# EXECUTIVE DIRECTOR'S NOTES

The Trap Nationals at Echuca have now been completed with all results published in this issue of the CTSN. Next month a full summary of the Championships will be published which should be of interest to DTL shooters in particular.

As is well known by now, National Coaching Director, Peter Quire, has resigned his position effective end of May and a search is under way for a successor to be appointed. Peter has held the position for many years and has made a great contribution to the coaching scheme throughout Australia. His knowledge, however, should not be lost as he has agreed to remain as a member of the 1991 World Shotgun Championships Organizing Committee and his experience at these and similar international events will be of great assistance as we plan for 1991.

Advertisements for the position of National Coaching Director were placed in the Melbourne Age and Sydney Morning Herald on Saturday 15th April with a further notice being contained in this issue of the CTSN. If you are interested in the position then please read the notice carefully and should you then decide that the position is one that would suit you and benefit the Association's registered shooters then please let us have your application by the due date.

## Australian Institute of Sport

During this month the facilities of the Australian Institute of Sport have been made available to the A.C.T.A. to conduct a Junior Development Training Camp which will be a live in camp at Canberra from 1st May-5th May. Invitations to attend have been forwarded to the following juniors who, by their scores at the various National Championships, have selected themselves.

**Olympic Trap:** Michael Diamond, NSW; Filipo Petriella, NSW; Brett Dunstan, Vic; Craig Tilley, NSW.

**I.S.U. Skeet:** Paul Rylands, Vic; Jason Smithwick, Qld.

**Skeet:** Katie Light, Vic; Daniel DiPietro, Vic.

**DTL:** Tom Turner, NSW; Glen Hayden, Vic.

There is no doubt as to the benefits that will be achieved by attending the camp and it is trusted that all invitations are able to be accepted — Level 3 Coaches from the ACTA will also be in attendance to offer their assistance and expertise to the week-long program. On behalf of our juniors we express our appreciation to the Australian Institute of Sport whose financial assistance supported by ACTA financial assistance has made this Junior Camp possible.

Meetings of the National Executive Committee and various Sub Committees have been scheduled to take place in Melbourne over the period Wednesday 17th May to Sunday 21st May, a total of eight long and demanding meetings from which many important matters will be both discussed and implemented for the overall benefit of our registered shooters. Repeating a previous comment "some of the decisions will be popular, some will not, however, all are made in the best intentions of shooters throughout Australia".

Once the meetings have been held, details of decisions made etc. will be made available to all state associations and also to all shooters via the CTSN. If you feel that you have comment to make on the decisions reached through the various committees then please let us hear your voice and direct your comments to your State Executive Members whose names and telephone numbers are on the inside cover of every issue of the Clay Target Shooting News.

The May meetings will bring three members to their first Executive Meeting, Paul Weis from N.T. and new

members from South Australia and Western Australia. From S.A. the new Executive Member is George Steele from Mt Gambier who is replacing Brian Growden after six years as a member of the National Executive. From W.A. State President John Fissioli has been appointed to replace Tim Catling, another long serving member of the Executive who is retiring after five years of service at National level. Both George and John have been welcomed on your behalf and Brian and Tim thanked for their contribution to the sport as members of the National Executive Committee.

Planning is under way for the 1991 World Shotgun Championships and more will be heard of this as time goes by. While 1991 may seem a long way off, as to international competition, it is fast approaching and all efforts are being taken to ensure the success of the World Championships in Perth. We are firm in our belief that once Australia has been able to host a successful international shotgun event, the opportunity will present itself for other events such as World Cups to come to Australia. This is what we are aiming for as a long term goal.

During July the members of the National Training Squad will be shooting a 300T elimination program at the Brisbane Gun Club. The eliminations will produce the six shooters to travel to Italy for the 1989 World Shotgun Championships as well as the Commonwealth Games team who will compete in New Zealand in 1990. As part of the preparations for the 1991 World Championships the Australian Sports Commission has made funding available to conduct a detailed study of the 1989 Championships in Italy and because of this decision I will be accompanying the team to Italy at, I am pleased to say, no expense to the Association. The support we receive from the Australian Sports Commission is very much appreciated and as can be seen by this month's notes, we have been favorably considered in two areas, Junior Development Camp at Canberra to which ten juniors have been invited and the opportunity to prepare thoroughly for 1991 by taking into account the happenings in Italy in 1989.

The eliminations in Brisbane will be open to all registered shooters, however, the members of the National Training Squad will, as would be expected, be shooting as a squad throughout the 300T of the eliminations. We wish every member of the squad the best of luck as they strive to gain selection to represent their country at the 1989 World Shotgun Championships and the 1990 Commonwealth Games.

Shooters registrations for 1989 are down in number, no doubt due to the belief that gun licensing problems have gone away. This is, I believe, for those who have not re-registered for 1989, an error of judgement and as a sport, we urge all shotgun shooters to renew their registration with the A.C.T.A. If you know of any shooters who have not as yet renewed for 1989 perhaps you could give a word of encouragement for them to do so.

In closing it was very interesting to see at first hand, the progress made by the Nationals Computer Sub committee at Echuca where a program to computerize all championships was put through its paces. We owe a great deal of thanks to Mike and Merril Fisher from N.S.W. who have, between them, put in untold hours to produce the program that, with very minor tuning, appeared to me to pass all tests with flying colours. In addition to his effort with the computer, Mike found time to shoot the nationals program, finishing one target down in the Overall High Gun. Thank you, Mike and Merril, as well as your capable co-worker Johanna whose contribution along with that of N.S.W. State Secretary, Jenny Burt, must not go unmentioned — thank you all. The driving force at National level was Pud Burgess who, if not previously converted to the need to computerize, is a strong advocate of the need to computerize at an early date. Thank you Pud for your contribution which was instrumental in reaching the stage which we are now at.

Good luck with your shooting.

Alan J. Maher

# AUSTRALIAN OLYMPIC FEDERATION

## DOPING POLICY

Advice has been received by the A.O.F. Doping Policy which came into effect on February 3, 1989.

In order to give support to the A.O.F. stand against drugs in sport, the policy is being published in its entirety to ensure that there is no doubt as to the consequences of a positive test at A.O.F. level. Tests previously were only carried out in the year of the Olympics whereas now they may be carried out at any time.

## REVISED DOPING POLICY OF THE AUSTRALIAN OLYMPIC FEDERATION ("A.O.F.")

(Adopted 3rd February, 1989)

In this policy, the following words shall have the meanings set forth below:

"athlete" shall mean a member or potential member of an Australian Olympic Team and/or members of a member body or persons competing in a competition under the control or auspices of a member body;

"doping" shall have the same meaning as determined from time to time by the International Olympic Committee;

"member body" shall mean a member body of the A.O.F. pursuant to its Constitution;

"official" shall mean an official of a responsible authority, coach, medical practitioner, sports scientist or psychologist or other person associated with sport other than as an athlete;

"responsible authority" shall mean the Australian Olympic Federation, the International Olympic Committee, the Australian Sports Commission, the Australian Institute of Sports, International Federations, National Federations, Australian Governments (both Commonwealth and State), State Institutes of Sport and/or State Sporting Associations;

and such words when used in the plural shall have a corresponding meaning.

1. Doping is forbidden.
2. This policy applies to all member bodies, athletes and officials.
3. All athletes are liable to doping controls which shall be conducted by the A.O.F. Medical Commission in conformity with the rules from time to time of the I.O.C. Medical Commission ("a doping control examination").
4. All member bodies shall cause all athletes to be liable to a doping control examination to be conducted in conformity with the rules of the I.O.C. Medical Commission.  
All member bodies shall permit the A.O.F. Medical Commission:
  - (i) to attend competitions conducted by them or under their auspices and conduct doping control examinations on athletes, and
  - (ii) conduct doping control examinations on their members out of competition,which examinations shall be in addition to those conducted by the responsible authority or authorities concerned.  
All member bodies shall require their members to consent to the conduct of such doping control examinations as a condition of their membership of the A.O.F.
5. Samples taken by the A.O.F. Medical Commission or by a member body shall be analysed by a laboratory accredited by the I.O.C. (provided however that the

first sample may be analysed at the Australian Government Analytical Laboratory at Pymble, New South Wales, notwithstanding that it is not accredited by the I.O.C.). Two samples shall be taken and upon being informed by the laboratory that the analysis of the first sample reveals a breach of the doping provisions, the Chairman of the A.O.F. Medical Commission or a duly authorised officer of the member body will authorise the analysis of the second sample. Upon being informed that the analysis of the second sample confirms the breach of the doping provisions, the Chairman or such duly authorised officer shall notify the Secretary-General of the A.O.F. of such result.

6. Athletes are liable to any number of doping control examinations in any year, whether in or out of competition.

7. Subject to Rule 8 of this policy:

(1) Any athlete who is found by a responsible authority to have taken or used drugs or stimulants or participated in other related doping practices prohibited by that responsible authority (all of which are hereinafter called "doping provisions") will be ineligible for life for selection in any Australian Olympic Team or to hold any position on the A.O.F.

(2) Any official or other person who aids, abets, counsels or procures or is knowingly involved in an athlete's breach of a responsible authority's doping provisions will be ineligible for life for selection in any Australian Olympic Team or to hold any position on the A.O.F.

(3) If already selected in an Australian Olympic Team or holding an A.O.F. position, the athlete and/or official will be immediately removed from that Team or position upon any breach of the doping provisions.

8. Upon receipt of notification pursuant to Rule 5, or upon being notified by any responsible authority that there has been a breach of that authority's doping provisions, the Secretary-General shall notify in writing the athlete or official or other person concerned of the finding of the responsible authority and stating that such person shall have the opportunity to be heard by the Executive Board of the A.O.F. at the meeting stated in such notice and present any relevant material as to why he or she should not be subject to the penalties prescribed by Rule 7.

Any decision of the Executive Board of the A.O.F. to impose a lesser penalty than prescribed in Rule 7 shall be in its sole and absolute discretion.

9. Any Olympic Team member who refuses to submit to a doping control examination will be immediately removed from that Team and be ineligible for life for selection in any Australian Olympic Team or to hold any position on the A.O.F. Any other athlete who refuses to submit to a doping control examination will be ineligible for life for selection in any Australian Olympic Team or to hold any position on the A.O.F.
10. It is the intent of this policy that responsible authorities, other than the I.O.C., A.O.F. and member bodies, shall conduct doping control examinations in conformity with the rules of the I.O.C. Medical Commission, but the failure so to do shall not of itself invalidate the findings of any such doping control examination.
11. This policy shall apply to any Director or officer of any corporation and committee member or officer of any association, where such Director, committee member or officer has been knowingly involved in, or acquiesced to, or approved of such corporation or association aiding, abetting, counselling or procuring an athlete's breach of a responsible authority's doping provisions.  
Any such director, committee member or officer shall be liable to the same penalty as if he or she were an official.

12. The Australian Olympic Federation Executive Board will be responsible for the administration and implementation of this policy and will continue to monitor developments in this area.

★ ★ ★

In support of the A.O.F. Policy, the question on the adoption of a policy by the A.C.T.A. will be addressed at an early date.

## 1989 WORLD SHOTGUN CHAMPIONSHIPS TEAM MANAGER

Applications are called for the position of Team Manager for the World Shotgun Championships to be held at Montecatini, Italy, from 4th September, to 10th September, 1989.

It is envisaged that the teams will consist of three Open Olympic Trap, three Open I.S.U. Skeet and three Junior Olympic Trap Members who would be competing at the invitation of the Association.

The successful applicant will be required to attend an elimination at the Brisbane Gun Club which will be held on July 7th-July 9th and be readily available from that time for consultation with the Executive Director on all aspects relating to arrangements to compete in the 1989 Championships.

Applicants would need to be able to demonstrate qualities that would enable them to work in close harmony with members of the team and organizational ability to ensure that all team members are able to compete to the best of their ability.

Applications will be received in writing addressed to the Executive Director, Australian Clay Target Association, P.O. Box 800, Glen Waverley, Vic., 3150, up to and including 12th May, 1989.

## VALE

The death has occurred of JIM WILKES. For many years Jim was a member of the A.C.T.A. and a life member of the Kempsey Gun Club. Although not an active member the past few years, he had a keen interest in club happenings, and often visited for a yarn with shooters. His son, Graham, is a member of Port Macquarie Gun Club. Sympathy is extended to Jim's family, wife Del, sons Ian and Graham and daughter Gail.

Kempsey Gun Club

## VALE

Shooters of the South West of Victoria were saddened by the death of Stan (Spanner) Rentsch on Friday, March 3 at Hamilton Hospital.

He had been a dedicated shooter for over thirty years with many achievements throughout that time.

His support of the Tyrendarra Gun Club will be sadly missed.

Trevor Smith,  
Sec: Tyrendarra G.C.

## NATIONAL COACHING DIRECTOR

The Australian Clay Target Association Inc. invites applications for the above full-time position funded by the Australian Institute of Sport.

The National Coaching Director shall be responsible to the Executive Director for:

- Implementing the policies of the Australian Clay Target Association through the National Coaching Council in relation to coaching matters.
- Evaluating, revising and updating the present level 3 accreditation course.
- Co-ordinating the National Coaching Council and enhancing the coaching network in all states and territories.
- Assist the Executive Director in areas of funding and other duties of an administrative nature that may be incorporated into the role of National Coaching Director.

It is envisaged that the National Coaching Director will work from the Association's National Office situated in Mt. Waverley, Victoria, however, this should not deter suitably qualified persons from applying.

Applications for the position are invited up to and including 12th May, 1989.

Preliminary enquiries may be made by contacting the Executive Director, Mr Alan Maher on (03) 807 7577.

Applications containing personal and administrative qualifications will be received in writing marked private and confidential addressed to the Executive Director, Australian Clay Target Association, P.O. Box 800, Glen Waverley, Vic., 3150.

## SECOND AUSTRALIAN MASTERS GAMES

OCTOBER 14-22, 1989  
ADELAIDE

A total of 40 sports are being represented including Clay Target where the minimum age is 40, with events being held on days 5-6-7-8, Wednesday to Saturday.

Information on the Games can be obtained by the Games Office on (08) 226 7343 or writing to P.O. Box 1685, Adelaide, SA, 5001.

## APOLOGY

An apology is extended to the family and friends and the man himself, Mr Jim Welsh. An incorrect obituary relative to Mr Welsh appeared in the March C.T.S.N. to which the Kempsey Gun Club sincerely apologises.

## EDITOR'S MAILBOX

Dear Sir,

We have recently attended the National Championships at Echuca and feel we should write to express our appreciation to Mr and Mrs W. Hickford, from Ampol T.T. Petroleum, Shepparton, on the display and facilities provided at this venue.

We feel it was refreshing for a company not directly involved with Trap Shooting to go to the trouble of providing gun cleaning facilities, tea and coffee, and somewhere to just sit and talk with friendly representatives (sometimes waiting hours before shooting). Our congratulations from two very satisfied shooters.

Yours sincerely,  
 J. Henwood and B. Ireland

## MARYBOROUGH TIT BITS, Qld.

The profits of the Australia Day Policy Charity Shoot at Gympie totalled a pleasing amount of \$550. The money was handed over to Mrs D. Morgan, President of Haven Hospice on February 7, and already pledging ahead for next year's 50T event is Mr C Honeyman of North Side Wreckers, Brisbane, who will donate the trophies.

On February 2, Sgt G. Durry attended the Qld Police Games in Brisbane and won two gold medals for Skeet and Points, silver in the Single Barrel with a bronze in the Double Barrel. Good shooting Wal, hope you didn't have to pull rank.

Gympie February 12 saw a good roll up with the main victors on the day being B. Stolberg who took out A Grade in events 1, 2 & 4 as well as the BM High Gun, and H. Walker who won C Grade in events 1, 2 & 3 as well as the FM High Gun.

Gympie have started a new method of shooting the jackpot, this being 10 targets from handicap, shooting all 10, takes the jackpot of the day and 60% of ticket sales. If the ten targets are not shot then the payout becomes \$2 per target till the first miss. First to sample the new jackpot was R. Fett who earned \$16. A special thanks to the ladies on the day for looking after the hungry ones.

February 26 at Maryborough saw P. Winzen sweep A Grade in events 1.2.3., and take out the BM High Gun. He was the main winner on the day. Special thanks to the many visitors who competed.

Till next time, see you at the shoots.

Lost Bird

# PAST AND PRESENT RECORDS OF OUR NATIONAL CHAMPIONS

By George Biggs,  
A.C.T.A. Historian

Many of our present day shooters have no doubt wondered how our champions of the past 40 years or so have scored at National Titles as compared with today's champions.

Following is a list of performances covering the National Titles from our beginning in 1936 — this list is far from complete as yet but over the next several months I'll try more researching in order to bring these records up to date, including the more recent Olympic Disciplines.

I'd like to add that as our sport grew over the years no records as such were recorded and kept hence it becomes a big job to research and list all the detail such as names, dates, scores, etc. In future issues of "News" I'll be asking for help in the hope that some older shooter can remember some names and details, so please let's hear from you as any help is appreciated.

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

# W.A.C.T.A. REPORT

The A.G.M. held at Bunbury on 5th March created few surprises. Perhaps one major one was the bestowing upon long serving executive member, Tim Catling, Life Membership to our Association. A well deserved gold life membership badge was presented to Tim. I am pleased to serve as your President for 1989. Vice President Mick Watson, Zone Delegates — 1. Terry Morony; 2. Glen O'Brien; 3. Trevor Smith; 4. Merv Neve; 5. Ross Eckersley; 6. R. Benjamin; 7. Daryl Wiese. State coaching director, M. Alexander. State handicapper, Elaine Forward. A.C.T.A. Delegates: R. Silvester, J. Fissoli. Welcome onto the executive for 1989, old and new members. Very pleasing to now have a woman on our executive. Ross Arlow, our ever hard working Secretary, continues to guide us through '89.

Thank you Bunbury, for the use of your club house to conduct our meeting. Twelve out of 27 clubs represented at the A.G.M. The A.G.M. is when your two club delegates elect your executive for the coming year. Announced at the A.G.M. were the Trap and Skeet Inter-club winners. C.M.T. — Trap and Geraldton — Skeet. Congratulations to these two clubs.

The support and commitment from clubs in regard to our clay target manufacturing venture has been tremendous. Anticipated production will be May end. Myself and the executive are very excited about the opportunities this will create.

By the time this reaches print, we will know who are our National Champions. To our own State Representatives, congratulations. Third on a countback was a great effort. Under review at the moment is the support and incentives available to our State Team Members. We have been aware for some time the financial burden this privilege places upon team members. Before our W.A.C.T.A. team selection carnival a formula will be devised lifting the financial burden and raising the profile and hopefully encouraging larger participation in team selection events.

## AROUND THE TRAPS: 5th & 6th March, Bunbury

The inaugural state skeet doubles and state skeet were conducted over this weekend. Laurie Hull the doubles winner and Arney Forsberg the state skeet. Down the line was shot on Sunday, giving competitors what they travel for — lots of targets. Unfortunately the programme had to be shortened but nonetheless an enjoyable and well conducted carnival. Over 16 squads competed indicating the popularity of the Bunbury Carnival. Congratulations to D. Kevill high gun winner.

Esperance conducted their 2 day carnival over the Easter break. A most enjoyable weekend was had by all. A 50 target mini target event proved interesting and amusing, particularly some of the comments after the event. Congratulations to Esperance Bay Gun Club for making the 2½ days competition varied and a true competitor's event. Over 60 shooters enjoyed great hospitality and tough competition. High gun winner was the ever so consistent D. Kevill.

Exmouth is conducting a carnival on 20th May. Members' support to this club would be appreciated. Unfortunately I must apologise for not being able to attend as Ross Silvester and myself have A.C.T.A. commitments in Melbourne on your behalf.

## I.S.U.

The preparations for the World Shot Gun Championships are progressing steadily. Complex manager, Reg Wagland is making the necessary modifications on the I.S.U. layouts to conform to World Championship requirements. State coaching director, Murray Alexander, I.S.U. Coach, John Harris and sports psychologist Harry Prapavessis have a programme in

motion for I.S.U. competitors in an endeavour to extract the best from these I.S.U. followers.

A very worthwhile project requiring considerable time and effort from the 20 participants.

Last but not least there are still videos available to purchase, promoting the Whiteman Park Complex, the World Shotgun Championships and our sport in general. A great avenue to promote our sport and gain new members is by showing the video to sporting organisations, Rotary, Lions, Apex, etc.

Until next time,

W.A.C.T.A. President,  
J. Fissoli

# WARATAH STATE NOTES

## STATE CARNIVALS:

The N.S.W. State Carnivals are approaching quickly. First up will be the State Skeet Carnival — at the Wagga Club on the 11th to 13th August — this will act as a great lead up for the 1989 Skeet Nationals — also being held at Wagga from the 16th to 20th November.

The October long weekend will see the State Trap Carnival at the Moree Club. The Club are putting in two extra layouts for this Carnival — so a great attendance is expected.

## STATE CHAMPIONSHIP RESULTS:

The Orange Gun Club hosted the State Day Double Rise Championship on 26th February and had 74 shooters in attendance. The overall winner was Peter Rose from the Sydney Club with 45/50.

The State Night Point Score Championship was hosted at Moree on the 4th March and from the 15 in attendance, local shooter Lyle Buxton returned 143/150 to take the overall sash.

I would again seek the assistance of clubs hosting State and Commonwealth Championships to please return the appropriate form that was sent to each Club with the Championship badges in October last year. This form acts as a permanent record of all State and Commonwealth Championships hosted in N.S.W. — Your assistance is anticipated.

## COACHING NEWS:

A further reminder of the Junior Trap and Skeet Coaching Camp being held in Tamworth in June (see April C.T.S.N.). Applications close on 26th May — don't miss out. Further information from Col Burt, (067) 65 9386 A.H.

The Southern Zone have an I.S.U. Coaching Day set down for 13th May at the Illawarra Club. This has now been cancelled and Zone Coach, Robby Smith will be organising a Trap and Skeet weekend at Sydney/Marconi later in the year — more on that when the date has been set.

Zone Coaching activities take a break then, until 17th September when the Northern Zone have a Trap and Skeet day at the Upper Hunter Club.

The I.S.U. Juniors training squad had their second live-in camp at Illawarra in March. John Maxwell was guest at that one and passed on a wealth of information to the juniors present.

## FROM THE CENTRAL ZONE:

Bathurst Gun Club will hold the Central Zone Skeet Team Elimination from 12 noon on Sunday, May 7. Further information may be obtained from L. Aberley on (063) 31 3791.

West Wyalong has the Zone I.S.U. Carnival on 20th and 21st May. This is also a training squad elimination round.

### FROM THE NORTHERN ZONE:

The Zone Trap Carnival is being hosted by the Grafton Club on the 8th/9th July. The Committee of Grafton have put together an excellent program and are hoping for strong support for the weekend.

A little further ahead is the Tamworth open trap shoot on 2nd/3rd September — which includes the Commonwealth Deauville Doubles Championship.

### FROM THE RIVERINA ZONE:

Downside Gun Club will be holding the Zone Skeet Carnival on 13th May which will include the team elimination.

August 20th is the date that Narrandera have the State Day Single Barrel Continental set down.

### FROM THE SOUTHERN ZONE:

The Southern Zone Olympic Trap Championship will be hosted by the Marconi Club on 9th July.

There are also two elimination rounds coming up in the Southern Zone — 15th/16th July at Sydney and then 19th/20th August at the Marconi Club.

### FROM THE WESTERN ZONE:

Don't forget the Zone Trap Carnival at Narrabri on 22nd/23rd July.

Moree will be hosting the Zone Skeet Carnival on the 21st May.

### 1990 DATES:

As most Clubs will be preparing their 1990 programs — here are some dates to note:

26th January (Friday)	Australia Day
24th/29th March	Trap Nationals — Tasmania
13th/16th April	Easter
9th/11th June	June long weekend
10th/12th August	State Skeet Carnival
29th/30th Sept/1st Oct	State Trap Carnival

# NORTHERN ZONE SKEET CARNIVAL — TAMWORTH

The well presented Tamworth Club was the venue for this year's Northern Zone Skeet Carnival and Team Eliminations. The Tamworth Club combined the Carnival with their annual skeet shoot and drew shooters from all over N.S.W. and Southern Queensland — some 63 in all.

The first event, the 50 target Loomberah Valley Skeet Championship saw only 2 possibles — considered low — weather conditions were perfect. The overall winner was Reg Clarke from Hawkesbury with 64/64. Guyra shooter, Mike Blenman was 1st in "AA" with 59/60, from Ray Melville. The Host Club President, Geoff Walters returned 63/64 to take 1st in "A" from Les Aberley with 57/58. The likeable taxi driver, John Copley was the winner in "B" grade with 49/50 from Kevin Weatherall. A popular win in "C" Grade to local shooter, Reg Corney with 47/50, from Bathurst shooter, Bob Campbell on 46/50.

Event 2 was the ever popular 50 target Humes/ARC Trophy Handicap — 5 possibles were recorded off the gun and from the 63 shooters — 47 went into the shoot off!!

The winner was Doug Jackes from Guyra with 138/139 (a score, that with the first event, earned Doug his 150 break badge), second was the Western Zone Coach, Kevin Constable with 134/139, Paul Kouroupis from Wakehurst was third and another Wakehurst member, Scott Wright returned 118/125 to finish 4th.

For the first time at their open shoot, Tamworth conducted a 25 target night championship. The trophies were sponsored by C.L.A.S.S. Ammunition and 32 brave souls took part.

The true night skeeties stood out, with the overall winner being Les Aberley with the only possible 25/25. John Worley was 1st in "AA" with 24/25 from Col Burt. Col Barton took out 1st in "A" with 23/25 from Graham Wilson. Local Secretary, Rod Prior was the winner in "B" grade with 22/25 from Peter Nash, also of Tamworth. Narrabri shooter, Ken Holmes was successful in "C" Grade with 20/25 from Bob Nicolson from Hawkesbury.

Sunday morning was again clear and sunny and got underway with 25 target Northern Zone Championship sponsored by Gasweld Tool Centre. The "out of retirement" Bob Boggiss from Newcastle was the overall winner with 60/60, from Reg Clarke on 59/60, with Col Burt picking up 2nd in "AA" with 48/50. In "A" Grade, George Petrou scored 49/50 and Jim Wilberforce was second in "A" with 33/35. Hawkesbury shooter, Peter Vella was 1st in "B" Grade with 66/68, from John Copley on 65/58. Tamworth shooter, Warren Brown returned 47/50 to win "C" Grade from Bob Nicolson.

The final event for the weekend was the 50 target Tamworth & District Championship — and the overall winner was Doug Jackes with the only possible. Reg Clarke collected another trophy for 1st in "AA" with 71/72, from Col Burt on 70/72. Old rivals, Bob Boggiss and Keith Cummings took out 1st and 2nd in "A" grade respectively and Lew Tosolini was the winner of "B" grade with 48/59 from Peter Nash of Tamworth with 53/57. Coffs Harbour figured in the results, with Derek Chambers winning "C" Grade with 53/55 from Stewart Bowden of Tamworth on 52/55.

With the two events of Sunday finalised, the Northern Zone Team was also decided — and it is made up with Bob Boggiss, Col Burt, Doug Jackes, Geoff Walters, Paul Duncan and Ray Melville. This strong team will be heading for Wagga in August with the task of bringing home the Hawkeye Shield yet again.

An excellent score of 198/200 saw Reg Clarke receive the

overall High Gun sash and trophy, "AA" High Gun went to Col Burt with 195, Geoff Walters won the "A" Grade High Gun and the "B" Grade went to John Copley. Bob Campbell from Bathurst was the "C" Grade High Gun winner and Ray Melville the Veterans.

Also during the weekend, various Team Trophy competitions were contested — these create plenty of interest and fun. The first 50 targets on Saturday was the Melville Shield, and the winning Team was from Tamworth — Col Burt, Ray Melville, Col Barton, Geoff Walters and Kevin Weatherall — their score 244/250.

The Max Weston Shield was over the second 50 targets of Saturday and the Brisbane team of Dimmick, Porter, Aird, Arkouzis and Long were the winners with 241/250.

On Sunday, the Burt/Raszweski Trophy for competition between Guyra and Tamworth was contested over the 100 targets. The Tamworth fellows — feeling a little sorry for Guyra only having 2 shooters available — allowed them a "Claytons Team" — and you guessed it — the "Claytons" were the victors with 468/500 — Doug Jackes, Mike Blenman, Ray Porter, Neal Dimmick and John Worley. Tamworth wanted to protest — however Mike Blenman had the trophy in the car and was off, before the protest could be written out — the moral of the story is — never make up a "Claytons Team"!!

Also on Sunday's 100 target was the Chris Hughes/Linatex Trophy for competition between Tamworth and Newcastle. The winners of this one was Newcastle with 480/500 — a very happy Paul Duncan accepted the trophy on behalf of himself, Hugh Dare, Bob Boggiss, Keith Cummings and Reg Clarke.

The local pair of Geoff Walters and Col Burt were the winners of the two member teams with 390/400.

During the weekend some break records were: Doug Jackes 150, Kevin Constable 75, Ray Porter 100 and Warren Brown shot his first 25.

All in all a great shoot conducted by the Tamworth Club yet again. Their hard working committee can feel very pleased with the result and the Northern Zone looks forward to many more Carnivals in Tamworth.

## "BLUE MANNA" CARNIVAL

Shooters from all over W.A. competed in the annual Blue Manna Carnival held at the Bunbury Clay Target Club on the long weekend of 4th and 5th March.

The inaugural State Skeet Doubles Championship was conducted and drew a field of 95 shooters. Unfortunately there were a few withdrawals as the event had to be completed next morning, after running out of daylight with the unexpected large field, and some shooters had to be home by Sunday morning.

The winner, after a shoot off, was Laurie Hull of Katanning and our congratulations to Laurie on becoming the inaugural State Champion. Laurie, together with David Kevill of Cunderdin and Don Wetherell of Bunbury shot a good score of 48/50.

The State Skeet championship was won by Arne Forsberg of Perth who was the only shooter to manage a possible of 50/50.

On Sunday after the completion of the skeet doubles, the trap events commenced and the first two were dominated by Bunbury shooter Greg Wulff who won 2 sashes and went from 16 to 17 metres for his efforts.

After a delay of about an hour due to a power failure in the area, generators were used to carry on for the next event, which unfortunately had to be reduced from 50 targets to 25 targets. It was the club's prestige event, the Koombana Cup and was won by Ron Wilson of Perth after shooting off with Terry Morony also of Perth, being the only two to shoot a possible.

Six shooters then shot off for 3rd and 4th places and

after four dropped out, it went on to a lengthy tussle between Clayton Hyder of Bunbury and Lex Shipp of Perth. Eventually on the 98th target, Clayton emerged the winner.

Overall high gun for the weekend was David Kevill and the intermediate was won by Bunbury veteran, Charlie Linaker. Helen Wiese of Narrogin won the ladies high gun, Jason Fost of Edgehill, the juniors and Bunbury president, Kurt Schinzig took home the veterans high gun.

Bunbury club thanks the sponsors and all shooters for their support and for bearing with us under the circumstances.

## PORT MACQUARIE GUN CLUB

The Port Macquarie Gun Club held on the 26th March the "Carnival of the Pines" shoot. Unfortunately the program was shot in lousy light, with strong winds and heavy rain. A total of twenty six shooters competed, with many others kept away by the flooding conditions.

AUSTRALIAN CLAY TARGET NEWS — MAY 1989

The accompanying photographs show from left to right: Mrs Michelle Poignand, Brian Crane, President Ken Neill and Bella Mathiske.

Mrs Poignand is responsible for presentations of one of the prizes in the "Shalimar Country Club Classic" a \$250 cash handicap event sponsored by the Country Club of which she is secretary.

Brian Crane was one of the winners of this event.

Bella Mathiske is the leader of our Ladies Auxiliary.

The Club Double Barrel and Club Single Barrel Championship sashes were won by Pat Young of Coffs Harbour, and one of our members, Andy Pavlou.

The winner of the Commonwealth Double Rise Championship Steve Atkins, is congratulated on his 46/50 outright win at St. James on 31.12.88 by Club Secretary, Jim Kelly.

Pictured at the Coffs Harbour Gun Club 2 day shoot is Brian Samuels with this band of merry shooters from Marconi G.C. They are congratulating Brian on his grade win.

Noel Rogers, John Rue, Les Alexander and Roy Shepherd enjoying themselves at the Coffs shoot. They must have all been successful for they are all laughing.

## A TRIBUTE TO PETER QUIRE

By one who appreciates his talents

At the Adelaide Nationals of 1978, I was sitting behind one of the layouts waiting for my turn to shoot, when I noticed a fellow approaching with a couple of spanners in his hand. We chatted a bit about how the trap was going and as he left I thought to myself, "What a pleasant man."

I never gave any of this a second thought until a few days later when I attended the foundation meeting of the Australian Coaching Council and there sitting across from me was this same fellow and I was introduced to Peter Quire, and so began a very valued friendship.

Peter progressed from being the South Australian Coach to the National Coach on the retirement of Newton Thomas in 1981. The contribution by Peter Quire to Clay Target Shooting has been immense. Helped by his lovely wife, Barbara, who by the way has more work on a voluntary basis than most people realise, Peter has built the Coaching Council into a very effective body.

Each State now has Level 3 Coaches plus Level 2 and dozens of Level 1 Coaches all closely tied together within the system. Our National teams competing away at World, Olympic and Commonwealth Games events have improved steadily under Peter's guidance and Peter is now recognised in many other countries as an astute coach of world class.

Peter has never been a pushy coach, but rather one who sows the seeds of an idea and then lets the shooter work on that. This is coaching at its best, although sometimes it is misunderstood by outsiders who do not understand what is going on.

Peter's greatest trait is his approachability, for he has the wonderful gift of being able to relate to everyone equally.

Shooting will be the poorer for Peter Quire's retirement and the incoming person to this position, will, I am sure, find Peter only too willing to help if asked to do so.

Finally Peter, if I can be so bold as to say, on behalf of your thousands of shooting friends, most of whom owe you much for your help over the years, may good luck and happiness be yours in the years to come and we hope to see you around the traps from time to time.

# Every Day Someone Wins with Beretta 682. Why Not Join Them!

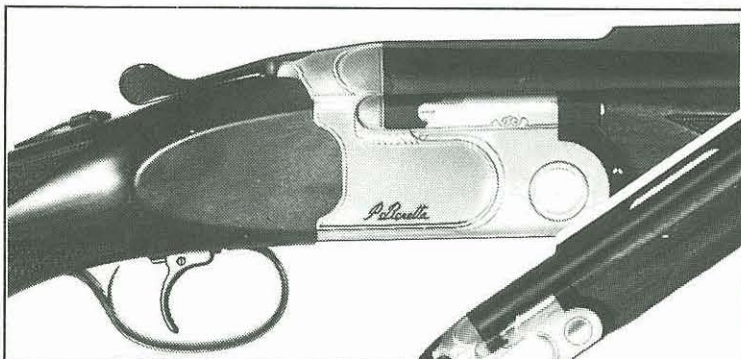

## TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations - providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

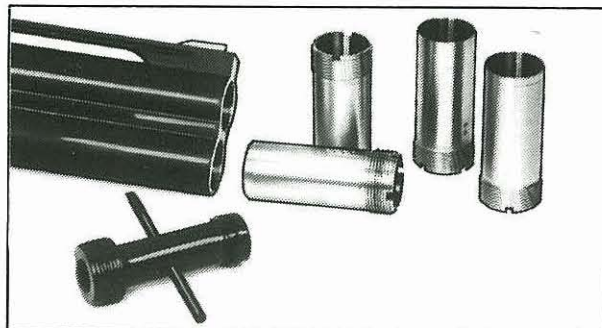

3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.

can inexpensively maintain new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Bruniton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners

New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., — and full. Key/thread cleaner come with guns featuring the mobilchoke system.

To complete the story the new \*682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.

### BERETTA 682 SERIES

- 682 Trap: 75cm Barrels. Fixed choke I.M./F.
- \* 682 X Trap: 75cm Barrels. Fixed or Mobilchokes.
- 682 Skeet 71 cm Barrels.
- \* 682 sporting 71 cm Barrels Mobilchokes.

# Any Shotshell that claims to be as good as Winchester is shooting off it's mouth!

## Don't Confuse the Imitators with the Innovators

Our patented Australian made Winchester Shotshell Cartridges are designed and manufactured to the most rigid and exacting specifications. Every component gives you a winning edge and that's what makes Winchester the worlds most popular Shotshell. One piece compression formed plastic Case - for superior longitudinal strength and reloadability.

Non corrosive **Primer** - for quick sure ignition in all climatic conditions. **Olin Ball Powder** - Clean progressive burning for consistent power. **Winchester Wads** - for superior gas sealing and improved patterns. **Winchester Shot** - polished alloy hardened for truer flight. When you're looking for Ammunition that's above and beyond all others, look towards Winchester - and don't confuse the imitators with the innovators.
