# A PERFECT 10!

## NEW

## MIROKU

# 10

1

*Long choke tubes for undistorted patterns. Something very special for Model 10 only.*

2

*"Over Bored" for better ballistics and less perceived recoil.*

3

*Choice of 28", 30" and 32" barrels.*

4

*Ventilated barrels for fast handling and balance.*

5

*Tapered 13mm by 10mm raised floating rib for instinctive target alignment.*

6

*Adjustable trigger positions - correct for your hand only - minimises flinching, improves timing.*

7

*Palm swell for greater gun control.*

8

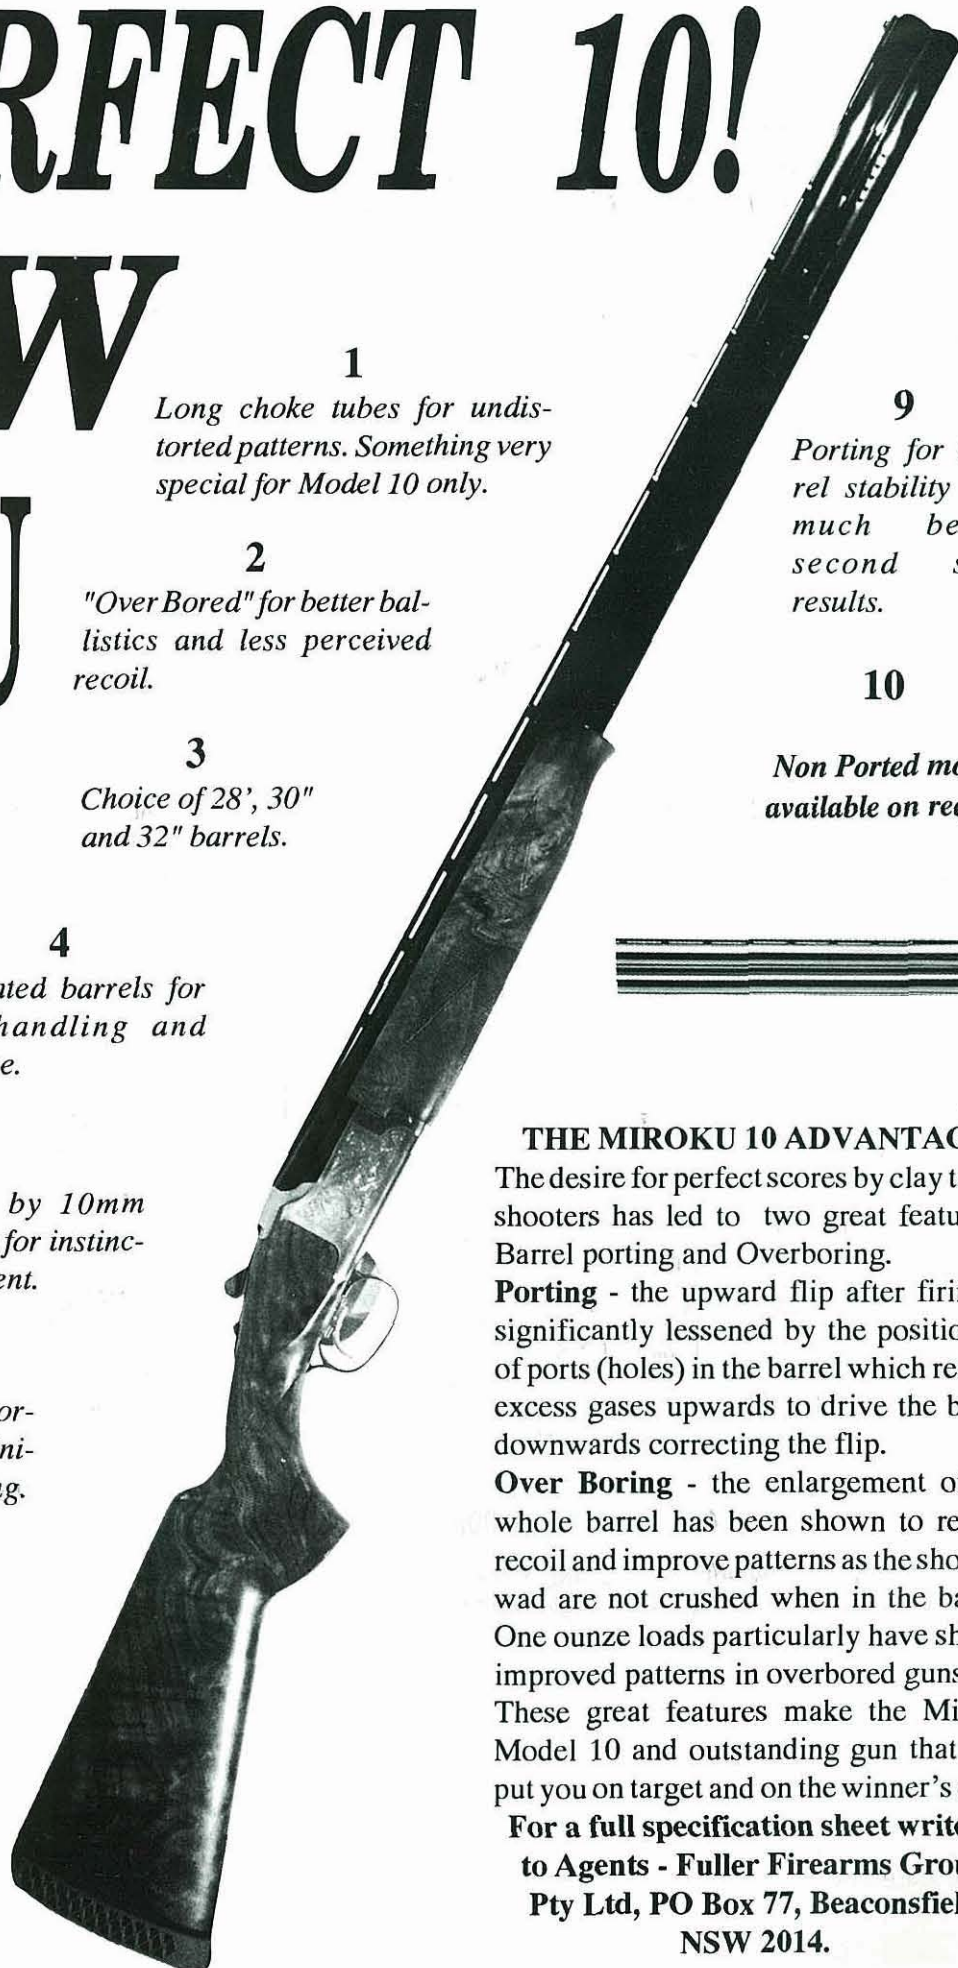

*Three Grades - I, V and Presentation in Trap, Skeet and Sporting models.*

9

*Porting for barrel stability and much better second shot results.*

10

*Non Ported models available on request.*

### THE MIROKU 10 ADVANTAGE

The desire for perfect scores by clay target shooters has led to two great features - Barrel porting and Overboring.

**Porting** - the upward flip after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

**Over Boring** - the enlargement of the whole barrel has been shown to reduce recoil and improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.

# NATIONAL PRESIDENT'S NOTES

## Winchester Sponsorship

The A.C.T.A. has received a letter from Winchester's Marketing Manager, Mr Bruce BURNS requesting that shooters be advised of the extent of the proposal put forward by them.

In brief, the proposal was for a two (2) year period covering the National Trap, Skeet and Olympic Discipline Championships. The sponsorship would have been in two (2) divisions - (i) Sponsored Award for persons winning **not** using Winchester products and (ii) Loyalty Award for persons winning using Winchester products. The sponsored award amounted to \$44,500 (retail value) and the loyalty award \$54,400 (retail value).

If the A.C.T.A. was to accept this proposal, conditions applying to it were, as stated in last month's column. Winchester ammunition to be sold and distributed exclusively on the grounds for all Nationals and Pre-Nationals. The use of Winchester targets at the events for the two (2) year period. There were other conditions requested by Winchester in the proposal regarding advertising on the ground and in the C.T.S.N.

I must apologise to Winchester if they believe that my comments in last month's magazine indicated an unbalanced understanding of their proposal, it was certainly not intended.

The A.C.T.A. must have sponsorship to continue to provide shooters with a high standard of competition and awards and the decision taken by the National Executive was not taken lightly.

## Office Manager

Mr Ian HILL has been appointed as temporary Office Manager until such time as a review is completed for the position of Executive Director.

Many shooters will be delighted with this appointment. Ian was previously in the Executive Director's position and hopes to renew old friendships, as well as helping to keep the wheels of our organisation turning.

## Rules

A full list of rules introduced on the 10th February, 1993 appeared in the February edition of the C.T.S.N.

Within this printing were a number of spelling and grammatical errors, as well as some changes that were overlooked.

The Victorian Clay Target Association is at present compiling a full re-write. This re-write will eventually be grammatically correct, as well as having the same wording in any Rule that is relevant both to Trap and to Skeet. As can be appreciated, this is quite a job.

## C.T.S.N.

What do you expect in the C.T.S.N.? Are you happy with its current format? Would you like to see some changes?

The current Executive is about to review the C.T.S.N. and would like input from everyone. In that way, we would be able to give you the magazine you require.

Constructive suggestions would be greatly appreciated and would be considered in any review.

## Nationals

The current Executive is working hard to make the Adelaide Nationals an event to be remembered, as one of the best yet conducted. We look forward to seeing you there and talking to you. Good shooting.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi - no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 1/2" and 31 1/2" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

# 1993 NATIONAL TRAP CHAMPIONSHIPS

## OFFICIAL PROGRAM

Virginia, South Australia  
March 27 to April 1

To be staged on the grounds of the State Shooting Park, Virginia by the South Australian Clay Target Association, for and on behalf of the Australian Clay Target Association.

### Organising Committee

SACTA	President Mr G. Michell
Tournament Director	Mr G. Michell
Shoot Marshall	Mr P. Quire
Office Manager	Mrs L. Bunting
Trap Mechanic	Mr K. Polst, Mr F. James & Mr B. Heffner
Scoreboard	Mrs R. Michell & Mrs J. Curtis
Handicapper	Mrs R. Ayres
Jury	Rule 4.14 (a) & (d)
Host Club	President Mr P. Marcolionni

### Conditions of Competition - Entry

Entry into the 1993 Australian Trap Championships is open to all shooters who are registered for 1993 with the Australian Clay Target Association. Temporary honorary membership will be offered to overseas visitors who can produce evidence that he or she is a current financial member of their home country's equivalent body to the Australian Clay Target Association.

Australian competitors **must** produce their 1992 and 1993 registration cards, before nominating, to the 1993 Nationals Office Handicapper. Where a competitor was not registered for 1992 he/she must produce his 1993 registration card.

### Divisions

The competition will be divided into a number of divisions. Exceptions to this rule are events where there are separate Championship titles for Ladies and Juniors, these events being the: National Double Barrel Championship, National Single Barrel Championship and the Australia/New Zealand Trap Championship.

Shooters may nominate in any one section of an event - Open, Ladies, Junior, Veteran.

Shooters who are eligible for, and elect to pay a reduced nomination (60% of open nomination) to enter a specific section, shall only be eligible for the section entered, as well as all High Gun awards.

A minimum of three persons must compete in any grade or section before sashes/medals/trophies are awarded.

When team selection is involved shooters shall be eligible for the Open team irrespective of the section nominated for. In addition to Open teams, shooters shall be eligible for team selection for the section nominated, Ladies, Junior or Veteran.

To be eligible for selection or naming in any team, competitors must have competed in a clear majority of programmed events.

### Age Qualifications

Veterans - are those competitors over the age of 65 years on March 27, 1993.

Juniors - are those competitors who, on March 27, 1993 will be under the age of 18 years.

### Starting Time

Each day's event shall commence at 8.30am.

Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination, shooters will be re-squadded towards the end of the event.

Should a shooter being late for his squad then elect to withdraw from the event, he shall not be eligible for any refund of nominations paid.

### Cartridges

For all events, excluding the Grand Australian Handicap, load size for all National Title events is limited to 28g struck measure or equivalent shot size not larger than No.6.

Cartridges of the competitor's choice, including re-loads, may be used in all National Championships. Cartridges will be available for purchase at the National Championships.

### Targets and Traps

Targets through the program are to be black and will be supplied by Winchester Australia. All targets thrown remain the property of the organisers.

All throwing equipment will be electronically operated.

### Classifications

It is the responsibility of the competitor to see that their entry is correctly classified - an indication can be obtained from the daily scoreboard. This applies to trap grades, **Open, Ladies, Juniors** and **Veterans** divisions.

Contestants are reminded that re-grading and re-handicapping will be carried out on a daily basis, where required by the rules.

Womens, Juniors and Veterans who have elected to enter the Open section, will be indicated on the High Gun Scoreboard as: OL, OJ, OV.

### Major Sponsors

The Association gratefully acknowledges the sponsorship received from the following major sponsors:

Fuller Firearms - for the donation of Miroku Grade 5 shotgun and trophies for the Double Barrel Championship. A Browning B325 shotgun and trophies for the Australia/New Zealand Trap Championship.

Olympic Targets - for the donation of trophies for the Champion of Champions.

Winchester Australia - for the donation of Beretta A390 shotgun and trophies for the Single Barrel Championship. A Beretta 682 shotgun for the Overall High Gun and Winchester Shotshells for the Mackintosh Team Shoot.

### Practice

Practice, subject to trap availability, will be available throughout the championships. Tickets may be purchased at the designated area.

### Cash Prizes

Cash prizes will be awarded in all events with the exception of the Grand Australian Handicap and the Deauville Doubles, to the Overall winner and the winner of each Grade.

The cash prize for the Overall winner shall be calculated on 50c per nomination, the Grade winner shall also be calculated on 50c per nomination in the particular grade.

### Shoot-offs, Continuation of Events

If, for any reason, the event cannot be completed on the day it commences, the management reserves the right to stop shooting at any time, if considered necessary.

In such a case, the competition will recommence where it left off on the following day.

### Nominations - All Events

## Authority

This program shall control the 1993 Australian Trap Championships. The shooting rules of the Australian Clay Target Association will govern all points not otherwise provided for.

The Association's Executive Committee, through the Tournament Organising Committee, reserves the right to, at its discretion **at any time** prior to the commencement of any event on the 1993 National Trap Championships program, to change or modify the program in any way.

**GAMBLING IS NOT PERMITTED ON EVENTS STAGED BY THE AUSTRALIAN CLAY TARGET ASSOCIATION.**

## Services and Facilities

**Catering:** The catering service will be provided by an outside contractor. Arrangements are being made for meal services to be available with an extensive but practical menu.

**Trade Displays:** Commercial organisations associated with clay target shooting have supported the tournament by establishing displays of products connected with the shooting sports. These displays will be located in an area specifically designated for trade exhibits. Competitors and visitors to the ground are encouraged to support these trade displays as, in this way, exhibitors can be encouraged to maintain their support for clay target shooting.

**Parking:** Ample parking is available for the cars of competitors and visitors. The parking area will be clearly marked. Please do not park in any area as being reserved, as freedom of movement is required at all times - PLEASE CO-OPERATE.

**Souvenirs:** In addition to a variety of souvenirs which will be offered by commercial supporters of clay target shooting, the Australian Clay Target Association will merchandise a souvenir 1993 National Championships badge.

# CONDITIONS OF ENTRY

1. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.

**NOTE:** A \$20 fee will be charged for the issue of any duplicate Handicap Card.

2. Squads of 6 to shoot 50 targets/75 targets in brackets of 25, one visit only to the traps.
3. While shooters may request to be squadded in the same way as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
4. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. **Should the two minute time limit be exceeded then a penalty of the LOSS OF ONE TARGET shall be incurred.**
5. Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination, shooters will be re-squadded towards the end of the event.
6. Should a shooter being late for his squad then elect to withdraw from the event, he shall not be eligible for any refund of nominations paid.
7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet, he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the lowest recorded.
8. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET IN THE NEXT EVENT**. Should a following event not be programmed, then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
9. Shooters will be drawn from each day's last round squads to referee and score the first rounds of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility shall be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person.
10. Any unauthorised shooter interfering with, or attempting to interfere with, the trap will be penalised **FIVE (5) TARGETS**.
11. All disputes must be in writing, together with a \$20 deposit, which is refundable subject to the appeal being upheld.
12. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
13. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep/purse will only be accepted at the designated area, which shall be at a different location to the area accepting shooting event nominations.
14. Optional sweep/purse prizes will be available for collection on the day following each event, with the exception of the final day. All payments must be signed for and proof of identification given if requested.
15. When team selection is involved, shooters shall be eligible for the Open team as well as Section teams irrespective of the section nominated for. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.
16. Persons paying a reduced nomination are considered eligible for all High Gun awards, Section(s) and Overall. Competitors

must compete in a clear majority of programmed events to gain High Gun recognition.

17. The Overall winner in any event shall not be eligible for additional recognition in any Grade or Section (full nomination). Competitors other than the Overall winner in any event, shall be eligible for recognition in any Grade or Section in which they are eligible to compete (full nomination). Competitors entering in any specific section of an event shall only be eligible for recognition in the section entered (reduced nomination).

**ONE NOMINATION ONLY MAY BE PAID - OPEN OR SECTION.**

18. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals, trophies are awarded, irrespective of nomination paid.
19. Nominations will close daily at 11.00am.
20. The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
21. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
22. An acceptable standard of dress is required for all competitors - Tournament Director to adjudicate.
23. All competitors must comply with firearms licencing laws in their state of residence and in the state of South Australia.

## FIREARMS LICENSING

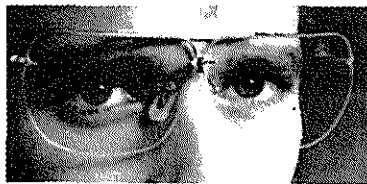

### 1993 TRAP NATIONALS

A reciprocal arrangement exists between South Australia and other states for the carriage and use of firearms in South Australia.

All shooters attending the Trap Nationals are reminded that your licence must be carried at all times when transporting or using your firearm. If your licence is not carried at all times, your firearm may be confiscated.

Tasmanian shooters attending the Nationals who having made application for licences but still await receipt of them, should contact the authority responsible explaining the need to have the licence before travelling to Adelaide.

# 1992 PRESIDENT'S REPORT TO THE AGM

1992 saw major changes within the A.C.T.A.

The introduction of the seven person Management Committee enabling each State to have a member on this committee, has been very well excepted by members of the A.C.T.A. Despite very strong opposition to this in the first instance from within the Executive, it is now being accepted as the correct move.

All sub-committees are now functioning extremely well under their respective chairpersons and all are working to bring significant changes to the A.C.T.A. that will benefit all. What the current Executive lack in experience, they certainly make up for in enthusiasm.

During the year Mr. Robert SMITH, Mr John FISSIOLI and Mr Dennis LYMN resigned their positions on the Executive. We thank them for their input over the past years and hope they continue to enjoy the sport and continue their interest in all aspects of the A.C.T.A.

To the Executive we welcome Mrs Elaine FORD, Mr Bill EAGLE and welcome again to Mr Pud BURGESS. These new members are contributing enormously already and we hope they are with us for some time.

During the year the services of Mr Alan MAHER were terminated on a majority vote of the full Executive. Much has been written and spoken of this and I believe it now suffice to say, that the National Executive is positive in their endeavour to bring the A.C.T.A. administration and services to the highest standard it has experienced. A full review is being made in regards to the position of Executive Director and to the role of all members of the Executive.

I believe the next few years will be the best ever for the Association and for Shooters.

During the year some very long breaks were shot in the sport, but undoubtedly the best effort was the establishment of the National record in trap by Russell MARK. One cannot help but think it will be a long time before a shooter registers 1178 plus to break it.

Mention must also be made of the effort of Adrian COUSINS in America. It shows that Australia has shooters capable of winning against the best the World can offer.

Our Director of Coaching, Mr Murray ALEXANDER has been extremely busy in his role as well as being an International team manager. The publication of the 'Introduction to Clay Target Shooting' was long overdue. I have no doubt that sport is going to benefit immensely from Murray's expertise and guidance in the coaching avenue.

The introduction of the D.T.L. International Match was an enormous boost to our trap shooters and the team of Brett DUNSTAN, Desiree HUDDLESTON, Craig BENTLEY, Jon WHITTAKERS and Tony BRADSHAW represented us proudly in Wales.

Our Olympic shooters Russell MARK, Michael DIAMOND (Trap) and John SUMMERS (Skeet) ably represented us in Barcelona and it was very evident that these shooters are certainly up there with the best and who knows. Gold in 1996!

The Skeet Nationals in Perth were well attended and well conducted and congratulations to our National Skeet Champion, David DUNDON of Queensland.

The Trap Nationals in Wagga were very well attended and saw some surprises, but probably no greater than Craig BISHOP's win in the Double Barrel. It's things such as this that makes our sport great.

The 1992 State Postal Team Match saw wins as follows:

TRAP:	Open:	Victoria	1484
	Ladies:	Victoria	352
	Junior:	N.S.W.	357
SKEET:	Open:	Victoria	492
	Ladies:	W.A.	104
	Junior:	Victoria	112

The winner of the J. Newton Thomas Junior High Gun award was Vince MOLLICA (Victoria) with 74/75.

We did not fare very well at all in the Macintosh Team Match in 1992, but we hope this can be corrected in 1993 in all sections.

Thanks must be extended to the girls in the office, Leanne, Gloria, Danni and Gina and to the assistance of Ian HILL as temporary Office Manager.

During 1992 a life membership was awarded to Mr Leighton MARTIN for his long involvement in the sport and his long term as a member of the Executive. Congratulations Leighton.

Pressure is still being exerted on shooting from anti-organisations within the Australian community. We must be presented as a strong unified organisation protecting our rights as sporting shooters.

In closing, I thank all those who have supported the current Executive in their open administration over the past few months and we look forward to your future backing.

**Glenn G. Woodhatch**  
National President

## AUDITOR'S REPORT TO THE MEMBERS

I have audited the accounts in accordance with Australian Auditing Standards. In my opinion:

- the accompanying accounts of the Australian Clay Target Association, being the statement of assets and liabilities, statement of income and expenditure, notes to the accounts in accordance with the provision of the Companies (Victoria) Code, are drawn up so as to give a true and fair view of:
  - the state of affairs of the Association as at 31st December 1992 and of the results of the Association for the year ended on that date; and
  - the other matters required by Division 4 of part 3.6 of the law to be dealt with in the accounts;
- the accounting records and other records and the registers required by that Code to be kept by the Association have been properly kept in accordance with the provisions of that Code.

Dated this 17th day of February 1993

**B. M. Boehm**  
C.P.A.

## STATEMENT BY EXECUTIVE COMMITTEE

In the opinion of the Executive Committee;

The accompanying Statement of Income and Expenditure is drawn up so as to give a true and fair view of the results of the Association for the year ended 31st December 1992.

The accompanying Statement of Assets and Liabilities is drawn up so as to give a true and fair view of the state of affairs of the Association as at 31st December 1992.

At the date of this statement there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

The accompanying accounts of the Association have been made out in accordance with applicable approved accounting standards.

For and on behalf of the Executive Committee by authority of the resolution of the councillors made on the 18th day of February 1993.

**G. Woodhatch, President**  
**A. Kenny, Vice President**

# RULES

**Trap and Skeet shooting rules are still undergoing correction and amendment and will be printed, hopefully, in the April issue of the C.T.S.N.**

**Below are amendments to I.S.U. Rules as printed in the February C.T.S.N.**

## 3.20 ISU POSTAL TEAMS MATCH

- (a) Olympic Trap and ISU Skeet - The qualifying event shall be conducted over 50 targets. Teams are to consist of 6 shooters with the top 4 scores to count - the course of the team's event is to be 50 targets. ISU Ladies and Junior teams to consist of 4 members with the 3 best scores to count - 25 targets per team member.
- (b) Double Trap - The qualifying event shall be conducted over 25 pairs (50 targets) for the men's team and 20 pairs (40 targets) for the ladies and junior teams. Teams are to consist of 6 shooters, with top 4 scores to count for men, and 4 shooters in both the ladies and juniors teams with the top 3 scores to count.

The course of the event shall be 25 pairs for men and 20 pairs for ladies and juniors.

## 3.22 ISU CHAMPIONSHIPS - Olympic (ISU) Trap & Skeet

- (a) Commonwealth, State, Zone and District Championships must be conducted using International Shooting Union Rules. Cartridge specifications for all ISU events restrict shot load to a maximum of 24 grams of shot size no larger than 2.5mm. Compensators or similar devices (e.g. barrel porting) are prohibited on all guns used in UIT Trap and Double Trap events.

ACTA grading system shall be in addition to ISU Shooting Rules.

The Conditions of Entry for State Championships shall be the same conditions as apply for National Championships.

- (i) District ISU Championships to be of 50 targets or 125 targets.
- (ii) Zone ISU Championships to be of 50 targets or 125 targets.
- (iii) State ISU Championships to be of 125 targets.
- (iv) Commonwealth & National ISU Championships to be of 125 targets.
- (v) State or Commonwealth Universal Trench (5 trap) to be of 50 targets (minimum), or 125 targets.
- (vi) All 125 target ISU Trap and Skeet Championships should include a further 'final round' of 25 targets for the top 6 competitors to determine the first 3 placings.
- (b) (i) All ISU events shall be run as graded events, and equal trophies shall be provided for each grade. Section and grade ties after 125 targets in Olympic Trap and ISU Skeet Championships should be broken by a shoot-off comprising of a full round of 25 targets, followed by a single barrel miss-and-out shoot-off if scores are still tied after one full round.
- (ii) Shooters shall be graded into four classes by their percentage performance at all targets fired upon in competition, and shoot-offs from 15 metres at either ISU Trench or UIT Trap.
- (iii) The grades shall be: A - 95% and over; A - 85% and under 95%; B - 75% and under 85%; C - under 75%.
- (iv) It shall be the responsibility of a designated club official to progressively mark the shooter's card and after each 250 targets, regrade the shooter if necessary.  
Note: If the 250 targets fall during an event or shoot-off, regrading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets are to be used in calculation of percentage. When he re-registers, the shooter shall be placed in the allowable grading indicated by his percentage at the conclusion of his last 250 targets. If he has not shot at 250 targets during the year he shall be graded on the percentage of the targets shot at up to the time of re-registration.
- (v) A shooter may have his grade increased after shooting 250 targets but must shoot three consecutive groups of 125 targets at a lower grade percentage - to be down-graded. All scores after the last grading must be carried forward onto the new handicap card.
- (vi) Until such time as a shooter records his initial 125 ISU or UIT targets he shall be placed in the same class as his grading under ACTA rules.

## 3.23 ISU DOUBLE TRAP

- (a) All Double Trap events must be conducted under ISU Rules.
  - (i) District and Zone Championships to be of 50 pairs (100 targets).
  - (ii) State and National Championships to be of 75 pairs (150 targets).
  - (iii) Ladies and Junior Championships to be of 40 pairs (District and Zone), 60 pairs (State and National)
- (b) All Double Trap events must be run as graded events and equal trophies shall be provided for each grade.
  - (i) The grades shall be - AA Grade 80% and over; A Grade 70% and under 80%; B Grade 60% and under 70%; C Grade under 60%.

## 3.24 BALL TRAP

- (a) Commonwealth, State, Zone and District Titles must be conducted under ISU rules.
- (b) Gradings shall be as ISU trench, AA 95% and over; A 85% and under 95%; B 75% and under 85%; C under 75%.

- (c) State and Commonwealth Ball Trap Titles to be of 50 targets (minimum), 100 or 125 targets.

Zone and District Titles to be of 50 targets (minimum) or 125 targets.

## 3.25 ISU TEAMS MATCHES - Olympic Discipline National Championships

- (a) Interstate Shoulder to Shoulder teams matches will be conducted at National OD Carnivals for Open, Ladies and Junior teams in Olympic Trap, ISU Skeet and Double Trap.
- (b) Team Events will be as follows:
  - (i) Olympic Trap and ISU Skeet over 125 targets shot in conjunction with the National Championship. Open teams 3 members, Ladies and Juniors 2 members per team.
  - (ii) Double Trap teams match shot in conjunction with the National Championship, of 75 pairs (150 targets) for Men and 60 pairs (120 targets) for Ladies and Juniors. Men's team 3 members, Ladies and Juniors teams 2 members.

## 3.26 SASHES Change of rule No. only

## 4.12 CARTRIDGES

- (b) For handicap events, load is restricted to 32 grams struck measure or equivalent, shot size not larger than No. 6.

## 7.6 ISU CHAMPIONSHIPS

- (a) Commonwealth, State, Zone and District Championships may be conducted under International Shooting Union Rules using standard targets only.
- (b) Trophies for ISU Championships should be limited to sashes, badges and similar. Clubs may provide additional trophies at their own discretion.
- (c) Number of targets shall be:  
Commonwealth - 125 targets; State - 125 targets; District - 50 or 125 targets; Zone - 50 or 125 targets.

# BUSHMAN

## New low price field loads from Winchester

Winchester have just released their latest entry into the low price field shotshell market.

The budget price BUSHMAN range caters for all popular hunting requirements, consisting of both 32 gram and 36 gram loads in shot sizes BB, 2, 3, 4, 5, 6.

Muzzle velocity for both FIELD (32gr) and SUPER FIELD (36gr) is 1275 f.p.s. - ideal for a wide range of field applications.

Unlike other low price shotshells BUSHMAN are loaded in compression formed plastic hulls for superior gun function in all action types.

Winchester advise BUSHMAN pricing will be extremely competitive.

## SKEET NEWS

What a month has passed for skeet shooting, with successful shoots in Griffith and Wagga. The A.S.S.A. shoot in Wagga was a resounding success, with all reports of a happy, well run shoot. I feel next year's event will be even better, attendance-wise.

The New Zealand contingent shot well and the presence of the Kiwi's was well appreciated, as always. On my recent visit to New Zealand, the folks over there are looking forward to the Aussie's coming over to their skeet shoots, so, all who are going over will have a great time.

Our I.S.U. trip to the Oceania was a mixed bag. On the first day of practice our team shot brilliantly. The next day the Waitemata wind got up and we struggled to win the gold team medal. With Craig Meuleman shooting really well, the erratic targets were proving a real problem.

In the individual match, the wind and rain on the first day was proving difficult, with only one shooter really taming the birds - Des Coe from New Zealand. Des shot really well, with Geoff Dukes from New Zealand close on his heels. The next day was a bit kinder weather-wise, but Des kept his head to take the honours.

The final was tight, with those behind Des - Geoff Dukes 108; myself 107; Tim Dodds 107; Malcolm Duff 107; John Farrell 107. Tim Dodds shot the only 25/25 for the whole tournament, to finish second.

The results were New Zealand 1st, 2nd and 3rd, with Geoff Dukes taking out the bronze. So we got a fair hiding and the Kiwi's loved it. Something interesting came out of the match, however, in I.S.U. Skeet, the competitor can now use No. 7 to No. 9 shot size, so it is worthwhile to pattern your gun in these sizes, as windy conditions will have a marked effect on patterns, with light shot, especially on the shot string.

Shooters using 20g 28g 410g may also like to pattern test to heavier shot, so that they may be more competitive in windy conditions.

Quite often I am asked about skeet guns by people who are wanting to purchase a new gun, so in the next few months I hope to road test a few of the firearms available. The first will be Miroku's new model - 10, especially the grade 5. I am very impressed with this gun. In the sporting version, it comes with chokes, porting, backboring, adjustable trigger, tapered rib and an excellent weight and stock height. The price ticket is reasonable, so I am looking forward to giving it a run. World Cup winner and Olympian, John Summers, is just about to get a ASE 90 skeet gun, so it will be good to see what Beretta comes up with in this high quality piece.

With regards to my comments on League Shooting in the last column, I have had quite a lot of feedback (all positive), of which I thank you, so I will draw up a proposal and let it go through the right channels and see what eventuates.

In closing this month, I would like to congratulate Reg Clarke on his High Gun win at Wagga. A really top result especially in the Doubles, where Reg and Dave Cunningham both shot a 99/100, with the old boy pipping Dave at Station 2 in the shoot-off. Well done Reg. Enjoy your shooting and bring a friend.

## 1993 A.S.S.A. SKEET OPEN

A new era has begun for skeet shooting in Australia. Shooters attracted by 5 trips to New Zealand and \$500 spending money converged on Wagga Gun Club over the Australia Day long weekend. With over \$10,000 in prizes, this shoot had to be the richest skeet tournament ever held in Australia.

Shooters from all over Australia and some from New Zealand turned out on Saturday morning to stake their claim for some of the prizes. The notable prize was a Miroku model 10 skeet gun sponsored by FULLER FIREARMS as a door prize for all competitors who entered all four days of the Tournament.

Jenny Burt had the office up and running early (before most of us were out of bed in fact). As always Jenny and her helpers took nominations and had squads ready to start at 9 o'clock. Tournament Director, Tony Long, and Shoot Marshall, Col Burt, got the first squads started with the help of volunteer referees and scorers. It didn't take shooters long to feel the atmosphere and the comments of how friendly and happy everyone was soon followed. At the half way mark of the first day, twelve 50 straights were posted. It was obvious that scores were going to be very high. In fact over the four days there were 7 x 100 straights and 20 x 99/100 even two 99s in the doubles event. Amazing!

The idea of 5 person teams made up by a shooter from each grade and either a lady, junior or veteran was very popular. This ensured that everyone on the ground was involved in team shooting.

Shoot-offs began with the lucky number draw for an Akubra hat, proudly sponsored by Tom Edwards and the Akubra Company. Lucky number 5 was drawn, and all those who shot 95 for the day lined up behind station 3. Shooters each shot two targets, those who missed put their guns away while the others continued to station 4 to repeat the process. Finally Kevin Weatherall from Tamworth was the first winner of the fabulous Akubra hat.

The main shoot-offs were completed, leaving Neal Dimmick the winner over New Zealand shooter, Gary Lisle and Jim Wilberforce. All three shot the 100 straight, with Neal continuing on from his 199/200 in the Pre Open held the previous two days.

Reg Walker from Glenvale Gun Club in Victoria had his ZZ's set up and many shooters took the chance to shoot some elusive ZZ targets. This proved to be an exciting inclusion to the carnival and added to the atmosphere.

Day two promised to be just as exciting, and shooting was started on time again. The clouds hung low overhead and showers soon started. This cooled the air and made shooting more pleasant. Once again the lower grade scores were very high and shooting was close. Three C graders shot 90/100, with David Normoyle emerging the winner from Peter Hayes and junior, Francois Callanan. Francois is a new young junior from Wakehurst, and there is no doubt he has plenty of talent. We expect to see lots more of Francois at presentations in the future. Our one member who travelled from Western Australia, Scotty Gibson, took out A Grade for the day.

Some of the trade displays.

Frank Smith from WINCHESTER AUSTRALIA, the sponsor for the day, presented David Cunningham the Overall trophy and a couple of cases of Winchester Ammunition. David won the event after posting a perfect 100/100.

The Akubra hat lucky number shoot-off was once again very popular, with number 5 being drawn for the second time. Bob Dower from South Australia was the winner after shooting doubles at stations 3, 4 & 5. After presentations the Wagga Gun Club put on a barbecue which was enjoyed by all.

Day three came around all too quickly for all those who had been run off their feet. This was it, the main event sponsored by Sergio Zulfo of SCORPIO/OLIMPYC. Sergio's sponsorship was much appreciated by the shooters.

After the qualifying rounds were completed one B grade shooter stood alone with a score of 99/100. This included a break of over 75 straight. Congratulations must go to Tom Edwards from Melbourne Gun Club. The intensity of the competition and shooting was bringing out the best results from all of the grades. Tom started in B grade and finished up in AA. 99/100 was also the A grade winning score shot by John Gillman also from Melbourne.

The notable shoot-off for the day was for AA 2nd. All shooters agreed to shoot doubles at stations 3, 4 & 5. This turned out to be very exciting, with the audience hanging on every shot. Mal Briggs and Paul Johnston shot over a round and a half before Paul Johnston emerged the winner. Great Shooting.

Only two 100 straights were shot for the day, both Glenn Clarke and Brian Thomson shot doubles to decide the winner - Glenn coming out on top. He was very pleased and proud to be the first winner of the ASSA Open Title. The Akubra hat was won by junior shooter, Andrew Gillman.

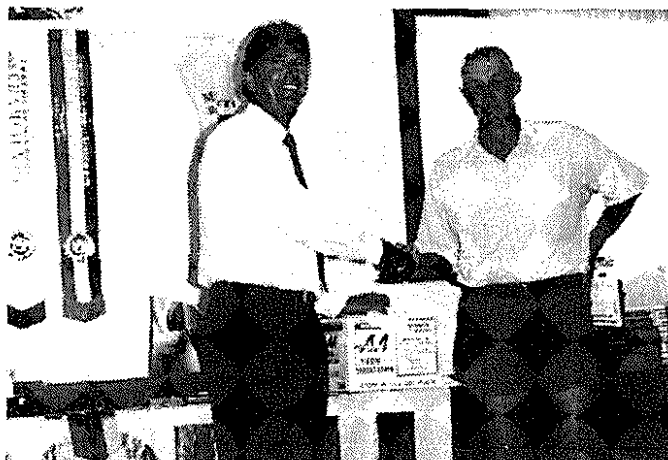

After presentations the AGM was held, in which a new A.S.S.A. Committee was elected. The amount of shooters who stayed back for the AGM was proof of the new interest of the serious skeet shooter. Many shooters voiced their ideas and opinions on many topics. All to the benefit of skeet shooting and the promotion of skeet around Australia.

The final day was doubles day, or as many had commented D Day, when it came to winning a trip to New Zealand. The weather was overcast and windy, which was not favourable for good doubles scores. However, this was not to be. Reg Clarke and David Cunningham both posting a 99/100. Amazing shooting for the conditions. After the shoot-off, Reg Clarke was victorious, winning the Brno .22 rifle sponsored by CLAYTON FIREARMS. Clive Barton of Tamworth took out A grade and a pair of binoculars sponsored by IAN McGEOGH of Albury. Clive shot a great 95/100. Lady shooter, Lee Brownbill, carded a 93/100 to take the ladies event. The Akubra hat was won by young lady shooter Katie Light from Melbourne, after a shoot-off with half a dozen guys.

The five winners of the trips to New Zealand were Reg Clarke 394/400, Tony Long 389/400, Garry McDonald 376/400, Rodney Wright 370/400 and junior Richard Sammon 380/400. Well done to those shooters and good luck in New Zealand at the Skeet Carnival and Nationals at Hamilton.

The final presentation was the Miroku Model 10 skeet gun sponsored by FULLER FIREARMS. We can't thank Fullers enough for their support. When the ticket was drawn out of the hat, Bob Dower from South Australia was nowhere to be seen, finally he emerged from the masseurs room with only shorts and a pair of socks on - completely bewildered and genuinely a very happy man.

Overall this carnival was a complete success and we expect it to be bigger and better next year. Thanks once again to the people who gave their time and efforts, and thank you to the SPONSORS who stood up and supported both the ASSA and skeet shooting.

Winchester representative, Frank Smith, presents Scotty Gibson his trophy for 1st A Grade in the A.S.S.A./Winchester Championship.

David Normogle, 1st C Grade in the A.S.S.A./Winchester Championship, being presented with his trophy by Frank Smith from Winchester.

Trophy display.

## YANKS GRAB GIPPSLANDER

A Gippslander has been appointed America's national skeet coach. The 47 year old former Bairnsdale accountant won the overall aggregate at the world skeet championships in America last year. Adrian Cousens had won everything possible in Australia, so set out to conquer the home of skeet.

Bairnsdale is also home to Gippsland's current best shot, Lynne Curtis. (That feminine version of masculine Lin got him into scraps at school.)

The 43-year-old used car salesman is the current Australian points champion. He has also won the Australian handicap and the New Zealand double barrel title.

He is partly sponsored by Sydney cartridge manufacturer, Scorpio.

Bairnsdale timber man, Stan Collins, and electrician, Bruce Hall, have also performed well at state and national level. Stan has run-up in the Australian double barrel, been second in an Australian handicap and has achieved a rare 50/50 off 25 metres.

Morwell rigger and crane driver, Bernie Stokes, was 37 six years ago at Echuca when he was the only one of 613 competitors to shoot a 50/50 and win the Australian handicap off 17 metres.

Twenty one years ago at Griffith, Bena dairy farmer, John Green, not only won the handicap, but the champion of champions, ran-up in the double rise and won the aggregate over the program, in the days when skeet was included in the aggregate. He had previously run-up twice in the aggregate. John, 60, is the best known of 'The Shootin' Greens,' a South Gippsland family who rarely fail to handle a gun or rifle each week.

John's eldest son, Philip, 33, a forestry officer near Penola, has made the South Australian team several times. Philip and his Bena dairy farmer cousin, Malcolm Green, 36, have attained the rear mark of 24 metres. The Green's also shoot quail, duck - snipe, when there was a season, and foxes with Jack Russell terriers. More than once duck shooters have cradled their guns and applauded as John has brought down five birds with five shots with his 'jack-hammer.'

I remember him for a 50 metre half-choke shot at a snipe that zigged left between two trees, then zagged right from behind the further tree. "Gotcha!" declared Greenie, as the wader from Japan found its evasive action had been futile.

Gippsland also has the current Victorian schoolboy/girl champion in Mitchell Foon, 16, of Lance Creek near Wonthaggi.

Retired Drouin garage proprietor, Allan (Tup) Pedersen, 84, is Gippsland's oldest competitor. He started 44 years ago when starlings, sparrows and pigeons were targets. He was Australian Clay Target Association president from '75 through '78.

# OCEANIA GAMES SELECTION SHOOT

Sydney Clay Target Club was proud to host the first ever elimination for a DTL Team to represent Australia at the Oceania Games, to be held in New Zealand in late January.

Saturday dawned fine and hot and 92 shooters nominated travelling from Victoria, Queensland, Tasmania and N.S.W. Some of Australia's top shots were there, so competition was going to be tough.

Full results can be found in the result section. The first event was a 10T Pts EO, with 22 possibles being shot.

The first of the eliminations was 50T DB, with 16 possibles being shot. After going over 6 traps twice, two shooters were left to battle it out. John Maxwell from Illawarra defeated Brett Dunstan from Kerang, Victoria, with a score of 276/276.

The second 50T DB event saw 14 possibles and Dick Piotrowski from Blayney, and again Brett Dunstan, shooting off for top honours. Dick was successful, shooting 95/95.

Sunday was overcast and a bit windy, numbers were down with only 82 nominating.

The next 50T DB saw 16 possibles, with Russell Mark and Doug Jordon from Majura Park being the last two for top honours. Russell was successful, shooting 143/143, winning the Breadmaker. (His wife had told him this was the trophy she wanted. Happy 1st Wedding Anniversary.)

The pressure was on for the last event, with several shooters in contention for the 3 Man Team.

Again 16 possibles were shot, with Michael Diamond and Bob Christopher being the last two. Michael was successful, shooting 179/179.

The Overall High Gun was won by J. W. Smith from Blayney with a score of 299/300, pulling only a second barrel in the Pts EO. What top shooting - CONGRATULATIONS J. W.

The first two places for the 3 Man Oceania Team were J. W. Smith and Brett Dunstan. A shoot-off for the third spot between Lyn Curtis, Michael Diamond and Russell Williams, with Michael eventually wearing them down to secure third spot, shooting another 76 targets.

As is usual in any sport, champions prevail, and the three guys who are going to New Zealand will be great ambassadors for our country, and will be very hard to beat. CONGRATULATIONS AND GOOD SHOOTING.

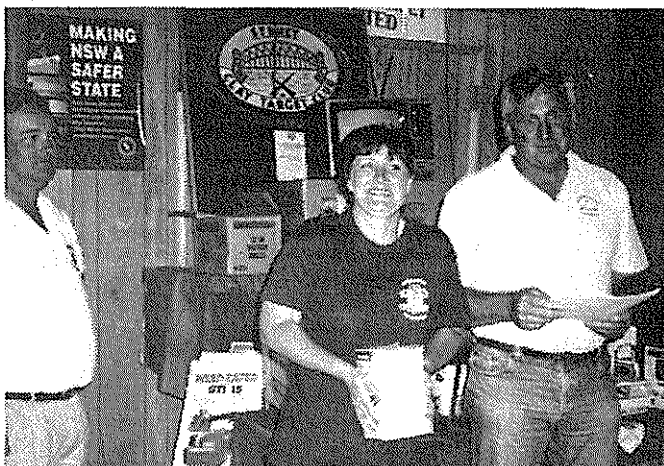

Sydney Clay Target Club would like to thank all the shooters who travelled to our club to make this shoot as successful as it was.

Many thanks to Noel and Joyce Deeley for donating a beautiful sapphire to be raffled. The winner was the popular Bill Jones from Illawarra/National Executive.

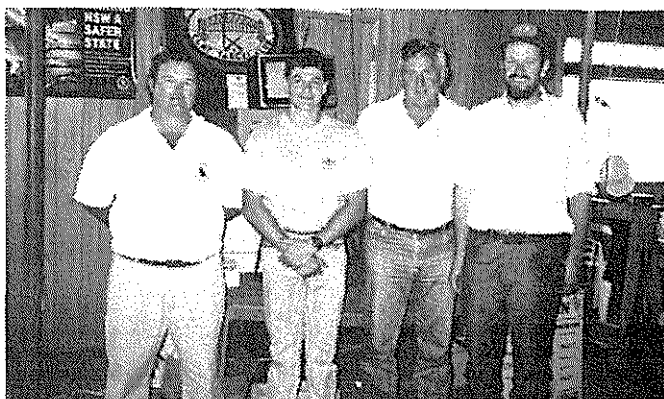

We also thank the trophy suppliers, who gave substantial discounts to keep costs down. Again Winchester came to the party, donating the Overall High Gun. Without the sponsors assistance our sport would face an uphill battle to provide quality shoots with quality trophies. I'm sure all who saw the trophy display will agree.

We trust this will be an ongoing elimination and next year it will be a bigger and better event.

# WARATAH STATE NOTES

## Riverina Zone

Wagga Gun Club is again hosting the Australian Veterans Games shoot this year from 17th-20th March, with practice available on 16th March. I hear from those who attended this shoot last year, that a great time was had by all. They have different age groups for competition, and it sounds like a definite date for your calendar. Contact Wagga Secretary for further info.

The Riverina Zone has also appointed Greg Pinner as another referee examiner for their zone. Greg is from Albury-Wodonga Gun Club.

A reminder that the Junee Gun Club's Spastic Council Fundraiser Shoot is on again on the 28th March. This shoot was a great success last year and is certainly for a very worthy cause. Congratulations to the club for their continued efforts for the Spastic Council.

## Central Zone

Kenworth Clay Target Club is holding their next shoot on Sunday 28th March in aid of the Shooters Party, so come along to Bedgerabong and enjoy some friendly hospitality.

Sunny Corner Gun Club is hoping for a good role up for their first Open Junior Shoot, being held on Sunday 14th March, to commence at 10am. The idea of these Junior Shoots seems to be catching on, and can only serve to further develop a future for our sport.

## Northern Zone

It seems competition was very keen again this year at Coffs Harbour's Annual Open Shoot on 2nd-3rd January, with 93 shooters attending. There were some great breaks shot, with George Sckaf, Peter Holmes and Gary Harrison obtaining their 150 Break Badges and Victor Kennedy obtaining his 200 Break Badge. The State Pts Cont C'ship was shot on the Sunday, with Garry Redmond from the Brisbane Gun Club winning the title with 149/150.

## Western Zone

The Darnick Gun Club held their New Year Shoot on 16th January, under extremely wet and muddy conditions. A total of 42 shooters took part, less than what was expected due to the bad weather, and as usual they came from near and far - Melbourne, Mildura, Wilcannia, Pooncarrie and Menindee. Unfortunately, the Broken Hill boys couldn't attend due to the heavy rain. The standard of shooting was very high, with 'Bones' Freeman taking the Overall High Gun 65/70 from Greg Hipwell 64/70. The Junior High Gun was fought out by Ben and Bill Palmer, with Ben being successful with 59/70. The ladies in the kitchen did an excellent job again, considering the difficult conditions they were working under - leaking tarps, mud everywhere and a crowd of people under their feet. Sunday morning proved to be fine and warm and everyone enjoyed a hearty breakfast before setting off home. Thanks to those who stayed for the clean up. Next date for 'Swaggy's Corner' - 10th July. Anyone interested? Sounds like a fun shoot. Everyone is most welcome.

## Coaches Corner - by Fred Schmetzer

Brewarrina Gun Club is the venue for the first Western Zone Coaching weekend this year, being held 20th and 21st March, commencing 12 noon on the Saturday and 10am on the Sunday. This is a Trap coaching weekend, and I will be in attendance to assist the Western Zone Coaches. Everyone welcome.

Due to the hard work put in by the ACTA National Coaching Staff, the latest Australian Coaching Council computer printout of the Coaches/Levels mailing list is now up-to-date, complete with current postal addresses and accreditation expiry date against each name. Anyone wishing to obtain any of this information, please contact your Zone Coach.

# MOUNT ISA 25th Anniversary Shoot

On June 12th, 13th & 14th 1993, Mount Isa Gun Club celebrates its 25th year of clay target shooting with three days of competition. The first half of the Queen's Birthday Weekend will be taken up by a DTL program, with Miroku 9000 trap guns topping the high gun trophies, whilst the Copper City Skeet Carnival will bring the celebrations to a close over the final one and a half days.

The story of Mount Isa Gun Club began in 1967, when a group of people decided to set up a club at Kalkadoon Park, some 8km north of the city. Kalkadoon Park was, and is, used by various clubs and organisations for sport and fundraising activities, the most famous being the Rotary Rodeo, which is held every August. The park has shaded picnic areas for families to relax at weekends, a cricket oval as well as show grounds. It is also home for Mount Isa Gun Club.

Several milestones have been achieved in the past 25 years of Mount Isa Gun Club. June 1968 saw the first lady member join the club. On November 3rd 1968 the first official night shoot was held. The first novice shoot was held in March 1972 and a continental trap was installed. The first juniors joined the club in July 1974 and by October a third trap had been purchased. A bar was finally allowed in the clubhouse in the early seventies and in October 1977, a set of skeet traps were installed. In 1985 the club moved into a new clubhouse, which now has full facilities of a bar, kitchen, office, storeroom, showers and toilets. In December 1992, a tower was commissioned to compliment the other traps and to increase the variety of targets available to shooters.

The 25th Anniversary Shoot will be the biggest competition Mount Isa Gun Club has hosted since its foundation back in the sixties, with shooters expected from all over Australia. The four Miroku 9000 trap guns have already been purchased for the high gun trophy in each grade (AA A B C) and the quality of the other trophies will tempt even the most distant shooters.

A great weekends shooting is guaranteed so mark your diaries now to be sure that you don't miss out on this once in a lifetime event and be there to help Mount Isa Gun Club celebrate its 25th birthday. See you there!

## VALE Dick DeLuca

On the 10th November, 1992, the Ballandean Gun Club was saddened by the loss of a foundation member of the club.

He was known to all in the shooting circle as 'Big Dick,' for his size and gentle nature. A coach with patience and advice to novice shooters, a great worker in all club affairs and a true sportsman, having won many titles in his time.

The members extend their condolences to his immediate family. Farewell Dick DeLuca (68 years of age).

## Wayne 'Willis' Growcott

On January 25th, as a result of an accident, Wayne 'Willis' Growcott, of Lindenow South via Bairnsdale.

Bairnsdale Clay Target members were saddened to hear of the passing of a past member. 'Willis' was a keen sportsman both in the 'field' and at clay target shooting.

The Bairnsdale Clay Target Club wish to extend their deepest sympathy to Willis's parents, Charles and Madge, loved brother of Coral, Glen, Julie, Robyn and families.

# DENILQUIN GRAND PRIX

On Sunday January 24, Deniliquin held their Annual Grand Prix Shoot. Conditions were overcast, humid and showery, but generally not detrimental to the shooting. Ninety-two shooters attended the shoot to battle for nearly \$6,000 worth of prizes.

The first event was a 10T Pts EO, with fifteen shooters shooting the possible 30/30. Event two was a 20T Pts C'ship, and several shooters shot the possible. Overall winner was local champion, Ron Glenn, who was in fine form for the whole day. This was his first championship win at the local 'Grand Prix,' his score being 126/126.

Plenty of shooters qualified for Overall place (and a colour television), in the third event, a 50T DB C'ship. A shoot-off naturally followed, with Brett Dunstan outshooting all others to take Overall place, with a score of 193/193.

The final event was the 'big one,' a 25T DB shot from 16 metres, with the Overall prize being \$1,000 cash. After a long shoot-off, Don Freeman won Overall place with a score of 317/317 and went home a very happy man. It is worth noting that young Justin Waldron from Echuca, stood tall against tough opposition in the shoot-off, putting up the challenge until target number 286 escaped the shot pattern - which is excellent shooting regardless.

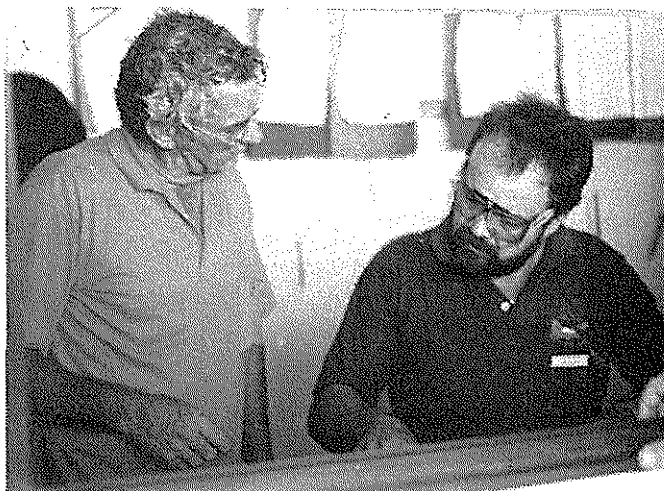

Ron Glenn continued his early form throughout the day and won Overall High Gun. He also won the Jackpot, taking home a tidy sum.

Apart from numbers being down on previous years, the day was a successful one. The shoot ran very smoothly with no problems. The president wishes to thank those members of the committee who were so helpful, and also those shooters (local and visiting), who helped out on the day. A thank you also to the Echuca Club, who lent us a spare trap in case of a breakdown, which was not needed but greatly appreciated. Finally, a thank you to the trappers and the ladies who did such a great catering job.

## MARYBOROUGH TID BITS, QLD.

Congratulations to Kingaroy, who will be holding the 1993 State Championships. I am sure they will make good hosts for the championships, to be held 1-3 May.

For local shooters, the ideal warm-up shoot would be our April 25th shoot, which includes a 50T DB Pts C'ship, a total of 120 targets, starts 12 noon Island Plantation.

Ken Mills still at Gympie waiting for the red tape to finish and then off to Kingaroy.

### Sunshine Coast - 9-10 Jan 1993

Local shooters did well at the Super Shoot, which was filled with high class shooters. Barry Power, now A Grade, only dropped four targets for the two days, but only claimed 2nd in Single Barrel. Glen Durrie blazed himself into Overall DB Pts. Gino Sergiacomi shot well and ended up in A Grade. Irvine Wynyard took A Grade in the 50T DB Super Classic, while Neil Berry, the 'Master Blaster,' shot 398/398 to win Overall in the same event, with the Gold Coast shooting the next weekend and High Gun to carry on from Sunshine Coast. Neil Berry carried on to shoot 2nd in AA in Pts C'ship and 2nd in AA 50T Medley and took off the Overall High Gun.

Good shooting by all and it will give Neil a good warm-up to the New Zealand Nationals and the South Australian Nationals. Best of luck Neil.

### Bundaberg - 17 Jan 1993

Bundy shot two weeks later because of New Year. It was possible the name of the game, with R. Rehbein, F. Foon T. Peterson, M. Tipman, K. Noffke all shooting possibles in the 25T DB CD, with Pedro shooting another to take 25T SB CD. New shooter L. Finlay shot well to take C Grade 25T DB CD & 25T DB Pts CD, while in the 15Pr D/Rise CD C Grade, D. Shaw and R. Upham B Grade L. Sidwell and R. Rehbein took A Grade plus High Gun.

### Gympie - 17 Jan 1993

Nice to meet Judy Prosser, wife of Brian, who had a shoot with Gympie before Christmas on arrival from Canberra. It is always nice to have a shooter move to the area, but better when it is two. Welcome Judy and Brian.

Chris Harrison has left Gympie and is now at Buxtonville, but is close enough to still shoot at Gympie. We all have an open invitation to go fishing with Chris, but bring your own bait. Best of luck in your new spot Marge and Chris.

Gympie's shoot being 100T Handicap resulted in 1st Vic Tipman, 2nd Barry Stolberg, 3rd George Foster.

Bad luck to Ken Mills missing the Jackpot. It would have been a nice going away present.

### Maryborough - 24 Jan 1993

Our new President, Paul Andersen, ventured to Sunshine Coast Super Shoot and took B Grade Pts and DB, and at the follow-up shoot at Gold Coast, shot B Grade Pts and B Grade High Gun, which shot him into A Grade - good shooting Paul.

Our main event of the day being 25T DB Cont C'ship was taken by Glen Durrie OA & A, K. Noffke B Grade and Harry Walker, C Grade. Josh Finlay shot C Grade 25T DB, 25T DB Pts and 2nd in Handicap plus C Grade High Gun, B Grade High Gun, K. Noffke and A Grade High Gun, Neil Berry.

Bundaberg's program shows their 2 day shoot 4-5 September, however, it is being brought forward to the fifth weekend in August 28-29 to be the Rum City Championships. More details later in the CTSN.

Heritage City One Day Shoot - March 28th, 9.00am.

Good shooting to all, 'till next time, see you at the shoots.

## TWO RONNIES GET LIFE

At the 1992 AGM of the Denilquin Clay Target Club Inc., held in December, two valuable members of the club were awarded life memberships. Ron Cugley and Ron Glenn were granted the awards by the committee in recognition of their unselfish services to the club over the years.

Collectively known as 'The Two Ronnies', they were both actively involved in the relocating of the club to its present site at the racecourse reserve. They have also served several terms each as president of the club, and many more terms as committee members.

They currently hold positions on the committee, and willingly help out wherever they can. They also sponsor the monthly High Gun Awards, (which they usually win). Additionally, they are the chief trap mechanics, and provide valuable coaching advice to those willing to listen - and most are!

Congratulations fellows, your awards are well deserved and we hope to have your services for many years to come.

## NEW ZEALAND CUSTOMS EXPERIENCE

It has taken me almost 12 months to finally write to the A.C.T.A. to advise of my experience on arriving in Auckland, New Zealand, on route to the famous Waitemata Gun Club skeet carnival.

First of all, my very patient girlfriend, Anne, and I, were ushered aside into the customs check-through point after declaring two shotguns. What was the big delay and all the discussions between the customs officer in a private office out of sight and earshot? You guessed it? I had brought along one Winchester U/O for trap and one of the famous Remington 1100 semi-autos for skeet. Sorry sir! The law does not permit semi-autos into this country (passed only weeks before).

More discussions - finally, I handed the 1100 over to the police officer on airport duty and left with a receipt and advised that I may collect it on my departure from New Zealand, which was to be Christchurch after the Belfast Gun Club nationals.

Before I left, while adding the New Zealand weapon licence to the collection - one Queensland weapon licence, Australian customs permit to export and A.C.T.A. handicap card (proof that I was a clay target shooter) and copies of the shooting programs in New Zealand, I was told of one chance to collect the 1100 and that was to obtain a permit signed by the commissioner of police. Hell! Sounds impossible.

Finally departed from the Auckland International Airport after receiving the keys for the hire car from an irate young lady (held up – running late for a dinner I suspect).

My first time in New Zealand, standing in the car park with a very patient Anne, trying to check the road map in the semi-dark around 1.00am – just wanting to get to the motel on the other side of the city on route to Waitemata.

Next morning, 8.00am, back on the motorway to Auckland police station (only two days to get the gun back). Well, not quite right to the police station. The first part in heavy traffic – the final short distance in a taxi (Maori driver). Queenslanders are you? Broncos? Yes, good players ah! Yes, but where did the coach come from? Yeah, right. OK, fair enough.

Met the inspector in charge of weapons etc. What was going on? Kept explaining and producing the receipt for the 1100. Are you sure, sir, that the police took possession of the 1100? Oh no! They've lost it, stolen or something.

Finally, it was explained to me that the customs had the authority to take possession of the gun on import laws, not the police. Several hours later a permit was received, signed by the assistant commissioner of police, to release the gun, but first a permit to pick the gun up from the airport then back to the police station for the final inspection – serial no. again etc. and final permit to take the 1100 away with me.

Actually the police were great (and customs) couldn't have been more friendly and helpful.

The trip you ask – we had a great time. Recommend it strongly. Waitemata and the Belfast Gun Club, excellent. Won a few bottles of Grouse whiskey.

The moral of all this? None! Just don't take your semi-auto to New Zealand. Looking forward to another trip to New Zealand.

## 1993 WINCHESTER 'TOP GUN' AWARDS

The 1993 Winchester 'Top Gun' awards have had an enormous start to the year with over 11,000 rounds of ammunition being won by 14 shooters from six different states in Open, Ladies, Juniors and Veteran categories.

The Tasmanian State Trap Carnival provided Graham Blaskett with 2,500 rounds of ammunition, 1,000 rounds each for his Overall wins in the Points and Single Barrel events and a further 500 for his 320 break in the Double Barrel event, which Stuart Browning proved victorious, therefore receiving 2 cases of shotshells for his win and a further case for his break of over 300. His final tally ended at around 450 straight. Drew Freeman and Alison Blaskett each receive 500 complimentary shotshells for their High Gun wins in the Junior and Ladies sections.

Craig Bentley celebrated his return to South Australia with a win in the High Gun section at Barmera's Annual 2 Day Carnival and wins 500 shotshells for his victory. He also shot a break of 399 at the South Australian Trap Carnival to receive a further case of ammunition. At the same tournament Dennis Halikopoulos shot a personal best of 313 straight to also win 500 rounds. The S.A. Point Score Championship was won by Max Medhurst of Mt. Gambier and he wins 1,000 rounds of the ammunition of his choice for his efforts. The Ladies, Juniors and Veterans High Guns all receive a bonus case of shotshells and these sections were won by Tracy Gray, Les Chant and Keith Mules.

Other shooters to receive a bonus case of ammunition in January for breaks of over 300 were George Scaff from Queensland at the Sunshine Coast Clay Target Club for his break of 422 and Steve Guest from N.S.W. for his break of 406 at the Canberra International Clay Target Club.

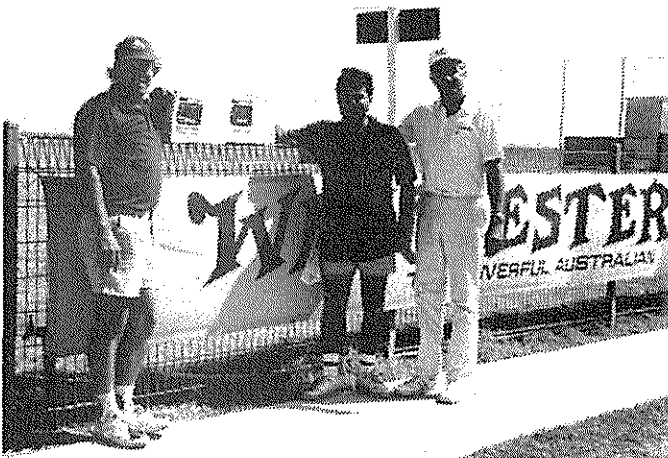

Geoff Faulkes won the Overall High Gun award at the Albany Club's 2 Day Carnival in W.A. and receives 500 shotshells for his fine effort.

Entries in the 1993 awards have nearly trebled the previous year and Winchester have now added to their National Championship 'Top Gun' prize list as shown on the back cover of this edition of the C.T.S.N. As a bonus offer, due to the increasing of awards at the National level, the awards will remain open until the last mail on March 19th for anyone wishing to participate. If an entry form is needed, please contact Winchester Australia before this date, as registration must be received in writing before an award can be claimed.

Good luck to everyone travelling to Adelaide for the Nationals.

## WONTHAGGI'S FIRST PRESIDENT

**The first President of Wonthaggi's gun club has died.**

He was Royce Johnson, 75, of Inverloch. He was president in 1955 and 1956 when the club operated on second president Bill Mile's farm behind Pommy Town.

Royce, the late 'Mo' Cargill and other enthusiasts built the trap house and laid the shooting lanes. Royce preferred field shooting and used to say: "You can't eat those clay pigeons."

We shot ducks at Barham, quail at Outtrim and snipe at The Five Mile. At Barham a local woodcutter took us into a forest, and the 11 local and visiting shooters had exactly 220 birds when the locals called a 10.30 halt because they had a cricket final to contest.

The Five Mile snipe trip is memorable because we followed a lone snipe for 200 yards out of ploughing to long grass around a water filled depression. There 15 birds were flushed and a place that frequently yielded snipe was discovered.

I am indebted to Royce for guidance in bird dog training. And so are other Wonthaggi-ites. He got me, in exchange for a good home, a German shorthair that was not the top class retrieving trials dog that its Mt Evelyn owner wanted. Royce owned two outstanding labradors which achieved Australian champion status in water retrieving trials. He competed (and later judged) in three States and the ACT.

Since Lake Eucumbene became a mecca for trout fishermen, Royce and wife Thelma fished there every year. They also gave East Gippsland rivers a hiding.

In the 45 years he lived at Inverloch, Royce played and (like his brother Ron) acted as a local footy trainer.

He was a diesel mechanic in the RAN during WW2 and afterwards was a mechanic or service manager at garages at Morwell, Geelong and Wonthaggi. He also managed Page's farm machinery factory at Wonthaggi.

Royce was a TIP pensioner. In retirement he got a lot of pleasure from artistic painting.

He is survived by his wife, a daughter at Kerang and Lang Lang, a son at Emerald and Inverloch and five grandchildren.

In the 50s the developing northern part of Inverloch was light heartedly referred to as Johnsonville because of the influence of Royce's father Stan, then an Inverloch estate agent.

### Pud Hasson

The day after Royce died, John (Pud) Hasson, retired motor mechanic, of Drysdale Street, Wonthaggi, also died in the same Wonthaggi and District hospital. Pud 64 was another keen shooter whose happiest days were spent after quail over his little English pointer, Dan.

Pud had been in ill health for several years, and in the good quail season of 1991 was not well enough to even sit on the back of a station wagon and walk a short distance over uneven ground to my dog on point. He settled for eating the birds . . . and, in exchange, gave me frozen whiting fillets. He told good yarns about local duck, deer and snipe shoots, and had been a keen salt water angler and bowls player.

He is survived by his wife Ketha, daughter Maxine Cummings and son Garry, all of Wonthaggi.

# Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- \* Low profile action for unsurpassed pointability.

## 682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

## ASE-90

The key feature of this exciting new model is the trigger plate lock assembly. Field removable in one, split second motion for quick inspection, cleaning or lubrication. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking, "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped main-springs. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- \* User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.

- \* Advanced dimensioned quality walnut stocks.

- \* Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.

- \* Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

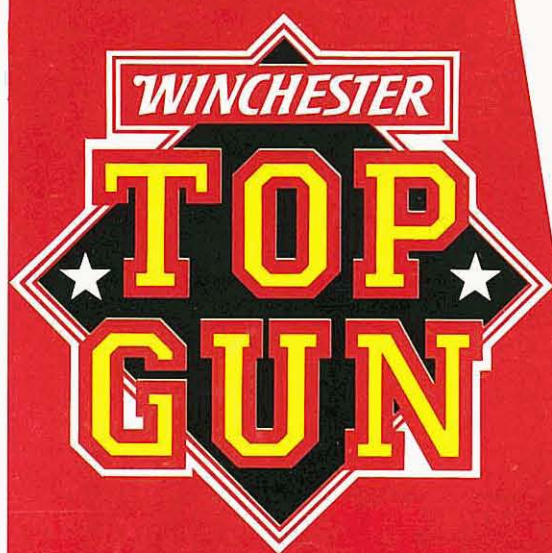

## S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
