EXECUTIVE DIRECTOR'S NOTES

Now that the Christmas season has passed us by we look forward to 1990 and in this month the first of our National Championships with the Olympic Disciplines Trap and Skeet being held at the Whiteman Park Shooting Complex in Perth, W.A., the venue for next year's World Championships. Have you obtained your World Championship Badge yet? If the answer is no then you can obtain one by writing to the A.C.T.A. office enclosing your cheque for \$6.50 and one will be mailed to you; to obtain an idea of what they look like simply refer to the cover of this month's C.T.S.N.

The news on the safety side of things is that the Executive have approved the recommendation to make safety arm guards compulsory for all traps and this as from 1st April will become a condition of club affiliation. To assist in the manufacture of safety arm guards all clubs are asked to again refer to the illustration of an approved design in this issue — if in doubt please contact your State Association or the A.C.T.A.

The Australian Skeet Shooters Association have been advised that the Executive are unwilling to give recognition to any body or group of people who purport to represent any one discipline within the Association. The structure is there for the views of any person to be heard by contacting their elected Shooters Representative representing Trap, Skeet and I.S.U. Should you have any particular point of view or matter to raise please do so firstly at local and zone level and then if your ideas are found to be favourable ask your State Association to discuss the matter or alternatively write to your respective representative on the National Shooting Committee addressing your correspondence c/o the A.C.T.A. The people elected to represent you are:

Trap — Peter Hayman
Skeet — Robert Dower
I.S.U. — David Mench

Our Historian, George Biggs has been busy as usual and at the moment is quite excited about the long awaited A.C.T.A. History Book which is currently being prepared for printing. Once this has been completed copies will be available through the A.C.T.A. Office and if George's usual articles are any indication the book should make for very interesting reading.

We are at the moment corresponding with the English Clay Pigeon Shooting Association on the possibility of introducing a biannual shoulder to shoulder competition between competing countries in the Mackintosh Teams Event. If successful we would see a team from all countries competing in a 100T match with the venue rotating biannually from country to country commencing in 1992 when all countries would compete in England and finishing in the year 2000 when all countries visit Australia. A bit of wishful thinking perhaps, however, certainly well worth a try as it would add great interest to the already prestigious Mackintosh Teams Event — further information will be available as soon as the views of the other countries have been obtained.

On the skeet side, the conditions of competition for a Skeet "Mackintosh" Event are now before the eight countries that shoot the D.T.L. events with a view to commencing this competition in 1991, with all results being declared at the A.C.T.A. National Skeet Championships. Early indications for the introduction of this teams match have been most favourable and we look forward to an early reply from all of the countries involved.

Approval has been obtained from the transfer of the 1991 Trap Nationals from South Australia to Western Australia with the 1993 Championships now scheduled for South Australia. Hopefully the problems that confronted S.A.C.T.A. for 1991 will be solved in sufficient time to ensure that the 1993 Trap Nationals are held in that State. No decision has been reached so far as the 1991 Olympic Discipline Championships are concerned, however, this situation should be resolved at an early date.

New members to the Association who at the time of joining receive a complimentary A.C.T.A. badge will be the first to receive one of the new A.C.T.A. badges, which have been designed around the badge being used for the 1991 World Championships, although on a slightly larger scale. Badges will be available from the office for any person wishing to purchase and next month's C.T.S.N. will carry a notice to that effect.

Applications to the Australian Institute of Sport for funds to assist our Ladies and Junior Shooters prepare for the 1991 World Championships unfortunately did not receive the success which we believe they deserved. With the Perth Championships providing the first financial opportunity to have teams in all events it was disappointing to say the least for our funding application to be rejected in total. We have another opportunity to present our case, when applications for 1990/91 are called for and those Ladies and Juniors who are determined to gain selection in the Australian Team for the World Championships are assured that every effort will be made to gain for them some financial assistance.

Commonwealth Games are currently being contested and so far as shooting is concerned we are confident of good performances being achieved. On behalf of all members of the A.C.T.A. we extend our best wishes to the Australian Shooting Team and in particular to Team Manager, Rob Smith and the Shotgun Team of John Maxwell and Russell Mark (Trap) and Ian Hale and Craig Meuleman (I.S.U. Skeet), all of whom are capable of bringing home gold medals for Australia.

Trap Nationals in Tasmania next month, and all appears set for a memorable competition at the Tasmanian Gun Club situated at Evandale. Nationals commence on Saturday, 24th March with the Annual General Meeting being held on Friday, 23rd March. The Tasmanian Clay Target Association have worked tirelessly to ensure the success of the Nationals, particularly for the visitors from the mainland and the large contingent from New Zealand. If you haven't made your arrangements as yet, there is still time to do so. If you wish to do so you are able to lodge a postal entry which enables you to indicate your preferred shooting time, which although not guaranteed will be allocated to you if at all possible. Postal nominations close on the coupon in this month's C.T.S.N. on 28th February, please take advantage of this facility if it is of assistance to you.

Alan J. Maher,
EXECUTIVE DIRECTOR

ELEY NEWTON THOMAS AWARD

Nominations for the Eley Newton Thomas Award are to be forwarded to reach the A.C.T.A. up to and including March 30, 1990.

The award is for the person who has done the most to promote the sport of clay target shooting in the previous year.

Nominations: To be forwarded through an affiliated club or State Association.

Judging Panel: A.C.T.A. Management Committee.

Any decision on nominations received is the responsibility of the Judging Panel whose decision shall be final.

Recipients from Inception:

1982 Mrs B. Grice, Qld
1983 Mr M. Alexander, W.A.
1984 Mr R. Dean, Qld
1985 Not awarded
1986 Mr S.E. Rooke, NSW
1987 Not awarded
1988 Not awarded

Nominations: Addressed to the Executive Director, P.O. Box 557, Mount Waverley, Vic. 3149.

Closing Date: March 30, 1990.

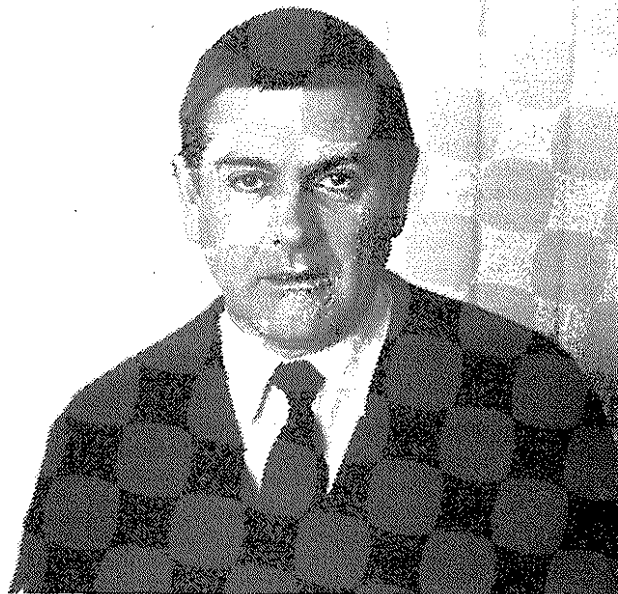

1989 SPORT AUSTRALIA AWARDS

For the second successive year, NSW shooter Michael Diamond has been judged as the Junior Male Athlete of the Year. Michael's achievements are more than well known in the sport of clay target shooting, where he has made a definite impression. His ability coupled with his unassuming manner make him a very worthy winner and an excellent ambassador for the sport. Well done Michael Diamond.

KNOW YOUR EXECUTIVE

Glen Woodhatch

Glen became involved in D.T.L. shooting in 1978 when approached by the Committee of the Bendigo Clay Target Club to become their Secretary.

He served 5 years as Secretary at Bendigo and has had 3 terms as President. In 1982 was elected as Secretary of the North East Zone and was in this position for 5 years. Glenn became delegate to V.C.T.A. in 1987, being elected V.C.T.A. Vice President that year and in May 1988 became State President.

Started clay target shooting as a member of the Bendigo Branch, Victorian Field & Game Association and was Secretary of this Branch at the time of becoming Bendigo's Secretary. Also served two years as President of the Bendigo Field & Game Branch.

In 1980 Glenn formed the Loddon District Police Trap Club to encourage members of the Victorian Police stationed within the Bendigo area to participate in shooting. In 1981, with the assistance of Brian Mark, he founded the Australasian Police Trap & Skeet Championships. Since their inception he has been a member of the Victorian Police Trap Team and to date this team is the most successful in the competition winning the title some 5 times. In 1988 the team became the World Champion Police Trap Team in Sydney at the International Police Olympics, he also won National individual titles.

With Victoria and Echuca hosting the 1989 Nationals, Glenn was chairman of the organizing committee and at the titles was Tournament Director.

At present he is a Trap and Skeet Referee Examiner and is also actively involved in pursuing the rights of shooters and is an executive committee member of the Shooting Sports Council of Victoria. Glenn is the immediate past President of the Strathdale Branch, Sportsmens Association of Australia.

Since first taking up Shooting he has encouraged his family to participate and to this end, wife Jan was a member of the Ladies Macintosh team at Echuca. Sons Dean and Brett have competed with success at both junior and open levels and youngest son Heath has just started shooting and present indicators are that he will also have success.

Glenn believes that everyone participating in our sport has something to give and encourages all shooters to come forward and contribute, that way everyone is involved in the administration of our sport.

VALE

SIR HENRY BOLTE, G.C.M.G.

Patron — Australian Clay Target Association

After a short illness, Sir Henry Bolte recently passed away at his home in Meredith, Victoria. Well known to Victorians in particular as the longest serving Premier of the State of Victoria, as well as being a keen follower of all sports. Sir Henry's sharp wit and forceable personality will be missed by all. On behalf of all members our condolences are extended to the family of our long serving patron, Sir Henry Bolte, G.C.M.G.

NOTICE TO MEMBERS

In accordance with the Association's Statement of Purposes and Rates advice has been received complying with clauses 37C and 37D of a Notice of Motion to amend the Association's Statement of Purposes by:

(A) Substituting the following clause for the existing Clause 2B.

"To recognise state bodies (or upon application, other bodies involved in or responsible for the conduct of the sport of clay target shooting) as affiliates upon the payment of a prescribed fee."

(B) "Substitute the attached rules for the existing rules of the Association."

The general nature of the Notice of Motion which is to institute such changes as are deemed necessary to restructure the Association as a nationally tiered organisation, is to be presented to members at the 1989 Annual General Meeting on Friday, March 23rd 1990. Prior details will be provided to members in accordance with the rules of the Association.

Alan J. Maher,
Executive Director

1990 WORLD SHOTGUN CHAMPIONSHIPS

Applications received for the advertised position of Shotgun Team Manager for the 1990 World Shooting Championships have been discussed with the Executive Committee approving a recommendation from the Management Committee for the appointment of R. Smith. The recommendation was made after due consideration on the four applications that were received with the decision to appoint R. Smith based upon his recent experiences and forward commitment as Team Manager as well as team members' support for his efforts on their behalf at the 1989 World Shotgun Championships and his personal qualifications for the position.

RECENT EXPERIENCE/PERSONAL QUALIFICATIONS

- 1986 Assistant Team Manager, World Shooting Championships, East Germany.
- 1989 Team Manager, World Shotgun Championships, Italy.
- 1989 Team Manager, Pre Commonwealth Games Training — New Zealand National I.S.U. Championships. Fully accredited Level 3 Coach (one of 7 in Australia). Knowledge of International Shooting Union Rules and U.I.T. Doping Requirements
- 1990 Team Manager/Coach, Australian Shotgun Team — Commonwealth Games New Zealand.

OLYMPIC DISCIPLINE NATIONAL CHAMPIONSHIPS

HANDICAP CARDS

Conditions of Entry

Nominations will not be accepted from any shooter who cannot produce a stamped handicap card or have the handicapper approve the reason for not being able to do so. All shooters from AA to C Grades must present their card to the handicapper for stamping prior to nominating.

CONDITIONS OF ENTRY — NATIONAL OLYMPIC DISCIPLINE CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate handicap card.
2. Targets to be shot in brackets of 25, squads of 6 Olympic Trap — squads of 6 I.S.U. Skeet.
3. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals office, whose decision shall be final.
4. Each shooter is to take enough cartridges to shoot a full round of 25 targets.
5. Shooters who fail to appear in time for their squad will

be penalized by the LOSS OF THREE TARGETS.

6. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund on nominations paid.
7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score.
Any score sheet not carrying the shooter's signature will be credited with the lowest score recorded.
8. The person designated as scorer/referee or line referee must fulfil their obligations to do so or have obtained the services of a suitable replacement who must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role SHALL INCUR A PENALTY AS PRESCRIBED UNDER INTERNATIONAL RULES.
9. Any unauthorized shooter who interferes with or attempts to interfere with a trap will be penalized FIVE (5) TARGETS.
10. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
12. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep/purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
13. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day.
All payments must be signed for and proof of identification given if requested.
14. When team selection is involved, shooters shall be eligible for the open team as well as section teams irrespective of the section nominated for.
To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.
15. High gun awards are determined for each section irrespective of the nomination paid. To be eligible for high gun recognition, competitors must have competed in a clear majority of programmed events for each respective high gun.
16. Shooters who are eligible for a reduced nomination and elect to pay the full open nomination shall be eligible for recognition in the open section only. One nomination only may be paid. Shooters who are eligible for and elect to pay a reduced nomination (60% of the open nomination) for their respective divisions, Ladies and Juniors shall, having so declared their section of competition only be eligible for recognition in the section nominated (U.I.T. Rules).
17. A minimum of three persons must compete in any grade or section including high gun before sashes, medals, trophies are awarded irrespective of nomination paid.
18. Competitors using automatic shotguns during the National Championships may recover their empty shells providing they have obtained an automatic I.D. card when nominating.
19. Nominations will close at a time determined by the Tournament Director.
20. Practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas, or such areas as may be determined from time to time.
21. The Olympic finals system will be used to determine the O/A placing, 1st, 2nd, 3rd in all events.
22. Juniors to be under the age of 21 in the year of competition.
23. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.

EDITOR'S MAILBOX

Sir,

The Skeet National Carnival in Wagga was a great success and not a little credit must go to the hard working staff and the "Blue tailed Fly" Barney who was here, there and everywhere keeping the show moving along. Unfortunately it was marred by the nasty accident that incapacitated our hard working shoot marshal and saw him spend the rest of the carnival in hospital. We all hope now Adrian that you have fully recovered. Robbie Smith was able to fill the bill until he too was forced to retire early, due to family sickness and again we hope that all's now well in the Smith family. The weather was kind even Bob Buchan would have to admit that, though a little hot and sultry for a couple of days, resulting in a storm on the Saturday, which didn't last long.

The average scores shot in the doubles was better than the average scores shot in the Double Rise at the trap Nationals, so I can't see any reason why it shouldn't be included in the high gun. The high gun is over the advertised programme and that is as it should be, so hopefully we'll see it included in future.

Cecil Herbert

1990 REGISTRATIONS — CTSN

Any person registered for 1989 whose 1990 renewal has not been received as at February 28th will have their names removed from the CTSN mailing list and will not receive copies of the clay target shooting news following the March issue.

Memberships renewed after the 28th February will be returned to the mailing list, however it is probable that at least one month's issue of the CTSN will not be received through the mail with copies unavailable through the ACTA office.

To ensure continuity of registration and all monthly issues of the CTSN it is important that sufficient time is given to allow your club secretary to remit your registration to the ACTA — please assist your club secretary in this regard.

TERRITORY SHOOTING

It is a while since one of these columns has been produced but that does not mean that nothing is happening up in the land of the never never.

The biggest news of late has been the formation of a new club at Groote Eylandt. This club under the stewardship of Kevin Ross has 15 members, a DTL layout and shoots every second Sunday. This is not a bad start for a small isolated community and we all wish them well. Groote is a beautiful place and it would not take a lot of promotion to become a really exotic, top, shooting venue.

Strange goings on at Alice Springs: major changes at the AGM with a new president, secretary etc. but then followed by even further changes. Suffice to say Mick Milera is still president with Michael Farren as secretary. Glad to see you still in the saddle Mick. Hope all's well for the new year.

Darwin also had an AGM recently. Ken Selwood has stayed on as president, Phil Grove as secretary and John Fletcher is keeping them honest as treasurer. Peter Hoare has taken on the all important role of bar manager (that's got to be worth a beer Peter?).

The pilot's strike upset the N.T. skeet team's plans of attending the skeet nationals but our lone representative, Jim Bitossi, did us proud by taking out B Grade of the 25 pair National Skeet Doubles Championship. "On ya Jim!"

Things have been fairly quiet at Borroloola but should hot up again after the wet.

Yulara have been going along well and have been busy planning their major annual shoot for the Australia Day weekend so if you are looking for something unusual, slip over to Yulara for that weekend. I can assure you that the hospitality will be tops.

Yulara junior shooter, Chris Warren, all of 12 years, is progressing well and has been sponsored by the N.T. Government for special coaching and will be attending the Tassie Nationals with the Territory team.

Most clubs in the Territory wound down over the Christmas break mainly because it is just too hot. Darwin's Christmas shoot, held over the weekend 9-10 December, was well attended. Two Commonwealth titles were shot including 50 Single Barrel Day and 25 Deauville Doubles Night. Victor Ferteklis took out the Single Barrel and the Deauville Doubles was won by John Fletcher and Victor Padovan.

The festive spirit at that shoot affected different people in different ways. Late in the very hot Darwin day, a call for a target was immediately followed by a dreadful noise reminiscent of two sheets of sandpaper being torn. "Lost!" growled the referee, "It is supposed to be a single barrel event!"

All the best for 1990 to all shooters from the Territory.

Bob Fox

1989 STATE POSTAL TEAMS COMPETITION

Congratulations are in order to Tasmanian Team Members for their outstanding achievement in 1989, recording the highest score in the open trap competition with a combined total of 1474 to outstay the Victorian team who finished with a score of 1469. In addition to the open team DTL victory, Tasmanian junior Royden Swann from Cressy Gun Club has won the coveted J. Newton Thomas Medal by taking out the Junior High Gun, with a score of 74/75. Well done Tasmania on a meritorious victory over your mainland rivals.

Unfortunately the results so far as participation in the skeet match is concerned was very disappointing with only the one junior team competing and only three teams in the ladies event. Similarly in the olympic disciplines, very poor participation overall particularly in the ISU Skeet event where a Victorian team did not register a score.

Full results of the 1989 competition are:

OPEN TRAP:

Tasmania	1474
Victoria	1469
Queensland	1450
Northern Territory	1434
New South Wales	1423
Western Australia	1399
South Australia	1383

TRAP AND SKEET SHOOTING VIDEO TAPES

Written and Produced by George Biggs

"SHOOTING TRAP"

The techniques of shooting trap both single rise and double rise targets plus a 15-minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house. \$50.

"SHOOTING SKEET"

The mechanics of skeet shooting in a step by step demonstration and explanation round the skeet field plus a 30-minute talk on types of guns etc and a 15-minute explanation of how to determine correct gun fit for the individual shooter. \$50.

"COMMONSENSE RELOADING"

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter. How to cope with the equipment and components available to the trap and field shooter to ensure safe and efficient home loads. \$40.

Trap & Skeet tapes run approximately 90 minutes.

Reloading tape runs approximately 60 minutes.

Immediate Delivery

Prices includes post & packaging.

Group of 2 tapes \$90.

Group of 3 tapes \$125.

Phone or write to: George Biggs, 4 Hugh St, Knoxfield, 3180 Vic. Phone (03) 801 2748.

VALE

EVA LEE

It is with much sadness that the Warwick Clay Target Club reports the passing of Eva Lee.

Mrs Lee was a foundation member of the Club, which was formed in 1949, was awarded a Life Membership in 1969 and held the position of President in 1966 and 1967.

Many shooters will remember the fine shooting style of Eva's late husband Clarrie, which was passed on to son Kevin and grandson John.

A stalwart member, sadly missed, Vale "Nin".

Our sympathies to sons Keith and Kevin and families.

JOE WALLIS

We were all saddened recently by the passing of Mr Joe Wallis whom the older shooters will remember.

Although Joe never competed in clay target events he was Secretary of Myamyn Gun Club for approximately ten years and took a keen interest in the sport right up until his death.

Most of his life was spent as a farmer at Breakaway Creek, but in later years as his health failed he moved into Hamilton.

L. Wombwell

Sec Myamyn G.C.

HAROLD NEVILLE

The Devonport Clay Target Club would like to advise the passing of foundation and life member, Harold Neville. Harold was always a willing worker at club level and was a past Secretary - Treasurer. Harold wasn't able to shoot the last few years but he always enjoyed coming to the club on shoot days.

He will be sadly missed. He was truly a dedicated club member.

The club wishes to extend to Phylis and his family our deepest sympathies.

WHIRLYBIRD AT WONTHAGGI

What a day we had at Wonthaggi Gun Club on December 2. The weather was good but a little on the windy side. Being our last shoot for 1989 it was our Xmas shoot and we had a very good attendance. 35 shooters, plus wives and children made it a very enjoyable day. The clubhouse had been decorated with Xmas decorations and we even had a Xmas tree.

After the shoot the ladies in the canteen put on a full Xmas dinner, turkey, Xmas pudding and all the time and effort put in by all those concerned was greatly appreciated by everybody, thanks to you all.

The day was fully sponsored and our guest and sponsor David Siminton from "Computer Implementation Consultants" attended to present the trophies. The highlight of the day was the method our sponsor used to arrive at the club. David flew from Moorabbin to Wonthaggi in a helicopter and landed it in the paddock beside the club. Needless to say this was a real thrill for the kids, big and small. Steven and Corrie Parks were rather disappointed when their father Wayne told them that it wasn't their Xmas present and they had to give it back. I would, on behalf of the club like to thank David for making the day a real success and I believe a first for Gippsland, as we are probably the only club with a heli pad. Sponsorship such as that given to us by "Computer Implementation Consultants" is very hard to come by and is very much appreciated.

The first four events were graded A.B.C. 1.2.3. and prizes were hams for 1st and poultry for 2nd and 3rd. The last event was triple rise and was won by Don Kendall and Lynn Gray. There were graded high gun trophies as well and the winners were: A grade Keith Grey, B grade Fred Foon, C grade Tup Pedersen, Ladies Lynn Gray, Junior Mitch Foon.

On behalf of the Wonthaggi Gun Club I would like to wish all of you a safe and prosperous New Year and hope to see you at Wonthaggi in the near future.

Good luck and good shooting
Keith Gray, President

WARATAH STATE NOTES

PHONE NUMBERS:

I will start this months report with a further reminder of the telephone number for the State Association — the only number that I can be contacted on at present is 067-65 9386. The 1990 "Blue Books" and the new Secretary's Handbook both contain only that number.

Western Zone Referee Examiner, Brian Holcombe also has a new number now that Burren Junction exchange has changed to automatic — his number is now 067-96 1334.

DATES TO REMEMBER:

The Glen Innes Clay Target Club are hosting the COMMONWEALTH DAY POINT SCORE CHAMPIONSHIPS at their Annual Sapphire Shoot on 4th February, Tamworth have their renowned 2 Day Open Skeet Shoot on 17th/18th February — with \$4,000 in trophies, Orange Gun Club are hosting the State Day Single Barrel Continental on 25th February and Goodooga have the State Day Mixed Targets at their annual shoot over the 10th/11th March.

STATE CARNIVALS:

Wagga will be hosting the 1990 State Skeet Carnival on the 10th/11th/12th August and the 1990 State Trap Carnival will be hosted in Tamworth over 29th/30th September and 1st October.

It should be noted that Tamworth has an influx of sporting activities over the October long weekend every year — so those planning on coming, should make accommodation arrangements early.

COACHING ACTIVITIES:

The 1990 Coaching activities get underway with Trap and Skeet at Downside on 24th February and follows up with Trap at Kempsey on 11th March and then the Southern Zone have a 2 day Trap and Skeet on Saturday 21st April at the Sydney/Marconi grounds and then onto Illawarra on the Sunday 22nd for I.S.U.

FROM THE NARRABRI CLUB:

Club Publicity Officer, Robyn Faber advises that the Club is now conducting regular monthly Skeet programmes on the second Sunday of the month commencing at 1.00pm. At least three (3) rounds of Skeet are shot including a 50 target trophy event and if time permits a round of Doubles are also shot. It is great to see the club using their facilities to their fullest and shooters from the north are asked to support the Club during the development of a regular skeet day.

FROM THE LEETON CLUB:

Leeton member and Zone Coach, Fred Schmetzer has advised of a JUNIOR SHOOT to be held at their Club on SUNDAY 25th FEBRUARY — the day after the coaching day at Downside. A Special perpetual trophy has been obtained and sponsorship to around \$400.00 has been received. I understand that they are planning to make the shoot an annual event for juniors — so support for the initial one would be most welcome. Further details are in this issue or you can contact Fred on 069-55 7270 A/H, and he will be only too happy to provide you with more information.

That's all for this month — good shooting and good sportsmanship.

Jenny Burt
State Secretary
P.O. Box 836, Tamworth 2340

MARYBOROUGH TIT BITS, QLD

As I am writing this Harry Walker has been in hospital at the burns unit for a month, but by the time you read this I hope he is back at home and feeling fit.

Our club took a stall in the flea market to sell items donated by members, items just laying around the house and not needed any more. We made a few dollars, in fact so good we are going to do it again as we have to get rid of that red ink.

Bundaberg Nov. 5 — Jason Hodgson from Warwick accompanied by his parents Beth & Glen having holidays in the area enjoyed shooting at Bundy, thanks for coming on behalf of Bundy and welcome to new shooter Trevor Baldwin. Peter Pagliarino took the trumps to his limits but missed out on OA, he clinched C grade DB c'ship and DB points along with FMHG, stiff to miss out, only just on his 50 straight. Neil Berry took the OA HG on the day with other shooters to do well being P & R Rehbein, P. Winzen, G. Sergiacomi, N. Dale, G. Plath, K. Palmer, R. Read and K. Rehbein.

Gympie Nov. 12 — A grade HG Bill Stolberg, B grade HG G. Foster, C grade HG D. Gardner. Other winners G. Durrie, B. Rowsell, S. Edgerton, K. Greensill, L. Beattie, G. Osbourne and Barry Stolberg.

Nov. 19 — Our local coaches attended Sunshine Coast Coaching Seminar and made it worthwhile with D. Osbourne winning the 25t Pts Patron Event, with G. Sergiacomi B grade 25t DB and B grade Medley. It was nice to see the coaches get rewards for the work they do, but then if coaches don't know how to shoot who does, good shooting fellas.

Maryborough Nov. 26 — OA HG P Rehbein, Int HG D. King, other winners K. Rehbein, A. Wood, D. Gardner, K. Palmer, Peter and Paul Anderson and W. Richards from Katherine, thanks to you and your wife Bill for dropping in, hope you had a good shoot and come again.

Until next time see you at the shoots.

WINCHESTER

MAJURA PARK GUN CLUB

Meeting opened at 8 p.m.

P. SIMON (PRES.) leaned back on his chair, frowned, and said with a deep breath . . . 6 weeks to the charity shoot, No. 3 trap to be finished, lanes to be concreted, trap to be moved, electrical wires to be laid, grass to be cut, safety fences to be erected, advertising to be completed and trophies to be picked up . . . SILENCE BECAME EVIDENT.

SLOWLY the committee came to life, one by one we all had something to say —

"I'll fix the club door", said Paul D.

Kim N, "I'll do the trap door, if I can get some steel". "Done!!", commented Paul T, "I'll deliver it tomorrow".

Conversation really moved along and by the end of the meeting, if everything went according to plan, we would have 3 DTL layouts ready, all trophies picked up and 2,000 tickets sold for charity.

THE REST OF THE STORY IS HISTORY.

By the time Saturday 2nd of December 6.30pm came along we had accomplished just that. No. 3 trap wired and ready to go, grass had been cut and overall the grounds looked pretty spot-on.

As the shooters arrived and settled in, one comment became repetitive, COP THE TROPHIES . . . Thereby starts another part of our story.

• Over \$6000.00 in value on the trophy table.

• (Left to Right:) A. Wilson, K. Gault, P. Simon, J. Reed, C. Tilly.

EDMENTS Jewellers of CANBERRA, our Major Trophy Base for the last 2 years, excelled themselves with ideas, namely Pierre Cardin watches, English Crystal, Sterling Silver goblets, coffee sets, tea sets, trays and many other worthwhile ideas. Our thanks go to TRACEY who at EDMENTS is always there to help Jill and Peter make the right decisions.

• (Left to Right:) P. Simon (President), C. Tilly (Kent Blue Ribbon D/B Championship).

• (Left to Right:) P. Simon, D. Jordan, Champion of Champions 30T 18 mtrs.

RJF GUNSMITHING of FYSHWICK, now recently under new management by Mr D. JORDAN (used to be the coffee boy) and wife JUDY, Doug gave us a large parcel containing two .22 rifles and a case of shells. From the committee and all the members of the MPGC we wish you both well in your new venture. Through Doug and his business MULWEX POWDERS gave us 1-7.5kg, 6-2.5kg and 10-.5kg of AS 50. A tremendous donation for our charity shoot and well accepted by the winners. This type of trophy alone must have accounted for 50% of our shooters attending our meet.

Now coming to our MAJOR trophy a KENT SLOW COMBUSTION FIRE PLACE this really set the standard, donated by Frans Velzen of the FRIENDLY FIREPLACE, Fyshwick and KENT EXPORTS of Sydney. The value alone was around \$850.00, many thanks from us.

JIPARU CELLARS (Rex to us) also of FYSHWICK and our local meeting place for some of the members, came over with a box of RED for one of our trophies. Could be that one

of our shooters would have blurred vision for quite a while, thanks Rex!

STEPHEN McKEAHNIE gunsmith from QUEAN-BEYAN also one of our members, wasn't content with the title BUSINESS MAN he has just earned another . . . DAD, so what did this have to do with our charity shoot? Baby arrived the Friday night before the weekend . . . NO shooting for dad, instead he donated trophies to us, of which the value amounted to around \$500.00. Another big thank you from our club, also all the best to you and your new family.

Again, another one of our members JOHN MARTIN of the HOTEL INTERNATIONAL at CANBERRA would give one of our shooters plus his or hers a WEEKEND at the hotel, LIGHTS OUT thanks JOHN.

TIME . . . 6.31pm SATURDAY.

Close to 50 shooters are ready to go, 2 lambs on the spit, fridge is full for after the shoot, and everybody's happy.

SQUAD 1 was called out . . . SIMON, LYONS, STRAMARCOS (SPERO) and JIMMY ALLEN get your A's into gear, 50T CONT.

A short time passed . . . No. 1 call when you are ready to see one . . . PULL, and on that note, the weekend shoot had started.

Weather was great, atmosphere of the whole club was buzzing, and that is how it went until the last shooter left in the early hours of the morning (2.00am I think). Only to get home, have a few hours sleep and back out again for the Sunday events.

SUNDAY . . . another clear day, more shooters turned up, some to check the lamb bones (NO MEAT LEFT). Others wanted to know who won what and how last night went. 6.00pm tonight you'll know all was the constant reply . . . HE WAS RIGHT.

Just after 6.00pm, shooting had finished, hands were clapping aluminium cans and mums were looking for their kids. Everyone was asked to go to the club room.

Peter Simon our president and Jimmy Allen vice-

• (Left to Right:) J. Allen (Vice-President), P. Simon (President) winner of the S/Zone S/B.

president walked to the end of the club room, turned, and with a grin from ear to ear yelled, "QUIET". It took about 5 minutes for this command to sink in, only because nobody could hear him.

Thank you's were given, general speech about the shooting, the visitors and the superb table of trophies.

It took about an hour to complete the task and as the last winner walked back to his seat, one could not help feeling that it would be hard to top this weekend shoot next year.

G. Jessop
Hon. Secretary

PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

**Tony Yozzi Sports,
460 William Street, Perth. 6000.

50 YEARS AGO . . . AND IN BETWEEN

By George Biggs, A.C.T.A. Historian

Despite the declaration of war in September 1939, Trap shooting went almost unhindered for several months after.

October 1939 was particularly busy in Victorian shooting. George Barber partnered by "Duxbac" won the Victorian Deauville Doubles Championship at Coburg with a 20/20 prs outright. Jack Bryant won the Victorian Double Rise at Seymour to make his ninth title for the year. Les Shilling, with a score of 19/25 won the Commonwealth Walk Up C'ship at Blackburn and "Eskdale" returned a break of 43 straight at the inaugural meeting of the Nobel Club on the Bentleigh grounds. Mention of the Nobel Club at Bentleigh recalls that in October 1939, the Victorian Clay Target Club and the Nobel Club merged and took over the first named club's shooting grounds at Bentleigh — the clubs were the Pioneer clay pigeon shooting clubs in Australia.

Office bearers were: President Harry Burrows, Vice Presidents J.R. Schutt and Lew Bertram. Committee: L.L. Shilling, G.C. Rutledge, Reg Hawke, G.C. Hayler, W.R. Bloomfield and W. Robinson. Acting Secretary: K.G. Rice, Fred Byers Referee.

CLUBS WITH EARLY BEGINNINGS — WANGARATTA

I am fast running out of information on early days gun clubs, i.e. clubs that were formed and operated with live birds in the days before clays were introduced in the late 1920s and have now become some of our foremost clay target clubs of today.

One such club is the Wangaratta Gun Club in north eastern Victoria formed on May 16, 1919 and still shooting today. It is one of Victoria's premier clubs.

The original site for the club was chosen to be at the rear of the present showgrounds. Live birds only were shot at this ground including pigeons, galahs and starlings. The club changed to its present position at the rear of the Vine Hotel during the late 20's. Clay targets were shot together with live birds as early as 1934 using a single hand cocked trap bolted to a large wooden block. The clay targets were usually used to fill the gaps in between the live birds events, which were still regarded with more priority.

The Wangaratta Gun Club has been host to many great gunshots including the great John W. (Calrossie) Sutherland and Newton Thomas. Shooting was discontinued during the war years due to the ammunition shortage but again flourished after the war. Betting was also

• Venue again Australian Gun Club 1951 showing the winning International Team of 20 shooters. Note the popular head gear of felt hats, and double barrel and auto shotguns. Under and Over guns were not readily available at that time, nor were shooting jackets.

popular with huge amounts often placed on a single shot. The tree under which the bookmaker operated still stands near the old clubhouse. Live bird shooting was illegalised in 1958.

GERALDTON GUN CLUB, W.A. — Established 1948 (never shot live birds)

Foundation office bearers: President Keith Gamble, Secretary Noel Glass, Treasurer Roy Skinner.

Initial club location: Geraldton Airport.

Present club location: Wonthella Sporting Complex.

Brief History Outline: Jim Williamson was the first instigator of the Club, Jim had knowledge of clay targets and live birds from Victoria. Valentine brothers arranged permission to shoot at the aerodrome with the airforce traps after the war had finished. Miss Williamson and Nora Elliott were the first two women shooters. In 1951 the club moved to the grounds of the racecourse where they installed one D.T.L. trap. Now the club is at grounds off Flores Road and has been since May 1958 — we have 3 D.T.L. traps and 2 skeet layouts.

CRESSY GUN CLUB, TASMANIA — Formed March 1911

Now one of Tasmania's popular gun clubs on the north coast, shooting clay targets.

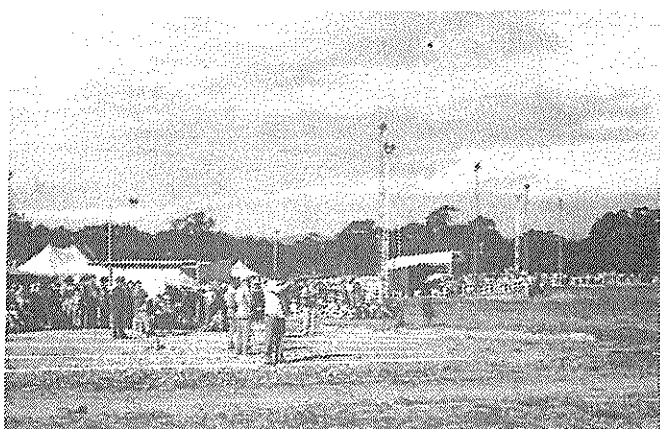

Inaugural Meeting — Cressy Sparrow Club

A meeting of shooters and supporters was held in the Good Templar Hall on Monday, September 26, 1910. M. Burton being proposed as Chairman explained the object of the meeting was to consider the desirability of forming a shooting club. Mr. G. Russell proposed that a club be formed to be called the Cressy Sparrow Shooting Club, seconded by M.H. Wheeler (Carried).

Secretary M. Wilson (pro) and J. Hill (seconded) that Treasurer L.V. Lee be appointed to fill those offices. Mr. Lee proposed that the following gentlemen be elected as a Committee: Messrs H. Wilson, P. Shirving, W. Wheeler, H. Newton, A. Gatenby, J. Hill and F. Burton. Carried five to form a quorum.

Subscription: Proposed by Mr. H. Whatley that the annual subscription be 2/6, and as it was only intended to hold two more matches for the remainder of the season it should be 1 shilling (Carried).

Proposed by W. Wheeler that the Secretary be paid 4/6 for each match, seconded by G. Russell (Carried). It was propos-

• Australian Gun Club Ground, pictured 1951 during the staging of the National Championships, showing a squad of the International Team shooting on ground 4. On this occasion the Australian team were the winners for the first time of the Mackintosh International Match. It was the fourth occasion since its introduction, England having won it on the first three. Australia's score was 1443/1500 with a 20 man team. Prior to 1951 teams of 15 shooters were selected with the best 10 to count. At a later date the team was increased to 30 as it is today.

ed by H. Newton that H. Wilson should fill that position of puller and seconded by H. Wheeler. It was decided to pay attendants 3/- each for every match. Mr. W. Wheeler was elected as umpire.

The thanks of the shooters are due to Mr. W. Wheeler for his energy in securing two very handsome trophies for competition from the local farmers.

This being all the business, the chairman declared the meeting closed.

March 25, 1911
Chairman F. Burton

• The Australian Gun Club Grounds were the venue of the A.C.T.A. Nationals for a period of 9 years while interstate facilities were developed in order that the annual tournament could be rotated around the states. Nowadays they are staged in all stages annually, 1958 being the last time at "Frog Hollow" as the Burwood location was affectionately known. Shortly after this time the Australian Gun Club went into recess. Photo shows the 1958 international team of 30 shooters. This team were also winners of the Mackintosh International Team Match, with a score of 2876/3000.

VICTORIANS DOMINATE HOSPITAL SHOOT

A strong contingent of shooters from the Sunraysia Region of Victoria took off the top honours at the Waikerie/Lowbank Field and Game 2-day Charity Shoot over the weekend of 11th and 12th November.

The Shoot was held in aid of the Waikerie Hospital's appeal to raise \$50,000 for new facilities for the casualty and operating areas and a cheque for \$1000 will be handed to the appeal.

The weather was perfect for both days and overall some 60-plus shooters contested the six events. The tremendous support by local traders as well as several big companies gave a wonderful array of trophies.

The main event, a 20 Target Double-Barrel, was co-sponsored by Greyhound Coaches Pty Ltd and "Flag International" and was arranged by the Waikerie Travel Centre.

This event was held on the Sunday afternoon and the

winner received a prize worth in excess of \$500. It consisted of two tickets on the Greyhound Express Coach to Sydney and two nights accommodation with the compliments of "Flag International". It is the second time in past years that these companies have sponsored this event.

Shooting commenced on the Saturday with a 50 Target Simulated event. A new target, a rabbit, was introduced for the first time but did not prove too difficult a target for most shooters and some respectable scores were recorded. Championship Sashes were awarded on each grade and Gus Clarkson of Mildura was a clear winner in the "A" grade with 41-50, three shooters tied for second on 37-50, again all from Mildura — they were Peter Tobin, Don Molina and Les Featherston. Peter eventually took the 2nd place with 42-55.

Cont'd over page

Cont'd from previous page

Harvey Nunn of Paringa took the "B" Grade honours with 35-50 and again a shoot-off for second between Peter Caddy (Barmera), Robert Maywald (Waikerie) and "Robbie" Robertson (Mildura). Peter Caddy won the shoot-off with 38-58.

"C" Grade went to "Rocky" Spencer (Waikerie) 30-50, followed by Mark Rover (Renmark) 25-50. Best Lady was Rita Maywald 19-50.

The "Bill Marschal Memorial Shield" for teams of four was held in conjunction with the 50 Target Simulated and saw the Mildura team of Les Featherston (37), "Robbie" Robertson (32), Dennis Moy (33) and Peter Tobin (37) amalgamate the good score of 139-200 to take the shield.

The Skeet "Spitwater Classic" was sponsored by Spitwater Vacuum Cleaners Ltd. and saw Don Molina as the only shooter to return a perfect score of 25-25 and take top position. He was closely followed by G. Clarkson, R. Robertson and Bill Wilksch (Waikerie) on 24-25. Wilksch was the first to miss followed by Robertson, giving second place to Clarkson with 28-29 and Robertson third 27-29.

After a magnificent barbecue supplied by the ladies of the club it was "lights on" for the 25 Target Night Double Barrel Championship. This event was sponsored by the Mid-Murray Pine Post Co. and the first prize was an outdoor setting of chairs and table. This trophy was eagerly sought after and the only shooter to 'cleanskin' the lot was Ray Wylie of Barmera, much to the delight of his wife Linda. Ivan Maywald (Waikerie) took second place with 24-25 and son Robert was third on 30-32 after a shoot-off with Don Molina and Dennis Moy (Renmark).

Many of the visiting shooters camped at the range overnight and were ready the next morning to start again. It was another fine day and shooting got away promptly at 10am with the 50 Target Simulated, some targets having been changed since the previous day.

Gus Clarkson and Peter Tobin again proved to be too strong for the opposition, taking 1st and 2nd in "A" Grade with 43-55 and 40-55 after a shoot-off, both having shot 39-50 over the two rounds.

In "B" Grade father and son, Ivan and Robert Maywald finished in that order with 36-50 and 34-50, whilst mother Rita took the Ladies' honours with 19-50.

"Rocky" Spencer repeated his Saturday efforts in "C" Grade, again taking 1st place with 23-50 followed by R. Shawyer (Renmark) 22-50.

The "George Handcock" Memorial Shield 15 Target Points Score saw Bill Wilksch and Don Molina drop only one point to score 44-45. This meant only using their second barrel once over the 15 targets. The eventual winner was Bill with 50-51 with Don 2nd on 49-50 and Trevor Shaddock (Renmark) 3rd with 43-45.

The big event of the shoot, The "Greyhound Coaches-Flag International" 20 Target Double Barrel, attracted the greatest number of shooters as the winner was to receive a trip for two to Sydney courtesy of the sponsor. Four shooters — Peter Tobin, Trevor Shaddock, Don Molina and Gus Clarkson all shot the possible 20-20 and then settled down to one of the most exciting shoot-offs seen at the range for many years.

First to drop out was Clarkson, followed soon after by Shaddock, then it was neck and neck with both shooters having to go and pick up more shells, when finally Molina dropped his 52nd target, giving the trip to Tobin with 52-52.

Sash Winners for the 100 Target Simulated over the two days were — "A" Grade: Gus Clarkson 80-100; "B": Ivan Maywald 67-100; "C": "Rocky" Spencer 45-100. Gus Clarkson took out the "Eddie Traeger" High Gun Award with a fine 158-185.

On making the presentations, the Club President, Ivan Maywald, expressed his sincere thanks to all whose firms etc that had sponsored the various events and who had donated trophies for all the placegetters. It was only through this generosity that the club was able to raise money for charity and he felt certain that the hospital

would benefit to the tune of approx. \$1000. He then presented the various winners with their sashes and trophies and called upon Mr John Gordon, Manager of the Waikerie Travel Centre, to present Peter Tobin with the vouchers for his Sydney trip on behalf of "Greyhound Coaches" and "Flag International".

He also gave thanks to the ladies for their efforts in providing meals over the weekend and last but not least to the shooters themselves for their continued support.

The "Hospital Raffle" was drawn by Mrs Joyce Spencer and the prize winners were Mark Webber, Ivan Maywald, Bill Wilksch, K. Napier and Robert Maywald.

General comments were that it was one of the best two-day shoots for some years and that it was very well organised and catered for.

The Waikerie Range boasts a full Simulated layout, a Skeet layout with fully auto-loading traps as well as the normal "Down the Line" trap range.

Story by John Gordon, Publicity Officer, Waikerie/Lowbank Field and Game Region, S.A.

TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

NATIONAL COACHING DIRECTOR'S REPORT

This month I would like to talk about goals. To attain success we must learn the basics, master the skills and have a positive attitude.

We can accomplish what we want if we put in the work. Yes, it is hard work, but working with a goal, an ultimate goal of accomplishment is what makes champions, successful businessmen and women, even a full and happy life.

Whatever your desire in life is, you can reach it if you sit down and work out a long term plan to achieve it.

A good friend of mine once said — "Plan your work and then work your plan" — that has certainly worked for him.

WHAT THEN ARE GOALS?

It has been said that "man" is always wanting something and doing something about his wants. Since the chief trait of a human being is wanting then his wants are his goals.

We are often quite aware of what our goals really are. If this is the case, then we are really wandering through life without direction or purpose — just hoping things will change for the better or our luck might improve.

Where then should you begin if you wish to construct a framework of goals?

Firstly you have to decide, are your goals the most important thing you wish to achieve, are they worthwhile?

Now that you know what you want then you should be able to write it down.

This being done, you should then also be able to write down the way in which you can achieve it.

For example, a shooter who averages 94% and has an overall goal of winning the National High Gun must set a short term goal of attaining 95% consistently over the next three (3) months. The plan would include positive practice, competitions and sessions with his coach.

At the end of the three (3) month period he would analyse his progress, readjust his goals as required.

Depending on this shooter's ability and dedication a plan such as this could be over a period of three or four years before the goal was achieved.

To be an achiever you have to be a "goal orientated" person who accepts establishing goals as a vital part of life. If your day to day goals are set realistically, that is, if we work hard, practise properly and can accomplish what we have set, then we have designed our goals well.

Set your overall goals high, people tend to rise to meet demands that are placed on them.

Never underestimate your own ability.

SUMMARY

1. Set a goal (long term).

2. Decide what is needed to accomplish this goal.
3. Set monthly goals that lead onto your long term goal.
4. Keep a record of achievement.
5. Learn from any failure in the past, but do not let it slow you down. See where you made a mistake and do not repeat it.
6. Avoid wasting time. Once it has passed it can never be reclaimed.
7. Stick with your goals until they become reality.

Col Burt

National Coaching Director

KNOW YOUR STATE COACHING DIRECTOR

Name: Murray Alexander
Date of Birth: 29th March 1945
Occupation: Business Proprietor (Roy Alexander [himself] & Sons)
Address: 289 William Street, PERTH, WA 6000
 Left handed shooter using Franchi Grand Prix Trap and Franchi Barrage Skeet.
Discipline Gradings
 Trap — AA 25 metre
 Skeet — B
 ISU Trench — A

First involved in shooting at the age of 8, trapping for the Perth Gun Club at Clontarf in Perth, WA. At age 12, started shooting selected events, winning first Junior event in 1957 (sponsored by the late J. Newton Thomas). Went away from shooting during mid teens, then in 1960, after Military service in Vietnam, rejoined with the Azzurri Gun Club.

Shooting Representation

- A. Won over 150 Club, District, State and Commonwealth titles
- B. Member of 15 State teams
- C. Competed at 14 National titles
- D. 1985 Australian Team member
- E. 1983 Winner of the Newton Thomas Award
- F. 1983 West Australian Clay Target Association Sports-person
- G. 1984 West Australian nominee to the Caltex Sports Star Award

Executive Representation

- A. 1980 & 81 President Azzurri Gun Club
- B. 1980, 81 & 82 President West Australian Clay Target Association

- 1986 West Australian Clay Target Association

REPORT

Coaching is the art of assisting people to participate better in their chosen sport. With Clay Target shooting, a lot of time is put into teaching the correct stance, gunfit and hold and the basics of hitting moving targets — both in long and short barrel disciplines.

Three areas that don't get much airing, but are just as important to understand are **Superstition**, **Gamesmanship** and that word **Pressure**.

Superstitions are things that most of us have in some shape or form. Generally these little quirks do not interfere in our shooting, but every now and then, one can be let grow where it can assume prime importance. Even before we call for the target. A simple example is where you may have won an important event (i.e. State Double Barrel) in which a particular shirt, shoes or cap was worn. Next time you go out to participate, you ensure that that particular item is worn. Initially this causes no problems until after several successful shoots have passed, the item is worn out, lost or left at home.

Now is the time superstition takes hold as that item is synonymous with winning and doubt about being capable of winning without it takes over.

The same goes for the shooter who continuously fiddles with cartridges in the gun, ensuring the writing on the brass is horizontal. This seemingly simple alignment can become paranoia to the point where a shooter has to take the gun from the shoulder, just to check that the cartridges are in correct alignment. If asked why they do it, the answer is generally a blank look or best of all: it ensures the pattern comes out the right way.

In actual fact it's superstition and something the mind has convinced the body it needs to do, to get an edge for hitting targets. None of the above examples have any relevance and it only clutters the mind. Once the Superstition is broken, the mind can get back to the task of simply breaking targets.

Gamesmanship should never be compared with sportsmanship as the shooter who practises it, is generally not a sportsman. We all have been a victim or seen situations where subtle tricks of one can cause another to miss targets. All too often they are missed by a referee, who is concentrating on releasing a good target. These tricks are subtle; like blowing down the barrels, late ejecting of empties, scuffing the feet and the old favourite of jiggling shells in the pocket. All of this, just on or before you call pull.

Strangely, the person using gamesmanship is generally the one who is worried the most. He is the one unsure of his own ability and uses outside interference to effect an easy win. Next time, once you realise what is happening, turn to the individual and see who it is, register and accept the problem, then return to the task of hitting your own target. Before many more clays have been broken, you the intended victim, will have turned the tables.

Pressure is a word that we hear of at every shoot and one of the most commonly used excuses for loss of a target at a crucial time. The word pressure is actually an incorrect description for what is being allowed to formulate in our minds.

Doubt is the correct term. Doubt that we don't have the ability to carry on hitting targets for as long as a big named shooter who may be next to you, or doubt that you can shoot that 25 and go onto the shoot off.

This will virtually get to a "death wish" situation where the doubt buildup causes you to miss a target so you don't have to try and compete further. This is not what is termed pressure but is letting a situation take over. To control this uncertainty, a touch of mental toughness training, from an appropriate Coach, will help overcome the doubts you may have in your own ability.

These areas need not be a problem as they can be explained with the use of commonsense. But it is still up to the individual to seek a Coach and broach the subject so help can be obtained.

SHOOTING GLASSES AND LENSES

Romancing the Target

Have you ever been to a registered shoot and marvelled at the diverse types of shooting glasses and lenses being worn by the competitors? I have been especially puzzled by the various colors of lenses being worn by some very good shooters. I kept asking myself "what are those purple lenses for?" or "Why are some of these world beaters wearing orange lenses while others are wearing brown or red?"

I've also wondered if there was any specific combination of lens colors that a shooter should have to be prepared for any possible light and target situation. If there were an answer to that question, then why aren't all of the good shooters wearing the same lenses on any given day? Finally, I spoke to Bud Decot of Decot Hy-Wyd Sports Glasses, Inc. His glasses and generic copies of his design seem to be the predominate models worn by competitive shooters, so I figured that he would be the one to ask. Specifically, I asked him what the various colors are for, what his most popular colors are, and what he would recommend if someone had to choose three lens colors and stick with them under all conditions.

The first thing that he said was that you have to "romance the target color." In other words, you have to use a lens that will isolate the target from the background and make it as easy as possible to focus and concentrate on that target. Unfortunately, everyone sees colors differently and their perception of any color is different. Some trial and error is probably necessary to discover what lens color is best for any individual shooter. It would also depend on where you are shooting. For example, someone who shot against a predominantly green background would have different needs than someone who shot against the sky.

There are several colors that are appropriate for enhancing that orange target, and any one of them might do the job. According to Bud, however, the most important thing is to use the lightest tint that you can possibly stand on the brightest day. There is a very logical reason for this. The more light to which your eye is exposed, the more your pupil will constrict. If your pupil is constricted, you will experience better focusing ability and superior depth perception. Therefore, you will be able to pick up the target more rapidly, focus on it more clearly, and shoot better as a result. Anyone who has operated a manual camera always creates a greater depth of field and a greater likelihood of the picture being in focus.

Once again, the single most important feature of your glasses, other than proper prescription, should be having them as light in tint as you can stand.

When was the last time that you saw a pro golfer wearing sunglasses? They don't wear them because in their sport depth of field and distance judgement is crucial. It is also crucial in skeet shooting.

The following is a description of the most popular and functional lens tints available the Hy-Wyd sports glasses range.

1) Target Orange - This is his most popular color when combined with the Blu-Ban, which filters out light from the blue part of the spectrum. Blue is a "long" light wave, and consequently is difficult to focus. Eliminating it makes the target seem sharper and more in focus. The orange enhances the orange of the target.

2) Target Sun - This is that "purple" color that I wondered about. It is really a combination of grey and vermilion. It dampens green and enhances an orange target against a green background. It is very popular in the east where many skeet fields back up against large trees.

3) Target Gold, Yellow, and Clear - All of these lenses are used to bring in as much light as possible on foggy, dark days and under the lights at night. A new wrinkle for these lenses is the reflection-free coating. A normal lens will allow about 95% of the light through. The reflection-free coating increases this to 99.5%. It is supposed to be a real advantage, but is also somewhat costly as it is a patented process. Also, you have to be very careful cleaning them.

4) Target Bronze - Another popular all purpose lens. The current variety has Blu-Ban orange in it and it is good for general shooting use.

Green and Grey - neither of these colors do anything to enhance the target. In addition, the green will enhance a green background and actually disguise the target. He gets orders for these colors from shooters and eye doctors who don't know the difference between sunglasses and shooting glasses.

There are actually eight different variations of Decot Blu-Ban and Ultra Violet blocking lenses including lite orange, medium orange, lite tan, medium tan, bronze, burnt orange, and vermilion. They are all intended to be general purpose shooting lenses. Because they change the way that you see colors, blue blocking lenses should be worn only before and during shooting. Do not use them as sunglasses or for driving. The FAA has told pilots not to wear them all of the time for this reason.

All through our conversation, Bud kept emphasising the importance of using the lightest tint that you can tolerate. He also implied that you can acclimatise yourself to a lighter tint by forcing yourself. Someone who works in an office all day and then wears extra dark sunglasses for driving and general outdoor use will have problems with the light tints at first. You have to get your eyes used to it over a period of weeks.

Your eyes can become over sensitized to light for many reasons. Bud specifically mentioned nicotine and alcohol as prime offenders. They sap vitamins from your eyes and make them light sensitive. A two pack a day smoker will nearly always have to use a darker shade of lens.

It took a while, but I managed to finally pin Bud down on his selection of three lenses for all occasions. Actually, he said that most shooters could get by with two sets. First, he recommends a pair of gold 15 or yellow lenses with the reflection free coating for dull days and night shooting. Second, he recommended a pair of Blu-Ban lite target orange for most general purposes. All sets should have the UV filter, of course. If someone felt they had to have a third set of lenses, he recommended either the purple for whenever you have to shoot against a green background, or a darker set of some type for extremely bright conditions, but only if you are very light sensitive and can't do without them.

Bud feels very strongly that we control the efficiency of our vision by how we treat our eyes. He says that even a middle aged guy can change his vision in two to four weeks using proper exercise and acclimatisation to light. He referred me to two books that deal with this subject. They are "An Insight to Sports, Featuring Trapshooting and Golf" by Dr. Wayne E. Martin, O.D., and "Sports-Vision" by Leon Revien, O.D., and Mark Gabor.

WAGGA GUN CLUB

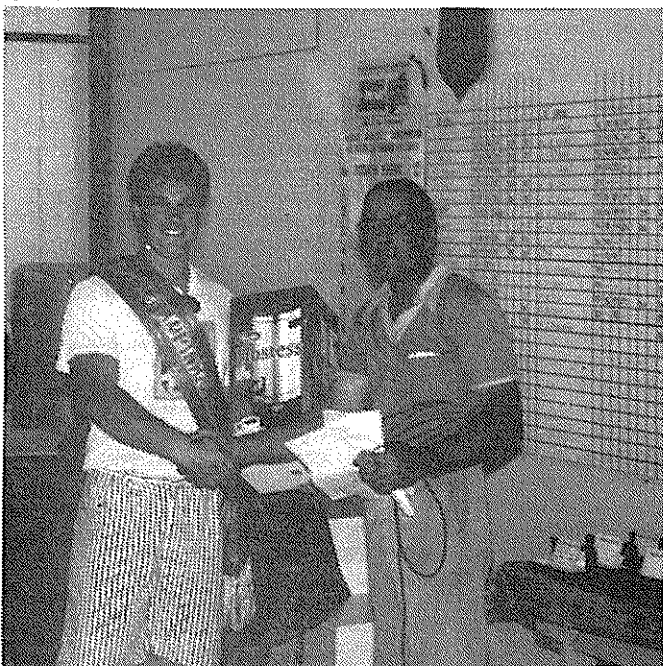

SKEET SMALL GAUGE SHOOTING & PRE-NATIONAL CHAMPIONSHIPS

Many long hard months and hours of work went into the Wagga Club grounds to be in A1 condition for the Skeet Nationals.

The first ever small gauge shooting Championships to be held in Australia was conducted at the Club in association with the A.S.S.A. in conjunction with local sponsors and the Pre-National program.

Adrian Cousins - Outstanding Pre-Nationals

Craig Meuleman and Barney Rooke - Craig is the 28g Champion, Wagga 1989.

Shooter numbers were as expected, a good roll-up for the first ever Championships. These were conducted on Saturday 11th and Sunday 12th November.

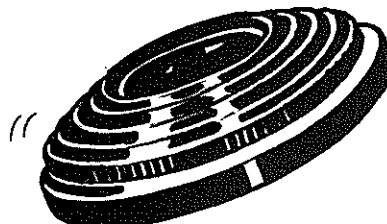

Those shooters who attended and competed in the smaller gauges were most impressed (especially the older shooters), even though their scores in some cases dropped off.

Thanks to all those shooters who willingly loaned their gauge guns for other shooters to use.

The small Gauge shooting was certainly a success!

Weather conditions over the 10 day period ranged from extremely hot, cool, humid, thunderstorms and heavy rain. Certainly not the usual weather for Wagga for that time of the year.

Cont'd from page 22

During the Pre-Nationals the club organised a few BBQ's, this was well supported by the shooters and thanks to those hard working cooks and ladies in the kitchen.

It was a great opportunity to catch up with friends and reflect on the smaller gauges before the serious shooting started.

Saturday 11th saw 26 competitors compete in the 12g and 23 in the 28g.

Event 1/: 100tgt ASSA 12g Championship — sponsored by A.S.S.A.

O/A Adrian Cousens Bairnsdale 100/100
AA Craig Meuleman Frankston 124/125
A Warren Charlton Downside 109/110
B Michelle Siggs Brisbane 95/100
C Andy Sanders Wagga 79/100

Event 2/: 100tgt ASSA 28g Championship — sponsored by Customs International

O/A Craig Meuleman Frankston 114/117
AA Adrian Cousens Bairnsdale 113/117
A Bob Old Melbourne 96/100
B Mario Costa Melbourne 73/100
C Michael Rooke Wagga 84/100

Sunday 12th saw 24 competitors in the 20g and 21 in the 410g.

Event 3/: 100tgt ASSA 20g Championship — sponsored by Wagga Leagues Club & Coca-Cola

OVER/ALL HIGH/GUNS

Open: Doug Siggs Brisbane 213/214
Ladies: Michelle Siggs Brisbane
Veteran: Alf Najjar Wakehurst 201/210

The Wagga Committee would like to thank all those who assisted in anyway to help the Pre-Nationals and Nationals run smoothly.

To our Sponsors for their ongoing support and sponsorship, without this the Championships would not have been such a huge success.

Shooters who attended who agree that the Media Coverage was excellent. Daily coverage for the whole carnival was supported by the Prime Network (television), The Daily Advertiser, Riverina Leader and 2WG Radio.

The Wagga Club is indeed a very lucky club with local Sponsorship, support from the Wagga Wagga City Council and people within the City, Media Coverage, Clubs and Entertainment and a high standard of accommodation.

Welcome to our NZ, American and English visitors, we hope you enjoyed your stay and will be back again soon.

Next August Wagga will again host the NSW State Skeet Carnival, so organise your accommodation soon.

Until next time around the shoots,

Maree Rooke

WANGARATTA CLAY TARGET CLUB

Wangaratta Junior Skeet shooters achieved success beyond their highest expectations at the National Skeet Championships conducted in November at Wagga, NSW.

Thirteen year old Robbie Holloway shot exceptionally well at the pre Nationals to achieve his first ever 25 target break, and also took out 2nd place in C Grade Pre National Championship with a score of 46/50.

Robbie's fifteen year old brother William shot beyond his wildest possible dreams by taking out the National Junior Skeet Championship with a score of 108/112, 3rd in B Grade National Skeet Championship scoring 134/138 and 3rd C grade National Double Championship. William also shot his first ever 25 target break then a 75 target break the following day.

The Holloway brothers have only been shooting skeet since May, therefore their performances are highly commendable.

Thirteen year old Richard Sammon may be small in stature but is big in ability and performances. Richard won the National Junior Double Championship with a score of 46/50, and the Commonwealth Junior Skeet Championship scoring 101/108. Richard also obtained his first 50 break — not bad for a lad who has been shooting skeet for less than two years and is so tiny that he can hardly see over the nomination window at the Secretary's office.

The three lads also featured in the count for the Junior High Gun with William running second, Richard third and Robbie fifth.

Other Wangaratta members who did well were Trevor Jones who took out first B Grade Skeet Championship with a 50/50 and Brian Sammon with a third in C Grade City of Wagga Championship scoring 55/59.

Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

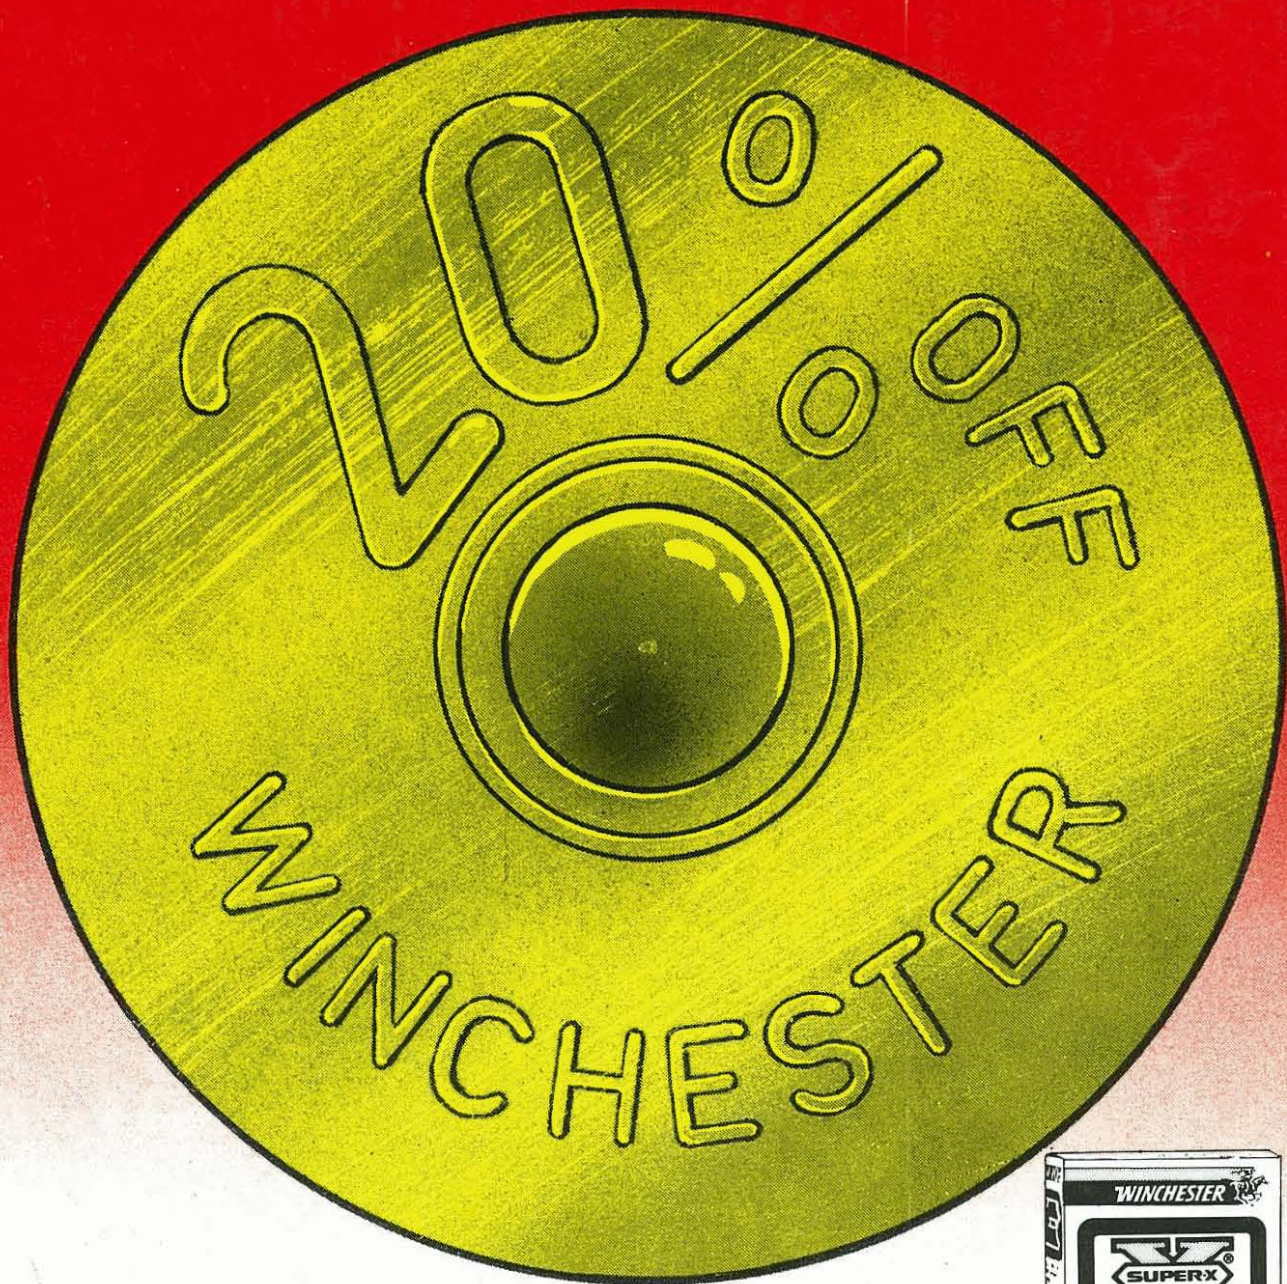

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength 2¾" load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.

This brand new Beretta breaks many traditional conventions – including **price**.

See your local Gun Dealer now for the lowest price on the toughest auto in the world.

New Lower Prices on Field Shotshells.

Winchester have reduced prices on selected premium field loads by up to **20%**. Current pricing of SUPER-X, DUCKLOAD, RANGER, SUPER RANGER and BUCKSHOT has never been more competitive. All these legendary loads are made right here in Australia — specifically for Australian conditions. Every component is scientifically designed to exacting specifications and subjected to the industry's most rigid quality control measures. The matching of Winchester's quality components with the world's most advanced manufacturing techniques is the key to Winchester's unbeatable performance. There are no better hunting cartridges.

NOW BUY THE BEST FOR LESS.

WINCHESTER
