PRESIDENT'S REPORT

Following the series of meetings held by the Executive from May 17 to 21, 49 of the 52 recommendations put to the full executive by the sub-committees were adopted. It is a pleasure to see the executive all pulling together for the improvement of clay target shooting. I am confident this harmony will continue. I would like to thank them all for their effort during these meetings.

We had a break from meetings on Friday when we were invited by Winchester to inspect their plant at Geelong. What an enjoyable day it was. Thank you John Canning and all the people at Winchester for their efforts to make us feel so welcome. It was appreciated by us all.

I have just seen the May membership figures. It shows that 2,616 shooters have not re-registered for this year. To put it another way the A.C.T.A. is down well over \$90,000. I ask all to contact their people and urge them to re-join the A.C.T.A. Take it from me, the gun laws issue has not gone away, it will reappear at any time and we must be ready. One way to do this is to build up our membership. Why don't clubs have a little competition to see which member can introduce the biggest number of new or old shooters to the A.C.T.A.?

The next item I would like to bring to your attention is PROMOTION. This should start at grass roots level, that is you, the shooter, and your Club. We must do much, much more to promote ourselves as shooters and show that we are members of a responsible sporting club, as part of our community.

For example:

(a) Advertise in your local paper, or on your local television station that your club will be holding instruction days on gun safety and gun handling on the first three Saturdays or Sundays of the month, between 2.00pm and 5.00pm. I am sure your Zone Coach would help your Club Coach if asked.

(b) Hold a film night and barbecue at your club. I know there are a number of good, interesting tapes which clubs can borrow through the coaching system. This is an easy way to show people the enjoyment of clay target shooting.

(c) Ask your club to conduct a charity shoot. Pick a worthwhile charity in your area. Ask them for their support in organising the shoot with all proceeds going to the nominated charity. Have a two man team over the program, one member of the team to be a member of the club, the other to be a member of the charity. This type of competition creates a lot of interest.

These are just a few ideas I believe you can use to promote our sport. I would welcome it if people would write to the C.T.S.N. letting other clubs know what they are doing to promote their club and our sport. This is a self help experience.

The I.S.U. team eliminations have been and were conducted at the Brisbane Gun Club for the 1989 World Championships and the 1990 Commonwealth Games. To the successful team members congratulations and on behalf of all shooters I wish them every success in the forthcoming championships. To the other members of the National Training Squad, commiserations.

By the time you read these notes the A.C.T.A. will have most likely purchased our present office at 3 Essex Road, Mount Waverley. To me this is a great step forward, not only are we not paying rent each month but we have invested our money back into bricks and mortar. Whilst we have most of the funds required to pay for our very own building, some money will have to be borrowed from the bank. Final figures have been worked out by our financial adviser. With this in mind I appeal to you all, shooters, clubs, zones and State Associations to give serious consideration to lending the A.C.T.A., your Association, money to help offset the high interest rates the banks are charging at present. If anyone is interested, the A.C.T.A. is offering debentures of \$1000 minimum, interest rate of 7½% payable 1st December each year. We already have \$25,000 in our Debenture Program, but a few more holders would be appreciated. The more you take up the more it will help the A.C.T.A., and as I said before, it is your Association. So if you have a spare \$1000 to invest, invest it in the future of Clay Target Shooting. Application forms are in this month's C.T.S.N.

I understand there is some resentment in some quarters with the rise in club advertising rates. The Executive have given this matter a lot of thought over a long period of time. One reason behind this decision was to try to offset some of the losses incurred with the printing of the C.T.S.N. Other suggestions were put forward but it was thought this one was the fairest to all. If anyone has any ideas how we can reduce the cost of the C.T.S.N. please let your Executive know.

It is a big problem, a problem the Executive is mindful of, and is watching closely at all times. I would like to point out, last year the cost for the C.T.S.N. was well over \$50,000. I do not know any small business that can stand a cost of that size in one section of its operation without taking positive steps to reduce it.

One last point that has come to my notice is the rumours that seem to abound. We cannot stop them, but we can try to correct them. By this I mean if people who start them were to make sure of all the facts and that the facts are correct. To do this ask one of your National Executive Members or give me a ring. We on the Executive do not run a secret society, ask and you shall be told. The rumours going around at present are quite untrue and completely unfounded, nevertheless some people believe them, and this in itself is undermining your Association. How can clay target shooting grow and prosper if people, and it is only a few, continually spread untrue rumours and knock the A.C.T.A.? Let's get on with the business and enjoy the sport and the pleasure that comes with breaking targets.

JIM K. SCOTT
National President

EXECUTIVE DIRECTOR'S REPORT

The various committees of the Association have been very active in recent times with no less than eight meetings taking place during the latter part of May. Owing to the printing deadlines for the CTSN this is the first available opportunity of being able to report back to members on the outcome of the meetings by way of a summary of the discussions that took place together with advice on decisions made.

National Shooting Committee: A total of 14 recommendations were placed before the members of the National Executive Committee for decision with only the one recommendation not being adopted, that being the decision taken by the Executive not to approve the recommendation to shoot the State teams Matches Olympic Discipline over the first 150 targets of the Nationals in favor of retaining the existing system which was implemented for 1989 at the request of State Association whereby the State Teams Matches are shot over 50T on the afternoon of the third day. The decision to retain this system will undoubtedly displease some, however, in the best interests of all competitors, the State Teams Matches will continue to be shot as an event giving recognition to those whose shooting prowess has gained for them an opportunity to actually shoot for their state as against merely having their scores over the first two days recorded.

We are awaiting early advice from the U.I.T. on the result of our applications for David Menck and Jim Kelly to gain A Grade judges status. Both David and Jim have been nominated for official positions at the 1990 Commonwealth Games at which time we trust that they will be officiating in some capacity with their status being that of A Grade judge.

With the 1991 Oceanic Games scheduled to be held in Adelaide in February of that year, the decision has been taken to allocate the 1991 Olympic Discipline Championships to SACTA with the Commonwealth Titles offered to WACTA as a forerunner to the 1991 World Shotgun Championships. Double Trap as from 1990 is to be included on the Olympic Discipline Program being shot on day seven over three rounds of 25 pair plus a 25 pair final with the winner being declared National Champion and receiving National Title Awards. In addition double trap has been given Commonwealth Title status with the first title shot for during the latter part of this year under the control of the NSWCTA.

Robert Smith, Committee Chairman, reported on the successful Junior Development Camp at the Australian Institute of Sport which was attended by juniors representing shotgun disciplines. An application has been made to continue this program through into 1990 and we are confident of being able to have our juniors visit the Institute again in 1990. The continuous support and recognition of this Association by the A.I.S. is very much appreciated by those who are fortunate to be able to participate and we look forward to the continuation of this support in the years ahead.

Peter Hayman (N.S.W.) was re-elected to the National Shooting Committee as DTL Shooters Representative for a further term and is anxious to do well for those shooters that he represents. He will do this, however, it would greatly assist not only Peter but the two other Shooters Representatives, David Menck (I.S.U.), Robert Dower (Skeet), if you, the shooter, let them have your thoughts on matters you believe require addressing. All can be contacted direct or by writing c/o the A.C.T.A.

Correspondence received from Adrian Cousens, President of the Skeet Shooters Association, was discussed at length. However, the matters raised by Adrian did not in the main gain the support of the Committee. Other matters raised were addressed at a meeting of the National Championships Committee at which Adrian attended and over a two hour period

discussed and presented the views of the Skeet Shooters Association.

The appointment was made following a recommendation to the Executive of Robert Smith, Committee Chairman and Level 3 Coach as Team Manager for the 1989 World Shotgun Championships, as well as for the Commonwealth Games team participating in the New Zealand ISU Nationals as a lead up to the 1990 Games. Robert is very well credentialled for the position and well respected by those who he will have in his charge.

The Association has also endorsed the A.O.F. and A.C.G.A. Policy on Doping and Drug Testing, something which we trust is only a formality and an area of which the Association never has to face in relation to our shotgun athletes — we believe this will continue to be the case.

In keeping with the Mackintosh Event for trap shooters, we as an Association, are corresponding with other countries in an effort to establish a similar teams event for standard skeet. The ACTA has in its possession a trophy which is to be offered for competition (being retained in Australia owing to its monetary value) and while this will take some time to establish, we are hoping that the inaugural year of competition will be 1991. More about this as times goes by.

National Rules Committee:

A number of rule changes were discussed and presented to the Executive. These have been published as a separate notice in this issue. Please note your rule book with the amendments which should not cause any real concern as they are all seen to be straight forward.

The one matter that will call for greater discussion is the decision to review the section of the rules that relate to handicap shooting with a view to implementing a revised set of rules based upon a previous system which is generally considered to have been more workable and acceptable which will, it is hoped, see a return to handicap shooting in most programs.

The presentation of handicap cards at National Championships was discussed and it was noted that no less than 38 competitors failed to produce their card at Echuca for the Trap Nationals. As this is in conflict with the rules the penalty on future occasions as well as what is contained in the rules, will be a monetary penalty of \$20.00 which would need to be paid prior to the acceptance of a shooter's nomination. A little harsh some may say, but not those who comply with the rules; and aren't these the shooters we should be seen to be supporting?

National Computer Committee instigated to develop the use of computer facilities for all National championships has produced a finished program with the expertise of N.S.W. shooter Michael Fisher. Under the direction of Pud Burgess the decision has been taken that the Trap Nationals in Tasmania, apart from the squadding of competitors, will be controlled by computer. It will take some while to get used to and accept the decision, however, all would surely agree that computers, being here to stay, must come into account at the Nationals either sooner or later. The decision has been taken to make it sooner and we look forward to 1990 and the years ahead as the program gains the support that is necessary if it is to succeed — which it will.

Following the Tasmanian Nationals the program will be made available to all states at no cost to encourage the implementation of standard programming at all State as well as National Championships.

Promotions Committee. Our sponsorship agreement with Winchester was discussed and having had previous discussions with the company the option contained in the contract was expected to be taken up by Winchester. The Management Committee met with Winchester personnel John Canning, General Manager, Bruce Burns, Marketing Manager, and Gary Matchan, Sales Manager at the

Winchester plant and following this meeting it is expected that the re-signing of the contract for the 1989/90 year leading up to the Tasmanian Nationals will shortly be finalised.

Additional sponsorship has been made available by the Beretta Company through Winchester of an S05 Shotgun for the ISU Nationals. The decision on where to place the trophy has not as yet been finalised although it appears that it will be for presentation to the Olympic Trap High Gun over the 400T of the Championship. We are indebted to Winchester for this totally unexpected trophy which greatly enhances the support that we as an Association, receive through the Winchester Company.

Executive Committee: Commencing at 8.30am the Executive met throughout the day with less than 60 minutes taken for morning tea and luncheon break before the meeting concluded at 6.50pm — a total of 10½ hours of continued discussions on behalf of all aspects of the sport. National Championship allocations were made, Olympic Discipline, S.A. 1991, Qld. 1992, with the request made to Victoria to relinquish the 1990 Skeet titles in favor of Queensland who would, in turn, pass their 1991 allocated year to Victoria. This has subsequently been agreed to with the Skeet Nationals 1990 to be shot most likely during September at the approved ground, Townsville.

The continuing problem of locating a suitable National office was discussed with a visit by the Executive Committee to both Hoppers Crossing where a property had been offered and the proposed International Shooting Complex at Werribee. As a result of the Hoppers Crossing inspection and inquiries made at the site, it was the decision of the Executive that the Management Committee by their rejection of the Hoppers Crossing property for the reasons given, had acted in a manner in accordance with the responsibility of their office. It was also the opinion of the Executive that the proposed shooting complex at Werribee was not of any significance to the Association so far as the siting of a National Office was concerned owing to its remoteness. Elections for 1989 resulted in the following positions being filled:

President — Mr Jim Scott, NSW; Vice President — Mr Ross Silvester, W.A.; Management — Mr Neil Hardy, Qld, Mr Pud Burgess NSW; Rules Committee — Mr John McVitty, Vic. 3 year appointment; National Shooting Committee — Mr John Fissoli, WA, 2 year appointment; Mr Peter Hayman, NSW, 2 year appointment, DTL representative; Promotions — Mr Leighton Martin, SA; Mr Ross Silvester, WA; Mr Robert Smith, NSW; National Championship — Mr Richard Brook, Qld; 2 year appointment; Mr Jack Matthey, Vic, 2 year appointment; Mr Robert Smith, NSW, 1 year appointment; Mr John Murphy, Tas, 1 year appointment; Nationals Computer — Mr Pud Burgess, NSW; Mr Bob Fox, NT; Mr Ross Silvester, WA; Mr N. Hardy, Qld; Premises Committee — Mr Jim Scott, NSW; Mr Ross Silvester, WA; Mr Neil Hardy, Qld; Mr Pud Burgess, NSW; Mr Jack Matthey, Vic.

Discussion also took place on the Association's Articles of Association and the Management Committee were entrusted with the responsibility to review the constitution in keeping with advice received and the structuring of a National Sporting body.

We have been fortunate to obtain the services of NSW State Coaching Director/Level 3 Coach Colin Burt from Tamworth as National Coaching Director and Colin will commence his duties as from 1st July. Colin, as part of his duties, is also National Coach for all disciplines and Chairman of the National Coaching Council. Taking over from Peter Quire, who was very experienced in the position, Colin will be looking for all the support and assistance that can be provided and in this regard he will appreciate your assistance and co-operation. It must be pointed out that the National Coaching Director's duties do not entail coaching at any level other than as National Coach and to assist the State Coaching Directors who have the Coaching responsibility in their respective states. National Coaching Director's principal role is to continue the successful coaching accreditation scheme operating in all states as well as to provide back-up service to State Coaching Directors. While this may not appear to be a time consuming role, he also is a member of the National Shooting Committee, National Coach, as well as having the responsibility to successfully steer our athletes through the Australian Institute of Sport. This is not taking into account the many activities which, through the National Office, also involve the National Coaching Director — Colin needs the support of all involved and as he has the respect of our members, this support will be forthcoming. I would like to take this opportunity to also thank all applicants for the position who, while not being successful, showed their continued interest in the sport of clay target shooting.

A number of projects are on the drawing board, many of which are dependent on the outcome of our application for funding to the Institute of Sport. They include the development of a women's squad for the 1991 Championships, something which the Association is keen to see in operation. While on international competition, all shooters wishing to compete in overseas competition that does not include an official ACTA team, will only be able to do so once they have recorded the minimum scores of Olympic Trap 182/200 and ISU Skeet 184/200.

National Championships Committee:

This Committee chaired by Robert Smith is one that takes into account all matters relating to National Championships. It is not a decision making committee in its own right, instead changes are brought about as the result of recommendations emanating from the matters presented for discussion and those raised by Committee members. Matters of general interest that came from the meeting included a lengthy discussion with Adrian Cousens on behalf of the Skeet Shooters Association which, while not producing the end result that may have been required, nevertheless enabled the views of the Skeet Association to be both heard and discussed. Three offers of trophies for National Championships were recommended for acceptance subject to the acceptance by the donor of the conditions imposed by the Association. Trophies were for one of each of the Nationals, a perpetual trophy donated by Art Goodman USA, for the Olympic Trap High Gun Best International, Mixed Pairs Trophy for the Skeet Nationals and a trophy to recognise the performance of any shooter who qualifies for the Mackintosh Team with a possible 250/250. Once donors have confirmed their acceptance of the conditions of the trophies further details will be published.

Following receipt of correspondence from an interested shooter, a recommendation was approved to eliminate the loss of one target for any person being late for their squad at National Championships Trap and Skeet replacing the penalty with one of the forfeiture of the nomination paid and the requirement to renominate in order to compete in the event for which the penalty was incurred. An interesting discussion took place relating to the Deauville Doubles at National Championships and the eligibility of competitors. It was agreed that the traditional guidelines be adhered to with all who wished to compete being made aware that the event has a family tradition within accepted boundaries and those who wished to discount the family conditions governing the event could well be by their actions jeopardising the continuance of the Deauville Doubles if they persisted with their approach to disregard the intentions behind the introduction of this increasingly popular event.

Another matter of great interest was the decision to promote the possibility of increasing the Trap Nationals from six to seven days and shoot the Double Barrel championships over 100 Targets. If you have any specific views on this, then please let us have your thoughts preferably through the avenues of zone and state associations.

The juniors who would be attending the 1989 World Championships in Italy in defence of their Junior World Team Title are each to be allocated \$1,000 from the Junior Teams Fund to help defray expenses. As from 1990 a junior will be included in the National Training squads irrespective of the composition of the open squads — Juniors, however, will be members at their own expense and not be eligible for open team selection owing to their inclusion in the squad for the opportunity of gaining valuable experience.

A very interesting point is the decision to consider whether or not 1 oz/28 gr loads should be introduced for all disciplines as against the mandatory ISU. This will be discussed over the next twelve months and if you have a view then make certain that it is heard.

Reverting back to the Skeet Shooters Association, the Executive have again had to refuse their consent to the name requested for incorporation "Australian Skeet Shooters Association" owing to its similarity in name and objectives of the ACTA as has been noted in advice received from the Corporate Affairs Office. The Executive reasoning is sound on this issue even though their decision does not rest easily with the skeet shooters. The decision has again been taken in the best interests of all shooters, not just skeet shooters, and one must surely agree that such a decision, while not popular with the Skeet Shooters Association, is difficult to disagree with.

The Skeet Nationals at Wagga will be over the traditional 400 targets with the high gun over 350T excluding the National Skeet Doubles Championship. One of the last decisions taken at the Executive Meeting was the one that determined that the only cartridges that would be made available for purchase on the grounds during the Pre Nationals and National Championships would be those made available through the occupiers of trade sites by the respective manufacturers licensed to the A.C.T.A. — a decision not lightly taken, however, in view of the support given both to Pre Nationals and National Championships

November 25/26 CHRISTCHURCH
NEW ZEALAND CHAMPIONSHIPS

by Winchester, Olympic Targets and Scorpio Cartridges over the past few years, a decision that the Executive believe had to be taken.

Full scale meetings over three full days commencing at 8.30 each morning with the last a meeting of the newly elected Management Committee commencing at 7.00am on the morning of Sunday 21st May. For those who may think or believe that meetings of these kinds are more fun than work, please think again. The National President attended every meeting either as Chairman or ex officio member of the Committees which totalled 32½ hours and after chairing a meeting from 7am had to look forward to a pleasant drive of around 600 km to Dubbo. Other Committee members had busy programs during their attendance and pleasing to say and report the meetings approached all matters and issues in a most commendable manner and that shooters from all states were well represented by their state members to the National Executive Committee. A lot of work was brought forward from the various meetings and these will be attended to according to their degree of urgency in the weeks ahead. To repeat a previous message, not all of the decisions taken or proposed will be popular, however, they have, as would be expected to be the case, been taken in the best interest of the majority and not the few.

ELIMINATIONS 1989 COMMONWEALTH GAMES-WORLD CHAMPIONSHIPS

Eliminations at the Brisbane Gun Club over three days of competition were exciting and competitive up until the last rounds and last target.

AUSTRALIAN CLAY TARGET NEWS — AUGUST, 1989

I.S.U. SKEET

At the completion of the first day's shooting, Ian had led the field by one target from Alex Crikis and fellow Victorian John Summers. Conditions were perfect and the grounds of the Brisbane Gun Club immaculate. Day two did not bring about a change to the leader, however, chances were occurring in other positions with Craig Meuleman moving into third place on 182, one behind John Summers with Ian Hale well out in front on 190. Day three and the last opportunity to improve positions. The weather was still magnificent as had been the case throughout the 300T elimination series.

With the last shot fired Ian Hale had once again shown the benefit of his many years of experience and qualified first with a score of 286/300. Second place and a position with Ian in the Commonwealth Games Team went to Craig Meuleman with a score of 277/300. Equal third and vying for a position in the World Championships Team were John Summer and Michael Inguanti on 273/300 which called for a full round shoot off to determine third position. At the completion of the shoot off Michael's 24/25 was one target ahead of John 23/25 and with this score Michael became the third member of the team to compete at the 1989 World Shotgun Championships.

OLYMPIC TRAP

A very strong field contesting the 300T elimination including three Olympians from 1988 as well in Russell Mark, John Maxwell and Domingo Diaz. As with the skeet elimination conditions were perfect and good scores were anticipated. At the end of the first 100T Russell Mark with a 96/100 was the leader being two targets clear of Terry Rumbel with John Maxwell holding third position with a 93/100. Day two produced some excellent scores with none better than John Maxwell's 99/100 which took him into first place at the 200T mark on 192/200. Four targets away in second position was Russell Mark with Terry Rumbel on 187 holding third position. At the end of the 300T John Maxwell had retained his position to finish in first place on 289/300, second on 285/300 was Russell Mark two targets ahead of Terry Rumbel on 283/300.

COMMONWEALTH GAMES TEAM

I.S.U. Skeet: I. Hale (Vic), Craig Meuleman (Vic), (e) Michael Inguanti (Vic). Olympic Trap: John Maxwell (NSW), Russell Mark (Vic), Terry Rumbel (NSW).

WORLD CHAMPIONSHIP TEAM

I. Hale, C. Meuleman, M. Inguanti, J. Maxwell, R. Mark, T. Rumbel, M. Diamond (Jnr), B. Dunstan (Jnr), F. Petriella (Jnr). Team Manager: Robert Smith (NSW).

Congratulations to all members of the National Training Squad that contested the eliminations at Brisbane in such a sportsmanlike manner. Not all can win places on the team, however, all won so far as sportsmanship and endeavour is concerned.

Special thanks to Brisbane Gun Club for making their grounds available as well as to all concerned whose efforts over the three days of competition ensured the success of the 1989 eliminations — thank you all.

THE SEARCH FOR OUR OLDEST GUN CLUBS CONTINUES

by George Biggs
A.C.T.A. Historian

Australia's involvement in trapshooting goes back (as far as I'm able to gather), to the early 1800s and was a carry over from the sport brought here by our early settlers from the old world. Of course the targets were live pigeons in those times and so live bird trap shooting clubs were eventually established throughout Australia. It was not until 1900 that clay targets were developed in America and later in the early 1920s to Australia. As clay targets gained more favour, live pigeon clubs went into recess. However, quite a number converted to clays as equipment became available. A number of these such clubs are operating today. From this small number of clubs I am trying to establish one that is Australia's oldest and longest operating gun club. In the following issues of Clay Target News, I will be telling the story of several clubs that go back to 1886. Can anyone beat this? If so, please let us know. I would certainly appreciate your help!

The following story comes from the Narrabri Gun Club in New South Wales. I am sure you will find it interesting.
Narrabri Gun Club, NSW, 1905

The first "Gun Club" that the writer can remember in Narrabri was about the year 1905-6 period. My father was a very keen enthusiast and a good shot at the "traps". It is rather difficult to try and give a history in that so many gun clubs were formed, died out and were again resurrected by another crowd of enthusiasts on a different ground altogether.

The club formed in 1905-6 by J.M. McDonald assisted by an enthusiastic committee comprising Messrs Jim McCutcheon, Horrie Lillyman, Harry Foster (Squire of Merihula Wine Shop and Grandfather of the Foster boys of Narrabri), Dugie Frater, Billy Smith (Wynella) and many others I cannot remember.

The first shoot was held at Dugie Frater's property immediately opposite Merihula Wine Shop. Birds were live pigeons, betting was allowed and even in those days betting on the first barrel was prolific. The club housed a number of birds at Frater's house (now demolished) where they were regularly housed and fed. When there was a missed bird, he could not get back to the loft quick enough.

In live bird shoots there were five traps in a fan shape each equi-distant from and connected to a central control where the umpire sat. Marks (that is the shooters position) ranged from 32 yards to 20 yards. The boundary was roped off a distance of 35 yards from the trap and the bird had to be killed within that boundary. Lots of people have not seen live bird shoots so this little bit of information will not go astray. Birds were first collected by a "runner" and he would go around the bird and the boundary. Later some very clever gun dogs were introduced for retrieving the birds and they were remarkably well trained. These dogs would follow the shooter to his mark, stand quietly behind the shooter and when he fired they were off to retrieve the bird. Peculiarly enough the good dogs would hardly move and seemed to know when it was a dead bird or not. Bets were on the first barrel only, although a kill on the second barrel allowed the shooter to remain in the sweep.

At the first meeting I was astonished at the colossal bets that were made by some of the shooters. Frank Manchee laid £120 to £80 on and missed and ended up losing over £400. George Gilbey was also a terrific bettor on himself.

Getting back to the first shoot at Merihula, the big shoot was won by a local, "Bob Dempsey", off 20 yards. Bob was a real good bush shot and it seemed to run in the family, for later on the names of brothers will be mentioned. Frank Manchee from Moree shot off 30 yards and Morgan

Crowhurst shot off 32. What a lovely shot Mr Crowhurst was, a bird rarely got a few yards from the trap before it was dropped. We kids got five bob each for picking up, and incidentally, we each got five cuts from old Bob Taylor for wagging it from school.

After a while birds became scarce and costly and about a couple of years before the 1914 war, clays came on the market. Casual shoots were held in the centre of the race course but the ground was unsatisfactory because of shooting into the sun.

Every shooter had his own gun, including some very good makes such as Purdys, Boswell, Cashmore, Holloway-Norton, Greener and Hollis. There were a few Browning Automatic 6 shot. There were not any under and over Japanese guns. The cartridges used were mostly Balastite, Mullerite and Diamond Smokeless. One hundred cartridges cost ten bob. Morgan Crowhurst represented "Diamond Smokeless". He picked out for my dad a beautiful Hammerless Boswell Gun. I still have the gun.

Live bird shooting was again resurrected and a very enthusiastic team formed a new club at Tom Barrett's Hotel, including Tom Barrett, the two Dempseys (Cyril and Fred), Bill Galloway, Jack Hougnet, Wal Martin, Dave Thomas, Pat Casey and many others. The club staged a shoot (live birds at the old Plumpton, Egans' Paddock) and Sid Delander won the big shoot from George Gilbey. The Plumpton layout was not a success and the club next had a shoot at the back part of the racecourse opposite Moylan's Paddock. At the first shoot a young lad in his first suit of long trousers stole the show and out-shot all the big gun shooters. It was only "Vic Eather", so well known by shooters all over Australia.

At one shoot on this new ground we had the pleasure of entertaining Luke Hughes who had just come back from winning the Melbourne centenary shoot. Luke was the possessor of one of the most beautiful Purdy Double Barrel (2 sets of barrels) guns.

The shoots at the racecourse had a "conscientious objector" to the sport on the grounds that shooting of the pigeons was a form of "cruelty". The same gentleman used to go about half a mile outside the shoot and wait for the missed or wounded birds to squat in a tree and he would have a sitting shot and eventually get his "pigeon pie".

After a lapse of 25 years, yet another band of enthusiasts got together and formed another gun club and decided on Perfume (Newtown) Park for the shooting. The new President was Bruce Mill, Vice President Bruce Solling and joint Honorary Secretaries Dave Thomas and Pat Casey. In the early stages the committee were greatly assisted by Vic Eather of Boggabri club. The Perfume Park site had a very short life due to a wet season and the impossibility of access to the ground.

● Pigeon shooting at Hornsey Wood.

In 1963 the same club had two shoots at Narrabri West on the property of Peter McColl. The first shoot was attended by members of the Miranda R.S.L. Club. At this shoot a beginner that never shot over the traps in his life was presented with a prize for shooting a possible five straight. The visitor was Ernie Ellis, who admitted that this was the first time he had ever shot out of a 12 gauge gun.

More wet weather put a stop to shooting at Mr McColl's property and a new site was sought. The committee were successful in obtaining the present site of 13 acres. The first president on the new site was Athol Palmer with the new secretary Eric Saunders. By dint of hard work effected by an enthusiastic committee and members, the club continued to expand by leaps and bounds. Particular mention must be made of Arch Rowe for his infectious enthusiasm and untiring effort during this period of expansion. Today the club boasts three damo automatic traps with cement walks to shoot from, as well as skeet, tower shooting and provision for night shooting. It also has a club house containing the usual necessary amenities.

Within the last few weeks a shoot was held for the N.S.W. Division of the "State Teams Shoot". Shooters came from all over New South Wales. After hearing the opinion of visitors, it can be safely said that Narrabri Gun Club is considered the best ground and layout outside the metropolitan area.

The success of this club is not due to any particular person, but is due to the lead set by an enthusiastic President and Secretary (Messrs Grant McPherson and Peter Noble) ably assisted by a committee of both ladies and gentlemen. Added to these efforts, a great deal of success is due to the fact that shooters only shoot for "Tin Dishes" (Trophies) as betting is prohibited by the Australian Clay Target Association.

SHOOTERS CORNER

As part of what hopefully will be an ongoing section of the C.T.S.N. interested shooters are invited to write in to obtain answers to any questions regarding the Association which they may be unsure of.

Questions will be answered as space permits and you are asked to keep your questions brief and to the point. Answers will be published as soon as possible to those people who, with their questions, provide the name and membership number for publication. This section of the C.T.S.N. will remain open as long as questions are being received.

Please address all questions to "Shooters Corner", C.T.S.N., P.O. Box 800, Glen Waverley, Vic. 3150. No correspondence will be entered into other than through the C.T.S.N. unless extenuating circumstances require individual contact.

"Shooters Corner"

Q: Why does the A.C.T.A. require Public Liability Insurance as well as the Members Accident Insurance Policy which all members pay for?

A: The Association's Public Liability Policy is a negligence policy and as such negligence must be proven. It is not an accident policy and because of this any accident that may occur would not be recognised as a claim against the Public Liability Policy unless negligence could be proven. Claim could, however, be made against the Members Accident Policy.

Q: If I ring the A.C.T.A. Office can I obtain information on club shoots?

A: The A.C.T.A. only publishes shooting programs in the C.T.S.N. from clubs who wish to advertise their programs. All States produce a shoot book which is available for all shooters in the state and lists all approved shooting dates. Your club secretary should be able to obtain copies of these books upon request.

Q: I recently paid my membership at the club which I have recently become a member and it took some time before my handicap card was received from the A.C.T.A. Is there any reason for this delay?

A: The reason in most cases where this problem occurs is that the membership was not forwarded to the A.C.T.A. until some time later and because of this your card was not able to be processed. Generally speaking handicap cards leave the A.C.T.A. on or around the day the membership fee is received.

Q: I haven't received my copy of the Clay Target Shooting News.

A: The wrappers for posting of the magazine are printed a couple of weeks prior to the posting of the C.T.S.N. This must be done to enable sufficient time for the cutting, sorting etc. If at the time of the wrapper print you are unfinancial, your name would not be on the mailing list. Your registration may arrive a week after the wrapper run, hence you will receive your registration card before the actual magazine is posted, but at the time of the wrapper run you were an "unfinancial" member.

NORTHERN TERRITORY TRAP CARNIVAL

10-12 June 1989

The N.T. Trap Carnival was held this year over the Queen's Birthday weekend at Darwin Gun Club. We tend to do things differently in the Territory by having our trap carnival in the middle of the year. Traditionally, things tend to wind down during the hot weather towards Christmas when many shooters prefer to head off south on holidays. We do not have a miserable cold winter but a beautiful dry season much more conducive to shooting.

Darwin had a minimum (!) of 14 degrees during the weekend and there was a distinct smell of mothballs around the club from all the rarely used sweaters. Eat your hearts out southern Australia!

Anyway, down to more serious matters. The carnival was a great success with shooters from all over the Territory attending as well as a couple from Victoria. It was also gratifying to see a number of juniors and ladies competing as well.

Ken Selwood was in fine form taking out the High Gun. Ken is looking forward to the Tassie Nationals and I reckon he will be one to watch down there. Good luck Ken, the Territory's behind you.

Congratulations also to the other selected members of the N.T. team: Ken Selwood, Greg Chan, David Moon, Victor Fertiklis, Doug Chan and sixth shooter, Jim Bitossi.

A strong contingent attended from the Arnhem Gun Club and achieved notable success through the weekend. One of the more popular wins was Pam Bateson taking out the Ladies High Gun. The family effort from the three Browns, Teena, Bill and son Adam, featured throughout the shoot. Arnhem President, Greg Bateson, shot well but unfortunately ended up being "bridesmaid" in a number of events. Well done, and we look forward to seeing you all over this side of Arnhem Land again.

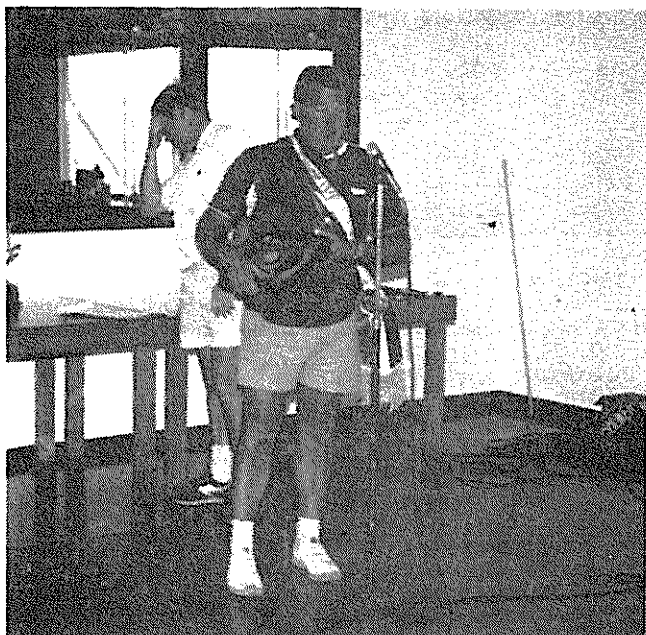

That happy "little" bloke from Katherine, Jim Bitossi, who, amongst other perhaps more notable achievements,

• The High Gun winners (L-R) Ladies Pam Bateson, OA Ken Selwood and Junior Chris Warren.

is N.T.C.T.A. vice President, didn't do too badly either. And I am only talking about your shooting Jim!

It is a pity that more of the Alice Springs stalwarts could not make the shoot but the Yulara push fielded a strong team which was an excellent effort for this small club. For the record fellows, I do support your ideas on tapping into the vast tourist market at Yulara. I gather that some 3-4,000 tourists pass through Yulara per year, and apart from climbing the Rock and drinking expensive beer, there is precious little entertainment. Surely a percentage would be interested in breaking a few clays at the local club. It appears that neither the N.T. Government nor the Yulara Corporation want to know so we may have to seek support from the A.C.T.A.

• Winner of the Double Rise State Championship, Bill Webb.

The A.G.M. held, as usual, on the Saturday night was well presented. The elections saw the return of all office bearers, that is, Paul Weis as secretary/treasurer, Jim Bitossi as vice-president and yours truly as president. A notable resolution reached by the meeting was the decision to run the state skeet and trap carnivals consecutively over the Queen's Birthday weekend in 1990. Concern has been expressed over falling numbers at recent skeet carnivals. Only time will tell whether this measure will boost numbers.

Thanks must go to the ladies of the Darwin Gun Club who fed and watered us so well over the weekend. The club management also should be congratulated on the presentation of the grounds and assistance to the shoot. Finally, I would like to thank all the N.T.C.T.A. delegates for their assistance, particularly Jim Bitossi and Paul Weis who as secretary/treasurer has a critical role in all our carnivals.

The results of the carnival are listed below and I'll see you next month in "Territory Shooting".

CORAL COAST CHAMPIONSHIP

MAY 20 & 21, 1989

Towards the end of May, the Exmouth Clay Target Gun Club conducted its first major competition which was attended by shooters from Newman, Geraldton, Bunbury, Cunderdin, Quairading and Perth.

Sergeant John Yates is Crack Shot!

The weekend climaxed with our first State Title event which was the W.A. State Open "Walk Up" Championship. This event is regarded as the most difficult of all types of Clay Target shooting and the results saw a tied score of 15/25 to David Kevill from Cunderdin and John Yates from Exmouth. An exciting shoot-off saw David Kevill take 1st place and John Yates 2nd.

Local shooters hold their own in comp.

Two District Championships were held plus a 25 Target handicap. These were sponsored by local businesses and also our local Sergeant of Police, John Yates. All events were hotly contested and local shooters performed extremely well, more than holding their own with the

visiting competitors.

The weekend was voted an outstanding success by our visitors at a wind-up barbecue and everyone was most appreciative of the club's American members and their wives and families who organised the catering for the weekend. Special thanks to John and Debbie Bush, Ted and Karen Trahas and Mike and Judy Cunningham, who were ably assisted by Carol Anderson, Glen and Sue Gillen, Jean Webb and Rae Yates.

Comment made by visiting W.A. Vice President, Mick Watson, were very complimentary and it seems certain that next May will see another State Title decided in Exmouth.

Many thanks to the Exmouth Race Club for their assistance and use of the club's facilities. Help given by Navcommsta H.E.H. personnel was also very much appreciated.

Full results were as follows:

Saturday 20th May: Event 1: 10 Target Double Barrel — Phil Miragalota, Alan Hocking, Mick Watson 10/10; Event 2: Potshot Inn District Double Barrel Point Score Championship — 1st Overall Ed Toomey; 1st A Grade M. Alexander; 2nd D. Kevill; 1st B Grade B. Hopkins, 2nd B Grade Gary Houghton; 1st C Grade Athol Webb; 2nd C Grade Mrs L. Watson; Event 3: Exmouth Meat Supply District Handicap — 1st Overall H. Harmer; 1st A Grade D. Kevill; 1st B Grade P. Miragalota; 1st C Grade T. Trahms.

Sunday 21st May: Event 4: 10 Target Single Barrel — Equal 1st P. Miragalota, D. Kevill, G. O'Brien; Event 5: John Yates District Single Barrel Championship — 1st Overall J. Yates; 1st A Grade M. Alexander; 2nd A Grade D. Kevill; 1st B Grade B. Hopkins; 1st C Grade Athol Webb; 2nd C Grade Peter Maier; Event 6: 15 Target "Walk Up" Championship — 1st David Kevill; 2nd John Yates; 3rd Alan Hocking. Ladies Champion — Christine Huggins.

The "High Gun" winner over the whole program was David Kevill from Cunderdin.

THE J. NEWTON THOMAS MEDAL

Queensland shooter, Justin Seawright of Ravenshoe Gun Club was presented with the J. Newton Thomas Medal at the recent Mount Isa Annual Shoot, by President and Q.C.T.A. Councillor Jim Edmonds.

Justin won this award for the top score shot in the Junior Interstate Teams Match for 1988.

GUS BUERCHLER REMEMBRANCE EVENT

This event is shot for annually at the Mount Isa Gun Club, and is a 100 target skeet event. It was commenced in 1988 following the death of Gus, a keen skeet shooter, and great ambassador of Clay Target Shooting. Gus was a member of the Mount Isa Gun Club before his retirement to the Sunshine Coast.

The 1989 event was held on Monday 12th June, and saw a final shoot off between Geoff Ladbroke, John Palmer and Phil Leddick, all Mount Isa shooters. John dropped out early, while Geoff and Phil continued for a full round and a half before Geoff let one get away.

The winners were: Overall — Phil Leddick; AA Grade — Geoff Ladbroke; B Grade — John Palmer; C Grade — John Yanko.

Gus's widow Betty donated the Perpetual Trophy, which is now keenly contested for annually.

THE CROWEATERS FROM S.A.

ALEC GROVE TURNED 90 IN JULY

Mallala Gun Club wishes Alec Grove a very happy 90th birthday. Alec was Mallala's secretary for 18 years and is a foundation member of the club. Alec regularly attends the shoots and is an enthusiastic and active supporter of Mallala. Often he is found scoring for the squads of competitive shooters. Alec especially seems fond of the delicious home made cream cakes baked by the Mallala canteen ladies. Keep on keeping on, Alec.

On June 11th Mallala Gun Club conducted the 25T D/B Peter & Lyn Munting Team Shoot. Five teams contested the event with Mallala's team being victorious with a score of 119/125. Team members were B. Finch, B. Green-shields, J. Ellis, G. Gilbert and B. Johnson. Mallala Gun Club would like to say a special thank you to Peter and Lyn Munting for their trophy.

Mr Robert Mules has been appointed by S.A.C.T.A. Council decision to the positions of Rules Supervisor and Referee Examiner. Mr Mules' appointment being effective from March 1989. Mr T. Reschke no longer holds the position of Referee Examiner, Rules Supervisor or Referees Association Representative for S.A.

Mr H. Wallace, President of S.A. Gun Club, successfully attained his referee examiner accreditation which became effective from July 1989. Thanks Hugh for your support of our sport, especially your coaching which is a God-send to many new and older shooters.

On a cold and windy day — the weather was really rotten, but the scores were very good for the conditions — International Gun Club No. 1 Team yet again successfully contested the Peter and Camilla Marcoionni Shield shoot held at International's grounds at the Shooting Complex at Virginia on June 18th. Thank you Peter and Camilla for

the excellent money trophies — even your State Secretary, Pam Smith, came good in these conditions and placed second in C Grade. This is such an unusual occurrence to be newsworthy — I was also stirred up at the presentations to see if I could worm my way into this publication — it may never occur again and everybody likes to see their name in print. The \$20.00 bought a huge trophy — it's on the wall unit at home — thanks Peter and Camilla. International No 1 Team — P. Marcoionni, D. Martini, R. Dean, D. Oliviero and Peter Hall with an impressive score of 122/125.

INTERNATIONAL GUN CLUB: A TALE OF ONE CLUB — THE OLD AND THE NEW

About twenty years ago a group of people, predominantly of Italian descent, started a gun club in a paddock somewhere south of Adelaide. After some time Peter Marcoionni offered a corner of his property at Virginia to the club to establish a more permanent shooting ground.

The offer was accepted and the new club was named INTERNATIONAL GUN CLUB. The new grounds, nestled in a bend in the Gawler River and surrounded by tall shady gum trees, proved popular with many shooters both local and interstate. The atmosphere at INTER was friendly and relaxed, and was topped off with the free evening barbecue and if one was lucky enough, a sampling of Artie Dallomolles' own special wines to wash down the steaks. The International Club was unique in that it provided a congenial country gun club atmosphere and setting so close to the city.

Inter was popular with many shooters, both club members and visitors, who attended regularly with their families, some as participants, others as spectators just

PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

enjoying a pleasant afternoon. A few years ago a specially convened meeting of members took the courageous decision to once again move the club to the newly established Sports Shooting Park at Virginia. The decision was taken to provide both the club with a permanent home and the shooters of South Australia a venue capable of catering for State Carnivals, National Titles and International matches.

After planning and negotiations over the next couple of years with the Department of Recreation and Sport, 1988 saw the fruition of these efforts when on July 14th construction commenced on the Trench layout. Club members worked vigorously every weekend for the next 12 weeks and the new grounds were first used for the International Birthday shoot on October 15th/16th. The shooting tracks, background and traps provide excellent facilities for shooting, but unfortunately some events which occurred in the latter part of 1988 caused a breakdown in communications and negotiations with the government. These events have now left International (and the shooters of S.A.) in the parlous position of no clubhouse and no toilet facilities, just a tin shed and a long walk.

The number of shooters attending Inter have dropped alarmingly. We still attract the diehards but not many spectators or visitors. Fortunately, negotiations are now continuing with the government and, hopefully, some positive steps can be taken towards building a clubhouse and toilet facility.

There is no OLD INTER AND NEW INTER, only the one club INTERNATIONAL. The friendship and people are the same, and free barbecue still occurs and the members of International are committed to returning INTER to its popular position on the shooting calendar and to making the new RANGE a success.

We hope the shooters of S.A. share our commitment.

NOARLUNGA CITY GUN CLUB INC — BIRTHDAY SHOOT 4th JUNE, 1989

Noarlunga City held their annual Birthday Shoot on the 4th June and thanks all those who attended and helped to make a successful day for the club. Although conditions for those shooting in the last few squads were rather difficult, light-wise, Richard Dean still managed to shoot 100/100 targets on the day and took out the Club's ALL TARGET JACKPOT OF \$405. Well done Richard! The winner of the John Stewart Reilly Memorial High Gun on the day was also Richard Dean with 149/150. Thanks to all the club ladies for providing a beautiful afternoon tea for shooters and their families and many thanks to trophy donors — IPEC TRANSPORT, TREVOR & JANE PENNY and WAYNE REILLY.

WESTERN ZONE 100 TARGET BALL TRAP ELIMINATION DAY

S.A.C.T.A. President, Terry Kenyon, recorded a 86/100 to high gun this elimination which was held at the Port Augusta Gun Club in less than ideal weather conditions. It was blowing a gale, or so they say. Mr Ron Smith accompanied Terry to Port Augusta and Ron shot 82/100. Rumor has it that the Port Augusta Gun Club gave these two a ball of string to lay out the course home, just in case they need to find the club again. The dust storms up that way must be pretty bad. The lad from Broken Hill also followed his ball of string back to Port Augusta. Ross Walsh — he shot 83/100. We will list the Western Zone Team and scores in the next issue of news.

S.A.C.T.A. has affiliated a new gun club into its association, THE LOWER NORTH GUN CLUB. The complex, situated approx. 5 km north of Lower Light, will provide a relaxed shooting atmosphere to promote shooting in S.A., with a high emphasis placed on creating a range for new shooters to be introduced into the sport of

Boy Scouts, Guides, Lion, Rotary, Apex and Fishing Clubs throughout our community are being invited to use the complex for their enjoyment and hopefully we will attract new up-and-coming shooters to enjoy our sport.

SOUTH AUSTRALIAN GUN CLUB

June 25th saw S.A. Gun Club host the 50T State P/S Tower Championship. This title was ably won by Mr John Burns, a past president of the S.A. Gun Club. The club decision was to reduce the title to cover 30 targets. Mr John Burns recorded a perfect 90/90 points to win. Well done, John.

1989 Q.C.T.A. STATE TRAP CARNIVAL

This carnival was planned for the May day weekend, but due to flooding, had to be re-scheduled. The carnival was then held on the 26th-27th-28th May at the Roma Gun Club.

The weather again was unkind, and much of the competition was conducted in pouring rain. However, shooters being the sportspeople that they are, very little complaining was done, and the scores recorded the competitiveness of the shooters.

● 1989 State Carnival Grounds.

Friday 26th started with the Winchester Points event. This was sponsored by WINCHESTER AUST. and overall was won by Mike Swale of the Gold Coast after a shoot-off. His score was 95/96 while Graham Haig of Cunnamulla won AA Grade with 94/96; 2nd in AA Grade went to Roger Knapp of Condamine 88/89, while A Grade was won by Mark Warnock of Rockhampton 74/75, beating John Withers of Ipswich who won 2nd place in A Grade with 72/75. B Grade went to Dysart shooter Peter Field 74/75 and John Dobbins of Clermont won 2nd place with 72/75. Toogoolawah shooter Peter Black won C Grade 69/75 while junior shooter Armando Coco of Kallangur won 2nd place in C Grade with 63/75. Armando also won the Junior trophy, while Donna Pietzner of Eton-Mackay won the Ladies with 72/78 and Barry Nasser of Clermont won the Veterans 71/75.

Event 2 was the STATE DOUBLE RISE CHAMPIONSHIP, sponsored by OLIMPYC TARGETS, and was won outright by Gary Redmond of Brisbane with 48/50. 1st in AA Grade after a shoot off was John Porter of Brisbane 55/60 with Tony Williams of Gemfields getting 2nd place with 53/60, Geoff Fett of Sunshine Coast won A Grade with 43/50 narrowly beating Steve Steenstrup of Brisbane 42/50. B Grade went to Bill Chain of Kallangur 47/60 and Tom Meadows of Brisbane won 2nd place with 45/60. Peter Black of Toogoolawah again won C Grade with 36/50 while

another junior local Roma lad Shane Herberts got second place in C Grade with 35/50. 1st in Ladies went to Rhonda Porter of Brisbane 35/50, 2nd to Bev Grice, Sunshine Coast 31/50 and third to Kaye Rehbein of Bundaberg 30/50. 1st in Juniors went to Shane Herberts of Roma 35/50, 2nd to Troy Harris of Bundaberg and 3rd to Jason Chizzotti of Kallangur with 25/50. 1st in Veterans was Jeff Tainsh of Lismore 36/50, 2nd went to Dudley James of Wandoan 58/80 and third Charlie Selke of Kallangur 49/80.

The AGM was held at 7.30pm and resulted in Tom Meadows being elected President.

Saturday 27th saw pouring rain and the event was the STATE DOUBLE BARREL CHAMPIONSHIP. Col Ennis of Dysart was the overall winner after a shoot off with his score of 104/104. The Overall trophy was sponsored by WINCHESTER AUST.

● State DB winner Col Ennis, 1989, with Winchester rep. Bob Dupuy (left) and Past President Richard Brook (right).

All the Grade trophies were sponsored by ROMA GUN CLUB. 1st in AA Grade was Rob Nugent of Roma 86/87; 2nd in AA Grade was Neil Berry of Ipswich 68/69. A Grade was won by Barry Pearce of Dalby 103/104, while Alan Jarvis of Gold Coast won 2nd in A Grade with 96/97. B Grade was again won by Peter Field of Dysart 49/50 and Graham Bickerton of Kingaroy won 2nd place with 49/51. C Grade was won by Bob Henderson of Roma 47/50 beating Jeff Mitchell of Wandoan 45/50. 1st in Ladies went to Thel Meadows of Brisbane 47/50, 2nd Rhonda Porter of Brisbane 48/55 and 3rd Kaye Rehbein of Bundaberg 47/55. 1st in Juniors went to Troy Harris of Bundaberg 44/50, 2nd Armando Coco of Kallangur 43/50 and 3rd Jason Chizzotti of Kallangur 44/52. Barry Nasser won 1st in Veterans 49/50, 2nd Dudley James 47/50 and 3rd Jeff Tainsh 46/50.

The next event was the STATE POINTSCORE CHAMPIONSHIP. This event was sponsored by WESTERN BAKERIES OF ROMA. Neil Berry won the event outright with 150/150 while John Porter won 1st in AA Grade with 149/150 and Hugh Cameron of Roma won 2nd place in AA Grade with 166/168. John Withers was again successful winning A Grade with 143/150 while Geoff Dixon of Sunshine Coast shot off for 2nd, eventually winning 2nd place with 190/198. B Grade was won by Rob Dunne of Eton-Mackay 142/150 beating Rob Bain of Roma 139/150. Peter Black again won C Grade 136/150 while Jeff Mitchell won 2nd in C Grade after a shoot off, 150/168. 1st in Ladies went to Rhonda Porter 132/150, 2nd Thel Meadows 131/150, 3rd Bev Grice 129/150. Junior results were: 1st Armando Coco 132/150, 2nd Shane Herberts 120/150, 3rd Grant Barton of Toowoomba 119/150. Veterans results were 1st Barry Nasser 136/150, 2nd Jeff Tainsh 131/150, 3rd Dudley James 123/150.

• Queensland Champion 1989, Neil Berry.

Sunday 28th the first event of the day was the STATE SINGLE BARREL CHAMPIONSHIP. This event was sponsored by the WESTERN ZONE Q.C.T.A. and was won outright by Kerry Symes of St George 49/50. Peter Freeleagus of Ipswich was the winner of AA Grade after a shoot off with Richard Dean of Toowoomba; Peter scored 54/56 while Richard scored 53/56. A Grade was won by Roly Ziesemer of Condamine 48/50 while Peter Stein of Brisbane got 2nd place with 48/51. B Grade went to Peter Jones of Chinchilla 46/52 while Rob Bain won 2nd place with 45/52. Peter Black again won C Grade with 344/50 while junior shooter Shane Herberts won 2nd place with 39/50. Ladies results were 1st Bev Grice 40/50, 2nd Donna Pietzner 39/50, 3rd Rhonda Porter 38/50. DUBBO GUN CLUB

FIFTH ANNUAL "GOLDEN FOX"
June 3 & 4, 1989

This weekend saw shooters travel from Victoria, Coffs Harbour, Broken Hill, Newcastle, Gulgong, Sydney, Hermitdale, Cobar, Tottenham to contest Dubbo's "Fox Shoot".

With ninety one shooters on the Saturday, you had to shoot a possible in C grade to have a chance.

Once again there were excellent trophies, with Dubbo Tool Centre, Winchester Aust, Shearing Shed Motel, Ramiens Timber all donating the goods.

Special thanks to Peter Keough who has made "The Fox" for the last five years.

The final results on the High Gun, which everyone was waiting for was extremely close with Arthur Turner on 235, Roger Duthie 234, but Mike Fisher won OA with 237, and Mal Facer won AA with 236, so four shooters only a few points from overall. Full list of results under state news (CTSN).

• High Guns: A grade Peter Fitzalan; OA Mike Fisher, AA Grade Mal Facer; B Grade D. Lonsdale; C Grade M. Smith with Frank Smith, Winchester Australia.

Remember the first weekend in June for the best two day shoot in western New South Wales.

W.A.C.T.A. REPORT

Hello and apologies for missing the last edition. If this report wanders off the track, blame the 2nd. Test and Wimbelton. I hope your success on the tracks has been as good as our cricketers.

By the time this reaches you we should be in full production of clay targets. On behalf of your executive I sincerely thank all clubs and members for your full support of this venture. For us to be able to control the price and quality of our own clays plus generate funds required to expand and promote our sport is a unique opportunity we should indeed be thankful and proud of.

Ross Silvester and myself recently travelled to Melbourne for an ACTA executive meeting. Congratulations to Jim Scott re-elected ACTA President and to our own Ross Silvester in his appointment as Vice President. A thoroughly enjoyable and informative meeting highlighted by the invitation of Winchester to the full executive in a tour of their factory. Certainly an eye opener. To John Canning and his staff, thank you. The hospitality and enthusiasm shown from staff at all levels was a pleasure to experience. Also to my fellow ACTA Executive Members thank you for making me feel welcome and look forward to working together in our endeavour for a successful and harmonious Clay Target Shooting fraternity.

On the local scene several state Championships have been competed for, the State Continental shot at Cunderdin won by M. Griffiths of Bunbury. State Champion of Champions won by Bill Chandler of Geraldton. State walk up shot at Exmouth won by D. Kevill of Cunderdin. State D.B. Handicap shot at Kalgoorlie won by B. Bridges. State S.B. won by H. Harmer. State Mixed targets shot at Narrogin won by D. Wiese of Narragin. Commonwealth D.B. points won by H. Harmer -

Geraldton. Congratulations to all these winners. Great to see the titles being shared around. Should prove to one and all if you keep trying and want to win bad enough your turn will come.

Programmes for 1990 have been drawn up. Our calendar is becoming so full, perhaps it is time clubs give serious consideration to cutting back on shooting dates. One way to solve this problem is to only conduct a two day carnival when allocated State Titles.

With the allocation of major state titles to Leonora and Newman for 1990 the rotation system is under review as is our formula for W.A.C.T.A. Sports person of the year.

The introduction of an annual \$5 cost per member to fund State Team travel was considered the fairest way to enable us to generate the funds required to finance all our teams away. The luxury of continually being funded by the Government is not going to continue. With the Skeet Nationals in November, I.S.U. Nationals in February and Trap Nationals in March competition should be fierce for these coveted positions. Any parties interested in travelling to the Tasmanian Nationals and wish to be part of the W.A.C.T.A. tour please contact me immediately. Accommodation is expected to be in strong demand.

State Coaching Director Murray Alexander has been very active with the involvement in the elite coaching course, upgrading of Zone coaches and general coaching commitments. As with several of your executive it unfortunately leaves little time for competition. If conspicuous by our absence at your carnivals we apologise. Don't forget the October Carnival at Whiteman Park.

Regards and good shooting.

John Fissoli.
W.A.C.T.A. PRESIDENT.

COACHING IN VICTORIA'S NORTH EAST ZONE

Following my June report, I am pleased to relay to all interested that our Zone Secondary Schools Annual Championship shoot conducted at Shepparton Gun Club was very well attended by some 131 shooters. Most areas within our zone represented their respective schools, despite a few notable exceptions the distribution was pretty widely spread. Sponsors were Scorpio, Mulwex and Vic Satore for the days events. Following that, training has continued at Benalla High School, Euroa High School and our regular Saturday clinics continue at Alexandra.

I was particularly pleased with my trip to Deniliquin Gun Club where some twenty student shooters along with ten adult learners were in attendance for coaching and more pleasing was the presence of two or more ladies who attended. The day Sunday June 18, despite continual showers throughout, went very well with a positive response from all and a request for a return visit in the future. I would like to compliment those who were responsible for arranging the day, Mike for the videos of the days proceedings and club officials, particularly the two Rons for their support.

I firmly believe that all and I repeat all clubs should follow the lead given by Deniliquin as their club can only benefit by their foresight and effort.

July 1 was Shepparton's turn and further details will be provided in September C.T.S.N.

St. James Gun Club has booked September 10 for their turn and I look forward to assisting these clubs in their endeavours to extend the activity to include juniors in their shooting.

I look forward to other clubs extending their thinking from today to tomorrow.

Yours in safe shooting.

Jeff Boote
NEZ Coach.

RULE AMENDMENTS — CORRECTIONS

Please note the following alterations to the A.C.T.A. Shooting Rules, effective 1.7.89.

Ruel 4.14 To Read:

(c) A competitor may appeal against the decision of a referee in regard to interpretation and application of these rules. The competitor shall advise the referee before he leaves the shooting track that he intends to appeal, and, immediately upon completing his run over the traps the competitor shall lodge a written appeal and \$20 forfeit with the Management.

(d) The Management shall appoint a jury of three chosen initially from members of the Referees Association. In the event of insufficient members being available, the jury shall be appointed from (in order) members of the Executive Committee, Rules Supervisors, Referee Examiners Qualified Referees on the grounds to examine the matter.

(e) Should the competitor's appeal be upheld, this deposit shall be returned and the correct ruling shall be applied to the target appealed against. Should the appeal be disallowed the deposit shall be forfeited and paid to the club concerned. There shall be no appeal against a referee's decision in regard to whether a target is legal or whether it has been missed.

Add:

New paragraph (a) A maximum of two suitably qualified persons appointed be the relevant State Association until such time as they may elect to resign or alternatively are replaced by their State Association.

New paragraph (b) A maximum of one suitably qualified person appointed by the Executive Committee to act in the capacity of National Rules Supervisor, I.S.U. appointed until such time as he/she may elect to resign or alternatively be replaced by the Executive Committee.

Rule 3.22 (b) (vii) Substitute 200 for existing 100.

WARATAH STATE NOTES

DOES THIS APPLY TO YOU??

At a recent junior coaching camp held in Tamworth, some of the boys were noticed to be walking from lane 5 to lane 1 with a shell in their gun.

When it was explained to them that this was wrong and in fact an A.C.T.A. rule — this was the reply:

"I have been told not to do it, but I have seen the men at

Cont'd over page

Cont'd from previous page

our Club do it, and seeing they had been shooting longer than me, thought it was O.K. to do it"!!!

PLEASE ensure that you and/or your fellow shooters DO NOT WALK FROM LANE 5 TO LANE 1 WITH SHELL/S IN THE GUN – if you do, you are breaking the rules – and all young eyes are upon you.

FROM THE CENTRAL ZONE:

The Sunny Corner Club are preparing their facilities to host the Zone Trap Carnival and Team Eliminations on 9th and 10th September. The Cowra Club will be hosting the State Double Barrel Continental Championship at their shoot on the 3rd September, and will follow up with the State Night Single Barrel Continental on the 30th September.

FROM THE NORTHERN ZONE:

As readers of this section will be aware, I have been "beating a drum" for the Inverell Open Trap Shoot held annually in August, for the past three or four years – well here is your chance – if you haven't been to it before – 19th/20th August is the date – and you will not be disappointed.

For all those "hardy" souls – don't forget the GUYRA "COOL 100" on Sunday 30th July – plenty of anti-freeze will be available.

The Tamworth Club are continuing with the massive trophy values – \$7,000 – for their Open Trap Shoot on 2nd/3rd September. The Organising Committee have secured sponsorship from Versalite Industries, Auto-Motion, Independent Communications, Winchester, Pioneer Concrete, Smorgon A.R.C. Rural, Alan Mower-Dove Insurance Services and Tamworth Livestock Selling Agents.

Event 8 on the program is the Commonwealth Deauville Doubles.

FROM THE RIVERINA ZONE:

As you read this issue – the STATE SKEET CARNIVAL at Wagga is only days away – good luck to all those attending and I hope to re-new old friendships over the 3 days.

A little further ahead, Downside will be hosting the State Night Double Barrel Continental Championship on the 28th October. Before we know it – the 1989 SKEET NATIONALS will be upon us – 14th/19th November at Wagga. Book your accommodation now. The Riverina Zone have a new President in Bob Blake and Robert Baker of Tumut is the new Zone Secretary – his phone number is 069-471243.

FROM THE SOUTHERN ZONE:

Another reminder of the date change for the ZONE TRAP CARNIVAL – SUNDAY 17TH SEPTEMBER – at the Sydney/Marconi Complex. Canberra will be hosting the State Night Skeet Championship on 9th September and the 22nd September will see the State Night Point Score Continental at Sydney.

FROM THE WESTERN ZONE:

The Moree Club have plans well in hand for the staging of the STATE TRAP CARNIVAL on 30th Sept and 1st/2nd October – 6 traps will be in operation and with the assistance of Angus Mitchell all layouts will have Phonopull releases. Don't forget, when you are booking your accommodation – indicate that you are attending the shoot.

FROM THE COACHING DESK:

Up coming coaching days will be in the Northern Zone at the Upper Hunter Club on 17th September for both trap and skeet and the final one for the year will be at the Corowa in the Riverina Zone on 21st/22nd October.

GENERAL POINTS:

The 1990 "Blue Books" will be distributed at the State

Trap Carnival and Secretaries Handbook will not be far behind.

Good shooting.

MARYBOROUGH TIT BITS QLD.

Bundaberg May 7: A very wet looking day saw P. Shaw, H. Walker, D. Osbourne, face the elements with Harry and Dick taking trophies with B.M.H.G. going to R. Rehbein.

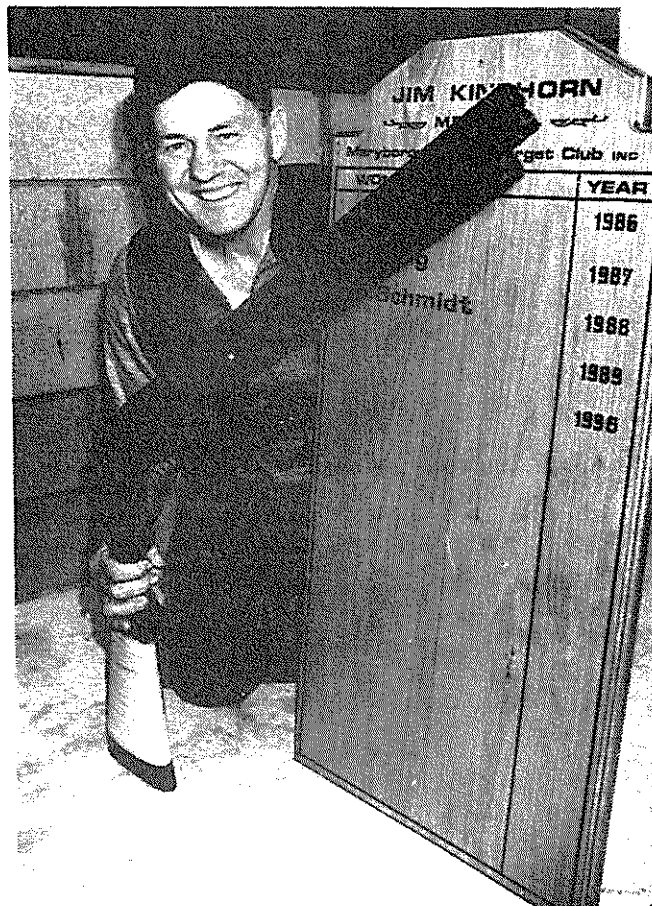

Gympie May 14: Shooters from South Coast, Kingaroy, Maryborough, Bundaberg, Kallangur & Murgon shot out the 100t D.B. C'Ship with results being; OA N. Berry, AA K. Nasarenko, A. W. Daniels, B. J. Wilson, C. D. Gardner, Team shoot on this day was the long standing battle between Gympie and Kallangur, Gympie came out on top. Jim Wilson just arriving into B grade earned the right to shoot off in the overall. Jim shot in the last Police Games, after taking a bronze skeet medal, two gold trap and 2 silver trap medals Jim's quote was "Not to bad for an old bloke."

Maryborough May 28: Thanks to Bundy & Gympie shooters attending the 100t Continental shoot which saw P. Winzen take 1st A grade, K. Palmer 1st B grade Overall HG, D. Neilsen 1st C grade and Int H.G. Congratulations Dave on your first win in your first registered shoot.

Maryborough has decided to have cash instead of trophies, to start in June, we hope it will help all round.

Till next time see you at the shoots.

Lost Bird.

Dick Osbourne on his knees, gives thanks for winning the Jim-Kinghorn Memorial.

NORTH WEST ZONE

Maryborough Gun Club, Saturday September 30th, 9.30am Start
75 Targets Ball Trap plus a 25 Target 'Final'

ZONE TEAMS COMPRISE THE TOP 8 OPEN AND THE TOP 4 JUNIOR
COMPETITORS FROM EACH ZONE

*FLASH TARGETS WILL BE USED IN ALL FINALS

STATE CHAMPIONSHIP

Melbourne Gun Club, October 28th and 29th, 10am Start
200 Targets Olympic Trap plus a 25 Target 'Final'

1989 STATE I.S.U. TRAP CHAMPIONS

As the Zone Eliminations are open to all competitors a shooter may compete in one or all four of these 75 target events.

The Open, Junior and Lady State overall champions will be determined by the aggregate of the competitors highest score out of 75 targets in any of the Four Zone Eliminations, plus the 200 targets of the State Olympic Trap Championship, therefore a total of 275 targets.

The overall winner will receive a sash, a case of cartridges and a Gold Victoria Badge.
The Junior and Lady winners will receive a ribbon and trophy

ZONE ELIMINATIONS

These Eliminations are to be conducted on either an Olympic Trap or Ball Trap layout. They are open to all competitors regardless of zone, but the Zone Team must be selected only from competitors who are registered with a club in that particular zone.

EVENT

75 Targets plus a 25 Target 'final'
'Flash' targets will be used in the 'final'
The programmed 75 targets will be used to select the Zone Team and these targets plus the 'final' will determine overall placings. If a competitor has no I.S.U. grading then their D.T.L. grading will be used.

NOMINATIONS

\$25 OPEN
\$20 JUNIOR*, LADY, VETERAN
\$1 optional sweep each 25
\$5 optional purse overall

*Note: Under I.S.U. rules a Junior is anyone under the age of 21 as at the 31st of December for the current year. Juniors can be eligible for both classes if the full nomination is paid.

ZONE TEAM

Only competitors who are registered through a club in the zone are eligible.

The top 8 Open and the top 4 Junior competitors over the 75 programmed targets will form the Zone Team which will represent their zone in the Zone Teams Match to be held in conjunction with the State Olympic Trap Championship.

TIES FOR ZONE TEAM POSITIONS WILL BE DECIDED BY COUNTBACKS.

In the event of a Junior, who has nominated in both categories, finishing in the top 8, another Junior will be selected and placed in the Zone Team.

Registered zone competitors who finish in places 9 to 12 in the Open category and 5th and 6th in the Junior category will be emergencies for the Zone Team, but will be eligible to compete for a position in the State Training Squad.

Representatives of the Zone Team will be notified by mail of their selection in the team and they will be required to notify the State I.S.U. Committee if they will not be attending the State Olympic Trap Championship in October so emergencies can be contacted to fill their position.

A Zone Team Badge will be awarded to each team member at the commencement of the Zone Teams Match at the State Championships.

TROPHIES

The overall winner of the Zone Elimination will receive a sash and one case of cartridges.

Winners of A.B.C. Grades and the Junior category are to receive a ribbon and a half case of cartridges.

Second placegetters in the four categories are to receive a quarter case of cartridges.

Ladies and Veteran winners are to receive a quarter case of cartridges.

Only members who actually compete for their zone in the Zone Teams Match are to receive a Zone Team Badge.

(See STATE CHAMPIONSHIPS for Zone Teams Match trophies.)

STATE CHAMPIONSHIP

To be conducted at the Melbourne Gun Club on October 28th and 29th.

EVENT

200 Targets Olympic Trap plus a 25 Target 'final'.
*Flash targets will be used in the 'final'.

NOMINATIONS

\$75 OPEN
\$55 JUNIOR, LADY, VETERAN
\$2 Optional Sweep each 50 targets
\$10 optional purse overall

CATEGORIES

1. STATE OLYMPIC TRAP CHAMPION

The State Olympic Trap Champion will be determined over the full program of 225 targets.

The overall winner is to receive a sash and two cases of cartridges, and a Silver Victorian Badge valued at \$100.

2. GRADES

Grades AA.A.B.C. and Juniors will be determined over the 200 targets only.

Each winner of these categories is to receive one case of cartridges and a ribbon. Second placegetters in all of these categories are to receive a half case of cartridges.

Ladies and Veteran winners are to receive a half case of cartridges.

3. INTERSTATE POSTAL TEAM

The Open and Junior team will be selected over the first 100 targets of the State Title.

The top six open and top four juniors form the teams.

Scores for the postal teams are taken over the second 100 targets of the State Title, and a Team High Gun ribbon will be awarded in Open and Junior classes.

An interstate Team Badge is awarded to each member of both teams.

4. STATE SHOULDER TO SHOULDER TEAM

The first three Victorian placegetters over the 225 targets of the State Title will form the team.

This team will compete at the National I.S.U. Carnival in a head to head competition against other competing states.

Members of this team receive a State shooting jacket, T-shirt and V.C.T.A. cap.

5. STATE TRAINING SQUAD

The top six Open competitors and the top two Juniors over the 200 targets of the State Title form the Training Squad.

If a Junior shooter qualifies for the Open Squad, another Junior will be selected.

The only stipulation on the eligibility for the Training Squad is that all members of the Squad must be members or emergencies of their respective Zone Teams.

All members of the State Training Squad are to receive free nominations for the National I.S.U. Title to be held at the West Australian G.C. These nominations must be taken by the shooter who wins the right to use them. If the squad member cannot attend the National I.S.U. Championships then the nomination fee is returned to the State I.S.U. Fund.

6. ZONE TEAMS MATCH

All members of each Zone are to shoot at the 200 targets of the State Title with the highest Five Open scores and the highest Junior score to count for the team aggregate.

The winning team is to receive six cases of cartridges and a ribbon to those shooters whose score counted for the team aggregate.

Every Day Someone Wins with Beretta 682. Why Not Join Them!

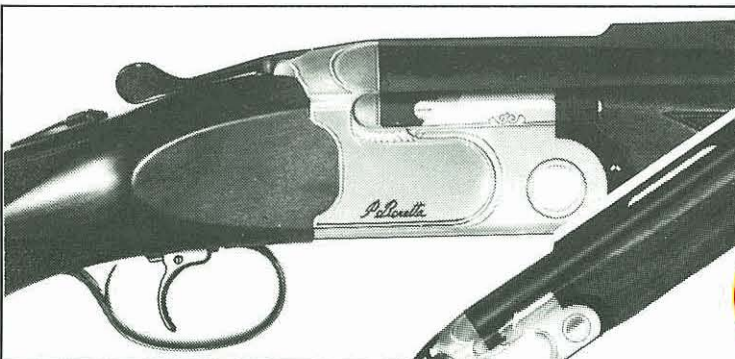

TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations - providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.

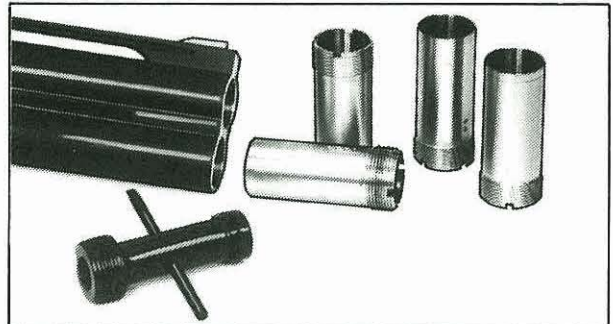

can inexpensively maintain new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Bruniton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners

Italian designed slim line high fashion deluxe gun luggage, with moulded inserts for maximum protection. Features rebated carry handle, quality combination lock and provision for choke tubes and other accessories.

New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., — and full. Key/thread cleaner come with guns featuring the mobilchoke system.

To complete the story the new *682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.

WINCHESTER

TARGET LOADS

*Setting the pattern
others can only follow.*

Winchester – our leadership in ammunition products is legendary.

In the toughest trap and skeet competitions, shooters have learned to rely on Winchester winning consistency.

From primer to crimp, Winchester best quality components are loaded for performance. Fast, with light recoil and patterns with perfect distribution of shot.

In shoot-off after shoot-off, Winchester's legendary performance, consistency and reliability has won through, time and time again. Over the past 10 years, Winchester Target Loads have won more Australian Shooting Titles than all other brands combined. Maybe it's the consistent, dense even patterns. Maybe it's Winchester's exclusive soft recoil design.

Whatever the reason, Winchester sets the pattern – the winning pattern – others can only follow.
