As a young boy in central Illinois, Bill learned to shoot with his grandfather's trusty Browning Auto-5. It was this inspiration that led Bill to go back to his roots and buy a Browning Lightning Sporting. He's now one of the hottest shooters in the world. Here's what Bill says about his Browning: "A Browning shotgun gives me an edge. It's loaded with intangibles that translate to a great feel, super looks and hard, hard hits."

Browning's **new 325** has been the rage in Europe and now America. A trim forearm promotes optimum eye-hand coordination. A wide 10mm rib excels in picking up fast flying targets. Available in 12 and 20 gauge.

The **GTI's** extra wide 13mm top rib, ventilated side rib and special sporting clays dimensions make it quick to the point and smooth swinging.

The **Special Sporting's** high post rib provides an instant view of the target. A palm swell improves shooting consistency. All Browning sporting clays shotguns have a radiused recoil pad for snag-free mounting.

With its quick, rounded pistol grip, lightning style forearm and capacity for 3" magnums, the **Lightning Sporting** is the ticket for clay birds or flushing gamebirds. A hunting style low rib or high post target rib make the Lightning Sporting a gun for any season.

Bill sums up his feelings on Browning sporting clays shotguns: "Shooters from all over the country and world ask me why I shoot a sporting clays gun in world-class skeet competition. I always give them the same simple answer: **It's the best there is.**"

 **The Best There Is.**

NATIONAL PRESIDENT'S NOTES

National Championships . . . Programming

It has been suggested that standard annual dates for all Nationals and State Carnivals should be fixed.

Many shooters also believe that these Carnivals should also be spaced over the full twelve months, rather than all virtually in the first six months. The scenario could possibly be:

- ISU Nationals commencing the second weekend in February
- Trap Nationals commencing the third weekend in April
- Skeet Nationals commencing the fourth weekend in October

In line with these dates, each State could then set their own Carnivals. If the above was to be the case, then shooters could put their shooting plans in place for some time.

As with all proposals, there are also issues against, such things as climatic conditions of host states, international events to be conducted in Australia, as well as our own participation in overseas events would create some necessary changes.

Whatever your thoughts, I believe, we, the National Executive must give shooters as much notice as possible of all our events.

Recognition of Long Breaks

With some very notable big breaks being recorded by shooters in recent times, notably the scores of Bill Iles and Michael Diamond in New Zealand and previous to that, Russell Marks record at Tamworth, the question of what should constitute long breaks is now being asked.

Should shooters be able to carry an unbroken score in a particular discipline from one shoot to the next, until the run is broken by a miss? This would allow the shooter to shoot other types of events also between.

An example would be, a shooter would compete in and win the double barrel event at Melbourne on day 1, shooting 210 targets. One week later competing at Maryborough, firstly in a single barrel event, recording 24/25, and then winning the double barrel event with a score of 140, his break would then be 350, the single barrel taking no part in the double barrel break.

The shooter would carry forward his double barrel scores at various shoots until he missed a double barrel target.

If this was the case, then it could also apply from country to country shooting similar disciplines, i.e. New Zealand to Australia and vice versa.

Establishment of Records

Quite often we receive inquiries at the office to establish if a particular feat is an ACTA record. Many of these inquiries cannot be decided because it has not been the practice to keep a list of achievements in the past.

With this in mind we are to commence a record of achievements by shooters. A list will be published in a forthcoming issue of the CTSN, and then we will rely on the input of our readers to establish, if in fact, the published name is the holder of a particular record. It will cover such topics as: the youngest/oldest registered shooter to win overall championships in open competition; the longest break set by junior shooters (male and female); the most overall championships won by a shooter, both male and female.

It will be a bit like the Guinness Book of Records for Australian Clay Target Shooting. The only way it can be commenced is by your input. If you believe you hold, or know someone that possibly could hold, a record let us know. It will be published, and if no other shooter can claim to better it, it will become the standard for the record.

Rules

Further to the proposal in last months magazine, any rules changes which are to be altered will apply from a date to be fixed later this year. Comments for all of rule changes should be sent to National office no later than June 30, 1994.

Insurance

A full detail of coverage of our insurance will be published in the next magazine.

1994 NATIONAL TRAP CHAMPIONSHIPS

The Australian Clay Target Association's National Trap Championships for 1994 were hosted this year by Queensland Clay Target Association and Brisbane Gun Club. The Championships ran from Saturday April 9 to Friday April 15 and in line with the old adage 'beautiful one day, perfect the next' Queensland turned great weather on with temperatures in the mid 20s on most days. A revamped Trap Nationals program was conducted with the program going for seven days instead of six which had been the case in the past.

SATURDAY APRIL 9

Prior to the opening ceremony, teams representing each State and Territory, competed for the prized Australian Clay Target Association Team Shield presented to the top State team in Open, Ladies and Junior divisions. This was the first time that the Ladies and Juniors had shot at the same time as the Open team. This proved to be very popular with everyone and helped create a great atmosphere for the opening ceremony.

The Open Teams event was won by the host state Queensland being represented by Doug Smith (Captain), Neil Berry, Dennis McIntosh, Gary Redmond and Greg Stevens. The 'Bananabenders' did not miss a target during the whole event to score 125/370 to win narrowly from South Australia 125/367 with Victoria coming in third with 124/365.

Queensland State Team. Their Open team won the Teams Match.

In the Ladies event New South Wales, represented by Lyn Blake, Karen Kennerson and Janeene Kidd (Captain) scored 73/216 to defeat Victoria 72/211 and Queensland 71/206.

The Juniors was a closely fought out contest by five states with Victoria led by Nathan Cassells, together with Justin Waldron and Wayne Barry being successful with 75/222 on a countback from New South Wales 75/222 and South Australia 72/210.

A perpetual trophy for the best presented team, which has been donated by SACTA was appropriately won by South Australia. All states are to be complimented on the high standard of dress and they are a credit to all involved.

As music came from the pipe band, all teams marched past the crowd of spectators as Mr Glenn Woodhatch, National President, welcomed everyone to Brisbane and introduced the dignitaries Mr Dan Moffitt, President Brisbane Gun Club, Mr Tom Meadows, President QCTA, Mr Alastair McPherson, President Australian Shooting Association, Ms Laurel Power MLA, State Member for Mansfield, Cr Graeme McDougall, Brisbane City Council and Mr George Ellis, President NZCTA.

The Championship was officially opened by Ms Laurel Power MLA, State Member for Mansfield whom welcomed shooters from around Australia, a large contingent from New Zealand led by Mr George Ellis NZCTA National President as well as shooters

from America and Great Britain. Cr Graeme McDougall, Brisbane City Councillor opened the shooting by firing the first shot of the tournament (successfully hitting the target on only his first attempt at shooting a shotgun) under the watchful eye of the Shoot Marshall Mr Colin Witt.

Mr Tom Meadows Tournament Director issued the final instructions to all shooters and the individual events were under way.

The Australian Double Barrel Championship over 50 targets was hotly contested. A total of 467 competitors nominated for the event. After 50 targets nearly a quarter of the field had not missed a target and so the shoot off began with 122 competitors. Acknowledgments

The Association gratefully acknowledges the support given which has been generously received from:

- Mr Brian Heffer of ITP Pty Ltd
- Winchester Australia
- Fuller Firearms Pty Ltd
- Mr Sergio Zuffo of Olimpyc Targets Pty Ltd
- Mr Ray Babbige of Commercial Marketing Co
- Fisher & Paykel — whom gave a nomination prize and whose goods were purchased as major trophies
- Australian Sports Commission — for continual support and funding of our sport.

We would also like to thank the New Zealand Clay Target Association members who attended the carnival. Led by Mr George Ellis, President NZCTA they were made very welcome by all and although not many trophies will be heading across the Tasman, I am sure a good time was had by all.

NZCTA vs ACTA 5 Stand Sporting — result was a draw 218/250.

The SSAA had a demonstration of Birdbrain of which a number of shooters took advantage. The NZ contingent through out a challenge to ACTA Executive which the Australians readily took up. The Australians won but New Zealanders claimed the targets were too hard to break. Perhaps they were made of wood, one or two anyway.

Mr Dan Moffitt and everyone at Brisbane Gun Club presented the grounds in excellent condition and there was plenty of hospitality in the club house. The QCTA lead by President Tom Meadows, had done a lot of work to ensure the success of the Nationals.

Mr Tom Meadows and Mr Colin Witt made sure that shooting was continual and had the use of a golf cart which proved to be invaluable.

Mr Robert Nugent, Roma, National Executive member and Chairman of Promotions Committee did an excellent job in purchasing the trophies through South West Discounts and Fisher & Paykel. All trophies were very well received.

National Office

Under the leadership of Mr Graeme Bickerton — Office Manager, the administration of the National Office was excellent. Graeme was ably assisted by Libbie Bunting, Lyn Teale, Chris Condon, Wilma Berry, Jan Maroske, Noel Liesegang, Ross Grundy, Rhonda Paterson and last but not least Graham Brown Secretary QCTA. Thanks to all.

ESPERANCE BAY GUN CLUB

By John Locke, Publicity Officer

The 32nd annual Easter Carnival at the Esperance Bay Gun Club was a total success with perfect weather, a good turn out of shooters and very good scores. Seventy shooters competed over the long weekend with every event attracting in excess of sixty shooters. The host club used its successful formula of having a lot of events and good trophies to ease the burden of the long trip for the visitors. Each local member had a specific job for the weekend and without exception that job was completed quickly and with no hiccups.

The shooting started on the Friday with the Bay of Isles Double Barrel Championship, 25 targets graded from 15 metres, sponsored by Paramount Seeds. The overall winner and winner in A grade was David Fox from Collie, second was Robin Bailey (Perth) and third was Lex Shipp (Perth). The B grade winner was Earl Billington from the home club, second was Damien Neale (Esperance) and third was Alan Brown (Perth). C grade winner was Merv Wright (Eastern Goldfields), second place to Terry Maloney (Esperance) and third in C grade was Jim Hard.

Event two was the District Double Rise Championship. This event was sponsored by Esperance Appliance Centre. The overall winner and winner of B grade was Collie shooter Phil Larsen. He was in top form all weekend and should not be in B grade much longer. Second in this grade was Rod Locke (Esperance) and third was Alan Brown (Perth). The A grade winner was Tom Vodden (Kambalda), second was Brent Humphrey (Esperance) and third

was Peter Nuntz (Edgehill). The C grade winner was local hero Vincent O'Brien, second was Russell Day (Eastern Goldfields) and third was Vic Magagnotti (Salmon Gums).

Saturday morning at 9.00am saw the beginning of the High Gun events. The first was the District Double Barrel Championship, 25 targets from the common mark of 15 metres, sponsored by Collins Engineering. First in A grade and the overall winner of the event was David Cox (Collie) second was Robin Bailey (Perth) and Mark McDonald (Narrogin) was third. B grade results went to an Esperance trio of Des Neale, Jack Collins and John Locke. C grade winner was Dave Bowden (Salmon Gums) from Vincent O'Brien and Vic Magagnotti.

Local trucking identity Earl Billington sponsored event four, the District Single Barrel Championship. The overall winner and winner of A grade was Peter Muntz (Edgehill) second was Mark McDonald (Narrogin) and Tom Vodden (Kambalda) took third place. B grade placings went to Phil Larsen (Collie), Darryl Bowman (Salmon Gums) and Eric Hoggard (Esperance). C grade finished with Dave Bowman first, followed by Terry Maloney and Vincent O'Brien third.

The third District Championship for the Saturday was the Double Barrel Points from 15 metres. Millers Auctions were the sponsors and the overall and A grade winner was again Peter Muntz (Edgehill). Second in A was David Fox followed by Lex Shipp third. B grade to Phil Larsen, second Luke Fisher (Narrogin) and Darryl Bowman third. C grade finished with Terry Maloney (Esperance) first, Toni Wright (Eastern Goldfields) second and Brian Scheer (Salmon Gums) third.

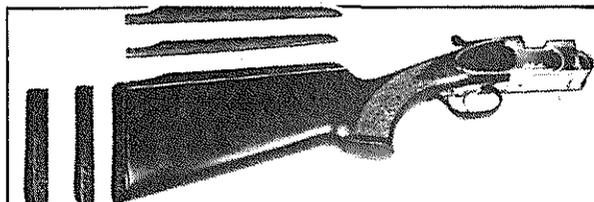

The final competition for Saturday was 40 mixed targets from 15 metres sponsored by Tubemakers. This was 10t DB, 10t SB, 10t PS & 5pr DR. Robin Bailey was the most consistent winning first overall and A grade as well. George Mezzatesta (Perth) was second

and John Dolint (Esperance) third. B grade went to Bruce Hooper (Eastern Goldfields), Graham Wilson (Narrogin) second and Terry Carvell (Denmark) third. C grade winner Vincent O'Brien, second Brian Scheer and third to Vic Magagnotti.

On Sunday the weather was still perfect and paved the way for some very good scores and a State title to be decided. The first event was 10pr Deauville Doubles from 22 metres to act as an eye opener for the next championship. This was sponsored by Esperance Glass and the winning pair were Robin Bailey and Peter Muntz. For this short competition they each won a case of shotgun shells.

Then came the 20pr State Deauville Doubles Championship from 22 metres. This was sponsored by the Locke Family and the winners were Ric and Paul Vivante (Perth), Doug Berry and Jim Bates (Narrogin) were second and Tom & Brendon Vodden (Kambalda) third.

The next event was the Esperance Bay Handicap where shooters shoot from varying distances back from the trap to theoretically give everyone an equal chance. Warren & Donna Liebeck sponsored the trophies and the winner was Merv Neve (Eastern Goldfields), second was Mark Normington (Eastern Goldfields) third Paul Vivante.

The final event for the weekend was a real marathon. The business people of Esperance sponsored the Esperance Grand Prix, 50 targets from 15 metres, with colour TVs for the winner in each grade. Five shooters scored the perfect 50/50 and the resulting shoot off went for another 140 targets until David Fox finished unbeaten on 190/190. This was finalised almost in the dark. This made him the overall winner along with the A grade from Mark McDonald (Narrogin) 189/190 and third place went to Jim Neve. Phil Larsen won the B grade from Graham Wilson and Peter Harris. C grade winner was Jim Hart second went to Peter Tame and third place to Russell Day.

At the conclusion of the shooting the trophy presentation was made with Des Neale officiating. Des has not missed an Easter shoot for twenty-five years and handled the presentation with plenty of humour.

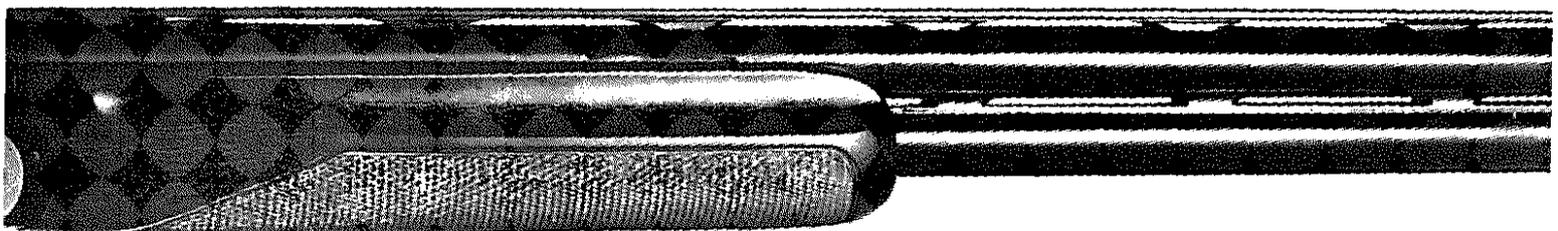

The junior trophy donated by Winchester was won by Sean Wright (Eastern Goldfields). Ladies trophy went to Toni Wright (Eastern Goldfields) and was sponsored by Westpac Bank. Southern Edge Clothing sponsored the Veterans trophy and this was won by Alan Brown of Perth. The intermediate trophy for the best score from shooters handicapped 16 metres and less was sponsored by Esperance Sports Centre and was won by John Locke (Esperance).

For the second year in succession David Fox won the overall High Gun trophy of a colour TV. David is one of the best shooters in the state and always provides stiff competition when he shoots at Esperance. Following the presentation of trophies the club provided an evening meal of lamb for the shooters and their families. The lambs were donated by strong club member Hughie Burchard and cooked by Fred Bow and Trevor Virgo from the Esperance Meat Supply.

The president and members wish to extend a very big vote of thanks to the ladies for the effort they put in over the weekend to provide top class meals for the visitors. Robin Bailey remarked that every year he comes back the club facilities and efficiency gets better.

Also a special thank you to the business people who supported the club with donations and trophies large and small. Without their generosity these major shoots could not be held in remote locations like Esperance.

AUSTRALIAN VETERANS GAMES

Wagga Wagga, 1994

With a total of 65 shooters taking part, the third Australian Veterans Games Wagga Wagga were under way at the Wagga Gun Club from 16th to 19th March 1994. With shooters coming as far away as Yeppoon and Chinchilla in Queensland, numbers were down from the previous year but the Veterans Games far exceeded the expectations of the organising committee of this bi-annual event.

The Opening Ceremony was well attended with Mr John Duffy — Sports Co-ordinator being invited to open the Games. With the motto of the 'Friendly Games' the spirit in which the competition was conducted certainly lived up to the name with most shooters indicating that they would be competing at the next Veterans Games Wagga Wagga.

The fine and sunny weather (yes fine and sunny) and the lack of any wind throughout the Games was reflected in the fine scores that were posted by some shooters. The concept of only shooting against shooters in the same age group and not being graded was widely accepted by all shooters attending.

The oldest shooters was 'Tup' Pedersen who was a month off turning 86, we also had husband and wife 'Tim' (71) & Fred (82) Reade plus there was father and son combinations Clarry Senior & Junior Cunningham, twin brothers Ray and Doug Oakley, brothers Kevin (who also celebrated his birthday during the games) and Henry Constable, also cousin Alan.

The first day saw the 75t Australian Veterans Games Skeet Championship being contested. Barry Kable and Barney Rooke were the only two to post 50/50 and with 25 to go the pressure was on to see who would come out victorious, Barry was successful with dropping only one target to take the Championship.

Day two was the 50t Australian Veterans Games Double Barrel Championship which saw four possibles with Peter Fitzalan from Dubbo taking the Championship with 68/68.

Day three 50t Australian Veterans Games Single Barrel was completed with only one possible coming in, Barney Rooke took the Championship. The 55-60 age group saw a good shoot off for the gold and silver between Tom Harris of Tumut and Wagga's Alan Constable with Tom taking gold with a good score of 83/85. This event also saw Lyn Blake and 'Tim' Reade take bronze in their respective age groups, well done Ladies. The 50t Australian Veterans Games Point Score Championship saw Don Badewitz from Bombala post a score of 148/150 to give him the Championship.

Australian Veterans Games Championship winners: Bill Francis, Champion of Champions; Don Badewitz, Point Score Championship; Barney Rooke, Single Barrel Championship; and Peter Fitzalan, Double Barrel Championship.

The 75t Australian Veterans Games Champion of Champions saw three shooters post 122/125 — Henry Constable, Bill Francis and Barney Rooke with Bill Francis — Chinchilla taking the Championship with 132/135.

The High Gun Winners in each group were:

45-54 Age:	Ian Prior, Canberra	421/450
55-60 Age:	Kevin Heywood, Narromine	438/462
61-68 Age:	Barney Rooke, Wagga Wagga	433/450
69+ Age:	Bill Henwood, Coldstream	413/450
Ladies:	Faye Burton, Kerang	410/450

Regular shooter to the Veterans Games 'Tim' Reade was successful for the third time in taking the Ladies Skeet Title with Faye Burton dominating the Ladies Section in the Double, Single, Points and Champion of Champions.

The Wooden Spoon (Low Gun) this year was won by a delighted Doug Oakley, Tup Pedersen was pleased to hand this trophy over to Doug.

The inception of a 4 person team event, namely 'Mr G' Team Event and proudly sponsored by Mr Geoff Reeves (our ice-cream man), this proved to be very popular. Mrs Joan Scott was invited to pull the names out to decide the teams; one member from each age group who shot the whole program was put into a team. There were several teams that were in the running until the final day which saw the team of Max Kavanagh, Tom Harris, Barney Rooke and Howard Durbridge being successful with a score of 1683/1800.

Mr Joe Mason Cox (past President) and Promotions Officer for the Games was on hand to do the Medal Presentations on the Saturday afternoon which again was well attended by the shooters.

The Wagga Gun Club also conducted a BBQ tea, this was very well attended with all those attending enjoying the meal and chit chat.

Thank you must go to Mr Sergio Zuffo of Scorpio Cartridges and Olympic Targets for his kind donation of Sashes for the Overall Winners of each Championship plus all High Gun Winners. Thank you again.

The Wagga Gun Club would also like to thank Dick Schubach, Ray Oakley, Bill & Dorne Scott, Pat Ceely and all who made the Games such a success.

The Australian Veterans Games will be held again in March 1996 and the Wagga Gun Club are looking into adding another age group to this event, so shooters put in your diary 13-14-15-16 March 1996 for the fourth Australian Veterans Games and come and enjoy the 'Friendly Games' at Wagga Wagga the City of Good Sports. These Games also incorporate 28 other different sports so any shooters who have friends that participate in other sports spread the word around about the 'Friendly Games'.

Full results rear section.

Australian Veterans Games High Gun winners: Back row — Ian Prior 45-54 age group, Kevin Heywood 55-60 age group, Bill Henwood 69+ age group; Front row — Michael Rooke, President Wagga Gun Club, Faye Burton, Ladies winner and Barney Rooke 61-68 age group.

How to shoot better scores at Trap and Skeet Shooting

This book by George Biggs explains and demonstrates the mechanics of shooting trap and skeet, and the importance of proper gun fitting and gun handling.

Also available are two video tapes one on trap and one on skeet shooting.

Each tape takes you round the trap and skeet fields step by step as the coach demonstrates and explains how and what to do, shot after shot.

It's like having the coach at your side instructing and explaining how and what to do shot after shot.

A discussion on proper gun fitting and gun mounting winds up the 95 minute tapes.

Book price \$20 (including postage and packaging)
Video price \$30 each tape (including postage and packaging)

1994
THE YEAR
OF THE
COACH

NATIONAL COACHING COUNCIL

*By M. Alexander,
National Director of Coaching*

The first Coaching Display and Information Centre was conducted at the 1994 DTL Nationals in Brisbane. This display in conjunction with the ACC's 1994 Year of the Coach theme, proved to be immensely successful.

A wide cross section of shooters took advantage of the display and the videos that ran non-stop during the carnival. Two surveys were conducted, one being for shooters and the other for the coaches. The questions asked, were aimed at seeking out what both the shooter and the coach wanted and expected in the future.

To gain this information and assist all shooters and coaches, the centre was staffed at various times by:

- Murray Alexander National Director of Coaching
- Gery Chizzotti Queensland State Coach
- John Mitchell Queensland S.E. Zone Coach
- George Bruce Brisbane Gun Club Coach
- Christine Huggins Level I (under training) WA
- Fred Schmetzer New South Wales State Coach
- Greg Chan Northern Territory State Coach

The shooters survey attracted 84 participants of which 23 indicated their interest in attaining Coaching Accreditation. One question (No. 7) produced interesting results on the point of 'What subject should an Australian produced video be on?'

1. Technique
2. Stance
3. Gun Fit
4. Discipline
5. Junior Encouragement
6. Mental Approach
7. Shooter Etiquette
8. Basic Fundamentals.

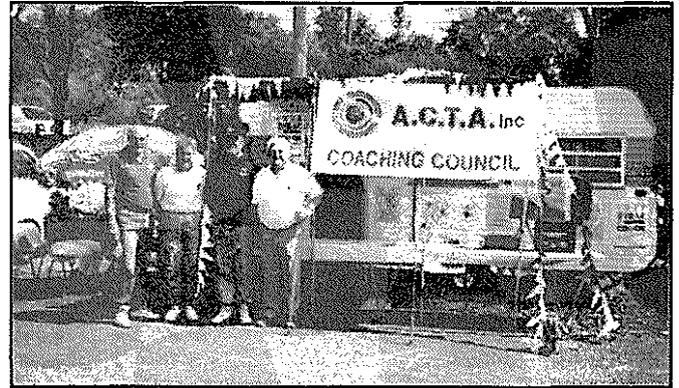

The coaches questionnaire had 33 participants with similar interesting results, one being question No. 8. This question dealt with 'How do you feel we could better the provision of coaching in shooting?'

1. Video cameras
2. Encourage more shooters to become Coaches
3. Reduce paperwork and increase reading material for interested people
4. More info in the CTSN
5. Administration to promote better prospects rather than the negative
6. PR to schools, TAFE's and the handicapped institutes
7. Encourage shooters to see their coaches.

There were other questions with interesting replies and these will be taken into consideration for the future.

The display will now be recommended as an ongoing project, initially at the DTL Nationals and eventually at the Skeet Nationals.

P.S. Coaches please remember that a large proportion are approaching Renewal of the Accreditation, on the 1st January, 1995. Please contact your State Coach for advice and any assistance.

TAMWORTH CLAY TARGET CLUB

By Jenny Burt, Secretary

The Tamworth Clay Target Club continues to engage new ideas for promoting the sport of clay target shooting. The latest venture proving to be a huge success.

Invitations were forwarded to all media outlets in Tamworth, radio stations, the three print media outlets and the visual media, along with an open invite to all Police stationed at Tamworth, our local Member Mr Tony Windsor and his family, the local Council Mayor and Councillors.

With the valued assistance from Winchester Australia who provided the ammunition, and Sergio Zuffo of Olympyc Targets, the club was then able to extend the invitation for those attending to be guests of the club.

When the day arrived, both television stations were present, 3 newspapers had people in attendance, local police and their families and Mr Windsor and his family joined in.

Following the initial safety brief and basic instruction, they were split into two groups and headed for the layouts. Not a great deal of time passed, before they started to hit targets and the interest became more intense.

All shot trap, skeet and sporting targets during the day and great interest was shown towards membership and future activities.

Towards the end of the afternoon, Clive Barton shot a round of I.S.U. Skeet, to the total amazement of those present, the degree of difficulty being the hardest thing for them to come to terms with.

Mr Tony Windsor, MP was presented with a N.S.W.C.T.A. tie and invited guests received A.C.T.A. caps or key rings.

The day was covered by all the media, the reporters in particular, indicating a better understanding of the sport after their hands on experience.

Although, not the main reason for the day — 5 of those present have completed membership application forms.

A little bit of time and effort on behalf of our members contributed to a very successful day, and it will now become an annual event on our program.

MARYBOROUGH TID BITS, QLD

By *Lost Bird*

New Zealand Nationals Shooting Carnival

Local shooters, Di & Ken Shaw of Maryborough club and Irwin Wynyard and Neil Berry of Bundy club travelled to NZ with shooting possibles it was only Neil who took the trophies being 2nd A grade SB C'ship and two 3rds (DR & Triples C'ship). Good shooting Neil. Hope you all had an enjoyable trip as the Shaws continued on to tour the South Island.

Gympie Club Shoot 10-4-94

With visitors John Reynolds, Mike Tipman, Harry Walker and myself and good conditions made for a good shoot. The main event being the 30t Pts Tower SE Zone C'ship was won by the old fox George Foster taking OA & A grade, with Gary Carew taking B grade and is now A grade in tower and Aaren Gardner winning C grade.

The 25t Hcp was won by front marker Dennis Carew who out shot backmarker Vic Tipman who took 2nd with John Reynolds 3rd. The 15pr DR was won by Mike Tipman A grade, Norm Dale B grade and Gary Carew C grade.

A supreme seafood tray donated by Bruce Lee was won by none other than the old fox, President George, looked a bit sus to me, good luck George.

Gladstone Easter Shoot

Bundy shooters to travel to Gladstone and have wins, Neil Berry won the Calcutta event which was a 25t Hcp + 25t DB, also 2nd in Cont & DB with Pedro taking 3rd in the Calcutta mixed event.

Bundaberg 17-4-94

First shoot after the Brisbane National titles had National Shooters visiting friends in Bundy before heading home, shooting in Bundy was Rodney King and wife from Darwin, Scott Hetherington from Broken Hill and Steve Baynes of Port Augusta club, all being a long way from home. New shooter Justin Vecchio just joining Bundy and shooter having a trial show Tony Grilis with Brian Savage of Townsville, Garry Rapley of Agnes Waters having his second shoot with Peter Harry and myself. Hope all visitors had a good shoot and hope distant visitors had a good trip home.

Ross Upham is now in the rank of B grade and Pedro shot his first 25t in Skeet and also won the raffle. The only Bundy shooter to have a win at the Nationals was Neil Berry who took 2nd AA SB and OA DR in Pre-Nationals, Neil was in the Shoulder to Shoulder Interstate Open Team won by Queensland.

The Bundy shoot was a 50t DB & 50t PS being shot over 4 x 25t events, there were many 25t possibles shot, even Harry claimed one, but the shooter to put the four together was Overall High Gun Neil Berry, good shooting Neil. Front marker High Gun went to Spencer Plath. Rob Rehbein must love Points shooting, as he shot both points events clean. Another nice day and a good shoot.

Maryborough 24-4-94

Thanks to our shooters Dick Osborne, Peter Pagliarino, Di Shaw, Andy Wood, Peter Shaw and Paul Sidwell who turned up at Field & Game return shoot. Going in with 72 targets ahead from the DTL, they ended up 36 targets ahead to win the day and trophy . . . good shooting fellas.

Visitors to our Jim Kinghorn shoot were Neil Berry, Pedro & Son Brad Petersen. The main event being the Jim Kinghorn Memorial Shoot Handicap was won by Paul Anderson with Les Sidwell second and Pedro (pushed by his son Brad) won third after the shoot off.

The 50t Points C'ship OA & A grade to Peter Shaw, B grade Norm Dale and C grade Brad Petersen. High Gunners for the day were A: Les Sidwell; B: Norm Dale and C: Harry Walker.

Holly took off the meat tray raffle and Paul Sidwell shot the jackpot and best of luck Paul in your new venture. Paul is off to the Army before the next shoot, bad luck they don't have under and overs 12 gauge in the Army.

Our President Paul Anderson would like me to thank the many shooters he met at the Nationals who he had talked to by phone but never met face to face, he enjoyed meeting many shooters and old friends as much as the shoot.

We are going to start on a trial basis paying an extra grade, being AA, as we feel A grade doesn't get a look in with AA shooters at club level. So if possible we will pay AA A B & C, only time will tell.

Don't forget Central Burnett Gun Club hold their one day shoot on Sunday 19th June with a 9am start out near the black stump.

Local shooters to win at the Nationals included Paul Anderson 19m Grand Aust Hcp, Stafford Smith 2nd SB Nat C'ship. Ken Greensill in the Pre-Nats shot 1st B grade 25t Pts, 2nd B grade 50t Pts, B grade High Gun and in the Nationals took 3rd B grade DB C'ship. Ken's dad Les only went for a look see and I thank him for his phone calls through the Nationals to keep me in touch with the shoot. It was also good to see coverage of the shoot on channel 7 TV News, this is one thing we should get more of.

Keeping the best till last, Neil Berry took Sportsman of the Month (April) in Bundy. It must be his good looks, it wouldn't be for shooting, then again it could have been. Congratulations Neil.

Good shooting to all, 'til next time see you at the shoots.

VALE

Bill Phillips

It is with great sadness and regret that the Colbinabbin Clay Target Club Inc. advise the passing of Mr Bill Phillips.

Bill was a relatively new member to our club and clay target shooting and was a very generous sponsor to our sport.

Our sympathy is extended to his business partners, Tony and Vicki and his family.

NSW State Delegates

The NSW State Executive Committee welcomes 4 new State Delegates, being Mark McInnes and Arthur Turner from Western Zone, John Lawrence from Central Zone and Chris Milligan from Southern Zone.

Northern Zone

Skeet shooters will be heading for the Coffs Harbour Gun Club 25th & 26th June for two days of competition — further info from Secretary, Ian Fry (066) 58 1605 AH.

Hardly souls can start preparing for the annual Cool 100 Trap shoot at the Guyra Gun Club on 31st July — the open fire will help to thaw out the fingers and there will be ample supplies of anti-freeze available — Rex Varley will have more details (067) 79 1461 BH.

20th & 21st August all roads will lead to the Inverell Open Trap shoot. Always plenty of good targets, great food and trophies are spread well around. Mark Fox is the Secretary and you can phone him, after hours on (067) 23 7123.

Rod Prior has his fine furniture tools of trade hard at it again, in preparation for the Open Trap at Tamworth on 3rd & 4th September, book your accommodation now. Jenny Burt is the Secretary — (067) 65 9386.

The Northern Zone Skeet Team preparing for the State Skeet Carnival at Wagga — 13th & 14th August, comprises David Michie, Rod Prior, Joe Marshall, Peter Nash, Col Burt and Ray Melville. The reserves in order, Malcolm Dengate, Rod Taylor, Kevin Weatherall, Arthur Vine and George Barton.

Jenny Baker, the Secretary at Kempsey reports that the Night Double Barrel Zone Championship was taken out by Ron Marsden after a shoot off.

Ground Records

How many clubs within NSW are aware of the present and previous ground breaks records at their own Clubs ???

State Executive Member, Jenny Burt is keen to have a total record of every ground record ever established — so here is a start: Guyra 16yds John Lisle, 15m Doug Ellis 465, 15m 1oz Geoff Lancaster 353.

Any advances — we understand Dick Piotrowski shot 536 at the recent Canowindra shoot, what was their record prior to that? Mark McInnes shot 312 at Inverell off 15m.

Records for both trap and skeet are sought and should be sent to Jenny at PO Box 836, Tamworth, 2340, with the main aim being to have the complete list printed in the CTSN and then updated as they are broken.

Newcastle-Lake Macquarie Gun Club

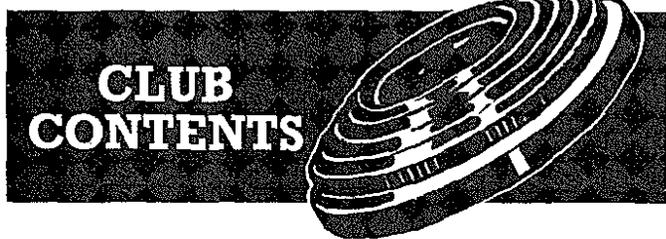

Further to their previous report on the 2 day open shoot at Newcastle on March 19th & 20th, the club have forwarded some snaps to share with you. The club wishes to thank sponsors Winchester and Scorpio for their generosity.

Mark McInnes, Overall High Gun, being presented with 'Winchester' trophy by Howard Smith.

Ross Hibbert, winner of the 30t Champion of Champions and 50t Double Barrel Championship, presented by President Chris Lindsay — Treasurer Mike Height in background.
