FOR PERFECT
CO-ORDINATION
BETWEEN MIND
AND MUSCLE.**

MIROKU 9000

Fit, feel and pointability are what a target gun is all about and Miroku presents this 9000 as a modern classic - the 'World Gun' - a blend of old gunsmith arts, proven technical breakthroughs and Made in Japan quality.

Notable features include ventilated barrels, adjustable wide, crisp trigger, presentation grade walnut woodwork, palm swell grip and the brilliant Browning Invector Choke, so there is no interference to distract your aim. There are five chokes which interchange easily so the Miroku adapts perfectly to any situation.

Get the feel of character and solid quality - pick up the Miroku 9000 and point it with perfect co-ordination.

Available in TRAP, SKEET and SPORTING.

Meet the Winners from the
1991
World Shotgun
CHAMPIONSHIPS

1

Gold Medal Winner in the Olympic Trap Championship for the second time in the last 3 years.

2

Beretta

Beretta competition under and over shotguns take 5 of the 6 overall medals in both Trap and Skeet.

3

Outstanding scores achieved in all disciplines with the new composition Laporte target.

Winchester Australia congratulate the Organising Committee, administration staff and all support personnel. Their combined dedicated efforts ensured the 1991 World Championships were conducted at the highest level. Equally Winchester recognise the spirit and achievements of all competitors. Their magnificent performance sharply focused Australia as the centre of world marksmanship from November 6th-13th 1991.

EXECUTIVE DIRECTORS NOTES

During the course of the Olympic Discipline Nationals a meeting took place between State nominated persons for the purpose of electing one from those nominated to a position on the National ISU Shooting Committee as the shooters representative.

Nominations were received from four states: NSW Brian Rosser; Qld David Menck; WA Terry Morony and Tasmania Jim Briggs, all of whom are well known to shooters of the ISU disciplines throughout all states. The meeting which was chaired by National Shooting Committee Chairman, Mr Robert Smith, elected David Menck to the position.

World Cup

With John Summers shortly to be competing in Los Angeles prior joining Russell Mark and Michael Diamond at a pre-Olympic competition in Barcelona. Following pre-Olympic competition all three will be joined by Robert Smith who has been appointed Team Manager for the European World Cup. Robert and the Olympic Trap Shooting Team will be strengthened by the inclusion of Greg Newey, a member of the 1991 World Championships team for the World Cup in Italy.

While the Olympic team are competing as part of their pre-Olympic preparation, Greg is participating on a self-funded basis as part of his overall goal to improve his shooting skills to their highest degree, we wish them all well.

Olympic Games

Another plus for clay target shooters was the recent appointment of Robert Smith to the position of Olympic Shooting Team Coach for Barcelona. Robert will be looking after a seven member team which will no doubt appreciate the efforts that he will be making on their behalf as they strive for personal and country honours. Robert is a well experienced person at world competition level and will be assisted by the experience which has brought for him recognition as a B grade UIT Judge at Level 3 Coach in Australia.

DTL Team

Competition for a position in the five member team to compete in Wales during July of this year will no doubt be keen during the Wagga Trap Nationals. The team is scheduled to depart from Australia in time to arrive in London on July 4, travelling to Wales to shoot their match during three days of competition commencing Friday July 10, before returning to Australia from London on July 14, after what should be a memorable experience.

National Shooting Ground

Investigations are taking place into the possibility of establishing a National Shooting Ground with the matter to be discussed in depth at a meeting of the National Executive Committee in June of this year. Opinions are many and varied on the subject of a National Shooting Ground, a subject which is certain to invoke comment amongst shooters from all states.

Membership

Despite the economic climate, membership has remained on par with 1991, which indicates that while things may be tough, the desire to remain a registered clay target shooter is still strong enough to find the way to do so. Hopefully for all concerned the difficult period which has affected so many will soon be a thing of the past and shooters will be able to get back to what they enjoy doing most, breaking targets.

Glenn Cup

With Australian shooters in New Zealand to shoot the NZ Nationals, the opportunity to win back the Glen Cup will feature strongly in the events leading up to team selection. Executive member John Murphy (Tas), will oversee the selection of the Australian team who will be giving their best in this traditional team match between Australia and New Zealand.

International High Gun — Australia/New Zealand

1992 sees the introduction of a High Gun Trophy over both countries National Championships with scores from New Zealand carried over to the Wagga Nationals. A Gold Southern Cross Badge and High Gun Sash will be awarded to the winner plus seven days accommodation and return air fare to the New Zealand or Australian Nationals in 1993, should provide for an interesting competition.

Trap Nationals

Please be aware of one of the conditions of entry for the Trap National Championships, namely condition (9) which has been introduced in an attempt to ensure that shooting on each day of the Nationals Championships is able to commence as close to the advertised starting time as possible. The introduction of this new system should eliminate the problem as well as ensure that shooters who nominate so they are placed in the last squad support their fellow shooters with refereeing and scoring.

Good luck to all who are shooting the Wagga Trap Nationals.

Double Trap

Those who shoot this Olympic discipline will no doubt be interested in the news that Double Trap for both men and women has been added to the shooting program of the XXVI Olympiad, Atlanta 1996.

With Double Trap now an Olympic event, every effort must be given to promoting this discipline in Australia as for some time many shooters have not taken this event seriously.

ANNUAL TWO DAY SKEET CARNIVAL

Tamworth Clay Target Club shooters took more than half of the trophies at the annual two day skeet carnival last weekend.

Of the 40 trophies being competed for, 21 were awarded to Tamworth shooters including five of the eight high gun trophies.

The most impressive win for the weekend was by President Col Burt who won the overall high gun with a fine score of 198/200 and was first and second in two events.

Fifty shooters from Queensland, all over New South Wales and the Victorian border competed in perfect weather conditions for the magnificent trophies generously sponsored by Hitachi Power Tools, Prouds the Jewellers, Humes, Casweld, Ranger Tools and Equipment Lowestoft Herefords and Westherall Engineering.

Numbers were down slightly from last year which is attributed somewhat to the flooding throughout the state and to the clashing with the ISU National Championships at Brisbane.

Graham and Rae Richardson had the Loomberah complex looking magnificent for the carnival and Rae and her contingent of assistants did a fine job of catering for the shooters and visitors.

CONDITIONS OF ENTRY — NATIONAL TRAP CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
2. Squads of 6 to shoot 50 targets/75 targets in brackets of 25 one visit only to the traps.
3. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
4. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. **Should the two minute time limit be exceeded then a penalty of the LOSS OF ONE TARGET shall be incurred.**
5. Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination shooters will be re-squadded towards the end of the event.
6. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the lowest recorded.
8. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET IN THE NEXT EVENT**. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
9. Shooters will be drawn from each day's last round squads to referee and score the first rounds of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility shall be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person.
10. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
11. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
12. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a Hearing with the appointed jury.
13. Optional Sweep/Purse nominations shall be noted on a separate form from shooting nominations. Entries for Sweep/Purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
14. Optional Sweep/Purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
15. When team selection is involved, shooters shall be eligible for the open team as well as section teams irrespective of the section nominated for. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.
16. Persons paying a reduced nomination are considered eligible for all High Gun awards, Section(s) and Overall. Competitors must compete in a clear majority of programmed events to gain High Gun recognition.
17. The Overall winner in any event shall not be eligible for additional recognition in any Grade or Section (full nomination). Competitors other than the Overall winner in any event shall be eligible for recognition in any Grade or Section in which they

are eligible to compete (full nomination). Competitors entering in any specific section of an event shall only be eligible for recognition in the section entered (reduced nomination). **ONE NOMINATION ONLY MAY BE PAID — OPEN OR SECTION.**

18. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals, trophies are awarded, irrespective of nomination paid.
19. Nominations will close daily at 11.00 am.
20. The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
21. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
22. An acceptable standard of dress is required for all competitors — Tournament Director to adjudicate.

CONDITIONS OF ENTRY — SQUADDING

Your attention is drawn to clause (9) of the Conditions of Entry for the National Trap Championship which reads: *Shooters will be drawn from each day's last round squads to referee and score the first rounds of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility shall be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person.*

Details relating to the conditions are contained on the back of the trap nationals nomination form.

HANDICAPPING — NATIONALS 1992

To make it easier for all concerned — office staff, handicapper and shooters — we would like all shooters to please note and adhere to the following points:

1. Please present your current 1992 handicap card for stamping before nominating. Also your up to date 1991 card.
2. Nominations will not be accepted unless cards are stamped by the handicapper.
3. Any shooters unable to produce a 1992 handicap card, must produce a club receipt as proof of ACTA registration.
4. Such shooter shall be allowed to compete on handicap and grade given. But any moneys or trophies won shall be held by the ACTA until proof of handicap and grade are verified.
5. Rule 2.1(m). Should it be found that a shooter deliberately misled Management regarding his grade and/or handicap, the shooter will be suspended for a period of three months.
6. If an error is made on your card, have your club secretary or handicapper neatly rule out the error, rewrite it correctly, stamp and sign it.
7. Any obvious low scores entered on handicap cards just prior to the Nationals that enables a shooter to be downgraded, will not be taken into consideration. Rule 2.7(a).
8. Please watch the handicap board, if your name appears on the board, please report to the handicapper's office.
9. If you do not wish to be downgraded, please advise the handicapper's office.

1992 NATIONAL TRAP CHAMPIONSHIPS OFFICIAL PROGRAM WAGGA, NSW APRIL 4-9

To be staged on the grounds of the Wagga Gun Club by the New South Wales Clay Target Association for and on behalf of the Australian Clay Target Association.

ORGANISING COMMITTEE

NSWCTA	President Mr R. Smith
Tournament Director	Mr R. Smith
Shoot Marshall	Mr B. Jones
Office Manager	Mrs L. Bunting
Trap Mechanic	Mr A. Sanders/Mr B. Rooke
Scoreboard	State Executive Members
Handicapper	Mrs L. Charles
Jury	Rule 4.14(a) & (d)
Executive Director	Alan J. Maher

CONDITIONS OF COMPETITION — ENTRY

Entry into the 1992 Australian Trap Championships is open to all shooters who are registered for 1992 with the Australian Clay Target Association. Temporary honorary membership will be offered to overseas visitors who can produce evidence that he or she is a current financial member of their home country's equivalent body to the Australian Clay Target Association.

Australian competitors must produce their 1991 and 1992 registration cards, before nominating, to the 1992 Nationals Office Handicapper. Where a competitor was not registered for 1991 he/she must produce his 1992 registration card.

DIVISIONS

The competition will be divided into a number of divisions except in the 40th Australian Double Barrel Championship, where there is a separate Australian Women's Double Barrel Championship and an Australian Junior Double Barrel Championship, as well as the 38th National Single Barrel Championship where there is a separate Women's Single Barrel Championship and an Australian Junior Single Barrel Championship.

Shooters may nominate in any one section of an event — Open, Ladies, Junior, Veteran. Shooters who are eligible for, and elect to pay a reduced nomination (60% of open nomination) to enter a specific section, shall only be eligible for the section entered, as well as all High Gun awards.

A minimum of three persons must compete in any grade or section before sashes/medals/trophies are awarded.

When team selection is involved shooters shall be eligible for the open team irrespective of the section nominated for. In addition to open teams, shooters shall be eligible for team selection for the section nominated, Ladies, Junior or Veteran. To be eligible for selection or naming in any team, competitors must have competed in a clear majority of programmed events.

AGE QUALIFICATIONS

Veterans — are those competitors over the age of 65 years on April 4, 1992. Juniors — are those competitors who, on April 4, 1992 will be under the age of 18 years.

STARTING TIME

Each day's event shall commence at 8.30 am.

Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination shooters will be resquadded towards the end of the event.

Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.

CARTRIDGES

For other than the Grand Australian Handicap (36g) load size for all National Title events is limited to 28g struck measure or equivalent shot size not larger than No.6.

Cartridges of the competitor's choice including reloads may be used in all National Championships. Cartridges will be available for purchase at the National Championships from Winchester and Scorpio both of whom are licensed to the ACTA for cartridge sales on the ground for the period embracing the Pre Nationals and National Championships.

TARGETS AND TRAPS

Targets through the program are to be magpie and will be supplied by Winchester Australia. All targets thrown remain the property of the organisers. All throwing equipment will be electronically operated.

CLASSIFICATIONS

It is the responsibility of the competitors to see that their entry is correctly classified — an indication can be obtained from the daily scoreboard. This applies to grades, open, ladies, juniors and veterans divisions. Contestants are reminded that regading and rehandicapping will be carried out on a daily basis, where required by the rules. Ladies, Juniors and Veterans who have elected to enter the open section will be indicated on the High Gun Scoreboard as: OL, OJ, OV.

PRACTICE

Practice, subject to trap availability, will be available throughout the championships. Tickets may be purchased at the designated area.

CASH PRIZES

Cash prizes will be awarded in all events with the exception of the Grand Australian Handicap and the Deauville Doubles, to the Overall winner and the winner of each grade.

The cash prize for the overall winner shall be calculated on 50% per nomination, the grade winner shall also be calculated on 50% per nomination.

SHOOT-OFFS, CONTINUATION OF EVENTS

If, for any reason, the event cannot be completed on the day it commences, the management reserves the right to stop shooting at any time if considered necessary. In such a case, the competition will recommence where it left off, on the following day.

NOMINATIONS ALL EVENTS

Grand Australian Handicap/National Double Barrel/National Single Barrel/Aust-NZ Trap Championship/National Double Rise: Open \$30 L/J/V \$18. Champion of Champions: Open \$34 L/J/V \$20. Deauville Doubles: \$20 per team. Allan Brown Club Team: \$5 per team. State Teams Matches/Mackintosh Teams: Nil. Note: All championship nominations include a contribution to the discipline fund.

AUTHORITY

This program shall control the 1992 Australian Trap Championships. The shooting rules of the Australian Clay Target Association will govern all points not otherwise provided for.

The Association's Executive Committee, through the Tournament Organising Committee, reserves the right to, at its discretion at any time prior to the commencement of any event on the 1992 National Trap Championships program, change or modify the program in any way.

GAMBLING IS NOT PERMITTED ON EVENTS STAGED BY THE AUSTRALIAN CLAY TARGET ASSOCIATION.

SERVICES & FACILITIES

Catering: The catering service will be provided by an outside contractor. Arrangements are being made for meal services to be available with an extensive but practical menu.

Trade Displays: Commercial organisations associated with clay target shooting have supported the tournament by establishing displays of products connected with the shooting sports. These displays will be located in an area specifically designated for trade exhibits. Competitors and visitors to the ground are encouraged to support these trade displays as, in this way, exhibitors can be encouraged to maintain their support for clay target shooting.

Parking: Ample parking is available for the cars of competitors and visitors. The parking area will be clearly marked. Please do not park in any area as being reserved, as freedom of movement is required at all times — PLEASE CO-OPERATE.

Souvenirs: In addition to a variety of souvenirs which will be offered by commercial supporters of clay target shooting the Australian Clay Target Association will merchandise a souvenir 1992 National Championships Badge.

AUSTRALIAN CLAY TARGET NEWS — APRIL 1992

SATURDAY APRIL 4 — 8.30 am

OFFICIAL OPENING OF THE NATIONAL TRAP CHAMPIONSHIPS followed by THE INTERSTATE SHOULDER TO SHOULDER TEAMS MATCH

MONDAY APRIL 6 — 8.30 am

25TH LADIES TEAM MATCH, 25TH JUNIOR STATE TEAMS MATCH. 38TH AUSTRALIAN SINGLE BARREL CHAMPIONSHIP to be run in conjunction with 4TH AUSTRALIAN LADIES SINGLE BARREL CHAMPIONSHIP together with 1ST AUSTRALIAN JUNIOR SINGLE BARREL CHAMPIONSHIP.

Details: 50 targets from 15m, broken targets to count using one barrel only. (Only one cartridge is to be loaded into the competitor's gun.) To be shot as a graded event, squad system, in one visit to the traps. Ties to be broken by shoot-off squad system, miss and out. Nominations: Open \$30, L/J/V \$18. Graded optional sweep \$3 (\$1 @ 25 & \$1 OA). A \$5 optional purse will operate on this event divided 60%, 30%, 10%.

Trophies and Awards: Open — the overall winner will receive the W. Rainbird Cup, ACTA Silver Australia Badge and Royal Blue Sash, plus a trophy donated by Winchester Australia. Grade winners (excluding the overall) will receive a medal and a trophy donated by Winchester Australia. Second and third each grade will receive a medal. Veterans Division: Winner to receive a medal and trophy donated by Winchester Australia. Ladies Division: The winner of the

AUSTRALIAN CLAY TARGET NEWS — APRIL 1992

4th Australian Ladies Single Barrel Championship will be presented with the Kerang Ibis Trap Perpetual Trophy and a trophy donated by Winchester Australia, together with the ACTA Silver Australia Badge and Royal Blue Sash. Second and third placings will receive a medal and trophy donated by Winchester Australia. Junior Division: The winner of the 1st Australian Junior Single Barrel Championship will be presented with the Junior Single Barrel Perpetual Trophy and a trophy donated by Winchester Australia, together with the ACTA Silver Australia Badge and Royal Blue Sash. Second and third placings will receive a medal and trophy donated by Winchester Australia.

TUESDAY APRIL 7 — 8.30 am

31ST AUSTRALIA/NEW ZEALAND TRAP CHAMPIONSHIP

Details: 50 targets, double barrel, scoring three points for a break with the first barrel, and two points for a break with the second barrel. To be shot from 15m as a graded event, squad system, in one visit to the traps. Ties to be broken by shoot-off, squad system, miss and out. Nominations: Open \$30, L/J/V \$18. Graded optional sweep \$3 (\$1 @ 25 & \$1 OA). A \$5 optional purse will operate on this event divided 60%, 30%, 10%.

Trophies and Awards: The overall winner will receive the Kable-Smith Perpetual Trophy, Southern Cross Silver Badge and Royal Blue Sash. The winner will also be presented with a trophy donated by Winchester Australia. Grade winners (excluding the overall) will receive a medal and a trophy donated by Winchester Australia. Second and third in each grade to receive a medal. Ladies Division: Winner to receive a medal and trophy donated by Winchester Australia. Junior Division: Winner to receive a medal and trophy donated by Winchester Australia. Veterans Division: Winner to receive a medal and trophy donated by Winchester Australia.

In conjunction with the Australia/New Zealand Trap Championship: THE ALLAN BROWN TEAMS MATCH. The conditions of entry for the Allan Brown Teams Match are:

1. Team members must be registered through the club for which they are competing.
2. The competition is open to teams of five shooters, registered through the same club.
3. The nomination is \$5 per team.
4. Teams must be nominated prior to the Australia/New Zealand Trap Championship.

Trophies: Each member of the winning team receives a memento medal. The winning team will be presented with the Allan Brown Trophy.

TUESDAY APRIL 7

LADIES & JUNIORS INTERNATIONAL TEAMS MATCH, VETERANS INTERNATIONAL TEAMS MATCH (Named only)

Details: These matches conducted under conditions agreed by the International Council of Great Britain and the ACTA will be shot prior to the shooting of the Open Teams International Match. The five ladies and five juniors having the highest aggregate scores from the respective Double Barrel Championship, Single Barrel Championship and the Australia/New Zealand Trap Championship (pointscore), will comprise the ladies and junior international teams. In the event of a tie for places in the teams, a shoot-off will be arranged under the terms and conditions directed by the organising committee, to determine places in the teams.

Countries competing in these international matches are England, Ireland, Scotland, Wales, New Zealand, Canada, Zimbabwe and Australia. Each team member will receive the ACTA International Team Badge.

The Junior High Gun will be presented with the Carlisle & District Gun Club Perpetual Trophy and medal. The Ladies High Gun will receive a medal.

The Executive Committee gratefully acknowledges the donation of cartridges by Winchester Australia for the Mackintosh, Ladies and Junior Team Shoots.

WEDNESDAY APRIL 8 — 8.30 am

1992 MACKINTOSH INTERNATIONAL OPEN TEAMS MATCH

Details: This match is conducted under the direction of the International Council of Great Britain, and competition countries include England, Scotland, Ireland, Wales, Zimbabwe, Canada, New Zealand and Australia. Teams consist of 30 members, with the 25 highest scores to count.

Each member shall have been resident in Australia for at least 12 months. The 30 shooters having the highest aggregate score from

Continued over page

Continued from previous page

the Australian Double Barrel Championship, Australian Single Barrel Championship and the Australia/New Zealand Trap Championship (pointscore) will comprise the team. In the event of a tie, a shoot-off will be arranged under the terms and conditions directed by the organising committee, to determine places in the team. If a qualifier cannot take his place in the team, his place will be filled by another shooter agreed upon by the organising committee. The shooter with the highest score in the International Teams Match (pointscore applies) will be presented with the J.M. Bauman International High Gun Cup, the ACTA High Gun Medal, together with the ACTA Silver Australia Badge and the International High Gun Sash. A five member team will be named (subject to justification) from results achieved in the Mackintosh qualifying events plus the Mackintosh open teams match (total score 550) to shot a shoulder to shoulder match in Wales in early-mid July 1992.

WEDNESDAY APRIL 8

52ND CHAMPION OF CHAMPIONS CUP

Details: 75 targets are to be shot in one visit to the traps, from 18 metres as follows: 25 targets double barrel (each barrel equal value), 25 targets single barrel (only one cartridge to be loaded into the competitors gun), 25 targets pointscore (three points for the first barrel and two points for the second barrel). Ties to be broken by shoot-off to be conducted in brackets of three types included in the medley. Nominations: Open \$34, L/J/V \$20. Optional sweep, \$4 (\$1 @ 25 & \$1 OA). An optional purse of \$5 will operate on this event divided 60%, 30%, 10%.

Trophies and Awards: The overall winner will be presented with the Mackintosh Perpetual Cup, ACTA Silver Australia Badge and Royal Blue Sash, together with a trophy donated by Olimpyc Targets. Grade winners (excluding the overall) will receive a medal and trophy donated by Olimpyc Targets. Second and third in each grade will receive a medal. Ladies Division: Winner to receive a medal and trophy donated by Olimpyc Targets. Junior Division: Winner to receive a medal and trophy donated by Olimpyc Targets. Veterans Division: Winner to receive a medal and trophy donated by Olimpyc Targets.

THURSDAY APRIL 9 — 8.30 am

32ND NATIONAL DOUBLE RISE CHAMPIONSHIP

Details: 25 pairs of targets, shot in one visit to the traps. The event will be graded and shot from 15m scoring one point for each broken target. Ties will be broken by shoot-off, squad system, in brackets of five pair of targets. Nominations: Open \$30, L/J/V \$18. An optional purse of only \$2 will operate on this event divided 60%, 30%, 10%.

Trophies and Awards: The overall winner will be presented with the J.M. Tyquin Perpetual Cup, ACTA Silver Australia Badge and Royal Blue Sash, together with a trophy. Grade winners (excluding the overall) will receive a medal and trophy. Second and third placegetters in each grade will receive a medal. Ladies Division: Winner to receive a medal and trophy. Junior Division: Winner to receive a medal and trophy. Veterans Division: Winner to receive a medal and trophy.

THURSDAY APRIL 9

12TH COMARK DEAUVILLE DOUBLES

Commencing at the conclusion of the Double Rise Championship. Limited to teams including members of one family, who must be a minimum of one generation apart, with the exception of husband and wife teams who may enter.

Trophies and sashes will be awarded to the winning team plus trophy awards to teams placed second and third. Nominations will be \$20 per team, and the event will be shot from 20 metres. Ties will be broken by shoot off.

THURSDAY APRIL 9

16TH INTERNATIONAL TRAP TEAMS MATCH

Open to any nation with competitors at the tournament. Competitors must be residents of the country for which they compete. Teams will consist of five competitors; each competitor shoots at 50 targets double barrel of equal value, to be shot from 15 metres. The event will be run over two rounds, each to be 25 targets, squad system. Minimum of three competing countries required for this event to be held.

The perpetual trophy has been donated by Messrs Gates USA, Rooke Australia, and McMillan New Zealand.

The Australian team will consist of the five competitors with the highest scores in the 30th Australia/New Zealand Trap Championship.

1992 TRAP NATIONALS

With the introduction of 28g LOADS for all National Titles other than the Grand Australian Handicap random checks will take place during the course of the Nationals to ensure that the 28g load is not exceeded. A tolerance factor of +2% will be taken into consideration.

If in any doubt to the weight of your cartridges or only curious the opportunity will exist for all shooters to weight test their cartridges.

W. Jones — ACTA Executive Member
Nationals Shoot Marshall

PRODUCT ANNOUNCEMENT FROM WINCHESTER

NEW 28 GRAM TARGET LOADS

Responding to ACTA move to 28 gram ammunition ruling for mainstream DTL and Skeet, Winchester have developed a completely new and comprehensive range of 4 competition shotshells.

The new generation 28 gram target loads are the culmination of over 12 months of intensive research and development by Winchester's marketing and technical personnel. The 4 loads offer wide choice of velocity and shot hardness variety and are purpose designed to cover the broad spectrum of DTL, Skeet and UIT discipline requirements.

AA-1200

Velocity 1200 f.p.s. Shot sizes 7½ and 9. Gold hull with brass base cup. A low recoil load for DTL and Skeet.

AA-1250

Velocity 1250 f.p.s. Shot sizes 7, 7½ and 9. Red hull with brass base cup. A medium velocity load for DTL, UIT and Skeet.

AA-1250HA

Velocity 1250 f.p.s. Shot sizes 7 and 7½. High antimony/ultra hard shot (6% antimony plus additional hardening agents). Black hull with brass base cup. A medium velocity load with denser pattern/improved pellet distribution characteristic for DTL, UIT.

AA-1300HA

Velocity 1300 f.p.s. Shot sizes 7 and 7½. High antimony/ultra hard shot (6% antimony plus additional hardening agents). Black hull with high brass plated base cup. A high velocity load for UIT and handicap DTL.

The new family of 28 gram AA loads will debut at ACTA Nationals. Winchester personnel will be in attendance at Wagga, commencing pre Nationals to provide further information and advice on the new range.

EDITORS MAILBOX

The Australian Clay Target Association Inc.,
3 Essex Road, Mt Waverley, Vic, 3149.
Attention: Mr Alan J. Maher, Executive Director

Dear Sir,

In response to the substantial feedback you have been receiving from your members in regard to the late mailing and or receipt of Clay Target Shooting News, on behalf of my company, I wish to most sincerely apologise for the embarrassment caused to yourself and your staff; to your subscribers and advertisers for any inconvenience or distress suffered due to late delivery.

As you are well aware, Newsprinters has, for many years, prided itself on its level of customer service, a culture we feel has been maintained by our staff.

However, on the occasion of the March issue of CTSN, several incidents occurred, generally unrelated, which contributed to delivery of magazines into your mailing house two days later than scheduled — and led to us neglecting our customer.

The result of these occurrences was that loose ends were created, and not followed up, in the interest of our customer.

Several further safeguards have been instituted to ensure that this problem does not re-occur. CTSN schedules have been circulated to all staff, not only supervisors, more follow-up will take place between our staff and ACTA to ensure that other supplier schedules are also met.

Yours faithfully,

NEWSPRINTERS PTY LTD
R.P. McPherson
Managing Director

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the **very wise** shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself **"PERAZZI FROM YOZZI"** — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your **"PERAZZI FROM YOZZI"** (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

Tony Yozzi Sports,
460 William Street (Cnr. Brisbane Street)

SOLE FACTORY EXCLUSIVITY FOR WESTERN AUSTRALIA FOR PERAZZI FIREARMS AND ACCESSORIES. KROMSON CLAY TARGET MACHINES. ROBOT MODEL 350A — trap — skeet and personal models.

BENELLI FIREARMS MODELS 121, 123, 123-3" Mag., 121-3" Mag., Montefeltro, Super 90 in field, trap and interchangeable choke models.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

1991 PRESIDENTS' REPORT TO THE AGM

The year of 1991 witnessed some very unexpected changes within our Association, with the planned restructuring of the sub-committees within our National Executive being implemented mid year.

Consequently, as a result of the formation of these sub-committees in which all National Executive members; Finance: Chairman R. Silvester, Coaching: Chairman R. Silvester, Development & Promotion: Chairman R. Fox, National Championships: Chairman R. Fox, Rules: Chairman R. Smith, National Shooting: R. Smith are actively involved with specific roles, there will now be a greater opportunity for the National Executive to be able to make better, wiser and more rapid decisions, on matters affecting all of our members within our sport.

Our National Executive at present is possibly one of the youngest experience wise we have had for many years, with only three of the fifteen members being in office for more than five years. This situation ultimately gives scope to many new ideas and a surplus of enthusiasm. These two attributes are particularly necessary to help guide the ACTA through these harrowingly economic times. Their enthusiastic input, through their respective sub-committees will bring new and improved promotional activity to our sport, in particular more harmony within our clubs, through to all of you, our members. We are endeavouring to streamline the decision making process of our National Executive.

On behalf of all our members and especially the National Executive, I take this opportunity to sincerely thank our immediate Past President Mr Jim Scott for his long and dedicated role as a member of the National Executive. His two years as Vice President and most importantly the three years as our National President, enabled Jim to carve a permanent and important niche in the ACTA. This achievement was recognised with an ACTA Life Membership being awarded to him. Congratulations Jim, and we hope to see both Jim and Joan Scott at many more National Championships to come.

During this year of changes within our National Executive again I would like to extend sincere gratitude on behalf of our members and the National Executive, to John McVitty (Vic), Mr Pud Burgess (NSW) and Stuart Browning (Tas) for their service to the ACTA. Similarly, I welcome their replacements to the Executive in Mr Graham Mahoney (Vic), Mr Bill Jones (NSW), Mr Alan Kenny (Tas) and my substitute delegate Dennis Lymn (SA).

Financially, the ACTA had a steady but pleasing year. The tough economic climate has shown the Management Committee in particular to be fully aware of the situation and make decisions appropriate to the cause. The Management Committee (Ross Silvester, Bob Fox and Robbie Smith) are to be commended for the responsible attitude and decisions which they either made or commended to the full Executive. It is the positive outlook and careful planning by these men in particular, that has guided the ACTA to a good solid financial result for this year.

Our Executive Director, Alan Maher, is to be recommended for his professional approach to his position, but more importantly, the dedicated manner in which he implements the decisions of our National Executive.

There is however a point which needs to be clarified regarding ACTA operations — whenever a decision is implemented through our head office, and it causes discontent with any of our members, those people immediately lay the blame on Alan Maher, and he is personally criticised for such a decision, whatever it may be. This attitude is most unfair and undignified. Alan Maher is doing his job, he is not responsible for the decisions of our Management Committee, or our National Executive. Any criticism of the decisions of our

National Executive should be channelled through the appropriate system and certainly not on a personal level at our National Director.

The position of Director of Coaching has changed. Following Mr Guy Boileau's departure during the year, Mr Murray Alexander (WA) has been appointed to this position. Murray, as those of you who know him, is very enthusiastic and has much to offer through his background as a previous WA State Coaching Director. This position is a part-time one and is based on the administration of new and revised coaching techniques and procedures to assist State Coaching Directors for their implementation within their respective states.

The shooting scene at National level again has travelled across our nation. The DTL Nats in Perth was successful and very well attended by most states. Congratulations to the new National Champions, it is interesting to see some new faces on the winners dais.

Across to Wagga for the Skeet Nats, which was also a very successful carnival, with good attendance of competitors in the events. Congratulations to the National Champion Scott Wright and also to the three man team to the USA — Scott Wright, Evan Stephenson and Paul Johnston, three young and very talented shooters, who also made their presence felt in the American Championships. That is a great promotion for skeet shooting.

Adelaide (SA) hosted the Oceania Championships in conjunction with the ISU Nationals which were very well attended, both in skeet and trap. Congratulations to Ian Hale (skeet) and Russell Mark (trench) in winning both the Commonwealth and National ISU Titles in their respective disciplines.

The highlight of this years calendar was the World Shotgun Championships which was held in Perth at Whiteman Park. The Organising Committee under the leadership of ACTA Past President Mr Roy Holtfreter must be congratulated on the presentation of a magnificent spectacle in every aspect of the competition, from the Opening Ceremony to the Closing Ceremony.

The UIT Vice President Mr Horst Schreiber was delighted with the large number of competitors, possibly equal to any other World Shotgun Championship, and also the ceremonies involved which were equal to or better than any others. Very strong words of encouragement indeed!

Very special congratulations for a magnificent achievement for Michael Diamond's silver medal at these World Shotgun Championships, a wonderful promotion for our sport.

Congratulations to our Olympic representatives: Trap - Michael Diamond, Russell Mark; Skeet — John Summers, and on behalf of all of you, we wish them every success, a strong and friendly competition, and above all pride in representing Australia at the Barcelona Olympics in 1992.

The National Shooting Ground proposal is currently in hand, with submissions in hand from NSW (Wagga area and Deniliquin area) and SA (Virginia area). The very important issues to be addressed in this instance are: Location — shooting area with no noise/pollution problems, central to the mainstream shooters, easy access by road and air, accommodation availability, interests for non shooting family members; Cost — overall costs from stage one onwards must be within the ACTA ability to be serviced, regarding long term loans. Our National Executive and the Promotions Sub Committee will be very cautious and resolute in making their recommendations on this matter. However, your comments and relevant criticism on these proposals at the ACTA AGM (Wagga) would be appreciated.

Special thanks to our head office staff, Leanne, Gloria and Megan who all work well together and certainly help Alan Maher to make the office operate as efficiently as it does.

Finally sincere thanks to Alan Maher for being so responsive and so helpful in our work together. To all members of the National Executive in making my position a little easier, by their performance within their respective sub-committees, and especially Management Committee for their strong, reliable and friendly support.

Try to help your fellow shooter, if you are able

Try to help your club, if you are able

Try to promote our sport, whenever you are able

Enjoy our sport of Clay Target Shooting, whenever and wherever you are able.

Leighton Martin
President ACTA

ANNUAL REPORT 1991

It is my pleasure to be able to present to members the Balance Sheet and Annual Report of the Association for the year ending 31st December 1991. In presenting the report, the traditional format has been adhered to.

EXECUTIVE COMMITTEE

As required by the Association's Statement of Rules and Purposes, the National Executive Committee is comprised of two persons, appointed by their respective State Association for a period of two years, with the Executive Committee then electing from their number Mr Jim Scott from NSW to the position of National President, with Mr John McVitty from Victoria elected as National Vice President. During the year, Mr Scott tendered his resignation from all positions in the Association — an action which required an election to fill the important position of National President. Prior to the election taking place, advice was received of the resignation of Vice President, Mr McVitty, from the National Executive Committee.

Elections were held to fill the vacant positions, with Mr Leighton Martin from (SA) elected as National President and Mr Ross Silvester (WA) elected to the position of National Vice President, with advice subsequently received of the appointment of Mr Denis Lynn to the Executive as the replacement member for the National President representing South Australia, and Mr Graham Mahoney appointed by Victoria to replace Mr McVitty following his resignation. During the year a constitutional matter arose which prevented Mr Graeme Michell of SA and Mr Graham Mahoney of Victoria occupying positions on the National Executive Committee. With the matter unresolved, the Executive Committee were operating less than two members, which did not allow the Committee to operate as efficiently as would be desired. In addition, Mr Stuart Browning, Tasmania, first appointed to the Executive in 1985, announced his intention not to seek a further term on the Executive Committee, and was replaced at National level by TCTA President, Mr Alan Kenny, with Mr Bill Jones appointed by NSW to the position vacated by Mr Scott.

While the unfortunate disruptions to the composition of the Executive Committee certainly had their effect on the progress of the Association during the year of review, members of the Executive are anxious to regain lost ground and during the coming year will continue to achieve this objective.

Appreciation is extended on behalf of all members and shooters to those members who have vacated their positions as members of the Executive Committee, having worked over the years in an endeavour to assist the Association and Clay Target Shooting in general.

MANAGEMENT COMMITTEE

Owing to the resignation of Mr Scott and Mr McVitty, Mr Leighton Martin (SA) and Mr Robert Smith (NSW) were elected to the Committee, Leighton in his capacity as National President and Robert elected by the Executive — both of whom joined Ross Silvester (WA) and Bob Fox (NT) on this important Committee.

Sub-Committees were elected under the Chairmanship of three members of Management: Ross Silvester — National Coaching Council/Finance; Bob Fox — National Championships/Promotion Development; Robert Smith — National Shooting/Rules. The difficulties experienced on the Executive Committee had their effect on Management, and indeed all Sub-Committees, with the result that activity at Sub-Committee level was greatly reduced and the organisational structure under which the Association operates unable to operate to its greatest capacity.

NATIONAL COACHING COUNCIL

The departure of the Director of Coaching in May had an effect on the production of coaching materials and publications which had been scheduled to be introduced in the second half of the year. It is regrettable to all that the National Coaching Council, which is made up of seven State appointed Coaching Directors under the guidance of a National Director of Coaching, is not enjoying the position in the sport that it justly deserves.

Steps have been taken to correct this situation with the appointment of Mr Murray Alexander to the position of National Director of Coaching, effected at the 1st January, 1992. Murray has outlined his priorities to the role he will occupy in a part time capacity and left no doubts as to his ability to have the National Coaching Council reinstated to its rightful position. As a former WA State Director of

Coaching, Murray is well credentialled in the coaching area, and an accredited Level 3 Coach. Difficulties will be experienced in the short and long term, however it is of the utmost importance to the future of the Coaching Council that Murray is given the opportunity to reinstate the Coaching Program to initially its former level from where growth can once again be obtained.

AUSTRALIAN SHOOTING ASSOCIATION

During the year the Australian Shooting Association conducted meetings on matters relating to the welfare of all Shooting Disciplines. Shotgun delegates, Robert Smith and Alan Maher, represented the ACTA on issues which mainly involved shooting on the international scene. The President, Mr Alastair MacPherson, and members of the ASA Management Committee attended the World Trap/Skeet Championships, which while ostensibly an ACTA competition, were the responsibility of the ASA. When addressing those present at the Championships, Mr MacPherson was warm in his praise of the Association and members of the World Championships Organising Committee, whose efforts on behalf of Australia were outstanding.

During the course of the Championships, UIT Secretary General — Mr Horst Schreiber, expressed the appreciation of the UIT for the manner in which Australia had conducted the World Championships — a fact which would not be overlooked if Australia should make application to the UIT on future occasions to host a major international competition.

AUSTRALIAN OLYMPIC COMMITTEE

With the acceptance by the AOC of the selection system for shooters from all Disciplines, activity at AOC level was in the main, confined to obtaining funds to further develop Australian shooters in their progress towards the Barcelona Olympic Games in 1992. With points able to be obtained as the result of performances achieved at designated World Cups/World Championships, a total of seven shooters were named in the Australian Shooting Team. Shotgun, while having two quotas for both Trap and Skeet, were not able to take up their second Skeet quota as the first level of qualifying conditions had not been met. Trap shooter, Russell Mark, and Skeet shooter, John Summers, although winning World Cups in Los Angeles and Egypt, were not able to accept the country quotas which went with their excellent wins as both had previously secured quotas for Australia during the course of the Oceania Shooting Championships. The seven person Olympic Team named in December were: **Olympic Trap:** Russel Mark (Vic), Michael Diamond (NSW); **Olympic Skeet:** John Summers (Vic); **Rapid Pistol:** Pat Murray (SA); **Free Air Pistol:** Bengt Sandstrom (WA); **Ladies Sport/Air:** Lynne-Marie Freh (Qld); **Air & Free Pistol:** Phillip Adams (NSW). We wish them well in their endeavours to obtain country and personal achievements at the 1992 Olympic Games in Barcelona.

AUSTRALIAN SPORTS COMMISSION

Shooting continues to receive excellent support from the Australian Sports Commission, whose contribution to the success of the Perth World Championships, while not measured in the financial sense alone, amounted to \$75,000. The opportunities afforded to athletes from all Disciplines must not be underestimated, for without this form of support, sport in Australia would not enjoy the level of success that currently exists.

Relationships with Commission remain at a high level, and for this we thank the Officers of the Commission whose dedication to the success of the programs they administer ensures the continual development of sport at all levels.

STATE ASSOCIATIONS

The role of the State Associations in a national organisation is an important one and necessary to the development of the sport from and at State level. We are indeed fortunate that State Associations are well administered and responsive to the responsibilities they have to the sport within their respective States.

The support received from all State Secretaries was, as always, of a high standard and should not go unrecognised.

TAS Mrs Molly Bryan
NT Mr Phil Grove
NSW Mrs Libby Bunting
VIC Mr Arch Mackinnon

QLD Mrs Bev Grice
SA Mr Terry Kenyon
WA Mrs Alison Harding

UIT WORLD CHAMPIONSHIPS TRAP & SKEET

For the first occasion since 1973, Australia were hosts to the UIT World Shotgun Championships, which were conducted in Western Australia at the Whiteman Park Shooting Complex.

The Championships were allocated to the Australian Shooting Association, who in turn passed on the responsibility for the success of the competition to the ACTA. An Organising Committee was formed in Western Australia under the Chairmanship of past ACTA President, Mr Roy Holtfreter.

It is now history that the Championships were an outstanding success, with glowing praise received from international visitors and UIT officials on the staging of the event and the magnificent grounds upon which the competition was held.

Many people were involved over a three year period to ensure the success of the Championships, and all are to be commended for their efforts. None more so than Mr Terry Mahoney, who worked tirelessly throughout all stages of planning and preparation. Terry's efforts went far beyond what could reasonably be expected, a fact which must be recognised.

Tremendous support was received from Mr Reg Wagland — Manager of the Whiteman Park Complex and Mrs Alison Harding — WACTA State Secretary, who along with Terry were the mainstays of planning and preparation, each of whom we thank for their efforts.

Roy Holtfreter in his capacity as Chairman of the Organising Committee was well served by all who gave their time and ability to the success of the competition, while many should be named the fact of the matter is that too many were involved — the sport however knows who these people are and appreciates their support.

UIT Officials, Mr Horst Schreiber — Secretary General, Gary Anderson — UIT Vice President and Technical Delegate, were in attendance as was the entire UIT Shotgun Committee — all of whom left Australia with fond memories of what they described as one of the better UIT Championships they had witnessed.

Responsibility for the conduct of the competition was given to Peter Quire, who along with Tim Catling ensured that shooting took place in a most efficient manner, with little to no intrusion on competitors, again two outstanding efforts on behalf of the sport.

The highlight of the entire competition was the performance of Michael Diamond (NSW), who in winning the Silver Medal in Olympic Trap stamped himself as an international competitor with the ability to become World Champion in future years.

Australia, being the host country, fielded teams in all events; Individual, Womens and Juniors — all of whom carried the responsibility of representing their country with dignity and pride.

WORLD CUP

In what was without doubt the best ever result for Australia in ISU Competition, Victorian's Russell Mark and John Summers both won World Cup competitions, defeating the best shooters in the world.

Russell with his win at the Los Angeles World Cup was the first to break ground, to be followed shortly afterwards by John Summers whose World Cup was won under trying conditions in Egypt. The exposure to the best competition available has produced results possibly greater than what was envisaged and augers well for Australia's future in ISU shooting.

Russell and John are to be congratulated for their efforts and also their participation in the World Cup Final in Munich, competing against other World Cup winners in 1991, with Russell achieving a

1991 World ranking of 2 in Olympic Trap, and John 7 in Skeet. As a result of their performances throughout the year and their selection as members of the 1992 Olympic Shooting Team, they will be competing in Barcelona along with Michael Diamond at a pre-Olympic competition funded by the Australian Olympic Committee.

WORLD SKEET USA

A Skeet Team was selected from the Wagga Skeet Nationals to participate in the World Skeet Championships at San Antonio, Texas, USA. It was the first occasion for each member to shoot as a representative of Australia and to their credit as ambassadors and their skill as competitors.

The decision to contest the World Skeet Championships was vindicated. The three man team of Paul Johnston (Vic), Evan Stephenson (SA) and Scott Wright (NSW) were assisted in the US by the President of the NZCTA, Mr Graeme Webber, whose knowledge of the American scene and overall assistance enabled the team to quickly settle into the competition. The team was financially assisted by the Australian Sports Commission, who hopefully will be able to provide assistance for future teams to shoot against the best the world can offer.

OCEANIA CHAMPIONSHIPS

The Oceania Shooting Federation conducted the Oceania Championships in Adelaide during the early part of 1991. The Australian Clay Target Association were able to successfully merge the Oceania Competition with the Olympic Discipline National Championships, which added to the overall success of the Oceania Championships.

Australia was successful in winning the four available quota places for the 1992 Olympic Games, with Russell Mark and Michael Diamond successful in the Olympic Trap event and John Summers and David Cunningham successful in the Skeet Competition.

INTERNATIONAL COMPETITION

The 1991 year of competition for the Mackintosh Trophy saw Australia finish in third place in all three divisions of competition.

Congratulations must go to the Canadians who won the Open and Junior sections, and finished runner up in the Ladies section.

	OPEN	7500	LADIES	1500	JUNIORS	1500
1	Canada	7371	N/Zeland	1423	Canada	1428
2	N/Zeland	7268	Canada	1386	N/Zeland	1412
3	Australia	7234	Australia	1374	Australia	1385

Australian scores were recorded at the Perth Nationals where conditions were reasonably good at the commencement of competition, then rain that had been threatening broke through and made things difficult for the team who were anxious to do well.

High Guns:

Open	Murray Alexander WA	297/300
Ladies	Lyn Gray Vic	290/300
Junior	Glen Hayden Vic	285/300

CHALLENGE TROPHY

First introduced in 1991 with Australia and New Zealand the inaugural participants for the Great Britain and Ireland Challenge Trophy and Australia successful in each event.

Open	Australia	492/500	New Zealand	477/500
Women	Australia	223/250	New Zealand	209/250
Junior	Australia	236/250	New Zealand	223/250
High Gun: P. Ryland (Open) 50/50; M. Rooke (Women) 46/50; D. Short (Jnr) 50/50.				

Confirmation has been received that England, Ireland, Scotland and Wales will shoot the Challenge Trophy in 1992.

NATIONAL CHAMPIONSHIPS

OLYMPIC DISCIPLINE

International Gun Club forming part of the State Shooting Park at Virginia, South Australia was the venue for the 1991 National Olympic Discipline titles which were shot in conjunction with the Oceania Shooting Championships.

The Commonwealth and National Titles consisted of 200 targets with each event held over three days of shooting with day seven

providing the opportunity for shooters to contest the National Double Trap Championships.

National Champions

ISU Skeet	Ian Hale Vic	467/486

National Training Squads

Olympic Trap: R. Mark Vic; M. Diamond NSW; J. Maxwell NSW; R. Thompson NSW; G. Newey Qld; T. Rowe Vic; B. Dunstan Vic; G. Kable NSW; M. Howden Vic; J. Gliopidis Vic.
ISU Skeet: I. Hale Vic; J. Summers Vic; C. Meuleman Vic; D. Cunningham Vic; B. Thomson Vic; A. Crikis Vic; M. Inguanti Vic; P. Avison Vic; J. Wilberforce NSW; R. Dower SA.

TRAP

With the Trap Nationals being held at Whiteman Park on the first occasion since its completion in 1985, a great amount of interest was shown in the outstanding facilities available to those in the West.

Western Australia shooters turned out in large numbers to support and contest the home state Nationals. Victorians travelled across the country and travelled home after much success at the Nationals, especially those from the Echuca Gun Club where three of their club members took out National Championship Titles.

National Champions

Handicap 16m	Lorry Paterson WA	51/52
Double Barrel	Robert Christopher Vic	182/182
Ladies DB	Zelda McClure NZ	98/100
Junior DB	Tim Hayward Vic	98/100
Single Barrel	Ron Smith SA	50/50
Ladies SB	Zelda McClure NZ	48/51
Aust/NZ Trap	Ray McKenzie Vic	150/150
Champ/Champions	Jon Whittakers Vic	122/125
Double Rise	Steve Atkins Vic	46/50

SKEET

The ground at the Wagga Gun Club had been well prepared in readiness for the 1991 Skeet Nationals and was a great credit to the club's hard working members. We thank them and the New South Wales Clay Target Association for their assistance in staging these National Championships.

Shooters were keen to shoot the 400 targets well, as selection for a three member team to compete at San Antonio, Texas to contest the NSSA World Skeet Championships was to be decided.

National Champions

Doubles	Evan Stephenson SA	96/100
Skeet	Scott Wright NSW	100/100
High Gun	David Cunningham Vic	392/400

LIFE MEMBERSHIP

Life Membership was awarded to Mr J.K. Scott of Yuulong, Dubbo, NSW, in recognition of his contribution to the development of the sport. Mr Scott was appointed to the National Executive Committee in 1981, serving as a member of the Executive before being elected to the position on the Management Committee, from where his efforts were recognised with his election as National Vice President and subsequent election to the position of National President, a position he filled with distinction from 1988 to 1991.

PRESIDENTIAL MEDAL

The Association's most prestigious award, the Presidential Medal, was awarded to past President Mr Ernie Hawkins, at a presentation made by past President Mr Jim Scott at the Cobar Gun Club. Mr Hawkins joins a prestigious group of people who have had this honour bestowed upon them for their efforts on behalf of clay target shooting.

SPONSORS

The support received from the Winchester Division of Olin Australia by way of sponsorship to the three National Championships is enjoyed by all who shoot clay targets. Along with Scorpio Cartridges and Olympic Targets, Winchester have over many years been great sponsors of this Association. To the many and varied supporters of clay target shooting at both National, State and Club level we can only express our sincere appreciation for their support that has been given so generously, not only in 1991, and trust that

the support received is returned by those who benefit from the support that is so readily given by our sponsors.

CLAY TARGET SHOOTING NEWS

Difficulties experienced with the computerised Desk Top Publishing system delayed the introduction of DTP during the year. The decision to introduce DTP did not fully take into account the intricacies of what is now known to be a specialist operation, requiring a specialist operator. A problem did occur late in the year when the posting procedure was changed to allow for the CTSN to be plastic wrapped and not as previously wrapped and wroled. This alteration, while recognised as being an improvement, caused delays in the receipt of the CTSN despite the office never failing to meet its printing deadlines. Moves have been made to overcome the problem that arose, however, it should be understood that once the CTSN reaches the postal service by the due date all control in relation to delivery has been lost.

Posted monthly to full members at a nett cost of \$0.17¢ per issue, which includes postal charges, the CTSN represents excellent value as a means of communication to members and promotion of club shooting programs. The section containing Shoot Reports, while a costly experience, continues to provide scores which are read with interest by dedicated shooters.

We are fortunate to be able to receive continued good and valued support from our commercial advertisers, as well as many clubs who use the CTSN to promote their activities.

NATIONAL OFFICE

Changes to the office personnel early in the year produced minor difficulties which were soon overcome thanks to the support and efficiency of Gloria Kirkpatrick and Megan Smith who replaced Antoinette and Tina.

While the National Office does not receive a stream of visitors, those who do call in from time to time will support the efficiency of the office, whose inhabitants are far too often taken for granted. The fact that this occurs is in itself not out of the ordinary, however the fact remains that the office staff of the Association, are willing and often overworked persons who do not, as some may believe, live the life of Riley.

Leanne Day continues to serve the Association well in her duties which are most months hampered by the lateness of material for the Clay Target Shooting News. Those that are continually late, do in many instances expect miracles to be performed, and to Lea's credit this sometimes appears to occur.

Gloria Kirkpatrick who replaced Antoinette, now the mother of Anthony, quickly adapted to her role with the office and is a very willing and efficient person to work with. Megan Smith, unfortunately for us, left the Association in December to further her accounting studies. Megan had stamped her efficiency onto her particular area of expertise and will be missed.

SUMMARY

The year in review has been a year of promise and a year of difficulty. The promise was clearly rewarded with the success of the international ISU shooters on the World scene and the selection of three to the 1992 Australian Olympic Shooting team, as well as the outstanding success of the World Trap and Skeet Championships. In addition, to have a Skeet team contest the World Skeet Championships for the first occasion in many years can only add to the future of this Discipline in Australia.

The difficulties unfortunately are many and varied, ranging from the personal difficulties that many members must have suffered under the trying economic climate that did and still prevails. This of course finds its way to all levels of the sport. Clubs in the first instance are generally the earliest to experience problems that are in the main financial so far as attendances are concerned. Many clubs have advised of a downturn in numbers, which hopefully will be reversed in the coming year.

Administration wise, the ACTA year of 1991 was a difficult one with the resignation of the National President and Vice President, plus the Constitutional problem which arose and is as yet unsolved. The election of firstly a new National President and then Vice President took time, followed by the time to elect a new member to the Management Committee. While all difficulties have not been resolved, the coming year should allow for the Sub-Committees to attend to their designated responsibilities which in turn will assist with ongoing development.

Continued from page 15

In closing I would like to thank resigned President, Jim Scott, for his efforts and support during his three years as National President and congratulate him on being awarded Life Membership of the Association. In addition, the support given by members of the National Management Committee to myself and the office staff is appreciated. Vice President — Ross Silvester (WA), Bob Fox (NT) and Robert Smith (NSW) all have the very best interests of the sport at heart and are to be commended for their efforts on behalf of all shooters.

Alan J. Maher

AUDITOR'S REPORT TO THE MEMBERS

I have audited the accounts in accordance with Australian Auditing Standards. In my opinion:

- (a) the accompanying accounts of the Australian Clay Target Association, being the statement of assets and liabilities, statement of income and expenditure, notes to the accounts in accordance with the provision of the Companies (Victoria) Code, are drawn up so as to give a true and fair view of:
 - (i) the state of affairs of the Association as at 31st December 1991 and of the results of the Association for the year ended on that date; and
 - (ii) the other matters required by Division 4 of part 3.6 of the law to be dealt with in the accounts;
- (b) the accounting records and other records and the registers required by that Code to be kept by the Association have been properly kept in accordance with the provisions of that Code.

Dated this 10th day of March, 1992.

**B.M. Boehm
C.P.A.**

STATEMENT BY EXECUTIVE COMMITTEE

In the opinion of the Executive Committee:

The accompanying Statement of Income and Expenditure is drawn up so as to give a true and fair view of the results of the Association for the year ended 31st December 1991.

The accompanying Statement of Assets and Liabilities is drawn up so as to give a true and fair view of the state of affairs of the Association as at 31st December 1991.

At the date of this statement there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

The accompanying accounts of the Association have been made out in accordance with applicable approved accounting standards.

For and on behalf of the Executive Committee by authority of a resolution of the Councillors made on the 13th day of March, 1992.

**L.M. Martin, President
R.H. Silvester, Vice President**

FITTING THE GUN STOCK OPTICALLY

The following article is printed in the interest of the ongoing search for knowledge into all aspects of Clay Target Shooting.

The Coaching Council recognises there are many and varied factors, involved in "Gun Fit", and the art of breaking Clay Targets.

This article therefore falls within the parameters of our coaching system, as an expression of the writers personal opinion, based on his experiences and search for knowledge.

Mr Ray Mack of South Australia and Mr Bud Decot of the USA have put pen to paper with this, their opinion on one aspect of Gun Fit.

**Murray Alexander,
National Director of Coaching**

After a long discussion with Bud Decot, a legend in his own country the United States of America, in the field of taking care of the eye needs of sportsmen and women, particularly trap and skeet shooters. I locked into a statement that Bud made in that "had a good stock maker set up alongside of me when I started serving the needs of trap shooters some forty years ago, he would have built up a million dollar business right along with me".

Bud has long contended that a shooter's gun stock needs to suit him optically and, whilst most gun stocks come close to fitting the

physique of the average shooter most fall short of properly fitting the eye measurements needed for a properly fitted stock.

All the good shots put the gun to their face and it is perfectly aligned and not their face to the gun.

In Bud's opinion, it is not poor eyesight or inferior eyesight that keeps most shooters out of the winning circle. It's true that good eyesight is one of the most important assets in sports, however with corrected vision most shooters have an equal chance to be on target. Any shooter who has to turn their head "into" the gun stock is going to be seeing out of their eyes on an angle.

The eyes must work together for perfect results. If the head is turned into the gun stock to force the eyes over the barrel and sight we create an imperfect perception. We may think we see perfectly but the objects are displaced and judgement of depth perception is off. When we turn our heads and look out of our eyes on an angle we can split our vision and see double which means both eyes are functioning individually.

You can test this by looking at a small object in the distance then slowly turn your head at the same time keeping your focus on the object. As soon as you turn your head too much you will see the object double which means that both eyes are seeing the object individually not as a team. If you turn your head even more you will find that the object gets even dimmer and may even disappear entirely. So what this means is obvious, to see the best we possibly can, we should be looking straight ahead and our heads should not be tilted.

In the back of the eye we have the retina, the screen of the eye. As most shooters will know, light comes into the eye, strikes the retina and is transmitted into brain waves. There is only one small spot on the retina where we focus properly. This is why it is so important to be facing straight ahead for most of life's activities, not only shooting.

Every shooter should be more aware of his personal eye measurements before he buys a gun. For instance you should know your pupillary distance (PD) this is the distance centre to centre between the pupils. Also check your cheekbone measurement — the outside measurements of the skull from jawbone hinge to jawbone hinge — right where you put the stock on your cheek. The difference between these two measurements could tell you how much "offset" you need on your stock or if a thin stock would suit you better. By and large most average gun stocks on the market today are too thick for the average shooter.

If you want to check to see if your gun suits you optically, here is a simple test. Ideally have someone to help you or perform this in front of a mirror. Naturally check and double check to make certain the gun is unloaded. Close your eyes and then mount the gun firmly in your normal shooting stance. Now open your eyes to see if they are straight over the gun sights, your observer can help and perhaps offer a non biased opinion, have your helper also check to see that you are not canting, (mounting the gun on an angle) remember you want to be looking straight ahead with the gun in an upright position.

With regard to the comb height there are many aspects to consider, however, Bud's thoughts were that it was better for the sighting eye to be "over the sight" rather than behind the sight. So at least a figure eight with the heads on top of one another or even a little more gives the shooting eye more vision.

Now consider these points — Are you one, or do you know any shooter who runs hot and cold? Shoot 100+ one day and miss 4 targets the next day or worse in the very next event?

A lot of shooters with an imperfectly fitted gun can shoot some good scores but cannot always stay in the winners circle. They have made adjustments to the stock's error and shoot pretty good scores but cannot do it consistently. For example in shooting the 100 straight they may have tucked the gun in closer to the cheek putting their eyes properly over the gun, without turning it. In the afternoon maybe they did not cheek the gun quite as close due to recoil or whatever other reason so their scores fell away. The weather did not change, the targets did not change, they simply were not holding the gun to adjust for the stock's error as they were in the morning.

So have a think about your gun mount and your eyes alignment down the rib and be prepared to seek some help from a competent stockmaker.

I invite any shooter with an optical or stock problem to write or contact me and particularly recommend the book "Insight to Sports", it just may give you the edge you have been looking for.

**Ray Mack
Bud Decot**

MARYBOROUGH TID BITS, QLD

Would you like the company of Maryborough shooters to go to Norfolk Island 7th-13th February, 1993? To help you to go with us we invite you to take a ticket in our Norfolk Island raffle which includes return airfares Brisbane-Norfolk Island, twin share accommodation and three island tours for two . . . value \$2000. Cost of each ticket \$25 and will be drawn at our one day shoot, September 27. So post for your tickets to MCTC, PO Box 590, Maryborough, Queensland 4650.

23.2.92: This being our usual shooting day, but flood waters stopped us from getting to the grounds.

1 & 2.2.92: Arriving at Kingaroy three hours early, we dropped in to veteran shooter Sel Horn for a cuppa and a talk about the old days. Thanks Elvin and Sel for smoko, hoped you received a QCTB from Bev.

The best way of describing this shoot was the high calibre of shooters that attended. Apart from a host of possibles, some great breaks belonged to P. Clarkson 108 and 107, W. Chain 106, G. Redmond 107 and 72, A. Ebbem 94 and D. Smith 93.

At the end of the day Neil Berry took AA HG, A. Ebbem A HG, L. Christie B HG and L. Moore C HG. Thanks Kingaroy for a good shoot.

2.2.92: Bundaberg where the main event of the day was a 25 Target DB PS Championship, with a perfect score OA and A Rob Rehbein, two points less K. Rehbein B grade and another two point down was T. Millman C. Grade.

Winners of the DD K. Rehbein and R. Hamill with a possible and S. Plath and R. Rehbein runners up.

On the day, A grade Rob Rehbein, FM HG Rob Read.

Glad to hear Spencer Plath is back shooting, hope you are tip top Spencer.

16.2.92 Terranora Lakes: Enjoyed dropping in at Terranora for a cold one and a chat with some of their shooters after practice and holding up their meeting for a while . . . some bad new though; they

had to close two traps because of shooting over the neighbouring land . . . the good news, they were able to turn the third trap to shoot over their own land. After turning the trap house they had to put in two extra lanes 1 & 2, it would be the only layout with seven lanes. Would they tell you if you ventured onto lanes 6 and 7? The area they lost with the two traps will be turned into small bore and pistol and another lane further up. Best of luck fellas, nice to see you again.

Don't forget Bundaberg shoots one week later in May, this being the 10th.

Good shooting to all, 'til next time, see you at the shoots.

GOOD LUCK TO ALL COMPETITORS!

SCORPIO TRAP LOADS THE WORLD'S NUMBER 1 CARTRIDGE?

After the success of the World Trap and Skeet Championships it came as no surprise to find many overseas cartridge manufacturers inquiring of Sergio Zuffo as to what he is doing right. It is widely accepted that SCORPIO cartridges have had their "ups and downs" over the years but one fact is certain, the range of SCORPIO cartridges which are currently being loaded are the BEST which he has ever assembled! Zuffo has sourced product from world-wide manufacturers and completed extensive testing of these through the "state of the art" BSN Pressure and Velocity testing equipment he has installed, to ensure the consistency of his loads and maintain the quality control demanded of commercial manufacture. In fact the equipment he has installed is, without question, the "best" in Australia, and possibly the world! This is quite a "tall" statement to make, but after spending two days at Zuffo's testing range in NSW and later speaking to the aerospace technicians from BSN, Italy, (whilst attending the 1992 SHOT Show in America), I feel quite comfortable in making such a statement. As I have also seen the testing equipment utilised by other larger manufacturers in Australia I certainly know what I am comparing Zuffo's equipment to.

My trip to Sydney to view the SCORPIO testing equipment was indeed an "eye opener". I must admit that, so far as SCORPIO cartridges were concerned I was a "fringe dweller", not really knowing what was going on, what was loaded or what Zuffo would come up with next! The events of the 1991 World Championships won me outright, especially the trap final. The 28 gram loads shot by the Australian finalist and silver medalist, Michael Diamond performed extraordinarily during the shoot-off and whilst Marco Venturini shot much faster than Diamond (at least three to four metres quicker), the manner in which Diamond turned every target inside out was not only a credit to his skill and the custom-made Beretta SO4 he used, but also a tribute to the cartridges which he chose — SCORPIO OLYMPIA SPECIAL. These were developed especially by SCORPIO cartridges for Diamond, and whilst Sergio Zuffo can take credit as the manufacturer there is also a "man behind the man" which many would not be aware of. This man, Eric, has spent thousands of hours testing and developing cartridges and although he has no formal training, such as a university degree or similar, he has an obsession with shotgun ballistics — an interest which has mused him for nearly 20 years. Fortunately for Eric he has also shared the confidence of an East German Ballistician who discussed his intimate knowledge and imparted 30 years experience as a ballistician in an East German ammunition plant. What Eric lacked in formal qualifications he more than made up with practical experience, experience of the kind which cannot be read from books or learnt from papers. Coupled with the \$67,000 computerised testing equipment installed by Zuffo at Eric's own registered testing range, he continues to build on his knowledge through experience and further testing. Zuffo's present trap loads are testament to Eric's ability.

For those with a desire for knowledge in the area of shotgun ballistics Eric's testing range is a statement of his commitment to developing product of excellent quality. The software used to run the ballistic's program itself is \$4,500 and there are 4 programs. The BSN test gun is the very latest fitted with a Universal receiver and capable of accepting either a rifle, pistol or shotgun barrel. The transducers can be attached in several configurations, depending on what information you desire. The configuration which Eric adopts includes barrel time, peak pressure, muzzle velocity and the velocity at 20 yards, (observed velocity). The computer used to calculate and compile the various data also prints out a pressure curve showing; primer burning time, wad collapse time, the progressive development of pressure throughout the projectile's time in the barrel and barrel time. Horizontal and vertical axis are scaled and correspond with the pressure and time data provided by the printout. Barometric pressure, temperature and humidity are also entered into the template for each individual firing, or groups of firing. The whole set-up is amazing!

Being in possession of "state-of-the-art" testing equipment is only a part of the success SCORPIO cartridges are now enjoying. Without Eric's depth of knowledge and Zuffo's preparedness to source the

world for quality components the success of SCORPIO cartridges might only be mediocre, or at the very most slowly progressing. Their determination and application has paid off. The time which I spent with Eric was invaluable — he is, in my opinion, brilliant! His understanding of the internal ballistics of shotshells and his practical experience are well beyond most and may never really be appreciated by others. The fact that he is now putting together SCORPIO shotshells and maintaining stringent quality control tests is as much as ANY manufacturer could ever expect. Eric's interest in ballistics and willingness to offer his knowledge along with a "free-hand" from Zuffo to test others' products and develop new loads can only contribute to the further establishment of SCORPIO product. The trap loads which are currently available, speak for themselves, as do the successes those loads have achieved over the past 18 months. SCORPIO cartridges can also be credited with keeping the prices of cartridges down, for present day case lots have NEVER been more affordable.

Although Zuffo has been busily searching for his ultimate loads over the years I feel his search is over. The Italian BPD propellant, although comparatively expensive with English, French, Spanish and Australian propellants, seems to be serving the purpose and achieving the desired results. Continued research and development of loads will ensure that SCORPIO product is improved upon, and for those who enjoy a round at simulated field shooting or field shooting, don't be surprised to see a consequent improvement in field ammunition as well, and for a very affordable price. Zuffo is certainly being extended with his present shotshell production as referral and the success of his product spreads. As an Australian ammunition manufacturer I can only wish him well for he certainly seems to be doing everything right, especially if he continues his association with Eric. So long as SCORPIO prices remain stable and their successes continue, I predict many more shooters will be opting for SCORPIO product. Whether Zuffo can keep up to the demand though, will remain to be seen. Good luck and safe shooting — John McDougall.

The following is a listing of SCORPIO product currently available:

TRAP	SHOT SIZE	SHOT WEIGHT	CASE TYPE	VELOCITY
150 Nickel	7½, 9	28 gram	SNIA (parallel)	1,330
150 Lead	7½, 9	28 gram	ACTIV	1,330

Trap 150 is loaded with BPD GM3 single based powder from Italy.

100 Lead	7½, 9	28 gram	ACTIV	1,300
100 Lead	7½, 9	28 gram	SNIA	1,300

Trap 100 is loaded with BPD GM3 single based powder from Italy.

Olympia Special Nickel	7½, 9	28 gram	SNIA	1,330
------------------------	-------	---------	------	-------

Olympia Special is loaded with BPD 205 Special single based powder from Italy.

300 Lead	7, 9	32 gram	ACTIV	1,280
200 Lead	7, 9	32 gram	ACTIV	1,260
100 Lead	7, 9	32 gram	ACTIV	1,230
75 Lead	7, 9	32 gram	ACTIV	1,155

32 gram Trap loads are loaded with BPD GM3 single based powder from Italy.

EDITORS MAILBOX TASMANIAN TRAVEL PACKAGE

I have recently had promising discussions with the TT Line, concerning travel packages to Tasmania on the Abel Tasman.

The package provides travel from Melbourne on a Friday evening, arriving in Devonport Saturday morning. Then stays at Devonport overnight (accommodation overnight free), then departs Sunday evening, arriving Monday morning, at approximately 8.30 am.

To make the best of this package several of our northern gun clubs are investigating the possibility of conducting special shoots to attract interstate shooters.

As this package develops, I will keep you informed.

Yours faithfully,

A.C. Kenny

State President

UNFINANCIAL CLUBS 1992

The following clubs are yet to forward to the office the 1992 affiliation fee which was due and payable January 1, 1992.

Clubs who intend on attending the Associations General Meeting are reminded that members rights are only afforded to affiliated clubs.

Burnie, Callide-Dawson, Frankston Australian, Greenvale, Gulgong, Kangaroo Island, Laverton, Meekatharra, Menindee, Monarto, Muttaborra, Smithton, Sunny Corner, Walcha, Weipa.

AUSTRALIAN CLAY TARGET NEWS — APRIL 1992

SOUTH AUSSIE NEWS

South Australians have just enjoyed a weekend of some of the best competition seen in this State for quite a while. The South Australian State Trap Carnival was held at the State Shoot Park at Virginia on February 1 and 2.

A preliminary shoot was held Friday afternoon with the overall winner of the two events then receiving free nominations for the State Carnival events. Craig Bentley won those free noms for the weekend.

Weather over the weekend was warm to hot with a very welcome breeze coming in over the traps.

Numbers were up on those of last year with 130 shooters fronting up for Saturday's competition and 148 for that on Sunday. These numbers included 9 ladies, 8 juniors and 7 veterans. Visiting shooters came from Victoria, NSW and Western Australia and in all, 24 clubs were represented at the Carnival.

Event 1 saw Trevor Heard and Phil Green split the prize money on the Ron Smith/Terry Kenyon 10 Target Double Barrel Classic, with Wally Spackman taking 3rd placing.

Event 2, The Gun Rack 60 Target Champion of Champions (15m) went to Russell Mark 200/200 over local 'A' grader Kelvin Prescott 199/200. 'The Legend', Les Charles presented the trophies.

The last event for Saturday was the 50 Target SA Sports Goods State Single Barrel Championship. The inaugural perpetual trophy presented by John Fleetwood went to Bob Andrews with a score of 72/72.

Sunday's first competition saw the 3 zones contesting the Max Curtis Memorial Shield. Eastern Zone, with shooters Max Medhurst, Bob Andrews, Phil Green, Frank Taylor, John Fartch and Vern Beyer were successful this year. Joy Curtis was at home, 'chafing at the bit', unable to attend due to a recent operation, and so was unable to present the shield to the winning team. Hope to see you back on the tracks soon Joy.

Winner this year of the Ray and Pat Mack State Title shoot off went to Russell Mark.

The 50 Target Bay City Targets/Winchester State Double Barrel Championship finally went to Rob Christopher 266/266 after an excellent shoot off with shooters Bert Boschetti falling by the wayside at 231/232, Dennis Lymn at 246/247 and Bob Dower with 265/266. Bob Dower surprised not only himself by his shooting, but the State Handicapper as well — he began the weekend's competition in 'B' grade and ended up in 'AA' grade — well done Bob! Mr Winchester, Dick Ayres, on behalf of Bay City Targets/Winchester, presented the trophies to the winners as well as the magnificent Winchester Bowl to Rob Christopher who was very proud to win this prestigious trophy.

For the second year the 50 Target State Double Barrel was shot in conjunction with the SA Club Team of the Year. Clubs throughout the State are encouraged to send along their best shooters to take part in this event and the carved jarrah map of Australia (made up for the State Association by prisoners of the Mobilong Prison at Murray Bridge) is most fiercely contested. The team from Monarto were all smiles as they came off the layout after having just shot 248/250, but those smiles were short lived for Mount Gambier came in with an excellent score of 249/250. Team members were John Fartch, Phil Green (who dropped the only target), Max Medhurst, Alan Vilcins and J. Lavier.

The final event, Fisher Firearms 50 Target State Point Score Championship was taken out by Chris Hunt with 222/222 after yet another shoot off with Bert Boschetti 216/219 and Tony Rohrlach 219/222.

Overall High Gun went to Russell Mark with 356/360, Veterans High Gun to Phil Johncock (you sly old rascal, I have to admit it, you are almost as good as a woman at concealing your age, I do know that you completely 'knocked the stuffing' out of one of the other veterans — is it the onions that you grow that keep that youthful complexion?) who shot 342/360, Ladies High Gun to Tracey Gray with 328/360 and Junior High Gun to Lachlan Sinclair 340/360.

Richard Dean was South Australia's Champion Shooter.

Top 15 shooters over the carnival were Dino Oliviero, Tony Rohrlach, Richard Dean, Chris Hunt, Ted Galkowski, John Johansen, Trevor Heard, Ian Campbell, Max Medhurst, Alan Vilcins, Bob Andrews, Dennis Lymn, Peter Forner, Vern Beyer and David Murphey. SA's top 5, following the team shoot off were Peter Forner, Richard Dean, Tony Rohrlach, Dino Oliviero and Ted Galkowski and I wish them all the best at the Nationals in Wagga Wagga.

This year for the first time, South Australia will be sending a 3 person ladies and junior's team to the Nationals as well. These two sections I am please to say, were very keenly contested, and the 3

Ladies team: (L to R) T. Gray, R. Michell, S. Byrnes, B. Wallace, M. Martini (absent H. Johnson).

Junior team: (L to R) D. Oliviero, P. Cribb, B. Marsden, J. Spain, S. Rapp and L. Sinclair.

Mens Open team: (L to R) Back row: M. Medhurst, I. Campbell, A. Rohrlach, T. Heard, R. Dean, J. Johansen, T. Galkowski, C. Hunt. Front row: A. Vilcins, R. Andrews, D. Oliviero, D. Lymn, P. Forner, V. Beyer, D. Murphey.

ladies to make it through the competition were Sue Byrnes, Barb Wallace and Ruth Michell and the juniors are Paul Cribb, Jonathan Spain and Brad Marsden. I was particularly proud of all of our junior shooters this year for they have all shown great potential and sportsmanship and should all do well in their chosen sport of clay target shooting. All the best to each one of you.

Thanks to resident club, International for their efforts put in — ground maintenance, canteen facilities and workers, Metro Martini for those 'excellent' targets, office workers and to all those who helped in any way to make the carnival such a success.

Thanks must also go to our sponsors for their contributions namely Ron and Pam Smith, Terry Kenyon, The Gun Rack, Ray and Pat Mack, SA Sports Goods, Bay City Targets/Winchester, Fisher Firearms, Adelaide Gun Shop and L. Martin.

It was a special treat to have in our midst both Romano Bisi and Peter Caddy, both on the 'sick list' but still participating in a sport that they love and have given so much of their time to. It was great to have you there.

A personal 'thank you' from 'yours truly' and the numerous other shooters who received help and advice from Kevin Wright of Ballarat over the weekend.

May all those competitors who came to the State Carnival and shot well, for there were many who did, (the handicapper had a great time — 21 in all were re-graded — all 'up' except for one) may you have continued success over the coming year and we hope you will return again next year.

Hoping to renew acquaintances in Wagga Wagga.

Ruth Michell

TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

Following on from a successful start to the 1992 "Top Gun" Awards at the South Australian State Trap Carnival, the Tasmanian Clay Target Association conducted their annual State Trap Carnival at the Tasmanian Gun Club, Evandale on February 22 and 23.

John Murphy received 1000 rounds of Winchester Target Loads for his win in the State Single Barrel Championship and Nanette McCallum won one case of shotshells for her win in the Ladies Overall High Gun Section. Special mention must go to another "Top Gun" entrant in Dexter Barnes who could find no luck over the weekend coming second to Russell Mark in the State Double Barrel Championship and the Overall High Gun after a shoot off. He also shot off for the overall sash in the Single Barrel Title and for "AA" grade in the Points and Double Rise Championships.

The biggest winner in the "Top Gun" series to date has been John Summers of the Melbourne Gun Club who picked up 8 cases of shotshells for his victories over the National ISU Carnival in Brisbane; 4 cases for the National Championship and another 4 for the overall ISU Skeet High Gun. Details of the ISU Nationals are contained within this issue of the CTSN.

Good luck to all "Top Gun" entrants at the forthcoming National DTL Championships in Wagga.

WISCI — AT LONG LAST

As from 1992 it could be said that we have arrived, having survived a long and laborious birth.

To put you all in the picture, WISCI is the acronym for Werribee International Shooting Complex Incorporated. It is the brainchild of several farsighted shooting and business personalities from the Werribee district, and was born of necessity. The Werribee Rifle Club had lost their traditional range, and endeavours to find a new range saw the emergence of the WISCI steering committee.

Suitable land was found abutting the RAAF bombing range on Ballan Road, Werribee. The 100 acre site was duly purchased with funds provided by the Werribee Rifle Club, Victorian Gun Club and various benefactors, including many interested shooters who purchased life memberships. All will soon be justifiably proud of the results of their efforts. The complex will be a truly great shooting venue with all disciplines being represented. Currently permits are held for the shotgun and rifle sections. The rifle club is hopeful of having infrastructure ready to shoot completely by late 1992 while the shotgun ground jointly managed by Victorian and Werribee Gun Clubs is up and running with three DTL traps, and a fourth one on the way. By Easter we will also have installed an Olympic Trap, with the Opening Shoot held on Easter Saturday (see ad this issue). Regular ZZ shoots are also held at the ground.

The available facilities continue to improve with the recent addition of the Werribee Clubhouse and mid 1992 will see the construction of a new clubhouse (the best in the west). It goes without saying that all these things don't just happen, much effort is put in by many people and they will duly be recognised.

In the meantime if you are one of the earlier doubting Thomases who said it wouldn't get off the ground, come and have a look. See what has been done to provide a permanent home for shooting ... a ground owned by the shooters for the shooters.

See you at WISCI.

R. Ahmeling

WARATAH STATE NOTES

RIVERINA ZONE

I have received advice of very successful Clay Target Shooting representation in the Narrandera Shire, with both Bruce and Lola Charles being nominated as monthly winners for the Shire Sports-person of the Year. At the annual presentation night in February, Lola Charles was named as "runner up" Sports-person of the Year. Congratulations Lola, both for your win and for the effort you put in to keep Clay Target Shooting recognised as an enjoyable sport.

SOUTHERN ZONE

Illawarra Gun Club hosted another successful "Ern Webb 1000" on the 23rd February, with 60 shooters attending in very wet conditions. The event was again generously sponsored by staunch Illawarra Gun Club supporters, Bob and Brad Webb. The eventual winner after a shoot off was Kevin Perkins with a score of 61/61. Kim Nealon from Majura Park was the runner up. Despite the wet conditions, those who attended enjoyed the usual hospitality of Illawarra.

Hawkesbury Gun Club is conducting the Commonwealth Night Double Barrel Continental Championship on the 24th April, while Canberra International Clay Target Club is hosting the Southern Zone Skeet Carnival on 11th/12th April.

WESTERN ZONE

Narrabri Gun Club hosted the State Night Double Rise Championship on the 22nd February, with 24 shooters aiming for the title. Rod Prior from Tamworth was the winner with a score of 43/50.

NORTHERN ZONE

Tamworth Clay Target Club hosted another successful 2 day Skeet Carnival over the weekend of 15th/16th February. Fifty shooters from Queensland, New South Wales and Victoria competed for an impressive array of trophies. Although numbers were slightly down on last year, shooters enjoyed perfect weather conditions for the weekend. A comprehensive results list can be found in the club news section.

CENTRAL ZONE

The State Night Point Score Championship will be held at the Canowindra Gun Club on the 19th April, while the Central Zone Skeet Team Eliminations will be held at Bathurst Gun Club on the 3rd May.

N.S.W.C.T.A.

CAR SHOOT

The Canberra Car Shoot was well advertised
We all knew about it for months
People were coming from near and far
For they all knew they had a chance.

The weather was fine with a warm sunny day
By 8.00 o'clock we were on our way
The first 50 did produce some 20 possibles
By then we knew there was only 20 hopefuls.

J.W. from Cowra had a big happy smile
Cause he left Tubby and Arty in his wake
The second 50 produced another 20 possibles
The shoot-off did go till late.

Russell and Michael came out next morning
To finish off from the day before
It did not go long, Russell was victor
There were still two events to go.

At the end of the first 100
There were 12 shooters still there
By the end of the third 50
7 shooters were left in despair.

Russell won again, Michael was second
Desiree shot well, she shot over 200
It was that time of day to sit back and watch
If these 5 shooters left could shoot the lot.

They all came in with 50's on the board
As they shot their last target for sure they roared
Congratulations to Russell, Michael, Arty, Steve and No. 5
I don't think you could find 5 bigger smiles.

After a little discussion they decided to split the car
Which was fair we suppose because they were all so tired
The shoot-off for the last 50 got under way
Ol Guesty couldn't stop singing up up and away.

The shooting on the weekend was of high class
Michael shot 300, Guesty 240 plus
But the highlight of the weekend was Russell Mark
Who shot 859 and stuffed the record right up.

Many thanks to Canberra for putting on the shoot
It takes a lot of guts to try something like this
We hope that they did make a whole lot of loot
Because it could only give this sport a hell of a boost.

Lost AARDVARK

ATTWOOD-LAW CUP

Sixteen year old Robbie Holloway from Wangaratta Club achieved something that many older shooters have not been able to, by winning the Open section of the Attwood-Law Skeet Cup conducted over the 100 target program in January. Robbie scored 49/50 in the first event then 50/50 in the second to force a shoot off with Kudji Demaj also on 99/100. Following a short shoot off Robbie was declared the winner with a final score of 105/106.

Robbie, the first ever junior to win the open section, will now have his name inscribed on the magnificent trophy together with some great skeet shooters like — Paul Krummins, Brian Thompson, John Wooley, Warren Charlton, Graeme Boyd and Bill Attwood.

This beautiful cup was donated in 1977 to the Wangaratta Club by Bill Attwood and Kevin Law for the promotion of skeet at that club and is contested twice a year over one hundred target programs.

In 1990 Bill and Kevin saw fit to donate a replica of this cup to be shot for by junior shooters. This year Richard Sammon took the honours for the fourth time.
