1992 NATIONAL TRAP CHAMPIONSHIPS

Saturday April 4, produced warm conditions for the first day of the 1992 Nationals. By the numbers that had shot the pre-Nationals it was apparent that the entries for the Grand Australian Handicap would most likely exceed the number achieved in 1988 when the Trap Nationals were last held at Wagga.

Weather conditions in the weeks leading up to the Nationals had been dry, however the grounds were ready for the large numbers that were expected to attend.

An impressive Opening Ceremony took place with State Teams marching to take up a position under their State flag to the accompaniment of a Scottish piper. A larger than usual early morning gathering of spectators was very pleasing to see and certainly added to the overall spectacle.

Murray Alexander aids Mr Wal Fyfe, the Federal Member for Hume, in firing the Opening Shot.

National President, Leighton Martin, welcomed to the Championships Mr Wal Fyfe, the Federal Member for Hume, who declared the Championships open by firing the first shot of the day, with the assistance of National Director of Coaching, Murray Alexander.

All was in readiness, State Teams were anxious to commence their events and the first day of the 1992 National Trap Championships was under way.

STATE TEAMS MATCH — 25T

All seven States/Territories were represented in the Shoulder to Shoulder match — the first to be shot under the 28g rule. Competition was always going to be keen, as seen by the dedicated approach given to this opening event.

AUSTRALIAN CLAY TARGET NEWS — JUNE 1992

Resplendent in their Northern Territory uniforms the "Territory boys" surprised possibly most people other than themselves when they shot the Team Match clean to finish clear winners on 125/125. Phil Grove, spokesman for the team and also one of the Territory representatives to the National Executive Committee, clearly expressed the feelings of the team when accepting the ACTA Cup from President, Leighton Martin. Shooting in the Territory, while not overly strong in numbers, certainly has strength and depth in ability, having produced National Title winners in recent years.

Success was sweet for the Territorians.

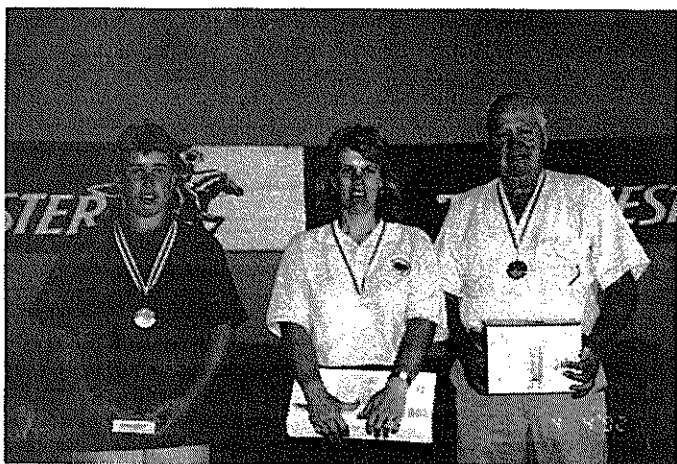

The win was a popular one with a clear victory by two targets from the host State NSW, 123/125 (362 points), with Tasmania also showing their strength finishing third on points, 123/125 (357 points).
State Team Champion — Northern Territory 125/125.

GRAND AUSTRALIAN HANDICAP — 50T

The early expectations on the numbers likely to participate were correct, with a total of 471 entries in the first National Title Event, which was an increase of 24 over the 1988 number. With the difficulties that many people are and have been experiencing over the past year or so it could have been easier for many to have stayed home, however as the numbers indicate, the love of their chosen sport obviously swayed the day.

With the Opening Ceremony and State Teams Match taking up the early part of the morning, the usual late start could have been a problem, however Shoot Marshall Bill Jones, and Tournament Director Robert Smith, kept the squads moving freely and were well supported by the behind the scenes office personnel who were capably lead by NSW State Secretary, Mrs Libby Bunting.

Probably one of the most pleasing features of the event was the large number of women and juniors who took part. With a field of 27 women and 35 juniors, both sections of the Handicap were going to be well fought out.

L-R: Nathan Cassells, Leonie Young-Peters and Bill Henwood.

L-R: Terry Taylor, Kevin Wright, Vic Satore.

The final results contained a mixture of new and familiar names, with well known Victorian, Kevin Wright from Geelong Gun Club, the winner of the 1992 Grand Australian Handicap with an unbeaten score of 62/62 from the 19 metre mark.

Overall	Kevin Wright — Geelong, Vic	62/62	19m
Women	Leonie Young Peters — Showman, NSW	49/50	18m

DOUBLE BARREL CHAMPIONSHIP — 50T

Event sponsored by the Winchester Division — Olin Australia.

Conditions were unchanged, with clear skies and a warm day to look forward to. As was expected, numbers had increased for the

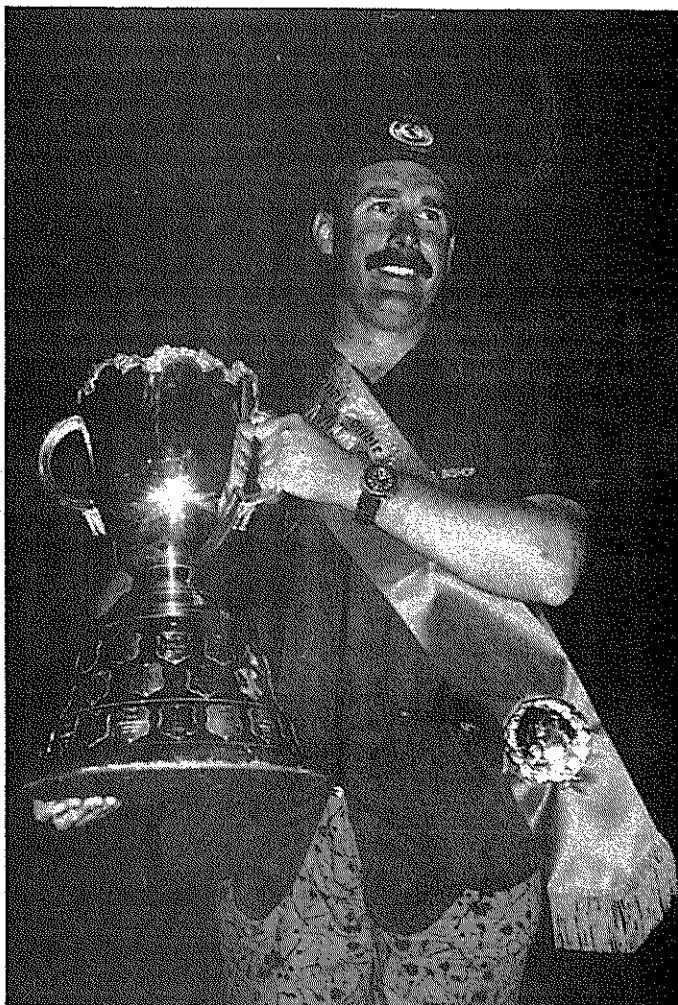

Double Barrel, being the first event for Mackintosh Team Qualification. A total of 80 shooters shot the 50T, producing 13 squads to contest the shoot-off which commenced at 2.45 pm.

Conditions were excellent and many were wondering whether or not the shoot off would be finalised before dark, owing to the quality of the field.

Shooting continued throughout the afternoon until only four of the eighty shooters remained. The final four were a mixture of three experienced shooters and a C Grade shooter whose best ever break prior to the event was a 37 shot at Bega.

Three shooters, John Maxwell, Michael Diamond and Brett Dunstan, were all well experienced on the international scene and were expected to fight out the battle for Championship honours.

John Maxwell was first to drop out, missing target 203, leaving Michael Diamond the hot favourite. Michael dropped out at 219 leaving Brett the hot favourite. Brett dropped out when he missed target 259, which left Craig Bishop from Bega Gun Club in NSW to create history by winning the Double Barrel Championship from C Grade, going from C Grade to AA Grade. In the course of the event, establishing on the way the Double Barrel break record using 28g loads.

National Double Barrel Champion: Craig Bishop.

When presented with his trophies by Bruce Burns, Winchester Marketing Manager, Craig commented that the Beretta shotgun donated by Winchester easily surpassed his salad bowl at Bega.

A very popular and well received victory by Craig Bishop.

WOMEN'S DOUBLE BARREL CHAMPIONSHIP — 50T

Twenty-nine ladies contested the Women's Double Barrel Championship, including past winners Zelda Maclure and Desiree Huddleston. Competition was keen throughout, with victory finally going to Werribee's Carol Zagorc with an unbeaten 63/63, ahead of Desiree Huddleston's 59/60 and Kathy Gault 52/53.

All smiles from Desiree, Carol and Kathy.

Shooters of the future: Junior DB Champs.

JUNIOR DOUBLE BARREL CHAMPIONSHIP — 50T

A strong field of thirty-six took part in the Junior Championship which was shot under perfect conditions and well won by Adrian Ebborn from Tobogoolawah, Queensland, with an unbeaten 75/75. Victorian, Brett Ford from Wangaratta took second place with a score of 56/57, ahead of Sydney's Ben Kelley with 104/105.

WINCHESTER SUPER TARGET POWDER

Winchester's previous
best-selling powder
just got a whole lot better.

**Super Target (W.S.T.) now replaces
452AA for improved performance and
greater loading economy.**

- Formulated to produce very uniform velocity & pressure, for extremely consistent pattern placement.
- Minimum pressure & velocity variation at shooting temperature extremes.
- Cleaner burning and more efficient formulation reduces residue.
- Super high grain density improved ball powder meters more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges provides another big edge for consistent performance.
- Improved economy too!
Less W.S.T. required per given velocities.

Try the loads below and be the best you can be, consistently.

Women	Carol Zagorc, Werribee, Vic	63/63
Junior	Adrian Ebber, Tbogoolawah, Qld	75/75
Veteran	Roy Holfreter, Northam, WA	49/50

STATE TEAMS MATCH 25T — WOMEN

With perfect weather conditions on day three, four States entered teams in the Women's Shoulder to Shoulder Match; NSW, Vic, SA, Qld — all were looking for victory. At the end of shooting it was Victoria's day, with a team score of 68/75 — one ahead of a disappointed South Australia team.

Women's State Team Champion — Victoria 68/75.

STATE TEAMS MATCH 25T — JUNIOR

The match was keenly contested by the same four States that took part in the Women's match, with victory again going to Victoria whose team score of 73/75 was one target clear of New South Wales, with Queensland one target back in third position.

Junior State Team Champion — Victoria 73/75.

SINGLE BARREL CHAMPIONSHIP — 50T

Event sponsored by the Winchester Division — Olin Australia

Weather conditions were perfect for shooting the Single Barrel Championship, which attracted a total of 453 competitors — all looking for a win.

The lower scores reflected the change from double to single barrel shooting, with the Championship being decided over a total of fifty-nine targets. The event was dominated by New South Wales shooters, who between them won nine of the fourteen medals that were presented.

Gary Matchan (left) of Winchester Australia and National ACTA President Leighton Martin flank the 1992 Single Barrel Champ James Smith.

Rob Viney (centre) took AA grade in the SB Championship after losing the shoot off.

Overall first was J.W. Smith from Cowora, whose 58/59 gave him the National Single Barrel Championship ahead of Geelong's Robert Viney. With the event concluded by mid afternoon, those who had been working tirelessly on behalf of the shooters, appreciated the earlier than usual finish.

WOMENS SINGLE BARREL CHAMPIONSHIP — 50T

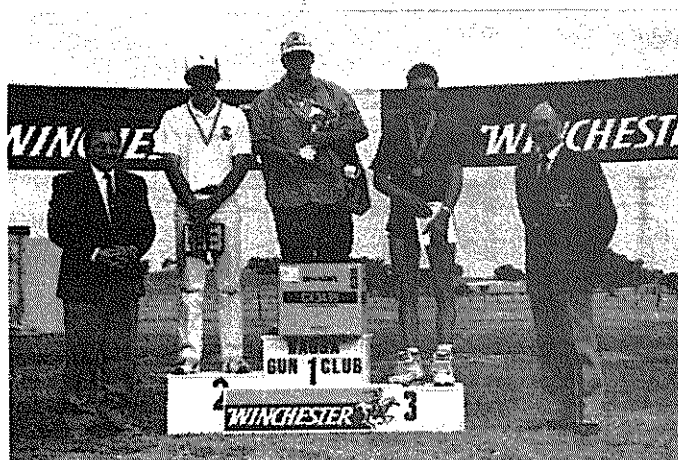

A well deserved victory to Desiree Huddleston with a score of 46/50, making a welcome return to the Trap Nationals, a competition in which she had so successfully participated in earlier years. Desiree held off Zelda MacIure, a regular visitor from Waitemata in New Zealand on 50/55, with Hay's Dearne Doyle finishing third overall with a score of 49/55.

JUNIOR SINGLE BARREL CHAMPIONSHIP — 50T

Tasmania was well represented in the Junior Championship with Jay Cruse from St Helens recording a very creditable 49/52 to be placed third overall. Double Barrel Champion, Adrian Ebber from Tbogoolawah, Queensland 48/50, came close to taking out both the Junior Double and Single Barrel Championships with a single barrel

score of 48/50. Sydney's Ben Kelly, after his 104/105 third place in the Double Barrel Championship, proved to be too good on the day with an excellent 49/50 to take the National Junior Single Barrel Championship in a well fought out event.

VETERAN

William Francis from Chinchilla, Queensland, set the pace in the Veteran section, and with a score of 45/50 was able to hold off all challengers.

AUSTRALIAN/NEW ZEALAND POINT SCORE — 50T/150PTS

Event sponsored by the Winchester Division — Olin Australia

While rain overnight had reduced temperatures and laid the dust on the ground, conditions were good for shooting even though a little windy. Being the last chance to qualify for the Mackintosh Team, the Points Championship is always full of interest, and this year's event was no exception. Competition was also very keen for the Allan

Brown Club Teams Match, which attracted over twenty entries — looking to finish ahead of the strong Echuca Club which had dominated the Clubs Teams Match in recent years.

With a club score of 728/750 the Illawarra No. 1 Team proved to be the best team on the ground, with a proud club President in Bill Jones, who was the officiating Shoot Marshall, accepting the trophy on behalf of the Illawarra Club.

Geelong Gun Club's Lynne Curtis was declared National Points Champion with a score of 189/189, out-shooting J.W. Smith from Corowa on 185/186, who was having a very good tournament.

A top effort by Lynne Curtis, Aust/NZ Trap Champion.

Some very good point scores were recorded, including that of veteran Gordon Wakefield, whose 148/150 belied his veteran status. In the Women's section, Kathy Gault from Majura Park, a member of the World Championship Team in Perth, shot 173/177 to record an excellent win. Ben Kelly was continuing to shoot scores better than most, taking the Junior section with a score of 164/168.

MACKINTOSH TEAMS

As always, competition for a position on the team produced some very competitive shooters. Ben Kelly was the best junior qualifier with a score of 244/280, which was enough for him to qualify for the Open Team.

The women's team was very competitive and produced a score of 289/300 by Tracey Gray from Broken Hill to win the Women's High Gun. Adrian Ebberm from Tbogoolawah shot a score of 294/300 to High Gun the Junior Team — a great effort.

The Open Team was decided on eight down, with the leading qualifier J.W. Smith shooting 249/250, one ahead of Lynne Curtis, with some top names missing when the team was announced. One delighted qualifier was Desiree Huddleston who was making her mark on the tournament.

A five man veteran team was announced, however as the Mackintosh competition is confined to Open, Women and Junior shooters, no competition took place.

Team photographs were taken and all interest was on the Mackintosh Open Teams Match, which would produce a five member team for England in July of this year.

magnificent score of 297/300, also becoming the first woman to win selection in an Open International Team. After a break of some years, Desiree has returned with a vengeance and will no doubt surprise the competition when she shoots in Wales.

Weather conditions were excellent for shooting and were possibly the best that had been experienced during the Championships.

At the completion of the match the scores were sealed as required under the conditions of completion and forwarded to the English Clay Pigeon Shooting Association, who would open the envelope in Wales on the competition of their Mackintosh event in July and announce the winners at the traditional banquet.

The scores for the three Mackintosh qualifying events plus the 100T Mackintosh Competition produced a fine team to represent Australia in Shoulder to Shoulder competition for the Van Diemen Trophy in Wales in July, at which time we hope they are rewarded with a competition victory, and being the first to hear the result of this year's Mackintosh Competition, bring back to Australia the results they have been competing for in Wagga.

CHAMPION OF CHAMPIONS — 75T

Event sponsored by Olmpyc Targets/Scorpio Cartridges

With the Champion of Champions shot from the 18 metre mark interest was high as to how many would handle the transition from the common mark of the three previous Championship events. Scores generally were not overly high, with Hawkesbury's Barry Kable and Robert Smith from The Forest leading the field with scores of 123/125. Both shooters are regular attenders at the Nationals, and being good friends, rivalry in the shoot off was apparent.

With the shoot off completed, Robert Smith 148/150, was declared Champion of Champions for 1992, with Barry Kable taking AA Grade on a score of 144/150.

The win by Robert was all the more meritorious in as much as he also had the working responsibility of Tournament Director to contend with. With his victory ahead of two members of the Olympic Trap Team, Robert has shown that he has the ability to handle his

DOUBLE RISE CHAMPIONSHIP — 25PR

Day six with conditions still excellent for shooting. As expected, numbers were not as high for the last event, however this did not detract from the quality of the field nor the keenness of those who shot the Championship event.

Three hundred and eight shooters nominated for the event, which was the last of the National Titles.

Echuca's Steve Atkins lead the field with 48/50 to win the Double Rise Championship from Mildura's Frank Argiro 47/50.

Not an unfamiliar sight, Steve Atkins on the dias.

Promising Victorian Junior, Vincent Mollica, from the Victorian Gun Club was the best junior in the event with his score of 47/60. Northam's Roy Holtfreter found the Double Rise to his liking, winning the Veterans section with a score of 44/50. Iona McJames from Melbourne Gun Club with 38/50 held off the rest of the women to record a win in the Women's section of the Double Rise Championship.

The combination of Gordon Wakefield and daughter Desiree Huddleston appeared to be one of the fancied teams to beat, as did the team of Tom and Tom Turner from Cessnock.

Mal and Craig Tilley from Sydney also had their eyes on winning, pushing the Turners all the way.

At the completion of the event the strong combination of Tom Turner (Snr) and Tom Turner (Jnr) from Cessnock City had out-shot all opposition with their winning score of 38/39 — one ahead of Mal and Craig Tilley, with the father and daughter combination of Gordon Wakefield and Desiree Huddleston, who had both enjoyed a good Nationals, coming in third on 19/20.

A superb "veterans" carnival by Past ACTA President Roy Holtfreter of WA.

Veterans Aggregate

The best veteran performance over the six National Title events was past President Roy Holtfreter, shooting a score of 435/475.

Oldest Competitor

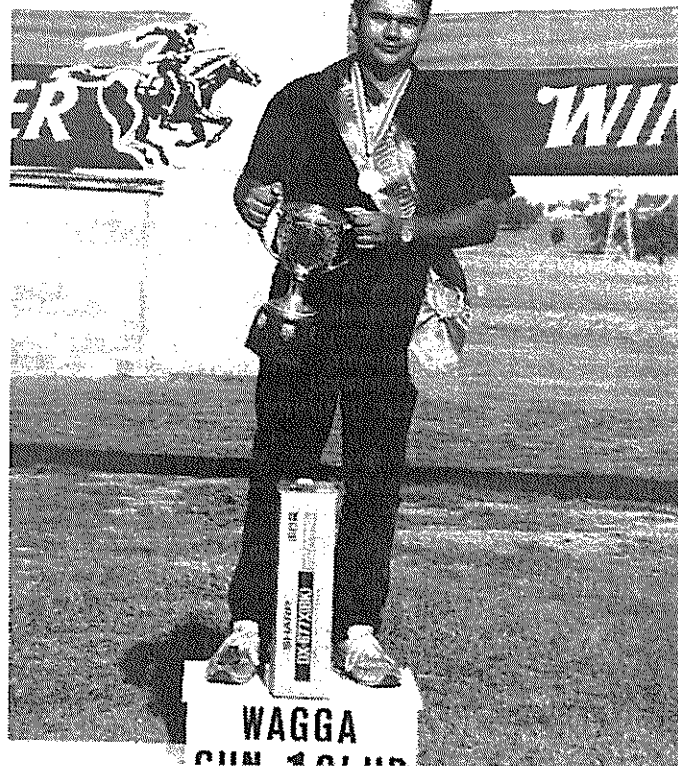

Once again past President Tip Pedersen from Melbourne Gun Club received the trophy for the oldest competitor on the ground. Tip, who was born in April 1908 is as active as ever and a very keen follower of National Championships.

Women

In what turned out to be an outstanding six days of competition, NSWGC's Desiree Huddleston dominated the Women's events, and as well as being International Team High Gun was named Women's High Gun with an outstanding score of 435/475.

A fine effort over six days from Desiree.

Brett Hale

Junior

Another win to the Territory with Brett Hall from Darwin Gun Club recording a score of 439/475 to show that shooting is alive and well in the Territory — another outstanding effort.

Overall

Steve Atkins 457/475 from Echuca won the Overall High Gun Award the hard way by going into the Double Rise event four targets down. Steve's 48/50 in the Double Rise won for him the Gold Australia Badge to add to his Gold Australia Badge from the 1989 Echuca Nationals — well done Steve Atkins.

Mrs Murial Porter presents the Ron Porter Remembrance Trophy to Overall High Gunner Steve Atkins.

International

The inaugural ACTA/NZCTA International High Gun Trophy contested by shooters who took part in both countries National Championship was won by Illawarra shooter John Maxwell. John won for himself the Gold Southern Cross Badge plus a return airfare and one week's accommodation for the 1993 New Zealand Nationals.

The ACTA array of High Gun Perpetual Trophies accompanied by the OAHG, a Beretta shotgun.

an outstanding success. Special thanks to NSWCTA Secretary, Libby Bunting, for her untiring efforts in the period leading up to and including six days of competition, Wagga Gun Club Secretary, Andy Sanders, who as always was very willing and an outstanding contributor to the success of the Championships and Chris Condon from Downside Gun Club, who with Libby ran a successful and harmonious Nationals Office.

While few are publicly named, with many actively involved, without doubt those who assisted in this year's Nationals enabled shooters to receive a high standard of administration and for this we thank them. In particular the members of the Wagga Gun Club and New South Wales Clay Target Association and the many people who played such important roles during the period of the National Championships who have not been mentioned by name, yet they were so important to the overall success of a well conducted and as important enjoyable and harmonious Nationals.

LATEST 'TOP GUN' WINNERS

The recent DTL National Championships in Wagga brought the release of the new generation Winchester 28 gram target shotshells designed specifically for competition clay target shooting. Sales during the National series were exceptional and performances with the new product were of the equal with Winchester users winning or placed in every single National Title for the week.

The title that everybody wanted for the week was the Overall High Gun and this went to Top Gun entrant Steve Atkins of the Echuca Gun Club. Steve has been a Winchester user for many years and his win is in fact the second time in the past four National Championships he has taken home the prestigious award and a Beretta SO5 shotgun. On his way to the high gun Steve shot an impressive 49/50 from 23 metres using AA 1300's and the remainder of the tournament with the new AA 1250. Coming into the last event he knew he needed at least 47/50 in the Double Rise to win and he went one better with 48 to secure the overall sash in this event also (this made back to back Double Rise Titles as he was the defending National Champion).

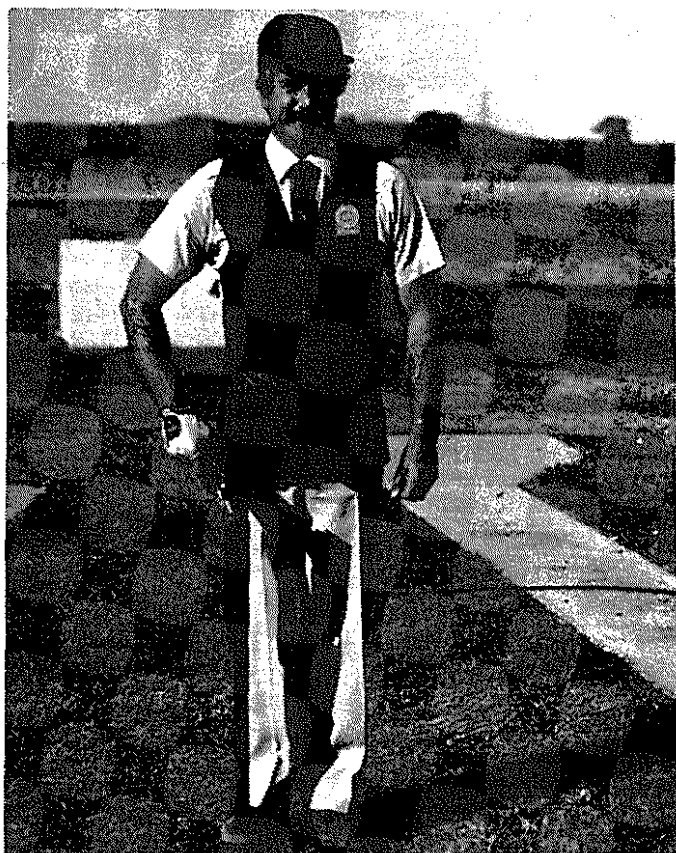

Overall High Gun and National Double Rise Champion, both for the second time, Steve Atkins from the Echuca Gun Club.

For his efforts over the week, Steve picks up 8 cases of the Winchester Target loads of his choice as he was a participating Top Gun entrant. This equalled John Summers effort at the ISU Nationals by winning 4000 rounds of Top Gun ammunition at a single tournament.

Another outstanding achievement amongst our Top Gun participants was that of Dino Olivero from the International Club in Adelaide who shot an amazing break of 512 which made him eligible for 1500 target loads complimentary from Winchester. Dino is the first shooter under the Top Gun award scheme to claim an award for a long run break. His break on the 1st of March is also the all time South Australian record.

AUSTRALIAN CLAY TARGET NEWS — JUNE 1992

Dino Olivero after his massive break of 512 targets straight.

5 OUT OF 7 NATIONAL TITLES

If you didn't win one perhaps you didn't get your gun worked on by Kevin Wright or Ian McGeoch.

5 out of 7 titles were won by shooters using stocks, barrels or a combination and 3 of the 5 man team to England also used the winning combination.

Beware of imitations — go to the original and the best — McGeoch & Wright the winning combination

MILDURA GUN CLUB EASTER SHOOT 1992

One hundred and three shooters arrived at Mildura Gun Club over the Easter weekend to compete and enjoy the club's hospitality in its major shooting tournament for 1992. Visitors came from widely separated areas NSW, SA and Victoria. It was great to meet and greet the many regulars who attended and who seem to make this tournament their annual pilgrimage to our oasis in the midst of what some call the desert country. There's the Warrens, the Hoopers, O'Briens, Plums, Woodwoods, Soppis, Byrneses, Strausses and Napolis to mention a few who camp on site and have no problem with the .05 limit. Of course we all know Woodie prefers coke. Did you hear the fair dinkum fish story about Bill, when he spent time fishing on the banks of the Murray while not shooting at our last Easter shoot? Bill landed what appeared to him to be a good catch. Proudly showed his catch to a mate, if you could call him that, fishing further down stream. He viewed the fish and called to Bill it was only a "European Carp", so Bill tossed the fish up on the bank. The next day the question was being asked around the club. Who threw the "Murray Cod" away? Next time you meet Bill on a shooting ground, ask him if he knows the difference between a "Murray Cod" and a European Carp? He assures me he does now!

Sixty shooters arrived on the Friday and the first of the major events the "Scorpio Gift" attracted good support. Dino Oliviero from International Gun Club, SA shot 81/81 to win Overall; Bill Woodwood, Nepean, 80/81 won AA; Don Malino, Mildura 88/90 A Grade; Ernie Coop, Lower North 72/75 B Grade; and Ray Oakley, Bairnsdale 69/75 C Grade. 12 year old Justin Hooper 66/75 won the junior trophy. Billy Guyatts DB Championship Overall winner was Brett Dunstan from Kerang with 125/125. A Grade went to Peter Tbbin, Mildura 124/125; B Grade to regular visitor Warren Roberts, Mornington 24/25; C Grade John Dimasc, Mildura 24/25. The New Crown Hotel Points Championship went to Wayne Headen, Hay 135/135; AA 1st was Jim Finis, Mildura 134/135; AA 2nd Steve Haberman, Geelong 110/111; A 1st Neil Phipps, Mildura 75/75; A 2nd Tony Renna, International 74/75; B 1st Brendan Liddle, Warracknabeal 73/75; B 2nd Clarry Barnes, Mildura 71/75; C 1st John Dimasi, Mildura 72/75; C 2nd Larry Finis, Mildura 65/75. Best Lady: Faye Burton, Boort 69/75; Junior: Justin Hooper, Echuca 68/75; Veteran: Clarry Barnes, Mildura 71/75. Caristo's Furniture Handicap: 1st John Younger, Frankston 40/40; 2nd Tony Renna, International 39/40; 3rd Ian Headon, Hay 31/32 with the back marker trophy going to Larry Dimasi, Mildura 19/20.

Aesco Hydraulic Engineering Service Co. Graded Championship: AA Steve Atkins, Echuca 170/170, David Cunningham, FAGC 170/170; A Guido Soppi, Abruzzo 61/62; B John Dimasi, Mildura 26/27; C Ray Oakley, Bairnsdale 20/20.

Easter Gift Overall winner Paul Drennan, Nepean 43/44; AA Wayne Headon, Hay 43/44; A Ken Burton, Boort 20/21; B Guiliano Caristo, Mildura 34/35; C John Dimasi, Mildura 19/20. Best junior was Don Costa equal with Justin Hooper 18/20. Best Lady Pauline Clark, Warracknabeal 19/20. Veteran Clarry Barnes, Mildura 17/20.

The major event on the program, the North Star Mildura Motors Championship, with a 'Fiori' car as first prize attracted sixty-four entries. The number of entries were well down on what the club administration expected. A number of reasons were given as to why entries in this event were down, mainly the economy in general and the closeness of this tournament to the Nationals in Wagga. Considering all reasons for low entries, shooters still seem to want a major tournament such as a car shoot.

The club would like to promote this as an annual event and will endeavour to conduct the same program at its 1993 Easter shoot. However, greater support will be required from shooters should they expect this type of event to be conducted on an annual basis. Mark it on your shooting calendar for 1993. We would like to give it another go!

After the run through the four traps fifteen shooters carded the possible 20/20. Another run through the traps saw the number reduced to six. While shooters loaded up for the next 25 targets, there was heavy push from some shooters for a split, but shoot on for an actual winner to collect the car. This was agreed to with Larry Dimosi, Mildura and Richard Dean, International SA, getting through the next

25 targets. Four targets later and Larry Dimosi, Mildura was given the honour of winning the title 69/69 with Richard Dean top AA 68/69.

Two proud winners at Mildura Gun Club Easter Shoot. Left: 12 year old Justin Hooper, Echuca with Guido Soppi from Melbourne.

Scorpio

Warren Roberts, with wife Wendy, proudly displaying the trophy he won in the Billy Guyatts Championship.

Left: Ken Burton, manufacturer of Kerang Ibis Traps presenting Jim Finis with the trap he won in the "Ibis Gift" event.

Twelve year old Justin Hooper from Echuca shot the possible in the car event to win the junior trophy and finished with a score of 54/55 in the actual event and winning A Grade. B Grade went to Mark Scherger, Mildura 27/28 and C Grade to Russell Brown, Bothka 29/31.

There appears to be a little confusion with some shooters as to what should transpire when it comes to a shoot out for a major trophy such as a car. Obviously most shooters want to split for fear of missing out, however, there are some shooters who wish to shoot for finality, but are not prepared to go against those who want to split, for fear of being scored upon. Any shooter who wishes to shoot to win should feel free to do so, and I believe would receive support from the majority of competitors and spectators alike for doing so. The "Ibis Gift" was won by Jim Finis, Mildura 116/116. AA went to Dennis Halikiopoulos, Monarto SA 115/116; AA 2nd Steve Haberman, Geelong 85/86; A 1st John Soppi, Abruzzo 61/62; A 2nd Norm Watts, Mildura 39/40; B 1st Peter Lucas, Mildura 23/25; B 2nd John Napoli, Abruzzo 22/24; C 1st Larry Finis, Mildura 19/20; C 2nd Sue Byrnes, Lower North SA 19/22.

Wayne Headon from Hay NSW, a winner of several events as well as Overall High Gun at Mildura Gun Club's Easter Shoot.

ALEXANDRA, VIC

Police armed with shotguns converged on Alexandra on Tuesday April 7. They came from Marysville, Melbourne, Mansfield, Yea and other places to join with local police to . . . NO, it wasn't those Kelly's again, but the POLICE INVITATION SHOOT.

The old Bentley Drivers Club, used to refer to their meetings as a "Noggin and Natter" which was both accurate and slick, and in this context we could refer to the Police invitation day as a "triple, double B" translated into a Double Barrel, Double Barbeque and Double Beer. Please don't get the wrong impression, our police, like our shot-gunners, are a most abstemious lot.

The Police Invitation Shoot is held annually now at Ron and Marion Hedgers Shooting Grounds at Footrot Flats in Brooks Cutting. The event serves several purposes: a) it is a useful public relations exercise; b) it is a firearms instruction day; c) it enables the "boys in blue" to familiarise themselves with shotguns and pick up a few useful hints on how to use them to good effect. Since basic principles of shotgunning are also applicable to combat pistol shooting, it is very useful practice for our police and will help us to sleep safer in our beds at night.

Those members of the local and Melbourne gun clubs were invited to participate, also enjoyed the opportunity to demonstrate their skills and this they did in quite remarkable fashion, breaking targets consistently, not only from the "championship" distance of fifteen metres, but also from the much more difficult (and impressive) distance of twenty-five metres.

After the demonstration, "Squads" were chosen for the "Competition" and comprised, where possible, almost equal number of Police and "regular" shotgunners in each squad. This resulted in some very close scores.

The event was won by the squad which included local gun club President, Jack Woolmer, and Senior Constable John Winters, who both scored maximum points for their squad, for a total of 37/50.

Following the competition came the barbeque lunch and what a gourmets delight this turned out to be — none of your usual "when it's brown, it's done, when it's black it's inedible" stuff here. Master chef Ron Hedger, aided by his assistant chef Ron Smith worked their magic on onions, peppers, steaks, chops, sausages etc, but using at least seven secret herbs and spices and exotic sauces, and of course one had seconds, or doubles (to match the double barrel shooting you see). Then when everyone was leaning back and puffing gently whilst loosening their belts, along came Marion with the most enormous double barrelled plum pudding; (one barrel full of custard) and we all had to set too again.

Everyone had a most enjoyable day and the chance to meet with officers from other stations and shotgunners from other clubs, as well as getting to know our local men a little better, was a very worthwhile exercise. Mr Bob Buchan from the Melbourne Gun Club, and members of the Firearms Consultative Committee presented the trophies.

We are looking forward to next year, what a pity that such fun days and the opportunity to meet new friends, only happens once a year . . .

AUSTRALIAN CLAY TARGET NEWS — JUNE 1992

ESPERANCE BAY GUN CLUB

Easter Shoot Report

Over Easter the gun club conducted the 30th annual carnival with 72 shooters representing fourteen clubs from Geraldton, south to Augusta and across to the Goldfields. This was the best turnout for several years and the crowd enjoyed the shooting and hospitality. Some shooters took advantage of the camping facilities at the grounds.

The shooting started on the Friday afternoon after an hour of practice for keen shooters. This was the District DP PS Championship over 25 targets from 15 metres sponsored by Harvey Seeds. The overall winner was the Club President, Harry Miller who showed the visitors a taste of things to come. Grade placings were: (A) Harry Miller, Esperance; (B) Matthew Shipp WAGC; (C) Lee Nowland, Leonora.

The second event for Friday was the District DR Championship sponsored by Esperance Appliance Centre with the Overall and B Grade winner being former Esperance member, Peter Tyler who now shoots at Collie. A Grade went to Roy Holtfreter of Northam and C Grade to Ray Fuller of Busselton.

Competition on the Saturday commenced at 9 am with the District Double Barrel sponsored by Hotker & Co Superspreaders. The weather conditions were perfect and good scores were the result. Veteran Roy Holtfreter showed how it should be done and won the Overall sash and the A Grade trophy as well. B Grade went to Peter Harris, Esperance and C Grade to John Rose of Esperance.

Event four on the agenda was the District Single Barrel Championship sponsored by Collins Engineering. Collie shooter, Terry Fraser took the Overall sash and trophy, D. Thompson of WAGC took B Grade with John Rose of the home club taking C Grade.

Event five, The Bay of Isles DB Championship consisted of 25T from 15 m and was sponsored by Tubemakers, Esperance. Collie shooter Max Cubic shot consistently to win the Overall sash and A Grade trophy. Other grade winners being (B) Rod Locke of Esperance and (C) Rob Hollier of WAGC.

The last event on the program for Saturday was the 40 Mixed Targets Championship. This event was sponsored by local cartage contractor EJ Billington. Max Cubic again took the overall honours, John Dohnt, Esperance took B Grade with C Grade honours to Lambert Jackson of Narrogin.

The shooting on Sunday started with a 10T ATA EO with a colour TV for first place. Hoechst Agrivet were the sponsors for this event. David Slee from Albany was dominant in the shoot off to win the trophy from David Fox from Collie in second place and Jack Collins from Esperance finishing third.

The State ATA Championships was the next event and was sponsored by Millers Auctions. Harry Miller scored 49/50 to gain the Championship sash with the other placings decided by prolonged shoot offs. Grade placings were (A) Harry Miller, Esperance; (B) D. Thompson, Bussleton; (C) John Rose, Esperance.

The last event for the carnival was the Esperance Grand Prix. 50 targets from 15 metres. This was sponsored by the business people of Esperance and had the biggest trophy value of \$2500 to be spread among all the grade winners. Terry Fraser took the top honours with a 50/50 and the other placings were: (A) Terry Fraser, Collie; (B) Peter Tyler, Collie; (C) Rob Hollier, WAGC.

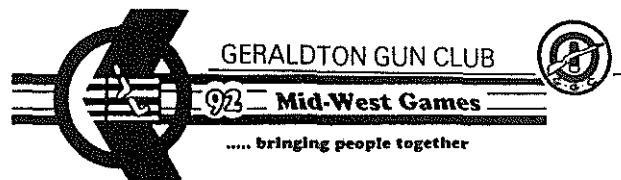

High Gun placings were: Junior — Mathew Shipp, WAGC (sponsored by the Locke family); Ladies — Amanda Shipp, WAGC (sponsored by Westpac and Kevels Furniture); Intermediate — Peter Tyler, Collie (sponsored by Complete Firearms Service); Overall High Gun — Harry Miller, Esperance (sponsored by Complete Firearms Service).

The weekend of shooting was rounded off with a hastily arranged barbecue and general hospitality. The club is indebted to all the sponsors and donors, large and small. In these difficult times their generosity is very much appreciated.

AUSTRALIAN CLAY TARGET NEWS — JUNE 1992

A P O L O G Y

The Australian Clay Target Association apologise to OLIMPYC TARGETS for not advertising the fact that OLIMPYC TARGETS were used exclusively at the 1992 National Trap Championships held at Wagga NSW.

The City of Geraldton hosted the 1992 Mid West Games with approximately 3000 competitors from 17 shires in 35 nominated sports. The mid west region stretches from the Wiluna Shire in the north to the Coorow Shire in the south.

The games are run along similar lines as the Olympic and Commonwealth Games with the Shires in effect representing the various countries. Competitors then compete for gold, silver or bronze medals in individual or team events depending on the type of sport.

The Geraldton Gun Club hosted a 6 event program over two days with shooters coming from the Shires of Northampton, Greenough and Geraldton.

The first event on Saturday was a 50T skeet with Steve Horo winning gold in A Grade with 46/50, Dave Hilsz picked up gold in B Grade with 47/50 and Doug Allan "the quiet achiever" picking up gold in C Grade with 46/50.

The second event was a 50T skeet teams event, with gold going to the 3 man team of Duke Wellington 46/50, Frank Bombara 43/50 and Richard Burton 46/50 giving them 135/150. The team of Mark Hatch, Peter Stuart and Gary Kelly stole silver after a shoot off with the "golden boys" of the first event — Dave Hilsz, Steve Horo and Doug Allan who could only manage bronze this time around.

On Sunday morning, the shooting started with 25 double barrel with Mick Watson winning gold in A Grade with 27/27 after a shoot off with Gary Kelly, Eddie Daw won gold in B Grade with 25/25 and Wade Horo won gold in C Grade with his first 25 target break.

The fourth event was 25 single barrel with Glenn O'Brien winning gold in A Grade with 24/25 and Mark Hatch won B Grade gold with 25/25 and Brian Morris won gold in C grade after a shoot off with Gordon Cammock and Doug Allan who then took silver and bronze respectively.

The fifth event was 25T double barrel points with Gary Kelly winning A Grade with 74/75, Peter Stuart won gold in B Grade with 70/75 and Gordon Cammock won the gold in C Grade with 68/75.

The final event was 10 pr double rise with Gary Kelly again taking gold with 19/20, Eddie Daw scored 14/20 to win gold in B Grade and Frank Bombara won C Grade with 16/20 leaving other C Graders fighting for the silver and bronze.

The skeet high gun was won by Steve Horo with 92/100 and he also won the overall high gun with 232/261 after a shoot off with Gary Kelly and Peter Stuart. Steve also had won the overall high gun in the 1990 games. The trap high gun was won by Gary Kelly with 139/145, he achieved the same feat in 1990 when he scored 125/145 to win.

Another notable performance came from Peter Stuart who won a medal in every event, finishing with 1 gold, 3 silver and 2 bronze and was also in a shoot off for the overall high gun.

Overall shooting was close with only one target in most cases separating whether a shooter won a gold, silver, bronze or missed out altogether.

A full list of winners is provided in the shoot result section.

EDITORS MAILBOX

To the Committee of the Wangarratta Clay Target Club.

On behalf of Terry Pigram and myself I would like to extend our thanks to the Wangarratta Clay Target Club for their assistance to aid us at the National Trap Championships at Wagga recently and for all their support and encouragement. It was greatly appreciated.

Brett Ford and Terry Pigram.

VALE

Jeffrey Lex Tainsh

Members of the Grafton Clay Target Club were saddened to learn of the sudden death of their friend and fellow member Jeff Tainsh, whilst participating at Newcastle Gun Club, Sunday March 22, 1992. Jeff will be missed by clay target shooters from many areas of Australia; the loss will be deeply felt throughout the northern zone of NSW. Jeff's friendly face, kindness, old world charm and much loved wit, will be long remembered by shooters, their ladies (whose cooking and making tea, Jeff always checked out on first arriving) and the juniors about the clubs who were always encouraged and treated by Jeff as mature young people.

Jeff throughout his life had been a keen sportsman, a pole vaulter of note as a youth, a keen cricketer and competitive axeman. He loved the Olympic Games and travelled many times over the years to be present at them.

Jeff had been shooting well at the time of his death, had completed and won a shoot off, and had intended travelling on from Newcastle to the Nationals at Wagga.

Many shooters attended Jeff's funeral and burial services, in the delightful village of Dunoon to pay their warmest respects and to extend to Jeff's family and close friends their sympathies.

We sadly acknowledge the loss to our sport of another fine friend and gentleman.

Barbara Nash
Secretary Grafton CTC

VALE Dick Love

The members of the Wangarratta Clay Target Club were deeply saddened by the death of Dick Love on 4th April, 1992.

A retired farmer, Dick joined the club in 1979 and quickly developed a deep commitment to the club, in particular skeet shooting. He was elected to the committee in 1981 and then as Club Handicapper the following year, a position he held until November 1991.

With his gentlemanly conduct and conscientious dedication to his club duties, Dick soon became one of the most highly regarded members, and when he quietly voiced his deeply considered opinions everyone listened with appreciation.

In 1991 Dick was awarded a Life Membership of the club, an honour he was justifiably proud of receiving.

Words cannot express the sorrow we feel whilst offering our sincere sympathy to his wife Nancy.

Bev Penney
Secretary

MARYBOROUGH TID BITS, QLD

Talking to Kev Seeney (Sec) Gold Coast who tells they have the luxury of shooting clay targets two nights a month along with the third Sunday of the month, now the club shoots Field and Game at the same complex on the fourth Sunday, last month attracting a field of sixty-six shooters . . . plenty of shooting at the Gold Coast.

Bundaberg 5.4.92: With a very windy day Bundy conducted their 100 Target Double Barrel Cash Divide. Shooters to get into the cash were K. Palmer, K. Rehbein, I. Wynyard, G. Sergiacomi, S. Plath, F. Agius, C. Groves with R. Rehbein OAHG and J. Straughair the FMHG.

Because of our tight schedule on the Senior Citz trip around Cessnock I was unable to drop in to the club this year. President Tom Turner at the time was in Wagga, hope you shot well Tom and sorry I missed you.

Gympie 12.4.92: The only possible on the day was shot on tower by G. Durre. It was nice to see Chris Harrison as large as life after driving across a crossing in floods now knowing the road was missing. He had to leave by the car window of his four wheel drive which was under water for thirty-six hours, his car never looked so clean.

Welcome back to shooting after two years break Kylie and dad John Pickford plus visitors from Kingaroy, Sunshine Coast and Maryborough clubs.

Maryborough 26.4.92: Thanks to shooters from Gympie and Bundy, new shooters Dianne and Ken Shaw and son from the F&G for competing, hope you all enjoyed yourselves. Great to see Greg Mathews and son Lee (who took third in the Handicap) from Mt Isa on holidays, best of luck shooting at Townsville on your way back.

Member Sid Polden has packed up and gone back to Tassie. Good to see Dave Griffiths back shooting after trouble with his ticker, also Ike Osborne from Sunshine Coast now out of hospital after ticker trouble. Ike when you go for that swim every morning, keep your eyes off the girls and your heart will be okay. A good turn up at this shoot. Sorry shooters we had a trap malfunction. The shoot went on to be a day/night shoot except we have no lights, shooting the last event being double rise was a bit tricky.

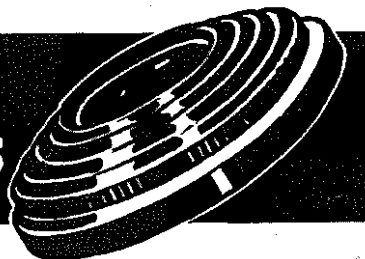

The main event of the day being the Jim Kinghorn Memorial Shoot won by J. Straughair with Chris Harrison runner up. The 50T event is our postal shoot with Wairau Firth in Blenheim NZ, results being OA and A Neil Berry, B to N. Dale and C to J. Straughair.

Don't forget to get your ticket in our raffle for the Norfolk Island trip next year. One chance in 400 at \$25 per ticket, post of MCTC, PO Box 590, Maryborough, Queensland 4650.

Good shooting to all, 'til next time see you at the shoots.

Beretta

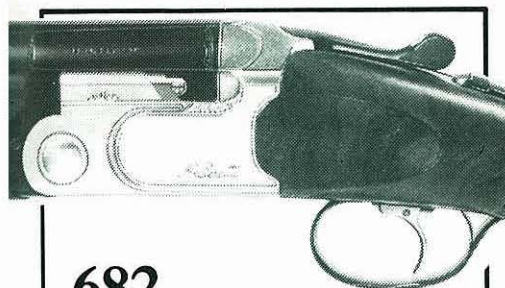

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

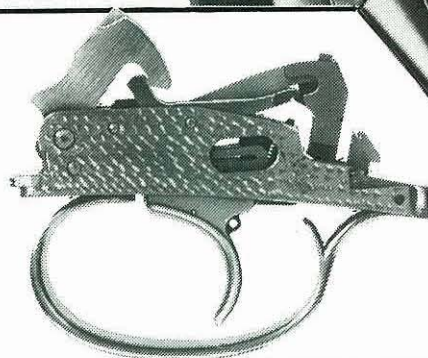

Features include:-

- * Low profile action for unsurpassed pointability.

682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

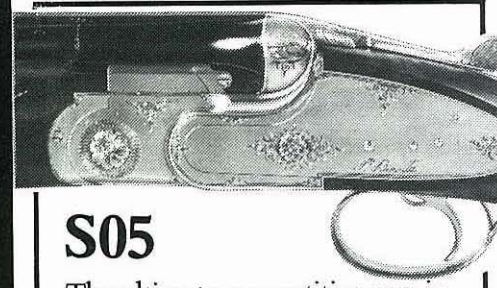

Field removable in one, split second motion for quick inspection, cleaning or lubrication. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking, "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped main-springs. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- * User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- * Advanced dimensioned quality walnut stocks.
- * Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- * Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
