**IT'S MIROKU MADE-  
FOR PERFECT  
CO-ORDINATION  
BETWEEN MIND  
AND MUSCLE.**

***MIROKU 9000***

Fit, feel and pointability are what a target gun is all about and Miroku presents this 9000 as a modern classic - the 'World Gun' - a blend of old gunsmith arts, proven technical breakthroughs and Made in Japan quality.

Notable features include ventilated barrels, adjustable wide, crisp trigger, presentation grade walnut woodwork, palm swell grip and the brilliant Browning Invector Choke, so there is no interference to distract your aim. There are five chokes which interchange easily so the Miroku adapts perfectly to any situation.

Get the feel of character and solid quality - pick up the Miroku 9000 and point it with perfect co-ordination.

Available in TRAP, SKEET and SPORTING.

**Front Cover:** An outstanding achievement for Australia by two world class shooters at the Los Angeles World Cup. Russell Mark (left) took the Gold Medal and Michael Diamond the Bronze.

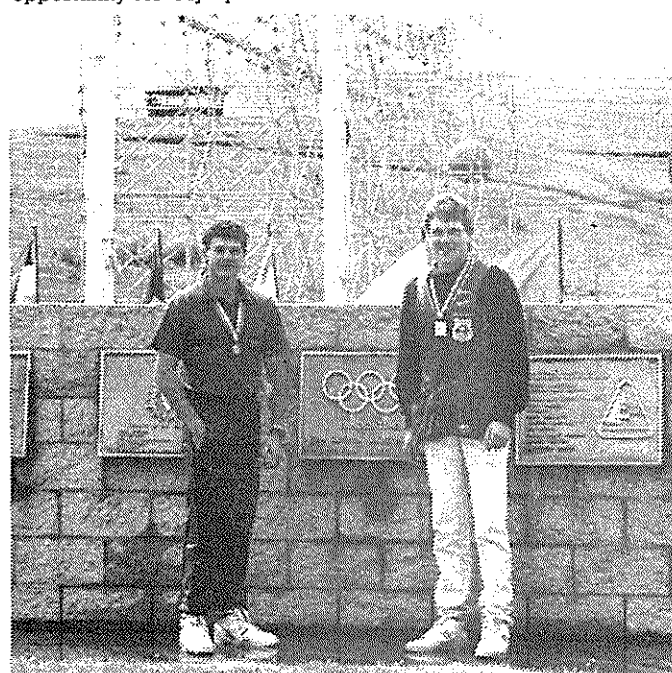

# WORLD CUP HONOURS TO AUSTRALIA GOLD AND BRONZE

Competing at the World Cup in Los Angeles, 1988 Olympian and 1990 Commonwealth Games competitor Russell Mark outshot a star studded field to win the World Cup final. Russell's performance is the best ever by an Australian Olympic trap shooter and follows closely upon his 14th placing in the World Cup in Mexico two weeks earlier, and augurs well for his selection for the 1992 Olympic Games in Barcelona.

Russell from the Geelong club in Victoria has with his win in Los Angeles and placing in Mexico established himself at the highest level in the world. With the experience that he is gaining Russell will without doubt establish himself as one of the greatest shot gun competitors yet produced by Australia.

In addition to the gold medal, Australia also took the bronze medal when Goulburn's Michael Diamond, still eligible for junior ranks finished a very close and highly commendable third to Russell. Only eighteen years old, Michael is showing the maturity of a competitor many years older and like Russell has with his third in Los Angeles and seventh in Mexico certainly enhanced his opportunity for Olympic selection in 1992.

Under the Australian Shooting Association/Australian Olympic Committee points system which enables athletes to be nominated for Olympic selection on scores recorded in World Cups and World Championships both Russell and Michael are well placed with points of 19 & 24 respectively.

Frankston skeet shooter David Cunningham was most unfortunate being the victim of circumstances, which while accepted as being the responsibility of each competitor incurred for him a penalty of three targets for not being present when called upon to shoot.

David unfortunately misread the information board and was waiting patiently at the wrong ground to shoot his second 100t, after a first day score of 96. With the pressure of losing 3 targets David still managed an excellent 93/100 to finish in 24th place where no points are awarded against what should have been his correct position on targets broken being 15th with 2 points towards possible Olympic selection.

Olympic Trap	Mexico	Los Angeles
Russell Mark	188/200 (14)	214/225 (1)
Michael Diamond	191/200 (7)	212/225 (3)
John Maxwell	135/150 (33)	127/150 (31)
Glen Kable		123/150 (59)

**Skeet**  
David Cunningham  
Ian Hale

**Mexico**  
136/150 (45)  
138/150 (39)

**Los Angeles**  
186/200 (24)  
182/200 (30)

Additional World Cups are still to be contested in Italy, Korea and Egypt, all carry quota places for Barcelona to a maximum of three per country, quotas being available to the country and not the competitor cannot be won twice by the same athlete and in Los Angeles the quota won by Russell Mark was returned for reallocation owing to Russell's quota performance in the Oceania Shooting Championships in Adelaide during Jan/Feb of this year.

Australia's quotas up to and including the World Cup at Los Angeles total two each in trap and skeet from a possible three in each discipline.

Olympic Trap	Skeet
Russell Mark	John Summers
Michael Diamond	David Cunningham

Australia is continuing to make its mark at International level and with competitors of the calibre that are competing at the moment shooting in Australia in the disciplines of trap and skeet is in good hands.

Congratulations to all who competed in Mexico and Los Angeles, not only the winners but also those who gave their best in competition on behalf of their country and themselves.

## AUSTRALIAN SPORTS COMMISSION

Special recognition must be given to AUSTRALIAN SPORTS COMMISSION whose funding program to the Australian Olympic Committee enables our athletes to perform to the levels that were achieved.

## A MESSAGE FROM THE PRESIDENT

By the time you read this article, in the CTSN, most of you will know the great news. Nevertheless, for the shooters who have not heard, I would like to congratulate our ISU shooters for their wonderful success, they are having in the World cups. At the time of writing only two have been held, with more to come.

You can read the scores elsewhere in the CTSN.

Michael Diamond and Russell Mark, in trench, look in very good shape to make it to the Olympics next year. David Cunningham, in Skeet, had bad luck in the USA, but nevertheless shot very well, but is still in there with a big chance.

To the rest of the team all is not lost, do your best. I am confident you will do better in the future. Good luck in Italy and Seoul.

To all the team members, on your behalf, congratulations on a great effort, we are all very proud of you.

Jim K. Scott  
National President

## WORLD SHOTGUN CHAMPIONSHIPS

As a result of performances achieved during the course of the 1991 Olympic Discipline National Championships the following Lady & Junior shooters have been invited to join the teams to represent Australia in Perth in November — A magnificent effort on their part.

### Ladies Trap

Kathy Gault NSW  
Desiree Huddleston NSW  
Faye Burton Vic

### Junior Trap

Matthew Howden Vic  
Paul Fairall NSW  
Tom Turner NSW

### Ladies Skeet

Maree Rooke NSW  
Wendy Adams Vic  
Carol Ogden Vic

### Junior Skeet

Clive Barton NSW  
Leigh Roberts Vic  
Andrew Larsen Qld

Each member of the Ladies and Junior teams will receive a grant of \$500 towards the cost of their participation.

Congratulations to all who have been selected with best wishes for a successful participation in the World Championships.

## INTERNATIONAL SKEET TEAM — U.S.A.

A three member team will be selected over the course of the National Skeet Championships in September to attend and compete at the U.S. World Skeet Championships at San Antonio, Texas.

If attending the Nationals at Wagga from September 12th-15th and are successful in being named as a member of the Australian Team it is important that you would have previously attended to the following matters.

1. Current Passport for which a U.S. Visitors Permit will be required.
2. Availability to Depart from Australia on or around the dates of October 1st.

The World Skeet Shooting Championships are scheduled to be held at the National Gun Club, San Antonio, Texas from October 4th to October 12th in keeping with the shooting schedule.

October 4- 6 Mini World Events

7-12 World Championship Events

Further information on the International Skeet Team will be contained in forthcoming issues of the CTSN.

## EDITOR'S MAILBOX

I have thought for a long time that the National Skeet Champion should not be the winner of a single event, but should be the "High Gun Winner". Most shooters will appreciate that it is possible to have a purple patch on one event but extremely unlikely for it to happen over an extended carnival.

I appreciate that this would be a departure from tradition, but feel that the title of National Skeet Champion more realistically applies to the High Gun Winner.

There has been some discussion as to whether the National Double Barrel Championship should be included in the High Gun at the National Skeet Championships. I am firmly of the opinion that an event which warrants National Championships honours simply cannot be excluded.

I understand that a team is to be sent to the U.S.A. to shoot in this year's (1991) World Skeet Championships — selection to be made at the next Skeet Nationals. As most shooters know these championships are shot over four gauges. To gain the full benefit both to the shooters selected and the shooters who are paying for this trip, i.e. A.C.T.A. members, the team should compete in the total program.

I hope nobody is foolish enough to suggest that the smaller gauges do not apply to the Australian situation, if such a view was valid then there is no point in sending a team. The smaller gauges demand more accurate shooting but what is more important, allow more accurate shooting; i.e. the shooter can call the shot because of reduced-recoil and I believe this contributes significantly to the high level of skill shown by top U.S. shooters and indeed by two Australian shooters who have made their presence felt over an extended period in U.S.A.

Can you imagine ISU or Trap Teams being sent to World Championships and only shooting say a quarter of the program; i.e. pulling out after shooting the first 50 or so targets from a 200t program?

It is the shooter's responsibility to provide his/her equipment (can be purchased or leased and I am sure the A.C.T.A. could assist here by negotiation with the U.S. organisation) and any shooter not willing/able to participate in the full program should be excluded from the team.

Yours faithfully  
Reg Clarke

## VALE LES DAY

Les Day, who in earlier times was one of Southern Queensland's best known shooters, passed away on 6/12/90 at the age of 81.

Les was a foundation member of the Ballandean Gun Club and that Club operated for many years on land provided by him.

Although he did not take up Clay Target Shooting till 50 years of age, Les achieved such a standard in a few short years that he made a place in both the Queensland and Australian teams.

Shooters who were operating in Southern Queensland in the 1960s and 1970s will remember just what a formidable opponent Les was.

Marie Wise  
Secretary

## FOR SALE COLLECTOR'S DREAM OR SHOOTER'S DELIGHT

J. Blanch & Son  
12 gauge D/B Sidelock Shotgun, Ser. No. 9521.

Leather case & Cleaning Kit.  
From Factory ... Top Condition.

Price Negotiable \$8900

Enquiries: Silvio's Deli (02) 569 3546

## AUSTRALIAN INSTITUTE OF SPORT

A training camp for the ladies and junior shooters named as members of the Australian team for the World Championships was held at the Institute of Sport, Canberra in April under the supervision of National Director of Coaching Guy Boileau.

Guy was assisted in his efforts on behalf of those attending by National Rules Supervisor and Level 2 Coach David Menck along with Chairman of the ISU Sub-committee in NSW Brian Prosser.

A total of twelve athletes attended the camp and trustfully all will have benefited by the experience.

### Ladies Trap

Kathy Gault NSW  
Desiree Huddleston NSW  
Faye Burton Vic

### Ladies Skeet

Maree Rooke NSW  
Wendy Adams Vic  
Carol Ogden Vic

### Junior Trap

Matthew Howden Vic  
Paul Fairall NSW  
Tom Turner NSW

### Junior Skeet

Clive Barton NSW  
Leigh Roberts Vic  
Andrew Larsen Qld

A special note of appreciation to the Australian Sports Commission whose assistance with funding enabled the Association to conduct the camp in preparation for the World Shotgun Championships in November of this year.

## NEW ZEALAND NATIONALS

A small but nevertheless enthusiastic group of Australian shooters competed in the NZ National Championships at Hamilton in early March and acquitted themselves well in the competition and as ambassadors for Australia.

Australian shooters figured in the results of most events with outstanding performances from Pud Burgess who won the NZ Single Barrel Championship and Neil Berry who took the NZ Double Rise Championship.

Australia did not fare as well against the might of New Zealand in the Glenn Trophy Skeet Match going down valiantly with a score of 114/125 to New Zealand's 122/125. The result was however reversed in the match NZ vs Overseas with Australia winning the International Competition with a score of 354 to New Zealand's 347.

Major results for the NZ Nationals with apologies for the omission of scores are:

HIGH GUN HOA Paul Black (487) Nelson/Waimea  
A Grade John Woolley (485) Waitemata  
B Grade Neville Discombe (427) Thunderbird  
C Grade Andrew Forde (390) Taupo  
Veteran Charlie Hartly (469) Nilo

DTL TRIPLE HOA Damien Briggs, Barrytown

SINGLE RISE HOA Tony Truss, Rotorua

SINGLE BARREL HOA Pud Burgess, Australia

N.Z. vs Overseas Australia 354

New Zealand 347

Glen Skeet Trophy New Zealand 122/125

Australia 114/125

POINTS SCORE HOA Bruce Dalzell, Amberley

SPARROWS HOA John Woolley, Waitemata

DOUBLE RISE HOA Neil Berry, Australia

SCKEET HOA Robbie Young, Auckland Metropolitan

On behalf of the Australian competitors, thank you New Zealand for the hospitality and friendship afforded all Australians throughout the course of your National Championships.

A. J. Maher

## RESULTS — BLUE MANNA CARNIVAL, BUNBURY

Bunbury Clay Target Club held their annual Blue Manna Carnival on the long weekend of 2nd and 3rd March 1991.

In very hot conditions on Saturday, 61 shooters competed in a day of skeet events. The major event was the 50 target Piparo Travel skeet classic which was won by Scotty Gibson of Katanning with the only possible.

On Sunday, the weather cooled down a little and 60 shooters took part in three trap events.

The Koombana Challenge Cup was won outright by P. Morrison who scored the only possible.

In the Godfrey Weston 40 DB Points Classic, David Hilsz of Geraldton emerged the outright winner with a score of 117/120, followed by Tim Catling 115/120 and Bruce Whiteaker 114/120.

Congratulations to Peter Wood and Terry Fraser who both scored their first 75 break in skeet.

# NEW EPA NOISE RULES TO HIT CLUBS?

Ross Williams has been writing a weekly shooting column for the sports section of *Weekly Times*, Australia's biggest-selling rural newspaper, since 1977. The following article is reprinted by permission from that column.

State, national and international shoots will be severely affected by new noise emission guidelines, if those guidelines are approved by the Australian and New Zealand Environment Council. In some cases the major competitions will be impossible to run, at least in their present format. Clubs hosting such events will be disadvantaged, and ordinary club shoots will be affected too.

Documents obtained under Victorian FOI regulations have revealed that the Environment Protection Authority adopted the guidelines on February 26, subject to review by ANZEC and consideration of comments made by shooting organisations.

The EPA not only aims to impose tighter noise controls on Victorian rifle, gun and pistol clubs but also to assist ANZEC in establishing national standards for "shooting noise". In New South Wales, for example, that would mean an immediate drop of 10-15 decibels in the allowable noise for existing ranges.

The new guidelines put limits on operating times as well as noise levels. If full assent is given, target shooters will face the following situation:

No range will be allowed to operate on Sunday mornings. This will make the big weekend shoots impossible, and will force many of the multi-day competitions to add a day to their programs.

From Monday to Saturday, shooting before 9am will be banned, thus putting further pressure on competition schedules. The finishing time seven days a week will be 10pm.

Noise limits will depend on the day of the week, the time of the day, the background noise level and the maximum number of days of shooting per week.

Generally, these limits will be 5 decibels (A scale) lower for a Sunday compared with the other days of the week, 5 dBA lower after 6pm, and 20 dBA lower for planned ranges compared with existing ranges.

Planned ranges are those which started operations after February 1, 1991, plus those which have been "the subject of EPA consideration" before their commencement. The remainder are classified as existing ranges.

To understand how the days-of-shooting and planned ranges rules work, let's imagine a club that shoots one day a week throughout the year on its "existing" range.

If this day is a weekday or a Saturday, the limit is 75 dBA before 6pm and 70 dBA afterwards. But if the club hosts a six-day national event, the limit for the nationals plus ALL other shoots becomes 60 dBA before 6pm and 55 dBA in the evening. On Sundays the allowable levels will be 55 and 50 dBA.

That's because the limits hinge on the maximum days of operation in a week, not the average.

Now let's say the club started operations after seeking advice from the EPA, based on previous noise emission guidelines. According to the new rules, this contact with the EPA would make the range a planned range.

Without the nationals, normal Saturday shoots would then have a 55 dBA limit. But hosting the six-day event would drop this to 45 dBA before 6pm and 35 dBA in the evenings, seven days a week, all the year round.

Under such conditions, many clubs would suddenly find themselves in violation of noise controls, and would have to move or close down.

Measuring gunshot noise is a complicated procedure. For the purposes of the new guidelines, measurements are to be taken outdoors in a "noise sensitive area" — that is, within 20 metres of

the external wall of the most exposed building at an affected premises, such as a house, motel, caravan park or hospital. Measurements taken at the range itself are irrelevant.

If the background noise is high, noise limits will be based on the background sound level plus 10 dBA (daytime) or plus 5 dBA (evenings), if the resultant figures are greater than the normal limits.

Full details of the limits specified by the EPA are as follows:

**TABLE 1: NOISE LIMITS - EXISTING RANGES**

Days of shooting per week		<1	1	2	3-5	6-7
Day	Monday-Saturday	80	75	70	65	60
	Sunday	75	70	65	60	55
Evening	Monday-Saturday	75	70	65	60	55
	Sunday	70	65	60	55	50

**TABLE 2: NOISE LIMITS - PLANNED RANGES**

Days of shooting per week		<1	1	2	3-5	6-7
Day	Monday-Saturday	60	55	50	45	45
	Sunday	55	50	45	45	45
Evening	Monday-Saturday	55	50	45	40	35
	Sunday	50	45	40	35	35

Remember, "days of shooting" means the maximum, not the average. The first column — "Less than one" or <1 — refers to shooting occurring at a maximum of one day a week but on no more than 30 days a year.

## VIDEO COACHING TAPES TRAP AND SKEET SHOOTING

Written and Produced by George Biggs  
For the Australian Clay Target Shooter

### \*Shooting Trap

The techniques of shooting trap both single rise and double rise targets plus a 15 minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house.

Price \$45

### \*Shooting Skeet

The mechanics of skeet shooting in a step by step demonstration round the skeet field plus a talk on types of guns etc and a 15 minute explanation of how to determine correct gun fit for the individual shooter.

Price \$45

### \*Commonsense Reloading

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter.

Price \$40

\*Each tape is supplied with a 2-page leaflet with advice on gun fitting and gun selection.

Immediate Delivery.

Prices include post & packing to all states.

Phone or Write to George Biggs  
4 Hugh Street,  
Knoxfield, Vic. 3180.  
Phone (03) 801 2748

Please send money order or cheque when ordering.

## QCTA CENTRAL ZONE

The Central Zone QCTA held its annual Trap Carnival at Rockhampton Gun Club on 9th and 10th February. Despite recent flooding, 46 shooters contested the whole program with another 15 shooters competing in part of the program.

The club grounds were looking wonderful after the rain. The club was very lucky during the flood as it became accessible only by boat but the club houses and trap houses escaped the water. The elderly caretakers were happy to sit out the flood on their little island. No clays could be retrieved from the first trap after the shoot as a large lake still remained in front of the traphouse.

The weather for the weekend was very hot and humid and we were lucky that the storms which threatened all weekend only hit after shooting was finished. The bar did well replenishing the fluid lost on the tracks, thanks barmen you were most appreciated. The ladies in the kitchen must also be thanked for supplying our sustenance for the weekend.

The annual general meeting for the Zone was held on Saturday evening. All office bearers were returned to their positions and it was decided the venue for next year's shoot will be Gemfields on the third weekend in February.

This year we were able to field both a Ladies and Junior team as well as our open team. It is great to see so many young shooters coming on but disappointing that the number of ladies in our Zone has dropped over the last few years.

The overall high gun for the weekend was won by Mark Warnock of Rockhampton who also took out the prestigious Champion of Champions award. The Front Marker High Gun was won by B. Becker with Vere Storch taking out the Ladies and G. Connor the Junior High Gun.

• The photo shows the Open Trap Team — Back row L-R: Danny Casagrande, Mark Warnock, Keith Mackay, Noel Deeley. Front row: Ray Maroske, John Paul.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

**Tony Yozzi Sports,**

SOLE FACTORY EXCLUSIVITY FOR WESTERN AUSTRALIA FOR PERAZZI FIREARMS AND ACCESSORIES. KROMSON CLAY TARGET MACHINES. ROBOT MODEL 350A — trap — skeet and personal models.

**BENELLI FIREARMS** MODELS 121, 123, 123-3" Mag., 121-3" Mag., Montefeltro, Super 90 in field, trap and interchangeable choke models.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

# THE BEGINNING OF SKEET SHOOTING

By **GEORGE BIGGS**  
**A.C.T.A. Historian**

Skeet as we in Australia today play the game, was first invented in America about 1920. In the very beginning it was designed to provide a kind of substitute for live bird and game shooting. However it went much further than that to become a popular clay target shooting game.

The first thoughts on skeet shooting were born around 1910 in America. The original idea being that it would provide the field shooter with a chance to catch up on his form for the opening game hunting seasons, also to take the place of live bird shooting.

It was in 1920 that a William H. Foster came up with the possibilities of this new form of shooting clay targets. Various types of field layouts were used and finally in about 1925 the field layout we use today was decided on. During 1925 field shooters in communities throughout the state of Massachusetts put together suggestions for a skeet field that were published in a magazine called "National Sportsman and Hunting and Fishing" and articles with complete information were published. A contest was run by the magazine offering a prize of \$100 for a name for the new sport. Thousands of names were suggested from all over America. Finally the name "Skeet" was selected, it being submitted by a Mrs Gertrude Hurlbutt of Dayton, Montana. Skeet is an old Scandinavian word for "shoot".

**History records that** — the first report of organised skeet shooting events outside of Massachusetts was from Bremerton Washington and a picture was published in the May issue 1926 "National Sportsman". A booklet containing complete information on skeet, together with a diagram of the layout and a set of rules and regulations.

The Everett Gun Club was one of the first large clubs in America to take up skeet shooting.

Mr Henry Ahlin, later to become President of the National Skeet Shooting Association, was then manager of the club. Skeet shooting at this point became immediately popular and clubs throughout the country were hard pressed to handle the numbers of shooters eager to try out the new sport.

By 1925 thousands of shooters were anxious to try out the new sport and clubs sprang up throughout the country — it soon became obvious that a central body was necessary and so during 1925 the National Skeet Shooting Association was formed. Mr W. H. Foster became its first President, with headquarters in Boston.

The first Massachusetts State Skeet Championship was held in April 1929 and later the same year the Remington Gun Club staged the first of the Great Eastern Skeet Championships, at Lordship in Conn that marked the beginning of Big Time Skeet Shooting. By 1930 State Skeet Shooting Associations were well organised and working with the National Skeet Shooting Association. This action did a great deal to establish skeet shooting in America on a very firm foundation.

Prior to 1936 the rules of skeet called for the target from station 8 to cross over the shooter. This was later changed to cross over at a point 18ft out from station 8, this would help eliminate the risk of broken targets injuring the shooter. In early days before the automatic hopper feed traps were available, it was common practice to use trap boys who would sit in the trap house and cock and load each target as the shooter called for it. The correct call for the high house was "pull" and "mark" for the low house, in this way the boys inside the traphouse were not confused. At a later date a central pull box was positioned behind station 4, wires and pulleys were connected to each of the traps and with a lever, were operated by a puller on the call of each shooter.

In 1935 an American National Skeet Championship was staged for the first time. It was won by a Mr L. S. Pratt with a score of 244/250. It was not until 1938 when Henry Joy Junior turned in the very first 250/250.

Skeet shooting played a big part during World War Two, it was used as a training ground for Air Force Aerial Gunners. The

different angles of targets going, coming and crossing simulated the flight of enemy planes and shooting at them taught the gunners the all important principle of "lead". Actually many of the prominent skeet shooters entered the service as shooting specialists. After the war in 1946 saw the National Skeet Shooting Association reorganised with its new headquarters in Washington.

The official publication for the N.S.S.A. is the "Skeet Shooting Review", containing items of interest to skeet shooters of coming events. It was reported that skeet shooting in America necessarily fell off to some extent during the war years, it came back stronger than ever, undoubtedly this increased interest was directly attributable to the army-navy training programs, which introduced the sport to thousands of war veterans and to the new N.S.S.A. which has done much to develop interest in and to ensure the future of the sport. 1964 saw skeet included for the first time in Olympic Games. Skeet shooting today has become a fast growing popular competitive sport throughout the world.

Australia is no exception in this regard although we are I am sure only in our early stages of National Development of Skeet Shooting. It was not until early 1960 that Australia took up the American system of skeet shooting. At the Australian Gun Club, East Burwood in Melbourne, two skeet fields were set up and club championships were organised. The A.C.T.A. finally adopted American rules of competition. The sport quickly spread to other states resulting in the organising of the first Interstate Postal Teams Match.

**1960 — Early days of skeet at Australian Gun Club where the shooter is on station No. 4 about to call for his target. Note the puller seated at desk and will release the target on the call of the shooter, he will also referee and score the result. This was before the days of hopper fed traps, the traps were cocked and loaded by a trapper in the traphouse, the shooter would call pull for a highhouse target and mark for a lowhouse target. The gun butt had to be held off the shoulder. Note the felt hats and ties. The choice of gun was restricted to English DB or the Browning Auto, and usually full choke barrels. (Photo by Frank Johnson.)**

Thanks to a small group of skeet enthusiasts, skeet shooting was on its way up. The First National Championship being conducted in conjunction with the National Trap Championships in Perth in 1970, resulting in Newton Thomas the winner — score 60/61.

After 1970 the National Skeet Championship was for some 13 years run in conjunction with our National Trap Carnival and rotated annually around the states, it was in fact only a one day shoot. It was finally decided that the sport would be better promoted by a bigger and separate tournament, skeet shooters throughout the country voted on the suggestion, the result was for a separate event to be shot annually over a 4/5 day program. This commenced in 1983 and was shot at the Melbourne Gun Club on the first occasion.

Unlike America, Australian skeet shooters are a part of the Australian Clay Target Association which is the governing body of trap & skeet shooting in Australia. All trap and skeet shooters are registered with this body through their local gun club.

**Cont'd next month.**

# WARATAH STATE NOTES

## Government Grants

The New South Wales Clay Target Association would like to thank the New South Wales Government, Department of Sport & Recreation for their support and recognition of clay target shooting by way of funding received under the 1991 Sports Development Program.

## WESTERN ZONE

Hermidale Gun Club also missed their programme for the Blue Book this year and have now advised that they will conduct their allocated State Championship, the State Day Deauville Doubles, on the 19th October. They will also shoot on the Sunday to make a full weekend of it.

The two championships advertised for Brewarrina for the 21st of September, are both continental championships — State Day Pointscore Continental and State Night Single Barrel Continental.

## CENTRAL ZONE

Central Zones A.G.M. was held on 23.3.91 and they elected a new secretary. Mr Arthur Wright from Sunny Corner Gun Club has accepted the position. He can be contacted at PO Box 73, Portland, 2847. West Wyalong hosted the State Night Single Barrel Championship on the 16th March, with the winner being Merv Campbell from Boorowa with a score of 47/51.

## NORTHERN ZONE

Northern Zone held their AGM on 9th March, with Mr Peter Smith accepting both the Zone Handicapper's position as well as that of Zone Coach. He can be contacted at PO Box 299, Macksville, 2447.

## RIVERINA ZONE

Finley Gun Club is now shooting again after being in recess. They shoot on the 4th Sunday and the club is situated on the Newell Highway, 3 kms south of Finley. Their secretary can be contacted on (058) 83 2080 AH.

## SOUTHERN ZONE

Illawarra Gun Club hosted a successful Southern Zone Trap Carnival in March, with nearly 80 shooters attending. The Zone Double Barrel C'ship was won by J. W. Smith with 84/84. The Single Barrel was won by J. Blayzley, being the only 25/25 and Bill Jones was successful with 75/75 taking out the Pointscore C'ship.

The Southern Zone Team is: G. Rootes, J. Boulos, S. Stramarcos, V. Gatt, P. Farrugia, G. Kidd, W. Jones, M. Facer, B. Webb, A. Redondo, P. Athanasopoulos.

The Southern Zone Skeet Carnival was also held in March at Marconi Gun Club.

The Zone Skeet C'ship was won by Nick Burrows, our new Blue Book publisher, with a score of 51/51.

The Southern Zone Skeet Team is: C. Naudin, S. Wright, N. Burrows, J. Dunne, P. Vella, B. Barlow.

## COACHING

Any Level 1 Coaches interested in upgrading to Level 2 this year ... please contact Fred Schmetzer before May 13.

**Libbie Bunting**  
State Secretary

## ATTENTION: NSW Coaches

The time has arrived to update our computer records. Listed below are the names of 85 accredited coaches in NSW & ACT. If your name is on this list, could you please contact either your zone coach or myself with details of your present club and postal address. If you are an accredited coach and your name is not on the list, please also contact us.

It is possible that some of these people have moved interstate or overseas or even possibly passed away, anyone who does have knowledge of such a person, your assistance would be greatly appreciated.

### Level 1

J. Allotta, F. Atkinson, C. Bailey, S. Boydell, G. Bunting, N. Butt, P. Cameron, N. Champion, D. Chambers, W. Coady, C. Crighton, D. Crighton, R. Cugley, R. Darwon, J. Duyker, Mrs R. Faber, J. Farrell, J. Fenwick, K. Gittings, R. Glenn, R. Hammond, M. Harrison, C. Hawkins, K. Hayes, B. Holcombe, D. Huddleston, R.

AUSTRALIAN CLAY TARGET NEWS — MAY 1991

C. Burt, R. J. Smith.

Good shooting,

**Fred E. Schmetzer, NSW State Coaching Director**

## MARYBOROUGH TIT BITS, QLD.

Bundaberg 3/3 — Pleased to see Bill Stolberg turn up at Bundy and still a very keen shooter, I hope your brother Barry — another keen shooter will be fit and back shooting again soon.

After shooting the jackpot at Maryborough, last shoot Paul Anderson drew the Bundy jackpot but missed the last target ... better luck next time Paul ... one out of two is okay.

Paul Rehbein took the 25t HC, 25t PS, 15pr DR and of course the Overall High Gun, great shooting Paul. The FM High Gun went to I. Rutherford.

Shooters note that Bundy shoots one week later this month on the 12th May which leaves shooters free to attend the State Trap Carnival on May 4, 5 & 6. Good thinking Bundy.

Gympie 10/3 — Another good Cooloola Classic with thanks to the tucker ladies at all clubs that help to make the shoots so enjoyable.

At every shoot there are some outstanding efforts and the outstanding shooters of the Classic were: Barry Power shooting Bgrd 25t DB CD, 50t DB C'ship, OA & B in 25t PS C'ship, 1st 25t HC & the Bgrd High Gun. Les Sidwell featured well in the C grade honours — 25t DB CD, 2nd in 50t DB, 25t PS, 25t Cont & the C grade HG. The top A grade shooter was M. Andronis who had stiff competition from G. Durre, B. Stolberg, B. Chain, P. Freeleagus and the legendary Bill Stevens. It is very pleasing to see top shooters attending small club shoots which add competition and give the club the feeling that big shoots are still worthwhile, thanks Gympie for a good shoot and thanks to the shooters for their support in attending.

Ex NZ shooter Irvine Wynyard now in Bundy returned home to NZ and shot in the NZ North Island Championships with 50 squads who shot 90 possible in one event and 20 possibles in another, but he was still able to bring some cash back to Bundy ... good shooting Irvine.

Out of luck Barry Power at Sunshine Coast shot two possibles and other good scores and only ended up with a break badge, a bit stiff Barry.

Maryborough 24/3 — Thanks to all who travelled to give us the numbers to hold a good one day Timber City shoot, top gun for the day Ray Maroske from Rocky taking the 25t DB, 25t PS & Agrd HG. Featuring in most events were Bill Edgerton, Ike Osborne, Clinton Groves, Rod Fett & Frank Agius who was wearing his legs shorter walking up and back for trophies including the Bgrd High Gun, Les Sidwell featured in three events and took the Cgrade High Gun. Dick Osborne won't have to work for a while after shooting the jackpot, good shooting Dick and welcome back to the winning circle Bill.

Good shooting to all, till next time see you at the shoots.

Lost Bird.

## KALLANGUR CTC . . . UPDATE

Prior to 1988 the Committee of the Kallangur Gun Club decided to seek new grounds so that it could become more permanent and be able to upgrade its facilities.

A suitable block was found at Uhlmann Rd, Burpengary. After inspection by the members a meeting was held on 14/3/88 and although another block was put forward for consideration, it was decided to proceed with obtaining a lease for the Burpengary block.

Progress with the lease and the removal of the trees was considerably slow and the "red tape" was endless. Amid the correspondence between the Caboolture Shire Council and the Club securing the lease for the new grounds, the Pine Shire Council closed the existing Kallangur Gun Club down as it was not gazetted on the town plan, the Club held its final shoot at Kallangur in January 1990.

Due to this situation members and volunteers energy and motivation has been concentrated on establishing the new facilities. Seeing we changed shires the committee decided on changing the name to Caboolture Clay Target Club Inc. Work then started on removal of trees and earth works. Members have donated money towards the construction of three (DTL) trap layouts which are by now completed.

Keep your eye open on further updates . . .

Caboolture Clay Target Club Inc.

## COMMONWEALTH TITLE

Sebastopol Gun Club played host to the Commonwealth Single Barrel Championship on Saturday March 2. The winner of the title was Robert Nisbet who shot 43/50 off the 22 metre mark.

Robert travelled to Ballarat on the Friday to pick up his gun which was having a new stock fitted. On the Saturday he headed off for the club to try out his gun, when his car broke down. After some assistance from the RACV they returned the car to their garage, fortunately RACV were kind enough to commute Robert and his wife to the shoot, too late to contest the first event, but a win in the Commonwealth Title made amends for that. A good but frustrating day.

Along with the Commonwealth Title and the first up eye opener, a 30target Double Barrel was contested and won by John Kelly. John is pictured (right) with Robert at Sebastopol.

## ROBERT DURBRIDGE

- Robert began shooting in 1977 and won his first championship, a 10 Target Schoolboy Championship at Maryborough in November 1977.

- Robert shot whenever he could fit it in between trapping and in 1979 began shooting regularly.

- In 1980 Robert made the Junior State Trap Team with a score of 110/120 and won the Junior Single Barrel Championship with a score of 27/30.

- Robert won the first overall championship at Boort in January 1981. This was the Lake Boort Double Barrel Championship.

- By mid 1981 Robert was in A grade.

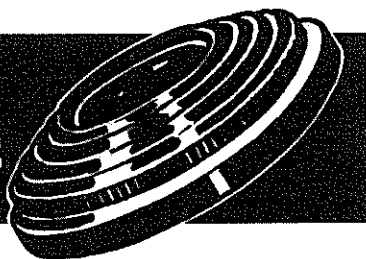

- In 1986 Robert made the State Postal Trap Team with a score of 243/250.

- Robert was the president for the Maryborough and District Gun Club for two years — 1987-1988.

- Robert shot consistently during 1989/1990, with his highest break being shoot in February 1990 at Maryborough. This was Robert's last shoot for 6 months. Due to a car accident in March 1990, Robert spent 4 months in and out of hospitals, along with many threats of losing his arm or having no use of it. Robert received multiple fractures to the right hand, lower arm and elbow (this being his dominated hand). As a result Robert has not retained full use of his hand and arm and has no right elbow function. This making it impossible to shoot right handed. To solve this problem and to allow Robert to continue his favorite sport, he has changed to a left handed shooter and over the past three months has been competing around the traps. His comeback shoot was at Mt Gambier where he shot 16/25 in the Double Barrel. Since then he has been regraded and won his first graded Championship at the Maryborough Christmas Shoot.

- Robert is enjoying his return to shooting and his goal now is to return to AA grade. He is looking forward to winning an overall championship again and (to beat his wife who has recently taken up the sport). He is very grateful to all who have helped him through the past twelve months, especially those who have encouraged him to return to shooting. He has received enormous encouragement from his wife Jacqui, Past President of the club.

## NEW ZEALAND NATIONALS

The Waikato Gun Club, at Hamilton in the North Island of New Zealand, was the venue for the recent New Zealand Trap Nationals. The grounds were immaculately prepared, the targets a pleasure to shoot and the weather beautiful.

A strong contingent of more than twenty Aussie shooters, turned out to give the Kiwis some keen competition.

We got away to a good start with J. W. (Jim) Smith from NSW winning the first event, the Famous Grouse Trophy Match and collecting a haul of Grouse Scotch Whisky. Jim shot 307/307 to win this event and many Aussies also won their grade trophies. Neil Berry from Queensland won the N.Z. Double Rise Championship, with a score of 47/50. It's the third time he has won this event, and the only man to ever win it three times.

Pud Burgess from NSW took out the NZ Single Barrel Championship with a score of 67/67 and as always it was a pleasure to see Pud in action.

Lyn Curtis from Victoria was very unlucky in the NZ Double Barrel Championship, shooting over 300 and being the runner up and taking A grade honours.

The Overseas Visitors Match was contested by an Australian Team selected on their scores from the pointscore and single barrel championships. The qualifiers were: J. W. Smith (NSW), George Bunting (NSW), Pud Burgess (NSW), Tony Bradshaw (Vic), Lyn Curtis (Vic) and Neil Berry (Qld). The Team was very proud to win this event shooting 444/480.

One thing evident to all of us was the warm friendly hospitality shown to us by the New Zealanders.

It certainly makes you keen to put New Zealand on your shooting calendar for next year.

Libbie Bunting

## ROMA CLAY TARGET CLUB INC.

The Annual 2 Day Shoot of the Roma Clay Target Club Inc. was held on Saturday and Sunday, 2nd and 3rd March, 1991, at the club grounds on Geoghegan Road, Roma, commencing at 9 am on both days. Saturday was a fine day, although there was a fairly brisk wind blowing at times. Sunday was a really good day for shooting, and I am sure that the shooters enjoyed our western climate. Approximately 60 shooters participated in the varied program held over the weekend.

Mr Jim Scott, President of the National Executive Council and his wife, travelled from Dubbo NSW to be present and I sincerely hope he enjoyed shooting at our club as much as we enjoyed his presence. A big thank you for making the effort and I do hope that you can come this way again in the not too distant future.

Mr Noel Deeley, from Rubyvale, who is a committee member of the National Executive also came down for the weekend. Thanks for coming Noel. We also have Mr Robert Nugent, who is our own member and is also appointed to the National Executive Council. So Roma was well represented with members of the National Executive Council of the ACTA. We also had visitors from Armidale NSW, Townsville, Rockhampton, Bundaberg, the Sunshine Coast, the Gold Coast, Brisbane, Warwick, Toowoomba, Chinchilla, Wandoan, St. George, Charleville and sundry other places. A big "thanks" to all those folks who travelled so far, which all helped to make our shoot the success that it was. On Saturday night, after the shooting finished, we all relaxed and enjoyed an evening of beer and prawns.

Mr Gary Redmond was the OVERALL winner of the High Gun. Congratulations Gary! Gary also won the President's Trophy. The Intermediate HIGH GUN was won by: S. Goodman. CONGRATULATIONS. The VETERAN HIGH GUN was won by: D. James. CONGRATULATIONS.

To all shooters and their wives, "THANKS AGAIN" for coming to ROMA, and we hope you will all (and bring a friend), be here for our 1992 Shoot.

**CHARLEVILLE 23-3-91** — Hot (13). 20T D/B: 1st: N. Gadsby 20/20, 2nd: D. Turnbull 18/20, K. Miller 18/20. 20T D/B Points: 1st: B. King 54/60, 2nd: N. Gadsby 51/60, 3rd: K. Miller 47/60. 10 Pr D/Rise: 1st: N. Gadsby 14/20, 2nd: D. Turnbull 13/20, B. King 13/20, 3rd: J. Mahony 12/20.

# WINCHESTER

## TARGET LOADS

*Setting the pattern  
others can only follow.*

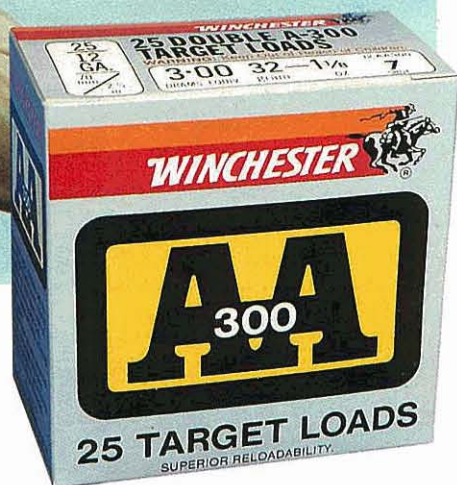

Winchester – our leadership in ammunition products is legendary.

In the toughest trap and skeet competitions, shooters have learned to rely on Winchester winning consistency.

From primer to crimp, Winchester best quality components are loaded for performance. Fast, with light recoil and patterns with perfect distribution of shot.

In shoot-off after shoot-off, Winchester's legendary performance, consistency and reliability has won through, time and time again. Over the past 10 years, Winchester Target Loads have won more Australian Shooting Titles than all other brands combined. Maybe it's the consistent, dense even patterns. Maybe it's Winchester's exclusive soft recoil design.

Whatever the reason, Winchester sets the pattern – the winning pattern – others can only follow.

**WINCHESTER**
