Citori Special Sporting

GTI Sporting

As a young boy in central Illinois, Bill learned to shoot with his grandfather's trusty Browning Auto-5. It was this inspiration that lead Bill to go back to his roots and buy a Browning Lightning Sporting. He's now one of the hottest shooters in the world. Here's what Bill says about his Browning: *"A Browning shotgun gives me an edge. It's loaded with intangibles that translate to a great feel, super looks and hard, hard hits."*

Browning's **new 325** has been the rage in Europe and now America. A trim forearm promotes optimum eye-hand coordination. A wide 10mm rib excels in picking up fast flying targets. Available in 12 and 20 gauge.

The **GTI's** extra wide 13mm top rib, ventilated side rib and special sporting clays dimensions make it quick to the point and smooth swinging.

The **Special Sporting's** high post rib provides an instant view of the target. A palm swell improves shooting consistency. All Browning sporting clays shotguns have a radiused recoil pad for snag-free mounting.

With its quick, rounded pistol grip, lightning style forearm and capacity for 3" magnums, the **Lightning Sporting** is the ticket for clay birds or flushing gamebirds. A hunting style low rib or high post target rib make the Lightning Sporting a gun for any season.

Bill sums up his feelings on Browning sporting clays shotguns: *"Shooters from all over the country and world ask me why I shoot a sporting clays gun in world-class skeet competition. I always give them the same simple answer: **It's the best there is.**"*

The Best There Is.

NATIONAL PRESIDENT'S NOTES

ACTA History Book

Copies of the ACTA History Book are available from the National Office. At a price of \$19.50 plus postage, it represents exceptional value. These books are almost a necessity for each club and as the production was limited to only 1,000 copies, please be early. Sales have been brisk and a number have been secured as trophies for various events at club shoots. An excellent idea!

Shoot Calendar

We are still looking for some states to supply the office with dates of their State Carnivals in all disciplines, and those clubs with major shoots, to supply dates so that they can be included in the Shoot Calendar in the CTSN. The better the publicity, the longer the notice, the better the attendance.

Annual General Meeting

All clubs are asked to be represented at the Annual General Meeting to be held at the Pandanus Room, Carindale Hotel, Old Cleveland Road, Carindale on Friday the 8th April 1994, at 8.00pm. Your clubs representation at this meeting is important as the direction your Association will take is often decided on input and requests from the AGM.

Sporting Clays

A number of clubs now have well established 5 Stand Sporting Clays layouts and attendances at these shoots have been excellent. Club managements have accepted the challenge of these events, coming up with many varied programs and targets and offering excellent trophies for those fortunate to win. In the last edition of the CTSN, interim rules for our first National were published. These are in no way the rules to be adopted and your comments on these interim rules would be much appreciated. Speaking with members, the gun position is the one most open to comment.

....STOP PRESS ... TRAP NATIONALS

1. On Wednesday the 13th of April a special event is being programmed for interested shooters. The event will be a 50 Target Single Barrel American Trap. American angles, height and distance.

Nominations will be taken on the day with shooting commencing at mid-day.

Trophies will be for first and second each grade with the Overall taking his grade and a Sash. The trophies have been donated by a group of shooters who believe the future of our sport would be brighter if we followed the American methods closer. They wish to remain anonymous.

2. Birdbrain layouts will be operating at the SSAA Brisbane during the Trap Nationals. They will be only a short walk behind the Brisbane clubhouse. Shooters are encouraged to try this exciting new shooting game.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi – no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 ½" and 31 ½" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

EDITOR'S MAILBOX

Dear Sir,

Re: Need to change rules

Item 1. Baulk

Rule needs to be changed to, baulk can be paid anytime between the qualifying targets so a not be a distraction to other squad members (discussion, some times overheated, takes place whilst other shooters look on, and when shooting resumes will miss). Baulk must not be paid later, in shoot offs but finalised there and then or as under current rule re baulk.

Reason

Time and time again over 30 years shooting (competitive) I have seen shooters miss out on a possible through interruption of claim for a baulk and its reason there of. A competent referee should be able to distinguish a genuine request and without hesitation say 'do you shooter wish to shoot the baulk now or at the end of the round'. ie, later . . . the squad then continues on. Shooter at the point of interest to shoot the target he missed from lane in question, scorer to mark lane 5 3 2 or whatever.

Item 2. Shooter calls and shoots trap house, or ground

Rule should read (if shooter) calls and shoots trap house by mistake one shot and does not follow target when it is in the air and shoots again this is to be No Target, providing when he calls the target, it would still be on the plate in the opinion of the referee. This is very easy to distinguish, this rule has seen much discussion and people have been suspended through its interpretations believe it or not (arguments over its rule) most say call and shoot, you wear it even if its not off the plate.

Reason

Time and time again I have seen nervous shooters shoot the ground or trap house and everyone come down on them LOST LOST LOST, you shot at it. Of course the seasoned shooter knows that it is a terrible rule, the clay was not even off the plate. The rules are made up by us to promote and enjoy the sport not to put some poor innocent learner who is a bit jittery out of a prize or event.

Conclusion

Once again shooters are asked by the ACTA and States for input to rule changes. I am now putting pressure on Rules Committee to decide on these valid unfair rules to be addressed and take up as such and then seeing how interested the letter here has been, what do members think . . . 'let me know'.

Wayne Calaby
Sebastopol GC

Dear Sir,

I preface this letter by informing you that in the last twenty years as a registered referee that I have pressed the button for some of the best shots in this country without one word of dissent from any shooter as to any ruling I have made — until now.

On Sunday February 13th, I was asked to officiate at a fifty target Continental event. The squad had shot at a few targets when a shooter on lane five refused a legal right swinger. His next target was a left swinger which although was again legal brought about another refusal.

I asked the competitor his reason for his refusal of the target and he said that both targets were released too slow much to the astonishment of the remainder of the squad. I then handed the button to my scorer, an experienced shooter and shooting proceeded.

There are referees who have turned in their badge after an incident such as this and I must say that I was more than a little embarrassed, however I intend to referee whenever called upon. I conclude by saying that the 'refusal rule' is ambiguous but I give fair warning that if this happens again, providing that the target and pull were legal, I shall count the third refusal as 'lost' and the shooter concerned can take it up with club management.

**THE AUSTRALIAN SPORTS
DRUG AGENCY**

Dear Sir,

Having shot DTL competition for the past 14 months I have noticed that many shooters I have spoken to are not too happy with many of the clubs grading systems.

One problem seems to be that due to a drop off of competitors a lot of clubs have reduced their grades from 4 to 3, therefore mixing both AA and A under the one grade. Many A grade shooters I've spoken to no longer see the sense in paying nominations to compete against AA shooters. Adding to the problem is the fact that AA shooters competing in 3 grade handicap events reduce their mark. Does this mean that A grade shooters will have to look for 4 grade events only?

To address this problem I feel some clubs may need to reduce the value of the trophies, rather than the quantity, therefore encouraging shooters to win their own grade.

Is this problem an ACTA or an individual club problem or both?

I stress that this letter is not to discriminate against AA shooters or any specific clubs, but rather to have clubs encourage all grades of shooters in this sport.

Craig Bennett

Dear Sir,

As I am required to take a prescription drug for fluid retention I was particularly interested in the advertisement placed in the February issue of the CTSN by the Australian Sports Drug Agency.

Curiosity got the better of me and I called the number. Imagine my surprise when I was informed that the prescribed drug I take (NatriliX) contains a banned substance under the ASDA guidelines.

The conversation with the ASDA proved very interesting. I also learnt that there are many 'over the counter' cough mixtures and the like that also contain banned substances which can be detected up to seven days following the last dose.

There are, of course, ways around the problem of a prescription drug with a banned substance in it. There is often another name that does the same or similar job but does not contain that substance. As a last resort, your doctor can write a letter stating that the particular drug with the banned substance is the only one available to you and you require it on medical grounds if he cannot find a substitute for you. It must be noted that such a letter has to be lodged with the National Association of your sport to be effective.

I would urge all shooters considering attending Nationals to make themselves aware of the requirements of the ASDA. Just think how disappointed you would be if drug testing took place and you have just won a National Title.

It is also equally important for the ACTA to make clear their stance on drugs and drug testing. There is no guarantee that drug testing will take place at the Nationals. Similarly, there is no guarantee that it won't so please be warned.

S.A.C.T.A. STATE DTL CARNIVAL

11th, 12th & 13th February, 1994

By Ruth Michell

The South Australian State DTL Carnival this year was held over 3 days instead of the usual 2 resulting in a very pleasing influx of interstate shooters coming from NSW, Victoria and Western Australia who all agreed the three day program made it a worthwhile trip to make.

Friday's program of the 50 target State Handicap and 25 pair State Double Rise saw competitors facing targets rising in the strong winds. Frank Agostino won the handicap shooting a 55/57 over Dino Oliviero with 54/57 and V. Adams with a score of 48/51. Back Markers Max Medhurst and D. Freeman both shot 46/50.

The State 25 pair Double Rise Championship was ably won by a very determined Tony Rohrlach shooting 45/50 in conditions far from perfect. Well done! Max Medhurst came in second overall with a 51/60.

Saturday saw the incoming Gulf winds still in force but shooters by now were coping much better and generally the scores posted were very pleasing. Bill Iles shot a perfect score of 100/100 to win the 60 target Champion of Champions event with South Aussie Steven Baynes coming in 2nd with a 99/100.

Darryn Nicholls of Broken Hill won the 50 target State Double Barrel Championship with a score of 120/120 over R. Glenn who shot 119/120. Shot in conjunction with the State Double Barrel Championship is the S.A.C.T.A. Club Team of the Year.

Monarto's team for the past three years has come in 2nd place, missing out each year by just one target. Well, this year they were finally victorious and a happier group of shooters you would be hard pressed to find. Team members were Tony Rohrlach, Tony Familglietti, Phil O'Connell, Peter Hendy and Dennis Halikiopoulos.

The Inter Zone Team Shoot between the 3 zones of Western, Central and Eastern was then shot for with the Central Zone winning the Max Curtis Memorial Shield for the first time since 1991. Here the team members were Tony Rohrlach, Dino Oliviero, Craig Bentley, Wayne Renney, Rob Fleming and John Byrnes.

T Rohrlach, Overall High Gun 433/450.

Lynn Beelitz, Ladies High Gun 237/250.

Darryn Nicholls, Double Barrel Championship.

Finally all State Champion title holders over the past 12 months faced the traps once more to compete for the Ray and Pat Mack trophy. Donald Beelitz of the Wilkawatt Gun Club losing only 3 points was the proud recipient of this beautiful trophy.

Sunday's weather dawned with clear blue skies, was already quite warm and very calm after the previous two days. This was 'Single Barrel' day so to get in an early squad was the sensible thing to do before the wind came in.

Tony Rohrlach, still 'hot' from winning the State Double Rise Championship on Friday and being part of the Club Team of the Year and the Central Zone Team, again shone in the 50 target State Single Barrel Championship. This time he shot 52/52 winning out over Don Beelitz with a 51/52.

Final event for the carnival was the 50 target State Point Score Championship and this was taken out by D. Freeman of Victoria who shot 174/174 over Rob Fleming with 173/174.

Overall High Gun and South Australian Champion shooter went to Tony Rohrlach (Monarto) with a score of 433/450. With the calibre of top shots who had flown in from our borders, Tony's win was even more sweet — Well done!

Lynn Beelitz (Wilkawatt) had not attended a State Carnival for some 5 years and came out and cleaned all the girls up, taking out the Ladies High Gun with 237/250 — don't hide your shooting ability out there at the Wilkawatt Gun Club Lynn — it was good to have you at the State Carnival.

Les Chant a junior from New South Wales took out the Junior High Gun with a score of 245/250 and South Australian Junior Shooters went to Nathan McDonnell (Mount Gambier).

Veterans High Gun went to S. Rossetti with 236/250.

D. Freeman, State Pointscore Championship.

Don Beelitz, winner Ray and Pat Mack Trophy.

Interest then focused on just 'who' had made the State Teams. The open top 15 were Tony Rohrlach, Craig Bentley, Warren Lymn, Daryn Nicholls, Brian Thomas, Don Beelitz, Phil Mules, Dino Oliviero, Max Medhurst, Rob Fleming, Frank Agostino, Nathan McDonnell, Phil Green, Allan Vilcins and Tony Farniglietti.

The State Shoulder to Shoulder Open Team to shoot at the Nationals in Brisbane are Tony Rohrlach, Craig Bentley, Daryn Nicholls, Warren Lymn and Brian Thomas.

State Ladies Teams consists of Lynn Beelitz, Tracey Gray, Barb Wallace, Joy Curtis, Ruth Michell and Lisa Smith. Tracey then retired giving her place to Kathryn Lymn. South Australia's Ladies Shoulder to Shoulder Team will be made up of Lynn Beelitz, Barb Wallace and Ruth Michell.

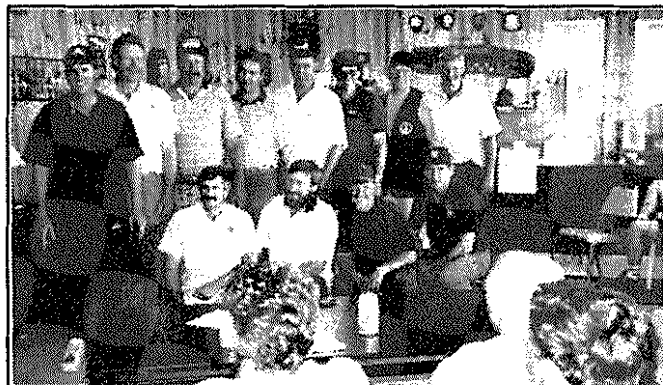

Those Juniors to make the team are Nathan McDonnell, Jonathon Spain, Stephen Rapp, Bruce Byrnes, Lisa Smith and Bryce Thompson. The Shoulder to Shoulder Junior Team for the Nationals is Johnathon Spain, Nathan McDonnell and Stephen Rapp. Congratulations to all those making the teams and good luck with your shooting in Brisbane.

To those shooters who parted so readily with their money in buying raffle tickets in our giant S.A.C.T.A. raffle drawn at the carnival, I thank you. Shooters numbers in our state only number some 560, few compared to the bigger states, and as grant money is not forthcoming in our State, money must be raised somehow to assist those shooters representing our state at National Titles. This raffle was to do just that. A great deal of effort was put in by some, and hopefully should we venture to have some kind of raffle again next year, culminating with the draw at the carnival, more support will be given. The lucky winner of the trailer raffle was Phil O'Connell (Monarto Club

Team of the Year member) and as Phil had already left the grounds guess who had to pack the trailer up for the last time and take it back to Murray Bridge !!!

Thanks to host club of International for their hospitality and condition of the grounds, to all the sponsors, Fred Guyatt and Guy Yoannidis for their assistance and frivolity in the office (it was fun working with you 'guys'), to Barry Pobke and Rhonda Ayres — handicappers extraordinaire; to Rob and Pam Fleming — scoreboard attendants; to Peter Quire for his generous donation to the best non South Australian Team (we hope to make this a yearly happening), and to Graham, Dino, Joy, Dennis, Kevin and to you . . . and you . . . and you . . . if you helped.

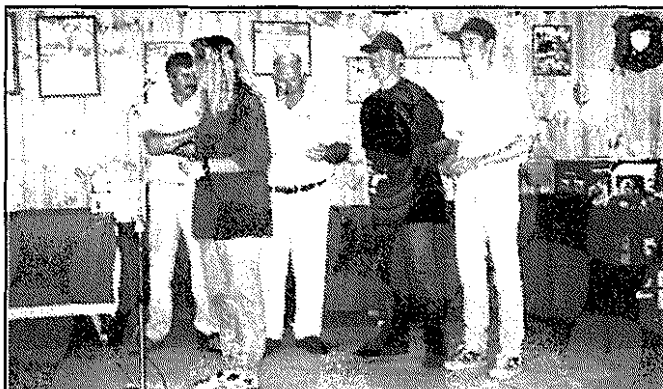

To me this has been one of the most enjoyable State Carnivals that I have attended and to wherever you may be reading this report . . . 'good shooting' and we hope to have you back again next year.

Open Team.

Juniors Team.

VICTORIAN STATE SKEET CARNIVAL

March 4, 5 & 6 saw the V.C.T.A. conduct the 1994 State Skeet Carnival at Melbourne Gun Club. The weather though cool, was ideal for shooting targets and Melbourne Gun Club was as usual in pristine condition.

Numbers were down on the previous year and raised doubts in some minds about the viability of running such a carnival, without the full support of the skeet fraternity.

Event 1. Victorian Skeet Doubles Championship

Ian Hale was the only one of the 37 entries to shoot the 25 pair to take Overall & AA Grade outright. This began what was to be an excellent Carnival for Ian. A Grade went to Mal Briggs 47/50, B Grade Wally Diston 45/50, C Grade Barry Humphris 42/50 and Women Carol Ogden 39/50.

Event 2. All States Skeet Championship

Six possibles after the 50 targets, from the 43 entries. Bill Iles outstayed the opposition to win with 79/79. Bill Sanster took A Grade 50/50, Fred Thatcher B Grade 46/50, Alan Coare C Grade 48/50 and again Carol Ogden beat the Women with 47/50.

Event 3. Victorian State Skeet Championship

Entries totalled 66. Three 99s shot-off for the State Title, with Ian Hale again beating all comers for Overall & AA Grade on 115/116. After a shoot-off, Malcolm Hill took A Grade 110/112, Ambrogio Parisi B Grade 94/100, Sam Zervides C Grade 95/100 and Carol Ogden made it three on the trot among the Women with 97/100.

Event 4. City of Melbourne Skeet Championship

Two possibles from 63 starters after the 75 targets, Bill Hine and Ian Hale. The shoot-off went just 5 targets with Ian Hale winning Overall & AA Grade on 80/80. Tom Edwards beat the A Graders with 73/75, B Grade was taken by Katy Light in a shoot-off 80/83 and Carmel Carlon made it a double by winning both C Grade and the Womens division with her very good 73/75.

High Guns

Ian Hale missed just one target (a low 8) to win the Overall High Gun 274/275. Carol Ogden topped the Womens Division with 254/275 and Ross Salpietro was Junior High Gun with the top score of 253/275.

Mal Briggs was the Open Team High Gun with 50/50, Carmel Carlon High Gunned the Womens Team with 25/25 and has probably set some sort of a record in Victoria by qualifying for the State Shoulder to Shoulder Teams in Trap, Olympic Trap and Skeet in the one year.

Club Teams Match

The Frankston Australian Team of Bernie Mack, Ian Hale, David Cunningham, Mal Briggs and Bob Old took the Teams Match with 847/875.

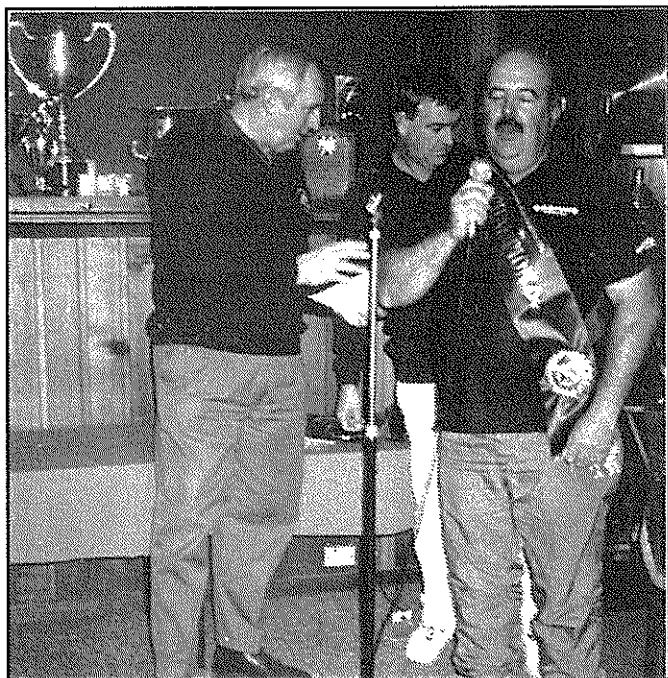

State Teams

Open: Ian Hale, Bob Old, Attilio Bega, Mal Briggs, Malcolm Hill, Jim Shepherd, Merv Whitelaw, Ralph Laino, Bill Hine, Carol Ogden, Graham Guy, Paul Krumins, Jack Glanville, Ambrogio Parisi, David Cunningham.

NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

1994 THE YEAR OF the COACH

1994 THE YEAR OF THE COACH

The Australian Coaching Council (ACC) has declared 1994 The Year of the Coach.

All Australians who participate in sport, whatever their level of endeavour or aspiration, deserve good quality coaching. Good coaching is a key element in the development of sport in Australia. From an individual's perspective it is the key to enjoyment, improvement, safety and continued participation in sport. Indeed many studies show that the behaviour of coaches is crucial to satisfaction in sports participation.

The ACC has developed a national campaign designed to increase and enhance the profile of coaches during 1994 and beyond. The campaign is for the benefit of coaches and participants at all levels in every sport.

The Year of the Coach campaign is designed to highlight and recognise the valuable contribution coaches make to sport, and the community at large. The Year of the Coach campaign has been endorsed by the Sport and Recreation Ministers' Council and with the support of all sporting bodies and the community the aim is to:

- increase the number of NCAS accredited coaches
- improve the quality of coach education
- increase the status of coaches and coaching
- increase the opportunities for female coaches to become accredited
- increase coach education opportunities in rural areas
- increase the availability of accredited coaches to athletes
- emphasise the importance and value of appointing accredited coaches
- promote coaching as a profession

For further information on The Year of the Coach campaign, phone 008 641 994.

SHOOTERS SERVICES DIRECTORY

It is proposed that a Shooters Directory be included in the magazine. If you have goods or a service that would be of benefit to your fellow shooters then why not place an advertisement in this directory.

This could take the form of a business card or like. As a special introduction we are offering ACTA Members six (6) months advertising for \$250 or \$50 per month. This would be an advertisement 90mm x 50mm, so let yourself be known so that shooters can support shooters.

Forward your advertisements and payment to ACTA, PO Box 557, Mount Waverley, 3149 or Fax (03) 807 2716. Any queries please ring Danni in the National Office on (03) 807 7577.

Example

With the above in mind, if we now take the program from the previous example, all the scores from that program should be entered on the shooters card. After entering the scores, the shooters card will now look like Figure 3.

Discipline: COMMON MARK

Date	Club Attended	Initials	Event Score/Targets		Prog. Score Targets		%	Grade
1993	SCORES BROUGHT FORWARD		Other	D/B				B
10/1/84	Somewhere Gun Club	DWHL		9/10	9	10		
10/1/84	Somewhere Gun Club	DWHL		25/25	34	35		
10/1/84	Somewhere Gun Club	DWHL		24/25	58	60		
10/1/84	Somewhere Gun Club	DWHL	23/25					

Figure 3

Notice that the inclusion of the Single Barrel (S/B) event, in the **Other** column on the card, had no effect to the progressive total.

Regrading Using Rule 2.1(h)

You may have thought that the previous procedure was a waste of time. However, as you will see, without placing the scores on the shooters card in this way great difficulties will be encountered in applying the regrading Rule 2.1(h).

Let's now look at the procedure that is required to apply Rule 2.1(h). This has been broken down into two simple steps to make it a little easier to understand.

Step 1.

As is the normal rule, regrading only takes place after the shooter has shot at 200 targets, that is 200 Double Barrel (D/B) targets.

Example

Consider the handicap card of the shooter called I. Gotit at Figure 4.

Discipline: COMMON MARK

Date	Club Attended	Initials	Event Score/Targets		Prog. Score Targets		%	Grade
1993	SCORES BROUGHT FORWARD		Other	D/B				B
10/1/84	Somewhere Gun Club	DWHL		9/10	9	10		
10/1/84	Somewhere Gun Club	DWHL		25/25	34	35		
10/1/84	Somewhere Gun Club	DWHL		24/25	58	60		
10/1/84	Somewhere Gun Club	DWHL	23/25					
22/1/84	Anywhere Gun Club	RES		9/10	67	70		
22/1/84	Anywhere Gun Club	RES		22/25	89	95		
22/1/84	Anywhere Gun Club	RES		24/25	113	120		
22/1/84	Anywhere Gun Club	RES	24/25					
29/1/84	Nowhere Gun Club	TBLR		9/10	122	130		
29/1/84	Nowhere Gun Club	TBLR		25/25	147	155		
29/1/84	Nowhere Gun Club	TBLR		45/50	192	205	93.6	B

Figure 4

Notice that he has competed in several events including Double Barrel, and Other events i.e. Single Barrel (S/B) and Continental (Cont) events. These scores have been entered on the card in separate columns.

The total number of Double Barrel (D/B) targets shot at has reached in excess of 200 targets, therefore the card is to be ruled off and the shooter is to be regraded.

NOTE

If only the Double Barrel (D/B) scores were taken into account, as shown in Figure 4, then the shooter would have a percentage of 93.6%, therefore he would remain in B grade.

However this is not the case, and step 2 will explain further.

Step 2.

The next step under Rule 2.1(h) is to substitute one bad Double Barrel (D/B) competition score for one good score (of equal target amounts if possible) from another event competition. This sounds complex but let's consider the following example.

Example

Under Rule 2.1(h), I. Gotit's score of 22/25 for a Double Barrel (D/B) event can be replaced with the Other event score of 24/25. This will effectively change the progressive total as shown in Figure 5.

Discipline: COMMON MARK

Date	Club Attended	Initials	Event Score/Targets		Prog. Score Targets		%	Grade
1993	SCORES BROUGHT FORWARD		Other	D/B				B
10/1/84	Somewhere Gun Club	DWHL		9/10	9	10		
10/1/84	Somewhere Gun Club	DWHL		25/25	34	35		
10/1/84	Somewhere Gun Club	DWHL		24/25	58	60		
10/1/84	Somewhere Gun Club	DWHL	23/25					
22/1/84	Anywhere Gun Club	RES		9/10	67	70		
22/1/84	Anywhere Gun Club	RES		22/25	89	95		
22/1/84	Anywhere Gun Club	RES		24/25	113	120		
22/1/84	Anywhere Gun Club	RES	24/25					
29/1/84	Nowhere Gun Club	TBLR		9/10	122	130		
29/1/84	Nowhere Gun Club	TBLR		25/25	147	155		
29/1/84	Nowhere Gun Club	TBLR		45/50	192	205		
					194	205		

Figure 5

With the substitution of scores, I. Gotit's percentage has now increased to 94.6%, this would regrade him to 'A' Grade as shown in Figure 6.

Discipline: COMMON MARK

Date	Club Attended	Initials	Event Score/Targets		Prog. Score Targets		%	Grade
1993	SCORES BROUGHT FORWARD		Other	D/B				B

Conclusion

As has been seen both Rule 2.1(a) and Rule 2.1(h) work hand in hand and must be applied together.

Without the scores being entered on the shooters card as shown it would become nearly impossible to substitute scores of equal value from Double Barrel (D/B) events with scores from other events as required under Rule 2.1(h).

If the steps that are laid out in this booklet are followed by all club handicappers then hopefully the confusion that has occurred in the past may be rectified.

This booklet has been prepared and presented by Andy Sanders, N.S.W. State Handicapper, for and on behalf of the N.S.W.C.T.A. and is hereby reprinted with permission.

WARATAH STATE NOTES

Southern Zone

Bega Gun Club has advised me of a change of program due to a clash with the Trap Nationals. The shoot set down for Sunday 3rd April has been brought forward to March 27th to allow ample time for shooters to travel to the Nationals in Brisbane. Please contact Secretary Lynne Teale for further info on (064) 92 2734.

Central Zone

Grenfell Gun Club has been allocated the 1994 Commonwealth Night Deauville Doubles after it was re-allocated to NSW. They have scheduled the championship to Saturday 10th September and look forward to a big roll up to the shoot.

A group of Central Zone shooters attended the Marconi/Winchester 100 C'ship on Sunday 13th February to particularly contest the Marconi 500 Teams Trophy Event, which I understand in 25 years of competition has never left the Sydney area.

J. W. Smith, Dick Piotrowski and George Bunting all from the Blayney CTC as well as Orange Gun Club President Joe Caltabiano and Sunny Corner GC member Peter Griffiths, all travelled down to Marconi to attempt the seemingly impossible task of making their mark on the Perpetual Trophy.

With scores of JW 100, Dick 100, George 99, Joe 97 and Pete 95 giving a total of 491/500, the impossible became a reality with five very pleased and proud shooters heading back over the mountains with the trophy in tow.

Congratulations guys, and also to JW for taking the Overall in the individual Marconi 100 C'ship.

Northern Zone

I have been advised that Rod Prior has been appointed as a Trap/Skeet Referee Examiner to replace Andrew Futter who has recently resigned. He can be contacted at 50 Peel St, Tamworth or on (067) 66 1455 BH.

Boggabri Gunnedah GC has advised of the appointment of Burnie Finlay 'Coogie' Wandobah Road, Gunnedah, as their new Secretary. Ph: (067) 44 7830. The new President is Greg Bain.

Coming events for the Northern Zone include the Annual Talley-Ho Cup Open Shoot over the 14th/15th May at Boggabri Gunnedah GC and a little further ahead, two adjoining clubs have scheduled a 1 day shoot each over one weekend to allow shooters a full two days of shooting. Saturday 9th July at Coffs Harbour is the Golden Schnapper Open Shoot followed by the July Cup shoot at Grafton on Sunday 10th July. Taree Wingham is hosting the State Night SB C'ship on 23rd April while Inverell is hosting the State SB Cont C'ship on 18th June.

The Zone Skeet Carnival was hosted by Tamworth CTC in association with their Annual Open Shoot and in conjunction with the ASSA Open in February and once again proved a great success. Over 70 shooters contested the Zone C'ship on the Sunday with Peter Vella of Cecil Park winning the event 112/112 after a shoot off with seven other shooters. The Zone Team for Wagga in August is Rod Prior, David Michie, Joe Marshall, Peter Nash, Col Burt and Kevin Weatherall with R. Melville, M. Dengate and R. Taylor as reserves. Northern Zone also fared well in the state selection with Rod Prior and David Michie in the open section and George Barton in the junior. Long breaks from Merve Daley (100), George Barton (100), Kris Jones (50), Lach Cameron (50), George Viskovich (NZ 150), Tony Long (100), Margaret Denton (100), Peter Vella (200), Max Barton (200), and a new ground record of 223 from Peter Vella all added to a great Zone Carnival.

The Zone Trap Carnival was also a huge success at Guyra in February with a very rejuvenated club and congratulations must go to the Committee for the excellent presentation of the club. A new ground record was established of 353 by Geoff Lancaster, who also took the Zone DB with 128/128 while Roger Vidal won the Zone SB 32/32 and John Farrell the Zone PS 123/123. Roger Vidal also won the High Gun.

The Zone Team for the State Carnival is Jeff Nash, John Farrell, Roger Vidal, Col Burt, John Kent, Harry Yates, Geoff Lancaster, Les Kennedy, Ian Merrick, Arthur Vine, Bud Sweeney and Peter McGuire. The Junior Team is Andrew Kingdom, Johnny Cunningham and Cameron Brooks.

The Northern Zone Meeting selected a new President in Mike Height from Newcastle-Lake Macquarie CTC and re-appointed Jenny Burt for a 3 year term as their delegate. They were unable to fill the position of Zone Coach.

The Tamworth Sports Star of 1993 Awards were conducted on 26th February with extremely successful results for clay target shooters in the area. The Presentation Night was a glittering affair, with Independent Member for Tamworth, Mr Tony Windsor present, as well as other Council Members and dignitaries. The special Guest Speaker for the night was Dawn Fraser, who gave an enlightening look into the many aspects of her brilliant career and life.

Col Burt was nominated by the Tamworth CTC for the Coach of the Year (12 entrants) while Clive Barton was nominated for the Sports Star Award (36 entrants). There was great jubilation and excitement when both were named as the winners for the two separate awards. As Clive Barton was away competing in the OD Nationals in Melbourne, Clive's father Col was proud to accept the award on his behalf. These types of awards all assist in lifting the profile of the Shooting Sports in the eyes of the general public.

Col Burt (left) Coach of the Year with Clive Barton (right) Sportsperson of the Year.

1994 National Skeet Teams

As you all know, our State had to conduct a Special Skeet Teams selection shoot this year due to the very early dates of the Skeet Nationals in Melbourne in May. The team selected in Tamworth is as follows: Christian Naudin 198/200, Peter Vella 198/200, Rod Prior 196/200, David Michie 195/200 and Laurie Sceresini 193/200 with the reserve being Kevin Weatherall 192/200.

Once again it was very pleasing to be able to select Womens and Juniors Teams with the Women being Robyn Faber 190/200, Helen Sanders 181/200 and Rebecca Langley 175/200. The Junior Team will be Kris Jones 186/200, Michael Faber 183/200 and George Barton 182/200. Congratulations to all our teams and best of luck for Melbourne.

Special overseas visitor for Orange Gun Club

There was great excitement at Orange GC recently when the Scuito Family gathered for an enjoyable afternoon of shooting. I was present to see 3 generations of the family shoot together which is quite outstanding.

Mr Sam Scuito from Catania in Sicily was on vacation to visit his sons Joe (Orange) and Alfie (Sydney) and Joe's son, up and coming junior shooter Sal, made up the historic group. Mr Scuito owns his own gun club and gun shop in Italy and the family boasts 75 years of clay target shooting. Congratulations and well done.

SHOOTING THE CLAY TARGET

By George Biggs, former Victorian State Coaching Director

A simple, commonsense approach to coaching

Forty odd years experience with the shotgun and ammunition and how to use them both in the field and at clay target shooting has convinced me that there is an urgent need for our Australian Coaching System to have a standard in depth coaching manual on correct coaching and teaching procedure in order to provide uniform coaching instruction for trap and skeet shooting at the zone and club level.

When I first commenced using the shotgun it was a case of figure things out for yourself and by trial and error and lots of practice. At that time there was no one around to show you how and what to do in order to shoot a moving target.

If our sport is to grow and prosper we have to promote and offer expert teaching advice to the beginner so that he/she will quickly begin to shoot targets. Given the right instructions and encouragement this will surely happen.

It's not uncommon to see a beginner shooter in a squad at trap or skeet — miss a target and almost right away he begins to get advice on how to shoot. Advice like, you're shooting behind or you're lifting your head, you're stopping your gun, etc, etc. All this advice is negative to the new shooter and the not so new shooter. It does indeed only confuse him and he begins to think, what the hell do I have to do to hit the darn thing?

Actually at this point, I see no reason at all to tell the shooter what he is doing wrong, it will only give him more detail to think about. What the instructor needs to do is explain and if necessary demonstrate to the pupil, not what he is doing wrong, but what he must do in order to hit the target.

I am sure a lot of advice is given with the best intentions to shooters about what they are doing wrong, but unfortunately it is not always the best advice.

During my 40 or so years of coaching and teaching the skills of shooting the clay target I have become very much aware of the

fact that to help the shooter who needs help is to explain to him and demonstrate in a very simple manner the importance of the basic fundamentals that concern hitting the moving target.

All too often we see a shooter being given advice on how to shoot a particular target. The station no. 3 lane and the shooter is having trouble breaking the target from this position, especially the straight away target. What the shooter wants to know is, "How do I overcome this problem?"

One of the most common problems and one that is almost always neglected when instructing the new shooter is, does his or her gun suit the shooter. Does it fit and have they been shown how to mount it properly on shoulder in order to obtain correct gun and eye alignment? This is a much neglected subject.

Qualities of a coach

Without contradiction, to be a successful coach does not mean being a world champion shotgunner, however he must have experience and a complete knowledge of the techniques involved and be able to communicate with his pupils. Being a good coach and teacher is not always an easy job.

Coaching with the aid of the video camera

When used in the hands of a very well informed coach, the video camera becomes a very useful aid to coaching and trouble shooting. In the hands of a good coach the video camera can help to solve many problems relating to a shooters bad habits.

The video has an immediate effect on the shooter when the tape is played back by the coach who can explain where the faults are happening and bad habits develop.

Care should be taken to be sure the cameraman gets the right angle that will show up the trouble spots.

A still greater interest can be created by the coach, if when he is filming the coaching action, he can use a microphone which will record his commentary on the tape as it goes through the camera.

This procedure will provide lots of discussion when the tape is played back.

I know I'm a good shot, but sometimes as a coach I could do with some help. This manual will do the trick.

MARCONI GUN CLUB

Annual Marconi/Winchester 100

Sunday 13th February. The sun shone brilliantly early in the morning after two days of inclement weather. This assured that there would be a good attendance for our annual 20th Marconi/Winchester 100 and Marconi 500 teams event.

After the eye opener was completed the serious business was underway. The 100 targets being shot in 4 rounds of 25. After the first round there were only 10 possibles out of 100 starters in the event. In the teams event there were 10 teams competing, three from Marconi Gun Club including the winning team from last year. Two teams from Sydney Gun Club and one each from Cecil Park, NSW Gun Club, Orange, Blayney and Newcastle.

After the first round Blayney led on 123 followed by Newcastle 121, Marconi No. 1 on 120, Sydney No. 1 on 120, NSW Gun Club 119, Sydney No. 2 on 117 and the rest of 115 or less.

At the halfway point after the second round there were 7 possibles 50s.

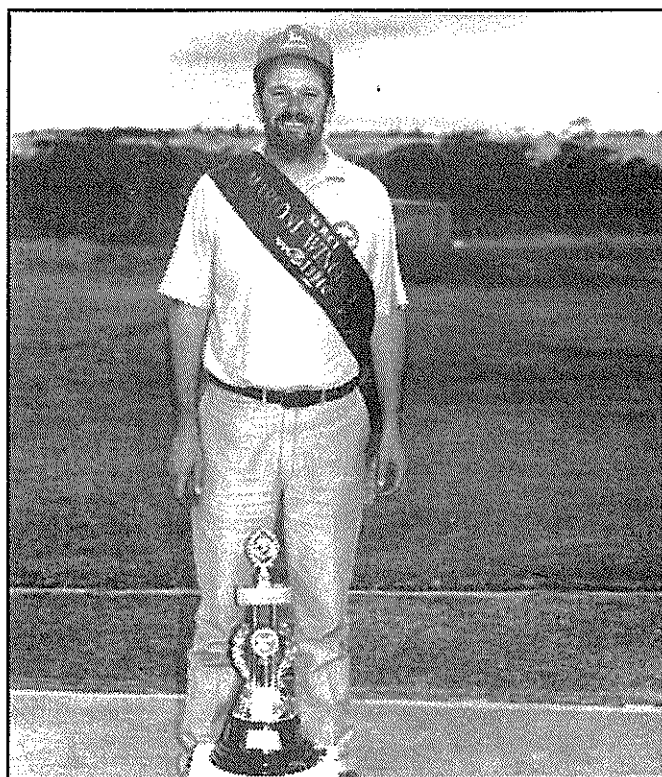

In teams Blayney with a brilliant 124 went to a commanding lead with 247/250 followed by Newcastle with 123 for a score of 244/250 and Marconi No. 1 with 123 for a score of 243/250 with all the other teams being outclassed at this point.

HOBART GUN CLUB

Pictured is the result of the 1993 Commonwealth Tower Championship held at Hobart Gun Club in October 1993. The weather was fine on the day and about thirty shooters competed. There was only the one possible shot, with a few 39s on the board. The results were : OA & A: D. Krause 40/40; B: G. Jackman 39/40; C: P. Pettman 37/40.

Winners at the Hobart Gun Club Commonwealth Tower Championships — 1993.

Winner of the 1994 Marconi/Winchester 100, J. W. Smith 150/150.

Three quarter mark after the third round there remained six shooters still clean on 75/75, J. W. Smith, D. Piotrowski, J. Blazley, H. Yates, J. Wotton and Frank Smith.

In the teams Blayney consolidated their position with a steady 122 for a progressive score of 369/375 with Newcastle matching their 122 but still 3 targets behind on 366/375, but the Marconi team fell away with a bad round of 119 to be on 362/375.

On completion of the last 25 the pressure round for competitors still in contention for individual or team honours. Three shooters out of 100 starters shot 100/100, J. W. Smith, Dick Piotrowski both from Blayney Gun Club and John Wotton from Marconi, all AA grade shooters. After a shoot off J. W. Smith a past winner of the event in 1985 won the Overall and AA grade with a score of 150/150, John Wotton on 149/150 2nd and Dick Piotrowski 118/119 3rd.

Results in other grades were: A: J. Osman 98/101, 2nd J. Procopio 97/101, 3rd P. Etherton 100/104; B: J. Kladis 113/117, 2nd G. Lysaght 112/117, 3rd A. Vallelonga 120/126; C: F. Marcellino 96/100, 2nd G. Agostino 88/100, 3rd T. Boulos 87/100.

The Blayney team of J. W. Smith, D. Piotrowski, G. Bunting, P. Griffith and J. Caltibianco shot a steady 122/125 for a total score of 491/500, which meant that the Newcastle team of J. Blazley, B. Barratto, R. Hibbert, H. Yates and M. Height had to shoot 125/125 to tie the score, a hard task.

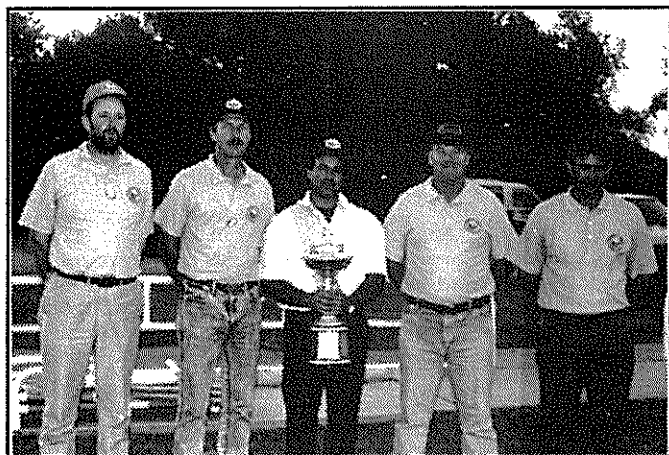

They crashed with their worst round of 116/125 to finish on 482/500. In the meantime the Marconi team of B. Samuels, J. Boulos, G. Rootes, E. Boulos and Chris Young carded 120/125 for a total of 482/500 and finished equal second with Newcastle.

This is the first time in 20 years that the teams event has been won by a club outside the Sydney/Wollongong and surrounding areas.

On Sunday 24th April Marconi Gun Club is combining with Sydney Gun Club to present the Chris Young Auto Wreckers 1,000 teams event. The five person teams have a first prize of \$1,000.00 courtesy of the sponsor and \$500.00 for second prize put up by Marconi and Sydney.

We invite all clubs in NSW and interstate clubs to send teams to participate to what we hope will become an annual event to determine the best team in NSW. The actual program will be advertised in the ACTA journal.

Thanks to Winchester for their part sponsorship of the Marconi/Winchester 100 for the past 20 years. Thanks also to the visiting shooters and to the ladies and workers of Marconi Gun Club for making the day such a success.

Winning team Marconi 500, Blayney Gun Club from l to r: J. W. Smith, D. Piotrowski, J. Caltibianco, P. Griffith and G. Bunting.

TELL A TALE

There was a discussion at the N.S.W. Gun Club years ago which I heard as a teenager that came about after my father announced that he was after a good English Pointer.

The gentleman involved in the conversation was a respected and well known hunter and target shooter of many years and he was adamant that his gun dogs were of the finest stock. It went something like this . . .

'Well I'll tell yer my dogs have to be the best I've seen. I took two pups out with their mother recently on the quail out at Cowra. Well they woke up real quick once the bitch found the first nest and after that I couldn't stop them from hunting.

Anyhow by the late afternoon they had this hunting and pointing game worked out to a tee and as it was getting late I headed back to the homestead. The next morning after breakfast I went out to the dogs and found that one of the pups was missing. This started a search that lasted all day and took me all over the eight thousand acres with no success.

That night the owner phoned the neighbouring properties to ask if they might have seen a pointer pup about. An adjoining property owner said that he had seen a dog on his property that day standing in one of his stubble paddocks looking at the ground.

The next day I made my way to the paddock and found the pup pointing hard and fast, I walked up to her and looked down at the ground to find that she was pointing at a rosella on the side of an Arnott's biscuit tin!

Remaining Committee: Col Burt
Christian Naudin
Glenn Clark

Thanks must go to caretaker President, Chris Hughes and past Secretary Glenn Clarke who carried the Association through a rough patch in 1993.

The main task at hand at present is to re-establish our membership list. Renewal notices, once prepared will be sent to everyone on our list, to which we anticipate a prompt response.

Members of the committee will also have application forms with them as they travel the shoots.

The Annual shoot, held at the Tamworth club was a huge success. Shooters from Qld, NSW, Vic, SA and New Zealand enjoyed perfect weather, great targets and the wonderful hospitality synonymous to Tamworth. The ASSA came out on the correct side of the ledger and couldn't have been more happy with the overall success.

A full report on the shoot appears in this issue in conjunction with the Tamworth Open results.

Remember the ASSA is your voice for input into Skeet Shooting, and any member of the Committee would be only too pleased to speak to you at anytime. Good shooting, until next time.

MARYBOROUGH TID BITS, QLD

By Lost Bird

Won't be able to report on Maryborough this copy as we shoot 27th and CTSN closes 28th Feb, so you will have to put up with 2 copies next report.

Note: Bundaberg shoots later in April because of other big shoots, plus Brisbane Trap Nationals 9th to 15th, so Bundy will shoot on 17th April and next month will shoot 8th May.

I had to miss our own club shoot last month and will miss this shoot as I was told I had a wedding to go to. When I asked if it was more important than shooting, I was told my son would like me to be at his wedding, so there goes another shoot.

Top Gun shooters shine at Supershoot at Sunshine Coast in the 50t DB C'ship. Neil Berry taking AA after dropping his 228th target to leave Irwin Wynyard to take Overall. Irwin went on to a shoot off in the next event to give him a break total of 309. Good shooting by both.

Kingaroy — Two Day Shoot 5 & 6 February

Irwin Wynyard carried on his good form at Kingaroy taking 25t SB AA, 25t PS AA and OA in Continental with 100/100, only dropping one target for the 2 days, but worst luck it was a points target he missed, so he also missed the High Gun. Good shooting Irwin.

With big breaks being shot all over Australia it is just as well we don't shoot live birds or we would only have emus left.

Bundaberg — 13 February

Congratulations to Gino for shooting his first 25t possible in skeet.

The 25t DB was taken by Irwin Wynyard OA & A, B grade to Di Shaw and Spencer Plath C grade. 25t Handicap 1st Chris Harrison, 2nd Gino Sergiacomi, 3rd Brian Charteris. 25t DB Cont A: Pedro; B: Di; C: Spencer. 25t Points: A: Rob; B: Ron; C: Ross and Ric. A grade HG won by Rob Rehbein. FM HG Spencer Plath.

Gympie — 13 February

Well it didn't take Jeff Doolan long to get back into form, his second shoot back taking out A grade Pts with Lee Beattie B grade and C grade Melissa Tipman who now has two barrels instead of one and it is paying off as the next event the 25t Handicap. Melissa shot a possible to win the event, with Lee Beattie 2nd, who had shot two possibles in the two events prior (DB & PS). The 25t DB Tower C'ship OA & A to Bill Stolberg who by now, with his wife, will be on his around Australia trip, have a good time Bill. B grade Ike Osborne, C grade (out shooting his son) David Gardner, but his son Aaron was in good form at Caboolture, shot his first 25t possible also took 25t DB CD and won C grade HG. Good shooting Aaron.

Gympies President George took his wife Joy for a trip to Perth over the Christmas break while away. Joy wasn't too well one Sunday. Joy said where do you find a doctor in a strange place on a Sunday, but once again George came to the fore, he said there is a doctor down at the cricket, Joy remarked how do you know that, and George replied when I listen to cricket from Western Australia commentator Tony Greg says the Fremantle Doctor comes across the cricket ground every afternoon. Hope you had a good trip Joy and George.

Visitors at the shoot, Bill Chain who now lives in Kilkivan, Ike Osborne, Peter Bannister, Bruce Lee and Barry Power. Thank you for coming.

If you have a Gympie 1994 program their 2 day shoot in November should be 12th & 13th, not as is.

Good shooting to all, til next time see you at the shoots.

BOYD & ROHRLACH 'TOP GUN' WINNERS IN FEBRUARY

Well over 15,000 shotshells were won by nearly two dozen Winchester Top Gun' entrants in February with Graeme Boyd from Albury and Tony Rohrlach from South Australia winning the lions share.

Graeme proved to be a model of consistency at the National U.I.T. Trap Championships in Melbourne by winning the Overall High Gun over the six days shooting. He receives 2,500 shotshells for his win. He also won the honour of representing Australia at the Commonwealth Games in August in Canada. Graeme last represented Australia in 1983 when he was part of the Olympic Trap team which won the Bronze Medal at the World Championships. Other winners at the same tournament were Desiree Huddleston in the Ladies Olympic Trap High Gun, Ben Kelley in the Junior Olympic Trap High Gun, (Ben also made the Open Double Trap Team to represent Australia in July at the World Titles), Brett Hall in the Junior Olympic Trap National Title, Filippo Petriella in the A grade section of the same event. In the U.I.T. Skeet, Katie Light won the ladies honours whilst Barty Brighton won the Juniors.

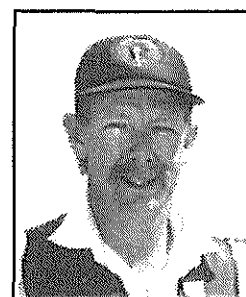

At the South Australian Trap Carnival in Adelaide Tony Rohrlach won 2000 rounds for his wins in the State Single Barrel and the Overall High Guns, Les Chant won the Junior High Gun again, Keith Larcombe the Veterans and Lynn Beelitz the Ladies. The State Double Barrel was won by Darryn Nicholls from Broken Hill and he received 1,000 bonus shotshells for his win. Grades and 500 shotshells were won by Alan Vilcins 'A' grade and Daryl Taylor in 'C'. Other winners include Eric Hall for the A grade section of the Points and Frank Agostino for his grade in the Single Barrel.

More winners in February include David Flavel for the Eastern Zone Two Day High Gun in South Australia, Dennis McIntosh for the Gemfields Two Day Event and Craig Bentley once again for his High Gun victory at Port Lincoln. Ray Collinson won the State U.I.T. Trap Elimination at Townsville, Ron Glenn and Jon Whittakers from Deniliquin became the first persons to win 500 shotshells for their 200 break in a continental event. And finally Geoff Lancaster won a case of shotshells for his 353 break at Guyra.

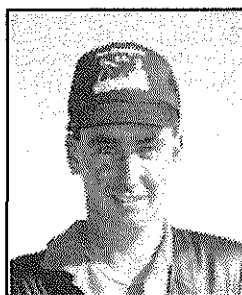

Good luck to everyone going to the Brisbane Nationals and hopefully one of our entrants will be the proud owner of a new ASE 90 Beretta up for grabs in the Overall High Gun.

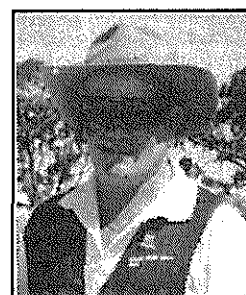

Graeme Boyd.

TAMWORTH

OPEN SKEET/A.S.S.A. OPEN

4 days of skeet shooting — 100 targets a day — trips to New Zealand — Zone Team selection — State Shoulder to Shoulder Team selection — \$5,000 in trophies and sashes — it really had the makings of a skeet shooters dream.

The Tamworth club had worked long and hard to make it the best, down to having tents at the back of each layout, iced water coolers and cups, extra seating under shade areas in anticipation of the high February temperatures that can hit Tamworth. The grounds and facilities were a picture, thanks to the never ending efforts of the resident caretakers, Graham and Rae Richardson. Club member Tom Coulton even provided a portable coolroom for the use of the campers. Day one, cloud and cool conditions, no rain. Sixty-two shooters got the first event rolling, the 100 target Scorpio Cartridges/ASSA Championship, and from that 62, 4 possibles were returned. New Zealand visitor George Viskovich was the overall winner also taking A grade, with a score of 106/106 from Neil Dimmick AA grade with 103/104, B grade winner was Merv Daley from Cecil Park on 105/106 and Tamworth Club Secretary, Lach Cameron was the C grade winner with a score of 91/102. In the Ladies section, Robyn Faber from Narrabri returned 94/100, Junior winner was Glen Denton from Charleville with 91/100 and Veteran winner was Reg Clarke 98/100. The lucky number shoot offs again proved popular, with Roley Palmer from Coffs Harbour taking home some Scorpio shotshells.

Day two, saw the first of the Tamworth events. 50 target Loomberah Valley Championship had 72 shooters and 6 recorded the possible 50/50. Age shall not weary them!! Alf Najar, the 75 year old gentleman from the Wakehurst club in Sydney was the overall winner with a fine score of 87/87. 1st AA Christian Naudin 63/64, 2nd AA Merv Pratt (NZ) 58/59, the maker of fine furniture and great supporter of the sport in general, Rod Prior was the winner in A grade on 86/87 second in A David Sampson. West Wyalong shooter, Barry Duncan was the winner in B grade with 60/62, from Helen Sanders of Wagga. Guyra's Joe Marshall put together of good 45/50 to win C grade from Jim Richetti.

The trophy handicap has been conducted for a number of years at this shoot in Tamworth and really is a hit with everyone. This year was no exception and what a popular win it was to Club President, Kevin Weatherall. Kev went into the shoot off with 'a few up his sleeve' and the second placed shooter, Max Barton was one of many who 'went in on the wood'. Kevin helped Max set a new ground break record for Tamworth with 219. Nick Aird from Brisbane was 3rd and recently returned to shooting local, Mike Bryant was 4th.

Records certainly became the order of the day — George Viskovich 150, Merv Daley 100 and 15 year old George Barton (yes there is another one) 100, Max Barton 200.

The ASSA event was shot in conjunction with the two 50 target events and was sponsored by Akubra. Only one shooter managed the 100 for the day — Christian Naudin from Wakehurst was the overall and AA grade winner. Rod Prior was giving the handicapper notice with his 105/108 in A grade, Barry Duncan again collected B grade with 96/100 and Joe Marshall from Guyra was also sending signs to the handicapper with 91/100 in C grade. A fine 98/100 from Margaret Denton saw her collect the ladies trophy, Kris Jones from Wakehurst returned 91/100 for the junior division and 97/100 from Reg Clarke provided him with a new Akubra in the veterans sections. Mt Isa's Mick McGill was the winner of the lucky number shoot off.

Day three — clear sky — sunny, but not hot. 70 shooters lined up for the 50 target Northern Zone Championship and Max Barton's ground record from the previous day went by the way side. From the 8 possibles returned, the overall winner was Peter Vella from Cecil Park with 112/112, 1st AA Christian Naudin

111/112, from Mick McGill 103/104. Ray Porter from Brisbane was the winner in A grade with 50/50, from Malcolm Briggs on 49/50. Junior shooter, Michael Faber from Narrabri picked up B grade with 49/50, from Lach Cameron on 56/58. Michael Bryant recorded 46/50 for C grade from Jim Richetti on 40/50.

The Tamworth & District Championship was the last on the Tamworth program and 5 shooters returned possibles and the high gun board was looking very contested. The overall winner was Glen Clarke 103/105. In A grade the winner was Ray Porter 54/55 from Peter Nash 53/55, Joe Marshall was not too off put with his move into B grade and his 49/50, saw him finish ahead of Glen Denton on 48/50. C grade went to Mike Bryant 46/50 from Jim Richetti 41/50.

With the 4 events on the Tamworth program finished, 3 shooters had scores of 198/200 — Max Barton, Christian Naudin and Peter Vella. The eventual winner being Christian Naudin with 208/210. AA grade High Gun, Max Barton 207/210, A grade High Gun Rod Prior 196/200, B grade Merv Daley 191/200, C grade Joe Marshall 188/200, Ladies Margaret Denton 197/200, Junior Kris Jones 186/200 and Veteran Reg Clarke 196/200.

Christian was the very proud recipient of the Geoffrey Walters Memorial Perpetual High Gun Trophy along with a \$1,200 canteen of cutlery. Geoff's widow, Pauline was on hand to present Christian with his trophy when fond memories of the 'Big Fella' came flooding back to all who remembered him and a very emotional acceptance speech from Christian moved the hardest present.

Again, the ASSA event was an in conjunction event and was sponsored by Browning/Fuller Firearms. The Overall and AA grade winner was Peter Vella, A grade Ray Porter 99/100, B grade Joe Marshall 97/100, C grade Mike Bryant 92/100, Ladies Margaret Denton 99/100, Junior Kris Jones, Veteran Reg Clarke and lucky number shoot off, George Barton.

With the completion of the third day, worthy of note, Peter Vella — ground break record 223, Margaret Denton 100 break.

In quite a turn up, the two persons team competition saw 2 teams finish equal — Reg Clarke and Peter Vella 394/400 and Max Barton and Neil Dimmick 394/400, that sure is good shooting.

Teams were sorted out also by the end of day 3. The northern zone team for the 1994 State Skeet Carnival is David Michie, Rod Prior, Joe Marshall, Peter Nash, Col Burt and Kevin Weatherall.

The State Shoulder to Shoulder Teams were also selected over the 200 targets of Saturday and Sunday and those heading for Melbourne in May are Open: Christian Naudin, Peter Vella, Rod Prior, David Michie, Laurie Sceresini; Womens: Robyn Faber, Helen Sanders, Rebecca Langley; Juniors: Kris Jones, Michael Faber, George Barton. Congratulations to all those team members and good luck.

Day 4 dawned clear and the sun had a little bit more sting in it. The final event for the tournament was the 100 target McGeochs Skeet Doubles Championship and 52 shooters faced the music. The Overall and A grade winner was Malcolm Briggs with a fine score of 97/100, AA grade went to Reg Clarke 97/102, B grade Glen Denton 88/100, Dominic Keating returned 77/100 to win C grade, 87/100 from Margaret Denton earned her the ladies section, Kris Jones the junior winner and Alf Najar the veterans, the lucky number shoot off went to the shoot marshal Col Barton.

Those lucky high gun winners packing their bags for New Zealand are AA Max Barton 392/400, A grade Malcolm Briggs 388/404, B grade Merv Daley 385/400, C grade Joe Marshall 356/400 and Junior Glen Denton. The Ladies High Gun winner was Margaret Denton 374/400 and Veteran Reg Clarke 389/400.

The 5 person team again proved very popular, the team must comprise of an AA,A,B,C grade shooter and either a lady, junior or veteran. The winning team being Peter Vella, Chris Langley, Merv Daley, Dominic Keating and Reg Clarke.

Surprise, surprise — the two person teams competition was a tied result even after 400 targets. Reg Clarke and Peter Vella 780/800 and Max Barton and Neil Dimmick 780/800, well done.

So, the four days draws to an end, our friends from New Zealand could not contain their enjoyment and satisfaction, comments of fantastic facilities, great targets friendly company, beautiful food and so it goes on, as shooters headed off home. To the Tamworth Committee, headed by Kevin Weatherall, shoot marshal, Col Barton, and all other workers, a job well done.

To the great sponsors, of the ASSA events, Scorpio Cartridges, Browning/Fuller Firearms, Akubra, McGeochs Sports Store, a very sincere thank you from the ASSA Committee, the shoot appears well established and that is due to the support of our sponsors.

For those who didn't make it to Tamworth this year, remember the third weekend in February for 1995.

NORFOLK ISLAND

By Wilma Berry

14th International Clay Target Championships

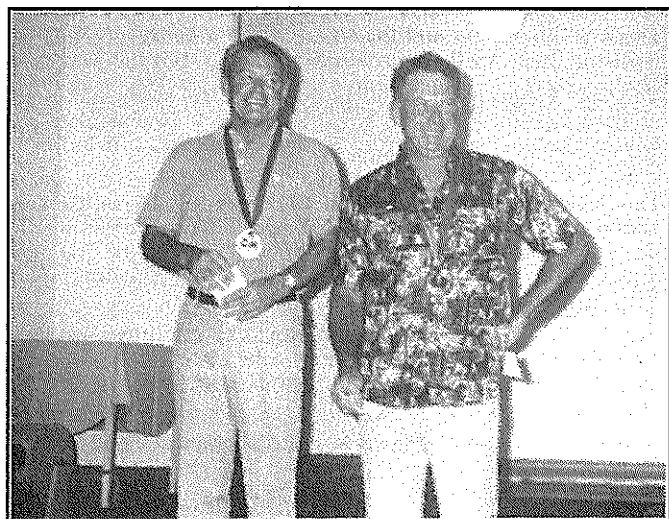

The Championships were conducted at the Norfolk Island Gun Club from February 7th to February 10th 1994, in warm and gusty conditions.

They were well attended by 87 shooters; 57 from New Zealand, 18 from Australia and 11 Norfolk Islanders.

Shooting was of a high standard with many shooters tying for positions and of necessity there were many shoot offs to determine the placings in all events.

The usual round of social activities were conducted by members of the gun club — a welcome with drinks and finger food on the Sunday night, a fish fry on Wednesday night, more drinks and finger food on the Thursday night, and of course the magnificent presentation dinner at the conclusion of the shooting on the Friday night.

On behalf of all the Australian visitors I congratulate members of the Norfolk Island Gun Club for their efforts on the Championships, the grounds, despite the lack of rain, were in superb condition, the shoot was well run and finished on time each day, the trophies, as good as I've seen in a long time, and the hospitality, well what can you say about people who meet your flight at the airport, entertain you in their homes, and then see you off at the end of your stay, a big thank you, you made us very welcome and made sure we enjoyed ourselves — we will be returning.

14th International Double Rise Championship — Norfolk Island, OA & A Grade Neil Berry (Bundaberg), 2nd A Grade Basil Vercoe (Norfolk Island).

MOUNT ISA GUN CLUB

By Ron Power, Secretary

On a hot, humid February afternoon in Mount Isa a gathering of storm clouds is not an unusual sight. Neither is a gathering of clay target shooters.

With only the hope of relief from the sweltering temperatures the dedicated few opened fire in the first event, 25 targets skeet off handicap. Only two shooters, Bruce Murphy and Greg Matthews shot their handicap and shared the prize pool.

A 50 target Tower event was scheduled but the heat, humidity and gremlins held sway with that event having to be cancelled after just 25 targets. These problems will be a thing of the past in a few short weeks when our new traps arrive.

As the Tower was out of action the Ball Trap event was expanded to 50 targets and despite the oppressive conditions some good scores were posted. Rod Maxwell earned first place with a well shot 46/50. Jim Edmonds, who is still recovering from surgery, claimed second with a very creditable 43/50 and Rod Cusack filled third place with 41/50.

The first Down the Line event was to be the Mount Isa Gun Club Night Single Barrel Championship so a novelty event was held to take us to the evening meal. Once again our thanks to the people who put so much effort into keeping us well fed. Thanks folks.

With full bellies and the desire to win a championship the competitors readied for battle. When the smoke had cleared the office staff called for a shoot off to determine the A grade winner.

Rod Cusack, Bruce Murphy, and Rod Maxwell were sent out to trap one to sort it out. Just one target later Bruce Murphy returned to the office with a score of 24/26 and the A grade Championship. Ron Power won B grade with 21/25, and Greg Moncrieff shot the same score to tie up C grade.

The finale to the night was a 30 target Medley event with different types of targets being shot at on each trap layout.

Ted Matthews, who has been known to have trouble with his eyesight at night, proved that this wasn't one of those nights. His very well shot 49/50 earned him first place. Rod Cusack was just two targets down on that and took out second while Bruce Murphy held on to third place with 45/50.

With shooting over it was time for serious business, and President Rod Maxwell called the winners to the trophy cabinet to select their trophies. Mick Coleman was the shooter who was drawn to shoot for the jackpot and failed in the attempt. But Mick didn't go home empty handed as he was the winner of the C grade draw and received a refund for his nominations.

Nineteenth Annual Unisys Royal Flying Doctor Service Charity Shoot

Sixty-six years ago the Reverend John Flynn's dream of a 'Mantle of Safety' over the outback became a reality with the first flight from Cloncurry. The dream continues to this day as the Royal Flying Doctor Service.

Nineteen years ago the Mount Isa Gun Club had a dream, a dream of conducting a Charity Shoot to raise funds for the Royal Flying Doctor Service. This dream also continues to this day, this year as The Nineteenth Annual Unisys Royal Flying Doctor Service Charity Shoot which will be held at the Mount Isa Gun Club on Sunday March 6th.

Mr Tony McGrady, local Member of Parliament and Queensland Minister for Minerals and Energy, will officially open the Nineteenth Annual Unisys Royal Flying Doctor Service Charity Shoot.

Of course without the support of the business community this feature of the North West would not exist. Unisys Computers Australia are again the major sponsor having donated a Personal Computer with a value of some \$2,800. The Mount Isa Gun Club will raffle this computer and the proceeds will be used to aid the fund raising efforts. Also Ansett Australia, Greyhound Coaches, Gunpowder Copper, Bell and Moir, and Rocklands Station have once again generously provided sponsorship of the Royal Flying Doctor Service Charity Shoot.

In the years since its inception the Charity Shoot has become a bit of a local legend in the North West. People who never pick up a shotgun suddenly became avid 'clay busters' and get really serious about breaking targets. Some get bitten by the clay bug and become full time members and shooters, and others become charity shoot specialists.

Every year however it is the total novice, someone who hasn't used a shotgun and in fact has probably never fired a firearm, who is the backbone of the Charity Shoot. To cater for these shooters each year the Mount Isa Gun Club conducts gun familiarisation sessions every Wednesday and Friday afternoon in the lead up to the Annual Unisys Royal Flying Doctor Service Charity Shoot.

The aim of these sessions is to provide training in the safe handling and use of firearms as well as coaching to make hitting those speedy little clays just a bit easier. Regardless of previous experience these sessions are the ideal place to learn new skills or hone existing ones and should be attended by everyone who intends to compete in the Charity Shoot.

If you have any queries about the Charity Shoot or any other facet of Clay Target Shooting in North West Queensland, the Secretary of the Mount Isa Gun Club may be contacted on (077) 43 4277 during business hours or on (077) 43 9940 after hours.

COLAC GUN CLUB

By Peter McDonald, President

On Sunday 24th April the Colac Gun Club will be conducting two Junior State Titles (see advertisement this journal).

This is a unique opportunity for all registered A.C.T.A. juniors to compete at their own level as it is a day for juniors only, we have felt for some time that not enough is done for junior shooters, after all, our juniors of today are the ones that will keep this sport alive in the future.

The Colac Field and Game will be shooting on the same day so if Dad or one of your brothers is a shooter they may like to have a shot there.

Let me assure those that may be contemplating coming that excellent trophies will be provided.

Make sure you have your current registration card with date of birth on it.

WORLD MASTERS GAMES BRISBANE 1994

With less than five months to go before the close of entries for the World Masters Games, shooting is currently placed as the fifth most popular of the 30 participating sports.

More than 400 shooters have registered their interest in competing in the shooting program of the Games, to be conducted at Brisbane's Belmont Shooting Complex. Interest has come from 18 countries including Europe, Great Britain, South America, USA and Asia, with a large contingent of New Zealand shooters intending to make the trek across the Tasman.

"The shooting sports have become a real bolter in terms of the participation figures race, and threaten to take on the Masters sport 'big guns' of athletics and swimming as one of the most popular sports at these World Masters Games", said Shooting Liaison Officer, Cameron Hart.

"Early expectations aimed at attracting between 400 and 500 participants and at this stage we shouldn't have any problems reaching these figures," he said.

"Interest has really picked up, and the trickle of paid up entry forms is quickly becoming a flood. All of a sudden, people are realising the Games are no longer next year, but this year!"

The Clay Target program offers double barrel sweepstakes and championships, Olympic trap, and skeet sweepstakes and championships, beginning on September 30 and concluding on October 7.

The closing date for entries for the Games is July 15, with a World Masters Games entry fee of AUS\$95 providing two weeks of world class sport and entertainment, including the Welcome Ceremony and Parade, Wine and Food Frolic, and the Shooting sports participants' function.

For details on the Shooting programs, or any other activities offered in the World Masters Games, telephone Cameron Hart on (07) 405 0959 or write to the World Masters Games, Locked Bag 1994, GPO Brisbane, Qld. 4000.

Entry forms are available at the A.C.T.A. National Office phone (03) 807 7577.

VALE

Cyril Maxwell Budde

It is with great sadness that the Horsham Gun Club advises the passing, on Monday 7th February 1994, of our life member Cyril Budde, aged 71 years.

He and his wife Mavis were dedicated and tireless workers for the club. He was a valued committee man and great friend to all members of Wimmera clubs who knew him.

Cyril was a very active trap shooter for some 45 years, and was well known throughout the entire North West Zone. He took up clay target shooting around 1950, starting at the old Burnt Creek ground, south of Horsham. He used a side by side for many years, winning many championships with it. In those days he travelled with his family in an A model Ford to clubs as far apart as Apsley, Edenhope and Warracknabeal — major journeys as roads and conditions were very rugged in those early post war years. At the time of his death, Cyril was still a strong A grade shooter, and loved his sport.

Clay target shooting will be the poorer with his passing.

Howard James (Bill) Chibnall

Southern Gun Club members and fellow shooters were saddened by the loss of our club President on 29 January 1994 after a very short period of illness.

He attended our Christmas shoot as a non competitor and had a very enjoyable day reminiscing with his fellow shooters and friends on various happy times with all.

His chosen career as a farmer gave him great satisfaction.

He was also a keen beach fisherman and enjoyed catching a big mullet or salmon from the surf. He seldom missed an opening of the duck shooting season, most times making a good contribution to the bag.

He enjoyed clay target shooting, winning a number of club championships and high gun trophies, and when on holidays managed to attend shoots interstate and overseas, including 20 targets at a private club on the moors in Scotland which he considered a highlight of that trip.

To his widow and family, the members of the Southern Gun Club express their condolences at the sad loss.

Zac Holt

Aged 13 years

On Sunday 13th February, the Colac Gun Club lost one of its most valued junior members to cancer (brain tumor).

It was during our monthly shoot that word came through that Zac had passed away, and it left a deep air of sadness around the club for the rest of the day.

Over 500 people packed St. Mary's Church, Colac on Wednesday 16th to pay their respects to Zac's parents, Greg and Jenny, and his brothers Tyler and Travis.

I think this alone will give some indication of the esteem that the entire Holt family are held in.

Those shooters that can turn their memories back to the 50s and 60s would remember Zac's grandfather Ian, who in that era was considered one of Australia's finest shooters. In 1961 Ian was a member of the Mackintosh Cup Team, and it was only natural that Ians 3 sons Greg, Jeff and Stephen plus his 5 grandsons would all become fine ambassadors to clay target shooting.

Zac, although only a junior was always a willing helper at the club, be it scoring, cutting the grass or helping to clean up after a shoot.

Marjie always referred to Zac as her 'little instant action man'.

The members of the Colac Gun Club plus all their many clay target shooting friends would like to extend to Greg and Jenny, Tyler and Travis our deepest sympathy.

We will all miss you Zac, but we will never forget you.

Peter McDonald
Colac Gun Club

Frank Lingham

It is with great sadness and regret that the Inverell RSM Gun Club advise the passing of Mr Frank Lingham.

Mr Lingham had served on the committee of the Inverell RSM Gun Club for 7 years, he was first elected in 1974 to the position of treasurer, he was again elected in 1976 to the position of treasurer, in 1977 vice president, 1982 and 1983 president, 1985 and 1986 secretary.

In 1983 he was given Life Membership for his untiring work in upgrading the club.

Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- * Low profile action for unsurpassed pointability.

682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

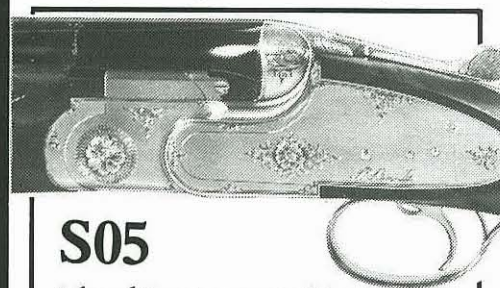

Field removeable in one, split second motion for quick inspection, cleaning or in the unlikely necessity, immediate replacement with the spare mechanism supplied with the gun. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped mainsprings. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- * User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- * Advanced dimensioned quality walnut stocks.
- * Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- * Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
