# EXECUTIVE DIRECTOR'S NOTES

Olympic Discipline Nationals commence on 7th February and a reminder that 1 oz or 28 gr loads are mandatory at these Championships. While factory loads are manufactured to exact specifications, this is not necessarily the case for reloads, so please ensure if you intend shooting the Olympic Discipline of Trap and Skeet that you do not reload (if that is your preference), other than to the prescribed 1 oz load.

A telephone call recently received advised of an accident at one of the regular club shoots and the importance of the recently introduced Members Accident Insurance Policy became very apparent. While the by far greater majority of clubs have paid their accident premiums, a relatively small number have not as yet fulfilled their obligation. If you, as a registered shooter, are in any doubt as to whether or not your club has ensured your protection, then ask the Club Secretary. If any doubt remains then contact the national office.

Registrations are due and payable as at 1st January and new cards are being processed to ensure they will reach you without delay. Persons who have not renewed their membership as at 10.3.89 will cease to receive the C.T.S.N. as from the April issue.

The front cover of this issue features New South Wales junior, Michael Diamond, who has been honored by the Confederation of Australian Sport, being named Australia's Junior Male Athlete of the Year at the recent Sport Australia Awards in Melbourne. Michael's performance over the twelve months of the award was truly outstanding and included his win at Venezuela in the World Shotgun Championships at which he became the World Junior Champion. Well done Michael!

The April issue of the C.T.S.N. will carry the full program for the National Trap Championships commencing on 1st April at Echuca. Every effort is being made to ensure that the magazine is posted to reach its destination as early as possible before the end of March. If you are planning to attend the Trap Nationals, and we certainly hope that you are, there will be some copies available there should you not have received yours prior to your departure for Echuca.

By now you may have already heard of the resignation of our National Coaching Director, Peter Quire. Peter has decided after his many years in the position to return to the workforce in his own business in Adelaide. We wish Peter well in the years ahead, and thank him for the role that he has played over the years in establishing our Australian shooters as world class competitors. The matter of a replacement for Peter is being discussed by the Management and Executive Committees and details will be announced as they come to hand.

Peter will continue with the Association as a member of the World Championships Organizing Committee, and as well as attending the Olympic Discipline Nationals in February, will be available to offer any assistance that he can to whoever may be appointed to fill his role. With leave, etc. and a desire to complete unfinished projects, Peter will officially depart from the Association on 31st May and resume his position in the workforce as a self-employed person. We wish him well and thank him for the efforts given over the years.

Alan J. Maher

## IMPORTANT NOTICE INTERNATIONAL COMPETITIONS 1989/90

### *Team Selection Procedure*

In order to comply with the conditions of grants received from the Australian Sports Commission and the Australian Commonwealth Games Association, the Australian Clay Target Association has had to review the selection procedure for both the World Championship Teams and the 1990 Commonwealth Games.

The selection procedure following careful consideration has now been amended and will commence in the following manner with the naming of the 1989 National Training Squad at the Olympic Discipline National Championships being held in Melbourne from February 7-12.

**National Training Squad.** To be determined on scores recorded at the Olympic Discipline National Championships.

**Elimination.** Over three days, 300 targets in early July 1989 with Brisbane Gun Club being the venue subject to availability.

**World Championship Teams.** 3 Olympic Trap, 3 I.S.U. Skeet, being the three shooters for each discipline recording the best scores over the 300t elimination. Final teams subject to sanction from the Justification Committee.

**Commonwealth Games Teams.** 2 Olympic Trap, 2 I.S.U. Skeet, being the two shooters from each discipline recording the best scores over the 300t elimination. Final teams subject to sanction from the Justification Committee.

**New Zealand I.S.U. Nationals.** 2 Olympic Trap, 2 I.S.U. Skeet, being the members of the official Commonwealth Games Team.

**Funding** will be made available for members of the National Training Squad to travel from their home state to compete in the 300t Elimination Program.

**Justification Committee** Members of the National Shooting Committee comprising of:

Chairman: Mr R. Smith (NSW) Executive Committee: Mr T. Catling (WA) Executive Committee; Mr P. Quire (ACTA) National Coaching Director. I.S.U.: Mr D. Menck (NSW) Shooters Representative. Trap: Mr P. Hayman (NSW) Shooters Representative. Skeet: Mr R. Dower (SA) Shooters Representative.

While no changes are contemplated to this amended format, the Association does retain the right to make alterations at any time that they may be considered necessary in the best interest of the sport.

# CHAMPIONS OF OUR SPORT — THE GOLDEN OLDIES OF OUR GAME

By George Biggs, A.C.T.A. Historian

**Tup Pedersen of Drouin:** As a youngster in the early part of this century, Allan (Tup) Pedersen was destined to become a farm hand. He was born in Drouin, Victoria just 80 years ago. His father was a farmer and his grandfather was a market gardener. The land was in his blood and nobody, not even Tup, could see any other future for him. Few people could envisage that he would enter the motor industry, let alone spend more than 63 years in the industry.

At the age of 14 Tup took a job with one of Drouin's car dealers (Drouin Motors). The only qualification Tup needed was a driver's licence that cost him 2/6 (25 cents). After about 12 years behind the scenes Tup and his partner bought the place for the sum of £1500 (\$3000), including the buildings. Despite a very good start, Drouin Motors faced tough times during World War 2 when car sales plummeted and petrol rationing was introduced. However, the end of the war signalled a period of high turnover for Drouin Motors and Tup and his partner George Clark found it a good time to consolidate the business.

It was in 1948 that Tup decided it was time he enjoyed some recreation and being a country boy his thoughts turned to shooting. Clay target shooting was just beginning to reorganise after the war and so Tup took a liking to what he saw.

The early days of Gippsland in Eastern Victoria saw several gun clubs that were formed around the beginning of the century. They were of course live bird clubs. Around 1925 clay targets were replacing live birds, resulting in most of the live bird clubs changing over to clays.

It was 1948 when Tup Pedersen decided he would take up clay target shooting. I remember him coming into Hartleys Sports Store one afternoon. He told me he was going to shoot clay targets more seriously and wanted to know what kind of gun he should buy. He had joined the Moe Gun Club and used an old Hollis double barrel hammer gun for a few years but had switched to a Browning auto.

About this time (early 1950s) the under and over gun by Browning was beginning to reach Australian clay target shooters. Tup purchased a mod "C" grade. He still has this gun today and has used it very successfully for over 35 years. Of course I had to make an alteration to the stock which was originally a so-called field stock with a lower comb measurement. If my memory serves me correctly the going price was around \$200.

Over the 40 years that Tup has been competing at clay target shooting he has taken out over 200 championships at both trap and skeet.

The Drouin Gun Club was formed in 1950 and officially opened by the then A.C.T.A. President Jock Wilson. The club had a membership of 65, with Joe Oliver as president. Later, Tup Pedersen was elected president with Stan Turner secretary. The club carried on until 1982 when they disbanded to join up with Morwell club. Tup served on the A.C.T.A. Executive Committee from 1956 to 1977. He was appointed vice-president in 1974 and national president 1975, serving for 2½ years. Tup is still attending shoots and enjoying the friendship of old and new shooters at the good age of 80 years.

One of the highlights of Tup's shooting career was a trip to the U.S.A. where he shot in the "Grand American", an event that is billed as the biggest shooting tournament in the world. He brought back trophies from several shoots that he attended whilst there.

*Picture of Tup on his return from America displaying the latest in American shooting jackets.*

In December of 1987 Tup and his wife Enid visited the Australian Masters Games held at Launceston where he shot in all the shotgun events. He remarked to me that he and Enid enjoyed themselves so much they had decided to travel to Alice Springs for the Northern Territory Masters Games in October the following year (1988). Sure enough he and Enid did visit Alice Springs. They actually did drive up.

AUSTRALIAN CLAY TARGET NEWS — FEBRUARY 1989

It was at the Melbourne Gun Club a couple of weeks after their return from Alice that I had the opportunity to talk with them over their trip. It was obvious that he and his wife Enid had really enjoyed the shoot. Tup described the welcome they received from club president and members and said it was out of this world. People just couldn't do enough for them. The president Mick Marella and the secretary Sue O'Grady were fabulous. The catering was really something to talk about.

Tup won a bronze medal in the 50 target points and a silver in the 30 target double. At the closing ceremony Tup was presented with a gold, silver and bronze for his effort at the age of 80 years. Tup promises to go back again in 1990 and would recommend it to anyone who can make it.

To my good friends Tup Pedersen and his wife Enid I sincerely hope you can make it, but I think you should fly up next time.

## KNOW YOUR EXECUTIVE

**Richard Brook, Qld.**

Richard first started to shoot clay targets in about 1956, and followed it for a couple of years until the Goondiwindi Gun Club folded due to the rural recession owing to the slump in wool prices. Richard did not shoot a clay target until the Goondiwindi club was reformed in 1981, when he was elected club delegate at the first meeting, a position held ever since. He was elected club president for the second year of the club's operation.

Richard was elected to the Council of the Queensland Clay Target Association in 1983, to vice-president in 1985, to president in 1987, a position still held, and on to the Executive of the Australian Clay Target Association in 1987.

He was chairman of the Organising Committee for the National Trap Championships in Brisbane in 1987 and subsequently tournament director for those championships. He was also tournament director for the Olympic Discipline Nationals in 1988, also held in Brisbane.

Positions now held in the shooting world include member of the Executive ACTA, president of the QCTA, a member of the executive of the Queensland Shooting Association, a member of the Qld Government's Firearms Advisory Council, shooting's delegate on the Qld Olympic Council and also the Commonwealth Games Association (Qld Division).

Richard believes if everyone gave a couple of years of their spare time to administration and gave it their best shot, administration would not be the onerous job most people seem to think it is. He does not intend to keep all, or indeed, any of these positions for too long, but will try to make a contribution to shooting and then let someone else have a try.

## W.A. COACHING SEMINAR

On October 29th and 30th the West Australian Coaching Council, supported by the Department of Sport and Recreation, conducted a Two Day Coaches Seminar. Twenty-five coaches from around W.A. gathered at the Whiteman Park Shooting Complex for what was to become a very indepth seminar.

The coaches had gathered for a variety of tasks not the least being seven doing finals for Level 1, and two doing finals for Level 2. Because of the logistics involved all the accreditations and refresher courses had to be programmed on the same weekend but with different components to suit each situation. Our National Coach, Mr Peter Quire, arrived on Friday and after a few last minute preparations, all was ready.

Saturday morning and after registration and course explanation, our first lecturer took the floor. Mr Grant Dorrington from the Football Development Trust, imparted to the assembled coaches that inner knowledge of how coaches could and can coach. But the reactions and questions all now seem to have a better understanding of how to help. A luncheon break was taken followed by a lecturer on nutrition from the Heart Foundation. Mr Glen Cardwell opened our eyes to a variety of foods and blew away everybody's theory on muesli bars and rice bubbles.

The last lecturer of the day came via the Institute of Sport with vision being his task. Like the previous lecturers, had time not run out he would have been kept talking all night.

*Participants in the coaching seminar pictured at the illustrious West Australian Gun Club.*

As the days proceedings were wound up, a buffet tea was provided for all the coaches and their partners. The feast that was presented could only be described as unbelievable. To Chris for organising it, Dale for preparing it and Silvia for helping serve it, everybody ignored the dietician and enjoyed a superb meal, and we all thank you.

Sunday saw the last of the organised lecturers present his paper on Psychology. Mr Harry Prapavessis from the University of W.A. talked and answered questions for some hour and a half before time was called. From here a coaches administration course was run with the Assistant State Coach, Mr Tom Stelling, supervising.

After the final luncheon break the groups split to carry out various tasks, with Level 1 doing an evaluation on Skeet shooter, Miss Lynda Johnson, and Level 2 handling more administration tasks.

As the two days drew to an end, a round table question period was held under Mr Peter Quire. Again time had to be called so the course could be concluded.

It was by the Coaches' own statements a rewarding weekend with possibly the highest quality of lecturers seen outside the A.I.S.

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

## STURT PEA FROM S.A.

The State Carnival is our big event for this month and we hope it will be a great event especially as it is our first one at the International Sports Shooting Park. It is a great area — a lot of work by a few has been done out there. The area has been grassed so there will be green grass underfoot on the tracks.

Those coming to the carnival must remember to bring both their 1988 and 1989 cards to properly assess their grading. The state handicapper is Graham Michell so please help him and yourself by bringing both those cards.

We have done our best to make the trophies good ones. Winchester have again supported us both for the double barrel event and also the junior championship and as most know there is the perpetual cup to go with the winner of both these events. This year we have also gained support from Scorpio and Mildara Wines at Coonawarra. The overall trophy is beautiful and most unusual, just to whet your appetite. There will be some raffles floating about, a case of Scorpio cartridges, a bottle of whisky and a big sports bag from Winchester, so bring your piggy banks to get some tickets.

Don't forget the two events on the Friday starting at 3pm, the winner to have free nominations to the carnival. What more incentive do you need to come along?

A.G.M.

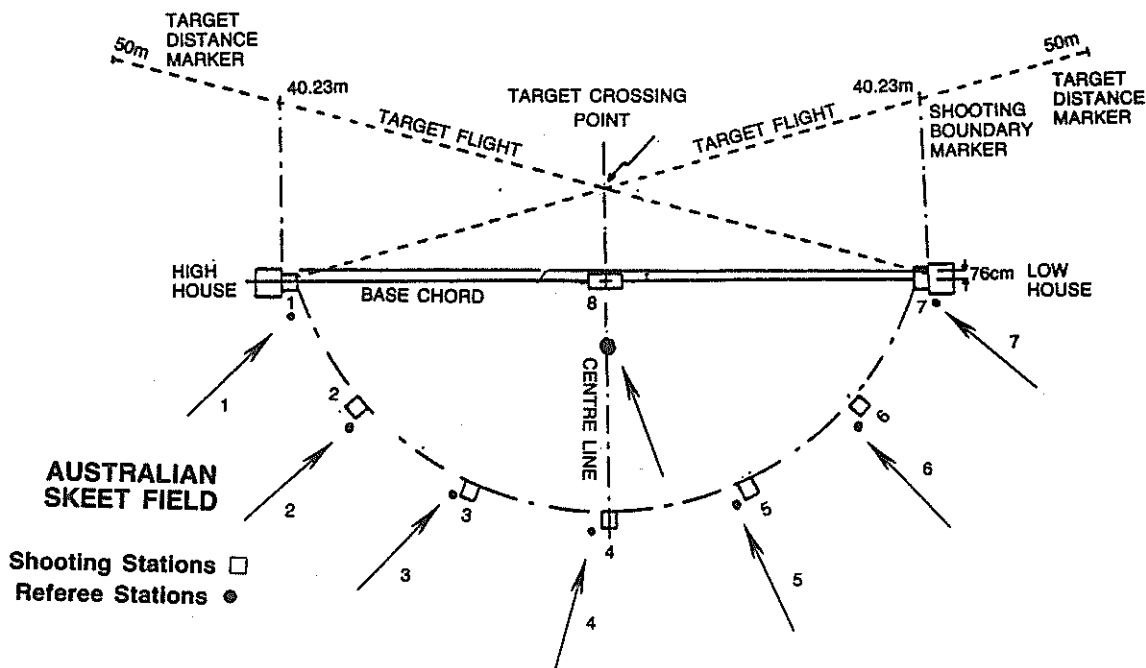

To be held at the complex and open to ALL SHOOTERS.

Clubs are to make sure either their delegate or a proxy is in attendance to discuss their club's views on raising funds for S.A.C.T.A. This will be resolved at this meeting. It is hoped that your members have all had the opportunity to talk this over fully and have taken into consideration the work involved in all the proposals put forward. Club members, if you have not as yet seen the correspondence sent to your secretaries, please ask them to show it to you. **YOUR CLUB AFFILIATION MUST BE PAID TO BE ELIGIBLE TO VOTE.** Meeting Friday 10 at 8pm.

## RULE AMENDMENT

Rule to read:

8.11 (F) The positioning of skeet referees is mandatory in keeping with the positions indicated in the illustrated Australian Skeet Field.

All state title winners during 1988 are eligible for the Ray and Pat Mack family trophy. This should be interesting and entertaining.

## ATTWOOD-LAW CUP

A beautiful sunny day on October 30th saw 27 shooters compete for the magnificent Attwood-Law Cup at Wangaratta.

Wangaratta Club consider this the premier event of country skeet.

The honour of having the winner's name inscribed on the cup goes to our very popular president, Tony Penney, with a score of 116/118, after a great shoot-off with well known shooter, Bob Buchan of Melbourne.

It was wonderful to see the fine sportsmanship shown by these two great shooters throughout the day, during which time Tony and Bob also shot off to decide the winner of the 50T Skeet Championship. Tony eventually winning with a score of 67/68.

A great day was had by all.

Dick Love,  
Handicapper

# DEVONPORT CLAY TARGET CLUB CHRISTMAS SHOOT 1988

The weather conditions were hot and sultry for the Devonport Clay Target Christmas shoot for 1988.

Fifty-nine shooters from all over Tassie and the mainland were in attendance. The clubs represented were Hobart, Tasmanian, St Helens, Cressy, Bothwell and Burnie, as well as Victorian visitors Rod McClure and Stephanie Rollett from Castlemaine Gun Club and father and son combination Norm and Wayne Cottee from Kyneton Gun Club. Australian Commonwealth Games Pistol Shooting representative Ted Richey of Devonport tried his hand at skeet for the first time and shot quite well.

The main event of the day was the Nowell Agricultural Skeet Championship. The A grade and Overall winner was Charles Latham of Devonport with 67-68. B grade was won by Keith Blazley of Devonport with 58-59 and C grade was taken out by Rod McClure of Castlemaine with 58-60. The club would like to sincerely thank Rob Nowell for his generous support of this skeet event.

Event 2 on the programme was 10 targets Points Score eye opener. D. Knies, R. Mason, K. Aylett, I. Rist, S. Browning, P. Rockliff and G. Blaskett all shot 30-30.

It was then time for the 30 target Double Barrel with the A grade winner being well-known Tasmanian shooter John Murphy of Cressy with 77-77, B grade was won by Tim Atkins of Devonport with 30-30 and C grade winner was Stephanie Rollett of Castlemaine with 29-30.

As Devonport's ladies team in the Taipan shield went out to shoot, the conditions got worse when the sea fog rolled in. The team members were Cheryl Arnol, Lois Scott, Janet Browning, Doreen Aylett and Allison Blaskett and a score of 84-100 was posted. A good effort under the conditions girls.

The Gordan Girdlestone Cup which is shot for over pre-nominated events from July to December was won by Tasmanian A grade shooter Kevin Aylett. Well done Kev.

The Christmas raffle was drawn and W. Press won a decorated Christmas cake which was made by Devonport's hardworking secretary Molly Bryan, second prize was a bottle of wine won by Tim Atkins. With all the shooting completed it was time to sample the fantastic smorgasbord tea that had been organised by our ladies committee. Our chief cook, Mike Beluch, had the steaks sizzling on the barby (terrific apron, Mike). Thanks for your efforts throughout the year ladies.

The club would also like to thank our trappers, Justin Bryan, Leigh Aylett and Les Triffet for all their hard work. Thanks boys.

The president and committee of the Devonport Clay Target Club would like to wish all shooters and their families all the best for the New Year and good shooting in 1989.

Jock Bryan

Vice-President, Devonport Clay Target Club

## MARYBOROUGH TITBITS

It was winter, the shoot was late, there were dark clouds, the event, continental and black clays. Jim Wilson had recalled a couple of clays then the ref said we didn't have time to call for another target as it was too late. Jim then called and nothing happened, so he broke his gun, took out the crackers and walked off. As he passed the ref he said, "I didn't even see that one" and ref Bob replied "You would have to be good to see it, as nothing came out". What Jim said walking to the car I can't print.

Bundy Nov 6... I was told it was a very wet day and once again there was a southern shooter Noel Wenning from

Geelong who took out events 3 and 5 in B Grade. Hope you enjoyed your stay in Bundy and enjoyed the shoot. Other shooters to win or be placed were: F. Agius, K. Rehbein, T. Harris, P. Winzen, N. Berry, T. Peterson and R. Read.

Maryborough had their Christmas dinner again this year on Saturday 19th with a good turn-up and a good night had by all. Our General Meeting held before our shoot of Sunday 27 produced the following officers: President G. Noffre, Vice-Pres. P. Pagliarino, Sec./Treas. Holly Woods, Captain D. Osborne, Vice-Captain J. Schmidt, Publicity Officer D. Neilsen, Armorer & Provider H. Walker, Canteen Steward J. Shepard. Most of the top jobs were returned so congratulations to all who hold positions to make the club tick. The following shoot produced a worthy winner in I. Casperson who took A grade in events 1, 2, 3. A shooter to make a return to shooting after some years is G. Gunter from Boonar. Hope you return. Thanks for coming, thanks also to Bundy for adding the numbers.

Till next time, see you at the shoots.

# BICENTENNIAL SHOOT AT WAIKERIE

## VICTORIANS AGAIN PROMINENT

The Waikerie Field & Game Annual "Legacy" shoot was held on the 12th/13th November and attracted some 50 shooters over the two days.

All Riverland towns were represented as well as strong contingents from both Adelaide and Mildura.

Weather conditions for both days was hot and windy but in spite of this some excellent shooting resulted. The 50 Target Waikerie Hotel Simulated event on the Saturday brought local shooter, Robert Maywald to the "A" Grade winner's circle with an excellent score of 45/50. Dennis Moys of Mildura was 2nd with 40/50. Les Featherston, also of Mildura, took the "B" Grade honours with a fine 42/50 followed by Ivan Maywald of Waikerie on 41/50. The "C" Grade was decided after a shoot-off between Bill Wilksch (Waikerie) and Adrian Krolling (Adelaide) both tied on 39/50. Bill survived to take top honours with 42/64.

The W.D. Marshall Memorial Team Shield was held in conjunction with the Waikerie team of Robert Maywald, Ivan Maywald, Marty Burnell and Bill Wilksch scored an excellent 159/200 to take the shield for the second year.

Due to daylight saving there was time available for the competitors to enjoy an ever popular "Skeet" event. It resulted in a shoot-off for all positions. Pat Tassone (Mildura) with 30/31 edged out Trevor Homfrey (Adelaide) 29/30, Brian Spencer took third place with 33/35.

After a sumptuous tea, put on by the ladies, it was "lights on" for the 25 Target Double Barrel Night Championship. This event is most spectacular and reminded one of the fireworks at EXPO 88, the white clays when hit, break like a sky rocket. The "Outright" winner was Robert Maywald who returned the only perfect score of 25/25, he was consistent all day. The Mildura shooters Don Molina and Pat Tassone tied and shot-off for the placings with Don coming out the better with 26/27 and Pat on 25/27.

Ivan Maywald (B Grade) was "sashed" by Mrs D. Moys of Mildura.

Sunday dawned to another hot and windy day, with shooting commencing at 10am with the 50 Target "Legacy" Simulated event. The wind produced a variety of targets but most shooters mastered the tricky conditions.

In the "A" Grade section, Don Molina (Mildura) took 1st place with 42/50 followed by Harvey Nunn (Paringa) on 47/56 after a shoot-off.

"B" Grade saw a reversal of the previous day when Ivan Maywald 41/50 beat Les Featherston 38/50. Bill Wilksch repeated his Saturday's effort by again taking "C" Grade honours with 33/50, second was Brian Spencer on 30/50. Overall winners for both days with 100 targets was Robert Maywald in "A" Grade with 83/100, Ivan Maywald in "B" Grade with 82/100 and Bill Wilksch in "C" Grade with 72/100.

Sunday afternoon brought the 15 Target Points Score (3 for 1st Barrel hit, 2 for second), for the "George Handcock" Memorial Shield. The late George Handcock was the instigator of the "Legacy" shoot some 12 years ago.

Peter Caddy, "George Handcock Memorial" Shield winner.

Veteran Peter Caddy of Barmera "clean skinned" every target, never using his famous second barrel once, giving him the only perfect score of 45/45 and the shield. Harvey Nunn and Bill Wilksch shot off for the minor places, both having shot 24/25. Bill proved the better on the day with 50/51 and Harvey had to be satisfied with 3rd on 49/51.

## ADELAIDE-PARINGA HOTEL/CASINO EVENT

The main event for the weekend was sponsored by the Adelaide-Paringa Hotel and the Adelaide Casino. This 20 Target Double Barrel event was a top drawcard as the winner would receive accommodation for two people for two nights at the hotel and a "starter pack" plus \$50 of chips at the Casino, value is approximately \$250. Tension was running high as scores were written up on the board

*Bicentennial Simulated Champions: Bill Wilksch (C Grd), Robert Maywald (A Grd), Ivan Maywald (B Grd).*

and the last shooters were under pressure as a few 20/20s were recorded. Eventually Pat Tassone, Robert Maywald and Don Molina lined up on the mound to decide the final placings, all having shot a possible. Maywald was the first to succumb after only three more targets and then a fine duel commenced as Tassone and Molina broke clay after clay. It looked as if Molina would repeat his efforts of last year, but no, he missed his 32nd target giving Tassone the honours with a fine 32/32.

The "Eddie Traeger" High Gun trophy, over the two days was taken off by Robert Maywald, yet again, with the total of 139/160.

The President of the Waikerie Field and Game Region, Mr Ivan Maywald expressed his thanks to all the competitors for their continued interest in the shoot and to the many donors for their strong support, without such support "Legacy" would not benefit by nearly as much. He made the trophy and sash presentations for the Simulated events and then called on Mr Doug Howie, who was representing "Legacy" to present the "George Handcock Shield". Doug explained that today "Legacy" was still needing support as ex-servicemen and their families grew older and required assistance and that the efforts of the Field and Game were greatly appreciated and on behalf of Legacy he thanked all concerned.

Mr John Gordon of the Waikerie Travel Centre then presented the Adelaide-Paringa Hotel/Casino prize to Pat Tassone and the Travel Centre trophies to the other placegetters.

All in all it was a very successful programme and it is anticipated that Legacy will benefit to the tune of \$500.

*Pat Tassone (right) receives his vouchers from John Gordon.*

Before dispersing to their various abodes, many stayed on to enjoy an evening meal and to sum up the results.

## EDITOR'S MAILBOX

Dear Alan,

I have noted with interest the decision that from 1st January 1989 all I.S.U. shooting will be restricted to 28 gram loads.

I just hope that the A.C.T.A. executive resist this idea for Australian standard trap and skeet. Shooters in Australia have developed their own type of events and any change must be very carefully considered.

Any change in loading would disrupt most club shooters and of course some would not bother and drop out of the sport. The idea of resizing shot bushing for competition loads and field loads after 15 years shooting really "excites" me, and I am sure that the average shooter would have more confidence with the lighter cartridge. That's why we all use the 32 gram load instead of the 28 gram load!

Just remember! Change for change's sake is not worth the trouble. Handicap shooting is nearly a thing of the past due to rule changes and what happened to the great "American Single Barrel" shooting that was mooted a few years ago?

Yours faithfully,

John King

## WAGGA TRAVEL NZ TRIP

### Maree Rooke

For well over ten years now Wagga Travel Service have been the proud sponsors of the annual Wagga Travel Service D/B Championship. The major prize is a return ticket and accommodation to the NZ Nationals.

In previous years shoot-offs have gone for over 200 & 300 targets before a winner was decided.

Included in our program was the Winchester Grand Prix Handicap, also an annual event. Weather conditions were quite pleasant, with a slight breeze strong enough to make the odd target rise a little too high for some shooters.

The numbers were a little disappointing, but the standard of competition was very high. Most shoot-offs were fairly lengthy and visitors as far away as Port Macquarie and Canberra were in attendance. Again a barbecue lunch was provided and enjoyed by all. The Winchester Grand Prix Handicap didn't see any possibles shot though Steve Manning and Brian Hall had a very short shoot-off for 1st & 2nd. Brian Crane looked in fine form after a lengthy shoot-off with Andrew Raadgever

taking third place.

Only six possibles were scored in the Wagga Travel Service D/B C'ship and ended up a very lengthy shoot-off.

It was also a usual shoot-off with George Ceely dropping a target, then Bob Blake, then Steve Manning.

Steve won the O/A H/G one target down and also shot over 250 straight. Husband and wife team, Andy and Helen Sanders each won a trophy in their respective sections. Brian Crane was an achiever managing to gain his 150 break. The club would like to thank Wagga Travel Service and Winchester for their kind sponsorship and support.

Wagga Travel Service have arranged numerous overseas shooting trips, so if you're interested in the NZ Nationals please contact John Collins (069) 21 6288.

## 1982 OLYMPIC DISCIPLINE CHAMPIONSHIPS

Fine double to Ellis . . . Hale makes amends in Commonwealth Skeet Title.

The 1982 National and Commonwealth Olympic Discipline Championships were conducted at Brisbane Gun Club over the Easter period.

The National Championships were used by the Commonwealth Games Foundation as a "dress rehearsal" to test officials and equipment.

Sixty-six shooters were squadded on Easter Saturday to commence battle for the 1982 National Olympic Trap Championships. First round possibles came from Connolly, Rumbel, Budd and Flower. At the end of 75 targets, World silver medallist Jim Ellis had hit the front on 73/75, Seymour and B. Lowry were one target behind, with Long, G. Stevens and Flower on 71.

A second 73 on day two put Jim Ellis two in front of Greg Long, with Rumbel and Collinson three targets further back on 141. Porter, Lowry and Collins were tied together on 140.

The final 50 targets saw Jim Ellis drop two to win the gold medal with 194/200. Greg Long took the silver two targets behind Ellis on 192, and John Porter shot 49/50 on the last day to win the bronze medal with a final tally of 189. These were good scores as intermittent showers throughout the three days made conditions difficult.

The equipment worked well in both trenches, after slight modification by Public Works Department officers.

A field of 23 faced the starter in the National I.S.U. Skeet Championship.

John Woolley of New Zealand ran the first day clean to lead by one target from Alex Crikis, with Ian Hale one further back on 73. Cameron was on 72, Summers 71 and Boyd, the 1981 holder, on 70.

Ian Hale shot them all in the second 75 to lead Woolley by one with Crikis in third place on 146. Boyd improved his position with a brilliant 75 to add to his first day's 70, while Summers had trouble again carding 71.

Day three, the final 50 targets, Woolley again shot brilliantly breaking them all to card 197/200. Hale dropped two and had to settle for the silver medal, one target behind on 196, with Alex Crikis taking the bronze medal with a score of 194.

### RESULTS SUMMARY

A four-man State Teams Match was conducted over the first 150 targets of the National Titles, which resulted in a win for Queensland in Olympic Trap and Victoria in I.S.U. Skeet.

The Commonwealth Championships were conducted over the two days April 15 and 16, 100 targets per day. Fields were smaller for these titles as many shooters had returned home to start work after the Easter break.

At the end of day one, the Olympic Trap shooters had performed very well, 10 of the 35 shooters scoring 90 or better.

Jim Ellis led with 97 by one target from John Maxwell with Terry Rumbel in third place on 95. On 93 were Ken Stevens, Garry McDonald, Stan Collins and Dennis Lynn.

Evergreen Bill Stevens had shot consistently for 92, one target ahead of John Byrnes of South Australia. John Porter had started quietly with 90 and was tied with Norm Simms of A.C.T.

Day two dawned fine and clear, the improvement in the weather saw scores improve too, with 13 scores of 90 or better.

Jim Ellis was his usual quick and efficient self, shooting an immaculate 98 to take the gold medal on 195. John Maxwell, who was disappointed in the National Championship returned to peak form with an excellent 98 to take the silver medal at 194.

Terry Rumbel was consistent with another 95 to win bronze on 190, after surviving a shoot off with Stan Collins for third place. Stan had shot well throughout this championship to record his 190. John Porter again came home very well to card 98 on the second day. As with the National Championship his second hundred targets was top class.

Jim Ellis again demonstrated his class by winning both titles. His vast experience shows in the cool and efficient way he goes about his shooting.

Fifteen shooters lined up for the Commonwealth I.S.U. Skeet Championship. At the end of the first 100 targets, Ian Hale showed he meant business with a brilliant 99, while Nelis, Madsen and junior Craig Meuleman were tied together on 94. Norman was one further back with Crikis and Gauld on 92.

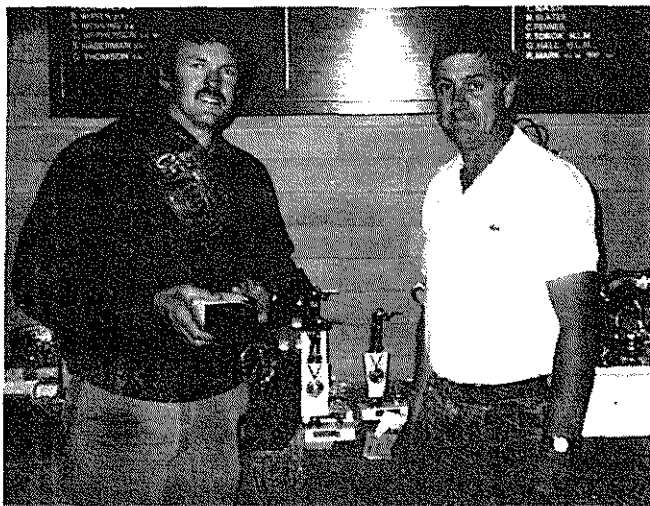

Day two saw Hale go further ahead to street the field, winning the gold medal by eight targets with a score of 195. Alex Crikis had to shoot off for the silver medal with Craig Meuleman, both carding 187. This was a fine performance from the 16-year-old junior from Melbourne, who obviously has a bright future.

# V.C.T.A. South East Zone

## School Boys/School Girls Championships

On the fine and breezy 13th October, at the Frankston/Australian Club, one of the zone's major and most centrally located venues, 116 students from 27 schools contested a twenty target single barrel event shot in two visits.

The day was organised by the zone council and with the help of some parents and teachers, the shoot ran smoothly and was a great day all round. Junior shooting is the future of our sport and those who help in any way are to be commended.

To OLIMPYC TARGETS the zone council send a special thanks for the support as too Tony Rowe, Brian Salomon and Barbara Allen. The Frankston/Australian Club we also thank for their grounds and club facilities.

Senior Boys: J. Woods 21/23, S. Allen 20/23, M. Raymond 19/22.

Senior Girls: C. Burdett 15/20, J. Stockdale, M. Reilly, N. Carrol.

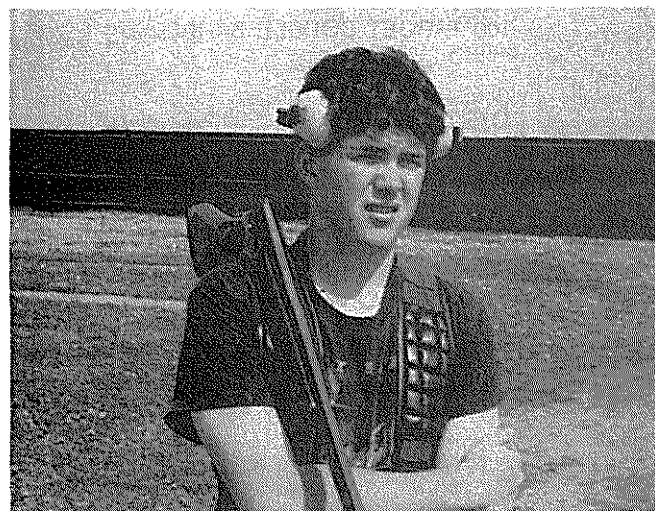

Junior Boys: V. Mollica 17/20, R. Burgess 16/21, N. Kuch 17/23.

Junior Girls: K. Light.

Nine schools were represented by a four member team and the winning team was Wonthaggi Secondary College, 61/80.

Wonthaggi Team: B. Egan, P. Brusamarello, S. Allen and C. Burdett.

Senior Boys Victor J. Woods.

Junior Boys Victor V. Mollica gives Brian Salomon SEZ Vice President a chuckle.

A Beretta 1200F auto shotgun is shown diagonally across the frame. The background is a dark, stormy night sky with a large, jagged white lightning bolt striking down. The ground is dark and appears to be a field or tundra with some sparse vegetation.

# Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength  $2\frac{3}{4}$ " load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions – including **price**.

See your local Gun Dealer now for the lowest price on the toughest auto in the world.
