**IT'S MIROKU MADE-
FOR PERFECT
CO-ORDINATION
BETWEEN MIND
AND MUSCLE.**

MIROKU 9000

Fit, feel and pointability are what a target gun is all about and Miroku presents this 9000 as a modern classic - the 'World Gun' - a blend of old gunsmith arts, proven technical breakthroughs and Made in Japan quality.

Notable features include ventilated barrels, adjustable wide, crisp trigger, presentation grade walnut woodwork, palm swell grip and the brilliant Browning Invector Choke, so there is no interference to distract your aim. There are five chokes which interchange easily so the Miroku adapts perfectly to any situation.

Get the feel of character and solid quality - pick up the Miroku 9000 and point it with perfect co-ordination.

Available in TRAP, SKEET and SPORTING.

EXECUTIVE DIRECTORS NOTES

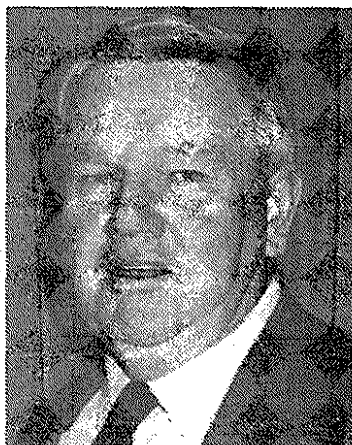

Presidents Resignation

In a shock announcement, National President, Mr Jim Scott of Dubbo, NSW has advised of his resignation from all positions at both State and National level.

Originally a member of the National Executive Committee representing NSW, Mr Scott was elected as a member of the Management Committee serving as Vice President to Past President Mr Roy Holtfreter.

Upon Mr Holtfreter's retirement the Executive Committee elected Mr Scott as President of the Association, a position he occupied from 1988 until his recent decision to resign from office.

In May of this year, Mr Scott was awarded Life Membership of the Association for his service to the sport, over his ten years on the National Executive Committee. It is anticipated that presentation of his life members citation will take place during the trap nationals at Wagga in April of next year.

On behalf of all members we thank Jim Scott for his efforts on behalf of the sport over his many years of involvement, in particular the last ten years serving the Association at national level and wish him good shooting in the years ahead.

Advice has been received from Mr J. McVitty (Vic) that owing to the commitment to the position which he occupies on the National Executive Committee being greater than his position as a self employed person allows, he is no longer able to serve the ACTA at National level and has tendered his resignation effective as at 25th July.

John was elected to the National Executive Committee representing Victoria in 1988 and elected Vice President in 1991. During his time at National level he was very active in matters pertaining to the rules and will retain his interest in this area as a member of the VCTA Rules sub-committee.

On behalf of all members we thank John for his input to the Association while occupying a role at national level and wish him well in the role he is retaining in the sport as a member of the Victorian Clay Target Association.

With the two positions vacant at the time of writing, the affairs of the Association are being administered by the remaining members of the Management Committee — Ross Silvester and Bob Fox.

AUSTRALIAN CLAY TARGET NEWS — SEPTEMBER 1991

Skeet Nationals

During the recent meeting of the National Shooting Committee, Skeet Shooters Representative, Mr Bob Buchan, raised the matter of reducing nominations at the Skeet Nationals in favour of competitors shooting for medals only for first in each grade plus a trophy to be awarded to the overall winner only.

Discussion on the subject confirmed to the meeting that medals and an overall trophy presented in the manner suggested would have little to no effect on nomination fees as trophies in the greater part are fully sponsored thanks to the many supporters to the ACTA. Should sponsorship not be obtained for future National Skeet Championships with competitors wishing to retain the existing level of sponsorship then the reverse to the suggestion put forward would need to apply as nominations would certainly have to be increased to cover the cost of trophies and medals.

In 1991, we are fortunate indeed to have the support of Fuller Firearms, Winchester Australia, Olympic Targets, Scorpio Cartridges and B.R.A. Insurance as sponsors of the National Skeet Championships, their support is valued and certainly appreciated as is the support given by the host club, Wagga, who are sponsoring the 100T All States Skeet Championship and club stalwarts, Helen and Andy Sanders, sponsors of the Ladies High Gun Award, Ray Mack sponsor of the Junior High Gun and Country House Motor Lodge sponsors of the Veteran High Gun.

World Championships

The Organising Committee for the World Championships are well advanced with their preparations for the big event in November.

A number of countries have already advised of their intended participation including Italy, USSR and USA, other countries include Denmark, Germany, Poland, Norway, China, Ireland, Zimbabwe.

By all accounts many of our members intend visiting Perth for the World Championships which promise to be an exciting time for clay target shooting in Australia.

World Championship Elimination

To counteract the many rumours that appear to be abundant (isn't that always), the situation in relation to the elimination at Downside on August 3/4 for World Championship Team selection was as follows:

Olympic Trap

1. Russell Mark
2. Michael Diamond
3. Elimination

Olympic Skeet

1. Ian Hale
2. Elimination
3. Elimination

The 200t elimination for the one position (trap) and two positions (skeet) was not on a first past the post basis with the final composition of the teams subject to justification — good luck to all. A special thank you must go to the Downside Club for their assistance with the conduct of the elimination matches.

UIT World Cup Final

Good news on the international scene is that the Australian Olympic Committee are funding Australia's two world cup winners, Russell Mark (trap) and John Summers (skeet) to contest the World Cup final in Munich in late August.

Both John and Russell contested the World Championship elimination at Downside on August 3/4 which provided a good opportunity for them both to obtain solid match practice. Russell is to contest the Austrian Shooting Federation Championships prior to the UIT World Cup final which will provide valuable practice under match conditions only days before the UIT match. Unfortunately John does not have the same opportunity as the Austrian Skeet Championships unfortunately conclude following the UIT World Cup match.

On behalf of all members and shooters in general, we wish both Russell and John the best of luck in this most prestigious event.

Proposed Statement of Purposes and Rules

The request for clubs to advise of their thoughts to the proposed document by August 1, unfortunately has received little response. Does this mean that other than for those clubs amongst the replies received, the proposed document is acceptable? We all know that this is not so, however, unless your thoughts are conveyed to the Executive Committee, how can they represent your wishes? The proposed document will now be re-addressed in light of the comments received.

Continued over page

Sub Committee Meetings

Under the new committee structure, meetings of the various sub committees will provide recommendations to the Management and Executive Committees in support of matters considered as beneficial to the sport. Management Committee members head the sub committees and all look forward to these sub committees producing thoughts, ideas and suggestions that will be of benefit to clay target shooters in both the short and long term.

While the value and importance of these sub committees is not to be underestimated the need for them to be given time to establish their role and progress accordingly is important.

Any person or club who believe that they have an idea or suggestion that would be of benefit to the Association are asked to have the matter discussed at club level, and once having gained support, have the club direct the matter to the respective zone association.

Should support be received at zone level then obviously the next move is to have the matter discussed at state level from where if support is received the matter will be discussed at national level.

I know, I know, what a waste of time and effort this all is, but again because having gained the support from the various areas that have discussed whatever the matter may be, surely the voice of the shooter has been heard and the wishes of the shooters from the respective state taken to national level where the matter is able to be addressed on behalf of all shooters and not just the one person or club who raised the subject. The system will work unless it is not allowed to.

In closing, good luck to all who are shooting skeet at Wagga in September, as well as Russell and John in Munich in late August.

Alan J. Maher

COACHING CORNER: CONCENTRATION

When a shooter is having difficulties shooting possible scores, they usually start to blame bad targets, bad light, or other excuses.

Most times it is lack of concentration. The greatest champions in all sport are the people that have learned to control concentration. In shooting it would be impossible to hold your concentration completely for the whole event, so you must learn to hold your concentration for those few seconds it takes you to shoot one (1) target. Remember it is not a 25 target event, but one target at a time repeated 25 times.

Control of concentration will not come easy, so a lot of practise must be put into it to succeed. Practise concentration when ever you can, all you need is a few seconds that you are on your own, sit quietly and look at something, like trees, houses, people. Practise trying to get absorbed in them, then focus all your attention on one item, let all other vision blur into the background, let all external sounds become inaudible. Connect with that target, hold your concentration for a few seconds, then relax and let your thoughts wander, taking in all things you first looked at, then re-focus back on to that target, and you will find with practise, you will be able to hold your concentration for a longer period.

Worry is one of the greatest inhibitors of skilled performance, worry of fellow competitor, worry of not performing well. You must learn to view competition in a less worrying way, one strategy you could try when sooting is to learn to relax when it is not your turn to shoot, let your mind wander, but when it is your turn to shoot, use the closing of the gun as the signal to concentrate. Work out a few key words to say to yourself, such as, keep head on stock, swing through the target, keep the swing going, and last, but not least, LOOK for the target to leave the trap house and then call for your target. If you work on this, all distractions will soon disappear. After you have fired at your target and whether you hit or miss there is nothing you can do, so you must not worry about it but concentrate on your next target. Once you have learnt to control your concentration, you will be on your way to performing at your optimum level.

E. Chizzotti
South East Zone Coach

ACTA PRESIDENTIAL MEDAL 1991

Nominations for this prestigious award are now open and should be forwarded to reach the Executive Director no later than October 31, 1991.

The following nomination guidelines apply:

Acceptance: With nominations only acceptable through State Associations or Affiliated Clubs.

Presidential Medal: Awarded to a person for their contribution to the development of the sport.

Judging Panel: Management Committee.

Closing Date: October 31, 1991. PO Box 557, Mount Waverley, Vic. 3149.

Note: The receipt of any nomination does not necessarily relate to the awarding of a Presidential Medal.

Nominations received will be placed before the Management Committee for their consideration and decision.

No correspondence will be entered into regarding any nomination received.

Previous Recipients:

- 1980 G. Porter, Qld.
- 1981 R.C. Mules, SA; G.R. Richard, WA; J.N. Thomas, Vic.
- 1982 R.F. Buchan, Vic.
- 1983 No award
- 1984 L.F. Bird, NSW; A.J. Smith, Qld.
- 1985 No award
- 1986 T. Comerford, Qld.
- 1987 G. Biggs, Vic.
- 1988 R.M. Holtfreter, WA.
- 1989 R. Varley, NSW

EDITORS MAILBOX

Mr Maher,

Regarding the change to 28gr/1oz loads; I read in the magazine that after much detailed discussion by many groups, committees etc, it has been agreed to change to 1oz load in the method described in the magazine.

Well here we go again! Discussed by and agreed to . . . by who? Until I had read the 'Agreed' details in the magazine, I did not know it had been agreed on, nor did many of my fellow shooters.

Why the change? To what benefit? It seems to me like a decision made in haste by a very few, that effects very many.

It is obvious to me why club memberships are in rapid decline, and why most of the defections are being picked up by organisations such as the Field & Game, where a group of average shooters all with the same interests can enjoy a full days shooting for very little cost and with very little sectional interference.

I hear around various clubs certain comments regarding these changes, ranging from compliance with the greenie lobby, to the executive being stacked with ISU interests and whilst not being fully in agreement with those comments, it shows to me the depth of feeling that this move is generating, and why the executive must have a full and comprehensive discussion on the 1oz loads issue, and be seen to have such a discussion.

If all the affiliated clubs and their members agree to the switch to 1oz loads, so be it, but at least the decision will be made by the grass roots members, and with the amount of discussion I have heard at various venues lately, it will surely create some interesting and qualified comment.

So come on all you shooters that have been discussing this matter with me; put your thoughts on paper so that all those people who profess to look after your interest can reflect on your thoughts on the matter.

Regards

R.J. Burgess

NEW

WINCHESTER SUPER TARGET POWDER

Winchester's previous best-selling powder just got a whole lot better.

Super Target (W.S.T.) now replaces 452AA for improved performance and greater loading economy.

- Formulated to produce very uniform velocity & pressure, for extremely consistent pattern placement.
- Minimum pressure & velocity variation at shooting temperature extremes.
- Cleaner burning and more efficient formulation reduces residue.
- Super high grain density improved ball powder meters more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges provides another big edge for consistent performance.
- Improved economy tool
Less W.S.T. required per given velocities.

Try the loads below and be the best you can be, consistently.

Shot Weight	Velocity (f.p.s.)	Primer	Wad	Powder Charge (grains)	Equivalent Factory load
28 gram	1180	Winchester	WAA12SLA	19.5	
28 gram	1235	Winchester	WAA12SLA	21	AA Universal
28 gram	1290	Winchester	WAA12SLA	22	AA International
32 gram	1145	Winchester	WAA12	18.5	AA 275
32 gram	1200	Winchester	WAA12	20	AA 300

For additional W.S.T. loads, send for Winchester's FREE Loading Data Book - now in its 10th edition.

Winchester Reloading Service, P.O. Box 776, Geelong, 3220.

1991 MACKINTOSH TEAM RESULTS

Advice from the Clay Pigeon Shooting Association contains the news that despite our best efforts in each of the Mackintosh team events, our shooters were not able to record winning scores.

Victory in the open teams match has gone to Canada with a score of 7371/7500 ahead of New Zealand 7268 and Australia 7234.

In the ladies match, victory has gone to New Zealand with a winning score of 1423/1500 with Canada in second place on 1386 with Australia again in third position on 1374.

The junior teams match resulted in a victory to Canada whose team score of 1428/1500 pushed New Zealand in to second position on 1412. Showing consistency overall three matches, Australia took third position with their team score of 1385.

Congratulations to the winners, Canada in the open and ladies matches and New Zealand in the juniors.

	OPEN	7500	LADIES	1500	JUNIORS	1500
1	Canada	7371	New Zealand	1423	Canada	1428
2	New Zealand	7268	Canada	1386	New Zealand	1412
3	Australia	7234	Australia	1374	Australia	1385
4	Ireland	7064	Wales	1252	Ireland	1332
5	England	7050	England	1225	England	1310
6	Wales	6903	Scotland	1174	Scotland	1309
7	Scotland	6876	Ireland	1146	Wales	1271
8	Zimbabwe	6785	Zimbabwe	—	Zimbabwe	—

MACKINTOSH QUALIFYING TROPHY

The July issue of the CTSN called for assistance in being able to identify any and all shooters who had qualified for the Mackintosh Team with a points/target score of 250/250.

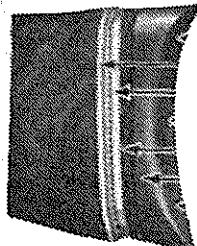

The only shooters that we had been able to identify were: D. Byrne, Griffith 1972 and F. Roberts, Echuca 1989.

We are indebted to the many people who contacted the office to support two additional shooters who had performed this creditable achievement. Interestingly enough both shooters Ken Lowry from Melbourne GC (at that time) and Vin Ryan from Cosgrove as well as being fellow Victorians, recorded their performances in the same year, 1974 at the National Championships in Melbourne.

The Parker-Holland Perpetual Trophy will now have added to it the names that have been provided, the performances of which will be well established.

A last attempt is now being made to make certain that no one person or more having achieved the 250/250 qualifying performance has not been recognised . . . are you able to help?

W.A.C.T.A. REPORT

As you are aware by now at the last Executive Meeting the decision was made to hold a three day WACTA carnival on the long weekend in September, 1992.

Saturday event one will be 25 Targets WACTA Skeet Championship, followed by 50 Targets State Skeet Championship. These two events will form the elimination for the State Skeet Teams. The State Teams will be shot at the conclusion of events one and two.

Sunday morning we will shoot the State Double Barrel followed by the State Single Barrel. Monday the State Double Barrel Point Score. These three events will form the elimination for the State Trap Teams, which will be shot at the conclusion of the Points Score.

Also at that meeting the executive was restructured along the lines of the National executive.

We now have four separate Committees, these are Management, Finance, Competition and Development. We believe with this structure we will be able to address the needs of you, the shooter more competently.

A letter from zone five delegate, Darrell Wiese, informing us that he will not be seeking re-election next year, is a big disappointment for WACTA. Darrell has served on the executive for the past twenty years and will be sadly missed. Our loss is the Shire of Narrogin gain. Darrell we wish you well for the future.

AROUND THE TRAPS

I was kindly invited by the Narrogin Gun Club to attend their two day Trap Carnival. Always a very enjoyable shoot to attend, this year no exception. Saturday saw some very stiff competition and Sunday saw one very stiff and sore President from too much dancing Saturday night.

My congratulations to Russell Clarke for winning the State Handicap, also to Bert Boschetti for his High Gun win (his first in 36 years).

My thanks to Lambert and members for a great weekend.

Next it was Geraldtons Crayfish Carnival where the main event was the 50 target State Continental Championship.

This was won outright by passed National President, Roy Holtreter. After a shoot off between State Vice President Ross Eckersley and Michael Boschetti, Michael became High Gun for the weekend. Congratulations to all winners.

Until next month, good shooting.

A.R. (Mick) Watson
WACTA President

WARATAH STATE NOTES

COACHES CORNER

Saturday the 14th and Sunday the 15th of September are the dates for the Northern Zone's second coaching weekend for this year, to be held at the Gunnedah Gun Club starting at 9.30am.

Gunnedah's President, Garry Carlin and Zone Coach Peter Smith, are working hard to promote this coaching weekend. So hopefully, shooters from Gunnedah and neighbouring gun clubs, will show their appreciation of this hard work by attending this weekend.

The coaching programme will be designed to be of benefit to beginners through to experienced and veteran shooters, so I will see you at Gunnedah.

For coaches who have to do the accreditation updating, (these are coaches who have held the same level of accreditation for four years or longer, and do not wish to upgrade to a higher level), the updating handbooks are now available from your Zone Coaches. Also available for all coaches are the coaching report forms. Information you supply us with, by using these forms, enables me to construct a broader picture of where coaching is being done in N.S.W.

As State Coaching Director, this feed back information is very important, on the other hand, I am personally interested in coaching in your area. Good shooting,

Fred E. Schmetzer

N.S.W. STATE TRAP CARNIVAL

Don't forget Wagga on the long weekend in October (5th-7th), as we are hoping for a good attendance and a great shoot.

N.S.W.C.T.A.

MENTAL VISION

by Bud Decot

Try to have an open, searching mind so you can understand the essence of this article which relates to one of my favourite wisdoms: "You only LOOK with your EYES, you really SEE with your MIND." This I believe is not fully understood by the multitude of sportsmen.

For the past 42 years, I have served the sporting world with our famous sport glasses and believe me, I have heard all the excuses for missing a target and then some!!

Here within is my personal observation and analysis of why you are not one of the champs breaking all the targets.

First let's take your eyes. They are a unique instrument which channels light rays through a hole (your pupil) and transmits light into brain waves. There is a lot more technical and medical terminology to explain this process, however, at this moment I am interested in conveying to you your reaction to this process.

Do you really see what you're looking at? Think about it! It's your turn to shoot . . . the target goes out and keeps flying . . . "Lost Bird". What do we hear some say?

"Oh that jet stream bothered me" . . . "Oh those damn kids yelling behind me made me lose my concentration" . . . "This squad I'm on has lousy timing" and so on and so on go the excuses.

What does it all boil down to? Lack of mental discipline and mental vision. Most of you have the finest equipment money can buy and you have the knowledge and experience of the sport. Why are you always an "Also run posting bridesmaid scores"?

Let us analyse the mind. What is the mind? You have a brain but where is the mind? Your mind is your state of consciousness functioning through your brain. Then VISION IS A STATE OF CONSCIOUSNESS interpreted by the mind via your brain capacity. Think about it! WHAT YOU ARE IS WHAT YOU THINK! SO, CONSCIOUSNESS IS WHAT YOU REALLY ARE.

All the champions I have served these past 42 years have all shown me, in their own individual ways — confidence, discipline and one mindedness. In other words they have a strong conviction within

themselves that they are a champion and they "go for it" every time they perform.

Without mental discipline, our minds wander and our thoughts become interruptions to our concentration. How do we overcome this lack of concentration and become "Captains of our own ship . . . master of our own destiny?" It is not easy but it can be done. There are many ways to discipline the self into a higher and more successful life. First you must have the deep desire and apply the discipline to a search that will unfold with you. Read some biographies of famous people to see the hurdles and problems they overcame to become the champion of their profession. It takes a lot of YOU to get the little you out of the way so the champion can come through. **THE ONLY COMPETITOR YOU HAVE TO BEAT IS YOUR UNDISCIPLINE MIND.** Your body and mind will serve your mental vision well . . . if your consciousness transmits concentrated discipline to the NOW of your reactions. Think about it! The last minute is gone forever . . . the future minute can't help you until it becomes NOW. NOW is the only moment you can live and react. Your concentrated now moment continually activated with the confidence and discipline will reward you as a champion.

The computer industry has a favourite cliché which can be applied to your mental vision process. "Garbage in . . . garbage out". In other words, what we let enter our minds becomes a law unto our life. We either entertain positive thoughts or negative thoughts and those we accept in our minds will make or break us as champions. Now you know why I have always called you "champ". I know that deep within you the champion is there, awaiting your personal efforts to yoke it out.

For those of you unfamiliar with my terminology, I would like to give the following definitions as I use them, so you might better understand the above.

MENTAL VISION: A process of understanding that which you are looking at.

MIND: Consciousness functioning through the brain capacity.

CONSCIOUSNESS: Is your true identity. What you are conscious of is your world of thoughts. Raise your consciousness to your positive self and see positive reaction in your life.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
MX2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

Tony Yozzi Sports,

BODY: Is an instrument to use. Without consciousness your body would be a vegetable, unable to function.

BRAIN: Is also an instrument for consciousness to transmit thoughts and store memory. The thoughts you think, good or bad, are yours to accept or reject. The real you (consciousness) can organise and discipline yourself as champion in all your endeavours.

MENTAL VISION IS PERFECT VISION WITHIN THE CHAMPION.

In conclusion I would suggest re-reading this article many times to grasp the deeper meaning.

NATIONAL SKEET CHAMPIONSHIPS HANDICAP CARDS

Conditions of Entry

Nominations will not be accepted from any shooter who cannot produce a stamped handicap card or have the handicapper approve the reason for not being able to do so.

The issue of a duplicate card by the handicapper will incur a charge of \$20.

All shooters from AA to C grades must present their card to the handicapper for stamping prior to nominating.

TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

SKEET CHALLENGE TROPHY

With the introduction of the International Skeet Competition, persons qualifying for all competitive teams are advised of their entitlement to obtain at their own cost, an Australian blazer to denote their achievement in becoming a member of an Australian Team competing for the "Skeet Challenge Trophy".

Details of the availability of Australian blazers are available from the National Office.

CONDITIONS OF ENTRY — NATIONAL SKEET CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. NOTE: A fee of \$20 will be charged for the issue of any duplicate handicap card.
2. Squads of 6 to shoot 100 targets in brackets of 25, two visits to the traps.
3. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
4. Each shooter is to take enough cartridges to shoot at 50 targets. A time limit of two minutes will be imposed for the change over for each 25 targets. **Should two minute time limit be exceeded then a penalty of the LOSS OF TARGET shall be incurred.**
5. Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination shooters will be re squadded towards the end of the event.
6. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
7. Any competitor may be called upon to referee and or score throughout the period of competition. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the lowest recorded.
8. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET IN THE NEXT EVENT**. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
9. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
10. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
12. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep/purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
13. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
14. When team selection is involved, shooters shall be eligible for the open team as well as section teams irrespective of the section nominated for. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.
15. Persons paying a reduced nomination are considered eligible for all High Gun Awards, Section(s), and Overall. Competitors must compete in a clear majority of programmed events to gain High Gun recognition. High Gun over 400 targets of the National Program.
16. The Overall Winner in any event shall not be eligible for additional recognition in any Grade or Section (full nomination). Competitors other than the Overall Winner in any event shall be eligible for recognition in any Grade or Section in which they are eligible to compete (full nomination). Competitors entering in any specific section of an event shall only be eligible for recognition in the section entered (reduced nomination). **ONE NOMINATION ONLY MAY BE PAID — OPEN OR SECTION.**
17. A minimum of three persons must compete in any grade or section including high gun before sashes, medals, trophies are awarded irrespective of nomination paid.
18. Nominations will close daily at 11.00 am.
19. The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
20. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
21. An acceptable standard of dress is required for all competitors — Tournament Director to adjudicate.

SIXTH AUSTRALIAN GUN EXPO

On the dates October 26th and 27th at Centennial Hall, Royal Exhibition Building, Carlton, Melbourne Maurie Albert and Jeff Overington will be staging THE SIXTH AUSTRALIAN GUN EXPO.

As with the past five Expo's, this event BEING THE LARGEST OF ITS TYPE IN THE SOUTHERN HEMISPHERE will have something(s) of interest for everybody, for not only does it encompass every area relating to firearms, but also their allied items and fields such as archery, camping equipment, etc.

Maurie and Jeff are spending a great deal more money and time with regards to their having many more participants than ever at this Expo than past ones — and so far have encountered more inquiries from the United States and New Zealand than on previous occasions.

What commenced as a national event has certainly become an international one.

Maurie and Jeff offer no guarantee that you will purchase anything at the Expo, but do so with regards to your having hours of enjoyment and their appreciation for your supporting the firearms and allied fields BY JUST SIMPLY BEING THERE.

PAGE 10

TAIPAN PERPETUAL LADIES TEAM POSTAL SHOOT

1. 20T DB 15m.
2. To be recorded POINT SCORE. To be used only in case of TIED SCORE.
3. Teams of Five Ladies (ACTA members). Clubs not having five shooters may combine with neighbouring clubs.
4. Match date and team to be nominated to ACTA prior to October 31 and shot during the months of November and December under the supervision of an official referee.
5. Shield held by winning team for 12 months.
6. Winning team members to receive a team member badge.
7. Defending Club — Cressy, Tasmania.
8. Score cards to be forwarded to:

FACTS ABOUT CHOKE PERFORMANCE

Ross Williams has been writing a weekly shooting column for the sports section of *The Weekly Times*, Australia's biggest-selling rural newspaper, since 1977. The following article is reprinted by permission from that column.

In shotguns, the choke is a narrowing of the bore at the muzzle end, its purpose being to modify the spread of the shot. It is also one of the least understood aspects of shotgun design.

Because we use labels like quarter and half or modified and full to describe a gun's choking, many a beginner assumes that all chokes with the same label will produce the same result. A half choke is a half choke, and that's that.

Actually the choke is one part of a system with many variables.

Some of those variables concern the internal dimensions of the barrel from the chamber onwards. Others have to do with the choke itself; each choke is a combination of angles and dimensions which vary from maker to maker and even from gun to gun. Consequently each gun behaves like an individual.

The ammunition, too, is part of the system, so a change in the cartridge recipe will affect the shot pattern thrown by a given barrel and choke.

To open up the pattern, for instance, we can switch to softer pellets or, at the expense of extra recoil, increase the muzzle velocity. Conversely, harder shot and lower velocities will cause the pattern to tighten. It's easy to see why. Both the hardness of the shot and the velocity affect the number of pellets deformed by the stresses of firing, and how badly they are deformed. More misshapen pellets equals lower pattern percentages.

Modifying these broad variations we have factors like the rate of acceleration within the barrel and the wad design.

Let's imagine two loads with the same muzzle velocity. If one gives the shot charge a sharp initial push while the other accelerates the

pellets more smoothly, we can expect a slightly looser pattern from the former. The reason is that pellet deformation will be greater if the shot charge suffers a swifter kick in the backside.

This swifter kick is mainly provided by faster powders and hotter primers. Thus a change of propellant or primer can alter the pattern even when there is no difference in the speed of the pellets when they leave the barrel.

Other factors are the size of the shot (smaller pellets tend to give looser patterns, all else being equal) and the number of pellets in the charge. If we increase the shot charge by 6% (a standard increment) without altering the pellet size, we will often find more than a 6% increase in the number of strikes in the standard 30-inch circle at 40 yards.

In other words, adding pellets to the charge normally tightens the pattern. The reason is probably that, in the larger charge, a higher percentage of the pellets at the centre and front of the charge are protected from deformation.

Wads also influence results. Firstly, differences in their design lead to differences in the actual burning rate of the propellant. These in turn alter the muzzle velocity and the rate of acceleration — and we already know what that means.

Secondly, wads vary in the cushioning they offer to the shot charge. Some plastic wads are slightly better than others at protecting the pellets at the bottom or rear end. All reduce the deformation of pellets around the outer edges of the charge where the wad's petals prevent abrasion by the barrel walls. Sidewall protection is believed to be the main reason why plastic wads throw tighter patterns than the old style wadding. Certainly, short-petalled plastic wads will open up patterns to be a measurable extent.

So everything depends on the mixture of variables built into the gun and its ammunition. A gun may have a nominal $\frac{1}{4}$ choke up front, for example, yet the actual pattern percentages can easily run anywhere from quarter to full.

WOMENS TALK

by Jean Wray

With the World Shotgun Championships to be held in Perth only a few short months away, I would like to profile some of the womens and junior team members who will be competing come November.

WENDY ADAMS

DISCIPLINE: ISU Skeet

AGE: 23 & unmarried

OCCUPATION: Sales Clerk, Sporting Goods

HOME: Chelsea, Victoria

FIRST COMPETITION: Keysborough, 1988

FIRST GUN: Remington 1187 Premier Skeet

CURRENT GUN: As Above

AMMUNITION USED: Scorpio

GREATEST THRILL IN COMPETITION: Inclusion in World Championship Team

GREATEST DISAPPOINTMENT: None as yet!

OTHER SPORT: Horse Riding

SPORTSPERSON MOST ADMIRER: Jim Connors

SHOOTERS WHO IMPRESS MOST: David Cunningham & Ian Hale

WHICH TARGET IS A PROBLEM: High 2

WHO/WHAT MOST FEARED IN A SHOOTOFF: Nerves

AMBITIONS FOR 1991: Personal best in Perth

PET HATE: Missing first target.

DESERIE HUDDLESTON

DISCIPLINE: Olympic Trap

AGE: 30 & Married

OCCUPATION: Professional Networker

HOME: Marsfield, NSW

CHILDREN: 1, Robert Gordon Wakefield Huddleston

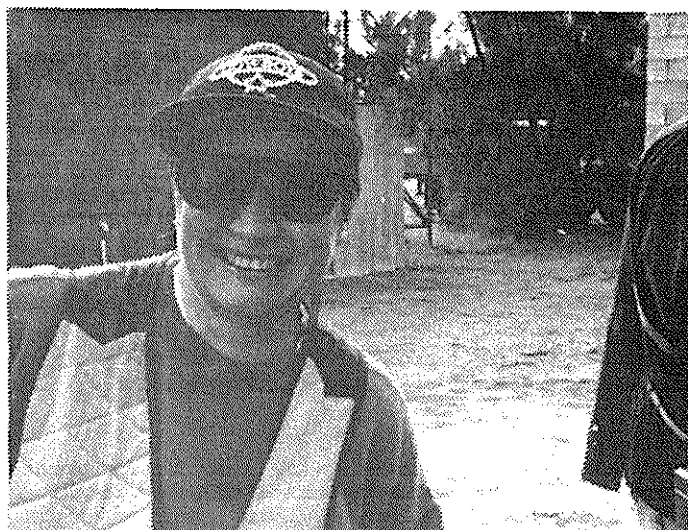

FIRST CLAY SHOT: Mildura, 1970

FIRST GUN: Luigi Franchi (Trap) Miroku (Skeet)

CURRENT GUN: IAB

AMMUNITION USED: Scorpio

BIGGEST THRILL IN COMPETITION: Shooting off for National Team, Griffith, 1979

BIGGEST DISAPPOINTMENT: Not making above.

OTHER SPORT: Motherhood

SPORTSPERSON MOST ADMIRER: Wayne Gardner

SHOOTERS WHO IMPRESS MOST: G.T. Wakefield, R. Mark & T. Rumble

WHICH TARGET IS THE MOST PROBLEM: All the ones I miss

WHO/WHAT MOST FEARED IN A SHOOTOFF: Missing

AMBITIONS FOR 1991: Perth Gold

PET HATE: Poor sportspeople

CAROL OGDEN

DISCIPLINE: ISU Skeet

AGE: 39 (all she admits to) & unmarried

OCCUPATION: P.R. Officer mining industry

HOME: Ringwood, Victoria

FIRST COMPETITION: Metropolitan, 1975

FIRST GUN: Winchester Pigeon Grade

CURRENT GUN: Perazzi

AMMUNITION USED: Reloads & Freebees

GREATEST THRILL IN COMPETITION: Member of Victorian 5 Man Team, Townsville 1990

GREATEST DISAPPOINTMENT: Not making Victorian Womens Team

FAVOURITE GROUND: Melbourne

OTHER SPORT: Golf

SPORTSPERSON MOST ADMIRER: Jack Nicklaus

SHOOTER WHO IMPRESSES MOST: Dan Carlyle

WHICH TARGET IS A PROBLEM: High 1

WHO/WHAT MOST FEARED IN A SHOOTOFF: Nerves

AMBITIONS FOR 1991: A gold medal in Perth

PET HATE: The taxman

WORLD CHAMPIONSHIPS REPORT

Indications are that the World Trap and Skeet Championships in November will be well attended by member countries of the UIT.

At 31st July, 21 countries have confirmed their intention to take part in the competition, with many more expected.

Countries who have advised of their entry are:-

Australia	Hong Kong	Philippines
Canada	Hungary	Poland
Czechoslovakia	Italy	Zimbabwe
Denmark	Ireland	Romania
Germany	Japan	Saudi Arabia
China	Norway	USA
Great Britain	New Zealand	USSR

In addition to UIT technical delegate, Gary Anderson, USA, the UIT have appointed a jury which comprises of,

Hans Ernst Lang, Germany (Chairman)	Neville Price-Jones, Great Britain
Kim Nam Koo, Korea	Medat Mohamed Wahdan, Egypt
	James Kelly, Australia

Eugene Petrov, USSR
Shuping Li (Mrs), China
Luciano Rossi, Italy

David Menck, Australia
Metin Sertoglu, Turkey

UIT President, Olegario Vasquez Rana, and Secretary General, Horst Schreiber, are also expected to attend the competition.

Organising Committee Chairman, Mr Roy Holtfreter, State Secretary, Mrs Alison Harding and the members of the Organising Committee in general have been very active in their efforts to ensure that the World Championships under the auspices of the Australian Shooting Association reflect well on Australia in regard to our ability to conduct a competition to the standards of the UIT.

Peter Quire has been appointed Competition Manager/Shoot Marshall, with Tim Catling (WA) appointed to assist.

The preliminary event, the Australian Grand Prix over 200T in both Trap and Skeet, provides an opportunity for those, and there are many, who are going to Perth to have a shot prior to the World Championships, which is a closed country competition limited to three official representatives from each member country of the UIT in the individual Ladies and Junior events.

The World Championships commence in serious competition on Thursday, November 7th with the 200T Olympic Trap Championship, which will conclude on Saturday 9th November with the final over 25T. Sunday 10th is official practice day for both Double Trap and Skeet, with the Double Trap Championship to be shot and concluded on Monday 11th. This date is also the first day of the Skeet championship which will conclude on Wednesday 13th with a 25T final.

A spectacular opening ceremony which will take place on the afternoon of Wednesday 6th November at approximately 4.00 pm, promises to be an exciting part of the overall program.

If you are in Perth for the World Championships then don't miss the opening ceremony as it will be one to remember.

The grounds as always will be in top condition, and for this we thank the Complex Manager, Reg Wagland, for his untiring efforts, and the members of WAGC through President, Ted Dickinson, for their assistance and co-operation with the staging of this important shooting event on Australia's and the world's shooting calendar.

WORLD CHAMPIONSHIP TEAMS

Eliminations to decide final placings in the open teams for the World Championships were held at Downside Gun Club on the weekend of August 3-4.

Members of the Ladies and Junior teams also took part in the two day competition, however their participation was by way of match practice only, as the Ladies and Junior teams have already been named.

NATIONAL TRAINING SQUAD — ELIMINATION RESULTS

Congratulations to members of all teams who will now be counting the days before their respective competitions.

When congratulating those who have made the teams we must not lose sight of the fact that while some members of the National Training Squad have gained selection, others despite their very best efforts were not so fortunate.

Nevertheless their dedication and commitment to their chosen sport must not go unrecognised, and for this they too are to be congratulated.

Teams to contest the World Championships are counting on the support of all members as they strive to achieve success in the World Championships. If you can assist in any way, particularly with Ladies and Juniors who, while receiving some financial assistance, will need to meet some of their own costs, then please ring either Robert Smith (02) 528 3878 or Jean Wray (03) 338 7672, both of whom would be pleased to take your call.

You can be part of the gala event! WORLD SHOTGUN CHAMPIONSHIPS

Perth November 1991

Some 30 countries will be attending this international event. As a warm up for the Championships we will be holding an Australian Grand Prix.

To cater for the large number of visitors to Western Australia we intend to run the following competitions: Olympic Trench and Skeet, as well as Australian Trap and Skeet. Our range facility has the largest capacity in Australia and we expect this will be stretched to the limit.

We are calling for registrations of interest from shooters all over Australia. Please indicate your intention to compete in this event by submitting the nomination form.

NOTE: The Olympic Trench and Skeet will have minimum qualifying standards with preferences going to the international visitors. Ample capacity exists for shooting Australian Trap and Skeet.

The program of matches for the Australian Grand Prix will be announced dependent on the response. Be assured the quality of trophies and presentations will be of the highest standard.

HARD WORK PAYS OFF FOR COHUNA

Cohuna Clay Target Club members are to be congratulated for their efforts which has produced for them a new brick club house replacing the old club house which had served them well for many years.

The new club house which is nearing completion is scheduled to be officially opened on Saturday October 12, and was made possible as a result of the hard working club members notably the ladies of the club who held weekly bingo games over a period of eight and a half years to help raise the necessary funds to erect the new club house.

With Cohuna club members so supportive, shooting in the area can only progress and we hope that they receive the support their efforts deserve from other gun club members. When around Cohuna way, make certain that you pay the club a visit, you will be made most welcome by the club and hard working secretary, Jack Garner.

VIDEO COACHING TAPES TRAP AND SKEET SHOOTING

Written and Produced by George Biggs

For the Australian Clay Target Shooter

*Shooting Trap

The techniques of shooting trap both single rise and double rise targets plus a 15 minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house.

Price \$45

*Shooting Skeet

The mechanics of skeet shooting in a step by step demonstration round the skeet field plus a talk on types of guns etc and a 15 minute explanation of how to determine correct gun fit for the individual shooter.

Price \$45

*Commonsense Reloading

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter.

Price \$40

*Each tape is supplied with a 2-page leaflet with advice on gun fitting and gun selection.

Immediate Delivery

Prices include post & packing to all states

MARYBOROUGH TID BITS, QLD

Reading from the Past Presidents Report with reference to promoting our sport I have copied reports (1 & 2) which appeared in our local paper, the original story was taken from our own CTSN. Each time a story of this nature appears I use it as a story in our local paper to promote the game. If every club did this it would give a wider view of our sport to the local readers.

1. Australian clay target shooting was given a lift in the sporting world when Russell Mark from Geelong club, Victoria, took gold at the World Cup in Los Angeles. Michael Diamond from Goulburn, and still only 18 years old, brought home the bronze medal.

With shooters like this we can hope for good results in the World Shotgun Championships in Perth in November of this year, and in Barcelona 1992. Results of the shoot at Maryborough on April 28.

2. Clay target shooters, Russell Mark and Michael Diamond returned with gold and bronze in the World Cup in Los Angeles.

Another Victorian shooter in John Summers has created history by winning the World Cup (skeet) in Cairo, Egypt, the best result by an Australian shooter in the history of the sport.

Both Russell and John have received invitations to compete in the select World Cup final at Munich in August.

★ ★ ★ ★

As this is copy number forty of MTB, I would like to thank my chauffeurs and people who provide news of shoots I cannot attend, also to CTSN for the space provided.

It looks like the near north coast team shoot is a non event in 1991 as no dates have been decided as yet.

30/6: I always thought that the area where Terranora Lakes was located on the side of a mountain with a view of some 80kms that nothing could trouble them. But they have a new neighbour that has complained and now have to buy part, or all of the land below. However, work has commenced on a new skeet and dll area and should be on line in October. Best of luck Terranora and hope your troubles soon end. I had a chat to John Mitchell and George Bruce of Terranora Club and George is now a NSW Firearms Safety Awareness Council Officer and for information can be reached on (075) 54 4956. Sorry I was too late to have a shot.

Bundaberg 7/7: Welcome back to shooting John Straughair, hope you can find the time to keep coming and good shooting. A most perfect day for shooting saw the Doug Knudsen Mixed Target Championship go to Neil Berry A & OA. Clinton Groves B grade, Tony Millman C grade with FMHG Ian Rutherford and OAHG Rob Rehbein. Gino Sergiacomi now in A grade still shooting well with a possible in 25t DB CD and won a metre in the handicap with another possible.

Bundaberg shooter, Irwine Wynyard travelled to Dysart Gun Club for their two day shoot and shot: Event 1 90 targets for 2nd in AA grade; in the Broadsound District Point Score took out AA grade; in the Broadsound Continental Championship was 2nd in AA grade; plus 2nd in the 20pr DD. He was leading the High Gun but missed out by the skin of his teeth . . . good shooting Irwine.

Gympie 14/7: The most perfect day for Gympie's President and Patrons Trophy Day. DB Pts C'ship OA Vic Tipman. DB C'ship OA Glen Durre. DR C'ship OA Norm Dale. After Wal had cleaned and cased his gun he was told he was in the OA shootoff and on returning with his gun and ammo was informed it was the joke of the day. Thanks for being a good sport Wal. Good shooting on the day to Harry Walker taking three of four C grade events . . . thanks all for a good shoot.

Les Greensill returning to Hervey Bay after five weeks in Brisbane Hospital and was elated by the attention he was given by Brisbane Gun Club members, being picked up and having days at the shoots. I can't tell you Brisbane that Les appreciated what you did for him.

Maryborough 28/7: A day just made for shooting and a good turn up from Gympie. Les Greensill from his sick bed turned up to do some scoring and tells me he has his tickets for Perth, have a good trip Les. Top shooters for the day: P. Shaw, J. Schmidt and D. King.

Shoots in sight being Bundaberg 2 day (August 31 and September 1) and Maryborough Heritage Clay 1 day Shoot (September 22). Good shooting to all, till next time, see you at the shoots.

MILDURA GUN CLUB

EASTER SHOOT

Mildura Gun Club's Easter Shoot was an outstanding success. Television sets were the prizes for the club's feature event over the four-day Easter Carnival. The 18-event program attracted shooters from all States and turned out to be one of our most successful for some time. One of the highlights that made the shoot such a success was the sponsorship attained from "Scorpio" cartridges, Russell's Retravisson & Samsung, G. Roccisano Real Estate, Caristo's Furniture, and Hesco Hydraulic Engineering Service Co. The club is most grateful to these firms and through these columns extends its appreciation to all for their valued support.

Winners of the Russell's Retravisson & Samsung Championship with their trophies won at Mildura Gun Club's Easter Carnival. From left to right: Bob Schleter, Phil Caristo, John Soppi and Shorty Decker.

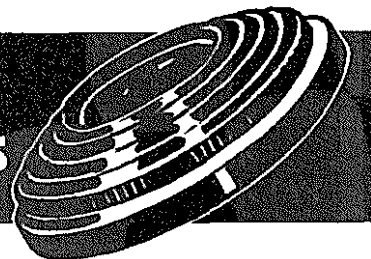

Proud of their performances at Mildura Gun Club's Easter shoot. Left, Larry Dimasi, Overall High Gun winner and John Soppi, top shot in the Mildura Gun Club Cup.

Results of all events were as follows:

Scorpio Gift: Overall, B Grade, Craig Gray 75/75. **Graded Trophy Shoot:** AA, Larry Dimasi 21/21. **Russell's Retravisson Samsung Championship:** Overall, B Grade, John Soppi 45/45. **Roccisano Points Score Championship:** Overall, Greg Hipwell 78/78. **Caristo's Furniture Handicap:** 1st Ken Shaw 30/30.

Hesco Hydraulic Eng. Service Co.: AA, Bret Dunstan 48/48. **Easter Gift:** Overall, Bret Dunstan 98/98. **Russell's Retravisson Samsung Graded Trophy:** 1st Bret Dunstan 59/59. **Farewell Gift:** AA, 1st Larry Dimasi 45/45. **Mildura Gun Club Cup:** 1st John Soppi 34/34. **High Gun:** Larry Dimasi 324/335.

VALE

Colin Joseph Cross

Colin Joseph Cross, our esteemed member died suddenly on June 29, being interred locally. Mr Cross was a shooter with a long and continuous ACTA membership.

He was a foundation member of this club, being responsible for convening a meeting here on May 17, 1969, out of which Port Macquarie Gun Club was formed. Prior to that Mr Cross had been involved with gun clubs around the Gilgandra area. He had been a life member and trustee of the Port Macquarie Gun Club and our delegate and rep for many club activities.

Mr Cross was very active in pushing our sport at all times and proved to be a tireless volunteer when work had to be done, always having the best interests of this club at heart.

Mr Cross is survived by his wife, two sons and a daughter.

LADIES & JUNIOR TEAMS WORLD CHAMPIONSHIPS APPEAL AUSTRALIAN SPORTS FOUNDATION

The ACTA is conducting an appeal through the Australian Sports Foundation for the purpose of assisting the Ladies and Junior Olympic Trap and Skeet Teams with their participation as members of the Australian Shooting Team at the World Championships which will be held during November at the Whiteman Park Shooting Complex in Perth, W.A.

Donations received through the appeal are fully tax deductible.

If you would like to assist the members of the ladies and junior teams then please forward your tax deductible donation to the ACTA using the coupon in this notice.

Cheques are to be made payable to the Australian Sports Foundation which will issue a receipt for all donations received for taxation purposes.

The Australian Sports Foundation is a Public Company operating under the auspices of the Australian Sports Commission.

NAME: _____

ADDRESS: _____

_____ P/CODE: _____

Please find enclosed my cheque for \$ _____

made payable to the Australian Sports Foundation. My preference is for this donation to be made available to the Australian Clay Target Association for the development of International Shooting.

I understand that I will be issued with a receipt for my donation for which I am able to claim a tax deduction.

PORT DENISON GUN CLUB

Annual Two Day Shoot

On Sunday afternoon the 28th July, the 1991 Annual Two Day shoot drew to a close. As usual, it was a great weekend. The competition was varied, the sportsmanship excellent, the food GREAT, and the social atmosphere fun and friendly. We said "Giddyay!" to shooters and families we had not seen for twelve months. Saturday's event two was sponsored by "Bowen Convenience Store" and the eventual winners after a closely contested event were: 11-15 metres: David McDonnell (Bowen-Port Denison); 16-20 metres: E. Bates (Visitor).

Event 3 The Bowen Toyota Trophy Event: 1st G. Wessels (Ingham), 2nd P. Wilson (Bowen-Port Denison), 3rd E. Bates (Visitor).

Event 5 Port Denison Night Championships — Sponsored by "Grand View Hotel": A Grade and Overall: E. Bates (Visitor); B Grade: G. Maltby (Bowen-Port Denison); C Grade: G. Townsend (Eton).

Sunday dawned with the visitors camping at the club grounds and preparing breakfast in their caravans and tents for the family, then fighting the frogs for the toilet and shower facilities. The frogs lost!

Event 7 sponsored by the families from "Angus Butchery", the Andersen and Matthews families. These trophies being presented by the grandson of Gil and Eunice Andersen, Ryan Matthews to the winners. 1st T. Comerford (Townsville), 2nd G. Wessels (Ingham), 3rd G. Maltby (Bowen-Port Denison).

Event 8 The "Lach's Liquor Barn Trophy": 11-15m: D. McDonnell (Bowen-Port Denison); 16-20m: G. Maltby (Bowen-Port Denison); 21-25m: G. Scalia (Burdekin).

Event 10 North Queensland Continental Points Score Championship sponsored by Vince and Gay McDonnell: A Grade: E. Bates (Visitor); B Grade and Overall: D. McDonnell (Bowen and Port Denison); C Grade: F. Nielsen (Eton).

This great weekend of shooting could not have been the success it was without our trophy donors and the full support of each and every club member. Shoot grounds looked great, the food was the usual high standard and the shoot was extremely well organised. Thank you one and all.

L. Nuzzolesse, G. Archer, G. Timms, F. Bonanno, S. Nixon, G. Rea. 25TGT DB C'ship Ball Trap Op. Sweeps: A: M. Nicolaides 23-25; B: F. Bonanno 23-25; C: G. Rea 2-25. Sponsor R. Romarchio Health Care Centre.

REDCLIFFE 23-6-91 — Fine (52). 25TGT DB 15m CD: AA: R. Fett 25-25 \$25; A: R. Dale 24-25 \$7; B: S. Cannizzaro 25-25 \$75; C: L. Peters 24-25 \$80. 25TGT PS 15m: AA: G. Redmond 92-96; A: G. Burlison 72-75; B: S. Cannizzaro 105-108; C: L. Holland 65-75. 25TGT Mxd 10 SB 5 PS 10 DB: AA: G. Fett 74-75; A: W. Chain 34-35; B: H. Peters 70-75; C: C. Watkins 33-35. 25TGT DB Cont 15m: AA: G. Redmond 32-32; A: T. Meadows 24-25; B: J. O'Reilly 24-25; C: C. Taylor 21-25. 6 Person Team over 4 events: G. Burlison, L. Casella, T. Turnbull, L. Chant, D. Wyland, T. Taylor 827-960. High Gun: OA: R. Fett; AA: G. Redmond; A: S. Cannizzaro; B: P. Holland; C: L. Peters. Ladies: L. Peters, Junior: A. Coco. Junior encouragement award: J. O'Reilly. Once again a very successful shoot, everyone enjoyed the day. The teams were chosen from all the shooters on the ground and a mixture of A, B & C grades in each team. The winning team members each received a meat tray. Good shooting was the order of the day with 2 shooters going from B grade to A grade. They were S. Cannizzaro and W. Chain. Congratulations to Sam on his 50 break. Once again thanks to all the show people, visitors and Redcliffe members for making this shoot a tremendous success. Hoping to make it an annual event. E. Chizzotti, Secretary.

Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

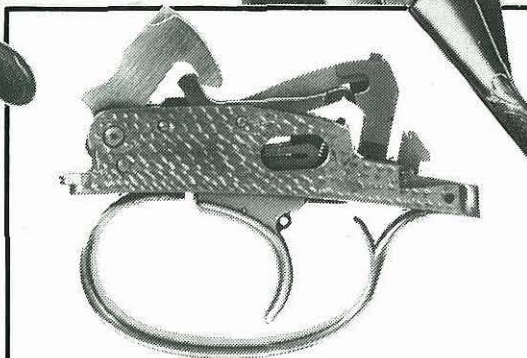

Features include:-

- * Low profile action for unsurpassed pointability.

682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

Field removable in one, split second motion for quick inspection, cleaning or lubrication. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking, "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped main-springs. Lightning fast lock times.

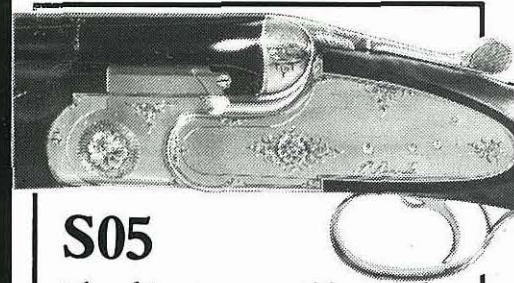

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- * User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.

- * Advanced dimensioned quality walnut stocks.

- * Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.

- * Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
