EXECUTIVE DIRECTORS NOTES

Executive Committee

Reference to the February issue of the CTSN will show that two members from the National Executive Committee had been affected by a clause of the Association's constitution which resulted in the loss of their positions on the Executive Committee.

While the situation has not as yet been completely resolved I am pleased to be able to advise that Mr Graham Mahoney (Vic) has been able to overcome the problem and resume his position as a member of the National Executive Committee.

NSW Licensing Laws

Shooters from Tasmania and Queensland who are intending on competing at Wagga in the 1992 National Trap Championships are reminded that the onus is on them as individuals to comply with NSW regulations. A notice to assist in obtaining a visitors permit is contained in this issue of the CTSN.

Annual General Meeting

The Associations Annual General Meeting will take place at the Wagga RSL Club, Dobbs Street, Wagga, commencing at 8 pm with the delegates register opening at 7 pm. Being a licensed club the usual club dress standard will apply.

56 YEARS GUNSMITHING EXPERIENCE BETWEEN US

NEW SOUTH WALES LICENSING REQUIREMENTS

Shooters residing in the states of Tasmania and Queensland are advised that reciprocal arrangements between New South Wales and Queensland *do not exist*.

Applications for which will enable Tasmanian and Queensland shooters to compete in the National Trap Championships at Wagga in April are to be forwarded to: Sergeant Neil Faust, Firearms Registry, P.O. Box 2514 GPO, Sydney NSW 2001 Telephone (02) 288 8926, Fax (02) 288 8933.

Details which will be required are: Name, Address, Date of Birth, Shooters Licence Number, Firearms Serial Number, Gun Description, Arrival and Departure Dates within New South Wales.

Please allow a minimum of 10 days for your permit to be processed and include with your application a cheque/money order to the value of \$25.00.

EDITORS MAILBOX

Dear Sir,

I write to support previous letters concerning compulsory introduction of 1 oz loads, and for the many shooters who attend our club (Walmer) who oppose such introduction.

If this becomes law, there will be many shooters leave ACTA to become members of other shooting organisations. Let the few hot shots do as they will, but leave the many others alone.

This item should be the shooters choice. Make it optional. Keep everyone happy — the very few who travel overseas, and the thousands who just enjoy their days sport at their local club with their mates. Without the majority of average shooters support, there would be no clubs, nor ACTA. It is introductions of this nature that are driving shooters away which we can ill afford to do. Reconsider this decision for the benefit of our sport.

Yours sincerely,
A.V. James

Dear Sir,

On behalf of the members of Noarlunga City Gun Club Inc it is with regret that I advise that a decision has been made to close our club due to the fact that we have been unable to locate new club grounds. I would like to take this opportunity to express the club's appreciation to all shooters both from South Australia and interstate who have supported our club over the years as well as they many trophy donors who gave their support. We have some very happy memories which we will all treasure.

Sincerely,
Jan Hobbs, Secretary

Dear Sir,

After reading the write up on the shoot at International Gun Club on page 8 February CTSN, I would like to point out a matter that is not correct, it concerns event 2 Sunday 20th — The Handicap.

The article states that four shooters shot a possible, each of them losing a metre in the process; this would be possible if the event was held on different meterages, i.e.: 11-15, 16-18, 19-21, 22-25 and each shooter was in a different group. This was not the case as the article tells that the event was paid 1st, 2nd, 3rd, in this case only the first and second shooter should have been penalised, unless all four shooters had shot 50t straight from their ACTA handicap marks.

In a handicap where placings are 1st, 2nd, 3rd only 1st & 2nd would receive a metre providing they both have shot a possible, if no possibles and 50 straight have not been shot only 1st place would receive a metre.

North East Zone Handicapper
Ron Cugley

R.F. BUCHAN — TESTIMONIAL SHOOT

The Committee and Members of the Melbourne Gun Club wish to thank all individual contributors to Bob's Testimonial Shoot which was an outstanding success, due mainly to around 180 registered shooters attending plus 23 unregistered shooters who were friends of Bob. These shooters were shooting at clay targets for the first time and they certainly knew how to handle a firearm.

We are proud to say all trophies for each event and for all the visitors were donated. All the sashes and ribbons were donated by Stewart Gillman Int. It is a coincidence they were all red and black, the same colours as Essendon Football Club. Bob is as one-eyed about Essendon as he is a Victorian.

After the presentation of trophies by the State President, Glen Woodhatch, Past ACTA presidents Ernie Hawkins and Jim Scott, Winchester's Bruce Burns, Frankston-Australian President Jeff Wallace and Russell Mark, the Melbourne Gun Club presented Jim Scott with an Honorary Life Membership of the Club for his contribution to shooting in Australia. Jim was certainly a very proud recipient, as was Ernie when he received his award at the time of his retirement several years ago.

The stage was set for the final presentation when the Senior Vice President of the Melbourne Gun Club, Mr Merv Whitelaw, made a presentation to Robert of a Perazzi SG3 Skeet Gun, valued at \$11,000. We are all sure it was a big moment for GOD. He was speechless at first, and we all thought what has happened, but he soon found his voice.

The last presentation was made by Stewart Gillman. It was a magnificent silver cup 18 inches tall which will be contested for Trap and Skeet each year with a replica cup presented to the winner of each discipline.

In the evening the Club had a dinner which was attended by 300 people, who were served beef, venison, steak and chops. We must thank Doug Monaro for looking after the spit, Mick Daly the BBQ, and the salads and sweets which were organised by Joan Robertson and the ladies.

We do thank all those helpers who contributed to making Bob Buchan's day an outstanding success.

We who participated in helping to organise the event, were pleased to be able to show our appreciation for all that Robert has done for the sport of Clay Target Shooting.

CABOOLTURE CLAY TARGET CLUB INC UPDATE

Since our last article much has been achieved at the club.

At Lot 11 Uhlmann Road, Burpengary we now have constructed three down the line layouts in a lovely setting amongst the remnants of a pine forest. All layouts are facing south and are fully operational. The shooting background is all blue sky as the remaining non-commercial pine has been removed. Shelter from the sun has recently been erected with provision for the capture of rain water.

The club has an application for a Commonwealth grant in place to help towards the construction of a club house. News on the success of this application should be available in March/April of this year.

The committee of the club has worked extremely hard to get the grounds to this present level of development and is justifiably proud of its achievements. The club grounds are situated within nineteen hectares of land leased from the Queensland Lands Department and administered by the Caboolture Shire Council. The club is very fortunate and grateful that the lease it has secured runs for a period of thirty years. The lease is actually gazetted as a "Shotgun Range" and is believed to be the only one in existence with this level of official sanction.

At the time of writing the club has conducted two successful competition shoots and is rolling along nicely. The accompanying photograph shows the three shooters who participated in our first

shoot-off. From left to right: Bill Stevens, Ron Daniells and Bill Chain. At time of reading there should be two more shoots under our belts.

The members have been so preoccupied with construction that there has been little time to spread the word that the club is operational. It is hoped that this article will reach those shooters who may be unaware of our position and who may wish to come and look our facilities over. Look forward to seeing some of you there. UBD map reference: Map 1B F11.

Caboolture Club shoots the first Sunday of the month. Practice on the other Sundays.

Yours in shooting,

Stephanie Donaldson
Secretary

WARATAH STATE NOTES

SOUTHERN ZONE

Bateman's Bay Gun Club has advised that the program advertised in the Blue Book for their shoot on Sunday 18th October, 1992, should read Southern Zone DB Championship not Southern Zone DD Championship as advertised.

Goulburn Gun Club has advised that they have had to cancel the Southern Zone Night Mixed Targets Championship they had set down for 11th April. The championship will be re-allocated at the Southern Zone meeting in April.

AUSTRALIAN CLAY TARGET NEWS — MARCH 1992

RIVERINA ZONE

June Gun Club is holding their Spastic Council Fundraiser Shoot on Sunday 22nd March. This is a great opportunity to enjoy a days shooting and also support a worthy cause.

WESTERN ZONE

Hermidale Gun Club is hosting the 1992 Western Zone Carnival on Saturday 21st March. They advise that preparations are going well, and they expect a good role up, so why not "come along and enjoy the hospitality of the West".

Brewarrina Gun Club had two State Championships in 1991 and have advised of the following results. State PS Cont Championships won by Mark McInnes of the Narrabri Club with 145/150 and the State Night SB Cont Championship won by S. Osbourne of Cobar with 41/50.

STATE CHAMPIONSHIPS

Two State Championships are being held during March. The State Night SB Championship at Hawkesbury on 20th March and the State Night MT Championship at West Wyalong on 22nd March.

COMMONWEALTH CHAMPIONSHIPS

The 1993 Commonwealth Championships have been allocated with the following results: 1) Commonwealth Day Double Barrel Cont Championships — Wagga Gun Club; 2) Commonwealth Night Single Barrel Championship — Canberra International C.T.C.; 3) Commonwealth Night Walk Up Championship — NSW Gun Club.

NEW GUN CLUB

Our newest gun club, Darnick Gun Club at Ivanhoe, had an extremely successful shoot to commence the year with 56 shooters turning up for "a great day in the outback". The high gun was won by Bruce Cook from Broken Hill with 94/100, and the juniors were: 1st Ben Palmer 68/100, 2nd Wayne McIntyre 62/100 and 3rd Craig McKeon 48/100. A comprehensive list of results can be found in the club results section.

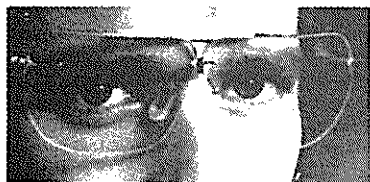

COACHES CORNER by Fred Schmetzer

Saturday the 28th and Sunday the 29th March will be the Western Zones first coaching weekend for 1992, being held at the Narrabri Gun Club.

Saturday will start at 10.00 am with coaching for trap and skeet. Starting time on Sunday will be 9.00 am for trap shooting only, due to the unavailability of the skeet layout on Sunday. Coaching for the weekend will be provided by the Western Zone Coach, Pud Burgess, Kevin Constable and myself. So with the knowledge and experience behind these coaches, I can highly recommend this coaching weekend for all grades of trap and skeet shooters.

SAME HIGH QUALITY

1992 WINCHESTER 'TOP GUN' WINNERS

The 1992 Winchester 'Top Gun' Awards have commenced on the 1st of February. These awards are based on rewards of ammunition for winners of various categories of competitions at ACTA, Club, State or National levels for users of Winchester Target Loads.

The first major competition under this scheme was the South Australian State Trap Carnival, conducted at the International Gun Club, Virginia, on February 1 and 2. In State Championships, Winchester are providing 2 cases of ammunition for the overall winner in the Double Barrel, Single Barrel and Point Score Championships, and one case of ammunition for the Lady and Junior High Gun winner over the carnival. Participants in the scheme undertake to use solely Winchester Target Loads for the remainder of 1992 and have registered their names for eligibility in the program.

The Single Barrel Championship was the first event up for grabs, and the popular winner was Robert Andrews from the Bordertown Club in the state's far east. Robert was using Winchester 28 gram loads for the first time in this event and shot 72 targets straight for a fine victory.

28 gram loads have proved very popular amongst the lady shooters and the overall high gun winner in this section was Tracy 'Cyclone' Gray from the Broken Hill Club using Winchester Ammunition. Tracy received 500 rounds of the target loads of her choice for her win.

Some notable near misses from "Top Gun" entrants over the weekend, but none the less outstanding achievements were from Robert Dower who finished second in the Double Barrel Championship and achieved a break of 266 targets, just 34 short for one free case of shot shells. Richard Dean also shot very well to finish second to Robert Andrews in the Single Barrel Championship and also second to Russell Mark for the Overall High Gun.

Winchester users also won the State Point Score Championship and the Junior High Gun, but unfortunately had not entered into the award scheme as at the time of competition.

All the best for the remainder of the 1992 Winchester 'Top Gun' year.

The first Winchester 'Top Gun' winner for 1992, Robert Andrews of Bordertown with the SA State Manager for Winchester, Dick Ayres.

COFFS HARBOUR GUN CLUB LTD

Coffs Harbour's Open Shoot, held 4/5th January, 1992 saw some excellent breaks shot over this weekend. Arty De-Ben of the Hawkesbury club set a club record with a break of 515/515. Saturday's weather turned on all 4 seasons except for snow, but shooters still battled with winds to come in with possibilities. Attendance of shooters was in excess of 100 for both days, giving some very keen competition, with Sunday having the perfect weather conditions to produce some very high scores.

The excellent camping amenities on the ground attracted shooters and families from Queensland, Victoria as well as New South Wales. Chris Young and her team of workers are to be congratulated on a job well done in providing meals to shooters and visitors, particularly the complimentary tea on Saturday night.

Results are to be found in the NSW shoot report section.

NEWCASTLE CLAY TARGET CLUB LOST THE BATTLE — WON THE WAR

When elected to the committee in 1986 we took over a club with no money and a letter from the Hunter District Water Board, our landlords of thirty years, telling us that the lease on our club site was to be terminated. It's been a long battle from then to the recent opening of our new club and the battle field is strewn with greenies, bureaucrats, politicians, environmental impact statements, anthropological studies and all tiers of government.

Our Merewether site was acquired by the State Government for a recreation area but as everyone knows shooting is not a legitimate recreation. So the greenies won the first battle and we were given notice to quit. With the election of the present Government and the assistance of George Keegan our local independent, we managed to negotiate a reprieve and were given several extensions of time. After being offered and accepting sites from various bureaucracies, only to have them taken back off us again, we finally secured the lease on our Lake Macquarie site with the help of the Land Board at Maitland. Those negotiations took four years during which our members continued support resulted in us accumulating \$60,000 from shooting fees.

Despite several promises from various politicians, governmental bodies and councils we got no Sport and Recreation grant or any other funds to help with our relocation. At our final general meeting at Merewether 24 members, through a show of hands said they would help to build a new club with our limited funds and I am proud to say that all 24 turned up for work. With typical Newcastle guts and determination our members literally built the new club with their hands using materials we begged, borrowed and according to some suppliers practically stole. On many occasions members who had come straight off dog watch would have breakfast and still turn up to work at the club all day. With our ageing membership it was always a talking point as to who had the "crookest" back as we spent 20 weeks shovelling dirt, fencing 80 acres, welding, plumbing, plastering, painting, wiring and concreting.

The bottom line is that with our \$60,000 and five months of voluntary work, we now have a pleasant club house with full amenities, three trap layouts, 2 skeet layouts and due to the generosity of one of our members an almost completed trench layout. We are presently negotiating the purchase of more traps and hope to be shooting simulated field shortly. On the weekend of 21 and 22 March we are having the official opening two day shoot with \$7,500 worth of trophies including a Beretta Shot Gun and \$2000 worth of Puma Knives (see inside back cover).

Our club's not as flash as some, but we can miss more targets, tell more lies, and drink more rum under the gum trees than most. More importantly, we won the war.

Ken Winning
President

EDITORS MAILBOX

Dear Editor,

At a recent two day open shoot in NSW, with a field of 140 shooters, I took the opportunity to conduct a petition.

My petition was in relation to the mandatory use of 28 gram/1oz cartridges to be introduced by the ACTA Executive in January, 1993. Over the two days I received 131 signatures from the shooters on the ground objecting to the mandatory use of 28 gram loads, a fair indication I believe to amend this situation, which has been arrived at by the ACTA Executive on behalf of all shooters who have not had the option of at least to air their views on 28 gram loads.

I am a clay target shooter of many years experience and I can not accept this mandatory use decision that has been adopted in a non-democratic way by the ACTA Executives. If this type of legislation is to be forthcoming in the future I can only suggest to the ACTA Executives that there will be a drastic reduction in registration of shooters in the coming years.

How about giving the shooters a voice on such a major topic.

Yours faithfully,

John Farrell,
3 Peter Close,
Coffs Harbour NSW 2450

The decision of the Executive Committee to introduced 28 gram loads was a decision in keeping with the authority of clause 23 of the Associations Statement of Purpose and Rules which clearly defines the authority of the Executive to make what are democratic decisions in relation to the introduction of new rules of shooting or amendments to existing rules. Quite simply the decision to use 28 gram loads is a rule change and like some, many or all rules changes, not necessarily accepted by all. There does appear however to be no doubt that the decision has been generally accepted for the benefits that the sport will obtain in this time of noise and lead pollution not withstanding the benefits of less recoil etc.

Australian Record!

**GUNSMITHS FOR
CHAMPIONS**

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "PERAZZI FROM YOZZI" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

LOOK WHAT HAPPENED 10 YEARS BACK

by George Biggs
ACTA Historian and former Victorian
State Coaching Director

Browsing through some coaching report material the other day I came across a report I had made out after attending a three day seminar on youth firearms training for teachers in secondary schools. At this time our National Coaching System had been operating less than a couple of years and many of our ACTA clubs were offering their club facilities for teaching the students safe gun handling and how to shoot the clay target. As you read this story you will no doubt become aware of the great opportunity we had at that period in time to promote the sport of clay target shooting, but most importantly the opportunity to train young people to eventually become safe and responsible firearm owners. As evidence of this is the fact that a 10 year old Russell Mark was a pupil at this seminar in Jeparit in 1981. Russell's achievements at Olympic Trap and American Trap shooting are too numerous to list here, but are with other young shooters listed in our history book soon to be published.

What a great pity it is that today we don't have the coaching and firearm training facilities to the junior and newcomers to our sport that we had a few years back.

1981-82 Gun safety and shooting activities for the junior and the novice.

The year of 1981 in Victoria will go down as a big step forward at clay target shooting for both junior and novice shooters.

Many hundreds of secondary schoolboy and schoolgirl students and boy scout groups have enjoyed the opportunity that is available at Victorian Clay Target Clubs, to learn from accredited club instructors how to go about using a shotgun in a safe, responsible manner and to learn something of the technique involved in shooting moving targets. The main aim at this level is not to try to produce an army of expert shotgunners and hunters — this is something that will be available at a later stage in the person's life. At this point strong emphasis is placed on safe and responsible attitude to firearms use and handling for the junior shooter.

Educational systems today are placing more emphasis on life time sports. A recent survey by the Victorian Education Department revealed among other things that a total of 110 schools have regular weekly or monthly shooting activity. It was also shown that the safety record was second to none. The assistant director of secondary education in Victoria, Mr Neil Bavington, has said that statistics have shown shooting activities to be a very safe sport — obviously due to very strict gun safety training procedures that apply.

Jeparit Gun Club in western Victoria was recently the venue for a three day gun safety seminar for teachers. The first one of its kind with educational department approval.

The seminar, which I was invited to take part in was organised by Mr Lyn Barr, Principle of the Rainbow High School. A total of 38 teachers together with outside guest speakers discussed the many issues that go with school participation in shooting activities and firearms safety training.

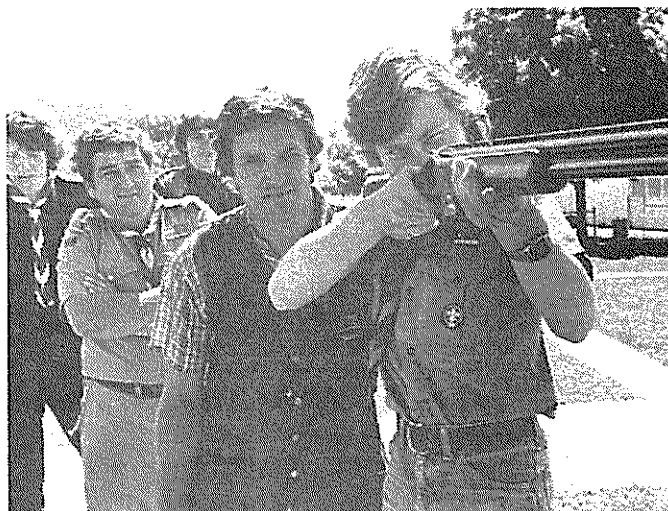

Mr Brian Mark of Winchester Australia Pty Ltd opened the seminar and introduced the guest speakers and lecturers who would be taking part in the program.

Mr Lyn Barr related the history of gun safety instruction in Victorian schools. He outlined requirements for safety, a place in the curriculum and what support was available. The role of commercial firms and the part played by industry in support of gun safety programs in schools.

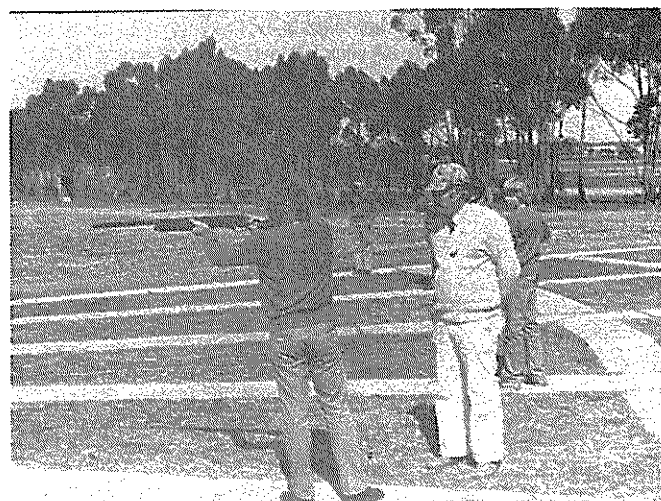

Mr Neil Bavington explained the legal responsibilities teachers have regarding their pupils and which cannot be handed on to anyone else. This means that accreditation of teachers could be the solution.

Highlighting the three days of this most fruitful workshop was the launching of the gun safety manual for secondary students by Mr Bernie Dunn MLC of the National Party. The manual was compiled by Lyn Barr and subsidised by Winchester Australia Pty Ltd. Lyn has indeed done a first class job in putting this manual together.

PAGE 8

1. Scout leader Alan Warren 1st Chelsea, watches Thomas Abby aged 15, 5th Chelsea getting instruction from Club Coach Jack Henwood.

2. Three day seminar for teachers at Jeparit Gun Club in September. Pic shows a group of teachers on the firing line listening to George Biggs explain the basic fundamentals involved in shooting moving targets and the safety procedures necessary, especially if the shooter is using an auto shotgun.

The coaching division of the Victorian Clay Target Association is very much aware of the increasing interest being shown by schoolboy and schoolgirl students in clay target shooting and gun safety courses — especially in country areas, boy scout groups are also involved. This is a welcome trend and the coaching council is delighted because we are geared to handle this situation in the best possible way with trained instructors at zone and club level. However, because of the increasing numbers of junior pupils some clubs are naturally concerned at the increasing costs of providing this service which can become somewhat of a burden to a small club if they have to provide targets as well.

Generally, clubs involved with junior instruction provide their ground facilities such as traps, electric power, club rooms, etc free of charge. All coaching and instruction work is provided free by members of the Victorian Coaching Council who do this work on a voluntary basis. In most cases, pupils provide their own guns and ammunition. Several of the larger clubs, for example, Metro Melbourne, Wangaratta, Warrnambool have a weekly training program where the attendance is around 30-35 each week, 50 weeks of the year. At least 85% of Victorian gun clubs are actively engaged in a

AUSTRALIAN CLAY TARGET NEWS — MARCH 1992

youth firearms training program — it would be conservative to say that in excess of 8000 junior and novice shooters would go through the training program in the past year.

The VCTA is grateful for the yearly financial help provided by the Victorian Police Department towards our school by firearms training program. Without this aid it would not be possible for many clubs to provide their ground facilities and clay targets, plus cartridges etc, at no cost to the junior student.

Very few shooters would know of the extent to which our two ammunition companies, namely Winchester Australia PL and Eley Ammunition, contribute to our youth training program.

Both companies sponsor schoolboy/girl championships. The 1981 title was held at Melbourne Gun Club and drew a crowd of 320 secondary school students from all parts of the state. Trophies were for first and second in junior and senior section and likewise in the girls' class.

I would not know the total cost to Winchester and Eley of sponsoring these youth training programs but I'll make a guess and say many thousands of dollars for which I, as State Coaching Director am delighted and thankful. So next time you may be tempted to buy a packet of foreign shells, think about it.

During October last, Melbourne Gun Club playing host to senior scout units from Bayside Troops who were introduced to safe gun handling and the art of shooting moving targets.

The boys (37 in all) were given a talk on firearms awareness and safety, also films on trap and skeet shooting were shown, followed by practical shooting instruction. Winchester supplied 500 cartridges and Melbourne Gun Club the clay targets all at no cost.

3. Lyn Barr, Principle of Rainbow High School takes a class of beginners through their first shooting exercise after having graduated from the gun safety course.

RECORD ATTENDANCE AT VICTORIAN SCHOOL CHAMPIONSHIPS

Melbourne Gun Club on July 29 was the venue for the fourth School Boy and School Girl Annual Clay Target Championship. Some 375 students from 57 schools, each fired at twenty targets from 15 metres to decide the winners for 1982.

Shooting commenced at 10 am and finished by 3 pm, the competition being single barrel shooting only.

Nominations were up by 53 on last year. No doubt entries would have been higher had Victoria not been in the grip of a severe flu epidemic during the winter months which kept big numbers of students and teachers away from school.

Victoria has in excess of 115 secondary schools statewide participating in a firearms training program. Many gun clubs provide their facilities and coaching help at no cost. It is at this level where the students get their introduction to Clay Target shooting and firearms awareness. Numerous club personnel, teachers and club coaches came along with their school teams to help with the duties of refereeing, scoring etc, 357 students fired at something like 8000 clay during 5 hours of shooting. Full marks must go to all concerned with

the organising of the program. Six of the Melbourne Gun Club's 9 traps were put into service and judging by the rapid increase in numbers, I'd take a guess and say that next year we could expect to have to use 9 traps.

What a great thing it would be if eventually it could result in all states joining in the tournament so that we have a National School Boy and School Girl Championship each year with all states participating.

Winchester Australia has sponsored the Championship since its inception several years ago. A lot of credit must go to Lyn Barr, Principal of Wangaratta High School who has organised the Championship each year from the beginning. Lyn also wrote the Gun Safety Manual for secondary schools. This manual is the most comprehensive booklet I have seen on the subject of safe shotgun handling. Winchester Australia are to be congratulated on their gesture of underwriting the cost of printing and producing the manual.

Generally speaking the standard of shooting was excellent right down to junior boys.

Gun handling and correct approach to the task of shooting moving clay targets was something I really admired considering that with few exceptions most boys and girls were not using what we could term the properly fitting gun, which is no doubt the most troublesome detail with youngsters growing up.

WOMEN IN COACHING

by **Murray Alexander**
National Director Coaching

There is a general concern in Australia and other western countries about the dearth of female coaches involved in sport. Coaching is often a male domain especially at the elite level of sport where even female teams generally seem to be guided by the men. The females who do commit themselves to coaching appear to remain in the role for less time and subsequently have fewer aspirations for moving into more advanced coaching or administration roles.

One of the reasons for women having less involvement with administration and coaching is that within sporting organisations the proportion of women with power and influence is much smaller than the number of women participants would warrant. A second reason would appear to be those constraints associated with the expected female role. For example, women are often restricted to home based activities due to child care and home responsibilities and therefore have less opportunity for recreational activities. In simple terms, women often feel that they need to leave coaching to spend more time with the family and friends. Cultural and prevailing norms additionally widen these inequalities with males having greater entitlement to opportunity and money for leisure activities.

The above are possibly major reasons as to why women have not taken a more active role in coaching within our sport. Another reason found is the image of shotguns and their use being perceived as a male orientated sport. These days the barriers are slowly being broken down, but that is due to the concept of our coaches and technology, by presenting a softer feel with regard to the recoil and noise associated with firearms.

We have now a few qualified female coaches at Level 1, even less at Level 2, but it appears, because of such a small number of shooters presently in this particular area, our ladies seem reluctant to undertake the knowledge of coaching. We as shooters, have to attempt to coerce more females, whether family, friends or strangers into the sport by disuading their possible inlaid fears in relation to noise, recoil, weight of firearms, and in particular the firearm itself.

If we are able to successfully achieve a breaking down of these phobias and maternal responsibilities, then as time goes on, females will have greater representation alongside the males in the shooting and coaching fields. Thereby promoting and advertising this sport in a more open manner.

The ACTA, through its coaching system, is keen to pursue this subject and invite comment from those interested with emphasis on input from female members.

The first section of this article (with permission of Sports Coach) is from an address given to "Women in Sport" Canberra, November 1991 by Dr Mike Reynolds and Ms Leonie Otago.

SCRUBBY CREEK G.C.

Scrubby Creek Gun Club held their 7th annual two day shoot last October.

Shooters travelled from north and south coasts, Brisbane, Chinchilla, Rockhampton, Cairns, Condamine, Emerald Pastoral College and Longreach, along with local shooters from Tambo, Blackall and Charleville. In all 55 shooters.

The main sponsors were National Mutual, Powers, Goodyear and Elders.

High Gun: Ross McPherson of "Bexley", Longreach. Inter/Gun: Col Rohlf of Dayboro.

On the 9th November Scrubby Creek held a Continental Shoot including the State Night Title. This was won by Bill Bryant from Scrubby Creek. Shooters attended from Charleville, Tambo and Blackall.

OLYMPIC DISCIPLINE NATIONAL CHAMPIONSHIPS

Competitors from all States and Territories travelled to Brisbane for the 1992 National ISU Championships. An international flavour was given to the Championships with the attendance of visiting shooters from New Zealand, United States of America and New Caledonia.

When last held at Brisbane Gun Club in 1988 the Club presented their grounds in excellent condition, and again in 1992 the grounds were immaculate — a credit to President John Porter and his hard working club members.

Weather conditions leading up to the Championships had by all accounts been quite dry, and while the rains that came during practice and on the opening day were a nuisance so far as affecting shooting conditions they were in fact very welcome for Queensland.

The Championships were declared open by National President, Leighton Martin, with the ACTA also represented by Management member, Robert Smith and NT Executive Member, Phil Grove. Newly appointed National Director of Coaching, Murray Alexander, was also on the grounds in his capacity as a member of the WA State Trap Team.

With Queensland President, Mr Tom Meadows, acting as Shoot Marshall, A Grade UIT Judge, Jim Kelly, occupying the role of Tournament Director, A Grade UIT Judge, David Menck, Chairman of the Jury and QCTA Secretary, Bev Grice, managing the office with the assistance of Brisbane Gun Club Secretary, Michelle Siggs, all was in readiness for seven days of competition in Olympic Trap and ISU Skeet and Double Trap.

1992 COMMONWEALTH CHAMPIONSHIPS — TRAP & SKEET

Sponsored by Carindale Hotel Motel, Queensland

DAY ONE

In overcast and drizzly conditions a total of 30 shooters had nominated for the Commonwealth ISU Skeet Championship, with an additional 81 shooters nominating for Olympic Trap.

Conditions were not easy, as those who took part will attest, and this no doubt contributed to the scores which were posted on day one.

In the Trap event possible rounds of 25 were few and far between, with only four being recorded on the day, two of which were from 1992 Olympian, Michael Diamond.

At the completion of the day's shooting Michael Diamond at 72/75 held a one target lead over fellow Barcelona Olympian, Russell Mark. Showing the benefit of his experiences at many International and National events, Jim Ellis was sharing second position with Russell Mark on 71/75, with Victor Burgess from Tasmania next with his score of 70/75.

Desiree Huddleston was shooting strongly in the Ladies Event where, with the benefit of her participation in the Ladies World Championships and her dedication to improve her scores, she continues to show great improvement with her shooting with better things yet to come, finishing the day with a score of 66/75 to lead the Ladies section by nine targets.

With six shooters contesting, the Junior section competition was keen, with eleven targets separating first and sixth position. Redcliffe's Andrew Coco led the Juniors at the end of the first day's shooting, finishing on 65/75 — four targets ahead of Victoria's Matthew Howden and Tony Faranda, with Justin Bryant of Tasmania a further two targets away followed by Vincent Mollica of Victoria at 56/75 and Anthony Snooke of WA, 54/75.

In the Skeet event the experienced shooters were soon to the fore, with Ian Hale holding the top position with a solid 74/75. John Summers was continuing to show the benefits of his recent international competitions, holding second position at 73/75 — two targets ahead of Craig Meuleman and Tasmanian State Coaching Director, Stuart Browning. Bob Dower (SA) was keeping the more experienced shooters honest, finishing the day on 71/75 — ahead of Paul Ryland, 70/75.

Maree Rooke and Wendy Adams, both members of the Ladies Team at Perth, were finding targets to be elusive, finishing the day with scores of 51/75 and 57/75 respectively.

AUSTRALIAN CLAY TARGET NEWS — MARCH 1992

In the Junior Skeet section only two shooters competed, with Queensland's Andrew Larsen, a member of the 1991 World Championship Team, showing the benefit of his international competition with a first day score of 69/75 — well on the way to a good score over the 200T.

DAY TWO

Rain, which was still the order of the day, complicated the day's shooting.

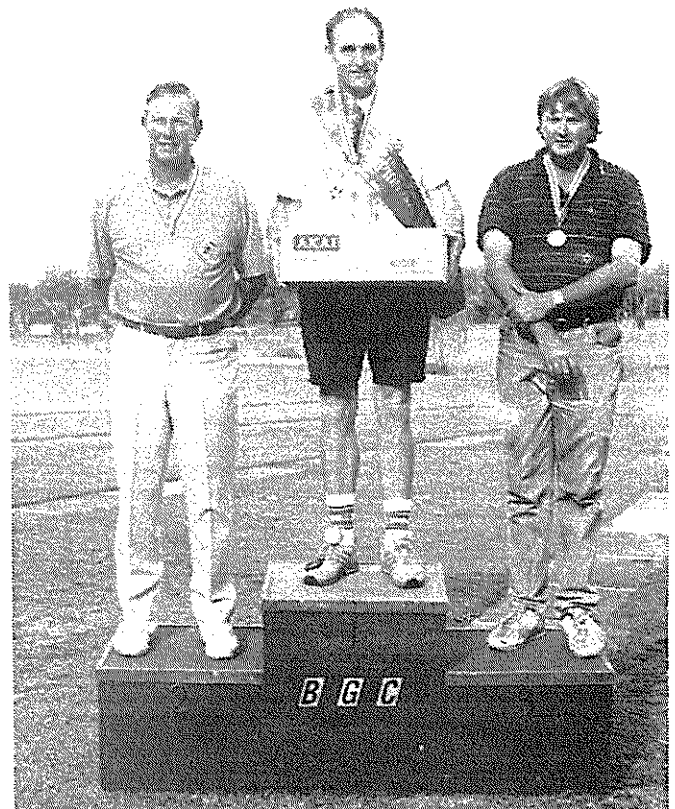

The Skeet shooters experienced the better of the conditions, finishing their day's shooting before the deluge which caused the Tournament Director to abandon the day's shooting at around 5.00 pm.

Ian Hale had been joined at the top of the leaders board by both John Summers and Craig Meuleman — all on 146/150. David Cunningham had improved his position to being next on 144/150, with Stuart Browning adding a 68 to his first round of 72 to finish the day on 140/150.

Andrew Larsen, with a score of 136/150, was well ahead in the Junior section, as was Frankston-Australia's Wendy Adams, whose two round score of 119/150 gave her a 16 target lead at the 150T mark from Wagga's Maree Rooke.

Owing to the conditions of the second day the Trench match was unable to be completed, with shooters resuming their positions at 8.30 am on the third day.

Desiree Huddleston on 134/150 was well in the lead in the Ladies section from Dianne Reeves of Normanton on 112/150. In the Junior section Tony Faranda, 127/150, held a comfortable lead of 5 targets from Vince Mollica, with Anthony Snooke (WA) and Matthew Howden (Vic) both two targets back on 120/150.

Commonwealth Trap Championship — Left to Right: G. Newey, J. Maxwell, J. Porter.

DAY THREE

With the final rounds of the second day completed all interest centred on the 24 Semi-Final positions from which the Commonwealth title would emerge in both Trap and Skeet.

Commonwealth Skeet Title to Ian Hale pictured with runner up Craig Meuleman.

The finals system, which had supporters for and against when first introduced, certainly appears to now be more than well accepted and generated a great deal of interest in both events.

First final shot was the Skeet Championship, where Ian Hale held a one target lead over fellow Victorians, Craig Meuleman and John Summers, with David Cunningham a further two targets behind. The best round in the final came from Paul Ryland's 24/25, however after dropping a target and opening the competition up Ian Hale steadied with a final round of 23/25 to win the 1991 Commonwealth Title, sponsored by the Carindale Hotel Motel, with an overall score of 216/225 — one ahead of Craig Meuleman who also shot a final score of 23/25, with John Summers one target back on 214/225 after a final round of 22/25.

The Ladies competition was won by Frankston-Australia's Wendy Adams with a score of 155/200 from Wagga's Maree Rooke on 140/200.

With Andrew Larsen dominating the junior section, his final score of 181/200 certainly showed the benefit of his 1991 World Championship competition, and gave promise of many better scores yet to come.

Commonwealth Skeet Champion: Ian Hale (Vic), Frankston-Australia Gun Club 216/225. Event sponsor: Carindale Hotel Motel.

As was the case with the Skeet Final, interest was certainly high with Queensland's Greg Newwey leading the qualifiers on 189/200, being two ahead of 1991 World Championship Silver Medallist, Michael Diamond, and 1990 Commonwealth Games Gold Medallist, John Maxwell, who appeared to have overcome or come to live with the injury problems which had dogged him over the previous twelve months.

Michael Diamond's well won reputation for shooting in finals was certainly put to the test on this occasion, and he would be disappointed with his score of 19/25. Brisbane Gun Club President, John Porter, and Warwick's Greg Newwey both shot final rounds of 23/25, with Victor Burgess from Cressy Gun club shooting a final score of 21/25 — two ahead of Robert Thompson from Cobarr. Amidst all of this, Illawarra's John Maxwell, 212/225, dominated the final with a clean 25/25 to win for himself the 1991 Commonwealth Skeet Championship, sponsored by the Carindale Hotel Motel, from Queensland's Greg Newwey with 212/225 (countback) and John Porter's 208/212.

In the Ladies section Desiree Huddleston, showing the benefits of her recent experience, was a comfortable winner on 175/200 from Dianne Reeves 148/200, with Bunbury's Christine Huggins finishing in third position with a score of 141/200 — three targets ahead of Cressy's Alison Blaskett at 138/200.

Top shooting in the Commonwealth Skeet Final by Paul Ryland who took out the A grade honours.

Werribee Junior, Tony Faranda, held his five target lead from the 150T mark, going on to win the Junior section with a score of 167/200 — one target ahead of Victorian Matthew Howden, whose last 50T produced a score of 46/50.

Commonwealth Olympic Trap Champion 1991: John Maxwell (NSW), Illawarra Gun Club 212/225. Event sponsor: Carindale Hotel Motel.

1992 NATIONAL TITLES — TRAP & SKEET

Sponsored by: Olimpyc Targets & Scorpio Cartridges
DAY ONE

While the rain had disappeared conditions were hot and very humid, making life a little difficult for those unaccustomed to the sticky conditions.

Twenty-nine shooters had nominated for the 1992 National Skeet Title, which gave promise of an exciting competition owing to the closeness of the scores in the Commonwealth Championship. Only six of those competing were able to shoot 70/75 or better, with two of these being Andrew Larsen 70/75, and Clive Barton 71/75, both of whom shot in the Junior Team at the 1991 World Championships.

At the end of the first day's shooting, Melbourne's John Summers led the field with a well shot 73/75 — one target ahead of Ian Hale, with David Cunningham in third place with a score of 71/75. Craig Meuleman, after his excellent showing in the first event, was on 70/75, giving away an early start to the leaders.

Maree Rooke was showing improvement on her earlier shooting, lifting her score by eight targets to lead the Ladies section on 59/75 from Wendy Adams who had dropped back from her first day's score shooting 54/75.

Eighty-three competitors nominated for the National Olympic Trap Title, with the well credentialled Jim Ellis from Canberra International leading the field with a well shot 74/75 — one target ahead of promising Victorian shooter Glen Hayden and Queensland's Ray Collinson, followed by New Zealand's Brant Woodward, 72/75. John Maxwell and Robert Thompson, 71/75, were next with Victorian Frank Vella. Greg Newey, John Porter and Michael Diamond, who had

finished second, third and fourth respectively in the Commonwealth Title, were next with scores of 70/75. The surprise of the first day's shooting was Russell Mark who was finding the targets elusive, finishing the day on 66/75 and looking for better results over the remaining 125 targets.

Competition in the Junior section was keen, with four shooters grouped within three targets of each other. Andrew Coco from Queensland lead the way on 66/75, closely followed by Matthew Howden's 65/75 and Victorian Gun Club's Vincent Mollica on 64/75. Tony Faranda, winner of the junior section of the first event, was giving the leaders a start after day one finishing on 63/75 — two targets ahead of Tasmania's Justin Bryant, who was keen to be able to shoot a score for father Jock Bryan, Tasmanian State Handicapper, to chase.

Desiree Huddleston was again leading the Ladies section on 67/75 and was well on her way to shoot the qualifying score for the National Training Squad. Alison Blaskett of Cressy, Tasmania, Dianne Reeves of Normanton, Queensland, and Christine Huggins of Bunbury, WA, were all enjoying the competition, with Dianne leading the group with her score of 57/75.

DAY TWO

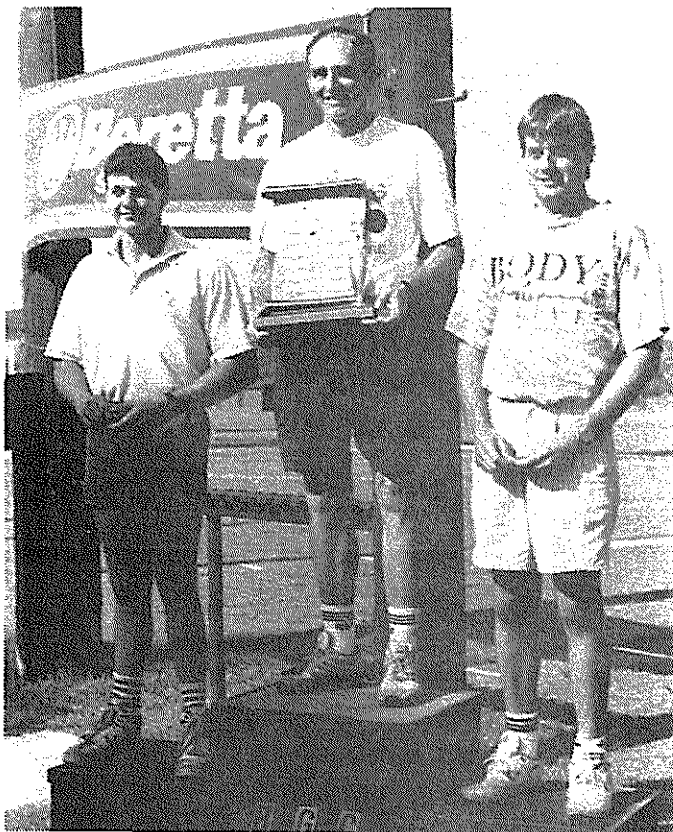

Competition in the Skeet Championships was keen throughout the day, particularly from the top position where John Summers led the field with a score of 147/150 — one ahead of Ian Hale. Frankston-Australia's Club members Craig Meuleman and David Cunningham, were next on 143/150 ahead of Tamworth's Clive Barton.

Maree Rooke was well ahead in the Ladies section on 121/150, with Andrew Larsen leading the Juniors on 133/150.

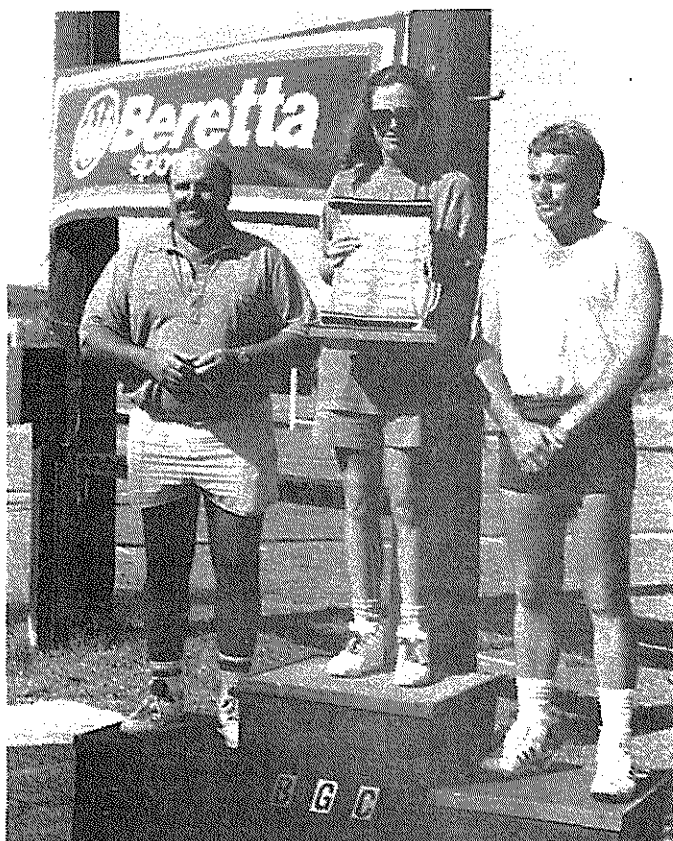

With the second day completed, Semi Finalists in order of qualifications were:

1 J. SUMMERS	147	VIC	13 C. BERTINI	133	WA
2 I. HALE	146	VIC	14 S. BROWNING	130	TAS
3 D. CUNNINGHAM	143	VIC	15 M. DUFF	127	NSW
4 C. MEULEMAN	142	VIC	16 B. PROSSER	127	NSW
5 C. BARTON	141	NSW	17 R. DOWER	126	SA
6 J. WILBERFORCE	137	NSW	18 L. PINNER	126	TAS
7 P. AVISON	136	VIC	19 L. NORMAN	124	QLD
8 D. DUNDON	136	QLD	20 J. BRIGGS	121	TAS
9 E. HERNU	136	NC	21 M. FONTA	119	WA
10 P. RYLAND	135	VIC	22 R. DALGLEISH	106	NT
11 K. MADSEN	135	QLD	23 C. ROLEY	102	NC
12 P. VOSPER	134	WA	24 W. REEVES	96	QLD

In the Olympic Trap Championship all eyes were on Illawarra's John Maxwell who shot a perfect 75/75 under difficult conditions to lead the field at the 150T mark one target ahead of Ray Collinson from Burdekin. Holding third position was Michael Diamond, two targets ahead of Noorat's Glen Hayden, with Greg Newey next on 140.

NSW successful State Trap Team in the Shoulder to Shoulder Match.

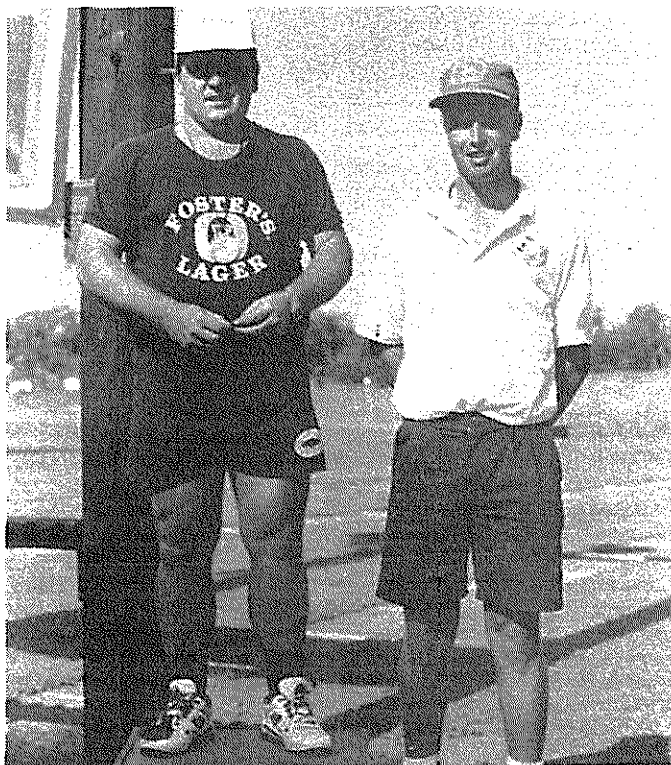

Victorian State Skeet Team take the honours in the Skeet Shoulder to Shoulder Match.

With the 150T now completed the scores of the top 24 shooters to make the 50T Semi Final were full of interest. Olympian, Russell Mark, was not enjoying the best of competition, finishing in 22nd position in the 24 man Semi Final.

1 J. MAXWELL	146	NSW	13 G. MANK	135	VIC
2 R. COLLINSON	145	QLD	14 R. THOMPSON	134	VIC
3 M. DIAMOND	144	NSW	15 F. VELLA	134	VIC
4 J. ELLIS	143	NSW	16 G. KABLE	133	NSW
5 G. HAYDEN	141	VIC	17 K. PERKINS	133	NSW
6 G. NEWHEY	140	QLD	18 J. GILOPIDIS	133	VIC
7 B. WOODWARD	139	NZ	19 P. WRAY	132	VIC
8 P. PETRIELLA	138	NSW	20 S. ZADRO	132	NSW
9 J. PORTER	136	QLD	21 P. MELVIN	131	WA
10 M. ALEXANDER	135	WA	22 R. MARK	131	VIC
11 A. FUTTER	135	NSW	23 M. BURLING	131	TAS
12 G. BLASKETT	135	TAS	24 A. ZAPPALA	130	QLD

Desiree Huddleston was continuing to dominate in the Women's section, finishing the day on 134/150, giving her a nineteen target lead on her nearest opponent. In the Junior section Matthew Howden held a two target lead of 127/150 over Vincent Mollica, with Tony Faranda a further two targets back on 123/150.

Pictured left: E. Hernu from New Caledonia who came runner up to Clive Barton (right) in A Grade National Skeet Championship.

Day three and the final 50T which produced an excellent result for John Maxwell, who added a 50/50 to his 150T score to finish on top and leading qualifier for the Six Man Final on 196/200. Finishing the day on 192/200 Michael Diamond joined John to be the only two in the competition to break the 190 mark. Equal third after an excellent competition was Victorian, Glen Hayden, who continued to show promise and Queensland's Greg Newey who had shot well throughout the six days of competition.

Qualifiers for the Six Man Final were:

1 J. MAXWELL	196	NSW
2 M. DIAMOND	192	NSW
3 G. HAYDEN	188	VIC
4 G. NEWHEY	188	QLD
5 R. COLLINSON	187	QLD
6 J. ELLIS	186	NSW

The final was again full of interest, with John Maxwell 218/225, although dropping three targets holding on to win comfortably by three targets from Michael Diamond, with Greg Newey, who appeared to have benefited greatly from his experience at world class level, coming in third on 211/225.

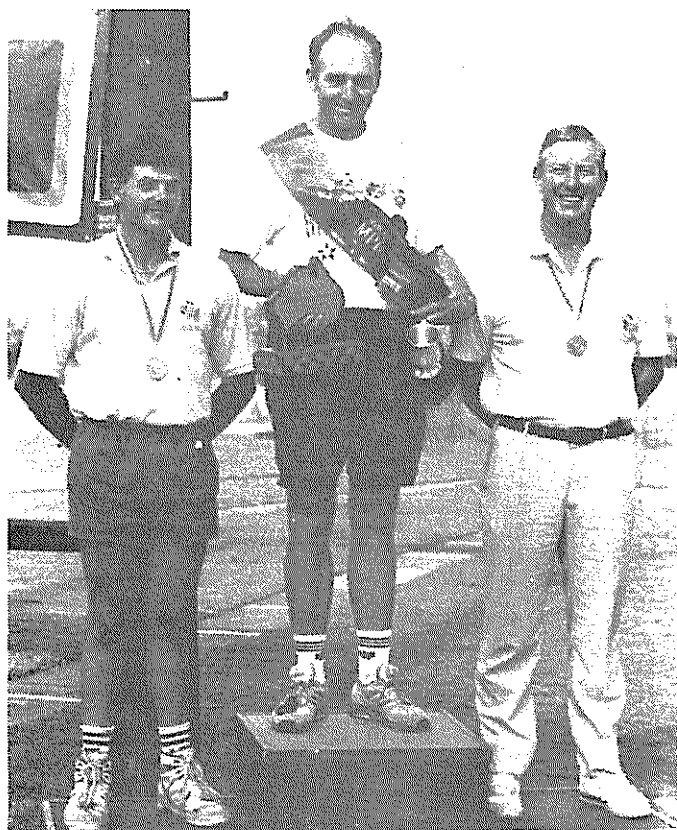

Desiree Huddleston, with a score of 180/200 had completely dominated the Women's events throughout both Championships, with Matthew Howden, 172/200, comfortably winning the Junior match ahead of Victorian Gun Club's Vincent Mollica 164/200.

National Olympic Trap Champion: John Maxwell, Ilawara Gun Club 218/225. Event sponsor: Olmpyc Targets/Scorpio Cartridges.

The Skeet competition was proving to be the closest of the two National Titles with only four targets separating first and fourth. The strength of ISU Skeet in Victoria was evident with four Victorians in the lead, headed by 1991 World Cup winner, John Summers, 193/200, one target in the lead from Ian Hale 192, with David Cunningham and Craig Meuleman next best on 189.

Finalists in the Skeet were:

1 J. SUMMERS	193	VIC
2 I. HALE	192	VIC
3 D. CUNNINGHAM	189	VIC
4 C. MEULEMAN	189	VIC
5 C. BARTON	186	NSW
6 E. HERNU	185	NC

National Skeet Lady Champion, Maree Rooke.

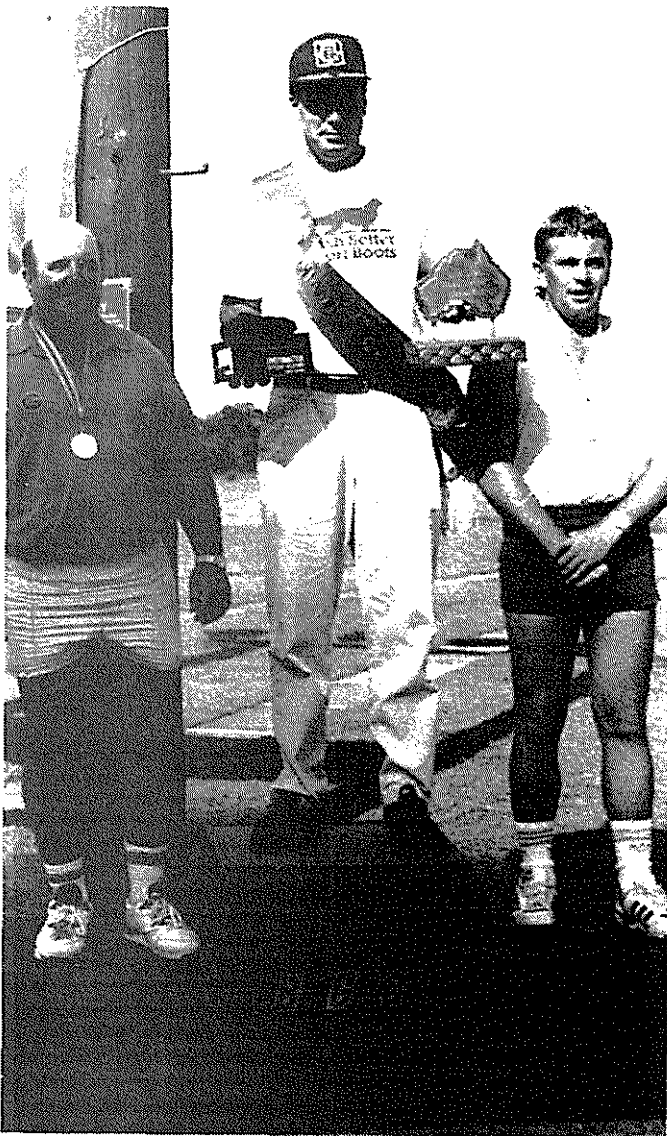

AUSTRALIAN CLAY TARGET NEWS — MARCH 1992

Exceptionally good shooting by Desiree Huddleston, Ladies Commonwealth, National & High Gun Champ.

Showing all the benefit of his recent experiences and belief in his own ability, Melbourne Gun Club's John Summers was the eventual winner, shooting a 24/25 Final for an overall score of 217/225 to win by two targets from Ian Hale, with David Cunningham taking third overall on 219/230 after a shootoff with Craig Meuleman for third position. Andrew Larsen, 177/200 produced the best score in the Junior section, with Marie Rooke's 163/200 a clear winner in the Womens section.

National ISU Skeet Champion: John Summers, Melbourne Gun Club 217/225. Event sponsor: Olympyc Targets/Scorpio Cartridges.

National ISU Skeet Placings Left to Right: Ian Hale, John Summers, David Cunningham.

State Teams: Scores recorded from the first 150T of the National Title produced the winner of the State Team Matches for 1992. In Olympic Trap a very strong NSW Team headed by Commonwealth Games Gold Medallist, John Maxwell, and World Champion Silver Medallist, Michael Diamond, proved too strong, winning the Teams Match with a score of 424/450 from Victoria 405/450.

A different result however in the Skeet Teams Match, where the Victorian Team of Ian Hale, David Cunningham and Wendy Adams out-shot their interstate opponents to win the event 394/450 from Queensland 392/450.

Double Trap on Sunday, being the seventh day of competition, attracted a field of 51, including some of the Skeet shooters who wished to try out their skills at Double Trap — certainly not an easy event to shoot.

Trap & Skeet High Gunners pictured with ACTA National President Leighton Martin.

Winchester rep Bob Dupuy congratulates Skeet High Gunner John Summers.

At the completion of the day's shooting a new National Champion had emerged with Russell Mark shooting a very creditable score of 163/200 to win from John Maxwell's 151/200, with Graeme Blaskett from Cressy Gun Club in Tasmania finishing third overall on 144/200. Best Junior was Matthew Howden 98/150, with Desiree Huddleston again the Womens winner on 106/150.

National Double Trap Champion: Russell Mark, Geelong Gun Club 163/200. Event sponsor: Olympyc Targets/Scorpio Cartridges.

High Gun winners for 1992 were: Skeet John Summers 385/400+25, Melbourne Gun Club, after a shootoff with Ian Hale and Wagga's Maree Rooke 303/400 in the Womens section. High Gun sponsor: Winchester Division — Olin Australia.

In Olympic Trap John Maxwell from Illawarra Gun Club, after winning two of the three National Titles also won the coveted High Gun Award with an excellent 383/400. Desiree Huddleston, who dominated throughout all of the week's shooting, shot a score of 355/400 to win the Womens High Gun. Winning is one thing, however to win with a score of 355/400 is quite another — well done Desiree.

Young Victorian Matthew Howden, who after a slow start finished the competition on 338/400 to win the Junior High Gun Award, certainly appears to have a bright future in this Discipline and will be a competitor to watch in the years ahead. High Gun sponsor: Winchester Division — Olin Australia.

In closing we would like to extend our appreciation to all who assisted with the smooth running of the National Championships, which were hosted by the QCTA — QCTA personnel: Tom Meadows — President (Shoot Marshall), Bev Grice — Secretary (Office Manager), Jim Kelly — Tournament Director, John Porter and Michelle

AUSTRALIAN CLAY TARGET NEWS — MARCH 1992

National Double Trap Champion Russell Mark and Graeme Blaskett who took overall third.

Donor of the International Competitor Olympic Trap Trophy, Art Goodman right makes the presentation of such to Brandt Woodward from New Zealand.

Siggs — President & Secretary of the Brisbane Gun Club, Brisbane Gun Club members for the presentation of the grounds, Gerry Chizzotti (Handicapper), Ross Tippler (Photographer) plus the many others who while not mentioned by name nevertheless played an important role in the success of the Championships.

We also thank our sponsors for their support: Winchester, who are always supportive of the sport of Clay Target Shooting, Sergio Zuffo of Olympic Targets and Scorpio Cartridges, who never fails to show his support to the ACTA National Championships, Mr Frank Shaw of the Carindale Hotel Motel for sponsoring the Commonwealth Titles, also Fuller Firearms for their support of the Juniors with the Luigi Franchi Perpetual Trophy, and not forgetting Barbara and Peter Quire, donors of the trophies accompanying their Perpetual Trophies to the National High Gun winners — all of whose support is appreciated.

MARYBOROUGH TID BITS, QLD

Bundy shooters being very active over the holiday break with John Straughair off to Gladstone on Boxing Day and took off C grade 100T DB event.

The first 2 day shoot for the year being the Sunshine Coast Super Shoot with K. Palmer getting into the 25T Sweep Stakes, F. Augius 2nd in B grade 50T Classic Championship and Neil Berry still shooting well took off 3rd in 19-21 metre Handicap, AA grade 25T SB Championship; shared AA grade in 25T Sweep Stakes; OA in 50T DB Classic Championship and with G. Sergiacomi, K. Palmer, F. Augius and I. Wynyard took out the five man team also Gino Sergiacomi and I. Wynyard with the addition of I. Osborne of Sunshine Coast took the three man team. Good shooting Bundy.

Gympie 19 Jan: Ken Mills has been waiting for a big one to put his name to and took off the 100 target handicap. Good shooting Ken.

Maryborough 19 Jan: Thanks visitors Yvonne and Brian Goddard just arriving in Gympie to live from Sydney, Tony Houselander of Brisbane and Fred and son Mitchell Foon plus our usual Gympie and Bundy shooters who made the numbers to have a good shoot.

Top shooters for the day being G. Burlison taking events 2 and A.G.H.C. F. Augius events 2 and 3 and BGHC with J. Straughair events 2 and 4 CCHG.

The Maryborough Timber City One Day Shoot March 22nd 9 am start.

Good shooting to all till next time, see you at the shoots.
