FOR PERFECT
CO-ORDINATION
BETWEEN MIND
AND MUSCLE.***

MIROKU 9000

Fit, feel and pointability are what a target gun is all about and Miroku presents this 9000 as a modern classic - the 'World Gun' - a blend of old gunsmith arts, proven technical breakthroughs and Made in Japan quality.

Notable features include ventilated barrels, adjustable wide, crisp trigger, presentation grade walnut woodwork, palm swell grip and the brilliant Browning Invector Choke, so there is no interference to distract your aim. There are five chokes which interchange easily so the Miroku adapts perfectly to any situation.

Get the feel of character and solid quality - pick up the Miroku 9000 and point it with perfect co-ordination.

Available in TRAP, SKEET and SPORTING.

EXECUTIVE DIRECTOR'S NOTES

This month brings about a meeting of the National Executive Committee which will be held in Melbourne. As reported in an earlier issue of the CTSN, the Association is embarking on a new organisation structure which will encourage and rely upon greater input from members of the Executive Committee than ever before.

Summarising what has been approved for implementation in May each member of the Executive Committee will have definite and distinct responsibility to a Sub-Committee chaired by a member of the Management Committee. In turn, each member of the Management Committee will have a greater responsibility to the Executive Committee for the Sub-Committee Portfolio's which they will be allocated.

The structure that has been approved is not a complicated system however it does rely heavily upon the work efforts of the Sub-Committees to ensure that progress is made in the sport.

NATIONAL OFFICE

A considerable amount of strain has been placed on the National Office owing to the departure of Tina Costello who having been with us for some 4 years has moved on in her working career. In addition, Antoinette Dal-Santo who has been with us for one and a half years is soon to leave us to become a mother. We wish them both well in whatever the future brings for them and thank them for their efforts on behalf of the Association.

Account inquiries to the office will now be the responsibility of Megan Smith who joined us in late April. Megan is a very capable employee and will prove to be a valuable asset in the office. We do ask however that every assistance is given to Megan as she settles into her role in the office.

COMPUTER

As is well known, the Association upgraded its computer operations this year and as foreshadowed difficulties did and are occurring. It appears as though the operations of the Association are a little more complex than first thought. Because of this our suppliers have had to revise their original recommendation which while at no cost to the ACTA has slowed down the full implementation of the system. This is being corrected however until such time as we are fully operative we may not always be able to provide all the services that are asked of us, every effort will be made to bring all services into full operation as quickly as possible.

NATIONALS

The venue for the 1992 Nationals have been determined. The ISU Olympic Discipline Nationals will be held at Brisbane Gun Club with firm dates yet to be set down. This will take place at the May meeting of the Executive and advised in the July CTSN. Trap Nationals will be held in NSW with Wagga Gun Club the proposed ground. Again actual dates will be decided upon at the May meeting of the Executive. The Skeet Nationals are scheduled to be held in WA at Whiteman Park.

WORLD CHAMPIONSHIPS

A meeting of the Organising Committee took place in Perth following the Trap Nationals. With six months to go, arrangements and planning are well in hand under the direction of the Organising Committee Chairman, Roy Holtfreter. The organisers in WA are and have been very active in their efforts to ensure that the Championships will be successful. As part of the activities the WA Clay Target Association are organising a down the line and skeet program to provide shooting for the many people who have indicated their intention to come to Perth for the World Ch'ships.

AUSTRALIAN CLAY TARGET NEWS — JUNE 1991

In addition a 200T ISU Grand Prix will be held prior to the commencement of the World Championships which being an open shoot will allow those who wish to do so to compete against the internationals who will be in the field. This is an opportunity which it is anticipated will be accepted by many and also an occasion to remember as the years go by.

When planning for the World Championships we are continually faced with the need for more assistance at all levels. If you feel that you would like to assist please contact the ACTA Office or the WA Organising Committee through Terry Morony (09) 332 4891, where your services will be readily accepted.

The assistance received from the WA Government and the Australian Sports Commission has been invaluable for without support of this kind Australia could not consider hosting a World Championship. While the championships are in the Shotgun Disciplines the right to conduct the event has been vested in the Australian Shooting Association who in turn have allocated this responsibility to the ACTA through the World Championships Organising Committee.

Indications already are that a large Italian team will be competing as will a large team from the USSR. There is no doubt as to the wish of all countries to attend the event as expressions of interest in this regard have been received on all occasions that our shooters have met shooters from other countries in competition.

The visitors will be made most welcome in Perth where the people at Whiteman Park have become well known for their hospitality, we trust that you will be able to join with them and make the Championships one that will reflect well on Australia in the eyes of the shooting world for many years to come.

Alan J. Maher

RULE BOOK CORRECTION

Rule 1.9 incorrectly printed in the updated rule book.

Rule to read —

1.9(a) Any extraneous occurrence, which in the opinion of the referee materially interferes with the equity of the competitor after he calls for his target constitutes a baulk.

Renumber (a) to (b)

Renumber (b) to (c)

ASA/AOC — WORLD CUP POINTS

To be eligible for nomination to the Australian Olympic Committee for selection for Barcelona in 1992, athletes (shooting) must have recorded a placing at one or more of the UIT World Cups held in the two year period prior to the Olympic Games.

Points are awarded ranging from 16 for finishing in first place to 1 for finishing in 16th place.

Based upon the best information to hand as at April 20, 1991 the following points have been recorded:

Name and Match	Competition					TOTAL
	Italy	USSR	Mexico	USA	Gnat	
Michael Diamond Trap	—	—	10	14	dnc	24
Russell Mark Trap	11	—	3	16	dnc	30
Phil Adams Air Pistol	—	20	2	—	dnc	22
Phil Adams Free Pistol	—	—	—	1	dnc	1
Lynne Freh Sport Pistol	—	22	dnc	dnc	dnc	22
Pat Murray Rapid Fire	—	—	6	8	dnc	14
Bruce Quick Free Pistol	—	—	—	6	dnc	6
Bengt Sandstrom Free Pistol	—	—	12	14	dnc	26
Bengt Sandstrom Air Pistol	—	—	—	9	dnc	9
Bryan Wilson Moving Target	—	—	dnc	5	2	7

A total of 10 shooters have achieved placings in the top 16 in World Cup competitions during 1991 which augurs well for Australian shooting and their selection chances for Barcelona — we wish them well.

Note: dnc (did not compete).

AUSTRALIAN SPORTS MEDICINE FEDERATION LTD.

INFECTIOUS DISEASES POLICY

The following is provided by way of information to all sports persons. While many of the areas may be considered to "not relate" to the sport of clay target shooting, the information provided by the Australian Sports Medicine Federation is designed to be educational for all.

The policy will be reviewed regularly and updated accordingly.

It is strongly recommended that all contact or collision sports team physicians, other sports medicine staff, coaches, referees, team managers, administrators, players and their parents be informed of this policy and adopt its commonsense recommendations forthwith.

For health care professionals, information on a suitable Hepatitis B vaccine may be obtained by contacting the ASMF National or State Offices.

● POLICY STATEMENT ON INFECTIOUS DISEASES

(With particular reference to HIV (AIDS) and HEPATITIS B)

A number of blood borne infectious diseases can be transmitted during body contact and collision sports. The more serious include **HEPATITIS** and **HIV (AIDS)** infections. These diseases may be spread by contact with infected:

- Blood
- Saliva (not for HIV)
- Perspiration (not for HIV) and
- Other bodily fluids

THE FOLLOWING RECOMMENDATIONS WILL REDUCE THE RISK OF DISEASE TRANSMISSION:

- All open cuts and abrasions must be reported and treated immediately.

● PLAYERS

1. It is the players' responsibility to **maintain strict personal hygiene** as this is the best method of controlling the spread of these diseases.
2. It is strongly recommended that all participants, involved in sport and playing under adult rules, be vaccinated for **HEPATITIS B**.
3. Players with prior evidence of these diseases must **obtain clearance from a doctor** prior to participation.

● TEAM AREAS

1. It is the Club's responsibility to ensure that the **dressing rooms be clean and tidy**. Particular attention should be paid to hand-basins, toilets and showers. Adequate soap, paper hand towels, brooms and disinfectants must be available at all times.
2. **Cummunal bathing** areas (e.g. spas) should be **strongly discouraged**.
3. The practices of **spitting and urinating in team areas** must not be permitted.
4. All clothing, equipment and surfaces contaminated by blood must be **treated as potentially infectious** and treated accordingly.
5. **Sharing** of towels, face washers and drink containers **must not occur**.
6. All personnel working in team areas should be **vaccinated for HEPATITIS B**.
7. In all training areas, open cuts and abrasions must be reported to the coach and **treated immediately**.

● REFEREES AND GAME OFFICIALS

1. These officials must **report all open cuts and abrasions** at the first available opportunity.
2. Those who officiate in body contact and collision sports should be **vaccinated for HEPATITIS B**.
3. All contaminated clothing and equipment **must be replaced** prior to the player being allowed to resume play.
4. If bleeding should occur, the above procedures **must be repeated**.
5. If bleeding cannot be controlled and the wound securely covered, the player **must not continue in the game**.

● EDUCATION

There is an obligation upon all relevant sporting organisations to **provide suitable information** on the associated **risk factors** and **prevention strategies** for these diseases.

The **safe handling** of contaminated clothing, equipment and surfaces must be brought to the **attention of all players** and **ancillary staff**.

In the event of a player, official or member of the ancillary staff being found to be suffering from such a blood borne disease (**HEPATITIS, HIV**), that person cannot resume training or play, nor be involved in any team or match, **until cleared by his local medical officer or the team doctor**.

VALE

DON (D.R.) TAYLOR

It is with deepest regret that the Tasmanian Clay Target Association would like to advise of the passing of Don (D.R.) Taylor on Monday the 11th of March, 1991.

Don served on the National Executive of the ACTA for many years until 1980 and was awarded Life Membership to the ACTA for his many years of dedication and hard work.

He was also a member of the Hobart Gun Club since he began Clay Target Shooting, and was also awarded Life Membership to his club.

He served many years on the TCTA as Club Delegate, State Rules Supervisor, National Executive Delegate and State President.

He always shared his vast knowledge of our sport without hesitation and encouraged many a new shooter to continue.

Don will be remembered by many, not for what he did, but for what he was — the loving companion of Gloria, a father and a friend, but most of all, one heck of a skeet shooter. He will be greatly missed by all.

Tasmanian Clay Target Association

ACTA CLOTH BADGES

Embroidered cloth badges in the same coloured design as the new ACTA badge as depicted on the front cover of CTSN are available through the National Office at \$5.50 each including postage.

Please forward _____ badge(s) at \$5.50 each including postage, to:

NAME _____

ADDRESS _____

_____ P/CODE _____

Enclose payment of \$ _____ for _____ embroidered ACTA Badges.

ACTA, PO Box 557, Mt Waverley, Vic. 3149

ANNUAL GENERAL MEETING

The 55th Annual General Meeting was held on Friday 5th April with delegates in attendance to receive the annual report. National President Mr J. Scott chaired the meeting which was attended by delegates from 24 affiliated clubs, in addition a total of 99 clubs were represented by Proxy Delegates.

All reports presented to the meeting were confirmed. The agenda carried a Notice of Motion proposed by the Executive Committee which read:

"To replace the existing Statement of Rules and Statement of Purposes with a revised statement of Rules and Purpose".

Prior to the Notice of Motion being addressed at the meeting the chairman did advise that discussions between members of the Executive Committee had brought about a decision to withdraw the Notice of Motion.

This action generated a considerable amount of discussion from the floor following which Delegates were advised that comments and ideas relative to producing a new constitution would be received at the National Office up to and including the 1st August 1991 following which the matter of a new constitution would be reviewed by the Executive Committee prior to having a document made available to all states for their consideration.

Clubs are requested to have the matter discussed prior to 1st August and forward their thoughts to the National Office no later than 1st August.

Once club input has been obtained the matter will be addressed by the Executive Committee and returned to clubs via their respective State Association who will be encouraged to have the matter discussed at club level in an attempt to produce a constitution that will take the Association into the 21st century.

EDITOR'S MAILBOX

Dear Alan,

I would, through the C.T.S.N., like to give my sincere thanks to the many hundreds of shooters throughout Australia who have passed on their congratulations after my win in the World Cup. The shooting sports can be the real winner by gaining some much-needed favourable publicity in times when it is so badly needed.

The success that our team has enjoyed this year will at last, hopefully, get the knockers of I.S.U. shooting off our backs and prove that just because we are thousands of miles from Europe we can be more than competitive and our representation at these events is not simply to make up the numbers.

The interest overseas on Australian shooting has been tremendous and gauging by the amount of enquiries all of our team received, I am in no doubt that in November the World Championship in Perth will be an outstanding success.

Yours sincerely,

Russell Mark

WARATAH STATE NOTES

I would like to make mention of a few items of interest from the Perth Nationals pertaining to N.S.W.

Our Open Shoulder to Shoulder Team (K. Perkins, V. Gatt, G. Kable, R. Taylor and T. Alvaro) was successful in winning the Teams Match with a very good score of 122-125. Congratulations to you all. Our Juniors and Ladies Teams both came third with scores of 69-75 and 67-75 respectively. Keep up the hard work - maybe next year.

Six N.S.W. shooters qualified for selection in the Australian Team. They were A.M. Burgess, K. Perkins, V. Gatt, W. Headon, I. Headon, and P. Farrugia. Greg Tiffen was selected in the Australian Junior Team. Any shooter who has competed at the Nationals knows how difficult it is to gain a position on the National Team. Congratulations shooters.

SOUTHERN ZONE

Southern Zone A.G.M. was held on 14.4.91 with the following office bearers elected - President: Robbie Smith, Vice Presidents: Mike Bateman and Bill Jones, Secretary: Pam Smith, Handicapper: Mike Bateman, Delegates: Mike Bateman (3 yrs) and Fred Rapley (1 yr).

Shoalhaven C.T.C. is moving to a new ground and will advertise when ready to shoot again.

NORTHERN ZONE

Glenn Innes C.T.C. is now shooting on the second Saturday of the month instead of the first Sunday.

CENTRAL ZONE

West Wyalong Open and 2nd Junior Shoot will be held on Sunday, June 16, commencing at 10am, not on Saturday, June 15 as advertised in the Blue Book.

WHAT'S GOING ON!!! "WHAT IS GOING ON?"

Originally Victoria was allocated the 1990 Skeet Nationals, with the 1991 event being delegated to Queensland.

The ACTA and Queensland made a request that Victoria and Queensland swap years. Victoria readily agreed to this because of the reasons put forward, i.e. to hold the Townsville National in the same year as the World Shotgun Championships in Perth would place difficulty on some shooters.

Perhaps if Victoria had not changed, we would not be in the position we find ourselves in at the moment re the 1991 Event.

It seems that there are a number of persons outside the Victorian State Executive breaking their necks to become a member of that Executive with their criticism and "advice" on the running of Victoria! Sorry, until you become a resident of our State, we are not interested.

Victoria allocated the 1991 Nationals to the Melbourne Gun Club, the only club in Victoria to make application.

Melbourne Gun Club, supported by the VCTA Executive, then requested they be allowed to conduct the Championships in May for a number of reasons, not the least being that in some previous years, the only way into the Melbourne Gun Club in September was by power boat.

The ACTA did not accept the May proposal by the VCTA.

When Mr CONNORS speaks of the selfish few, I support him fully, but can attribute no blame to Victoria.

Many reasons were put forward NOT to conduct the event in May, none of which I believe were valid.

The Melbourne Gun Club and the VCTA Executive were capable and willing to host the Nationals with very little burden being placed on the ACTA. If Mr CONNORS is able to substantiate

the VALID reasons for holding the Championship in September, which would not also be valid for May, I most certainly would like to hear them.

Mildura Clay Target Club made a written submission via FAX in January direct to me, seeking to host the Championships. This application was discussed at the February meeting of the VCTA Executive.

Mr CONNORS, who I believe knows the working of Clay Target shooting bodies better than the vast majority of shooters in Australia, whether it be Club, Zone, State or National, did not at any time approach his Zone or delegates and brief them on behalf of the Mildura Clay Target Club to support his application. His Zone delegates were not in a position to answer a number of relevant questions posed by the VCTA Executive, therefore the VCTA was unable to support his application on such short notice.

National Championship rules of the ACTA require that a club hosting the Nationals have their ground ready 12 months prior to the date of the event. It also requires that a Club hosting a National Skeet Title have a minimum of six skeet layouts. The above are only two of the requirements Mildura did not have at the time of the application.

Since I have been the President of the VCTA, I have asked all my Executive to discuss freely with all shooters any matter raised at State level and whilst I remain as State President, this will be the case.

When Victoria is again allocated the Skeet Nationals, I hope that Mildura will be the first to make application to host the event.

Finally, I find it comical that Mr CONNORS has suggested the current Victorian Government would be aghast to see the Championship go outside this State, when he is fully aware of the amount of money it has cost shooters (and the ACTA) to hold onto their "shooting rights".

G. G. Woodhatch
State President, VCTA

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

Tony Yozzi Sports,

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

WOMEN'S TALK

Frankston Australian Gun Club was the venue for the 1991 Victorian Skeet Carnival held over the period from 26th to 28th April. A very good attendance of 15 squads, with good representation from our women and junior shooters.

Carol Ogden, looking like an advertisement for the Institute of Sport, had a very good carnival, winning both women's trophies for the two 50 target events on Friday as well as the 50 target event on Sunday, a place in the Women's State Team and the Open State Team (for the fourth time I hear), the Mixed Pairs (popularly known as the "mixed vegies"???) with her partner Ross Dodds, and the Women's High Gun for the carnival.

Lee Brownbill shot a very nice 97/100 to win the VCTA Women's State Graded Championship on Saturday as well as the VCTA Women's State Doubles on Sunday.

The Women's State Team members are Carol Ogden, Melbourne Gun Club; Lee Brownbill, Frankston Australian; Katie Light and Leonie Robinson, both Melbourne Gun Club; and Wendy Adams, Frankston Australian; with Lee being the team high gun.

Katie Light, also a junior made the junior team along with Richard Salmon, William Holloway and Robbie Holloway, all of Wangaratta Gun Club and Daniel Short of Frankston Australian. It was great watching these two teams shoot their postal matches, particularly the juniors with both Katie and Richard shooting a clean round, and Katie being the team high gun after a shoot off with Richard.

AUSTRALIAN CLAY TARGET NEWS — JUNE 1991

The enthusiasm and keenness shown by these juniors was a pleasure to see and augurs well for the future of skeet shooting.

I must add that Leonie Robinson, a relative newcomer to skeet shot her first 25 during the carnival and absolutely beamed when she shot one target more than her husband in the doubles.

Congratulations to the VCTA and Frankston Australian for an excellent three days of skeet shooting.

And now a message to the flag flogger from Perth and Wagga?

*We marched in the streets of Wagga
We marched with the veterans games
We marched with a clay shooting banner
That never came back again!*

Until next time.

Jean Wray

● Reigning Shield Holders — Cressy Gun Club. The ladies are as follows (L-R): Sue Yates, Alison Blaskett, Suzanne Hardwicke, Katrina Davey and Cheryl Arnol.

TAIPAN PERPETUAL LADIES TEAM POSTAL SHOOT

By January 6, 1992**

1991 TRAP NATIONALS

With the Trap Nationals being held at Whiteman Park on the first occasion since its completion in 1985 a great amount of interest was shown in the facilities available for shooters in Western Australia. The most repeated comment heard was that "The ground should be located in Victoria or New South Wales".

If one researched the history of the shooting complex it is quickly brought to the fore that hard work and the untiring efforts of many dedicated people brought about the establishment of the shooting complex.

If a similar dedication was brought to bear in other states results may or may not produce similar results however nothing ventured nothing gained. When congratulating all concerned in WA for what has been achieved through the combined efforts of many we must fully appreciate that they have made the most of their opportunities and as a result of this have a shooting ground in WA that is certainly unequalled anywhere in Australia and comparable to the best in the world.

With the Nationals commencing on Saturday with the traditional Handicap event the visitors from the east took the opportunity to shoot the Pre-Nationals and enjoy the warm 35°C temperatures. The grounds as always were in immaculate condition and for this we express our thanks and appreciation to complex manager Reg Wagland, Ted Dickinson, President of WA Gun Club and the members of the club for their efforts in preparing the grounds for 1991.

GRAND AUSTRALIAN HANDICAP

A total of 261 competitors contested the handicap event under conditions which while being excellent for shooting were a little testy so far as the warmth of the sun was concerned.

Using ten traps the Handicap Championship was run with great efficiency giving Shoot Marshal Tim Catling and his assistant Lindsay Coster little to no difficulties throughout the entire event.

Possibles were few and far between with only three recorded. At the completion of the event it was a very popular victory for Collie Gun Club (WA) shooter Laurie Paterson whose 50/50 was extended to 52/52 from the 16-metre mark in the shootoff, with Victorian Darrell Hunt from Wangaratta Gun Club one behind from the 23-metre mark. Well travelled Tasmanian Graeme Appleby from Rosebery Gun Club having missed his first target in the shootoff from 18 metres came in third overall.

The opening ceremony conducted prior to the handicap event was very colorful and a credit to the WA Organising Committee. State Teams, Open Ladies and Juniors were piped to their positions for the Opening Ceremony which was well attended by shooters. Mr Jack Busch, Executive Director of WA Ministry of Sport opened the Championships in the absence of WA Sports Minister Mr Graeme Edwards who while unable to attend owing to other commitments, attended the club during the Pre-Nationals and also during the remaining days of competition. When requested to do so, Mr Busch with the assistance of Assistant State Coaching Director, Murray Alexander fired the opening shot and delighted himself and the large crowd in attendance when he broke the target declaring the 1991 National Trap Championships officially open. All states dressed for the opening ceremony and for this we thank them, however it was the Victorian team who were unanimously and publicly acclaimed as the best presented state.

STATE TEAMS MATCH

In the traditional manner, Open Teams for all states contested a 25T event for the ACTA Cup with Ladies and Junior Teams scheduled to shoot their event on the morning prior to the Single Barrel Championship.

When score sheets were checked by the Shoot Marshal it was the strong NSW team captained by Kevin Perkins who took the honors with a team score of 122/125, one target ahead of SA and Victoria tying for second on 121/125.

FIRST

In the ladies section of the Grand Australian Handicap, Geelong Gun Club's Carol Zagorc, a regular competitor at all the big shooting programs, shot an excellent 48/50 from 17 metres to win the ladies section for 1991. Victorian junior Glen Hayden from Noorat Gun Club certainly showed his true shooting ability by registering a score of 52/53 from 19 metres. Glen is certainly an up-and-comer and a shooter whose future will be watched with interest. WA Gun Club member Peter McBride belied his veteran status shooting 47/50 from 16 metres to be a very pleased shooter when receiving his veteran's medal.

National Champions 1991	L. Patterson, Collie GC (WA)	52/52	16m
Ladies Section	C. Zagorc, Geelong GC (Vic)	48/50	17m
Junior Section	G. Hayden, Noorat GC (Vic)	52/53	19m
Veteran Section	P. McBride, WAGC (WA)	47/50	16m

DOUBLE BARREL CHAMPIONSHIP

— Event sponsored by Winchester Australia

Another warm day with a slight breeze to make conditions more pleasant for shooters.

A change from tradition with Double Barrel being shot over 100 targets for the first time to gauge the feelings of competitors for 100T National events.

Shot over two rounds of 50's each the 100T competition certainly reduced the number of possibles from those recorded in 50T events.

Five shooters shot the 100T; all Victorians.

State Handicapper Bill Eagle shot the 100T as did Dexter Barnes, Roger Duthie, Brett Dunstan a member of the 1987 Junior World Championship Olympic Trap Team and eventual winner Robert Christopher who expressed his delight in winning much to the enjoyment of spectators.

The shootoff went to 182 targets all of which were shot by Rob Christopher of Geelong Gun Club who had scored a double for the club in producing both the 1990 and 1991 Double Barrel Champion. WA veteran Eddie Lew from Lancelin outstayed his fellow veterans to be a worthy winner of the veterans section. The ladies double championship held in conjunction with the open and junior championships was very keenly contested with the score shot reflecting well on the ability of all competitors.

Zelda Maclure, a frequent welcome visitor to Australia via the Waitemata Gun Club in New Zealand, out-shot the ladies with a winning score of 98/100, just the one target ahead of Kalgoorlie's Julie Wood. Iona McJames, a relatively newcomer to shooting, also shot well to take third position two targets behind the winner.

As with the Ladies Double Barrel the Junior Championship produced excellent performances over the 100T. Tim Hayward from Beaufort in Victoria won his first National Title with the score of

98/100 which is good shooting by anyone's standards particularly in the junior ranks. Close behind the winner was fellow Victorian Jamie Whitmore from Boort on 97/100 with Greg Tiffen from New South Wales winning third place in a shoot off with a final score of 99/103.

The Double Barrel Championship shot for the first time over 100T will be reviewed prior to 1992 as a 50T or 100T Championship and it is anticipated that an early decision will be made in this regard.

WA Executive members Ross Silvester and John Fissioli who assisting in the presentation thanked the event sponsor, Winchester Australia for their support of the blue ribbon event and shooting as a whole.

National Champions 1991	Robert Christopher, Geelong GC (Vic)	182/182
Ladies Section	Zelda Maclure, Waitemata GC (NZ)	98/100
Junior Section	Tim Hayward, Beaufort GC (Vic)	98/100
Veteran Section	Eddie Lewis, Lancelin GC (WA)	92/100

STATE TEAMS LADIES/JUNIOR

Introduced for the first occasion in 1991 the State Teams were very keenly contested and if the reaction of those who both witnessed and took part in the competition is any indication this event will certainly grow in stature as the years go by and will be as keenly contested as the Open Teams Match.

At the completion of both events it was a double for Victoria with both teams successful. Lyn Gray from Korumburra led the way with an excellent 25/25 being well supported by fellow team members, Pauline Clark from Warracknabeal and Carol Zagorc from Geelong, finishing with a score of 69/75 to win the inaugural match. A close tussle for second resulted in a decision on point-score for WA 67/75, 195 points ahead of NSW 67/75, 191.

In the Junior section Victoria was again successful, again ahead of WA and NSW. Tim Hayward fresh from his Double Barrel Championship victory led the way for Victoria with a well compiled 25/25 being well backed up by Mitch Foon 24/25 and Jamie Whitmore 23/25 for an excellent Junior Team score of

72/75. WA on 71/75 also performed creditably for their second placing as did NSW who in finishing in third place recorded a team score of 69/75.

Full credit must go to team members and their respective State Associations for the manner in which they supported these two new teams' matches. Hopefully in 1992 we will see ladies and juniors from all states competing to win the Interstate Teams Matches.

NATIONAL SINGLE BARREL CHAMPIONSHIPS

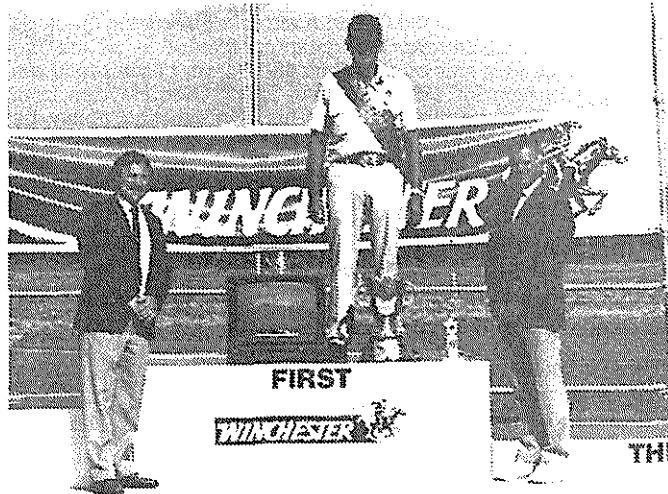

— Event sponsored by Winchester Australia

In similar conditions to Double Barrel day the Single Barrel event was keenly contested, however not all shooters were able to break the targets. Well travelled Ron Smith from Mallala in SA who as well as being an excellent supporter of shooting throughout the country shot the only possible and clearly won for himself the title of National Single Barrel Champion for 1991. Ron was delighted with his victory as was wife Pam Smith, with his victory being a popular result on the ground.

The ladies title was won for the second occasion by Zelda Maclure from Waitemata, NZ to make it a double and single barrel victory for NZ with her score of 48/51. The Ladies Title is in its infancy as a National Title event however those who have had their names added to the Ladies Single Barrel trophy have proved their ability to all and are worthy champions.

Sectional winners were Eric Maley a junior from Northam, WA 47/50 and veteran Malcolm Fuller 43/50, a strong supporter of Clay Target Shooting whose support is equalled by his enthusiasm whenever he competed.

National Champions 1991	Ron Smith, Mallala GC (SA)	50/50
Ladies Section	Zelda Maclure, Waitemata GC (NZ)	48/51
Junior Section	Eric Maley, Northam GC (WA)	47/50
Veteran Section	Malcolm Fuller, Marconi GC (NSW)	43/50

NATIONAL POINTSCORE CHAMPIONSHIPS

— Event sponsored by Winchester Australia

Conditions had certainly changed for the Pointscore Championship as the weekend opened and the rain poured down. Wet weather gear was the order of the day. Those who had not brought their wet weather clothes certainly wished that they had as the conditions worsened during the day.

One not to be put off by the weather was Echuca's Ray MacKenzie, part of a strong Victorian contingent, who having shot well to date had not produced any major victories. As the rain continued to fall Ray's 150/150 was the one to beat and try as they may the other competitors failed to equal his performance, Vic State Handicapper Bill Eagle certainly tried, however pulling a second barrel on his last target was something that he did not want or need.

WA shooters took a fair share of grade placings, however it was left to the shooters from the eastern states to secure the major wins. Carol Zagorc was continuing with her good form winning the ladies section with a points score of 143/150. Junior Jamie Whitmore from Boort, Victoria and Peter McBride, WA, also recorded good scores to take the junior 146/150 and veteran 138/150 sections of the championship.

The Allan Brown 5-member club teams match shot in conjunction with the points championship resulted in a win for Echuca who have won this event on five of the last six occasions. A good result for Echuca Gun Club with a team points score of 735/750.

National Champions 1991	Ray MacKenzie, Echuca GC (Vic)	150/150
Ladies Section	Carol Zagorc, Geelong GC (Vic)	143/150
Junior Section	Jamie Whitmore, Boort GC (Vic)	146/150
Veteran Section	Peter McBride, WAGC (WA)	138/150

MACKINTOSH TEAMS

— Sponsored by Winchester Australia

For the first occasion Australian team badges were presented to a veterans team. While the team did not shoot the match it was nevertheless a proud team that accepted their Australian badges with none prouder than past ACTA president Tup Pederson from Victoria. Efforts will be made through the English Clay Pigeon Shooting Association to ascertain the possibility of a veterans team competing for the Mackintosh Cup in the same manner as the ladies and junior shooters enjoy.

In the ladies team which included four Victorian ladies some excellent results were achieved including that of Wonthaggi's Lyn Gray who almost made it to the elusive 100 target with an excellent 99/100 winning the team high gun. All ladies were justifiably proud of their position on the team and look forward to receiving results from the other countries as they become available later in the year.

The junior team also produced some fine results with none better than Glen Hayden from Noorat (Vic.) who led the team, being named Junior Team High Gun with an excellent 98/100. As was the case with the ladies, five very pleased and proud juniors shot for Australia and again like the ladies will be anxious to see how their best efforts fared against juniors from each of the competing countries.

In the open section it appears as though Australia was fielding a very strong team and good results were anticipated. At the presentation of team badges efforts were made to move as quickly into competition as possible as dark clouds were very threatening. The competition commenced in reasonably good condition then the rain that had been threatening broke through and made things very difficult for the team who were anxious to do well and bring the trophy back to Australia.

We thank our sponsors Winchester Australia for their continuation of what has become a traditional part of the Mackintosh Teams Matches by making available Winchester cartridges for the use of members of the open, ladies and junior teams.

Murray Alexander, assistant State Coaching Director was named High Gun in the open team with his points score of 297/300. Results of the Mackintosh competition will be published in the CTSN as soon as overseas results come to hand.

MACKINTOSH HIGH GUNS

Ladies	Lyn Gray, Wonthaggi GC (Vic)	290/300

Junior	Best Team Qualifier, Jamie Whitmore, Boort GC (Vic)	286/300

MACKINTOSH 100T BREAK

Murray Alexander	Lyn Curtis	Robert Christopher
------------------	------------	--------------------

CHAMPION OF CHAMPIONS

— Event sponsored by Olympic Targets/Scorpio Cartridges

After three days of common mark shooting the prestigious Champion of Champions from the 18-metre mark commenced in conditions that left a lot to be desired. Continual and heavy rain continued right throughout the event making things extremely difficult for shooters. One shooter finding the conditions very much to his liking was Jon Whittakers from Echuca who led the field at the close of the competition with a score of 122/125 made even more creditable by the conditions. Jon has won a number of National Titles over the year with none more pleasing for him than the prestigious Champion of Champions.

Victorian junior Glen Hayden from Noorat continued his good shooting throughout the five days of competition and was a proud winner in the junior section. Geelong Club's Carol Zagorc who had been experiencing a good championship continued with her good form taking the ladies section with a score of 112/125.

WA Gun Club veteran Peter McBride who took the veterans section with a score of 107/125 commented on the good natured competition that was evident between the competing veterans. Sportsmanship is what it is really all about and in this regard the veterans were certainly not found wanting.

NATIONAL DOUBLE RISE CHAMPIONSHIP

Good weather had returned for the last event which carried a national title. Titles to day six had been shared around so far as individuals were concerned with Victoria leading the way having produced three of the five National Champions with WA and SA each producing a National Champion.

A great deal of interest was generated in the Double Rise as it was the last opportunity for those who had not been successful to date and those wishing to add to their record to produce the goods.

A total of 173 took part with most finding the Double Rise targets a little difficult to find after the previous events. Frank Bombara from Geraldton was again prominent in C Grade and had enjoyed a good Nationals as had Katanning's Tim Catling who was mixing his roles as Shoot Marshal and competitor with great success in AA Grade.

Familiar faces took the honors and WAGC veteran Peter McBride continued his success throughout the Championships. Echuca's Steve Atkins was one who clearly demonstrated his liking for the grounds and the Double Rise targets taking overall first with a score of 46/50.

COMARK DEAUVILLE DOUBLES

The by now traditional Deauville Doubles sponsored for the tenth successive year by Geoff Rabbidge of Commercial Marketing Company proved once again to be an event that is extremely popular particularly so in relation to the family conditions controlling the composition of teams. The father/son combination of Reg and Jamie Whitmore from Boort and husband/wife Adrian and Lorraine Hoyd from Sydney found Noorat's Gary and Glen Hayden too strong on the day with their score of 19/20. Glen, in particular, had enjoyed a very successful Nationals with his abilities really coming to the fore.

With the number of teams taking part in the Comark Deauville Doubles increasing year by year the event has by now established itself as a traditional and keenly contested event. We look forward to its continuance for many years to come.

HIGH GUNS

With the Double Barrel Championship shot over 100 targets High Guns other than Veteran were decided upon over a score of 525 points/targets.

OVERALL HIGH GUN - Roger Duthie, Hamilton, Vic. 505/525.

Having shot all National events with only a third placing in AA in the Champion of Champions event to his credit, Hamilton (Vic.) shooter Roger Duthie was rewarded for his consistent shooting over six days of competition.

Winning the High Gun title with an excellent score of 505/525 Roger received from Mr Lex Shipp, State Sales Manager, WA, the Winchester High Gun trophy, a magnificent Beretta SO5 Sidelock Trap Gun valued in excess of \$10,000.

On behalf of Roger who also thanked our sponsors personally we do thank Winchester for their ever present sponsorship and in particular we thank them on behalf of all who shot the National Championships for their trophy support throughout the days of competition.

LADIES HIGH GUN - Zelda McClure, Waitemata, NZ 470/525.

Zelda who is a very frequent visitor to Australia shooting all disciplines proved her ability once again winning two National Ladies Titles, Double Barrel/Single Barrel to add to her previous wins in Australia. In addition Zelda won the Ladies section of the Double Rise Championship capping her week off by captaining the New Zealand Glenn Cup Team to victory over Australia with a captain's score of 20/20. Always a good competitor, Zelda has promised to return and when doing so she will no doubt again set the standards of consistency amongst our lady competitors. Zelda was presented with her Ladies High Gun trophy by Mrs Joan Scott following the tradition established many years ago of the ladies trophy being donated and presented by the wife of the National President.

VETERANS HIGH GUN - Peter McBride, WAGC, 267/300.

A very pleasing result for WA's Peter McBride winning the Veterans Section of four of the six National Titles. With the Veterans High Gun decided over the three Mackintosh events, Double Barrel, Single Barrel and Points, Peter's score of 267/300 was a fitting result for his efforts throughout the competition.

In addition to being named Veteran High Gun, Peter with a score of 456/525 was also named as winner of the Val & Fred Horton Perpetual Trophy which is awarded to the Veteran with the best aggregate score over the six National Titles.

C. H. INGBRITSEN

JUNIOR HIGH GUN - Glen Hayden, Noorat, Vic. 490/525.

A successful Nationals Championships was also enjoyed by the very promising junior from Noorat who by taking out the junior section of the Handicap, Champion of Champions and Double Rise Championships showed consistency across the range of events. In addition Glen shot as a member of the Junior Mackintosh Team being named Team High Gun and combined with his father Gary to win the Comark Deauville Doubles.

Glen is a shooter with great potential and without doubt will be able to mix shots with open shooters when he leaves junior ranks.

OLDEST COMPETITOR

The Val & Fred Horton Perpetual Trophy for the oldest competitor to take part in the National Trap Championships was presented to past President Tup Pederson from Drouin (Vic.) who shot the Nationals, and made the Veterans Mackintosh Team at the young age of 83.

Cont'd over page

GLENN CUP

The Glenn Cup is contested in Australia in odd years, therefore 1991 was Australia's turn to host the competition which always attracts keen interest.

The New Zealand contingent in Perth totalled eight in all and with this small number rested the responsibility to uphold New Zealand's record in the International Match.

The Australian Team comprising Ray MacKenzie (Vic.), Bill Eagle (Vic.), Robert Godfrey (Vic.), Pud Burgess (NSW), Craig Bentley (Vic.) and Roy Holtfreter (WA) was selected as a result of performances in the Australia-New Zealand Points Championships where the top six performers self select as the Australian Team.

A very keen New Zealand Team of Zelda McClure, Brian Carroll, Gavin Brears, Tony Truss, Paul Hill and John Dempsey outshot the might of Australia winning the trophy with a team score of 117/120 as against the Australian Team score of 114/120.

A magnificent effort by New Zealand having only eight shooters to select from against the large number of Australians. A disappointment for Australia with full credit to both teams for the sportsman like manner in which the International Match was contested.

Having completed another National Championships we take this opportunity to thank those whose assistance did enable the Nationals to be conducted in a harmonious and enjoyable manner. While not wishing to leave any person unnamed we thank the following for their support and through them ask that our appreciation is passed on to the many who gave generously of their time and efforts on behalf of shooting.

WACTA: Association President Mick Watson
WA Gun Club: Ted Dickson
Tournament Director: Terry Morony
Shoot Marshal: Tim Catling
Handicapper: Elaine Forward
Office Manager: Trevor Smith
Office Staff: Whose combined assistance made for a very efficient operation throughout the duration of the Championships.
Photographs: Darrel Weise, Lambert Jackson and Lex Shipp.

SPONSORS

Sponsors are always an important part of any National Championships with 1991 being no exemption. We particularly thank the following for the support given and ask that as a shooter you remember our sports sponsors at all times in an effort to return some portion of the support which we sometimes appear to take so much for granted.

THE BEGINNING OF SKEET SHOOTING

By **GEORGE BIGGS**
A.C.T.A. Historian

During the early days of skeet in Australia skeet shooters were somewhat handicapped due to the lack of suitable type of gun. Most of us had to take dads old field gun bored half and full or we used an auto also bored full choke to say nothing of the unsuitable style of stock design ... results being scores were kind of disappointing.

The American National Skeet Shooters Association are a separate body from the American Trapshooters Association, which was formed many years before skeet was invented. Skeet was developed in the beginning from field and hunting sports. These shooters were in fact the inventors of skeet shooting.

Australia's first nibble at skeet began in late 1950 at the Australian Gun Club. A small group of enthusiasts would wait until after the main club program was over and they would play around and practise what was called English style skeet, which consisted of a round of 20 targets only and no number 8 station. Doubles were shot from stations 1 2 6 & 7, the second target of each double was

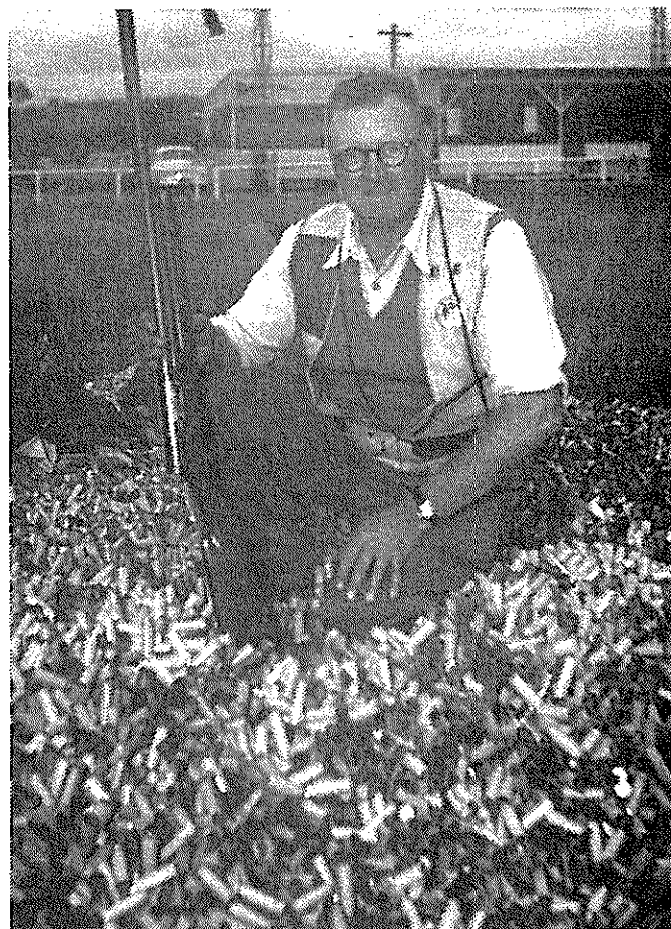

only released upon the report of the first shot. Doubles were only shot after the shooter had finished his first round of singles. As interest grew in the game it was decided to form a panel to look into the American rules of skeet. This panel consisted of Roy Fallshaw, Bill Delaney, Frank Johnson & George Biggs. The panel quickly found that American rules would be much more interesting, the club agreed and the suggestion was presented to the A.C.T.A. who finally agreed to adopt American rules of skeet as of 1961.

Skeet was then firmly established and became a part of the club's weekly program. Roy Fallshaw was the winner of the first club skeet championship. The game quickly spread to other states resulting in a postal interstate match which was keenly contested and still is today by both men and women as well as juniors. 1970 saw the first National Skeet Championship shot on the grounds of the Perth Gun Club. Since 1983 when the Skeet Nationals were first staged, membership has increased and scores have also shot up, we have in fact followed a similar pattern to the early times of the development of skeet shooting in America. Unfortunately our population being much smaller tends to hold us back somewhat, we also need to have better promotion.

International skeet came to Australia during 1973 when the World Moving Target Championships were staged at the Melbourne Gun Club. Twenty eight countries competed in both the Olympic trap and Olympic skeet events of 200 targets per shooter each event.

This photo taken at the Australian Gun Club just after the adoption of American rules shows the target from low house about to be hit from station 8. One can imagine how accurate you would have to be trying to shoot this target with a full choke gun. In this instance the target is only about 20ft away. As a point of interest, if you run a straight line up the gun barrel, past the target you will note how the muzzle has just established the correct lead a fraction of a second before the trigger is pulled. (Photo by Frank Johnson.)

Before the days of home loading. Australian G.C. National C'ships 1954. Frank Johnson winner of the International Team High Gun. Score 99/100, shooting with a Browning Auto. Frank later took up skeet and became one of a small group in the development and promotion of the sport. He later served as Club President. Frank was the official photographer for all National C'ships staged at the Australian Gun Club. We are greatly indebted to him for a large number of the photos that appear in these articles.

To be continued ... our skeet shooters visit America for World Championships.

WINCHESTER'S IMPROVED BALL POWDER – Super Target

Several years ago Winchester (USA), began loading their new Improved Ball Powder, "SUPER TARGET", in their factory loads for competition clay target shooters. Having achieved success in the "States", Olin Division, Winchester (Australia) is now releasing this new target powder in Australia. The virtues of the SUPER TARGET powder are many over the former 452AA. SUPER TARGET powder is formulated to produce very uniform velocity and pressure, for very consistent pattern placement. Other virtues include: it meters very uniformly (a big edge for consistent performance), it is cleaner burning than its predecessors (which will reduce the number of malfunctions attributable to residue accumulation), and it is marginally more efficient permitting more loads for your dollar.

Fortunately, as the new improved ball powder works at lower operating pressures than other powders, it is very soft on recoil – one of the most evident characteristics found during its field testing – and without affecting velocities. SUPER TARGET certainly gets out to the clay target quickly. There is also the inherent feature of a double based powder. These type of powders have greater stability over a wide range of temperatures which provides the consistent winning patterns shot after shot – whether you shoot in Tasmania during winter or in Darwin in summer. Consistency which instills confidence with shooting wherever you might choose to shoot.

The accompanying reloading data detailed with this review and provided by Winchester conveniently contains equivalents to their factory loads along with the respective MEC powder bush required for SUPER TARGET powder. During reloading for this evaluation the SUPER TARGET powder metered very evenly as suggested. The 2¼ dram load in the 1 ounce section proved devastating on skeet and very enjoyable to shoot – even for the slightest built person. A lady shooter to whom I provided several different loads commented on how comfortable the lighter 2¼ dram 1 ounce load recoiled. She was impressed with its even patterns and effortless manner in which it demolished skeet targets.

Whilst shooting DTL targets at a nearby ground I too was amazed at the speed in which the lead shot reached the clays. As an oversight I had installed a 3/8 Briley tube in my first barrel and a 4/8 tube in my second. The first barrel loads with 22 grain of SUPER TARGET in the 1 oz. load shattered clays without the need for a second barrel, which was very reassuring as the chokes were quite open for shooting off 15 metres. Back at 20 metres the clays did the same thing, and this was verified by another shooter in my squad who tested the loads through a Winchester "Pigeon Grade" trap gun.

During further evaluation during a practice shoot conducted at Inverloch the SUPER TARGET loads proved devastating on "flushed" targets with the absolute minimum of recoil. The skeet targets shot as part of a mixed round using the 1 oz. load in 9 shot were simply smoked. At the DTL tracks, for 10 targets, the 1¼ oz. 3 dram loads performed well.

Overall, the new Improved Ball Powder, "SUPER TARGET" performed magnificently. Every load assembled crimped well with only 30 pound of wad pressure required. I predict SUPER TARGET will be greatly accepted by shooters who enjoy fast loads with the minimum of recoil, especially skeet and UIT shooters for the 1 oz. loads are a sheer pleasure to shoot – with devastating results. DTL shooters currently using Winchester's 452AA will certainly notice the difference in residue found in their barrels for the SUPER TARGET is a much cleaner burning powder. Good luck with SUPER TARGET, I am certainly impressed with it and I think readers will be too! Safe reloading from the data provided and remember to ALWAYS wear safety glasses when reloading cartridges.

WINCHESTER SUPER TARGET	
MEC BUSH NUMBER	APPROXIMATE CHARGE
28	18.6 grains
29	19.3 grains

NEW WINCHESTER SHOTSHELL POWDER SUPER TARGET (WST)

Super Target™ powder is formulated to produce very uniform velocity and pressure, for extremely consistent pattern placement and it meters more uniformly, another big edge for consistent performance. The cleaner-burning and more efficient formulation reduces residue, resulting in fewer malfunctions and longer strings of broken targets.

CASES: Winchester AA®, SuperLite™, Xpert®, and Super-X®,

REFEREES & ASSISTANTS WORLD CHAMPIONSHIPS, PERTH

As expressions of interest are currently being sought from people interested in acting as Referees or Assistants for the World Shotgun Championships to be held in Perth during November, many may be interested in the format proposed for these officials.

The Organising Committee is seeking the assistance of approximately 30 people to act in the capacity of referees and assistants. Referees will be selected from suitably qualified applicants and will be required to undertake a course of instruction, by correspondence, to enable them to be appointed to the position of ACTA ISU referees.

Assistants will also be given suitable training to make them aware of the rules relating to the Olympic Disciplines, and will be able to take advantage of some on-the-spot instruction at Perth on the day leading up to the World Championships.

The current proposal is that nine teams each of three people will be formed. One (or more) member(s) of each team will be appointed as the official referee, the remaining two people will act as assistants, and will be the button pusher and scorer.

Three teams, each of three people, will be assigned to each of the three shooting grounds to be used to conduct the Championships. These teams will be identified as Team 1A, 1B and 1C, 2A, 2B and 2C and so on.

Each of the three teams assigned to each ground will then officiate as follows:

- Team A — working as referee, scorer and button pusher.
- Team B — working as check scorers and flip board operator.
- Team C — not working.

At the completion of the round, the teams rotate, Team C becomes referee, scorer and button pusher, Team A becomes check scorers and Team B is off. The same procedure would be applied to each of the other two shooting grounds, with Teams 2A, 2B & 2C and 3A, 3B & 3C, working in rotation.

Working in this manner, two of the three teams assigned to each ground will be working while one team has a break.

As the Olympic Trap and ISU Skeet events will be conducted at different times, the teams of referees and assistants will be required to officiate in both championships, and also the Double Trap event.

The positions of referees and scorers at the World Championships are very important to the success of the championships, and the ACTA and the Organising Committee will certainly be acknowledging the importance and value these volunteer workers are playing. All referees and assistants will be suitably attired and identified as officials. Members of the official UIT jury will also be assigned to each shooting ground during the competitions to assist with the overall running of the competition.

Rarely does an opportunity arise for enthusiasts of clay target shooting in Australia to become actively involved in a shooting event of the importance of the World Championships, and whether a person is familiar with ISU shooting or not is not of any great importance in this case. Full instructions will be given to all officials, even down to the manner of scoring, which anyone can do.

The organisers are still looking for assistance, and Perth is a lovely place for a holiday during November, especially when a shooting event as important as the 1991 World Shotgun Shooting Championships is being conducted there at the time.

Please give these championships your support and let us know if you are available to act in an official capacity at what will be an exciting time for shooting when the World Championships are held in November. If you can assist please complete and return the coupon in this month's CTSN which is calling for volunteers.

David Menck
ACTA National Rules Supervisor — O.D.
UIT Jury Member World Championships

WORLD SHOTGUN CHAMPIONSHIPS — PERTH

VOLUNTEERS REQUIRED

Expressions of interest are sought from suitably qualified persons to act in the capacity of

REFEREE — SCORER — BUTTON PUSHER

If you are interested and willing to become involved on a voluntary basis then please complete the following and return to the ACTA by 31st May.

NAME:

ADDRESS:

..... P/CODE:

TELEPHONE: (B)..... (P).....

I am interested in assisting with the running of the World Championships during November 1991 in Perth in the following capacity. (Please tick).

Referee ☐ Scorer ☐ Button Pusher ☐

I understand that my involvement would be on a voluntary basis and I look forward to receiving early advice on what would be expected of me if I was to make myself available.

SIGNED: DATE:

WORLD SHOTGUN CHAMPIONSHIPS

The following people have expressed their interest in assisting with the organisation of the World Championships in various capacities ranging from referee to as required.

Brian Prosser	ACT	Barney Rooke	NSW
Peter Underdown	Qld	Peter McBride	WA
Filipo Petriella	ACT	Andrew Futter	NSW
Roy Abrahams	NSW		

We thank all who did respond to our call for volunteers and advise them that contact will be made with them by David Menck, National Rules Supervisor ISU.

Just a reminder to our ISU members who intend on taking advantage of seeing the world's best in action in November . . .
WE STILL NEED YOUR SUPPORT.

Phone David Menck if you can assist: BH (074) 46 7333, AH (074) 46 8353.

CLAY TARGET SHOOTERS AT INSTITUTE OF SPORT

As indicated in last month's edition, the Women's and Junior Olympic Skeet and Trench teams, for the November World Shotgun Championships, went into camp at the Australian Institute of Sport from 15 to 20 April.

Team members were subjected to an intensive program of exposure to the sports science facilities at the Institute. The largest component of sports science exposure was sport psychology, to which four hours were devoted. Members were given instruction on goal setting, concentration and arousal; arousal relates to placing an athlete in an ideal psychological state for the achievement of best competitive performance. In addition, each athlete, and the team, was psychologically assessed and comprehensive reports were prepared. The reports will assist self-management by the shooters, and each report has a separate annex to guide coaches in the best means of relating to each athlete.

Team members were given comprehensive instruction on appropriate nutrition, including fluid intake, were shown how to use gymnasium equipment properly, and how to exercise without gymnasium equipment. They were taught the use of massage as an aid to relaxation, and as an aid to bringing athletes up to peak performance. They were shown how biomechanical analysis has helped other athletes at the Institute, and conclusions were reached as to how this arm of science may help us in the future.

Most of the shooters in camp were able to recount episodes of tiredness, muscular soreness, headache and other symptoms during periods of long competition. The unanimous response of the AIS scientists to these episodes was that they could be alleviated by proper exercise programmes, by better nutrition and fluid intake, and by other aids to self-management. Each team member now has access to most of the necessary techniques. Members have made informal contracts to put themselves on training regimes from now to November and assistance will be provided to them to ensure goals are met.

Through the kindness of Canberra International Gun Club, the shooters spent four afternoons on the Club's new shooting ground. Diagnostic and minor remedial coaching was provided by Brian

LADIES & JUNIOR TEAMS WORLD CHAMPIONSHIPS APPEAL AUSTRALIAN SPORTS FOUNDATION

The ACTA is conducting an appeal through the Australian Sports Foundation for the purpose of assisting the Ladies and Junior Olympic Trap and Skeet Teams with their participation as members of the Australian Shooting Team at the World Championships which will be held during November at the Whiteman Park Shooting Complex in Perth, W.A.

Donations received through the appeal are fully tax deductible.

If you would like to assist the members of the ladies and junior teams then please forward your tax deductible donation to the ACTA using the coupon in this notice.

Cheques are to be made payable to the Australian Sports Foundation which will issue a receipt for all donations received for taxation purposes.

The Australian Sports Foundation is a Public Company operating under the auspices of the Australian Sports Commission.

SOUTH AUSSIE NEWS

Congratulations to Ron Smith who won the National Single Barrel Championship at the Nationals in Perth by shooting the only possible of 50/50.

Congratulations must also go to Dino Oliviero for his fine shooting during the National titles enabling him to gain a placing in the 1991 Mackintosh International Open Team — well done.

I also believe that our State team members, Dino Oliviero, Bob Andrews, Ron Smith, Phil Green and Ted Galkowski came in equal 2nd placing with Victoria in the Open State Teams Match — well done fellas.

MONARTO CLAY TARGET CLUB INC. ANNIVERSARY SHOOT — April 20th-21st 1991

I guess with most big events, much feverish activity takes place leading up to "the event" and then it seems "one, two, three" and it's all over and you wonder what all the fuss was about, and so has passed our 9th Anniversary Shoot without a hitch.

The weather for the whole week leading up to our 2-day shoot was perfect and Saturday was no exception. Clear blue skies and a temperature of 28°C left us feeling perhaps we might just beat our "funny weather" fame!

With the economy as it is at present we were unsure as to what numbers of shooters to expect but were happy with the 52 shooters on Saturday and then 60 on Sunday to take part in the competition. (One lone Victorian ventured across the border.)

After a phone call earlier in the week from a veteran who planted an idea into my head, the Club decided that as Anzac Day was to be celebrated just 4 days after our shoot we would allow a World War II Veterans team to shoot in the two-team events that would be shot for over the weekend. What a great moment for them — they didn't win either day but for a team whose average age for Saturday was 72 years and on Sunday, 74 years, they shot better than a lot of folk only half their age. Their team for Saturday consisted of Fred Atkinson (2/10 BN aged 76 years), Stan Meaney (121 TPT COY aged 72 years), Peter Caddy (RAAF aged 70 years), H. "Joe" Laxton (1 PARA BN aged 74 years) and John Gould (2/2 DOCKS aged 69 years) who was the 'baby' in their team. Their team for Sunday included Bill Harding (aged 80 years) who replaced Stan Meaney on the team. It was a pleasure to see these 'old boys' taking part and I think their veterans team will be most welcome to shoot as a team at our Club for as long as they can hold themselves together.

14 Veterans, 6 Ladies and 2 Juniors also took part in the competition over the weekend.

Event 1, the Buttercup 25 tgt Double Barrel Championship saw the competition get away to a good start with 7 possibles. Local 'B' grader (but not for long), Clinton Wohlfeil took the honours by shooting a 55/55.

Event 2, Alfab Engineering Pty Ltd 25 tgt Single Barrel Championship this year went to Tony Rohrlach (Monarto) who took out the event with a 36/36 after a shoot off with Trevor Morris.

The 3rd event on Saturday, the Buttercup 25 tgt Point Score Championship went to Peter Marcoionni (International) who shot the only possible 75/75. Not a bad feat seeing that he is just recovering from a knee replacement and is still walking around with a walking stick.

This event is shot in conjunction with the Shell Shield and eight teams (including those veterans) shot for it. Monarto No. 1 team, last year's winners, again took the honours with a score of 364/375, team members being Graham Michell, Phil Marsden, Phil O'Connell, Clinton Wohlfeil and Tony Rohrlach.

Day 1 High Gun went to Lynton Schubert with a score of 144/145. Lynton won the High Gun on day 1 last year and according to his own words, "Can't seem to hold it together for 2 days" — maybe next year.

While Phil O'Connell and his helpers cooked that "finger lickin' good chicken" for our evening meal an Annie Oakley was shot for and admirably won by Peter Hendy (Alexandra).

The club house then became the venue for an "informal meeting" on the problems felt by our sport and many ideas and

suggestions were thrown around and discussed. It was pleasing to see the number who stayed and partook in this discussion, showing their concerns and putting forward their thoughts.

I'm sorry to say that the weather on Sunday failed us miserably with a cold wind (straight from the South Pole) blowing directly into the shooters' faces.

Young Dennis Halikiopoulos (SAGC), that Aussie boy with the Greek name that some people can't seem to get their tongues around, was a popular winner of the club's most prestigious trophy, the Clem Thomas Memorial 30 Mixed Target Championship. This event is our most keenly contested event each year and club members try their utmost to keep it within the club, but this year (and only the second time since its inception) it was won by an "outsider". Congratulations Dennis.

The John and Elaine Johansen 25 target Handicap was taken out by one of our backmarkers, Tony Rohrlach (Monarto) from 22 metres, who shot an excellent 23/25 — not bad considering the conditions under which it was shot. John Bretag (Monarto) took 2nd place with a 22/25 and 5 shooters (including "yours truly") lined up for the minor placings after having shot 21/25 in the event. Keith Appelkamp (Lake Albert) came in 3rd with a 25/29 and Shane Craig (Lake Albert) took 4th placing with a score of 24/29.

The last event for the weekend, the Coca-Cola Bottlers 25 target Point Score Championship was taken out by Richard Dean (International) who shot the possible of 75/75. The G. & R. Michell Team shoot is held in conjunction with this event and last year's winners Lake Albert failed to take the trophy out this time. Monarto No. 1 team were once more victorious shooting a 337/375 — this time the team members were Graham Michell, Tony Rohrlach, Phil O'Connell, Tony Famiglietti and John Johansen.

Day 2 High Gun went to Richard Dean (International) with 141/150.

Trevor Morris (Alexandra) shot off with Tony Rohrlach (Monarto) for the Overall High Gun and was victorious with a 263/275. Trevor happily accepted his trophy of a selection of Winchester shot shells and a non-stick saucepan set donated by Dick Ayres on behalf of Winchester Australia.

Added "incentive" to win the overall High Gun was the very generous donation of the winner's "stock" to be made "adjustable" by that stock "specialist" Kevin Wright of Ballarat. Trevor is that lucky winner and a big "thank you" to Kevin for his generosity.

Grade High Guns went to Clinton Wohlfeil (Monarto) 244/275 for B grade, to Josh Rice (Monarto) 224/275 (C grade), a "beaming" Ruth Michell (Monarto) 224/275 for Ladies High Gun and an equally happy Peter Caddy 237/275 (Barmera) for the Veterans High Gun.

Our sincere thanks to those who have again sponsored events at our Anniversary shoot, committee members for preparing the clubhouse and grounds, and to those canteen ladies for happily feeding the multitude. Special thanks to Philip (chief cook), John, Mick, Ivan, Fred and to all those unnamed folk who helped in any way over the weekend to make it such a success.

To top off what was a busy but great weekend, somebody just had to win that raffle and that lucky person was . . . ME.

Hope to see you here next year.

Ruth Michell, Publicity Officer

ESPERANCE BAY GUN CLUB REPORT

The Gun Club ran its 29th Annual Easter Carnival over the weekend and using the proven formula of organisation it was a resounding success.

Fifty-nine shooters travelled from as far as Geraldton in this state, to a contingent from Victoria and South Australia. The interstate shooters had included Esperance in their plans for preparation for the National Titles in Perth next weekend.

Once again the business people of Esperance have shown their generosity by donation and sponsorships, both large and small and

for this the Club is most appreciative. Without this support this Easter Carnival would have a low profile and would not attract the numbers to the town.

The competition started on Friday afternoon with two events. Four events made up the programme for Saturday and three on Sunday. Winners and placegetters were as follows:

- Event 1. District Double Barrel Points Championship** 25tgts
Sponsored by Collins Engineering
Overall Winner & A Grade.....Max Cubic (Collie)
- Event 2. District Double Rise Championship** 10 pairs tgts
Sponsored by Esperance Appliance Centre
Overall Winner & A Grade... Bill Cakebread (Deniliquin)
- Event 3. District Double Barrel Championship** 25tgts
Sponsored by Hotker & Co. Super Spreaders.
This event needed a shoot-off lasting 91 targets between Glen Hayden and Harry Miller to decide the winner. Each shooter had a different style but were hitting the targets cleanly with the first barrel with only an occasional second being required.
Overall Winner & A Grade..... Glen Hayden (Noorat, Vic)
- Event 4. District Single Barrel Championship** 25tgts
Sponsored by David Browning.
Overall Winner & A Grade..... Bert Boschetti (Geraldton)
- Event 5. Bay of Isles Double Barrel Championship** 25tgts
Sponsored by the Business People of Esperance.
Overall Winner & A Grade..... Harry Miller (Esperance)
- Event 6. 40 Mixed Targets Championship**
Sponsored by E.J. Billington Cartage.
Overall Winner & A Grade.....Max Cubic (Collie)
- Event 7. 10 Target Points Score Eye Opener**
In this event there were just three trophies for the first three placegetters. The first trophy, a gold nugget sponsored by Hoechst Agrivet was won by Lex Shipp from Perth after a shoot-off with a shooter who has just joined the Esperance Club, Debbie Nankivell. Second place was sponsored by Esperance Glass Service. Tom Vodden from Kambalda took the third prize sponsored by Barbecues Galore.
- Event 8. State Points Score Championship** 50tgts
Sponsored by Millers Auctions.
Overall Winner & A Grade.....Tom Vodden (Kambalda)
B Grade.....John Dohnt (Esperance)
C Grade.....Gay Shipp (Perth)
Best Lady sponsored by Nevilles Jewellers..... Gay Shipp
Best Junior sponsored by
Esperance Sports Centre.....Glen Hayden
Best Veteran sponsored by
Keevil's Furniture..... Alan Brown
- Event 9. Esperance Grader Hire Grand Prix** 50tgts
Sponsored by Esperance Grader Hire.
Overall Winner & A Grade..... Luke Fisher (Ongerup)

OVERALL HIGH GUN TROPHIES

Overall High Gun..... Glen Hayden (Noorat)
Intermediate High Gun..... Luke Fisher (Ongerup)
Ladies High Gun..... Gay Shipp (Perth)
Junior High Gun..... Glen Hayden (Noorat)
Veteran High Gun..... Alan Brown (Perth)

The President and members would like to make a special thank you to the ladies who did an excellent job of catering for the shooters over the weekend. Their hard work was appreciated by all who took part in the Carnival.

MARYBOROUGH TIT BITS, QLD.

Congratulations to one of Bundaberg's Vice Presidents, Gino Sergiacomi, who took out a possible in the Gooburrum Shire Council elections and is now an Alderman ... it is good to have friends in high places. I am sure you are doing a good job Gino ... best of luck in your new posting.

Bundaberg 7/4: Welcome to new shooter Jason Hamill from Warwick to Bundy. A perfect day for 100T DB with Paul Rehbein shooting 99 but his dad Rob shot the lot to take the Overall High Gun. Spencer Plath took the FM HG. Kevin Ziph from Central Burnett shot the jackpot and Neil Berry eats again after winning the meat tray.

Gympie 14/4: Welcome to new shooters Bruce Lee and Aaren Gardner (don't let him outshoot you Dave) and a return to shooting by Colin Campbell, who didn't take long to hit his straps by shooting two events ... welcome back Colin. You can find George Hogarth at the most unexpected places; he dropped in for a shot and says he may settle in the area. The king of the tower Bill Stolberg lost his crown to Glen Durre who shot well on the day to take the 25T DB CD, 2nd in Handicap, Agr DR and Tower DB Pts ... good shooting Wal.

Sorry there won't be any Maryborough News but I am off with the Senior Cits for a bit of hunting in the Hunter Valley ... I will catch up on the news on my return.

Good shooting to all, till next time see you at the shoots.

Lost Bird

FOURTH SHOOT AT THE MELBOURNE GUN CLUB

The Veneto-Abruzzo Shoot was held at the Melbourne Gun Club on 14th April, with the participation of about 60 shooters. The shoot was sponsored by Incani Imports P/L.

The trophies were presented by Steve Incani, who also won one of the events. He had to call on his brother Mario to present him with his prize.

The shoot was enjoyed by all, the juniors and the veterans alike. The fresh air of Lilydale gave us a good appetite and we kept the ladies in the canteen busy.

Some of the shooters in the photo will travel to Sydney on 21st June for the interclub shoot against the Marconi Gun club. We wish them a successful trip.

T. Mileo

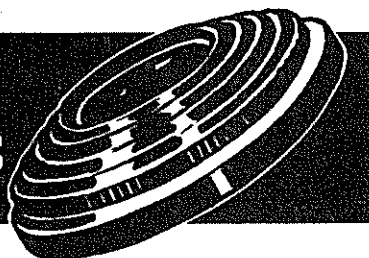

Cont'd from page 19

Prosser, Jim Ellis, David Menck and Phil and Frank Petriella. Brian, Jim, Frank and Phil also willingly provided all the necessary administrative support for shooting activities, so that shooting time was maximised. Whilst at work, each shooter was recorded on still and video film, which will provide a data bank for specialist coaches to work from.

Each day in camp was long and hard. A number of administrative hitches occurred, which needed solving on the run. Nonetheless, ACTA's shooters at AIS combined as a happy and well-orientated team, who projected a very favourable image of our sport. The atmosphere of the camp was helped greatly by the welcoming attitudes of all technical and administrative staff of AIS, by the tremendous support from Canberra International's volunteers, and by the energy, wit and superlative coach driving of David Menck. ACTA thanks all those mentioned for making the camp such a success.

Guy Boilean,
National Director of Coaching

Secretary: Bev Penney (060 555 452)

MILDURA GUN CLUB

The annual "Boomerang Shield" was won by the Sunraysia Branch of the Victorian Field and Game Association.

The competition has been a regular event on the district shooting calendar for the past 19 years between the Field and Game shooters and Mildura Gun Club.

Twelve teams from each organisation competed for the shield at the gun club's range, with the Field and Game team of John Richichi, Gus Clarkson and Paul Memtsas taking the honours with a score of 175/207.

Gus Clarkson won the overall trophy for the day, shooting 67 targets out of a possible 69.

The course for the shield was a tough one, consisting of 25 targets Trench, 14 targets ISU Skeet, 10 pair Double Rise and 10 targets Trap.

● The winning Field and Game team with "Boomerang Shield", from left to right, Paul Memtsas, Gus Clarkson and John Richichi.

Beretta

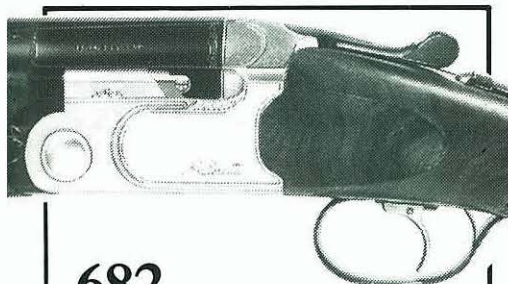

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- * Low profile action for unsurpassed pointability.

682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

ASE-90

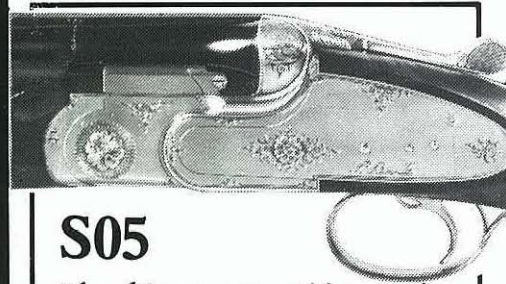

The key feature of this exciting new model is the trigger plate lock assembly. Field removable in one, split second motion for quick inspection, cleaning or lubrication. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped main-springs. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- * User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- * Advanced dimensioned quality walnut stocks.
- * Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- * Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.

WINCHESTER

TARGET LOADS

*Setting the pattern
others can only follow.*

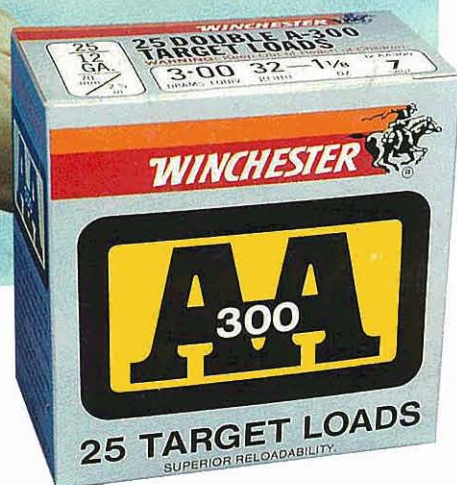

Winchester – our leadership in ammunition products is legendary.

In the toughest trap and skeet competitions, shooters have learned to rely on Winchester winning consistency.

From primer to crimp, Winchester best quality components are loaded for performance. Fast, with light recoil and patterns with perfect distribution of shot.

In shoot-off after shoot-off, Winchester's legendary performance, consistency and reliability has won through, time and time again. Over the past 10 years, Winchester Target Loads have won more Australian Shooting Titles than all other brands combined. Maybe it's the consistent, dense even patterns. Maybe it's Winchester's exclusive soft recoil design.

Whatever the reason, Winchester sets the pattern – the winning pattern – others can only follow.
