## **WORLD CHAMPIONSHIPS 1989**

Congratulations to all members of the team who competed at Monte Catini. In a record field Australian shooters performed most creditably with outstanding performances recorded by Ian Hale with a 195/200, Filippo Petriella and Brett Dunstan who along with Michael Diamond took second place in the Junior Teams Championship and of course the 1989 Junior World Champion Michael Diamond. Given the same opportunity as does exist for shooters in the European area Australian shooters without a doubt would be equal to the best that the sport has to offer. Their performances under less comparable circumstances is a credit to them as individuals. All members of the team were excellent ambassadors for Australia and their chosen sport.

## **MLC JUNIOR SPORTS FOUNDATION**

It is pleasing to be able to advise that N.S.W. Junior Michael Diamond has been granted assistance under the MLC Junior Sports Foundation Scholarship Program for 1989. Michael's status with the Foundation is as a result of his ranking as current World Junior Olympic Trap Champion.

On behalf of all successful recipients under the scholarship program we extend our appreciation to MLC for the interest shown in the Junior Sportspeople of Australia and in particular clay target shooting.

# 1989 WORLD SHOOTING CHAMPIONSHIPS — ITALY

The Sporting Club at Montecatini was the venue for what was to be the biggest field of shooters at a World Championship ever. Forty-five nations took part with 143 skeet shooters, 82 seniors, 38 juniors and 23 ladies, the trap shooters totalled 163, 96 seniors, 38 juniors, 29 ladies; 306 shooters in total.

After our arrival and having a much needed couple of days rest we left for Brescia where we visited both the Beretta and Perazzi factories, these have to be seen to be appreciated and our thanks must go to Winchester's Mr Bruce Burns and Austral Gun Co's Mr John Fuller, for arranging these tours for us.

On our return to Montecatini it was time for some unofficial practice at both the Pisa and Montecatini Ranges. Everybody was training well and looking forward to the competition. Monday saw the start of official practice and with such a big field everybody was limited to only two rounds of practice per day. Most were finding the ground a little hard but were all shooting very well.

Thursday was the start of the business end of the trip with most of our shooters getting off to a very good start. The skeet scores overall were high with our boys, Ian and Michael 73/75 and Craig 72/75 holding their own. The trap scores, however, were not so high and with John and Russell 70/75 and Terry 68/75 not far off the pace, our juniors were also holding their own with Michael 71/75, Filippo 70/75 and Brett 68/75.

Day two saw the skeet scores maintaining their high standard and with Ian shooting another 73/75 for a total 146/150 putting him into sixth position. Craig and Michael both on 141/150 shot on for a qualifying score. In the trap John 140/150 and Russell 139/150 both made the cut and were not far off the lead which was 144/150. Terry on 136/150 also shot on for a qualifying score.

Our juniors were still holding their own with Michael on 141/150 just two off the pace and Filippo 138/150, not far behind. Brett on 132/150 made the cut also.

At the end of the 150 targets the team scores were calculated. Our juniors finished second just two targets behind the Italians. The senior trap team finished sixth and the skeet team tenth.

Day three, Saturday, Ian was still shooting very well and with a 49/50 he finished on 195/200. In seventh place, a world class performance, Michael and Craig both finished on 189/200. John 186/200 and Russell 184/200 in the trap placed them both in the top twenty in the world. John 15th and Russell 18th.

The pressure and excitement was mounting around the juniors and at the end of the 200 targets Michael was on 187/200 in fourth position. Filippo 185/200 in sixth spot and Brett finished on 179/200 in ninth position.

For the first time they shot finals in all disciplines at the World Championships with the Junior Trap first up, the scores in the final were:

1. M. Diamond	(Aust)	187 + 24 + 14
2. Silva	(Por)	187 + 24 + 13
3. Angelantoni	(Ita)	188 + 22
4. Fernandez	(Esp)	190 + 20
5. Viganò	(Ita)	186 + 23
6. F. Petriella	(Aust)	185 + 22

As can be seen from the scores, Michael came from behind as did the second placed shooter, to tie in first place, so into a miss and out shoot-off. Silva missed his fifth target and so did Michael, giving us all heart failure, so on they went until Silva missed again. Michael made no mistake this time to achieve what I believe is a first. Back-to-back Junior World Championships. Congratulations Michael from us all and to the rest of the junior team con-

• Michael Diamond.

gratulations also for your Silver Medal in the teams match.

Day four, Sunday, saw the first World Double Trap Championship. Again all our shooters shot very well. Michael finished third in the juniors after a shoot-off and our open team finished second in the team's match.

To the rest of the team congratulations also. You all gave your best and did your country proud. It was a pleasure for me to travel with such a dedicated and fine group of shooters.

**Robbie Smith**  
Team Manager

## WORLD CHAMPIONSHIPS STUDY

As part of the commitment by the Australian Sports Commission to the 1991 World Championships, a study was undertaken of the proceedings that took place at Monte Catini for the 1989 Championships. I am pleased to be able to say that while the championships in Italy were well conducted and by all appearances ran very smoothly, there did not appear to be any areas that would cause problems to the 1991 Organising Committee. A video was used throughout the championships to record the various facilities as well as the ceremonies that took place and a copy of the video has been made available to the W.A. Organising Committee as well as I.S.U. Shooter's Representative David Menck to enable them to see what actually took place as well as view the facilities made available by the Monte Catini Club.

If anything, the visit to Monte Catini emphasised the excellent facilities that are available in Western Australia and there should be no doubt in any person's mind that the W.A. Shooting Complex is of the highest standard. A very surprising happening was that of shot falling on the spectators back from the skeet ground (6) when viewing the trap competition on ground (5). The location of the two grounds did allow this to occur and did not appear to be a cause for concern from those at the championships. The safety standards in Australia are excellent when compared to this one particular instance and also our insistence on shooters not closing or sighting their guns at other times than when competing. This is an area that will need to be closely looked at for 1991 as we have a safety record that can and must be maintained in the best interests of all.

A full and detailed report will be presented to the W.A. Organising Committee and having been able to view the happenings that took place to some degree will be in a better position to plan for 1991. As has been stated many

times, "An eyeful is much better than an earful," and in this regard a very accurate statement.

## AUSTRALIAN SPORTS COMMISSION

I would on behalf of the sport like to publicly express our appreciation to the Australian Sports Commission whose assistance as part of their involvement for 1991 made the study possible.

# WANGARATTA GUN CLUB — 70th ANNIVERSARY

On 9th May 1919 a group of 10 shooters met at the Bulls Head Hotel, Wangaratta (apologies were received from 15 others).

This body of men formed the Wangaratta Gun Club, with Mr J.J. Teague elected as the first President. Membership was set at five shillings per annum. The first shoot was set to be conducted on the date proclaimed as a Public Holiday for the King's Birthday. The principle event being a major club handicap open to club members only and with a prize of Ten Pounds, but this was later rescheduled to 11th June 1919 because it clashed with the Chiltern Races. Five hundred live birds were required for the shoot at a cost of three pence each. Nominations were ten shillings double, seven shillings and six pence single, and five shillings star. 10% of sweeps were kept for the benefit of the club.

Club records from 1920 to 1962 were unfortunately destroyed years ago, therefore I have had to rely heavily on the memories of families who had descendants shooting in the Wangaratta area during these times, but more especially on George Walker who celebrated his 80th birthday last December. George, in his younger days lived at Euroa and shot only occasionally at Wangaratta until 1934 when he moved there to live.

In 1929 the club shot live birds in the area that is now known as the HP Barr reserve and the Wangaratta Rovers City Oval.

During the early 1930s the club relocated to its present site behind the Vine Hotel, with a membership of approximately 30-40. Attendances varied from 20 to 30 per shoot with some shooters travelling from other districts by train to compete. The wit and comradeship of the hard case shooters together with the betting (bookmakers attended the shoots) were some of the activities fondly remembered by our most senior club members. Les Goodwin, who was a top shot at the time and used to work the live bird traps then (72 years ago) can remember a bet being placed for 1600 pounds on the pull of a trigger.

The club shot intermittently throughout the war, depending on availability of powder which was required for the purpose of fighting the war, therefore permission had to be gained from the "authorities" to put it to other uses like splitting posts. It is believed that on many occasions it ended up in shells used at the gun club.

After the war attendances increased to the 80s. Some of the top shooters competing at Wangaratta during the late 40s and early 50s were Gordon Twamley, Paddy Holmes, Ed Tippet, Claude Fell, Les Goodwin, Roy Grossman, Barrie Nedway, Charlie Priesley and notable George Walker who won the Commonwealth mixed bird championships — 8 sparrows, 8 starlings and 9 pigeons at Tottenham in 1949, then in 1950 he won the Victorian Galah Competition at Bendigo and two weeks later won the Loddon Valley mixed big bird championship at Myer Flat without using a second barrel. Other shooters attending this shoot could not recall a championship being won using only the first barrel, it is reputed that he also broke the "bookies" that day. George Walker had the first under and over gun in the area. It was a Marlin bought in 1939 for twenty-two pounds, his first Browning Automatic was purchased in 1926 for ten pounds (which was a lot of money in those days).

In 1949 Ian Reith first registered with the ACTA, although he had been a club member and served on the committee the previous year. Ian has been a Club and ACTA registered member ever since then (a total of 40 years). During this time he has dedicated an enormous amount of time working to improve and establish the club, particularly in the 50s and 60s.

During the 50s the club was honoured to have some of the country's top shooters competing at their shoots:

— The late Claude Dean who won Australian National Clay Target Single Barrel Championship in 1958 with a score of ninety-seven. This was an Australian record which stood for a number of years.

— Alex Jamieson from Corowa was a regular visitor from the early 1930s but during mid 50 he shot off the twenty-six yard mark. At this stage there were only ten shooters in the Commonwealth shooting off this yardage.

In 1953 the lights for night shooting were declared connected by the late Honourable Keith Bradbury and were switched on by Mrs J.E. Walker, wife of George Walker who was Club President.

During the sixties and early seventies many improvements were made when a group of very enthusiastic and dedicated club members donated materials required for a large number of these improvements, spent countless hours erecting fences, concreting tracks, installing lights to the trap houses, planting trees and building the road, plus many more. It would have been very satisfying for the workers (Messrs Bussell, Dent, English, Law, Penney, Reid, Reith, Stamp, Suter, Walker and Williams) who organised these regular working bees to see the club gain the reputation of being one of the best country clubs particularly when the shoot attendances increased to an all time high, with over 100 at some shoots.

In 1967 one of the club's top shots, Vic Bussell competed in a club shoot at Euroa which turned out to be one of his most memorable shoots when he shot 349 in a Double Barrel Championship to run second to Alf James who shot 350. The shoot-off took three and a half hours. Special medallions were struck for both these great shooters in honour of their effort and to this day these take a very special pride of place among their shooting trophies.

Following the introduction in 1963 of lectures to local secondary school students in gun handling and safety by the late Chas Whitla, then the commencement of regular junior competition in 1966, the club successfully hosted a number of Winchester and IMI School Boy Carnivals during the seventies.

In '74 and '75 the club committee investigated the possibility of buying their own land and building a new club house, but it wasn't until 1977 that a proposed plan was put forward to build a club house on the present site.

The Club has been a strong supporter of skeet shooting and hosted the first Victorian State Carnival in 1977.

The generous donation in 1978 of a very impressive silver cup with the aim of promoting skeet shooting at Wangaratta by well known shooter Bill Attwood and Kevin Law, who was one of the club's hard working committee men and Club Secretary for many years, saw the fruition of the Attwood-Law Skeet cup. To this day the Attwood-Law cup is regarded as one of the most prestigious skeet trophies being offered in Victoria and New South Wales.

Members' dreams came true in June 1980 when they moved from the "old tin shed" to the new Club House, with a fully equipped kitchen, much to the Ladies' Auxiliary's delight, Mesdames Law, Maurey, Stamp, Suter and Williams had put up with appalling conditions for many years while serving afternoon teas and suppers.

Following years of speculation regarding if the land which the club had rented for over fifty years was for sale, in 1986 the Wangaratta Shire Council was granted funds to secure the land as a sporting complex, thus ensuring a future for clay target shooting at North Wangaratta for some time to come.

Over the past thirty years the club has had some great ambassadors, some like Ken Maurey have won many local district club championships, while many others winning places in State Teams, MacIntosh Teams and also winning the Allan Brown Team match at the last Trap Nationals conducted in Melbourne. One of the most worthy of mention is Graeme Boyd, who joined Wangaratta club as a junior in 1970. Graeme has certainly achieved much since

by winning many Club, District and State Championships, being named in the Australian Team on twelve occasions, numerous Commonwealth Titles, the National Trench and National Skeet High Gun Trophies plus many more too numerous to list.

While researching for the club history I sincerely appreciate the tireless efforts of Dick Love, Les Goodwin, the family of the late Roy Grossman and my very special thanks for the lasting memories of George Walker.

It's unfortunate that Club records from 1920 to 1962 were destroyed, otherwise so many more details of Club's activities would be known.

Club members are deeply indebted to many past and present members who have dedicated years of work to establish, develop and maintain the club at a level of the highest degree.

Presently the Wangaratta Club has a number of very enthusiastic junior members who are great shots. I hope that they and maybe their own lads will be associated with the club to celebrate the centennial anniversary of the Wangaratta Club in 2019, remembering that today's achievements are tomorrow's history.

PS. An anniversary shoot has been planned for October 21st after which a club dinner will be held.

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

## NATIONAL COACHING DIRECTOR'S REPORT

**TWO EYES!** The benefits are enormous for those of us who use them correctly.

At all the coaching days that I have attended there are always a few who insist on shutting one eye – the reasons are usually one of the following:

- 1: I see two barrels or I see two targets;
- 2: My left eye takes over;
- 3: I don't want to upset my rifle shooting; and the list goes on.

Usually if you can get a one eyed shooter to try two eyes, and use them as they should be used they have instant success. However, even though they prove to themselves that it works, usually the next time you run into them at a shoot, they are back to using one eye shut.

Therefore to successfully use both eyes there are a few simple things we must do.

Firstly we must establish which eye is our master eye. Your master eye is the strongest eye – most people will have this and there are a few ways to establish which one it is –

- a) with both eyes open, focus on an object in the distance and point your trigger finger at that object – then close your left eye – if your finger didn't appear "to move" – then you have a Master Right Eye.
- b) stand in front of a mirror and focus both eyes on the centre of your nose then point your trigger finger on that spot – you can see that your finger is in line with one of your eyes – that one is your Master Eye.

Now that you know which is your Master Eye, hopefully it will be on the same side as you mount your gun – so a right handed shooter with a master right eye is very fortunate.

For those of you who happen to be at cross purposes –

say a right handed shooter with a master left eye – you have two options –

- 1) change shoulders – the best system for the dedicated; or
- 2) always wear shooting glasses with a spot affixed to the lens of the master eye – covering the view of the foresight –
- 3) No, DON'T shut that eye.

You need both eyes open to shoot moving targets. Shooting clay targets is a pointing game and pointing is three dimensional. Depth perception and judgement of speed can only be done with both eyes.

We must learn to point instinctively – it is a gift we must learn to trust – if the guns fits – it will point where you look.

The one eyed shooter trying to master the correct way will often find that their scores will go down, but you should persist – eventually you will find it starting to work and your scores will climb along with the enjoyment of breaking more clays.

I will never forget the statement made by young "Pud" Burgess, "If I had a third eye, I'd have it open too".

Basically, if every time you mount your gun it is in the same place, the beads are always in line and the same elevation, you shouldn't need to look at the gun – but that is what people who use one eye do – they are using the gun as a rifle – you aim a rifle – but you point a gun.

The secret of using a shotgun correctly with the eyes is to only look at the target. You will obviously see the gun but you must focus on the target.

When you did the exercise of finding your master eye, try it again but this time when you focus on the object in the distance – point your trigger finger at it quickly – you will always appear to touch the target.

See the target, focus on it and shoot it – don't hesitate. If you hesitate you are probably shifting your focus from the target to the end of the gun – resulting in stopping the swing of the gun and subsequently missing the target.

If you are dedicated enough to give this a go you will soon master the art of proper gun use with the eyes.

Remember, the eyes have it – so look after them – have your eyes checked by an optometrist to make sure everything is in order and finally – it's a good idea to wear shooting glasses – especially in skeet. A good pair of shooting glasses should be part of your shooting equipment.

Shooting glasses should be selected by the individual – fitted so that the eyes look through the centre of the lens in the shooting position and of a light colour. The eyes respond to light and work better when the iris is smallest – giving clear sharp vision.

Good shooting.

Col Burt  
NATIONAL COACHING DIRECTOR

### Bill Eggerstedt

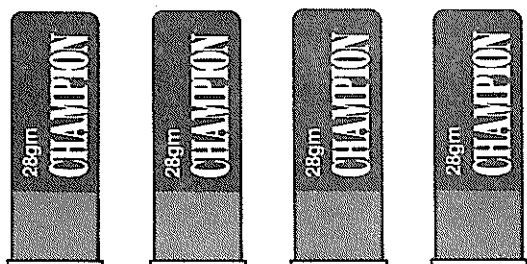

Members of the Townsville Gun Club were saddened recently by the death of Bill Eggerstedt, at the age of 63, after a short illness. Bill was a member of the club for many years and enjoyed all forms of shooting, particularly Skeet and Duck shooting. He travelled widely around the clubs over the years, and was well known in the winners circle.

Bill also loved the sea. As a young man he raced sailing skiffs, and was one of the keenest and most successful fishermen in the bay, even up until the time of his death.

He will be greatly missed by his family and his friends.

## COACHING IN OUR NORTH EAST ZONE

Since my last report it has been very hectic, what with my local junior training program plus attending to the needs of other clubs.

It is pleasing to report that due to the concerted efforts of the Mansfield Gun Club, Secretary Tom Apps, that area will soon have a high school gun club and I look forward to being of some assistance to Tom and Domingo when the activity begins.

St. James Gun Club was a great success with some 27 being present for the Sunday Clinic held on September 10, most pleasing to have a couple of young ladies along who were keen to learn all there is to know. I congratulate the Club Officials namely Jim Kelly and Phil Pettit for arranging the day. The hospitality was warm and rewarding, and the overall result was a further step in the right direction.

September 30 is the next date for which I will be required, at the return clinic at Shepparton Gun Club. I sincerely hope the attendance is better than that of July 1st, after all the ground work done by the club officials particularly Denis Threlfall.

October 7 sees me travel back towards Deniliquin for Mathoura as that club is actively changing its affiliation from N.S.W. to Victoria to fall in line with Deniliquin. We can do with clubs who show a real interest in the introduction of junior and/or novice training into their regular activity.

Reports on these proposed clinics will be made when possible.

Meanwhile other clubs may take Colbinabbin Gun Club's lead as they are arranging similar activities as those mentioned above.

See you where the shooting is safe.  
Jeff Boote. N/E Zone Coach.

## WARATAH STATE NOTES

### GREAT ACHIEVERS:

At a recent open Trap shoot in Tamworth, Ray Hammond of Guyra - shooting from the 25 metre mark recorded a possible 50/50

On the same weekend, Darren Fairall gained his "25 Metre Shooter" badge at Cowra - and considering Darren has only been shooting for some 3 years - a great effort.

### GULGONG IN RECESS:

On advice received from Club Secretary, John Medcalf the Gulgong Club has been forced into recess due to the sale of the property that the Club is situated on and the new owner not wanting to have the Club on his land. Further information as to the new location and when the Club will start shooting again can be obtained from John Medcalf on 063-741289. Please disregard all dates printed in the 1990 Blue Book for Gulgong.

### PRESIDENTS REPORT:

As the Constitution of the New South Wales Clay Target Assoc. allows only a three (3) year term for the President this is my last Report as your President.

I have truly enjoyed the challenges of the last three (3) years serving as your President and working with a very dedicated State Executive who I believe makes decisions on your behalf that will benefit you all as Clay Target Shooters at all levels of our sport.

I am pleased to leave the N.S.W.C.T.A. in a healthy position financially, this has been achieved by a lot of hard work by your Executive.

### FIREARMS ACT:

The new Act has been passed by the Upper House of Parliament and should be made Law in the near future.

The Government are now looking into the Regulations within the Act. These are being discussed and will be put before the Parliament and passed, then the new Firearms Act will be complete.

As I understand the Opposition will not oppose any part of the Act and would leave it intact if elected.

Please maintain some pressure on your Local Member, whether Labour or Liberal, on the Firearms Act.

### STATE CARNIVALS:

Again, both Carnivals were fully sponsored and we

welcomed some new Sponsors from outside the Firearm related area in Westfield Shoppingtown, Mulwex, McGrath Engineering, Thomas Cook Travel, Goodyear Tyre and Brake Service and J. & L. Summers - Nobel Powder.

To all our Sponsors, both regular and new, I say thank you and ask our Members to show their appreciation by supporting them in return.

### TRAP - 1988

This Carnival was conducted at the Sydney/Marconi Complex who had installed two (2) new layouts for the Carnival - which was very successful.

The numbers were down on what was expected, especially seeing the Carnival was in Sydney, but all in all it was a very good "PR" exercise with the local shooters.

### SKEET - 1989

Wagga Gun Club was the venue for this Carnival, with the grounds badly affected by rain.

Again the numbers were disappointing from our N.S.W. Shooters.

Thanks must go the Rooke family in total for the smooth running of the Carnival.

Five (5) traps for Skeet are not far away.

### TRAP - 1989

Moree Gun Club have installed two (2) extra layouts for this Carnival and all is looking good for a very friendly and successful Carnival.

This year is a first for our Ladies and Juniors at our State Trap Carnival. They will have their own State Double Barrel Championship - thanks to the Leonard Family (Junior) and Col and Jenny Burt (Ladies).

### SKEET NATIONALS - WAGGA 1989

The N.S.W.C.T.A. will be hosting these Championships for the Skeet Shooters of Australia from 16th to 19th November.

No doubt this will be a very successful Carnival, thanks to the Organising Committee, the Wagga Gun Club and our Sponsors.

### FUTURE STATE TRAP, SKEET AND I.S.U. CARNIVALS:

Your Executive has taken a big step towards a STATE SHOOTING GROUND/S.

For the next four (4) years both the Trap and Skeet Carnivals will alternate between Wagga and Tamworth starting with Wagga - Skeet 1990 and Tamworth - Trap - 1990.

It is hoped that the I.S.U. will take the same lines with one Club being offered four years of State Carnivals plus the first available National I.S.U. Championships for N.S.W.

### WARATAH STATE NOTES - C.T.S.N.

Again, Jenny is finding this space hard to fill. We have endeavoured to give all Clubs, Zones and Shooters free of charge a means of contact within the State through this service.

Remember this is FREE so please ring Jenny with information.

### REFEREES/ EXAMINERS:

Referee Examiners have now been appointed in event Zone.

We ask all Clubs to put forward Members as Referees, by contacting the Examiners within their Zone - and also those Members who have been referees in the past or as they become due - to be re-examined.

### FINANCE:

With your Annual General Meeting Agenda, you will have received a Financial Report.

Cont'd over page

Cont'd from previous page

You will see from this, that your Association is in a very sound position. This is the second year we have worked to a budget and I am pleased to report that we are working within the budget.

Please study your Financial Report – and I look forward to answering any questions at our Meeting.

**THE FOLLOWING WILL EACH SUBMIT THEIR OWN REPORTS:**

### **STATE COACHING DIRECTOR – COLIN BURT**

As you would all know, Colin has been appointed National Coaching Director and I wish him well on your behalf. Col will no doubt handle this position with the dedication and ability he has handled the N.S.W.C.T.A. position.

Col has done an outstanding job over the years, this last year was no exception – with the running of many coaching days, Level 2 coaching weekends and the best of all – PROJECT 91 – for the juniors and Ladies hoping to represent their country at the World Championships in Perth in November, 1991.

To Colin's successor, I wish you all the best.

### **I.S.U. SUB-COMMITTEE CHAIRMAN – BRIAN PROSSER**

Brian has taken over the Chairmanship of this Committee from David Menck who over the years has done a very fine job, no doubt Brian will give it his best.

During the year, the Sub-Committee have assisted with the running of a very successful State Carnival, conducted their annual Fund Raising Shoot at Taree as well as their training squad eliminations series at all Clubs with I.S.U. facilities.

### **STATE HANDICAPPER – PETER HAYMAN**

Congratulations to Peter on his efforts over the last year.

### **STATE SECRETARY – JENNY BURT**

This year has been very demanding for Jenny. The Association has tried to make life easier for our Club Secretaries with the introduction of a Secretaries Handbook – which will be distributed by the end of October or early November. This will no doubt be a great help to all Club Executives and my thanks to Jenny for putting together such a comprehensive document. Also, Jenny put together a Five (5) Development Plan for the Government to assist us in our Grant Application.

The smooth running of this State would not be possible if it were not for the efforts and dedication that Jenny puts into her position as State Secretary.

Jenny, Thank You for your assistance over the last three (3) years – the success of the N.S.W.C.T.A. during my term would not have been possible without your help.

### **SUMMARY:**

To be able to work as your President would not be possible without the dedication and commitment of my hard working committee, to you all, Thank You for your support over the years.

To my two (2) Vice Presidents, Peter Mould and Peter Hayman, Thank You also for your support.

Our National President, Jim Scott, who attends all State Meetings I would like to Thank You for your support as well, Jim.

For me to be able to achieve what I have over the last three (3) years would not have been possible without the support of the N.S.W.C.T.A. Executive, the Clubs and their members, the Sponsors, my loyal supporters and friends and last but not least, my wife Pam and family – I thank you all for an experience and honour I will never forget.

**ROBBIE SMITH  
N.S.W.C.T.A. PRESIDENT  
NOV. 1986 – NOV. 1989**

## **NORTHAM & DISTRICT GUN CLUB**

Local Member of Parliament, Max Trenorden opened what was to be another successful Championship shoot for the Northam & District Gun Club.

Forty-eight shooters and their families came from all areas of the state and included five shooters who had just returned from a shooting competition in New Zealand.

The first major event the Northam Town Council 25t Double Barrel District Championship was won by Phil Miragliotta after a lengthy shoot off. Mayor Ottaway, presented the Council trophies and was invited by club president Trevor Smith to present the Single Barrel & Pointscore Championships which were sponsored by Northam Business Houses.

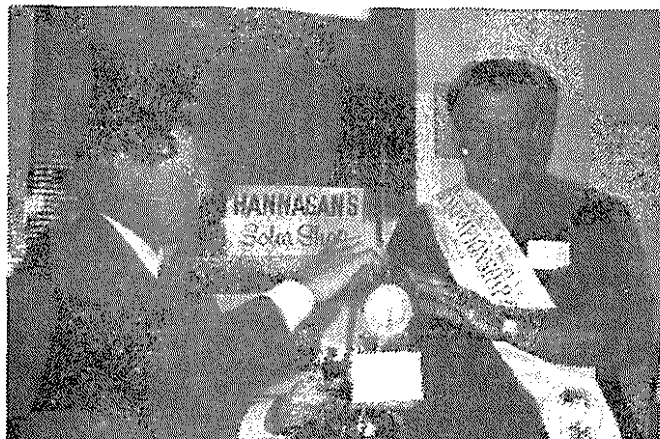

The overall winner of the Single Barrel District Championship was Hedley Harmer. The overall winner of the Pointscore Championship was also Hedley Harmer.

Sunday's thick fog held up competition for one hour, but did not deter Ken Dew winning the inaugural Double Barrel Championship sponsored by Wesfarmers Land Sales.

The main event in the afternoon was the Hannagan Rheem Handicap Shoot which was ably won by Mick Watson, Second was Graeme Parsons, third Mark Westlake.

Southern Brook Tennis Club came in numbers to do a top job of trapping.

State President John Fissoli presented the overall honours for the weekend to Peter Morrison who won the high gun for the weekend and Leslie Watson best lady with Eric Maley best junior.

## **THE CROWEATERS FROM S.A.**

### **BROKEN HILL GUN CLUB**

Ron and myself travelled to the Broken Hill Silver City Championships in September, the weather was warm and windy. As usual the Broken Hill Gun Club Committee are to be congratulated on a well organised shoot, they cater for the pleasure of their shooters to the extreme.

The meals are excellent and facilities first rate. The trophies were without doubt the best I have seen offered over a two day shoot.

The Smith family returned to Adelaide with a Coloured T.V. and power tools, the T.V. is now proudly displayed in my kitchen. Thankyou Broken Hill Gun Club we had a great time.

### **PORT AUGUSTA GUN CLUB**

This report was sent in by the clubs publicity officer

AUSTRALIAN CLAY TARGET NEWS — NOVEMBER 1989

George Spackman. Thanks George, it's great to receive club news.

On the 20th August 1989, The Port Augusta Gun Club held their 30 target P.S. Championship. With Laurie Hancock taking home his very first sash, with some top shooting, to score 89-90. Not bad for the oldest shooter on the day, maybe us younger shooters should arrange some coaching from Laurie. Well done mate keep it up.

Also at the same shoot THE PORT AUGUSTA GUN CLUB paid tribute to ERIC SPACKMAN by making him an Honorary Life Member of the club.

This was done for all the behind the scenes work and many other odd jobs that he has done for the club.

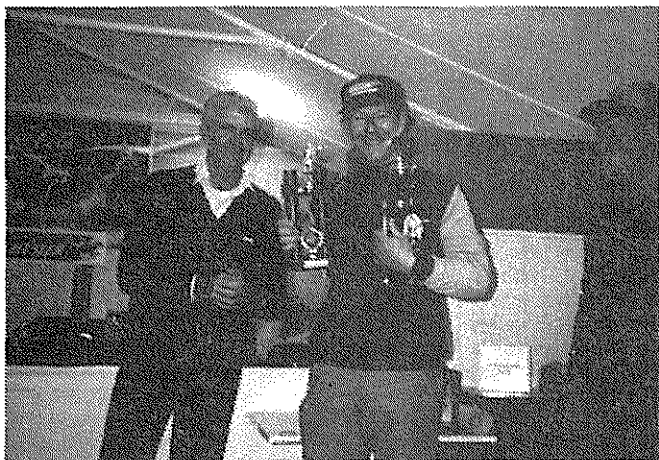

We would like to take this chance to thank ERIC for all the help he has given the club and its members.

## BOB AND SHIRLEY MULES ARE GRANDPARENTS AGAIN (I THINK THIS ONE MAKES 9)

ERICA JANE MULES was born (nearly in grandad's lounge room) on the 15th September 1989 - 8lb 2oz length 19.5 inches. The proud parents Brenda and Phil Mules are well known in S.A. Gun clubs and the State wish the family all happiness in the future.

## **TAMWORTH OPEN TRAP SHOOT**

**2ND/3RD SEPTEMBER, 1989**

The Organising Committee of this Annual Shoot worked long and hard to gain sufficient sponsorship to have well in excess of \$7,000 in trophies and sashes and advertised that draw card with posters and invitations - 106 on the Saturday and 108 on the Sunday still has the Tamworth Committee in a state of shock all the same - they came from everywhere and enjoyed fine sunny conditions, plenty of fun and laughs with the Calcutta and were well fed by the Ladies for lunches and arvo teas and Kevin Weatherall "Master Chef" and his helpers who had 3 prime lambs on the spit for Saturday night's tea.

Shooting got underway on Saturday with the 25 target Country Capital Double Barrel Championship which was sponsored by the Tamworth Livestock Selling Agents. The overall winner was Tom Turner (Jnr) from Cessnock with 92/92. The next event was the 30 Target Country Capital Double Barrel Classic and this was won by Terry Mitchell with 62/62 from Peter Campbell on 61/62 and John Farrell with 57/58.

Versatile Industries of Tamworth were the sponsors for the 30 Target Country Capital Champion of Champions and Newcastle shooter, John Fryer collected the winner trophy with 75/75, from Vince Gatt on 70/75 and Graham Wilson.

The final event of the day was a cash divide - giving the group winners some extra cash to spend up big in the

Calcutta and once tea was over, Peter Etheridge from Blanch, Ward, McPherson swung into action in his usual fine style - extracting about \$2,500 out of some unsuspecting shooters!!

Sunday morning was again warm and sunny and 108 shooters lined up for the 30 Target Loomberah Valley Double Barrel Classic sponsored by Independent Communications of Tamworth.

Ray Hammond of Guyra was the overall winner with a score of 94/94 from Frazer Roberts of Goulburn on 93/94 and Graham Wilson of Tamworth on 63/64.

The 30 target Country Capital Point Score Classic was the next event and it was sponsored by Alan Mower of Dove Insurance Services. A 108/108 from Frazer Roberts saw him take the winner's sash and trophy from Jeff Nash on 90/93 and J.W. Smith on 89/90.

Smorgon A.R.C. Rural were the sponsors of the next event, being the 25 target Double Barrel Trophy Handicap and the winners were, 1st John Varley (17m) 37/37. 2nd Steve Nash (16m) 36/37, 3rd Mark McInnes (23m) 30/31, 4th Ray Hammond (25m) 25/26, 5th Barry Wilkins (15m) 58/59 and 6th Terry Mitchell (24m) 57/59.

Two things worthy of note following this event - with the 25 targets handicap cash divide on Saturday and this 25 target handicap trophy, Ray Hammond of Guyra recorded a possible 50/50 from the 25 metre mark - something you don't see very often these days and a young man quite a bit further forward of Ray - but shooting just as well was young Michael Wright from Sunny Corner who shot a fine 24/25 from his 13 metre mark - a great effort from both shooters - I'm sure you will agree.

The final event for the weekend was the Commonwealth Deauville Doubles and 20 pair from 24 metres really stretch some shooters - however, it was all good fun.

The event was sponsored by a new member of the Tamworth Club, Ross Freestone and his business Auto-Motion. Two pairs recorded 19/20 - Dick Piotrowski and J.W. Smith and Mal and Craig Tilley - both pairs excellent Deauville Doubles combinations.

With the light going fast - the shoot off got underway - and with a score of 24/25 Piotrowski and Smith are the 1989 Commonwealth Champions, and the Tilleys were runners-up.

The Overall High Gun Trophy was again sponsored by Tony Aceti of Independent Communications and the winner with an excellent score of 270/275 was Peter McDonald of Newcastle. The Grade High Gun Trophies were sponsored by Winchester and C.L.A.S.S. Ammunition. "AA" Grade High Gun winner was Mike Fisher with 265/270, "A" Grade Terry Mitchell with 268/275, "B" Grade Peter Jensen with 268/275 and "C" Grade Barry Williams with 254/275.

The Ladies, Junior and Veterans High Guns were sponsored by Pioneer Concrete and the winners were - Ladies Vicky Gatt with 257/275, Junior Tom Turner 261/275 and Veterans Ray Melville with 249/275. The Commonwealth Bank Cup for Tamworth Members High Gun was won by Col Burt with 263/275.

Various Team competitions were also contested during the weekend, and on Saturday the 2 member teams for the Lindsay Bull Memorial Shield was won by Mark McInnes and Ray Hammond with 248/260.

On Sunday the 4 members teams for the Country Capital Presidents Cup was won by the Newcastle combination of Peter McDonald, John Fryer, Chris Lindsay and Mike Height with 554/580.

The Country Capital Shield which was introduced for the first time was won in fine style by the Inverell team of John Kent, Bob Mackay, Mike Wade, Peter Jensen and Jeff Roberts and their score was 429/450.

So the dust settled and the "stayers" stayed on at the water hole - still having fun and telling stories until the wee small hours.

The Club was very pleased to have National President, Jim Scott and his wife Joan on hand to assist with the presentation of trophies and trust that they enjoyed themselves as much as we all did.

So, don't forget – the first weekend in September next year – come along and have a heap of fun and get some practice for the State Carnival which is being hosted at Tamworth a month later.

On a final note – this "Roving Reporter" was dispatched to purchase a suitable ring to raffle over the weekend – with a very nice sapphire and diamond number selected – and making sure it fitted – many hundreds of tickets were sold – and lo and behold – the "Roving Reporter" won it !! No I did not draw the raffle – Joan Scott did.

Till next next time see you at the shoots,

Lost Bird.

## SHOOTER CORNER

Q. Can you please explain the meaning of what is known as MSQ in Olympic Discipline shooting?

A. MSQ or Minimum Qualifying Score is a standard to be achieved which allows a shooter to compete at the Olympic Games should country quotas be obtained. To obtain a MSQ you must compete at either UIT World Cups, World Shooting Championships and in the case of Australia the Oceanic Championships.

Q. Why have the 1990 Trap Nationals at Launceston been scheduled over seven days as against the usual six days of competition?

A. As there will only be seven competition traps for 1990 it was believed that the numbers competing on Double Barrel Day (Sunday) may have not enabled the event to be completed or possibly near completed. Because of this an additional day (Tuesday) has been included to allow the event to be completed prior to the commencement of the Single Barrel Championship.

Q. Has any thought ever been given to having a "Spot the Clay" competition that members could enter by paying an entry fee for a monthly prize? I am certain that this would create some interest.

A. The idea has been prompted in the past however we have been unable to proceed with the competition as it would be contravening the law. According to the licensing and gaming board and the raffles and bingo board the conduct of such a competition would legally be deemed to be a lottery. A good idea certainly which we are investigating further.

Q. During this year I competed in an event that carried Commonwealth Title status. I have not seen any results in the C.T.S.N. and would like to know if I am likely to do so?

A. All winners of Commonwealth Titles both Day and Night will be published in the January issue of the C.T.S.N.

C. I recently purchased a badge for the 1991 World Shotgun Championships and was suitably impressed with the striking design. I would recommend them to all members.

R. The World Shotgun Championships Badge has been well received and still available through the National Office at \$6.50 including postage.

Q. I know that I have read it before however could you please let me know who is involved with the World Championships in 1991.

A. An Organising Committee has been approved and is under the direction of Past President Roy Holtfreter who was elected as Chairman, other members are:  
W.A.C.T.A. John Fissoli, Ross Silvester & Mick Watson.  
W.A.G.C. Terry Moroney  
W.A. Complex Reg Wagland  
W.A. State Tim Catling S.A. State Peter Quire.

# F. N. BROWNING — BOOK REVIEW

I have had the opportunity to read the F. N. Browning Book, 100 Years of Sport and Military Firearms and have found it to be a most interesting and informative publication, beautifully presented.

Mr. Auguste Francotte, a descendant of one of the founders of F. N. belongs to a family of arms manufacturers who for almost two hundred years have distinguished themselves in the industry in Liege has written the history of F. N. from its origins up to 1964 and has to be commended for his remarkable effort.

The illustrations contained in the book should be of great interest to those who as well as enjoying reading the history of shooting are interested in firearms through the years. With this book they will not be disappointed.

Copies of this quality publication are available through Fuller Firearms Group Pty. Ltd., P.O. Box 77, Beaconsfield, N.S.W., 2014 at \$59.50 plus postage and handling of \$6.50 or by ringing (02) 662 2333 where orders can be taken through the usage of credit card facilities.

## 1989 QUEENSLAND STATE SKEET CARNIVAL

The Queensland Clay Target Association held its annual State Skeet Carnival at Rockhampton on 22-23-24 September 1989.

The weather was fine but hot — however this did not detract the shooters and the State record was broken and some very high scores were recorded.

Friday the 22nd the State Doubles Championship was held with the following results:

Overall was won by Dave Dundon of Brisbane with a score of 49/50. Dave won the D.E. & M.C. Siggs Perpetual Cup as well as the Silver Queensland Badge and sash. Dave also took out his grade of AA. A grade was won by Rockhampton shooter Mark Warnock with 48/52 and B grade was won by Dysart shooter Col Ennis with 45/52. Another Rockhampton shooter Jason Smithwick won C grade 46/50.

Saturday commenced with the 50 target trophy event, this was to be a warm-up to the State Championship. Four possibles were shot, however Brisbane shooters John Porter and Nick Aird continued to 114 targets before John finally emerged the victor with 114/114. Nick won the A grade with 113/114. Dave Dundon again took out AA grade with 65/66, while Noel Beale of Townsville had an easy shoot off to win the B grade 50/51. Rick Kennedy of Tambo won the C grade with 50/54, a marvellous score considering he doesn't usually shoot skeet. Best Lady was Michelle Siggs of Brisbane with 46/50 while Brisbane Junior shooter Justin Ehrenreich won the junior trophy 47/50 and Newcastle veteran shooter Hugh Dare won the Veterans trophy with 46/50.

Saturday afternoon and Sunday morning completed the State Skeet Championship with three possibles being shot leading to another shoot off between Dave Dundon of Brisbane, Neil Dimmick of Ipswich and Rob Rehbein of Bundaberg. The eventual winner was Dave Dundon with 187/187 winning the State Silver Badge, sash and the trophy donated by Winchester Australia. Neil Dimmick won AA with 186/187 while Rob Rehbein won A grade with 100/100. B grade went to Jim Edmonds of Mount Isa 133/137 and Rockhampton's Trevor Kitto won the C grade with 95/100. Best Lady was Kaye Rehbein of Bundaberg with her score of 89/100 and Ed Bukbardis of Burdekin won the Veterans 92/100 and Justin Ehrenreich again won the Juniors with 91/100.

• R-L: QCTA President Tom Meadows congratulating OA High Gun winner and Qld Skeet Champion Mick McGill of Mount Isa.

The Interstate Team was then selected and the following shooters made up the teams:

Open Team: D. Dundon, M. McGill, N. Dimmick, R. Rehbein, N. Aird, J. Withers, J. Porter, G. Redmond, G. Ladbrook, J. Edmonds, C. Ennis, D. Casagrande, M. Warnock, J. Smithwick, T. Long.

Ladies Team: M. Siggs, B. Grice, K. Rehbein, M. Casagrande, T. Meadows.

High Gun over the Team went to Mick McGill of Mount Isa with a score of 100/100.

The final event was the Queensland Pacific Skeet Championship sponsored by A.E. Smith & Sons, and just to prove to his boss the money went where he said. Overall was won by Mick McGill of Mount Isa 50/50, AA grade went to Neil Dimmick of Ipswich 49/50, A grade to Townsville shooter Noel Beale 50/51 while Jason Smithwick of Rockhampton won B grade with 49/50 and another Towns-

• Tony Long presenting Ed Bukbardis with the Stevens & Sons Firearms Veterans High Gun Trophy.

ville shooter Len Carty took out the C grade with 47/50. Michelle Siggs again took out the ladies trophy with 47/50 and Justin Ehrenreich won the juniors with 43/50 and Hugh Dare again won the veterans with 50/56.

The Queensland Champion Skeet Shooter which is the aggregate over 250 targets was won in magnificent style by Mick McGill of Mount Isa with his score 249/250. Congratulations Mick, a fine effort. Mick received the D.E. & M.C. Siggs Perpetual Trophy.

Mick also won the High Gun Overall for the weekend — 199/200 winning him the inaugural 9ct Gold Queensland Badge, sash and trophy donated by Noel Deeley.

Michelle Siggs of Brisbane won Ladies High Gun with 181/200 and Ed Bukbardis won the Veterans High Gun which was donated by Stevens & Sons Firearms, his score 179/200.

Junior High Gun Overall went to Justin Ehrenreich of Brisbane with 181/200.

The two-man team was won by the Brisbane pair of Dave Dundon and Nick Aird 394/400. This trophy was donated by A.B. Long.

So ended our 1989 Skeet Carnival, which was a very friendly carnival, and as the scores reflect, competitiveness is still alive in this State. The Queensland Clay Target Association wishes to thank all our sponsors and those who helped in making it the success that it was.

## 1989 N.S.W. STATE SKEET CARNIVAL

The second weekend in August has been the permanent date for this carnival for some 6 years now — and this has been accepted very well by the skeet shooters.

This year the Carnival was conducted at Wagga and after a week of heavy rain, the Club Committee had done very well to have everything ready — they even arranged for the rain to stop on Friday morning!!

Sixty seven shooters nominated for the Friday afternoon event and from those only 3 possibles were recorded. This event was sponsored by MULWEX — the first time we have had them as a Sponsor and Harold Hollingsworth was on hand to present the trophies to the winners.

Overall winner was Adrian Cousens with a 62/62 — the start of many trophies that he collected over the weekend.

Lee Brownbill took the Ladies section with 50/50, Josh Balogh the Junior on 44/50 and Ray Melville the Veterans with 49/50.

Saturday morning, although very cold was sunny and quite pleasant away from the wind. The first event was the 50 target 9th NSWCTA Championship which was sponsored by another new comer to the sponsors ranks — McGrath Engineering. From the 85 shooters, 4 possibles resulted. The Overall winner being Adrian Cousens with 68/68, Wendy Adams collected the Ladies trophy with 50/52, the Junior trophy going to Josh Balogh with 44/50, and 47/50 from Ted Patterson saw him taking the veterans trophy.

The second event on Saturday with the 50 target Wagga City Championship and this event was sponsored by the Wagga Leagues Club and Coca Cola. At the completion, only 3 possibles had been tabled. The Overall winner was Christian Naudin with 68/68 from Brian Thompson on 67/68.

The Ladies section was won by Lee Brownbill on 48/50 with Josh Balogh taking the Junior with 43/50 and the veteran section went to Ted Patterson on 45/50.

With the two qualifying events of Saturday finished, the 1989 State Skeet Team could be announced, the team comprises: Christian Naudin, Col Burt, Jim Wilberforce, James Dunne, Ian Bruce, Mark Agar, Walter Maryska, Warren Charlton, John Worley, Steve Balogh, Paul Kouroupis, Maree Rooke, Reg Clarke, Barney Rooke and George Patrou.

First up on Sunday morning in the frost and cold the Team shot their 50 targets and the Shoulder-To-Shoulder Team for the Wagga Skeet Nationals is Christian Naudin, Col Burt, Jim Wilberforce, Mark Agar and Warren Charlton.

The prestige event of the Carnival got underway with 81 shooters. The State Championship was sponsored by Westfield Shoppingtown Miranda and no less than 11 possibles were recorded!

The marathon shoot off got under way and slowly this one missed and then that one until only three remained, Geoff Walters from Tamworth, Col Burt also from Tamworth and Mark Agar from Sydney. Target 110 was Col's Waterloo leaving Geoff and Mark. On it went, until Mark dropped number 205 leaving Geoff the winner and State Champion on 208/208. This score gave Geoff his biggest break being 262 and 208 is now the Carnival record.

The winner of the Ladies section was Maree Rooke with 50/50, Josh Balogh won the Junior section with 45/50 and a 49/50 from Ray Melville saw him take the Veteran section.

The final event for the Carnival was the Tasman Championship and this was sponsored by Thomas Cook Travel of Miranda. The possibles totalled 5, and the light was running out — so Adrian Cousens and Ian Hale finished the shoot off on Doubles — with Adrian being the winner on 100/100 from Ian on 99/100 — a great effort from true sportsmen.

Debbie Tomiges collected the Ladies trophy with 49/50, with the Junior going to Josh Balogh and the Veterans to Alf Najjar on 48/50.

The High Gun trophies are conducted over Saturday and Sunday only to allow for those who cannot get away from work on Friday to still be in the running for the High Guns.

This year the Overall High Gun went to Adrian Cousens with 199/200, the Ladies winner was Maree Rooke with 191/200, Josh Balogh the Junior High Gun with 177/200 and the Veteran High Gun went to Alf Najjar with 186/200. The State Team High Gun was taken out by Christian Naudin.

A two member teams competition was also conducted over the 200 targets and the winners — who from all accounts have been trying to win a two member teams competition for the last . . . years — were Ian Hale and Alex Crikis with 392/400 — well done to the elder gentlemen of the sport.

The five member team trophy was taken out by those rank outsiders from Victoria, Ian Hale, Graham Guy, Adrian Cousens, Les Beechey and David Cunningham with 977/1000.

A new trophy was introduced for the first time this year, being the Wakehurst Gun Club Trophy for Club Teams — and you would never guess but Wakehurst won it back.

The Hawkeye Shield for Inter-Zone Competition was a hard fought battle between the Northern Zone and the Riverina Zone. This time the Northern Zone combination of Col Burt, Geoff Walters, Ray Melville, Bill Clark, Kevin Weatherall and Malcolm Dengate held off the pressure and won the trophy back.

Next year — the second weekend in August and the venue will again be Wagga. The State Association having allocated the State Trap and Skeet Carnivals to Wagga and Tamworth on a full rotation for the next four years — 1990 Wagga Skeet — Tamworth Trap, 1991 Tamworth Skeet and Wagga Trap and so on.

See you all in Wagga 16th-19th November for the Skeet Nationals.

# Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength 2¾" load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions – including **price**.

See your local Gun Dealer now for the lowest price on the toughest auto in the world.
