. I hope it is the one that I pointed to in the gunshop window when I started taking the family window-shopping every Saturday night since February. It would only be about three times I have said I've put it to my shoulder and it fits like a glove. Come to think of it, I remember seeing the kids skid across the carpet this particular present, so the heavy weight makes me think it could be the gun. Sitting next to it, I can see that well-wrapped big bottle of scent that the boss sends home every year to the wife and I change the label. I know she loves the scent as there are about eight bottles of it in the cupboard.

Goodbye till the New Year.

## SHOWMEN'S GUN CLUB

I have recently met a great bunch of people and probably the keenest shooters around. They are people who travel around Australia to shows with their rides and stalls, known as "showmen"!

Being on the move they have no real "home town" or gun club to belong to. An idea came up and they now have a club called "The Showmen's Gun Club" which is registered with the A.C.T.A.

Before the Wagga Show, Charlie Miller (Club President) organised the members to go out to the Wagga Club, the Wagga members only having to supply the targets and a small amount of assistance.

After three nights of shooting there were some sore shoulders — not surprising since some shot over 100 targets each night.

As the Showmen's G.C. travel around they will contact clubs and make arrangements to use the facilities. They have their own trophies and championships. All their scores go onto their cards even though it is mostly night shooting. They are excellent shots too, and it was good to see the younger ones shooting as well, with some better than the older shooters.

The Wagga club will be looking forward to next year's show when there will be a Perpetual Cup with the Showmen's Club challenging the Wagga Club.

## WARATAH STATE NOTES

Another year has passed — and as we continue to say — so, so quickly. 1988 has certainly been a very full and active year for the N.S.W.C.T.A. and its member clubs. Firstly, the mass stance against the proposed changes to the Gun Laws and the overwhelming defeat of the Unsworth Labour Government — then we moved on to our hosting of the Trap Nationals at Wagga — again a huge success — even though the attendance figures were a little below expected. The dust settled at Wagga, and then it was the State Skeet Carnival in Tamworth — and words cannot be found to suitably express this carnival and the work put in by the Club Committee — it was great. Then the year for us finished off with the Trap Carnival at the Sydney/Marconi Club on the October long weekend, which was the start of the heatwave for Sydney — very hot and trying conditions were experienced by all.

The Referee and Referee Examiner scene has also been a very busy one — with firm guidelines being set down, new referee examiners being appointed, out-of-date referees being re-examined where necessary and new ones coming forward for examination. The State Association has set a program in motion regarding referees and this will allow for a firm control on this matter.

Coaching has again been very busy — Fred Schmetzer from the Riverina Zone has been working wonders with a huge string of junior shooters from the whole Zone. His hard work paid dividends at the Trap Carnival, with some of his students collecting trophies. Very successful coaching days have been held in each Zone — with more planned for next year — refer to page 28 of your "Blue Book" for dates and venues for 1989. State Coach, Col Burt, urges everyone to attend these coaching days — experienced or inexperienced — everyone will benefit and also have a great time. Still on coaching, there are eight Level I Coaches progressing through to Level II at present. These coaches will finalise their program in July of 1989. It is very pleasing to report that N.S.W. is leading all other States in the number of coaches accredited and also in the number of coaching hours spent — keep up the good work.

1989 will see the commencement of the plan which will have each club that is hosting a State Championship receiving the Overall winners sash and Championship badge — with the compliments of the State Association. This is a small token of our appreciation for the support that we receive from the clubs in N.S.W.

All clubs who ordered Blue Books would have received same in mid October. Some additions in the 1989 book include a full list of APPROVED OPEN shoots — with a very clear message — pertaining to additional shoots, changes to dates etc. Please adhere to these requirements. The calendars have the school holidays shaded in, and last but by no means least — please support those companies, businesses, etc., who so very kindly support us, by way of advertising in our book.

## FROM THE NORTHERN ZONE:

All you keen skeet shooters, don't forget that COFFS HARBOUR have set down their open skeet shoot for the 14th/15th January — the week following their normal Open Trap shoot.

An early reminder that the Zone Skeet Carnival and Team Eliminations will be held at Tamworth on the 18th/19th February.

Zone President, John Farrell reminds club delegates of the next Zone Meeting, which will be held at the Coffs Harbour Club on Saturday, 7th January.

## FROM THE CENTRAL ZONE:

Peter and Jenny Mould and family have moved house and have a new postal address, that being P.O. Box 217,

AUSTRALIAN CLAY TARGET NEWS — DECEMBER 1988

Cowra, 2794. At the time of preparing this report, I did not have their new phone number, however, will advise when received.

The Central Zone's annual coaching weekend was conducted on the 29th and 30th October, with a good response at both venues. Those who attended the trap coaching at Cowra had the added advantage of receiving some expert double rise coaching from American visitor, Mike Fisher. All in all, a great weekend.

### HANDICAP CARDS:

Don't forget that with the start of a new year and new handicap cards, it is necessary for the shooter to also produce his/her 1988 card along with the 1989 card at the first shoot attended, to allow for scores to be carried forward. This is an A.C.T.A. rule — and must be adhered to.

### PROPOSED REFEREES:

In July this year every club received an application, to be returned to the State Association, advising of shooters in their club who wished to become referees. To date only a very small number of replies have been received. If you, the shooter, would like to become a referee, and have not been advised of this request by your club secretary, please feel free to contact the State Secretary, who will provide you with the necessary information.

Thank you to those clubs who have returned their forms, the names have been passed on to the respective Referee Examiners.

### ANNUAL AFFILIATION ACCOUNTS:

These accounts from National, State and Zone bodies will be forwarded during December, please give them your prompt attention.

On behalf of our President, Robby Smith, I would like to take this opportunity of wishing you and yours a very happy and safe Christmas and New Year season — and good shooting in 1989.

## 20th ANNIVERSARY SHOOT

### Far West Gun Club

Shooters from Whyalla, Port Lincoln and Port Augusta plus the diehard locals gathered at Ceduna on September 10 and 11 to renew old friendships, join in the fun and hopefully in the process knock off a trophy or two.

The office of shoot marshal was in the capable hands of Dennis Lynn this year — the last year's model still being on long service leave. After my effort last year they suggested I should get lost (or words to that effect) for a couple of years. Thanks for an excellent job Dennis — your turn to go on leave now.

Saturday morning saw the State Ball Trap Championship underway and a fine drought-stricken day it was for such an event. If concentration and effort alone could cause you to win there would have been 22 people in the shoot-off — competition was fierce. The final bell saw Craig Bentley emerge as overall winner. S. Edmonds took out B grade and Joy Curtis C grade honours.

With lunch consumed and at least partly digested it was on to the 50T Handicap event. Considerable trouble was experienced with the self-loading trap early in this event and resulted in a nasty accident to our President B. Pobke when the trap released during an attempt to clear same.

## RULE BOOK AMENDMENT

Please take note of the following amendments to the rule book:

Page 22 Rule 2.1 (b) delete the words "or F.I.T.A.S.C."

Page 40 Rule 3.23(a) delete "F.I.T.A.S.C." replace with "U.I.T."

He sustained two cuts above the eye which required several stitches plus an overnight stay in hospital and caused Barry to miss all the competition for the rest of the weekend. The white flyer was reinstalled and the competition proceeded with the following results produced: 1st C. Bentley 68-68, with a well-earned second to Bill Fisher with a score of 64-68 and third place to John Holder with 61-65.

The evening entertainment took place at the Ceduna Community Hotel where most of the competitors attended to eat their fill and toast their success and in some cases the lack of same.

Once again the first struggle on Sunday morning — apart from getting out of bed and focusing the optics, was to see who would become the proud owner of a Weber Kettle for a cash outlay of only \$10 and ten targets to shoot. Surprise, surprise, only three shooters shot the possible this year and after only five shoot-off targets the Weber found a new home with R. Bisi of Port Augusta. If you're up that way and have ever wondered what spaghetti tastes like cooked in a Weber, call around and try a sample.

The final shoot of the day was the Kym Parker Memorial Shoot of 100 targets split into two sections of 50 targets each.

The first section saw Craig Bentley victorious over Trevor Heard for A grade, Joy Curtis and John Holder being first and second in B grade with Brad Silby edging out Ken Butson for the C grade honours.

The second helping saw a reversal in the A grade with Trevor Heard taking first place and Craig Bentley second. This was the first time we have had a toss off instead of a shoot off. The white flyer decided it would also break down and so it was decided that, this being the last shoot off of the day, the Marshal would toss a coin to establish the placings. Craig called heads — it came down tails to give Trevor the honours and I think you will agree anyone who can win in a case like that sure has tail enough for anything.

B grade saw Bill Fisher get in for his chop and B. Selby retain the C grade crown from M. Smith who had been a trier all weekend.

The overall winner for the 100T was Craig Bentley with a fine 99-100. Craig was also High Gun over the two days with a score of 225-230. The local shooter High Gun was taken out by Trevor Heard with 212-230.

At the conclusion of trophy presentations the visitors departed for their home range. Many thanks for coming boys and girls and we look forward to seeing you again next year. In the meantime some of us at least will see you on your home ground and give you a chance to have your revenge.

Our thanks too to our sponsors who this year were the Ceduna Hotel, B. Selby, J. Holder, Pobke Machinery, Joy Curtis, West Coast Rental, Fred and Val Parker, and A. & C. Suiter. A big thank you to all who helped to make a very fine and enjoyable weekend.

Finally a word of warning — my long service leave will be up next year . . . so don't say I didn't warn you.

Good shooting.

# WAGGA'S SKEET CHAMPIONSHIPS

The Club conducted their Annual Two-Day Skeet Championships on 17th and 18th September.

Numbers were down a long way from previous years. It was very disappointing for the club and members who put in a great deal of work, as well as for some of the shooters who travelled long distances for the weekend.

Shooters who competed had a great weekend of shooting (despite the weather), along with BBQ lunches and excellent trophies. Those that didn't attend were the only losers!

Saturday's weather was fairly kind to us until after lunch when the breeze started to rise. The storm clouds came over late that evening. Sunday's weather didn't look at all good at first. Early in the morning it was still raining lightly, but by about 10 a.m. that eased off enough to let the shoot start with shooters just having to contend with strong winds. Scores were good considering the conditions.

Thanks to those shooters who travelled, especially to Chris, Bill and John who travelled the longest distances.

In the first event there were three shooters with the highest score 48-50. They were Barney, Chris and myself. The decision for the shoot-off was to shoot a round of American skeet, then into doubles. I didn't make it past High 1 (a bad habit in shoot-offs I learnt down in Victoria!), Barney and Chris shot perfect ink balls the whole round then went into the doubles. They both missed the second target of station four, and continued to station six where Chris emerged the winner.

New skeet shooter and Club Secretary Andy Sanders won his first skeet trophy and shoot-off against Tumut's Brian Dowell in this event.

The second event saw club member Dave Coleman take O/A outright and another new skeet shooter Greg Schubach of Junee win his first skeet trophy in his first skeet competition.

High Gun leaders after the 100 targets were: Maree Rooke 96, Barney Rooke 95, Chris Hughes 95 and Dave Coleman 95. The scores were pretty close all round.

Event three saw only two possibles of 25 shot — great shooting in the gale-force winds! Dave won outright again with a better score this time of 49-50.

The last event was Doubles and they proved rather interesting with the weather conditions (sometimes a little more like field and game). Barney shot the best score of 45-50 to win the O/A. The High Gun was won by Dave just a target in front.

Bill Sangster left the club being able to successfully

shoot low 1 (after some practice and coaching). He also shot the smaller gauges in the competition in readiness for the United States.

Chris and I both shot 100% in Low 6, our nightmare target and station. Barney was still having some trouble with high 3 or low 5, while Dave Coleman didn't like high 1 or 2. Eventually the stations were sorted out (well that is until next time!). John had a good weekend cleaning up B grade in all events.

A great weekend for skeet shooters yet again. Keep the eyes out for next year's Two-Day Championships — don't forget the State and National Skeet will be at Wagga in 1989.

See you around the skeet layouts.

## SHOOTIN' SNAPS

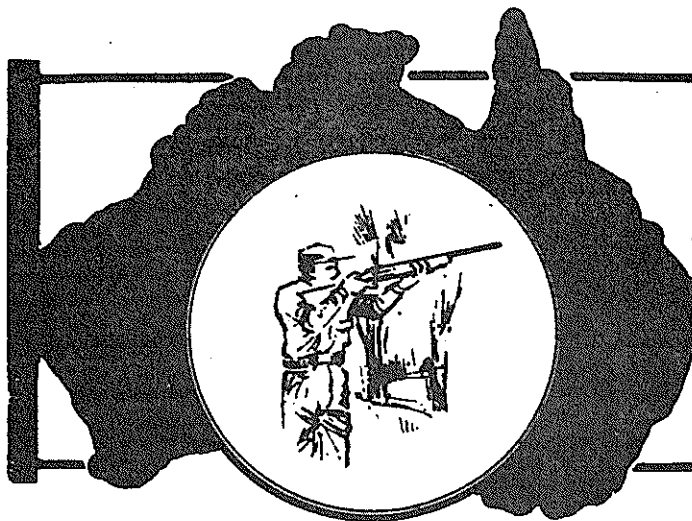

Taken at the State Carnival of N.S.W. 1988. The hot and gusty weather conditions made the icecream man rich. Here State President Robbie Smith, National President Jim Scott and State Handicapper Peter Hayman share their icecreams with Margaret Fay Alexander.

Les Alexander of Cowra and Pat Barnes of West Wyalong enjoying themselves.

(L-R) Dave Coleman, Barney Rooke and Chris Hughes — Open Skeet Championship winners.

## A Word From Your President

By the time you read these notes the first shoot at the International Sports Shooting Park will have been held, it being International Gun Club's Anniversary Shoot. For those of you who couldn't make it, the work hours and dedication put in by Metro Martini, Bob Baker, Peter Marconi, their families and a small band of helpers to get the facility to the stage that it is, has been nothing short of remarkable.

Those of us who saw the area before the work began would not believe their eyes now as there are 6 DTL, 2 Skeet, 1 Trench layouts all in place of which was once rough ground. A really great start at the complex and a big step forward for the clay target shooters of S.A. On behalf of the users of the Clay Target Range at I.N.S.P., now and in the future, a big thank you to Metro & Co.

A reminder now to club secretaries when paying their club affiliation for 1989 to collect and forward the levy of \$10 per head or \$15 per family to S.A.C.T.A.

As most of you know, at our last A.G.M. it was agreed that some form of levy needed to be implemented for your Association to remain effective in several areas and those designated were: 1. Coaching; 2. Team Travel; 3. Salary for Secretary/Treasurer.

1. Coaching — We are already working on a coaching program for 1989 which will be under the guidance of the State Coach Don Stevens.

2. Team Travel — It has been decided by your State Council that we should assist more with team travel for our shooters who are representing our State at National Titles in DTL, Skeet and ISU disciplines starting in 1989.

3. Salary for Secretary/Treasurer — As you are aware, this subsidy from the Sports Institute is on a declining scale so part of the levy is to support that wage. We are presently applying to the Institute for funds to help boost the funds needed to keep the Coaching going but at this time this is an unknown quantity. The state council looks forward to your complete co-operation on this matter so we can remain a viable and effective Association in this State for the future of Clay Target Shooting.

**Every Title event  
was won using  
Winchester!**

It is rare that the scales can weigh so heavily in favour of one brand. This year the superiority of Winchester reigned supreme with every title event going to a competitor using Winchester. More than a name. A Legend.
