Perth, W.A.  
April 6-11

AN OUTSTANDING SUCCESS

# MIROKU 9000

*The winning advantage of the MIROKU 9000 gives your score the lift to put you in the winner's circle.*

*The MIROKU 9000 is designed using traditional shooting values combined with modern manufacturing technology to give you the fit, feel and pointability to smoke target after target.*

## THE MIROKU 9000 FEATURES:

- \* Ventilated barrels.
- \* Adjustable wide crisp trigger.
- \* Presentation grade walnut.
- \* Invector choke system.
- \* Palm swell grip.
- \* Built to last.

GRADE 1

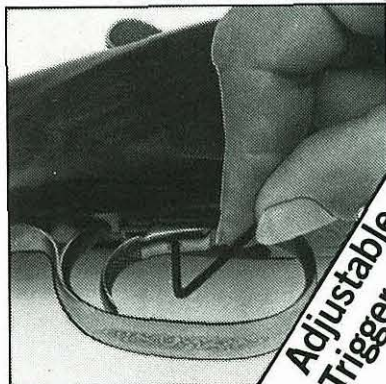

# \$1899

TRAP (regular or montecarlo) OR SPORTING

*Recommended Retail Prices Only.*

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1  
MX2  
M2L

MX3 trap  
MX3 skeet  
MX3C trap

MX3C sporter  
MX5 sporter  
MX4 trap

MX4C trap, skeet or field  
MX8 trap with 28½" and 31½" barrels  
MX8 skeet  
MX8 gold line trap  
DB81 special trap  
SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

**Tony Yozzi Sports,  
460 William Street (Cnr. Brisbane Street)  
Perth, Western Australia, 6000  
Ph. (09) 328 4981 A/H (09) 271 2766**

SOLE FACTORY EXCLUSIVITY FOR WESTERN AUSTRALIA FOR PERAZZI FIREARMS AND ACCESSORIES. KROMSON CLAY TARGET MACHINES. ROBOT MODEL 350A — trap — skeet and personal models.

**BENELLI FIREARMS** MODELS 121, 123, 123-3" Mag., 121-3" Mag., Montefeltro, Super 90 in field, trap and interchangeable choke models.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

## PRODUCT SAFETY RECALL

### ATTENTION OWNERS OF WINCHESTER® 12 GAUGE SHOTGUN SHELLS

**If you are in the possession of Winchester 12 Gauge Shotgun Shells  
PLEASE READ THIS NOTICE**

It has come to our attention that certain lots of WINCHESTER® shotshell cartridges manufactured during March 1990 and identified by the following product description and lot numbers may produce low pressure ballistics causing the wad to become lodged in the gun barrel. This condition in turn may result in damage to the firearm and possible injury to the shooter.

#### PRODUCT DESCRIPTION

#### WINCHESTER 12 GAUGE SHOTGUN SHELLS SYMBOL W12SS

SHOT SIZE 2 CODE LOT - AED2EC 02  
AED2EC 12  
AED2EC 22  
AED2EC 61  
AED2EC 91

SHOT SIZE 4 CODE LOT - AED2EC 22  
AED2EC 32  
AED2EC 51

If you are in possession of shotshell cartridges to which the above description and lot numbers apply, DO NOT USE THEM. Return the shotshells meeting the above description to your Winchester dealer from whom replacement product will be available. No other Winchester ammunition or shotshells are affected by this Recall.

If you have any questions concerning this notice, call WINCHESTER® Product Service at (052) 48 2000 or write to the following address:

WINCHESTER Product Service Department, P.O. Box 776, Geelong, Victoria, 3220.

# WORLD CHAMPIONSHIPS- U.I.T. INSPECTION

Mr Gary Anderson, USA Executive Committee Member of the U.I.T. has been appointed as technical delegate for the World Shotgun Championships which are to be held at the Whiteman Park Shooting Complex, Perth, WA during November of 1991.

Mr Anderson who will be arriving in Australia in late November of this year to conduct his inspection of the grounds will during his visit be involved in coaching seminars that should be of undoubted interest to shooters as a whole.

As an indication of his proficiency in his chosen sport it is interesting to note that he has won twelve National Championships,

seven World Championships, established six World Records, with gold medals at the 1964 and 1968 Olympic Games in 300-metre free rifle.

We are indeed fortunate to have the opportunity to learn from such a world class renowned shooter who is also widely recognised as an accomplished writer with his work accepted world-wide.

As he is making his first visit to Australia it will be interesting to obtain his views on the Whiteman Park Shooting Complex of which we are in no doubt is in world class. We trust that his stay in Australia is enjoyable and that following his technical inspection of the shotgun ranges in Perth he also shares our view of it as a world class venue.

## INTERNATIONAL RESULTS

Olympic Trap shooter Russell Mark has figured prominently in recent competitions shot in three different countries.

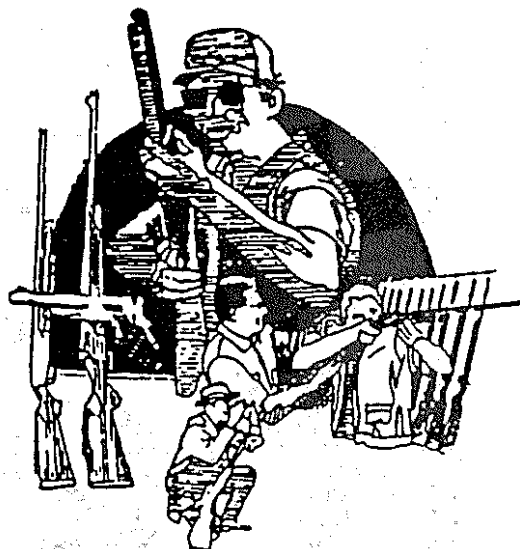

During August, Russell competed in the British Grand Prix which was shot in Wales attracting 192 competitors with 18 countries represented, finishing in second place with a score of 216/225, two targets behind the winner K. Gill (England) 218/225.

Again in August and following the World Championships in Moscow, Russell took part in the Grand Italia shot at Monte Catini. This event attracted 792 competitors from 28 countries and again Russell shot well to finish second with a score of 121/125 two targets behind the winner M. Tommassini (Italy) 123/125.

September produced the result that Russell was attempting to achieve as his score of 187/200, two targets ahead of Ireland's D. Evans, won for him the Cyprus Grand Prix in which there were 72 entries from 11 countries.

All in all Russell would be pleased with these excellent results which reinforce his position as one of the country's best competitors at Olympic Trap.

# AUSTRALIAN OLYMPIC COMMITTEE

The Australian Olympic Committee (AOC) is the body responsible for the participation of Australia's athletes at Olympic Games. The AOC is a member of the International Olympic Federation (IOC) as are approximately 160 countries or National Olympic Committees (NCO).

The AOC is comprised of members elected in accordance with the requirements of its Constitution with members elected for a 4-year term in keeping with the Olympic 4-year cycle.

Various Sub-Committees operate under the control of the AOC. These include:

- Planning & Review
- Fund Raising
- Education
- Athletes
- Finance
- Apparel
- Medical

All of which are dedicated to the goals and ideals of the Olympic movement.

From an athlete's point of view probably the most important Committee within the AOC is Planning & Review. Under the chairmanship of AOC Vice-President John Coates this Committee determines the criteria for Olympic selection in the long term and in the short term is responsible for pre-Olympic funding for athletes who have met their strict criteria for the two years prior to the Games.

So far as the shooting sports are concerned, the Planning and Review Committee invite applications through the Australian Shooting Association (ASA) for funding for athletes who are capable of finishing in the first 16 places in the next Olympic Games.

With shooting considered by the AOC to be the one sport, the ASA through its Competitions Committee presents a combined submission to the AOC for the period of review. This submission is presented in person by the ASA Delegates to the AOC, President Dick Willis and Vice-President Alan Maher. Each shooting affiliate provides supporting documentation attesting to the performances of their respective athletes.

The procedure that has been adopted by the ASA for the two years prior to the Olympics ensures that those who had performed are recognised by the competition points that they have achieved in the two years prior to the Olympic Games in International Competition outside Australia. This procedure eliminates the possibility of persons being overlooked and again ensures that no one discipline or athlete is able to receive an advantage over the other.

While points are important they have no meaning whatsoever unless Olympic Quotas have been secured for the country and minimum qualifying scores have been achieved by the athlete.

Olympic Quotas are available at designated World Cups and World Championships and are won by the athlete for his/her country and not for his/her self.

Minimum qualifying scores (MQS) are also able to be achieved at designated competitions and as such are the first steps needed to be taken to obtain eligibility for nomination to the AOC for Olympic selection.

## OLYMPIC GAMES SELECTION SYSTEM

The purpose of this system which is an agreed document between the Australian Shooting Association and the Australian Olympic Federation is designed to be both simple and fair, with the basic guidelines being Rule 29 of the Olympic Charter, which states:

"National Olympic Committees are reminded that, while the Olympic Games welcomes the youth of the world, it is physically impossible to accommodate all of the youth of the world and they are asked to use discretion and send to the Games only competitors adequately prepared for high level International Competitions."

## ATHLETE ELIGIBILITY

To be eligible for consideration of recommendation by the ASA to the AOC an athlete must:

- 1. Shoot the appropriate Minimum Qualifying Score (MQS) at the appropriate International Competitions, and

- 2. Score points under the ASA Ranking System as detailed in Appendix A (see below), and
- 3. On the basis of performance in recent International Competition, be likely to finish highly placed in the next Olympic Games, and
- 4. Demonstrate a satisfactory standard of physical fitness, which must be maintained.

## ATHLETES

The basis of ASA recommendation to the AOC shall be that athletes will be recommended on the basis that:

- 1. They have met the athlete eligibility criteria, and
- 2. They are likely to finish in the top 18, and
- 3. Australia has an Olympic Quota place or "Wild Card" in the event.

## TEAM CHANGES

All athletes and officials should clearly understand that they are liable to have their membership of the Team terminated at any time by the AOC for breaches of the AOC's Doping Policy, the AOC's Competitor's and Official's Agreements, discipline or misbehaviour; illness, injury or other medical reasons; loss of form, team unsuitability or reassessment for any reason whatsoever.

Any such athlete or official may be replaced.

## ANNOUNCEMENT OF TEAM

It is the sole prerogative of the AOC to announce and make public the names of Athletes and Officials chosen under this system.

## APPENDIX A — OLYMPIC SELECTION RANKING SYSTEM

(As mentioned above.)

- 1. This system is based on points gained as a result of participation in Major World Championships, in the World Shotgun Championships, and in the World Cups of the UIT, with a competitor finishing in 1st to 16th place. First place 16 points, sixteenth place 1 point.
- 2. Major World Championships have a multiplying factor of 2.
- 3. The qualification period covers the duration of the UIT competitions offering Quota places. However, it is expected that the period would be completed prior to the 31st December of the year preceding the Games.
- 4. Points achieved as per 1 and 2 above will be aggregated across the three best results achieved in the period as defined in 3 above.
- 5. A constantly upgraded Ranking List to be maintained and published by the ASA after each World Championship or World Cup in which ASA representatives participate.

The obtaining of a MQS and Australia having an Olympic Quota for any particular event does not in itself guarantee Olympic selection. This is determined by the AOC as a result of:

- 1. MQS being achieved.
- 2. Olympic Quota being available.
- 3. Points scored in World Cups/Championships by finishing from 1st to 16th place.
- 4. Athletes considered ability to finish in the first 16 at the Olympic Games.

Providing that points 1, 2 and 3 can be demonstrated to the AOC, the ASA are able to nominate an athlete for consideration for Olympic selection. The final decision in this regard is taken by the AOC having considered point 4 and the finances available to the Australian Olympic Team as a whole.

This brief summary has been prepared by the ASA Delegates to the Australian Olympic Committee and is provided to enable members of ACTA and any other interested persons to understand and appreciate the difficulties that athletes from the shooting sports are faced with as they attempt to gain Olympic selection. We wish them well in this endeavour and assure them that as their sports representatives to the AOC we are at all times working on their behalf as individuals and for shooting on the whole.

Dick Willis & Alan Maher  
Australian Olympic Committee Shooting Delegates

# U.I.T. WORLD CUPS 1991

Five World Cups have been set down for the 1991 year, all of which contain a Country Olympic Games Quota and the opportunity for competitors to achieve minimum qualifying scores (MSQ) in both Olympic Trap and Skéet.

1. Egypt — Cairo.....February 20-March 2
2. Mexico — Mexico City.....March 10-16
3. USA — Los Angeles.....March 17-24
4. Italy — Lonato.....April 8-15
5. Korea — Seoul.....April 28-May 5

A maximum of five competitors from any one country are allowed to be entered in each UIT World Cup. Three competitors competing in the World Cup for an Olympic Quota and minimum qualifying scores with an additional two competitors shooting to achieve their MSQ.

Australian participation in World Cup events is subject to the conditions set down by the ACTA so far as eligibility to compete is concerned.

If a person wishes to participate in any one or more of the designated UIT World Cups for 1991 they must first ensure their qualification to do so and having done that take the appropriate steps to obtain approval to compete at international level.

Once approval has been obtained the person(s) concerned is required within one (1) month from their return to Australia to submit to the National Office full details of scores and performances.

Please refer to the procedure for international competition which is published in this issue of the CTSN.

## TWO IN A ROW FOR MARK McINNES

Narrabri AA shooter Mark McInnes won the Overall High Gun at the Narrabri Club's Open 2-day shoot on July 21 and 22 for the second year running. In a close contest decided only by the final event, Mark beat off challenges from Tamworth's Rod Prior, Sunny Corner's Peter Hayman and Guyra's Ray Hammond to win the sash and trophy, again donated and presented by Blackwoods. AA grade went to Ray Hammond with Rod Prior taking A grade whilst Narrabri vice-president Brian Holcombe took B grade and Singleton shooter Andrew Garvie, with excellent B grade scores took out C grade.

● Centre: Mark McInnes, OA HG, flanked by Grade/Section winners.

Eighty-five shooters travelled from as far afield as Longreach, Qld and Morphettville, SA to attend the Club's 25th anniversary of its establishment in its present location and to compete for over \$6000 in trophies. In presenting the trophies President Ray Faber extended his gratitude to all club members who worked hard in

adverse weather conditions leading up to the shoot to install a new traphouse and prepare the grounds and clubhouse.

Special thanks went to kitchen organiser Clarrie Leven and his band of ladies for the excellent reunion dinner prepared for Saturday night and the delicious afternoon teas.

The success of the shoot was made possible by the generosity of the 37 sponsors with major donations from Blackwoods, Ray Faber Sheetmetal, CIG Gases, Athol Palmer Gunsmith, T.J. Goodwin Distributors, Scorpio Shells and Tom Godfrey Ford who donated the refund of nominations won by Goondiwindi shooter Garry Scudamore.

Local sponsors included Aaron Inn, Barry Keys, Jim Robertson, Harvey World Travel, Hedley's Tyres, Wilson's Mufflers, Cramsie McRae Dalgety, National Bank, State Bank, ANZ Bank, Tapscott Services, Watsons Kitchen, Narrabri RSL Club, Faulkners, GEC Wholesale, Baguleys, Electro Disco, Jeff Kiss, Avro Distributors, Habate, Williams Concrete, Barrakets, R. McFarland, R.J. Thomas, Wee Waa Disposals, Rod Prior, Esso and Humes Pipes, as well as numerous club members.

The Saturday night reunion saw many old members return for dinner and entertainment by country and western singer "Speedy" Rhodes (assisted by "Shorty"). It was also a reunion for the McPherson clan who have a long association with the club going back to its inception. Dinner was preceded by the calcutta on event 7 conducted by Mark McInnes with auctioneer Bernie Thomas.

The festivities were dampened a little by the news that Linda and Ross McPherson will leave the district in August to settle in Longreach. Linda has been club secretary for a number of years and Ross has served in a number of committee positions. Their departure will be a big loss for the Narrabri club.

State President Peter Hayman congratulated the club for a well conducted shoot and noted that five ladies competed with three of them winning individual trophies.

## VIDEO COACHING TAPES TRAP AND SKEET SHOOTING

Written and Produced by George Biggs  
For the Australian Clay Target Shooter

### \*Shooting Trap

The techniques of shooting trap both single rise and double rise targets plus a 15 minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house. **Price \$45**

### \*Shooting Skeet

The mechanics of skeet shooting in a step by step demonstration round the skeet field plus a talk on types of guns etc and a 15 minute explanation of how to determine correct gun fit for the individual shooter. **Price \$45**

### \*Commonsense Reloading

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter. **Price \$40**

\*Each tape is supplied with a 2-page leaflet with advice on gun fitting and gun selection.

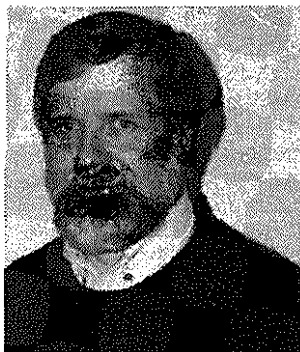

Immediate Delivery.

Prices include post & packing to all states.

Phone or Write to George Biggs  
4 Hugh Street,  
Knoxfield, Vic. 3180.  
Phone (03) 801 2748

Please send money order or cheque when ordering.

# SOFT SHOT VERSUS HARD SHOT

*Ross Williams has been writing a weekly shooting column for the sports section of The Weekly Times, Australia's biggest-selling rural newspaper, since 1977. The following article is reprinted by permission from that column.*

Many factors affect the patterns thrown by shotguns, but one of the most important — and least considered — is the hardness of the pellets.

As we all know, a portion of each shot charge is deformed by the stresses of firing. The pellets at the rear end of the charge are crushed out of shape when the front ones press back on them during acceleration. At the same time, those around the outside of the charge are partly flattened against the bore, despite the intervening wad petals.

In the open air, the deformed pellets not only lose speed more rapidly than their rounder brethren but also fly wider, causing the charge to open up and spread. Therefore, because soft shot is more easily deformed than hard shot, it produces more scattering and longer shot strings — all else being equal.

This need not be a bad thing. Skeet shooters, for example, want a fast-spreading shot charge because their targets hurtle past at close range, either approaching, crossing or going away. But the same shot pattern would be useless to trap shooters, whose shots must be taken at longer ranges, always while the distance between muzzle and target is increasing.

In other words, beyond skeet distances, a skeet-class pattern becomes so thin that many targets can slip right through. Conversely, the patterns suited to trap shooting are no good for skeet: because they need more time to spread, they increase the chances of missing at short range.

Obviously one way to cope with these varying requirements is to select a different choke constriction. But changing the cartridge "recipe" will affect the pattern too, even though the choke remains the same. This can be done by switching to another brand of factory ammunition or by altering one or more components of a reloaded round.

Since shot hardness is one of the possible variables, how much effect can it have?

Lead shot is made from an alloy of lead, tin and antimony, the last-named being the ingredient with the most influence on the shot's hardness. Cheap, soft shot has about 0.5% antimony, while good quality hard shot, usually called "chilled" shot, has 2 to 3%. This difference alone is enough to cause as much as 10 or even 15% variation in the average pattern density.

So the lesson is obvious: the effects of hardness changes should be considered.

Shot plated with copper and especially nickel is reputed to give denser patterns. But the pellets chosen for plating are usually superior chilled shot and they are bound to shoot tighter when compared with softer black shot.

High-speed movies have shown that, after leaving the muzzle, a charge of unplated pellets tends to cling together in a mass for a slightly longer time than a charge of plated shot.

It seems friction and deformation within the unplated charge help to lock the pellets together. But the plated product, being more resistant to deformation and behaving as though it were more slippery (even though graphited black shot probably has greater lubricity), is able to separate sooner.

So the spreading effect of a greater number of deformed pellets is matched by an earlier break-up, and the result, all else being equal, should be similar pattern densities.

However, because plated pellets are lighter, size for size, they are rather more easily deflected by turbulence and wind. So it's not unknown for them to yield slightly looser patterns than the best chilled shot.

Their toughness has one practical advantage, albeit slight: it improves their penetration in game.

An easy way to test shot from different sources is to squeeze individual pellets with a pair of pliers. The pellets must be the same size, and placed in exactly the same position between the jaws of the pliers. The harder shot will offer more resistance. However, this method lacks precision.

Some manufacturers use a drop test. A single No. 6 pellet is measured from several different directions by micrometer, to find its shortest axis, and placed in a dimple on a polished steel plate with the shortest axis vertical. Then a flat-bottomed steel cylinder weighing EXACTLY two pounds is dropped on to the pellet from a height of EXACTLY 0.75 inch.

The deformed pellet is again measured, so that the amount of flattening can be converted to a percentage of the original measurement. This percentage is called the "crush value". Altogether, ten pellets from the same lot are tested and the results conform to tolerances set by the manufacturer.

A simple alternative, using a more manageable 8-ounce weight and a less critical height of 76mm to obtain comparable crush values, was described in detail by Ron Forsyth in the January 1989 edition of the Australian Shooters' Journal.

NFP: Copyright (c) Sept. 1990, RB & BR Williams, Muckleford Vic.

## BEAUFORT GUN CLUB

The Beaufort Gun Club held the annual **Brian Foreman Memorial Day/Night Shoot** on Sept. 8th. The weather was near perfect and 48 shooters attended from 12 clubs. Beth Foreman attended and presented the overall trophy, which as usual was donated by the Foreman family, to Phil Graefe, who shot 89/89.

Results in full are contained in the shoot reports at the back of the magazine. The main winners were as follows:

**20 target B. Foreman Memorial D/B Graded:** O/A winner: P. Graefe 89/89; A Grade: P. Carroll 88/89; B Grade: K. Goon 53/54; C Grade: B. Dowsing 19/20.

**20 target handicap** — 1st: S. Horvat 48/48; 2nd: S. White 47/48; 3rd: P. Carroll 40/41. Back marker: J. Mathey 22/24.

### NIGHT

**20 target Points Graded** — O/A winner: V. Barby 28/28; A Grade: N. Marinos 83/84; B Grade: T. Jolly 59/60; C Grade: R. Aldrich 60/60.

**20 target S/B Graded** — O/A: V. Barby 28/28; A Grade: G. Cassells; B Grade: G. O'Shannassy 20/21; C Grade: R. Aldrich.

**O/A High Gun** — Vern Barby 119/120.

**Junior High Gun** — N. Cassells 107/120.

**Over 60 High Gun** — N. Paterson 116/120.

Vern Barby shot very well to win the High Gun for the second year in succession. Nathan Cassells from Maryborough in winning the Junior High Gun again showed his potential. This lad has been shooting competitively only for a couple of months and is already in B Grade.

Norm Paterson in winning the Over 60s High Gun, again showed his consistency and ability.

Bob Aldrich, the Beaufort vice-president, only dropped three targets for the day and for a C Grader 77/80 is a very creditable performance.

The Beaufort Gun Club would like to thank all shooters who attended for making the day the success that it undoubtedly was.

Jack Matthey  
Sec. Beaufort G.C.

## NORTHAM GUN CLUB

One hundred shooters gathered for the Bailee Farm Field Shoot held over Saturday and Sunday, September 8 and 9.

Shot in mostly fine conditions, winners for Saturday were A grade T. Rose, B grade M. Goudie, C grade R. Henderson. Skeet AA/A R. Bailey, B grade W. Whitcroft, C grade T. Smith. Best lady shooter on the day was J. Whitcroft.

On day two T. Rose shot consistently to again take the A grade, G. Jones the B grade and M. Ponta C grade. Skeet: I. Limm took AA/A honours, P. Hodgson B grade and D. Clint C grade, J. Pearson the Ladies section and M. Shipp the Junior section.

WACTA President John Fissoli took out the Overall High Gun, J. Whitcroft the Ladies, OA Junior Championship went to E. Maley while P. McBride won the OA Veterans Trophy.

Special mention and thanks must be given to our major sponsor Union Insurance, the Southern Brook Tennis Club for running the traps and also to Bruce Smart for the use of his farm.

## MARYBOROUGH TIT BITS, QLD

Take two guns, some ammo, two bags of golf clubs, 50 balls for him and 10 for her and you have the right ingredients for a couple of weeks holiday.

First stop; Brisbane Exhibition shoot August 11 and 12. Kaye shot Overall in 25T DB with 81-81, took the Ladies trophy in 30T Meadows Transport Medley 58-60 along with the Ladies High Gun.

Rob took OA in Stevens & Sons 30T DB C'ship plus the OA HG.

A few days of chasing that little white ball and turned up at the Gold Coast Gun Club Aug 18 & 19. Rob shooting AA grade in 100T Peter McLachlan Event and Kaye taking B grade in the same event. Rob also won the OA HG for the four days of shooting over both shoots (Brisbane and Gold Coast). Good shooting to Kaye and Rob, of course I am talking about the Rehbeins of Bundy, who then had to hurry back to Bundy to help prepare for Bundy's Two Day Shoot September 2 and 3, where 53 shooters from varied clubs came to try their luck.

Our own Peter Shaw being featured in most events to take the OA HG Sash donated by Winchester (Olin) Australia, plus a trip on the Lady Musgrave, Barrier Reef Cruises, good shooting Peter. B grade A. Sydenham and C grade I. Rutherford, congratulations to Bundy on a good shoot and thanks to the Tucker Ladies of Bundy.

Mungungo's One Day Annual Shoot was a day out for Gino Sergiacomi of Bundy who won B grade 25T Medley — 15pr DR — 30T DB Pts — plus the B grade High Gun with D. Jones also of Bundy taking C grade in the 15pr DR and the 30T DB Pts. Good shooting fellas.

Maryborough September 23: Our one day Heritage Shoot was sponsored by Carswell & Co — Dix Welding Works — Fuller Firearms — National Bank Torquay — Tarrants Ford — Wide Bay Firearms. Thanks to all the sponsors and visitors at the shoot being: Mitchell and Fred Foon from Wonthaggi, Jim Cassimatis (Pres) Redcliffe, all on holidays at Hervey Bay. New shooter to the club Barney Glass from Sale (Gippsland Vic), and Max Weldon and Doug Grant also new shooters. Not forgetting thanks to our regulars from Gympie, Sylvia and Bill, and a number of Bundy shooters to whom all but one trophy went... Good shooting Bundy.

Reminders — that Gold Nugget worth \$1100 at Gympie November 11th, it could be yours. November 3 and 4 Redcliffe has its Grand Opening Shoot which will be a big weekend says President Jim, hope you both have good turn up of shooters.

Good shooting to all, till next time, see you at the shoots.

Lost Bird

## SPECIALIST GUNSMITHING

### BARREL PORTING \$75 BARREL

Small holes machined in one or both barrels to reduce muzzle jump and recoil.

### LENGTHENING FORCING CONES \$60 BARREL

Altering and lengthening the chamber of your gun to reduce recoil, improve patterns and reduce distortion of pellets.

### TIGHTENING OF PERAZZI AND BROWNING GUNS

(Prices on application)

**PLUS ALL PERAZZI PARTS AND SOME BARRELS NOW IN STOCK.**

**CHOKES REAMED AND ALTERED \$40.00 PER BARREL.**

**PADS FITTED, STOCKS BENT OR ALTERED.**

*Call us for quotes on all work at*

# CHAMPIONS OF OUR SPORT PAST & PRESENT

By George Biggs  
A.C.T.A. Historian

During my forty-odd years career at trap and skeet shooting I have had the good fortune and pleasure to compete with most of our outstanding champions at clay target shooting, both trap and skeet. Men like Donald Mackintosh, Horrie James, "Calrossie", Fred Burns, Newton Thomas — were an example to me in my beginner days. Each of these champions had their own particular style — but basically they were spot-on at gun handling and gun pointing. These shooters were truly champions of our sport in past years.

One of our champions in more recent years is an old friend of mine, Bill Delaney. Bill was shooting the pants off everyone at skeet when I came into the sport after World War Two. It was Bill and myself who pushed ahead with the introduction of American Skeet at our National Championships for the first time in 1970 at Perth Gun Club.

The following story is from Bill's own pen and relates briefly some of his experiences over the years at clay target shooting.

## W. W. (Bill) Delaney

I was introduced to clay target trap shooting at 10½ years and coached by Horrie James (Duxbac). Donald Mackintosh recognised my early skill and requested I sign and autograph his "Future Champions Book" which he kept in his Bourke Street Gun Shop. I would dearly love to know what happened to that book.

I first shot at Benleigh Gun Club (Centre Road, President Lou Bertram), with such shots as Calrossie and Donald Mackintosh. I shot in open competition — no grades — and on occasions beat Calrossie, James and W.G. Downie; two of them being more famous as live bird shooters.

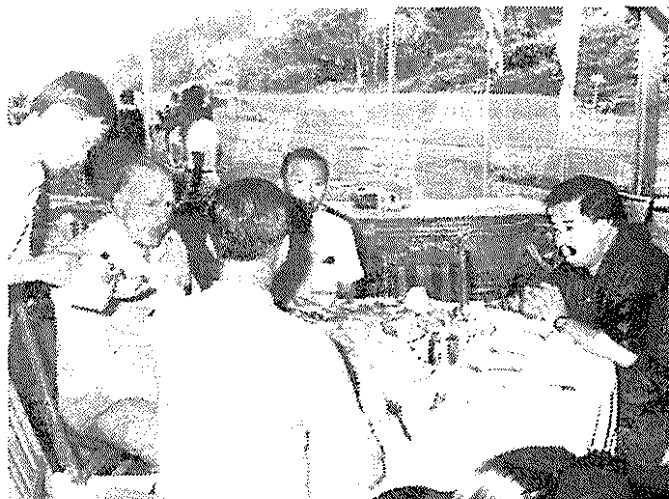

At 13½ I took home the largest bag of trophies, at that time, from Benleigh Gun Club — three first, one second, from a five event program. The other club then operating was Nobel Gun Club behind Nobel's Ammunition factory at Tottenham. My firearm was an improved cylinder side-by-side exposed hammer 12-bore designated "Dreadnought" by Alcock and Pearce — second hand and well used.

At 14½ years I won the Donald Mackintosh centennial Cup in open competition with runner-up George Townsend, of the Benleigh Gun Club. Horrie James tried to slow me down as he considered I powdered the clays too close to traps but remember I was using a very open bore.

Photo shows Bill Delaney acting as referee, Pesta Sukan Games in Singapore. Bill was Team captain on this occasion.

I assisted my father who was on the Committee of the A.C.P.S.A. (forerunner of the A.C.T.A.) to set up the Camberwell Gun Club (Bulleen) prior to World War II. I eased off shooting just prior to W.W.II as I had to concentrate on Architectural Course. The war years interrupted my shooting although I did gain respect for firearms and explosives and lectured after the war as a Reserve Engineer Officer (to C.M.F. lads).

This shows Bill enjoying Hi-Tea at Singapore Gun Club with Minister for Sport Tunku Makota (Ruler) of Johore.

I completed the architectural course, played golf and did not use a gun until July 1965 when an old shooting buddy, Des O'Callaghan, coaxed me out to Australia Gun Club.

I was introduced to skeet at that club and established the first 100 straight break (110 actually) in Australian Skeet history in 1967. I fought for and won permission to shoot as an Australian Olympic Standard Shooter in the 39th World Shooting Championships — Weisbaden 1966. After much opposition including the main body of the time I was granted permission from Dr E. Zimmerman, Secretary General Olympic Federation. I still have a movie of that event — taken by a German competitor where I appear in some frames.

I initiated and captained the first International Teams in Olympic Skeet and Trap to gain experience in international shooting by arrangement with the Singapore Govt. — Pesta Sukan Games. During the three attendances I captained, I scored gold, silver and bronze medals in Olympic Skeet. Others were won by Dr Carrol and one of my earlier pupils in Alex Crikis.

I am pleased to have been approached by shooters (in their early years) for coaching and count among my successes John Summers, Alex Crikis and latterly Lee Brownbill, who took out two Ladies' National Championships after only two years of coaching.

I was also instrumental in obtaining the financial grants from both the State and Federal Governments to stage the 1973 World Shooting Championships when W.A., who had applied for the event, were unable to finance the event and were about to hand the event back to the Federation. This would have made Australia the laughing stock of shooters world-wide. Melbourne Gun Club took up the challenge and I was responsible for ground layouts and club houses for both Melbourne Gun Club and the Sporting Shooters' Club.

The 1973 Championships were a complete success and I elected to be an Official Skeet Referee rather than be a competitor because of prior experience. Incidentally this was the first time in history that no complaints were forwarded by shooters.

My record for Annual Gold Badge-Aggregate for Skeet at Melbourne Gun Club still stands — three consecutive years with top score percentage for the year, around 96-97%.

I will be 70 this month and hope I am still able to contribute back to shooting for the joy and memories I have gained from the sport.

## DONALD MACKINTOSH

Donald Mackintosh celebrates his 85th birthday with a straight 100 at Coburg Gun Club. The following story is from Jack McCraith who was Club President at the time. Jack also gives his personal opinion on a few of the past champions of our sport.

"Donald Mackintosh was invited to our Coburg Gun Club for his 85th birthday as our special guest, we contacted Victorian Scottish Regiment and they agreed to send their full regiment out as Donald was a member. They arrived at the terminus in Sydney Road at where it is still today, you can imagine the interest it created. We had over 85 shooters and everyone formed two rows and they marched between us.

"Donald spoke over the address system and said he would shoot a score on the board of 100. In those days we had red washers for a hit, white ones for a lost bird. He shot the 100 straight.

"I was very young to see him shoot at Brighton Gun Club at live birds, I was taken there by my father. He was the best that I can remember, with the next best being Jack Sutherland (Calrossie), probably because there was shooting three days a week at live birds.

"At clay targets Fred Burns and Newton Thomas were the best Victorian shooters for quite some years in the major shoots.

"I was assistant to Stan Cole as a referee in the Olympic Games 1956 and without any question, to anyone who witnessed Bruino Rosini shooting would know his amazing ability which won him a medal. Before the Games started, some 12 years prior I shot live birds at Salamanka in the middle of Spain and Bruino Rosini won the main events, so for our boys from Australia to win they need to have full access to unlimited money to be full time at shooting, similar to full time golfers."

Yours truly  
Jack McCraith

## SEMINAR

Dear Shooter,

On behalf of the Australian Shooting Association and the Australian Clay Target Association I am pleased to be able to invite you to attend a seminar with Gary Anderson, Executive Director of the National Rifle Association of America.

Gary held fourteen World Records in shooting, and still holds some of those records today.

However his strengths now lie in his ability to coach and his breadth of knowledge in the administration of shooting generally. Because his time in Australia is limited, this will be your only opportunity to take first hand advantage of his knowledge and skills. Furthermore, you are invited, in advance, to suggest topics for discussion, or ask questions to be answered on the day.

I can only repeat that this is a unique, BUT LIMITED opportunity for you.

Details of the Seminar are:

- Date — December 1, 1990.
- Starts — 9.15am.
- Concludes — 4.30pm.
- Cost — \$25 per head.
- Includes — Morning Tea, Lunch, Afternoon Tea.
- Seats Available — 110 maximum.
- Basis of Allocation — First in first seated.
- Place — Sandringham Club, Cnr Beach Rd and Beaumont St, Sandringham.

All shooting disciplines in Victoria are being invited — Small-bore, Pistol, Bigbore, Clay Targets and Sporting Shooters. Thus there are only 22 tickets available for clay target shooters in Victoria. Early acceptance will be essential.

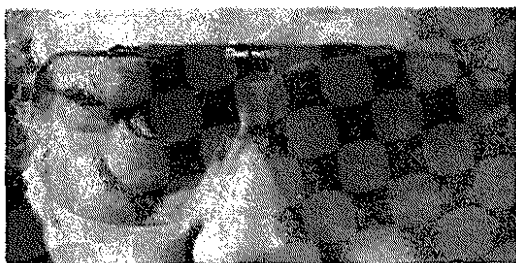

Reply with your cheque for \$25 to: Mr B. McCarthy, S.B.R.A. Vic., Unit 9, 47-49 Bean St, Mordialloc, Vic. 3195, as soon as possible to be part of this unique learning opportunity.

Yours sincerely  
Bart McCarthy

## 60 Years Combined optical technology ... Bud Decot, USA ~ Heinz Straub, Australia

### INT'L *Decot* HY-LO

### World's Newest Unique Multi Adjustable Sport Glass!!

Normal LO position

HY position

- Self adjustable bridge with 1/2" (12mm) variable HY-LO
- Newly designed CR-39 lens especially for Trap, Skeet, Field & Game
- Fantastic versatility for golfers, tennis players, fishermen, pilots, etc.
- Complete with 2 sets lenses UV hardened in all our famous colours
- Plano \$135.00

Available in *Rx Single Vision, Bifocal and Trifocal.*

# OLYMPIC DISCIPLINES

## 1. NATIONAL TRAINING SQUAD

### A. Composition: OLYMPIC TRAP I.S.U. SKEET

- (i) A ten (10) member open squad shall be named for each discipline as a result of scores achieved at each years National Olympic Discipline Championships.
- (ii) Any member of the National Training Squad winning individual gold-silver-bronze at any full World Shooting Championships, Olympic or Commonwealth Games shall gain automatic entry into the following year's National Training Squad, being included in the order of qualification (if applicable) or as an additional member of the Squad providing that he/she has participated in the program that determines the composition of the National Training Squad.
- (iii) In addition to the open squads, two women and two juniors shall be added to each squad by

#### A. Scores achieved at each years National Olympic Discipline Championships.

JUNIOR: MINIMUM STANDARD TO APPLY, TRAP 350/400, SKEET 350/400

WOMEN: MINIMUM STANDARD TO APPLY, TRAP 330/400, SKEET 330/400

- B. When minimum standards are not achieved invitations to the NTS may be issued as a result of consultation between members of the National Shooting Committee on known abilities.

### B. Funding:

- (i) Funding when applicable will be to the top six (6) members of each squad with
  - (a) The remaining four (4) members of the open squad
  - (b) Two Women
  - (c) Two JuniorsIncluded at their own expense.

### C. Squad Requirements

Members of the National Training Squad must be prepared to

- (a) Comply with all reasonable requests made of them.
- (b) Maintain reasonable fitness levels that may be determined from time to time.
- (c) Maintain reasonable levels of competition performance that may be determined from time to time.
- (d) Participate in specified scheduled competitions that may be reasonably determined from time to time.

### D. Team Selection:

Australian Team Selection shall be determined from all members of the National Training Squad. (See 11, 1991 only).

### E. Elimination:

- (i) Australian Team Selection shall be determined through the conduct of an elimination program(s).
- (ii) Participation in any scheduled elimination shall be at the expense of the competitor unless otherwise determined.
- (iii) All persons to commence the elimination program on an equal score basis.
- (iv) Where more than one elimination is conducted scores will be carried forward.
- (v) In the event of any persons not being able to provide an acceptable reason for non-attendance at any scheduled elimination then his/her position on the National Training Squad shall be forfeited with the position being offered to the next qualified person according to the scores (and conditions, women/junior) recorded from the Olympic Discipline National Championships from which the National Training Squad was determined.

### F. Training:

- (i) The A.C.T.A. will endeavour to obtain training camp

facilities at the Australian Institute of Sport on an ongoing basis.

- (ii) Wherever possible a minimum of three months notice of approved training camps will be given to all members of the National Training Squad.
- (iii) All members of the National Training Squad including women and juniors are to attend all training programs unless an acceptable reason (E.D./Nat. Shooting Committee Chairman) is given at the time of notice of their inability to attend.
- (iv) In the event of any persons not being able to provide an acceptable reason for non-attendance at any scheduled training program then his/her position on the National Training Squad shall be forfeited with the position being offered to the next qualified person according to the scores (and conditions, women/junior) recorded from the Olympic Discipline National Championships from which the National Training Squad was determined.

### G. Doping — Drugs:

All members are bound by the conditions governing the illegal use of substances in accordance with the regulations of the Australian Olympic Federation, Australian Commonwealth Games Association and the Australian Shooting Association.

## 2. INTERNATIONAL COMPETITION

### A. Guidelines for International Team Selection shall include:

- (1) Current Australian ranking
- (2) Current International ranking
- (3) Past competitive performances at International level
- (4) Considered future potential at International level
- (5) Team compatibility
- (6) General standing as an Ambassador for the sport.

- B. No member of the Association shall be eligible to compete in any international event without having recorded a score in competition equal to or better than the minimum performance score as may be determined from time to time, in the four years preceding the event in which they wish to compete. As at 1.1.90 Olympic Trap 182/200, I.S.U. Skeet 184/200.

- C. No member of the Association shall be eligible to compete in any international event where his/her attendance would be recognised as being a representative of Australia without having received the prior consent of the Association through the National Office.

- D. Any person who fails to gain or omits to apply for approval to compete internationally and competes in any international event where he/she is recognised as being representative of Australia shall be deemed to be ineligible for selection in any team or gain approval to compete internationally for a period of twelve months from the date of the event contested.

- E. Any person who having gained the approval of the Association competes in international competition shall within one month from their return to Australia submit to the National Office full details of his/her scores and performances.

- F. Persons qualifying for a position on any International Team must advise of their availability to take their place on the team within the prescribed period of time.

Once a date that allows reasonable time for acceptance to be given has expired, the position on the team will be offered to the next available qualified person.

## 3. INVITATIONS

Any person who may receive a personal invitation to train or compete outside of Australia may only do so with the consent of the Association if his/her training and or competition is recognised as being representative of Australia as against involvement on a personal basis.

#### 4. COMPETITORS ACCEPTANCE

- A. Any person who as a result of the scores recorded by them are named as being a member of the National Training Squad, are to advise the National Office of their non acceptance of a position on the National Training Squad if they are not prepared to accept the conditions of the Association which have previously been advised to them either by mail or via the C.T.S.N.
- B. In the absence of any advice as in 4A all members of the National Training Squad have indicated their acceptance of the terms and conditions relating to the National Training Squad and International involvement under the auspices of the Australian Clay Target Association and the Australian Shooting Association.
- C. All team members must be prepared to sign a team members agreement and abide by the conditions therein.

#### 5. JUSTIFICATION COMMITTEE

- A. Shooters selected to represent the Association by any method that may be determined by the National Executive Committee shall be subject to gaining approval from the Justification Committee.
- B. The National Shooting Committee shall act in an advisory capacity to the Justification Committee so far as selection for any international team is concerned.
- C. The National Management Committee of the day shall assume the role of a Justification Committee
- D. In the event of any person being declared ineligible by the Justification Committee for International Team selection the National Executive Committee of the day shall act as a Committee of appeal whose decision shall be final.

#### 6. REVIEW

- A. The terms and conditions of membership of the National Training Squad together with accompanying conditions relating to the Olympic Disciplines shall be reviewed on an annual basis by the National Shooting Committee. Any variance to the existing conditions shall be determined by the National Executive Committee in accordance with 6B.
- B. The terms and conditions of membership of the National Training Squad together with accompanying conditions relating to the Olympic Disciplines shall be as agreed to by the National Executive Committee of the day.
- C. The terms and conditions of the National Training Squad together with accompanying conditions relating to Olympic Disciplines shall be published in the November issue of the C.T.S.N. for the ensuing year.
- D. The Executive Committee of the day shall be the sole arbitrator in any area of dispute.

#### 7. TEAM FUNDING

- A. In keeping with the distribution of funds by the Australian Olympic Federation, Australian Sports Commission and Commonwealth Games Association participation in International competition shall at all times be subject to the availability of funds. In the event of funds not being made available for any or all members of a team, participation will be on the basis of self funding.
- B. Should any team member decline their position then a position will be made available to the next qualified person from the National Training Squad.

#### 8. TEAM UNIFORMS

- A. Each person competing for the first time as a member of an official Australian Team shall receive the following items of team uniform.
  - (i) Australian Blazer — Trousers/Skirt, Shirt, Tie.
  - (ii) Australian Shooting jacket and patch
- B. The replacement of items of team uniform for future occasions will be considered on merit.

#### 9. ELIGIBILITY RULE

To be eligible for international competition under the jurisdiction of the Australian Shooting Association competitors

must be able to comply with the Eligibility Rules of the UIT and IOC as described in the UIT Eligibility Rules 1-10, effective as at July 19th 1988.

#### ANNEXES

Rule 26 — Eligibility Code I.O.C.  
By-law to rule 26  
Guidelines

#### UIT ELIGIBILITY RULES

4. Eligibility of competitors
5. Sponsorship and advertising
6. Commercial markings on equipment
7. Support for shooters
8. Controls and sanctions
- 9/10. Authority

#### 10. EXECUTIVE AUTHORITY

The Executive Committee of the day reserves the right to at any time amend, substitute or cancel any or all of the terms and conditions relating to the Olympic Disciplines format as described herein.

**NOTE:** In certain years it may be necessary to name teams without adopting the preferred elimination program which enables teams to be named as close as possible to the competition dates.

#### 11. WOMEN AND JUNIORS 1991 ONLY

- (i) **Oceania Championships**  
Teams selected over 275T (badge match & 200T championship)
- (ii) **World Shotgun Championships**  
Teams selected over 400T of National Olympic Discipline Championships. (Subject to Minimum Scores; see 1 [iii]).

#### AUSTRALIAN CLAY TARGET ASSOCIATION PRELIMINARY NOTICE

### 1991 NATIONAL OLYMPIC DISCIPLINE CHAMPIONSHIPS

SOUTH AUSTRALIA.

**JANUARY 28, 29, 30 (Mon/Tues/Wed)**  
200T National Olympic Trap Championship  
200T National ISU Skeet Championship

**JANUARY 31, FEBRUARY 1 & 2 (Thur/Fri/Sat)**  
200T Commonwealth Olympic Trap Championship  
200T Commonwealth ISU Skeet Championship

**FEBRUARY 3 (Sunday)**  
100T Double Trap Championship

★ ★ ★ ★ ★

**THE 1991 OCEANIA CHAMPIONSHIPS ARE TO BE  
INCORPORATED WITH THE ACTA CHAMPIONSHIPS**  
A 75T Badge Match (open) will be conducted prior to the  
commencement of the ACTA C'ships.

**JANUARY 27 (Sunday) 75T Badge Match**  
The Oceania Championships will be held in conjunction  
with the 200T Commonwealth Championships in both  
ISU Skeet & Olympic Trap.

**JANUARY 31, FEBRUARY 1 & 2 (Thur/Fri/Sat)**  
200T Oceania Olympic Trap Championship (Closed)  
200T Oceania ISU Skeet Championship (Closed)

## COACHING CORNER

Recently, a club coach from a country area expressed his concern to me that he had virtually no work to do. He asked what I could do to help, but there was little I could think of at the time. The problem has been nagging at me ever since.

More recently, a parent of a young shooter with potential in an Olympic discipline asked me for advice on bringing the young person up to international standard. The appropriate State Coaching Director and I have discussed the matter and the short answer is "coaching". Why was this not obvious to the parent?

Members of the public frequently phone National Office expressing an interest in taking up the sport and asking for the address of a nearby club where they can receive instruction or coaching. Often we are hard put to do other than to refer potential new members to the strongest (coach-equipped) clubs — which presumably have a lesser need for new members — when the rule of equity really requires us to provide a list of suitable clubs for the customer to investigate.

These episodes indicate that we possibly have supply and demand problems with coaches.

In May, the Australian Coaching Council informed us that we had 356 coaches — 292 at Level 1, 57 at Level 2 and 7 at Level 3. That is, one and a bit coaches per club and better than one coach per 30 shooters.

It is interesting to compare this with netball, a very well-developed Australian sport. This has 360,000 registered players and 2649 accredited coaches — 2577 at Level 1, 72 at Level 2 and NIL at Level 3. This works out at one accredited coach per 136 participants. A number of these Netball coaches are at the Australian Institute of Sport and at state-based sports institutes. By comparison with netball, we in Clay Target Shooting seem to have an extremely strong coaching base. If there are supply and demand problems, what are the reasons?

With the underemployed coach(es), knowledge and understanding are part of the problem. If shooters do not know that their club has a coach, they are unlikely to use him or her. If they think, or if any club coach thinks, that coaching begins and ends with initial firearms handling (after which the shooter is on his own), then they are wrong. Coaching is a continuing process, the objectives of which are improved performance and greater enjoyment of the sport. Len Cook, State Coaching Director of Victoria, makes this point in an upcoming article.

If shooters think the club or zone coach is a quiet old coot and a modest shooter who could not possibly help them, they should think again.

Any accredited coach has been formally instructed and tested in technical aspects of shooting, rules and etiquette, safety measures, basic psychology and methods of instruction. Above all, accredited coaches are volunteers who in many cases believe they can contribute more to the sport as coaches than as shooters. And they can.

If no one knows who or where the coaches are, then all of us in officialdom have a role to play in getting the information out. A lot of time and money has been invested in our coaching resource. The product is too valuable to leave on the shelf.

**Guy Boileau**  
National Director of Coaching

(03) 528 4377 A.H.

## KNOW YOUR STATE COACHING DIRECTOR

### Arthur Kenna

Arthur commenced clay target shooting in Winton in the early 1960s. He then moved to Townsville where he is a member to this day. Upon the coaching scheme being introduced in Queensland, he not long after commenced coaching himself. Arthur assisted Tom Comerford for a time and then was appointed Assistant State Coach in 1987-88, he was appointed State Coaching Director in 1988.

Arthur is still involved in the sport in a number of ways but states he finds the coaching position the most exciting.

The following piece of editorial Arthur supplied as an insight into his coaching role.

### SHOOTING WITH GLASSES

Because of the importance glasses appear to play in the sport today I decided to raise the topic while conducting a zone coaching seminar at Dalby recently. This group consisted of shooters with a broad range of age and experience and they came up with some interesting ideas.

The first question I posed was why do shooters wear glasses?

#### Answers covered:

- 1) Necessity
- 2) Protection of eyes
- 3) Reduce glare
- 4) Enhance performance

#### Necessity:—

A great number of sports competitors find that wearing glasses becomes a necessity.

#### Protection:—

This is an area where little importance is placed. It has become necessary to protect your eyes especially when shooting skeet, and the people who wear normal sun glasses for protection are just kidding themselves.

#### Reduce Glare:—

Some people find it necessary to wear glasses to reduce glare. By reducing glare you are also reducing tension on eye muscles, and others and avoiding the chance of headaches. I have found this necessary when competing at clubs like Mt Isa.

#### Enhancing Performance:—

A greater number of shooters are experimenting with coloured lenses to improve performance.

I found the article "Shooting and Lenses" in the February edition to be an excellent article particularly the following statements.

- a) "Use the lens to isolate the target from the background"
- b) "Unfortunately, everyone sees colours differently and their perception of any colour is different. Some trial and error is probably necessary to discover what lens colour is best for any individual shooter"
- c) "The most important thing is to use the lightest tint that you can possibly stand on the brightest day. There is a very logical reason for this. The more light to which your eye is exposed, the more your pupil will constrict. If your pupil is constricted, you will experience better focusing ability and superior depth perception. Therefore, you will be able to pick up the target more rapidly, focus on it more clearly, and shoot better as a result".

A publication that may assist you in choosing the correct lens colour is a book by Kodak called "Filters and Lens Attachments" — particularly the section on light and colour.

The group then raised a point that you never think of until it happens to you and that is the need to wear prescription glasses. This is a problem that a lot of coaches never encounter; therefore they do not understand the anguish that this person may go through. It is surprising the number of people who say to you "I didn't realise I needed glasses, I can now actually see the target and not a blur".

The first question this raises is: Who should test your eyes and prescribe your glasses? This is your choice and is usually one of the following.

- 1) Eye specialist
- 2) Optometrist specialising in sports glasses
- 3) Optometrist

Having your eyes tested is the easy part — now you have to select the type of lens and frames to suit your sport. The most important aspect of selecting your frames etc. is finding an optometrist who will listen to the requirements of your sport.

Some of these requirements are:

- 1) The actual positioning of the prescription within the lens.
- 2) Comfortable bridge; so that they do not cause discomfort on your nose.
- 3) Thin frames, to give greater field of vision.
- 4) Wings that will hold your glasses in place and not shift due to the effects of recoil.

There are a tremendous number of frame shapes, different bridge shapes and types of wings. If you have never had to select a pair of glasses for yourself my advice to you is consult with people who have encountered this problem for advice.

With the high cost of glasses remember: investigate the type of glasses you require and find an accommodating optometrist who will assist you. If you require a coloured tint remember to keep it light. My personal feeling is that because the selection on colour depends on the individual person's eyesight, different backgrounds, colour of targets, this could require a shooter to carry a great number of coloured lenses. Clear lenses would be my own preference.

## GOLD COAST ... ON THE MOVE

The Gold Coast Clay Target Club is on the move again, after several years of marking time. The layout at Rifle Range Road, Pimpama was set up in 1976 but alas, progress has caught up with our venue. The move to **Gross Road, WOONGOOOLBA**, our second since the early seventies, is set down for November 1990. Watch the Queensland Program section of future CTSNs for programs and our "Giant Opening Shoot" in January 1991. Set some holidays aside for two and a half days' shooting on Friday, Saturday and Sunday 18-20 January 1991.

At the time of reading this article the grass will be sprouting up everywhere on the new grounds and the committee will be doing everything in its power to assist.

The new club boasts a four-trap layout for DTL shooting superimposed with two skeet layouts (one capable of ISU) and provision for a future ball trap. The shooting will be **great** as this is a return to **flat grounds** not experienced since the original club was located at the old Igloo on the Southport Racecourse.

The background is superb however the selection of target colours will depend on testing of various targets under differing light conditions.

The Clubhouse is constructed with Besser Blocks (fully painted and lined) and complete with up to the minute kitchen, bar and toilet facilities (please gentlemen tell your ladies the toilet door swings the right way this time).

Upon moving the Club will adopt a new name being Gold Coast & Albert Clay Target Club in recognition of the assistance given to us from the Albert Shire Council.

Colin Witt  
President

## GERALDTON GUN CLUB 1990 CRAYFISH CARNIVAL

The Geraldton Gun Club hosted its 10th Annual Crayfish Carnival, with competitors coming from as far as Esperance in the south to Newman in the north.

Day one saw 104 competitors shooting the 4-event programme.

Event 1 was 25 D/B Trap Cash Divide with only Neil Johnson from the Leonora Gun Club shooting 25/25 with many competitors shooting 24/25.

Event 2 was 5 Pair Double Rise Pages Special, which was eventually won by Max Cubic 17/20 from the Collie Gun Club.

Event 3 was 25 Pair Commonwealth Double Rise Championship which was won by Neil Johnson 51/60 after a shoot-off with Max Cubic 50/60 and Darryl Wiese 48/60.

Event 4 was 25 D/B Crayfish Carnival Graded with Stuart Johnson and Michael Boschetti of A and B grades both shooting 25/25.

Day two saw 108 competitors shooting the three events scheduled.

Event 5 was 25 D/B P/S CITY OF GERALDTON CHAMPIONSHIP which was won by Bert Boschetti who shot the only possible for the event. The event was full of shoot-offs for places in their respective grades.

Event 6 was the 40 State Mixed Target Championship which was won by Darryl Wiese 70/74 from Narrogin after a shoot-off with Max Cubic 68/74 who then took first in A Grade. Shirley Hocking won first in B Grade 56/60 and Vince Oliveri first in C Grade with 52/60.

The Ladies' prize went to Helen Wiese with 50/60, the Juniors went to Eric Maley with 48/60 and the Veterans' went to Alan Brown with 50/60.

The 3 MAN TEAMS was on this event and was eventually won by the team consisting of P. Tyler 54/60, M. Cubic 57/60 and T. Fraser 48/60 with a combined total of 159/180.

There was a good shoot-off for third in B Grade between Michael Boschetti and Kim Newbold, with Michael eventually winning 104/116.

**Cont'd over page**

**Cont'd from previous page**

Event 7 was 25 D/B Crayfish Handicap which was won by a Junior — Eric Maley, who shot the only 25/25 of the event. There were a lot of 23/25s shot and these competitors were then involved in shoot-offs.

The Ladies' High Gun Winner was Helen Wiese with 209/260 and the Junior High Gun was won by Eric Maley with 189/260.

The Overall High Gun was won by Darryl Wiese with 242/260.

Although there were not as many possible scores shot over the 2 days of competition, the shooting for places was very competitive.

Overall competitors had a good weekend and the Club would like to thank them and our sponsors for a successful carnival.

**Crayfish Carnival Event.** From left to right — seated: D. Walker, M. Boschetti, T. Harris, J. Davis, A. Hocking and H. Wiese. Standing: D. Browning, Julie Davies, D. Cardwell, D. Lee, T. Genge, S. Johnston, B. Whiteaker, D. Wiese, E. Maley and R. McDonald. Absent: B. Boschetti and A. Brown.

## TOOWOOMBA PRE-NATIONAL SKEET CARNIVAL

The Toowoomba Clay Target Club conducted "The Toowoomba Pre-National Skeet Carnival" on the 18th and 19th August.

Anyone who missed this carnival really missed a great weekend, the weather was perfect as was indicated by the scores. Dave Dundon was the overall winner with a magnificent 199/200, missing High 3 in the eighth round.

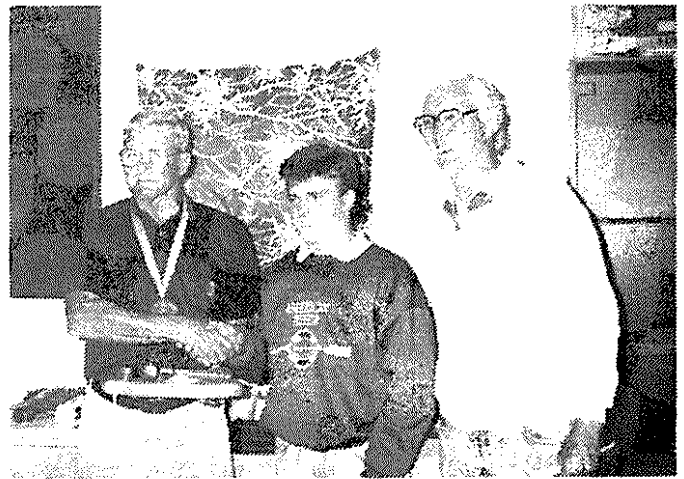

We were disappointed with the lack of support from our Northern NSW Skeeties and were unable to conduct our Qld v NSW Team Event.

The 4-Man Team consisting of one from each Grade — AA, A, B & C — created much interest throughout the weekend with five teams competing, and would you believe, at the end of the 200 targets, we had a tie! 738/800! The teams were N. Dimmick, R. Porter, W. Clarke & M. Field and D. Dundon, M. Barton, D. McCartin & C. Hedley and the case of shells was divided between the two teams.

42 shooters contested the Aldo Sceresini Memorial Championship on Saturday afternoon and the Overall was won by Kei Madsen 68/68, AA — Dave Dundon 67/68, A — Ray Porter 60/61, B — David Hopkins 47/50, C — Richard Brook 45/50.

Saturday evening the Clubhouse was really buzzing with Christine Barton, Therese Harwood and helpers busily preparing the evening meal for approximately 60 people. The meal was pumpkin soup, apricot chicken and rice followed by trifle and cream — our thanks to Chris and Therese for a job well done.

Following the evening meal the first ever Skeet Calcutta was

● L to R: Neil Dimmick being presented with the Overall High Gun for the George McKeon Memorial Championship by the late George's grandson Jason McKeon with Tom Robinson looking on.

● Overall High Gun Dave Dundon with TV (199/200). L to R: AA Neil Dimmick 195, Agr Ray Porter 194, Bgr D. McCartin 179 and Cgr W. Smith 178.

conducted by our Club and was a resounding success. Our sincere thanks to our auctioneer, Gundy Manning.

With the formal part of the evening over, shooters and their families relaxed to the music of Lyn McCartin on keyboard, Keith "Mountain Man" Murphy on guitar and vocals, Max Barton on trumpet and last but not least, our trapper by day and drummer by night — Michael McCartin. The evening concluded at 1.30am and on leaving the grounds the Last Post was sounded for the Brisbane shooters camping on the grounds with "Jackie Frost".

On Sunday morning 38 shooters contested the Garden City Cash Handicap and after a lengthy shoot-off for Overall, Neil Dimmick took the honours from Dave Dundon, and Wade Smith finished third. Our thanks to Dave and Neil for their decision to split the Calcutta which saved us valuable time to complete the George McKeon Memorial Championship. Overall winner was Neil Dimmick 111/112, AA — Ross Tippler 110/112, A — Nick Aird 60/62, B — David Hopkins 48/50 and C — Chris Hedley 51/58.

Overall High Gun Sash and Colour TV went to Dave Dundon — 199/200, AA — Neil Dimmick 195/200, A — Ray Porter 194/200, B — Dan McCartin 189/200, C — Wade Smith 178/200.

In concluding, I would like to personally thank the shooters who travelled long distances to support us and for the fellowship which was shared on and off the tracks.

Good shooting,  
Max Barton

# WOMENS' TALK

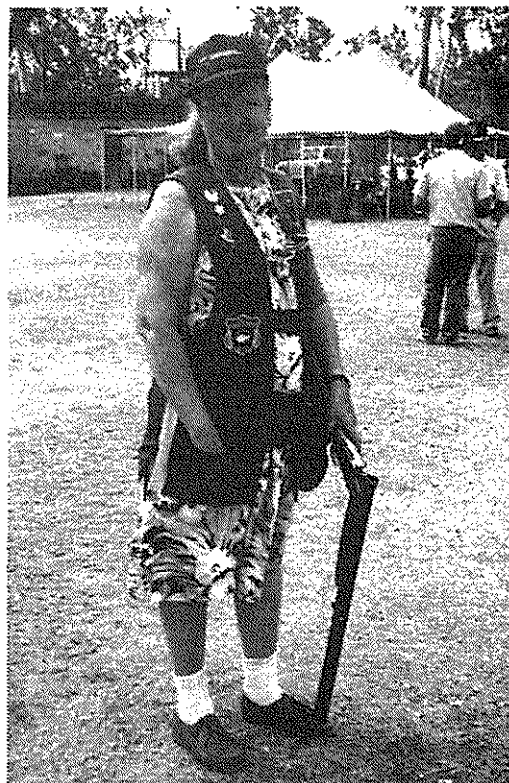

By JEAN WRAY

Atlanta is to host the 1996 Olympic Games and Melbourne is slowly getting back to normal after its bid and is now talking of a future bid. On 18th September I attended the National Tennis Centre to participate in Melbourne's final presentation to the International Olympic Committee in Tokyo. It was an emotionally charged day with all sections of the community being involved. Bands of the Army, Navy and Victoria Police, a choir of 300 voices, the Australian Youth Orchestra, a parade of past gold medal winners, which included Shane Gould, John Hendricks, Shirley Strickland, John Devitt, Herb Elliott and the oldest participant Duncan Gray, 84, from Sydney, who won Olympic gold for cycling in 1932.

I watched the presentation on Channel 9 that evening, waiting for the announcement of the successful city, and was proud to know that I, along with 5000 other Melburnians had yelled and clapped, taken part in Mexican waves, sang Waltzing Matilda and chanted Melbourne, and in a small way contributed to Melbourne's bid.

Townsville Gun Club conducted the 1990 National Skeet Championships in September, with some success for the women who competed at both the Pre-Nationals and National Titles. In the State

● Margaret Denton.

Shoulder to Shoulder Teams match six States were represented with the exception of Tasmania.

Carol Ogden of Melbourne was the only female member of any of these teams and was delighted to be High Gun of the Victorian team. After a shoot-off Carol made the 15th member of the 15-member Australian team with Maree Rooke of Wagga coming in in 4th place. Maree had a very successful Nationals, winning I believe all the womens titles including the Commonwealth Womens Skeet Championship, the Mixed Pairs with her partner Margaret Denton of Charleville Gun Club and was a member of the Glenn Cup team.

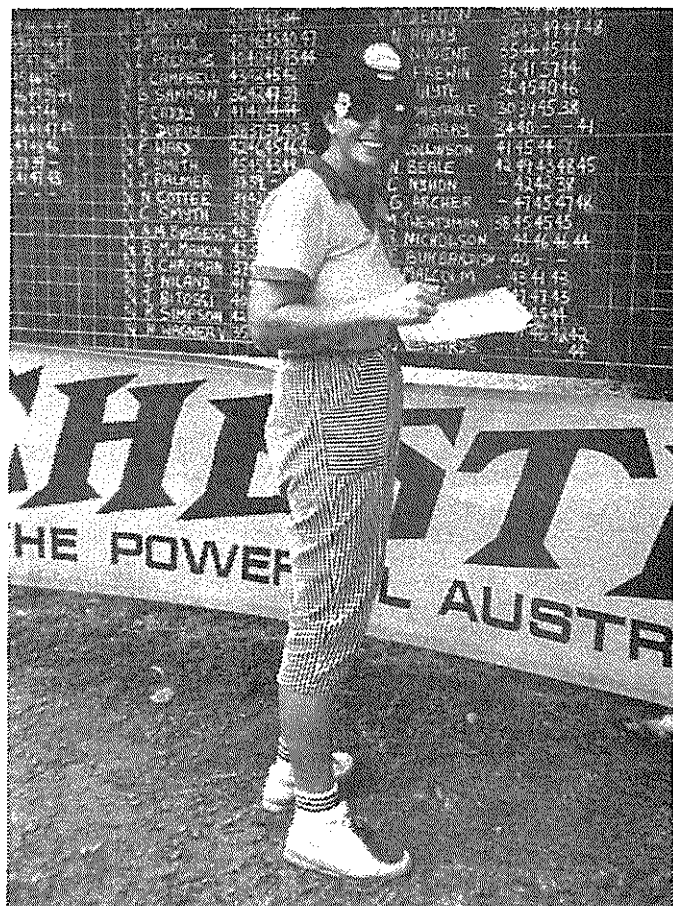

Margaret Denton, Treasurer of the Charleville Gun Club, had a good win in the Pre-Nationals when she won, after a shoot-off, 'C' grade in the Copper Refineries trophy event. On the weekend prior at the Queensland State Skeet Carnival, Margaret was High Gun of the Queensland State Womens Skeet team and after all this fine shooting Margaret is now in 'B' grade.

Dianne Reeves of Normanton on the Gulf of Carpentaria took care of the scoreboard for the carnival but found time to shoot as well. She partnered Carol Ogden in the Mixed Pairs and although new to skeet shooting put together some good 25s.

The National Womens Skeet team are Maree Rooke, Carol Ogden, Margaret Denton, Bev Grice and Dianne Reeves. I am told Bev Grice is coming to Melbourne to pursue this skeet shooting — it's fun she said.

A big thank you to all the folk at Townsville who made visiting shooters so welcome, particularly Daphne Leeds, Secretary of the gun club.

Till next time.

● Diane Reeves.

## TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

# OUT OF THE PAST

## TWENTY YEARS AGO

The 1970 National Championships conducted at the Perth Gun Club, WA over six successive days of Saturday February 28 through to March 5.

The Champion of Champions Cup shot 50 targets from 20 yards saw Doug Smith of Brisbane victorious with 115/115. The Double Barrel Championship went to Jim Ellis of NSW with 370/370, John Harris of Cunderdin, WA pushed him all the way and managed second place with 369/370. Jim Ellis also took the Single Barrel honours with the only possible of 50/50 off 16 yards. The Double Rise Championship was won by Ipswich (Qld) shooter N. Johnston with 48/50. The Australia-New Zealand Trap Championship with a score of 180/180 was taken out by Newton Thomas (Vic.). Newton also won the National Skeet Championship, the first to be shot for, with 60/61.

It was this year that the 24th International Teams Match for the Mackintosh Trophy was conducted, the final section of this prized event was conducted at Warwick, England on July 18, after all contesting countries had lodged their sealed scores by mail. In attendance representing Australia was Perth Gun Club Immediate Past President Jules Steiner, who for 1970, was an Honorary Vice President of the Australian Clay Target Association. The results showed the New Zealand team win with a score of 7304/7500, Australia could only manage third place on this occasion with a score of 7213/7500. Australia had won this prestige event nine times in the 12 years to 1969 and although varying methods of scoring have been used, the 1969 Australian figure of 7414/7500 points for this 30-member team event was a huge 201 points up on this year's score.

## TEN YEARS AGO

For many years, the "unsung heroes" of the ACTA have continued to work at developing the sport, without receiving very much more than criticism. The National Executive is concerned at the lack of awareness on the part of the general membership, as to the vital nature of the role played by the special people. Consequently, at its last meeting, the Committee authorised the core group to prepare a format for the introduction of an award to be known as the Presidential Medal. In an effort to guarantee the integrity of the award, as the highest possible commendation in clay target shooting, the assessment of applications will be extremely thorough and detailed. The Association's intention is to announce the first winner/s at their meeting in September.

One of the proudest moments in the life of clay target shooting's Director of Coaching, Newton Thomas, occurred on Australia Day, January 26, 1980, when he was awarded the Order of Australia Medal (OAM) in the Australia Day Honours List. The citation read "Jenkin Newton Thomas has been awarded the Medal of the Order of Australia for his services to clay target shooting".

To say that clay target shooting is a way of life to the Mules family would be an understatement. At the 1980 South Australian State Carnival Bob Mules captured the State Double Barrel Championship some 40 years after he won his first State title. He then had the pleasure of watching his son Phil Mules win the State Single Barrel Championship and his grandson Andrew Mules win the Junior title in both the Double and Single Barrel Championships.

The 1980 National Championships saw Russell Mark at the age of 16 win the blue ribbon event — the Australian Double Barrel Championship with a score of 349/349. Russell was pushed by Doug Smith who went on to win the National Champion of Champions Cup with 205/205. Lyn Curtis (Bairnsdale) made his first appearance at a Nationals Series and finished victorious in the Grand Australian Handicap with 74/74. George Biggs, celebrating his birthday, gave himself a present as the Overall winner in the 11th Australian Skeet Title shooting 62/62. All the way from the US of A came Leo Harrison who showed his fine shooting style by capturing both the Overall High Gun (480/500) and the Trap High Gun (432/450).

# BUNDABERG GUN CLUB INC.

Bundaberg Gun Club held its Annual Two Day shooting carnival on Saturday and Sunday last with a good roll-up of shooters from as far away as Mt. Isa in the north and from Tyrendarra in Victoria in the south.

Shooting commenced at 1.00pm with five possibles shot in the first event. In the second another five possibles were shot in the **ALAN POWELL FORD** double barrel event, J. Buckingham taking out the 11-14 mts group, D. McKay the 15-17 mts. group, P. Rehbein the 18-20 mts. and D. Cassagrande the 21-25 mts group.

In the **WIDE BAY CAPRICORN** 25 Target Double Barrel points championship the Overall was taken out by Rockhampton shooter R. Maroske. Ray shot well to take it out. He shot 150/150 points.

In the fourth event, the **ALLOYWELD** 20 target medley, Rob Rehbein and Danny Cassagrande shot the only possibles to take out the A Grade first. S. Smith from Hervey Bay took out the B Grade and P. Campbell the C Grade. In event five, the 25 target Double Barrel, sponsored by **SUNCORP**, Garry Redmond of Brisbane shot well to take out the AA Grade with a score of 44/44.

On to the money event which was keenly contested. The only possible was shot by local shooter Tony Millman, who also lost a metre for his effort. In the Teams event, which is sponsored by **BUNDABERG SUGAR COMPANY**, the RMs Team consisting of R. Rehbein, P. Rehbein, T. Millman and G. Redmond, gained 1st. A Team from Rockhampton came in second.

In the **REHBEIN'S GUNS & FISHING GEAR** 15 pair double rise Neil Berry from Ipswich Club shot well to win the AA Grade with a score of 26/30. The Overall High Gun for the shoot was closely contested with only a point or two separating the top four or five shooters. The High Gun for the shoot was a trip for two on the **LADY MUSGRAVE CATAMARAN**, sponsored by **BARRIER REEF CRUISES**. B Grade and C Grade High Guns were sponsored by **WINCHESTER (OLIN) AUSTRALIA**.

On the first day of shooting Paul Rehbein and Peter Shaw had not lost a point on the close of shooting. They had shot 125/125 over three events.

• OA HG P. Shaw.

Overall Sash sponsored by **WINCHESTER (OLIN) AUSTRALIA** was won by P. Shaw of Maryborough. Overall High Gun, sponsored by **LADY MUSGRAVE, BARRIER REEF CRUISES**, was also won by Peter Shaw with a score of 240/250. **WINCHESTER (OLIN) AUSTRALIA** B Grade High Gun was won by A. Sydenham with a

score of 222/250 and the WINCHESTER (OLIN) AUSTRALIA C Grade High Gun was won by I. Rutherford with a score of 193/250.

Ladies' High Gun, sponsored by BETTA STORES, was won by K. Rehbein, Veterans' High Gun was won by D. McKay with a score of 210/250, and Junior High Gun by G. Conner.

Shooters from Maryborough, Dysart, Gympie, Gold Coast, Korumburra, Central Burnett, Tyrendarra, Gladstone, Newcastle, Rockhampton, Mt. Isa, Brisbane, Sunshine Coast, Ipswich and our local shooters attended. Fifty-three shooters participated in the seven-event programme.

The Bundaberg Gun Club acknowledges the support and donations from the following people: BARRIER REEF LADY MUSGRAVE CRUISES, ALAN POWELL FORD, ALLOYWELD, SUNCORP, BUNDABERG SUGAR CO., WINCHESTER (OLIN) AUSTRALIA, WESTPAC BANKING GROUP, FULLER FIREARMS GROUP, NORTH SIDE PRODUCE, WIDE BAY CAPRICORN, REHBEIN'S GUNS AND FISHING GEAR, BETTA STORES and MR. TED JENSEN. We thank you.

Results: rear section.

## CLUB BADGES

In addition to the clubs who have responded to our request for club badges to be sent to the office (as published in September CTSN), the following clubs have shown their support for our endeavour to create a club badge board. If your club has not forwarded its club badge, we would be most pleased to receive such in the near future.

JUNIOR HG: Glenn Hayden 332-360. OA HG: Bill Iles 348-360.

# NSW STATE SKEET CARNIVAL

The State Skeet Championships were held at Wagga Gun Club on 10th-12th August 1990.

A successful carnival though numbers were down for various reasons other than the bad weather conditions.

Shooters had to contend with rain, hail, strong winds and cold weather which had covered the entire State. Despite that competition was tough and scores were generally good for the conditions.

Excessive rain on the Wagga Wagga ground tends to make it boggy. The Wagga Wagga City Council kindly spread extra sand and gravel over the boggy areas (6-8 inches in some areas), it made a great difference and no one got bogged. The Club is extremely grateful for the ongoing support and assistance received from the Wagga Wagga City Council.

Continuing assistance through the NSW Department of Sport, Recreation and Racing has enabled the Club to fully line the new clubhouse (walls and ceiling). The next major project will be the floor covering.

Shooters travelled long distances to compete, from all over NSW, Victoria and Queensland, and regular New Zealand visitors to Australia, Ted and Van McRae.

● NSWCTA Championship winner Graham Guy.

It was good to see a great roll-up from the Veteran shooters and Juniors as well as some new Lady shooters.

Many people admired Bob Hansen's determination to shoot. Bob had a stroke over 30 years ago and was paralysed down his left side. A special gun stock was made and with the assistance of a harness Bob is able to shoot successfully. During this period he has won a State Championship and attends the big shoots regularly.

● OA HG winner Scott Wright receives his trophy from Col Barton on behalf of Col and Jenny Burt.

● Wagga 1990 State Team.

Sponsorship was again excellent and Coca-Cola's ongoing sponsorship ensured a superb array of trophies.

Media coverage was again outstanding with coverage by The Wagga Daily Advertiser, Riverina Leader, Prime Television, 2WG radio and ABC radio.

● Junior High Gun Richard Sammon pictured with State President Peter Hayman.

● A familiar skeet sight — Ladies' HG Maree Rooke.

Thanks must also go to the hard working committee, ladies in the kitchen, Rotary Club who provided the hard working trappers, referees and scorers who had to endure the extra time out in the weather after shooting.

The raffle was won by ACTA President Jim Scott.

Congratulations to those NSW shooters who gained selection in the State team and especially to those in the Shoulder to Shoulder team.

Wagga Gun Club's Past President and the Club's hardest worker and supporter, Barney Rooke, will be taking a low profile from the Club's activities for a few years. Now retired from his own business, he and wife Kathleen intend to travel around Australia for a few years. No doubt he will be seen around the shooting tracks.

Scott Wright from Wakehurst has proved to be an up and coming, dominant shooter winning both the State Championship and Overall High Gun.

Next year Skeet shooters will travel to Tamworth for the Carnival, Trap shooters will journey to Wagga for the State Carnival.

Publicity Officer  
Wagga Gun Club Inc.

## WILKAWATT GUN CLUB

By HOT SHOT

What a weekend! The weather was "beautiful one day, perfect the next", for the gun clubs anniversary weekend held on the 8th and 9th of September. Visitors came from Adelaide, Kangaroo Island, Kaniva, Bordertown, Boinka, Tasmania, Monarto, Meningie and Noarlunga as well as local members.

On the first day there were 43 shooters competing. The 10T EO was shared by 9 shooters, 25T Whelan Family Handicap went to K. Przibilla with 27-27. 20T Wilkawatt Gun Club SB C'ship A grade and OA G. Michell 22-22. 25T Wild Dog Skeet C grade and Overall T. Pfeiffer 24-25. The 25T Wild Dog Skeet was shot in conjunction, for the first time with a three man team for the Wild Dog Skeet Shield. This was won by the Wilkawatt G.C. No. 1 team who had to shoot off with the Wilkawatt No. 2 team. The members were L. Shubert, K. Przibilla and D. Beelitz shooting 77-87.

● T. Pfeiffer, winner of 25t Wild Dog Skeet Championship, being presented with his trophy by donor R. Ahms.

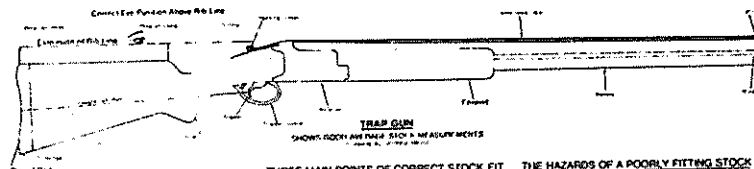

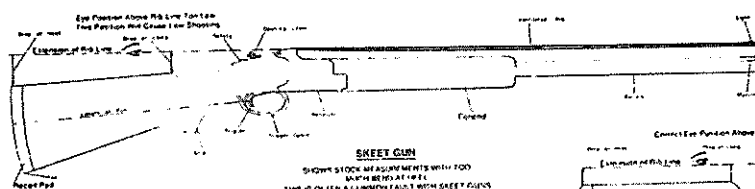

● OA winner for 30t Anniversary DB Championship P. Rundle with D. Beelitz on behalf of Sony Australia.

**Cont'd from previous page**

The evening proved to be an enjoyable and relaxed one. The night started off with a four course meal including lamb on the spit for the main course. Bottles of choice red and white wine were included in the meal. Lucky spins on the wheel for either a meat tray or a bottle of port were held throughout the night.

The Wilkawatt oval was a beehive of activity on the Sunday with 64 shooters competing. It certainly has been a long time since the club has seen so many people on the grounds.

Main results on this day were: 10T EO shared by 16 shooters. 30T Anniversary DB C'ship (Sponsored by Sony) A & OA P. Rundle 54-54. (I don't know how Rundy won this shoot off when he dropped his gun during the event, but it was good to see that he did, it was well worth watching a good shoot off — haven't seen one at the club for a while!)

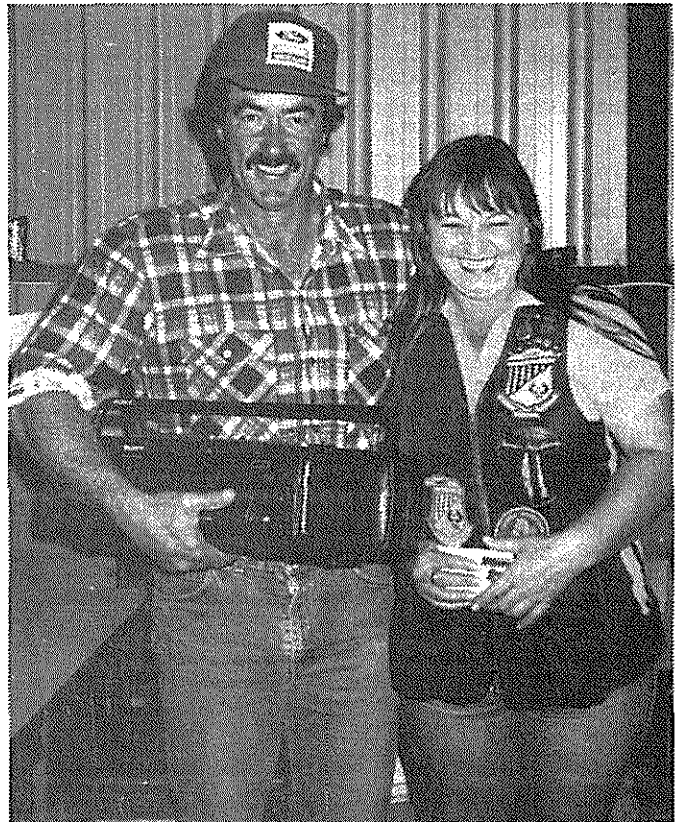

● 25t Lamerloo Hotel OA winner I. Campbell with D. Beelitz representing the Hotel board.

● "Dontlingatoolonga" Shield winners, Wilkawatt No. 1 team (L-R): G. Warner, P. Rundle, R. Ahms, D. Beelitz, W. Hayward.

● 30t Anniversary Championship winners (L-R): T. Booker (Bgr), P. Rundle (OA & Agr), J. Fleetwood (Cgr).

● High Gun winners: OA Wayne Hayward; Ladies' Sandie Appelkamp.

25T Lamerloo Hotel PS C'ship went to Ian Campbell who shot 111-111 to take OA & A grade. This event was shot in conjunction with the Killick and Whelan Team Shield. This was won by Wilkawatt No. 1 team consisting of P. Rundle, D. Beelitz, R. Ahms, G. Warner and W. Hayward shooting 121-125. This also coincided with the "Dontlingatoolonga" Shield which is between Monarto, Lake Albert and Wilkawatt clubs. Of course Wilkawatt won this again (for the 3rd consecutive year) — well done boys.

The High Gun over the two days was sponsored by Sony Australia. The magnificent prize was a CD/Cassette Player which was won by Wayne Hayward with 147-150. The Ladies High Gun was won by Sandie Appelkamp with 84-150.

The club would sincerely like to thank the Whelan family, Rodney Ahms, Sony Australia, Lamerloo Hotel and B. Killick for their generous support over the weekend.

2nd prize was won by the Gemfields Gun Club.  
Ticket No. 0023.

# 1990 NATIONAL SKEET CHAMPIONSHIPS RESULTS

## CLUB NEWS

### KYNETON GUN CLUB INC.

Kyneton Gun Club wishes to notify shooters that we are forced to cease shooting after December 1990. Owing to complaints by nearby residents that the noise created by our shooters once a month is in excess of the 65dB (decibels) as recommended by the Environment Protection Authority in their guidelines. At present our future is very uncertain. M. O'Meara, 10 Clowes St, Kyneton. (054) 22 2735.

### CHARLEVILLE GUN CLUB INC.

Annual General Meeting held on 25.8.90 the following office bearers were elected — President: Mr Robert Calcino; Vice President: Mr Barry King; Secretary: Mr Ian Beale; Treasurer: Mrs M. Denton; Shoot Captains: DTL Mr James Mahony, Skeet Mr Allan Mahony.

### INVERELL RSM GUN CLUB

AGM held on 10th September 1990 the following office bearers were elected — Club President: Peter Jensen; Club Secretary: Mark Fox, 23 Oliver Street, Bundarra, NSW 2359, (067) 23 7123; Club Handicappers: Ken Fuller, Jeff Roberts; Club Coach: M. Wade; Club Delegates: J. Kent, R. McKay.

### HAMILTON GUN CLUB

AGM held on 6.8.90 the following office bearers were elected — President: Murray Sutherland; Treasurer: Ian Christie; Secretary: Peter Cleggett, PO Box 500, Hamilton.

## VALE ERIC TROY

His many shooting friends and acquaintances will be saddened to know that Bathurst Gun Club member Eric Troy, died at his home in Bathurst, NSW on April 7, 1990, five days after his 84th birthday. A keen skeet shooter he shot his last round a month before his death.

Back in the '60s Eric founded the Wakehurst Gun Club working tirelessly to establish a trap layout and rifle and pistol ranges at the Narrabeen National Fitness Centre. He was the foundation president of the Wakehurst Gun Club, Secretary-Treasurer and continued as a committee member until moving to Bathurst at the end of 1973. Eric was also an active member of the Wakehurst Pistol Club, the NSW Gun Club and the Sporting Shooters' Association up until the move to Bathurst where he soon joined the local pistol and gun clubs in 1974. He was elected to the committee of the Bathurst Club and served as president, treasurer and secretary over the years. Eric introduced skeet shooting to the Bathurst Gun Club and a layout was built at Mt Panorama grounds.

Over the years Eric represented his clubs, state and country winning many individual and team championships. In his younger days Eric was a competition athlete, footballer, swimmer and tennis player and he always enjoyed bush shooting and hunting having been taught as a child by his grandfather Troy on the family property at Mittagong, NSW.

Eric Troy was a skilled and willing teacher in the use of firearms and has left a great legacy in the many shooters he introduced to the sport and instructed and coached. He is survived by his wife, Shirley (secretary of Bathurst Gun Club), sons Warwick and Graham, daughters Jakelin and Martine and their families.

The Bathurst Gun Club will be holding a memorial shoot for Eric in 1991 on a date to be announced.

# Winchester Ball Powder

## The case for the Defence.

When the allied defence forces introduced Winchester Ball Powder during World War 2, wear and tear on weapons was drastically reduced. Barrel life was significantly increased. Accuracy improved. And greater consistency was achieved.

As a result, Winchester Ball Powder Propellants have been used in over 90% of all U.S. Military small calibre ammunition in the past 40 years. Today the same applies for the military and civilian sporting shooters alike.

- Greatest chemical stability ever attained.
- High accuracy and ballistic uniformity.
- Lower flame temperature.
- Less muzzle flash.
- Minimum pressure and velocity variations at shooting temperature extremes.
- Super high grain density.
- Metres more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges.

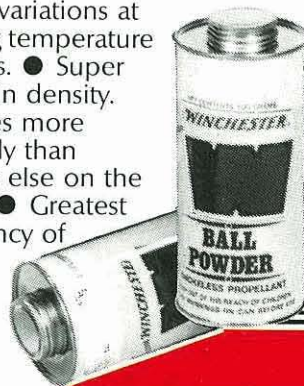

With the results achieved from using Winchester Ball Powder... the Defence rests.

You can too. Send the coupon for Winchester's FREE Loading Data Book - now in its 10th Edition.

## TARGET LOADS

*Setting the pattern  
others can only follow.*

Winchester – our leadership in ammunition products is legendary.

In the toughest trap and skeet competitions, shooters have learned to rely on Winchester winning consistency.

From primer to crimp, Winchester best quality components are loaded for performance. Fast, with light recoil and patterns with perfect distribution of shot.

In shoot-off after shoot-off, Winchester's legendary performance, consistency and reliability has won through, time and time again. Over the past 10 years, Winchester Target Loads have won more Australian Shooting Titles than all other brands combined. Maybe it's the consistent, dense even patterns. Maybe it's Winchester's exclusive soft recoil design.

Whatever the reason, Winchester sets the pattern – the winning pattern – others can only follow.

**WINCHESTER**
