PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

1989 NATIONAL TRAP CHAMPIONSHIPS

All roads in 1989 led to Echuca so far as trap shooters were concerned and an air of expectation filled the skies as competitors prepared for the first day's shooting. The Echuca Gun Club were prepared for most eventualities, however, the rain was not one of those eventualities as the heavy downpour turned the car parks and the club grounds into a quagmire. Nevertheless, the Nationals, after a delayed start, were under way with the traditional state teams Shoulder to Shoulder Match the first event on the program.

Prior to the state teams match, visitors to Echuca were made most welcome by the State Member for Rodney, Mr Noel Maughan, who, after declaring the Championship, open fired the traditional first shot of the Championships.

STATE TEAMS — SHOULDER TO SHOULDER

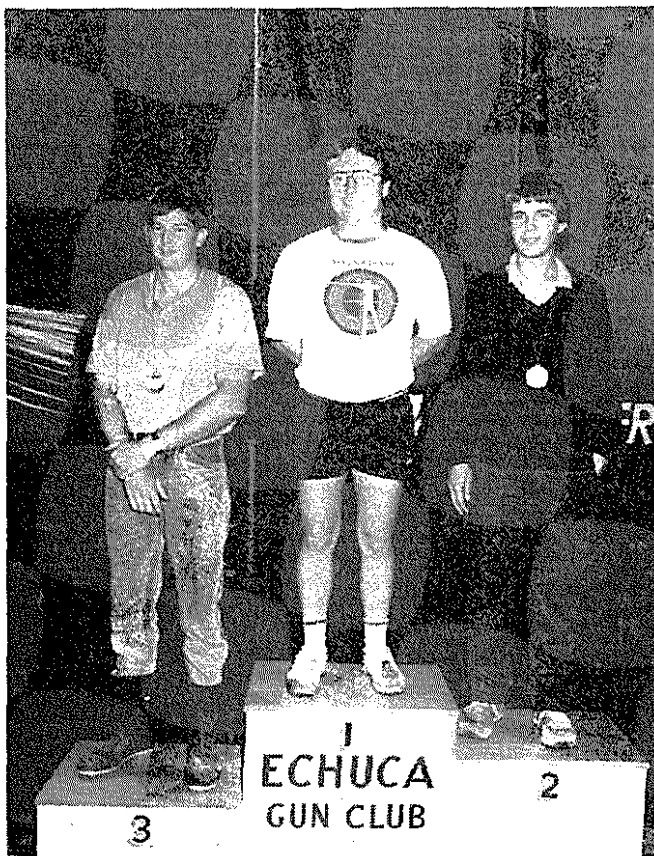

Teams from all states were introduced and following their participation in the opening ceremonies were anxious to post a winning score for their state and the A.C.T.A. Cup being the traditional trophy for the State Teams event. Defending champion in the event, Western Australia, despite their combined efforts, were not able to successfully defend their title, with South Australia 122-125 taking the event by one target from Victoria, with W.A. a further target away on 120/125 for third place. A very popular win overall and certainly enjoyed by the

South Australians who participated in the event and the presentations in a most creditable manner as South Australian representatives. All teams shot the event in a sportsman-like manner and extended their congratulations to the winners: Champion State — 1989 — South Australia, 122/125.

40th GRAND AUSTRALIAN HANDICAP

Despite the conditions, 520 shooters nominated for the event with the largest contingent, as would be expected, coming from Victoria, with 249 shooters. A delighted Eliot Reid from Victoria Gun Club found the Handicap event to his liking, and from the 17 metre mark with a 59/59 took the title in a shoot off from Sebastopol's Scott Cook 17m. Overall third, Glen Kable, also shooting from 17m, shot a very creditable 99/101. With 14 ladies in the field, Suzanne Balogh from Canberra, shooting a possible 50/50, took the Ladies Section and appears to have an excellent future in the sport. Marconi's Chris Alvaro from the 16m mark outshot the other 19 juniors in the event, with a well known and very capable shooter from Echuca, David Penn, taking the veterans title with a score of 54/57 from the 18m mark. National Champion 1989 — Eliot Reid, Victoria Gun Club 59/59, 17m — 520 competitors.

37th NATIONAL DOUBLE BARREL CHAMPIONSHIP

Event Sponsor — Olin Australia, Winchester Division.

The traditional blue ribbon event for trap shooters, the Double Barrel, was again well supported with 603 shooters nominating for the event and magnificent trophies provided by Winchester who, as always, showed their support for our National Trap Championships.

Many good and not-so-good performances in the event with none better, however, than overall winner, Ian Holschier from Deniliquin who was unbeaten on 351/351,

Cont'd over page

won for himself the Double Barrel Championship for 1989. Ian was pushed all the way by Richard Howden, shooting in B Grade, whose 350/351 was an excellent effort. Most noticeable among the results was the performances of some of the more fancied competitors who found the competition a little too strong on this occasion. Conditions were poor to say the least, however, they were equal for all and in no way detracted from the efforts of the winners.

National Champion 1989 — Ian Holschier, Deniliquin N.S.W. 351/351, 603 competitors.

9th LADIES DOUBLE BARREL CHAMPIONSHIP

Event sponsor — Olin Australia, Winchester Division.

Totally sponsored by Winchester, the Ladies Championship so far as results are concerned was all Victoria, with Susan Rigney from Boort taking the title with an unbeaten 50/50.

Bendigo's Jan Woodhatch in a shoot off with Carmel Carlon from Pt. Cook for minor placings, took second overall with a well shot 49/51. The Ladies Championship, as always, was very keenly contested and not being shot under the best of conditions, made the scores more meritorious.

Ladies Champion 1989 — Susan Rigney, Boort, Victoria 50/50, 18 competitors.

9th JUNIOR DOUBLE BARREL CHAMPIONSHIP

Event sponsor, Olin Australia, Winchester Division.

Defending Champion, Michael Diamond recorded a magnificent 193/194 to take the title for the third successive year and left no doubt in anyone's mind that his prowess as a junior is exceptional. As well as Michael, the sport is blessed with many talented juniors who will make their mark on the sport in the years ahead. These

include Korumburra's Stuart Allen whose 57/58 was also excellent shooting, winning for him Overall Second in the junior title from Cessnock's Tom Turner on 50/51, again excellent shooting.

Junior Champion 1989 — Michael Diamond, Illawarra, N.S.W. 193/194, 25 competitors.

35th SINGLE BARREL CHAMPIONSHIP

Event Sponsor, Olin Australia, Winchester Division.

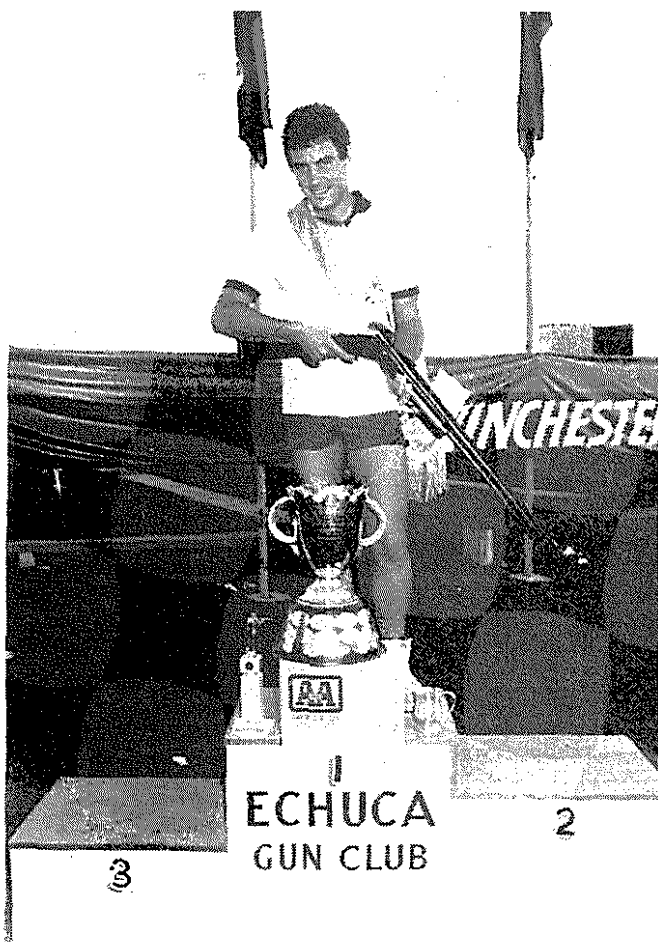

Conditions had not improved with the mud proving to be a nuisance to all and making it difficult to freely move around the grounds of the Echuca Gun Club.

Being the second of the three qualifying events for the Mackintosh Team a total of 503 nominations were received and all things being equal under the trying conditions, the numbers competing were not that far short of expectations.

Unlike the Double Barrel, there are no second chances in this event, as the scores indicate, and at the close of shooting the third national titled decided in 1989 was won by Victorian, Paul Drennan from Nepean Gun Club with an unbeaten 86/86. Wayne Parkes from Wonthaggi, after missing only one target in the event, had to be content after a shoot off, with his first placing in AA Grade.

The Junior Section was well won by Michael Diamond whose overall consistency again proved to be too much for the other juniors to overcome. Bill Mackay from Bega was a very pleased veteran with his 49/50 winning the Veteran's Section defeating 19 other veteran shooters whose shooting skills do not appear to have really diminished despite veterans status.

National Champion 1989 — Paul Drennan, Nepean, Vic 85/86, 503 competitors.

1st LADIES SINGLE BARREL CHAMPIONSHIP

Event Sponsor — Olin Australia, Winchester Division.

With Ken and Fay Burton of Kerang Ibis Trap Pty Ltd donating a magnificent perpetual trophy for competition between the ladies, 1989 saw the introduction of a separate ladies title. Seventeen ladies contested the event and at the close of day a popular win to Brisbane's Thelma Meadows who with a score of 47/50 was named the first

National Ladies Single Barrel champion. Well done Thelma, and on behalf of all the ladies, thank you Fay and Ken Burton for the donation of the Ibis Traps Pty Ltd Perpetual Trophy.

Thelma did not have it all her own way, however, for close behind in second place was Victoria's Carol Zagor who, by shooting 50/55, forced Devonport's Doreen Aylett, a great supporter of clay target shooting, into third place overall on 49/55.

National Champion 1989 — Thelma Meadows, Brisbane, Qld. 47/50, 17 competitors.

28th AUSTRALIA NEW ZEALAND TRAP CHAMPIONSHIP

Event Sponsors — Olin Australia, Winchester Division.

Day four and by way of a change, points score and all the problems that came with this event. Possibly the most important of the three Mackintosh Teams event owing to the reduction in scores for targets lost and the resultant penalties so far as team selections is concerned.

Finding point score to his liking, Tasmania's Graham Blaskett did himself and the Cressy Club proud by shooting 185/186 to be named National Champion. Graham was pushed all the way by Goulburn's Fraser Roberts who, with his final score of 184/185 took first placing in AA Grade.

Suzanne Balogh, a junior from Canberra, was delighted with her score of 147/150 and will be a force to be reckoned with amongst the ladies in the years ahead. Suzanne will also prove to be a difficult opponent in the open section and as times goes by, her undoubted shooting ability will see her named a winner on many occasions.

Conditions were improving with the mud drying out and this made things more pleasant around the grounds and encouraged many to repeat their earlier visits to the trade sites, particularly the Tasmanian tent, which attracted many inquiries for 1990 at Evansdale, Launceston.

Michael Diamond again proved too strong for the other juniors in this event. While not individual winners, they were winners overall for the way they fought out this and

previous events to the last target.

A popular win in the Veteran's section to Lismore's Jeff Tainsch whose 146/150 belies his veterans status.

National Champion 1989 — Graham Blaskett, Cressy, Tasmania 185/186, 474 competitors.

ALLAN BROWN CLUB TEAMS MATCH

Shot in conjunction with the Points Championship, Echuca Gun Club showed again the quality and depth of shooters at the club by recording a points score of 740/750 to successfully defend their previous years' victory. Captained by Echuca President, Ray Mackenzie, the Echuca team hardly faltered and they are to be heartily congratulated for what was a resounding victory.

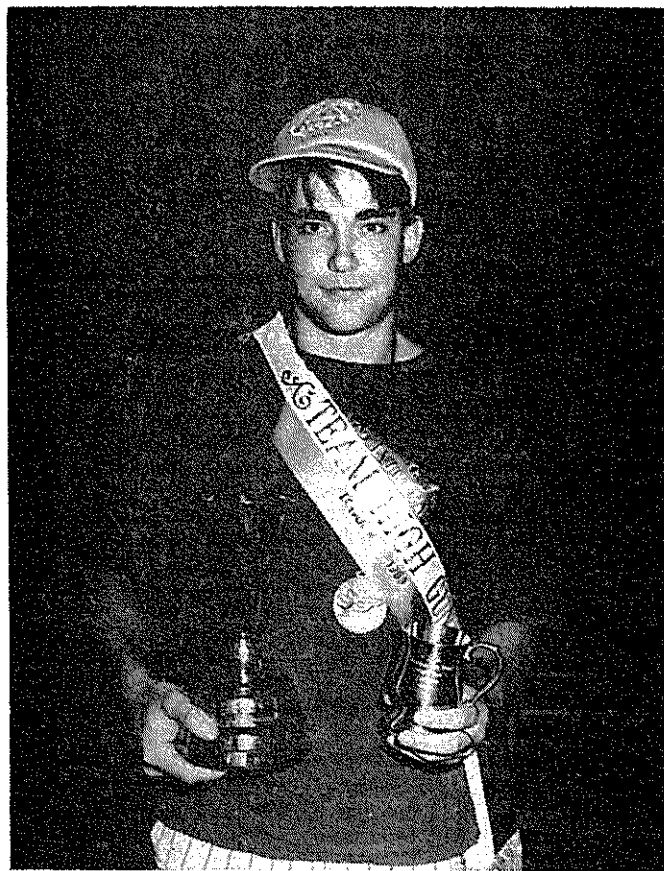

Champion Club Team 1989 — Echuca Gun Club 740/750.

MACKINTOSH INTERNATIONAL TEAMS EVENT

Cartridges made available by Olin Australia — Winchester Division.

Some minor changes to the event have been introduced and accepted by all competing countries. It is pleasing to be able to report that the controlling authority, The English Clay Pigeon Shooting Association will, from 1989, be awarding distinctive commemorative badges to members of all winning teams and the runners up. It is a fear, however, that despite all our best efforts under the trying conditions, our scores in each of the three teams events may not be good enough. Notwithstanding, some excellent results were recorded. The most noticeable feature of the Mackintosh competition was the score recorded by Goulburn's Fraser Roberts who shot the possible 250/250 to lead the qualifiers. By all accounts this is only the second occasion that a 250/250 has lead the qualifiers and congratulations are in order. Well done Fraser Roberts.

Another excellent score was posted in the event, this time by Echuca's Rohan Penn, who with his score of 299/300 was named International Team High Gun. The

Junior High Gun was again won by Michael Diamond with a score of 293/300 with Victoria's Fay Burton recording an excellent 289/300 to take the Ladies High Gun title.

Mackintosh Break Badges were awarded to Rohan Penn, Bill Iles, Russell Mark, Doug Smith and Fraser Roberts, all of whom shot the 100 targets of the team event.

We would like to record our appreciation to Winchester for again making available to all competitors the Winchester cartridges which by now form a traditional part of this event.

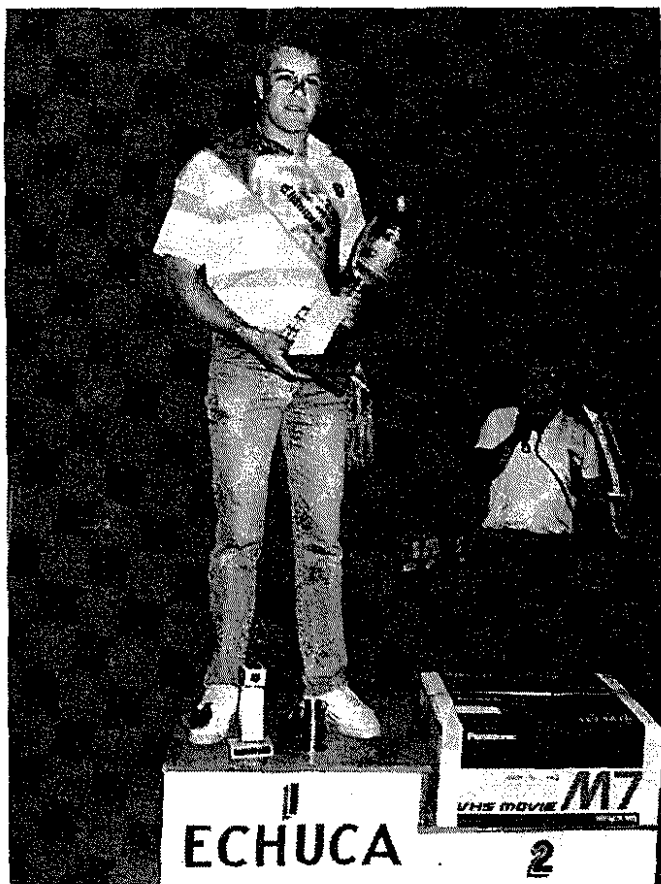

49th CHAMPION OF CHAMPIONS

Event Sponsor — Olimpyc Targets.

A change in shooting marks with the prestigious Champion of Champions shot from the 18m mark. Showing again his versatility and skills, Geelong club's Russell Mark, 1988 Seoul Olympian in Olympic Trap outshot the rest of the field of 396 to take the Champion of Champions title, together with the Olimpyc Target Trophy.

Wayne Parkes from Wonthaggi again after a shoot off, was named as first in AA with his excellent 169/175 in this difficult event which is truly titled "Champion of Champions". Continuing her good form, Kerang's Faye Burton, with a score of 132/150, proved too strong for the other ladies in the event. Tom Turner from Cessnock shot his way into the results with his 144/150 winning the junior section. Echuca veteran, David Penn, with his home ground advantage, shot a well competed 112/125 to be named Best Veteran.

National Champion 1989 — Russell Mark, Geelong, Victoria 170/175, competitors 396.

29th DOUBLE RISE CHAMPIONSHIP

Day six, with the last of the National Titles to be shot for. After the previous days of competition, the weather and the mud many could have been excused for heading home. This was not the case and one of those who obviously made the right decision was Russell Mark who put together the only possible to record consecutive victories in the 1989 National Championships. As Russell's victory showed again, skill and endeavour is always a difficult opponent to beat. This was the case with 293 competitors despite their efforts, not being able to overcome the undoubted shooting skills that Russell possesses.

Ladies Single Barrel champion, Thelma Meadows, although finding the targets difficult, recorded a win in the ladies section with her score of 34/50. Junior winner, Michael Diamond, had not had the best of Championships in the open section, however, he was again a winner with his 46/50 taking the junior section. Melbourne's Bill Henwood was a delighted veteran after recording a 39/50 to be named as winner of the veterans section of the Double Rise Championship.

National Champion — Russell Mark, Geelong, Victoria 50/50, competitors 284.

9th COMARK DEAUVILLE DOUBLES

Event Sponsor — Commercial Marketing Co., Sydney.

For the 9th successive year the Deauville Doubles attracted a very keen field all anxious to win the event and the trophies so generously made available each year by Geoff Rabbidge of Commercial Marketing.

The keenness of the event was exemplified by the scores recorded and when all targets had been shot, Victoria's Stan and Alexander Collins, both well known in the sport, had taken all before them with their score of 25/25, to be named winners of the event. The Turners from Cessnock, Tom and Tom Junior, another well known combination, had not made winning easy, however, and had finished a close second with their well compiled 24/25. Victoria's Alf and Robert James came in third with a well shot 20/21. Interesting to see Robert and Andrew Smith in the field. Robert was having trouble with some of the targets and was being shown the way by eleven-year-old Andrew, who has many years of shooting enjoyment to look forward to despite the fact that he may be seeking a change in the rules to enable him to find a more capable doubles partner. Well shot, Andrew.

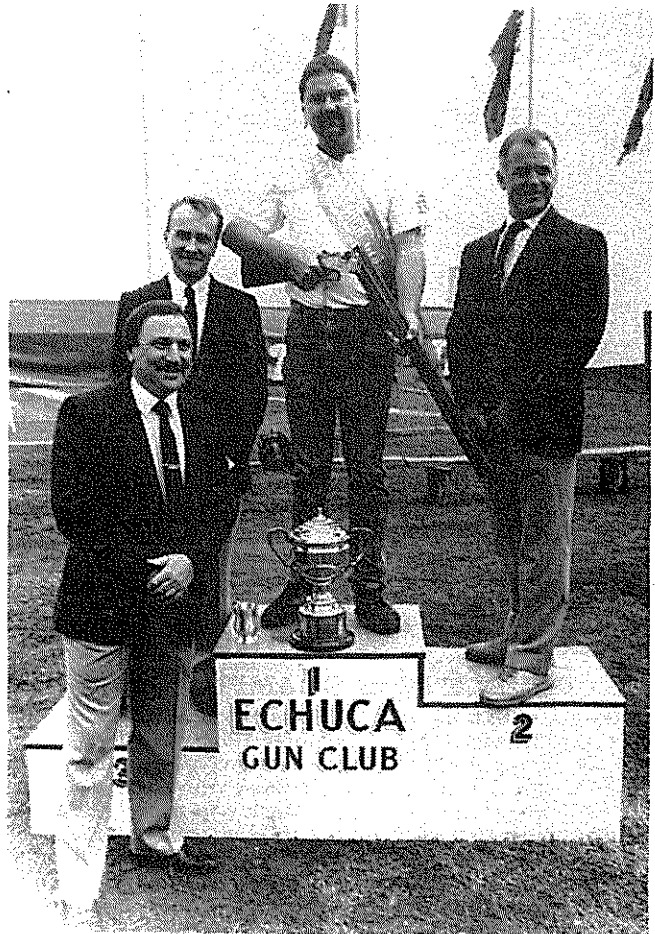

GLENN CUP — AUSTRALIA vs NEW ZEALAND

Traditionally competed for in Australia in odd years, the Australian Team is selected from the top six scorers in the Australian New Zealand Trap Championship. With each shooter having 20 targets to break, the Australian score at the completion of the event was 118/120 which by any standards is good shooting. Captained by Tasmania's Graham Blaskett, Australia was too strong on this occasion for the New Zealanders, Captained by Geoff Foster, who were three targets away at 115/120. Both teams are to be congratulated for the manner in which they competed as well as the honour of being named to shoot in their respective countries teams.

Glenn Cup 1989 — winning country, Australia 118/120.

HIGH GUNS

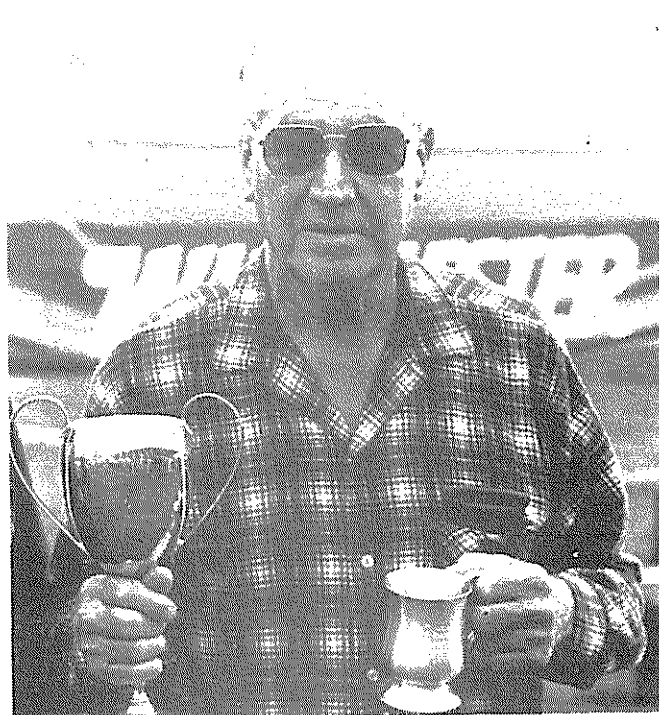

EchUCA club member, Steve Atkins, with a score of 465/475, was named 1989 National High Gun and as well as the ACTA trophies, which are traditionally presented, Steve was presented with the High Gun Trophy, a Beretta S05 Shotgun by Winchester National Marketing Manager, Mr Gary Matchan, representing Winchester, sponsors of the High Gun.

Canberra's Suzanne Balogh 421/475, in being named Ladies High Gun, was also the recipient of traditional ACTA trophies as well as a ladies wrist watch generously donated by Mrs Joan Scott, wife of the National President.

Jeff Tainsh from Lismore, New South Wales, received the Veterans High Gun Award with his High Gun score of 237/250 over the three national titles Double Barrel, Single Barrel, Points Championship.

The Veterans Aggregate over the six National Titles was won by Echuca veteran, David Penn, with a well shot 424/475 receiving the Val and Fred Horton Perpetual Trophy.

Cont'd over page

Junior High Gun was won by Illawarra's Michael Diamond 453/475, who being named as winner, was presented with ACTA trophies and the sponsor trophy by Mr Mark Ashton, Marketing Manager, TRC Travel Pty Ltd. Tasmania, who had made the trophy available, as a forerunner to company involvement in the Tasmanian Nationals in 1990.

Cont'd from previous page

The oldest competitor, Mr Len Baker from Boort in Victoria, was also the recipient of a perpetual trophy for competing at the age of 82 years young.

PRESIDENTIAL MEDAL

The ACTA's most prestigious award, the Presidential Medal, was presented to Mr Roy Holtfreter from Northam in Western Australia in recognition for his contribution to the development of the sport which was also recognized by the Western Australia Clay Target Association who originated the nomination.

Left, Roy Holtfreter, Past President, awaits the receipt of the prestigious Presidential Medal whilst current President, Jim Scotts, pays tribute to Roy.

SPONSORS

As always the sponsors of clay target shooting were again very supportive of the National Championships and on behalf of all trophy recipients and competitors at Echuca, we would like to extend our appreciation to the sponsors of the various events.

Winchester for the magnificent Beretta S05 Sidelock Trap Gun presented to the Overall High Gun, Steve Atkins by National Sales Manager, Gary Matchan — a trophy much admired and much appreciated by the winner and all who strove to win the High Gun title.

APPRECIATION

Having thanked our sponsors which is always a pleasant task, we would record our appreciation to all who contributed to the success of the Nationals at Echuca. Those who work behind the scenes do a magnificent job which is sometimes taken for granted. We owe them our thanks, particularly:

VCTA Organising Committee;

State Secretary, Arch Mackinnon;

Nationals Office Staff;

Tournament Director — Glen Woodhatch;

Shoot Marshal — John McVitty;

Echuca Gun Club President and Members;

Handicapper — Bill Eagle and his tireless assistants;

As is always the case, when thanking individuals for their assistance, someone always appears to be overlooked. Trustfully this year may be an exception. If not, to any person whose support and assistance has not been recorded, please accept our thanks for the part that you did play in the 1989 National Trap Championships.

In conclusion, repeating the annual message — when making a purchase of any commodity that is available from or through our many sponsors, please give them the opportunity to be of service.

HISTORY OF OUR SPORT SILENT ACHIEVERS OF OUR GAME

LEN BIRD

By George Biggs, A.C.T.A. Historian

Every once in a while we meet up with people in our sport who are actually pillars of our game of clay target shooting. People who, over the years, have quietly but thoroughly contributed to the development of our sport with dedication and a minimum of fuss. Len Bird is one such person.

It was the National Championships at Griffith in 1979 where I really got the opportunity to know Len better. On this occasion he was doing a very efficient job as shoot marshal.

I've always considered Len a man of action. He is never at a loss to give good advice and constructive criticism when needed. Len, no doubt, has been a tower of strength to the New South Wales Clay Target Association over the years especially in earlier days when the State Associations were being formed. His contribution to our sport began back in 1954, not only on the sporting side, but in all facets of administration from club level to national level.

Len was the instigator of the formation of the Cowra Gun Club in 1954. He served as club secretary for six years, and then as club president for the next twenty one years. During his term as president, the Cowra Gun Club grew from nothing to becoming a major gun club in New South Wales. Many shooters claim it is one of the best run clubs in the state.

On many occasions, Len would leave his gun at home so that he could put his full time and energy to running a good shoot for the enjoyment of other shooters. He was always on hand to help shooters down on their luck or in need of help. Very few people ever knew the amount of work he did behind the scenes, not only for people, but for our sport generally. Len is not one to boast about his deeds. His vast

experience in the shooting world helped him to fulfil his aims, not without sometimes difficulty and frustration, but also an enormous amount of satisfaction when he won through. Our sport of clay target shooting is very fortunate in that we have men like Len Bird who are willing and capable of giving so much of their time to our sport so that we may benefit and enjoy the game we love. The new South Wales Clay Target Association is indeed fortunate to have such a leader.

Listed below are a few of his achievements over the years:

Len served on the National Executive for a period of three years, 1979-81. He helped form the N.S.W.C.T.A. in 1973 and did a lot of work in the early days, serving on the committee for over seven years, as Vice President and State President. Along with this he has been a zone delegate for a good many years, first as vice president of the western zone, and as vice president of the northern zone. Len was also the driving force behind the formation of the new Central zone in N.S.W. He was the instigator of forming the then Central and Southern Gun Club Council in 1965, and served as President of that council. Len was involved in forming the Grenfell, Young and Boorowa clubs in N.S.W. He has been a referee for 23 years, and a referee examiner for 20 years. He has mastered the art of Shoot Marshal at many major shoots including National and State Carnivals.

Len was instrumental for the introduction of Sunday shooting in N.S.W., was also responsible for a number of major trophies donated by sporting companies in his state, as well as donating many himself.

Len helped organize, and ran, the first big coaching weekend held in N.S.W. when National, State and Zone coaches attended, held at Cowra during 1980. I had the pleasure of being present on this occasion.

In 1984 Len was awarded the A.C.T.A. Presidential Medal for his contribution to clay target shooting.

TRAP AND SKEET SHOOTING VIDEO TAPES

By GEORGE BIGGS

- Two very informative 75 min. tapes that take the shooters through a step-by-step technique of shooting trap. Both single rise and double rise targets.
- A 20 minute talk on correct gun handling and the importance of correct gun fit.
- The Skeet shooter is given a talk on suitable types of guns and their history. Also a step-by-step demonstration and explanation of how to shoot skeet.
- Both tapes are valuable coaching and instruction aids.
- An all Australian video written and produced by George Biggs. Price inc. postage and packing, \$50 each or \$90 the pair.

WAGGA GUN CLUB

The Club will be hosting both the State and the National Skeet Championships. To hold these events the club has extended their layouts by building a further two permanent layouts, a total of seven.

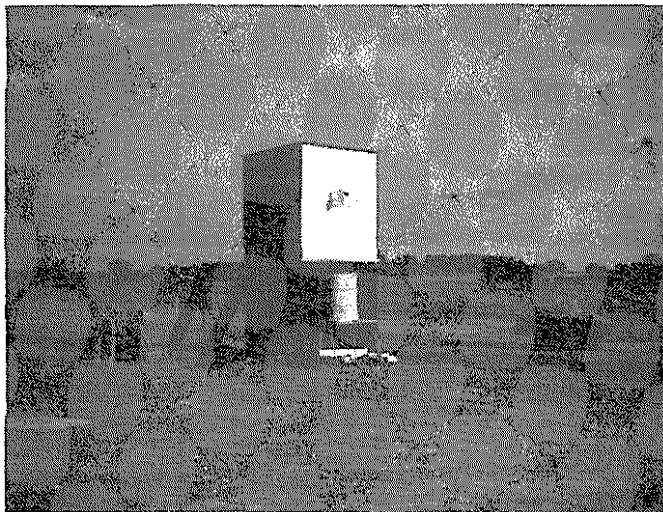

There have also been smaller improvements such as the spreading of loam to build up the low areas.

The City of Wagga Wagga has been very supportive along with many business houses providing sponsorship.

For those shooters interested in shooting at the Wagga Club, skeet shoots are on the 3rd Saturday afternoon of the month.

Further details of programmes will be published in the journal in coming months, so keep your eyes out.

Just a reminder for those who haven't booked their accommodation, to do so now.

N.S.W. STATE BALL TRAP CHAMPIONSHIP

Boyd takes honours

The Wagga Gun Club hosted the N.S.W. State Ball Trap Championship in February in fine weather conditions.

Graeme Boyd (Albury) is the 1989 N.S.W. State Ball Trap Champion after a great display of shooting.

Boyd shot 99/100 to take the Championship outright, leading the field by five targets.

By shooting the 99/100 he also took the claim of recording the highest score ever shot on the Wagga Ball Trap. The previous record stood at 97/100 for many years, the 99/100 is now a hard challenge to beat.

Though the numbers were disappointing, the quality of shooters/shooting was very high.

Thanks to those shooters who travelled very long distances (Kerang, Barham, Canberra) as well as the local area.

In conjunction with the Ball Trap the Riverina Zone Skeet Championship was run. Local Skeetie Warren Charlton (Downside) took the honour with the only possible of 50/50, not far behind was Boyd on 49/50 (and doesn't want to remember the very first target that kept sailing on unbroken).

Left, Warren Charlton with Graeme Boyd.

RESULTS: 100 targets NSW State Ball Trap Championship — Overall Graeme Boyd, Albury 99/100; AA Grade — Grant Thatcher, Tumut 91/100; A Grade — Tim Smith, Barham 87/100; B Grade — Darren Fairall, Harden 94/100; C Grade — Bert Boyd, Condobolin 89/100. 50 Targets Riverina Zone Skeet Championship — Overall — Warren Charlton, Downside 50/50; A Grade — Graeme Boyd, Albury 49/50; B Grade — Alan Schirmer, Barham 41/50; C Grade — Grant Thatcher, Tumut 46/50.

Good shooting.

Wagga Gun Club

VALE

We are saddened by the sudden death of Dave Gittings on February 19, 1989 aged 76.

Dave was one of the foundation members of the Albury Wodonga Clay Target Club and was still an active shooter until his death.

The committee and members extend their deepest sympathy to his family and friends.

VALE

It is with regret that we note the death of F.K. Keith Holler WGCDR (Ret) A.F.C.

Keith had a distinguished service career spanning some thirty seven years with the Royal Australian Air Force, and seeing service during WWII, Japan, Korea, Malaysian Emergency and inspections to Vietnam.

He won the Air Force Cross in Korea.

We remember him for his efforts and energy in working with RAAF Interservice Shooting and the RAAF Point Cook Gun Club, of which he was a life member.

Sincere condolences to his wife, Phyllis and family, from Point Cook Gun Club and his friends in the shooting fraternity.

Chaplain Dave McLeod
Pres. Pt Cook G.C.

THE CROWEATERS

Congratulations from all South Australian shooters must be extended to our State Team Members — Phil Green, Team Captain, Craig Bentley, Denis Lymn, Brett Johnson and Jon Johansen, upon achieving the winning position at the 1989 National State Shoulder to Shoulder Teams event with a score of 122-125 — GOOD ONE MEN!

Three of our S.A. shooters made the Mackintosh Australian 1989 Team out. They were: Phil Green 5 points down, Tony Rohrlach 6 points down, and Steven Baynes 6 points down. These scores resulted after the above shot in the 50 Double Barrel, 50 Single Barrel and 50 Points, and to make this 30 strong elite team at the 1989 Nationals is an exceptional effort. I am sure they will wear their Australian Team Badges with pride.

Tony Rohrlach also distinguished himself at Echuca by placing 2nd in AA Grade in the Double Barrel Championship with a score of 214/215 — Tony is a hard working member from Monarto Gun Club. Gavin Lymn placed 3rd in A Grade with a personal best score of 123/124. Gavin's mother, Mrs Eyvonne Lymn was amongst the spectators watching both her husband and son in the Double Barrel shoot off, and looking very proud of her two men as well.

Phil Green placed 3rd in AA Grade Points Score Championship, after shooting a perfect 150-150 points in the competition.

Many of our S.A. shooters shot possible scores in events at this year's Nationals to allow them to enter into shoot-offs and all should be congratulated on their participation and effort.

Mallala Gun Club this year entered into the spirit of the Nationals by fielding a team into the Allan Brown Team Match shot in conjunction with the 50 target points score. This club, situated approximately 45km north of Adelaide, was represented by Brett Johnson, Ron Smith, Graham Gilbert, Tim O'Connor and John Ellis. Mr Ellis was the oldest of the team in both years and experience. He has attended many Nationals over the years and is a true gentleman of our sport. Mallala team is proud of their score of 244/250 Targets. Top effort.

Monarto Gun Club held its Anniversary Shoot over the weekend of 22-23 April, 1989. The weather was perfect, the catering great, and the standard of shooting was excellent. This club deserves the number of shooters who attended both Saturday and Sunday. They put a lot of effort into their shoot and should be proud of the roll up they had.

Mr Jon Johansen, though still without much of a voice, shot with his usual brilliance to obtain the overall two day High Gun. He was presented with a medallion by Mr and Mrs Ayres, representing Winchester Australia. Mr Ayres also managed to collar the Sunday High Gun after a long

shoot off with Phil O'Connor. It was poetic justice as Dick had shot many possibles over the weekend with no success in resulting shoot offs. (Well done Tricky Dicky!)

Young Warren Lymn is fast approaching the standard of excellence his father Denis Lymn shows by shooting well over these two days to win the Junior High Gun.

Well, that's all for now. If you have any other titles in mind for this State's column, give me a line please. All shall be given consideration.

MONARTO CLAY TARGET CLUB INC. ANNIVERSARY SHOOT

22nd and 23rd April, 1989

... and so another Anniversary Shoot has come and gone leaving this Publicity Officer feeling a little more than "ragged" around the edges!

WHAT A GREAT WEEKEND!

The weather in the mid 20s was beautiful with fine, clear blue skies and a minor breeze and this kept all those 'knockers' of Monarto's weather quiet for a change. Let's face it — when we shoot badly, we are all prone to blame it onto "something".

Saturday's 54 shooters and Sunday's 76 shooters represented the following clubs — S.A.G.C., Alexandra, Noarlunga City, Mallala, Lake Albert, Wilkawatt, International, Port Lincoln, Victorian and of course, our own Monarto-ites.

Seven 'Ladies', six 'Juniors' and seven 'Veterans' also hotly contested the grade trophies as well as their own sections. Monarto veteran, Hugo Bretag, won the C Grade trophy on the Double Barrel event with 24/25; Terry Roberts (Alexandra veteran) the C Grade mixed target trophy with 45/50; Sandie Applekamp (Lake Albert Lady) the B Grade mixed target trophy with 48/50 and Warren Lymn (Port Lincoln Junior) the B Grade Point Score trophy with 75/75.

Saturday's Event 1, the Baker Boy 25 Target Double Barrel Championship saw a good shoot off between John Johansen (Monarto) and Phil O'Connell (Monarto) with the overall trophy going to John Johansen with a score of 62/62.

Event 2, Swanport Cellars, 25 target Single Barrel Championship also went to John Johansen with a perfect 25/25. (John had just returned from his very 'first' Nationals at Echuca and was most determined to continue with his fine shooting.)

Event 3, the Monfries and Burchell 25 target Points Championship, shot in conjunction with the Shell Shield Team Shoot, saw another shoot off between Warren Lymn (Port Lincoln), Lynton Schubert (Wilkawatt), Richard Dean (International), Leighton Martin (International) and Phil Mules (S.A.G.C.) who all came in with the scores of 75/75. Richard Dean eventually won the event with 123/123 from Phil Mules who shot 120/123. The Shell Shield was won by the Wilkawatt Gun Club team of Lynn Beelitz, Don Beelitz, Gordon Warner, Lynton Schubert and Peter Hendy who shot 123/125.

The High Gun winner on Day 1 was John Johansen with 124/125.

Those shooters and visitors who stayed for our usual "gourmet" tea were once again not disappointed and the stories and laughter coming from the club house following the meal showed the great "comradeship" that exists amongst members of our sport.

Sunday morning's weather again proved "magical".

The first event contested was the Clem Thomas Memorial 30 Mixed Target Championship. The Perpetual Cup had been "lost" the previous year to an "outsider" and our Monarto boys were determined to get it back this year. John Johansen (Monarto) and Phil O'Connell (Monarto) and Dick Ayres (Lake Albert) all shot 50/50 and the battle for overall finally went to John with a score of 89/90 to Phil's 88/90.

First year sponsor, Murray Bridge Passenger Service, rewarded the four placegetters in the 25 target Handicap event. Peter Hendy 18m (Noarlunga City) shot the only possible 25/25. Bret Johnson 21m (Mallala) came 2nd with 36/37, Les Stone 17m (Monarto) took 3rd placing with 35/37 and Peter Hall 18m (International) took 4th placing with 33/35.

The final event on the programme was the Coca Cola Bottlers 25 target Point Score Championship, shot in conjunction with the Graham and Ruth Michell Team Shoot — shot and won on points, not targets. After a long weekend of shooting, only two perfect scores showed on the cards — Phil O'Connell and Ron Smith (Mallala). Phil determined to take out one event for the weekend, finally beat Ron with a score of 110/110 to 109/110. A very big and happy grin shone from the very "grubby" face of our trapper boy Josh Rice, for after a very hectic weekend for him, he still managed to win C Grade on this event with a score of 66/75. Well done, Josh.

The team to win the Michell Cup on this event, after a "Pep talk" from "Yours Truly", was none other than the best team in the State (and if we could only get them all to the Nationals we would try for the best Australian team), our very own Monarto No. 1 Team of Graham Michell, Tony Rohrlach, Clinton Wohlfeil, Phil O'Connell and John Johansen who shot 363/375. If you think I am biased in my opinion — you are probably right!

Day Two High Gun — R. Ayres 148/150.

The Overall High Gun, again sponsored by Winchester Australia, was presented by South Australia's "Mr Winchester" Dick Ayres and his wife Rhonda, to John Johansen. His trophy, a magnificent Baretta bag and a platinum Winchester medal had been much admired by all the shooters during the competition. John shot an incredible 271/275 during the weekend which had included double barrel, single barrel, point score and handicap (John shoots from the 24 metre mark), and he had lost 2 targets in the Handicap and pulled two second barrels in the 2 Point Score events to lose his 4 points for the weekend and in my book, that is shooting at its very best. My heartiest congratulations to you John.

B Grade High Gun winner for the weekend went to Clinton Wohlfeil (Monarto) with 255/275, C Grade High Gun to George Kontopoulos (International) with 230/275, Ladies High Gun to Sandie Applekamp (Lake Albert) with 233/275, Veterans High Gun to Ron Hill (Southern) with 247/275 and finally the Junior High Gun to Warren Lymn (Port Lincoln) with 251/275. What a great shot this young man will be in years to come!

What else can I say — many thanks to all of our sponsors whose assistance we could not do without, the "best bunch of canteen ladies in Australia" (those cream puffs and creamed and jellied sponges have just ruined my waist line — well, what was left of it that is!) — thanks to the trappers, referees and scorers, to those Committee members and club members who helped before the weekend, worked their "butts" off during the weekend and then went back on Monday morning to clean up — thanks!

Narelle — your biggest shoot ever and no errors — well done.

Finally, a special word of praise to the "guy" who kept the shoot running as smoothly as it did — no hassles or hiccups. Graham Michell, Monarto Clay Target Club, President — TOP MARKS!

TAMWORTH CLAY TARGET CLUB

Tamworth Clay Target Club held a Learners Instruction day in early April with eight prospective shooters taking part. The day consisted of the basics of trap and skeet shooting being shown by Col Burt of Tamworth — State Coaching Director — and club coaches Rex Whitten and Graham Wilson. These coaching days are an important part of the annual program and allow potential clay target shooters the opportunity to try the sport using first grade facilities with the benefit of the experience of top grade shooters.

At the end of the day a 20 target event was shot to introduce those attending to competition; the results being as follows:

Ross Freestone 15/20 1st; S. Mitchell 13/20 2nd; D. Tonniges 12/20 3rd; N. Travis 11/20 4th; R. Skey 9/20 Equal 5th; P. Dwyer 9/20 Equal 5th; N. Travis 8/20 Equal 6th; T. Barwick 8/20 Equal 6th.

TOP HANDGUNNER ELGIN GATES DIES

Accomplished shooter and cartridge developer Elgin Gates of Idaho Falls, Idaho, died Nov. 16 of a heart attack. He was 66 years old.

Mr Gates' list of accomplishments is a long one. He served in the Army Air Corps during World War II, and at war's end he took up boat racing. In a 10-year period, Mr Gates won several national championships and set 26 national racing records.

As a shotgun shooter, Mr Gates captured back-to-back championships in the international trapshooting event at the 1975 and '76 Grand American. He also won 17 national and international titles in six different countries during the mid 1970s.

Mr Gates was president of the International Handgun Metallic Silhouette Ass'n until the time of his death. During his leadership of IHMSA, the association saw its membership increase to more than 40,000 shooters, and in 1987 the group sponsored about 3,500 silhouette competitions. For his work and dedication to the sport, Mr Gates was awarded the Outstanding American Handgunner Award.

A renowned big game hunter, Mr Gates was the winner of the 1960 Weatherby Big Game Trophy and he was inducted into the Big Game Hall of Fame in 1978. Through his hunting career, Mr Gates put more than 200 trophy animals on the record books.

AUSTRALIAN CLAY TARGET NEWS — June 1989

MARYBOROUGH TIT BITS, QLD.

I have spoken to several paraplegics in reference to whether they think they would be interested if invited to score and referee in our sport, a way to give the ones who haven't a sport, an interest in ours.

One paraplegic that I spoke to said he would like to, however, he himself was too involved in archery and running a workshop. He said it was a very good idea, each club could contact paraplegic societies in their own area and in doing so we may be able to help someone and in return they could certainly help us. This is only my thoughts.

March 11, Gympie one day shoot, a good day shooting and it was great to see some prominent shooters turn up to make the competition keen. The highlight of the shoot was the shoot off in the 50 target where P. Shaw shot 108 to outdo B. Stolberg with 107. High Gun results: AA HG — G.R. Fett, A.H.G. — R. Rehbein, B.H.G. — B. Humphreys, C.H.G. — L. Wilson. Thanks to all for coming.

When we realised that our club shoot fell on Easter Sunday, it was too late to change and the starting time looked like a disaster. However, it got better and instead of giving the winners this time, I would like to name the visitors who made the day: R. Maroske, G. Durre, K. Vicary, L. Meyer, I. Wynyard, the Winzens, both Barry and Bill Stolberg. Thanks to all, please come again.

I have been asked by some ex-South Australians to ask the writer of Sturt Pea from S.A. to continue as they keep in touch with S.A. by reading this enjoyable column.

To Holly and Andy, hope you enjoyed your anniversary today at the shoot.

Till next time, see you at the shoots.

COACHING IN VICTORIA'S NORTH EAST ZONE

Having recently been appointed to the position of Zone Coach, I hope that along with assisting clubs and their respective coaches in the coaching activities, I can report on a regular basis our progress from here on.

I have recently carried out accreditations with Deniliquin's two applicants, Ron Cugley and Ron Glenn, who I am sure will be of great value in this field and I will be visiting Deniliquin Gun Club for a coaching clinic in the near future.

Shepparton Gun Club will be the venue for a seminar in June, the exact date I will relay as soon as final details are made.

I regret that there is still an air of apathy within some clubs as despite my recent correspondence there appears to be a reluctance for details requested to be furnished.

I appeal to all clubs to be represented at Shepparton by their coach and or club official as our zone is in drastic need of greater input so far as coaching our junior and novice shooters is concerned.

Accreditations for those in need will be conducted on this day, so for all clubs who have not an accredited coach, this will be your chance to correct this situation.

Finally, may I express my appreciation to the Winchester Company for their donation of a case of shotshells for the purpose of coaching in our zone, much needed and will be of great assistance and thanks to Bill Eagle.

Yours in safe shooting,
Jeff Boote
N.E. Zone Coach

VALE

Colin Ferguson

With much regret I advise of the passing away on January 31 of Colin Ferguson, aged 79 years.

Widely known and respected in sporting circles throughout the west, more particularly in clay target shooting. Fergie, as he was affectionately known, was the last of the foundation members of the post war Perth Gun Club. For seven consecutive years President of the club, and was rewarded for his efforts with a life membership.

During the period the club purchased its own grounds on the perimeter of the Perth Airport and this move initiated rapid development of the sport in the west.

Colin was a man of great personal charm and had a dynamic personality which enabled him to organise and direct the members of the club for the advancement of the sport. He was the instigator of many marvellous duck shoots in the lakes, east of Narrogin. Anybody who attended these shoots could never forget them, or Fergie.

Practically every major clay target title in the west was won by Colin in his heyday. He was a magnificent shot on the tracks and in the bush.

For some years he was W.A.C.T.A. representative on the A.C.T.A. Council and served in a number of Executive positions in the West Australian Clay Target Association.

His vocation took him frequently into the country areas of W.A. where he made many friends and vigorously promoted the sport.

Because of declining health he was not active in the sport over the last few years, but always maintained in immaculate conditions a Westley Richards and a Boswell side by side.

He was a pillar of strength, and an ornament to the sport of clay target shooting and will be sadly missed by all who were privileged to be ranked among his friends.

Deepest sympathy to Mrs Ferguson and family.

WARATAH STATE NOTES

First up this month, on behalf of all shooters in N.S.W., I would like to congratulate all our fellow shooters who carried off trophies at the Echuca Trap Nationals — in particular, Fraser Roberts who was first qualifier into the MacIntosh Team with a perfect 250/250. I understand that this is only the second time that this has been achieved. Well done, Fraser. Also, well done to Michael Diamond for taking out the Junior High Gun and Suzie Balough on winning the Ladies High Gun, amongst others. To all the other N.S.W. shooters who made the MacIntosh Team, won grade trophies and in general performed well — good on you.

SECRETARIES HANDBOOK:

This is now underway, with the draft being ready before the next State Executive meeting in June — so it is hoped that soon after that meeting we will be in a position to distribute a copy to every club — who will, hopefully, put it to use.

STATE CHAMPIONSHIP RESULTS:

The Forest hosted the Commonwealth Ball Trap Championship back in February and Club President, Dino Anton now has a Royal Blue Sash in his possession.

The night owls were out at Majura Park in early March for the Commonwealth Night Point Score Championship and with a score of 136/150, Filipo Petriella finished ahead of the 44 other shooters.

COACHING NEWS:

A very successful weekend was held in the Central Zone, with Trap at Cowra on the 29th April attracting about 5 squads, and then moving onto Bathurst on the Sunday for Skeet Coaching for 3 squads. All present benefited from the coaching experience presented and went away happy.

The week prior to the Central Zone, Kevin Constable and Col Burt conducted a two day Trap and Skeet at the Moree Club — numbers were well down, probably due to it being the first dry weekend for some time — and the farmers were hard at it. However, those who were able to attend appreciated the time put in by the coaches.

FROM THE CENTRAL ZONE:

A request from Zone Secretary, Jenny Mould for anyone who knows the whereabouts of the ELEY GOLD CUP TEAMS TROPHY, to please phone Jenny on (063) 42 4969 or Joy Dwight (063) 42 2019.

The Orange Gun Club had to postpone the running of the Zone P/S Continental Championship recently — this has now been re-scheduled for 26th November at Orange.

FROM THE NORTHERN ZONE:

A further reminder of the Zone Trap Carnival being held at the Grafton Club on the 8th/9th July. It is hoped that the Club will receive the support they have worked so hard to attract over the last 10 months. This is the first time that Grafton have hosted the Carnival and they are going all out to make it the biggest and best — be there!!

For those planning on attending the Ag-Quip Field Days at Gunnedah don't forget to put the gun and some shells in — because on the Wednesday evening the Gunnedah Club conduct a night shoot and this year host the State Night Single Barrel Championship — that's August 23rd.

FROM THE RIVERINA ZONE:

A great Zone Trap Carnival was held at Narrandera — with some 70 odd shooters attending. Some results for you next month. Those who gained selection in the Zone Trap Team are being given every opportunity to prepare for the State Carnival in October — Zone Coach, Fred Schmetzer is organising Training Sessions and lectures — watch out all the other Zones — The Riverina will shoot them cleaner!!

The 20th August is the date Narrandera has set for the State Single Barrel Continental Championship.

FROM THE SOUTHERN ZONE

A note from Canberra that they have a new Secretary in Terry Graham, P.O. Box 382, Curtin (062) 81 1795 A/H — please make the necessary alteration in your Blue Book.

Canberra hosted the Zone Skeet Carnival in early April — no results at the time of preparing this report, however, maybe next month.

FROM THE WESTERN ZONE

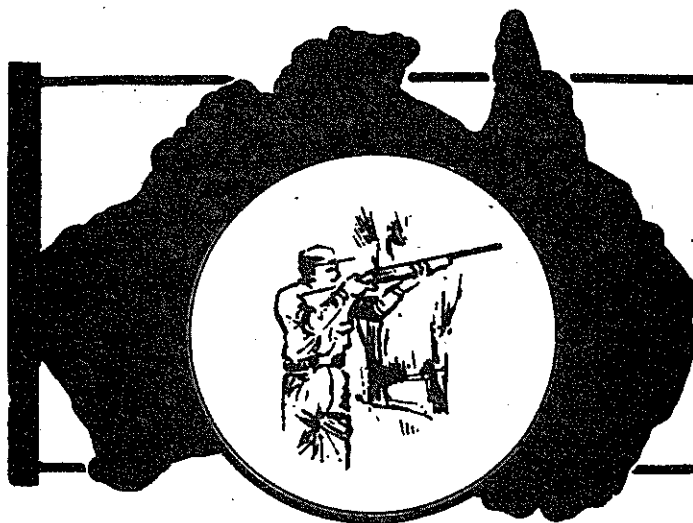

Narrabri is the Club and the date is 22nd and 23rd July for the State Trap Carnival — the Committee has plans well in hand and are working hard to have a great success. Give them your support.

The Moree Club are making headway in the preparation for the State Trap Carnival — for those thinking of booking accommodation please refer to page 59 in the Blue Book and support those who support us — The Winchester, Artesian, Spa Village, Alexander, Jackaroo and Moree Spa and don't forget to say that you are attending the shoot at the Moree Gun Club.

TELEPHONE NUMBERS:

A further reminder for those who have not seen previous reference — the State Association number is "on hold" at present — so the only number to reach myself or the Coaching Director is (067) 65 9386.

VALE

It is with deep sadness the Hopetoun Gun Club advises of the passing of Edward E. Poulton (Ted) on April 3, 1989, a Foundation, Past President and Life Member.

Ted was an active member till the time of his death, ever ready to coach young or older shooters no matter what the problem.

Most involved in the relocation of the club in the 1960s to its present site and keeping the clubhouse and grounds in good order. His ability to fix traps quickly and professionally will be greatly missed.

A true gentleman, whose wry humour, encouragement and sincere interest to all will be truly missed by all club members and the shooting fraternity.

Our deepest sympathy to his wife, Phyllis, daughter Lorraine and family.

Winchester Ball Powder

The case for the Defence.

When the allied defence forces introduced Winchester Ball Powder during World War 2, wear and tear on weapons was drastically reduced. Barrel life was significantly increased. Accuracy improved. And greater consistency was achieved.

As a result, Winchester Ball Powder Propellants have been used in over 90% of all U.S. Military small calibre ammunition in the past 40 years. Today the same applies for the military and civilian sporting shooters alike.

- Greatest chemical stability ever attained.
- High accuracy and ballistic uniformity.
- Lower flame temperature.
- Less muzzle flash.
- Minimum pressure and velocity variations at shooting temperature extremes.
- Super high grain density.
- Metres more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges.

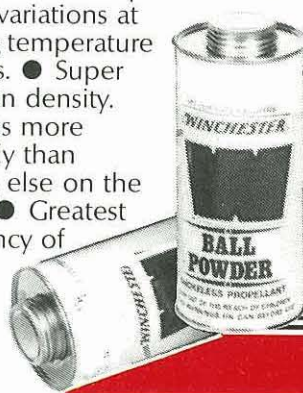

With the results achieved from using Winchester Ball Powder... the Defence rests.

You can too. Send the coupon for Winchester's FREE Loading Data Book - now in its 10th Edition.
