EXECUTIVE DIRECTORS NOTES

Welcome to 1991 which shows all the promise of being an exciting year for shotgun shooters in Australia particularly for those who intend on being in Perth for both the National Trap Championships and the World Shotgun Championships.

UIT TECHNICAL INSPECTION

For some time now we have been talking about "next years" World Championships. That is all behind us now as "This is the year". As a sign of the increase in commitment for the UIT Championships we were visited in November by Mr Gary Anderson, a member of the UIT Executive Committee and the appointed Technical Delegate for the titles.

While we in Australia have always considered the WA Shooting Complex to be of world class standard it was very pleasing to have this confirmed by Gary Anderson who as well as expressing his delight with the complex found the grounds to be fully in keeping with the exacting requirements of the UIT.

During his stay in WA, Gary met with the Organising Committee for the World Championships and at the conclusion of his meeting congratulated the Committee on the preparations that had been undertaken to ensure the success of the UIT Championships.

SEMINARS

Shooters from three States attended seminars conducted by Gary Anderson. In Western Australia approximately 120 people attended the seminar at the Whiteman Park Shooting Complex. Gary, who has two Olympic Gold Medals in Rifle Shooting as well as a string of world records, conducted what was described by those who attended as the most informative seminar that they had been involved with.

These comments were reinforced by those who attended the seminars conducted by SA and Victoria. In SA the seminar was arranged by the SA Shooting Association and was conducted at the SA Institute of Sport while in Victoria the arrangements for the seminar were made by the Victorian Smallbore and Air Rifle Association. Possibly the disappointment of the seminars in SA and Victoria were the noticeable lack of attendance from clay target shooters. Certainly clay target is a different discipline from rifle, however the training methods that relate to producing champions do not vary very much at all and in this regard an opportunity has been lost.

AUSTRALIAN OLYMPIC COMMITTEE

As ASA delegates, Dick Willis ASA President and I met with the Australian Olympic Committee to seek funds for the Australian shooters from each of four disciplines to attend world cups during 1991. Our participation in world cup events is of extreme importance as it is at these events that countries compete for the elusive Quota places for Olympic Games competition.

Australia is able to compete for Quota places at the Oceania Championships however as the championships are restricted to the

Oceania region the results are not taken into serious consideration by the AOC.

Funding has been obtained for eleven shooters to compete for Olympic Quota's in the 1991 year.

PISTOL	SMALLBORE	RUNNING TARGET	SHOTGUN
Phil Adams	Alan Smith	Brian Wilson	Michael
Lyn Freh	Alison Hittman		Diamond
Pat Murray			John Maxwell
Ben Sandstrom			Russell Mark
			Ian Hale

We wish them well in their efforts to obtain Quota's for Australia.

Funding from the AOC differs greatly now from what has been the case in recent years when funding was controlled by the Australian Sports Commission. The procedure that now applies is such that the ASC funds the AOC who in turn fund specific individuals and does not allow the funds to be shared for the benefit of an overall team. This situation is full of disadvantages so far as team composition is concerned. As an Olympic Sport we now must look seriously at revising our Team Selection Program from one that is governed by eliminations to one of straight out selection. A system along this line would no doubt have its opponents, however in the best interests of the sport it appears to be the only way to go.

AUSTRALIAN SHOOTING ASSOCIATION

The Annual Meeting of the ASA took place in early December. Being an election meeting the following positions were confirmed.

President: Alistair MacPherson (NRA). Vice President: Alan Maher (ACTA). Management: David MacFarlane (ASARA), Don McCulloch (APSUA), Monty Fox (SSAA). AOC: Alan Maher (ACTA), David MacFarlane (ASARA). ACGA: Alistair MacPherson (NRA), Peter Anderson (APSUA). UIT: Alan Maher (ACTA), Tibor Gonczol (APSUA).

Matters arising from the AGM included arrangements for the Oceania Championships and the opportunity to obtain Olympic Quota's. In addition the role of the Australian Olympic Committee in relation to funding for international competition was discussed at length.

NATIONAL OFFICE

As you may recall the Association established a debenture program in late 1989 for the purpose of establishing a National Office following the sale of the property which had previously been occupied in Blackburn. A total of 29 debentures were issued, each for \$1000 which were to be held for a period of 10 years.

I am pleased to be able to advise that these debentures have been called in by the Association with all monies plus interest repaid as at 1-12-90.

On behalf of all members we thank those whose interest in the Association and its wellbeing enabled the National Office at Mt Waverley to be established.

R. Holtfreter WA, T. Catling WA, C. Herbert NSW, R. Craigie NSW, A. Watson WA, J. Neve WA, P. Grove NT, D. Wiese WA, S. Zuffo NSW, NSWCTA, N. Hardy Qld, R. Silvester WA, anonymous WA, A. Burgess NSW, Cunderdin Gun Club WA, Geraldton Gun Club WA, NACTA, T. Holt WA, M. Urquhart WA, J. Scott NSW, N. Nicholson NSW.

RELEASE TRIGGERS

As advised in the last issue of the CTSN all users of Release Triggers should now be noted on the ACTA Master Register. Any person who has not notified the ACTA that he has been using a Release Trigger in accordance with the rules under which authority to use a release trigger had been obtained must now in keeping with the existing release trigger rule receive approval from a State appointed Rule Supervisor.

OLYMPIC DISCIPLINE NATIONALS

Later this month ISU shooters will be travelling to Adelaide for the OD Nationals and for the members of the National Training Squad the Oceanic Championships will also be contested. The OD Nationals are all important so far as the World Championships are con-

Cont'd over page

Cont'd from previous page

cerned as it is from these championships that the Australian Teams will be determined.

HANDICAP CARDS

These are being processed by the office as quickly as possible. If there is any delay in receiving your 1991 card please check with your club secretary to ensure that your registration details and payment have been forwarded to the National Office.

NATIONAL OFFICE

We are currently undergoing a computer update and as this is a major exercise we will no doubt find some early problems. Once the system has been mastered the benefits to the Association will soon come to the fore.

TRAP NATIONALS

With airfares greatly reduced the numbers competing at Perth will no doubt be greater than what generally may have been anticipated. Don't miss out on making your booking and don't forget that for 1991 the National Double Barrel Championship is to be a 100T event.

The organisers in Perth have been very busy in ensuring that all will be in readiness in April in what will be a forerunner so far as organisation is concerned for the November UIT Championships.

A new year is now with us and we certainly trust that it brings with it all that you are looking for so far as your involvement with the sport of clay target shooting is concerned.

Good luck and good shooting throughout the year.

Alan J. Maher
Executive Director

NEW ZEALAND NATIONAL SHOOT TOUR

Departs WEDNESDAY MARCH 6

Includes: ★ Economy class airfares ★ 11 nights accommodation ★ Use of Rent A Car with unlimited km, G.S.T., and insurance included ★ Transfers where applicable.

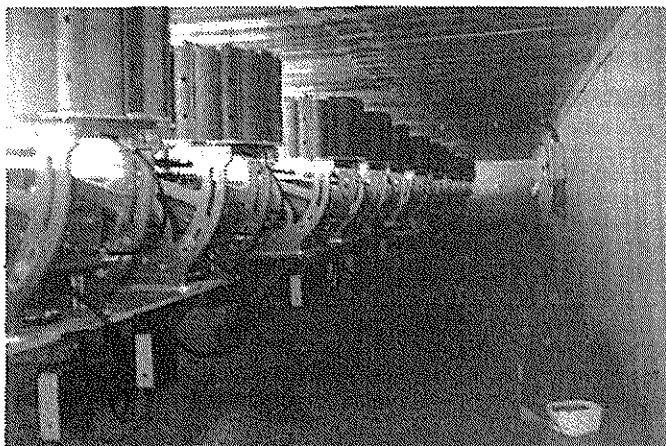

From only \$1099.00 per person.

TRENCH LAYOUT No. 2

With the assistance of the South Australian Government the second trench layout for the Oceanic Championships has now been installed at the State Shooting Park, Virginia. The Kromson equipment that has been supplied and installed by Olimpyc Targets will be tested prior to the Oceanic Championships at a competition scheduled for January 5 and 6.

1991 REGISTRATION CARD

A quick glance at your 1991 registration card will show that some changes have been made to the written content. This has come about as a direct result of some amendments that have been made to the rules, in particular under Trap Common Mark Shooting:

- (3) Which advises that once attaining B grade a shooter can not be reclassified as C grade without receiving approval from the State Handicapper.
- (6) Any C grade shooter having recorded a 50t break from the common mark shall be regraded to B grade.

In addition Rule 2.7(a)&(b) is now included on the card, as is an area which must be completed by a Rule Supervisor in relation to the use of release triggers. With regard to Juniors please note the increase in the junior age from 17 to 18 years.

EDITOR'S MAILBOX

Dear Sir,

Viewers of the ABC National TV programme, 7.30 Report, Friday 13th July were treated to a vile and biased attack upon clay target shooting and shooting sports in general. This was obviously orchestrated with the full support of the anti-shooting fraternity from within the ABC.

A distorted version of the Victorian High Schools Students firearms safety training programme was presented to viewers and no doubt went over well to some members of the public with no knowledge of shooting sports. This programme was presented with the apparent co-operation and support of a group which calls itself "Gun Control Australia". Publicity was given to this group's campaign of anti-shooting in schools and the awarding of prizes to kindergarten children for paintings depicting "the cruel shooter and poor animal trash". (Get them young enough and you can teach them anything — quotation by either Hitler or Stalin I believe.)

This programme was obviously concocted out of opposition to the Students firearms safety training programme which has been given publicity in the ACTA News. Reference was made to co-operation of "gun clubs" giving the free use of their facilities as being something evil and of the brainwashing of students into becoming future members. Compare this with their previously mentioned efforts with kindergarten children.

Film footage was shown of students handling firearms at a Victorian gun club, in particular of a young lad who also featured in "Countrywide" approx. one week later. The inference in this programme being that country children are much more likely to commit suicide because of their contact with guns. I wonder how the students who undertook the training programme feel?

As the term "gun club" and "guns" was mentioned on a number of occasions I feel that this matter concerns all members of the ACTA, yet I am amazed that no mention has been made in the "News" by Members, Management or Executive Committee. The matter has been reported in both the SSAA Journal and the Field And Game News. It appears that any shooter who values his sport must be a member of these two organisations.

The highlight of the 7.30 Report programme was a display by a bearded, old ham actor, who I believe to be an active supporter of "Gun Control Australia". This gentleman came forth with a display of crocodile tears that would put Johnny Ray to shame. He became so upset while telling the viewers of an incident in which a shooter, also a member of a gun club, shot and killed a young girl who was out boating on a lake. No further details supplied.

It is obvious that the enemy is well entrenched within the ABC and pushing their distorted views at public expense (ours). I feel that these incidents should be of great concern to all members of the ACTA and other shooting organisations.

Yours faithfully,
J. Fryer,
Charlestown, NSW

ATTENTION ALL CLUBS

This letter is being written with the intention of alerting all gun clubs and others that may find themselves involved in a situation that the Echuca Gun Club experienced and which could become quite expensive.

In December 1989 a committee member of this club was approached by officials of a prominent VFL club (now AFL) based in Melbourne with a request to entertain officials and team members to breakfast and as well introduce them to clay target shooting.

This was organised for the 11th January 1990 when some eighty (80) members of this particular football club arrived for breakfast and afterwards clay target shooting.

The Echuca Gun Club supplied food, cartridges, clay targets and trappers, club members time (12) for cooking, coaching etc. was naturally given free, nett cost to our club was \$507.

Since then we have submitted 3 detailed invoices, written several letters, with copies to the President of the club as well as to the coach who did the organising.

We have also made two personal telephone calls to this person as well as two other calls to the accounts section but in spite of promises made we still have not been paid, neither have we had the courtesy of a reply to our letters.

So unless some good hearted solicitor within our ranks will take up our cause, it looks certain that we will never get our money as the cost of legal action would possibly outweigh any return we may get, and without doubt the club involved would be aware of this situation.

We have had our fingers burnt so in future football clubs are out, so Presidents and Secretaries you have been warned and if this article prevents other clubs from falling for the same gimmick then at least some good would have come out of it.

David Penn
Secretary, Echuca G.C.

NEW ZEALAND CLAY TARGET ASSN INC

1991 DTL NATIONALS
CONDUCTED AT WAIKATO GUN CLUB
9-16 MARCH 1991

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the **very wise** shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "**PERAZZI FROM YOZZI**" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "**PERAZZI FROM YOZZI**" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

Tony Yozzi Sports,
460 William Street (Cnr. Brisbane Street)
Perth, Western Australia, 6000

BENELLI FIREARMS MODELS 121, 123, 123-3" Mag., 121-3" Mag., Montafeltro, Super 90 in field, trap and interchangeable choke models.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

SOUTH AUSSIE NEWS

For some of us here in South Australia, the past month or so has been a hectic one.

Congratulations first of all, to Graham Michell for being elected to the position of State President on September 1st, at a rather trying time.

SACTA has just completed the ISU Trench and Skeet Carnival held over the October long weekend at the State Shooting Park with host club, International Gun Club. With only 3 weeks to go before the carnival was due to commence and only one trench layout completed, much feverish activity took place and Graham would like to thank the State Government contractors, who, with the help of Metro Martini and members of the International Gun Club, completed the fitting of new traps to the second trench layout and completed of the skeet layouts.

Fifty-four shooters from as far afield as Darwin, Sydney and Melbourne joined us in the competition and it was a treat for the locals to see competitors such as the calibre of John Maxwell, Bill Iles, Russell Mark, Michael Diamond, Ian Hale and Brian Thomson shooting at their best.

The 200 targets to be shot were broken into 2 x 100 target events and on Saturday Tony Rowe was victorious in the 100 target City of Adelaide Trench Championship shooting 108-125, with Ian Hale taking out the 100 target ISU Skeet City of Adelaide Championship title shooting 119-125. I would personally like to thank Ian Hale for "scaring away all of those snakes" from the Skeet grounds!

● S.A.C.T.A. I.S.U. Trench & Skeet Carnival — Graham Michell (S.A.C.T.A. President) far left, congratulating Victorian 'Skeetles' for achieving three of the top six placings. 'Skeetles', P. Ryland, B. Thompson, I. Hale (I.S.U. High Gun winner) and C. Gray being watched by Dick Ayres who presented the Laporte High Gun Trophy to Ian Hale.

● S.A.C.T.A. I.S.U. Trench & Skeet Carnival — Overall Trench High Gun winner Michael Diamond being congratulated by S.A. "Mr. Winchester" Dick Ayres.

Sunday again saw some great shooting with Michael Diamond taking out the 100 target SA Trench Championship with 112-125. Ian Hale again took out the 100t SA ISU Skeet Championship with an excellent score of 121-125. Overall High Guns went to Michael Diamond shooting 177-200 for trench and Ian Hale with 191-200 for the ISU Skeet.

The carnival produced South Australia's Trench Team in C. Bentley, R. Smith and J. Johansen and South Australia's ISU Skeet Team in R. Dower, R. Dwyer and G. Michell.

Added interest to the 3-day carnival was the 25pr Commonwealth Deauville Doubles Championship, won in fine style by T. Rowe and E. Bullmore who shot 21-25. This event was followed by the SA State 25pr DD C'ship, R. Mark and W. Iles took out the title shooting 24-25.

The 25pr SA State Double Rise Championship was keenly contested with Tony Rowe taking the title by shooting 57-60. Other events contested were the 25t Carnival DB C'ship, won after an exciting shootoff by W. Iles 243-243; the 25t Carnival Point Score Championship, won by J. Johansen 81-81; the 25 target Festival DB Championship was won by B. Johnson with 59-59 and the 25 target Virginian DB Championship was taken out by C. Bentley with 71-71.

Local gun club Birthday Shoots held in the past month have included Wilkawatt, Alexandra and Lake Albert. Wilkawatt was fortunate to have two fine clear days for their shoot. Lake Albert Gun Club was the last of the "trio" Birthday Shoots and this club was blessed with "beautiful weather one day" and "perfect the next".

Festivities began on the Friday night before the shoot with 22 shooters and their families dining out at the local motel.

Fifty-four shooters faced Saturday's competition and fierce competition it was. After the shooting for the day was over and following yet another night of wining and dining, this time at the club house, all too soon the night was gone and Sunday dawned with a clear blue sky.

Top shooting seemed to be the order of the weekend with the Overall High Gun going to Trevor Morris 195-200, Ladies High Gun to Sandie Appenkamp 185-200, Junior High Gun to Scott Craig 180-200 and Veterans High Gun to Clarrie Copping with 175-200.

Although missing out on the Junior High Gun, both young Ben Warner and Mark Booker proved by their shooting that Scott might have a bigger battle in taking out top honours next year. I think nobody's smile was any bigger than theirs on receiving their trophies. Stick with it boys and you will be "top shots".

Finally, three shooters, namely Phil O'Connell, Trevor Morris and Tony Rohrlach, the High Gun winners over the past 5 years, shot off for the Rhonda Ayres High Gun trophy, a magnificent silver tray, and this was taken out by Tony Rohrlach with a perfect score of 30-30. Great shooting.

Another lost weekend!

● Lake Albert Gun Club — Birthday Shoot. L to R: Keith Appenkamp, Tony Rohrlach (winner of Rhonda Ayres High Gun Trophy), Rhonda Ayres and Sandie Appenkamp (Club President).

Finally, a report just handed in from Ian Campbell.

The South Australian shoulder to shoulder Skeet Team members comprising Danny Burton, Ian Campbell, Les Charles, Ron Smith and Evan Stevenson all arrived safely in Townsville. Danny, who had been involved in an accident fighting a fire just prior to leaving deserved a "Purple Heart" for his courageous effort, assisted by his wife they drove up via the Birdsville Track. Evan also drove up this way.

Ron and Pam Smith flew up a week earlier to do some sightseeing and for Ron to shoot in the State Skeet Carnival. We understand that Ron is not over anxious to go out big game fishing again as the seas were mountainous!

Compliments must be given to the ACTA and Townsville Gun Club for the hospitality and friendliness shown to the visiting shooters. A special mention to the two "Barmen" who each day decorated the bar area and dressed themselves accordingly — it really added to the atmosphere.

The team members and families were a tight knit group, we ate together most nights, enjoying the vast array of different foods that Townsville's restaurants and hotels had to offer and it was a pleasure to be a member of this happy group.

Congratulations to Les Charles on his Australian Team medal, to Danny Burton for his Glenn Cup Team medal and to Ron and Evan for their individual medals. SACTA can be proud of you, so let's all try to get into the team again next year.

Well that's about it for this time, South Aussies, if you have any news to tell please jot it down and send it on in to me at 12 Ilman Avenue, Murray Bridge, South Australia, 5253 and I shall do my utmost to get it off to the magazine.

ANNUAL SKEET CARNIVAL

The Central Zone of Queensland held its Annual Skeet Carnival at the Gemfields Club on October 20 and 21. The Club grounds were in very good condition despite the previous months of dry weather, this of course was thanks to the very small band of club members who worked very hard before the shoot. The weather did change for Saturday however when a storm hit plus other showers giving us 50 points of rain and a very cool day of shooting. The weather cleared for Sunday and it became quite hot by the afternoon.

Twenty-four shooters nominated for the full 200 target program with another six shooting the 50 target event on Sunday only.

Despite the windy conditions some consistently good scores were shot particularly by High Gun winner Bill Scott from Yeppoon. Vere Storch also shot well qualifying second for the Zone Team ahead of the men. Vere and Bill were also unlucky to have been edged out of the running for the prestigious Laurie Tselepy Champion of Champions award by Vere's husband Jim. Jim won by one target over Bill and two from Vere. Maybe next year the ladies will win out!

It was disappointing there was no ladies team again this year as only three ladies shot the program with only two from the Central Zone.

On finalisation of the Skeet on Sunday, the Gemfields held their monthly shoot consisting of 100 target double barrel president's trophy event and a 25 target points score championship.

The whole weekend's shooting of 325 targets plus the team shoot and shoot-offs was finished by 5pm on Sunday despite a late start of 10.30am on Saturday. This was accomplished without one trap breakdown which the club's hard workers and our Trap Boy for the weekend, Robert Cross must be congratulated for. A big thank you must also go to Mrs Joyce Deeley who provided our food for the weekend including a great hot meal on Saturday night. Joyce probably worked harder than most all weekend, even lending a hand with scoring and she was still as cheerful as ever late on Sunday enjoying a couple of well-earned drinks.

Our visitors from other Zones and Clubs, particularly the Western Zone, helped to make the shoot a success both socially and financially and we thank them for travelling the long distances to attend.

Results: See shoot report section.

VIDEO COACHING TAPES TRAP AND SKEET SHOOTING

Written and Produced by George Biggs

For the Australian Clay Target Shooter

*Shooting Trap

The techniques of shooting trap both single rise and double rise targets plus a 15 minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house. **Price \$45**

*Shooting Skeet

The mechanics of skeet shooting in a step by step demonstration round the skeet field plus a talk on types of guns etc and a 15 minute explanation of how to determine correct gun fit for the individual shooter. **Price \$45**

*Commonsense Reloading

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter. **Price \$40**

*Each tape is supplied with a 2-page leaflet with advice on gun fitting and gun selection.

Immediate Delivery.

Prices include post & packing to all states.

THE MASTER EYE

Ross Williams has been writing a weekly shooting column for the sports section of *The Weekly Times*, Australia's biggest-selling rural newspaper, since 1977. The following amalgamation of two articles is reprinted by permission from that column.

Reduced to the simplest possible terms, shotgunning consists of tracking a moving object with the eyes while pointing with the leading hand and the barrel.

Our focus must always be on the target: we have to keep both eyes open and concentrate on seeing it as soon as possible. (In trap shooting, this may mean a short distance beyond the trap house, rather than the instant it appears above the trap house edge, but the underlying principle still holds true.) Above all, we mustn't allow our attention to wander from the target to the gun.

An experienced shotgunner can get to the stage of being unaware of the barrel, especially when a quick, instinctive reaction is called for. As a general rule, however, the barrel will be included in the sight picture in a fuzzy sort of way.

The key to success is to ensure that the gun always points where we want it to. For this to be possible, we must know how to mount and hold the gun correctly, with our master eye directly in line with the barrel (or, in the case of side-by-sides, the rib between the barrels).

The master eye dominates what we see and influences what we do. If it is off to one side, the shot will also go to that side. Consequently, we can't shoot well with a conventional stock unless the master eye is on the same side as the gun — right master eye, gun at right shoulder; left master eye, gun at left shoulder.

There are at least half a dozen ways to determine which eye is dominant, but they are nothing more than variations on the same couple of themes. The following method is as good as any:

Tear a hole, about the size of a 5-cent coin, in a smallish piece of paper. Holding the paper at arm's length, look through the hole at a small object a couple of metres away. Both eyes should be open.

Then, still with both eyes open, bring the paper right back to your face while keeping the object centred in the hole. The hole will automatically come up to your master eye.

In most right-handed people, the right eye is the master eye. Similarly, the left eye is dominant in most left-handed people. However, a small percentage of the population combines right-handedness with a left master eye, or vice versa. We also have a few who have no rigid pattern of eye dominance, rather like people who are ambidextrous; we will return to their particular problem later.

Some of these variations stem from a deterioration of the sight in one eye, brought about by accident, disease, congenital defects or age. The rest have no detectable physical cause, and are

thought to be the result of childhood learning.

Interestingly, and significantly, a person can go for years with a definite master eye, then find that the other one has either taken over or is in the process of doing so. The possibility of such a reversal should always be considered if an inexplicable loss of form occurs.

If poor shooting can be traced to a master eye problem — which means, in effect, that the gun is on the wrong shoulder — What can be done about it? There are a number of solutions.

One is to shoot from the other shoulder. Making the switch can be very difficult, especially when the shooter has years of shotgunning experience. Initially the stance and hold feel completely wrong, and timing goes out the window.

Gun fit plays a part, of course. Some stocks have no cast, twist (toe out) or cheekpiece, so they can be fired equally well from either side. Others are made for one side only, and must be altered or replaced before the change to the other shoulder can be accomplished.

Once the fit has been adjusted, the difficulty becomes more psychological than physical; if a shooter really wants to make the switch, he or she usually succeeds in time. I know several who have done it.

The second solution is a cross-eyed stock, a strange-looking affair which comes off the customary shoulder, bends sideways in the vicinity of the grip and puts the rib in front of the opposite eye. It removes the need to change shoulders but is hard on the wallet.

Lastly, we can force the weaker eye to take over. This will allow us to use the same shoulder AND the same gun.

Keeping the master eye closed will do it. So will a blocking device such as cardboard taped over one side of our shooting glasses. But the consequent loss of depth perception is a definite disadvantage.

English coaches talk about "dimming" the master eye — in other words, leaving it open until the last moment, then closing it enough to transfer control to the weaker eye. The timing and the extent of the closure depend on the individual. Having tried this technique, I must concede that it's easier said than done — though I did complicate the experiment by shooting from the opposite shoulder in order to put my weak eye behind the rib, and thus failed to do anything well.

Be that as it may, dimming is both the cheapest and potentially the simplest remedy for a master eye problem. Therefore many believe it should be given a decent trial before other solutions are sought.

There is a fourth approach. On its own, it won't provide a cure for people whose master eye is definitely on the wrong side. However, it may help those who are "dual eyed" (i.e. the ones with no rigid pattern of eye dominance) and probably could serve as an adjunct to the dimming technique.

The idea is to increase the subconscious impact of the outline of the top of the gun, so that the eye behind the barrel is forced to play the dominant role.

With under-overs, pumps and autos, the side of the gun bulks larger in the field of view than the top, because the top is narrower. A person with normal eye dominance shooting from the correct shoulder is not aware of this, but the effect on a dual-eyed person is to "attract" the wrong eye and make it dominant — or so the theory goes.

To counteract this, a highly visible, non-glaring rib is required. There is much disagreement on what sort of rib serves best, but the so-called "channel top" type is worth considering. This has a depressed centre section flanked by slightly raised edges, often with different surface treatments. Switching to a wider rib may also help.

Ross Williams

SCHOOL PERSONS CHAMPIONSHIPS SOUTH EAST ZONE VCTA

Junior shooting is a major part of the future of this sport and many hours, a lot of effort and a large amount of money goes into fostering these potential champions of tomorrow.

This year's event sponsored by Winchester and held at the Frankston/Australian club turned out to be a great day, with only two negatives, the wind which would not quit, and the one-day teachers' strike. But thanks to the majority of the schools' staff members, who wanted to be there, knowing how much the day meant to their students.

Eighty-one shooters from 19 schools — seven of the schools were able to provide a five-member team.

This event is a single barrel 20 target championship, shot in two visits of ten.

The overall was shot off for by two of the senior boys, the shoot off went 13 targets before a decision was reached. In that time these two young men showed the promise of big things in the future.

Overall: M. Howden 31/33 Galvin Park S.C.; Senior Boys: V. Mollica 30/33 St Bernards C.; Senior Girls: A. McKenzie 14/20 Traralgon H.; Junior Boys: R. Zanca 18/23 Redden C.; Junior Girl: D. Smith Wonthaggi S.C.

• OA & Senior Winners — L-R: V. Mollica, M. Howden, A. Cliff.

The winning team from STAGGS (St Ann's & Gippsland Grammar School), S. Webster, C. Treasure, A. Cliff, A. Young, B. Hansen 66/100 and on the day they were clear winners.

On behalf of the students I would like to thank Mr Rod Laidlaw and his company Winchester for their sponsorship and support. The President of the Frankston/Australian Club, Geoff Wallis for the venue and all his work during the day, which included the role of trap person. To all the members of the Zone council, especially Lynn Bray, who worked to make the day run so smoothly. Finally to the Navy and Peninsula shooters who refereed and scored all day.

Chris Carrol, Zone Secretary

1990 STATE SKEET CARNIVAL

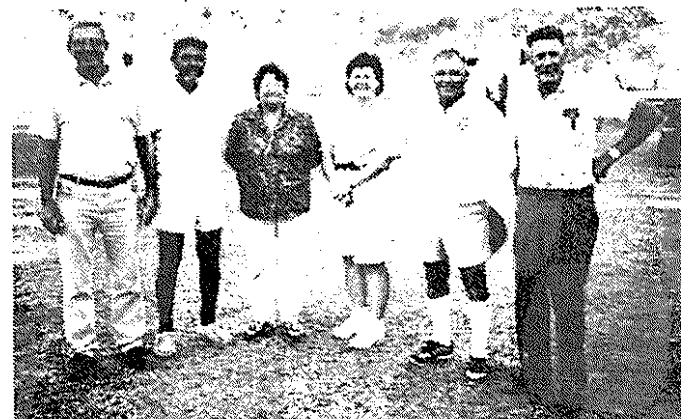

Over the weekend of 14th-16th September 1990 the QCTA conducted the State Skeet Carnival at Townsville Gun Club. As usual, Townsville members had the grounds in A1 condition, and the northern hospitality was there to greet the shooters and their families. The trophy table was laden, thanks to our sponsors:

Winchester Aust., A.E. Smith P/L, N. Deeley, B. Buerchler, Stevens & Sons Firearms, T. Long, Northern Zone QCTA.

Event 1 was the State Doubles Championship which was won by Maree Rooke with a score of 55/58. Maree also won the A grade. Reg Clarke won the AA grade while Rob Nugent and Reg Chapman won B and C grades respectively.

Event 2 was the 25T Handicap, with 40 possibles lining up for the shoot-off. Eventual winners were 1st Gavin Blackman, 2nd Lex Frerichs, 3rd Andrew Larsen.

Event 3, the Gus Buerchler Trophy event, was won by Neale Dimmick over 99 competitors with Graeme Lisle and Peter Asher being 1st and 2nd in AA grade. The Townsville duo of Tom Comerford and Arthur Kenna won 1st and 2nd in A grade. Bev Grice and Cec Herbert shot off for B grade 1st and 2nd. Lex Frerichs and Peter Stockwell were the 1st and 2nd placegetters in C grade. Maree Rooke won the Ladies after a shoot-off, and Cec Herbert took off the Veteran trophy. Steven Makris won the Junior trophy.

• Gus Buerchler, OA — Neil Dimmick, A — Tom Comerford, B — Bev Grice, C — Lex Frerichs, Lady — M. Rooke, Veteran — C. Herbert.

The State Skeet Championship was held over two days with 50T being shot on Saturday and 50T on Sunday. Peter Vella was the winner of this event 103/104. Dave Dundon and Graeme Webber shot off for 1st and 2nd in AA. Barney Rooke just pipped Arthur Kenna for 1st in A grade so Arthur had to be content with 2nd place. Bill Holmes and Ray Collinson were the 1st and 2nd placegetters in B grade and Reg Chapman just pipped Gavin Blackman for 1st in C grade. Maree Rooke again won the Ladies, Justin Ehrenreich won the Juniors, and Ray Melville was the victor in the Veterans section.

The Interstate Teams were then held. The Open team were A. Kenna, N. Dimmick, D. Dundon, T. Comerford, N. Berry, R. Chapman, W. Scott, R. Nugent, G. Wessel, B. Edwards, W. Holmes, N. Aird, A. Zappala, R. Malcolm, G. Blackman. Ladies team: Vere Storch, Margaret Denton, Bev Grice, Dianne Reeves, Sandra Wade.

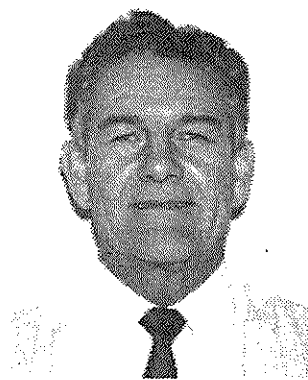

The Queensland Pacific Skeet Championships was the last event over 50T. This was won by Scott Wright 64/64 after a shoot-off beating Graeme Webber who won the AA grade with Neale Dimmick winning 2nd in AA grade. Henry Weitzel won A grade from Jim Edmonds, while Ray Collinson won the B grade from Barry Edwards. Margaret Denton won the C grade from Reg Chapman. Maree Rooke again won the Ladies trophy, Justin Ehrenreich won the Juniors and Henry Weitzel won the Veterans.

The Qld Champion was won by Dave Dundon with a score of 243/250. The High Gun overall, winning the gold badge and trophies, was Graeme Webber of New Zealand 209/213. Ladies High Gun winner was Maree Rooke 190/200. Justin Ehrenreich won the Junior High Gun 170/190. Ray Melville won Veterans High Gun Overall 183/200.

The ladies in the canteen did a wonderful job catering for the shooters and their families.

The QCTA takes this opportunity to thank our sponsors for their donations towards our successful State Carnival, and to the interstate and overseas visitors we trust they enjoyed our carnival and will come again soon.

YOUR STATE COACH

• Tom Stelling.

Tom became a member of Eastern Goldfields Gun Club during the '50s in Kalgoorlie.

Moved to Perth in 1971 and joined Perth Gun Club and subsequently West Australian Gun Club.

Held Committee positions in Kalgoorlie and Perth.

Appointed Central Zone Coach in 1986, Assistant State Coach in 1987, State Coaching Director 1990.

Currently holds Level II Accreditation and is a referee examiner.

He advises:

TRAP SHOOTING — STANCE AND AIMING

One of the most important aspects in shotgun shooting is to have a simple basic stance which has the shooter balanced both before and after firing one or more shots.

A shooter's stance should be comfortable and natural to him/her so that it can be consistently adapted.

Exaggerated or varying stances put stress on the shooter which leads to fatigue and imbalance resulting in inconsistency, particularly in trap shooting where target angles are varied and acute both to the left and right.

A shooter can easily adapt a correct stance which will be consistent if he practises the following points:

Facing your target area stand with your feet apart far enough to give your body a natural balanced feeling (persons of average height 8" to 10"). If right-handed have your left foot slightly forward of the right. Right foot slightly forward if left-handed.

Feet too close together will make the shooter top heavy and feet too far apart will restrict the body swing to either side.

Bend the forward knee fractionally and bring approximately two-thirds of your weight onto the front foot. This keeps your weight forward and allows a much more freer swing to right or left than would be attained with a locked front knee.

Lean slightly forward from the hips. This assists the body to absorb the gun recoil and allows for a better pivot. Hips should never be forward of the shoulders, which is a common fault with new shooters.

To provide a stable base from which the shooter can swing, footwear should be comfortable and have a wide sole area.

In trap shooting because targets are shot from five different tracks varying in angle from the centre of the trap house and also because targets are thrown at different angles from the oscillating trap, correct foot positioning is essential to make the shooting of extreme angle targets easier.

Correct foot positioning on each track can be adapted if the shooter places his/her feet, using the correct stance, as if he/she were to fire a shot at the fixed 50-metre peg behind the trap house, in line with track number 3. A check on foot-position is when the shooter raises the gun to his/her shoulder in a natural position, it should be pointing approximately at the 50-metre peg.

In addition to the shooter adapting the correct stance and feet

position, to further assist him/her with the angling targets, on the call of pull, points of aim relative to the particular track and the trap house should be used.

Points of aim should be slightly below the leading edge of the trap house so that the instant the target appears the shooter can immediately identify the target's line of flight.

Point of aim over the trap house will cause the shooter to jump into the target more than follow its line of flight.

- **From Track One** — Point of aim should be the top left hand corner to cater for left swinging targets.
- **From Track Two** — Between the left hand corner and the centre of the leading edge.
- **From Track Three** — Centre of the leading edge.
- **From Track Four** — Between centre and top right hand corner of leading edge.
- **From Track Five** — Top right hand corner to cater for right swinging targets.

These points of aim, together with the correct foot positioning, give the shooter a distinct advantage when faced with acute angled targets.

All the above points should be adopted and practised not only by novice shooters, but also experienced shooters who may find that attention to certain detail will improve shooting performance at a particular target.

MARYBOROUGH TIT BITS, QLD

A Happy and Prosperous New Year and Good Shooting to All.

Congratulations to Gympie Rotary Club for promoting Cooloola Novice Shoot which raised \$1500 for the Leukemia Foundation.

Bundy Nov 4th — No way I could get a leave pass for this shoot as it was our 40th wedding anniversary. Results of the shoot being Paul Rehbein taking the Presidents & Patrons C'ship OA & Agr along with the 20t SB. K. Noffke 25t DB Cont and the FMHG with N. Berry Agr 25t DB Pts & the Overall HG.

Gympie 11th Nov — Thanks for donating the \$1100 Gold Nugget to Sylvia and Bill Edgerton (Pralance Pty Ltd) and best of luck as President Bill. I am sure that you will do a good job and will make the targets bigger and slower. Best of luck also to Sylvia as Publicity Officer and Gympie's New Secretary and Treasurer Sue Clark. A special thanks to Dave for the results when I couldn't make it to the shoots, you can put your feet up now Dave.

Gympie 11/11 — On his way from Brisbane to Rockhampton Ray Maroske dropped in to have a look at the gold nugget and liked it so much he shot good enough to be the new owner of the \$1100 nugget. Ray's total for the day was 25t DB, 50t DB Gympie Gold Classic and the AA High Gun ... Good Shooting, Ray.

Keith Palmer shot 74/75 in the Points but Peter Anderson shot 75 to take OA & B grade.

25/11/90 — Maryborough's day to host the Near North Coast Teams Shoot. Thanks to shooters from Murgon, Kingaroy, Sunshine Coast & Gympie who competed in the teams shoot. Congratulations to Murgon for taking the trophy, a good win to this club considering that their club hasn't many more shooters than their team they send to compete with.

Thanks to shooters from Bundy not in the team shoot but still turned up in numbers. This shoot finished the year on a good note for us with only our Christmas Shoot remaining for the year. Rob Rehbein being the High Gun for the day with Kevin Noffke FMHG.

Most of our office bearers returned except for Andy Wood taking Vice Presidency, Kevin Noffke Captain & Les Sidwell Vice Captain.

Our best wishes to Thelma Meadows, hope you are soon back on the tracks.

Don't forget Kingaroy's Two-Day Shoot, February 2 and 3.

Good shooting to all and till next time, see you around the shoots.

Lost Bird

AUSTRALIAN RECORD TUMBLES AT GEELONG

Geelong Clay Target Club was the scene for a new Australian record. On the weekend of October 27th and 28th 144 shooters travelled from as far away as Darwin as well as New South Wales and South Australia to compete for trophies totalling more than \$8500. Grounds were in excellent order, a credit to the committee and members. Conditions were perfect and scores were going to be high, but just how high was anyone's guess!

Saturday October 27th the first event, a 1st DB EO received entries from 109 shooters with 62 of these recording a possible; this highlights the fact that targets were good and conditions perfect for shooting.

Event 2, a 20t City Watchmakers Grouped Handicap, 116 shooters went out and returned 36 possibles. Steve Haberman was the winner of the 21-25m group with 50/50. John Gilopidis captured the 16-20m group 140/140. The winner of the 11-15m group was C. Kaan 31/32.

Event 3, Barwon Cleaning Services Grand Prix, 118 shooters returned 52 possibles. The shoot off took until 12 noon Sunday to complete with the overall winner being Graham Boyd, with an Australian record score for one event of 656/656. The winner of AA, Lynne Curtis 655/656, second was Rob Viney 444/445. A Grade winner Graham Pritchard with 345/346. B Grade went to R. Aston 67/68 and C Grade H. Rasin 35/36. Section winner of Ladies Karen Nash 28/29, Juniors Michael Italia 36/37 and Veterans Jack Hughes 37/38.

• Top shooting by Top Shots G. Boyd (left) and L. Curtis.

Event 4, the Apco Service Station's SB C'ship, although programmed for Saturday, the single Barrel was not finalised until Sunday with the overall winner Bill Iles 63/63. In the Ladies section Karen Nash made it two in a row with 19/20, as did Jack Hughes with 18/20 in the Veterans section.

Saturday night was a dinner and calcutta auction with all monies being returned to the shooters. Special thanks to Brian Mark, Michael Meakin and Phil Groves for the running of the auction. Ticket sales rallied \$2162 and auction sales \$3840 for a total pool of \$6002. The top squad of shooters were Russell Mark \$450, Graham Boyd \$360, Craig Bentley \$360, Jon Whittakers \$300, Bill Iles \$270 and Steve Haberman \$250.

Sunday was another perfect day for shooting high scores. Event 5, a 1st PS EO with 113 shooters returning 19 possibles.

Event 6, the Geelong Brewing Co. DB C'ship saw another marathon shoot off with Ross Walsh 324/324 the overall winner.

Lynne Curtis became the unluckiest shooter on the ground settling for A Grade 323/324. Vince Mollica Jnr took B Grade with 140/141, M. Gospel 70/71 C Grade. Iona McJames shot 94/95 to take the Ladies trophy. 19/20 was shot by D. Goewie to win the Juniors and W. Hitchcock the Veterans.

The 7th event, the Winchester Calcutta saw 17 possibles return \$350 to their owners. Russell Mark was the Overall winner with 153/153, A Grade Greg Hipwell 152/153. The last event on the program, Steve's Discount Carpets PS made it two in a row for Russell taking overall with 132/132. Once again it was Greg who had to settle for the A grade honours.

In the High Gun Awards, C Grade went to M. Carlile, B Grade J. Warner, A Grade R. Duthies. Ladies High Gun I. McJames, Juniors D. Goewie, Veterans Jack Hughes and the Overall High Gun for the weekend Bill Iles. Congratulations must be given to Graham Boyd for achieving a break of 713.

In conclusion, a most successful weekend for everyone. Special thanks must go to all our sponsors and supporters, also to Tony Bradshaw the shoot marshal who kept all shooters on their toes for the weekend. A big thank you to Graham Mahoney and his committee for all their work in putting on one of the best shoots ever held in Victoria.

See you all next year at our next two-day carnival on November 30th and December 1st.

Steve Haberman

MEMBERS RECEIVE AWARDS

History was made at the Annual General Meeting of the Wangaratta Clay Target Club in November when five members received Life Membership awards.

This year is the first time lady members have been eligible for such awards after the constitution was amended last year to recognise those who have been committee members with a minimum of ten years service to the club.

Edith Stamp was the first lady to accept the honour of receiving a Life Membership. Edith's association with the club commenced in 1961 when her late husband Jack joined the club, he was later awarded a Life Membership in 1972. Edith has continued to be a tireless and dedicated worker since that time.

Current Ladies Auxiliary President, Margot Robinson was the second member to receive her Life Membership in recognition of twelve years of hard work and dedication to the club.

1969 saw the commencement of Jean Williams' extremely supportive contributions to the club. Jean has continued to do her utmost for the club since that time even though her husband Ern, who received his Life Membership in 1981 has not shot for some time.

Betty Law has been a very supportive member since 1970. Betty, who was President of the Ladies Auxiliary for many years, also gave great support to her husband Kevin during his twelve years as club secretary. A fitting reward for Kevin's efforts was acknowledged in 1979 when he was awarded a Life Membership.

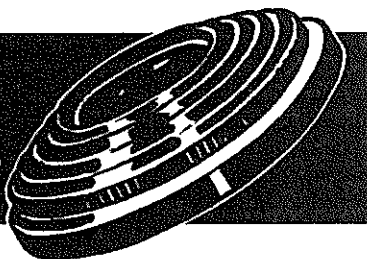

All four ladies were very actively involved in raising funds for furniture and kitchen equipment while the new club house was being built in 1980/81.

A Life Membership was a most deserving and fitting reward to Bob Barron for his great contribution as a club worker over the past ten years. In addition to being a very active committeeman and keeping the club house in immaculate condition, Bob, who is a true sportsman, has always encouraged the junior shooters and newcomers to become actively involved in the club.

In congratulating the recipients of this honourable award Club President, Tony Penney presented each lady with a beautiful posy of flowers.

Bev Penney
Secretary

TO THE 1991 NATIONALS VIA ESPERANCE

To the Clay Target Shooters of Australia

Dear Shooter,

The members of the Esperance Bay Gun Club take this opportunity of inviting you to take part in two weeks of clay busting.

Starting on 29th March, the Esperance Bay Gun Club is holding its 29th Annual Easter Carnival. \$7000 worth of trophies competed for over 4 D.T.L. layouts, meals including a fish BBQ, crayfish luncheon and a free BBQ and refreshments to conclude, all add up to what is traditionally known as a great weekend at Esperance.

From here we have the pre-nationals starting on 3rd April and the Australian Nationals 6th to 11th April. Both in Perth.

So if you're going to the Nationals, do yourself a favour and go the Esperance way. Our hospitality will make you glad you did.

Hope to see you.

L. Naylor, President.

ACCOMMODATION

We have pre-booked local motels and would appreciate your booking by 15th January, 1991.

Also powered camp sites are available on grounds with hot showers.

Phone: Harry Miller (090) 71 3519, A/H (090) 71 4037. Fax: (090) 71 2097

Ladies, Junior, Veterans & Front Marker Trophies.**

**270 programmed black targets — Total Noms. \$117 — Trophy Value
\$7000.**

The club management reserves the right to alter the programme.

WARATAH STATE NOTES

PRESIDENT'S REPORT 1990

I realised that I would have a very hard act to follow when I was elected as successor to Robbie Smith, at the end of his three-year term.

The support from the members of the state executive, particularly the Vice-Presidents Robbie Smith and Pud Burgess, has been invaluable to me.

SKET NATIONALS

The first major competition to be held under my presidency was the Skeet Nationals at Wagga in November 1989.

These nationals ran very smoothly, a tribute to the organisation of Robbie Smith and his team working in conjunction with the Wagga Gun Club.

During the championships a serious accident occurred when Adrian Cousens, a well-known skeet shooter, was hit by a trap arm while adjusting a skeet trap. Thankfully Adrian has now fully recovered.

The ACTA acted quickly after this accident and introduced compulsory installation of trap arm guards to avoid any reoccurrence of this type of incident.

The NSWCTA has been advocating the use of arm guards for quite a while.

STATE CARNIVALS

1990 was the first year of a four-year period during which the state and skeet carnivals will alternate between Tamworth and Wagga Gun Clubs.

The **Skeet Championships** were held at Wagga. Members were down slightly on 1989 possibly due to the economic situation and the difficulty of getting to Wagga due to the flooding throughout NSW.

The carnival was a success for the competitors who enjoyed keen competition. The NSW shoulder to shoulder team selected here won this event at the Townsville Nationals in September.

The **State Trap Carnival** was held at Tamworth on the October long weekend. The carnival was one of the most successful of recent years. Congratulations to Tamworth Gun Club on its preparation of the grounds — they gave us a lesson in how to do it properly.

Numbers were up from 1989 — 193 shooters competed in the state double barrel championship. I expect to see an even more successful carnival next year.

REFEREE EXAMINERS

Every zone now has a referee-examiner. However clubs do not seem to be encouraging their members to sit for their referee's badges.

I would like to see clubs encouraging more shooters to sit for referee's badges as I have seen too many cases of bad or incorrect decisions over the past 12 months. Shooters can only benefit if we have more qualified referees.

SAFETY OFFICERS

The State Government is endeavouring to have the various fire-arm clubs supply them with a list of safety officers. Their job will be to test all shooters for fire-arm safety before issuing them with a licence. This can only help our sport by making shooters more safety conscious.

The proposal is for the testing to be done at gun clubs. This should offer a chance of new members becoming involved in the

APOLOGY

We sincerely apologise to Reg Clarke whose picture was published in the December issue of the C.T.S.N. Reg was incorrectly named.

club scene. It should also provide an additional source of revenue to be used for shooters in this state.

STATE SECRETARY

Unfortunately Jenny Burt, our secretary for the past 7 years, resigned in July. Jenny has put a lot of hard work into the State Association and her presence will be missed. Thank you Jenny for all your work.

I apologise for any mistakes made due to my lack of preparation, e.g. "The Waratah State News".

THANKS TO VARIOUS PEOPLE

State Skeet Carnival, Wagga: The Rooke family and members of the Wagga Gun Club. Chris Condon from Downside Club, Lola and Bruce Charles, Bob Blake and Libby Bunting from the Riverina Zone, who all did a marathon job in the office.

Tamworth Trap Carnival: Carol and Mal Tilley, Arthur Wright and Bill Jones (who stepped in as shoot marshal) and Libby Bunting. Tamworth President Mike Simpson and his members.

The following people will submit their own reports:

STATE COACHING DIRECTOR — Col Burt

Col is resigning as state coaching director at the end of December. Col's expertise will be missed as he has proved to be one of the best "hands on coaches" that we have had.

ISU SUB-COMMITTEE — Brian Prosser

Brian has been a hard working president for the ISU sub-committee and is succeeding in developing a better relationship between the ISU and standard disciplines through his hard work.

STATE HANDICAPPER — Lola Charles

Lola is to be congratulated on her tactful no-nonsense achievements in this area.

FINANCIAL REPORT

This will be delivered at the Annual General Meeting.

In conclusion I would like to say that I have had an unusual and interesting year. I would like to thank all those who have helped me and wish everyone a successful year of shooting.

Peter Hayman

WHITEMAN PARK - WORLD CLASS COMPLEX

Situated in a beautiful bushland setting, the grounds and facilities at Whiteman Park are the most extensive and modern in the Southern Hemisphere. To enable the smooth running of both the Australian Trap Nationals, and later, the World Shotgun Championships, there are ten down-the-line traps, ten standard skeet layouts, plus three world-class Olympic trench and ISU skeet layouts.

Whiteman Park complex was designed and built to cater for State, National and International events.

The entire complex has been extensively tested during the 1987 and 1990 ISU National Championships and has hosted both Trap and Skeet Nationals.

Club facilities are superb, bar, fully equipped kitchen, barbeque area, computerised scoring, in fact, everything necessary to ensure the smooth flowing of the Trap Nationals.

Whiteman Park, you'll find, is Australia's premier shooting venue, and because of Perth's well-planned, free-flowing road system of modern freeways, you are swiftly linked between your accommodation and this delightful Championship venue.

PRE - NATIONALS - 3,4,5th APRIL

For three full days prior to the Australian Trap Nationals, you'll have the opportunity to compete for trophies and sashes as a lead up for the Nationals.

Double and single barrel, Handicap, points and double rise, will all be available to you as you familiarise yourself with the grounds and venue facilities which are available.

NATIONAL TRAP CHAMPIONSHIPS

DAY	DATE	EVENT	TARGET
Saturday	April 6	Grand Australian Handicap	50T
Sunday	April 7	Double Barrel Championship	100T
Monday	April 8	Single Barrel Championship	50T
Tuesday	April 9	Points Championship	50T
Wednesday	April 10	Champions of Champions	75T
Thursday	April 11	Double Rise Championship	50T

EVERYTHING FOR YOUR PARTNERS TOO!

Perth offers something for everyone, within easy walking distance from your hotel. Half the city is a shopping precinct, river cruises to the vineyards and wineries, have a day at Rottnest Island, travelling by super fast ferries, or spend a day at old Fremantle.

Nightlife springs alive, with discos, multi-cultural restaurants in Northbridge, or spend a winning evening at Burswood Casino.

The vibrant and charming city of Perth is Australia's western gateway to the world.

Flanked by the sparkling blue waters of the Indian Ocean, and straddling the broad reaches of the Swan River, it is acclaimed as one of the world's cleanest and most beautiful cities.

Indeed, one of the best known and most respected journalists in the world, Walter Cronkite, described Perth during his first visit to the City in 1984, as;

"The best kept secret in the world — just beautiful."

It is a city of parks and gardens, galleries and museums, modern shopping precincts and world-class hotels. Founded by Captain James Stirling in 1829, Perth now supports a population of one million people renowned for the warm hospitality they extend to visitors.

The city goes about its business at a relaxed and friendly pace, but it is also a city of excitement. It can boast an extensive range of international and first-class hotels, hundreds of restaurants offering cuisine from all over the world, and many excellent entertainment venues showcasing the talents of the world's finest performers.

Perth is the capital city of the State of Western Australia, which is Australia's largest State, and claims one-third of the entire continent.

It is a land of vivid contrasts — from ancient outback landscapes to spectacular coastal seascapes — and Perth is its hub.

ACCOMMODATION TO SUIT YOUR BUDGET

For those of us who have attended championship events in the past, we are sure most will agree that these annual events are fondly remembered not just for the shooting results but for the opportunities of renewing past friendships and making new ones. The comradeship that is present makes the events a bonus.

With this in mind our committee has selected 6 properties uniquely situated all within approximately 200 metres of each other but offering a choice to suit all budgets. From the self contained apartments at City Waters to the 5 star Sheraton. We are confident that all accommodation requirements will be met.

Coach transfers from one central departure point at regular intervals from the hotels to our championships venue, Whiteman Park (approx. 40 mins) will ensure all participants safe and carefree transport each day.

For accompanying partners, the hotels are located close to the central city shopping malls and within walking distance of river side ferries to Fremantle, Rottnest Island or the vineyard cruises.

Special arrangements have been made to utilise the Quality Langley Plaza as our H.Q. hotel with its restaurants and authentic Irish Pub and Sportsmans bar to be the focal point for the evenings social activities.

Take advantage of this unique opportunity and we are sure Perth's Championships will be one you will remember — always.

Quality Pacific Hotels

Quality Pacific Hotels are extremely proud to be associated with the National and International Shotgun Championships.

Whilst in Western Australia, why not extend your stay and enjoy some country Quality hospitality at one of our superb locations.

QUALITY KARRI VALLEY RESORT: Set in magnificent Karri Forest country, a pleasant 4-hour drive from Perth.

QUALITY CAPTAIN FREYCINET AT MARGARET RIVER: Home of some of Western Australia's finest wines, beaches and caves, a 3-hour drive from Perth.

QUALITY ATRIUM AT MANDURAH: Idyllic coastal playground, just an hour from Perth.

Call your nearest Australian Airlines Office for further details or Quality Pacific's Central Reservations Office on toll free (008) 090 600.

HOW TO WIN YOUR FREE TRIP TO THE WORLD SHOTGUN CHAMPIONSHIPS

Australian Airlines have been selected as the official Carrier and Accommodation Co-ordinator for 1991. By booking direct with Australian Airlines (or your travel agent), and quoting the tour code below, you automatically become eligible to win your return flight to Perth, 3 nights accommodation at the Quality Langley Plaza, for the World Shotgun Championships.

You will be the personal guest of the W.S.C. Organising Committee, greeting the international competitors.

The winner will be drawn at the Trap Nationals closing presentations, but you **MUST** quote this tour code...

Shooters are reminded that the N.Z.C.T.A. National Championships commence at the Hamilton Grounds on 9th March 1991 through to 16th March. Australian visitors attending the Skeet Carnival will be able to use W.G.C. facilities during the following two weeks for Pre-National Practice. Please note that the dates have been advanced one week to those advertised at Townsville during the Skeet Nationals.
