# AUSTRALIAN INSTITUTE OF SPORT

At its last meeting the Australian Sports Commission endorsed a policy which will enable elite athletes from non-AIS scholarship sports to visit the AIS in Canberra to train and receive assistance for a maximum period of one month per calendar year. Initially, this program will be for individual athletes, not whole teams.

To be eligible, an athlete must have a current senior world ranking of 8 or higher.

Application forms for these visiting scholarships are available from: Sports Administration, AIS, PO Box 176, Belconnen, ACT 2616.

As well as completing the forms, an applicant must include a letter of endorsement from his or her national sporting organisation, list the proposed training program to be followed while at the AIS and explain how the visit will assist the athlete's preparation. All documents should be sent to the AIS at least one month prior to the start of the anticipated visit.

Successful applicants will receive:

- Full board and accommodation at the AIS.
- Return airfares between home and Canberra for a maximum of two visits.
- Access to Sports Medicine services.
- Sports Science services may be provided — to be negotiated for each individual.

## AUSTRALIAN SPORTS COMMISSION

Advice from the Australian Sports Commission confirms their continued support of talented junior athletes with NSW junior Michael Diamond receiving a grant of \$2000 under the Sports Talent Encouragement Plan.

The support received under the 1990 Step Plan for Michael as well as Ian Hale and John Maxwell who both received grants earlier in the year is appreciated.

## NATIONAL OFFICE ENQUIRIES

When contacting the National Office would you please consider who may be the appropriate person for you to address your enquiry to.

The following broad outline of the responsibilities of each person at the National Office may be of assistance in this regard.

Antoinette:	Switchboard Winchester Orders General Enquiries
Tina:	All Accounts
Leanne:	Membership Records CTSN Enquiries Advertising Referees Accreditation
Guy:	Coaching and Administration

I am sure that you will find each of these more than willing to be of assistance to you with whatever your query may be.

## STOP PRESS ...

News just to hand advises the Silver Medal placing in the British Grand Prix went to Russell Mark. Russell shot 190 + 25. He was beaten by Englishman K. Gill.

# ACTA PRESIDENTIAL MEDAL 1990

Nominations for this prestigious award are now open and should be forwarded to reach the Executive Director no later than October 31, 1990.

The following nomination guidelines apply:

**Acceptance:** With nominations only acceptable through State Associations or Affiliated Clubs.

**Presidential Medal:** Awarded to a person for their contribution to the development of the sport.

**Judging Panel:** Management Committee.

**Closing Date:** October 31, 1990. PO Box 557, Mount Waverley, Vic. 3149.

**Note:** The receipt of any nomination does not necessarily relate to the awarding of a Presidential Medal.

Nominations received will be placed before the Management Committee for their consideration and decision.

No correspondence will be entered into regarding any nomination received.

### Previous Recipients:

- 1980 G. Porter, Qld.
- 1981 R.C. Mules, SA; G.R. Richard, WA; J.N. Thomas, Vic.
- 1982 R.F. Buchan, Vic.
- 1983 No award
- 1984 L.F. Bird, NSW; A.J. Smith, Qld.
- 1985 No award
- 1986 T. Comerford, Qld.
- 1987 G. Biggs, Vic.
- 1988 R.M. Holtfreter, WA
- 1989 R. Varley, NSW

## TAIPAN PERPETUAL LADIES TEAM POSTAL SHOOT

6. Winning team members to receive a team member badge.
7. Defending Club — Kerang, Victoria.
8. Score cards to be forwarded to:

ACTA, P.O. Box 557,  
Mount Waverley, Vic. 3149  
By January 7, 1991

# TERRITORY TRAP & SKEET CARNIVAL

8-11 JUNE 1990

The Northern Territory Clay Target Association held a combined trap and skeet carnival at Katherine Gun Club over the Queen's Birthday weekend. This was the first time that we have run a combined carnival and it was done as a trial to try and revive interest in both shooting disciplines. The experiment worked and combined carnivals are likely to be a feature of the Territory for at least the next few years.

Over 50 shooters turned up which is a tremendous turn-out considering our numbers and the distances that shooters had to travel. For those not familiar with the Territory, the nearest club to Katherine is Darwin, some 330 km away. Shooters travelled the well over 3000 km round trip from Yulara and Alice Springs to be there and the Gove contingent travelled the arduous 4WD 1200-odd km round journey across Arnhem Land. I think that even the most cynical observer would have to agree that this is indeed dedication to the sport.

Thanks to the terrific effort made by the Katherine Gun Club in preparing the grounds and providing the usual legendary Katherine hospitality. The bar service and food provided by the ladies was superb but particular thanks are due to Jim Bitossi and his firm, Dee Jay Engineering, Ian (Slug) Winstanley and Bronte Evans. Without their efforts there would not have been a carnival. Dee Jay Engineering put so much effort into the preparations for the carnival that it became our major sponsor.

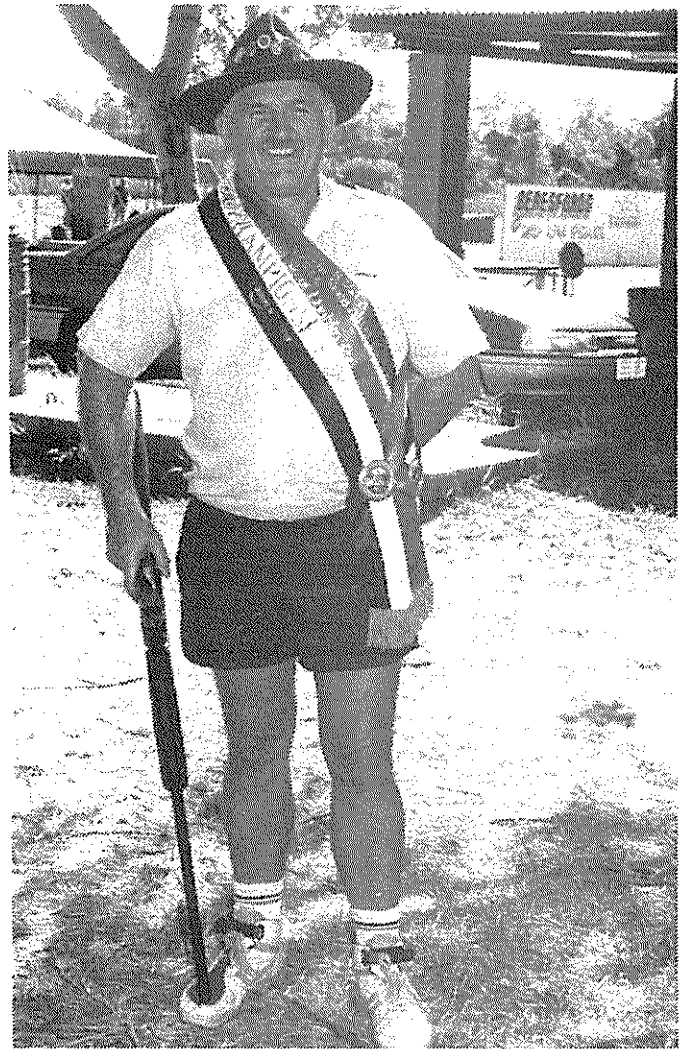

• **Top End President Barry Munt enjoyed his weekend.**

Thanks are also due to our other sponsors ANZ Bank Katherine Branch, Red Valley Tours, and Phil Grove for donating the combined carnival high gun sash.

The notorious background at Katherine collected more than a few scalps as evidenced in the scores but that was more than compensated by the weather and the hospitality. I can honestly say that it was one of the happiest shoots I have attended with no dramas or major grizzles. Good stuff.

The skeet got off to an early start on Friday morning with John Doyle (nice to have you back J.D.) winning the overall and A Grade in the 50t Carnival Championship. Gove President Greg

• **Skeet High Gun and combined carnival High Gun winner Mick McGill.**

Bateson took out the B Grade and Alice Springs shooter Chris Smythe won C Grade. The State Skeet Championship was won by Top End President Barry Munt in yet another shoot-off from Phil Crute. Jim Bitossi and Peter O'Grady won B and C Grades respectively.

A feature of the carnival was the keen competition between the junior shooters which is an encouraging sign for the sport. Chris Warren and Adam Brown cornered the market in pocket knives with one or the other winning junior titles throughout the weekend.

This was also the first year that we ran skeet doubles but the event met with mixed reactions. Its inclusion was justified by the fact that it is shot in the national championships but a lot of shooters regarded it as more of a novelty event. Anyway, it was won overall by Mt Isa shooter and regular visitor to the NT, Mick McGill. B and C Grades were dominated by Alice Springs, being won by Peter O'Grady and Alice President, Mick Milera. Mick McGill won the Skeet High Gun with 143/150 and the Territory team selected for the Nationals is Barry Munt, John Doyle, Jim Bitossi, Chris Smythe and Peter O'Grady.

The skeet finished by about lunch-time Friday and after presentations the trap shooting commenced. The points score came as a sudden death event for many shooters, yours truly included, with the background taking a heavy toll. Ken Selwood, Victor Padovan and Graham (Stretch) Draper picked up money in the 10t eye-opener and NTCTA Secretary/Treasurer Phil Grove won the overall on the 50t championship. Victor Padovan, who had a very successful weekend, won B Grade and Peter Lawton, C Grade.

• **Handicap winner Victor Padovan.**

Sunday dawned (almost) with the single barrel eye-opener with Peter Hoare, Mick Harding and Ray Oakley picking up money. Darwin President Ken Selwood won the single barrel championship with Mick Harding and S. Savvas taking out B and C Grades. Savvas, a relatively new shooter, also had a good weekend and is surely destined for B Grade shortly.

Well known South Australian shooter Ron Smith won the 501 double barrel championship with the only possible shot in the event. Victor Padovan and S. Savvas winning Z and C Grades. There were some disappointing scores in the postal shoot, possibly a result of being shot at the end of a long day. The 5-man shoulder to shoulder team ended up being Phil Grove, Ken Selwood, Doug Chan, Victor Padovan and Jim Bitossi.

The handiap and double barrel was shot on the final day with rival juniors Adam Brown and Chris Warren both picking up money in the eye-opener and Greg Bateson right behind them. Victor Padovan won the State Handicap, Bronte Evans was second and Mick McGill third.

The double rise sorted many out with fairly low scores all around. Ron Smith won the sash and Tony Brown and Russell McKenzie winning B and C Grades respectively. Darwin junior shooter Brett Hall came second in C Grade, which is a promising start to his career.

• **Trap High Gun winner Ken Selwood here collecting the State Single Barrel sash and trophy.**

Ken Selwood won the trap high gun and Mick McGill won the carnival high gun.

Congratulations and thanks again to Katherine Gun Club for a terrific weekend and a most successful combined skeet and trap carnival. There is no doubt that the honourable sport of clay busting is alive and well in the Territory. Incidentally, if the NTCTA ever gets enough money Jim, we will hire a D9 to flatten that bloody ridge for you!

Bob Fox

## MARYBOROUGH TIT-BITS, QUEENSLAND

Our Maryborough Club is very fortunate to have many mechanical men who keep our power motor and our traps in first class order. The latest job being that of Graham Noffke who effected a superb job on the safety frame on both traps made of solid aluminium, and now Darrel King has made a shifting arm to lock our trap at any given position and yet it will still allow the up and down movement which would allow us to have Continental Deauville Doubles for fun shoots — good work Darrel. We are also most fortunate to have the most considerate President who shot the jackpot when it was only \$20 — to save the club money.

Bundaberg 1-7-90 — Ron Sorati joined Maryborough Club last shoot and didn't have a grade rating. At this shoot he shot enough targets and shot them well enough to be graded A, good shooting Ron.

Janet and Rodney King still in the area and I don't know if it is his job or the shooting that is delaying his around Australia trip.

Clynton Groves (President) won the Doug Knudsen Memorial Trophy. OA HG R. Rehbein, FM HG R. King with other shooters to shoot well being P. Winzen, K. Rehbein, R. Rehbein, S. Smith, L. Greensill and R. Sorati.

Gympie 8-7-90 — Visitors from Hervey Bay and Sunshine Coast were joined by Bretton Stewart and son Luke with the family from Brisbane for the day. Glen McAllister from Orange, NSW on holidays at the Sunshine Coast featured in three events and took the A Grade High Gun. Also Matthew Caniglia and father Vince of Deniliquin, NSW turned up whilst holidaying at Hervey Bay with Matthew taking the first event and C Grade High Gun, B Grade HG went to L. Greensill.

A reminder that the Gold Nugget worth \$1100 could be yours on November 11th and the Cooloola Games Shoot is open to all registered shooters on September 28, 29 & 30, any enquiries ring Dave Gardner.

Sunshine Coast 14 & 15-7-90 — Top shooting from Les Greensill to take out Overall DB & SB, B Grade HG and a 75-break. Harry Walker now back on deck finished Veteran 1st SB and 2nd DB. Rob Rehbein OA Pts Championship, AA DB Classic and the OA High Gun with his wife Kay taking the Ladies High Gun.

Maryborough 22-7-90 — After sending seven shooters to Murgon to compete in the Near North Coast Team Shoot we were still able to muster enough shooters to hold our club shoot — Geno Sergiacomi of Bundy taking out events 2 and 3, with Fred Sidwell two events and HG, Les Sidwell three events and FM HG. Fred is on holidays from New Zealand visiting his son Les and grandson Paul who also shot on the day making a three-generation shooting family. Thanks to all who travelled and made our shoot successful and to Holly and our tucker lady.

Good shooting to all. Till next time see you at the shoots.

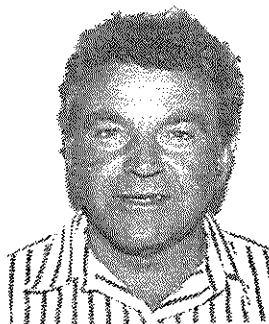

Lost Bird

## APOLOGY MR. W. POWELL

The committee members of Cressy Gun Club, Inc. Tasmania wish to publicly apologise to Bill Powell for deciding to remove the eye-opener from the high-gun award. Had we not done so, Bill would have won and we hope he will accept our apology.

Alison Blaskett (Sec.)

## KNOW YOUR EXECUTIVE

### NOEL DEELEY, QUEENSLAND

Noel started his clay breaking at the Blackall Gun Club in the early 1960s, alas not long after his commencement the club went into recession.

Noel had a break from shooting at this time until the 1970s when the Gemfields Gun Club was formed. Since the time of the Gemfields club, Noel has held the position of Club President for six years, four of those being the last years straight.

With heavy involvement in the Central Zone of the Queensland Clay Target Association he is currently President after having been a councillor for such for the past six years. He is part of the QCTA Management Committee and the ACTA delegate to the National Executive on behalf of his state.

Noel's wife Joyce is very actively involved in the sport at club level. He has five children with three of them keen competitors in the sport he loves.

## CONDITIONS OF ENTRY — NATIONAL SKEET CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. NOTE: A \$20 fee will be charged for the issue of any duplicate handicap card.
2. Squads of 6 to shoot 50 Targets/100 Targets in brackets of 25, 50 Target events, one visit to the trap. 100 Target events, two visits to the trap.
3. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
4. Each shooter is to take enough cartridges to shoot at 50 Targets. A time limit of two minutes will be imposed for the changeover for each 25 Targets. Should the two-minute time limit be exceeded by any shooter then a penalty of the LOSS OF ONE TARGET shall be incurred.
5. Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination, shooters will be resquadded towards the end of the event.
6. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
7. All shooters must sign the score sheet after each 25 Targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooter's signature will be credited with the lowest score recorded.

8. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the LOSS OF ONE TARGET IN THE NEXT EVENT. Should a following event not be programmed then the penalty of the LOSS OF ONE TARGET will be incurred in the event concerned.
9. Any unauthorised shooter who interferes with or attempts to interfere with the trap will be penalised FIVE (5) TARGETS.
10. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
12. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep-purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
13. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
14. When team selection is involved, shooters shall be eligible for the open team as well as section teams irrespective of the section nominated for. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events, excluding doubles events.
15. Persons paying a reduced nomination are considered eligible for all High Gun Awards, Section(s) and Overall. Competitors must compete in a clear majority of programmed events to gain High Gun recognition.
16. The Overall Winner in any event shall not be eligible for additional recognition in any Grade or Section (full nomination). Competitors other than the Overall Winner in any event shall be eligible for recognition in any Grade or Section in which they are eligible to compete (full nomination). Competitors entering in any specific section of an event shall only be eligible for recognition in the section entered (reduced nomination). ONE NOMINATION ONLY MAY BE PAID — OPEN OR SECTION.
17. A minimum of three persons must compete in any grade or section including high gun before sashes, medals, trophies are awarded irrespective of nomination paid.
18. Competitors using automatic shotguns during the National Championships may recover their empty shells providing they have obtained an automatic I.D. card when nominating.
19. Nominations will close at a time determined by the Tournament Director.
20. The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
21. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.

### NATIONAL SKEET CHAMPIONSHIPS

### HANDICAP CARDS

#### Conditions of Entry

Nominations will not be accepted from any shooter who cannot produce a stamped handicap card or have the handicapper approve the reason for not being able to do so.

The issue of a duplicate card by the handicapper will incur a charge of \$20.

All shooters from AA to C grades must present their card to the handicapper for stamping prior to nominating.

*You are invited to attend the*

## BEAUFORT GUN CLUB

The Beaufort Gun Club recently held the inaugural shoot for the "George Kirkpatrick" Perpetual Shield. The event was shot over 20 targets, graded double barrel and resulted in the Overall being won by Cobden shooter Chris Corneby with a score of 42/42 after a shoot-off which saw runner-up Graeme Thatcher from Maryborough on 41/42 take out B grade. Chris Corneby also took out A grade and T. Hayward from Beaufort club took the C grade honours with 19/20.

The second event (20t Pointscore, graded) saw Ray Wiffen from Geelong take out A grade with 58/60. W. Johnston of Beaufort won B grade and Overall whilst C grade was won by N. Chapman of Ararat.

The shoot was attended by 45 shooters and resulted from a discussion between the Beaufort Vice President Bob Aldrich and George Kirkpatrick, with George's family kindly donating a Perpetual Shield to honour George's participation in the sport and his association with Beaufort which exceeds half a century.

**Jack Matthey**  
Secretary

• George Kirkpatrick presents the shield to winner Chris Corneby while the President of Beaufort Gun Club, Les Fitzgerald, looks on.

## SCHOOL SHOOTERS LEARN SAFETY

Viewers of the ABC's '7.30 Report' on 11 July were given an inaccurate picture of the firearm safety programs in our secondary schools.

Presenter John Jost implied these programs are a recent phenomenon, and reporter Jill Singer did nothing to correct that impression.

In fact, target shooting has been available in our schools since the 1890s. About 30 years ago, however, the emphasis began to change. Safety training became the primary focus, with target shooting seen as a necessary adjunct.

Necessary? Yes, for the same reason that students in pre-driver education courses spend part of their time driving cars: safe habits cannot be developed without hands-on experience.

Jill Singer said students are "being coached to become crack shots". That's nonsense. The traps (clay target throwers) are adjusted to ensure easy shots and training an expert marksman takes years.

Though there's nothing wrong in acquiring skills that can lead as far as Olympic competition, the in-school courses aren't designed for that purpose.

**R. Williams**  
Technical Editor  
'Australian Shooters' Journal'

## SINGAPORE AIRLINES SPONSORS SOUTH AUSTRALIA GUN CLUB

Singapore Airlines, "the airline other airlines talk about", will certainly be talked about amongst shooting gun clubs in the State of South Australia.

The airline has donated a perpetual trophy to the South Australia Gun Club in the form of a "top class shield" comprising 25-name shields for the winning shooters over a 25-year period.

The SAGC will ensure that this trophy will be one of the highlights for a competitive year and will be a "Perpetual Trophy — Champion of Champions" competition.

It is anticipated the trophy will also attract competitors from other States as well as other gun club shooters from South Australia. The trophy will be shot for every August.

To commemorate the sponsorship, SAGC has kindly arranged for a Singapore Airlines display sign on the club grounds in appreciation to Singapore Airlines for their support given for which the club is proud to be associated with one of the world's best airlines who serves Adelaide four times weekly.

• Left to right: SAGC Club President David Renney is shown being presented with the trophy by Mr Ray Button, Manager for Singapore Airlines, South Australia and Charles Abela also of Singapore Airlines and a club committee member and shooter of SAGC.

## THE FIFTH AUSTRALIAN GUN EXPO

On the date November 1st 1986 at the Melbourne Royal Exhibition Building an historic event occurred with relation to the world of firearms being the staging of the "FIRST AUSTRALIAN GUN EXPO".

It was a national event with companies, organisations and individuals travelling from every part of Australia (as did purchasers) to participate in the Expo.

After three years the Expo's can now be termed "international" events with participants from the United States and New Zealand (possibly also Europe and Japan at the next one) attending.

Every conceivable area of the gun and allied fields are represented at each Expo such as: Custom made guns, military medals and badges, engravers, outdoor cooking equipment; bows, arrows and allied equipment; new and used books on hunting, collecting, target shooting etc; survival equipment; security equipment; safari outfitters (from as far away as New Zealand); cartridges; new and used target pistols; new and used target rifles; new and used shotguns; new and used sporting rifles; new and used handguns;

AUSTRALIAN CLAY TARGET NEWS — SEPTEMBER 1990

scopes and binoculars; antique and collectable type guns — related items such as swords, uniforms, obsolete cartridges etc; ex-military rifles and handguns; taxidermists; custom knife makers; gunsmiths, clay bird, pistol, target, big game, deer etc; shooting and hunting clubs and associations; manufacturers; distributors; retailers; factory made knives; and a great deal more.

The organisers have been more than pleased with regards to the way the Expo has progressed but one aspect has been a disappointment to them which has to do with the dates the Expo's have been held on. Due to the very high booking rate at the Exhibition building (up to five years in advance), the Melbourne Cup weekend was the only dates that could be given to stage the Expo's. Even through the past four have been highly successful this particular weekend would be the worst to hold such an event as the Expo on for as Tuesday is a public holiday an enormous amount of Melbourne residents take the Monday off and have a (Saturday to Tuesday away from home) holiday. This of course meant a substantial loss of people that would have attended an Expo on a non-holiday weekend. Added to this problem was the fact that many gun and associated type clubs used this weekend to stage championship and the like shoots — with the result that a tremendous amount of both (disappointed) participants and purchasers could not attend the Expo.

In a sense the staging of the "Fifth Australian Gun Expo" on the dates October 27th and 28th at the Exhibition Building will be another momentous occasion for this will be the first Expo ever held on a non-Melbourne Cup weekend.

This of course means more participants and purchasers than ever before with the result of its being the biggest events of its kind ever held in Australia.

The organisers hope you will be a part of this historical event.

If you wish to obtain any information with regards to this Expo (participating, visiting, etc) you can phone Business Hours (057) 64 1234, After Hours (03) 363 1191, or write to The Expo, PO Box 529, Benalla, Victoria 3672.

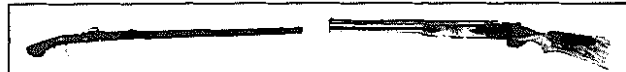

Please Note:- This years EXPO WILL NOT, REPEAT NOT, be held on the Melbourne Cup (long) weekend

Meaning more participants and purchasers than ever before at:-

## The Fifth Australian GUN EXPO

ROYAL EXHIBITION BUILDING....

Having over 300 tables and booths containing...  
**THOUSANDS OF GUNS**  
and related items — being  
**FOR SALE, TRADE AND EXHIBITED**

• CUSTOM MADE KNIVES • NEW AND USED, MODERN, MILITARY & ANTIQUE GUNS & ALLIED SUBJECTS — Books

• SAFARI, HUNTING, ETC. — Service Organisations. • MODERN GUN & ALLIED SUBJECTS — Magazines. • FISHING — Rods and Tackle. • MUCH, MUCH MORE!

A National Event You Cannot Afford to Miss!

• Dates: **SATURDAY OCT. 27th & SUNDAY OCT. 28th, 1990**

• Times: Saturday, 9 a.m. to 6 p.m.; Sunday, 9 a.m. to 4.30 p.m.

• Place: Centennial Hall, Royal Exhibition Building, Nicholson St., Carlton, Melbourne.

• Admission: Adults \$7.50 • Children (Must be accompanied by an adult) \$2.00 • Pensioners \$2.00.

• Refreshments Available at Expo.

PLEASE NOTE: If you wish to sell, exhibit etc. at the Expo — PRIVATE GUN OWNERS CAN SELL THEIR FIREARMS AT THE EXPO — Please phone either of the following numbers: BH 205784 1234 • A/H (03) 363 1191 Or write to: THE EXPO 59 Station Rd Deer Park Vic 3003 Also sellers of firearms and shot field Club • Association • Society, newsletters, magazines, etc. It would be MOST APPRECIATED BY THE ORGANISERS • and your members • if you would make them aware of this event. IMPORTANT...If you are intending to PURCHASE A LONGARM(s) at the Expo — you can OBTAIN A "PERMIT TO PURCHASE" at your police station BEFORE attending the Expo.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1  
MX2  
M2L

MX3 trap  
MX3 skeet  
MX3C trap

MX3C sporter  
MX5 sporter  
MX4 trap

MX4C trap, skeet or field  
MX8 trap with 28½" and 31½" barrels  
MX8 skeet  
MX8 gold line trap  
DB81 special trap  
SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

**Tony Yozzi Sports,**  
**460 William Street (Cnr. Brisbane Street)**  
**Perth, Western Australia, 6000**  
**Ph. (09) 328 4981 A/H (09) 271 2766**

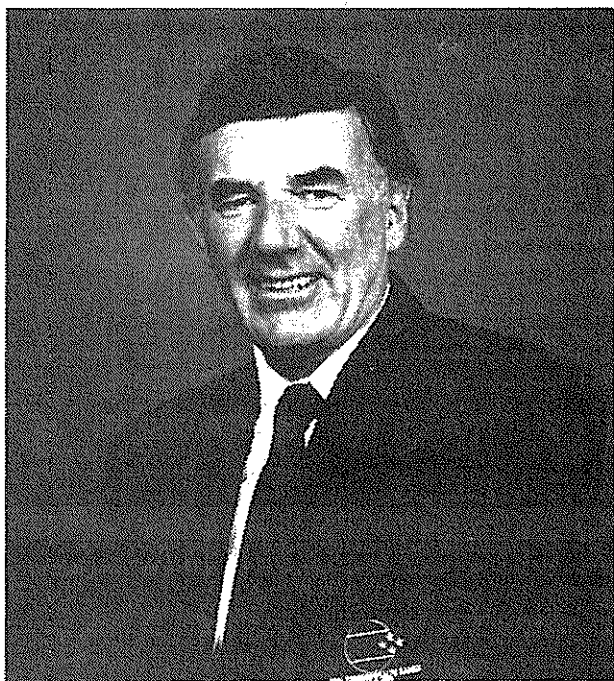

SOLE FACTORY EXCLUSIVITY FOR WESTERN AUSTRALIA FOR PERAZZI FIREARMS AND ACCESSORIES. KROMSON CLAY TARGET MACHINES. ROBOT MODEL 350A — trap — skeet and personal models.

**BENELLI FIREARMS** MODELS 121, 123, 123-3" Mag., 121-3" Mag., Montefeltro, Super 90 in field, trap and interchangeable choke models.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

# NATIONAL SECRETARY PULLS THE PLUG

After 16 years as National Secretary to the New Zealand Clay Target Association, Sid Hanson is calling it a day. Appointed to the position in June 1974 Sid has seen many changes in the national and local shooting scene.

Following his appointment, Sid went to Christchurch where the outgoing Secretary gave him a two-hour rundown on what the job entailed and then helped pack the office records into 17 tea chests which were shipped off to Napier.

Shifting the National Office from the South to the North Island did not sit well with many South Island shooters at the time as they had an inbuilt suspicion of anything that went on north of the Waimakariri River.

Over the next few years many changes were to take place. There was the introduction of the grades leading to a dramatic increase in record keeping at the National Office and the promotion of the ISU disciplines to the stage where nearly every DTL shooter thought the Council were spending the whole of the annual budget on these new disciplines.

The Council decided to have Sid attend all Federation meetings as one of the NZCTA delegates and this led to the Association gaining considerable support in coaching and finance for its ISU team nominees. Sid also rose to be President of the National Shooting Federation and was in that position during a most successful South Pacific Regional Championship in Christchurch in 1984.

1990 has been one of the high points of Sid's clay target involvement with his serving on the shotgun jury at the Commonwealth Games in Auckland and being involved with the Oceania FITASC World Cup event more recently at Taupo. The jury involvement has led to him being the first holder of an A Grade UIT Shotgun Judge's Badge in New Zealand.

His own shooting career has shown a moderate success rate since he first shot at a clay as a schoolboy. Whilst secretary of the Hawkes Bay Central Gun Club he not only ran the office when the 1973 North Island Championships were held there but also won the Clay Sparrow and Single Barrel titles from a field of over 200 competitors. His best chance at National honours came at Hamilton in 1983, when from a field of just under 250 he was one of only four shooters to shoot a skeet possible. A lost station two high put paid to this but he had done enough to be a member of that year's team to compete against Australia in the Glenn Skeet Trophy. Two minor placings in South Island Championships and a silver in B Grade

Single Barrel at the 1986 Nationals were achieved before he managed his only Provincial title at Nelson in Single Barrel. In both this event and the 1973 North Island Clay Sparrows Sid was first shooter in the shoot off and was to miss his fourth target, only to see his opponents, on both occasions do the same. Needless to say he didn't miss any more.

Sid is leaving the Association in a sound financial position and with systems in place that should make the transition to a new Secretary fairly straight forward.

NZCTA

*\*On behalf of his many friends in Australia, we wish Sid well in whatever the future holds in store for him. Hopefully this may include a visit to Australia for the 1991 World Championships in Perth.*

Alan Maher

## VALE

### PETER CLEGGETT

The Naracoorte Apsley Clay Target Club advises that Mr P. Cleggett passed away on June 27, 1990, aged 81 years.

Peter was a founder member of this club and was made a life member some years ago in recognition of his support and sponsorship of the P. Cleggett Deauville Doubles Event held annually.

To Hayzell, his wife, son Peter and daughter Heather (Mrs Taylor) the club offers its deepest sympathy.

N. Wayne  
Secretary

## CROWEATERS NOTES FROM S.A.

A short note from the cold croweater of S.A., thanking all Northern Territory shooters for their hospitality.

A special thanks to Jim Bitossi and the crew of the Katherine Gun Club for the way they conducted the Northern Territory State Championships. The way such a small club functioned, we down South could learn a lot from the way they all pulled together to get the jobs done. Well done. It was good to see so many people from all over turn up for the Northern Territory titles. Even Mick McGill turned up from Queensland, he put in his usual fine performance by taking out the Carnival High Gun, with Ken Selwood taking out the Trap High Gun. I must put in a plug for S.A., yours truly took out the Double Barrel and Double Rise Championship. I must also

thank that fine young shooter from the Darwin Gun Club, Victor Padovan, for his win in the 50 Target Handicap. I was lucky enough to draw Victor in the Calcutta.

To the Darwin Gun Club, sorry I left halfway through your shoot, but it must be true what they say, "too much is not good for your eyes", after two and a half months on the road, when my wife turned up my scores went down.

To all shooters who have never made a shoot in the Top End, it's your loss. The State titles are in Alice Springs next year, Mick and the boys will guarantee you have a good time, so book early for the June long weekend. Don't forget the Masters in Alice Springs in October.

May all your bangs be loud. May all your breaks be long. See you around the traps.

Ronald D. Smith

## COACHING CORNER

## SO YOU WANT TO BECOME A COACH

### INTRODUCTION

It has been suggested to me that there are some members of the clay target fraternity who are interested in becoming coaches but who have no clear idea of how to go about it. The following thoughts may be helpful to those who have the will but do not know the way.

### WHAT IS A COACH?

A coach is a leader and activist in a competitive sport whose function is to bring about behaviour modification in participants or potential participants in the sport. Behaviour modification in our sport includes improved standard of shooting, ethical approach to the sport, teamwork, conformity with sport rules, personal discipline, capacity to enjoy the sport more, and so forth.

It would be fair to say that a sports coach today is generally an unsung, unrewarded handmaiden of his/her sport, but without whom the sport cannot grow. However, steps are underway, nationally, to improve the status and professionalism of coaches.

### ARE THERE DIFFERENT SORTS OF COACHES?

Yes. Broadly, we have 'developmental coaches', who introduce people to the sport and who work with the more recreational shooters, and 'high performance coaches' who work with 'high performance' shooters. It is useful also to consider that there are administrators in the coaching fraternity who organise courses, who plan coaching development, who ensure that standards are maintained, or who manage teams competing interstate and internationally. Opportunities are available for some members to progress through most, or all, of these ranks.

### WOULD I MAKE A GOOD COACH?

Established coaches tend to be outgoing, good communicators, decision-makers, leaders, and supportive of authority. If you match that profile and are prepared to work, to study and to re-qualify periodically, you are looking good.

### IS THERE A JOB FOR ME?

It is pointless and costly to train coaches for whom there is no work. If there is no group or potential group for a coach to work with, there is no point in appointing a coach and the coach aspirant will not be able to requalify or to progress. Therefore, discuss with your existing Club/Zone/State Coaches a possible role for yourself. At the very least, one of them may need an apprentice/helper, which is an ideal way for you to start out in the trade.

### DO I HAVE TO BE AN ELITE SHOOTER?

No. Obviously, however, a high performance shooter who becomes a coach has certain initial advantages.

### IS THERE A COACHING STRUCTURE?

Yes. Standards are set by the Australian Coaching Council (ACC) which franchises the system through National Sporting Organisations (NSO) of which ACTA is one. The ACC is a division of the Australian Sports Commission (ASC) in Canberra, the body which coordinates, represents and funds Australian sportsmen and sports-women.

The training and re-training of coaches is delivered through "approved coordinators" who may be other coaches, TAFE colleges, State Sports Departments or the staff of ASC/ACC.

Coaches, once formally trained, are "accredited" by the Australian Coaching Council, which issues a badge and an ID card to each coach, for a small fee.

Coaches within States/Territories are coordinated by State and, in some areas, Zone Coaches who also provide communications links. State Coaching Directors coordinate with the National Director of Coaching at ACTA National Office, who is responsible to the Australian Coaching Council for overall quality control.

### WHAT DO I DO NEXT?

Ask your Zone or State Coach if you can be offered a place on the next course in your State or region. State and National Coaching Directors have the resource material to provide answers to any further questions you may have.

Guy Boileau  
Director of Coaching

## CENTRAL ZONE ANNUAL CARNIVAL

The Central Zone of Queensland held its Annual Carnival at the Eton Mackay Club on July 7 and 8. Eton members had done a magnificent job in preparing their grounds and facilities. Someone even had the weather under control, although a little cool in the mornings it was quite pleasant all day.

Friday afternoon a few Eton Mackay members had some practice shots while Zone President Noel Deeley and his helpers made a final check on the finer details for the shoot.

Saturday morning and things were very slow. By 10 o'clock only 35 shooters had registered and five of these only for Saturday. This was extremely disappointing as this shoot should be held by all shooters in the Central Zone as the highlight of their shooting year. With over \$2000 worth of trophies, sashes and badges and also Zone Jackets for Zone Team members, it is very hard to explain why the attendance was so poor.

The Zone held its AGM on Saturday night and Noel Deeley was elected President, Bob Meaney as Vice President and Zone Handicapper, Gaye Burns re-elected Secretary/Treasurer, Peter Field, Jim Storch and Noel Deeley as Zone Delegates and Ray Meaney as Zone Coach. The Zone Committee expressed their firm belief in Zone shooting, and pledged support for President Noel Deeley to build up interest amongst all the clubs within the Zone and to make this shoot an important date on all shooters' calendars.

All who attended enjoyed the weekend's shooting and socialising but unfortunately the Zone did not have any financial success.

Results: see Shoot Report Section.

• Queensland Central Zone Team: Peter Fields, Ray Meaney, Ray Moroske, Noel Deeley, Bob Meaney, John Hoban.

# MACKINTOSH RESULTS 1990

Results at hand from the Clay Pigeon Shooting Association do not make for the best reading so far as Australia is concerned despite the very best efforts of all team members.

Shooting under the new rules that control the competition and for the first time using 28gr/1oz loads our results have not been high enough to place our teams any higher than fifth in an eight-country competition.

## Final Scores for 1990

Open/7500	Lady/1500	Junior/1500
Canada 7371	England 1446	Canada 1473
England 7337	Canada 1416	Scotland 1473
Scotland 7302	Wales 1377	England 1453
Ireland 7300	Scotland 1362	Wales 1436
Australia 7270	New Zealand 1352	Australia 1392
Wales 7264	Australia 1341	New Zealand 1339
New Zealand 7192	Ireland 1282	
Zimbabwe 7042		

Congratulations to Canada, England and Scotland for their wins in 1990, which carry the message that the competition is becoming keener each year — something of which we must take notice.

## REDCLIFFE CITY CLAY TARGET CLUB

Hi Shooters, take a deep breath. "Yes, now IT'S OFFICIAL" our Grand Opening Shoot is to be held on the 3rd and 4th November, 1990. A Saturday half day and Sunday full day shoot.

We have a third trap layout to build and complete by then, but at Redcliffe City that is only a minor detail for a Club that started with three active members and a swamp, because now we are 150 members strong and only half a swamp. I think you all know just what happened to the other half.

Sunday the 1st July, was a ripper. Fair tore my cheeks apart. John and Gerry in the office gloating over squad sheets and Jim, our President, walking on cloud nine. Forty-six shooters turned up to shoot for \$480 worth of cash and trophies and with the weather dry and a slight westerly wind made for a good day's shooting.

Members from the Showman's Gun Club raided the kitchen, home made apple pie and cream seemed to be the order of the day but there again anything that could be eaten was given the same treatment.

You have to keep an eye on Robbie Dale. Not only can he eat but he can shoot as well, making a good job of the points event with a beautiful 75-75.

The following week three of us took Gympie on for the day. Yes, we dragged along the old bloke from Billabong Motors, Jim Beer, one of our sponsors from our June Shoot. Little did Gympie know what was in store, no bookies up there, so Jim had to shoot for fun, taking out the overall for the major event of the day. Now we have to find a new ring in.

Gary Redmond, a real champ when it comes to Junior shooters, donated a reloading press to the Club for juniors to learn to do their own thing, under supervision of course.

Many thanks Gary — that press is already doing a mighty job.

FISHER AND PAYKEL have come to the party in a big way. A big way being a Fisher and Paykel fridge/freezer worth over a thousand dollars. Now that's some sponsorship. It's too big for one shooter to take home so maybe we had better make it the raffle for our official opening shoot.

Tampico Importers Pty Ltd jumped in to sponsor a couple of events for the next month. There is no twisting arms with these blokes and I only need a very small stick, but if all else fails I carry an onion in my pocket.

Till next time, keep both eyes open.

JB

		F. Petriella	139/150
2. New Zealand	404/450		
3. Brunei	396/450		

Congratulations to all team members for the fine performances recorded. Overall Team Manager David Menck with the assistance of Skeet Team Manager Ian Hale certainly kept the ACTA informed of daily progress. This information was of great assistance and appreciated by all who contacted the National Office for the results.

## NARROGIN 1990 TRAP SHOOTING CARNIVAL

In recent times most clubs have experienced declining membership and reduced attendances at their carnivals. This country club situated about 200 kilometres south of Perth however is experiencing a resurgence in membership and a dramatic improvement in club attendances and activities. Because of this renewed interest it was decided when planning the 1990 Carnival to "Introduce D Grade" to the program to encourage these new shooters to participate in a larger competition and also to endeavour to attract the lower "C" grade members of other clubs to "Have a Go". It is now very pleasing to know that the decision was right as the carnival was a resounding success.

On Saturday July 7, there were 74 shooters and on Sunday 97, making it a record field in the 33-year history of the club. The statistics are of interest and tend to support the introduction of "D" grade. Included in the above numbers there were 7 ladies, 6 veterans and 8 juniors of the 20 clubs represented, Narrogin fielded 19, WAGC 15, Northam 14 and Geraldton 11. The break down to grades reveals: AA 3, A 24, B 27, C 21, D 22.

Once again the club had a magnificent array of trophies for all events and high gun placings, due to the generosity of local business houses and their associated wholesalers.

● 1990 Narrogin Cup, sponsored by Darrel and Helen Wiese, pictured with winners and placegetters of the event.

At about 7.30am Saturday shooters began to arrive at the club and most availed of the "Barrel Warmers" to get used to the local conditions prior to competition. Club President Lambert Jackson, called the competitors together at about 9am, welcomed them to the carnival and thanked them for their attendance. Club Captain, Denis Cardwell, then outlined the program for the day and impressed on everyone the need to observe all of the safety rules.

The weather was fine and sunny with very little wind but cold, which was ideal for shooting. Although scores were not consistently high, there were some fine individual results, with many placings having to be decided by a shoot off, there were quite a few re-gradings during the weekend.

● Left to right: Club President Lambert Jackson, his wife Helen with Event 4 winner Charlie Cliffo of the W.A.G.C.

The highlight of the carnival was the combined successes of Narrogin club members Colin Hinkley and his son Wade. Colin gained an outright win in the Johnnie Walker 50T DB Championship for which he received a fine sash and a 4.5-litre bottle of Johnnie Walker Scotch Whisky. He obtained several grade placings and topped off the weekend with the high gun award.

Son Wade, a 17-year-old junior, shot a possible from 11 metres in the Narrogin Businessman's 25T Group Handicap, then survived a shoot off against Helen Wiese and Peter McBride to win the event for which he received a fine sash and a very nice 14" remote control colour TV set. This was Wade's first major win, but we do not expect it to be his last, of course he has a skilled coach.

The High Gun Sash and Medallion won by Colin Hinkley was presented by the donor in John Barnes. The Ladies High Gun was Helen Wiese who was presented a handbag by the donor David Walker. Veterans High Gun was won by Roy Holtfreter who was presented with a shooting stick donated by Denis Cardwell. Junior High Gun was won by Eric Maley of Northam who won a pocket-knife donated by Ross Eckersley.

Presentations were concluded with President Lambert Jackson, thanking all sponsors for their generous contributions, also the Ladies Committee for their untiring efforts in the kitchen all weekend and all of those members who contributed to the success of the competition.

WACTA President, John Fissioli, spoke briefly on State activities and in particular about the World Championships to be held in Perth at Whiteman Park in 1991 and the contribution required from all shooters to ensure that the event is a success. He thanked Narrogin Club for the invitation to compete in their carnival and complimented the club on the excellent way in which the shoot was conducted.

## EDITOR'S MAILBOX

Dear Alan,

Just a quick note to say thank you for the plaque I received denoting me the recipient of the Eley Newton Thomas Award. It is currently hanging on my den wall, right in the middle of my other plaques and trophies.

It is quite an honour to win this award. Please express my appreciation to the Association and the Australian shooters.

Best regards,  
Mike Fisher

## LIFE MEMBERSHIP

### KAYE WOODS

The Tasmanian Clay Target Association is proud to announce that Mrs Kaye Woods has been presented with the first Life Membership of our Association. Kaye's involvement in Clay Target shooting started over 20 years ago when she was appointed to the position of Secretary-Treasurer of the Rosebery Club and held that position as well as Rosebery Delegate to the TCTA from 1970-1978. Kaye was elected to the position of State Secretary-Treasurer in 1980 and has held that position till 1990.

● Kaye Woods being presented with her life membership by National Executive Member, Stuart Browning.

She was elected as one of Tasmania's delegates to the National Executive Committee in 1982 until she resigned in 1987 due to ill-health. While on the Executive Committee Kaye was Chairman of the Nationals Sub-Committee and was also on the National Executive Management Committee.

Kaye is a qualified Referee, Referee Examiner and Rules Supervisor. Kaye was instrumental in organising the first Australian Masters Games held in Tasmania in 1987 and also the first Tasmanian Masters Games in 1989.

Kaye was also the backbone behind the organising of the 1990 National Trap Championships. It was her knowledge and expertise that contributed to the success of these Championships. Kaye is also a member of the Society of Sports Administrators.

Kaye is a dedicated and tireless worker, her commitment to Clay Target Shooting at all levels is to be commended, and is an example we should all follow. People of this calibre are rare indeed and do not often receive the recognition they deserve. It is with great pleasure that this Association has seen fit to present Kaye with this award. Thanks Kaye, from all of us.

Allan Kenny  
President

Tasmanian Clay Target Association

## TASMANIAN SKEET CHAMPIONSHIPS — 1990

The Tasmanian Clay Target Association conducted its inaugural State Skeet Championships at the Hobart Gun Club on June 30th-July 1st, 1990. The weather conditions weren't the best with over-cast skies, cold wind coming off Mt Wellington snow and threaten-

Cont'd over page

Con'td from previous page

ing rain. This is probably the reason why attendances were slightly down on what was expected. However this did not stop the best exhibition of skeet shooting seen at Hobart for some years.

The first event on the program was the TCTA Skeet Championship: Overall and A Grade winner: Jim Briggs, Hobart, 50/50; B Grade: Allan Kenny, Hobart, 78/80; C Grade: Greg Jackman, Hobart, 46/50.

Event two on the program was the City of Hobart Skeet Championship. Overall and A Grade winner: Jim Briggs, 61/62; B Grade: Don Barr, St Helens, 56/61; C Grade, Alex Beer, Cressy, 48/50.

The 18-man State Team was selected over events 1 and 2. The State Team for 1990 is as follows: J. Briggs, G. Blaskett, A. Kenny, S. Browning, S. Marshall, I. Rist, L. Viney, A. Beer, L. Gray, K. Blazley, R. Brook, A. Styles, G. Gourlay, G. Clarke, and P. Marshall.

Sunday morning was overcast and calm for the State Team Postal Event. Three possibles were posted after 50 targets, these were shot by Jim Briggs, Stuart Browning and Geoff Gourlay. The shoot off got underway for State Team High Gun. All shooters shot the first round clean, Geoff let High Two go in the next round and then Jim and Stuart settled in and shot another two perfect rounds before Stuart let High Five slip past and Jim was Team High Gun for 1990 with a fine 139/139.

The third event was the State Skeet Championship and this was won in fine style by Stuart Browning of Hobart who shot the only possible. The results are as follows: Overall and A Grade: Stuart Browning, 50/50; B Grade: Rob Blake, Hobart, 49/50; C Grade: Alex Beer, Cressy, 51/55.

The last event for the weekend was the State Doubles Championship. This is the first time that this Championship has been held and it proved to be very well received amongst all the shooters. The inaugural State Skeet Doubles Championship was won by Graham Blaskett of Cressy, who took Overall and A Grade with a fine 49/50; B Grade: Alex Beer, 44/50; C Grade: Ray Smith, Hobart, 43/50.

Overall High Gun for the State Skeet Championships was Jim Briggs with a very good score of 196/200. Congratulations Jim, on winning the Silver Tasmanian Badge, a much sought after prize.

In closing the TCTA would like to thank the following. Firstly the shooters for turning up to our first Championships and making it an outstanding success. We hope to see all those again and more next year because it will be bigger and better. To the office girls, thanks. Also to Mr and Mrs Geoff Gourlay who ran the canteen for keeping us fed and watered. To our trappers, Robert and Amy for keeping the hoppers full. Good on you kids, and to our Shoot Marshal, Jim, who kept the shoot running smoothly as well as shooting like a true champion. Thanks mate.

Lastly but not least, the President and members of the Hobart Gun Club for having the grounds in top condition for the carnival and supporting the TCTA. Thank you one and all.

**Jock Bryan**  
Vice President, TCTA

## GOONDIWINDI GUN CLUB INC.

The Goondiwindi Clay Target Club put up a challenge that was answered by 60 visitors from as far afield as Bendigo and Lightning Ridge who gathered in Goondiwindi on July 7 and 8 for the Goondiwindi Annual Two-Day Shoot.

In very cold but fine conditions the visitors proved too good for our local shooters in most events. There were quite a few surprises in all events over the weekend. The visitors were very impressed with the quality of prizes available in all grades and with the professional way in which the events were organised. This was due entirely to the efforts of dedicated club members.

Our very special thanks go to our canteen ladies and bar staff who kept our shooters fed and quenched. This shoot would not have been the success it was without the continued support of our

local sponsors. We thank Tait Toyota, Y.P.D. Distributors, Sudholz Pty Ltd, Coorey's, Border Builders, Lowes Petroleum, D. & M. Park, C. & J. Ellis, K. & L. Suhr, and Gundy Mower Centre. We would also like to welcome and congratulate Moonie on establishing their new club and for attending their first open shoot.

The highlight of the weekend was watching John Withers of the Ipswich Gun Club who shot a near impossible 99 out of 100 points in the 50T A Grade event. This was due to John's dedication and experience in this sport. Our hearty congratulations John.

Our local boys did show some proficient shooting in winning eight first place trophies with outstanding shooting from Jumbo Brown winning Overall 25T Single Barrel A Grade. Michael (Sharky) O'Shea who won two first place trophies in B Grade and shot exceptionally well now has been reggraded to A Grade. Well done Sharky.

In the Junior division big wraps go to Jamie Dean on winning the Overall Junior High Gun. Young Jamie might be able to give dear old dad a few pointers. (Look out Doey.)

Again we would like to thank all visitors for participating and making this a very exciting two days and to all our sponsors for your generous support. Many thanks to all.

Results: Rear Section.

## CHARITY SHOOT

A very successful Charity Shoot was held on Saturday, 23rd June 1990, at the Roma Clay Target Club Inc. grounds in Geoghegan Road, Roma, in conjunction with the Roma SSAA Club and the Muckadilla Rifle Club in support of the Roma Ambulance. It was a clear fine day with a brisk breeze and a top temperature of 18°. Twenty teams entered the competition, and the programme was:

Event 1 — 10 Target Single Barrel.

Event 2 — 10 Target Double Barrel.

Event 3 — 10 Target Double Barrel Points.

All teams were divided into two groups, NOVICE and OPEN. The winners of the NOVICE team was "The Five Musketeers", with the runners-up being "Roma Tyre and Battery". The winner of the OPEN team being "Witch Bank".

● Roma GC Charity Shoot: L-R, John Molony, Peter Kajewski, Warren Daniells, Lloyd Keegan.

At the end of a very enjoyable day the President of the Roma Clay Target Club was able to hand over a very substantial cheque of \$1363 to the Superintendent of the Roma Ambulance. This money is to be held in trust and the proceeds are to go toward the purchase of a new Ambulance vehicle. The Roma Clay Target Club has been holding these Charity Shoots each year now for a period of approximately 10 years. Each year we have been able to donate a very helpful cheque to the charity chosen for that year.

# THE SPORT OF CLAY TARGET SHOOTING

By GEORGE BIGGS

Australia's first registered clay target club was The Nobel Clay Bird Club. The club first came into being through the efforts of a small band of enthusiastic clay target shooters who in 1926 decided that they would prefer to shoot clay birds rather than live birds. So after several months of fun shooting in a quarry at the back of I.C.I., a factory in West Footscray, a Melbourne suburb, it was decided that a club should be formed. History was made on Friday September 9, 1927 when at a meeting held at 380 Collins Street, Melbourne, it was decided to form Australia's first clay pigeon shooting club. It was to be known as the Nobel Clay Bird Club.

Prior to the Nobel Club being formed, small groups of shooters in various places would run what could be called fun shoots, using more or less their own rules of competition. One of the more prominent of these clubs was the Victoria Clay Bird Club. This club used a piece of land adjacent to a market garden in Bentleigh, a south eastern suburb of Melbourne. Nobel and Victoria clubs were actually two pioneer clubs, they merged in October 1939 and used the Nobel grounds. Shooting continued until several months after War was declared.

In the years between 1927 and 1936 numerous clay bird clubs were formed. They were affiliated with what was known as the Gun Clubs Association of Victoria. This was a live bird shooting body with headquarters at the original Melbourne Gun Club at Tottenham.

1936 was the year when Australia really began to shoot clay targets in an organised manner. Up to this time clay target shooting was controlled by the Live Bird Association and for obvious reasons it was apparent that we had to control our own type of trap shooting.

At a meeting called to discuss the matter, it was decided to proceed in this direction. It was agreed that the name of the Association would be "Clay Target Shooter's Association of Victoria". Officials were elected as follows — President: Mr H.G. James; Vice Presidents: Colonel C.W. Thompson and Messrs J.M. Wilson and L. Bertram; Secretary: Colonel Thompson; Treasurer: Mr H. Benison; Handicappers: Messrs E.J. Parow, H.G. James, G. Townsend; Committee: R.W. Delaney, A.P. Cook, J. Benison with power to co-opt two others. This was now the beginning of clay target shooting nationally.

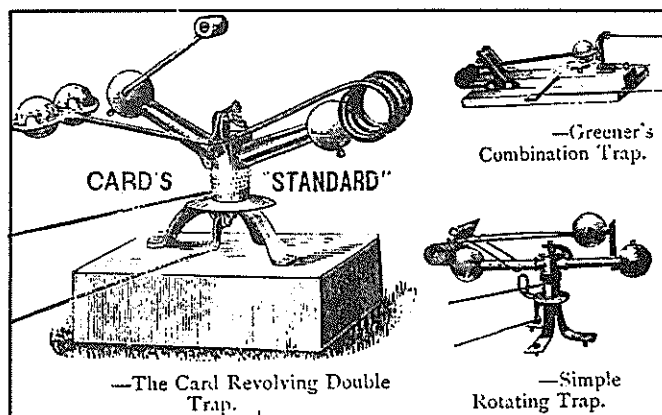

## HOW IT BEGAN

We can go back well over 100 years to the beginning of trap shooting, somewhere around the year 1840. At this time trap shooting consisted of live pigeon shooting only. It was during the years 1860 through to 1886 that live pigeon shooting became popular throughout England and the Continent. Special pigeons were bred for this type of trapshooting, they were known as the Blue Rock — small in size and very fast flying.

Prize moneys of thirteen hundred and fourteen hundred pounds were not uncommon in the years around 1878. Excellent scores were also put up by several famous English, American and Continental shooters.

Some very interesting information on live pigeon shooting is described by W.W. Greener in his book "The Gun and Its Development", published in England in 1900. He goes on to describe how live pigeon shooting was conducted in the mid-1860s and at a later date, trap shooting at glass balls filled with feathers, were thrown from a rotating trap. The glass balls filled with smoke were later invented in America and proved popular when live pigeons were not available, or as in some states, live pigeon shoots were illegal.

Mr Greener describes how a Captain H. Bogardus, the great American wing shot, made a match against time in December 1879

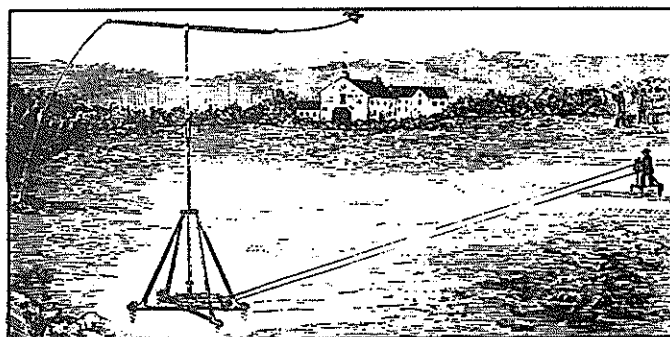

1. Before the introduction of clay targets around the turn of the century glass balls were developed and made fashionable in America by a Captain Bogardus. In England catapults were used to spring the balls, but in America spring traps were invented. Cards standard trap shown in the centre of the drawing is described as the latest American trap, it will project one or two balls in any direction or it will rotate, throwing balls in a direction impossible to foresee. The balls were often filled with coloured smoke or feathers so as to be seen when broken. The balls were also chequered to prevent the shot glancing off.

*Illustration from the book of W.W. Greener*

and succeeded in breaking 5500 glass balls in seven hours and twenty minutes. The misses numbered 356. The Captain used an English gun with two pairs of barrels. During the match the Captain changed the barrels no less than 55 times.

Clay target trap shooting as we know it today started to become popular before the turn of the century. By the year 1900 the American trap shooter was getting himself geared up to shoot in a big way.

2. Artificial Flying Pigeon — This machine was introduced as a machine which the patentees thought would supersede the glass ball traps. A skilful driver is however, necessary to get good sport from the birds, for if the driving-handle is turned slowly and regularly, a slow gentle sweep is given to the pigeon that no tyro could miss. The pigeon is either iron, whitewashed, or of a wire cage, having inside a balloon, which keeps the two wings spread until caused to collapse by the penetration of shot.

*Illustration from the book of W.W. Greener*

Cont'd over page

Con'td from previous page

Today the Amateur Trapshooting Association of America has over 100,000 members. There are over 5000 ATA shoots per year shooting at something like 1000 registered clubs throughout the country.

According to their records, clay target shooters fire at more than 600 million targets per year. It is estimated that \$150 million yearly goes into the economy of the country. That is big business whatever way we look at it.

The Grand American Tournament, shot over nine days was commenced in 1900 and has been held continuously every year since that time. The Grand American Handicap as it is known today, is claimed to be the largest clay target trap shooting tournament in the world. Home ground and permanent headquarters of the ATA is at Vandalia, Ohio. Over 5000 shooters participate over nine days, shooting over 72 traps in a mile long line. Approximately 3¼ million targets are thrown during the tournament in August each year.

It was not until the mid-1920s, after World War 1, that clay target shooting was introduced into Australia — more or less from the English Association and with the help of Eley Ammunition Co., who in fact established the first clay target club adjacent to their factory at Tottenham, a western suburb of Melbourne, this club was known as the Nobel Gun Club.

• The "Gun Club" Ground, Notting Hill.

It was a very modest beginning to our sport. Eley Ammunition Company continued to sponsor the club for several years. During this time an association was formed to control the sport, it was known as the Australian Clay Pigeon Trap Shooting Association (ACPTSA), formed in 1936.

The outbreak of World War 2 in September 1939 brought to a halt the growth of clay target shooting in Australia. However, four or five clubs did hang on and managed to shoot at intervals throughout most parts of the war whenever it became possible to obtain targets or shells, which was not often. The Blackburn Gun Club, formed in 1936, was based on the private property of Jack Bryant, in Holland Road, Blackburn. This was one of the clubs able to operate during the War.

During the early months of the War, units of the United States Air Force were often entertained for shooting practice (clay target practice was a part of Air Gunner training in those days). The theory was that shooting at targets familiarised the gunner with the technique of shooting moving targets. Can you imagine it, in today's age of computers?

The greatest problem facing the few clubs trying to keep going during the War was the non-availability of targets and ammunition. However, two old-timers in Jack Bryant and Horrie Donnelly, became clay target manufacturers, operating out of a garage in Blackburn. Unfortunately quality control was not always up to scratch, but no one complained about such a minor detail as some targets that only dusted when shot at.

Blackburn club continued to shoot until the property was sold in 1947. It was then necessary to look for a new site. Vic Fankhauser, a very keen member of the Blackburn Club, who owned an

orchard property in Burwood Road, offered a part of his land to the club. Nobel and Blackburn Clubs then merged to form the Australian Clay Target Club. The first shoot was held in September 1948. Dave Watson was President and Aub Johnston, Secretary. At a later date the name of the club was changed to Australian Gun Club and was for a number of years the venue of Australian National Championships, until they were rotated around other States as the sport developed on a wider National scale.

Two other clubs to survive the War years to become forerunners to clubs operating today were Camberwell and Coburg clubs, eventually suburban expansion caused both clubs to seek other sites. Coburg went out to Epping and became Metropolitan Clay Target Club, while Camberwell joined with Croydon at Lilydale to become Lilydale Clay Target Club and finally at a later date the name was changed to Melbourne Gun Club.

Bill Delaney Senior, established the Camberwell Gun Club during the latter War years on land adjoining a creek on Bulleen Road, North Balwyn. It was a one trap ground as was Coburg, simply because there was no room for more. The shot fall-out was over a creek in both cases.

The original Melbourne Gun Club was based at Tottenham, a western suburb of Melbourne — it was the headquarters of live bird shooting in Victoria. In 1957 live bird shooting was banned in Victoria.

Although our early days of clay target shooting were centred in Melbourne in the early 1920s, it was not long after that other parts of Australia followed on. Queensland was quick to join in with Townsville Gun Club in 1920, St. George in 1937, and Cunnamulla in 1938. Townsville was, in fact, the first club to send a delegate to the newly formed National Association. Today Queensland has some fifty-odd active registered clubs.

Clay target and cartridges continued to be a big problem for several years after the War. It was getting on to 1950 before I.C.I. were able to produce the Australian made target and ammo. Prior to this clays came from England, and our shells, mostly Winchester and Remington, came from USA. Quite a few clubs of that time attempted to make their own clays in different ways. I know of two that gathered up the broken targets from in front of the trap and melted them down to form up again in their own version of a mould. Of course, when the broken targets were gathered, pieces of other things like leaves and twigs etc. were also included — result was a very well reinforced clay target — not too easily broken.

It was after World War 2 — around 1946 — that clay target shooting began to expand to other States. The Townsville Gun Club in Queensland is possibly one of Australia's oldest and very progressive clubs. During the immediate post-war years, clay target shooting suffered the effects of both gun and ammunition shortages that lasted well in to the late 1940s resulting in slow expansion of all shooting activities. All types of ammunition were in very short supply and drastically rationed. 1950 saw the beginning of a great deal more expansion of our sport.

The Melbourne Olympic Games in 1956 was an excellent boost to Australian clay target shooting. We fielded a two-man team in International trench shooting for the first time in our history. The event was staged at a specially prepared ground at Laverton Air Force Station. Not long after the games were over the ground was dismantled and the equipment just disappeared. It was really a tragedy for Australian clay target shooting generally because the chance to carry on with ISU shooting was lost, it was only when the Melbourne Gun Club staged the World Moving Target Championships in 1973 did the Australian shooter gain the opportunity to become international. It was at these championships that our Australian trench team came out winners of bronze medals for third place after a shoot off with Italy for 2nd and 3rd placings. 27 countries took part to make the events a huge success.

After the smoke had cleared away from the 1973 Melbourne World Championships it became apparent that International Trap and Skeet shooting was in Australia to stay.

Since 1974 Australia has sent both Trench and Skeet teams to World Championships in several overseas countries with a fair degree of success. Unfortunately because Australia is so far removed from Europe, where most Olympic type shooting is done,

# OUT OF THE PAST

## FIFTY YEARS AGO

The Commonwealth Mixed Birds Championship of 1940 was originally listed for decision on the Camberwell Club's grounds at North Balwyn on the date March 2. However, it was found that the date practically coincided with the Victorian Duck Opening, so the club sought Association permission to defer the event. The association agreed and a new date, June 22, was arranged.

It was also mentioned that "Due to the War" there would be no International Match in 1940.

Jack Bryant Snr of Blackburn, whose name appears regularly about this period, was apparently at the zenith of his form. It is noted that he successfully defended his Commonwealth Double Barrel Title. The event was shot on the Nobel grounds, then at Bentleigh. Five tied, each with 24/25. In the shoot-off Vic Fankhauser was first fall out, finishing fifth with 28/30. Fred Burns and C. Lancaster were next out, each with scores of 33/35. Bryant ultimately won 39/40 from Reg Ilett (Harrison) 38/40. Bryant used only three seconds in the contest at 25 targets from 20 yards.

At the first open shoot conducted by the old Werribee Club on the Werribee Racecourse, Bryant again won the main event, at double rise on this occasion, scoring the moderate total of 8/15 pairs to win from Texas (C. Lancaster).

## FORTY YEARS AGO

At a Griffith (NSW) fixture 106 shooters attended. The club introduced an unusual scheme for arranging team competition. Each competitor paid in 2/6 and names were then drawn in teams of four. The winning combination comprised Ted Matthews (Bowena), E. Albert (Barellan), E. Fromholtz (Griffith Secretary) and Owen McLoughlan of Cohuna (Vic.). This type of event proved very popular and it could well be tried out again. Dinky (Bill Catlin) and W. Wager (Melbourne) cut the first two places in a 50-pound Handicap at a Holbrook meeting in NSW.

In a Hobart shoot no fewer than 23 of the 40 entrants in a double barrel event carded possibles. The miss out rule applied in the shoot-off which went to J.M. Tyquin, now of Brisbane, on the 29th round.

The Commonwealth Skeet Championship of 1950 was shot at Leeton by the then local club. Nearly 60 entries were received. The title went to Narrandera sportsman Tom Whillans. Newton Thomas was runner-up.

## THIRTY YEARS AGO

Geraldton (WA) — The Past President complimented the members on the installation of the new night shooting additions. Through scrounging of an old motor car, a rejected generator, a very fine and efficient plant has been put together, and the club now has a good as any night shooting ground in the State.

Alexandra (Vic.) — Three traps were used for the first time and everything went without a hitch or hold-up thanks to Ron Hedger, his father Manse and son Arthur. Night conditions were perfect with C. Dean in top single barrel form and Tup Pedersen providing the thrills for the crowd with some excellent second barrel saves. Over the night events Claude Dean shot 100 straight without use of one second barrel. Newton Thomas was in his usual form and gave advice to young shooters. Visitors from all States except WA contested including Frank Morton from Alice Springs who was a long way from home. The Victorian Double Barrel Championship produced a splendid exhibition of skill in the tie shoot which brought success to Ray Parker of Colac 100/100. Both Ray Parker and Fred Shearer recorded 100 to 150 breaks. Ray is a 24-yarder and deserved great credit for 153 straight. The big event for the station wagon produced records. At the halfway mark, 61 possibles were on the board to share the sweep. Sixty-four shot the possible in the second 15 and a record 25 possibles lined up for the tie shoot. This continued for three and a half hours and a gallery of at last 1000 watched with keen interest and much appreciated silence throughout. Six shooters eventually decided to divide. Final presentation was made to High Gun winner Athol Miller of Apsley who was decorated with the club sash for the fine score of 103/105.

● Melbourne Olympic Games 1956 — 1st & 3rd placegetters G. Rossini of Italy 1st-score 195-200 and A. Ciceri of Italy 3rd with a score of 188-200. Second place went to A. Smelczynski of Poland with 190-200. Australia's 2-man team comprising Jack Bryant and Clem Mudford were placed 9th and 20th with scores of 176 and 164-200.

the cost of sending teams away each year becomes quite a financial burden. However, Olympic style shooting is making big progress in countries closer to Australia, like Singapore, Thailand, Korea, Japan, China, New Zealand and Noumea. Because of this, it is now envisaged that more frequent exchange of shooters will occur leading to greater competition experience and less travelling expense.

Standard American style trap and skeet shooting remains the most popular in this country due to the fact that it is not as difficult to shoot for the average person who is not internationally ambitious and just wants a pleasant Saturday afternoon's enjoyable shooting and get together with friends.

Clay target shooting in Australia has come quite a long way since those early days in 1927, when a group of keen shotguns got together to lay the foundations for a sport that has grown and spread to all States over the years.

Our sport is now organised and controlled by the Australian Clay Target Association, with State Associations in all States. At present there are no less than 295 registered clubs and in excess of 8000 registered shooters throughout Australia.

All Australian capital cities have at least one well appointed gun club equipped with every facility to shoot both international and standard trap and skeet competition.

A national championships tournament in each of these disciplines is staged each year in various State capitals.

## VALE

### J.R. BUSHBY

It is with much sadness that we report the passing away of John Bushby, aged 75 years at the Narrandera District Hospital on April 2.

Rob who has been out of shooting for some time due to his illness, will be remembered by many fellow shooters for his keen competition which honoured him with eight Commonwealth titles, eight State titles and 24 district titles.

Rob served approximately twenty years as the secretary for the Narrandera Clay Target Club.

Deepest sympathy to his wife Jean and family.

### BRUCE BOYD

Members of the Wangaratta Clay Target Club were deeply saddened by the death of Bruce Boyd on 25th July, 1990 following a heart attack two weeks earlier.

A quiet man with a dry sense of humour, Bruce was a keen skeet shooter who served on the committee for the past four years.

Bruce's commitment to working bees, committee meetings and his willingness to assist on skeet days will be greatly missed.

We extend our sympathy to his wife, Bonnie and family on this sad occasion.

Bev Penney  
Secretary

### DYSON BATTLE

As a result of a short illness it is sad to report the passing away of Dyson Battle on May 6, 1990.

Dyson was a very keen clay buster, shooting regularly interstate and in South Australia.

He will be sadly missed around the clubhouse and the traps.

Wally Spackman

### KEN NORTHCOTT

It is with regret that Sydney Clay Target Club advise that Ken Northcott passed away on Saturday 7th July 1990. Ken was a Committee Member of Royal Aero Gun Club until the club folded, then a member of Sydney and Marconi Gun Clubs and an active competitor for over 30 years. He was an excellent shot and very well liked by all. Ken is survived by his wife Evelyn and family. He will be sadly missed by all those who knew him and the sport has lost another gentleman.

## ACTA CLOTH BADGES

Embroidered cloth badges in the same coloured design as the new ACTA badge as depicted on the front cover of CTSN are available through the National Office at \$5.50 each including postage.

Please forward \_\_\_\_\_ badge(s) at \$5.50 each including postage, to:

NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

\_\_\_\_\_/P/CODE \_\_\_\_\_

Enclose payment of \$ \_\_\_\_\_ for \_\_\_\_\_ embroidered ACTA Badges.

ACTA, PO Box 557, Mt Waverley, Vic. 3149

## CLUB BADGES

The Association would like to thank the following clubs who have shown their assistance in providing the office with a badge from their club. The office endeavours to create a display denoting all affiliated clubs by their badge.

## THE FOREST CLAY TARGET CLUB

Preston McIntosh, President of The Forest Clay Target Club presents a cheque to John Fergusson, President of the Lakesland Volunteer Bushfire Brigade, after The Forest's recent charity shoot.

Lakesland VBFB benefited by over \$3000 this year, and since 1984 Lakesland has received \$12,500 from charity shoots organised by The Forest.

## SHOOTING SNAPS

• Some Mexican shooters will go to any lengths to have their Siesta! Graham Guy couldn't have found a better place than the boot of Alex Crikis's convertible Jaguar. . . ISU Elimination, West Wyalong.

## BILLY GUYATTS 200 SKEET

A typical winter's day greeted those who were to challenge for the Billy Guyatts 200 target skeet High Gun held at Frankston Australian on 14th-15th July.

200 Target High Guns are well sought after and Peter Asher was to lead the way, winning the first 50 target event. Paul Ryland not wanting to be left out came home in the afternoon to win the second 50 targets.

Sunday was a little more comfortable, with the sun shining through occasionally.

Brian Thomson got up to win the morning event from Paul Ryland. Final event arrived and was taken out by David Cunningham in plenty of time before the light faded and forced everyone into the nice warm clubrooms.

Tony Gould, Bernie Mack and Malcolm Hill all had a good weekend each winning 3 out of 4 events in their grades.

# EDITOR'S MAILBOX

Dear Sir,

On reading the July 1990 issue of the C.T.S.N., I noticed an article, on Page 6 under the heading of Executive Committee Meetings/ Sub-Heading General Item 1, relative to the introduction of 28gr loads for all disciplines as from 1/1/92.

I have written this letter for two reasons:

1. Let me congratulate the executive committee on not approving this recommendation, and it gives me confidence that the executive does not have ALL shooters at "Heart", not just I.S.U. disciplines, contrary to what one hears around the "traps".

2. It would appear to me that the people who do not know what shooters want are the National Shooting Committee.

Perhaps this committee is too "weighted" towards I.S.U. disciplines and they should come in more contact with the "bread and butter" of our sport, the D.T.L. shooter. By listening to a few it does not give the views of the many and I.S.U. shooters should take notice of that.

I am not against I.S.U. — quite the contrary — but if D.T.L. rules are to be changed then let ALL shooters make the decision.

In concluding I would like to think that D.T.L. shooters are just as important to this sport as the "Prima-donnas" and I am sure that the many small clubs located around this country would agree with me.

Yours sincerely,  
Trevor Nash

## ENTRY

When you register for the Vic Health Masters Games you will pay the Masters Games Entry Fee and in some instances a Sports Fee. The Sports Fee where levied, entitles you to compete in your chosen Sport/s. The Games Entry Fee (\$30) registers you as a participant and gives you a MASTERS PASS which entitles you to:—

- Free Entry to the Official Welcome Ceremony.
- Your Free Masters Pack.
- Free Entry to the Masters Mile.
- Discounts at Stores, Restaurants & Tourist Attractions.
- A Masters Programme.
- The Official Farewell.
- Entry to Social Events.
- A Whole Lot of Fun.

### IMPORTANT INFORMATION

1. EACH participant must complete a separate entry form including individual sports entry details.
2. TEAM ENTRIES — ALL team entries must be posted in one batch.
3. Every effort will be made to accommodate individuals who wish to enter team sports.
4. PROGRAM CLASHES MAY OCCUR. Please list sports choices in priority order. If unavoidable clashes occur, Games organisers may withdraw your entry from less preferred choices. Your sports fee will be refunded.
5. Withdrawals other than as in 4 above, are refundable only if effected prior to 10 September 1990.
6. Individuals accompanying participants may pay the Games Entry Fee (\$30) to receive the Masters Pass and free entry into the Masters Mile.
7. Confirmation of your entry will be forwarded within three weeks of receipt.

- SHOOTING WILL COMMENCE 10am DAILY

The Vic Health Masters Games is a sports festival encouraging mature age competitors to participate in a friendly environment at their highest performance level.

Participation rather than success is the principal motivating factor and novice competitors will be as welcome as former champions. We welcome your participation in the Games and know you will enjoy the competition and fellowship the Games have to offer.

FOLLOWING A MOTION AT THE ANNUAL GENERAL MEETING OF Q.C.T.A. WE REQUEST INTERESTED QUEENSLAND SHOOTERS TO COMPLETE THE FOLLOWING REFERENDUM:

## Q.C.T.A. REFERENDUM

**PURPOSE:** To establish the most suitable dates for future State Trap Carnivals.

For your information the State Trap Carnival is run over three (3) days (normally a long weekend) in a rotation around the four zones, i.e.:

- 1991 — South East Zone
- 1992 — Northern Zone
- 1993 — Western Zone
- 1994 — Central Zone

PLEASE tick your preference.

- ☐ Currently — May Day Weekend — 1st weekend of May.
- ☐ Ordinary weekend — October.
- ☐ Australia Day weekend — January.
- ☐ Please state the number of Trap Carnivals you have attended in the past five (5) years.

The reason for this Referendum was to allow the selection of the Queensland Representative team closer to the Nationals which are generally held March/April where this team ultimately competes.

Closing date for the Referendum: 31/12/90.

The results of the Referendum will be revealed at the 1991 ANNUAL GENERAL MEETING.

## SOUTH EAST ZONE ANNUAL TRAP CARNIVAL

### CHANGE OF DATE

Please be advised that the Zone Trap Carnival is now set down for the 27th & 28th of October, 1990.  
Full details in October C.T.S.N.

S. Steenstrup, Zone Secretary

# Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- \* Low profile action for unsurpassed pointability.

## ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

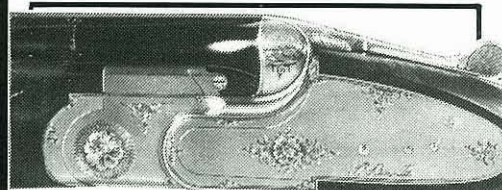

Field removeable in one, split second motion for quick inspection, cleaning or in the unlikely necessity, immediate replacement with the spare mechanism supplied with the gun. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped mainsprings. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- \* User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- \* Advanced dimensioned quality walnut stocks.
- \* Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- \* Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

## S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.

## 682

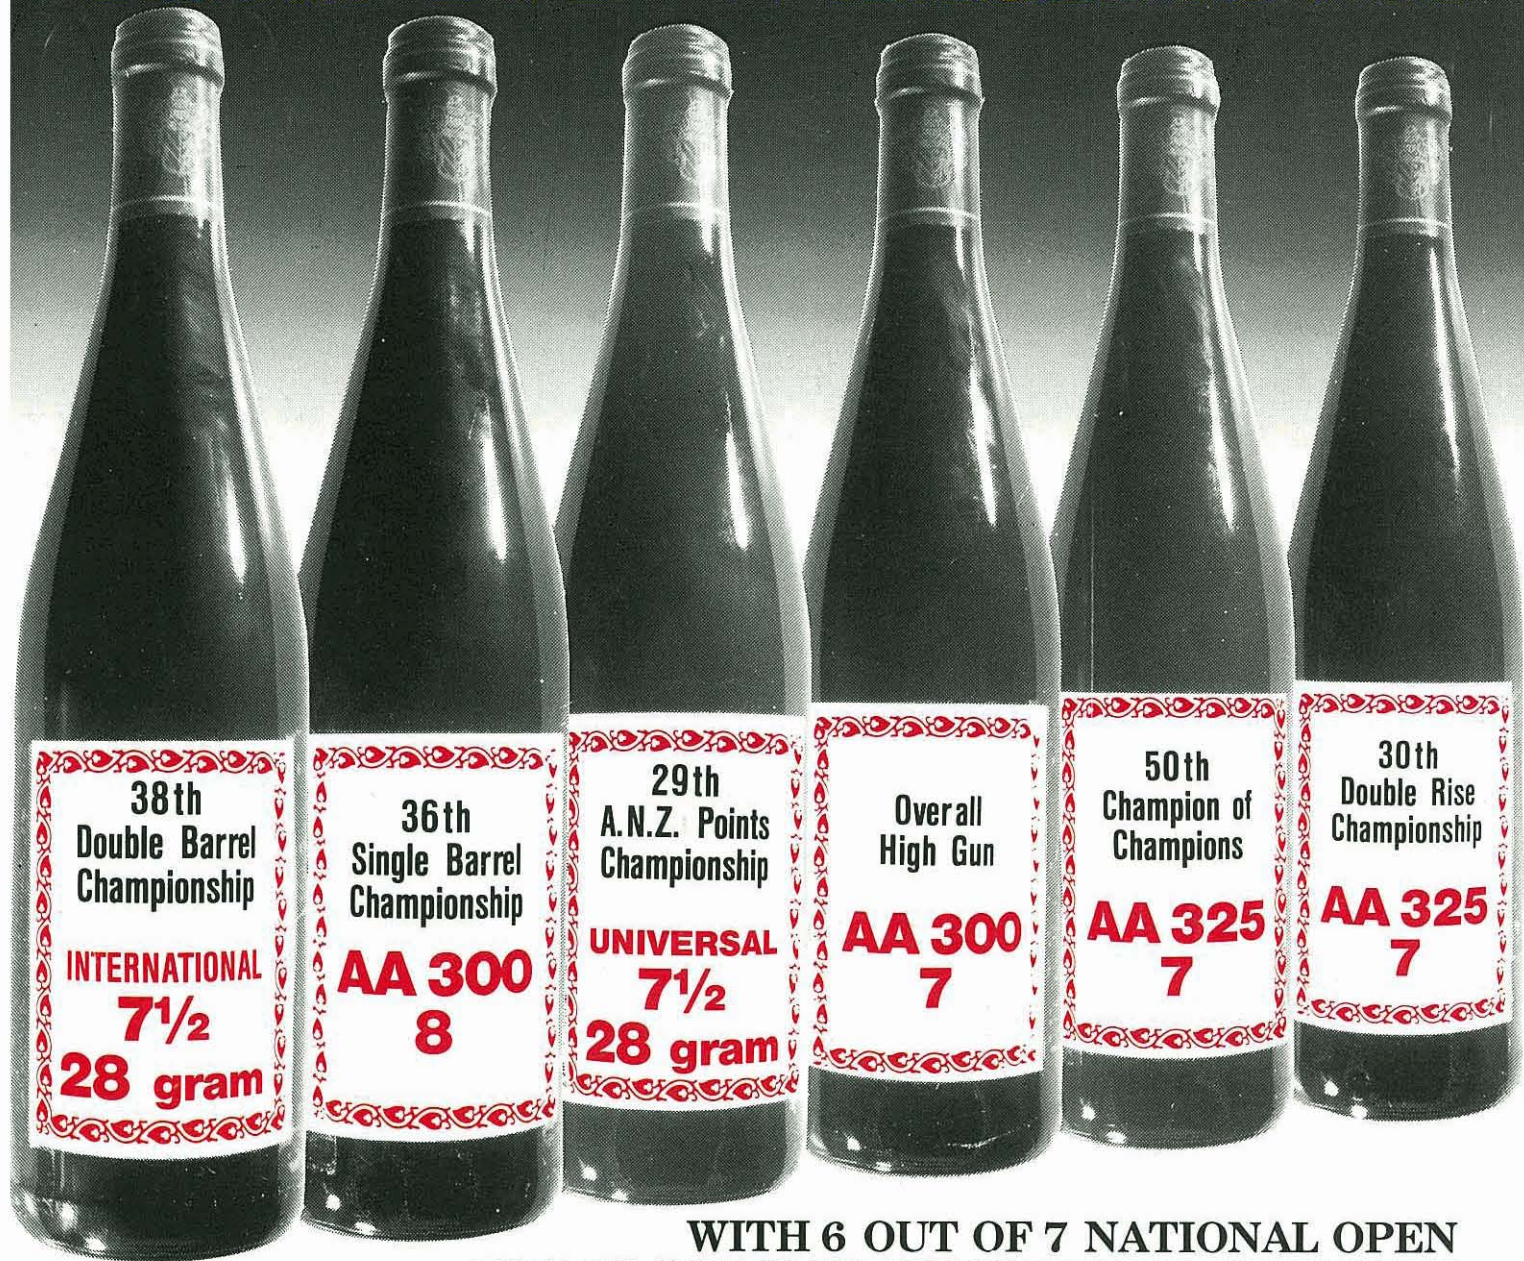

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

# 1990 A Vintage Year for Winchester

## WITH 6 OUT OF 7 NATIONAL OPEN TITLES GOING TO WINCHESTER SHOOTERS

Winchester's target load shotshells continued to dominate the Nationals. Once again shooters who chose to use Australia's best performing ammunition won!:- 38th Double Barrel, 36th Single Barrel, 29th Australia/New Zealand Points, 50th Champion of Champions, 30th National Double Rise, plus the Overall High Gun Award.

1990, another excellent year for Red (and Gold).
