## PRESIDENT'S COLUMN

As you may be aware, over the past months there has been a degree of unrest between some of our shooters and the Association as a whole. If you read my column in the April CTSN you will have read comments that I made in this regard.

I also invited comments from those concerned to write to the CTSN and explain their actions. This has taken place and it was the intention to publish these letters plus others in this issue of the CTSN.

Fortunately for Clay Target Shooting, commonsense has prevailed on both sides and agreement reached that no purpose would be served in pursuing this line of thinking. We thank those who took the time to write to the CTSN and their decision along with the Association to put the best interests of the sport before all else.

Correspondence received from a number of people has enabled the matters to be addressed and with the decision which was mutually agreed, to not publish anything further on the issues that were raised, the winner is shooting and for that we are appreciative. The matter is now closed.

Jim K. Scott  
National President

## SPORTS TALENT ENCOURAGEMENT PLAN

Correspondence from the Australian Institute of Sport contains the advice that an amount in excess of \$1.6m has been approved under the 1990 Step Program with athletes receiving grants from \$2000 to \$100,000 to offset costs of training and overseas competition.

Two of our members have been favourably considered by the Institute with grants of \$4000 being approved for Ian Hale and \$2000 for John Maxwell.

We take this opportunity to express the appreciation of the sport as a whole for support given to both Ian Hale and John Maxwell as well as all other athletes who received grants under the 1990 Step Program.

## TRAP NATIONALS QUESTIONNAIRE

Competitors in the Double Barrel Championship at the 1990 Trap Nationals were provided with a questionnaire in an attempt to obtain their opinion on various items concerning the National Championships. The results of the survey are published below to inform those who assisted in the gathering of the information of the survey and to inform others not in Tasmania as to how competitors responded to the various questions contained in the survey.

The information gathered from the Tasmanian Nationals will have been discussed by the National Executive Committee during May and a report on their findings will be printed at an early date.

### NATIONAL CHAMPIONSHIPS SURVEY

1. Total Surveyed: 171. State Breakdown: NSW 47, Vic 36, Qld 20, SA 6, WA 10, Tas 40, NT 6, NZ 6.
2. National Carnival Attendance in the past five years — average 3.
3. Grade: AA 59, A 41, B 44, C 27.
4. Handicap: 11-2, 12-4, 13-3, 14-1, 15-10, 16-25, 17-19, 18-22, 19-14, 20-19, 21-15, 22-11, 23-11, 24-11, 25-4.
5. Are you in favour of 100 target events? Yes 81, No 90.
6. Would you attend the Nationals if 100T events were introduced? Yes 113, No 58.
7. Would you prefer to shoot a National event over one day? Yes 145, No 26.
8. Would you prefer to shoot a National event over two days? Yes 23, No 148.
9. Would you prefer to do away with graded events? Yes 48, No 123.

### Comments . . . Majority agreed on:

- A National Ground in the Eastern States area.
- Review and improvement required in relation to the current handicap system.
- Majority feel that to do away with graded events is to do away with the average shooter.
- Nationals should be held at more centralised locations.

## LADIES SKEET BREAK RECORD

Wagga Gun Club member Maree Rooke shot what is believed to be an Australian Ladies record at the recent Victorian Clay Target Association State Championships.

Shooting at the Melbourne Gun Club, Maree recorded a 20-target break on Saturday plus an additional 12 targets in the shoot-off. On Sunday 15th April Maree broke 100 targets in the State Skeet Championship plus an additional 8 targets in the shoot-off for the State title to finish with a skeet break totalling 140. Congratulations Maree on an outstanding effort.

## THE TOM GLENN CUP

A small group of 12 Australians attended the New Zealand National Championships conducted at the Belfast Gun Club in Christchurch from the 10th to 16th March. The smaller than average number was perhaps because our own Nationals were only a few days away.

The Tom Glenn Cup match was set down to be shot after the NZ Single Rise, which is the equivalent of our D/B. The Glenn Cup is an annual event shot between Australia and New Zealand and it was NZ's turn to host the event.

An elimination to decide the Australian Team was conducted over the Single Rise and comprised our best six scores. There being a neat six possibles, Australia's team comprise D. Anton, M. Facer and M. Fisher (NSW), J. Murphy (Tas), M. Swale (Qld), and T. Catling (WA).

Because the NZ Single Rise shoot-off ran over until the next morning, the teams match was transferred to late afternoon on the second day. Conditions of the second day were a little unpleasant, with light steady rain all day although it was calm.

Finally the match got underway with NZ winning the toss and electing to shoot first. After their first half of the targets they had recorded a score of 59/60, which we proceeded to match.

So the tension mounted as NZ shot another 59/60 for the good total of 118/120. Australia produced another 59/60 for a tie. However as the rules of this event state that the holders of the Cup, in this case Australia, have to be defeated, we retained the Cup for another year. The next Tom Glenn Cup match will be shot in Perth, WA in 1991.

• Australian Reps in the Glenn Cup Match.

At the presentation ceremony, badges and ties were exchanged by the respective team members. It was obvious that these matches are enjoyed by the shooters and spectators alike.

A second team event, NZ versus the other overseas countries, became a goodwill type event. The USA making up a team entitled North America and shooting against Australia and New Zealand. This was won by North America. Australia's team of J. Murphy, B. Kable, T. Catling, S. Collins, R. Godfrey and M. Facer enjoyed the friendly atmosphere of the event and again goodwill was created among everybody.

### INDIVIDUAL PERFORMANCES

There were many good efforts by the Aussies during the week with always one or two in the shoot-offs.

However the shooter who wreaked havoc among the Kiwis was Mike Fisher of Sydney.

Mike won both the Points and D/Rise Championships as well as High Gun over the National events. This was a wonderful effort. Mike is a pleasure to watch shoot, as he is always correct in his approach and his timing is near perfect.

Final comment — The comradeship among the Australians was a pleasure to be part of and much fun was had by all.

Tim Catling  
Team Organiser

## TERRITORY SHOOTING

This month I cannot do anything else but to indulge in some real beaut skiting on behalf of our magnificent representatives at the recent National Trap Championships in Tasmania and I am going to enjoy every syllable of it all!

Although the Territory team did not do so well in the team event (possibly a case of "early national nerves"), Territory shooters came home showered in glory. In fact it was the best combined result Territory shooters have had in the decade or so of our fielding a Territory team.

Greg Chan won the National Points Score Championship being the only shooter in the field of 360 that day to shoot a perfect score. Greg shot early and just sat back and watched the rest of Australia try to catch up. Nice going Greg.

Yulara C grader (surely not any more?), Paul Warren, shooting off 16m, won the National Handicap Championship in a shoot-off from Tony Bradshaw with a score of 82/82. That score would be one to be proud of in any handicap event Paul, let alone a national championship. Well done mate!

The Darwin Gun Club team of Greg Chan, Phil Grove, Ken Selwood, Victor Fertiklis and Doug Chan then went on to win the Australian Club Championship after a shoot-off from the defending champions Echuca Gun Club. They competed against 60 other clubs. The championship is decided over 250 targets after which it was found that they had tied on points with the Echuca team. An extra 25 targets had to be shot and Darwin took the title by one point. This effort has placed the club on the map as a shooting centre and should raise interest in the annual shoot already well-known around the country. What more can I say?

Further congratulations are in order for Greg Chan and Ken Selwood who have been selected for the Australian McIntosh team. For those of you who may not be aware, the McIntosh trophy is shot between all Commonwealth countries and is one of the prestigious events on our national calendar. It would be a cause for celebrations to get one Territorian into the team let alone two. Fantastic, fellows!

Ken Selwood came third in A Grade with 52/54 in the Single Barrel and Greg Chan was unlucky when he dropped his 70th target in the shoot-off of the Double Barrel Championship.

The performance of our shooters was simply magnificent, really placing the Territory on the national shooting map. Take a bow you blokes!

See you next month.

Bob Fox

## CONGRATULATIONS

The wins by Kevin Perkins (Perki) of the Overall Trap High Gun and the Single Barrel Championship at the National Championships in Tasmania were a great thrill for many and may I say very popular wins also.

Over the years I have seen many great shooters and sportsmen win the overall high gun but for me this was a win truly deserved by a person who just loves shooting at all levels, whether it be trap, skeet or ISU trench.

Kevin has run second on three occasions at National Championships over the years in the Double Barrel, Single Barrel and Double Rise, he has also been a member of the skeet team that toured USA and the trap team that toured Britain.

I have known Kevin for some 20 years. He helped me, as he has helped many others, when I first started shooting at the Illawarra Gun Club on their old grounds. He has been a hard working committeeman at Illawarra for many years at both the old club and the present club.

To Kevin and his greatest supporter Judy, may I congratulate you both on behalf of all the shooters for your efforts and your contribution to our sport.

# KNOW YOUR STATE COACHING DIRECTOR

**STUART BROWNING**

As well as being an Executive Committee Member for Tasmania, Stuart holds the position of the State's Coaching Director. He has forwarded the following article which proves most interesting.

## DO YOU VALUE YOUR HEARING?

The ear is made up of three sections: The outer, the middle and the inner.

The outer ear is the part that is seen, and it opens into the ear canal. The eardrum separates the ear canal from the middle ear. There are three small bones — the hammer, anvil and stirrup located in the middle ear. These bones transfer sound. The inner ear contains the balance nerve endings in the semi-circular canals and the hearing nerve endings in the cochlea, which lead to the brain.

Sound vibrations or waves enter the outer ear and strike the eardrum, causing it to vibrate. The vibrations are then transferred from the eardrum along the hearing bones to the cochlea, which is filled with fluid. The vibrations cause the liquid to move and stimulate the tiny nerve endings. The endings are attached to make up the hearing nerve. The vibrations then become nerve impulses and go directly to the brain, where the impulses are interpreted as sound. The brain can then distinguish the kind of sound — a phone ringing, machinery in a factory, a gunshot.

If a noise is too loud, it will begin to kill the nerve endings in the inner ear. If a person experiences prolonged exposure to loud noise without hearing protection more nerve endings will be destroyed, resulting in hearing loss and ringing.

Sound is measured in two ways:

1. decibels (dB) and
2. pitch — frequency of sound vibrations per second.

The decibel scale runs from 0 dB, the faintest sound a human ear can detect, to over 180 dB, which is the intensity of sound of a rocket launch. Most hearing experts agree that continual exposure to noises of 85 dB or more, without the use of hearing protection can be damaging.

Frequency is measured in cycles per second or hertz (Hz). The higher the pitch the higher the frequency. A low pitch such as a deep voice makes fewer vibrations per second than a high voice.

Symptoms people begin to notice is ringing in the ears, a condition called Tinnitus. For some, this experience occurs after a particular noise exposure and diminishes within hours or days. Others are not so lucky and have to live with this condition 24 hours a day, 365 days a year. Tinnitus is more noticeable in quiet environments. Tinnitus is permanent and cannot be corrected.

With shooters, because of a head shadow effect, one receives more noise exposure than the other. Therefore the left ear is usually worse for right handed shooters and vice versa for a left handed shooter.

## HOW LOUD IS IT?

Soft whisper	30 dB
Normal conversation	60-70 dB
Vacuum cleaner	70-90 dB
Heavy city traffic	80-90 dB
Lawn mowers	90-105 dB
Screaming child	90-115 dB
Chain saw	100 dB
Thunder clap	120 dB
Shotgun or rifle blast	120 dB
Jet plane at take-off	130-150 dB

For personal safety and health, protect your ears from repeated or continuous exposure to any sound above 80 decibels.

There are only two basic types of hearing protection: ear muffs and ear plugs. Both have advantages and disadvantages. Muffs tend to get in the way of head gear and sometimes cause problems when mounting the gun as they contact the comb of the stock. Plugs are more compact, more comfortable and do not interfere with head gear or gun stocks.

Hearing loss is insidious, and begins at the higher frequencies where it may not be noticed at first. But as years go on, it shows up more and more. This means that a shooter, who has the ability to hear someone loud and clear talking one to one at age thirty may well be into the progressive deterioration which means that at age forty he may have trouble sorting out what's being said in a crowded room, and at age fifty will need a hearing aid.

We have all seen older members of gun clubs who are plainly suffering from hearing loss.

Stuart Browning  
State Director of Coaching

## WACTA REPORT

Welcome home to our State Trap team representatives, from all reports a very enjoyable Nationals. Congratulations to Tim Catling on making the Australian team.

Closer to home things have been on the move. At the AGM in Bunbury, State Coaching Director Murray Alexander and State Secretary/Treasurer Ross Arlow, announced their retirement. Five years of dedicated service from Ross and Murray have been greatly appreciated. Thank you from all State members and particularly the Executive. Welcome Mrs Alison Harding, Secretary/Treasurer and Tom Stelling, State Coaching Director onto the Executive. Take note the new postal address is: PO Box 768, Morley 6062.

From the Executive meeting held 7th April, many items have arisen. All points are recorded and distributed to clubs via your Secretary. It is in your interest to read these. A few points are:

1. A silver WA badge is to be presented along with the State sash for all State titles.
2. A complete restructuring of the allocation of State titles for 1991. Basically, every club receives a State title each year, occasionally you may miss out due to more clubs than titles.
3. State team elimination will be held at Whiteman Park, 11th August. Due to Nationals to be held in Townsville in September. On the Sunday, 12th August is the 100 Thomas Newton Skeet. Should prove to be a skeeties weekend out.

Several State titles have been conducted around the State. Bunbury 50 Skeet Doubles winner Brad Day, with a great 49/50. 50 Double Barrel winner Terry Morony, after an extended shoot-off. Great to see a tireless worker for our sport rewarded.

Albany 20 Walk Up winner David Slee. Conditions were tough. Esperance State Single Barrel winner Murray Alexander, another worthy winner with a fine 48/50 in testing conditions. 20 Pair Deauville Doubles winners Merv and Jim Neve. A popular combination of experience and youth.

Whiteman Park, WAGC, 60 Champion of Champions winner D. Hiltz 123/125. Top shooting, could it be that "Ford hat" David?

50 ATA Single Barrel winner, R. Balloch of Kojonup Club. Congratulations to all these competitors. Great to see the goodies shared around. Our own Matrix clays were used at the WAGC Carnival. Scores were up and the comments were great.

Clay production is as planned. The popularity of these clays is such now that demand is exceeding production. Thanks to Reg and Ian for the hours you're both putting into clay manufacturing and daily complex activities.

By the time you read this, ACTA Vice President Ross Silvester and myself would have returned from Melbourne after attending the May National Executive meeting. The issues we address will hopefully resolve the discontent that has arisen over the last few months.

Until next time, may all our comments be constructive, not destructive.

John Fissioli  
WACTA President

# CROWEATERS NOTES FROM S.A.

## MALLALA GUN CLUB

Mallala Gun Club's team once again have done their club proud by winning the E. Demichene & P. D'Allessandro team shield. The event was conducted in conjunction with the 25T Autumn DB Championship hosted by International Gun Club. Mallala's team members — B. Greenshields, K. Polst, B. Johnson, R. Smith and T. O'Connor scored 121/125. Mallala's reserve team member J. Ellis shot a 25/25 in this event as well — Mallala members took out the event in every grade — OA & A: Ron Smith, AA: B. Johnson, B: John Ellis and C: Helen Johnson. Not a bad effort for a country gun club visiting their city cousins.

We all thought that it doesn't happen that often for a visiting club to take out the overall and every grade trophy in a double barrel championship event — a good effort.

Mallala club members also braved the cold and windy conditions at Monarto's Anniversary shoot over the weekend of April 21/22. All members shot well and had a great time, especially the group that walked to dinner at a Chinese restaurant on the Saturday night and staggered back to the motel much later. How could they have gotten that happy on coke? It is a question only Bernie Greenshields can answer. One of Mallala's lady shooters was fairly sheepish on Sunday morning — it was noticed that she was wearing her roll-neck skivvy as high as possible, can the coke attacker answer for that. The team a little under the weather came third in each of Monarto's shield shoot. Just watch out next year — we will return for the fun of it.

## FAR WEST GUN CLUB

The annual two-day shoot of the Far West Gun Club was conducted on April 14 and 15 last. The attendance was the poorest that we have experienced in this neck of the woods in our 20 plus years of operation despite strong support from the Port Lincoln folks and their chief assistant from Ungarra. Could be that the remainder of the clubs in the zone had been reading the state program and didn't feel like coming to a shoot on Wednesday and then waiting about until Sunday to complete the program as listed.

However, what was lacking in number was made up for in quality and with climate conditions being as near perfect for shooting as one could desire and with the flies giving everyone their continual attention a very real carnival atmosphere prevailed with lots of friendly waving being a feature. Boy, those flies were persistent. They were sprayed, swatted, shooed, cursed, munched, crunched and swallowed but nobody and nothing depleted their enthusiasm nor their numbers. Of course nobody really believed Paul Beale when he complained they were using his sighting rib for a slippery dip — our flies are all business and no funny business.

All problems aside, everyone breasted the tape to contest the 50T Ball Trap with some excellent scores recorded, generally speaking. I am sure Jess Averis would do better at balltrap if he didn't keep repeating his trench lessons during the shoot.

When the last ball had been trapped an up and coming local shooter in Steve Chapman led the way with a 48/50 for B grade & OA followed by Trevor Heard scoring 46/50. C grade honours went to Paul Beale with 47/50.

After an excellent lunch served by the ladies in the kitchen the 50T Handicap was contested.

When the bulldust had settled another local shooter Alan Suter had put his name on first with a nice 53/55 after a short shoot-off with Paul Beale and Kim (Tiger Rug) Firth. Paul weighing in with 52/55 and Kym with 51/53. First prize was a large camp oven and as Alan is a chef there will no doubt be many new gastronomical delights awaiting patrons at the Highway One Motel in the very near future — advance bookings will be accepted.

As the Parson said this endeth the first lesson and day one. A most convivial gathering took place at the Ceduna Hotel that

evening when some 18 shooters, wives and friends met to discuss items of mutual interest and socialise generally. Rumour has it that the merits or lack of same in the house claret was also on the agenda at certain times.

In due course Sunday rolled around and wonder of wonders everyone was on deck bright eyed and bushy tailed with "Just let me at 'em" attitudes which saw shooting commence 10 minutes before the scheduled time.

The 5T eye opener Pointscore saw some six shooters score the possible but the shoot-off quickly sorted them out leaving Trevor Heard on a perfect 45/45 leading the way followed by Tiger Firth 42/45. However, it had its effect on Trevor who could only manage second and third places for the rest of the day.

Once more to the breach to do battle for the first round of 50T of a 100T Overall event. This contest saw Alan (Campoven) Suter doing the opposition gain when he shot off with Trevor Heard for the honours in A grade, Alan showing 49/53, Trevor 48/53. B grade went to Kym Firth 47/50 and C grade honours to Ken (Rembrandt) Butson with 43/50.

After putting the feet under the table once again it was back to the tracks for the final leg. When the 50T plus the shoot-offs were conducted John Holder showed the way in A grade with a score of 49/55. Steve Chapman was in the money again for first in B grade 52/55. C grade shooter George Burnett on 41/50 took his grade honours.

The Kym Parker Memorial High Gun Cup went to the man with Mortein oiled barrels in Paul Beale with a score for the weekend of 198/205, a top effort Paul.

Local High Gun was taken out by Alan Suter who had to shoot-off with Trevor Heard for the honour as both were one target behind Paul on 197/205. Alan recorded 209/227 and Trevor 208/227.

So there you have it folks. If you were there you enjoyed it and maybe we will put on a show for you next Easter. Until then good shooting and good health.

# GERALDTON GUN CLUB 1990 MID-WEST GAMES REPORT

APRIL 21st and 22nd

The City of Geraldton hosted the 1990 Mid-West Games, with approximately 3000 competitors from 18 shires in 41 nominated sports taking part. Competitors came from all parts of the Mid-West Region, ranging from the Wiluna Shire in the north to the Coorow Shire in the south.

The Games are run along similar lines to the Olympic and Commonwealth Games with the shires, in effect representing the various countries. Competitors then compete for gold, silver and bronze medals in individual and team events depending upon the sport involved.

The Geraldton Gun Club hosted a six-event Clay Target programme over two days with shooters coming from the Northampton, Mullewa, Greenough and Geraldton Shires.

Saturday April 21st saw 18 shooters competing in the two events scheduled.

The first event was 50 Target Skeet with B. Chandler shooting 50/50 which gave him the gold medal in A Grade, D. Hilsz won gold in B Grade with 48 and G. Cammock winning gold in C Grade with 45/50.

The second event was a 50 Target Skeet Teams event, with competitors nominating their 3-man team. This was won by B. Chandler 47/50, D. Hilsz 47/50 and S. Horo 44/50 with a combined score of 138/150 which gave them all a gold medal. The silver was won by the team consisting of D. Wellington, R. Burton and G. Cammock with a combined score of 126/150 and the bronze went to G. Kelly, E. Daw and P. Stuart with 120/150 after a shoot-off with L. Watson, G. Wulff and F. Bombara.

Sunday April 22nd saw 27 shooters competing in the four events scheduled.

The third event was 25 Target Single Barrel with gold in A Grade going to B. Boschetti with 20/25, gold in B Grade to G. Kelly with 21/25 and gold in C Grade to G. Cammock 23/25.

The fourth event was 25 Target Double Barrel Points with S. Horo winning gold in A Grade with 73/75, G. Kelly with gold in B Grade with 72/75 and G. Cammock with gold in C Grade with 67/75.

The fifth event was 25 Target Double Barrel with M. Watson 23/25 gaining gold in A Grade, T. Harris 25/25 and N. Milligan 21/25 getting gold in B and C Grades respectively.

The final event was 10 Pair Double Rise with B. Boschetti getting gold in A Grade with 16/20, J. Griffiths 15/20 and V. Oliveri 10/20 getting gold in B and C Grades respectively.

The Skeet High Gun sash was won by B. Chandler with 97/100 who found himself elevated to AA (not Alcoholics Anonymous) for his efforts and runner-up in this section was D. Hilsz with 95/100.

The Trap High Gun sash was won by G. Kelly 125/145 after a shoot-off with T. Harris, both from B Grade.

The Overall High Gun sash for the two days was won by A Grade's S. Horo with 211/245 and runner-up was J. Griffiths with 210/245 in B Grade.

Other notable performances and statistics from the shoot were those of Gordon Cammock who won a medal in every event, he ended up with three gold, two silver and one bronze.

Bert Boschetti nominated for four events and won a medal in each of them, ending up with two gold, one silver and one bronze.

Steve Horo showed you did not have to win all events to win the Overall Sash, ending up with two gold and one silver.

The same could be said of John Griffiths who only won one gold and one silver in B Grade.

Vince Oliveri improved all day — gaining a bronze in the fourth, a silver in the fifth, a gold in the last event after a shoot-off with G. Cammock.

Overall the shooting was closely contested, with little separating a gold to a bronze in each grade.

Medals for events held on Sunday were presented to shooters by Deonne Bridger who is the Australian Junior Target and Field Archery Champion.

Thanks to the shooters and organisers for making the weekend a success. A full list of placings and results are outlined in the shoot result section of WA.

Our next major shoot is our Crayfish Carnival on July 28th-29th featuring: 25Pr Commonwealth Double Rise Championship and 40 State Mixed Target Championship and Crayfish.

More details will appear in the July issue or ring the secretary Robert Mosel on (099) 21 3498.

## MARYBOROUGH TIT BITS, QLD

We apologise to those shooters who sent money for tickets in our Art Union to whom (after selling all tickets), we had to return their money. Thank you to you all and also to the ticket buyers (lucky to get in early) who supported us to make this Art Union the success it was. Under court supervision, ticket No. 60 owned by Maryborough shooter and a good worker of the club, Darrel King was the owner of the Beretta 682 Trap Gun. Good shooting in the future with it Darrel... you can't blame the gun anymore. Second prize of a case of ammo went to ticket No. 66 owned by Mrs Thelma Meadows of Brisbane and another good worker for her club. Congratulations Thelma and thanks for supporting us, and don't let Tom pinch any of them.

The Brisbane/Gympie Australia Day Police Charity Shoot resulted in \$400 going to Leukaemia Foundation and \$400 to Brain Damage Foundation. Thanks once again to the police who travelled and gave their time to work for charity.

Our Timber City One-Day Shoot had an attendance of 42 shooters from all over the State with Victorian Bill Bright of Numurkah competing also. High Guns on the day went to R. Rehbein (A Grade), B. Stolberg (B Grade) and B. Bright (C Grade).

4/3/90 at Bundaberg saw another shooter return to the game after a spell, that being Guilio Sartore who took out C Grade 25t DB Pts, 25t SB, 25t DB Handicap, 15pr DR and Front Marker High Gun, and for his good shooting he now has a 'B' after his name. Good shooting Guilio, you went up with a bang.

Neil Berry also had a good day taking A Grade 25t Pts, 20-25m Handicap and OA High Gun.

11/3/90 at Gympie saw high scores being the norm of the day as Rod Pett earned another metre as well as the AA High Gun honours of the day. G. Dixon took A Grade High Gun, A. Wood featuring in every event took the B Grade and J. Wilson C Grade honours.

Visitor P. Simon, President of Majura Park Gun Club in Canberra shot 75/76 to take AA Grade and push Ken Stevens to 76/76 to win the Overall in the "Cooloola Classic" DB event, the major on the day.

Good shooting to all... till next time, see you at the shoots.

## VALE — J.J. (MICK) HEHIR

Passed away February 1990, Mick was a highly regarded member of the Geelong Club for 27 years. He was a tireless worker in the development of the Clubrooms and trap machinery, Past Treasurer, President and Committee member. Mick achieved State Team selection at Skeet and was always in the forefront in Skeet and Tower at Club and District level.

We shooters will miss Mick's cheerful countenance and willingness to help out at every level of Club activities. Our deepest sympathy to Vera and family.

## ACCOMMODATION — TAMWORTH

Those Trap shooters planning on attending the 1990 STATE TRAP CARNIVAL in Tamworth over the October long weekend are urged to start making accommodation arrangements. Motels fill fast in Tamworth due to massive sporting activities over this weekend. Those wishing to camp are more than welcome by the Club — who have first class facilities.

## FROM THE CENTRAL ZONE

Some new faces on the Central Zone Executive and Delegates to the State Association. Les Aberley steps into the Zone President's position and will be assisted by new Zone Secretary, Libby Bunting. The Zone also has two new Delegates, Libby Bunting, "Frisby Park", Cudal 2864, phone (063) 64 2139 and Phillip Walmsley, "Laurel Park", Tyagong, via Grenfell. The new Zone Coach is Noel Dwight from the Cowra Club.

I'm sure all shooters in the Zone and those who have had the pleasure of meeting outgoing President and Secretary, Peter and Jenny Mould, will join with me when I say — a big thank you for a job well done over the last five-plus years.

## FROM THE NORTHERN ZONE

A final reminder of the ZONE SKEET CARNIVAL AND TEAM ELIMINATION being held at Coffs Harbour on 16th-17th June — be there.

For those of you who could not make the Zone Coaching day at Kempsey, a reminder of the next one — Inverell on 9th September — well worth making the effort to attend.

Last month I made mention of the Tamworth Club holding the State Double Trap and Ball Trap Championships on 3rd June — would all interested shooters please note — the State Double Trap will now be held on the Saturday commencing at 9.30am with Ball Trap practice in the afternoon — time permitting and the State Ball Trap will be on Sunday also from 9.30am — see full advertisement this issue.

While on Tamworth — don't forget their September Open Trap Shoot — 1st/2nd — well over \$10,000 in trophies and sashes are being planned. Come along and get in some early practice for the State Carnival a month later.

## FROM THE RIVERINA ZONE

June hosted the Zone Carnival and Team Elimination on 29th April and some 80-plus shooters attended. Should have some result details for the next issue.

Don't forget the BACK TO NARRANDERA shoot on 8th-9th September. Any shooter who has had ties with the Narrandera Club is asked to contact Mrs Lola Charles (069) 59 3211 B/H, so the necessary invitations can be sent out.

## FROM THE SOUTHERN ZONE

Would ISU shooters please note that the Sydney Club have changed their 200 target elimination from 7th-8th July and it will now be held on 14TH-15TH JULY.

Another new face to the State Executive is Illawarra member Bill Jones. Bill's address is 10 Satinwood Avenue, Figtree 2525.

The Forest Club will be hosting the Zone Trap Carnival and Team Eliminations on 26th August and this will be followed up by

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the **very wise** shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself **"PERAZZI FROM YOZZI"** — the most favoured name and Perazzi centre in Australia since 1972. the Zone ISU Carnival and Team Eliminations on 16th September at the Illawarra Club.

## FROM THE WESTERN ZONE

Although many of the shooters from the Zone would have been effected in some way by the massive flood devastation, I'm sure they will give strong support to the Zone Carnival and Team Eliminations being hosted by the Cobar Club on 26th-27th May.

At the time of writing this report, appeals are being set up and arrangements are being started for flood relief shoots to be staged in various areas.

I heard a radio announcer speaking of the floods and his comment was, "We think it is the end of the world when the washing machine overflows — just try and imagine 6 feet plus of water — flood water pouring through your home for days on end."

If you hear calls for assistance for the areas, please give generously.

That's all this month — good shooting and treat every gun as a loaded gun.

# 1990 NATIONAL TRAP CHAMPIONSHIPS

After an absence of some 15 years the Trap Nationals returned to the Tasmanian Gun Club at Evandale and while not as well attended so far as mainland shooters were concerned they certainly gained support from the registered shooters in Tasmania. Commencing under difficulties with the absence of State Secretary, Kaye Woods due to illness, the Nationals were very well conducted by TCTA officials. With a hard working and efficient Office Manager in Molly Bryan, their fears of maybe not having the experience to conduct a National Championships were quickly dispelled and to their credit the happenings that take place behind the scenes were attended to with the utmost efficiency. One of the more pleasing aspects which highlighted the Tasmanian commitment was the appearance of Kaye during the Nationals "just after some time in hospital, just to make sure that everything was going okay" — it was.

The opening ceremony which involved all State Shoulder to Shoulder teams was most impressive with all teams marching to take up their position under their respective State flags to the accompaniment of a Scottish piper. Opening the Tasmanian Nationals the State Premier, The Hon. Michael Field, commented on the pride that Tasmania does take in hosting major sporting events, none more than our own clay target championships. Under the guidance of National Executive member and State Coaching Director Stuart Browning, the Premier fired the opening shot of the championships and while not successful in breaking the target the Premier was obviously enjoying the break from the rigours of parliamentary duties.

• The Hon. Michael Field listens astutely to tips from Stuart Browning before firing the opening shot.

Having drawn for positions the first competition event the State Teams match was underway. With the strong teams from Victoria and South Australia the most fancied. It was, however the host State Tasmania who took the honours and what better way for the championships to commence than a win for the home State who as well as winning, won well with only the one target dropped for the event. Cameras came from everywhere to record the winning team whose members included the well known and very experienced Sperry Marshall to the junior member of the team Royden Swan. Possibly another first for Tasmania was the inclusion in the team of their two National Executive Committee members, John Murphy and Stuart Browning. Not left out was Michael Burling whose score of 25/25 made him an outstanding contributor to an outstanding win for Tasmania. Well done Tasmania and all States for the sporting manner in which the Shoulder to Shoulder match was competed.

• Victorious in their home State, the Tassie S/S Team.

## 41st GRAND AUSTRALIA HANDICAP

The first national title of the championships is the handicap which traditionally produces some surprise results. With a field of 313 including shooters from New Zealand, Singapore and America the title event was full of interest right through to the last shot fired which produced a new national champion, this time from the Northern Territory club at Ayers Rock with John Warren a very proud and excited winner with his score of 86/86 from the 16m mark. To win John had to outstay some good shots and finally did this when well known Victorian Tony Bradshaw missed his 86th target from 20 metres. Another very pleased winner was Wonthaggi's Lyn Gray whose score of 55/58 from the 14-metre mark won the ladies section. NSW junior Jason Gilkes also showed his liking for handicap shooting, taking out the junior section from 16 metres with a very well shot 55/56. A popular win in the veterans to 19-metre shooter Kevin Aylett from Devonport, Tasmania who is a strong supporter of the nationals wherever they are held.

National Champion 1990 — Paul (John) Warren, Ayers Rock, NT, 86-86 — 16m.

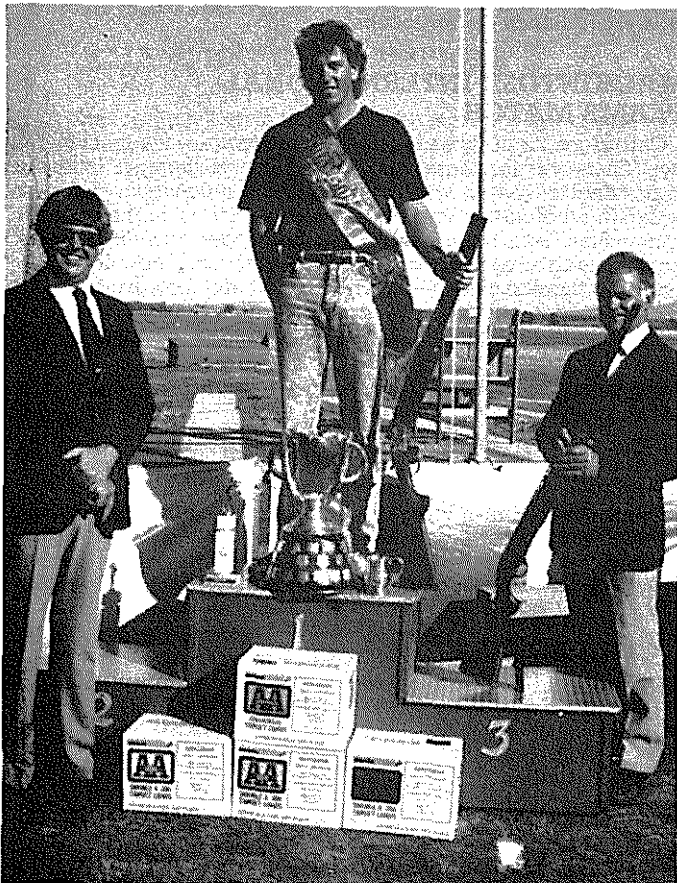

• Paul (John) Warren

### 38th DOUBLE BARREL CHAMPIONSHIP

Sponsored in its entirety by Winchester a total of 326 took the field to shoot for the double barrel title. The traditional blue ribbon event for clay target shooters was shot in conjunction with the ladies and junior double barrel championships and like the handicap was well contested.

Some very good performances were recorded in the open double barrel with the shooters continuing into the two hundreds before a winner was able to be declared. Noorat junior Glen Hayden pushed the field all the way and while outlasting both Robert Viney (151) and Colin Burt (211) was not able to stave off Geelong's Steve Haberman whose unbeaten 219/219 won for him the double barrel championship together with the Winchester trophy and loyalty bonus for using Winchester Shells. The veteran section of the event was won by well known Marconi shooter Malcolm Fuller who shot 63/66 and was a very pleased winner.

**National Champion 1990** — Steve Haberman, Geelong, Vic, 219/219.

### 10th LADIES DOUBLE BARREL CHAMPIONSHIP

With a field of 25 all anxious to record a national title victory the competition was keen and strong. Victorian ladies Pauline Clarke and Faye Burton produced some excellent shooting as did our international visitor, Judy Wegner from USA. A very determined Faye Burton was not going to let this one pass and scoring 58/58 took the ladies title from Pauline Clarke 57/58 with Judy Wegner in overall third place with a score of 52/53. The ladies event while not strong in numbers was strong in quality with the scores an indication of the ladies' ability.

**National Champion 1990** — Faye Burton, Kerang, Vic, 58/58.

### 10th JUNIOR DOUBLE BARREL CHAMPIONSHIP

The quality of those competing stood out in the junior event with Glen Hayden from Noorat in Victoria shooting the possible to emerge a clear winner overall. Not far behind were Danny Di Conza 49/50 from Melbourne and Jay Cruse from St Helens 50/52

AUSTRALIAN CLAY TARGET NEWS — JUNE 1990

who will both benefit from the experience and continue to show their ability in the years ahead.

**National Champion 1990** — Glen Hayden, Noorat, Vic, 50/50.

### 36th SINGLE BARREL CHAMPIONSHIPS

Sponsored by Winchester and with conditions throughout the championships better than what may have been expected the single barrel produced some good shooting. Tasmanian shooters while not dominant in the event score-wise certainly took the honours so far as numbers are concerned with no less than 83 entrants in the event. The best of these at the end of the day was Cressy shooter Graham Blaskett whose score of 51/52 took third place in AA Grade. First in AA and obviously benefiting by the recent competition in the New Zealand Nationals was another well known shooter from Katanning Gun Club, Tim Catling who on the day could not hold off the challenge from the multi-disciplined Kevin Perkins from Illawarra who recording an unbeaten 69/69 was an emotional and extremely popular winner of the single barrel title with Jason Werner of Melbourne Gun Club and John Miatt from Tasmanian Gun Club taking the respective junior and veterans sections.

**National Champion 1990** — Kevin Perkins, Illawarra, NSW, 69/69.

• Kevin Perkins

### 2nd LADIES SINGLE BARREL CHAMPIONSHIP

Competing for the Winchester Trophy and the IBIS Traps Perpetual Trophy the ladies single barrel was keenly contested.

A win for New Zealand in the event with well known and much travelled Zelda Maclure from Waitemata taking the ladies title with a score of 46/50. A good battle took place for overall second and third with Marilyn Dwight from Corowa scoring 47/52 to take second place overall from one of the hard working office ladies, Nanette McCallum. Like the double barrel, this event while in its infancy so far as years go will prove to be a very popular title and one of the ones to win.

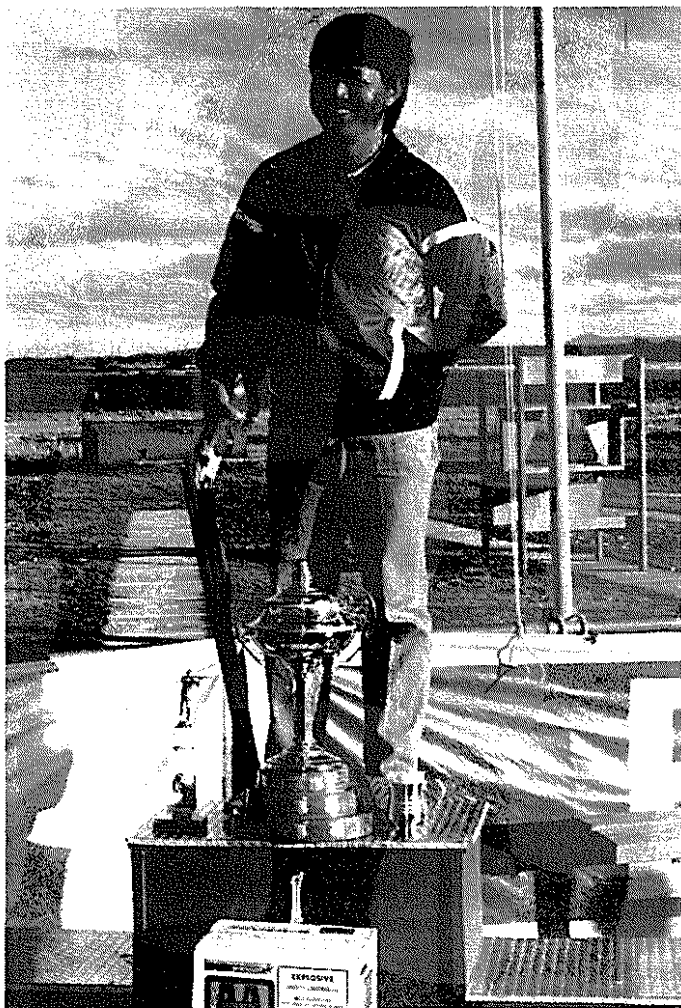

**National Champion 1990** — Zelda Maclure, Waitemata, NZ, 46/50.

## 29th AUSTRALIA/NEW ZEALAND TRAP CHAMPIONSHIP

Generally referred to as the points championship, this title event being the third of the Mackintosh qualifying events is always full of interest. With sponsorship from Winchester the points can be the make or break event so far as making the Mackintosh team is concerned. Producing some of the best of the shooting so far NT shooter and State Coaching Director Greg Chan practised what he preached by shooting the only possible 150/150 to emerge a clear winner with the second of championships for the Northern Territory. Many good performances in the points with none better than Faye Burton's score of 149/150 to take the ladies section and 181/183 in a shoot-off in the open section for second in A Grade. Other good performances were recorded by Bill Iles 182/183 and John Whittakers 181/183 for first and second in AA. Junior Glen Hayden was enjoying the championships as was Tassie's Kevin Aylett who both added to their success so far with victories in the junior 144/150 and veteran 138/150 sections.

**National Champion 1990 — Greg Chan, Darwin, NT, 150/150.**

## ALLAN BROWN CLUB TEAMS MATCH

The well contested club teams match, which has been dominated in recent years by the Echuca Club, produced a new winner in 1990 and another success for the NT. The five-man Darwin team recorded a score of 782/825 to take the match from Echuca 766/825. With Tasmanian club Cressy finishing in third place with a score of 712/750. Spokesman for the Darwin Club was the new member to the National Executive, Phil Grove who was very pleased for his club and the Territory.

**Champion Club Teams 1990 — Darwin Gun Club, NT, 782/825.**

• A proud bunch of Territorians.

## MACKINTOSH INTERNATIONAL TEAMS MATCH

Cartridges for all three Mackintosh teams were made available by Winchester for those who wished to use them. A little disappointing to see one or two of those competing in the team accepting the offer from Winchester and not using the shells in competition. Let's hope that this doesn't happen again for a while. As there is no obligation to use the shells that are generously made available there should be a moral obligation if they are taken for that purpose.

For the first time in the history of the competition all cartridges were 28gr and Winchester provided additional shells for those who not having used the 28gr shells wanted a round of practice prior to their events.

The ladies and juniors which are not shot on the afternoon following the points event were led by Faye Burton 249/250 and Glen Hayden 237/250 as the highest qualifiers into the teams. The strength of shooters in Victoria so far as ladies and juniors are concerned was noticeable with a total of six out of ten shooters coming from that State.

The open team was led by highest qualifier Ross Walsh from Broken Hill 248/250 with Faye Burton qualifying for the open and ladies team with 242/250. State representation in the open team: SA 4, Vic 6, NSW 8, Qld 3, NT 2, Tas 6, WA 1.

With scores for the Mackintosh not publicly declared until the completion of the English match in July, High Guns were won by Open Sperry Marshall 298/300 Tas., repeating the same victory recorded in Tasmania in 1975; Ladies, Pauline Clarke 278/300, Vic., and Glen Hayden 290/300 in the Junior teams event.

Again we would like to thank Winchester for their sponsorship of the three Mackintosh qualifying events as well as for their cartridges which by now are a traditional part of the Mackintosh match.

## 50th CHAMPION OF CHAMPIONS

Sponsored by Olympic Targets.

A change from 15m to the 18m mark is truly a test of skill when combined with 25 targets of DB, SB and points shooting. In the 50th year of competition this event has been won by many good shooters over its years of existence. Proving that versatility is the key, the points champion from 1989, Graham Blaskett added another National Title to his credit with a very well put together 198/200. With a magnificent trophy provided by Olympic Targets, competition was more than keen however the name of the title says it all as this event really sorts shooters out. At the close of shooting Lyn Curtis from Bairnsdale with a very creditable 197/200 had to be satisfied with first in AA behind overall Graham Blaskett who was adding to Tasmania's success on their home ground. At the risk of repeating oneself, Glen Hayden was too strong for the juniors with a score of 117/125 with another win to the popular and well known Malcolm Fuller 105/125 in the veteran sections and Judy Wegner, USA, 135/150 in the ladies section of the championship.

National Champion 1990 — Graham Blaskett, Cressy, Tas, 198/200.

• Graham Blaskett

## 30th DOUBLE RISE CHAMPIONSHIP

With the recent Victorian marathon in Double Rise shooting many fancied one of the Victorians to take out this the last of the National Titles for 1990. One of the Victorians did and it was Jon Whittakers from Echuca who proved to be too good on the day for all cameras recording a score of 62/70 to win for himself the National Double Rise Championship. Another of the Nationals hard workers, shoot marshal John Murphy figured in the results with his score of 61/70 proving to be too much for the rest of the field of AA shooters. Victory again to Judy Wegner, ladies 39/40, Glen Hayden 41/50 and Kevin Aylett 43/60 who all had enjoyed good results in their competitions.

National Champion 1990 — Jon Whittakers, Echuca, Vic, 62/70.

## 10th COMARK DEAUVILLE DOUBLES

For the 10th successive year the Deauville Doubles was sponsored by Commercial Marketing Co. of Sydney, courtesy of Mr Geoff Rabbidge. This event while not a National Title is always well supported with keen competition. The Burgess's of Cobar and Tasmania were amongst those most fancied in this event, however they could do no better than finish in third place with their combined score of 30/31 which is good shooting at any time. Trevor and Jan Heard from Ceduna in South Australia 20/21 pushed the winners from Victoria, Faye and Ken Burton all the way and although not winning were very pleased with their second placing. The benefit of a lot of shooting throughout the week certainly held Faye Burton in good stead and this was a popular victory for both Faye and Ken who are strong supporters of shooting at all times. Their combined score of 21/21 won the day for them in this popular family event which after 10 years on the program had established its own tradition due no doubt to the assistance received from the sponsors of the event, Commercial Marketing.

## GLENN CUP

Contested in New Zealand this year with Australia the defending champion. At the close of competition Australia and New Zealand were locked together on 118/120. Under the terms of the competition the trophy returned to Australia to be competed for next in 1991 at the ACTA National Trap Championships at Whiteman Park, Perth.

• A happy double in Ken and Faye Burton.

## HIGH GUNS

**Overall:** Illawarra Gun Club member Kevin Perkins was named as the National High Gun Champion for 1990 with a score of 459/475. Kevin was the recipient of a Beretta SO5 made available by Winchester Division of Olin Australia. In addition to the magnificent Beretta, Kevin was presented with the Ron Porter Remembrance Trophy by Mrs Muriel Porter, wife of the late Ron Porter, a past President of the ACTA. Muriel is a great supporter of the ACTA and always travels to present the trophy on behalf of the Porter family. Thank you Muriel.

**Ladies:** Faye Burton another great supporter of clay target shooting had an excellent championships, culminating in her being named as 1990 Ladies High Gun with a score of 432/475. As ladies

high gun Faye was presented with her trophy which was donated by Mrs Joan Scott, wife of the National President. Faye's presentation speech was for her an emotional moment and very well received by all present.

• Faye Burton

**Junior:** Glen Hayden was another who had an excellent week in Tasmania and with his score of 442/475 has given notice that he will be a force to be reckoned with in the years to come. Glen was presented with his junior high gun on behalf of the donors Tasmanian Red Line Coaches who we thank for their support.

• Glenn Hayden

**Veteran:** Kevin Aylett, well known in trap shooting circles, was delighted with his veterans victory over the three National titles. His score of 250/275 showed that there is still plenty of good performances yet to come and as a Tasmanian what better result than a high gun win in your own State. Kevin received the Rutherglen Village Trophy kindly made available by Manager, David Owen who we thank on behalf of all who participated in the Veterans High Gun.

**Veterans Aggregate:** A trophy for the best score over the National Titles was also won by Kevin Aylett who received the Val & Fred Horton Perpetual Trophy as a record of his achievement.

• Kevin Aylett

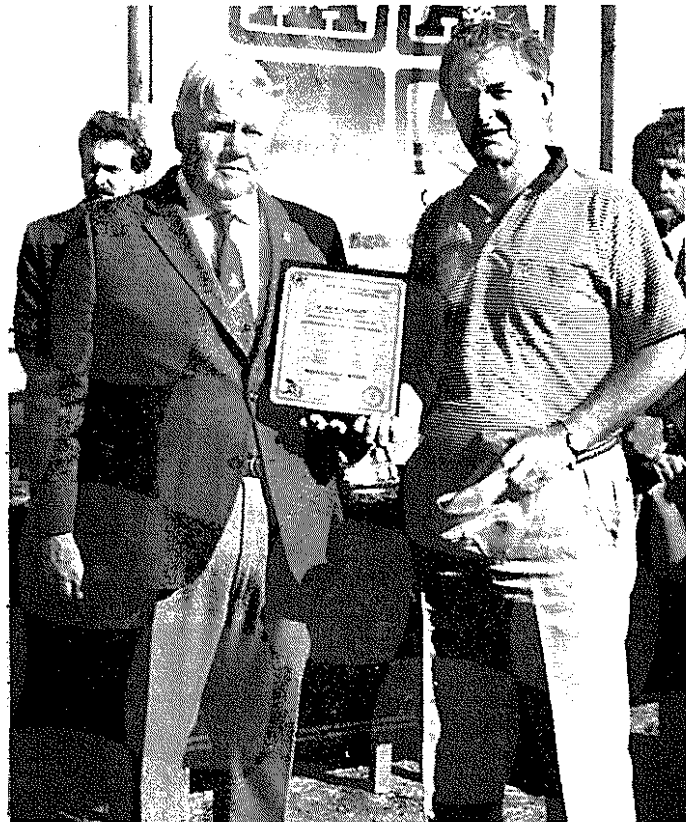

• Mackintosh Team High Gunners, Pauline Clark, Sperry Marshall and Glenn Hayden.

## OLDEST COMPETITOR

The oldest competitor to attend the Tassie Trap Nationals was George Richardson from Hobart Gun Club who had turned 82 years of age in January 1990. Well done George.

## PRESIDENTIAL MEDAL

The ACTA's most prestigious award, the Presidential Medal, was presented to Rex Varley from Guyra, New South Wales in recognition for his contribution to the development of the sport.

• National President Jim Scott presents Rex Varley with his award.

## SPONSORS

As always the sponsors of clay target shooting were very supportive of the National Championships and on behalf of all trophy recipients and competitors at Tasmania, we would like to extend our appreciation to the sponsors of the various events.

**Double Barrel Championship — Olin Australia, Winchester Division:** For all grade trophies plus overall trophy, a Beretta 682 Trap Gun, together with trophies for all sections of the National Double Barrel Championships — Open, Ladies, Junior and Veteran.

**Single Barrel Championship — Olin Australia, Winchester Division:** For all grade and section trophies including the Ladies Single Barrel Championship, together with the overall trophy, a Beretta 682 Trap Gun.

**Australia-New Zealand Trap Championship — Olin Australia, Winchester Division:** For the overall winner a Beretta 682 Trap Gun as well as trophies for all grades and sections.

**Champion of Champions — Olimpyc Targets:** Sergio Zuffo of Olimpyc Targets for sponsoring the Champion of Champions Title with trophies for all grade and section winners, including the VHS Video Camera Recorded for the National Champion.

**Comark Deauville Doubles — Commercial Marketing Co., Sydney:** For the 10th successive occasion, trophies for the winning team as well as second and third through the courtesy of Geoff Rabbidge.

**Mackintosh International Team — Olin Australia, Winchester Division:** Winchester for making available the traditional supply of Winchester shotshells for all team members which were appreciated by all who elected to use the Winchester cartridges.

**Austral Gun Co.:** John Fuller of Austral Gun Co. for the continued trophy sponsorship of the Perazzi Trophy for all National Title Champions.

**High Guns:** Tasmanian Red Line Coaches for their trophy support for the Junior High Gun, courtesy of Marketing Manager, Mark Ashton. Mrs Joan Scott, as wife of the National President, for supporting the Ladies High Gun with the donation of a Gold/Stone Necklace, thank you Joan. Winchester for the magnificent Beretta SOS Sidelock Trap Gun presented to the Overall High Gun.

## APPRECIATION

Having thanked our sponsors which is always a pleasant task, we would like to record our appreciation to all who contributed to the success of the Nationals at Tasmania. Those who work behind the scenes do a magnificent job which is sometimes taken for granted. We owe them our thanks, particularly:

- TCTA Organising Committee;
- State Secretary: Kay Woods;
- Nationals Office Staff: Molly Bryan and assistants;
- Tournament Director: Alan Kenny;
- Shoot Marshal: John Murphy;
- Tasmanian Gun Club President and Members;
- Handicapper: Jock Bryan;
- Trap Mechanic: Stuart Browning, and Trappers;
- Official Photographer: John Green.

As is always the case, when thanking individuals for their assistance, someone always appears to be overlooked. Trustfully this year may be an exception. If not, to any person whose support and assistance has not been recorded, please accept our thanks for the part that you did play in the 1990 National Championships.

In conclusion, repeating the annual message — when making a purchase of any commodity that is available from or through our many sponsors, please give them the opportunity to be of service.

## EDITOR'S MAILBOX

Dear Alan,

I would like you to put the enclosed in the Editor's Mailbox please.

I write for two reasons. Firstly, because we really did appreciate your time given to us and your explanation of the whole change-over and tour of the offices. We thank you most sincerely for that.

Secondly, we had heard criticism of the building, particularly

inside, from someone who had obviously not seen inside, and having seen for ourselves now wish to convey our favourable impression to some who have been told what we were told, through our own media the CTSN.

## NATIONALS OFFICE

Whilst returning from the Tasie Nationals, Bob, Lyn, Bruce and I detoured via 3 Essex Street to have a look at our National Office. We found Alan and the girls working and received a warm welcome and were given a conducted tour of the separate offices, tea room and storage room with full explanations of the workings of the whole thing.

Although there appears to be a lot of wasted space at present, when the partitions are rearranged for more functional use, that should create a good display area for trophies and the honour board.

We thank Alan and the girls for their time and explanation of the sale, the purchase and function of the office, and recommend that any shooters, when in Melbourne find an hour and have a look at the ACTA office. We were suitably impressed.

However, I hope that an eye-catching sign has been ordered for outside to tell all that it is the home of the ACTA (I forgot to ask that question).

L. Charles  
Narrandera Club

**Editor's Note:** I am pleased to be able to advise the writer that an honour board is underway courtesy of a donation from the NSWCTA and a suitable sign denoting the building to being the National Office of the Association is also being arranged.

## EDITOR'S MAILBOX

I phoned the President of my local club and was told due to daylight saving ending at that time that the shoot would start at 11am but he would be on the grounds at 10.30am.

11.15am arrived and they finally arrived.

I asked the President (very politely) what happened as he had told me he would be there at 10.30am. He answered very rudely, "Don't start picking as soon as we arrive as we had a lot to do to try and organise a shoot."

Having received such an answer I left the club and did not shoot.

I would have thought that with the decline in shooting nowadays that clubs would be trying to encourage shooters and not turn them away.

Maybe this club should take a lesson in courtesy.

## WONTHAGGI MOWS 'EM DOWN

Friday April 20th at 7.00pm saw the return match of South Gippsland vs Southern Peninsula at Wonthaggi Gun Club. Although a little windy, it wasn't cold and the rain held off.

The one event for the evening was 50 Tgt State Night Points Championship, Graded A, B, C, 1st & 2nd. Those people who come to Wonthaggi regularly or who read this article each month will know that Wonthaggi have many sponsored shoots and this one was no different.

We were proud to have as our sponsor that night "Dandenongs Gippsland Gate Mowers" and I would on behalf of the club like to express my sincere thanks to Bev and Ralph Goillon who are the proprietors of Dandenongs Gippsland Gate Mowers and valued members of Wonthaggi Gun Club for their support.

The shoot ran smoothly and this was mainly due to the fact that everybody pitched in to help with the refereeing and scoring and keeping the traps filled. The ladies in the canteen excelled themselves again by putting on a roast dinner which by some of the comments passed on to me was greatly appreciated by not only our regular visitors but by those who had travelled much further. Thanks girls, keep it up.

Moving on to the 50 Tgt State Night Points Championship, the results were as follows: A & O'all: W. Iles 143/150, 2nd M. Howden 142/150; B: 1st G. Kent 125/150, 2nd G. Milkins 143/162; C: 1st A. Milkins 104/150, 2nd S. Rose 100/150. Wonthaggi Stress Tests: Bev Goillon 1/2. Cake Shoot: W. Iles.

South Gippsland retained the shield from Southern Peninsula, the scores being South Gippsland 1200 to Southern Peninsula 1062.

In closing I would like to thank everybody for coming, in particular those shooters who travelled from the other side of Melbourne. Don't forget Wonthaggi shoots on the first Saturday of the month.

Good luck and good shooting.

**Keith Gray**  
President

# ESPERANCE BAY GUN CLUB INC.

The Esperance Bay Gun Club conducted its 28th successful Easter Carnival on the weekend and 60 shooters came from as far as Koolan Island to compete for \$7000 worth of trophies. As usual the Goldfields clubs were in strong attendance. Esperance has become known for its hospitality over the years and this year was no exception with good shooting, good meals and good entertainment after the shoot.

The competitions started on the Friday with:

Event 1 — M.S.D. Graded, 25 targets from 15 metres:

1st A Grade	Ray Hawke	Kalgoorlie
1st B Grade	Damien Neale	Esperance

• David Browning responding after collecting a colour TV for winning 'C' grade in the Esperance Grader Hire Grand Prix.

The final event for the weekend, sponsored by local businessman Danny Gavin, was the Esperance Grader Hire Grand Prix of 50 targets from 15 metres. This competition had the biggest trophies with the first in each grade receiving a colour TV.

1st A Grade and Overall	Harry Miller	Esperance
1st B Grade	Alan Brown	Perth
1st C Grade	David Browning	Esperance

High Gun Trophies for Events 3, 4, 5, 7, 8 and 9 were as follows:

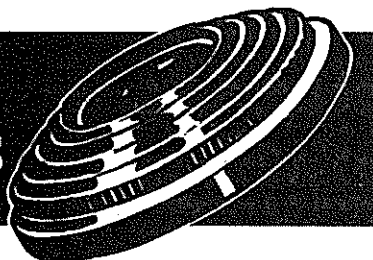

• High Gun Winner Harry Miller with his trophy, a natural timber framed mirror. Right is Lex Shipp from Winchester who presented the trophy.

Overall	Harry Miller	Esperance
(Sponsored by Esperance Sports Centre & Winchester)		
Intermediate	Earl Billington	Esperance
(Sponsored by Brian Warren)		
Junior	Adrian Rowell	Kalgoorlie
(Sponsored by Earl Billington)		
Ladies	Gay Shipp	Perth
(Sponsored by Westpac)		
Veteran	Roy Holtfreter	Northam
(Sponsored by Hotker & Co.)		

The Club management would like to express their thanks to the ladies who provided top meals all weekend and to the many people in the town who contributed donations and trophies to the Club. Without their support local clubs could never host State Titles. It has proved the point again that Esperance is a generous town and a great place to live.

# Beretta

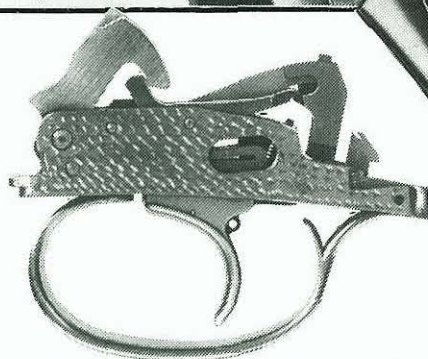

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- \* Low profile action for unsurpassed pointability.

## ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

Field removeable in one, split second motion for quick inspection, cleaning or in the unlikely necessity, immediate replacement with the spare mechanism supplied with the gun. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped mainsprings. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- \* User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.

- \* Advanced dimensioned quality walnut stocks.

- \* Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.

- \* Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

## 682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

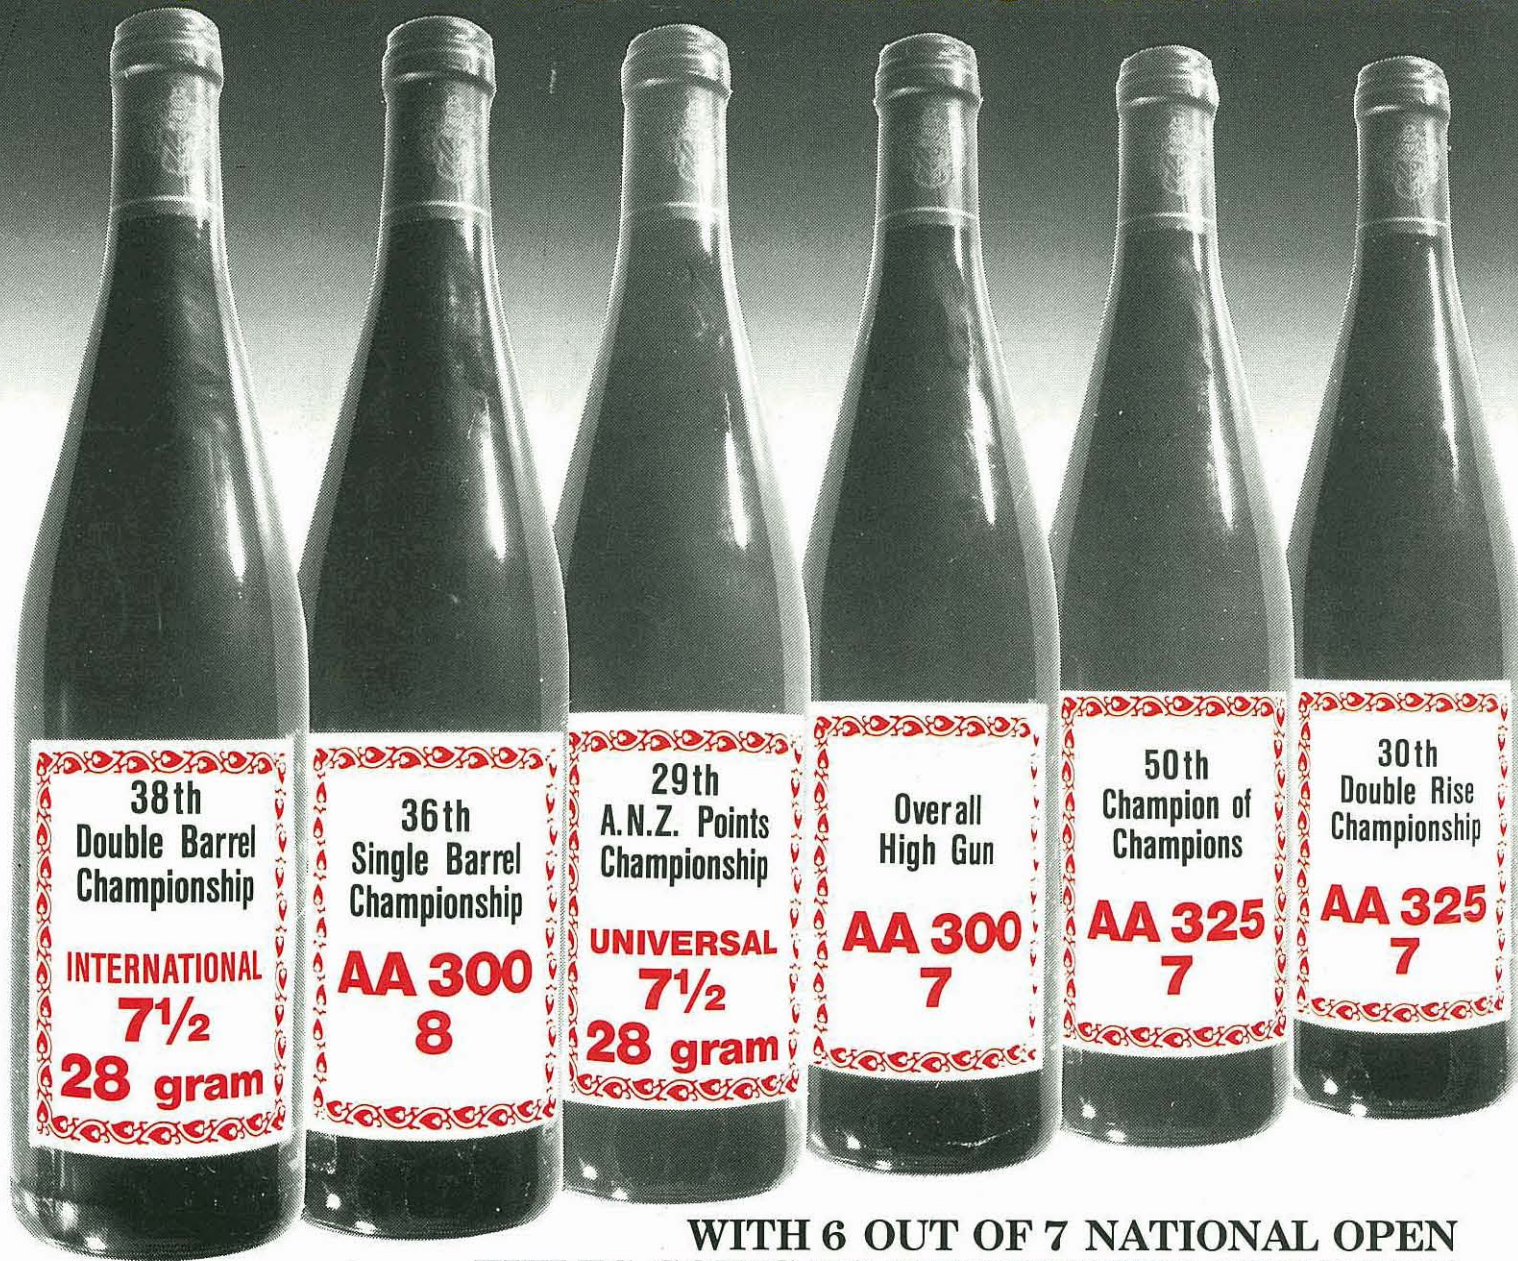

## S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
