• FRONT COVER: Across the Tasman — Members of the NZCTA and ACTA meet in Hamilton to promote the sport of Clay Target Shooting.

EXECUTIVE DIRECTORS NOTES

Members of the National Executive Committee met in Melbourne in late May for the Annual Executive Meeting. Meetings of the various Sub-Committees also took place both prior to and following the Executive meeting.

Having just completed the formal minutes of all meetings which took place the following is a report on actions taken and planned on behalf of all members.

FIELD AND GAME ASSOCIATION

As many are no doubt aware informal discussions have been taking place between the ACTA and the Field and Game Association on matters of mutual interest. As the discussions were very much in their infancy no publicity has been given them by the ACTA. Publicity had however been given in the summer edition of the *Field and Game News* which prompted a quick reply in the Autumn issue from National Secretary Mr Phil Brown which is printed here in its entirety.

TALKS WITH ACTA — FIELD & GAME

In the last issue of *Field and Game News* there appeared an article about ACTA and Field and Game moves for closer ties and possible amalgamation. The article gave many false impressions of the situation and the procedures which will be followed in handling the matter.

The Federation was contacted by telephone about October by Mr Alan Maher, Executive Director of the ACTA and advised that the ACTA Management Committee had discussed the possibility and desirability of working closer with Field and Game because both organisations represented shotgunners and there was a degree of common membership.

The Federation undertook to raise the matter at its AGM in November and this was done. A sub-committee was set up to discuss the matter with the ACTA and this sub-committee met with Alan Maher. *The Federation formed no views on any closer ties and the sub-committee was to listen to the ACTA proposals with an open mind.*

At the meeting with Alan Maher, Alan raised a number of possible areas of co-operation including magazine, membership records, administration and possible amalgamation. The Federation had not discussed the possibility of amalgamation at the AGM. The sub-committee indicated to Alan Maher that it would raise these issues at the next Federation meeting in June and asked that the ACTA produce some firm proposals for our meeting to consider.

To date no firm proposals have been received.

When there are firm proposals from the ACTA they will be discussed by the Federation delegates. If there are areas of co-operation which can be implemented without substantial changes to our operations, such as establishment of a common magazine, these may be agreed to or the delegates may want to take the issue back to their State bodies for direction.

Any change as dramatic as amalgamation would have to be referred to the State organisations who in turn would need to refer the proposals to their Branches and members for extensive discussion and direction.

The Federation is only a co-ordinating body for the State Associations and the Federation voting delegates are 3 representatives from each State Association.

To suggest that the Federation would make decisions or major changes such as amalgamation with ACTA without long and detailed discussion within the State Associations indicated a lack of understanding of the workings of the total Field and Game organisation or it was an attempt to create mischief.

Phil Brown
National Secretary

The views of Field and Game are in keeping with the informal discussions that have taken place which culminated in a decision being taken by the National Executive Committee to continue discussion with AFGA and SSAA toward agreement for co-operation only between each discipline.

REGISTRATION FEES 1991

A decision was taken to retain registration fees for 1992 at the existing levels.

28gr/1oz LOADS

After lengthy deliberations by all sub-committees a decision was taken to amend the rules to restrict target loads for all disciplines to 28gr/1oz.

This decision was not hastily arrived at as the matter of 28gr loads has been discussed many times over the past two years. It is the belief of the Executive Committee that the introduction of the lighter 28gr load will prove to be of long term benefit to users in particular and the sport in general. Not all will agree in fact many will no doubt strongly defend their rights to use the existing 1oz load on the basis that they should not be told what load they can or cannot use. While this point of view has been raised on previous occasions it does not alter the fact that the rules as they exist now do determine what size load can be used, the only difference being that the load size has been reduced.

The introduction of 28gr/1oz loads will be over a staggered period commencing January 1st 1992.

- (i) 1992: 28gr loads to be mandatory for use at all National Championships.
- (ii) 1993: 28gr loads to be mandatory for all events conducted under the shooting rules of the ACTA.

In relation to handicap shooting the rule for 1992 will be that 28gr load must be used for the Grand Australian Handicap Title at the National Championships at Wagga in April.

With the rules under review for 1993, attention will be given by the Rules Committee to the handicap rule in its entirety which includes the present allowable shot loads of 36 grams.

INTERNATIONAL TRAP TEAMS 1992/1994

A five member team will be selected at the Wagga Nationals to represent Australia in the UK in 1992 in a Shoulder to Shoulder Match against available teams from countries contesting the Mackintosh competition.

New Zealand have agreed to send a team to the UK for a competition in 1992 and like Australia will also select a team for 1994 with the competition venue determined as soon as the number of participating countries has been determined.

SHOOTER SUSPENSION

As the result of the hearing of the complaint against registered shooter W. Iles (Vic), a 2 year suspension has been imposed effective from January 29 1991 with re-registration at the expiration of the 2 year suspension to be at the discretion of the Executive Committee of the day.

WORLD CHAMPIONSHIP TEAMS

An elimination will take place at Downside NSW over the weekend of August 3-4 for specific positions in the open trap and skeet teams. Russell Mark and Michael Diamond (Trap) have been selected into the World Champion Team as has Ian Hale (skeet). The elimination therefore is between members of the National Training Squad for one position on the trap team and two positions on the skeet team subject to justification. Ladies and junior teams have previously been selected as a result of performances in the National Olympic Discipline Championships.

NATIONAL CHAMPIONSHIP ROSTER

A nine year State Roster has been agreed to for the National Trap Championships.

NSW	1992	VIC	1995	WA	1998
SA	1993	TAS	1996	QLD	1999
QLD	1994	NSW	1997	VIC	2000

Cont'd over page

Cont'd from previous page

In addition the 1992 National Skeet Championships have been allocated to Victoria having been relinquished by WA with November being the preferred month of competition.

NATIONAL TITLE STATUS

The junior section of the Single Barrel Championship has been elevated to National Title Status as from 1992 in the same manner as does exist for the Ladies Single Barrel Championship.

NATIONAL CHAMPIONSHIP DATES 1992

The Olympic Discipline National Championships will be held at Brisbane Gun Club from February 10-16.

The National Trap Championships will be conducted at Wagga Gun Club from April 4-9 with the Double Barrel Championship reverting to a 50T Event.

SKEET NATIONALS

The format for the Skeet Nationals has been amended by the deletion of the 50T event on day one and the increase in targets in the Doubles Championship which now becomes a 50pr (100T) competition.

In addition the doubles event being a National Title has been included in the target count for all High Guns.

The Skeet Challenge Trophy Match along similar lines to the DTL Mackintosh Teams event will be shot on the morning of the fourth day prior to the 100T National Skeet Championship with teams selected as a result of scores achieved in the All States Championship (Day 2) and Commonwealth Championship (Day 3) both 100T events.

With the elevation of the Doubles as a 50 pr competition all events over the four days of the Skeet Nationals are now over 100 targets.

LIFE MEMBERSHIP

Mr Jim Scott, National President, is to be congratulated for the honour bestowed upon him by the Executive decision to grant life membership in recognition of services rendered to the Association.

Mr Scott who has been a member of the National Executive Committee for the past 10 years being elected president in 1988, will be presented with his life membership during the Wagga Skeet Nationals in September.

DIRECTOR OF COACHING

Mr Guy Boileau who had been employed as Administration Manager/Director of Coaching has ceased to be employed by the Association. A decision has been taken to advertise for the position of Director of Coaching with a view to the appointment of a person to occupy the position on a part time basis.

NATIONAL SHOOTING GROUND

Discussion took place on the possibility of establishing a National Shooting Ground at Downside NSW. As a result of the discussions, State Associations will be asked to provide written advice as to their State's attitude toward such a project by 30th October 1991.

It is the intention of the Executive Committee to investigate the possibility of a National Ground being established within the next two years by the purchase of a suitable site. As an investigation is currently underway into the viability of the ground and National Office being located at Downside NSW, it is important that the matter is discussed and State views made known to the Executive Committee by the required date of 30th October 1991.

RULE BOOK

Two administrative changes have been made to the rule book. One rule 4.27 is to clarify the exact situation relating to the eligibility of persons to shoot as veteran or junior competitors. Some clubs have apparently and mistakenly been allowing veteran status to be claimed at the youthful age of 60. The correct age which is now a rule is for veterans to be over the age of 65 on the day of competition and juniors under 18 also on the day of competition.

The other is to simply correct a measurement in the illustrated skeet field which had for many years been shown as a line distance of 8.2m instead of the correct 19.20m.

The additional change to the rules is in relation to the introduction of 28gr loads. While this issue of the CTSN carries notification of the

rule change it is important that it is understood that the rule only becomes effective as at 1st January 1992 and then until 1st January 1993. It is only applicable for those shooting the National Championships.

ELECTIONS TO THE OFFICE

Elections took place for the various positions incorporated into the association's "new" organisational structure.

Mr Jim Scott (NSW) was elected unopposed as president of the association for his fourth consecutive term. Following ballots for the vice presidency and management committee, Mr John McVitty (Vic) was elected as vice president with Mr Ross Silvester (WA) and Mr Bob Fox elected to the four man management committee.

Management Portfolio's were allocated in the following manner with executive members elected to various positions on the sub-committees that will be responsible through the management committee for the well being of the association for the coming year.

SUMMARY

The meetings which took place in Melbourne were over a period of four days, each day commencing at 8.00 am and finishing at around 6.30 pm with only short breaks for lunch etc. Members of the executive work in an honorary capacity and for some it meant giving up to five days to the association which by any standard is a generous contribution of time to their recreational sport.

In addition each of the three shooter representatives gave of their time to represent their particular discipline at National Level.

Not all of the decisions that have been made will be favourably received, it would be foolish to think otherwise. They have however, been made in the considered best interest of the sport and its members and trustfully will be accepted in that manner.

CAN YOU HELP

A trophy is held by the Association to record the names of those shooters who have shot their way into the Mackintosh Team with a perfect score of 250-250.

The trophy was donated in 1989 by M. Holland and H. Parker to ensure that the names of those who had achieved this outstanding record were perpetuated in the history of the Association.

The only persons that are known by the ACTA to have shot the three Mackintosh qualifying events without dropping a target or a point are: D. Byrne, Griffith 1972, F. Roberts, Echuca 1989.

We believe however that there are some other shooters who have shot the events clean and we wish to have their names included on the trophy as a permanent record.

It would be appreciated therefore if any member who can provide details which can be verified of any person who had recorded the 250-250 qualifying score into the Mackintosh Team could forward the information to the Executive Director, National Office ACTA, PO Box 557, Mount Waverley, Vic 3149 by October 31st.

AUSTRALIAN CLAY TARGET NEWS — JULY 1991

PRESIDENTS REPORT

The full National Executive and all sub-committees met in Melbourne from Wednesday 22nd May to Saturday 25th May. Firstly, I would like to thank all those who attended for their contribution to clay target shooting. Listed below are some of the points that came out of the meetings, not necessarily in order.

Graham Michell has replaced George Steele, from South Australia on the National Executive. John McVitty has replaced Ross Silvester as Vice President of the ACTA. Owing to the introduction of the new national organisational structure, Pud Burgess was ineligible to stand for the Management Committee, and was replaced by John McVitty. Thank you Pud for all your hard work and dedication you gave to clay target shooting while you were on the Management Committee. Thank you must also go to Ross for his two years as my Vice President, he was always there when needed and very loyal. The members of the various sub-committees can be seen elsewhere in the CTSN.

The new Rules Committee have been asked to rewrite the rule book as the five year period is up. These new rules will be presented to the full executive next May and will come into effect on 1st January, 1993. Now is your chance to have your say on what the rules should or should not be. I ask you to please write to your State Association, as only rule changes that come through state associations will be considered by the Rules Committee. So do it now, we wait for your comments and recommendations.

The Promotions Committee is currently working on a booklet for promotion at Club, Zone and State level. It is hoped this will help to hold old members and encourage new members to join the ACTA, as well as promote our sport. If we are to survive promotion is a must.

The Management Committee and the full Executive had a long hard look at our 1991 budget, cuts were made where possible. It was decided to carry a loss for this year rather than increase any costs to the shooters or clubs. All charges will be held for 1991. We realise all is not well with the economy of the country, hopefully things will improve by 1992 when we can again look at a CPI increase. It would help the ACTA if all clubs in Australia would sign up two new members this year. I appeal to you all to help in this matter, remember you will be helping your association.

The question of 28 grs.-1 oz. loads were discussed at length and a decision was made to introduce 1 oz loads for all national events, D.T.L. and skeet during 1992. In other words a shooter competing at all nationals, next year, will have to use 1 oz loads in all events. Commencing 1st January, 1993 it will be compulsory for 1 oz loads to be used in all events.

The question of a national ground was again raised. People are investigating an area around Wagga. More information will be given at a later date.

Dates for your little black book; 1992 O.D. National to be held at Brisbane Gun Club, 10th to the 16th February. D.T.L. Nationals to be held at Wagga Gun Club, 4th to the 9th April, 1992.

The elimination for the ISU team to the World Championships, to be held in Perth during November, will be conducted at Downside Gun Club on the 3rd and 4th August, 1991. This elimination will be over 200 targets, for one place in trench, behind R. Mark and M. Diamond, and two places behind I. Hale. Ladies and Juniors need not eliminate. To all teams going to Perth, I wish them the best of luck on your behalf, and may they win lots of medals. The team has worked very hard this year and they deserve to do well. Good luck shooters.

Little has been done to our new constitution, which was withdrawn at the AGM, as we are still waiting for your recommendations to come in. Time is running out so please hurry, the closing date is the 1st August.

Now that Guy Boileau, our National Director of Coaching, is no longer with us our National Coaching Council is in the process of working out new guidelines for this most important position.

The New Zealand and the Australian National Executives are looking into an overall high gun perpetual trophy for the New Zealand and Australian National Championships, with an annual prize of \$1,000.

A decision was made by the Executive that the payment of capital increase of \$1 for 1992 to the State Associations be deferred until May, 1992 taking into account the final result for the year ending December, 1991.

WORLD CUP (SKEET) TO AUSTRALIA

Victorian shooter John Summers has created history by winning the World Cup (Skeet) in Cairo, Egypt. The best ever result by an Australian Skeet Shooter in the history of the sport. While full details are not at hand it is known that John with a score of 198/200 + 24 has won the World Cup joining Russell Mark as World Cup winners in 1991.

Both John and Russell are expected to receive invitations to compete in the select World Cup Final in Munich in August where they will be shooting against the other World Cup winners for 1991.

WORLD CHAMPIONSHIPS ELIMINATION

Owing to the outstanding result of the World Cup in Cairo, the decision taken to eliminate for two skeet positions for the Perth World Championships will now be reviewed by the National Shooting Committee.

ATHLETES S.T.E.P. TO SUCCESS

AUSTRALIAN SPORTS COMMISSION

The best of Australia's elite, potential and junior athletes have been offered grants worth more than \$2.5 million under the Australian Sports Commission's 1991 Sports Talent Encouragement Plan (STEP).

Announcing the funding, Federal Sport Minister, Mrs Ros Kelly said STEP grants allowed Australia's top athletes to set aside financial worries and concentrate on training and competition.

"The STEP grants are part of the government's continuing commitment to Australian sport," Mrs Kelly said.

"They are not simply rewards for success. Rather, they encourage our athletes to continue their sport at world-class level, maintaining or improving international ranking."

Athletes who have been offered STEP grants include heptathlete Jane Flemming; swimmers Hayley Lewis, Kieren Perkins and Linley Frame; gymnasts Monique Allen and Kylie Shadbolt; marathon runner Steve Moneghetti and race walkers Kerry Saxby, Simon Baker and Andrew Jackno.

World champion cyclist Steve McGlede will also be offered a STEP grant.

Members of Australia's world championship surf life saving team, together with world triathlon champion Greg Welch, have also been included.

The grants range from \$1500 for juniors to \$10 000 for elite individuals and members of teams.

Mrs Kelly said the STEP scheme covered training and competition expenses.

"The grants, based on athlete performances during 1990 and the recommendations of their National Sporting Organisations, encourage athletes to continue to excel in their chosen sport," she said.

"Never again will it be necessary for Australian athletes to go on the dole while training to represent their country," Mrs Kelly said.

Shooting was recognised in the grants made to elite, potential and junior athletes with pistol and clay target receiving grants totally \$16 000 for their elite athletes.

MELBOURNE GUN CLUB LABOUR DAY WEEKEND

Joint Skeet Overall Winners — Paul Johnston and Allen Heffner (sponsor) with Club President Bob Buchan.

On March 8, 10 and 11 1991, Melbourne Gun Club held a three-day shoot with one of the richest prize lists ever offered. This was made possible by all prizes being donated by generous sponsors.

Saturday's events were sponsored by the ANZ Bank Lilydale, Bob Carter and Akubra, with TV sets and gas barbecues for DTL and Akubra products for the skeet.

Sunday was a skeet only day for cash prizes in excess of \$1200 donated by National Motor Auctions and Street Image Smash Repairs.

Monday enjoyed huge sponsorship from South Pacific Tyres (Goodyear), with a set of four tyres for overall, in each of the DTL grades, and first, second and third prizes were awarded in each event in each grade. In Skeet, South Pacific Tyres for overall, and first and second in each grade, South Pacific Trophies.

Over the three days there were High Gun awards for all grades in both trap and skeet.

A total of 252 entries were received over the three days, keeping the ladies in the office busy.

Winners in the DTL were well distributed throughout the events with no one shooter dominating.

In the Skeet, Paul Johnston and Brian Thompson tended to dominate except on the Sunday when Graham Guy won the overall. On the Sunday, 'B' Grader, Alan Heffner, the man responsible for the South Pacific Tyre sponsorship, tied with Paul Johnston for the overall top score. Being gentlemen, Alan settled for the sash and Paul the tyres.

The meeting was blessed with fair weather, good targets, the State's best venue and outstanding prizes — all in all an excellent shoot made possible by the untiring efforts of the Club President and a few helpers.

VALE

DANNY MOTT

It is with regret I have to advise of the death of Danny Mott. Danny was a Past President, he started shooting at the old Minmi Club about 1954. He was instrumental in acquiring the Merewether site for the Newcastle Gun Club. The club members offer their sympathy.

DIRECTOR OF COACHING

The duties of the Director of Coaching would include overseeing and implementing the activities and decisions of the National Coaching Council.

In addition the Director of Coaching shall be responsible for the continuation and development of the Associations coaching courses through levels 1 to 3 under the direction of the Australian Coaching Council situated in Canberra.

A broad knowledge of Clay Target Shooting is a pre-requisite as is the ability to administer the position through the seven members of the National Coaching Council all of whom are State appointed Coaching Directors.

Remuneration will be in keeping with the duties of the position which should on average occupy no more than two days per week.

Persons interested in the position are invited to forward an application to reach the Executive Director, PO Box 557, Mt Waverley, Vic 3149 by the closing date of July 31.

WESTERN AUSTRALIA TO HOST MASTERS GAMES

The Western Australian Minister for Police, Emergency Services, Sport and Recreation, Mr Graham Edwards MLC and the President of the Confederation of Australian Sport, Mr Greg Hartung, has announced that Western Australia has been selected to host the 4th Australian Masters Games in 1993.

The Master Games are held every two years and provide a National Competition for veteran sportsmen and women from a multitude of different sports.

Western Australia will stage the 4th Australian Masters Games in April-May 1993 and if the previous games are any indication it is expected that over 40 sports will participate.

It is envisaged that the games will have a more international flavour in that neighbouring nations in the Indian Ocean and South East Asia will be invited to attend which could boost the number of participants in the Masters Games by a further two thousand.

MARYBOROUGH TID BITS, QLD

On our trip to the Hunter Valley we were looking around the Hungerford Hill Wine Village when I stumbled on to Australia's first simulated laser clay pigeon shooting facility. Thanks to Col Champman who was in charge and explained how it worked and let me have a few free ones, best of luck in your new venture.

By ringing Tom Turner, President of Cessnock City Clay Target Club I was able to drop into the club after practice and caught up with Paul, Max, Ces, Wal and Tom. Looking around the complex I found they have some fifty members, four dll traps and field and game, with an average of six squads per shoot. I also learnt that Tom's son, Tom Junior qualified for the Australian Junior Trench Team for the World Championships in Perth and will be looking for assistance in getting there, so buy those chook raffle tickets to help Tom Junior get there. Thanks Tom Senior for your time in showing me your complex and the lift back to the motel.

Maryborough 28/4. Looking at the results of this shoot it was another benefit for Bundy with a couple of exceptions in A. Wood and L. Sidwell. Neil Berry High Gunned the day.

Brisbane May 4, 5, 6. Local shooters to leave their mark in the Queensland Titles were Kaye Rehbein being a member of the six member Queensland Ladies Team. Kaye qualified 2nd in the three member team for the Nationals at Wagga in 1992. She won the Queensland Ladies DB Championship 46/50. Queensland Ladies SB Championship 47/50. Neil Berry became a member of the Queensland State Team and the 5 man team to shoot for Queensland at Wagga.

Bundabert 12/5. With Ian Rutherford taking CGR 10pr DR and FM HG and Paul Rehbein OA DR and OA HG, Ian was lucky enough to draw NZ DR Champion Neil Berry in the Deauville Doubles and went on to win with Rob Rehbein and Ted Turton second.

Thanks to Kay for bringing several copies of the first Queensland Clay Target Bulletin back to Bundy for interested shooters. Congratulations to those responsible for the publication. I found it informative on our local news. Keep up the good work.

Gympie 12/5 100t DB Championship OA and AA G. Durre, A.V. Tipman, B.G. Foster, C.B. Lee.

Maryborough 26/5 100t Cont. Visitors to make the numbers Frank Agius, Silvia and Bill Edgerton, Aaren and Dave Gardner, George Hogarth and a return to shooting after a two year break, Chris Harrison. Thanks for coming.

A HG P. Shaw, B HG K. Noffke, C HG D. Neilson.

Two day shoots to remember — July 6 and 7, Chincilla; July 20 and 21, Sunshine Coast and Dalby WZ Trap. Good shooting to all till next time I see you at the shoots.

PRESS RELEASE

N.S.W. GUN CLUB IS THE NEW HEADQUARTERS FOR THE FIREARMS SAFETY AWARENESS SCHEME

When the Liberal Party won office in N.S.W. there was a lot of support from the firearms lobby. A Special Task Force was set up by the State Government to reform the licensing of firearms. By April of 1990, with no answer forthcoming, Alex Comino, Senior Vice President of the N.S.W. Gun Club, conceived, promoted and with the help of John Philipson, President of the N.S.W. Gun Club, achieved, what is now known as "The Firearms Safety Awareness Scheme".

This scheme, one of about 20 to be submitted to the Government, was accepted and will come into operation on the 1st July 1991. It was the only scheme to offer a balanced approach to all forms of shooting, allowing the system to be self regulating, and relieving the Police of a considerable amount of time and paperwork.

The scheme will be run by the New South Wales Shooting Association Ltd., (now incorporated) and controlled by the Firearms Safety Awareness Council Ltd., made up of 8 directors, whose Chairman is Charles Copeman, and General Manager is Col. Paul Andrews Ret. and will have it's headquarters at the N.S.W. Gun Club premises at 131 Booralie Road, Terrey Hills, NSW 2084 (Telephone: 02 486 3077, Facsimile: 02 486 3497).

Col. Andrews has over 25 years experience in the Army and is an expert in firearms safety and will be active in promoting the scheme to all forms of firearms and weapons Clubs and Associations in NSW.

The scheme will be able to be run at club level and Colonel Andrews is looking for experienced club members, to be recommended and submitted to the Police Commissioner as Firearms Safety Awareness Officers. This will assist in running the first phase of the scheme. It will not only ensure that the scheme gets off to a good start but will also earn income for the club that the Safety Officer represents.

In simple terms,

1. Any new applicant wishing to apply for a Shooters Licence can approach,

a. The police station nearest to where he/she lives.

b. The shooting club of his/her choice.

c. Any registered gun dealer.

Where he/she will be given a Handbook on 'Firearms Safety' which he/she is required to study. The booklet will be written in general terms and will cover all firearms, and will also include information on where he/she may be examined on the knowledge they have acquired from that Handbook.

2. The applicant will then contact the shooting club at which he/she chooses to be examined, where they will be tested by an authorised 'Firearms Safety Awareness Officer' who has been appointed by the Commissioner of Police on the recommendation of the Firearms Safety Council. The examination is similar to that for a boat licence and is a multiple choice one of twenty questions. The applicant has to pass 16 of these including some compulsory questions. The cost of this examination is \$50.00 (\$30.00 will go to the N.S.W. Shooting Association for furtherance of the sport of shooting and \$20.00 is retained by the club of whom the examiner is a member). A certificate will be issued confirming that the applicant has either passed or failed. If he/she passed they will then take it to the police station nearest his place of residence, where he/she will apply for a Lifetime Shooter's Licence and pay a further \$50.00. Subject to a satisfactory police record, after about a 4 week 'Cooling Off' period, a 'Lifetime Licence' will be issued. Pensioners and primary producers are exempt from the police licence fee, but are not exempt from attending the Firearms Safety Awareness course and the fee for that course.

Anyone who is interested in becoming a Firearms Safety Awareness Officer should contact their club executive or the Firearms Safety Awareness Council.

WARATAH STATE NOTES

SOUTHERN ZONE

The Canberra International Clay Target Club advise that they will be conducting their monthly ISU Trap and Skeet shoots and their monthly DTL shoot at 11.00 am on the third and fourth Sundays respectively, until October. Practice in all disciplines will commence at 9.30 am.

Their Annual Memorial Shoot will commence at 11.00 am on Sunday the 28th July and will consist of Memorial Double Barrel, Single Barrel Pointscore, Deauville Doubles Championships and Memorial Handicap.

WESTERN ZONE

Brewarrina Gun Club hosted a successful shoot on the 27th April, with 36 shooters competing in the Commonwealth Night Deauville Doubles Championship which was won by Colin Betts and Ray McKenzie.

Narrabri Gun Club also hosted a successful Cotton Country Classic last month, with a C grade shooter, Peter Firth, taking out the event with 99/100 (he reached A grade by the end of the day). The Western Zone Mixed Targets Championship was also on the programme with the eventual winner being Doug Ellis.

COACHES CORNER — by Fred Schmetzer

On the weekend of the 4th and 5th May, I attended the first Northern Zone Coaching weekend for 1991, which was attended by some fifteen shooters on each day. Credit for this must go to Peter McGuire, the committee of the Grafton Gun Club, and the new Northern Zone Coach Peter Smith. Northern Zone are very fortunate to have such a dedicated coach as Peter, to replace recently retired Zone Coach, Roy Shepard. I would like to thank the people of Grafton for the hospitality shown to me over the weekend.

"A short tip for shooters"

The old saying that coaching is free doesn't always ring true. Coaching is only cheap for the person who is giving the advice. Sometimes, it can be very costly for the shooter receiving the coaching if the advice is incomplete. So always ask the person who is giving the free advice to explain in full the advantages and disadvantages of it. Then make up your own mind if the advantages outweigh the disadvantages for you.

FIREARMS LICENSING (NSW)

Shooters who intend competing at the coming Skeet Nationals in Wagga NSW are reminded that they must comply with the current state licensing requirements.

If in any doubt of these requirements, information may be obtained by writing to the Firearms Registry in NSW at PO Box 2154, Sydney 2001.

SHOOTERS CORNER

Would you please endeavour to explain several differences which myself and other club members have regarding the interpretation of "shooting up"?

Q. What is deemed to be "shooting up"?

1. Competitors exchanging guns or ammunition at the completion of a squad and firing an extra couple of shots at 2, 3 or more targets.

A. This is allowable providing permission is given by the management, or if an official practice trap is operating. Therefore — No.

Q. Is a competitor "shooting up" if he nominates to shoot an extra round (targets only) at the completion of his competition round?

A. Yes. This practice should not even be allowed by the club in the first place.

Q. If either or both of the above are deemed shooting up what options do the management have:-

- 1) exclude the shooter from that event
- 2) exclude the shooter from the next event
- 3) exclude the shooter from the high gun.

A. Numbers 1 and 3 apply.

Further questions arise regarding:

Q. Is a club jackpot (advertised in the program) but restricted to two shooters, (drawn from the hat) deemed to be shooting up by those two competitors?

A. If this is an advertised event, this does not constitute "shooting up".

Q. Does a shoulder to shoulder interclub team event preclude those shooters because they were shooting up?

A. The same answer applies, as to question 3.

Tim Catling — WA Member of National Referees Association.

* * *

Q. We at the Deniliquin Gun Club have run into a small problem on a couple of occasions and wonder if you would clear up the matter in Shooters Corner so that all registered shooters and clubs are aware of the correct procedure. The problem concerns **grade high guns**. ie; Shooter (AB) nominates in current grade, he shoots events 1.2.3 in current grade, but is up or down graded after event 3, he shoots event 4 in new grade and at the finish of the shoot has enough points to win new grade high gun. But shooters (JB) and (FW) both in shooter (AB) new grade and only 1 point behind (AB) protest saying shooter (AB) has shot a clear majority of targets and events in another grade so should be eligible to win that grade not his new grade. So the question is, is the shooter eligible to win the grade high gun in:

- (a) the grade he nominated at the start of the program
- (b) his new grade
- (c) in which ever grade he has shot the majority of events.

A. For **graded high guns** over a program, a competitor will remain in the grade first nominated in, even if his or her grade or handicap changes during the program.

BROKEN HILL GUN CLUB

The recent two day West Darling Championship shoot conducted by the Broken Hill Gun Club Inc. was held on Saturday 11th and Sunday 12th May, 1991.

One hundred and twenty two shooters took part with competitors travelling from all over Australia. A notable contributor was the attendance of a couple of Australia's ambassadors in Russell Mark (1988 Olympian and 1990 Commonwealth Games competitor, also 1991 World Cup champion in Olympic Trap Shooting), and Lynne Curtis who was runner up in Geelong last year to an Australian record break with a score of 655/656.

The chilly, windy conditions of the weekend along with the attendance of past and present champions helped add excellent competition to all shooters, some of whom had hoped for the elusive "Big Break".

The results are as follows:

1) SIG HANDICAP

The SIG Handicap was conducted over 20 targets and three metreage groups. Windy conditions helped handicap the shooters with very few possibles shot, one coming from local shooter Bruce Cook.

Results:- 21-25 metre group — 1st L. Curtis 20/20; 16-20 metre group — 1st D. Iervas 21/21; 11-15 metre group — 1st V. Caristo 20/20; Ladies — C. Zagor 18/20; Veteran — B. Knight 19/20; Junior — G. Hayden 24/25.

2) WEST DARLING GIFT

The West Darling Gift was conducted over 25 targets double barrel with Samsung video recorders being first in each grade. Again local shooters figured with B. Cook, J. Spain and M. Peetz taking out placings in relevant grades. Lynne Curtis took out his second event for the day with 105/105.

Results:- AA grade — 1st L. Curtis 105/105; A grade — 1st V. Barby 111/111; B grade — 1st A. Varano 25/25; C grade — 1st V. Caristo 24/25; Ladies — I McJames 24/25; Veteran — J. Blythman; Junior — G. Hayden.

3) BROKEN HILL COMMUNITY CREDIT UNION DOUBLE BARREL CHAMPIONSHIP

Broken Hill Community Credit Union DB C'ship Overall Winner, Russell Mark being congratulated by Dennis Morton, "President".

Russell Mark took out overall in this event after a shoot off with 66/66. Local shooter R. Dowling took out C grade with 26/28.

Results:- Overall — R. Mark 66/66; 1st A grade — R. Wiffen 45/46; 1st B grade — F. James 39/40; 1st C grade — R. Dowling 26/28; Ladies — I. McJames 22/25; Veteran — C. Keath 25/25; Junior — G. Hayden 25/25.

4) WEST DARLING NIGHT DOUBLE RISE CHAMPIONSHIP

Most shooters enjoyed the challenge of a Double Rise event shot under lights. Brett Dunstan took out overall trophy after a shoot off with 34/40.

Results:- Overall — B. Dunstan 34/40; A grade — 1st R. Winkel 31/40; B grade — 1st K. Burton 21/30; C grade — A. Borriholm 24/40; Ladies — C. Zagor 17/30; Veteran — F. James 17/30; Junior — G. Hayden 23/30.

5) GEORGE AND NELL HOSKINS MEMORIAL POINT SCORE CHAMPIONSHIP

The George and Nell Hoskins Memorial has been conducted for many years and has proven to be a popular event to be won. Junior shooter Glen Hayden took out overall trophy after a shoot off with 159/159. Local shooter Merv Peetz again featured with 2nd in C grade.

Results:- Overall — G. Hayden 159/159; A grade — 1st G. Vearing 110/111; B grade — 1st A. Varano 75/75; C grade — 1st T. Smith 71/75; Ladies — C. Zagor; Veteran — C. Keath; Junior — T. Hayward.

6) SAMSUNG GIFT

With a Samsung colour TV up for grabs in each grade, again the competition was hard and the battle fought between Russell Mark and Lynne Curtis over the two days saw Russell coming out on top in this event. Local junior shooter Jonathon Spain is now a proud owner of a TV after a fine 25/25 to take out C grade.

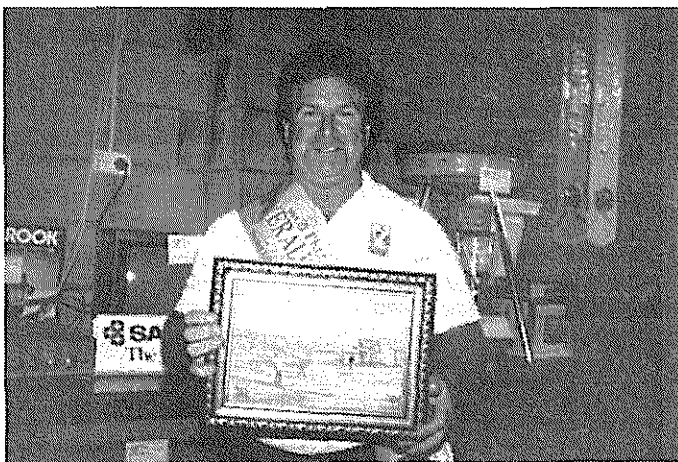

Results:- AA grade — 1st R. Mark 124/124; A grade — 1st V. Barby 43/43; B grade — 1st T. Zagor 25/25; C grade — 1st J. Spain 25/25; Ladies — F. Burton; Veteran — C. Keath; Junior — G. Hayden.

7) WEST DARLING SINGLE BARREL CHAMPIONSHIP

The last event of the day being Single Barrel proved difficult for many shooters with only three possible being shot. Robert Godfrey took out overall with a fine 29/29. Local shooters David Murphy and Robert Dowling also featured in the placings.

Results:- Overall — R. Godfrey 29/29; A grade — 1st B. Perks 49/50; B grade — 1st B. Hooper 24/25; C grade — 1st R. Dowling 23/25; Ladies — C. Zagor; Veteran — C. Keath; Junior — G. Hayden.

There were two team events conducted over the weekend with the McKean Shield on the Handicap and the Willyama Shield on the Gift on Sunday. Broken Hill showed their spirit with a fine win on the handicap and team members B. Cook, E. Stephenson, W. Johnston, D. Nicholls and J. Spain shared the spoils. Sebastopol team members G. Mark, V. Barby, S. Horvat, P. Carroll and J. Jolly took out the other shield after an excellent show of shooting with 124/125.

Lynne Curtis, Overall and High Gun Winner with his trophy — a Pro Hart painting.

The Overall High Gun for the two days went to a shooter who proved to be more than a handful on many occasions, Lynne Curtis with a well deserved score of 142/145. The Ladies High Gun was taken out by Carol Zagor with a great score of 132/145. In the Veteran section, Clive Keath took the honours with 132/145. The Junior High Gun was won by a very determined shooter Glen Hayden with 138/145.

Broken Hill Mint Ladies High Gun Winner, Carol Zagor.

Without our varied sponsors the shooters who attended over the two days would perhaps seem to merely compete for their chosen sport. However thanks to the generous support of our major sponsors, SIG (Swiss Industrial Company Aust.), Samsung Electrical, Broken Hill Community Credit Union, Pro Hart, Atlas Copco and the Hoskins Family. Along with our other sponsors Keith Ridley, Silver City Guns and Ammo, Broken Hill Mint, Fuller Firearms, Buttercup Bakeries and Bruno Mantesso, our competitors had sashes and trophies in excess of \$11,000 to compete for. We must thank sincerely all these sponsors

Glen Hayden — Junior High Gun Winner, sponsored by Atlas Copco.

for helping make this another successful and very enjoyable shoot. Thanks must also go to our committee and executive members who have also put a lot of months of work and effort into ensuring that everything was in order. To the ladies and gents in the kitchen who kept us fed, the guys behind the bar, the office workers, the trappers and the ticket sellers, everyone who helped in any way to make this a successful shoot, we say a great big "thank you". And last but not least we thank all the shooters who travelled from near and far, because without your attendance there can be no shoot.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. VALE JIM PERKINS

The Bunbury Clay Target Club held the annual Presidents Cup at a recent shoot on a sad note following the sudden death of a former president, Jim Perkins.

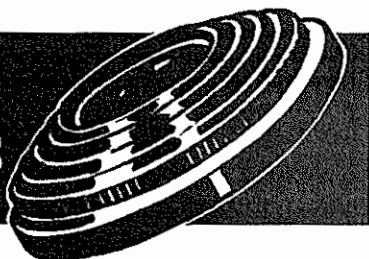

A one minute silence was observed in remembrance of Perkins who was president from 1974-76.

Upon his retirement Perkins initiated the Presidents Cup which is held annually.

He was awarded life membership of the club in October 1988.

He will be sadly missed among his many friends in the shooting fraternity.

THE HENWOODS

May 26 the Veneto Abruzzo Gun Club were very pleased by the presence of three generations of shooters . . . the Henwoods. It was a memorable occasion not only by their attendance but also because we had "The Graham Barnes Memorial Shoot", at which Shane, Graham's eldest son presented the trophies.

Jack Henwood and his son were victorious in the DB event and the handicap. In the shoot off, the 12-year-old disposed of among others his great uncle Bill Henwood. Congratulations from us all.

See you at our next shoot.

AUSTRALIA WIDE SPECIAL NOTICE

All clay target, field & game, sporting & field shooters, also all gun clubs & trade suppliers.

Melbourne Gun Club Committee by popular request, are organising a
MAMMOTH SHOOT

(23rd Nov. 1991)

and a special presentation to
Mr Bob Buchan

to show our appreciation and thanks for his untiring lifelong dedication to the sport of Clay Target Shooting and shooting in general.

Whatever form of shooting we are involved in, we have all benefited in some way by his constant involvement, promotion, organisation and protection of our sport, by way of lobbying and advising on our gun laws.

We ask you all to show your appreciation by way of a contribution. So we may make this a very special **PRESENTATION**, show your appreciation.

Please dig as deep as you can!

All monies & donations to:

Melbourne Gun Club

C/o Mr Merv Whitelaw

90 Jells Rd, Wheelers Hill 3150

No later than 31st August, 1991.

All donors names printed in a special presentation book.

Thank you.

WAGGA GUN CLUB 2 DAY OPEN SKEET SHOOT

A very successful 2 day skeet shoot was held at the Wagga Gun Club over the weekend of 18th and 19th May 91. This annual shoot is always held on the third Saturday and Sunday in May, and should be included on all skeet shooters calendars. Shooters travelled from as far away as Brisbane, Gunnedah, Sydney and Canberra with the field containing three former national champions and one current national champion some excellent shooting was expected. The weather for the first day of shooting was perfect.

The first event was the 50tgt Riverina Zone Skeet Championship. This saw John Cobley, from the Wakehurst club, win the event outright with a fine score of 49/50. This was an added thrill for John as this was his first sash win. Official results for the event were:-

O/A Winner:	John Cobley	Wakehurst	49/50
AA Grade:	Mark Agar	Wakehurst	48/50
A Grade:	Maree Rooke	Wagga	55/58
B Grade:	Cec Herbert	Gunnedah	44/50
C Grade:	Alyn Campbell	Wagga	39/50

The second event was the 50tgt Presidents Skeet Championship. With two possible coming in, a shoot off was necessary to determine the winner. Christian Naudin from Wakehurst and Neil Dimmick from Brisbane went to the shooting grounds with the look of determination on their faces so we settled back for a long shoot off. Unfortunately this was not to be, Neil missed a target on station five and Christian didn't miss the opportunity to wrap up the championship. Official results for the event were:-

O/A Winner:	Christian Naudin	Wakehurst	64/64
AA Grade:	Neil Dimmick	Brisbane	63/64
A Grade:	Barney Rooke	Wagga	50/51
B Grade:	Michael Rooke	Wagga	46/50
C Grade:	Alyn Campbell	Wagga	39/50

The last event for Saturday was the 50tgt City of Wagga Skeet Championship. Again only two possible were recorded for this event, Maree Rooke from Wagga and Mark Agar from Wakehurst. Another long shoot off was expected by the spectators but station two was to prove a stumbling block for Mark and Maree being her cool calm self made sure of the target to take out the championship. Official results for the event were:-

O/A Winner:	Maree Rooke	Wagga	56/56
AA Grade:	Mark Agar	Wakehurst	55/56
A Grade:	Paul Kouroupis	Wakehurst	49/50
B Grade:	Michael Rooke	Wagga	49/50
C Grade:	Alyn Campbell	Wagga	41/50

Sunday again saw ideal weather conditions which led to the targets being as good as they could possibly be.

The first event of the day was the 50tgt Murrumbidgee Skeet Championship. Once again Maree Rooke and Mark Agar were the only shooters to record a perfect score resulting in the pair once again returning to the shooting ground for a shoot off. Again station two proved to be the downfall for Mark with Maree winning her second championship for the weekend. Official results for the event were:-

O/A Winner:	Maree Rooke	Wagga	58/58
AA Grade:	Mark Agar	Wakehurst	56/57
A Grade:	Jan Schuster	Sydney	47/50
B Grade:	Andy Sanders	Wagga	48/50
C Grade:	Alyn Campbell	Wagga	41/50

The second event for the day was a 25tgt Cash Divide. This saw two shooters score the possible. Jan Schuster, normally a Trench shooter and 77 year old Cec Herbert, some fine shooting by Cec.

The last event for the two days was the 50tgt Murrumbidgee Skeet Doubles Championship. With a number of shooters within one target of each other this event was to prove the decider for the overall High Gun. After being beaten twice Mark Agar was determined to win this event and with a score of 49/50 certainly showed the field he was a force to be reckoned with. Official results for the event were:-

O/A Winner:	Mark Agar	Wakehurst	49/50
AA Grade:	Neil Dimmick	Brisbane	52/56
A Grade:	Barney Rooke	Wagga	47/50
B Grade:	Andy Sanders	Wagga	45/50
C Grade:	Peter Clark	Wagga	37/50

After the final event Mark Agar from Wakehurst emerged as the Overall High Gun winner for the weekend with a final score of 244/250.

During the two day shoot Maree Rooke set a new Australian Women's Skeet Break, the break of 176 targets smashed her old record of 123 targets. This was a fine display of shooting by Maree.

All visiting shooters thoroughly enjoyed themselves and are looking forward to returning to the grounds to compete at the Nationals in September.

Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- * Low profile action for unsurpassed pointability.

ASE-90

The key feature of this exciting new model is the trigger plate lock assembly. Field removable in one, split second motion for quick inspection, cleaning or lubrication. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped main-springs. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- * User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- * Advanced dimensioned quality walnut stocks.
- * Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- * Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
