# National President's Notes

## National Ground

The National Executive has an ongoing commitment to our sport to investigate and follow up proposals by government and sports groups to assist in the establishment of facilities for shooting either at state or national level.

With the advent of the 2000 Olympics in Sydney and the building of a new shooting complex, the ACTA must take all steps to see that such a facility is retained after the Olympics.

It seems ironic that Sydney, Australia's largest city, is not able to host a National Championship in any of our disciplines because no such venue exists.

I see now as a very opportune time to speak with the NSW Government, the Sydney Olympic Committee and all other interested bodies in an attempt to secure a permanent shooting site, in other words, why not have a National Ground.

## Badge Collecting

Two months ago in this column I mentioned the number of inquiries I had had personally from people who collect club badges and patches and the possibility of starting a collectors club and writing a small article each month in the CTSN.

There has been a number of positive replies to the suggestion and it appears that a column will be included in the CTSN. At this stage we are still looking at ways to improve our magazine, including an increase in the information content and a collectors column certainly may become part of the CTSN.

## DTL World Championship

Planning is well under way for our team to travel to Trefeglwys, Wales for the 2nd World DTL Championship.

Entries for this event have been received from Australia, New Zealand, South Africa, Norway, USA and Canada as well as each United Kingdom association. It is hoped that Australia not only does well at the Championships, but will also be given the next Championship, which most probably will take place in 1997.

## Eye Protection

It is interesting to note that in the UK it will become mandatory from the 1st January 1995, for competitors to wear eye protection in all registered shoots. As a matter of course we recommend the use of eye and hearing protection, but this decision is left solely with the individual.

## Insurance

A complete explanation on insurance, proposed to be printed this month, will be in the August edition of the CTSN once confirmation has been received from our insurance company.

## Disabled Shooters

To date we have received a good response to our notice in a recent edition of the CTSN, but would like to hear from other physically disabled shooters or other physically disabled persons whom you may think would like to participate in clay target shooting. Please send details to: The Executive Director, ACTA, PO Box 557, Mt Waverley Vic. 3149.

# HISTORY and RECORDS 1936-1992

By George Biggs, ACTA Historian

This informative book details our sport of Clay Target Shooting, its beginning and development. The origin of trap shooting can be traced back to the ancient pastime of popinjay shooting, a game practiced by the ancient Greeks.

You now have the opportunity to track back to the beginning of our Association, thanks to the enormous research the author has undertaken, to present the reader with an invaluable chronicle of the Australian Clay Target Association.

# 1994 National Skeet Championships

By contrast to the rain which was present at Wagga last year, Melbourne turned on fine, but cold and windy conditions for this years National Skeet Championships.

Nearly 150 skeet shooters were present at Melbourne Gun Club, host for this years Nationals. The grounds were in very good shape thanks to Club President Bob Buchan and his hard working committee.

Mr Geoff Craige MLC Member for Central Highlands officially opened the Championships with the National President Mr Glenn Woodhatch. The State Teams, after completion of their matches, were piped in to stand beneath their state flags. They were joined by a strong contingent of New Zealanders who had made the trip across the Tasman. All states were represented in the teams matches.

Mr Craige, under direction of newly appointed Victorian State Coach Ian Hale, fired the opening shot, smoking the target and getting the championships off to a good start.

## State Shoulder to Shoulder Team Matches

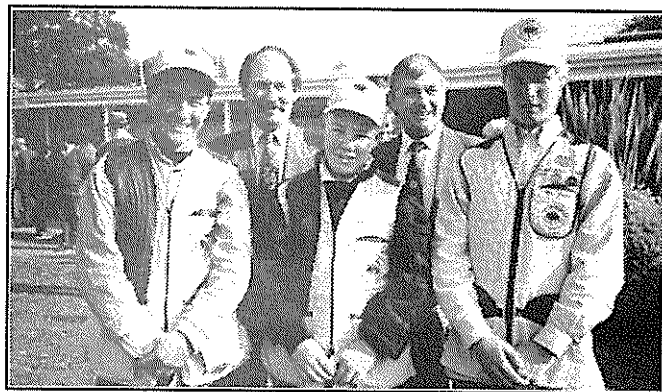

Each state was represented in the Open Teams event. All states are to be congratulated on the dress of the teams as they all looked resplendent in their shooting jackets. The competition was fierce with only four targets separating the first three teams.

Queensland came in third with 241/250 with New South Wales 244/250 coming a close second to the South Australian's who shot 245/250. The winning team consisted of Bob Dower 50, R. Jones 49, K. Holmes 49, C. Jacobs 47 and L. Charles 50.

In the Ladies Shoulder to Shoulder Match over 25t each, New South Wales 70/75 were runners up to the Victorian Team 71/75 whom consisted of C. Carlon 22, K. Light 24 and C. Ogden 25.

Victorian Ladies Team 1 to r: Katie Light, Carmel Carlon and Carol Ogden with Geoff Craige MLC and Glenn Woodhatch.

Junior State Shoulder to Shoulder Team winners New South Wales 1 to r: G. Barton, M. Faber and C. Jones with Geoff Craige and Glenn Woodhatch.

In the Junior Shoulder to Shoulder Match the New South Wales Team of C. Jones 22, M. Faber 23 and G. Barton 24 had a total of 69/75 to be successful from Queensland 65/75.

## National Skeet Doubles Championship

Starters numbered 119 in this the first individual Championship of the Nationals. After 100 targets four shooters had scored 97, they being Brian Thomson NZ, Ian Hale Frankston, Max Barton Toowoomba and Neil Dimmick Brisbane.

Neil Dimmick was first to drop a target. After 6 targets Ian Hale followed and accordingly finished overall 3rd with 116/120. This left Max Barton and Brian Thomson to fight it out for the Overall Trophy. Brian Thomson won 129/132 when Max Barton dropped the 32nd target of the shoot off.

Brian Thomson NZ received the Royal Blue Sash, Silver Australia Badge and the Paul Johnston Perpetual Trophy with the score of 129/132. Overall second was Max Barton 128/132 and Ian Hale third 116/120.

Neil Dimmick 102/106 took AA grade with Adrian Cousens 104/108 second and R. Everett 114/120 surviving the shoot off to be third.

In A grade R. Jones 95/100 was successful followed by G. Barton 100/106 and G. Woolston 99/106 third.

B grade saw a win to one of our lady competitors Katie Light 96/100 with C. Smith 90/100 coming in 2nd and D. Hansford 90/102 third.

D. Bruce 86/102 took C grade followed by R. Williams 85/102 and N. Bruce 79/100 3rd.

The Ladies section was won by Sue Thompson NZ 93/100, Reg Clarke 96/100 won the Veterans and George Barton 94/100 the Junior section.

## All States Skeet Championship

Sponsored by the Australian Skeet Shooters Association

Entries totalled 142 for this event and A Cousens Vic and J. Gedson NZ were the only two to shoot the lot.

Unfortunately J. Gedson dropped his first target in the shoot off and A. Cousens hit his target.

A. Cousens was therefore Overall 1st 101/101 with J. Gedson overall 2nd 100/101. A shoot off was needed to decide overall 3rd and it eventually went to veteran Reg Clarke after 25 targets, thereby taking 3rd 124/125.

*All States Skeet Champion and Overall High Gun Champion Adrian Cousins, saying a few words, with ACTA Vice President Allan Kenny listening discerningly.*

B. Thomson took AA 122/124 with R. Everett 103/104 2nd and W. McCarthy 110/112.

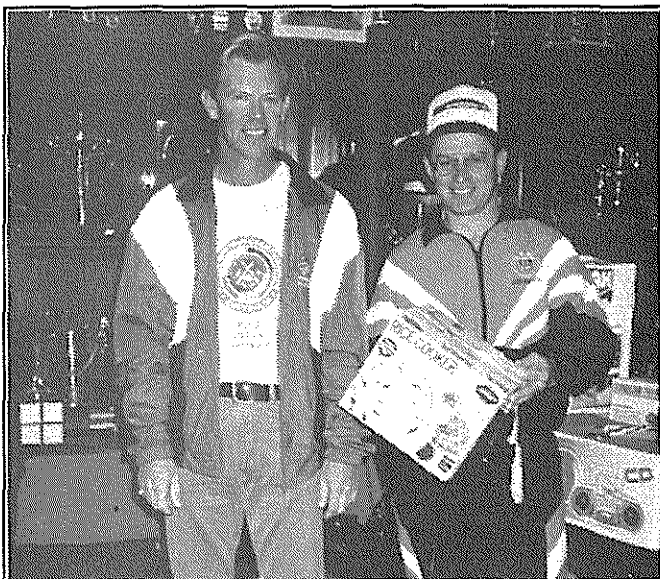

Barney Rooke was successful in A grade 108/110, George Viskovich NZ 107/110 2nd and C. Jacobs 98/101 3rd.

K. Morgan 97/100 won B grade, one target ahead of R. Sturzaker 96/100 and K. Light 3rd 95/100.

In C Grade G. Benson 95/100 was 1st followed by R. Williams 91/100 and D. Bruce 88/101.

In the Ladies event Robyn Faber from Narrabri 96/100 was successful whilst home club man Laurie Manger 105/113 was the Veterans winner. Ross Salpietro 95/100 won the Junior section.

Our thanks to Tony Long, President ASSA for partaking in presentations.

## Commonwealth Skeet Championship

A bit of rain did not dampen the enthusiasm of the 139 starters in this event.

After 100t, six shooters had hit all targets, they being C. Langley, C. Naudin, W. Iles, G. Arnol, A. Cousins and B. Thomson.

After a further 25 targets W. Iles, A. Cousins and B. Thomson were still going. By the end of 50 targets in the shoot off A. Cousins and B. Thomson were left to tuff it out.

Brian Thomson was the eventual winner taking Overall 1st 159/159 to be the recipient of the Royal Blue Sash and Adrian Hayes Memorial Trophy. A. Cousins was overall 2nd 158/159 and W. Iles 142/143 was 3rd.

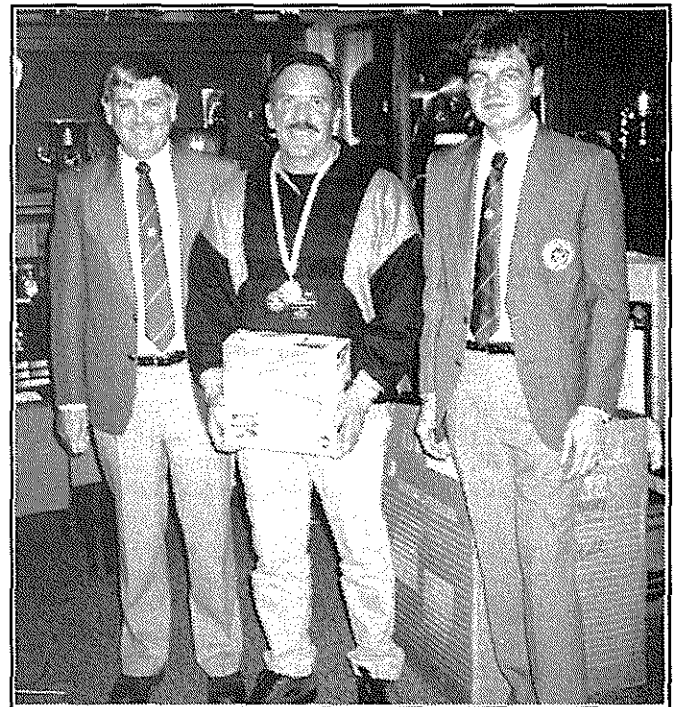

AA grade saw Chris Naudin NSW 110/111 with Glenn Arnol Tas 109/111 and 3rd Neil Dimmick 131/133.

A grade first C. Langley 100/100 and 2nd D. Sampson 99/100 with G. Petruska 98/100 3rd.

Ian Hill State Secretary kept the paperwork coming in his usual efficient manner with help from Ron Traill. Jim Shepherd and Jack Matthey looked after the handicapping.

Thank you to the Australian Skeet Shooters Association for the generous sponsorship of the All States Skeet Championship.

We look forward to seeing everyone in Queensland next year.

## **Suncorp North Queensland Games**

*By Ron Power, Secretary M.I.G.C. Inc.*

The sporting competition in North Queensland is the Suncorp North Queensland Games and in 1994 Mount Isa was the host city.

The Mount Isa Gun Club was proud to be a part of the Games and conducted the Northern Zone Trap Carnival as our contribution to the Games on the Easter weekend.

With almost perfect conditions and fifty-seven competitors, thirty of whom were visitors who came from all over Queensland and the Northern Territory, excellent competition was assured.

Competition commenced at 9am on Saturday with the Northern Zone Double Barrel Championship and 139 targets later Mount Isa's Bruce Murphy claimed the Overall sash and A grade Gold. Cam Scott won A grade Silver with 138/139 and Darwin's John Yanko took home A grade Bronze with a score of 106/107. Local shooters Dean Cusack (94/95) and Neil Sinclair (37/38) won B grade Gold & Silver respectively. Neil Sheather from the Burdekin won B grade Bronze with 36/37. That man from Silkwood, Ennio Defend, put his name on C grade Gold with 28/29, Normanton's Cherie Reeves claimed Silver in C grade with 27/29 and Mick Coleman who hails from the Isa won C grade Bronze with 53/55.

The second event on Saturday, the Northern Zone Points Championship, was almost as fast and furious as the first and at the conclusion of shooting Dean Cusack was the recipient

of the Overall Sash and the B grade Gold Medal. Gold in A grade went to Dean's father Robbie, who could not stay with his son in the Overall shoot off. Charters Towers shooter, Geoff Archer, took home the A grade Silver and young Derek Bruce from Cairns held on to the Bronze Medal.

In B grade Mount Isa's Neil Sinclair claimed Silver and another junior, Ian Wilson from Karumba, won Bronze. C grade Gold belonged to Mick Coleman with the young ladies, Cherie Reeves from Normanton, and Cecile Edmonds from Mount Isa, claiming Silver and Bronze respectively.

The Northern Zone Single Barrel was Rob Cusack's all the way. Overall and A grade Gold with 45/45. Geoff Archer once again won A grade Silver and Ted Matthews put his name on the medal tally with the Bronze. The Burdekin Gun Club's Neil Sheather won the B grade Gold while Mount Isa shooters Glenys Palethorpe and Neil Sinclair won Silver and Bronze in that division. Mount Isa man Nev Anderson took home C grade Gold with Cherie Reeves holding out Karumba's Les Wilson to win Silver leaving Les with the Bronze.

The final event for Saturday was the Northern Zone Handicap and Mount Isa claimed the two top spots. Michael Coleman Gold, Jim Edmonds the Silver with Derek Bruce taking Bronze.

Sunday morning saw competition commence in the Champion of Champions event and the Atherton Butcher, Morrie Costa, swept all before him to win Overall and B grade Gold with an excellent score of 175/175. That was to be Morrie's last B grade win as he bypassed A grade and went straight into AA. Well done Morrie. Mount Isa Rod Maxwell had to be content with the A grade Gold for his effort of 174/175. Greg Matthews and Bill Koitka made A grade a clean Mount Isa sweep by winning Silver and Bronze. In B grade Silver went to Peter Henderson and Bronze to Frank Guerra while in C grade John Wilkinson Jnr and Les Wilson took Gold and Silver leaving Bronze medal to Nev Anderson.

The finale of the Games, as far as the Clay Target fraternity were concerned, was the Northern Zone Double Rise Championship and Townsville's Tom Comerford won Overall and A grade Gold with 28/30. John Wilkinson Snr held out Trevor Bennett to take Silver leaving the Bronze to join Trevor's other trophies. Mount Isa didn't get a look in B grade. Frank Guerra, Peter Henderson and Neil Sheather, Gold, Silver and Bronze was the order of the day, while in C grade Les Wilson won Gold, John Wilkinson Jnr won Silver and Mick Coleman was the Bronze Medal winner.

Tom Comerford was awarded the Sash for Overall High Gun with an excellent score of 224/230. Diane Reeves' score of 200/230 earned her the Ladies High Gun and Derek Bruce with a score of 215/230 won the Junior Division High Gun.

At 3.30pm on Sunday afternoon Zone President, John Wilkinson Snr, called on Matt O'Neil, the Chairman of the Suncorp North Queensland Games Foundation, and the presentation ceremony commenced. Following the medal presentation the Unisys computer raffle was drawn and a very happy Greg Moncrieff got to take home a Unisys personal computer.

While there were many highlights to the North Queensland Games the excellent breaks of 187 and 183 shot by Bruce Murphy and Rod Maxwell and the sterling performance of Morrie Costa, B grade to AA grade in one step and a break of 179 in the process must rank with the best.

All three shooters broke the old record of 176 which was set by Mick McGill quite a few years ago and that in itself is quite an achievement.

## How to shoot better scores at Trap and Skeet Shooting

This book by George Biggs explains and demonstrates the mechanics of shooting trap and skeet, and the importance of proper gun fitting and gun handling.

Also available are two video tapes one on trap and one on skeet shooting.

Each tape takes you round the trap and skeet fields step by step as the coach demonstrates and explains how and what to do, shot after shot.

It's like having the coach at your side instructing and explaining how and what to do shot after shot.

A discussion on proper gun fitting and gun mounting winds up the 95 minute tapes.

# 1994 Sporting Clays Nationals

After something like twenty-four inches of rain it finally stopped to allow the first Sporting Clays National to be conducted. This was a joint venture between the ACTA and SSAA and was conducted at the Gold Coast & Albert Gun Club over the Easter break.

Mike Murphy and his mates are to be congratulated with the excellent conditions the grounds were in considering the rain they had received.

This was the first venture into running a National event in conjunction with SSAA. The Sporting Shooters Association of Australia also used the opportunity to display 'Birdbrain'. This was very well received by all shooters. Unfortunately not a lot of competitors entered the competition and it is hoped this may increase next year when word of this success spreads.

The first event on Saturday April 2, a bright and sunny day what us Southerners had come to expect from Queensland, was the ACTA-SSAA Queensland Sporting Clays Championship of 75t.

The Overall winner of the High Gun was Rod Prior 67/75. In AA grade Guy Bedington 64/75 was successful whilst in A grade Mike Birgan 81/100 was too good for his fellow A grade competitors.

B grade saw a win to Col Burt 56/75 and in C grade John Atkins 63/100 won the event. Maree Birgan 58/75 won the Ladies whilst Damien Birgan 61/75 completed a family trifecta by winning the Juniors with 61/75. In the Veterans Noel Lapham was successful with 45/75.

This event was a good eye opener for the National Title which was to begin the next day.

The first day of the Inaugural ACTA-SSAA National Sporting Clays Championship on Sunday April 3rd was fine, warm and sunny. This was a 125t event of which the shooter would have 75t to hit on Sunday followed by a further 50t on Monday.

By the end of the first days shooting, there were several people who were keeping a keen eye on the leaders board. On Monday for the first 50t only two courses were used and the angles different to the previous day.

There were several shoot offs and eventually it was Gundy Manning taking the Overall placing with 125/150. AA grade was won by Ian Collinson 125/150 followed by Max Barton 102/125. In A grade Kevin Tunny 103/125 was successful from Keith Roades 123/153. Jorge Silva 111/150 won B grade by one shot from Colin Burt 110/150. C grade went to Greg Manning 91/125 from Steve Schrader 104/150. Maree Birgan continued her good form of Saturday to take out the Ladies with 93/125 as did her son Damien Birgan 97/125 who won the Junior section. Veteran Noel Lapham 69/125 shot well to win the Veterans section.

An Overall High Gun (200t) was awarded for the three days of the event and this went to Ian Collinson with 185/225.

Winner of the new Remington Fearless Over and Under Shotgun, generously donated by Raytrade Distributors was Alan Smith of Roma Gun Club.

Gundy Manning was elated to receive, what is to become a regular award, a beautiful big silver belt buckle, oval in shape. A photo of this great prize is on the inside front cover of the magazine. The trophy was our National President, Glenn Woodhatch's idea and was very much treasured by Gundy.

The Mayor of Albert Shire Ray Stevens, who is an active shooter, a great supporter of the sport and a Life Member of Gold Coast & Albert Gun Club assisted with the presentations, together with Mr Ted Drane, National President SSAA, Mr Glenn Woodhatch, National President ACTA, Mr Tom Meadows, QCTA President, and Mr Mike Murphy, President Gold Coast & Albert Gun Club.

*Ian Collinson and Gundy Manning in the shoot off.*

*Ian Collinson, AA grade winner and High Gun winner of the three day carnival, with Glenn Woodhatch and Ted Drane.*

*Ladies High Gun winner Maree Birgan, with Glenn Woodhatch and Ted Drane.*

Mr Glenn Woodhatch awarded ACTA banners to Reg Stevens, Ted Drane and Mike Murphy and thanked everyone for their support in running this event. Mr Ted Drane endorsed Glenn's remarks and presented SSAA ties to Mike Murphy, Glenn Woodhatch and Reg Stevens.

Mr Ted Drane SSAA National President later expressed his opinion "that now two Associations have combined successfully to run a National event, he has great hopes of the future of shooting sports and is sure the event will continue."

This event would not have been possible without the help of many committed people who spent many hours getting this event together. Some of those who have contributed are: Gold Coast & Albert Gun Club President Mike Murphy, Secretary Kevin Seeney, helpers Mike Swale, John Underhill, John Atkins, Debbie Young and Eric Kratzer. Caretaker Kevin Jackson with neighbour Ron Smith, Course Captains Roy Hallan, George Mariner and David Young.

The men looking after the Birdbrain, Steve Schrader and Les Pratten. ACTA Promotions Chairman Robert Nugent and SSAA Queensland President Bob Green.

Thanks to everyone and we look forward to seeing you in Melbourne next year for the 2nd National SSAA-ACTA Sporting Clays Championship.

Mayor of Albert Shire Ray Stevens, with Gold Coast & Albert Gun Club President Mike Murphy.

# Mildura Gun Club

By Laurie Connors

Mildura Gun Club's 1994 Easter Shoot was like a breath of 'fresh air' to its administrators, especially after the Easters of 1992 and 1993. They were financial failures and left the club in a sinking situation. An attempt to introduce motor cars as prizes and high valued trophies to our annual tournament, in the belief that this would bring shooters, proved a failure and not what Mr Average shooter wanted. Easter 1994 saw 60 shooters compete for top honours and trophies that were of good value and not considered to be over the top in price.

Our main sponsors Kerang Ibis Traps, Caristo's Furniture, Hesco Hydraulic Eng Service Co and Westpac Banking Corporation — Mildura branch donating trophies for their events. The club is most grateful for their continued contribution and support. We were also blessed with our regular visitors and on-site campers, the Strauss family, Napoli's, Roberts', Soppi's and O'Briens along with many other visiting shooters who travelled long distances to enjoy our hospitality. Ray Welch and his wife made an 11 hour journey from Eden in NSW to be with us on a first time visit to the club and Mildura.

ACTA Sporting Clays were included and introduced to our shoot program for the first time, and proved a great success. It was the first event on the shooting program. Larry Dimasi and Peter Lucas took their grades and top scored with 24/25. This discipline proved such a success it was patronised every morning prior to the main program commencing. Mildura Gun Club is fortunate in having Bob Kovac and Graham Moyle, two local experts in electronics working with the writer in developing controls for DTL phono pulls. Olympic Trap and Sporting Clays. All of which are now in regular use at Mildura Gun Club. The latest development known as the T.C.-8 is so versatile it can control from one to fifteen traps in any combination, and from one to five stands in phono pull mode, and one to ten stands in manual mode. Standard programs include FITASC Compak, Sporting Clays, Ball Trap or Down the Line, Universal Trench, Olympic Trap and Olympic Trap Doubles.

'Nugget' Burton Kerang Ibis Trap event in honour of the late Ken Burton, one who did so much for clay target shooting and our club in particular prior to his death in 1993. Ken was a regular visitor and attended this Easter Shoot for 14 consecutive years. This event was conducted in his memory and here his wife Faye presents the trophy to Guido Soppi, who shot 74/74 to win the event.

Other inbuilt features include a 'Refale' delay with time adjustment, a two digit thumb wheel switch which selects a possible 80 different programs. Each program is totally independent and custom programs can be installed to suit individual needs. This control machine is ideal and has been developed for operating ACTA Sporting Clays. Further information may be obtained by contacting the writer of inquiring direct to Bob Kovac, PO, Mildura West, Mildura, 3500 or phone (050) 22 2264.

Hopefully rules for this discipline will soon be made available to clubs by the ACTA. Let us hope they are kept simple allowing shooters of all ages and sex to participate in what is proving to be a very popular sporting event. Gun position, prior to shooting should be irrelevant and left to the competitor to decide, providing the gun is actually shouldered when fired. Make sporting clays a fun sport and I am convinced we are on a winner.

Shooters to do well over our Easter program by winning overall trophies were Guido Soppi, Peter Hall, John Dimasi, John Soppi winning two events back to back, Guiles Caristo, Terry Harrison, Michael Mammone and Frank Argiro. Frank also won the Westpac Mildura Branch Perpetual High Gun Trophy over the program scoring 270/275.

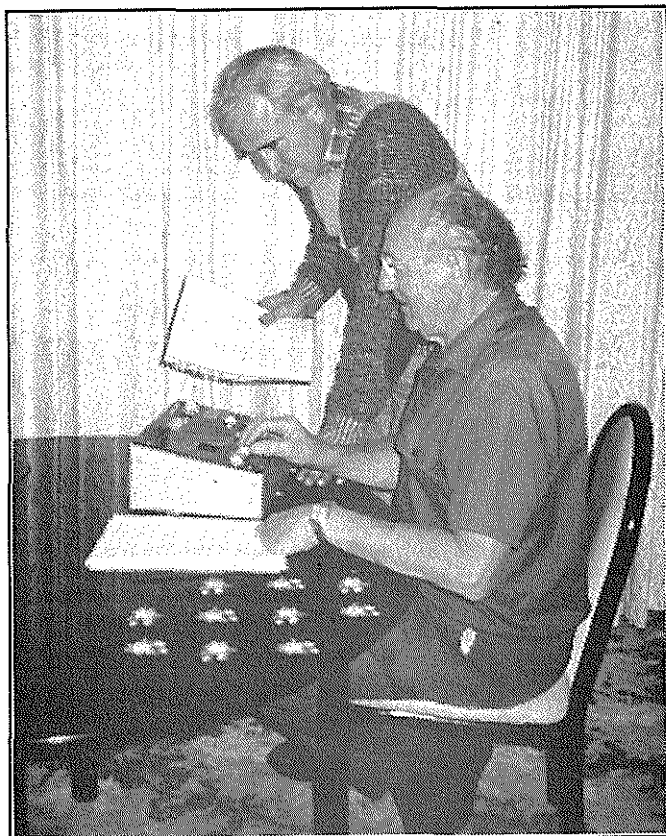

From left: Larry Finis and Vince Cavallo, two promising junior shooters who made their presence felt, collecting their trophies.

All winners at Mildura's Easter Shoot. From left: Terry Harrison, John Soppi, Guiles Caristo and Frank Argiro.

Full results were published in the shoot report section of the June issue. For the club, although this was not a high profit making shoot, it was successful financially and socially. To all competitors, thanks for your assistance and patronage and we look forward to seeing you all return for Easter 1995.

Laurie Connors, seated, being instructed the basic functions of the T.C.-8 used for Sporting Clays by Bob Kovac, one of the inventors and manufacturers of the versatile machine.

## Skeet Challenge Trophy

The International Competition for the Skeet Challenge Trophy unfortunately once again only attracted teams from New Zealand and Australia. The other invited countries have not for the past years submitted scores, and one can only assume that this International competition lay between New Zealand and Australia.

The Open Team from New Zealand made it back to back victories with a five target win over Australia. New Zealand 495, Australia 490.

Australia had significant victories in the Ladies and Juniors Matches as they did last year.

Ladies:	Australia 230	New Zealand 217
Juniors:	Australia 233	New Zealand 210

Congratulations to all competitors both winners and runners up for making the International Skeet Challenge Teams.

Those currently on file are far and few between, however it is a starting point, and only you the shooters and officials can help build on this. We would be most pleased to receive any notification of records and further updates on those currently listed.

## Ten Ways to Kill an Association/Club

- (i) Don't come to meetings.
- (ii) If you do come, come late.
- (iii) If the weather does not suit you, stay home.
- (iv) If you do attend, constantly find fault with the work of the Executive and other members.
- (v) Never accept an office, it is easier to criticise than to do things.
- (vi) Nevertheless, get sore if you are not appointed on the committee, or, if per chance you are appointed, do not attend any meetings.
- (vii) If asked by the chairperson to give an opinion regarding some important matter during the meeting, say nothing until after the close of the meeting, then tell everyone how it should be done.
- (viii) Do nothing more than is absolutely necessary, but when members roll up their sleeves and do it all, scream as to how the club is run by a 'clique'.
- (ix) Hold back your membership dues as long as possible, or don't pay at all.
- (x) Under no circumstances bring new members, let somebody else do it.

## National Coaching Council

By M. Alexander,  
National Director of Coaching

One of the questions often asked of Coaches is to explain in simple terms the different shooting methods we employ to hit targets. This request has prompted me to print the following article which is taken from the A.C.T.A. Basic Coaching Manual. This question shows that we need to remember and retain basic fundamental knowledge, when we are fine tuning our skills.

Never feel embarrassed to ask or recheck the 'basics' as you will be surprised as to how many of the Elite shooters do just that.

### Shooting Methods

The shotgun as distinct from a rifle, is a smooth bore pointing firearm, used for shooting moving targets. Shotguns fire a cartridge containing a quantity of lead shot, unlike a rifle which fires one projectile. Because of the time lapse between the pulling of the trigger and breaking the moving target, a different style of shooting is required. This style has become known as Lead, Swing or Forward Allowance.

#### i. SWING-THROUGH

This method possibly gives the best results. The gun muzzle starts from behind the target and is swung through the target. The trigger is pulled as the muzzle passes the target, the momentum carries the muzzle through to obtain lead. Care must be taken not to stop the swing as the trigger is pulled.

#### ii. POINTING OUT

Here, the shooter passes the muzzle through the target and when the required lead is obtained, pulls the trigger maintaining the lead. The muzzle must not stop after the trigger is pulled.

#### iii. SUSTAINED LEAD

The shooter positions the gun with the muzzle in front of the target, obtains the correct lead and pulls the trigger. This is a similar style to 'Pointing Out' and often used in Skeet.

#### iv. SPOT SHOOTING

With this style, the shooter estimates the required forward allowance and pulls the trigger while the muzzle is stationary. This method is extremely difficult to master and is least used.

All four (4) methods may be used as occasions demand, but as experience is gained, the Swing Through method will generally offer more consistent results.

To assist the pupil in understanding swing and follow through, have them complete this simple task.

Place two (2) easily seen pegs approximately 20 metres away from the pupil and 10 metres apart. At the midway point between the pegs, place another clearly visible object (this represents the target). Have the pupil start from one peg and swing the mounted gun through to the other peg. As the gun muzzle passes through the central object, have the pupil pull the trigger and without stopping the gun, complete the follow through to the second peg.

This demonstration should enable the pupil to see and understand the gun swing and follow through required to break targets.

### Coaches Information

# 1994 West Darling Championships

*By Lost Target*

The weekend of the 14th & 15th May 1994 attracted 91 shooters to what was to be another very successful Two Day Shoot for the Broken Hill Gun Club Inc. The many hours of dedicated work by many members of the club is to be commended, for the club grounds were in immaculate condition. The array of sashes and trophies were again the best I have ever seen in Australia, the meals and hospitality were unbeatable, targets perfect, weather great and beer cold.

After all the above has been mentioned the weekend got under way in cool but perfect weather conditions with perfect targets having been set that morning and 79 shooters nominating. Event one for the Championships was the Family Shearing Contractors and Zammit Auto Repairs 20t Handicap, and with Sashes and 4 Burner Gas BBQ's up for grabs in each meterage group, the pressure was on. First in the 11-16m group was John Gemmill 29/29 from the Numurkah Gun Club, with Vince Cavallo from Mildura Gun Club missing in the shoot off to record 28/29. John Dunstan from Kerang Gun Club won the 16-19m group with 33/33, with Dick Ayres from the Lake Albert Gun Club taking second place with 32/33. Bill Eagle 23/23 from the Tatura Gun Club won the 20-22m group after a short shoot off with Glen Hayden 22/23 from the Noorat Gun Club. Local lady shooter Tracy Gray won the Ladies trophy with a good score of 17/20. Cliff Mayberry from Horsham won the Veterans after a very short shoot off 18/21. Les Chant from Albury won the Juniors with 27/28. The McKean Team Shield was shot in conjunction with this event and it was won by a team from Numurkah consisting of John Gemmill, Bill Hartnery, Russel Felmingham, Peter Green and Daryl Hunt with the score of 96/100.

With 80 shooters nominating for the next event and with only 15 possibles the shoot off for Overall in the Hand Crafted Furniture Supplies Gift was not expected to go very far. Steve Haberman from the Geelong Gun Club who is a regular to our club shot another good score of 225/225 to win. Second in AA grade was Brett Dunstan 224/225 from Kerang, with local shooter Ross Walsh taking third 221/222. John Dunstan won A grade with 37/38 with Graeme (Gonzo) Young 36/37 from the Boort Gun Club taking second. Another local shooter Wayne Channing 27/28 got the third place trophy. Keith Elliot from Bendigo won B grade with 34/34 after shooting off with local shooter Len Gray 33/34. Bruce Fraser from Menindee after doing so well at the Nationals in C grade got the third place in B grade with 28/29. Chris (Piggy) Lawrie was the only local shooter to win a TV and did it well with 29/29 to win C grade. Michael Borinholm from Menindee was second with 28/29 with Brent (The Duke) Farnsworth in third 22/25. Faye Burton from the Deniliquin Gun Club shot well to take the Ladies Trophy 27/28. Bruce Jenkins from the Callawadda Gun Club shot 22/25 to win the Veterans. Les Chant won the Juniors 29/29 after a short shoot off with Justin Dale.

The last event for Saturday is the start to what most shooters strive for when coming to the Broken Hill Gun Club, and that's a chance to get their name on the West Darling Championship Board. The board dates back some 40 years and it is full of the best shooters names in Australia. The Broken Hill Community Credit Union Double Barrel Championship gave the shooters the first chance of doing just that. With 81 nominations and 20 possibles the shoot off for Overall was going to be a long one. It came down to three

shooters Jason Jolly, Steve Haberman and Ross Walsh and when bad light stopped play Saturday afternoon the three had shot 135/135. Back at the grounds at 8.30am the next morning to recommence the shoot off, all were clean after the first fifty. Jason lasted only 4 in the next visit, Steve Haberman missed his 204th target leaving Ross Walsh with a long break of 205/205 to win the Overall Trophy, which was a Sash and Kambrook Multi Steamer. Clive Keath from Echuca won A grade with 56/57, that left Darren Pay from Kerang to claim second with 37/38. Local shooter Len Gray won B grade 27/28 leaving junior shooter Justin Dale 25/26 to take second in B grade. Cliff Mayberry won C grade with a perfect 25/25, with local junior shooter Owen Zammit 23/25 second. Tracy Gray again got up to win the Ladies 24/25. Bruce Jenkins won the Veterans 23/25 and Les Chant cleaned up the Juniors again 24/25.

A night shoot was held after tea on Saturday night with 20 shooters staying around to participate. The event was a graded cash divide Point Score off 16m. Darryl Hunt won the money in A grade, Bill Hartnery won B grade and Cliff Mayberry C grade. Some shooters also had a go under the newly built tower which is something to see as it is the best in Australia. They shot night double rise which looks quite spectacular with the tower lit up.

The Broken Hill Gun Club Members Memorial Pointscore Championship was the first event Sunday with 85

Ross Walsh, overall winner Broken Hill Community Credit Union Double Barrel Championship.

High Gun 1 to 6: Tony Plum, David Zammitt, Cliff Mayberry, Bill Eagle (Pro Hart painting), Faye Burton and Bruce Jenkins.

nominations and no perfect scores Glen Hayden 133/134 just nudged out Bill Eagle 131/134 for the overall position. Tony Plum from Benalla won A grade with 76/77 with John Zuppa from the International Gun Club second 74/77. David Zammitt 72/75, another local shooter just scraped in over Bruce Jenkins 71/75 for B grade. All weekend the veterans were making their presence known to all the grade shooters with Cliff Mayberry winning C grade 71/75. John (Gemini) Gemmil shot 70/75 to take second in C grade. Faye Burton was too strong and won the Ladies 71/75. Clive Keath won Veterans and Justin Dale 69/75 shot too well for Les Chant to win the Juniors. The Wilyama Team Shield was shot in conjunction with this event and was won by Steve Haberman, Jason Jolly, Glen Hayden, Phil Grainger and Malcolm Plant with a score of 117/125.

The Pro Hart Gift was the next event, 83 shooters nominated, 22 possibles were shot and with a Sash and VCR for Overall winner, and Sashes and Vax Vacuum Cleaners for all grade winners there was some new faces taking the places. Steve Baynes from the Port Augusta Gun Club won Overall with 139/139. Phil Grainger 93/94 from Geelong got second and Scott Hetherington 69/70 was third. Tony Plum just missed out on the Overall place but easily took A grade 138/139. David Farnsworth 83/84 from Mildura was second with John Zuppa 68/69 third. Chris Lawrie had his second win for the weekend but it wasn't in C grade, much to the disgust of Paul McLauchlan. Chris shot 34/35 to win B grade with Peter

Green 31/32 from Corowa second and David Zammitt 29/30 third. Owen (The Boy) Zammitt won C grade with 23/25, Cliff Mayberry 23/27 was second and Brent (The Duke) Farnsworth was third with 25/30. Faye Burton won the Ladies 33/34. Bruce Jenkins won Veterans 26/28 and Les Chant won Juniors 25/25.

The last event for the day was the Rick Jones Shearing Contractors Single Barrel Championship, 76 shooters nominated, with only 4 possibles. Rick (The Click) Jones couldn't make the Championships as he was competing in the Skeet Nationals in Melbourne in the SA team, which somehow happen to be on the same weekend. The only results that I have heard was that Rick had won A grade Doubles and the SA team had won, no doubt I will hear more and I know the whole club was right behind him. Steve Haberman won the Overall Sash and Trophy with 33/33, Bill Eagle was second with 26/27. Tony Plum pushed Steve for the Overall spot but had to be happy with first in A grade. A rear visit from the (Cockburn Kid) Bones Freeman saw him shooting a possible and taking second. Len Gray shot extremely well on Saturday but started off a bit slowly on Sunday. Len won B grade with 24/25 to show the B graders how it's done. Bruce Jenkins was second 25/26. Cliff Mayberry won C grade with 23/26 with young Owen Zammitt taking second 31/33. Deserie Huddleston travelled from Melbourne to shoot only one day and we must thank her very much for this fantastic effort. Deserie won the Ladies 24/25. Gordon Wakefield won Veterans 22/25, and if Les Chant had checked his score before he had left the tracks then he would have not been so disappointed with the outcome. I only hope he learns from this when he shoots again.

Three new sashes were added to the already magnificent display for this year and they were the McLauchlan Motors and Engineering Grade High Gun Sashes. A grade was won by Tony Plum 184/195, B grade was won by David Zammitt 180/195, and it is rumoured that he is going to wear it the next time he goes out to Paul's workshop. C grade was won by Cliff Mayberry 178/195.

Next are the results that everybody follows in a two day shoot and that is the Overall High Guns. Faye Burton won the Three Bags Full Ladies Overall High Gun 179/195. Bruce Jenkins won the Musicians Club Veterans High Gun 179/195 and Les Chant won the Winchester Australia Junior High Gun 180/195, with the Pro Hart Overall High Gun being won by Bill Eagle with a very consistent weekends shooting of 194/195, congratulations Bill on a great result.

That concludes the results but I would not think of finishing without first thanking the following sponsors, Hand Crafted Furniture Supplies, Rick Jones Shearing Contractors and Zammitt Auto Repairs, Silver Haven Motor Inn, Old Wilyama Motor Inn, Boral Gas, Broken Hill Bottle & Recycling, Betta Electrical, Samsung Electrics, Caravan & Boat Centre, Silver City Drillers, Junction Hotel, Nicholls & Son Printers, Earmold Aust, The Gun Rack, Musicians Club, Stewart Gillman, Outback Cellars, Radio Station Hill FM, Red Robin Deli, Ausminco, Winchester Aust, Three Bags Full, McLauchlan Motors & Engineering, Big W, Buttercup Bakeries and Compair Aust.

As you can see by the list above there is quite a bit of work that goes into organising and running a Two Day Shoot of such high standard as is the West Darling Championships. I have mentioned the sponsors and the hard working committee, but it wouldn't be a shoot without the many shooters, both new and familiar that travel those many hundreds of miles to be here, you do make it worth all the effort and your effort is thought of in the highest possible way.

# Burdekin Gun Club Annual Two Day Shoot

It was good to see a strong roll up of shooters at this years annual two day shoot. Visiting shooters travelled from Mackay, Bowen, Townsville, Charters Towers, Atherton and New Zealand to compete against a large contingent of local shooters.

Thanks to some very generous sponsorship there were some great prizes on offer which ensured some tough competition.

Event one on Saturday was a 10 target DB sweepstake off 15 metres to get the cobwebs out of both the guns and shooters. There were 18 shooters who shared the prize money after shooting the possible.

The Arthur Collinson Memorial of 25t DB 15m was event two. This event is sponsored each year by Gifts o' Joy. A grade saw six shooters go into a shoot off after shooting a possible. After a further twenty targets, Arthur's grandson Ray Collinson, took first place with a score of 45/45. Mick Blain had kept him honest to take second with 44/45. Bruce 'Wisdom Tooth' McBow won B grade with the only possible 25/25. Second went to Pio Bonato with 26/27 after a shoot off with Pedro LeBlowitz. C grade was won by Steve Becke with a score of 22/25. Steve Poletto took second after shooting off against Nick Pratt, our New Zealand visitor.

Event three a 25 target Pointscore event was sponsored by Chandlers. Mick Blain continued his consistent form to take A grade with a perfect 75/75. Neil Sheather showed why he had success at the North Old Games in Mount Isa by taking B grade with the very good score of 73/75. The newest member of our club, Andrew Lewis, took C grade with a score of 66/75.

The final event of Saturdays program was a 25t DB Handicap event. This event was sponsored by Tubenakers and Carol B's. Four shooters entered the shoot off for three prizes after shooting 24/25. Victory went to Pio Bonato with 28/29 from Noel Benson in second. It was good to see Gito Milani back at the club and taking third place with a score of 26/28.

On Saturday night the club put on a high tea with a number of shooters staying to enjoy the lovely meal prepared by the shooters wives and partners. Thanks go to all who helped in any way to make it a successful tea.

Sunday saw the shoot start on time with event five being a 15t DB sweepstake off 15m. Nine shooters were on target and divided the money by shooting a possible.

The 25t Burdekin Pointscore C'ship was event six. Overall and A grade went to Angelo Zappala with a perfect score of 75/75. Close on his heels was Cam Scott who shot 74/75 to take second in A grade. Neil Sheather showed that his form of the previous day was still with him by winning the shoot off for B grade with a score of 87/90. Second went to another local member in the form of Laurence Falco. K. Otto took out C grade with a score of 71/75. Steve Poletto was the runner up with 68/75. This event was generously sponsored by Harvey World Travel.

Event seven was a 25t DB 15m event sponsored by Nuttals and Dempseys. Six shooters scored the possible in A grade and entered the shoot off with high hopes of taking home the prizes. Ray Collinson shot 41/41 to take first from Angelo Zappala who took second. The club's bar manager Steve Nixon outlasted Laurence Falco to take B grade after both had managed 25/25 in the event. First in C grade with a score of 23/25 was Frank Marono. Steve Poletto took his third trophy

of the weekend by winning the shoot off for second in C grade against Steve Becke and Andrew Lewis.

Northern Oil and Burdekin Farm Supplies sponsored event eight which was 25t DB Hcp. First went to Mick Blain with the only perfect score of 25/25. A score of 24/25 saw four shooters in a shoot off for the other prizes. Angelo Zappala took second with 30/31 from Ian Facey in third with 29/31. The unlucky shooters were Max Nicolaides and Maurie Costa.

The last event for the weekend was a 15t SB off 15m, sponsored by the Commercial Tavern. A grade was won by Max Nicolaides with 17/17 after a shoot off with Ray Collinson. Russell Teale won B grade after a shoot off with Neil Sheather and Alan Andrews. C grade went to Frank Marano with a score of 12/15.

The High Gun for the full weekend was Mick Blain who was only eight points down for the program. This meant that Mick had retained the trophy he won last year. A grade High Gun went to Ray Collinson with a score of 277/290. Neil Sheather took the B grade in a close finish with 267/290. C grade saw Andrew Lewis emerge the winner from a tight group of competitors right on his heels. With this being Andrews first major shoot I don't think he will remain in C grade for very long.

## Mount Isa Gun Club

The second Sunday in each month is when the Mount Isa Gun Club competition shoots are held and May 8th was no exception. Numbers were down a little with some members electing to spend Mothers Day with their families, but the standard of competition was not affected.

Event one was 50 targets Skeet off handicap and four shooters recorded handicap possibles. Doug Stone, Trevor Bennett, Ron Power and John Yanko were sent out to shoot off for the placings. Trevor Bennett outlasted all comers to hold first with Ron Power and John Yanko winning second and third respectively.

Ball Trap is a fast and furious event however at the conclusion of 50 targets Ron Maxwell and Doug Stone had both scored 46 and shared the first place prize with Ted Matthews claiming third just one point behind at 45/50.

Following the lunch break Mick McGill showed in the 50 target Point Score by carding 149/150 which was the best score shot and earned him the A grade prize. Gary Guan Sing put his stamp on B grade with 134/150 and Mick Coleman won C grade with 131/150.

Handicap was contested next and Bruce Goeldner and Mick Coleman both shot the lot and were sent back out to shoot off for first and second. The shoot off could be described as an anticlimax as Mick Coleman missed his first target which gave Bruce Goeldner first place. Jim Edmonds did it the hard way in the shoot off for third and finally held that position with 33/34.

The finale of the day was 10 pair Double Rise and Rod Cusack and Mick McGill both shot 18/20 and then put on a good display of Double Rise shooting in the shoot off. Mick McGill eventually won A grade with 52/60. Myrtle Anderson showed that the ladies can shoot too by winning B grade with 16/20 and the ever present Mick Coleman claimed C grade with 15/20.

All told an excellent day of clay target competition and a day thoroughly enjoyed by all who participated.

# Cessnock C.T.C. Benefit Day

By T. Turner, President

On Saturday 23rd April 1994, Cessnock Clay Target Club organised a Special Benefit Shoot at the club grounds to raise funds to assist 14 year old paraplegic athlete Lauren Gardiner. Money raised will assist in the purchase of a special wheelchair to enable her to compete in her chosen athletic sports.

Lauren is an outstanding young lady who has achieved national status in javelin and basketball and hopes to be able to represent Australia overseas in the near future.

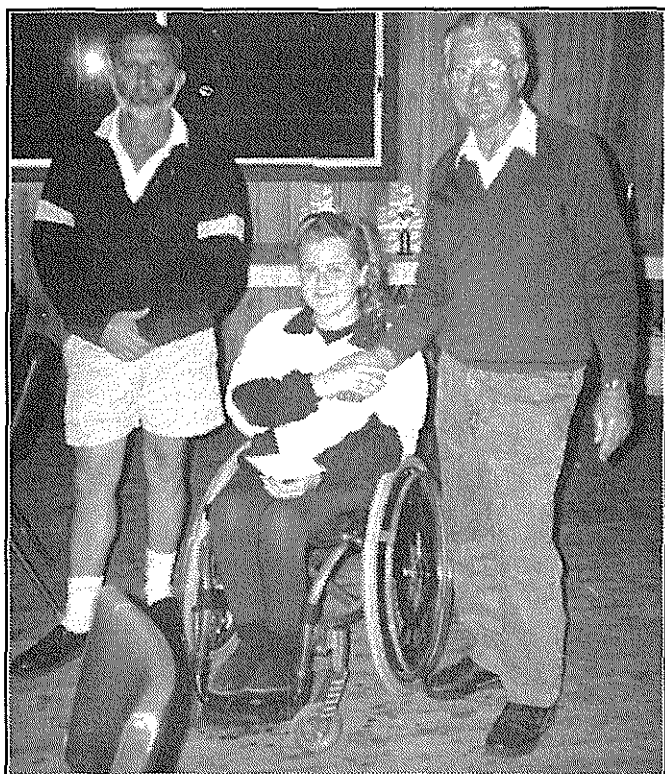

The Cessnock Mayor, Maree Callaghan, was in attendance, and along with Lauren, fired the first shots to open the competition for the day.

Some 50 competitors took part in the days shoot and all enjoyed a barbecue tea before competing in the Lauren Gardiner Night Double Barrel Championship.

There were many fine trophies presented, donated by the shooters and local businesses. As a result of the generous donations, Lauren was presented with a cheque for \$1,100 at the end of the night which will assist her to achieve her sporting goals.

Results for the day were:

20t DB: 14 Possibles. 25t PS C'ship: OA: T.J. Turner; A: K. Cummings; B: G. Dowling; C: C. Boggis. 20t SB: D. Porteus 20/20. 25t Night DB C'ship: OA: T.J. Turner; A: G. Roumell; B: M. McPhee; C: C. Vernon. OAHG: T.J. Turner.

# Cunnamulla Gun Club

Cunnamulla is a small club 1,000km west of Brisbane. The club only shoots three times per year, but are well known for their western hospitality. Most shooters return time and time again.

Over 60 shooters took part in the Cunnamulla Gun Clubs Annual Two Day Shoot held recently. There were many visitors for the competition and they were successful in taking out a great deal of the trophies, not the least of which was the Patrons presented by Buster Schmidt to (left) Ian Pool and L. Jarvis and Les Chant. Absent was N. Gadsby.

At the presentation of trophies following the Cunnamulla Gun Club two day shoot winners of event two — 25t Double Barrel were from right AA Les Chant, A Graham Haig, B John Gall, C Alan Travers and Front Marker Ben Haig. The trophy list was outstanding and well worth the travel.

## Southern Zone

As a result of the Southern Zone AGM the new executive is as follows: President: Mal Tilley; Vice Presidents: Bob Huddleston and Chris Milligan; Secretary: Carol Tilley. Please feel free to contact these persons at any time.

A reminder also of the ISU Grand Prix Final to be shot at NSW GC on 9th & 10th July.

Majura Park is hosting their Open Shoot and what has now become an annual event, the ACT Team Selection Shoot on Sunday 31st July. Sounds like a good program is on offer, with friendly hospitality.

## Central Zone

It is the second event on the day followed by a Handicap event, with more events to follow time permitting. The High Gun for the day will be free nominations for next shoot, and refreshments and cartridges are available on the ground which is located on top of Mount Panorama.

Kenworth CTC at Bedgerebong has advised me that due to unforeseen circumstances they have had to cancel their July shoot. Next shoot will be in October.

## Northern Zone

The Zone's Skeet Team comprising David Michie, Rod Prior, Joe Marshall, Peter Nash, Col Burt, Ray Melville with reserves Malcolm Dengate, Rod Taylor, Kevin Weatherall, Arthur Vine

and George Barton are preparing for the trek to Wagga for this years State Skeet Carnival. The Northern Zone have been successful winning the Hawkeye Shield for Inter-Zone competition on many occasions and are keen to have their names on the trophy again this year.

1995 Zone Carnivals: The Skeet will again be conducted during the February open Skeet shoot at Tamworth (18th & 19th), Inverell will be hosting the Trap Carnival in conjunction with their Annual Open in August (19th & 20th) and the Newcastle-Lake Macquarie Club will be hosting the ISU Carnival on the weekend of the 21st & 22nd January, which will be a great run up to the ISU Nationals in Perth from 18th to 26th February.

The Northern Zone was well represented at the recent Skeet Nationals, and more so the Tamworth Club, with three of their members, Rod Prior, David Michie and the late inclusion of Kevin Wetherall, joining with Christian Naudin and Laurie Scercini in the Shoulder to Shoulder Team, coming second to South Australia by the smallest margin — 1 target. Congratulations.

George Barton was in the Junior Team for the second year running, and with team mates Michael Faber and Kris Jones, won for the second year running. George then went on to record some excellent results during the carnival including the Junior Australian Team, which he high gunned with 50/50, and Junior High Gun for the Tournament — well done, George.

I heard a whisper that the NSW Team at the annual Ballandean Open Shoot on the 15th May, were the victors. This event has been running for many years and is very sought after by both NSW and Queensland, more so the badge that goes to each member of the winning team!

Tamworth Open Trap — 3rd & 4th September. Anyone wanting to make accommodation bookings may phone Club Secretary, Jenny Burt (067) 65 9386 if assistance is required. There will be the usual camping facilities at the Club and Tamworth has a wide scope of motels, hotels, units, caravan parks to cater for the needs of everyone. The club will again have the beautiful dining table and chairs for some lucky shooter, along with \$20,000 plus goodies for everyone else to have a crack at. The B and C grade shooters really being well catered for — more on that later.

## 1995 Blue Book

For those persons, clubs or businesses interested in advertising in the 1995 Blue Book, the following prices have been set by the NSWCTA Executive Committee to assist us with the costs of printing the booklet this year.

Club Advertising:

Full Page \$100 — Half Page \$50 — Quarter Page \$25

Commercial Advertising:

Full Page \$200 — Half Page \$100 — Quarter Page \$50

As most of you should be aware, the NSWCTA is printing the Blue Book for 1995. As a means of keeping the costs under control and still be able to offer clubs/businesses advertising at a very reasonable rate, we found it necessary to request that clubs abbreviate, reduce or clarify their programs in order that the number of pages needed to print the book may be reduced, and hence costs lowered.

This will effect everyone, as the cost of the booklet will be passed on to the shooter, and we felt shooters would be more interested in a booklet for \$3 than \$5 (an example only). The actual cost has yet to be determined, but will be very reasonable.

The request to keep programs under control does not effect every club. Very many are most considerate and quite happy to co-operate to a reasonable request. However, I am astonished to learn there are a few clubs who feel the requests are unreasonable. Perhaps they were unaware of the reasons outlined above.

The April club newsletter detailed all of the necessary facts, but should you have any further enquiry, please contact me.

Finally this month we are asking all of our current and future 'Top Gun' entrants to put 'pen to paper' over the next couple of months and perhaps suggest possible ways that we can improve on our current award scheme for the following year.

Any suggestion in writing will be looked at before we make a final draft for next year. Please address your suggestion to:

1995 Winchester 'Top Gun' Awards  
PO Box 776, Geelong, Victoria 3220

Good luck to all entrants for July.

## 'Evergreen' Doug Smith Leads May 'Top Gun' Awards

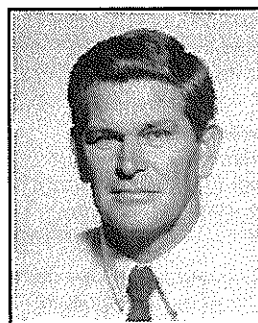

Australia's most prolific National Champion, Doug Smith from Queensland, has again proved his undoubted ability at the Queensland State Trap Carnival held at Gemfields by winning the Overall High Gun for the three days of competition. Doug received 1,000 shotshells for his win. Other winners over the Carnival included Gary Redmond in the State Points who also receives 1,000 shotshells, Peter Field in the State Single Barrel and again another 1,000 rounds, Barry Nassar and Dorothy Trindall each receive one case for the Veteran and Ladies High Guns. Tommy Comerford proved he was back in good health again by winning 'A' grade in the State Single Barrel and takes 250 shotshells as a bonus. Other grade winners included Neil Berry in the Points, Stafford Smith, Gary Redmond and Doug Smith who all receive 250 shotshells.

Adrian Cousens put several years of high class competition in the United States to test at the recent American Skeet Nationals held at the Melbourne Gun Club. Although his results were probably not quite up to his own high standards he still won the Overall High Gun for the four days and received 2,500 shotshells for his victory. Narrowly behind Adrian was New Zealands Brian Thomson who took the Doubles Title back across the Tasman with him as well as a further 1,500 targets loads as New Zealand 'Top Gun' entrants enjoy reciprocal rights with Australian entrants.

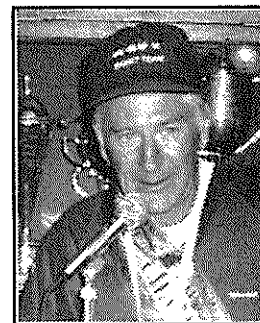

The South Australian State Skeet Championships produced a bonus case of shotshells for Ron Smith and Bob Dower for victories in the State Title and the Overall High Gun.

Other winners this month at major two day DTL Carnivals and 500 complimentary target loads include Craig Bentley at Monarto in South Australia, Roger Duthie at the South East's two day shoot, Bill Eagle at Broken Hill's annual competition and young Les 'Chipper' Chant at Cunnamulla's two day competition in Queensland. Les has had an outstanding year in the 'Top Gun' awards so far having now claimed seven different awards in the first 18 weeks of the year in four different states as well as New Zealand. John Blazley wins a case of target loads for his High Gun victory at Gunnedah.

As most of our 'Top Gun' entrants are probably now well aware, we have expanded the awards with the end of the year in three distinct categories. Firstly at the two biggest State Titles in Australia (Victoria and New South Wales) we have vastly upgraded all section awards in the major events. At major two day DTL carnivals minor section High Gun awards have been introduced in compliance with the criteria outlined on the back cover of the June CTSN. Finally Lady and Junior 'Top Gun' of the year awards have been inducted to try and spread as many prizes as we can around to the greatest number of competitors as possible. All other awards are as per our original award scheme.

Doug Smith.

Adrian Cousens.

Roger Duthie.

# Presidential Medal Recipient — 1993

The Executive Committee of the Australian Clay Target Association was pleased to announce at the Brisbane Nationals that a Presidential Medal for 1993 had been posthumously awarded to Mr Jim Forbes of South Australia. Jim unfortunately passed away recently and the following is an extract of a profile prepared by his son Jim Junior.

*"Being introduced to live pigeon shooting at Gilles Plains (South Australian Gun Club) in approximately 1947 by Ross Chester, a farmer, late of Nairne.*

*Within two years Jimmy in his 1928 Morris Cowley was shooting at nearly every club in South Australia and every November, travelling to Melbourne to shoot in the Australian Live Pigeon Trap Shooting Championship, coming fourth in 1952, also the Coburg Grand Prix.*

*With the banning of live pigeon shooting, Jimmy fell in love with clay shooting. Shooters from other sections of the sport joined arms, and names such as Don Fleetwood, John Kellin, Les Shearingham, Les and Mike Papps joined in the clay target sport, most of these were pistol shooters.*

*Jimmy with the help of some of these new members and the likes of Bobby Mules, Harrold Lawson, Archie Commons, were able to persuade the S.A.G.C. to replace their old Plus trap with a new remote controlled Snipe trap.*

*It was not long before keen support for clay shooting began to develop. Pushing this support was Jimmy.*

*Arousing enthusiasm at Mount Barker with stalwarts at the time like Ross Chester, Reg Shepherd, Geo McGuinness, Carl Wittkowski, set out and formed Mt Barker Gun Club after a couple of picnic shoots at Paechs, west of the town, finally locating at Paul Liebelts, adjacent to the rifle range.*

*It was not long, and some of the Langhorne Creek rifle shooters joined the Mt Barker club bringing in friends such as Johnny Woodrow, Joe Woodrow, John McGuinness, Terry Roberts etc. Some of the 'Creek boys' included Fiddle Diddy and Arty Polts, who always arranged a drop of refreshment at shoots.*

*On November 23rd 1953, the Alexandra Gun Club at Milang was opened. Forbsey, Ross Chester, Johnny Woodrow had set the ground out, the handicaps were sign written stakes. The trap was one of these new Snipe traps from Melbourne that Adelaide and Mt Barker had.*

*Soon Jimmy helped with the transport of Menindee Gun Club from pigeons to clays with locals identities Bill & Lol Ayres, Dick & Bob Ayres, Doug Prescott, Tookery Gardner, Butch May, Jack Black to name a few.*

*Jimmy won a contract to put in a bore at the Willunga Post Office, which others had great difficulty in doing. The PMG Dept was so pleased with the outcome of the finished bore, that they got him to put a bore down at the Bute Post Office (in the mid north of SA). Whilst working there he met Tom Burke, Freddy Gill, Howard Commons and a few others and so Bute Snowtown Gun Club came into being.*

*Working at Bute, Jimmy had a drilling stem crush his hand and from memory had about ten breaks in it and ten times as many stitches as a wheat bag. Did this stop him shooting, not likely.*

*In the early fifties Jimmy slipped off one of his drilling riggs and hurt his back to such an extent that he was in sheer agony and virtually paralysed from the arms down. His work mate, a World War 1 veteran could not drive.*

*He loaded Forbsey in behind the wheel of the Ford Prefect ute and Jimmy drove his workmate home, and then himself home, all the way in bottom gear. No one was home when Jimmy got there, so he opened the car door and fell out and lay there for over two hours until help came.*

*Our local doctor at the time was the young Dr Freddy Giesler that later was awarded an MBE for services above and beyond the call of duty (on Eyre Peninsula), came out to Jim and gave him the once over and a morphine injection.*

*9pm, Freddy was back again and worked on him until 3am.*

*Freddy was back again next morning at 8.30, eating scrambled eggs before working on Jim again.*

*That day, with help to and from each lane, Jimmy made selection into the South Australian team. The Doc arrived on Sunday morning, giving him another workover. Alas, guess who got the High Gun Trophy in the SA Team.*

*X-rays on Monday revealed that his back had no gristle between the vertebrae, and the specialists informed him that he would be in a wheelchair permanently within two years. 30 odd years later he was still going.*

*He went on to win National Championships and a hell of a lot of State and Regional Championships."*

## Atherton Tableland Gun Club

The Atherton weather is once again slowing down the building program of the Atherton club. The skeet houses are only half way to completion at the middle of May, when it was hoped that the skeet layout would be operational by this date. The year so far has proven to be a busy one for club members, for not only has the building program been an ongoing plan, members are endeavouring to attend Annual Shoots at as many clubs as possible.

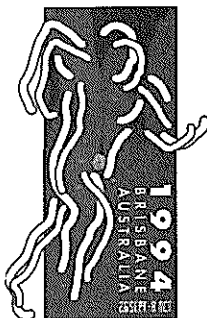

The new lights have been installed on one trap and it is hoped that the other two traps and tower will have new lights installed by the club's Annual on the 22nd & 23rd October. The wood heater has been installed in the club house and was certainly welcome at the May shoot when cold and damp conditions prevailed. When winter arrives it may be difficult to get shooters to leave the warmth of the club house for the tracks.

The night social shoots the club holds on a Friday once a month are proving very popular, and look certain to be continued in the future. The format of 2 events of 15 targets each, a barbecue and a TV to watch football is a social night that is enjoyed by shooters and onlookers.

Due to heavy use of Atherton Rifle Range by the Rifle Club and the Army in the first half of the year, the Atherton club has had to exchange dates for it's monthly shoots with Silkwood. But from July the club reverts back to its set day, the fourth Sunday of each month.

## Bundaberg — 8-5-94

With Bundy shooting the same day as Gympie this month, it was the flip of the coin trip and as most people head north for the winter, that's the way we went. Being such a lovely day nobody would want to stay home.

Welcome back to shooting Rodney Hutchins who hasn't shot for a while, pleased to see you back Hutch. Kaye Rehbein has been back in A grade for a few shoots and shot 18/20 DR, but Gino had to muck it up by shooting the lot. Good shooting both Kaye and Gino. Ron Skerry shot the jackpot, good shooting Ron, and the Berry's won the meat tray raffle again, of course they say you have to run it to win it and being President helps.

Several shooters got into the 25t Points CD, the 25t Handicap 1st Norm Dale, 2nd Rob Rehbein with Ken Shaw 3rd. The 10pr DR C'ship OA & A Gino Sergiacomi with a possible. AA grade went to Neil Berry, B grade Norm Dale and Harry Walker took C grade. Rob & Gino outshot Irwin Wynard and Spencer Plath to take out the Deauville Doubles. Overall High Gun was won by Neil Berry and Brad Petersen won his last frontmarker as Brad is now in B grade. Good shooting Brad, but don't be too hard on us old fellows in B grade. It was good to see a couple of new shooters showing interest by having a few shoots. Hope they like it and join up as this would be the result of Bundy having a free day for new shooters a few weeks ago, which was followed up with an invitation letter. Good work Bundy, we can do with more shooters.

Bundy is also shooting four grades AA.A.B.C.

## Gemfields Qld State Carnival — 30-4-94 to 2-5-94

Bundy shooters to take home trophies were Bradley Petersen, 2nd in C grade in the 50t DB Qld C'ship and Rob Rehbein in the same event dropped out on 206. Neil Berry took out the AA grade in the 50t Pts by shooting a possible and in the same event Stafford Smith took the A grade. Rob & Neil are in the 15 man Qld team and Rob made it to the 5 Man Team for the next Nationals, with Kaye winning a place in the 6 Lady Team. Good shooting by all.

## Gympie 100t DB C'ship — 8-5-94

Sorry I didn't make it to Gympie but it is hard to be in two places the same day. With a good turn up there must have been a lot of visitors and by the results Kingaroy club was amongst them. Welcome to all the visitors, hope you had a good day and come again. Main results of 100t DB Championship day saw Maryborough shooter Les Sidwell taking OA & A grade and shooting his first seventy-five break, good shooting Les. He didn't however get it all his own way as he had to shoot it out with Mike Tipman of Bundy which gave Mike 2nd in A grade. B grade was won by E. Andersson with R. Wilson 2nd. C grade 1st M. Smith, 2nd G. Carew.

## Maryborough 100t DB Day — 22-5-94

Visitors Gino, Pedro & Brad from Bundy and Bruce from Gympie all took prizes home. Ken Greensill now shooting AA shot the first three twenty-fives to give him another 75 break,

but in the last 25 he dropped a couple. Peter Shaw shot the possible, he says if he pays for clays he shoots them (nice if you can). Chris Harrison shot the jackpot (lucky Chris in the cash) and Les Greensill eats again after winning the meat tray raffle. The winners of the shoot were AA: Ken Greensill, 2nd Pedro Petersen, 3rd Chris Harrison; A: Peter Shaw, 2nd Gino Sergiacomi, 3rd Les Sidwell; B: Brad Petersen, 2nd D. Osborne, 3rd Bruce Lee; C: Darrel King, 2nd Harry Walker. Going to B grade for Brad didn't change anything, he just likes turning clays to dust, keep up the good work Brad, they are making room for you in A grade. It was the most perfect day for shooting.

Remember 16th & 17th July is the Sunshine Coasts Winter Carnival, our next shoot is July 24th 12 noon. Peter Pagliarino is leaving on his Northern Territory/Darwin trip this week, have a good trip Ros, Peter Gwen & Julio.

Good shooting to all, til next time see you at the shoots.

## South West Zone V.C.T.A.

*By Jack Matthey, Zone Secretary*

The South West Zone of the VCTA held its annual DTL Carnival at Geelong Gun Club on Sunday 29th May 1994.

The weather was made to order, fine, mild and sunny and after a late start owing to the shooters enjoyment of the unseasonal weather the shoot got underway with the running of the 20 target handicap which was won in fine style by Geelong shooter Ray Wiffen with 31/31, Reg Coombes 30/31 was second, Glen Hayden 25/26 third.

The second and main event the 25 target DB was won by Phil Grainger of Geelong with 79/79, Gary Hayden (Noorat) was second 78/79 and Ian Dickins (Geelong) won A grade 27/28, P. Carlon (Geelong) won B grade with 25/26, C. Darwin (Noorat) won C grade with 24/25.

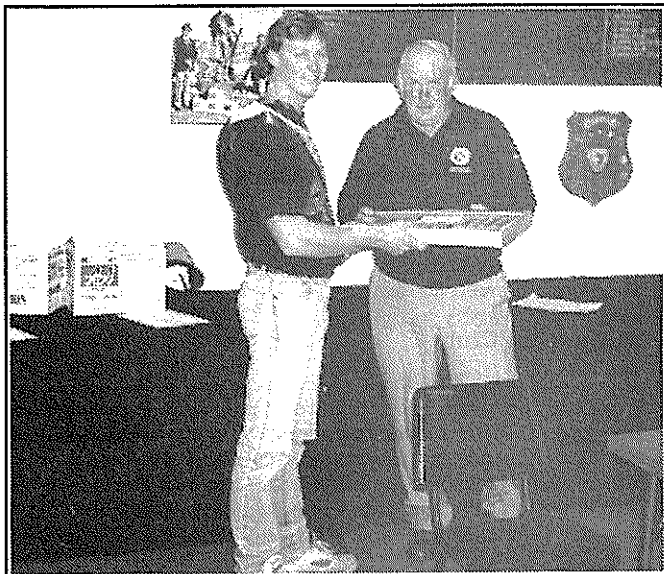

The third event 25 target Pointscore was won by Len Cook AA grade of Beaufort with the only possible 75/75, 2nd AA was Gary Hayden 95/96. First in A grade was I. Dickins 74/75, B grade Kane Shepherd with 84/90, C grade was C. Darwin with 72/75.

The fourth event a 25 target Single Barrel was won by Jason Jolly AA with the only possible 25/25. First in A grade was I. Dickins 24/25, B grade was M. Eagle 22/25, C grade P. Jeliu 23/25.

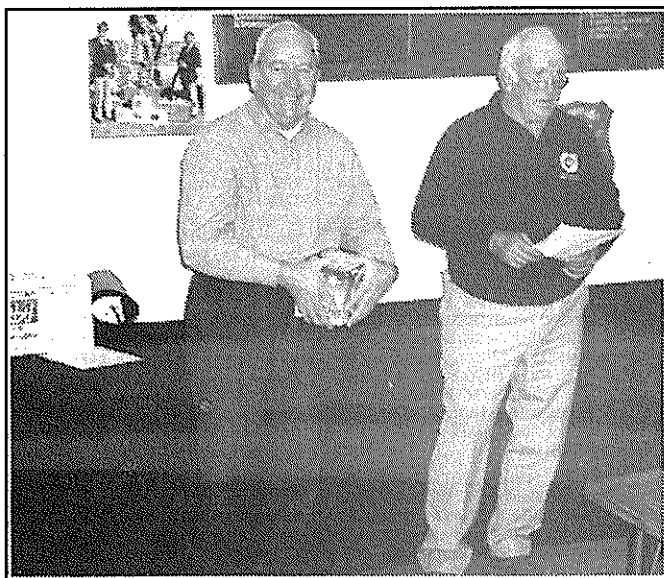

The Overall High Gun was won by Glen Hayden with 142/145; Ladies High Gun, Jacki Beard 130/14; Junior High Gun, K. Shepherd 128/145; and Veterans High Gun, J. Matthey 138/145.

Congratulations to Glen Hayden on once again showing his ability to all shooters present in his OA High Gun win; Ian Dickins again showed his ability as a 'senior' shooter by winning A grade in the three events in which he entered; as well as shooting himself into AA grade.

The zone would like to thank the major sponsors Bay City Targets; the Geelong Clay Target Club which conducted a working bee so that their grounds would be in good condition, and the shooters from the S/W Zone and from the other three zones who supported us with their presence; on behalf of the South West Zone the President Keith Vagg says thank you.

Glen Hayden and Keith Vagg.

Jack Matthey and Keith Vagg.

### *Dudley R. Pigram*

Well known north east Victorian shooter Dudley Pigram passed away on March 20 1994, aged 74 years.

Dudley was a founding member, a long serving President and life member of the Mt Bogong Clay Target Club, he was always available to help, be it a working bee, as a referee, coaching or finding a suitable gun for a new shooter.

While winning many Championships during his clay target shooting career, Dudley also enjoyed the times he spent out in the field with a gun and his dog.

He will be sadly missed by the members of the club he helped to get off the ground, and by the many friends made throughout his shooting career — both at the traps and in the field.

# MIROKU 10

Miroku 10 Trap Grade 5 with or without  
Porting, 30" or 32" barrels

## *Why the Miroku 10 should be your competition gun*

The desire for perfect scores by clay target shooters has led to two great features - Barrel Porting and Overboring.

**PORTING** - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

**OVERBORING** - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.
