EXECUTIVE DIRECTORS NOTES

At the time of writing it is still the festive season with an exciting New Year to look forward to. On behalf of the office I would like to thank all those people and the many clubs who sent us Christmas greetings and their best wishes for 1992, they are very much appreciated. We take this opportunity to extend our best wishes and hope that 1992 brings with it health and happiness for all.

Executive Committee

The old year brought about some late changes, firstly to the make up of the National Executive Committee where two members have unfortunately lost their positions owing to a clause in the constitution which disallows an Executive Member to have either a direct or indirect interest in any contract with the Association. This clause has affected Victorian, Graham Mahoney and South Australian, Graeme Michell whose positions have been declared vacant by the Executive Committee who were given no alternative according to the advice received. The ACTA is investigating the matter on behalf of both Grahams, however with little success to date owing to the very specific wording of the constitution. Unless an answer to the problem is found both the VCTA and SACTA will each be appointing a new member to the Executive Committee. It is very disappointing when situations such as this do occur, however the fact of the matter is that the Association is bound by its constitution whatever the end result may be, in this case a most unfortunate one.

The second change to occur is the appointment of Tasmanian President Alan Kenny to replace Stuart Browning on the National Executive Committee. Stuart after many years on the Executive has decided to give his best efforts to the area which he most enjoys, coaching. As State Coaching Director, Stuart will continue to play an important role. At the same time Alan Kenny who is well versed in administration through his employment and as Tasmanian State President will quickly make his mark at National level. On behalf of all we welcome him to his newly elected role, at the same time saying farewell to Stuart who we thank for his contribution to clay target shooting as a member of the National Executive Committee.

National Office

A third change is that we have unfortunately lost the valued services of Megan Smith who joined the Association in April 1991 to handle the accounting side of the office. Megan has had an opportunity to work towards obtaining her chartered accountants degree and while we were very disappointed at losing her services, understand that she has made the right career decision. With the bad comes the good which in this case is the appointment of Gina DiLullo to replace Megan. Gina joined the Association on January 3rd and we wish her well in what hopefully will be an enjoyable working experience.

International Trap High Gun

As briefly mentioned in an earlier issue of the CTSN an International High Gun Award has been established between Australia and New Zealand with the Perpetual Trophy jointly donated by NZCTA President Graeme Webber and ACTA President Leighton Martin. The winner will receive a Gold Southern Cross Badge, Black/Gold Sash plus return airfare and seven days accommodation to attend the following years New Zealand Nationals should the winner be an Australian or the Australian Nationals should the winner be a New Zealander. This event will be ongoing and add to the evergrowing history of clay target shooting and clearly show that an excellent relationship exists between the clay target shooting fraternities of both Australia and New Zealand.

Olympic Games

AUSTRALIAN SPORTS COMMISSION

Our Olympians will shortly be departing for World Cup competitions in Mexico, USA, Spain and Italy as part of their preparation for the Barcelona Olympics. This international competition which has been funded by the Australian Olympic Committee through the funding assistance given them by the Australian Sports Commission will mean that the three man shotgun team will have had the best possible lead up to their respective competitions in which we wish them well for personal and country success. We will watch the results from their Pre-Olympic competitions with great interest knowing that their very best efforts will have taken place and that as Australian shooting ambassadors they will continue to represent their country with dignity and pride.

QUEENSLAND LICENSING LAWS

With the introduction of firearms licensing in Queensland as from 1st January, all interstate and/or overseas visitors must by law obtain a visitors licence.

Visitors licences can be obtained by contacting:
The Authorised Officer, Weapons Registry, Police HQ
GPO Box 1440, Brisbane Qld 4000.
Telephone (07) 364 4417, Fax (07) 236 1694.

No person shall be eligible to contest the Olympic Discipline National Championship being held at Brisbane Gun Club from February 10-16 unless a visitors licence can be produced.

Arrangements have been made for applicants for visitors licences to complete the necessary application at the Brisbane Gun Club on Monday February 10.

Please Note: A copy of your existing state licence is required together with the application fee of \$5.

RULE CLARIFICATION — ISU SKEET GUN POSITION

The current edition of the UIT's Special Technical Rules for Clay Target Shooting (dated 1st January, 1989) clearly outlines the requirements for gun position and jacket marking in ISU Skeet events.

These rules state . . .

S.6.23a "Until the target appears the competitor must stand in the ready position with both feet in the shooting station boundaries holding the gun with both hands (see Fig.1). The gunstock must be in contact with the body of the shooter with the toe of the stock on or below the marking tape (see Fig.1) and must remain in that position until the target appears.

S.6.23b No prolongation of the gun butt is permitted. To aid the referee in controlling the position of the gun, a mark approximately 25cm long and 2cm wide **MUST** be permanently affixed (see Fig.1) on the right side of the outer garment (left side for left hand shooters) according to the height of the crest (top) of the individual's hip bone. The outer garment is any shooting coat, vest, sweater, shirt etc which is worn by the shooter and visible to the referee and jury during shooting."

The points that need emphasising from the rules are as follows:

1. The gun position may be anywhere on or below a line from the crest of the hip bone to the centre of the stomach (approx.)
2. Shooters jackets **MUST** have a marking tape **PERMANENTLY** affixed to their jackets.
3. The gunstock must be touching the body.

The rules relating to these points are clear and the penalties applied to each breach of the rules are laid down (a warning for the first infringement, followed by the loss of one target for subsequent violation).

As incorrect gun position is a breach of the rules, so is the failure to have a permanently affixed mark on the shooting jacket. For many years, shooters have seen it as the responsibility of referees or jury members to 'tape' competitors prior to commencing a competition. This is not correct. As having a tape permanently fixed to the outer garment is a mandatory requirement of entry to the competition, it is the responsibility of the shooter and shooters who do not comply with the rules may be penalised accordingly.

GRAND AUSTRALIAN HANDICAP 1992 DTL NATIONALS 36g - 1 1/4oz

Acting upon a recommendation from the National Rules Committee the Executive Committee have deferred their decision to introduce 28g loads for the 1992 Grand Australian Handicap until the completion of the current rules review at which specific attention will be given to the effect of 28g loads on handicap shooting in its recent form.

All other events at the Wagga Nationals will be contested with 28g loads.

VETERAN STATUS

CLUBS ARE REMINDED THAT WHEN PROGRAMMING SHOOTING EVENTS VETERAN STATUS (RULE 4.27) IS APPLICABLE FOR PERSONS OVER THE AGE OF 65 YEARS.

IT HAS BEEN BROUGHT TO THE ATTENTION OF THE ACTA THAT VETERAN STATUS ON AT LEAST ONE OCCASION HAS BEEN PUBLISHED AS BEING OVER 55 — THIS IS INCORRECT.

PLEASE ENSURE THAT THE RULES GOVERNING CLAY TARGET SHOOTING ARE COMPLIED WITH ON ALL OCCASIONS, FOR THE BETTERMENT OF SHOOTING AND EQUALITY OF COMPETITION.

WANGARATTA 1991 CHAMPIONS OF CHAMPIONS

Seventeen year olds scooped the pool at the Wangaratta Clay Target Club's prestigious DTL yearly event — the Open and Junior shoot-offs for the Champion of Champions.

Pictured proudly holding their trophies are Terry Pigram (left) winner of the junior section, together with the Open section winner Paul North (right).

The open section is contested by winners of the monthly High Gun trophies. This results in some excellent shooters competing against one another for the Championship Title and a very impressive trophy which would take pride of place in anyone's trophy collection.

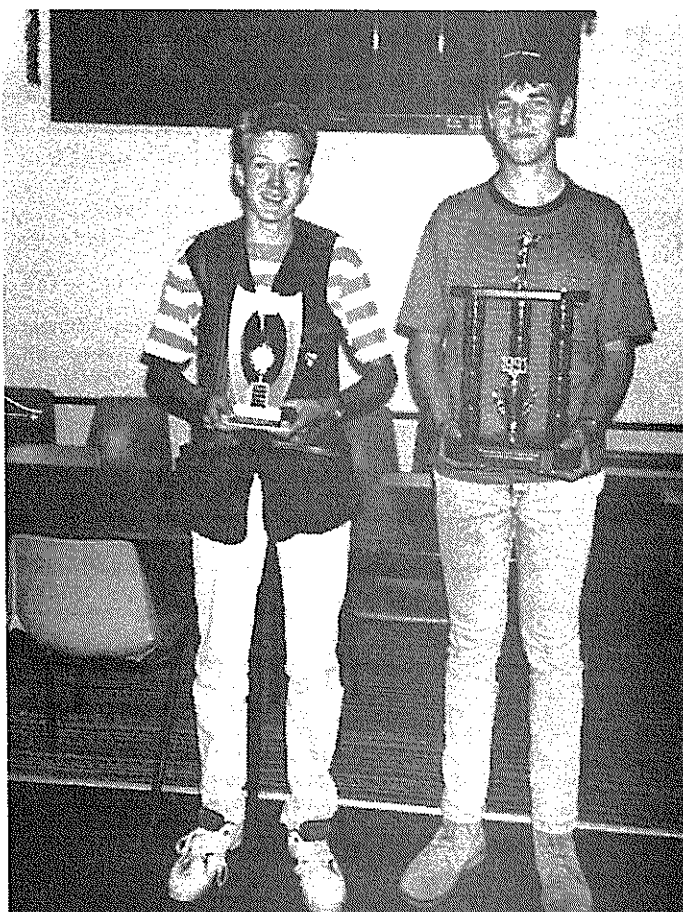

The shoot off is conducted by shooting a sequence of double barrel, single barrel, pointscore, handicap, continental and double rise targets.

Of the nine shooters eligible to compete two were juniors. It may have been easy to assume that these two lads would buckle under the pressure and be a push over.

Well, by the end of the first round only the two juniors remained with a clean score sheet.

These two lads Brett Ford from Tungamah and Paul North of Wangaratta put a great exhibition on how to retain composure under pressure, in fact they shot four complete rounds, while the big crowd of over sixty watched them with a certain amount of amazement, before a winner could be declared. A very happy Paul North was overjoyed by his success, particularly as he had some stiff opposition including his father to overcome.

The above event was then followed by Junior Champion of Champions shoot off and contested by the junior shooters who had won monthly Best Junior trophies.

After shooting the ten single barrel, followed by ten double barrel targets, Terry Pigram was declared the winner scoring 19/20 and was awarded the Graeme Boyd Junior Champion of Champions perpetual trophy.

Congratulations to both Paul and Terry on their great wins. These two lads have only just recently been up graded to B grade following successes at the Victorian State DTL Championships where Paul won B grade and Best Junior in State Single Barrel Championship, Terry took out B grade and Best Junior State Pointscore Championship while Brett Ford won the Junior High Gun over the carnival. Brett and Terry were also thrilled to make the State Junior team.

Commiserations must go to Brett Ford who shot well all year, in fact he was awarded the monthly best junior trophy on nine occasions during the year, he also won the overall monthly high gun trophy in October, thus making him eligible to compete in the open section of the Champion of Champions. In defeat he came up smiling and showed true sportsmanship by being one of the first to offer his congratulations to both Paul and Terry. Good on you Brett.

Bev Penney
Secretary

VALE Joe Wilson

It is tragic to report the death of Joe Wilson aged 31 years whilst bush logging on November 15.

Joe had joined the Port Macquarie Gun Club earlier that year, and at the time of his death was just becoming acquainted with the members of that club. He was formerly a member of the Corowa Club and we believe he acted as Secretary and Delegate for (at least) one other club for some years.

The club found him to be a very good and reliable shooter who readily volunteered for any duty such as referee, scorer, trapper etc. He was a very cheerful and confident man and we will miss him.

Our most sincere sympathy to his wife and four children.

GEELONG CLAY TARGET CLUB (INC) ANNUAL 2 DAY CARNIVAL REPORT

After many hours of planning and working bees, Saturday 30th November dawned overcast and threatening rain. Fortunately the rain held off and conditions improved as the weekend progressed. 184 shooters nominated for the 2 days shooting, travelling from NSW, South Australia, Queensland, and all corners of Victoria.

Event 1 saw 143 nominations and 70 possibles recorded. With the weather improving 163 shooters entered the 2nd event the Gold Nugget Gift. From 55 possibles the field was soon reduced to two shooters, Craig Bentley and Stephen Haberman, with I. Headon 75/75 winning A grade, R. McGregor 45/45 B grade and J. Hooper 47/47 along the way. Craig went on to win AA grade with a score of 240/240.

Event 3 produced the longest shoot off for the weekend. 67 possibles from 163 competitors saw the shoot off carry on till the late afternoon. With the score at 300 and light failing Russell Mark, Vince Gatt and Kevin Wright decided to continue the shoot off early next morning.

The 19 possibles in the Point Score Championship were also required for an early start.

The Saturday evening meal and calcutta auction was a great success. Some very competitive bidding saw C. Bentley \$270 and R. Mark \$250 bringing the top bids. Whilst the Hornsley Park syndicate and Frank Vella kept the bidding active. Willie Richardson and Jock Richmond of H.F. Richardsons were the auctioneers for the evening and did an excellent job in getting the prize pool to \$7130. Special mention must go to Carol Zagorc for her effort in selling over \$3100 worth of tickets.

On Sunday morning in ideal conditions Russell Mark 353/353 won the overall in the Grand Prix, with Kevin Wright 352/353 winning

the (18-21) group and Vince Gatt 349/350 the (22-25). The shoot off of the Point Score Championship was next to be decided. D. Halikiopoulos from South Australia with a score of 165/165 outlasted S. Haberman 164/165, to win the overall, with C. Scotta 71/72 and J. Iaria 59/63 winning B and C grades respectively.

Event 5 the Double Barrel Championship was won by the current National Double Barrel champion, Bob Christopher shooting 284/284 from Graeme Vearing 283/284 and Tony Plum 263/264. All three shooting their best breaks.

Event 6 the Winchester Calcutta produced 19 possibles from 143 entries which gave their buyers a return of \$375 from the calcutta pool. This shoot off came to a sudden and unfortunate end when J. Blasley was forced to retire. He had to catch a flight back to Sydney. This left Wayne Headon the overall winner 140/140.

The final event of the weekend the Single Barrel Championship produced the most interesting shoot off of the carnival. From 12 possibles R. Mark had to shoot an excellent score of 96/96 to win from D. Halikiopoulos 95/96 with C. Scotta 31/32 B grade, N. Matera C grade.

The overall High Gun was won by Stephen Haberman with a perfect score 210/210, Bob Christopher one target down (2nd last in the calcutta) won AA. A grade was split by G. Vearing and R. Cugley, B grade C. Scotta, C grade I. Franic, Lady Tracy Gray, Junior Paul Downs, Veteran Jack Hughes. (Detailed results in shoot result section this issue.)

Overall it was a highly successful weekend, excellent trophies, good competition and good company.

The club wishes to thank Tony Bradshaw for his work as shoot marshal, our tireless band of ladies lead by Maureen Mahoney, the office staff and all those who helped run and organise the shoot.

The Geelong Clay Target Club is very grateful to our major sponsors: Winchester Australia, Barwon Cleaning Service, City Watch Makers, Kevin Wright and Ian McGeoch, Geelong Brewing Co, and thank them for their support.

November 28th and 29th 1992 is the date to keep in mind for our next 2 Day Carnival. Hope to see you there.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

INTERNATIONAL GUN CLUB BIRTHDAY SHOOT OCTOBER 19 & 20

Our birthday shoot was celebrated in fine style with perfect weather conditions. We had an excellent roll up of shooters from around the state and several interstate visitors. 65 shooters attended on the Saturday and 75 on Sunday. No less than 23 possibles were shot in the DTL events on Saturday and more than 40 on the Sunday.

Saturday 19th

Event 1 50 Target 'Gun Rack' Skeet Championship was won by D. Burton 54/54. This was the first time the event has been held and included a teams event. The winning team was from International Gun Club. The team was G. Donald, R. Dower, D. Murphy and R. Dwyer. The winning score was 236/250. South Australian Gun Club was second with a score of 234/250. This event was sponsored by the Gun Rack Enfield.

Event 2 50 Target Trench Team Shoot was again won by International Gun Club with a score of 161/200. The winning team was D. Oliviero, D. Martini, P. Marcoionni and R. Dean.

Event 3 30 Target Mixed Graded was won by "A" D. Murphy 100/100, D. Oliviero 97/100, "B" G. Donald 50/50, S. Halikopoulos 74/75 and "C" T. Falzon 48/50, E. Koop 47/50.

Event 4 25 Target Topmix DB Championship proved to be a real thriller with 8 shooters shooting the possible. The shoot off continued until we ran out of daylight when it was decided to continue the next day.

Richard Dean was crowned High Gun for the days events. Presentation of trophies was held over until the Sunday. There was a dinner at the club rooms that evening prepared by the 'Canteen Ladies' which was attended by about 50 people.

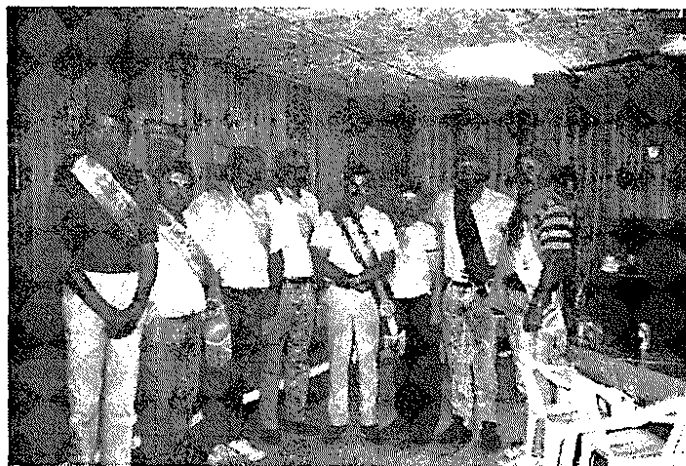

Saturday and Overall High Gun R. Dean.

Sunday 20th

Sunday started early for John Byrnes, David Murphy and Ross Walsh (the latter two shooters both from Broken Hill) these were the three shooters who were still shooting off for the last event on Saturdays program. The shoot off continued for some time before it was necessary to move the shooters to the end layout to allow the rest of the days events to start. David Murphy dropped out relatively early but John Byrnes and Ross Walsh continued for two hours and ten minutes until John Byrnes was victorious with a score of 277/277.

Event 1 5 Target Eye Opener A case of shells was shared between the top 5 place getters who were R. Winckel, V. Carusto, P. Finis, E. Commons and R. Spinella.

Event 2 20 Target Handicap saw four shooters shooting a possible each of them loosing a metre in the process. This event was won by J. Zuppa with R. Walsh second and P. Marsden third.

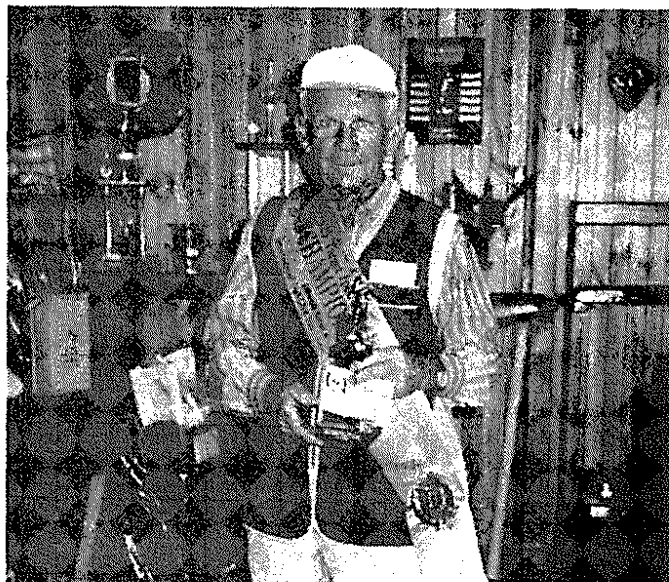

Trophy Winners L-R: C. Hunt, B. Williamson, R. Winckel, J. Byrnes, D. Oliviero, R. Dower, R. Dean, P. Hall.

Event 3 25 Target IPEC Point Score Championship was won by "B" grader S. Meaney with a score of 90/90. "A" P. Hall 116/117; "A" C. Hunt 89/90; "C" B. Williamson 75/78.

Event 4 25 Target Colin Sparrow Memorial Team Shoot was won by International Gun Club with a score of 124/125. The winning team was R. Dean, R. Flemming, D. Martini, P. Marcoionni and D. Oliviero OA and "AA" D. Oliviero 97/97. "A" R. Winckel 96/97; "B" K. Polst 41/42; "C" B. Marsden 25/25.

Event 5 25 Target Comit Farms Double Barrel Championship saw fifteen shooters shoot the possible. OA and "A" R. Winckel 90/90, second I. Campbell 89/90; "AA" D. Halikopoulos 43/44, second R. Fleming 33/34; "B" K. Polst 65/66, second T. Renna 30/30; "C" T. Smith 28/28, second B. Marsden 26/28.

Brad Marsden who returned to shooting only a few weeks before was one of several shooters to shoot the possible in two events which saw him progress to "B" grade.

Stan Meaney

The Sunday High Gun was won by Ross Walsh with a score of 148/150. The Ladies High Gun was won by Barbara Wallace with a score of 185/235. The Veterans High Gun was won by Stan Meaney with a score of 193/235. The Overall High Gun for the weekend was won by Richard Dean with a score of 305/325.

The weekend finished with the presentation of trophies followed by our customary BBQ. In all a great two days of shooting.

TAIPAN SHIELD TO BOORT

Competition for the 20T Ladies Taipan Shield was at its strongest in 1991.

Since its inception in 1984 the Taipan Shield has been dominated by the Cressy (Tas) and Kerang (Vic) clubs, however in 1991 the Ladies Team from Boort (Vic) have defied all opposition and with a team score of 97/100 have wrested the shield from Cressy.

Team members: Fay Burton, Sue Rigney, Belinda Denys, Jan Woodhatch and Deanne Doyle, are to be congratulated on their excellent results, which shows to all the depth of shooting talent amongst the women competitors in clay target shooting.

Congratulations to the Boort Clay Target Club and to all who contested this increasingly popular club event for women shooters.

VALE

C.D. (CHARLIE) FARNSWORTH

It is with regret that the committee and members of Mildura Clay Target Gun Club Inc advise of the death of Charlie on October 10, 1991.

Charlie was a competitive rifle and shotgun shooter for 54 years being an ACTA/Mildura Gun Club member since 1964.

Prior to taking up clay target shooting, his rifle shooting was with the Cardross Rifle Club from 1937 to 1962.

Charlie enjoyed DTL and skeet shooting, and in 1974 combined this interest with the field and game discipline of simulated shooting.

He was a committee member of Mildura Gun Club during the late 1960s and early 1970s.

Charlie leaves a wife, May and sons David and Malcolm to whom we extend our deepest sympathy.

HANDICAPPER GETS LIFE

Wangaratta Club Handicapper, Dick Love was presented with a most deserving reward following his ten years service and commitment to the club when he received a Life Membership at the Club's Annual General Meeting on November 28, 1991.

Dick, although an elderly gentleman has been club handicapper for the past eight years, during this time he has done a magnificent job at recording shooters scores on their registration cards and keeping track of their grading.

Dick has been a most conscientious and thoughtful committee man who is ever willing to assist at club working bees or any other club activity including much more than his share of practice duty, and many a time has put his commitment to the club before that of his family and social life even when he has not been in the best of health.

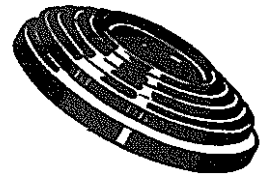

Congratulations Dick on receiving this well earned award.

CENTRAL ZONE QCTA

The Central Zone of the QCTA recently held its annual Skeet Carnival at Rockhampton Gun Club. The Venue was much drier than it has been for our trap carnival held in February, and the temperature and humidity were much lower thank goodness.

Thirty shooters attended the shoot and the standard of shooting was as always high as is reflected in the results shown at the rear of the magazine.

Laurie Chelepy certainly lost none of his ability during his break from shooting and this Zone is very proud that Laurie this year gained membership to the Australian, Queensland and Central Zone Queensland open skeet teams. Laurie also this year won his own coveted Champion of Champions trophy for the first time since donating it to the Zone.

Danny Casagrande also became the centre of attention and much controversy when still only a B grade skeety he shot 104 targets straight in a shoot off with Laurie Chelepy. Laurie was eventually the victor and Danny by the end of the weekend was exalted to the ranks of AA graders.

It was also pleasing to regrade Doug Wust from C to B. Doug loves his shooting and this was a great reward for his efforts. Peter Field also went to B grade and shot himself into the zone team. This also was a great effort as Peter is only a couple of times a year skeet shooter.

This year we also managed to field a Ladies Team. My records only go back to 1982 but this is the first Zone Ladies Team since then at least and probably longer than that. We were very pleased with our score (which shall remain a secret) as two of us are only once a year skeet shooters and one just a new shooter. Our team consisted of Margaret Denton, Vere Storch, Gay Burns, Marly Casagrande and Marie Ferry. Good on you girls, let's hope we can do it again next year.

Next year our annual Skeet Carnival will be held at Tallawalla Gun Club which is near Blackwater. This will be held on 10th and 11th October, just one week before the State Skeet which will be held at Rockhampton Gun Club. This should be a great opportunity for all avid skeet shooters to take a holiday in beautiful Central Queensland with the Hall of Fame at Longreach in the west, the gemfields, coal mines, cotton and grain plus the magnificent Fairbairn Dam in the centre, the Carnarvon Ranges in the south and the Capricorn Coast and islands in the east just to name a few of our wonderful attractions. Our weather is usually perfect at this time of the year as well. So all you southerners, here's a great reason to come up and check us out.

MOUNT ISA GUN CLUB

The Mount Isa Gun Club's monthly shoot was held last Saturday with competition being commenced at 4.30 pm with 50 targets Skeet. Three shooters, Mick McGill, Geoff Ladbrook and Phil Leddick shot perfect scores of 50/50, and none had missed a target after the first shoot off round, however early in the second shoot off round Phil Leddick missed and ended his chances of winning the event, then both Mick McGill and Geoff Ladbrook missed the same target and just a few targets later Mick missed again to give Geoff the "A" grade trophy with an excellent score of 84/85.

The high scores were not confined to the Skeet and Mick Tipman carded a perfect 25/25 to clinch first place in the Ball Trap, second went to Rod Cusack with 23/25, and Rox Maxwell, Bruce Murphy and Geoff Ladbrook shared third place.

With the afternoon shooting over, members and guests sat down for a sumptuous meal prepared by the hard working volunteers in the kitchen.

At 8.30 pm it was dark enough to commence night shooting, with the final event being 25 targets off 15 metres which saw Greg Mathews win "A" grade with 24/25, Geoff Ladbrook also 24/25 won "B" grade and Trevor Bennett won "C" grade with 23/25.

The next event was the Mount Isa Gun Club Night Double Rise Championships, which Mick McGill won outright with 33/40. Greg

Mathews' 32/40 earned him "A" grade with Trevor Bennett proving to be the best "C" grade with 29/40, while "B" grade required a shoot off between Geoff Ladbrook and Brian Palethorpe which resulted in the grade trophy being won by Brian with 36/50.

The final event was the Mount Isa Gun Club Night Deauville Doubles Championship which was shot off combined average handicap. The winning pair were Mick McGill and Doug Stone who shot 18/20 with Ron Power and Stephen Emmerton being defeated in a shoot off by Rod Maxwell and Geoff Ladbrook who placed second with a score of 17/20.

M.I.G.C. Night Double Rise Champions. L-R: Brian Palethorpe (B), Trevor Bennet (C), Mick McGill (OA), G. Mathews (A).

Also the Mount Isa Gun Club would like to welcome back to Mount Isa, Gary Quansing who was a member of the club when he was here previously in 1978.

If you would like to know more about the sport of clay target shooting and the activities of the Mount Isa Gun club contact the Publicity Officer, Ron Power on 43 4277 during work hours or on 43 9940 after hours.

MARYBOROUGH TID BITS, QLD

It will be called the Trans Tasman Trophy which will be shot for between Wairau Firth in Blenheim in the top of the south island of New Zealand and our club, Maryborough.

This is the creation of New Zealand shooter Fred Sidwell who has been shooting with us for over twelve months and invited us to be a sister club to Wairau Firth. Details of the Perpetual Trophy and the shoot are in motion.

1.12.91: Bundaberg Christmas Shoot with goodies from hams to nuts with too many wins to report. The high guns for the day being — A: R. Hammill; B: G. Sergiacomi; C: J. Straughair with the 1991 club championships being — Club Champion: Paul Rehbein; FM Champion: John Straughair; Trap Champion: Paul Rehbein; Skeet Champion: Peter Winzen.

Bundaberg Club has a new Club President in Keith Palmer and Captain Richard Hamill, both will undoubtedly do a good job. All other positions are retained by the same workers.

Paul Rehbein has been transferred to Gatton with his work and will be making a noise in a new area, good shooting and best of luck wherever you shoot Paul.

I would like to thank both Vic Satore and Roin Cugley of Deniliquin who located, picked up and posted my ejector for my gun. In the meantime I was using a 681, you say there isn't a 681, well I was using Guilio's 682 barrels and my 680 stock, so it would have to be a 681. Thanks again Vic and Ron, and Guilio for the use of your barrels.

8.12.91: Gympie Christmas Shoot. The main event of the day being the Doc Rowsell Memorial Trophy Medley, winners being OA and A: C. Campbell; B: N. Dale; C: B. Campbell. After a lot of Christmas events the OA HG went to V. Tipman, A HG: B. Stolberg; B HG: L.

Beattie; C HG: D. King. Yearly High Guns concluded as follows — A: G. Durre; B: L. Beattie; C: S. Edgerton. A big thanks to Mrs Pat Rowsell and daughter Sue for attending and presenting trophies.

New position holder for Gympie are President G. Foster, Vice President B. Edgerton, Secretary V. Tipman, Treasurer K. Mills.

Chris Harrison of Gympie must be a nice guy, his wife Marge tells me he takes her shooting every Sunday, whether she wants to go or not, thanks for the empties Chris and best of luck with the bulldozer.

Barry Power shot a perfect score in the Points Championship and took B grade at Redcliffe, but now he has been caught up in the no work, no income, no shoot position, so we won't see Barry as often unless something comes his way . . . best of luck Barry.

15.12.91: Maryborough Christmas Shoot. Thanks to visitors from Rocky, Bundy and a special welcome to Myra and John, Mary and George Burlison, who have moved to Hervey Bay from Redcliffe and John and George who will be shooting with Maryborough in 1992.

Thanks to the ladies for keeping the tea, coffee and eats up throughout the year.

Good shooting to all and till next time see you at the shoots.

Colac shooters in 15 strong State Team

Two members of Colac Gun Club are among the 15 shooters who on Saturday qualified to represent Victoria in the Australian teams shoot.

They are club secretary, Bill Perry, and Ian Dickens.

More than 140 shooters vied for the honour of making the State team, at an elimination shoot hosted by the Colac Club and watched by a large crowd of about 600 spectators.

In the elimination round in which competitors had 30 shots, Perry dropped one point to finish with 89-90, while Dickens shot 88-90.

Six shooters tied on 88-90 but Dickens and W. Hendwood of Croydon won the shoot-off to decide which two would go into the team.

Only one shooter scored a possible 90-90 in the elimination round. He was Alf James of Maldon.

The other team members all shot 89-90.

The 15 men then shot a 50 target round, the scores of which will be used as Victoria's entry in the Australian teams shoot.

These scores will be submitted to the Australian Clay Target Association but will remain secret until all other States have handed in their scores also.

The high gun trophy and sash for the top scorer of the 15 shooters was won by Newton Thomas of Melbourne. His score will also remain secret.

Members of the team are: G. Leech (Maryborough), T.N. Thomas (Melbourne), A. James (Maldon), R. Jorgenson (Port Arlington), F. Heinze (Kerang), D. Toner (Werribee), R. Cartledge (Ballarat), C. Fowler (RAAF Point Cook), R. Gath (Melbourne), T. Pederson (Gippsland), G. Williams (Gippsland), J. Green (Korumburra), W. Perry (Colac), W. Hendwood (Croydon) and I. Dickens (Colac).

Each of the team members was presented with a sash and state teams badge.

Three championship events were conducted in conjunction with the elimination and team shoot.

R. Hammond came all the way from Balranald, New South Wales to be outright winner of the Club Double Barrel Championships on Friday afternoon. Hammond shot a possible 75-75.

R. Lowry of Winchester was the A grade trophy winner with 74-75. Harvey Eldridge of Colac won the B grade trophy, 69-70, and Frank Dignan, also of Colac won the C grade trophy with 53-60.

Kerang shooter, F. Heinze shot a possible 98-98 to win the Club Double Barrel Championship on Friday night.

Yardage trophy winners in this were: A grade — W. Ashwood (Melbourne) 97-98; B Grade — B. McKenzie (34-35); C grade — Frank Dignan (Colac) 39-40.

C. Fowler of Point Cook RAAF base, won the Western District Double Barrel Day Championship on Saturday with a possible 124-124.

Reg Hipwell of Cohuna dropped one point for a score of 123-124, but took out the A grade trophy.

Bob Cartledge of Sebastopol shot 111-112 to win the B grade section, while Barry Higgins of Colac won C grade with 48-49.

WOMANS TALK

by Jean Wray

Goodbye 1991, hello 1992. But let's not wipe off 1991 so quickly, for what a year it was.

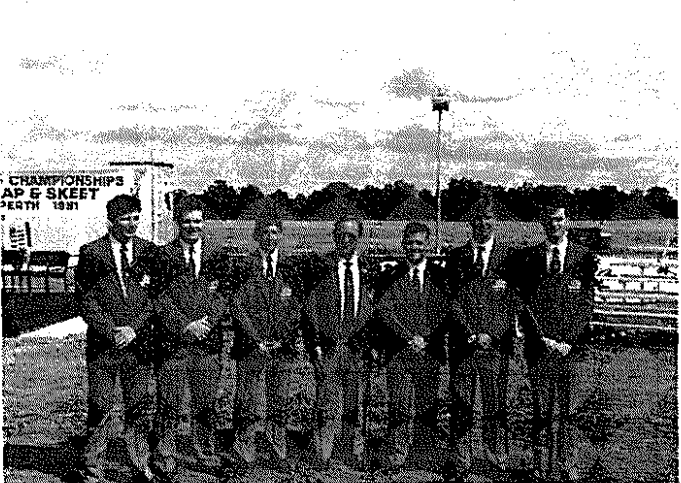

For the ISU enthusiast, the World Shotgun Championships conducted at Whiteman Park, Perth WA during November, was the culmination of several years preparation and planning by the Organising Committee and the WACTA, for which we should congratulate them all for making the Championships the first class event it was.

I am not going to list winners and scores shot, but thought you may be interested in some of those little stories and personalities who competed from around the world.

The opening ceremony, a little like a mini Olympics, believe me, we were the best dressed country there, as host nation we were last to march in and I'm sure it wasn't my imagination that the roar from the mostly Australian crowd assembled was louder for the other countries.

Womens World Championship Teams.

Junior World Championship Teams.

The excitement of watching our Michael Diamond shooting off the medal placement in the open trap event, and the sheepish look of pleasure on the faces of our Juniors on the dais to collect their bronze medal in the junior Double Trap event, and Kathy and Deserie winning silver and bronze in the Womens Trap Section of the Australian Grand Prix. You should have all been there.

Julian Womble of Great Britain, winner of the Junior Double Trap event, who in fact, shot one target more than the winner of the Open Double Trap Event.

The team from China who left their men at home because they were not shooting well enough, but fielded a full team of women in both trap and skeet. But to be fair, the Italians, who only brought one woman with them, she did win the bronze medal in the Womens Trap Event, as their other women were not performing well enough.

The three Hungarian women skeet shooters, until Perth the reigning Women World Champions, who we found out over dinner one night, have been shooting the discipline for 20 years, and that home club for two of them is in Budapest on an island in the middle of the Danube River.

Pinky Le Grille, who has dual Belgium/British Citizenship, and until recently shot for Belgium, but due to a "difference of opinion" now shoots for Great Britain. Pinky won a Womens Quota for the Barcelona Olympics for Belgium and then a similar quota for Great Britain. Her mother was born in Tasmania so really she could be "OZ"!

The evergreen Susan Natrass from Canada, the silver medalist in the Womens Trap, also competed at the other World Championship in Australia, held in Melbourne in 1973, has won a Womens Quota for the Barcelona Olympics for Canada.

The Korean Jury Man, demonstrating how the Japanese bow in greeting, and how the Australian wave their arms to brush off the flies.

The Russian team, who it was rumoured, were allocated \$5.00 per day for expenses, had brought with them items to sell, like caviar, beautiful colourful tea urns and hand carved wooden bears.

And the two members of the British Womens Team who turned up at the closing ceremony in Dryabones and Akubra hats.

As you are probably aware much of the cost for members of the Womens and Junior Teams were their own or with help from family, friends, state associations and clubs.

One of the most imaginative ways of fund raising came from the family of Matthew Howden. Upon Matthew's inclusion in the Junior Trap Team, mum Sue, dad Richard and family, and a band of helpers from Werribee South, banded together canvassing businesses for sponsorships. With the economy as it is at the moment, cash was a problem, but goods were not, so after Tupperware parties and Bingo nights to name a few, a dinner dance auction was organised, which I attended. It was just incredible the amount of goods which had been donated from vintage Elvis Presley records, AFL footballs autographed by the teams players, food trays, prints and lamps, down to chocolate coated donuts. A very professional auctioneer took charge of proceedings and the night ended with a good amount raised to help Matthew with his preparation and costs for Perth. Hard work I am sure, but I kept visualising this on a grand scale, Australia wide, to help fund Australian teams.

Now I have some thank yous to say for help with funding: The Australian Clay Target Association, The New South Wales Clay Target Association, The New South Wales ISU Sub Committee, Victoria Gun Club, Geelong Gun Club, Bendigo Gun Club, Mildura Gun Club, Kerang Gun Club Ladies Committee, Rossprint — Paul Rylands, Melbourne Hilton on the Park, Diane Chapman.

The raffle for the Victorian Women and Juniors, first prize, a Hilton Experience, donated by Melbourne Hilton on the Park, was won by Faye Burton. Second, a case of cartridges, Bob de Vries and third, a bottle of French Champagne, Frank Vella.

The leadlight of a koala, made and donated by Diane Chapman, was won by Carol Ogden.

See all you ISUers in Brisbane for the Nationals.

Until next time.

Over recent months, members of the Gladstone Clay Target Club Inc, have been the recipients of numerous complaints regarding the conduct of the "Lindsay and Elaine Dalton Perpetual Trophy Shoot". First conducted during October 1989.

So that this matter be finally put to rest we have enclosed a copy of the minutes of the club meeting pertaining to this shoot. In the circumstances we will be pleased if you will make this information available to all members of the ACTA.

An abstract of the minutes of the General Meeting held on 14th July, 1989.

"Letter of Mr R. Hannah received regarding the Lindsay and Elaine Dalton Trophy. Mr R. Hannah and Mr D. Auger donated \$200.00 each for the Trophy. Mr J. Beale and Mr D. Vander Schoot donated \$50.00 each for the supporting trophies. The trophies will be marked, Donated by Mr R. Hannah and Mr D. Auger. The remainder of the monies to be used for a replica of the trophy and trophies to be purchased for AA, A, B, C grade. The trophy to be held at the Gladstone Clay Target Inc building and the remainders of the money to be held for future events."

At no time was it decided that any monies from these shoots be passed over either to Lindsay and Elaine Dalton. We recognised the work that Lindsay and Elaine did for the club in the past years. Thank you for your assistance in this instance.

Yours faithfully,

L.J. Chelepy

The Editor,

After varying results with Mulwex AS-30 powder I looked forward to the introduction of Mulwex AS-30 which supposedly duplicates Hercules Red Dot in volume, weight and performance.

The fast burning rate of AS-30 is certainly an asset as it appears that 1oz load pattern is better with faster burning powder. An article by Don Zutz who is at the forefront of Rifle and Shotgun reloading, in the USA. He found, as a result of this testing that powders similar to Red Dot produce better patterns than the more traditional, slower burning powders. The conclusion that he reached was that the faster burning powder had completed most of its burning by the time it reached the choke, therefore the wad did not suffer the stress of a slower burning powder that had not completed its burning (i.e. still producing pressure) at the choke. To prove this he used Bulls Eye (faster than Red Dot) powder with 1oz of shot to produce 92% patterns.

To start my testing using a CHRONY I loaded a 18.5gr AS-30 with 1oz of No. 7, along with a Winchester 209 primer and a Eley 1 1/2oz wad.

There is two reasons why the Eley wad was used, firstly I have found that an 1 1/2oz wad gives a better pattern with 1oz of shot and the diameter of the wad is less than the Winchester wad.

As my Beretta 682 has fairly tight bores I felt that the recoil and build of plastic could be reduced by the smaller diameter wad, my subsequent finding was that the Eley wad produces a slightly higher velocity (see table 1).

Loads of 19.5gr and 200gr were also loaded (see Table 1).

To say the least I was impressed with the results, the velocities advertised appear similar to those I recorded.

It was also pleasing to find that there was no noticeable muzzle flash, even though I was testing just on evening, believe it or not CHRONY's operate best with subdued even light, i.e. around evening time.

**TABLE 1 30" Barrel Beretta 682

In summary, AS-30 appears to be an excellent powder for trap and skeet shootings, with the bonus that it's Australian made.

Good shooting,
Yours faithfully,

A.C. Kenny

Mainly I want to answer all those negative thinking shooters who are on about the 1oz load, namely R. Burgess, B. Joy, M. Swale, S. Bates and D. Seawright. This sport is expensive as Mr Bates says, but a new bar for his press and a new bush surely is a minor part of his annual cost. As the rule does not come into force until 1993 we all have twelve months to use up the 32 gram wads.

I am under the impression that clubs were notified re this matter, certainly my own club, the Sunshine Coast Club were and voted on it at a general meeting, in the affirmative.

Mr Chizzotti, I doubt very much the 1oz load will cause ACTA shooters to embrace Field and Game shooting. It is not a push over as you may think, 25 targets straight on any ground is unusual and not because they cannot shoot. Try it sometime, you could be surprised, and 1 oz loads are still adequate, I have personally used them exclusively for 5 years or more. I really think "trench" tells the whole story, their scores did not suffer from the use of this 1oz load.

Mr Swale you worry about handicap shooting! What handicap shooting? When I saw your complaint I checked the ACTA news and surprise, surprise! Forty-five clubs advertised seventy one-day programs for two hundred and eighty three separate up to 25 target and over events, just thirteen handicap events all on. We hardly ever shoot handicap and that is where the excessive turnover in new shooters is really caused. Shooting off 15 metres alongside all the hot shots does nothing to encourage them at all, and what help do they get from their fellow club members, all clubs please consider this very urgently, then and only then will the shooter turnover slow down a bit.

The doubting members have twelve months to get stuck into finding a good load. Put your minds to it instead of knocking it and I am sure you will be pleasantly surprised.

Yours sincerely

J. Glover

Dear Sir

I have just attended the 2 day shoot at Geelong and would like to congratulate the committee and club on a fantastic shoot.

The organisation, catering, targets and standard of shooting was as good as one could wish to see. I would think most clubs would be very envious. Special mention of the greatest shoot marshal to grace any grounds, Mr Tony Bradshaw, the two Grahams who did not stop, and of course the ladies committee who kept the drink and food up to a very large crowd. Thanks to the committee for your hospitality and help and I look forward to the 1992 shoot.

Ian McGeoch

Dear Sir

I would like to take this opportunity to thank a few people for the wonderful help they gave me on my recent trip to the World Skeet Nationals in San Antonio in Texas. First of all I would like to thank Graham Guy for the loan of his gun, the Broken Hill Gun Club, the Broken Hill Field & Game Association, Ross and Mick from the Red Robin Deli, Neville Spencer, and Trevor Rimmer for their generous financial support. I would like to thank Alan Maher and the ACTA for organising our trip. Thanks to Graham Michell and his wife for their advice, and Pam Cook for our great shooting jackets. Now a very special thanks must go to Graeme and Isobel Webber, Mervan and Margeret Pratt, all very friendly New Zealanders. Without their tremendous help our trip would not have been half as enjoyable as it was.

Thanking you all,

Evan Stephenson

The Alexandra Gun Club Inc (Vic) would like to thank Mr Kevin Wright of Ballarat for his donation of time, expertise and materials in setting up our junior training shotgun with a fully adjustable stock.

Alexandra Gun Club

Dear Sir,

It is not my habit to write letters to the editor regarding topics connected with clay target shooting, so for the first and I hope the last time, here goes.

Firstly I have been an ACTA member for the best part of forty years, a trap and skeet referee almost as long. The "refusal" rule — How many targets can a shooter refuse? If the referee cannot call the FIRST refusal lost, then the rule only satisfies the cheats among us, we all know one target wins or loses a shoot.

Dear Alan

1: Has the minimum handicap mark for AA Shooters been moved back from eighteen (18) metres, and if so to what meterage?

2: There are three disciplines in 'Down the Line Trap Shooting' — DB, SB and DR. If points (which is a Novelty Event) is included in a programme, the High Gun is on points. You get a situation where a shooter breaks more targets than the other guy and does not win High Gun. To my mind, the chap who breaks the most targets is the best shot. I suggest that DB be scored three and two for High Gun purposes. If there is a points event, or go the other way, and have the High Gun on broken targets.

3: Clay Target Shooting is the only sport I know of where the second best score is called first. At a lot of shoots, second in the overall winner's grade is called first in that grade, and gets a trophy similar to the other grade winners. Why the difference to other sports placings?

Yours sincerely,

B.R. (Rick) Hannah

Dear Sir,

There has been a lot of discussion around the traps and correspondence ("Letters to the Editor") regarding the 28g rule. It appears there are many shooters unaware of the reasons for the implementation of the rule.

Organisations don't make or change rules without good reason. To clarify the issue, could someone qualified to do so, please outline the official reason for the introduction of this ruling as no doubt it would be appreciated by many.

Ron Forsyth's discussion on the 28g load (CTSN Nov 91) was interesting but of course it was neither an endorsement or official explanation for the rule change. Looking forward to your reply,

Yours faithfully,

W.J. Daniels

Boggabri-Gunnedah Gun Club, NSW

The introduction of 28g loads was as the result of discussions over some two years which centred around many and varied benefits that the sport would achieve. These include the obvious benefits of less lead and less noise which are the two issues which are being continually encountered. The article by Ron Forsyth in the November CTSN was interesting and has been followed in this issue of the CTSN by another article which will no doubt be of interest to all shooters.

Editor

Dear Sir,

Please find enclosed a copy of a reply I received from the Registrar of Firearms. My original query concerned the legal position of my wife (she does not hold a shooter's licence), should I pre-decease her and she inherits my property including my firearms.

In my case my wife would have no intention of obtaining a licence and would have to sell these arms within the six month period. Putting it mildly this creates a "buyers" market.

Perhaps some members are aware of this situation, but I respectfully suggest you consider publishing this letter in the CTSN to inform all members.

Yours faithfully,

Phillip Dunn

Dear Sir,

I am writing in reply to your letter dated the 26th December, 1991 in which you seek advice concerning the inheritance of firearms.

I wish to advise you that due to the provisions of Section 23 (2A) (a) of the Firearms Act 1958, should a person inherit or as executor etc, come into possession of firearms that were held by a deceased person then such beneficiary etc has a period of six (6) months in which to come within the law (obtain a licence and register the firearms) without fear of prosecution.

I hope this assists you with your queries.

Yours faithfully,

A.D.J. Ryan, Chief Inspector Registrar of Firearms

BENEFIT FROM HIGH VELOCITIES, YET WITH LOW RECOIL

Dear Sir,

Re the article in the November news summarising the ACTA Public Liability Policy.

1. A club conducting an advertised open shoot program, consisting of Simulated Field or Sporting Clays events as described in item seven.

Is it necessary for all visiting shooters to sign the Visiting Register, regardless of any affiliation with another shooting body. Example, members of the Field & Game Federation who may be participating in such events.

2. It is allowable under ACTA rules for any competitor in such events to receive trophies or cash prizes, such shooters not being members of the ACTA?

3. Owing to the popularity of Simulated Field shoots held by members clubs on ACTA registered grounds, I feel that the time has arrived for the Association to incorporate a set of rules to cover such events. Such shoots are advertised per the "news" and often feature events with large prize money or trophies. These shoots would fit the description of the ACTA Open Shoot.

Yours faithfully,

John Fryer

In answer to the questions you have posed:

1. All persons attending your club must sign the visitors book other than shooters who may be registered with the ACTA through a club other than Newcastle Gun Club.

2. As rule 4.16(d) clearly states the "All competitors must be registered by the ACTA before taking part in competition". It is not possible for other than ACTA registered shooters to compete in competition of any kind.

3. Your comment re Simulated Field shoots has been noted and will be addressed by the Rules Committee.

Dear Alan,

Thank you for your letter of the 21 November 1991 in which you enclosed a copy of the final results of the highly successful 1991 World Trap and Skeet Championships. On behalf of the Australian Sports Commission I wish to congratulate the Australian Clay Target Association and in particular the organising committee for the outstanding success of the entire event.

I also wish to congratulate all of the Australian shooters who took part but special acknowledgement must go to Michael Diamond for his wonderful achievement in winning a Silver Medal.

Thank you so much for accepting the Silver Medal of the UIT on behalf of the Commission and thank you also for the Plaque and the Certificate of Appreciation.

I must also take this opportunity to say how much I thoroughly enjoyed my visit to the Championships and express my sincere gratitude to the Shooting Fraternity for your wonderful hospitality.

Once again, congratulations on an excellent job.

DIAMOND ON TARGET FOR MLC AWARD

After his second placing in the World Championships in November, Goulburn clay target shooter, Michael Diamond has now set his sights on a gold medal at the Barcelona Olympic Games. He has also become an early favourite to take out this year's New South Wales MLC Junior Sports Achiever Award.

Diamond was pipped for the World Championships by just one target, losing to Italy's Mario Venturini. In the final rounds of the event, which attracted marksmen from 37 different countries, he defeated the defending World Champion Joerg Dammi of Germany.

Following the championships, he was officially selected in the Australian team to contest the Olympic trench discipline in Barcelona.

Diamond is one of 500 scholarship holders who are supported through MLC's \$650,000 national junior sports sponsorship program.

Monthly nominees for Achiever of the Year awards in each state are selected from outstanding performances across the 41 individual sports covered by the scholarship scheme. Last year's New South Wales title went to champion Australian gymnast, Monique Allen.

At only 14 years of age, Diamond was the youngest ever to win the world junior championships, in Venezuela in 1987. He retained the junior crown two years later in Italy, becoming the only person to ever win back to back titles.

"Michael was still eligible for the junior championship this year," said his father Con, "but he wanted to try out in open competition against the best in the world."

"After doing so well, he believes he has the ability to win the gold medal in Barcelona."

Prior to the World Championships, Diamond won the Grand Prix of Nations event, defeating Venturini and all the other competitors who went on to contest the world championships.

Con Diamond, a club shooter with the Dapto and Canberra International Gun Club, has coached his son since he first took up the sport at the age of nine.

"It was obvious very early that he had a lot of potential," said Con, "but he has also worked very hard. He is very fit, and dedicated to being the best."

"He's also had a lot of assistance. We're very thankful to companies like MLC for providing the financial support Michael has needed."

"The family has been supporting him, but it's a very expensive sport, especially with all the travel that is involved."

Another one hundred and eighteen elite New South Wales juniors from 31 sports are also supported by the MLC scholarship program this year, worth \$156,000.

The Junior Sports Federation has contributed more than \$1.1 million to the development of junior sport in the state since the program's inception in 1981.

In addition to a cash grant of \$1000 each, scholarship holders receive sports clothing and attend an intensive MLC sportscamp program.

If Diamonds does win the MLC Achiever of the Year award, he will receive a further cash grant of \$1000 and a trophy.

November Shoots

10.11.91: Only a small roll-up of shooters for our first day/night shoot of '91 which showed that Paul Hoffman has been eating all his vegies (especially carrots). Paul's score: Skeet 25/25, EO 5/5, PS 25/25, SB 24/25. Not bad Paul, next time we'll put something in your water.

16.11.91: Day/Night shoot including the 50t SB Commonwealth Championship (20m). Good to see an excellent roll-up of 19 shooters which included a squad of 6 from Yulara Club and Leighton Martin, President of the ACTA.

Things got off to a good start with the 25t DB being won by Steve Laffey (Alice Springs) 41/41 AA grade after a shoot off with Col Havers from "The Rock". B grade Lance Christie 25/25 (Alice); C grade Scott Ellwood 23/25 (Alice).

The 25 Skeet event was, to say the least, interesting. Those poor souls in squad 2 finished in the dark, but that didn't stop Peter O'Grady taking out B grade on 29/30 after a shoot off with Lance Christie. C grade was taken by Scott Ellwood (again) on 23/25.

A BBQ tea and "cool drinks" followed. Top marks to the ladies who supplied the salad and 10/10 to George and Jimmy, chefs extraordinaire.

The eye opener came up next, followed by the 25t PS where Leighton Martin took the A grade, Paul Hoffman B grade and Bruce Hopper C grade.

Event 6 saw the 50t Commonwealth Night SB Championship which promised some tough competition, and 20 metres looked a long way by that time of the night (about 11am!). Champion OA and A grade was a Yulara shooter in Col Havers who won with 38/50. Congratulations Col who won after a shoot off with Tony Brown, another Yulara shooter, and third in A grade Peter O'Grady on 37/50. B grade won by Lance Christie 35/50, C grade Scott Ellwood 33/50.

High Gun Overall was decided after a shoot off between Col Havers and Steve Laffey, Col being the eventual winner. Well done fellers and good shooting. Thank you to our sponsors TNT, Tubemakers Garage and N&N Formwork for helping make the shoot a success. Thanks also to Leighton Martin for doing the presentations.

With some new traps being installed at Alice Springs Gun Club in 1992 and the boys from Yulara building a skeet layout, the future of clay target shooting in Central Australia looks rosey.

See you in the Centre.

Handicap

WANGARATTA GUN CLUB

How lovely it was to see two of the district's senior shooters at the Chris Walker Memorial Handicap held in Wangaratta in October.

Both gentlemen, Alex Jamieson (left) and George Walker (right) are eight-three years of age and had plenty to talk about the "good old days" of shooting.

Alex from Corowa NSW commenced shooting competitively at the age of twelve years at a Hopefield sport meeting. During his shooting career he won many district championships (both live bird and clay targets), the first in 1929 at Rutherglen and the last in 1989 at Corowa. At one stage during the fifties he was one of only ten shooters in the Commonwealth to shoot off the 26 yard mark.

Alex keeps in very good health but sadly, because of failing eye sight no longer competes although he regularly attends the Corowa shoots to have a chat with the boys.

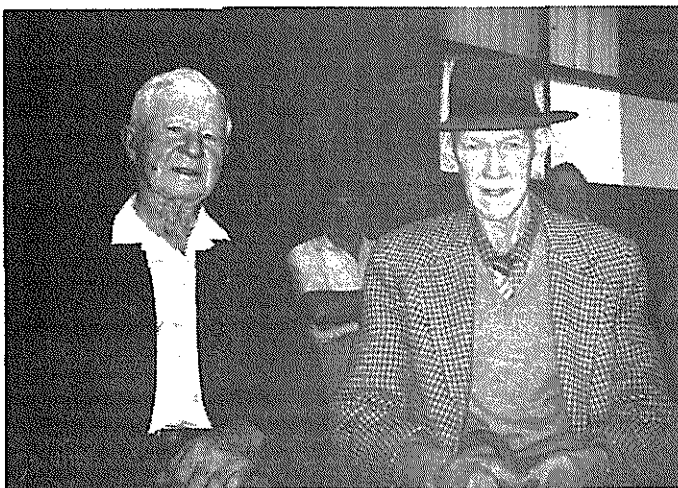

George Walker of Wangaratta commenced shooting in Euroa in 1927, when live bird shooting was readily accepted, clays were occasionally used as targets at that time. In 1928 George drove his first car to shoots at Shepparton and Benalla. At Benalla he won the big event of the district by taking out the Good Friday Handicap which had first prize money of fifty pounds.

George's shooting career had many successes too numerous to mention, but three of the most memorable were in 1949 when he won the Commonwealth mixed bird Championship and in 1950 when he took out the Victorian Galah Championship followed by the Loddon

Valley mixed big bird championship, the latter being when it was reputed he broke the bookies.

George adapted equally as well to clay target shooting after live birds were no longer used by winning many club and district championships, until he last shot in 1990.

Unfortunately due to poor health George is no longer able to shoot, but attends the Club in October to be present together with his family for the presentations of trophies for the event held in honour of the memory of his grandson, Chris Walker.

Both Alex and George held the position of President for their respective clubs for many years, and are held in very high esteem by the local shooting fraternity.

Their years of dedication, together with the enormous amount of time and effort they have freely given, has greatly contributed towards the establishment of their respective clubs. They have been awarded Life Memberships in recognition of this, which is something both gentlemen can be justifiably proud of.

EQUINOXIAL SKEET

by Alison Blaskett

Graham says there's skeet in Hobart.
ISU. And there's a badge.

Got to go there —

Taking targets.

(Reckon he's in with a chance.)

Drive for ages,

Kids been fighting.

Five-to-ten at gun club gate.

There's Jim & Stuart, Glen & Doreen

Where's the rest? They must be late . . .

By eleven, we have seven

Here to shoot the flamin' skeet.

After fifty, team's decided.

Glen, Gray, Jim, Stu, Ian and Ted.

To continue? That's the question.

(Weather awful.) Risty says

"It's Equinoxial gales."

Wind is gusting, dust disgusting,

Vote is taken to proceed.

I am reffing, Doreen's scoring,

Let's see what they'll make of these.

Targets lifting, racing, drifting;

After lunch this breeze might ease . . . ?

Storm is roaring, rubbish soaring,

Branches, boxes, sticks and leaves.

Scores are dismal, crook, abysmal

Bad enough to make you heave.

Wind increased now . . .

Hit the ton. Wow!

A lesser team? Why, they'd just leave!

Final round and twelve to go,

The end is just ahead.

We check the fuse,

Swear and abuse

No good . . . the traps are dead.

Two hours we wait . . .

Talk and debate;

No sign of the power coming on.

So we pack up the targets, the guns and the kids,

And go back to where we came from.

When you read in the 'News of Tassie's defeat,

In the ISU skeet postal team,

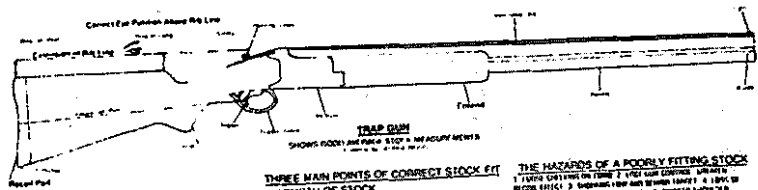

Remember the tale

Of the Equinoxial gale

And be sorry you missed a real treat!!

Meet the Winners from the **1991** World Shotgun **CHAMPIONSHIPS**

1

WINCHESTER

Gold Medal Winner in the Olympic Trap Championship for the second time in the last 3 years.

2

Beretta
dal 1526

Beretta competition under and over shotguns take 5 of the 6 overall medals in both Trap and Skeet.

3

LAPORTE

Outstanding scores achieved in all disciplines with the new composition Laporte target.

Winchester Australia congratulate the Organising Committee, administration staff and all support personnel. Their combined dedicated efforts ensured the 1991 World Championships were conducted at the highest level. Equally Winchester recognise the spirit and achievements of all competitors. Their magnificent performance sharply focused Australia as the centre of world marksmanship from November 6th-13th 1991.
