# Better Patterns. Less Recoil. More Velocity.

## **Now Browning gives you the secret of the pros — back-boring.**

The advantages of the larger bore diameter of a back-bored barrel are now available on almost all Browning 12 gauge shotguns. For years, back-boring has helped the pros take home trophies, now back-boring can help *you* take home more game and improve your clay target scores.

## **Better patterns and increased shot velocity help you hit what you're shooting at.**

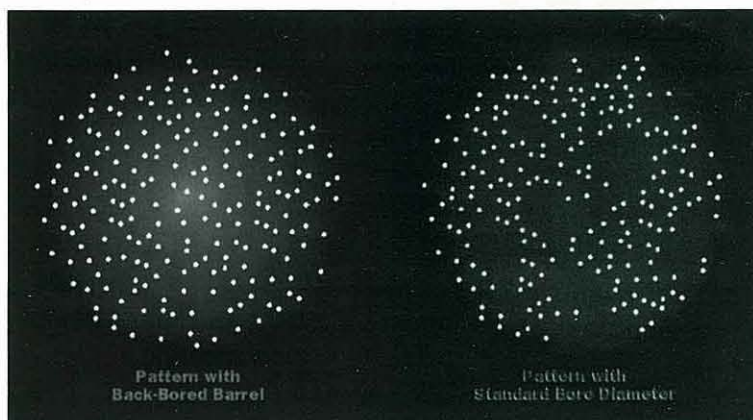

A larger bore diameter greatly reduces the number of deformed shot pellets and also increases shot velocity. A greater number of ballistically superior round pellets in a shot charge gives you exceptionally uniform and effective patterns.

## **Less recoil makes your shooting more enjoyable.**

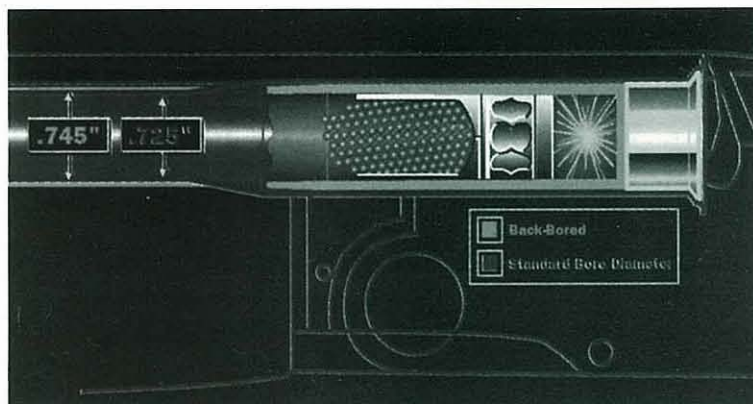

The effortless transition of a shot charge through a barrel with a larger bore diameter results in a reduction in recoil. Every reduction in recoil results in increased shooting comfort.

More uniform patterns, increased shot velocity and less recoil can benefit the first time hunter, seasoned wing-shooter and weekend target shooter with clean kills, more smoked targets and a boost in shooting confidence.

You now have a better reason than ever to own a Browning.

*Patterns shot with Federal Classic 2 3/4" - 1 1/4 oz. - 6 shot at 40 yards.*

*To improve the performance of a Browning shotgun, we increased the diameter of the bore.*

# NATIONAL PRESIDENT'S NOTES

## Thank You Ian

A special thank you must be extended to Ian Hill for 'filling in' as our Executive Director. When I originally approached Ian I convinced him 'it would only be for a couple of months, three at the most'. Gee, that 3 months flew. A very big thank you Ian for your contribution to our sport this time around. Rumour has it Ian will still be very much involved in our great sport!

## Welcome Graeme

A very warm welcome is extended to our new Executive Director, who took up his position with us on the 11th October. We look forward to a very long and successful alliance with Graeme and I have no doubt our association will benefit from his sporting knowledge and administrative expertise.

## New Zealand Nationals Package Tour

To help with planning for a package tour to New Zealand for their Nationals in March 1994, we are asking that any person who may be interested in attending, contact Gina at the National office in the next two to three weeks. It is envisaged that the package including return airfare, accommodation and coach transfer/ hire car will be less than \$800. It is hoped a very large contingent will afford themselves the opportunity of visiting this very beautiful country and superb gun club.

## ACTA Promotional Products

The office now has a number of promotional articles available for members. These include caps at \$7.50, belt buckles at \$12.00, stubby holders at \$5.00, key rings at \$6.50, in addition to our polo shirts, pullovers and windcheaters. There is also available a wall plaque for that special presentation. Details can be obtained from Gina, who would only be too happy to take your order.

Glenn G. Woodhatch

## ACTA Sporting Clays

A number of clubs are now, or are about to start shooting ACTA Sporting Clays. Elsewhere in this edition is a suggested layout for this new clay target game. The layout of a ground is only limited by the imagination of the participating club committee. It can easily be set up on existing trap, skeet or ball trap layouts and can be shot as a 25 bird event, or in multiples of 25. A grading formulae is yet to be finalised, but it is suggested that perhaps AA grade may be 85%+, A grade 75%+, B grade 65%+ and C grade below 65%. Provision will be made on the 1994 card for recording scores, all scores to count.

A disappointing aspect of the introduction of ACTA Sporting Clays is the very negative and selfish reaction by another shooting organisation (or should I say some of its hierarchy) to our plan to conduct a National Championship in the discipline. It is not the policy of the ACTA to interfere in the administration of any sister shooting organisation, nor should it be. Our National Championship will be open to ACTA members only, so I fail to see their concern.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi - no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 1/2" and 31 1/2" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

# 1993 NATIONAL SKEET CHAMPIONSHIPS

*By Staff Writer*

Two ducks swimming on a pool of water inside the gate of Wagga Gun Club greeted shooters as they arrived for the 1993 Skeet Nationals.

Despite more than 100mm of rain having fallen in the eight days prior to the championships, the grounds were in top shape and a credit to Club President, Michael Rooke, and his hard working committee. Care had to be taken with car parking however, and sales of gum boots soared in Wagga shops.

Mr Noel Hicks, Federal Member for Riverina and patron of Wagga Gun Club, officially opened the championships. State teams had been piped in to stand in line under their state flags for the opening. All were delighted when Mr Hicks smoked the target upon firing the first shot of the championships.

## State Shoulder to Shoulder Teams Matches

Organisers were a tad disappointed to find that all states were not represented in the Teams Matches. Northern Territory were unable to field any teams, while New South Wales and Victoria were the only states to enter women's teams. Competition was still fierce, with New South Wales represented by Christian Naudin, Les Aberley, Peter Rosenboom, Clive Barton and Nick Burrows winning the Open Teams Match with 243/250, from Victoria, Queensland, South Australia, Western Australia and Tasmania.

The New South Wales women beat Victoria on a countback, both scoring 67/75. New South Wales was represented by Helen Sanders, Rebecca Langley and Robyn Faber.

The shoot-off didn't go for long, with David Cunningham having trouble on station 2, as he did the previous day, leaving 21 year old Clive Barton from Tamworth the 1993 Commonwealth Skeet Champion and the proud recipient of the Royal Blue Sash and the Adrian Hayes Memorial Trophy, with the score of 108/108.

### **Special Thanks**

The Skeet Nationals at Wagga didn't just happen, they were the result of a lot of very hard work by a group of dedicated people willing to give up their time to ensure a well run shoot for the 139 competitors who took part.

Thank you firstly to the Australian Skeet Shooters Association for the generous sponsorship of the All States Skeet Championship.

The workers who toiled ceaselessly, often in less than ideal conditions deserve high praise. They included Tournament Director and Host State President, Pud Burgess; Shoot Marshall, Peter Hayman; Host Club President, Michael Rooke and father Barney; Frank James; Helen Sanders; State Secretary, Libbie Bunting who ran the office in her usual efficient manner. Libbie was very ably assisted by Jenny Burt; Chris Condon the squadding wizard; Andy Sanders in Handicapping, and Les Aberley squad boards.

Thank you also to Lieutenant Donna Wraicht and her crew from Kapooka, who handled the trapping very efficiently and ensured that we were all well fed.

Despite the weather, the mud and the flood waters around the area, a very enjoyable Skeet Nationals.

## Gladstone Annual Lindsay Dalton Shoot — Aug 21 & 22

If you have a High Gun trophy or display you had better hide it, as Neil Berry has a hobby of collecting High Guns over the last few shoots. Neil travelled to Gladstone to their two day carnival and in AA shared in the 10t eye opener, won the OA 30t DB Night C'ship and on Sunday was OA in the 100t DB, only dropping one target, which gave Neil the Overall High Gun. Good shooting Neil.

## Bundaberg Rum City Championships — Sept 28 & 29

This shoot will be remembered as the shoot that broke the drought. It hadn't rained in Bundy for years, but they got the lot in one day with rain very heavy from start to finish on the Sunday. President, Neil, lead from the front and spent the day in the rain doing all the jobs that must be done. He was that wet he must have grown an inch or two. John Straughair said he didn't get that wet in the shower. Irwin, Mike and Pedro looked like ducks enjoying the rain. Congratulations to all Bundy boys, who had to stay in the rain to keep the shoot going. Ken Vicker keeps his wet weather gear in the garage, it won't wear out there Ken. The rain went through 'Balds' hat, so he could have a head of hair next shoot, but he won enough on the calcutta to sport a hair piece. I think the white ants have been in Neil's waterproof pants at the bottom.

Congratulations to Kaye & Rob in the boiler room. It gets a bit heavy in there at times and the shoot couldn't exist without them. Top shooter of the shoot was Garry Redmond, with AASB C'ship, Pts C'ship, DR C'ship, OA Triple C'ship and OA HG. Good shooting Garry, with Bill Stevens taking Overall SB C'ship and shooting well all shoot to take the AA High Gun. Peter Shaw A grade HG, Jason Deeley B grade HG. Garry Patterson was the only shooter to shoot a possible in the handicap on which the calcutta was run, took C grade HG. Garry was bought by Graham Whitfield (good buying Bald). Kaye Rehbein took the Ladies HG. Andrew Bateman with scalps of 2nd and Junior DB C'ship, 2nd SB C'ship, 2nd 30t Hcp, Jnr Triple C'ship, 1st C grade Pts and Junior High Gun.

Good shoot Bundy, hope you saw your TV coverage on the following Wednesday night. Both Garry Redmond and Neil Berry polish up well on TV, and a big thanks to the tucker ladies. Ray Tremul from Geelong, Vic, on holidays in the area, dropped in again for a shot, but only got wet. Glad to see you Ray.

## Gympie — Sept 12

A grade John Reynolds and C grade Garry Carew. Mike Tipman took off the OA & A grade in the 50t SB C'ship, with Dave Gardner B grade and Harry Walker C grade. Visitors on the day Di, Ken, Harry and myself from Hervey Bay, Stan Gallagher and Barry of the Sunshine Coast and John Reynolds of Caboolture, who has just returned from Shepparton, also Gerald Geisser having a good look at clay shooting hopes to make a start. Also in attendance was John Mitchell, SEZ coach who held a coaching clinic on the Saturday afternoon, keep up the good work John. Thanks to the ladies who keep us in tucker for the day.

Good shooting to all, 'til next time see you at the shoots.

# SUGGESTED SPORTING CLAY LAYOUT

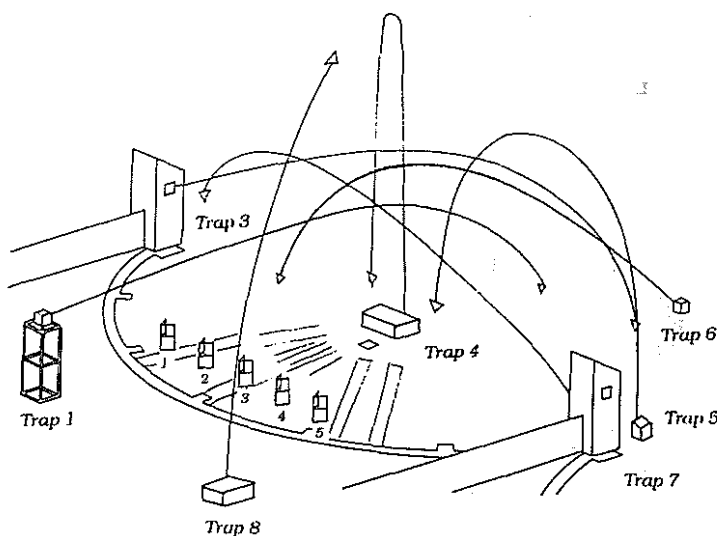

The rules for ACTA Sporting Clays are yet to be decided but when they are they will be basic and they will be kept to a minimum. I cannot at this stage even contemplate what they will be in content other than the event shall be of 25 targets or multiples of 25 targets. Decisions such as whether the event shall be shot gun down or gun up must be made quickly. It was hoped that the rules would be available for this edition of the CTSN but this was not possible.

The suggested ground layout as shown is only a suggestion as I mentioned in the Presidents Notes, layouts are governed only by the imagination of the committee setting the ground up.

It is suggested that in an event of 25 targets each shooter shoots 5 targets from each stand, consisting of 3 single targets and one double. The single targets being double barrel birds. The conduct of the event is that shooter one shoots his first target, then shooter two etc until each shooter has in turn shot his 5 birds from his particular stand. All shooters then move to the next stand (as in a trap squad) shoot the next five birds and so on until they have shot the 25 targets. In a 50 target event the second round would consist of 1 single bird and two sets of doubles from each stand.

In front of each shooting stand is placed a small board indicating the traps each target will be thrown from. To illustrate this an example would be . . . on station 1, the shoot may shoot single targets from traps 2, 5 & 8 and a double from traps 1 & 6. All traps are clearly marked as to their respective number also.

## ACTA 5 STAND Sporting Clays

- This new shotgun game is exciting, challenging and FUN!
- Eight traps, endless variations

# 1993 STATE COACHES CONFERENCE

*By M. Alexander, National Director of Coaching*

On August the 27th & 28th, the State Coaches Conference was held at the Travelodge Airport Hotel. The conference was attended by all states, Miss Gina DiLullo of the National Office and Mr Ross Silvester, Chairman Coaching Council.

As it had been for the previous year, a pre-conference meeting was held Friday evening, where the 1992 minutes were read and confirmed, business arising handled and the state reports tabled. This meeting was again to prove worthwhile because of the agenda workload set for Saturday.

From the minutes, business arising pertained only to administrative matters and in fact over 90% of the program laid out for 1992/93 had been attained.

State reports followed with each state tabling reports that in general, showed that coaching and coaches were beginning to assist ACTA members.

**Qld:** The horrendous drought is having a big effect on the economics with the state, however 4 zone seminars were conducted. A major breakthrough has been achieved with TAFE acceptance of a Firearm Safety Course.

**NT:** In the last 12 months, a resurgence of coaching interest has taken place, with request by members to undertake accreditation. Coaching of the state team again proved successful and is an ongoing program.

**NSW:** Coaching within the state through the zones is attracting good attendances and NSW is presently drawing up guidelines for junior and female development/training squads. A short video has been produced, which NSW will use in a statewide promotion early 1994.

**WA:** In the near future, will swing back to the tradition 1 state coach, after trailing a joint coach program. Level 1 & 2 accreditation seminars are being run with good attendance. As it is with some states, coaches complain of 'too much paperwork to justify their accreditation'.

**Vic:** The school person program has heightened the coaches activities with an estimated 600 individual students being involved. This program is of vital importance for the future of shooting. Coaching throughout the zones is active with new interest being generated.

**SA:** Although the economic situation within SA is not good, coaching is finally beginning to emerge, with more and more requests for coaching and seminars.

**Tas:** Unfortunately due to the resignation of the state coach, no report was tabled.

Saturdays component of the conference began at 9.00am and the state coaches welcomed Miss Gina DiLullo and Mr Ross Silvester to their first full meeting with all members of ACTA Coaching Council.

The meeting then proceeded to the agenda items and following are those items with relevant comments.

### State Coaches Procedures Manual

A copy of this manual was presented to each state coach, as well as the National Office. This manual contains data that a state coach needs to know on an ongoing basis. It is designed to be passed on, if a state coach changes.

### Level 2 Accreditation (Revision)

The level 2 program was tabled for final viewing by those assembled. This revised accreditation schedule is now in the hands of the Australian Coaching Council. The course is mainly

an update using the original course as its basis. The main changes apart from current reference materials, are:

- (i) 24 months Level 1 accreditation before starting.
- (ii) 60 hours practical coaching over the 2 year course.
- (iii) 2 weekend programs during the 2 year course.
- (iv) Improved coaching principles agenda.

### **ACTA Coaches Information Booth: DTL Nationals**

As a promotional project, a display and information booth will be instigated at the 1994 Brisbane DTL Nationals. It's concept is based on:

- (i) Opening an avenue for potential coaches.
- (ii) Avenue for coaches to discuss coaching.
- (iii) Expose the National Director of Coaching and State Coaches for individual contact.
- (iv) Assist in the gathering of feedback for problem areas and shooters needs.

If successful, the intention is to expand to an annual program covering each Nationals.

### **Raising the Profile of the Coach**

From the open letter published in the CTSN, only one (1) letter was received. However, coupled with data the state coaches had to offer, many points were raised, some being:

- (i) 5 year plan required ASAP.
- (ii) Targets set for development.
- (iii) Improved and advanced training manuals.
- (iv) Advanced state seminars.
- (v) 'Dear Coach' column in the CTSN.

All the items discussed, will be maintained, investigated and instigated as time and projects permit.

### **Coach of the Year**

A proposal to instigate an annual award for a Coach of the Year, was discussed to start for the 1994 Year of the Coach.

This is being pursued now, to be in place for 1994. It is envisaged that the award will start at club level and nominees progress from zone to state to the national award.

### **Junior Development and Talent Identification Program**

A program was tabled for discussion. The program to be designed to start at club level and progress through states for selection of a junior training squad from the relevant National titles.

Much ground work is to be carried out and a workable format to be prepared. The program is going to need the support of all from club to state and from coaches and club members.

### **Female Development Program**

A similar format as the junior program to promote and enable more females to participate.

Considerably more topics were discussed, with the preceding being of the major topics. Other topics were:

- (i) 1994 Year of the Coach.
- (ii) 1994 State and Zone Coaches conference.
- (iii) Coaches insurance.
- (iv) Posters.
- (v) Video production.
- (vi) Accreditation and coaches.

The meeting closed at 4.50pm after what was considered an innovative conference, with a program for 1994 that will require involvement and support from a wide selection of ACTA accredited coaches and executive members.

All in attendance were thanked for their efforts and input over the two days.

In closing, it was restated that what had been proposed and discussed would not happen overnight, but would be ongoing projects for 1994.

## BORDERTOWN GUN CLUB

The September Shoot, because of the football finals in our district, was a sweepstakes day. The ten shooters attending had a very good day. The guys from Jeparit came down for the day.

In November the Bordertown Gun Club has it's Super Shoot, an 80t event with cartridges as the trophies and sponsored by Wise and Mitchell from Wolsley.

The High Gun winner will have their name engraved on the lovely silver cup donated by Graham Durbridge, and will be shot out.

## CABOOLTURE CLAY TARGET CLUB

### Amenities Block

Shooters and visitors will be relieved (pardon the pun) to hear of the completion of the amenities block at Caboolture Clay Target Club Inc.

The concrete block building is equipped with hot showers, storeroom and handicapped access has been provided. Work has also commenced on the new clubhouse, which is expected to be operational by December/January, the clubs 2nd anniversary at these grounds.

The committee would like to thank those involved in our building works and hopes for the continued support of shooters at south east Queensland's newest club.

## WHAT'S HAPPENED TO: Maree Rooke and Jan Schuster

*Well . . . they got married !!!*

Maree, youngest daughter of Barney & Kathleen Rooke, was 'given away' by her well known shooting father.

Jan is the eldest son of Importers Dieter & Karolina Schuster (better known as 'Rottwell').

Jan (trenchie) and Maree (skeetie) may be absent from the shooting tracks for a while as they set up 'house'.

Who knows maybe they are already working on 'Project 2019' ? (of course all thanks to Jim & Snake for setting the wheels in motion).

Jan Schuster and Maree Rooke.

## STOP PRESS

### Winchester announces major prize increases for 1994 'Top Gun' awards

Winchester Australia have substantially increased their trophy list for the forthcoming 'Top Gun' awards of 1994. Up to a quarter of a million shotshells are on offer for the year as well as a ASE90 Beretta shotgun for the Overall High Gun winner at the Brisbane Trap Nationals. In dollar terms this shows approximately \$65,000 worth of awards on offer for the year.

The most substantial change has been the major support that will be offered to Winchester ammunition users at all State Carnivals in 1994. In previous years only Overall winners of the major events were eligible for rewards, but in 1994 all grade winners and ladies, junior and veterans winners are eligible for awards at DTL, Skeet and UIT State Championships. Grade winners will also be eligible for awards at the National Skeet and UIT Championships for the first time next year.

Responding to constructive comments from many shooters over the past two years, Winchester have also included High Gun awards for major Skeet and UIT Carnivals in 1994 which are advertised in the Clay Target Shooting News. This will hopefully balance up against the awards that have been on offer at only major DTL Carnivals in past years. Also for the first time next year Winchester will recognise long run breaks in events as diverse as Double Rise, Single Barrel, Skeet Doubles and Ball Trap, once again hoping to even up the chance of competitors being eligible for awards in all disciplines and events. The 1994 Overall 'Top Gun' winner will again be decided independently by the National Shooting Committee, but next year the winner will be eligible for a massive 20 cases of target loads. More than enough ammunition to keep the average shooter loaded up for 2 years.

Full details of awards appear on the back cover of this issue of the CTSN with the registration form enclosed. To be eligible, the forms must be completed and returned to Winchester by no later than March 31st 1994. Awards commence from January 1st 1994.

## FOURTH VICTORIAN ISU GRAND PRIX SERIES

*By Geoff Mark*

The fourth and final Victorian Grand Prix ISU round was conducted at Melbourne Gun Club on 21st & 22nd of August. Again a record number of entries contested the two main events, and John Gilopidis and Steve Atkins won their first overall championship during the series.

Results: 125t Trench Final: Finalists: J. Gilopidis, G. Gillespie, G. Mark, A. Vella, W. Calaby, J. Tonna. OA: J. Gilopidis 141; AA: G. Mark 115; B: D. DiPietro 108; C: G. Gillespie 115; Jnr: J. Whitmore 107. 50pr Double Trap Final: Finalists: S. Atkins, G. Mark, B. Iles, J. Gilopidis, A. Vella, F. Vella. OA: S. Atkins 133; AA: G. Mark 83; A: J. Gilopidis 81; B: N. Pedula 77; C: K. Gillespie 67; Jnr: V. Mollica, D. DiPietro 70.

The series generated over \$10,000 to the four clubs involved in the 1993 Grand Prix Series and over \$5,500 in trophies and cash to the competitors. 21 juniors and 78 open entries made up the total of 99 different shooters who made it a most popular and successful series.

The High Gun trophies (10 cases of shotshells) will be decided after the state titles and a meeting will be held at this time to decide the format for the 1994 series.

Thank you to all those who took part, the workers at the clubs involved and special thanks to our sponsors: Winchester, Dexter Barnes, Glen & Gary Hayden and Russell Mark for his input. See you next year.

# BROKEN HILL GUN CLUB

*By Lost Target*

## September Shoot

Saturday September the 11th was the date for the Broken Hill Gun Club Inc Silver City Championships. It was held in sunny but breezy conditions with a total of forty shooters competing for what I think were some of the best trophies the club has seen for a long while. I must take this early opportunity to thank The Outback Galleries, Absalom's Gallery, The Ant Hill Gallery, and Erik and Roxane Minchin.

Along with the South Australian Brewing Company these artists put on a magnificent display of paintings, prints and sashes, which looked so good on display that there was even talk over the weekend that the shoot should be called the Broken Hill Artists Classic, and with the recent success of our West Darling Championships in May this year, where we had 104 shooters compete, it might be worth looking into, that is if some people want to put the work in.

The first event for the weekend was the Silver City Handicap and it was won by that well travelled shooter that just keeps coming back to our club, Russell Mark, with a score of 25/25. I thank Russell for his attendance. In second was Barry (Axil) Foley with 37/38 after a shoot off with Mr Removalist, Terry Brewer on 36/38. Veterans was won by Allan (pay the light bill) Pearson with 23/25. Young Owen Zammit won the juniors with a good score of 24/25.

The West End Point Score Championship was won by a shooter that last shot in our May shoot, David Stephenson. He was the only shooter to shoot the possible 75/75 and if he was no so slack and stayed for the last event, should have won the High Gun. Ross (2nd place) Walsh shot 145/146 in a shoot off to take, yes you guessed it, 2nd place in A grade. Paul Pearce from the Bird Brain shot 71/75 to win B grade with Big Dave Zammit grabbing 2nd with 67/75. Tony (Big Unit) Molloy shot an excellent 70/75 to win yet another sash, and I think he leads the sash count, hey Piggy. R. Martin from Wilcannia got 2nd in C grade with 68/75. Vet's was won by Al (the Pom) Pearson with 26/75, with Johnnothan Spain shooting 64/75 to win Juniors.

The main event for the day was the Silver City Double Barrel Championship. This event was won overall by a shooter from Menindee with a very good score after a shoot off. John Caskey shot 97/97 to win and also be the first name on the magnificent David Murphy Memorial Trophy. Second in A grade was, yes you guessed it Ross Walsh on 96/97. Paul Pearce won B grade with 74/75, and I do believe he missed his 100th target for his first ever 100 break. Well, bad luck Paul, you'll have to come back next year, and what's that from Cookie "and bring the Bird Brain with you ???". One shooter I bet was pleased to get a place in this event and that was old Ben Murphy, Ben shot 39/40 to take second in B grade. The Human Dummy, Bruno Mantesso won the sash in C grade with a good score of 24/25. How can you complain about that Bruno. In 2nd place is another new shooter to the club, Greg Higgins. Greg shot 23/25. Big Al won veterans with 24/25 and Owen won the juniors with 22/25. I think we need a few more Old and Young shooters to give these two some competition.

The heart break event was the last for the day, the Silver City Single Barrel Championship. It was won overall after a short shoot off by R. Hammat with 26/27. Len Gray won B grade with 21/25, with Hayden (Dennis) Bevan in 2nd with 20/25. I don't know where all the material is coming from to make these sashes for Tony (Big Unit) Molloy, but if he keeps on winning Rennex Hire will be out of business. Good shooting Tony 22/25 for 1st in C grade. R. Martin 21/25 for 2nd in C grade. Al Pearson 14/25 to win veterans and Johnnothan Spain 17/25 to win juniors. Johnno I think was a bit off colour this weekend. I have seen him shoot a lot better scores. I think it was because of the great performance from the Bull Dogs the week before.

The Overall High Gun for the day was won by Russell Mark. Russell shot 140/150 for the day to take the sash and trophy. Congratulations Russell.

Saturday afternoon/night, after the shoot was over saw the Bird Brain fire up. The Bird Brain is another form of clay target shooting. It is fast, exciting and great to watch especially when it got dark and the lights came on. The Bird Brain was invited up for the weekend for some fun and excitement for the club and its keen members. It threw over 2,500 clays for the weekend and I have no doubt in the world that shooters who shot it thoroughly enjoyed themselves, not to mention all the spectators cheering them on. I would have liked to see more Field and Game shooters have a go, along with more support from the clubs committee. Are you all afraid of missing or scared of enjoying yourselves, or is it something else?

Clubs need the support of all shooters to survive in these times so come on shooters get it together and have a go, you never know you might like it.

On Sunday the 12th September saw for the third year the Broken Hill Ball Trap Championships on another weekend with more targets. Perhaps calling the trap shoot the Broken Hill Artists Classic, because I was impressed with the display of trophies for the weekend.

Anyway it is good food for thought. Overall for the day was Russell Mark with 93/100. Jim Humphries from Mt. Gambier won A grade with 63/75, with yet again Ross Walsh in 2nd on 56/75. Bruce (Cookie) Cook won B grade with 67/75 with Len Gray taking 2nd on 59/75. Paul (The Tower) McLaughlan was a tower of strength to win C grade with 59/75 and that new shooter again Greg Higgins in 2nd with 58/59. Al won veterans with 56/75 and Johnno got the juniors with 56/75.

Many thanks must go to the people who made the shoot what it was, especially our sponsors and Sharron Zammit for organising the trophies, the rest of you know who you are, so I won't name you all. Thank you all.

## VINCENT MOLLICA NAMED IN MLC TOP 200

Victorian clay target shooter Vincent Mollica has been named as one of Australia's elite junior sportspeople. Vincent was included in the MLC Junior Sports Foundation 'Top 200' list released last week, recognising Australia's best and brightest young sporting talent.

He was selected alongside some of Australia's most successful athletes including Queensland freestyle swimmer Daniel Kowalski, the heir apparent to Olympic gold medallist Kieren Perkins, Olympic swimming finalist Joanne Meehan and Barcelona diving representative Rachel Wilkes.

The 200 athletes will all receive a scholarship from the MLC Junior Sports Foundation which includes a grant of \$2,000. The scholarship also provides a supply of sports clothing and an invitation to attend one of three national sports camps aimed at helping the athletes make the transition to senior competition.

Vincent has been supported by the MLC Junior Sports Foundation for a number of years. This is his second consecutive listing on the MLC Top 200.

The success of the MLC program since its inception in 1981 has been outstanding. Past recipients of MLC scholarships include Barcelona Olympic medallists Kieren Perkins, high jumper Tim Forsyth and swimmers Hayley Lewis and Susan O'Neill.

Thirty two members of the Junior Sports Foundation were selected in the 1992 Barcelona Olympics team, and many of this years MLC Top 200 will feature in the 1994 Commonwealth Games. Star marksman, Michael Diamond, is a former MLC scholarship holder and in 1992 was named the NSW MLC Junior Sports Achiever of the Year.

# GERALDTON GUN CLUB

## 1993 Crayfish Carnival — July 31st & August 1st

The Crayfish Carnival opened with a 25 DB cash divide with 25s coming from Abdul Raphael, Robin Bailey, Rob Conning and Phil Hodgson all of A grade. Both Phil Miragliotta and Eddie Daw scooped most of B grade dividends with 24/25 and Andy Ferreo got a payout with 23/25. In C grade Doug Allan took the majority with 22/25 and there was a three way battle for the other 40% between Earl Billington, Max Craven and Lil Hilsz who each scored 21/25.

The second event was the 25 DB Inshore Electronics Championship with the overall winner being David Fox, of the Collic Gun Club. First in A grade going to Geraldtons Alan Hocking with 29/30, B & C grades again went to Geraldton members with Brian Morris 24/25 and Doug Allan 24/25 respectively.

Michael Boschetti took the 25t DB PS Zone Championship with a fine 74/75. Andrew Waschenko took A grade with a well fought 77/81, Eddie Daw claimed B grade with a 69/75 and Toni Watson took C grade with 64/75.

In the last programmed event on Saturday was the 25 DB Crayfish Carnival Graded. Michael Boschetti shot well to win A grade with 57/57, Andy Ferreo took B grade with a 25/25 and Doug Allan once again took out C grade with 22/25. The ladies was won by Toni Watson with 17/26, veterans was won by Roy Holtfreter with 22/25 and Ben Johnston won the juniors with 17/25.

The club then had a 25 DB cash divide as an extra event to end the day, with 25s in A grade being shot by Sam Forsyth, Neil Dowe, Joe Bokobli and Michael Boschetti and in B grade Eddie Smith from Kangaroo Island shot 24/25 to take the majority of the cash, Don Forward, Tom Byrne and Greg Coverley mopped up the rest with 23/25. In C grade Jorgen Larsen shot a fine 24/25 ahead of Ben Johnston with 22/25 and Doug Allan with 21/25.

Gary Kelly won the first event on Sunday, which was the much valued Lighting Plant in the 10 SE Pages Special with a fine 28/28.

Ted Dickinson took the State Champion of Champions title which was keenly contested with a well shot 123/125, with Gary Kelly taking out A grade with 122/125, Andy Ferreo managed quite easily in the end to take B grade with 117/125 and Jorgen Larsen took C grade with 111/125. The Ladies was won by Toni Watson with 93/125 and Roy Holtfreter took the Veterans with 115/125.

The 3 man teams held in conjunction with the event was taken out by Ted Dickinson 123, John Dyas 116 and Lex Shipp with 115/125 to give a total of 354/375.

During the weekend the club also ran a Shooters Jackpot where 5 shooters names are drawn and they have to shoot all five targets from a drawn meterage, which ranges from 17m to 22m. The jackpot was worth \$159 on Saturday which was not attained, so it was carried over to Sunday and it was worth a total of \$317 and it was split by Stuart Johnston and Graeme Parsons, each getting \$158.50.

The last event of the carnival was the 25 DB Crayfish Handicap, which was won outright by Brian Morris with a well fought 30/30 from 16m. Ben Johnston won the 11-15m group with 24/25 and Phil Miragliotta won the 16-17m group with 29/30, Kim Newbold won the 18m group with 25/26 and Merv Neve won the 19-22m group with 28/29 after coming to terms with the full fluoro clays being used. The ladies was won by Lil Hilsz with 20/25 and Eddie Daw won the veterans category with a 16/25.

One of the highlights was the three way tie for the Carnival High Gun between David Fox, Michael and Bert Boschetti, ending in David winning the High Gun with an impressive overall total of 315/334. The High Gun prizes were proudly sponsored by Mitchell Fuel Distributors.

David had also won the 1992 Carnival High Gun as well, so the club would hope that he re-appears in 1994 to see if he can make it three consecutive High Gun wins.

State Champion of Champions, proudly sponsored by Geraldton Fishermen's Co-operative. Standing l to r: P. Miragliotti, E. Daw, J. Larsen, K. Newbold, B. Johnston, T. Watson, D. Allan and R. Holtfreter. Sitting l to r: B. Boschetti, E. Dickinson, G. Kelly, J. Bates and A. Ferreo.

Toni Watson won the Ladies Perpetual High Gun Trophy with 234/310, which is kindly donated by Jack and Laurel Hartley.

The Veterans High Gun was won impressively by the evergreen Roy Holtfreter with 281/310 and the Junior High Gun was won by Ben Johnston with 229/310, both these awards were sponsored by Stuarts Mensland.

The club ran its Crayfish Poker which is based on the number of 25s a shooter can get in 5 allocated events.

The best result was 3 non consecutive 25s out of the 5 events, which was achieved by Robin Bailey, who scored 25s in events 1, 4 & 6. Rob Conning also scored 25s in events 1, 2 & 6, and David Fox scored 25s in events 2, 4 & 6, each receiving \$33.30 for their efforts. The other categories not attained will jackpot to next years carnival and will be worth between \$200-\$300 depending upon the category and a person(s) achieving their first 25 break badge will share \$100.

The club would like to thank the sponsors, crayfishing members and M. G. Kailis for the supply of crayfish for the events and lunches. Thanks must also go to Maxine Stuart for the array of prizes and to Margaret Hatch and the kitchen ladies that helped out during the weekend, and to all other members and supporters who helped in any way. The full results may be found in the shoot report section.

## COBAR GUN CLUB

### 18th Annual Golden Clay

Cobar Gun Club held a successful 18th Golden Clay shoot over the weekend of 27th, 28th & 29th August. With over 50 shooters from NSW, Victoria and Queensland competition was fairly stiff. Shooting conditions over the weekend were mild with a slight wind making the targets a little harder occasionally.

Although the trophies were well spread out (see results section for full details) three local shooters won the Gold, Silver and Bronze clays. Pud Burgess shot well consistently over the whole weekend including 26/30 in one handicap and 45/50 in the other using 28gr loads off 22 metres to win the Overall High Gun Golden Clay trophy. Doug Osborne Snr was second in the high gun and Doug Osborne Jnr was third.

The club would like to thank their sponsors Cappers, Middleton's Spares and Accessories, Gambarns, Cobar Bowling and Golf Club, Keith Soames, Mrs Upton, Burgess Foodstore Supermarket, Grand Hotel and Doug Osborne for their generous support, which helped make this weekend such a success.

This was a good weekend of shooting and everyone seemed to enjoy themselves. Hope to see you all again next year.

# WARATAH STATE NOTES

## Southern Zone

Sydney Clay Target Club has asked me to remind shooters of their Anniversary Shoot which is being conducted over the weekend of November 13th & 14th. They have a very good program and are offering excellent value for money with exceptional trophies on offer, a shotgun, colour tv's, microwaves, cases of ammo, cash graded high guns and much more.

The club has been well supported by shooters in the past, and the committee is prepared to put something back in for the shooters. By the shooters in turn supporting the club, it enables the shoot to grow even more for next year. Hope to see you there!

Hawkesbury Gun Club has also notified of their relocation to the new ground at Cecil Park, south of Elizabeth Drive. Their new facilities of 4 trap layouts, 4 skeet layouts and 1 ball trap layout are now up and running.

## Riverina Zone

Wagga Gun Club has advised the results of the Commonwealth Double Barrel Cont Championship conducted on the 5th September. 18 shooters were in attendance and Graeme Boyd from Wangaratta won the championship with a score of 45/50.

## Central Zone

Grenfell Gun Club hosted a very successful Coaching Day in conjunction with their Annual Junior Shoot over the weekend of 11th & 12th September. State Coaching Director, Fred Schmetzer, was in attendance along with Central Zone coach, George Bunting. Coaching commenced on the Saturday at 11am with 15 shooters (mostly juniors) in attendance.

There seems to be a growing group of juniors developing in the West Wyalong, Grenfell and Forbes areas. This is extremely pleasing to see and the coaches were particularly pleased with the high standard and level of development of these up and coming juniors. Sunday morning the coaching continued until the commencement of the Annual Junior Shoot at 1.00pm

One very interesting aspect of the junior shoot itself was the donation of junior trophies by the local branch of the Sporting Shooters Association. A representative of the branch was also on hand for the presentation of trophies. Its great to see the united effort of different shooting disciplines, and the support was greatly appreciated.

Many thanks also from Central Zone shooters to John Gorman and the Grenfell Gun Club committee for their hospitality and also to Fred Schmetzer for his valued coaching instruction as well as his campoven cooking talents (nice chicken Fred).

## Coaches Corner

There are 3 coaching weekends on in November, all in different areas of the state.

MAJURA PARK is hosting a Southern Zone coaching weekend on 6th & 7th November, from 10am on Saturday and from 9am on Sunday. Both state coach Fred Schmetzer and Southern Zone coach Bill Shelton will be attending.

ALBURY WODONGA is the venue for Riverina Zones coaching weekend on 13th & 14th November with both state coach Fred Schmetzer and Riverina Zone coach Bob Blake in attendance. Saturday commences at 1.30pm and Sunday at 10.30am.

GLEN INNES is the Northern Zones coaching venue and Northern Zones coach Peter Smith and assistant Peter Holmes will be conducting the coaching weekend on 6th & 7th November.

As is the case with all coaching weekends, all shooters are welcome, and all grades of shooters are catered for. Even if you just have nothing else to do on one of these days, why not come along and see what goes on at a coaching weekend. You may be pleasantly surprised.

# CAIRNS & DISTRICT GUN CLUB

*By Kevin Drovandi*

The Cairns & District Gun Club conducted their annual shoot playing host to a number of shooters from Darwin to Bowen attending, also a visitor from NSW. The weekend shoot saw weather conditions ranging from calm and sunny through to windy and rain squalls. The inclement weather conditions made for difficult shooting but still perfect scores were posted throughout the competition, showing the quality of competition was very high.

On Friday an invitation interstate team shoot was contested between Northern Territory and northern Queensland in conjunction with a state ISU elimination trench shoot. A field of 18 competitors contested this Olympic discipline in fine weather conditions, which was not indicative of the weather to follow for the annual shoot on the weekend. Results for this shoot as follows: Northern Queensland were victorious over the Northern Territory team with NQ team members A. Zappala, R. Simpson and K. Drovandi holding off the NT team members V. Ferteklis, P. Grove and A. Larsen (Qld) with a collective score of 326 against 403.

Place winners were 1st A. Zappala 132/150, 2nd place R. Simpson 130/150, 3rd place V. Ferteklis 128/150. Grade winners for the elimination shoot were A grade A. Zappala 132/150, B grade K. Drovandi 123/150, C grade Mrs A. Wyatt 63/125.

36 shooters saw the start of the annual shoot on Saturday beginning with a 10t meterage \$300 eye opener event. Eventual winner after an eight person shoot off was M. Costa with a perfect 20/20 off 18 metres. Next event was a 25t DB, winners were OA & A: M. Blain 37/37; B: D. Bruce 26/27; C: R. Crawford 24/25. Event 3 25t SB: OA & B: B. Bell 24/25; A: A. Zappala 24/25; C: A. Torresan 22/25. Event 4 50t DB: OA & A: P. Grove 50/50; B: M. Costa 49/50; C: M. Gracie 48/52. Last event for Saturday was a team shoot, the winners being of predominantly Northern Territory shooters, won with a total of 140/150 comprising of A. Larsen, V. Ferteklis, N. Blain, P. Grove and L. Solari.

With the last event over for Saturday the ladies of the members provided a sumptuous dinner with roast lamb, roast pork, prawns and a variety of other fine foods. The calcutta was run after dinner with an eventual total after the auction of \$2,115, up for grabs for the winner of the Calcutta the following day.

Sunday morning showed similar signs of poor conditions for the last day of the annual shoot. First up was the 10t \$300 eye opener DB event with V. Ferteklis the winner with 62/62 after a 13 person shoot off. Commiserations to J. Wilkinson who dropped his 62nd target in this shoot off. After his initial shot, John lowered his gun fully expecting the remnants of the target falling to earth, only to realise that he had completely missed the target. By the time he re-raised the gun the target was well and truly out of normal range and the subsequent second shot failed to break the target. Bad luck John.

Next event was a 25t pointscore event with R. Draper taking OA & A with a perfect 75/75 during windy conditions. B grade M. Costa 73/75 and C grade J. Bertello 67/75. The calcutta event was next with A. Larsen shooting a commendable 49/50 during very trying weather conditions. His father must have heard a little birdie spill the beans as he purchased his son A. Larsen for \$240 during the previous nights auction. For this outlay he received \$2,115.

Last event for the annual shoot was a 15pr DR with winners OA & A: B. Hall 32/40; B: N. Beale 23/30; C: R. Bortolanza 23/30. With the final event over presentations were made to event winners and to overall champions. OA & A grade champion was V. Ferteklis with 282/305 from the Northern Territory, B grade champion was M. Costa with 274/305 from the Tablelands and C grade champion was R. Crawford 249/305.

Thanks and appreciation go to the many people who made this annual shoot possible and also a success.

One hundred and seventy-nine students from fourteen schools in the South West Zone attended from Mortlake, Wannambool, Lake Bolac, Derrinallum, Ararat, Hamilton, Colac, Macarthur and Terang.

The overall winner with a perfect score was 13 year old (junior) Luke McLennan from Derrinallum High School; Luke scored 20/20 single barrel.

*The winning students, pictured with Rod Laidlaw from Winchester.*

Other results were as follows: Senior Boys: 1st B. Palmer (Monivae), 2nd S. Watts (Monivae), 3rd J. Dunstan (Hamilton Coll). Senior Girls: 1st R. Coates (Monivae), 2nd L. Ryan (Monivae), 3rd S. Huf (Monivae). Junior Boys: 1st M. Holt (Colac Tech), 2nd B. Palmer (Monivae), 3rd R. Sanders (Macarthur Primary). Junior Girls: 1st C. Toohey (Monivae), 2nd D. Minchinton (Monivae), 3rd B. Pezutti (Monivae). Team: Monivae College, Hamilton consisting of N. Harris, Ben Palmer, Bill Palmer and A. Morrissey.

Monivae College from Hamilton entered approximately 60 competitors and had the best overall aggregate of winners, all the other schools who had students participating have a school program of firearm awareness with teachers and outside helpers.

The South West Zone would like to thank the sponsors Winchester, the Noorat Gun Club president, committee and members who helped during the day.

Thanks also to the large number of teachers, parents and interested people who helped, especially Peter McDonald (Colac) who filled in at short notice for Graham Mahoney who was unable to attend.

## JOIN THE OVER 80s TRAP & SKEET SHOOTING CLUB

*By George Biggs, ACTA Historian*

First member to join is Steve Staughton, age 89, Steve is still an active member of the Gunnedah Gun Club in NSW and is a regular competitor in club shoots. He was one of the original members of Tally-Ho club, one of the regions early post war clubs and was the Foundation President of the Gunnedah club formed about 1958.

When Tally-Ho club folded, Gunnedah took over the running of the Tally-Ho Teams Cup C'ship. Under Steve's guidance Gunnedah became a very active club. He won many titles and actively coached many young shooters, who later made names for themselves.

*Steve Staughton*

Steve was a contemporary of Newton Thomas, Horrie James, Joe Raleigh, Ossie Smith and many others. When the Boggabri club folded about 20 years ago and amalgamated with Gunnedah, Steve relinquished the reins to the late Stan McMaster, on Stans untimely death, leadership went to Vic Eather. It was under Vic and Stans leadership that the now famous 'Gum Tree' sporting clay shoot was developed over 25 years ago with Steves active help. Steve says he wouldn't miss his shooting for quids. He says that he only shoots for the fun and enjoyment of shooting with good friends. This means more to him than winning, although he still takes home the trophy for the oldest competitor. Steve is renowned for having the longest second barrel on the tracks, frequently shooting a target a foot off the ground!

*(We are indebted to Cec Herbert for this story).*

## WANGARATTA CLAY TARGET CLUB

On Sunday November 21st the Wangaratta CTC will conduct a 50t Skeet Championship in memory of their Life Member, Dick Love.

Dick was a dedicated committee member for ten years, who officiated as handicapper for eight years prior to his death in 1992. In 1991 Dick was awarded a Life Membership in recognition of his efforts, an award for which he was justifiably proud.

Whilst Dick was a keen skeet shooter throughout his time at the club, he also encouraged the younger members to become involved in club management and serve on the committee.

Dick was a great advocate for inter-club competitions, particularly the prestigious Attwood-Law skeet junior and open trophies. It was with this in the mind that the club decided to conduct an event in memory of him on the same day as the Attwood-Law trophies are being contested.

The club will offer very good trophies for grade winners of the Dick Love Memorial Championship and a beautiful perpetual trophy will be presented to the overall winner.

# NSW CENTRAL ZONE

## Titles and Team Selection

The Central Zone titles were conducted in fine, warm weather at Cowra Gun Club this year. On Sunday 29th August, 70 shooters from all over the zone turned up to contest the three championships and resultant team positions for the State Trap Carnival at Wagga.

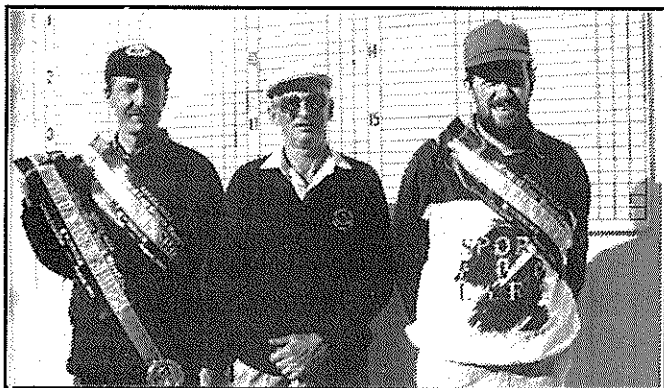

One point of interest, there were 23 AA grade and 23 A grade shooters participating, so good performances and close competition were the order of the day.

The eventual championship winners, Jim (J. W.) Smith and Dick Piotrowski, started their shooting careers with Cowra and after many years of Cowra club membership, have been instrumental in starting a new club in the zone at Blayney. Best of luck to them and the new club.

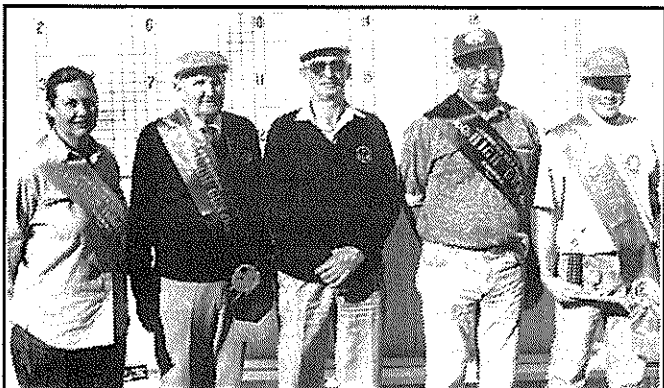

There were 13 possibles in the NSW Central Zone Double Barrel Championship. Dick Piotrowski was the eventual winner overall after a battle with Digger Ellison, 1st in AA grade and Jim Murray 1st in A grade. Sam Barbagello took out B grade and Charles Bunting the C grade. Junior and Sub Junior were B. Fairman and Murray McAllister. Leonie Peters won the Ladies and Fred Johns the Veterans.

One interesting fact that gives great expectations for the future is that there were 9 juniors and 3 sub juniors competing during the day, most of them 'chips off the old block', with proud dads (and mums) cheering them on.

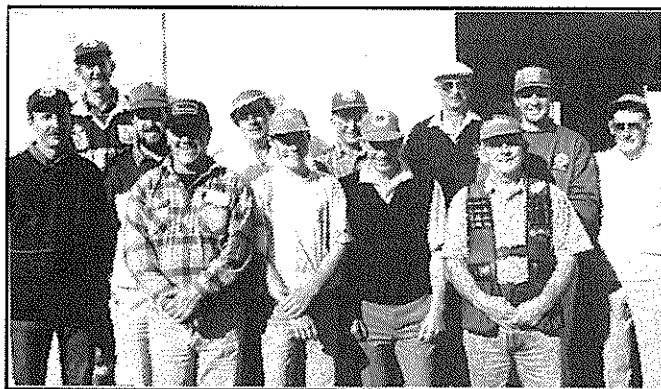

The top shots in the double barrel were still running hot in the NSW Central Zone Single Barrel Championship. Dick Piotrowski was again victorious with George Bunting and Digger Ellison 1st & 2nd in AA grade, Jimmy Watts first in A, Justin Ellison B grade and Andrew Redfern C grade. Junior B. Fairman and Sub Junior A. Healey. Glennis Lawrence was top Lady and Les Alexander won the Veterans.

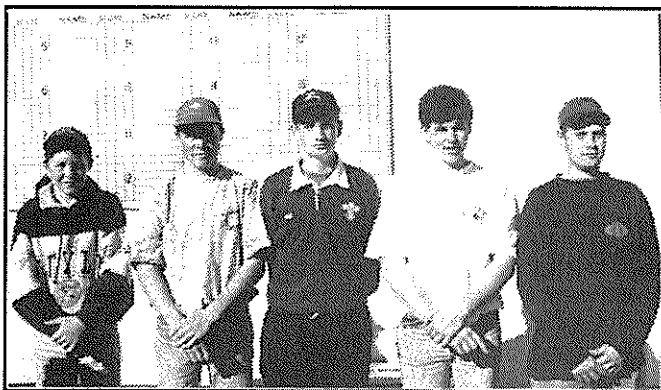

From left: Dick Piotrowski (Central Zone DB and SB champion), Les Aberley (Zone President) and J. W. Smith (Central Zone PS champion).

High Gunners 1 to 5: Glennis Lawrence (Ladies), Les Alexander (Veteran), Les Aberley (Zone President), Robert 'Digger' Ellison (Open) and Justin Ellison (Junior).

Central Zone Open Team.

Central Zone Junior Team.

The NSW Central Zone Pointscore Champion was another well known 'top shot' J. W. Smith. First in AA grade was P. Griffiths, A grade John Rue, B grade Kevin Reid, C grade M. McAllister, Sub Junior was won by Luke Ellison, Junior Justin Ellison, Lady Leonie Peters and Veteran Fred Johns.

High Guns winners were Open: Robert (Digger) Ellison; Junior: Justin Ellison; Veteran: Les Alexander; Lady: Glennis Lawrence.

The open and junior teams were duly announced and Zone President, Les Aberley congratulated them and wished them luck at the NSW titles at Wagga.

## MOUNT ISA GUN CLUB

*By Ron Power, Secretary*

The afternoon of Saturday August 14 was a typical warm Mount Isa afternoon and in these conditions twenty shooters once again tried their luck against the 'little black aspros'. Visiting Karumba shooter Lou Solari showed how it should be done with a fine 75/75 in the 25t Tower event. Jim Edmonds, Wayne Reeves and Snowy List shared second place with scores of 69/75.

The second event of the afternoon was a 75t Ball Trap elimination in which the scores count towards selection in the Queensland team. Hopefully some shooters from the north will gain selection and represent our state.

Sunday morning 8am and ball trap was the event once again. Lou Solari (55/56) continued his winning ways by taking first place after defeating Rob Cusack (54/56) who had to be content with second. The 'silver fox', Mick McGill was placed third on 48/50.

Now was the skeet shooters chance and after 25 targets the results were A grade, Jim Edmonds, Mick McGill and Phil Leddick equal first with 23/25. B grade was shared by Wayne Reeves and Lou Solari who both shot 24/25, and C grader Rod Maxwell claimed that grade prize with 24/25.

With the mornings shooting over lunch was served, and once again we thank Doug, Myrtle, Satu, Sonia and their helpers for the excellent efforts in the kitchen.

Full stomachs don't stop the top shooters from strutting their stuff and Greg Matthews proved it by winning A grade in the Mount Isa Gun Club Day Points C'ship with a very well shot 149/150. Greg represented Queensland at the recent National Championships and it is not hard to see why he gained that distinction. "B graders can shoot too" was Trevor Bennett's cry and he left no doubts about his abilities by winning his grade with 147/150. Myrtle Anderson won C grade with 136/150 and Dianne Reeves (140/150) collected the trophy for best lady shooter in the event.

Handicap was next on the program and Lou Solari proved that the 22 metre mark wasn't a handicap at all by scoring 25/25 in the event and then surviving the shoot off to take first place with 45/45. Jim Edmonds was second on 44/45, and Mick Coleman held on to third with 34/35. All up six shooters shot the possible in the event. Lou Solari, Jim Edmonds, Ted Matthews, Rod Maxwell and Wayne Reeves who all have handicaps of 19 metres or better, and Mick Coleman who at 11 metres handicap was the only front marker to make the grade. Well shot by all of them.

The final event was the Mount Isa Gun Club Day Deauville Doubles C'ship and five teams shot 20/20 in the event and faced the shoot-off. The team of Lou Solari and Ted Matthews beat all comers to finish in first place with a score of 52/52. The Cusack brothers, Rod and Rob, were placed second just one point down at 51/52.

With shooting over, President Rod Maxwell began the presentations, and his first task was to hand out the badges won last month in the Northern Zone Day Points Championship. A grade Doug Stone (149/150), B grade Geoff Ladbroke (78/81) and C grade Nev Anderson (67/75). Rod also had break badges to present to Neil Sinclair and Doug Stone. Rod then welcomed Doug Stone and Ron Keyes to the AA grade ranks. Well done both of you as to achieve AA grade a shooter cannot miss any more than 6 targets in 200, and that is not easy to do.

Ron Keyes has been transferred to Townsville and we wish him and his family all the best in their new home and advise Townsville Gun Club to be prepared to see his name on the winners list regularly.

## THANK YOU

*By M. Alexander, Team Manager*

During the month of June this year, the ACTA assembled a team to attend a World Cup in Fagnano, Italy and a World Championship in Barcelona, Spain.

All our members were duly informed of the results through a double page report in the August edition of the CTSN.

What was not reported in this article, was the huge effort put into one aspect of the trip which allowed the Australian team to compete. I am referring to the supply of ammunition, that despite the logistics, were on each of the grounds waiting for their respective shooters.

I am personally aware of the effort that Mr Bruce Burns of Winchester Australia undertook to ensure quantities of Winchester products were on site despite lack of time and Australian product availability. He need not have undertaken this task, but he did, to ensure the 'Top Gun' competitors had the best available and at no charge.

The same must be said of Mr Sergio Zuffo, who assisted the National Office with the Italian connection and also ensured that ammunition was available for the relevant team members.

To both these gentlemen and their respective companies, I on behalf of the 1993 UIT World Championship team and clay target shooters in general, say a belated 'thank you' for your invaluable assistance and support.

## VALE

### Alan Barnard

Cessnock City Gun Club members were saddened by the loss of their fellow member and friend Alan Barnard on Thursday 26th August 1993, after a lengthy battle with cancer.

Alan will always be remembered, along with his father Cec, as a bloke who was always there when there was work to be done or a yarn to be told. He was a keen shooter who attended and competed in shoots for as long as he was able.

The club would like to offer its sympathy to Alan's mother Gloria and the rest of his family.

### Ken Burton

Shooters throughout Australia were saddened to hear of the sudden death of Ken 'Nugget' Burton of Kerang. Sincere sympathy to Faye and his family.

### Brian Dowell

The Tumut Gun Club members have been saddened by the death of Brian Dowell at the age of 53 years after illness.

Brian took up clay target shooting in the early 60s and was instrumental in the establishment of our club as it is today. His ideas and organisational abilities will be missed.

Brian was very active in club affairs and held the position of club president on several occasions. He was also club delegate to the zone and a delegate to the state. He was also involved in coaching new and old shooters and was highly regarded for his knowledge of shooting clays and ability to transfer this knowledge to other shooters.

He was a regular attender of zone, state and national events for many years and on many occasions represented the Riverina Zone in both trap and skeet. He was very supportive of surrounding clubs, particularly Boorowa, Junee, Narrandera, Ganmain, Wagga and Downside and had many friends in these and other clubs.

Brian was bestowed Life Membership of the Tumut Gun Club in 1992 in appreciation of his work and involvement with the club over the past 20 odd years.

Local members and the clay target association have lost a friend, fellow shooter and avid worker for the sport of clay target shooting.

### Norman Wayne

We would like to advise the recent death of Norman Wayne, member of the Bordertown Gun Club, SA, aged 63 years, who passed away recently. Dearly loved husband of Bettie, father of Nigel and Janet, father in-law of Chris and grandfather of Amy. sincere sympathy. Sleep peacefully.

## Anniversary Shoot — 21st & 22nd August 1993

Occasionally the weathermen get it right, resulting in perfect weather for our 37th Anniversary Shoot on 21st & 22nd August.

The program commenced with the Fisher Firearms 25t Skeet Championship, which was ably won by Ray (Cat's Eye) Kimber, after a shoot off with Richard Dean for A grade. B grade was hotly contested by Craig Bentley and well known handicapper, Trevor Gurr (well I know him) — a contest to the death, I believe. This resulted in a win for Craig which sent Trevor off to Coventry muttering dire threats of something like, "How would you like to be in A grade Craig?" The man of the moment in C grade was Charlie Gauci, with a win from Warren Lymn. The final wrap up for the skeet was Ray Kimber on 30/30 and overall with Peter Caddy winning the vets category.

Event 2, the 25t Trench sponsored by Trevor Gurr, got under way with Craig Bentley hot to trot, winning A grade in fine style from Dino Oliviero, who is no slouch on a trench layout. Peter (The Don) Marconi fastened on to B grade with a 'dark horse', Bob Dower, coming in second. Speaking of dark horses, a couple of them slipped their hobbles from Southern Yorke Peninsula and won first and second in C grade, Ernie Koop and Rocco Spinella. The Dons hold was too strong, giving him the overall win and Keith Mules coming in on the vets trophy.

The next event was the 25t Tower Pointscore Championship, kindly sponsored by Barbara Wallace and Gordon Hand. Once again the winners were as hard to guess as Liz Taylor's age. A grade won by Dino Oliviero; B grade won by Eddie Benc; C grade won by Claude Giles. Second places went to Colin Jacobs, John Hamer and BJ Bensen respectively. The overall went to Dino Oliviero, with Peter Caddy once again taking the Veterans prize.

Peter and Barbara Quire are no strangers to clay target shooting in South Australia and were the sponsors of the next event, which was 20 target handicap. This was won by Dean Oliviero (Dino's young bloke) with a 21/21. Max Aromataris was the second placegetter with 20/21. The vets place was capably filled by Joe Laxton with 18/20.

The last event for the day was the 30t Kelyvn Prescott DB C'ship. Kelyvn has been connected with the SAGC in one way or another for quite a number of years and it is always pleasing to have him sponsoring events, which he does regularly. The winners were: AA, Dennis Lymn; A, Peter Hendy; B, Dave (Pres) Renney; and C, Claude Giles. Dennis was the overall winner with the perennial Fred Atkinson taking out a well deserved veterans win.

The next event which was a huge hit with those who attended was the Anniversary dinner. This was fully catered for by the Aussie Meat Roasters, whose service and food were excellent.

So, on to day two: The opening salvoes were loosed off in the direction of the 50 target Skeet Championship sponsored by 'The Gun Rack' of Enfield. A grade was won by Ron 'Swiftly' (those who have refereed for him will know where the name comes from) Smith with the well known Les Charles filling second spot. B grade had our handicapper, Trevor Gurr, leave the office long enough to knock this one off. (Tell us all Trev, who handicaps the handicapper?) Keith Mules was the winner of C grade with Marco Longo filling second spot.

Moving right along. The next event was the 20t Barossa Liquor Store Handicap. The Barossa Liquor was a new and much welcome sponsor for this years shoot. This saw Richard (Swiftly Mk II) Winkel step into the winners circle and Ron (The Faster Master) Smith in second spot. These two lads shoot targets so fast that instant pulls aren't quick enough sometimes. Referees have been known to run off screaming when these two gentlemen are on the lanes together. Veteran winner was Keith Mules.

Pointscore events are either loved or loathed, so lovers and loathers girded their loins and made ready to do battle in the 20t 'Suburban Taxi Trucks' Pointscore Championship. With a cast of thousands, the eventual winners were: A grade and overall Richard Dean; B grade Bill Wilcsh and C grade Brett Marsden (one of our up and coming junior shooters). Barb Wallace took the ladies trophy and Joe Laxton once again filling the veterans position on the rostrum.

The last event was the 50t Anniversary Double Barrel Championship. Richard Dean was the eventual winner, taking out AA grade and overall honours after a lengthy shoot off with Warren Lymn. The two long loopers, Ernie Koop and Rocco Spinella, from The Peninsula won A & B grades respectively, with yours truly slotting into C grade. The much renowned Joe Laxton bringing in the rear guard to take out the vets place again.

With the conclusion of the Double Barrel, all that remained was to announce the winner of the ICI CropCare Touchdown High Gun for the two days. This was won by Craig Bentley with 323/340 — a 'good one' Craig. ICI CropCare were kind enough to have two of their people in attendance to present the trophy of five cases of cartridges. The hotly contested 'Veterans High Gun' was ably won by Peter Caddy.

The South Australian Gun Club would like to thank all those who attended as competitors, helpers and spectators, or assisted in any way to the success of the carnival, which, as we all know, goes a long way to the smooth running of any shoot.

## FINLEY GUN CLUB

Finley Gun Club held a successful night shoot on Saturday 4th September, with the feature event being 'the Tuppal Hotel Centenary Shield'. It was the first time that the event has been held and it is planned that it will become an annual event on the eve of the Finley Show. The sponsors of the event were Tony & Helen Irvine of the Tuppal Hotel, Finley, who this year are celebrating the hotel's centenary. A perpetual shield, replica shield trophies and \$300 prize money was donated by the Irvines, and the Finley Gun Club would like to thank them for their generous support.

The results of the night events were: 10t DB EO: B. Ford 10/10. 25t DB 15m: OA & A: R. Barlow 24/25, 2nd T. Hicks 23/25; B: D. Dean 22/25, 2nd T. Maskell 21/25; C: G. Davis 23/25, 2nd R. Lambourn 21/25. 25t DB PS: OA & A: T. Hicks 72/75, 2nd R. Glenn 65/75; B: C. Rees 69/75, 2nd D. Dean 68/75; C: G. Davis 60/75, 2nd B. Hartney 57/75.

The feature event of the night 'the Tuppal Hotel Centenary Shield' was run in conjunction with event 3 and was contested by teams of three shooters.

The winners were T. Hicks (72/75), T. Maskell (57/75) and S. Hayes (56/75), with an aggregate score of 185/225. Runners up were S. Catena (59/75), D. Dean (66/75) and B. Hartney (57/75) for a total of 182/225. Overall High Gun for the night was won by T. Hicks 104/110 and front marker High Gun was won by G. Davis 91/110.

# COWRA GUN CLUB

## Cowra Gold Cup — An outstanding success

The Gold Cup shoot conducted by the Cowra Gun Club on August 7 & 8 was an outstanding success, with many top shooters in attendance from as far away as Dubbo, Melbourne and Sydney. All were complimentary about the town and the facilities, organisation and hospitality provided by the club.

Over the weekend 21,000 clay targets were thrown, Saturday 6,000, Saturday night 5,200 and Sunday 9,800.

The first event of the program was an eye opener and 51 of the 100 shooters participating shot the possible 10 targets.

The Central Tablelands Double Barrel was next up, and after 30 shot the possible, Filippo Petriella 223/223 finally took the overall and 1st in AA grade from M. Casalla 222/223. The shoot off was concluded on the Sunday morning. First in A grade was Peter Taylor, B grade N. Petrone, C grade J. Salvaggio. The junior was a tie between James Barron and Shane Samuels, sub-junior was won by Murray McAllister and ladies by Karen Kennerson.

The 20 target Handicap Jackpot Trophy was won by local John Finn 67/67 from Glen McAllister 66/67. There were 15 possibles in this event and the 3 man team Len Bird Shield was held in conjunction. The winning team was Mark McInnes, Peter Fitzallen and Arthur Turner 60/60.

The night shoot was conducted in cold and clear conditions, 85 shooters taking part. The NSW 50t Pointscore Continental Night Championship, certainly a difficult event, produced some excellent performances. Overall and 1st in AA was Kim Nealon 148/150; A: P. Duffy; B: D. Drogemuller; C: B. Davis; Lady: K. Kennerson; Jnr: S. Samuels.

High Gunners 1 to 5: Shane Samuels (Junior), Noel Nicholson (Veteran), Doug Smith (Winchester), Filippo Petriella (Overall) and Karen Kennerson (Ladies).

On Sunday for the Gold Cup (100 targets) there was rain early then it cleared. There were three possibles in this event - A. Turner, R. Hibbert and P. Ewart. We thought we were in for another long shoot-off but only another 26 targets were needed. Overall & AA was Arthur Turner 126/126; A: G. McAllister; B: G. Lysaght; C: G. Campbell; Lady: J. Kidd; Vet: R. Percival. The junior awards went to Adam Healey 1st u12, J. Salvaggio was 1st u14, S. Samuels 1st u16 and J. Barron 1st u18.

High Guns: Open was won by Filippo Petriella who shot a 300 break during the shoot. Junior was Shane Samuels, Karen Kennerson won Ladies and Noel Nicholson took out the Veterans.

We thank our fantastic donors, without whose help we could not stage such an attractive program.

President, Noel Dwight, stated that the smooth handling of such a large field of shooters was due to magnificent team work by club members. The shooters played their part by co-operating with the 'squad hustlers', and many stated that they will be back next year.

Major prize winners from left: Kim Nealon (NSW Pts Cont Night champion), John Finn (Handicap), Arthur Turner (Cowra Gold Cup winner), Filippo Petriella (Central Tablelands DB winner and Overall High Gun).

Junior prize winners from left: J. Barron (1st u18), A. Healey (1st u12), M. McAllister (2nd u12), J. Salvaggio (1st u14), S. Samuels (1st u16).

## BUNDABERG GUN CLUB

### Rum City Championships

Bundaberg Gun Club held its annual two day shooting carnival on Saturday & Sunday August 28 & 29 in very wet conditions.

The club held an eight event program with the club throwing 12,000 targets over the weekend and the shooters shooting for trophies to the value of \$5,500. Fifty-five shooters attended the events and the trophies were distributed over a good few people.

Thank you to our sponsors without whose support we could not put on such an event and thanks to the following: Alan Powell Ford, Austoft, Goodyear Tyre Service, Northside Produce, J. A. Toft, J. & R. McCracken, Bundaberg Sugar Co, Wide Bay Bricks, Wide Bay Capricorn, Bundaberg Rum Distillery, Winchester Australia Olin, Kens Plumbing, Neil & Wilma Berry, John Murchie Constructions, Wynyard Decorators, Rehbeins Guns & Fishing Gear, Pedro's Painting Service, Ted Jensen (patron), Tropical Gardens Motel, White Villa Motel and Casper Motel.

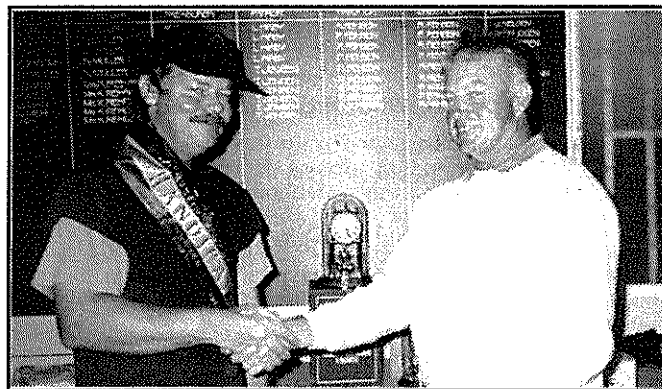

Full results of this shoot may be found in the shoot report section. Grade and section High Guns of the weekend were: AA: Bill Stevens 313/335; A: P. Shaw 309/335; B: J. Deeley 302/335; C: G. Patterson 274/335; Ladies: Kaye Rehbein 278/335; Jnr: A. Bateman 273/335; Vet: B. Nasser 302/335.

"The winner of the Overall High Gun for the weekend, with a score of 327/335, Gary Redmond. Once again thank you for your attendance and have a safe trip home." With these words the President, Neil Berry, closed our annual two day shoot.

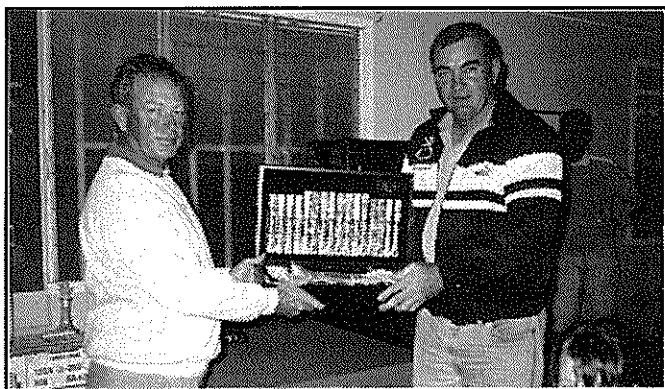

At last it's over, no more worries about the trophies, the food, the weather, the attendance, whether we will get the program finished in good time, and all the other problems that could happen and fortunately didn't. The only thing that let us down was the weather. We had waited a long time for the drought to break, but did it have to be on Saturday night.

What I would like to do is give you a brief insight into the trials and tribulations of organising and running a two day shoot.

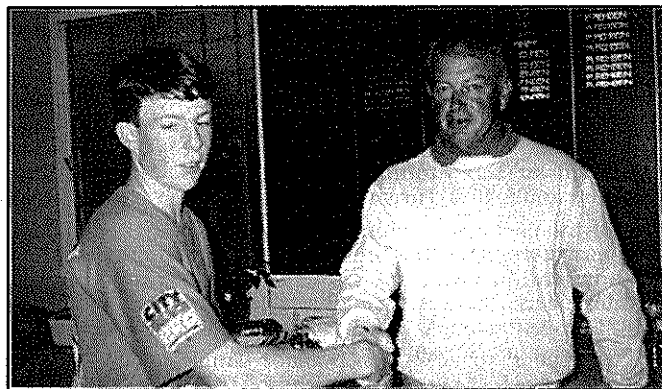

Being a 'get in and help' type person (some people think I'm bossy) I thought I would help with the purchasing of trophies. What a job! Prouds were having their mid year sale, our nearest store is Rockhampton - sent Jan Maroske from Rocky, shopping armed with a long list, thanks Jan. A similar thing happened at Pillow Talk in Brisbane, my neighbour just happened to be going to Brisbane, of course she took my list, thanks Del. The rest were acquired around the local stores by

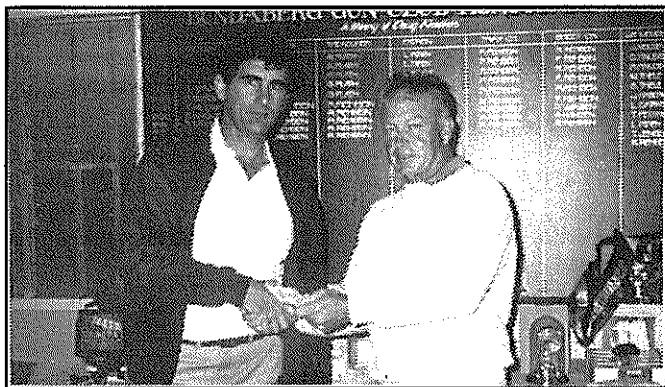

C grade High Gun, G. Patterson (left).

Overall High Gun, G. Redmond and President, N. Berry.

Andrew Bateman (left), Junior High Gun.

A grade High Gun P. Shaw (left).

being in the right place at the right time. The president was an easy task, he donated the Ladies, Veteran and Junior High Guns. The treasurer and secretary, Rob & Kaye Rehbein, donated cartridges for the Winchester points, all I had to do was ask. Thanks very much - you helped balance the trophy budget. Our patron, Ted Jansen, donated a coral trout and prawns for the raffle, thanks Ted.

My department was the catering. What an undertaking! I can cater a 20 person dinner party with my eyes closed, but 2 days for an unknown number - what a daunting task. What will they eat, how much of it, should it be hot or cold, or a combination of both? I finally decided we should cater for 70 people on both days, and 50 for the Saturday night barbecue. Well, we had the numbers about correct, actually I think there were 80, but

certainly not the amount they would consume. We constantly ran out of food and had to make quick trips to the closest supermarket, thankfully they were open all weekend.

At this time I would like to thank all those people who helped in the kitchen, Betty, Rose and Nancy - thanks girls, couldn't have managed without you. Del Fett, from the Sunshine Coast, who gave me her 'secret family recipe' for trifle, and then made them for us - thanks Del. Joyce Deeley, from Gemfields, the most organised person I have ever met, who gave me the benefit of her considerable knowledge on how to cater for a large number of people, thanks Joyce, your guidance was invaluable. Mary Evans and Muriel Porter, from Brisbane, on 'how much feeds how many', thank you ladies. Thel Meadows - how many slices of bread did you butter for us, thanks Thel, and Gary Redmond for his expertise at the barbecue on both Saturday night and Sunday morning - thanks Gary you did a great job.

Saturday morning we had a shower or two. Rob Rehbein said that with Neil's luck it would rain till 12 o'clock starting time, then clear to fine and sunny, and not rain again until 6 o'clock when the shooting would be finished. He was nearly right, it started again at 6.15pm and then didn't stop until 6.15pm on Sunday. What a wet day, though it did make for some interesting sights around the grounds. Ray Tremell looked dashing in a brown jacket and a green and white striped tarp wrapped around his waist sarong style and held up with a length of rope - both items were supplied by Harry Walker - not to worry Ray it kept your trousers dry and your colour co-ordination was perfect. Neil looked his usual immaculate self in a yellow rain jacket, black rubber boots, and a pair of shorts. I think I saw every conceivable combination of rain gear, begged, borrowed and shared. I doubt that any of it was really effective, but then what is in 5 inches of tropical rain, there was not a dry person on the grounds.

In spite of the weather, we had a good shoot. No problems with the traps, squads backed up, and the program finished on time each day. We even had time for an extra event on the Sunday, but no one wanted to shoot. Can't understand why, maybe they were tired, couldn't have been the rain surely?

We had 57 shooters from as far south as Geelong in Victoria and to Bowen in the north. Once again thank you for being here and making all our work worthwhile, and we hope to see you all again next year.

## 5 BIG WINNERS IN SEPTEMBER TOP GUN

Gary Redmond from Queensland and Craig Bentley from South Australia have both had an outstanding August and September in the 1993 Winchester 'Top Gun' awards.

Gary, who uses AA1250's won the overall two day High Guns at three major DTL carnivals in Brisbane, Bundaberg and one of Australias' most prestigious carnivals in Tamworth. Gary joined the 'Top Gun' awards this year after a very successful 1992, where he would have been eligible for many awards, but had not joined the award scheme due to the fact that he used many reloads for minor competitions. In 1993 he assures us that he only uses factory loaded ammunition and now only drinks factory distilled rum.

Craig Bentley also won three two day High Gun awards in September with wins at Southern York, South Australian and Wilkawatt Clay Target Clubs. Craig has had five claims this year under the awards.

David Cunningham captured a unique double for 1993 at the recent Wagga Skeet Nationals by winning the Overall High Gun. He now holds both the UIT and American Skeet High Gun awards and has already won a massive 8,000 rounds of shotshells through the award scheme this year, he will be very hard to beat now for the Overall Top Gun of the Year to be judged by the National Shooting Committee in December.

Brian Thomson, who is now a New Zealand resident followed up last years Overall High Gun by winning this years National Skeet Championship. Brian receives 2,500 shotshells for his 125 straight in Australias' 'Blue Ribbon' Skeet event. Brian used AA1200 9s whilst David opts for the faster AA1250 9s.

Victor Ferteklis from Darwin has taken his award claims to four with wins in the Northern Territory Olympic Trap Championship and across the gulf at the Cairns two day DTL carnival. He receives 500 rounds for each of his wins.

Other winners this month include last years Overall 'Top Gun' winner in Steve Atkins who shot 300 straight at Tamworth to win 500 rounds of target loads, Irvine Wynard from Queensland wins a case of shotshells for his win in the two day High Gun at Redcliffes two day carnival. Carol Ogden from the Melbourne Gun Club has won the Overall Ladies National Skeet High Gun and receives 1,000 shotshells for her tremendous win. Carol is probably the most loyal and longest serving lady skeet shooter in the country and her win has proved most popular in skeet shooting circles. This win and her selection to represent Australia at the 1991 World Championships proves that perseverance does pay off.

Glen Hayden once again receives 500 shotshells this month for one of the more outstanding efforts since 'Top Gun' commenced. Glen shot the first 104 straight in the South Australian State Olympic Trap Championship held at the International Clay Target Club in Adelaide on September 25th & 26th. He becomes the first person to claim a break prize in the UIT disciplines since the inception of the award scheme. However from 1994 a break of 75 in U.I.T. Trap and Skeet will be all that is needed to obtain a bonus case of target loads. At the same carnival Robert Dower was successful in winning the SA UIT Skeet Championship and also receives 500 shotshells for his win.
