# NATIONAL PRESIDENT'S NOTES

## Sporting Clays Nationals 1994

Our joint venture in hosting the inaugural ACTA-SSAA Sporting Clays Nationals at the Gold Coast & Albert Clay Target Club was undoubtedly a success.

One of the trophies for the Overall winner was a silver belt buckle suitably engraved and featuring a small map of Australia in gold brought very favourable comment, so much so, that it has been requested that such a buckle be provided each year.

## Sporting Clays Nationals 1995

Our second ACTA-SSAA Sporting Clays Nationals will be held in Melbourne in 1995 prior to the Trap Nationals. The format will most certainly be either 125 or 150 targets over either 3, 4 or 5 Stand Sporting layouts. The final accepted rules for 5 Stand Sporting will be published shortly, following confirmation from the National Executive.

## National Clay Target Day

It has been suggested that we hold a 'National Clay Target Day' where all registered members invite non-members to a day of clay target shooting at their local club. Other activities for the day would involve coaching and general promotion to the local community via static display in business centres and publicity via all media. The fourth (4th) Saturday in November has been suggested, lets have your thoughts.

## Promotional Items

We now have available polo shirts featuring pockets after many requests. New items also include glasses and a travel bag. Remember we now have credit card facilities.

## Badge Collectors

As a keen collector of Gun Club badges I am often approached for badges to swap or sell, or from people seeking information as to where they may obtain a particular badge, specifically from clubs that are no longer in existence. The interest is such, that I have been asked about the possibility of setting up a Collectors Club whereby members could obtain information on badges, be put in touch with other collectors, etc.

To gauge the interest in badge collecting, I would like anyone interested in a Collectors Club to drop me a line to — 43 Prouses Road, Bendigo, 3550. If sufficient interest is shown perhaps a 'Collectors Corner' could be included in each edition of the CTSN.

# EDITOR'S MAILBOX

Dear Sir,

When I first heard ACTA had decided to introduce sporting clays I thought at last trap and skeet shooters won't have to travel to Field and Game venues and compete under different rules and regulations and (for the beginner) difficult targets. This can make a days shooting frustrating and, in some cases, a complete waste of time.

Sporting clays as shot in the UK are so popular because the new trap and English skeet shooter, can go along and be fairly competitive. If he/she enjoys the challenge of sporting clays he/she can move into FITASC (Field & Game), as a trap shooter moves into trench, skeet shooter onto ISU, or he/she can choose to remain with the easier discipline.

So what's the difference and what's my point? Gun position and time delay !!! You try to get your average trap shooter who has only shot trap to go along to your sporting clays, stick his trap gun on his hip, call pull, wait, mount his gun and shoot a fast crossing mini or piggy back double and enjoy missing it all day. Come on, please let's not have another elitist discipline. We have got ISU and trench for that.

Please do away with gun position and the delay. Make it fun for all or you'll not make it at all !!!

Regards  
John Dyas

## RULE CHANGES

The Executive Committee at its recent meeting considered rule changes which have been recently published in the magazine.

A number of submissions have been received from shooters and clubs, and their comments and suggestions were very much appreciated.

The proposal is that the rule changes will be implemented as from July 1994.

Once the changes have been implemented they will continue to be monitored by the committee.

Before their implementation we are looking for shooters and clubs comments on the changes and we will be taking these comments until the end of June. Please forward same to the National Office.

The Rule Changes will be as follows:

1. Continental and Single Barrel will be deleted from Cards.
2. Minimum participation age shall be subject to State Law.
3. Minimum Handicaps shall be: C grade 11 metres, B grade 15 metres, A grade 18 metres, AA grade 20 metres. To a maximum of 25 metres.
4. Downgrading movement every 400 targets, Upward movement after 200 targets.  
Downgrading shall be compulsory (if scores are at a lower percentage than the current grade), 1 grade per 400 targets.
5. The common mark percentage of all grades shall go up by 1%. AA 98%+, A 95%-97%, B 88%-94%, C up to 87%.
6. The 50 break from C grade to go to B grade is to be deleted.
7. A shooter cannot remain in a grade higher than his last 400 targets indicate.
8. There shall be no Group Handicaps.
9. All wins to be recorded with a 'W' on score card.
10. Handicap — Compulsory forward movement after every 100 targets if no win takes place.

DRUG TESTING MAY BE  
CARRIED OUT DURING ANY  
OF THE ACTA NATIONAL  
CHAMPIONSHIPS.

Drug testing aims to deter athletes from using banned drugs, making competition fairer for all athletes. To find out which drugs are permitted call

### Two World Cup Bronze Medals to Australia

The Olympic Trap Team which represented Australia at the recent World Cup in Nicosia, Cyprus has won a team bronze medal and individual bronze. The team consisting of John Maxwell, Adam Vella and Russell Mark shot a combined total of 363/375 to finish one point behind the winning Russian team and lost a countback for second against the Italians. The United States finished in fourth position two points behind the Australians. A total of twenty-one teams contested the team competition.

In the individual event, Russell Mark won the bronze medal with a total of 145/150. A new world record was established by Giovanni Pelliolo from Italy with 149/150. This was particularly good shooting considering the gusty wind conditions experienced on the last day, especially in the 'final'. Seventy-eight shooters competed in the event (in World Cup competitions a maximum of three per country is allowed to enter the event). John Maxwell finished 11th on countback with 121/125 and Adam Vella finished equal 25th with a score of 119/125. Russell and John received 14 and 6 points towards their selection in the 1996 Olympic Team from this event.

In the Double Trap, Russell Mark finished 10th with 135/150, therefore receiving a further 7 points, Adam Vella finished 16th with 133/150, but unfortunately as Adam is not part of the National Training Squad in Double Trap he is ineligible to receive an Olympic Qualifying point for the event. John Maxwell finished in equal 30th position with 129/150.

From Cyprus the team went on to Cairo in Egypt for the World Cup event in Olympic Trap only. Both Russell and John made the final in this event finishing 4th and 6th respectively. Russell lost the shoot off for silver and bronze medals against Americans Josh Lakatos and Todd Graves. These three shot off with a score of 140/150 with the winner, Phillip DuPont of Belgium winning by just one point on 141/150. Russell and John received 13 and 11 more Olympic Games Qualifying points from this event. The Australian Team finished fourth in the teams event. John finished with a total of 137/150 and Adam 27th with 108/125.

In all, the team was pleased with its results picking up two medals and narrowly missing out on another two. It was only the second time in history that two Australians have made the same final in a world event (the first being the 1991 World Cup in the USA where Russell Mark and Michael Diamond won individual Gold and Bronze medals). Russell received a total of 27 Olympic selection points in Olympic Trap and 7 in Double Trap whilst John Maxwell received a total of 17 points in Olympic Trap. Adam Vella handled the pressure of international competition well enough for his first time to be part of a winning team. Russell should now qualify for the prestigious World Cup final in Munich held after the Commonwealth Games in September.

# 1994 NATIONAL SKEET CHAMPIONSHIPS

## Conditions of Entry

- In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.  
**Note:** A fee of \$20 will be charged for the issue of any duplicate handicap card.
- Squads of 6 to shoot 100 targets in brackets of 25, two visits to the traps.
- While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
- Each shooter is to take enough cartridges to shoot at 50 Targets. A time limit of two minutes will be imposed for the change over for each 25 targets. **Should two minute time limit be exceeded then a penalty of the LOSS OF TARGET shall be incurred.**
- Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination shooters will be re squadded towards the end of the event.
- Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
- Any competitor may be called upon to referee and or score throughout the period of competition. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooter's signature will be credited with the lowest recorded.
- Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET IN THE NEXT EVENT**. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
- Shooters will be drawn from each day's last round squads to referee and score the first rounds of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility shall be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person.
- Any unauthorized shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
- All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
- All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
- Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep/purse will only be accepted at the designated area.
- Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
- When team selection is involved, shooters shall be eligible for the open team as well as section teams irrespective of

the section nominated for. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.

- Persons paying a reduced nomination are considered eligible for all High Gun Awards, Section(s), and Overall. Competitors must compete in a clear majority of programmed events to gain High Gun recognition. High Gun over 400 targets of the National Program.
- Open/Section Competitors are those paying Open or Full Nominations but who are also eligible for a Section. An Open/Section Competitor winning 1st, 2nd or 3rd Overall or 1st in a Grade, is NOT eligible for a Section Prize as well. An Open/Section Competitor winning 2nd or 3rd in a Grade, will be eligible for a Section Prize as well.  
Persons paying Reduced Nominations are eligible for their Section Only.
- A minimum of three persons must compete in any grade or section including high gun before sashes, medals, trophies are awarded irrespective of nomination paid.
- Nominations will close daily at 11.00 am.
- The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
- Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
- An acceptable standard of dress is required for all competitors - Tournament Director to adjudicate.
- All Competitors must comply with Firearms Licensing Laws in their State of residence and in any State hosting the National Trap Championships.

## Handicap Cards

Nominations will not be accepted from any shooter who cannot produce a stamped handicap card or have the handicapper approve the reason for not being able to do so.

The issue of a duplicate card by the handicapper will incur a charge of \$20. All shooters from AA to C grades must present their card to the handicapper for stamping prior to nominating.

# 1994 NEW ZEALAND NATIONAL CLAY TARGET CHAMPIONSHIPS

March 12-19

## Records Smashed

Bill Iles and Michael Diamond gave the greatest display of clay target shooting skill and concentration ever witnessed in not only New Zealand or Australia. At the end of three days of shooting Bill Iles won the Single Rise with a score of 1727. This gave Bill a record long break of 1927 and Michael Diamond a record break of 2048.

## New Zealand makes the Australians welcome

The New Zealand Council and members made the visiting Australians most welcome and the hospitality continued until the completions of the titles.

## Belfast Gun Club

Belfast Gun Club consists of 10 DTL Traps, Skeet, Trench and Ball Trap. The DTL Traps have been meticulously situated so as to make each layout as similar as possible. The background consists of open land with a pine forest in the distant background with a gap in line with the middle DTL traps.

## Targets

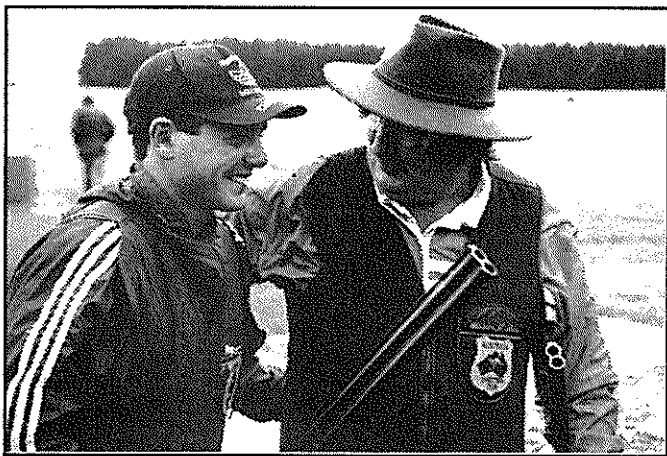

The targets were of English manufacture (CCI), the full fluoro targets broke very consistently and there was no reports of targets dusting.

## Target Settings

The target angles very similar i.e. in line with lanes 1 & 5. The height was set at 4.9m and 22.5m, the New Zealanders view was that this system produced the best average in windy conditions. The targets are thrown at 50 metres with a 2.5m plus or minus.

## Australia/New Zealand Team

In the wind and rain the teams shot exceptionally well with only one target being dropped, with New Zealand the winning team.

Bill Iles consoles Michael Diamond after a marathon shoot-off for the Single Rise title at the 1994 New Zealand Nationals.

## PROMOTION

By Jenny Burt

For our sport to grow and to counteract the annual drop off of present members we have to undertake a wider promotion of the entire sport.

Yes, each member can undertake to introduce one person to the sport, that is a start. How do we make that attractive to our present members?

Some time ago, I made a suggestion to the National Executive, to conduct a competition amongst our clubs, the club that has the most new registered shooters in one year, gets a free full page advert in the magazine the following year. We can take this back to the club level, the member of your club who introduces the most new registered shooters to his/her club gets their nominations paid at the clubs annual shoot, or wins a case of shells, the list can go on. We have to make our present members join in the cause and reward them along the way.

The next step, is outside the club members in a way. Shopping centre displays, promotional mornings in a store, a display at the local agricultural show, and so on.

From a personal point of view, the Tamworth club have taken the step to have a Police and Media Day, inviting all media — radio, newspaper, television and local police to partake in the promotional day, and take in the clubs hospitality as a PR exercise. It is hoped that this will become an annual event. We all agree, any form of promotional exercise takes time, effort and plenty of people power for it to be a success, but in the long run, if more members come into the sport, the effort is really worth it.

The other side of the coin with promotion is the overview of us the shooters.

The need to promote ourselves as responsible people who enjoy the sport of clay target shooting rather than playing football or driving racing cars.

Shooting disciplines start well behind when it comes to gaining publicity, so we must strive to present ourselves and our chosen sport as a conservation family sport for all ages, and that we are not rambo style gun totting types, but people from every walk of life enjoying an organised sport.

We are not a high profile sport, so we must work to promote that view also.

# POWDER DAY AT MAJURA PARK

By Geoff Jessop (Publicity Officer)

Time ... 7.30am, looks like it is going to be a beaut day for the shoot, muttered Kim. I looked around the grounds, clean as a whistle I thought, our trappers had done their job well ... Yea !!! not a cloud in the sky, I yelled back to Kim ... who by then had gone to open up the traps.

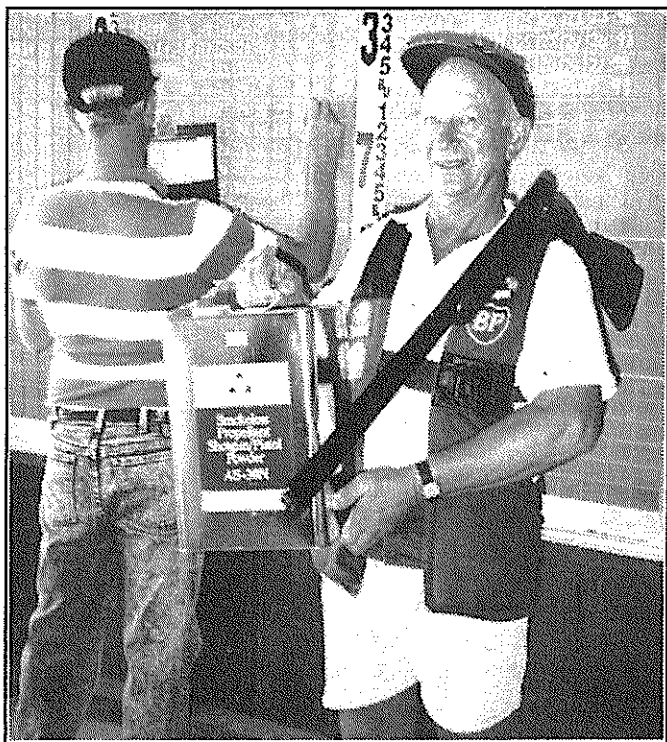

It was one of those shoots that us reloaders look forward to ... The 'Mulwex 100' or should I say the 'A.D.I. 100'. I don't think many people knew that the name had been changed, 'as long as the powder is still the same' would be the only comment from us.

Shooters started arriving about 8.20am, and sure enough one of the first to arrive was that well known personality from Tumut, Tommy Harris, little did we realise that this hot/shot was going to take out the overall in the main event, boy did he show us how to shoot !!! Mate, great shooting.

Others then started to take up the car parking spaces, I was right, this was going to be a great day. By the time all was under way, the powder which again had been supplied by A.D.I. (ex Mulwex) through Harold Hollingsworth had been displayed, together with our second event trophies.

By 10.00am the scores started to tell the story, one only with the possible 100/100, (you know who) couple with 99/100, couple with 98/100, my chances ... forget it, we certainly had some great shooters at our meeting, who came from Crookwell, Bombala, Boorowa, Tumut, Cooma, Batemans Bay, etc. etc.

By lunchtime the day was showing us its best side, hot beef rolls were being dealt out at the canteen by our great chef Chris (as in Christine), not a problem with our new Ibis, 3 traps running smoothly, Kim kept an eye on them, and our new office girl of three weeks Sharee, was handling it like a (1 or 2 panadol) breeze.

Tommy Harris of Tumut, Overall 'Mulwex 100', Jim Allen, President is at the score board.

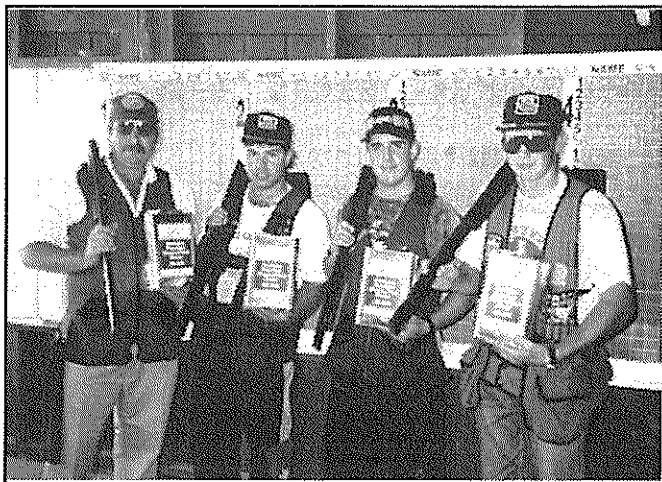

By mid afternoon the committee was starting to relax, another day another dollar, no problems, no hiccups.

As the double rise event was taking place, who won this and who won that were being sorted out in the clubhouse. By 4.30am everything had been done.

Presentation time was here. The 40 odd shooters (I say that with respect), their wives, girlfriends and kids crowded into the club house with noisy enthusiasm, thank you ladies and gentlemen yelled Jimmy Allan (he's our President, you know) people started to quieten down. Jim was then joined by our Vice President Paul Lyons and together proceeded with the 'Mulwex 100' presentation.

First to arrive at the dais was Tommy Harris with the perfect score of 100/100, then followed 1st AA: R. Williams 188/189, 2nd P. Lyons 187/189; A: P. Andonaris 101/102, 2nd T. Redondo 100/102; B: J. Barron 100/103, 2nd G. Andonaris 99/103; C: A. Costano 89/100, 2nd K. Meade 77/100.

Presentations finished around 5.00pm shooters said their goodbyes. Traps were locked up, clubhouse shut and bolted, and as the dust settled after the last car left the area I would imagine that most of the shooters, like myself, were thinking about the next big shoot at Majura Park.

Grade winner 1 to r: R. Williams 1st AA, P. Andonaris 1st A, A. Costano 1st C and J. Barron 1st B.

Majura Park Gun Club, 1st squad in the Sunday shoot, Kim Nealon is the referee and George Andonaris the scorer.

# 1994 THE YEAR OF *the* COACH

## GREG CHAN RECEIVES SPORTS HONOURS

*By M. Alexander,  
National Director of Coaching*

Congratulations must go to Greg Chan, State Coach Northern Territory for winning the 17th Qantas Northern Territory Sportsperson of the Year Award.

Greg received his award in front of a packed house of sporting achievers, fans and administrators at a glittering Beaufort Hotel ceremony.

He had earlier taken out the Territory Mutual Building Society Coach of the Year Award.

His achievements included coaching the N.T. Open Clay Target Team to it's second successive National Championship in Adelaide in April. Greg also coached the N.T. Junior Team to National success and personally coached Brett Hall Junior to the defence of his National Championship Title.

Congratulations from the A.C.T.A. Coaching Council and members of the Australian Clay Target Association for these two well deserved awards.

Mr Eric Pool (left), Minister for Youth, Sports and Recreation with Greg Chan, 1993 Northern Territory Coach of the Year.

## NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

## A TRIBUTE TO GEOFF MOWAT

*By Reg Jennings*

Eighty-one year old Geoff began competitive shooting at the Yarram Gun Club in 1939 where he was a regular competitor there and at other Gippsland clubs.

From 1952 he was a consistent visitor to the Foster Gun Club where he became a member in 1974 after the close of the Yarram club in 1973. Since then he has supported his club by his attendance, help and by competing in team shoots. His A grade which he is still able to 'point in the right direction' gets him into the winners list.

In appreciation of his support over the years the Foster Gun Club is conducting 'Geoff's Shoot' on May 14th. The program which was selected by him is 10t Points CD 15m, 10t DB A.B.C. 15m, 20t DD Drawn Partners split Hcp and 10pr DR 15m A.B.C.

Afternoon tea will be provided so that all shooters past and present can share a day of shooting and fellowship with our gentleman member Geoff.

# 94 SHOOTERS COMPETE AT ROMA'S ANNUAL SHOOT

Shooters travelled from all over Queensland and Northern NSW to swell the numbers at the Annual Two Day Carnival. Shooters from 27 clubs were in attendance making the shoot the largest in Queensland to date during 1994. Clubs represented were: Atherton, Roma, St. George, Dalby, Teelba, Moonie, Cunnamulla, Scrubby Creek, Lightning Ridge, Sunshine Coast, Gold Coast, Toowoomba, Warwick, Brisbane, Ipswich, Goondiwindi, Tambo, Kingaroy, Maryborough, Bundaberg, Chinchilla, Wandoan, Redcliffe, Charleville, Terranora Lakes, Caboolture and Condamine. Special mention must be made of the four blokes from Atherton who drove 23 hours around flood waters to attend. They all took a trophy, and most of them a headache home.

Wet weather the preceding week almost forced postponement of the shoot. Although damp underfoot it only rained for 20 minutes on the Saturday evening. The electronic releases caused some problems due to condensation, but this will be rectified prior to next year. Live entertainment from the Mountain Man, Keith Murphy and Joe Marshall kept the large crowd entertained until the early hours of Sunday morning.

The biggest T-bones in the west were great on Saturday night and we must apologise to the few who missed out and had to eat fillet. Times are tough! Many new friendships were formed over the weekend, and though the scores were not as high as in previous years, the fellowship and entertainment were great.

The highlight of the shoot (they say the winner writes the history books) was surely the loss by the Gold Coast and Albert Clay Target Club of the Kilima Motel Shield. This is back to back losses to the Gold Coast. Well done lads. The Roma team of Robert Nugent, Alan Pack, Robert Rosenberger, Andrew Faulkner, Julian McEwan and Michael Kelly were as normal, extremely humble in victory. The team's non-shooting captain, coach, fearless leader and star of our television ad, Dale Colley, accepted the Shield from an overjoyed President of the Gold Coast, Mike Murphy. Mr Murphy also presented Dale with a ceremonial cap complete with suitable embroidered comments regarding Dale's alleged behaviour after the intake of alcohol. It was a great disappointment to all on the grounds that the Wooden Spoon (held by the Gold Coast) could not be found for the presentations. We believe Murphy used it to make an Irish stew.

Some history regarding the shield would be in order here. The shield was donated many years ago by the shooters from the Gold Coast who annually stay at Boss Cameron's 'Kilima' property when they attend the Roma shoot. The shield is fiercely contested, sledging and cheating in all its forms is allowed and encouraged. Possibly the lowest act perpetrated during the years of competition was (of course) carried out by the Gold Coast when in a desperate attempt to win the shield they named two former Roma Presidents, the late Keith Cameron and Robert Rosenberger in their team. Uproar followed but due to the event being shot at the coast, Gold Coast won the appeal. Even with a team made up of almost half former Roma Presidents they unashamedly accepted the trophy. Robert Rosenberger, now back in Roma, is not game to wear the Gold Coast jacket, we believe he was bribed with, to the Roma Club. At other times the spoon or the shield have mysteriously vanished. In more recent years another event has been contested between the Gold Coast and Roma, which is not entirely fair as with the heat and the dust out this way the Roma team has a lot drier throats, and finds it fairly easy to defeat a half soaked team from the coastal belt. Some wives have been heard to say that 'It's nothing to be proud of.

The shooting seemed to take second place to most of the other activities, however I suppose some people may be interested in

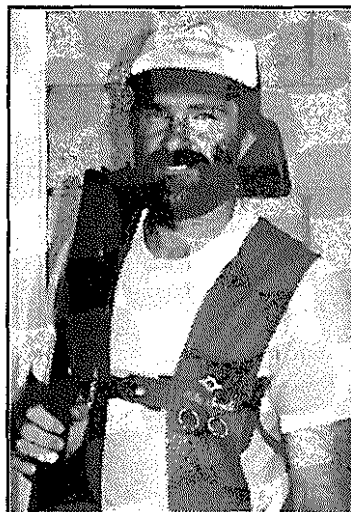

the results. Event 1 Eye Opener: 49 Possibles. Event 2 Maranoa DB 50t: Overall Wayne Sattler. Event 3 Champion of Champions: Overall Mike Swale. Event 4 Maranoa Points: Overall Steve Steenstrup. Event 5 Roma DB 50t: Overall Mike Swale. Event 6 Maranoa DR 15pr: Overall Mike Swale. High Guns: AA: Steve Steenstrup 252/260; A: Wayne Sattler 247/260; B: Greg Latemore 240/260; C: Jan Gear 235/260; Juniors: Neil Boughen 200/260. The Overall High Gun was taken out by Mike Swale with 255/260.

Mike had a terrific weekend winning a television, clothes drier and a bar fridge. It is a shame the coast only has one member that can shoot a bit. Jan Gear cleaned out the C grade trophies leaving the seconds to Cunnamulla baker, Des Ramsay. Neil Boughen won four of the five junior trophies over the weekend.

Roma club tried a few new ideas at this shoot, being television advertising, which worked well, and electronic releases, which didn't work so well. An interesting statistic from the shoot which is quite contrary to the normal events these days was the break up of grades of those in attendance. AA 21; A 34; B 14; C 25. Also three ladies and six juniors.

Comments regarding the trophies indicated they were second to none, and due to this year's attendance an even better trophy table will be presented next year.

Without doubt one of the better shoots ever held at Roma, mostly due to the wonderful bunch who attended, whom we thank very much and offer a warm invitation to return next year.

Overall  
High Gun  
Mike Swale  
255/260

Junior High Gun, Neil Boughen 200/260.

# WARATAH STATE NOTES

By Libbie Bunting

## Statewide Promotional Day — 29th May

By now all clubs in the State should have their plans well in place for what will be the inaugural Statewide Clay Target Shooting Promotional Day, being conducted on the 29th May. This is now planned as an annual event, following the success of such a program in the Northern Zone last year.

All zones have received their supplies of brochures, booklets, handouts etc. and clubs should be well underway with local advertising media releases etc. Some zones have taken on the television advertising, something which added to the Northern area's huge success last year.

This promotional day will only be as successful as you make it, the sport needs more members, and we need to reach outside the circle and make it as attractive as possible. If your club is still a little in the dark, please don't hesitate to contact Jenny Burt, our State Promotions Officer on (067) 65 9386 or myself on (063) 68 3331. Most importantly, make your visitors feel welcome and assist them to enjoy themselves.

## Blue Books

As most of you would know by now, we had quite a few problems with the printing of the 1994 Blue Book, which was out of the control of both ourselves and the publisher.

Nick Burrows of Anglo Australasian Publishing has published our blue books totally free of all charge to our Association for 3 years now, which has been most gratefully appreciated. Unfortunately, due to other business commitments, he is unable to continue with our blue book again this year. We would like to thank Nick for his assistance and contribution, both with the blue book and sponsorship at State Carnivals, over the past three years.

The 1995 blue book will incur a charge which has yet to be finalised. There will be strict guidelines in place for closing dates for club programs to zone secretaries which will be 31st May. Closing date for blue book orders will be 15th September and cheques covering all books ordered will have to accompany the orders. I will be sending out a Newsletter with all the requirements at the end of April.

## Rules — Review and Re-write

To those interested shooters who have taken the time to date to reply to Jenny Burt with suggestions and thoughts of what needs to be addressed with the re-write of our shooting rules, thank you. To those who are still thinking about it, or talking among themselves about it, the good news is, you still have time to have your say, but only until the 30th June. Please drop Jenny a line at PO Box 836, Tamworth, NSW 2340.

## Central Zone

Sunny Corner Gun Club has decided to alter their starting time from the present time of 10am to 12 noon for an indefinite trial period. This will commence on Sunday 8th May. For further information contact Mick Ahrenfeld on (063) 55 5308.

## Northern Zone

Tamworth club are hosting their annual Ball Trap Championships on Sunday 5th June from 9am and will include the Zone Championship.

The annual Yamba Trap Shoot is on again this year, 11th & 12th June, always a well run and organised shoot that attracts a good number of supporters. This year they are hosting the Zone Single Barrel Continental C'ship.

Inverell have the State Single Barrel Cont C'ship and Zone Deauville Doubles C'ship the following Saturday the 18th June.

Also on the 18th, Kempsey are conducting the Zone Double Barrel Cont C'ship.

For the skeet followers, Coffs Harbour are conducting their annual event on the 25th-26th June.

Field, Sporting Clays followers will not need any reminding of the annual program hosted by the Singleton club, also on the June long weekend the 11th & 12th.

## Newcastle/Lake Macquarie Open Shoot

Unfortunately results of this shoot which was held on 19th & 20th March were mislaid in the clubhouse, they have only now come to hand.

Newcastle/Lake Macquarie Club held its third annual open club shoot since relocating to the new grounds at Awaba.

A good roll up of shooters attended from various clubs as far away as Narrabri. With the weather being very wet preceding the shoot, we were blessed with two fine days, with varying conditions of bright sunlight and at times overcast skies.

Some excellent shooting was witnessed, in particular that of Dick Piotrowski 240/240, Tom Turner Jnr 239/240, Mark McInnes 196/197. The Overall High Gun was Mark McInnes 270/275.

Wilma and Neil Berry ventured to Norfolk Island for their 14th International Championships with total eighty-six shooters made up of fifty-seven New Zealanders, eighteen Australians and eleven local shooters with very windy conditions. Neil took out the 50t Norfolk Island DB C'ship, 15pr Norfolk Island DR C'ship, 2nd A grade 25t Pointscore Norfolk Island C'ship. Best score 15pr DR & 25t Skeet. Neil joined forces with Bill Stephens, John Duyker and Steve Laffey and the team won the four man team shoot, shot on the 50t DB C'ship. Neil took the runner up trophy for the Overall High Gun. Good shooting Neil, hope Wilma and you both had a good trip.

## **Maryborough 27-2-94**

Thanks to visitors Dave from Gympie, Gino, Neil, Ron, Spencer, Pedro and Brad from Bundy. If it hadn't been for Andy Wood taking B grade 25t SB C'ship and 2nd in Handicap and Dick Osborne 3rd in Handicap, it would have been a Bundy whitewash as Neil Berry took A grade 25t DB, OA & A in 25t SB C'ship, 15pr DR, plus A grade High Gun, with Ron Skerry taking B grade DB, DR & High Gun.

Young Brad Petersen the up and coming shooter took all events in C grade along with first in the Handicap, wrapping up the C grade High Gun with no trouble (we are making room in B grade for your Brad). Dave Gardner being a gentleman and good sport drew the jackpot but didn't shoot it as he knows we are not flash with cash.

## **Central Zone Trap Carnival, Gemfields 19&20-2-94**

On returning from Norfolk, Neil had a change of socks, a shave, selected a shooting jacket to suit the occasion (lucky Wilma doesn't shave) and the Berry's were on their way to Gemfields. Neil took out the Overall in the Points & Continental.

## **Bundaberg 6-3-94**

With visitors Bill Stolberg of Gympie, Chris and Ric Harrison, Di & Ken Shaw, Harry Walker and myself with new shooter Gary Rapley from Agnes Waters and shooters to shift to Bundaberg was Dougall Rudd shooting last at Biloela, and Pat Burke moving down from Mount Isa. Welcome new shooters and visitors.

With something like eight A grade shooting the 25t DB CD there is too many to name, the following event being 25t PS C'ship OA & A Mike Tipman, B grade Norm Dale & C grade Harry Walker. Again the handicap became a shoot off with a few possibles. 1st was Gino Sergiacomi, 2nd Rob Rehbein and 3rd Neil Berry. The 15pr DR was taken out with a possible in A grade by Neil Berry, B grade Norm Dale and C grade Spencer Plath. Overall High Gun went to Neil Berry with Harry Walker FM HG, with Rob Rehbein shooting the jackpot and Colleen Skerry winning the meat tray raffle.

## **Gympie 100t DB 13-3-94**

Visitors for the day being Mike Tipman of Bundy, Les & Paul Sidwell, Peter Pagliarino, Paul Andersen, Andy Wood and myself of Maryborough, Joe Glover and Barry Power of Sunshine Coast. A return to shooting for Kev Bowring of Goomboorian and shot very well, didn't take a prize but was only two down and lost the shoot off to Vic.

First shoot for Gerrard Giesler, welcome Gerrard, hope you enjoyed your first shoot, good shooting in the future. Peter Pagliarino and Aaren Gardner now both B grade and Lee Beattie now A grade. Wal shot the jackpot and gave him enough cash to go straight away on holidays, good shooting Wal. The raffle was

nine nice mud crabs, caught by his son Gary, with three draws with three crabs per draw, 1st draw Vic Tipman, 2nd draw Lee Beattie, 3rd draw Vic Tipman, again, smells a bit fishy to me and it wasn't the crabs. Good luck Vic & Lee.

Results of the 100 targets being A grade 1st with a possible Mike Tipman using 24g 7½ factory loads, 2nd brother Vic Tipman, B grade 1st Andy Wood, 2nd Lee Beattie, C grade 1st Gary Carew, 2nd Peter Pagliarino. By the way Dave, if you play with fire you could get burnt. Thanks for a good shoot Gympie.

## **Maryborough Heritage One Day Shoot 27-3-94**

With good events on the program, the most important event was the drawing of our Moving Art Union. When this idea was tabled at the meeting it looked like a dream come true, however several months later was more like a nightmare. However applying for a further extension of time as we were all ready down with permits, tickets, etc. and thanks to a few of our hard working members and by draw time had covered expenses and prizes.

Our club would like to thank every ticket buyer who took part in helping us to not go down in this venture, I am told some small club members joined together and gave \$5 each to buy a ticket, on the other hand one shooter bought three tickets. So we thank each and everyone for buying a ticket.

I have the pleasure of announcing that the winner is ... wait for it ... ticket number 031, being Lightning Ridge Gun Club c/- Bruce Buchanan, who we rang after the draw but wasn't home, so his wife received the good news. Good luck to Lightning Ridge.

Our usual visitors to our one day shoot was Kaye, Rob, Neil, Pedro and Brad of Bundy, Wal, Dave and also from Gympie for the first time Gary and Dennis Carew and Bruce Lee from Central Burnett, Ken Vicary and Mike Jacobi with Eric Anderson of Kingaroy and in the area from Mt Isa Bruce Goeldner, thank you all for coming, and to Bruce especially, it is a long way from Mt Isa.

Di Shaw only shooting for a bit over twelve months is now A grade, good shooting Di, who said women can't make it in this world. Also Bruce Lee from Gympie with only a few shoots has shot to B grade. Main results were: 25t DB: A: P. Shaw; B: E. Anderson; C: G. Carew. 25t PS: A: I. Wynard; B: D. Osborne; C: B. Petersen. 25t SB C'ship: A: P. Anderson; B: A. Wood; C: R. Harrison. 15pr DR: A: N. Berry; B: E. Anderson. High Gunners were: A: Paul Anderson; B: D. Osborne; C: B. Petersen.

Don't forget Bundaberg shoots one week later in May being the 8th which is the same day as Gympie, looks like the old flip the coin trick, with Maryborough 22nd May.

Good shooting to all, til next time see you at the shoots.

# A DAY YOU'LL NEVER FORGET

*By George Biggs, ACTA Historian*

Do you have a special day, perhaps a special event in your shooting career, a day you'll never want to forget, or will you?

Let's have the details and I'll do a story for the magazine.

In the following story Tim Catling of Katanning, Western Australia tells of his experience on a day, at a place that he will not want to forget.

Photo shows Tim Catling at the South Australian Gun Club, Adelaide National Championships 1968. National Points Winners l-r: B. Watson 245/246, Newton Thomas 458/459, Tim Catling 459/459.

Dear George

I hope this finds you well and all the best for 1994.

Enclosed is a photo of the three place getters in the 1968 National Points Championship held in Adelaide.

George, I found this old photo when I was looking for something else and it occurred to me that the record set that day in Adelaide of 459/459 still remains to this day and that after 25 years is something of a record in itself. So I thought as ACTA Historian you may find this of interest, along with readers of the shooters news.

My memories of that day are still very clear and I will always be grateful to Hillary Baynes of SA, because he lent me his Browning Auto. after mine had broken down the day before in the Double Rise event.

After the 12 possibles got down to just 3 and then B. Watson missed his first barrel on his 82nd target, which left Newton and I to battle on. We shot on and on, with my auto miss feeding a few second barrels and I was just saying to myself that it didn't matter because if I didn't hit it with my first, then it was all over anyway.

Then Newton missed his 153rd target on the first barrel and took his gun off his shoulder and then realising that it was still whole proceeded to break it so far out.

That left me to shoot mine with the first barrel to win and I can still see that quartering left target breaking as clear as if it was yesterday.

Harry Cox (the shoot marshal) remarking that it was the best single barrel shooting seen at a Nationals in his memory, is a remark I will treasure always.

Coming across this photo brought back a wonderful memory.

Kind Regards  
Tim Catling

## 'TOP GUN' BRADDY IS BACK IN TOWN!

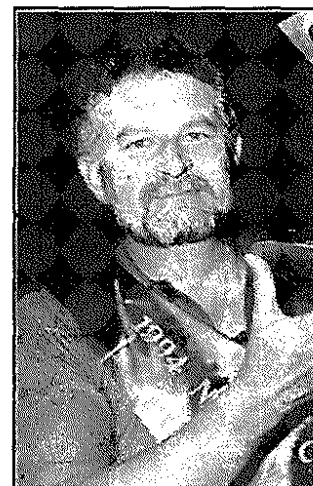

Anthony Winston Bradshaw, better known as 'Braddy' is back in the limelight once again following his win in the New Zealand Mini Target Championship held at the National Championships at the Christchurch Clay Target Club in March. As all Australian Top Gun entrants enjoy reciprocal rights with New Zealand, Tony received 750 shotshells for his win. He previously won this event 15 years earlier setting a New Zealand record at the time. Tony was in the South Island on his honeymoon with his new wife Pauline when he 'saw the lights on' at the gun club and thought he would drop in. Speaking to Tony soon after his win he said he was disappointed the shoot off didn't go longer as he hardly raised a sweat and his top barrel was still cold. He described the scene around the grounds after the shoot off as similar to an Arnold Schwarzenegger movie with 'dead and wounded all over the place'. Tony said the Christchurch fire brigade came along to the club after they heard about all the 'smoke' he was leaving in the sky. The referee complained he couldn't see any more because Tony was hitting them so hard all the 'soot' was blowing back into his eyes. Braddy put in some serious training before this event by 'working out' at Werribee's Master Wok Chinese Restaurant at least three times weekly. The 120 kilogram Bradshaw used 1300 H.A. loads to pulverise the mini targets 'back from where they came'. It sounds like a nightmare, but Tony's got the 'Silver Fern' to prove its reality. The legend lives on!

Also at the New Zealand National D.T.L. Championships, Allan Kenny from Hobart continued his good form from the Tasmanian State Titles by winning the Point Score Title after amassing 110 consecutive first barrel hits. Allan is better known as the hard working Vice-President of the A.C.T.A. He receives 1,000 target loads of his choice for his championship win.

Other March winners in the 'Top Gun' awards include Roger Vidal from Guyra for winning the Northern Zone two day D.T.L. competition at this home club. Roger received 500 shotshells for his victory. Ross Salpietro from Victoria wins 250 shotshells for his first place in his States Junior Skeet High Gun. Ross uses AA 1250 9s. Carol Ogden wins the same award for the Ladies High Gun. In Toowoomba, Ray Maroske proved too strong over the two days of their annual competition and wins 500 rounds for his efforts, Mark McInnes wins the same award for his High Gun victory at Newcastle.

Tony Bradshaw.

Allan Kenny.

# SINGLETON GUN CLUB FIELD SHOOT

## A great long weekend

As the shoot calendar nears the winter months, those who have experienced Singleton Gun Club's Simulated Field Shoot, will have the June Long Weekend circled on the calendar, as a definite once again.

Singleton Gun Club can be found 20km from Singleton at Warkworth, along the road to Jerry's Plains and Denman.

In recent years the annual field shoot has always been well attended, with 80-90 shooters being the average role up.

Shooters and their families enjoy a relaxing weekend without the problems of having to rush home on Sunday evening. The club boasts powered van and camping sites and shower facilities.

Singleton has developed a great reputation for hospitality and camaraderie with many people turning the club house area into a camp ground. However, the town of Singleton provides ample accommodation for those looking for a little more comfort.

Also, for the fast and very fortunate, Club President Bruce Smith produces his culinary skills and knocks up his famous duck stew. The recipe is a national secret, more closely guarded than those of Colonel Sanders !!!

The traps along the course's seven stations are manned by Singleton's Scouts and their supervisors, which are both a great money spinner and marvellous experience for the lads.

The layout is set up along a small creek where the bank and trees are utilised to provide interesting and challenging targets. The speed and distance of the targets vary greatly. Some shooters have been seen carrying a great variety of loads in an attempt to master the course.

Station one is a double rise with one straight away target and one that falls away to the left very quickly.

Most shooters like this station to begin the round, with the chance of shooting 4 from 4 more than a possibility.

Then comes 2 pairs of targets with a difference. On the shooter's call the first target flies up the creek, towards the shooter and passes overhead about 6 or 7 metres above the shooter. On the report of the first shot a second target is released from next to the shooter and flies out and over the creek bank. Some shooters find the first of these targets very easy to break, but to others it is a source of great frustration. Sometimes it seems that a choke like a trombone would be the answer to the problem.

Station 3 is a pair of double barrel targets that are almost straight away, but are launched from below the creek bed. The answer here is to shoot quickly before they get away too far.

The station known as the 'cross-over' is next. The first target flies right to left with the shooter attempting to score with double barrel. The next target is released left to right, double barrel again. Finally a pair are released from the right, then left on the report. There is a reasonable distance to the targets with the speed varying greatly depending on the direction of the breeze.

Station 5 is a set of double barrel and double rise targets that are close enough and slow enough to revive one's confidence if the 'cross-over' has taken its toll!

The 'rabbit' follows. Three double barrel targets that travel low the ground are released diagonally across the shooter. Plenty of lead is needed at this station. In the background is an aptly named pepper tree that would now contain enough shot to make a mining venture financially viable.

Station 7 has four targets to bring the tally for the round up to 25. The first target is released from 4 or 5 metres above the shooters head. The trap is set up on a platform in an old ironbark tree, and the target travels down and away from the shooter,

before disappearing into some shrubbery. On the report a second target is released that travels from next to the shooter, parallel to the ground along the creek bed.

Possibles are hard to come by, but AA graders have consistently scored 22 plus. A good C grade score would be 16/25.

Trophies have always been of a high standard. In recent years TVs, chain saws and refrigerators have been on offer.

Apart from the trophies though, Singleton offers a weekend of great fun, and an interesting change from down-the-line shooting. Keep the June Long Weekend in mind, and give Singleton a try.

## ENTHUSIASTIC RESPONSE TO CLAY TARGET CHAMPIONSHIPS

The weekend of March 12 & 13 Warren Gun Club hosted the Western Zone Clay Target Championships.

In pleasant though windy and cool conditions, 96 shooters vied for the magnificent array of trophies as well as, of course, the prestigious titles. Shooters from Broken Hill, Griffith, Cowra, Cessnock, Dubbo, Gilgandra, Singleton, Coonamble, Cunnamulla, Brewarrina and Lightning Ridge participated in the weekend's program which saw \$7,000 in trophies and \$3,000 in prize money awarded to the winners in the various categories.

Secretary of the Warren club, Mr Mike Shields, said that the grounds were in magnificent condition, thanks to the efforts of club members. Over the weekend, the shooters family and friends numbering approximately 200, enjoyed the hospitality of the Warren Club members and their wives who provided fantastic meals over the whole weekend. The efforts of these ladies was applauded by the members who presented each with a beautiful pot plant.

"The array and quality of trophies was applauded and many of the older members commented that it was the best they had seen for twenty years", said Mr Shields. Mr Shields also acknowledged the work of the office staff over the shoot — Nigel Clark and Teresa Shields, the trappers, referees and scorers.

The Zone Championships will be conducted in Narrabri in 1995 but it is anticipated that a similar event, possibly to be called 'The Macquarie River Championships' will be held in Warren in 1995 also.

Club President, Kevin Walton, thanked all who had been associated with the successful championships, in particular the sponsors — Warren Golf Club, Bird Farm Equipment, Auscott Limited, Turners Sales and Service (Dubbo), Peter Fitzalan, Winchester Australia, Macquarie Toyota, Len Woolnough, Kevin Walton Plumbing (Gilgandra), Wesfarmers (Dubbo), and John Kierath Mitsubishi, Daihatsu and Holden (Dubbo).

Major results of the Championships are as follows:

High Guns: Overall: G. Bunting; AA: A. Turner; A: R. Carr; B: G. Wallace; C: B. Mayger; Jnr: C. Bunting; Lady: K. Kennerson.

Western Zone PS C'ship: OA: A. Turner; AA: C. Betts; A: B. Holcombe; B: K. Pearce; C: B. Mayger; Jnr: C. Bunting; Lady: G. Lawrence.

Western Zone SB C'ship: OA: P. Fitzalan; AA: A. Burgess; A: M. Shields; B: F. McInnes; C: B. Mayger; Lady: K. Kennerson.

Macquarie DR C'ship: OA: M. McInnes; AA: G. Bunting; A: R. Carr; B: F. McInnes; C: A. Boyd; Jnr: C. Bunting; Lady: K. Kennerson.

Western Zone DB C'ship: OA: D. Cosgrove; AA: C. Betts; A: K. Kennerson; B: P. O'Neill; C: B. Jackson; Jnr: R. Faber.

## CHARITY SHOOT RAISES \$350

The Bothwell Clay Target Gun Club recently conducted a charity shoot to aid the newly constructed Bothwell Community Health Centre and volunteer ambulance service.

The shoot raised \$350 towards the centre and was presented to the centre's organiser, Mr Colin Campbell, earlier this month.

Mr Campbell said the funds would be used to equip the volunteer ambulance as much of the equipment had to be supplied by the volunteers.

The shoot was sponsored by the Maypole Bakery, Bothwell Hotel, Bothwell Supermarket and Websters Ltd Bothwell.

After the charity shoot, from left, Vice President of the Bothwell Clay Target Gun Club, C. Laredo; with Colin Campbell of the Medical Centre; Alan Kenny, President of the Tasmanian Clay Target Association and Secretary, Tony Johnston.

## SHOOTERS IN THE BEGINNING

Pictured is a photo of one of our well known shooters from the Northern Zone of New South Wales in his infancy.

Thanks to John Farrell for supplying same. John is endeavouring to forward old photos and editorials to the ACTA for inclusion in our magazine and would be pleased to receive any assistance.

## 19th ANNUAL UNISYS ROYAL FLYING DOCTOR SERVICE CHARITY SHOOT

Sunday March 6 was the day of the 19th Annual Unisys Royal Flying Doctor Service Charity Shoot. Tony McGrady, member for Mount Isa and Minister for Minerals and Energy, fired the first shot just after 8am to officially open the shoot. Twenty-nine teams followed in the competition for the Bell & Moir Toyota Trophies with some excellent scores being shot. However the winning team was 'Care Factor Zero' with team members Stuart Dean, Paul Crainger, Terry Johns, Murray Wigg and John Restall scoring 129 points out of a possible 150 points. The 'Bandits 2', Anne Coleman, Sue Moncrieff, Satu Anderson, Karen Shelley and Chris Ray were the winning Ladies Team with a score of 97/150.

The Tony McGrady Individual Trophy was event two and eight shooters shot the lot and were sent out to shoot off for places one to eight. Twenty-five shooters were just one point down and they shot off for ninth and tenth place. The major final placings were to be, 1st Toby Head 13/13, 2nd Glen Stacy 27/31, 3rd Edgar Lansky 26/31, 4th Ryan Erikson 12/14, 5th Karen Shelley 12/13. Brenda Schmitter defeated Anne Coleman, Satu Anderson, Julie Williams and Sue Byrne to emerge as the Best Lady with a score of 13/14, and Sam Edmonds (10/11) defeated Kevin Dollery to claim the Junior Trophy.

The third and final novice event for the day was the Selwyn Mine Social Club Team Trophy and two teams, P.D.L.F.H. and Gunpowder B both scored 124/150 so a shoot off was called for. Gunpowder B, Jim Simpson, David Hunter, Rebecca Askew, Edgar Lansky and Rachele Tiopira emerged victorious with 187/225. The 'Bandits 2', Anne Coleman, Sue Moncrieff, Satu Anderson, Karen Shelley and Chris Ray, once again won the Ladies Trophy with a team score of 80/150. Sam Edmonds and Kevin Dollery shared the Junior Trophies.

The last event for the day was the Members Trophy in which Mick McGill won the shoot off for A grade with 62/62, Brian Palethorpe claimed B grade with 58/60 and Nev Anderson followed his wife's example by winning C grade with 59/60.

Satu Anderson's excellent score of 68/70 for the day won her the Ansett Australia Open High Gun Trophy while Brenda Schmitter won the Greyhound Coaches Ladies High Gun Trophy with 62/70 and a very happy Sam Edmonds collected the Gunpowder Copper Junior High Gun Trophy with a score of 47/70. All told a great day of shooting and a great fund raising effort for the Mount Isa Royal Flying Doctor Service.

# OLYMPIC DISCIPLINE NATIONALS — 1994

Melbourne Gun Club, Lilydale in Victoria played host to the 1994 Olympic Discipline National Championships. Bob Buchan had ordered good weather for the competition and he, together with all the other workers at Melbourne, presented the grounds in very good order.

Whilst driving down Victoria Road, which seemed of a never ending length, to the gun club, hot air balloons could be seen in the background against the Dandenong Ranges. The Yarra Valley, where Melbourne Gun Club is situated is a very picturesque setting with plenty of great wineries open for tastings and I am sure a number of shooters would have partaken in sampling the wines over dinner.

The rewards for shooting at these Championships were great, as the Commonwealth Games Team and World Championships Team were to be selected. The 1994 National Training Squad was also to be ascertained so everyone was keen to do well.

A number of New Zealanders were present which was great to see as was Art Goodman making his yearly pilgrimage from the United States.

Graham Mahoney VCTA and National Executive member ran the office with the help of ACTA staff. All the results were tabulated on computer by Graham with the help of Eric Bullmore. Whilst a few hiccups were experienced it should prove to be of great assistance at future Nationals.

Gary Hayden was a great help throughout the week in that he kept the scoreboard up to date and the squad boards on each layout so there was no delay. During the Nationals Gary was also elected as the ISU representative to the ACTA. Gary, I am sure will be happy to hear from any person on ISU matters and can be contacted on (055) 92 1968. Congratulations Gary.

Jack Henwood and his trappers did a very good job throughout the Championships. Jack put in some long days by tending to his market garden prior to coming to the gun club.

Joan, ably assisted by Moira and Jenny kept everybody's belt tight with good tucker from the kitchen. By the end of the week Joan was looking forward to using the footbath that she recently purchased.

Peter Wray kept the traps in good working condition whilst Bob Buchan made sure that everything was running smoothly at 'Headquarters'.

Leanne, Danni and Gina from the National Office all spent time at Lilydale meeting shooters and putting faces to names. We will be giving Danni a street directory for Christmas in case she gets lost again.

## City of Melbourne Olympic Trap Championship

After a delay whilst the targets were being set and checked by the jury competition was away in fine sunny conditions.

75t were to be shot on the first day with the final 50 being shot on the Sunday.

There weren't too many 25s shot and we had to wait until the 16th squad for Bill Iles to shoot the first one for the day. Norm Court and Craig Tilley in the same squad soon followed to be the only three to shoot 25t in the first round.

A number of shooters including Deserie Huddleston, Tom Turner, Graeme Boyd and John Maxwell continued to improve during the next 50t. On the second day of the competition eight shooters were to card 25s over the two rounds.

The final saw Graeme Boyd, back after a break from shooting and Russell Mark as the top qualifiers with 120 each. Bill Iles 119, Norm Court 118, John Maxwell 118 and Tom Turner 118 also qualified to participate in the final shoot off.

Russell Mark shot the possible 25 to take the event with a score of 145/150. John Maxwell runner up 141/150 with Bill Iles a close third 140/150. AA grade saw a win to Kevin Perkins 117/125 whilst Graeme Boyd 120/125 won A grade. B grade was taken out by Sox Pilipasidis 114/125 and C grade went to P. Headon 106/125. The ever consistent Deserie Huddleston won the Ladies with 109/125 whilst a trimmer and fitter looking, up and coming Ben Kelley took out the junior event with 114/125.

## City of Melbourne ISU Skeet Championship

The skeet shooters at the other end of the gun club were very competitive vying for their titles. There were no 25s in this event with Michael Inguanti, Ian Hale, John Summers shooting 24 whilst Craig Meuleman also shot two rounds of 24.

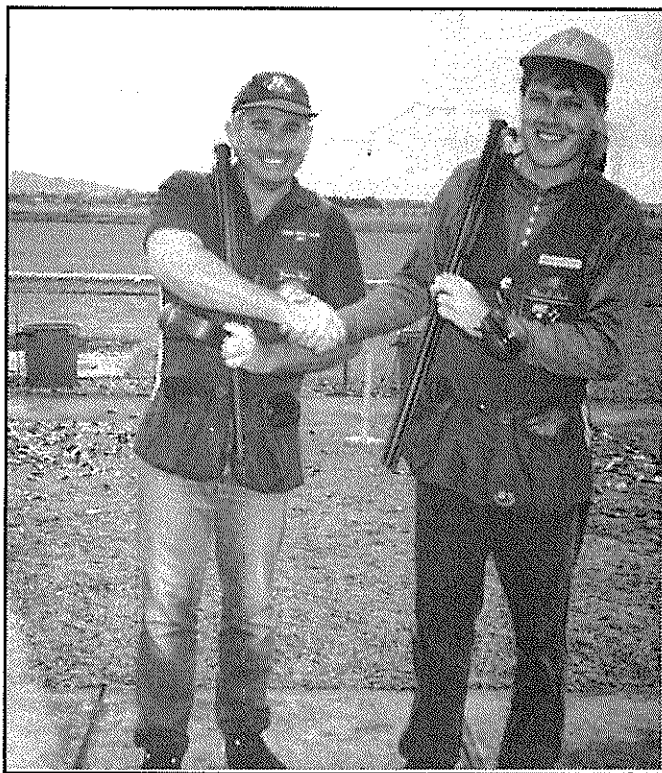

After the 125t we saw Craig Meuleman 112/125 and Ian Hale 112/125 into the final together with John Summers 109/125, Michael Inguanti 107/125 with the final two places going to David Cunningham 102/125 and Jim Wilberforce 102/125.

Craig Meuleman shot 24/25 to take the event 136/150 closely followed by Ian Hale 134/150 and John Summers 133/150.

AA grade saw a win to Michael Inguanti 107/125, A grade Jim Wilberforce 125/150, B grade Fred Guyatt 101/125 and C grade Ron Dalgleish 79/125. Katie Light won the ladies section.

## Commonwealth Olympic Trap Championship

Scores were a little better for this event although 25s were still rare. Graeme Boyd continued his resurgence in the sport by shooting 121/125 to be the top qualifier in the final. Michael Diamond shot 3 rounds of 24 a 23 & 25 to be second qualifier with Graeme Ede from New Zealand also shooting 120. Russell Mark with last three rounds of 25 25 25 qualified fourth and Ken Selwood who shot a 25 24 and 3 23s to be next positioned in the final. The last person in was Philip Petriella who shot the same score as Ken and entered on 118/125.

Graeme Boyd and Russell Mark congratulating each other on their selection as Commonwealth Games representatives in ISU Trap.

Graeme Boyd won the event 149/154 when Michael Diamond dropped his 149th target to finish second on 148/154. Russell Mark came in third 144/150 after shooting a possible in the shoot off.

AA grade went to Adam Vella 117/125. A grade to one of our New Zealand friends Graeme Ede 120/125. B grade saw Sox Pilipasidis 114/125 complete the double after taking B grade in the previous event. C grade was won with a score of 103/125 by F. Sgambelloni. Ben Kelley 113/125 continued his good form and took out the junior event.

Iona McJames fought well in the ladies event to finish second to Deserie Huddleston who scored 130/150.

### Commonwealth ISU Skeet Championship

This second competition saw five possible 25s being shot although targets were still very hard. The final consisted of John Summers 118, Ian Hale 117, Clive Barton 116, Craig Meuleman 115, David Cunningham 113 and Bob Dunn 112.

John Summers took out the event with a 23 in the final to finish with 141/150, Clive Barton second 153/163 fought off an ever determined Ian Hale 152/163.

Craig Meuleman won AA grade with 115/125 and Bob Dower A grade with 112/125. Peter Avison took B grade with 106/125 and Stephen McCulloch 100/125 was the C grade winner. Katie Light with a score of 67/125 won the ladies event.

### National Olympic Trap Championship

Michael Diamond continued to improve and was the top qualifier into the final with 122/125. Philip Petriella was the second qualifier on 120/125 with John Gilopidis 119/125 and Craig Tilley 119/125 filling 3rd and 4th positions. Kevin Perkins 118/125 had fifth spot and Graham Ede 118/125 kept the New Zealanders hopes alive.

Michael Diamond ended up winning the event with a 24 in the final to take his total to 146/150. Philip Petriella who shot the

possible 25 in the final came in second with 145/150 and after a shoot off for 3rd Craig Tilley was successful 144/151 from Kevin Perkins.

AA grade was won by Russell Mark 143/150 and A grade by John Gilopidis 119/125. R. Candido 113/125 took out B grade and F. Minici 124/150 had a C grade win.

Deserie Huddleston continued good form and won the ladies section with 113/125 whilst one of our up and coming juniors from Northern Territory Brett Hall 121/125 took the junior section.

### National ISU Skeet Championship

Craig Meuleman was showing good form and was the top qualifier in the final with 116. Ian Hale 115 and John Summers 115 completed the top three. Jim Wilberforce had fourth spot followed by David Cunningham also 114 and Clive Barton 113 completing the squad for the final.

Ian Hale won the event after shooting 24/25 in the final to win 139/150 from Craig Meuleman 143/156 and John Summers 140/154. David Cunningham won AA grade with 114/125 and Jim Wilberforce A grade with 114/125. B grade saw South Australian Fred Guyall have another win with 103/125. Worthy of mention in the B grade was the runner up in Wayne Reeves from Normanton Qld competing for the first time in Melbourne. He was pleased to be able to take home the silver medal in B grade with a score of 101/125.

C grade went to local shooter Stephen McCulloch 94/125 with another local in Katie Light taking the Ladies Section. The Junior section was taken out by Barry Brighetti.

### High Guns

In the Skeet Ian Hale continued his good form to take out the High Gun with 344/375 from Craig Meuleman. Katie Light 203/375 was the Ladies Skeet Winner. Junior entries in the skeet were nil unfortunately.

Ian Hale, ISU Skeet High Gun winner and National ISU Skeet Champion. Ian will be representing Australia in ISU Skeet at the Commonwealth Games and World Championships along with Craig Meuleman.

National President, Glenn Woodhatch with Ben Kelley, Junior High Gun and Deserie Huddleston, Womens High Gun.

Graeme Boyd 358/375 won the Olympic Trap High Gun from Russell Mark. Ben Kelley 344/375 won the Junior High Gun 344/375, Ladies High Gun Deserie Huddleston 331/375.

### Commonwealth Olympic Double Trap Championship

With Double Trap now being an Olympic sport the Nationals program this year, for the first year, included a Commonwealth Title in this discipline. A few faces that had not appeared throughout the week, (including some proficient double rise shooters) ventured out on this weekend for a chance to make their way into the Double Trap Training Squad, selected over this event and the National DTL Championship. After some fierce competition eventual winner and top qualifier into the final was Russell Mark, with fellow Victorian Steve Haberman qualifying fifth yet shooting a great final score of 45 to be placed second overall. Third place was filled by Nino Pedula 176/200. John Maxwell had to be content with a AA grade win 179/200; A grade went to John Gilopidis 120/150; B grade A. Snooke 102/150 and C grade was won by South Australian Executive member Guy Yoannidis. Prominent in the Ladies and Junior Championships were those two familiar names Deserie Huddleston and Ben Kelley who both had an enjoyable win.

### National Olympic Double Trap Championship

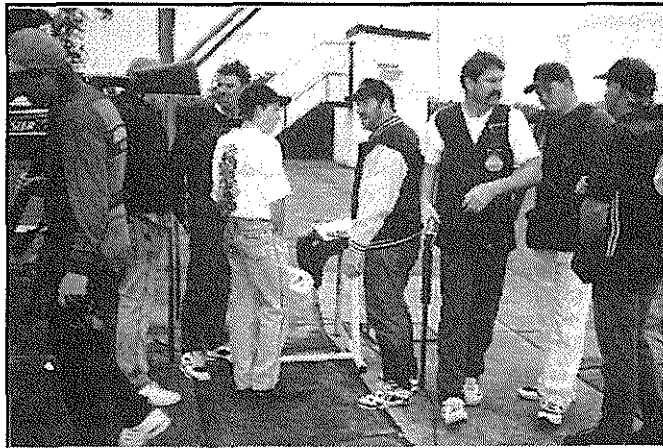

The last day of competition and some weary faces were there to face the music. Scores were not quite up to the standards of the previous day due to the wet conditions, yet Russell Mark proved his prowess in this discipline by being top qualifier into the final once again. Adam Vella was right on his tail followed by Craig Tilley, Stephen 'Rat' Atkins, Tom Turner and Graeme Boyd. Russell shot a 45 in the final taking his score to 178/200 to give him outright victory. Adam, Craig, Tom and Graeme all shot 42s in the final with Stephen Atkins putting in a 40. Adam's 42 gave him second place overall 174/200 with Craig Tilley one target behind to take third overall on 173/200. Stephen won AA grade with 131/150. John Gilopidis took the double in A grade with a 125, G. Kontopoulos shot a 106/150 to give him a B grade win with Mr Versatile Ron Smith having a win in C grade.

Ladies Championship was won by Deserie 123/160 with Loz Lloyd winning a silver medal after shooting a 104/160, bronze to Tasmanian Nanette McCallum 100/160.

Ben Kelley improved his score from the Commonwealth event to win the Junior National Double Trap Championship with a score of 133/150. In second place receiving the silver medal was Brett Hall on 122/150 followed by Glen Gillespie on 120/150 taking bronze.

Peter Avison, B grade winner in the Commonwealth ISU Skeet Championship.

## TALES FROM THE PAST

By George Biggs, ACTA Historian

Around 1880, some twenty years before the introduction of clay targets, glass balls were being developed as a target for trap shooting in England and Europe. History tells us about the lengthy challenge matches at glass ball shooting during the 1830s.

In earlier times, prior to glass balls, live pigeon trap shooting was the popular form of shooting throughout Europe and England.

W. W. Greener in his book, 'The Gun and it's Development', relates how in July 1880, Captain A.H. Bogardus succeeded in scoring ninety-nine birds out of one hundred; the forty-seventh falling dead out of bounds. This extraordinary score was made in a match with a Mr Rimmell, an Englishman, for two hundred and fifty dollars a side.

Bogardus on thirty yards, Rimmell on twenty-eight yards, one hundred birds, straps, weather fair, and birds in good condition.

Both shooters used English double barrel guns and cartridges loaded with ditmar powder and one and one quarter ounces of number six shot.

Glass ball target shooting, a pastime that became popular, firstly in England and later became fashionable and developed by Captain Bogardus in America.

Glass balls when first introduced, were merely coloured glass. Further improvements were to checker them to prevent the shot from glancing off and they were also filled with smoke or feathers. The quickest time recorded for breaking one hundred glass balls with a shot gun was just under five minutes.

Fig. 309.—The Card Revolving Double Trap.

Fig. 310.—Simple Rotating Trap.

— Pigeon Shooting at Hornsey Wood.

Captain Bogardus, the great American wing shot, made a match against time in December 1879 and succeeded in breaking five thousand and five hundred balls in a few seconds under seven hours and twenty minutes. Of the five thousand and five hundred shot at, he missed three hundred and fifty-six. He used an English gun with two sets of barrels and changed the barrels no less than fifty-five times.

Dr W. F. Carver, an American who spent sixteen years of his life among the American Indian tribes, attained great skill with the rifle, and made his debut in San Francisco as a professional marksman. He also visited Europe, and astonished all with his remarkable performances; coins, glass balls, oranges, etc, thrown into the air, were hit with the greatest of ease, in fact, his aim with the rifle was apparently unerring. His greatest feat was before the Prince of Wales when he broke one hundred glass balls consecutively with his rifle.

On February 7th 1881, a match was shot off at the Welsh Harp, Hendon between Dr Carver, the champion American, and Mr W. Scott, a celebrated English shot. The final score was Dr Carver sixty birds, Mr Scott sixty-two birds. The stakes amounted to five hundred pounds. The birds were the quickest seen during the whole winter months and the weather was vile, the greater part of the match was shot in a blinding snow storm.

I am indebted to Greg Kean for the following story. Greg was an executive member of the original Melbourne Gun Club which was situated at Tottenham on the west side of the city. The club ceased operations in the late 1950s when live bird shooting was banned in Victoria.

Dear George,

This yarn came to me from C. B. (Barney) Medway, now departed.

Barney came from the Benalla district and he was a smallish fellow with a handy way with words.

His shooting days were tapering off when I knew him, but he was always on for a yarn.

Anyhow as Barney told it, the great Dr. Carver from the US of A, with his reputation as the greatest wing shot in history, arrived at the New South Wales Gun Club (I think it would have been at Sans Souci, which is now part of the Mascot Airport. The clubhouse and the dog kennels and bird cages were still there a few years ago) and he challenged any person in the world to shoot him a match from 30 yards, 100 birds up, and one hundred pounds a side.

He was challenged five times and he won each time, although Jack Neeld ran him close when he shot 93 to the Doctors 94.

I knew Jack Neeld's son, another Jack and I had discussions with him about it, but he lacked a sense of history and was only mildly interested, although Errol Bullen, another member of the NSW Gun Club of my days there, confirmed Barney's story.

Carver then came to the Melbourne Gun Club (at Brighton I think) and challenged anybody in the land, to shoot against him, on the same conditions as in Sydney.

There were several takers and once again Carver won each match. In one of these matches, after he had shot about twenty birds straight, the Doctor walked off the mark and called for a strip of lead, he said he felt he was over swinging and wanted to wrap the lead around his barrels to slow himself down a little.

After pocketing the loot and running out of challengers, Carver issued an open challenge for five hundred pounds a side, 100 birds up.

This offer went untaken for a few weeks while Carver won about every event he wanted to win in the daily competitions of those days.

Then one Friday, the Grant brothers from Skipton, walked into the club on one of their occasional visits. They worked as rabbiters on very ordinary wages and their ability to shoot at the club was limited.

According to Barney they were 'pretty fair shots'.

They had never heard of Carver but when told of the challenge they had a little discussion, pooled their money and drew straws to see who would do the shooting.

Bobby drew the long straw, and after checking that the Carver money was up, they paid their five hundred, and the match was set for the Saturday a week away.

A great crowd came along for the event and over fifty bookmakers stood up to do battle with the punters, (these were the days before sprung traps) and the odds would have been five to two on, or worse.

Anyhow with much excitement, huge betting, and a break for lunch, the big day saw the great Carver shoot 99 out of the hundred, and in Barney's words "it wasn't bloody well good enough, Bobby shot the 100".

## Donald Mackintosh

World Champion Australian shooter and founder of our sport. Well before those of us who are shooting today were born, Donald Mackintosh was making a name for Australia on European shooting grounds and at the leading gun clubs of England in the 1890s.

The following story is a personal sketch of Donald Mackintosh by an un-named Australian journalist of that time and was published in a leading Melbourne daily newspaper and magazines.

A few reminiscences of the three Final Challenge Cup competitions below will interest shooting men.

A few little incidents entering the humour of these competitions will interest my young shooting friends today. I had many friendly battles before winning the Melbourne Challenge Cup, being the holder on ten occasions. When the final stage was reached it resulted in a tie, and the late J. L. Purves, QC (who had himself held it five times) remarked: "Oh, why bother coming back for your cartridges every shot. Take your magazine out, you will hit them till the cows come home." (score 61 out of 64).

The Paris Challenge Cup was shot for in the famous Bois de Bologne. On each of the three competitions a different nationality tied — namely, H. Journer (France), Edgar Murphy (America) and Marquis de Villavisiocia (Spain). Like the old Melbourne Gun Club,

jokes went round, and an American wag, noticing my earnestness to win, began to pile up various things, such as coats, empty cartridge boxes, etc, under the cushion of the big deck chair I sat on until it was heaped to the arm rests. I sat on that chair as if feather coated, much to the amusement of my wag friend and his followers, who, after the victory, gave me a hearty handshake and a hearty laff. Score 50 straight, 30 yards.

The English Challenge Cup was shot for on the Gun Club's grounds at Wormwood Scrubs, London, under International Champion conditions, 25 pounds each, and attracted entries from over a dozen nationalities, including America.

Unlike other clubs, no barracking entered the game, and it is still dreadfully fresh in my memory going out on the mark in dead silence, twenty-four times in a tie with Mr Vernon Barker (then Champion of the Gun Club, England). On the previous Saturday, I had a similar experience with the same man. When nearing the final, in dead silence, our footsteps on the asphalt being the only sound. I overheard an old veteran remark, "Vernon will beat this man." Colonel Ned Hopwood replied in most dignified tones, "Oh, no, there is no certainty; this man shot him to a standstill last week." On nearing the final Mr. B. suggested tossing a coin, and on my decision to keep on he had a good old brandy and missed the easiest bird in the whole three competitions. Score, 60-62, off 30 yards.

Now, as an older and perhaps a wiser man I will say, in the words of the Hon. R. Beresford, these were stirring times, but, after all, was it really worth while — Give me a day in the field at snipe, where I first learned how easy it was to miss.

## VALE

### Glen Dinning

Esteemed Life Member of the Bordertown Gun Club, Glen Dinning, passed away peacefully in the Bordertown Memorial Hospital on 28 March 1994.

He leaves a widow Pearl, and a son and daughter, six grandchildren and three great grandchildren.

### Jan Elliott

The death of Jannion Elliott occurred at Pittsworth on 19th January last aged 87 years.

Although not a champion shot, Jan will always be remembered as one of the great supporters and characters of clay target shooting.

It is true to say that it was he who brought clay target shooting to Ballandean and that he was the inspiration for the Ballandean Gun Club. It was he who inspired a very great interest in the sport in a number of very keen shooters there, and from that interest the Ballandean Gun Club came into being in September 1960.

It was Jan Elliott's influence which was responsible for Queensland's one and only Car Shoot very successfully conducted at Ballandean in May 1963.

Jan was a Foundation Member and Life Member of the Ballandean Gun Club and will never be forgotten by those who knew him.

A. J. 'Chub' Smith  
Past President, Ballandean GC

### Malcom Fuller

It is with great regret that I report the death of Malcom Fuller on March 18, 1994, after a three month struggle with liver failure. Malcom as a first class gun shot and founder of the Fuller Firearms Group, was known to a very large number of

Australian and overseas shooters as well as being highly regarded in the firearms industry around the world. He will be universally missed.

Malcom was this club's longest serving active shooter, he joined the N.S.W. Gun Club Ltd, on November 11, 1951 and was still shooting very well until illness prevented him from continuing last December. Initially Hargrave Park and Pagewood Gun Clubs were his home grounds, however he shot wherever he could with considerable distinction. We have press clippings recording him winning trophies at the Sesqui Centenary Celebration 2 day shoot at Pagewood Gun Club in 1937, aged 13, he subsequently won the N.S.W. Gun Club Skeet Championship while still 13. He was a regular visitor at gun clubs around Sydney until he turned 18 when he enlisted in the A.I.F.

Malcom's life long hobbies were shooting and spearfishing, after the war he was able to turn his hobbies into his business, founding the Fuller Firearms Group, now run by his sons, David, John and Adrian. The name Fuller quickly became synonymous with the import of quality firearms and ammunition and the firm rapidly became the leader in it's field under his astute management.

Malcom travelled widely both in Australia and overseas, he was welcomed everywhere. In the U.S.A. he competed regularly in the American Grand National winning events and posting many good scores, as well as many other American competitions. He also shot in Great Britain and on the continent. On the continent he mainly shot 'flyers', performing well, particularly at Monte Carlo. He was widely known in New Zealand, he was the first Australian to win a New Zealand National title, the Single Barrel in 1965, subsequently he won the New Zealand Skeet Championship in 1971. He represented Australia in teams against New Zealand many times, he was an Australian Mackintosh member several times, his score in Adelaide in 1993 was exceptional.

Malcom at all times was a gentleman and the epitome of a sportsman, his achievement of 55 years at the top of his sport is undoubtedly unique, his shooting friends around the world will deeply regret his passing.

We extend our deepest sympathy to his wife and family.

John Richardson  
Hon Treasurer, NSW GC

### Eddie McIntosh

The Brisbane Gun Club advises with regret the passing of one of its highly esteemed former members. The older members of the shooting fraternity will remember Eddie as the club captain when it was established at Tingalpa. He was also club captain for a short time at its present site at Belmont.

Eddie will be remembered for his courtesy and his smooth and efficient running of shoots for which he was responsible. The club wishes to extend its sympathy to his family.

### Phil Stabile

The Members of Ballandean Gun Club were saddened by the sudden death of their member Phil Stabile on the 19th January last, aged 51 years.

Phil was a true sportsman in all aspects of gun shooting and a willing supporter in club affairs. He was a man who liked to travel and support neighbouring clubs such as Warwick and Texas.

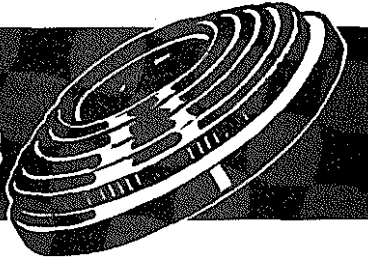

Phil was also a member of the Stanthorpe and District Pistol Club which he attended regularly.

Our sympathy to his wife Marion and family.

R. Sonogo (Seq)  
President, Ballandean GC

# Veneto & Abruzzo Gun Clubs

---

## SUN 29<sup>th</sup> MAY

---

On Sunday the 29th day of May, 1994, the Veneto/ Abruzzo Gun Clubs will be holding a challenge shoot against members of the Victoria Police Clay Target Team and winning members from their recent Police Games.

The purpose of this event is to expose the police members to additional individual and teams competition as they prepare for the forthcoming International Police and Fireman's Games to be held in Melbourne in March 1995.

The challenge shoot will be conducted at the Melbourne Gun Club commencing at 10.00am. It will consist of three events (see program below) with individual (1st & 2nd) prizes for each event, however, an additional TEAM PRIZE of \$250.00 cash is available to any team of 5 members that produces the highest aggregate score over the three events on the day. No additional fee is required for the registration of a team.

# MIROKU 10

Miroku 10 Trap Grade 5 with or without  
Porting, 30" or 32" barrels

## *Why the Miroku 10 should be your competition gun*

The desire for perfect scores  
by clay target shooters has led to  
two great features - Barrel Porting  
and Overboring.

**PORTING** - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

**OVERBORING** - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.

Miroku 10 Sporting Grade 1 with or without
