EXECUTIVE DIRECTOR'S NOTES

The near year is now with us and trustfully it will produce all that we are seeking to achieve. Certainly 1988 was a year that had its share of good and bad; fortunately the good always outweighs the bad although there are many occasions when this doesn't quite appear to be so.

Thankfully we can look forward to a promising 1989, particularly promising because of the fact that many new persons have joined our sport. Each will add their own personal flavor to their respective clubs and in one way or another make their mark on the sport. Don't let them drift away because they haven't been made welcome.

February will bring about the first of our Nationals for 1989 with the Olympic disciplines being held at the Melbourne Gun Club. News from New Zealand is that an official team will be coming as part of their Commonwealth Games preparations and as always our visitors are most welcome.

April is the big one of the year with the Trap Nationals at Echuca commencing with the Handicap Event on 1st April, concluding on 6th April with the Double Rise. Being a centrally located venue for the larger proportion of our members, attendances are expected to at least reach the 1986 level which saw a total of 756 competitors shooting for the Double Barrel Championship. If you haven't yet been to a National Championship Series, or maybe it's been a while since you last attended, here is an opportunity to join with your fellow shooters and try your skills against them — we look forward to meeting many new members as well as renewing old acquaintances.

November is the last of the year's Nationals with the Skeet being held in November at Wagga from 16th-19th. As November is a big month in Wagga you would be well advised to secure your accommodation early otherwise you could well have a problem.

I hope that 1989 brings you and your family all the health and happiness possible and that your shooting skills continue to grow.

EDITOR'S MAILBOX

Dear Alan,

Whilst perusing the response to the debenture programme I was rather disappointed to note that there were a lot of names missing who have got a lot out of shooting and at their time of life should now be considering putting something back into the game. It is not a donation but simply a low-interest loan.

It has been pointed out by our president that unless the programme gathers considerable momentum by the end of the year the executive will have to look at alternative means of raising the finance. By the time this goes to press we will know.

I turned the page of the magazine and was confronted by a letter from Messrs M.J. Hawley and G.A. Featherstone which contains considerable merit and is worthy of comment. If the debenture scheme fails this is one sure way of raising the money. A levy suggested of \$15 per head over 10,000 members will give us the necessary capital. Action will have to be taken soon; even though the capital held by the executive from the sale of assets is earning interest, the interest is not equal to the appreciation rate of property. The debentures have to be repaid with interest which is a drag on the association whilst a levy is a straight-out gift and gets the association going forward without that drag. We should have done something about this years ago.

Can we afford a \$15 levy? In reality of course we can. If you can't afford \$15 you can't afford to shoot. We may lose a few members but most will stick and others will come back later.

"World Vision" ask you to forgo food for 48 hours and give the value to the relief of famine. Would you forgo one meal for the sake of finding ourselves a home — remember that's all it is, the price of a meal.

Yours sincerely,

Ceo Herbert

W.A.C.T.A. REPORT

1988 has drawn to an end — from myself and family thank you to my executive and all members for their support and we wish one and all a happy and prosperous New Year.

After much deliberation and investigation we have now committed ourselves to the production of clay targets, a venture which can only promote our chosen sport. With the support of you, the members, a project to look forward to with the satisfaction of being able to control aspects of your sport. Thank you must be expressed to Mr N. Hyder for his patience and support and to Reg Wagland and Terry Morony for their enthusiasm and untiring evaluation of the project. The manufacturing plant will be situated on the complex and should be in production early '89.

Congratulations to A. Forsberg, high gun winner at the Skeet Nationals conducted at Melbourne. Also to all team members for their own personal performances and to the State shoulder to shoulder team in running second to South Australia.

State coaching director Murray Alexander recently conducted a two-day intensive level two coaching seminar. It was attended with participants having the privilege of National coaching director Peter Quires' presence. From all reports a very successful weekend. An advanced coaching project will be entered into next year in an endeavour to lift I.S.U. competition and gain new competitors to a level that would enable them to reach the level of National training squad members. Club coaches and zone delegates will be in touch. Murray Alexander in his capacity as state coaching director has created a formula which he, along with P. Quire and the executive, believe will give the dedicated competitor every opportunity to reach great heights in I.S.U.

All clubs now would have completed their shooting programme for the year. To the winners of high guns and club aggregates well done. To all club members now is the time for annual general meetings. If you are asked to take a position of office think of reasons why you should, not why you shouldn't — you might surprise yourself. Until next year,

Happy New Year.

John Fissoli
W.A.C.T.A. President

EDITOR'S MAILBOX

Dear Sir,

I refer to the article "World Winners" by Wayne Calaby in the November issue of C.T.S.N.

I knew Bill Downie and Jack Sutherland very well. I started shooting in 1931 and saw a lot of them in those days.

Bill lost his left hand and left eye in a blasting accident on his property in Tasmania. The charge never went off. He waited for what he considered sufficient time for the fuse to have gone out, and went back to have a look for it to blow up in his face. I can't give you the date, but it was after the accident that he won the World Pigeon Championship at Monte Carlo. He was a remarkable man, and of great courage to overcome his accident.

Yours sincerely,
Max Howell

1988 VICTORIAN I.S.U. ELIMINATIONS

1988 saw major changes to the international shooting disciplines within Victoria. For the first time in I.S.U. trap an elimination series was held in all four Victoria zones on either Olympic Trap or I.S.U. Ball Trap layouts as permitted under U.I.T. rules. As part of these zone eliminations each zone selected a team of eight open shooters and four junior shooters to compete in the final elimination which was the State Olympic Trap Championship conducted at the Melbourne Gun Club on November 26th and 27th.

The new format for the eliminations was adopted to try and reduce costs for the country shooters who would normally have to travel to Melbourne at least four times in the past to eliminate whereas this time it only involved one appearance.

The zone eliminations proved to be an outstanding success with a total of 114 different shooters, most of the state's best, contesting for positions in their respective zone teams. Some excellent performances were achieved, especially by our juniors, with Rohan Penn from Echuca shooting a 73/75 in the North West Zone elimination at Maryborough and Glen McHenry from Geelong shooting 72/75 on Olympic Trap at Frankston Gun Club, both in very windy conditions.

Russell Mark from Geelong Gun Club was successful in taking overall honors in all four eliminations.

The latest U.I.T. rules were used in all eliminations which meant a "final" was conducted to decide overall placings. Flash targets were used in all finals and this provided spectacular entertainment for all participants and onlookers.

As mentioned the Victorian Olympic Trap Championship was the grand finale for the I.S.U. year and a record attendance of 67 shooters turned out at Melbourne Gun Club in very wet conditions. The large attendance and some minor trap problems kept shoot marshal Rob Rees busy all day and shooting on Saturday did not finish until nearly 8 p.m.

Overnight leader was Michael Diamond from Sydney with 95/100 followed by Domingo Diaz and Stephen Haberman both with 94.

Sunday dawned and a typical Melbourne day followed — very dark and very wet. Good scores were few and far between; however Russell Mark managed a 96 to take a one-target lead into the final with a total of 186. Other finalists were Diamond 185, Diaz 183, Haberman 181, Brett Dunstan 175 and Geoff Mark on 173.

The final proved to be the highlight of the weekend and the many spectators that stayed back till 7 p.m. to watch the shooting of the flash targets were well rewarded. In dark and windy conditions Diamond managed to shoot a clean round whilst Mark missed his 15th target to total 24 thus tying with Michael on 210/225; however under U.I.T. rules ties are decided on countbacks therefore giving Diamond the title, a very worthy champion.

All other grades were decided over the 200 targets. AA grade was won by Russell Mark with 186 from Domingo Diaz on 183. A grade went to John Dunstan from Kerang with 171 from Frank Vella on 169. B grade went to Robert Viney from Point Cook who has been a big improver over the past year in I.S.U. Second in B grade went to the state coach, Len Cook, with 166, one behind Viney. C grade saw Ross O'Meara nearly shoot his way into A grade with a very good 168/200, 18 ahead of Ron Traill from Colbinabbin. Michael Diamond won the juniors with 185, ten ahead of Brett Dunstan.

Because there were three ladies entrants in Carmel Carlon, Carol Zagor and Val Hanson, a ladies trophy was provided with Carol being the victor with 117. Carmel has been a strong supporter of I.S.U. in 1988 and the title of 1988 ladies champion is well deserved. With the 1991 World Championship in Perth just over 12 months away Carmel is staking a claim to being one of the three-member

ladies team to represent her country.

The Interstate postal teams were made up of D. Diaz, S. Haberman, L. Curtis, G. Mark, R. Mark and J. Dunstan in the open team and R. Penn, B. Dunstan, T. Faranda and G. Magdziarz in the junior team.

Team High Guns were won by R. Mark with 96 and B. Dunstan with 89.

The State Training Squad is R. Mark, D. Diaz, S. Haberman, B. Dunstan, G. Mark and J. Dunstan with juniors R. Penn and Glen McHenry from Geelong who displayed some promising form throughout the year. All of these shooters receive free nominations for the I.S.U. Nationals.

The State Shoulder to Shoulder team is R. Mark, D. Diaz and S. Haberman who will, except for a miracle, prove Victoria to be the dominant state in the teams match at the Nationals.

The Zone Teams Match was new to the I.S.U. Carnival and created wide interest. The South West Zone Team of R. Mark, S. Haberman, G. Mark, A. Kinnear, C. Kneebone, W. Calaby, W. Wombwell, M. Pollock, G. McHenry and D. Kemp picked up 3000 rounds of ammunition for their troubles with a score of 1034/1200 to easily defeat the North East Zone followed by the South East then the North West.

Overall Victorian I.S.U. Trap Champions for 1988 were Russell Mark with 260/275 and Rohan Penn winning the juniors with 246/275. These results were obtained by the totals of the State Title plus the best score in any of the Zone Eliminations.

In the I.S.U. Skeet event John Summers survived a tough shoot-off with Graham Guy to decide overall and AA honors. David Cunningham, Mario Costa and Barry Hanson took the A, B and C grade trophies with Carol Ogden taking the ladies.

The Interstate postal team comprised Graham Guy, John Summers, Ian Hale, Craig Meuleman, David Cunningham and Charlie Branca with Gerry G. winning the High Gun.

The Shoulder to Shoulder team comprised Summers, Guy and Meuleman.

Overall honors for the series were taken out by Ian Hale.

1988 saw a revival of I.S.U. shooting in Victoria mainly due to a hardworking I.S.U. committee led by Gary Smith who put in countless hours of work which all I.S.U. shooters have benefited from.

Thanks to all sponsors which include Begonia Books, Blue Wing Shooting Supplies, C.B. Steeles, Bob Reid Sports, Bellarine Rod 'n' Gun, Eric Bullmore, Tom Lucas, Tony Rowe, Domingo Diaz and our major sponsor of Olympic Targets without whose help the elimination series would not have been possible.

1989 will see a separate Skeet carnival from the Trench to enable I.S.U. shooters to shoot both disciplines.

Finally thanks to all shooters who supported I.S.U. shooting in the state in 1988 and we will look forward to a bigger and better eliminations series in 1989.

1988 NATIONAL SKEET CHAMPIONSHIPS

The co-operation received from all State Teams enabled the opening ceremony to be conducted in fine style. Teams, having assembled at 8.30am marched to their respective state flags to the accompaniment of a Scottish piper courtesy of the Victoria Police Pipe Band with the grounds of the Melbourne Gun Club being in magnificent condition.

After the official party had been introduced, Chief Superintendent Ron Braybrook from the Victorian Police was asked to fire the opening shot and at no surprise to himself, the target was broken allowing the Championships to commence with the first scheduled event being:

• Chief Superintendent Ron Braybrook fires the opening shot.

STATE TEAMS SHOULDER TO SHOULDER — 50T

While conditions were not ideal they nevertheless sorted out the state teams with scores ranging from a low 232/250 to a high 241/250 recorded by South Australia well led by Bob Dower, Skeet Shooters Representative to the National Shooting Committee who shot a 49/50 to be team equal with Kim Holmes. Bob was not at all shy when accepting the V.C.T.A. Perpetual Trophy, reminding all present that it was not South Australia's first win in the event as they had won the Shoulder to Shoulder event in 1983 when it was first competed for. Well done S.A., and also the teams from other states who shot well and were a credit to the states being represented.

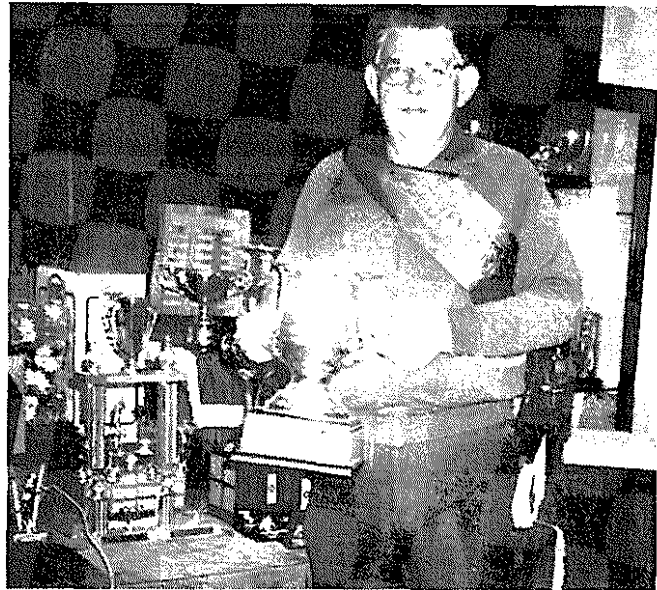

• The victorious S.A. State Skeet Team

2nd NATIONAL SKEET DOUBLES CHAMPIONSHIP

Event Sponsors: Newsprinters Pty. Ltd. — B.P. Typesetting Pty. Ltd.

With 120 competitors nominating for the Doubles, the individual events were under way with the targets proving to be a little elusive. Not one shooter was able to post a possible with 49/50 being the best score recorded. At the completion of the shoot off Melbourne Gun Club member Paul Krumins was the overall winner with a well shot 53/54. Surprisingly a number of shooters who it was thought would be in contention for the Overall High Gun were left in the wake proving that Doubles shooting is an area where skills will need to be brushed up.

Major results: Paul Krumins, Vic., 53/54, Overall; Lee Brownbill, Vic., 46/50, Ladies; Alf Najar, N.S.W., 43/50, Veteran; Daniel DiPietro, Vic., 36/50, Junior.

• Paul Krumins holds the Perpetual Trophy for the National Skeet Doubles Champion which will have his name added after a fine shooting performance.

• Doug Siggs of Qld displays his trophy.

CITY OF MELBOURNE SKEET CHAMPIONSHIP — 50T

Event Sponsors: Australian Clay Target Association — Mr R. Buchan.

Numbers had increased to 129 for the first of the 50T Standard Skeet Events with Victorian shooters well represented totalling 66 in number. As in the Doubles, the field comprised 11 visitors from New Zealand and one from far off Sweden, all of whom were most welcome.

Queenslander, Doug Siggs, pleased to see the doubles event concluded, shared the lead on 50/50 with four others including Melbourne Gun Club's own William Attwood, a strong supporter of shooting in Victoria, particularly at the junior level.

Unfortunately while Bill may have been the sentimental favourite, a victory in the event was not to be with this honor going to Doug Siggs with his possible 50/50 extending to a very well shot 114/114.

Major results: Doug Siggs, Qld., 114/114, Overall; Lee Brownbill, Vic., 47/50, Ladies; Fred Thatcher, Vic., 51/54, Veteran; David DiPietro, Vic., 41/50, Junior.

ALL STATES SKEET CHAMPIONSHIP — 50T

Event Sponsor: RESI/Statewide Building Society.

Again an increase in numbers with 141 shooters contesting the first event on day two. As possibly would be expected, the majority of shooters came from A and B Grades, both being equally represented by 46 shooters. Paul Krumins continuing with his fine form from day one outshot the field to win with an excellent 241/241 from Arne Forsberg from W.A. who fought all the way for an equally well shot performance recording 240/241. Third wins to date for Lee Brownbill and Daniel DiPietro in their respective sections with Tamworth Veteran, Ray Melville leading the Veterans with a 49/50.

Major results: Paul Krumins, Vic., 241/241, Overall; Lee Brownbill, Vic., 59/60, Ladies; Ray Melville, N.S.W., 49/50, Veteran; Daniel DiPietro, Vic., 42/50, Junior.

AUSTRALIAN SKEET CHAMPIONSHIP — 50T

Event Sponsor: RESI/Statewide Building Society.

Day two, event two and a total of 144 competitors with shooters from Melbourne Gun Club and Frankston Australia well to the fore. Both of these clubs have strong skeet representation and the benefit of competition was starting to show out strongly.

Having been the bridesmaid to date, Brian Thomson continued on with his consistent shooting scoring 139/139 to take out overall honors from Queensland's Neil Dimmick on 138/139. A very pleased duo in Lee Brownbill 49/50 and Daniel DiPietro 47/50 made it their fourth win each over the four events to date with Tamworth's Ray

Melville being the best veteran with a score of 48/50.

Major results: Brian Thomson, Vic., 139/139, Overall; Lee Brownbill, Vic., 49/50, Ladies; Ray Melville, N.S.W., 48/50, Veteran; Daniel DiPietro, Vic., 47/50, Junior.

COMMONWEALTH SKEET CHAMPIONSHIP — 100T

Event Sponsors: Australian Clay Target Association.

The 100T Event had attracted the largest field to date with 166 shooters nominating. Five possibles from the large field, Graeme Boyd, Vic.; Ian Hale, Vic.; Kym Holmes, S.A.; Dave Dundon, Qld.; and Hawkesbury's Reg Clarke. At the completion of the shoot offs, Queensland's Dave Dundon had withstood all challengers and was unbeaten on the day at 135/135 to become the 1988 Commonwealth Skeet Champion. Maree Rooke from Wagga showed that the additional 50 targets were more to her liking and recorded a score of 97/100 to win the Ladies Section.

Daniel DiPietro continued on with his winning ways to record his fifth junior win with a score of 86/100. Alf Najar from Wakehurst shot well to record his second win at the Championships with his score of 96/100.

Major results: Dave Dundon, Qld., 135/135, Overall; Maree Rooke, N.S.W., 97/100, Ladies; Alf Najar, N.S.W., 96/100, Veteran; Daniel DiPietro, Vic., 86/100, Junior.

• A popular Commonwealth Champion in Dave Dundon.

NATIONAL SKEET CHAMPIONSHIP — 100T

Event Sponsor: Olimpyc Targets & Scorpio Cartridges.

The prestigious National Title Event attracted a field of 145 all striving to become the holder of a national title for 1988. Surprisingly there was only one possible recorded and that from Ben Dudenas from Frankston Australia who added the 1988 Standard Skeet Title to the 1987 I.S.U. Title that he won so well in Perth. Obviously a lot more will be read about Ben Dudenas in the years ahead.

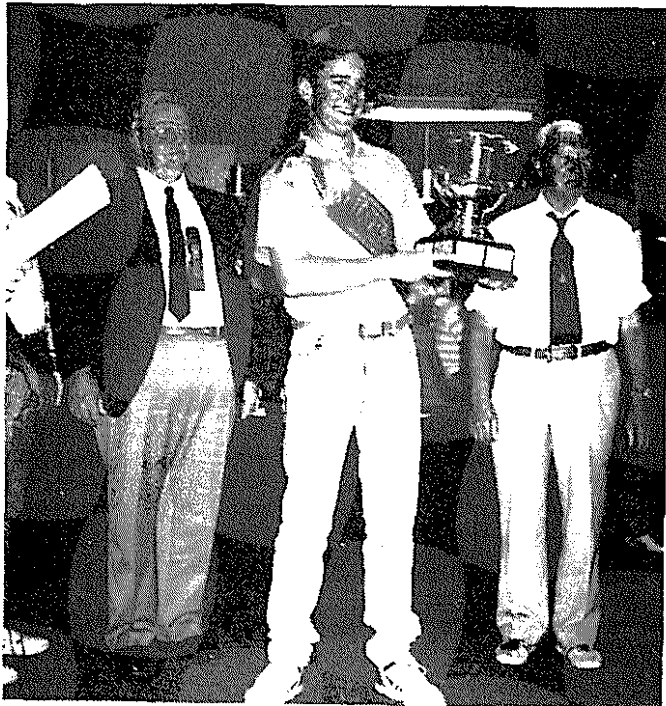

Scores generally had not been as good as may have been expected in this event, however Carol Ogden's 96/100 and Ray Melville's 96/100 were the exceptions and along with Richard Light's 85/100 took out the sections of the 1988 National Title.

Major results: Ben Dudenas, Vic, 100/100, Overall; Carol Ogden, Vic., 96/100, Ladies; Ray Melville, N.S.W. 96/100, Junior; Richard Light, Vic., 85/100, Veteran.

• A happy Brian Thomson finally cracks No. 1.

AUSTRALIA vs NEW ZEALAND SKEET TEAMS MATCH — 25TH

The International Teams event for the Glenn Trophy was shot for at the completion of the National Title which determined the composition of the Australian Team. The five member teams from both Australia and New Zealand were both anxious to post a victory and when the last target had been thrown Australia had won the teams match from our New Zealand visitors with a score of 121/125 to New Zealand 118/125. No doubt New Zealand will be out to wrest the trophy back when the event is conducted in their country in 1989. We wish them well.

• A top score from Chris Naudin, Ben Dudenas, Joe Coci, Les Beechey and Alex Crikis, the Australian Team victors for the Glenn Trophy.

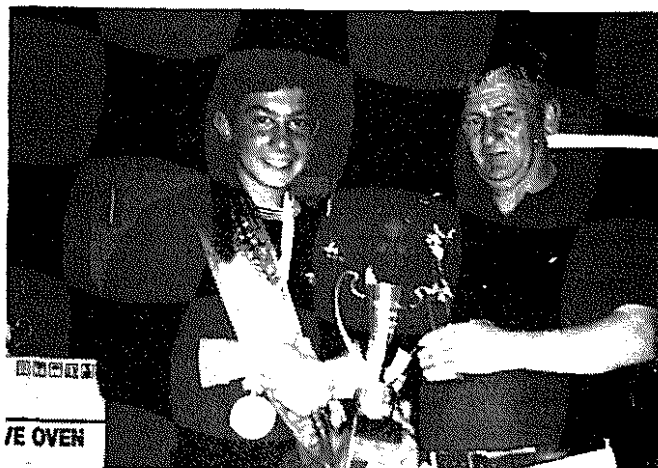

• New Zealand Team Representatives who vied to take home the Glenn Trophy.

OUTSTANDING PERFORMANCES

Daniel DiPietro, Melbourne, winning five of the six junior events as well as being named Junior High Gun.

Lee Brownbill, Frankston Australia, winning four of the six Ladies events.

Ben Dudenas adding a national standard skeet title to his previous I.S.U. National title.

• Junior Daniel DiPietro who shot outstandingly during the Carnival is presented with the High Gun Trophies by "the Nice Guy" of shooting, Bill Attwood.

NATIONAL CHAMPIONSHIP HIGH GUN

OVERALL — Arne Forsberg W.A.G.C. via Sweden showed outstanding consistency over the four days and his being named Overall High Gun surprised no one who had seen him shoot. His individual style served him well with his score of 394/400 adding his name to the Cec Herbert Perpetual High Gun Trophy.

LADIES — Maree Rooke from Wagga with her score of 375/400 has recorded three successive years of being named Ladies High Gun and with the consistency of her performances will be a difficult opponent for the ladies to counter in the years ahead.

VETERAN — A delighted Alf Najar from the Wakehurst Gun Club was named Veteran High Gun with a very well put together 371/400. Alf has added his name to the Ray Melville Perpetual Trophy and joins a band of very fine shooters who have won the Veterans High Gun Award.

JUNIOR — Melbourne Gun Club personality, Bill Attwood, took great delight in presenting the W. Attwood Perpetual Trophy to Venetzo Abruzzo Junior Daniel DiPietro whose score of 336/400 won for him the Junior High Gun Award for 1988. Daniel's consistency will serve

him well as he embarks on what promises to be a successful shooting career.

● Arne Forsberg of WA took out the Overall High Gun with a creditable score of 394/400. Arne receives the prize of a Browning Gti Shotgun donated by Fuller Firearms for his fine performance.

● Alf Najjar, Veterans High Gun, receives congratulations from President Jim Scott and Vice President Leighton Martin.

TEAM EVENTS — F.I.T.A.S.C. CLUB TEAM

The dominance of the Melbourne Club in this event was completely shattered when the strong Frankston Australia five recorded a winning score of 1931/2000 to win the coveted F.I.T.A.S.C. Trophy.

Frankston Team Members showed their obvious delight and now they have broken through in this event they will be hard to beat on future occasions.

TWO LADY TEAMS

Competing for the N.S.W.C.T.A. Perpetual Trophy, victory in this event went to the Melbourne team of Carol Ogden and Lee Brownbill with a combined score of 743/800 both of whom have added their names to the Perpetual Trophy for the first time.

WARATAH STATE NOTES

Happy new Year to you all — and we hope that Santa was kind to you.

First up this month, a reminder to all club administrations in our State — as per the Minutes of 25th June, 1988 Executive Meeting "Any Club breaking ANY rules be excluded from championship allocation for the following year". This means that if any club conducts an unapproved shoot, charges more than the maximum nominations, conducts events with more than the allowable number of targets, etc. etc. they will be excluded from any championship allocations for the following year. Please keep this in mind — should you need clarification, please phone the State Secretary.

FUTURE REFEREES

It is hoped that by the end of 1989 every club in N.S.W. will have at least one registered referee for each discipline conducted at their club. The referee examiners have been updated and in some areas altered — please take advantage of this facility and contact your nearest one to arrange for him to attend your club and examine your members for their badges.

COACHING

The coaching program gets underway early this year — the first venue being Broken Hill on 28th/29th January. Western Zone coach Kevin Constable has been approached to conduct this weekend and at his request State coach Col Burt will be assisting.

Fred Schmetzer from the Riverina has also requested Col's assistance with a one-day session at the Downside Club on 25th February. On 18th/19th March (not April as is printed in the Blue Book), Robby Smith will be conducting Trap and Skeet coaching at the Sydney/Marconi complex. Again, at his request, Col Burt will be in attendance.

Everyone is welcome to attend any of these venues — they are very worthwhile.

SECRETARIES' HANDBOOK

I would be pleased to hear from any clubs who think that a handbook would be useful to them — something along the lines of where to order this and that, when to have this done by, who do I contact for this, where do I send that, etc. etc. If there is enough positive response we could look at doing something for you.

HANDICAP CARDS

Another reminder about new handicap cards. Please ensure that when Mr/Mrs Shooter attends their first shoot for 1989, as well as their new card they MUST also present their 1988 card to allow for any incomplete breaks of 200 to be carried forward onto their new card. This is an A.C.T.A. rule and must be adhered to.

PORT MACQUARIE SHOOT

Arthur Colman, Secretary of the Port Macquarie Club, advises that they have received a major sponsorship from the Shalimar Country Club, and they are injecting this sponsorship into their Easter "Carnival of the Pines" shoot. Keep that one in mind.

SPONSORS' CALENDAR

Again this year the Association has had these printed, carrying the names of our valued sponsors around the outside, and in date order all major championships and events for 1989. It is hoped that your club has displayed theirs in the club house. Should you require a copy for yourself, please contact the State Secretary, as we do have some left over.

GLEN INNES SHOOT

Peter Brummell, Secretary from the Glen Innes Club, has supplied a report on their November Open Shoot (see separate), and he finishes up by offering an open invitation to everyone to attend their Sapphire Open D.T.L. on Sunday 5th February. It is well worth going to, even if all you come away with is a great lunch and arvo tea! Speaking from experience, it's a great shoot, plenty of hospitality and good fun.

That's all this month. Good shooting and don't forget, if in doubt ask.

BUNBURY CLAY TARGET CLUB

RESULTS OF SOUTH WEST GAMES 1988

The biennial sporting event, the South West Games, was held recently. The event involves sportspeople from the south-west of W.A., and includes sports ranging from archery and shooting to more conventional sports such as basketball and athletics. The host town this year was Mandurah, a coastal town about an hour's drive south of Perth.

As there's no clay target shooting facilities at Mandurah, the clay target events were conducted at the Edgehill Clay Target Club near Bunbury, and the Harvey Field and Game Range. An average of 45 shooters contested events on Saturday and Sunday 24th and 25th September, and Sunday 2nd October.

The highest individual medals winners (not including team medals) were:

Max Cubic (Collie) — 2 gold, 2 silver, 1 bronze
Stephen Harley (Boyup Brook) — 2 gold, 1 silver
June Roach (Bunbury) — 2 gold, 1 silver
Ross Silvester (Capel) — 2 gold

MARYBOROUGH TIT BITS

I watched the Olympics on TV until I was square in the eyes to see some shooting and the only result I heard was that John Maxwell shot 75/75 on the first day of competition trap shooting. How are we going to get our champs on the level of Border, Lewis, Norman, Cash and so on? We have champions but we do not get noticed.

Bundaberg October 3: Played host to Irvine Wynyard of Kaikohe NZ who had wins in events 3 & 4. On behalf of Bundy thanks for dropping in and hope you and your wife enjoyed your stay in Australia. On this day Troy Harris turned 15 years and shot the skeet 25/25 and took out C Grade 1st in the DTL events 1 & 2. Good shooting Troy on your birthday, I bet you blew the candles off the cake when you got home. Allen Harris took out Event 3 C Grade. Once again a good shoot and nearly turned into a night shoot as well... only joking Geno, but I was pleased they had the lights on in the clubhouse.

Gympie was a quiet place to be when the boys were down at the Police Nationals at Marconi Gun Club, Sydney. A few trophies to be extradited back to Qld were for Gorden Holmes, Glen Durre, Clarrie Blissner, Peter Stiller, Peter Hinschen.

Months ago my wife booked a pokie trip at Gold Coast and wouldn't you know it, fell on Gympie's two day shoot. I looked up the shooter's bible and found I was able to have a few events at Terranora Lakes. Nice to be there, the best view in the world with known and new shooters. Thanks Terranora, sorry I had to leave before the finish.

Gympie two day shoot on October 8 & 9 saw a numerous amount of winners with Neil Berry taking the O/A H/G & AA in events 2, 3, 4, 5 & 7, K. Rehbein B Grade event 1 and the Ladies H/G, Troy Harris Event 6 C Grade and Junior H/G, E. Brereton Event 4 C Grade and the Veterans H/G. Congratulations to all other winners, too numerous to mention all.

Maryborough Club shoot October 23 saw Ivan Casperson take out Event 2 and the O/A H/G. Ivan also shot for the jackpot but missed, however, his wife gave him a baby boy just two weeks ago, so that is better than any jackpot Ivan. Hope all are well.

Till next time, see you at the shoots.

Lost Bird

VALE Charles Hlavaty

It is with much regret that we report the death of our greatly respected Life Member, Charles Hlavaty. Charles had been bravely fighting cancer for some time, but continued his beloved skeet shooting until a fortnight before his death on October 27, 1988 — three days after his 76th birthday.

He joined the N.S.W. Gun Club in March 1968. The respect of the members which he so quickly earned led to him being elected President from 1977 to 1980. He was elected a Life Member in 1978 as a tribute to the huge contribution he made to the running of the club, a contribution he continued to make unstintingly until his death.

Charles was a man of unswerving integrity. As a Referee and Referee Examiner he administered the rules of Clay Target Shooting without fear or favour for many years.

As a shooter he competed with enthusiasm and success around this country and New Zealand, becoming one of the better known migratory skeeties.

As a friend, a shooter and a club stalwart, he will be sorely missed by all who had the privilege of knowing him.

Our sympathy is extended to his wife Jean and his children Kathie, Rosie and John and their respective families.

WINCHESTER

Winchester have released a new product on the market for both Domestic and International use. Branded Winchester AA International. The new shotshells are available in shot sizes 7½ and 9. Shot size 7½ relates to American shot size which in Australia is equivalent to shot size 7.

The release of this new product is most significant as both shotshells are 1oz (28 gram) which because of recent U.I.T. rule changes, becomes the standard loads for International shooting from January 1, 1989.

Winchester AA International shotshells 1oz are now available and will prove to be a welcome shotshell for the Australian and Export Market — particularly for those shooters who shoot the I.S.U. discipline of Olympic Trap and Skeet.

NEW SOUTH WALES GUN CLUB 13th ANNUAL CHARITY SHOOT

The 13th Annual New South Wales Gun Club Charity Shoot was held on the weekend of 29th and 30th October, 1988 and was well attended by shooters from all over the State. The shoot was officially opened by the Minister for Sport and Recreation, Mr Bob Rowland-Smith who was welcomed to the N.S.W. Gun Club by National President Mr Jim Scott. Official guests from all shooting disciplines were in attendance for the official opening. Mr Rowland-Smith fired the first shot and was successful in busting the very first target. The Minister advised shooters of the Club's recent efforts to obtain his Government's assistance to relocate the Club and that he was prepared to meet with its officials to discuss the relocating programme. The Minister was delighted to meet one of the club's oldest members, Alan Waters whom he knew from his youth and who he had not seen since the last world war. Alan Waters was instrumental in purchasing the club's premises in 1940.

● Mr Bob Rowland-Smith who officially opened the shoot receives a club badge from Senior Vice-President Alex Comino, as a memento of his visit.

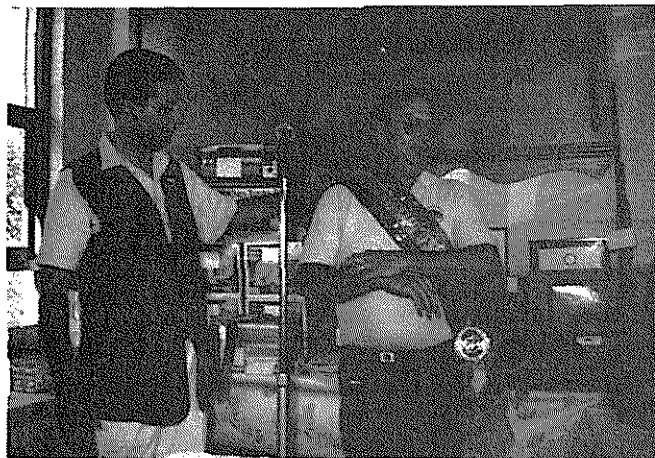

Our ever delightful shoot marshal, Rex Northcott, got the shoot off to a great start, and although it was an extremely hot day it did not stop some excellent shooting from the many participants which resulted in seven possibles being shot in the eye opening event.

The second event "POWER BEAM SPOTLIGHTS" 25 Target P/S resulted in the overall winner being R. Bown (Marconi) 75/76; AA — P. Etherton (N.S.W.) 75/78; A — J. Guberina (N.S.W.) 73/75; B — S. Decker (Echuca) 74/75; C — N. Xenos (Hawkesbury) 64/75.

The third event "T.C. STAMOULIS REAL ESTATE & VALUERS P/L" 25 Target S/B resulted in the overall winner being R. Smith (The Forest) 26/27. AA — P. Farrugia (Marconi) 25/28; A — C. Diamond (Illawarra) 28/31; B — B. Crane (P/Macquarie) 25/27; C — N. Xenos (Hawkesbury) 20/26.

The complimentary dinner on the Saturday night was well attended and a great night was had by all. A very special thanks to the ladies in the kitchen who did a wonderful job preparing and serving the meals. Once again the Calcutta was organised and run by our local Auctioneer Hank Thuenissen and his side kick Rex Northcott, and inspired some keen bidding for all the shooters.

Sunday saw another fine day with the first event being

the "SCORPIO CARTRIDGE" 30 Target D/B Championship and the Calcutta event. The overall winner in this event went to J.W. Smith (Cowra) with a fine 60/60. AA — C. Waterhouse (N.S.W.) 56/57; A — J. Fryer (Newcastle) 44/44; B — B. Alexander (N.S.W.) 42/42; C — N. Xenos (Hawkesbury) 28/30.

The second event was the "MAGIC DOOR INDUSTRIES P/L" 30 Target Champion of Champions shot off 18 metres and resulted in the overall winner being M. Fisher (N.S.W.) 50/50. AA — H. Theunissen (N.S.W.) 49/50; A — R. Ali (N.S.W.) 57/60; B — S. Zadro (Hawkesbury) 48/50; C — N. Xenos (Hawkesbury) 47/50.

The last event of the Charity shoot was the "NEW SOUTH WALES GUN CLUB CHARITY FUND" 30 Target Single Barrel Championship with the overall winner being C. Waterhouse (N.S.W.) 31/31. AA — R. Bown (Marconi) 30/31; A — J. Guberina (N.S.W.) 32/33; B — A. Swift (N.S.W.) 28/30; C — J. Guzelian (N.S.W.) 26/30.

The Overall High Gun for the two days was very kindly donated by Stewart and Allwood and was hotly contested over the both days and was not won until the last event had been shot. The eventual winner was Mr John Guberina from the N.S.W. club who was presented with the pump action shot gun by National President, Mr Jim Scott.

● National President, Jim Scott, presents the winning HIGH GUN to John Guberina from the N.S.W. Club.

The clubhouse was overflowing for the presentations by Senior Vice President Mr Alex Comono, who thanked all the shooters for coming along and making the shoot a great success. The Charity Shoot is conducted each year to provide financial assistance to local charitable organisations and groups within the community, such as

PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

the Senior Citizens, Scouts, Guides, Primary Schools, Library, local Bush Fire Brigade volunteers, and the Terrey Hills Elanora APEX CLUB whose members worked tirelessly throughout the two days manning the traps and preparing and cooking the lunches for both days.

Representatives from each of the organisations were present to receive their donations and all were grateful for the efforts of the N.S.W. Gun Club towards the local community. Mr Chris Edge, representing the APEX CLUB announced that the proceeds they received would be going towards the purchase of an electric wheelchair for a disabled youth in the local community, and this obviously sparked the hearts of the shooters present and they dipped further into their pockets and left Chris aghast at their generosity. A special thanks to those shooters from the Apex Club members.

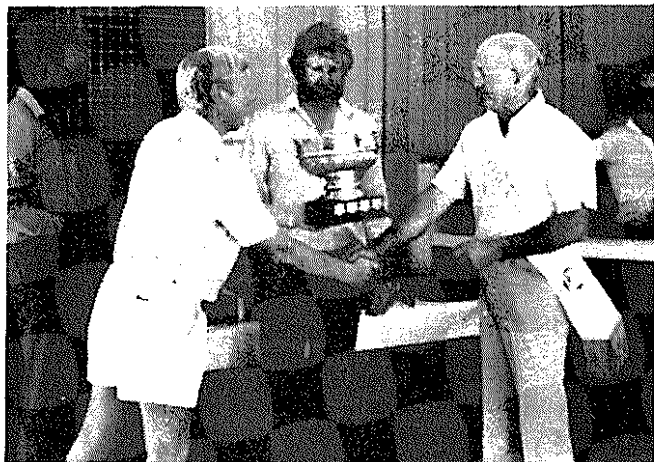

As always these types of shoots are not possible without the support of very generous sponsors and the N.S.W. Gun Club would like to acknowledge those people: Mr Serg Zuffo of Scorpio Cartridges and Olmpyc Targets who has sponsored this shoot since its inception. To Magic Door Industries Pty Ltd, to T.C. Stamoulis Real Estate Valuers Pty Ltd, to Stewart and Allwood, Power Beam Spotlights, and a special thanks to the members of the N.S.W. Gun Club who kindly gave cash donations and trophies for the "N.S.W. GUN CLUB CHARITY FUND" and to Frank Smith from "Winchester".

Thanks to all the shooters who attended this shoot, to all those people who worked behind the scenes, to the ladies who gave up their time over the weekend to run the score books and made this a very successful shoot.

THE WAGIN GUN CLUB

Wagin Gun Club held their annual Phillip Becker Memorial Trophy Shoot on October 23, a 50 Double Barrel event on a beautiful, fine, windless day when 25 shooters from Collie, Darkan, Narrogin, Katanning and Wagin competed for the \$1,000 silver cup.

Shooting was of a very high standard with several possibles. A Grade 1st — Tim Catling, Katanning, 50/50; B Grade 1st — Geoff West, Wagin 50/52; C Grade 1st — Kevin Marley, Wagin 46/50. Shoot offs were the order of the day for most places.

• Left Mike Young congratulating Tim Catling, winner of the Phil Becker Memorial Shoot.

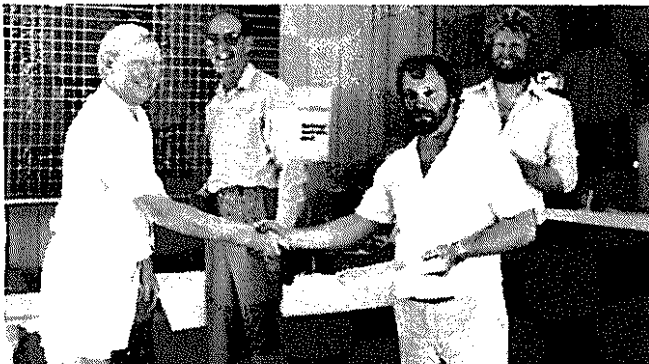

The second event was sponsored fully by the Wagin branch of the National Bank of Australia. For this the club is very grateful to the local Manager.

It was the State A.T.A. Single Barrel 50 targets. Once again a couple of possibles shot again. Mention must be made of the splendid eye Tim Catling had on the day, 99/100 targets.

Scores were as follows after several short and sweet shoot offs. A Grade 1st — Tim Catling 49/50; B Grade 1st — Geoff West, Wagin 47/50; C Grade 1st — Chris Moffatt, Wagin 45/50.

Overall High Gun, Tim Catling 99/100.

Trophy donors for the day were as follows — all to which the club thanks very much because without them the club wouldn't be able to function successfully: Mrs Maisy Becker, Jakessi Stud and Balgun Stud, Geoff West, Wesfarmers Ltd and the National Bank of Australia.

• Manager of the National Aust. Bank Wagin (Mike Young) congratulates Chris Moffatt winner of the C Grade ATA S/B C'ship.

FROM THE DESK OF THE NATIONAL COACHING DIRECTOR — PETER QUIRE

NATIONAL COACHING COUNCIL MEETING, NOVEMBER 88

The National Coaching Council met in Adelaide in November. The Council consists of Arthur Kenna of Queensland, Stewart Browning from Tasmania, Greg Chan from the Northern Territory, Col Burt from New South Wales, Len Cook from Victoria, Murray Alexander from Western Australia, Don Stevens, South Australia, and myself.

• The National Coaching Council.

Of all the various meetings and seminars that I attend, the Coaching Council meeting is, in my view, the most harmonious and the most productive. The Council members are all there with a single purpose, that is to raise the enjoyment and the standard of the clay target shooters of Australia. There are not the divisions between states that arise in all fields in Australia, the State Directors of course are proud of representing their states, but because coaching is really an occupation that concentrates on achieving benefits for others, they are concerned for all clay shooters in Australia not just those from their own states.

This being the case, the Council members share their knowledge, their experience, their successes and failures with one another, all of us are as pleased with a coaching success story from another director, just as much as if it were their own.

Sadly a common problem, more in some areas than others, is lack of understanding in administration at all levels, of the importance of having an accredited coach who must adhere to certain standards, who will teach the basic skills to beginners, encourage and assist more advanced shooters, and who by their example of conduct, promote our wonderful sport of clay shooting.

People accept the importance of, and the need for, a footy coach, a tennis coach or a golf coach, and those who play these sports continue to go back and be influenced by those coaches for all of their competitive sports participation. Why not a shooting coach?

Administrations miss out on a great deal of informed knowledgeable input if the coach is not included in the decision making of the club, zone or state. Because administrators must be pre-occupied with the very

necessary business of keeping finances balanced, running shoots and generally organizing, the coach can make an input from the shooters point of view, i.e. what will keep new shooters at the club, what promotes our sport, and what shooters' worries, pleasures and fears are. These things may not seem as important as organization and finances. They can't be measured, but they pertain to the human side of the equation. After all, a large part of the pleasure we as clay shooters get from our sport is the social interaction, the friendly atmosphere, and certainly breaking the targets. All of those areas are addressed as part of the coaches interaction with the shooters.

The Coaching Council members are continually updating their knowledge, reading, having input from the Coaching Council of Australia and attending seminars. Much of this at their own expense. I am personally grateful for the hard work and support that the members of the Council have given me, and most of all for the benefit of their knowledge, their suggestions on many matters. I believe that the clay shooters should also be grateful for all the coaches involved in the accreditation scheme for the time and effort that they put into improving our sport.

There are 308 accredited coaches, 247 Level 1, 55 Level 2, and six Level 3 coaches. All of whom have had to demonstrate their ability to be accredited.

The booklet **AN INTRODUCTION TO CLAY TARGET SHOOTING** has been updated by the Coaching Council, and the Executive of the A.C.T.A. has agreed to re-print it, so copies of this very handy booklet will be available in the New Year. It was also decided to print in the Clay News a list of the accredited coaches one State at a time. This month it will be coaches from that most beautiful island, Tasmania, who have some of Australia's most talented shooters and under the direction of Coaching Director, Stuart Browning, a good team of coaches.

COACHING SEMINAR IN WESTERN AUSTRALIA

I have been fortunate to have attended an excellent coaching seminar in Perth organized by W.A. State Director, Murray Alexander, and his most able helpers. Speakers from the W.A. Sports Department and outside sports made the weekend most informative. The best aspect for me was the attendance of so many of the State Coaches, their input and interaction was stimulating. Coaching is alive and well in W.A. Thank you all in W.A. for your hospitality.

STURT PEA FROM S.A.

Do you believe we are into 1989? And what a year 1988 has been with Gun Legislation, S.A.C.T.A. Constitution, the Levy for shooters now not finalised, the reorganising of the I.S.U. where there was a National Team selected. Unfortunately we were to find out later that the Olympic Trap Nationals were to be held on the same weekend as our D.T.L. Carnival. This is very disappointing for our team members. We were informed no alterations could be made.

Consequently our team has chosen not to go and rightly so, preferring to support the D.T.L. Carnival.

Last but not least, the building of the Clay Target Range at the International Sports Shooting Park at Virginia, home now for International Gun Club.

I.S.U. FINALS

Phil Green received the S.A. CHAMPION SHOOTER, BALL TRAP, OLYMPIC TRAP PERPETUAL TROPHY with a score of 177/200. National Team: T. Kenyon, B. Johnson, D. Lymn.

S.A.C.T.A., D.T.L., CARNIVAL

To be held on February 10, 11, 12 at the International Sports Shooting Park at Virginia.

First event pre-Carnival to start at 3pm on Friday. The O/A winner of the two events programmed will receive free nominations for the Carnival.

RAY & PAT MACK STATE TITLES CHAMPION SHOOTER FINALS

To be shot on Saturday 11th. Deauville Doubles winners to shoot as individuals. If you are a State Titles winner during 1988 get practising as there will be a good trophy for the winner. I hope all juniors have got the Carnival marked on their calendar as Winchester Australia are again sponsoring a Junior Champion Event and there will again be 1st, 2nd and 3rd trophies for both registered and unregistered junior shooters.

THE LATE ROSS RITCHIE

On behalf of my family and myself we would like to thank the shooters of all States who helped Ross really enjoy and live to the fullest his 14 years of donated life. Thanks for the phone calls, letters and cards of support whilst Ross was in hospital and upon his death for the comfort, flowers, cards, letters and expressions of sympathy to us. Special thanks to Dick and Rhonda Ayres (life long friends) also Katanning (W.A.), Bordertown, Lake Albert and Wilkawatt gun clubs. As Ross would have said, all time is wasted what's not spend shooting or fishing (and yes there were still fish in the freezer).

Thanks for the wonderful memories, Shirley Ritchie.

WILKAWATT

Thanks to the sponsors Laser Sight and Sound, also Des and Pah1/Class for their generous contribution.

TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations - providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.

can inexpensively maintain new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Bruniton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners

The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.

Italian designed slim line high fashion deluxe gun luggage, with moulded inserts for maximum protection. Features rebated carry handle, quality combination lock and provision for choke tubes and other accessories.

New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., — and full. Key/thread cleaner come with guns featuring the mobilchoke system.

To complete the story the new *682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.
