## EXECUTIVE DIRECTOR'S NOTES

Owing to printing deadlines it is not possible to publish a report on the recent National Trap Championships in this month's C.T.S.N. It is possible however to report that the T.C.T.A. conducted the Nationals at the Tasmanian Gun Club at Evandale under shooting conditions which did not disadvantage any competitor and on behalf of all those who competed in Tasmania we extend our appreciation for the efforts of the host State Association who certainly enjoyed the opportunity to have the National Trap Championships return to their state after an absence of some fifteen years as did the shooters of Tasmania who supported the state with their attendance.

The Mackintosh team events were shot using 1oz loads and it will be interesting to see final results from other countries when they come to hand.

A report on the Tasmanian Nationals will be published in the June C.T.S.N. which will contain all details including the very well received win by Kevin Perkins of Illawarra Gun Club as the Overall High Gun which won for him a Beretta S05 Shotgun made available to the Association by the Winchester Division of Olin Australia.

An elimination for the 1990 World Championships Team will take place at the Melbourne Gun Club over three days, May 25, 26 and 27 and all I.S.U. shooters are invited to compete in the event being shot in conjunction with the elimination.

The Executive Committee will be meeting in Melbourne during May and this will be a busy time for those who have been elected to the National body. A full report on the outcome of the meetings will be provided via the earliest possible C.T.S.N.

The organisation of the 1991 World Shotgun Championships is well underway with a report from the Chairman of the organising committee published in this month's C.T.S.N. While problems will no doubt be encountered, every effort is being made to ensure the success of the Championships when they are held at Whiteman Park in Western Australia.

The matter of Ladies and Junior teams will be discussed at the May meeting of the National Shotgun Committee who will be placing a recommendation before the Executive to ensure that every opportunity is afforded the Ladies and Juniors to participate and be competitive. Details will be published once the matter has been determined.

Alan J. Maher

### ACTA CLOTH BADGES

Embroidered cloth badges in the same coloured design as the new ACTA badge as depicted on the front cover of CTSN are available through the National Office at \$5.50 each including postage.

Please forward \_\_\_\_\_ badge(s) at \$5.50 each including postage, to:

NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

\_\_\_\_\_ P/CODE \_\_\_\_\_

Enclosed payment of \$ \_\_\_\_\_ for \_\_\_\_\_ embroidered ACTA Badges.

## N.T.S. WORLD CHAMPIONSHIP ELIMINATION Olympic Trap — I.S.U. Skeet

MELBOURNE GUN CLUB

May 25 - May 27

Friday 25th May —

100T Elimination at 1.00pm for N.T.S.

Saturday / Sunday —

200T Elimination at 10am for N.T.S.

OPEN —

200T Melbourne I.S.U. Championship

Overall Sash & Trophy

Grade Winners AA.A.B.C. Sash & Trophy

U.I.T. Finals System to apply —

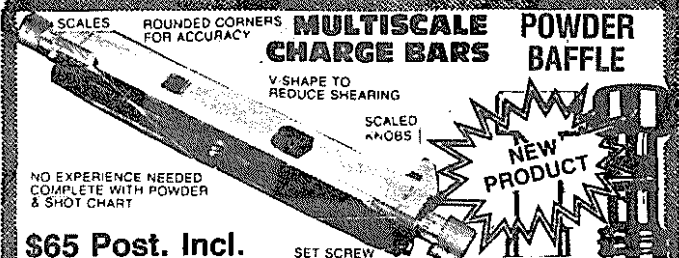

Nomination \$65.00

Practice available Friday 25th May 10am-12 noon

National Training Squads to eliminate over 300T under the direction of World Championship Team Manager Robert Smith, shooting as a squad over their 300 targets.

The ACTA acknowledges the support received from the Melbourne Gun Club who have made their facilities available to enable the National Training Squad to eliminate for the 1990 World Shooting Championships and the 1991 Oceania Games which is an Olympic Games Quota Competition.

*All shooters are invited to participate in the 200T Melbourne ISU Championships over the weekend of May 26-27.*

\$65 Post. Incl.

### ALL METAL UNIVERSAL CHARGE BARS

MODEL 'C' — for the MEC 600 Jr, 700 Versamec, Sizemaster 77, MEC 600, 400, 250 and 250 Super Reloaders, and the Texan LT, GT and FW models.

MODEL 'D' — for the MEC 650 and Grabber models.

\$20 Post. Incl.

For MEC Shotshell Loaders made of diecast zinc. Install between Powder-Bottle and Charge Bar.

The POWDER BAFFLE provides an even powder density during operation and therefore uniform charges. It is made of diecast zinc and nickel-plated. It is mounted on a reloading machine between the charge bar (standard or universal) and the powder bottle.

The Model "C" and Model "D" are fully adjustable charge bars for powder and shot; shot-capacity from 1/2 oz. to 2 1/4 oz. and powder-capacity from 12 grs. to 55 grs. They come complete with a powder and shot-chart with 487 powder and shot-settings. Both models are for field and target-loads, and for all gauges.

- ALL METAL construction (made of high precision diecast zinc).

- Definite BOTTOM GUIDES for powder and shot-valves (no floating valves).

- Highly SIMPLIFIED method to read scales and to adjust knobs. In fact, the NEW ADJUSTING METHOD is part and parcel of our U.S. and Can. Pat. It's a cinch.

# PUBLIC LIABILITY POLICY

The Public Liability Policy that has been arranged for the A.C.T.A. by C.E. Health Casualty & General Insurance Limited is designed to provide specific protection for the Association and its registered members.

The A.C.T.A. Public Liability Insurance Policy protects the Association and its members from being sued for alleged negligence/blame attaching to an incident causing property damage or bodily injury.

If any person is injured in any way where no blame can be attached to the A.C.T.A. and its members, any claims that may be made would not be recognized under the policy conditions as it would be classified as a claim against a policy that the person may have in force on a personal basis or in the case of a registered shooter, a policy arranged for them by the A.C.T.A.

Protection is afforded to the following who, subject to certain conditions, are considered to be members of the A.C.T.A.

1. State Associations
2. Registered Clubs
3. Registered Shooters
4. Voluntary Workers
5. Club Visitors participants and observers
6. Life Members/sponsors

**1. STATE ASSOCIATIONS** — Organising and controlling shooting events in accordance with the rules and regulations of the A.C.T.A.

**2. REGISTERED CLUBS** — (A) Subject to payment of the prescribed affiliation fee as may be decided by the A.C.T.A. from time to time.

(B) Organising and controlling shooting events in accordance with the rules and regulations of the State Association (respective) who are operating under the rules and regulations of the A.C.T.A.

**3. REGISTERED SHOOTERS** — (A) Subject to the payment of the prescribed registration fee as may be decided by the A.C.T.A. from time to time.

(B) Acting in accordance with the rules and regulations of the club (respective) which is operating under the rules and regulations of the State Association and A.C.T.A.

**4. VOLUNTARY WORKERS** — (A) Acting in accordance with the rules and regulations of the club, State or National Association whilst undertaking their voluntary duties.

(B) Provided always that such voluntary workers are registered as members of the Australian Clay Target Association on the master register maintained by the Australian Clay Target Associations with a description of their duties.

Additions to or deletions from this master list are to be notified to the A.C.T.A. office as they are known.

**NOTE:** Voluntary workers to be registered with the A.C.T.A. are to be restricted to those persons likely to assist on a voluntary basis only.

Paid personnel such as trappers, trap mechanics or any other paid staff are subject to the provisions of the workers compensation act and protection must be obtained for them from the appropriate authority.

**5. CLUB VISITORS** — (Participants and Observers)

(A) Must be registered as such (club visitor) on the register to be maintained by each club for that specific purpose.

(B) Must at all times be under the control and supervision of registered A.C.T.A. shooters.

(C) Must be participating in accordance with the rules and regulations of the respective club, State Association and A.C.T.A.

(D) Visitors, other than children who must be under the care of a responsible person, must at all times sign the

visitors' book which must be provided by all clubs for that purpose.

(E) In the event of a visitor or visitors to the club negligently causing injury or damage to any person or property, any actions that may be taken would need to be directed towards the person or persons concerned.

**NOTE:** Any organised event for participating visitors, such as school children etc, who are not registered shooters with the A.C.T.A. must first of all have been officially ratified by your club at a constituted meeting and minuted accordingly.

Should this requirement not be complied with then difficulties could and may possibly arise in the event of a claim under the Public Liability Policy.

**6. (A)** Clubs who have life members or similar, where no affiliation fee is paid to either the Club or the A.C.T.A. by reason of their inactivity in the sport at Club and/or A.C.T.A. level are fully protected under the same conditions as would apply to "registered shooters".

(B) Clubs who may have sponsors or the like attending their premises as "Honorary Members" on a more frequent basis than would be seen to be a visitor are fully protected under the same conditions as would apply to registered shooters.

**7.** Clubs conducting events that are outside the rules pertaining to regular competition, which are broadly known as "Novelty Events" are fully protected under the terms and conditions of the A.C.T.A. Public Liability Policy providing that all other conditions relating to the safety etc. have been complied with.

This protection extends to shoots conducted between different shooting disciplines such as a combination of Clay Target and field game.

**8.** Clubs electing to become Incorporated bodies should be able to use the master A.C.T.A. Policy to fulfil the requirements of Incorporation, therefore eliminating the need for any club to maintain a Public Liability Policy in addition to the A.C.T.A. master policy unless cover in excess of \$2,000,000 is required.

Paid employees must at all times be protected under the workers' compensation act.

**9.** Situations arising that may not be covered in this policy summary will be clarified upon request.

The existing policy therefore extends to all persons likely to be on the grounds for a Club, State or National event.

The need for individual Club or State Associations to undertake a policy of their own is eliminated other than they may require cover for an amount in excess of the existing \$2,000,000.

**10.** Cover is extended to include (A) — Visitors attending National State Zone, International Championships are exempt from the requirement to sign a visitors register.

(B) Member to member whilst participating in any event.

(C) Erection, demolition, alterations, additions to buildings including club house and trap houses for the portion of the work undertaken by voluntary workers does not extend to any works carried out or undertaken by contractors or sub-contractors.

(D) Registered shooters involved in coaching or instruction are indemnified.

**11.** All shooting events must be sanctioned under the rules of the National body.

**12. NOTE:** Club shooters, not registered with the A.C.T.A. are not covered under any circumstances other than operating as a voluntary worker at an organised event. This category of shooter-member is solely a club responsibility and insurance cover should be considered at all times as a club expense.

**13. FOR INFORMATION.** Further extensions included within the policy are Member to member, Food and Drink Care, custody and control, Medical and welfare facilities, Tenants' liability, Hoists, cranes and unregistered vehicles, Car Parking, Cross liabilities.

Alan J. Maher, Executive Director.

# VICTORIAN DOUBLE RISE MARATHON

When a New South Wales team issued a challenge in January to try to beat a score they posted over 5000 double rise targets the Victorians were quick to respond.

Steve Haberman soon organised Steve Atkins, Graham Boyd, Bill Iles and Russell Mark to join him in the challenge match to be conducted at the Geelong Clay Target Club on March 10.

Word spread throughout the State about the likely outcome, who should be in the team and who shouldn't and who would shoot the most and who would break the least. In fact well-known local identity Tony Bradshaw made the very big statement that one particular shooter in the squad would finish so low down that they would have to hire a "Kato" to dig him out!

The match got underway at 10 a.m. in absolute perfect conditions. The Geelong club had made every possible precaution to throw ideal double rise targets by offering two trap boys, their best of the five traps available and a new trap-arm rubber and plate.

Scores were high from the outset. No wind and a perfect background contributed highly. The event was conducted in 20 rounds of 25 pair with Russell Mark getting off to a good start with a 49 followed by Steve Atkins with the same in the second. Graham Boyd was the first to post a magical 50 in his third round. This was to be one of 19 perfect rounds shot for the day.

By 1 p.m. a large crowd had gathered on the hill behind trap 2 and on the public road behind the club. Shooters had travelled from all parts of Victoria to watch the record attempt and none were to be disappointed. When the squad stopped for lunch after the twelfth round Russell Mark and Graham Boyd had both posted amazing long run breaks of 144 pair and 131 pair respectively. Double Rise shooting of this calibre had certainly never been seen before in Australia and possibly never will be again.

The squad shot the last pair at ten minutes past three with the final round producing the near perfect score of 249-250.

A final total showed a team score of 4821-5000 (96.42%), 790 targets clear of the New South Wales team.

1000 targets per shooter in five hours and ten minutes was not a bad effort, but fatigue surprisingly never entered into the event. All of the shooters with the exception of Bill

The record setting Victorian Double Rise team. Russell Mark, Steve Haberman, Bill Iles, Steve Atkins and Graham Boyd. Carol Zagor (referee) and Roslyn Viney (scorer) stand in front.

Iles opted for either 3 dram 1½ ounce shells or less with Steve Haberman and Russell Mark using a combination of 1 ounce loads.

The event certainly created much interest and even the local media were keen to cover the event. Thanks must go to Steve Haberman for organising the squad and other associated duties, but more importantly the Victorian team would like to thank Mike Fisher and the other N.S.W. shooters who had a go from the outset and issued the challenge. It's now up to other States to see what sort of score they can post.

Finally thanks must be given to the Geelong Gun Club for providing the grounds for the day, Bay City Clay Targets for the donation of the targets and our referee Carol Zagor and scorer Roslyn Viney who worked the entire marathon and did an absolute fantastic job. Thanks Girls! A special thank you to Jamie Cleary for installing the traps, and thanks to Winchester for their support.

S. Haberman

# KNOW YOUR STATE COACHING DIRECTOR

**Don Stevens, South Australia**

Don commenced clay target shooting in 1975 at the Arnhem Gun Club in the Northern Territory. He was Gun Captain from 1976 to 1985 and during that time doubled up 2 years as President and 2 years as Treasurer. Don was a delegate to the N.T.C.T.A. for six years. He has been coaching since 1980 and has 43 years of experienced shooting behind him competing in largebore, smallbore, pistol and archery along with clay target shooting.

## **DON'S SUGGESTIONS ON PREPARING TO COMPETE AND COMPETING**

The following are 10 points on how one could be preparing with bigger competitions in mind:—

1. **PRACTICE:** Always practise at full pressure. Better 25 targets with maximum concentration, than 50 or 75 anyhow.
2. **DRY PRACTICE:** Practise your muzzle control. Five minutes per day will do wonders. Learn to control the muzzle of your gun by following along house guttering, power lines, tree branches, corners of rooms, picture rails etc. Practise in front of a mirror also. Dry practice is great and "cheap".
3. **MENTAL PRACTICE:** Mental simulation of the task at hand. You should have done it so many times **PERFECTLY** in your mind that the event will be just like practice and a formality.
4. The minutes prior to any event should not be of great pressure if you have followed faithfully and practised 1, 2 and 3 above. A few slow deep breaths will disperse tension.
5. At the start of any event "Make a Bird" of the first 2 or 3 Targets. By that I mean do not rush or try too hard, just shoot within yourself, making sure you see the target **CLEARLY**.
6. Build up a little saying, that you can repeat each time you load your gun to take a target — Such as "See it, then shoot it" or "See it, then shoot it smoothly". This will stop the tendency of jumping the target.
7. Make sure you call clearly, so as to receive even and good releases from the referee. Many referees are unfairly blamed for poor releases when in fact it is the shooter's poor call that is at fault.
8. Make sure you have enough shells for the round and of the shot size you prefer to use. Often the fact of running low on shells or shot size gets the mind off the job at hand, which is, — **SHOOTING EACH TARGET AS AN INDIVIDUAL EVENT.** Remember from 15 metres shot size has very little, if any, bearing on your score.
9. Build up a good steady rhythm in your shooting that will fit in with most squads, as it will help you shoot better without developing extra pressures.
10. Remember to shoot your own targets and let everything else take its course. You cannot be running the squad in your mind and shoot well. Concentrate on your own shooting of the targets — **"ONE AT A TIME"**. Relax after each shot you have and then build up concentration again just before your next turn.

Remember, if you have practised the above 10 points then you can expect to perform well and you should think positively in that vein.

# WARATAH STATE NOTES

## **PRESIDENTIAL MEDAL**

Firstly this month, on behalf of shooters Australia-wide and his fellow N.S.W. shooters, may I offer sincere congratulations to Guyra Club Secretary, Rex Varley, on having been awarded the Presidential Medal during the recent Tasmanian Trap Nationals. Truly a fitting reward for one of the gentlemen of our sport. For a person to serve as Club Secretary for over 23 years in itself is a remarkable achievement, let alone all the time and effort that Rex puts into the sport as a whole. Congratulations Rex.

## **SCHOLARSHIP/GRANT APPLICATIONS:**

I would like to make mention of two (2) available grant allocations that can be applied for by an individual sportsperson and secondly Clubs can apply under the Capital Assistance program.

For individual shooters a scheme providing sportspersons with outstanding potential from N.S.W., the opportunity to fully develop their talents. The appropriate application forms are available from myself or from your local office of the Department of Sport, Recreation and Racing.

It should be noted that the N.S.W.C.T.A. in consultation with the Department have set a closing date for these applications as 31st May each year — meaning your applications will have to be in my hands by that date. This will allow the Executive to address each one received at their June meeting, and then forward to the Department for their July assessment.

Should you require further information about this assistance, please feel free to contact myself or your local Department of Sport and Recreation.

The second available grant is under the Capital Assistance Program and the closing date for it will be October. The application forms are available from your local Council Chambers and the applications have to be returned to your local Council.

Two clubs in N.S.W., that I know of, have been successful with the applications that they put in last year — so why not obtain a form and see what is involved — you may also be in the running for some Government assistance to improve your facilities.

## **FROM THE COACHING DESK:**

The Western Zone will be holding a 2 day coaching session at the Dubbo Gun Club on 5th/6th May. Both Trap and Skeet instruction will be given and the weekend is open to any interested shooters from any zone.

A further reminder of the Central Zone weekend — 30th June and 1st July. The program is for Trap at Cowra on the Saturday and then over to Bathurst for Skeet on the Sunday. Again, anyone may attend — it is not just for Central Zone shooters.

## **FROM THE CENTRAL ZONE:**

Cowra have been granted two program changes from what is printed in this year's Blue Book and they are as follows — 5th August — delete Central Tablelands S/B and Zone Deauville Doubles and have the Cowra Gold Cup event as a 100 target event.

The second alteration is the 6th October — delete the 50 target event and replace with the two championships deleted from 5th August. Could you please make these changes in your books?

## **FROM THE NORTHERN ZONE:**

Skeet shooters are again reminded of the Zone Skeet Carnival and Team eliminations being held at Coffs Harbour on 16th/17th June — should be a great weekend so don't miss it.

The Zone Trap Carnival was held at Inverell in March and attracted 66 shooters both days with some excellent results being achieved. Full report this issue.

The Tamworth Club will be holding the State Ball Trap and State Double Trap Championships on 3rd June com-

mening at 9.00 a.m. — further information from Rod Prior — (067) 66 1455 B/H.

#### FROM THE RIVERINA ZONE:

Preparations are well in hand for this year's State Skeet Carnival, being hosted in Wagga on 10th/12th August. Again this year there will be 5x50 target events and only the Saturday and Sunday events will be included in the High Guns — to allow for those who are unable to get there on the Friday to still be in the running for the High Gun awards.

For the Trap shooters, the 19th August is the Open Shoot at Narrandera commencing at 9.30 a.m.

#### FROM THE SOUTHERN ZONE:

The Illawarra Club are hosting the State Day Double Barrel Cont. during their open shoot on the 9th/10th June. The next I.S.U. Elimination in the Sydney region will be hosted by the Sydney Club on 7th/8th July and will comprise 200 targets each of Olympic Trap and I.S.U. Skeet.

#### FROM THE WESTERN ZONE:

As previously advised, the Cobar Club are hosting the Western Zone Trap Carnival and Team Eliminations on 26th/27th May and then on the following weekend — 2nd/3rd June the Annual Golden Fox shoot will be held at Dubbo — always very popular.

Dubbo will then host the Zone Skeet Team elimination and Championship on Saturday 28th July.

#### NEW SECRETARIES:

Sunny Corner have a new Secretary, Arthur Wright and his address is P.O. Box 73, Portland 2847 — work phone is (063) 51 2457. At Glen Innes their new Secretary is Mrs Cathy Holliss, 114 West Avenue, Glen Innes 2370 and her phone number is (067) 32 3264. At Narrabri, Linda McPherson is still their Secretary, but her address and phone number have changed to "Mulgamah", Narrabri and phone (067) 93 7569. If you make these alterations in your Blue Books — you will then have the correct contacts.

#### 1991 CLUB PROGRAMMES:

A final reminder that ALL clubs must have their 1991 shoot programmes in the hands of their respective Zone Secretaries no later than Friday 25th May. Clubs with I.S.U. and/or Ball Trap facilities must also provide a copy of their program to the Secretary of the I.S.U. Sub-Committee by that date.

Jenny Burt  
P.O. Box 836, Tamworth 2340  
(067) 65 9386

## VALE H.T. "CHARLIE" THOMPSON

A shooter possibly unique in Australia has passed on. Charlie Thompson started clay target shooting as a very young man, and when St George became the first Queensland Gun Club to be affiliated with the central body in Melbourne he became registered shooter number 0072 on 1st January, 1937. Later he became a life member of the Association.

Moving to the Stanthorpe district, Ballandean has been his home Club for the past 25 years. Being registered for 53 years and shooting continuously for that time is a record attained by few.

During that time he was a more than capable shooter, winning many very notable events in his earlier days and winning a championship at Ballandean a few months before his death.

A gentleman who shot to enjoy his sport, Charlie Thompson will leave Clay Target Shooting the poorer for his passing.

# TASMANIAN STATE TRAP CHAMPIONSHIPS

The Tasmanian Clay Target Association conducted the State Trap Championships on the 24th-25th of February, 1990 at Tasmanian Gun Club, Evandale. A record number of 110 competitors attended from all over Tasmania, and regular mainland visitor, Andrew Kinnear from Warrnambool, Victoria. It was great to see you here Andy, we hope you come again next year.

State President Allan Kenny had his office staff, under the guidance of State Secretary Kaye Woods, all ready for the first event on Saturday morning. No need for jumpers and raincoats this year, brilliant sunshine on both days, so the scene was set for the best carnival ever held in Tassie.

Event 1 on the programme was the State Double Rise Championship, sponsored by Gun Sales and Service of Launceston. The Overall winner was Allan Kenny of Hobart with 46-50.

● Allan Kenny accepting State Double Rise Championship trophy from Graham Blaskett of Gun Sales & Service.

Grade winners were AA — Stuart Browning, Hobart — 45-50. A grade — Bevin Swan, Cressy — 43-50. B grade — Craig Davey, Cressy — 42-50. C grade — Don Barr, St. Helens — 43-50. Lady — Nanette McCullam, Bothwell — 43-50. Junior — Justin Bryan, Devonport — 48-70 and Veteran — Kev Aylett, Devonport — 38-50.

Event 2 was the State Points Score Championship sponsored by the Trustee's of the Huonville Gun Club. The Overall winner was again Allan Kenny of Hobart with a very good score 206-207. Grade winners were: AA — Stuart Browning, Hobart — 149-150. A — Bevin Swan, Cressy — 205-207. B — Craig Davey, Cressy — 160-165. C — Robert Browning, Hobart — 149-150. Lady — Nanette McCullam,

Bothwell — 142-150. Junior — J. Cruse, St. Helens — 142-150. Veteran — Kev Aylett, Devonport — 140-150.

Event 3 was the Don Taylor Inter Club Teams Match and this year was won by the Bothwell Gun Club with a score of 99-100. The team members were I. Moody, M. Jones, G. Arnol, A. Bennet, R. Browning. Well done Bothwell.

The Ladies and Junior State Teams were selected over Event 2. The State Ladies Team for 1990 is Nanette McCullam, Sue Yates, Janet Browning, Cheryl Arnol, Doreen Aylett and Alison Blaskett. Team High Gun was Sue Yates.

The State Junior Team for 1990 is Jamie Cruse, Drew Curbishley, Justin Bryan, A. Balsley and Jason Synfield and T. Branch. Team High Gun was Drew Curbishley.

Sunday morning and the conditions were excellent, fine and warm with no winds, zinc cream, hats and sun glasses were the order of the day.

Event 5 was the State Double Barrel Championship, sponsored by the Aylett Family and Winchester. Eleven possibles were on the board, so the scene was set for a good shoot off. The Overall winner for 1990 was Roydon Swan, Cressy with 194-194. The grade winners were: AA — Graham Blaskett, Cressy — 193-194. A — Bevin Swan, Cressy — 66-66. B — Phillip Turner, Devonport — 66-67. C — Alf Bennet, Bothwell — 58-59. Lady — Sue Yates, Cressy — 54-56. Junior — Justin Bryan, Devonport — 53-57. Veteran — Kev Aylett, Devonport — 49-50.

● State Double Barrel Championship winner Roydon Swan.

Event 6 was the State Single Barrel Championship which is sponsored by the Trustee's of the East Coast Gun Club. Four possibles were posted and the Overall winner for 1990 was Bevin Swan with 66-66. Grade winners were: AA — Roydon Swan, Cressy — 65-66. A — Julian Kean, St. Helens — 48-50. B — Phillip Turner — 50-50. C — Jason Turner — 48-50. Lady — Nanette McCullam — 45-50. Junior — Justin Bryan — 49-50. Veteran — Jim Miatt, Launceston — 46-50.

The State Open Team for 1990 is B. Swan, S. Browning, R. Swan, A. Kenny, G. Appleby, J. Murphy, C. Davey, G. Blaskett, S. Marshall, I. Moody, J. Marginson, R. Blake, M. Burling, L. Gray, G. Arnol. The Open Team Shoulder to Shoulder Team members for the 1990 Nationals are Sperry Marshall, John Murphy, Michael Burling, Stuart Browning and Roydon Swan.

The Overall High Gun of the State Trap Championships was Stuart Browning of Hobart with a fine score of 307-314. Well done Stuart, a top effort.

The Fred O'Brien Encouragement Award, sponsored by the Trustee's of the Huonville Gun Club was won by Steven Emery of Launceston.

Another highlight of the weekend was Roydon Swan from the Cressy Gun Club receiving the Newton Thomas Award from National Executive member John Murphy.

• J. Newton Thomas Award winner Royden Swan being congratulated by Executive Member John Murphy.

Well done Roydon, Tassie is very proud of you.

The Tasmanian Clay Target Association would like to sincerely thank its sponsors, Gun Sales and Service, The Aylett Family, Winchester, Trustee's of the East Coast Gun Club and the Trustee's of the Huonville Gun Club for their generous support of our State Championships.

Once again the Carnival was a tremendous success due to the smooth running of the office by State Secretary, Kaye Woods, and her assistants, Molly Bryan and Betty Swan and our hardworking Scoreboard attendant Rene Knies (or Peter if you don't know him). Thanks everyone else who helped around the grounds, it was greatly appreciated. A

• Junior High Gun winner Drew Curbishley being congratulated by John Murphy.

top effort. The State Association would like to thank all those shooters who stayed behind and helped clean up after a very tiring day. It was much appreciated.

**Jock Bryan,**  
Vice President T.C.T.A.

Bevan Swan gained selection for the State Team with a score of 250-250. This is the first time that anyone has gone into the State Team with a clean score since the introduction of 50 Target events to be used as the selection.

## 1991 WORLD SHOTGUN CHAMPIONSHIPS

A meeting of the Organising Committee for the 1991 World Championships to be held at the W.A.G.C., Perth during November of that year, was held at the W.A. Complex during the I.S.U. National Championships.

All members had viewed the video taken by Allan Maher at Montecatini last year and together with his report and supporting comments from Peter Quire a further view of what is required by us, was provided.

Much of the ground work has been done and the proposal to the State and Federal Governments in support of our \$238,950 expenditure budget on this event, put together mainly by Reg Wagland, Manager of the W.A. Shooting Complex, has been so far, successful.

The Federal Government has promised \$75,000, the State \$100,000, \$30,000 of which was presented to us by the then Minister of Sport and Recreation, Graham Edwards at the opening ceremony of the recent I.S.U. Nationals.

The grounds on which this event will be conducted were a picture during the Nationals and full credit must go to the host club and officials responsible. However the equipment, in my opinion, was not 100%, particularly on the Skeet layouts. New traps when purchased should be no problem as they will be installed and proven before required. All traps are Spieth and the committee has approved the purchase of \$15,000 worth of spares to upgrade existing machines and this will be done about three months prior to the event, to allow for wearing in, without overuse. Further, I intend to call at the Spieth Factory when in Europe this September and enlist what help I can in regard to maintenance before and during the event.

I am sure that at this time all is on schedule, but rest assured any suggestions that could be implemented to make this event more enjoyable to our visitors and competitors, if within my jurisdiction, will be considered.

**R.M. Holtreter**  
Chairman, Organising Committee

# CANBERRA INTERNATIONAL CLAY TARGET CLUB

## AUSTRALIA DAY SPORTS CARNIVAL, OLYMPIC TRAP SECTION, 21st AND 22nd JANUARY 1990

Four squads lined-up for the Australia Day Olympic Trap Championship held in excellent shooting conditions. One squad less than the previous year, but this was more than made up for by the increased number of junior competitors.

The shooting standard was of a high order overall but it was the champions Michael Diamond and Jim Ellis and the up-and-coming Craig Tilley who were a cut above the rest.

The Australia Day Championship provided competitors with much needed match practice for the Olympic Disciplines Nationals to be held in Perth in February.

Michael Diamond began well recording the only clean round from Brent Woodward and Kathy Gault each on 23.

Not to be outdone, Jim Ellis carded 25 in round two from Craig Tilley on 24, Steven Zadro and the consistent Brent Woodward each shot 23's.

Over the final two rounds Tom Turner recorded 49, Michael Diamond 47 and Darren Fairall 46. Craig Tilley and Jim Ellis each shot 45.

At the half-way mark Michael Diamond led the field with 94 from Jim Ellis on 91 and Tom Turner a creditable 90.

Jim Ellis, Michael Diamond and Doug Jordan each got away to fine starts in the first round on day two to card 24's, but it was the overnight leader Michael Diamond who set the pace after the second round with 49.

At this stage Diamond on 143 was clear leader from Ellis on 137, Woodward on 136, Turner on 135 and Tilley on 134.

Diamond and Tilley each shot 48 in the last 50 targets to finish first and third respectively, Ellis carded 46 to finish second for the "final" round. Woodward, Turner and Brian Prosser made-up the rest of the "final" round.

Michael Diamond coasted to victory with 191 + 21 from Jim Ellis 183 + 22, Craig Tilley 182 + 22, Brent Woodward 181 + 22, Tom Turner 180 + 20 and Brian Prosser 172 + 17.

### Final Placings

1st Overall	M. Diamond	212-225
2nd Overall	J. Ellis	205-225
3rd Overall	C. Tilley	204-225
1st A Grade	B. Woodward	181-200
2nd A Grade	B. Prosser	172-200
1st B Grade	T. Turner	180-200
2nd B Grade	D. Fairall	171-200
1st C Grade	A. Lloyd	155-200
2nd C Grade	L. Lloyd	152-200
Ladies Trophy	K. (Floss) Gault	152-200
Junior Trophy	1st S. Zadro	170-200
	2nd A. Marsh	166-200

High-gun at the end of day one was Mike Fisher on 157-160 and the intermediate high-gun went to Jeramy Reed.

Day two dawned fine and sunny. No excuses for missing?

Michael Diamond, lurking in the shadows on the first day, decided to give it a go on day two. Michael won the A.C.T. Australia Day Double Barrel Championship with 49-49 from Jim Ellis, winner of AA Grade on 49-50. Michael's prize was a return trip to New Zealand.

Other Grade winners were George Kazolis in A Grade with 48-49, Charlie Curtis B Grade with 32-33 and R. Marmont C Grade with 25-25.

Jim Ellis' consistency over the programme was beginning to pay dividends as he burnt off the opposition to win the A.C.T. Australia Day Single Barrel Championship with a fine 30-31. Dick Piotrowski couldn't quite match it with Jim but was consoled to some extent by winning AA Grade with 29-30.

"Mr Professional" George Kazolis, was the clear winner in A Grade with 24-25. R. Dale and R. Marmont won B and C Grades with 28-31 and 20-26 respectively.

The final event of the programme was a 20 target trip to New Zealand handicap.

Geoff Mills was delighted to receive the trophy after shooting 34-34. Meterage groups were as follows:

11-15	J. Mooney	25-25
16-18	R. Bevan	27-28
19-21	M. Fisher	33-34
22-25	R. Piotrowski	25-26

Australia Day special achievement medallions were awarded to Mike Fisher and Dick Piotrowski.

Day two High-gun Trophy was won by Michael Diamond with 141-145. Intermediate High-gun went to S. Geyer with 115-145 and the junior High-gun Trophy was won by Josh Balogh with 130-145. Susie Balogh was the winner of the Ladies High-gun Trophy with a score of 120-145.

The D.T.L. section of the Australia Day Carnival was sponsored by: Queanbeyan Super City Smash Repairs, Lakeside Motors, Crown Insurance, Amit Holdings, Canberra Tuffcure, Repco Queanbeyan, E and F Spares, Neilson and McKeaknie, Realty World, Westpac Queanbeyan, Car Equipment, Stan Webber, Combined Electrical and Plumbing and the Australia Day Sports Carnival.

### Australia Day Special Achievement Medals

Kathy Gault and Stephen Zadro

The Australia Day Olympic Trap Championship was sponsored by Bevan Brown Trading, Hamilton Brokers, Scorpio Cartridges and the Canberra Australia Day Sports Carnival.

## DOWN-THE-LINE SECTION, 27 AND 28 JANUARY, 1990

Four trips to New Zealand and a superb array of trophies and cash was to provide the necessary climate for keen competition over the two days and one night of shooting.

Jim Ellis, Michael Diamond, Mike Fisher and Geoff Mills produced some excellent performances over the programme.

Kim Nealon was all smiles after event one, the Australia Day Handicap. A return trip to New Zealand and the regulation "metre" being the prizes. K. Connell dropped his fifth shoot-off target to come second on 24-25, from Geoff Miles third with 47-48.

The second event was the Points Score Championship. Mike Fisher displayed a clean pair of heels to win the event with 110-111 from Peter Simon the AA Grade Winner on 135-137. Spiros Stramarcos with an excellent 107-108 was too good for the A Grade field, and Charlie Curtis led the B Grade field on 72-75.

Junior shooter Jeramy Reed topped the C Grade field with 58-75.

The last event on the day programme was the Single Barrel Championship and again it was the consistent Mike Fisher who won, and as in the previous event his rival was Peter Simon. Unfortunately for Peter he came off second best but was consoled by the AA Grade prize. Mike shot 32-33 to Peter's 31-33.

A Grade was won by Geoff Sheedy on 30-33 who admits to being only a part-timer these days. With a bit more practice, who knows, Geoff?

Junior shooters Josh Balogh and Jeramy Reed won the B and C Grade prizes with 22-25 and 17-25 respectively.

The first event on the night programme was a cash divide, and the money was shared by Geoff Mills, C. Gray, Darryl Reed, Mike Fisher, George Kazolis, Brent Woodward, Steve Balogh, Spiros Stramarcos and Doug Jordan, all with a perfect "10".

It was Mike Fisher's day! Mike was a model of consistency throughout the 5 event day and night programme and this was to be capped off with yet another victory, the thirty target Night Double Barrel Championship with 85-85.

Michael Diamond was finding form to win AA Grade with

93-95. Geoff Mills was shooting consistently to take out A Grade with 80-81, B Grade was won by B. Cosgrove with 34-37 and Jeramy Reed, who shot consistently all day, picked out C Grade with 27-30.

## REDCLIFFE CITY (QLD) "STILL" ON THE MOVE

Sunday March the 11th, for our second preliminary shoot, turned out to be a perfect day (28 deg. and no wind). The shooting improved accordingly with only 26 shooters being in attendance mainly due to few visitors because of annual shoots around the district. Top performances were recorded including George Burlison being the first shooter to shoot a possible on our new layouts and taking out the four A grade events for the day. A shooter of the future is our own young Amando Coco winning two B grade events and also the Junior High Gun.

Now a bit more "junk", remember my good shooting in last months issue with two out of twenty-five targets in one event, well this month was another story, the attraction of the First Redcliffe City Double Barrel Championship Badge must have sparked some reaction in me because I won the C grade event also taking out the C grade Single Barrel Cash event (\$42.00). I think the event was thrown because the club knew how broke I was!

Our congratulations go to the other members who also won the first badges for their grades and also the winners of the excellent trophies in the other events. Many thanks go to our ladies in the kitchen and to our sponsors for their magnificent trophies.

Completion of our club house has been set back due to heavy rain for several weeks in March, but now the work is

back in full swing. However, it is unlikely that our Official Opening Shoot will take place in May, because we want 90% of our facilities to be finished beforehand — we never dreamed of how much work and how much time would be required to establish a "new" club properly from scratch — but to our credit we are almost there with the club house externally finished and most of the grounds and the traps completed and the finance secure. Watch this space next month for more information on our advanced progress.

But until the official opening shoot we shall continue to shoot practice on Saturday afternoons (after 1 p.m.) and hold preliminary competitions on the second Sunday of each month (commencing 9.30 a.m.) — on the 13th May there will be four events — graded AA, A, B&C: 25T D.B. Cash; 25T Pts Trophy; 25 T.H.C. Cash; and 25 T.D.B. Championship (Badge and trophy) — High Guns and Reduced Nominations for Ladies, Veterans and Juniors.

# PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

**Tony Yozzi Sports,

# NORTHERN ZONE TRAP CARNIVAL — INVERELL

Having constructed their third trap layout during 1989, the Inverell Club were allocated their first Northern Zone Trap Carnival and Team Elimination, which they conducted over the weekend of 17th/18th March.

The facilities as always were in excellent condition and the warm and fine weather made for a great weekend of shooting. Some 66 shooters attended on both days and were not disappointed with the events or the vast display on the trophy table. Saturdays events got underway with the 25 target Melosi Smallgoods Double Barrel Trophy and 12 shooters recorded a possible. The shootoff was finally won by Col Burt with 122-122 from Monte Hocking who took out 1st in AA Grade, with second in AA going to Doug Ellis with 51-52. Local member, Allan Jennings was the winner in A grade with 78-79 from Rod Prior on 47-48. Glen Innes Club President, Chris Kent was the winner in B grade with 55-56 from Lindsay Morris on 32-33, Coonamble shooter P. Conn was the C grade winner from Kevin Aitken.

• John Kent and Peter Jensen congratulate Col Burt (centre) on winning D/B Trophy event 122/122.

was the winner in A grade with 23-25, from Les Kennedy on 28-31 and Allan Kempton with 27-30. Evergreen Jeff Tainsh was the winner in B grade with 26-28 from local Steve Frizell on 25-27 and John Newby on 28-31. Moree visitor Jason Orchin was the winner in C grade with 23-25 from Noel Rodger on 22-25 and Narrabri's Terry Faulks with 21-25.

The Zone Point Score Championship was next, and 2 shooters recorded a 75-75, Roger Vidal and Paul Turner. The overall winner being Roger Vidal with 84-84, 1st in AA was Jeff Nash with 74-75 from Col Burt on 85-87 and Mick Blenman on 84-87. Paul Turner was the A grade winner with his 75-75 from Mike Wade with 74-75 and John Farrell on 73-75. Inverell Club President, Peter Jensen was the B grade winner with 74-75 from Mark Guyer of Narrabri on 87-90 and R. Peters on 84-90. Jason Orchin collected his second trophy for the day with a fine 74-75 to win C grade from D. McKay on 69-75 and Russell Rolfe on 68-75.

• Peter Jensen and John Kent congratulate Rod Prior (centre) on winning P/C Continental Classic.

The first of the Team elimination events was next, the 25 target Zone Double Barrel Championship and 10 possibles were recorded. The Overall winner was Guyra shooter Roger Vidal with 61-61 from Peter Campbell on 60-61, 2nd in AA went to John Kent with 53-54 and 3rd was Col Burt with 48-49. The A grade winner was Peter Holmes with 29-30 from Rod Prior on 27-28 and Allan Kempton on 38-40. Chris Kent won B grade with 54-55 from R. Peter from Orange on 41-42 and Ian Burey. A result of 27-28 saw D. McKay take C grade from Russell Rolfe on 26-28 and Terry Faulks with 24-26.

The last event on Saturday was the 50 target Sapphire City Double Barrel Grand Prix and 5 shooters recorded a possible 50-50. The Overall winner was Roger Vidal with 82-82 from John Kent on 61-62 and Col Burt on 60-61 with 3rd in AA going to Jeff Nash with 63-64. Inverell secretary Russell Kingsmill was the winner of A grade with 50-50 from Peter McGuire with 60-61 and Mike Wade with 59-60. Ian Burey was the winner in B grade with 50-50 from fellow Glen Innes shooter, Craig Bloxsome on 49-50, with third place going to John Varley on 72-74. In C grade the winner was R. Haycock with 49-51 from D. McKay on 48-51 and Russell Rolfe on 47-50.

Sunday morning was again warm and clear and the first event was the 25 target Zone Single Barrel Championship and only one shooter was able to achieve the perfect score, Mark McInnes was Overall winner from Roger Vidal on 34-35, 2nd in AA was Doug Ellis with 33-34 and 3rd in AA was Col Burt with 28-29. Grafton shooter, Peter McGuire

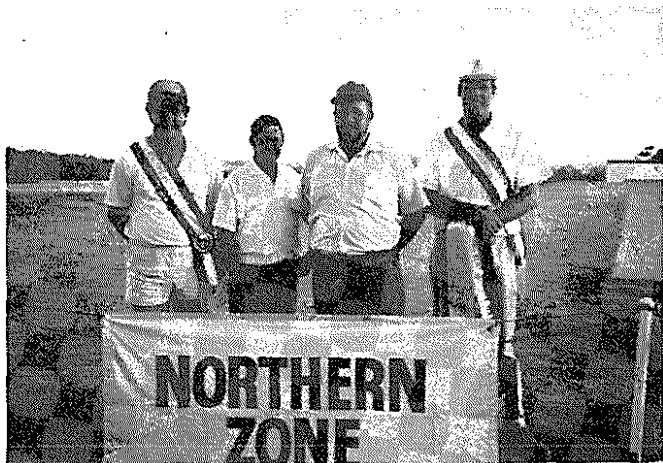

The final event for the weekend was the 50 target Sapphire City Double Barrel Continental Classic and this was also the Calcutta event. The stiff breeze that had come up caused the scores to drop and only 3 shooters recorded the possible 150-150.

The Overall winner and a very popular one at that was Tamworth shooter Rod Prior, who collected his first sash and having bought himself in the Calcutta also collected a very "fat" envelope. Rod's score was 64-64. Roger Vidal was runner-up to Rod and with 63-64 was 1st in AA from Andrew Futter on 52-53 and Col Burt on 77-78. Inverell's Mike Wade was the winner in A grade with 52-55 from Les Kennedy on 51-55 and Allan Kempton on 65-69. In B grade David Cunningham was the winner with 49-50 from Stephen Saul on 48-50 and Peter Jensen. The C grade winner was Kevin Aitken on 49-53 from Noel Rodgers and Terry Faulks.

With all events finalised, the High Gun trophies were clear cut with the Overall going to Roger Vidal with the excellent score of 248-250. Narrabri's Robyn Faber was the ladies winner with 208-250 with Barry Newcombe from Grafton taking out the Junior High Gun with 184-250 and Allan Kempton from Glen Innes was the veteran winner with 229-250.

The team elimination resulted in a very strong team being named to represent the Northern Zone in Tamworth on the October long weekend at the State Trap Carnival, being Roger Vidal (Guyra), Col Burt (Tamworth), Jeff Nash (Grafton), Mark McInnes (Inverell), Mike Wade (Inverell), Peter

● L-R: Mark McInnes, Zone S/B; John Kent, Zone President; Peter Jensen, Inverell President; Roger Vidal, Zone D/B, P/S and Overall High Gun.

McGuire (Grafton), John Farrell (Coffs Harbour), Paul Turner (Cessnock), Peter Jensen (Inverell), Doug Ellis (Guyra), Russell Kingsmill (Inverell) and John Kent (Inverell), with the reserves being Craig Bloxsome, Rod Prior and Lindsay Morris.

As always at Inverell, a very well run shoot, with good targets, good trophies, plenty of great food from the ladies and the great ability of the Inverell Committee to make everyone feel like one of them.

Zone President, John Kent expressed his appreciation to the Club for conducting a very successful carnival and thanked those who attended and made the weekend the triumph that it was.

This 2 day shoot was an "extra" one on the Inverell calendar, so if you want to have a really great time and enjoy some of the best country hospitality around, the third weekend in August is the Club's annual 2 day shoot — don't miss it!!

The Zone raffle was also drawn during the Carnival, and the winner of the Mahogany Bedside Cupboard donated by R.J. Prior of Tamworth was Mrs Dot McPhee of Glen Innes. The Zone is very appreciative of the donation from Rod Prior of this beautiful piece of furniture, with proceeds going towards the cost of outfitting the zone teams for 1990 with shirts and caps.

**Jenny Burt**  
Zone Secretary

## BUNBURY CLAY TARGET RESULTS

The Bunbury Clay Target Club held its annual 2 day Blue Manna Carnival with shooters attending from all over the state to compete for two state titles.

Local shooters did well to win three of the six events as well as the top shooter for the weekend being Edgehill member, Brad Day.

The State Skeet Doubles Championship contested by 71 shooters, was won outright with a brilliant score of 49-50 by Brad Day. Second was last years winner, Laurie Hull of Katanning scoring 48.

Kurt Schinzig of Bunbury won the Pat Usher Memorial skeet championship after a shoot off with 3 others after they all scored the possible.

Eight shooters shot the possible in the City of Bunbury Skeet championship and after shooting off, the winner was Robin Bailey of Perth.

On Sunday, 87 shooters lined up to contest the State Dou-

ble Barrel Championship over 50 targets with only 3 possibles coming in, and after a shoot off, Terry Morony of Perth was the winner.

Another Perth shooter, Lindsay Coster took out the Koombana Challenge Cup with the only possible of 50-50, from Max Cubic, Ross Silvester and David Fox who all shot 49.

The final event, the Blue Manna Handicap saw Bunbury Club President, Bruce Whiteaker re-handicapped a metre after he shot the possible, along with 3 others and then won the shoot off for 1st place.

### RESULTS:

**CITY OF BUNBURY P.J. USHER MEMORIAL:** — K. Schinzig 25-25, A grade — L. Hull 24, B grade — K. Schinzig 25, C grade — M. Della 24.

**STATE SKEET DOUBLES CHAMPIONSHIP:** Overall — B. Day 49-50, A grade — L. Hull 48, B grade — G. O'Brien 46, C grade — S. O'Brien 44, Ladies — J. Roach 43, Veteran — K. Schinzig 42.

**CITY OF BUNBURY SKEET CHAMPIONSHIP:** Overall — R. Bailey 25, A grade — J. Post 25, B grade — M. Craven 25, C grade — J. Ablett 24.

**KOOMBANA CHALLENGE CUP:** L. Coster 50, 11-14 metres B. Forward 47, 15-16m J. Ablett 47, 17-19m B. Day 48, 20-25m R. Hawke 48.

**STATE DOUBLE CHAMPIONSHIP:** Overall — T. Morony 50-50, A grade — 1st M. Cubic 50, B grade — R. Eckersley 50, C grade — 1st M. Craven 48, Ladies — L. Watson 45, Junior — M. Shipp 45, Veteran — A. Brown 47.

**BLUE MANNA HANDICAP:** B. Whiteaker 25-25, 11-14m B. Forward 24, 15-16m J. Ablett 25, 17-19m M. Cubic 25, 20-25m R. Hawke 25.

**HIGH GUN AWARDS:** Overall — B. Day 216-225, Ladies — J. Roach 196-225, Veterans — A. Brown 197-225.

## MARYBOROUGH TIT BITS, QLD

February 2. Bundaberg boasts of the first drive-in gun shop in Australia. Rob, on holidays, was informed that an elderly lady had driven through the front of his gun shop. On returning he was most upset at the fact that she didn't even want to purchase a gun...Bad luck Rob.

After four years Brian Charter returned to shooting with a bang taking out the Overall and B grade in the 25T DB Points. Along with Clinton Groves he took out the Deauville Doubles event. Overall High Gun on the day went to P. Rehbein with S. Plath the Front Marker High Gun. A special thanks to the ladies for looking after us, we sure missed them last month.

When reading this, our new Art Union would have been drawn and some lucky ticket holder will own a Beretta 682 trap gun...thanks to all who bought tickets and supported the draw.

Thanks to the wife and sister-in-law of one of our shooters, namely Mrs Jill Neilson and Mrs Peg Wotherspoon, who took over our bar and kitchen.

Heavy rain Friday, Saturday and Sunday morning, then it stopped for us to shoot three events out of four, some hardy shooters shot the fourth event, I must admit I chickened out.

Congratulations to Les Sidwell on his first competition shoot taking out C grade 25T Cont and Single Barrel C'ship along with the High Gun.

A special mention to Harry Walker who is making good progress...hope to see you shooting soon Harry.

'Til next time, see you at the shoots.

**Lost Bird**

# BURLINGTON AIR EXPRESS COMES TO WONTHAGGI

Saturday March 3 saw another successful day at Wonthaggi Gun Club. Competition was keen between all of the shooters and above all a great day was had by all, shooters and non-shooters alike.

The Wonthaggi Gun Club has been fortunate this year to get sponsorship from many different sources, some from within the club and some from outside. The sponsor for our March shoot was "Burlington Air Express" to whom we are very grateful for their generosity and support.

Representing "Burlington Air Express" we were very pleased to have Ann Trethowan and Dean Rackham as our guests to make the presentations to the winners and placegetters.

The first event was a 60T medley consisting of 30T DB, 20T SB and 20T Continental with the results being: A grade Wayne Parkes 60-60, B grade Bill Perry 57-60, C grade Jeph Kent 49-60.

Winner of handicap Norm Court (left) with "Burlington Air Express" representatives Ann Trethowan and Dean Rackham.

The second event was a 20T Handicap — 1st Norm Court 20-20, 2nd Graham Kent 32-33, 3rd Bruce Webb 31-33, FM Lynn Gray 19-20, BM Keith Gray 18-20.

The monthly high gun which is sponsored by "Ziegler Patterns" was won by Wayne Parkes with a score of 77-80. The cake shoot was won by Bruce Webb.

My thanks to everyone for helping make the day a success and especially to Ann and Dean for their efforts and I hope to see you soon at Wonthaggi.

Good luck and good shooting,  
Keith Gray (President)

## FOR SALE

### Browning D4 K Grade

Trap 30-inch barrels, ½ & full choke.  
Beautifully figured Monte Carlo stock and 3-piece fore-end. Gun was made in 1970 and beautifully engraved by Lambert.

Fully cased and in mint condition.

Sacrificed — \$12,950.00

Telephone AH (02) 371 4115

## VALE

It is with much sadness that the Devonport Clay Target Club report the passing of two of our club members. Both passed away on December 22nd, 1989.

### ARNOLD HENDERSON

Arnold passed away after a short illness at Devonport. He had been a member of the A.C.T.A. for quite a considerable number of years even though he had only been a member of the Devonport Club for a short number of those years. Deepest sympathy to his wife Denise and his family.

### IAN AYLETT (ALFIE)

Much loved youngest son of well-known Tasmanian shooters, Kev and Doreen Aylett. Ian passed away suddenly on December 22nd in Launceston. Ian has been a member of the Devonport Club ever since he started shooting. Deepest sympathy to Doreen and Kev. Our thoughts are with you.

## FOR SALE

### 1 DAMO TRAP — \$500

Texas Gun Club

Phone Ray Potter, Ampol Service Station

## TRAP AND SKEET SHOOTING VIDEO TAPES

Written and Produced by George Biggs

### "SHOOTING TRAP"

The techniques of shooting trap both single rise and double rise targets plus a 15-minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house. \$50.

### "SHOOTING SKEET"

The mechanics of skeet shooting in a step by step demonstration and explanation round the skeet field plus a 30-minute talk on types of guns etc and a 15-minute explanation of how to determine correct gun fit for the individual shooter. \$50.

### "COMMONSENSE RELOADING"

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter. How to cope with the equipment and components available to the trap and field shooter to ensure safe and efficient home loads. \$40.

Trap & Skeet tapes run approximately 90 minutes.

Reloading tape runs approximately 60 minutes.

### Immediate Delivery

Prices includes post & packaging.

Group of 2 tapes \$90.

Group of 3 tapes \$125.

Phone or write to: George Biggs, 4 Hugh St,  
Knoxfield, 3180 Vic. Phone (03) 801 2748.

# LET'S TALK ABOUT SHOOTING DOUBLE RISE TRAP TARGETS

By **GEORGE BIGGS**,  
former Victorian State Coaching Director

Shooting doubles is perhaps the most challenging and enjoyable of our clay target shooting games. Doubles is now being introduced into skeet competition and is creating fresh interest in this discipline. The doubles shooter will soon learn that greater concentration and discipline are needed, this in turn will make him a better all-round shot. He will become more aware of the fundamentals that are involved in shotgun shooting.

There is no doubt that shooting double rise targets and scoring well is not the easiest form of clay target shooting.

To become good double rise shooters we must first learn how it should be done and then practice and more practice until our timing is perfect because timing is of the utmost importance.

It's a great pity that the average Australian shooter doesn't get a greater opportunity to shoot more often at double rise. How many times have we heard shooters say after having shot the National Double Rise Championships at the Nationals each year, "I don't know why I bother to shoot this event, it's only the second time this year I've shot doubles." No wonder we don't shoot well, we simply don't get the practice.

Lack of practice and experience is certainly the reason that we rarely see a possible doubles at our National Championships. The remedy of course, is for clubs to promote double rise events.

I well remember my earlier days of shooting when almost every week we were able to shoot a doubles event at one club or another. Not only did it give us a different challenge, which added more interest to the day's shooting, it also contributes to making us a better all-round shot because we just simply have to learn to concentrate more on doing what is necessary in order to hit more targets.

The doubles shooter must keep perfect control of his body movements with each shot. His gun must be well-fitted and his gun mounting and handling must also be spot on. If this detail is correct, he will then have no problem keeping his cheek snug on the comb throughout the process of shooting both targets. Lifting one's cheek off the comb in order to look more for the second target will result in a complete miss due to overshooting.

All kinds of funny things happen when the inexperienced shooter first takes up double rise. The most common practice is to snap shoot the first target and then swing across to the second, and follow it while he decides where and how he will break it.

Unfortunately it's not possible to connect with a moving

target in this way. It is usually the second shot that wrecks our score at doubles and it all comes back to timing. We really don't have time to be precise and careful. Shooting moving targets is a case for instinctive action and pointing the gun muzzle at the correct spot where the shot pattern will intercept the target.

Successful doubles shooting calls for a complete understanding of what action is necessary or in other words one should form a mental picture of correct procedure routine for shooting each double. From the five different firing points, this routine should apply every time he prepares to shoot at the target. Our mental picture should go something like this:

Firstly the shooter must have complete confidence in himself. He must believe that if he does the things he knows he should do in the correct way, he will be well on the way to turning in winning scores. This positive thinking must always be present in competition.

The first detail of our correct procedure routine when on the firing line is:

- Correct stance, and body balance;
- Gun mounting and gun control;
- Gun and eye alignment.

These fundamentals will contribute greatly to the successful shooting of doubles.

Next procedure is correct gun point on the trap house. Eyes should focus in readiness to see the target, the eyes move out with the target, establish lead, fire and follow through. This procedure routine should occupy your thinking completely, during your time at the firing line.

Keep constantly in mind that correct stance and body position will be one of your greatest assets. Seeing the targets leaving the trap after you call is without doubt the most essential basic detail to remember. I am convinced that if we can see the target **bright and clear** leaving the trap at six to eight feet out we are more than halfway to breaking it. **When targets are not seen clearly as they leave the trap house, our gun pointing will be slow, uncertain and inaccurate.**

## Proper Gun Fit and Gun Handling

Make sure that your gun fits you and you have learnt to handle it correctly! **Always keep your cheek nice and firm on the comb throughout the process of firing at the target.**

Experience has taught me that before we can expect to shoot good scores at not only double rise but any other moving target — we must have the right gun and we must have this gun properly fitted to our own physical characteristics. This is necessary because the factory built gun is designed to fit Mr Average, but unfortunately Mr Average is few and far between, so personal modifications are often necessary.

If these alterations are not done the shooter will try to adapt himself to fit the gun — this practice is not successful — the result is bruised shoulder, cheek etc., it is in fact impossible to control the gun correctly in order to shoot good scores. The facts are that if your gun does not fit you correctly you cannot control it correctly and therefore you cannot point the muzzle accurately which means you will never become the good shot you would like to be!

I never cease to be amazed at the number of shooters struggling with a gun that does not fit them. Usually the stock is too long or the comb is too low, both these problems will cause inaccurate gun pointing as well as cheek and shoulder discomfort. The score they put on the score card is usually 47 or 48 out of 50 and often worse.

Drawing 1.

Accurate gun pointing is the key to successful shot gun shooting — and this can only be achieved when we have a

*Cont'd over page*

well fitted gun and we learn to handle it correctly. **This drawing shows correct eye level position above the rib.** You can check this position yourself by looking into a mirror. Note how the gun, arms and face are tied into the shoulder for perfect alignment of gun and eye.

Drawing 2.

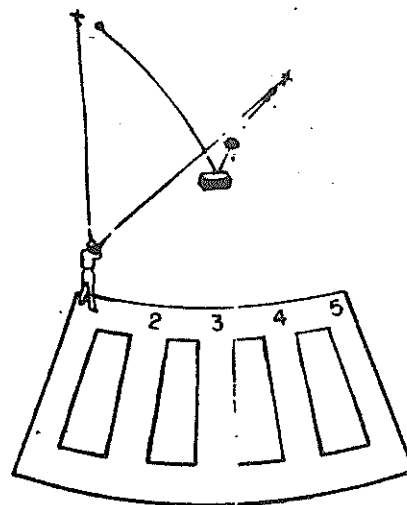

Shows incorrect eye level which is positioned **below** the barrel rib. I can say without hesitation that of all the measurements of stock fit, drop at the comb would be the most critical and possibly the least understood. It is in fact the most common problem with most shooters.

A good rough method of determining the comb measurement of your stock if you think you have a problem, is to place the gun to your shoulder in the correct way and position your face hard down on the comb. You should still be able to see all the front sight. If you find you are looking into the breech of the gun and cannot see the rib, then the stock is too low and you will shoot low and behind the target. When you are faced with this problem you will need to have the stock bent up at the heel whatever amount is necessary in order to give the required height on the comb where your cheek will rest during the process of shooting.

#### TRAP DOUBLES FIELD SHOOTING LANES 1-5.

This drawing shows the shooter positioned to shoot a double from lane one shooting the straightaway target first, in other words from right to left. His first consideration should be position of his feet so that after firing at his first target he will then swing smoothly and quickly across to break the second target. The method I recommend for shooting this double and for all five lanes is as follows.

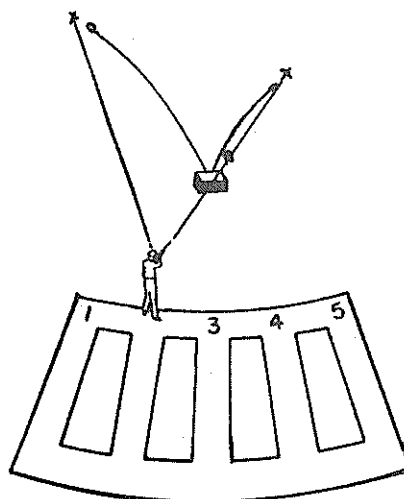

Firstly, we already know where each double target is

#### • Lane 1

coming from and where it is going so all we have to do is see it leaving the trap bright and clear and believe me this is most important. Failure to see any target quickly and clearly quite frequently becomes a lost target.

From this point on the process of shooting the double should go something like this — as you step on to the mark you quickly form a mental picture of what you are about to do. Firstly you must know that **concentration and timing are vital.** Placement of your feet comes next, followed by correct gun position on the shoulder and your cheek snug down on the comb of the stock to give a perfect eye and gun alignment of eye and rib. This position must remain until after you have broken the second target. Failure to do this will result in a lost target so keep your face down firm on the comb right through the act of firing. Be careful not to lift your face off the comb in order to see the second target.

#### • Lane 2

##### Drawing 2.

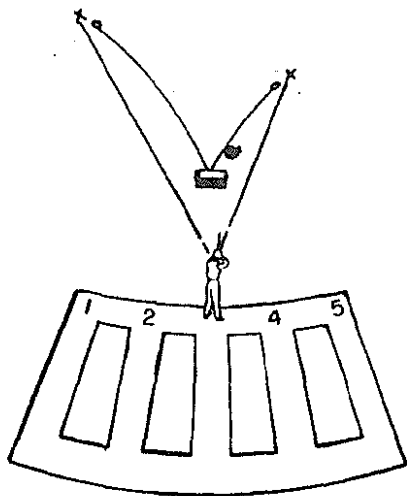

Body position and stance for No. 2 lane will be similar to No. 1, the right target will be almost, but not quite, a straight away and so your gun swing will need to be just a touch on the right of the target to establish correct lead — and to form correct sight picture for trigger let off. **Do not blot the target out — always see the target on the end of the gun as you pull the trigger;** failure to do this will cause a missed target.

Gun hold on the trap house should be as shown in the

sketch roughly 3ft up on line of target travel. Watch for the target leaving the trap by focusing on the area under the gun — do not look at the gun muzzle, look only at the target and the gun will follow out to form a sight picture and trigger let off.

Do not momentarily stop your gun swing as you break the first target — it is best to keep the gun moving smoothly and quickly across the second target. You should in the process be forming a mental sight picture of how you will break the target when your gun muzzle gets there.

I prefer to shoot this second shot on all stations as follows — as the gun closes in on the target from the side — simply pass the muzzle under it by about 2 feet and lead it by another 20-25 inches. Pull the trigger and follow through, do not stop the gun as you pull the trigger, and as I keep saying keep your head down on the stock!!!

● Lane 3

#### Drawing No. 3...Lane 3.

This station presents us with a doubles pair where we have right and left angles to cope with. In my view lane 3 is the most difficult to shoot because of these two angle targets, where as with the other lanes we get at least one almost straight away target. I have heard shooters say that lane 5 is the most difficult for them, however I beg to differ. If we were to shoot all doubles from right to left, then possibly it would be the case — coping with 2 angle targets from lane 3 calls for the utmost concentration and timing.

Feet position should be positioned in such a way that will allow the body to move freely through an arc of 90° from right to left without restriction. It will be a similar position as if you were shooting single rise targets from this lane.

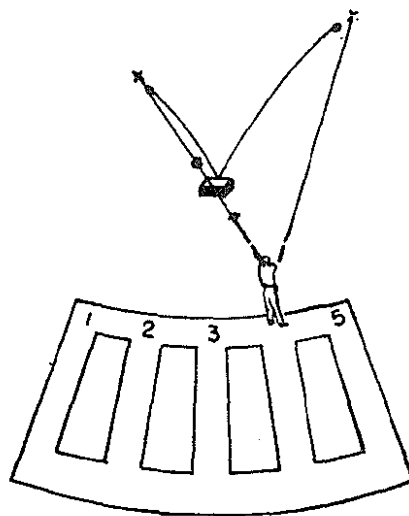

Some of our best doubles shooters adopt a stance position on all stations that favour the second target. This style means winding back the body somewhat to shoot the first target then unwinding as you come across for the second shot. It is somewhat like skeet where the body is used to help swing and follow through.

#### Drawings 4 & 5...Stations 4 & 5.

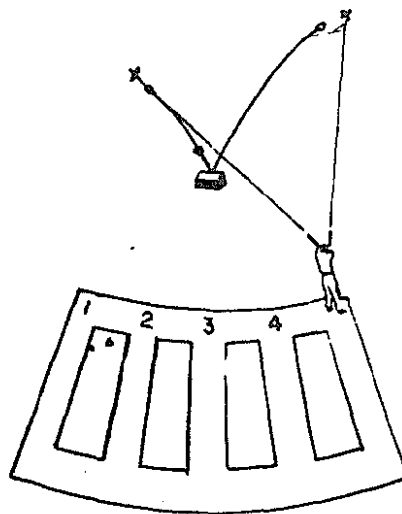

Lanes 4 and 5 are actually the reverse to lanes 1 & 2. We continue to take the straight away target first and in the case of these two lanes it is the left angle target.

Most of the top line doubles shooters go for the straight away target first claiming that it is more natural for the right hand shot to swing from right to left in order to shoot the second target, however if you shoot the straight away first from lanes 4 & 5 you would then have to swing from left to right, which is the opposite to lanes 1 & 2.

It sometimes happens that wind conditions are such that the second target that you would normally shoot last, is being driven by rough winds causing it to dive into the ground, in this case it would be advisable to take this shot first.

● Lane 4

● Lane 5

So it becomes obvious that shooting double rise targets is far from easy. It is indeed a very challenging game that requires a lot of practice and a lot of cartridges plus a good coach.

#### Points to Remember

1. Most shooters miss the second target because their lead is wrong and their elevation is wrong, in other words they do not allow for the target flight outwards and they do not allow enough for the target commencing to descend at the time the shot pattern is reaching the spot where it will break the target. For this reason it becomes necessary to allow around two feet of daylight under the second target and roughly twenty inches of lead.
2. Try and get as much practice as you can and develop a smooth fast timing style of shooting. Learn good body control and easy stance, learn to concentrate, relax but be alert. Remember not to be over careful as you simply do not have time to be too precise and deliberate. When you fire at the first target don't stop to see if it is broken, simply swing smoothly and quickly over to hit the second target, lead, fire and follow through.

#### My Personal Opinion

I am of the opinion that if double rise target events were made easier the event would become more popular with the

*Cont'd over page*

average shooter, thus adding more interest in doubles. I would suggest that we adopt the American rules of Double Rise.

Their rules state that the targets be thrown a distance of 48 to 50 yards with smaller angles of say 30° and push them up a little higher — certainly the good shots will still win but a lot of not so good shots will enjoy themselves a lot more. What do you think?

## OFFICIAL RESULTS 1990 National Trap Championships

### State Teams — Shoulder to Shoulder

1. Tasmania 124-125: Sperry Marshall 24, John Murphy 25, Michael Burling 25, Royden Swan 25, Stuart Brown-ing 25.
2. South Australia 123-125
3. Victoria 122-125

### 41st Grand Australian Handicap

Entries 313			
Overall	1st	John Warren, Ayers Rock, NT	86-86
Overall	2nd	Tony Bradshaw, Geelong, Vic	85-86
Overall	3rd	Paul Drennan, Nepean, Vic	78-79
Ladies		Lyn Gray, Wonthaggi, Vic	55-58
Junior		Jason Gilkes, Orange, NSW	55-56
Veteran		Kev Aylett, Devonport, Tas	45-50

### 38th National Double Barrel Championship

Entries 326			
Overall		Steven Haberman, Geelong, Vic	219-219

Total Competitors (all events) 363.

## DELVING INTO THE PAST

The following tit bits take us back to the days when the then Management of the Australian Clay Pigeon Shooting Association decided to introduce to affiliated clubs and registered members a publication to provide a regular monthly news bulletin covering clay pigeon shooting happenings throughout all States of the Commonwealth.

September 1947. Volume 1, Number 1.  
Australian Clay Pigeon Shooting News.

**Overseas Items** . . . Following a suggestion made to the Association some months ago by Mr Colin M. Barr of Mount Gambier, S.A. regarding the supplying of food parcels to our kindred shooting sportsmen in Great Britain, the matter was discussed at the last meeting of the Executive Committee. A letter forwarded to Mr H. Rogers, secretary of the English C.P.S. Association, brought forth an immediate air mail reply. Portions of this interesting letter are quoted, "I want to acknowledge your letter just to hand and to express our happiness at the very kindly feeling you have given us by the offer therein of sending food parcels. It is just a naturally expressed wish of the people far away to see that the 'Old Folk' do not lack food. The letter will go before our committee and we will write to you again. I have made one suggestion: Our championship meeting takes place at the end of this month and the lowest scorers should have food parcels to build up their stamina! We have not seen a steak for years and our meat supplies are very poor."

\* \* \*

**Ten years ago** . . . A brief review of clay pigeon shooting as published ten years ago (1937). "Looked like dinner plates," so remarked the late Lew Bertram after he had won the 1937 Champion of Champions Cup on the old Nobel grounds at West Footscray. Bertram's form that day

**Location: Cemetery Road**

was unbeatable and he stopped 60/60 to win from "Duxbac" (H.G. James) 59/60. Other close-ups were "Dubbs" (V.L. Frankhauser) 58/60 and A.F. Burns 57/60. Bertram carried on in a miss and out event and broke another 17 before missing his actual competition break being 77 straight. (Yes, you might ask, where did he get hold of so many crackers! — Ed.)

\* \* \*

**March 1949. Volume 2, Number 6.**

**Editor's Notebook** . . . With information to hand of entries from as far north as Central Northern Queensland, and as far south as Hobart, the A.C.P.T.S.A. Champion of Champions Cup (Australian National Championship) and International meeting, fixed for March 12 and 14 at East Burwood (Vic) appears likely to exceed previous records. Shooters whether they secure a place in Australia's International Team or otherwise, will shoot at 160 clay pigeons each at least, during the competitions. This total per man will easily be a record number of birds for Australia. An important variation decided upon since the first publication of the International Teams Match conditions is that the members of the 1949 Australian team will not be required to pay for entrance to the event, birds and cartridges will also be supplied free. This departure from the previous conditions has been brought about through the generous interest and support of Messrs Imperial Chemical Industries A. & N.Z. Ltd.

Around the Clubs . . . Wongabri (NSW) replaced the name of the former Berrima G.C. at Bowral. When the club was formed a couple of years ago, it was thought that the district influence would be more emphasised if the district name of Berrima was included in the club name, notwithstanding that its headquarters were at Bowral. However, although the name was entirely satisfactory, it was found on occasions that supplies were sent to Berrima instead of Bowral. Looking around for a suitable name change, the officials happened on the idea of "Wongabri" after the estate on which the club's grounds were situated. At the club's annual general meeting at this time a very healthy balance sheet was presented, showing assets at 120 pounds and a club increase in membership from 18 to 47.

### **Wongabri Gun Club - Bowral N.S.W.**

(Affiliated A.C.P.T.S.A.)

(Name changed from Berrima District Gun Club, Bowral)

**26th MARCH, 1949**

Main Event

### **15 Bird — Mixed Bird Handicap**

£20 Prize Money

Other Events—

1. 1st round of a three-round Shoot. 12 yarder only (5 birds per round). Valuable trophy and second prize.
2. Club Trophy Shoot.

Other events, time permitting. Automatic Trap. Afternoon Tea.

NOTE.—All shoots will be held on Fourth Saturday each month, unless otherwise notified.

C. H. Metcalfe,  
President.

W. A. Palmer, Secty.,  
Bowral, N.S.W.

**Townsville . . .** The local club has been greatly handicapped by the shortage of clays in recent months, and the management is concerned by the fact that some members are inclined to drift to other sports.

**Hobart . . .** The Tasmanian premier title, under double barrel conditions, provided an opportunity for the only Victorian competitor "Bruino" (Bill Scott), to win his first major title. He stopped 37/40 after a long tie shoot. Scott was formerly an amateur racing cyclist.

\* \* \*

**Ten years ago . . .** In March, 1939, the veteran champion trapshot, Mr Donald Mackintosh, officially presented the now famous International Trophy, valued at 100 guineas, to the A.C.P.T.S.A. for perpetual competition between teams representative of England, Scotland, Wales, Ireland and Australia. The trophy now reposes in England — the Home Country team having won it on the two occasions on which it has been shot.

\* \* \*

**April 1949. Volume 2, Number 7.**

**Editor's Notebook . . .** The record field of over 150 lined up at three automatic traps at East Burwood on Saturday March 12, when the 1949 Champion of Champions Cup (Australian National Championship) provided a thorough test. Special congratulations are extended to Fred Burns of Footscray (Vic) for his splendid win in the 60 birder. He covered all his birds, with the exception of the 57th — which he heavily dusted with both barrels — and returned the score of 59/60. It was his third win in the event. The runner up, Essendon shooter, J.A. McCraith, is due for warm congratulation also. He is one of the unluckiest sportsmen ever to contest the event. His record shows him as runner-up on the last four occasions! His will be a

popular win, should he "break the ice" in any of the immediate future events.

\* \* \*

**Around the Clubs . . . Goulburn** — Shooters from four States competed in the opening shoot of the Goulburn Club at Mummell recently. Rain, unfortunately upset the main event, that being a 100-pound Handicap at 20 birds, which attracted 50 shooters. The winner was A. Bennett of Qld with 18/20.

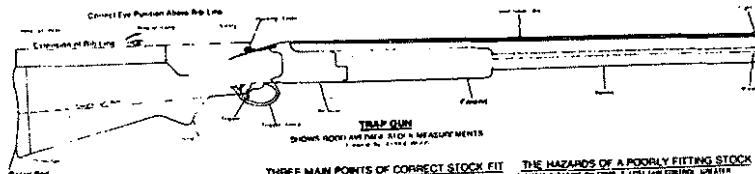

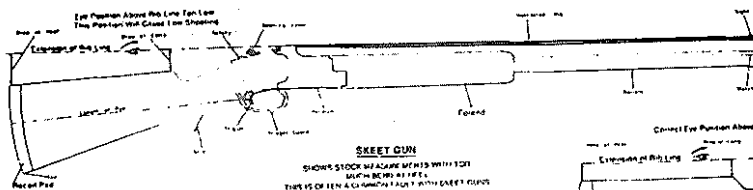

**King Island . . .** The club situated in the centre of the stormy waters of Bass Strait finds it difficult to keep up supplies, the latest misfortune is the lack of clays which has ceased shooting competitions. The club finally secured 1000, unfortunately these were left on the wharf in Melbourne, and to make matters worse, this same boat has now gone into dry dock for four weeks.

\* \* \*

**U.S.A. Shooting . . .** Our American correspondent tells of his son, a university student, who recently won two handicaps and is now back to 28 yards. At a recent shoot the young sportsman broke all but four pairs in 50 double rise and on another occasion lost only one pair in 50. Explaining his miss he recalled that he was so surprised at missing the first target that he forgot to cover the second. Completely missing a pair of double rise targets in the U.S.A. is known as "Dutch-Double".

# WALL CHARTS AVAILABLE NOW

## Skeet & Trap Gun

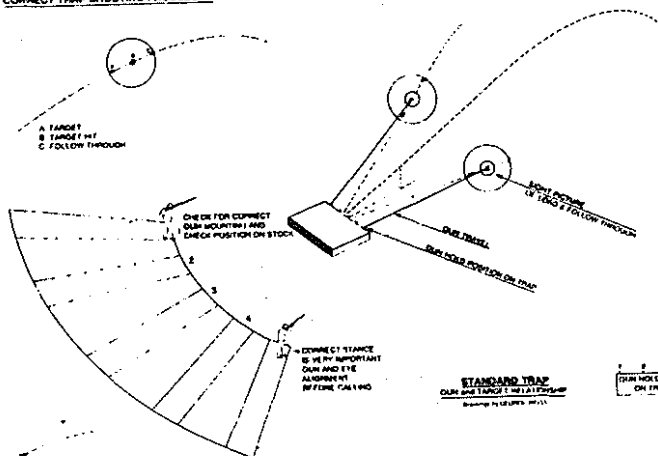

IT IS IMPORTANT TO HAVE:  
1. CORRECT GUN HOLDING AND BUTT POSITION ON SHOULDER  
2. PROPER CHECK POSITION ON THE

THREE MAIN POINTS OF CORRECT STOCK FIT  
1. LENGTH OF STOCK  
2. DROP AT COMB  
3. ANGLE OF PITCH & SHAPE OF COMB

THE HAZARDS OF A POORLY FITTING STOCK  
1. TURNS GUN FROM TARGET 2. LOST GUN CONTROL 3. GREATER RISK OF INJURY 4. MORE TIME AND EFFORT TO RECOVER 5. LOSS OF PRECISION 6. INCREASED RISK OF INJURY 7. EXHAUSTION 8. LOSS OF CONFIDENCE

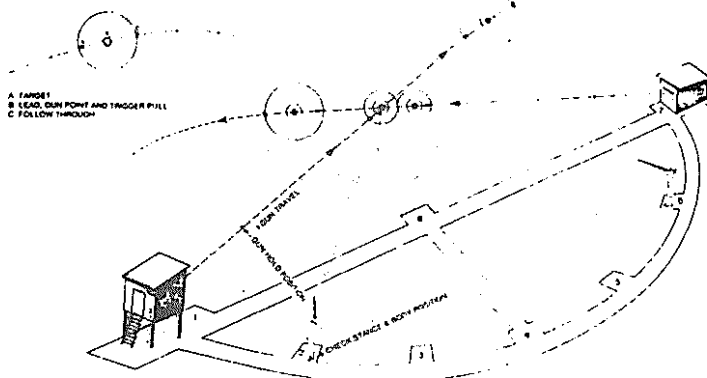

## Standard Trap

### CORRECT TRAP SHOOTING PROCEDURE

## Skeet

### CORRECT SKEET SHOOTING PROCEDURE

1. GUN HOLD POSITION WILL ALTER FROM STATION TO STATION
2. TRY TO SHOOT ALL GOING AWAY TARGETS EVEN ON JUST BEFORE CROSSING STATION
3. TARGETS COMING TO YOU CAN BE SHOT JUST AFTER HAVING PASSED CROSSING STATION

CONCENTRATE ON KEEPING THE TARGETS SHOOTER & CLEAR LEAVING THE TRAP

4. STANCE AND CORRECT FOOT POSITION FOR EACH STATION IS VERY IMPORTANT
5. FACE AND POSITION BODY JUST PAST WHEN YOU RETURN TO BREAK THE TARGET
6. REASON FOR CORRECT BODY POSITION IS TO PREPARE A FACE AND BODY TURNING WITH AND THROUGH THE TARGET

## CLUB AFFILIATIONS

As at April 1 the following clubs have yet to forward to the office the 1990 affiliation fee of \$30: Bannockburn International, Benalla, Bourke, King Island, McArthur River, Rosebery, Top End, Tyagarah, Walcha, Western Australia.

The insurance cover that exists provides protection for events that may occur at affiliated clubs and therefore in the best interest of all concerned those clubs not providing insurance protection for their members are requested to ensure that their 1990 affiliation to the ACTA is forwarded without delay.

Please note: In the event of a claim being made under the ACTA Public Liability Policy the claim would be unacceptable by our insurers should the club concerned be unaffiliated.

# Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- \* Low profile action for unsurpassed pointability.

## 682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

## ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

Field removeable in one, split second motion for quick inspection, cleaning or in the unlikely necessity, immediate replacement with the spare mechanism supplied with the gun. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped mainsprings. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- \* User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.

- \* Advanced dimensioned quality walnut stocks.

- \* Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.

- \* Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

## S05

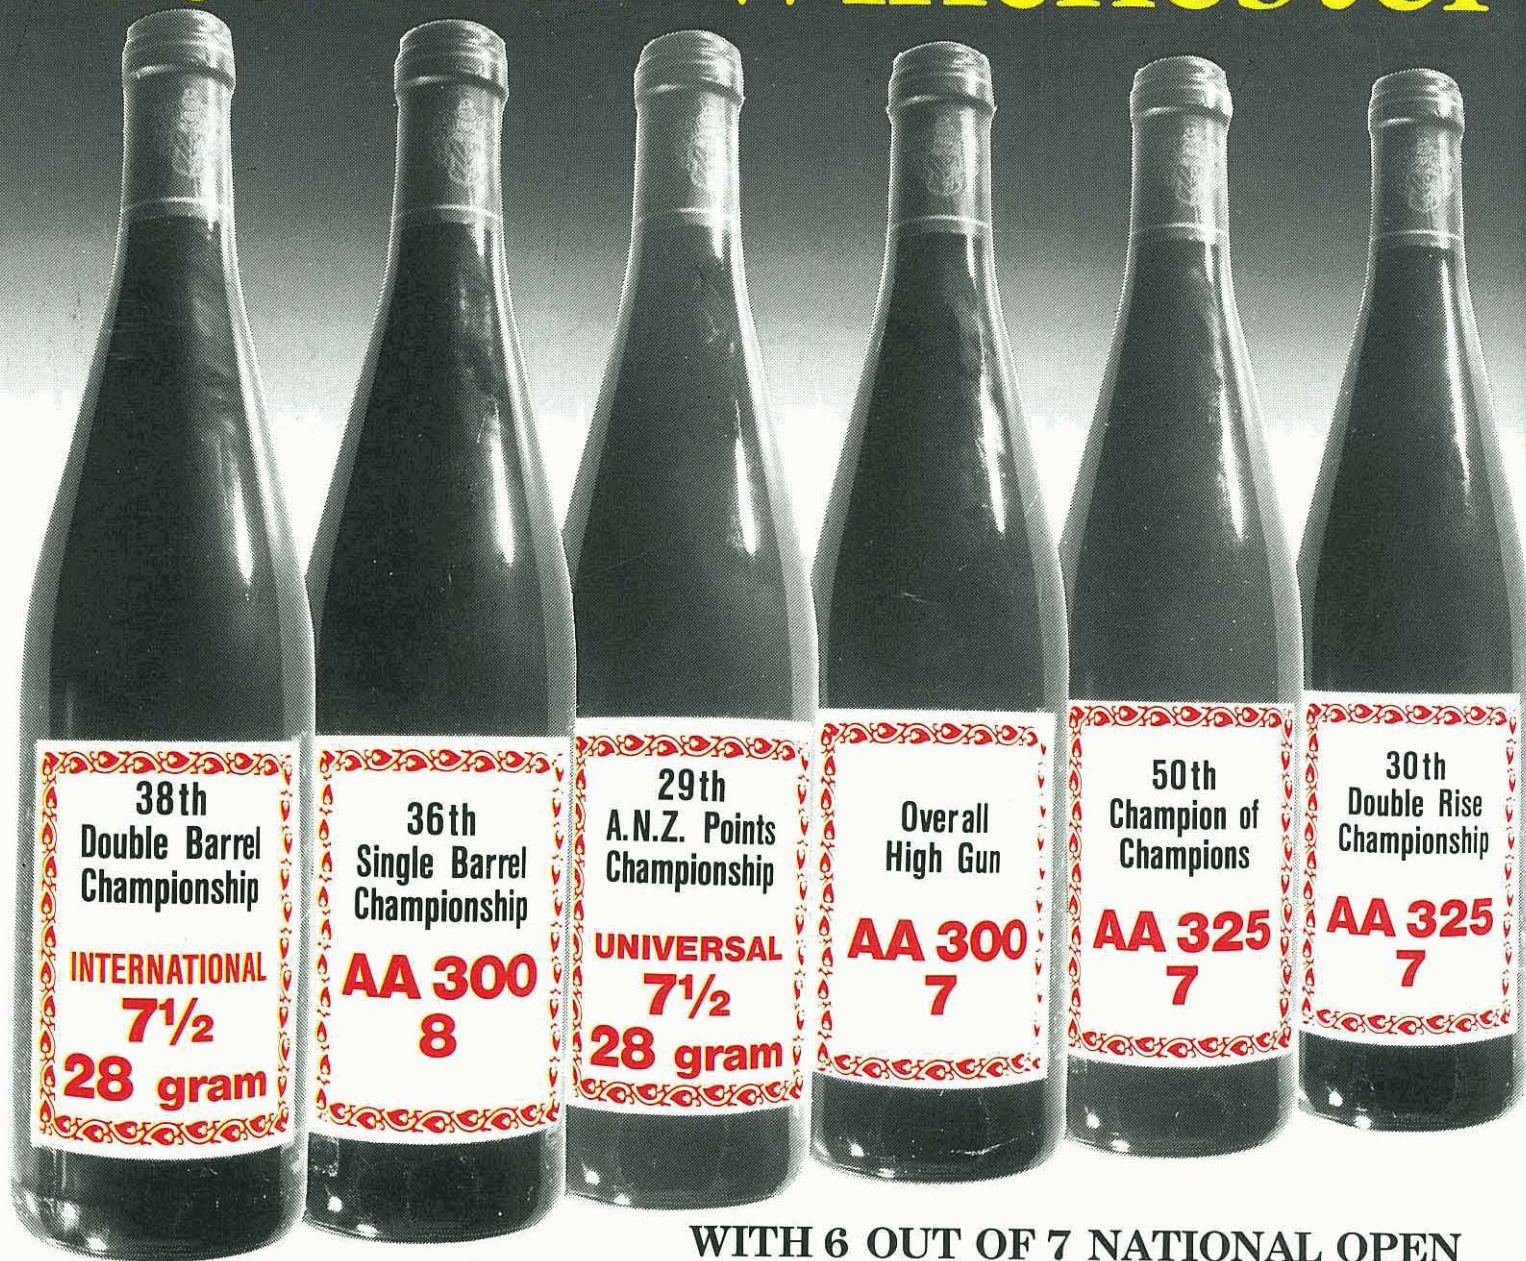

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.

# 1990 A Vintage Year for Winchester

## WITH 6 OUT OF 7 NATIONAL OPEN TITLES GOING TO WINCHESTER SHOOTERS

Winchester's target load shotshells continued to dominate the Nationals. Once again shooters who chose to use Australia's best performing ammunition won!:- 38th Double Barrel, 36th Single Barrel, 29th Australia/New Zealand Points, 50th Champion of Champions, 30th National Double Rise, plus the Overall High Gun Award.

1990, another excellent year for Red (and Gold).
