AUSSIE GOLD

IN RECOGNITION

Donald Mackintosh

A champion professional shooter, Donald Mackintosh won a game-shooting event, the Prix Centenaire de Paris, during the Olympic Games of the Second Olympiad in Paris in 1900.

Because of confusion surrounding these Games, his performance remained unrecognised as an Olympic Victory for many years. It is now acknowledged by both the International Olympic Committee and the Australian Olympic Committee, qualifying Mackintosh for gold medal status among other Australian Olympic champions.

At the Paris Olympics, Mackintosh also tied for third place in another shooting event, the Grand Prix de l'Exposition.

National President's Notes

When you have read your CTSN?

What do you do with your copy of the CTSN once you have read it? I believe there are those who read it and then file it away in one of our binders for future reference, and then there are those who read it and then pass it on to someone that is interested in our Association, and I guess there are those who . . . well!

If you are a member who reads it and then disposes of it, perhaps you could consider handing it onto one of our junior members, who is not a second family member, and does not receive it unless they have paid for a subscription. In this way we can keep these juniors informed of the workings of our Association and right up-to-date with shoots, coaching and news in general. An inquiry with your club secretary will help you identify these members and you can pass the magazine directly to them, or alternatively, you may leave it at your club for the information of visitors as well as these juniors. Perhaps your club may like to keep a full set of binders?

1995 5 Stand Sporting Clays Nationals

1995 will see the joint ACTA-SSAA Sporting Clays Nationals conducted in Victoria. It remains at this stage for the allocation of a site and date for the event, and for a decision to be made on the number of targets thrown.

It has been suggested that the event should be held quite separate to any other National Carnival and that the competition to be decided over 200 targets. The event will most definitely be shot over 5 Stand Sporting layouts only and the host venue would have to be able to have at least 4 layouts.

5 Stand Sporting Difficulty

Whilst on the subject of 5 Stand Sporting it is worth mentioning the difficulty associated with some grounds. One of the reasons for introducing this very enjoyable discipline was to offer our members another alternative clay target game. One of the quickest ways to kill a new discipline is to make it so difficult that shooters stay away in droves.

What does it matter if 40 shooters attend and 10 shoot possibles? Our disciplines are based on possibles. To be fair to all, we must also look at establishing a standard across all clubs shooting Sporting. It is pointless a shooter consistently shooting 22/25 at Smokum Gun Club, being rightly proud of his AA status, and finding that the very best he can achieve at Chippum Clay Target Club is 17/25, no matter how often he shoots there.

Coaching

Our National Director of Coaching, Murray Alexander, has also been appointed interim New Zealand National Director of Coaching. It is very pleasing that this has happened and can only strengthen the relationship, and joint ventures, with our closest international neighbours. With the Glenn Cup and the Glenn Trophy matches now being recognised as truly international events, one can only look forward to the betterment of both our countries competitions and camaraderie.

International Competitions

I join all shooters/members in wishing our teams well in Milan (Italy), Victoria (Canada) and Newtown (Wales).

Australia, I believe, has presently some of our best ever competitors and we look forward to many medals returning home from these events, but whatever the results, we know all will give of their best.

Executive Committee

Over the past couple of months there has been two changes to our committee.

Pud Burgess (NSW) and Jim Bitossi (NT) have decided to stand down. On behalf of the ACTA I would like to thank them both for their contributions during their term on committee and wish them well in their 'retirement'.

I would like to welcome Mark Bullus (NT) and Andy Sanders (NSW) to our committee and look forward to their input into our association. A profile of our two new committee members will be published next month.

Change of Address/Merchandise Order Form

You will notice that a new address cover sheet has been included with this magazine. Change of address advice is now located on this form, as is an order form for our promotional items which is on the reverse side. Please use this form when ordering merchandise.

Whilst on this subject, Christmas is not far away, so start planning. ACTA goods would make great Christmas presents.

How to shoot better scores at Trap and Skeet Shooting

This book by George Biggs explains and demonstrates the mechanics of shooting trap and skeet, and the importance of proper gun fitting and gun handling.

Also available are two video tapes one on trap and one on skeet shooting.

Each tape takes you round the trap and skeet fields step by step as the coach demonstrates and explains how and what to do, shot after shot.

It's like having the coach at your side instructing and explaining how and what to do shot after shot.

A discussion on proper gun fitting and gun mounting winds up the 95 minute tapes.

Book price \$20 (including postage and packaging)
Video price \$30 each tape (including postage and packaging)

Editor's Mailbox

All comments regarding changes to the rules as suggested in the May CTSN have been forwarded to the rules committee for consideration. Any rule changes which are to be implemented will be published in the September edition of the magazine. We would like to thank all those clubs and members who put their submissions in writing.

Dear Sir,

I read with interest John Dyas' comments (May issue CTSN), regarding the introduction of the Sporting Clays discipline by the ACTA, in particular his views that gun position and time delay make it too difficult for trap and novice shooters.

The points he has raised are valid but I would ask him to consider these comments, including my view on the introduction of our 'new' discipline, the setting of targets and difficulty of layouts.

The Sporting Clays discipline is meant to represent simulated field shooting. In other words, while the targets should be similar for all shooters they may not always be 100% exactly the same due to the types of machines and facilities used. In fact it is the variety of targets thrown that make shooting this discipline so interesting and enjoyable (not my comments but those I have shot with for many years and those who visit our club). For myself and many of my shooting colleagues, simulated was a way to keep our 'eye in' during the remainder of the year when game seasons closed. I believe that this is how the whole discipline originally began.

Obviously with the introduction of this discipline a common sense approach is needed when putting together a course. Club Committees should recognise the need to cater to the beginner as well as the experienced shooter attending these shoots and select an appropriate mix of targets. If Committees are not doing so then it is the responsibility of members to make themselves heard be they tyro or experienced shooter. Criticism, so long as it continues to be constructive should always be welcomed.

It is not necessary to throw all targets as 100 mph crossing mini's or battue's screaming across the horizon in order to make targets challenging to the shooter. In fact on just as many occasions I have witnessed the 'crack shots' miss on a slow crossing standard target as on the mini described. Target size and speed, surrounding environment and location as to where the target will be shot, visibility and importantly the angle at which targets are to be thrown should be considered to make the course interesting and challenging, but above all enjoyable to shoot. The targets should be thrown resembling as closely as possible the movements of some form of game and be shot in an environment (facilities and terrain permitting), with this in mind. This is where the experience of field shooters can be of an advantage in the designing of the layout.

Regarding gun position, at the recent National Sporting Clays held at our club (Gold Coast & Albert), anywhere just 'off the shoulder (not necessarily below) was deemed acceptable, with C and Ladies grades permitted to mount the gun, in this way I believe everyone was catered for including the novice shooter. I might add that very few (if any) of the C graders opted to mount their guns and many shooters agree that it is in fact more difficult starting in the 'gun up' position due to proper sighting of the target. To my way of thinking the Field & Game have the right answer in allowing the butt to be positioned anywhere 25cm below the top of the shoulder, however I would still be in favour of the option for the novice and Ladies.

In any case I believe the shotgun was designed for shooting in this fashion and to this day I have yet to see anyone walking in field or paddock shooting rabbit or quail with the gun continually mounted to their shoulder. The same can be said for standing or crouching in wait to shoot ducks!

To suggest doing away with the time delay between the shooters call and appearance of the target in this discipline is ridiculous unless of course shooters wish to stand directly over, under or alongside a trap or skeet house, have all the targets on the course thrown as 'straight aways' (no incoming or overhead/behind targets where there is a wait involved before shooting), have all targets thrown in an open area (no trees, hills or groundcover preventing instant sighting of the target), or have all clubs wishing to implement a sporting layout purchase automatic traps. What an assortment of targets to shoot and imagine the pleasure we would have in shooting on such a layout. Eliminating the time delay would make it impossible to set any sort of a course simulating field conditions, thus defeating the purpose of this discipline. Where manual release traps are used, often with some kind of signal or call to the trapper, it is not possible to throw targets as would be the case from a trap or skeet house manned with an auto release trap. Furthermore due to the terrain of the layout it is often not feasible to install anything other than a manual trap. In any case what sort of time delay are we talking about here? Targets have a three second period to appear before 'no target' is called, generally targets are thrown within one to two seconds — at most!

Finally, I would like to say that Sporting Clays is far from becoming an elitist discipline. From my experience and involvement over many years (whether it be named Sporting or Simulated), this discipline has always been shot for the fun of it, unlike the competition sometimes experienced in DTL or Skeet (which I also shoot). I know for a fact that it is the very difference in targets, rules and relaxed social conditions in which we shoot that have contributed to the growing number of people participating in Sporting Clays. I would invite anyone looking for an enjoyable day's shooting to visit our club and try our Sporting targets.

Regards
David Young

To the Editor,

I have decided to write this letter after a very enlightening experience which occurred at the recent Skeet Nationals that were held at the Melbourne Gun Club. This was only to be my second Skeet Nationals that I have attended, and even though I was fortunate enough to be a medal winner at the Nationals at minor grade level (being only a relatively new competitor to skeet shooting) this was not the highlight of the Nationals for me.

After having seen some of the best skeet shooters from Australia and New Zealand, with many of them being international competitors, it was a truly pleasurable experience to watch two shooters of the calibre of Brian Thomson and Adrian Cousens shoot off for the Overall High Gun by shooting doubles off station 4 (arguably the most difficult station to shoot in this type of event and a 'sudden-death' scenario if ever there was one), but this was still not the highlight of the Nationals for me.

The highlight of the Nationals came quite unexpectedly for me in the shoot off for the Junior High Gun. With two very pleasant and well mannered young men in Ross Salpietro and George Barton, the two juniors were left to battle it out for this very much sought after trophy. Over the previous four days I had the pleasure of shooting in squads with both of these young fellows and found their friendly attitude and competitive spirits an inspiration which would surely enlighten many shooters of today.

I am sure many of you can imagine the exhilaration that was felt by many of the people looking on when they saw these two very likeable juniors locked together after four days of competition. The shoot off went to Station 4 with George Barton being the victor (after Ross Salpietro had his chance to win when George had missed one on a previous station). As both juniors had conducted themselves impeccably throughout the four day program and showed outstanding sportsmanship at the conclusion of the contest, it really was a sight to behold and a shame there can really be only one winner. I felt truly honoured to have witnessed this wonderful spectacle between two of our up and coming young sportsmen, and I feel with young shooters of this calibre coming up through the ranks, things can only improve for the sport of skeet shooting.

Yours sincerely
Rod Williams

Public Liability Policy

in the interests of all registered shooters

SUMMARY

The Public Liability Policy that has been arranged for the ACTA by C E Heath Casualty & General Insurance Limited is designed to provide specific protection for the Association and its registered members.

The ACTA Public Liability Insurance Policy protects the Association and its members from being sued for alleged negligence/blame attaching to an incident causing property damage or bodily injury.

If any person is injured in any way where no blame can be attached to the ACTA and its members, any claims that may be made would not be recognised under the policy conditions as it would be classified as a claim against a policy that the person may have in force on a personal basis or in the case of a registered shooter, a policy arranged for them by the ACTA.

Protection is afforded to the following who, subject to certain conditions, are considered to be members of the ACTA

1. State associations
2. Registered clubs
3. Registered shooters
4. Voluntary workers
5. Club visitors participants and observers
6. Life members/sponsors

1. STATE ASSOCIATIONS

Organising and controlling shooting events in accordance with the rules and regulations of the ACTA.

2. REGISTERED CLUBS

- (a) Subject to payment of the prescribed affiliation fee as may be decided by the ACTA from time to time.
- (b) Acting in accordance with the rules and regulations of the club (respective) which is operating under the rules and regulations of the State Association and ACTA.

3. REGISTERED SHOOTERS

- (a) Subject to the payment of the prescribed registration fee as may be decided by the ACTA from time to time.
- (b) Acting in accordance with the rules and regulations of the club (respective) which is operating under the rules and regulations of the State Association and ACTA.

4. VOLUNTARY WORKERS

- (a) Acting in accordance with the rules and regulations of the club, State or National Association whilst undertaking their voluntary duties.

NOTE: Paid personnel such as trappers, trap mechanics or any other paid staff are subject to the provisions of the Workers Compensation Act and protection must be obtained for them from the appropriate authority.

5. CLUB VISITORS — (participants and observers)

- (a) Must be registered as such (club visitor) on the register to be maintained by each club for that specific purpose.
- (b) Must at all times be under the control and supervision of registered ACTA shooters

- (c) Must be participating in accordance with the rules and regulations of the respective club, State Association and ACTA.
- (d) Visitors, other than children who must be under the care of a responsible person, must at all times sign the visitors' book which must be provided by all clubs for that purpose.

- (e) In the event of a visitors or visitors to the club negligently causing injury or damage to any person or property, any actions that may be taken would need to be directed towards the person or persons concerned.

NOTE: Any organised event for participating visitors, such as school children etc. who are not registered with the ACTA must have been officially ratified by your club at a constituted meeting and minuted accordingly. Should this requirement not be complied with then difficulties could and may possibly arise in the event of a claim under the Public Liability Policy.

6. (a) Clubs who have life members or similar, where no affiliation fee is paid to either the club or the ACTA by reason of their inactivity in the sport at Club and/or ACTA level are fully protected under the same conditions as would apply to "registered shooters".
- (b) Clubs who may have sponsors or the like attending their premises as "Honorary Members" on a more frequent basis than would be seen to be a visitor are fully protected under the same conditions as would apply to registered shooters.
7. Clubs conducting events that are outside the rules pertaining to regular competition, which are broadly known as "Novelty Events" are fully protected under the terms and conditions of the ACTA Public Liability Policy providing that all other conditions relating to safety etc. have been complied with.

This protection extends to shoots conducted between different shooting disciplines such as a combination of clay target and field game.

8. Clubs electing to become Incorporated bodies should be able to use the master ACTA policy to fulfil the requirements of Incorporation, therefore eliminating the need for any club to maintain a Public Liability Policy in addition to the ACTA master policy unless cover in excess of \$5,000,000 is required.

Paid employees must at all times be protected under the Workers Compensation Act.

9. Situations arising that may not be covered in this policy summary will be clarified upon request.

The existing policy therefore extends to all persons likely to be on the grounds for a Club, State or National event.

The need for individual Clubs or State Associations to undertake a policy of their own is eliminated other than they may require cover for an amount in excess of the existing \$5,000,000.

10. Cover is extended to include

- (a) Visitors attending National, State, Zone, International Championships are exempt from the requirement to sign a visitors register.
- (b) Member to member whilst participating in any event.
- (c) Erection, demolition, alterations, additions to buildings including club houses and trap houses for the portion of the work undertaken by voluntary workers.

Cover does not extend to any works carried out or undertaken by contractors or sub-contractors.

(d) Registered shooters involved in coaching or instruction are indemnified.

11. All shooting events must be sanctioned under the rules of the National body.
12. NOTE: Club shooters, not registered with the ACTA are not covered under any circumstances other than operating as a voluntary worker at an organised event. This category of shooter-member is solely a club responsibility and insurance cover should be considered at all times as a club expense.

13. FOR INFORMATION

Further extensions included within the policy are member to member, food and drink, care custody and control, medical and welfare facilities, tenants' liability, hoists cranes and unregistered vehicles, car parking, cross liabilities.

14. Clubs on leased premises are indemnified in respect to tenants liability.

Property owners providing leased premises are required to have an existing policy to be indemnified as a property owner.

Clubs hiring premises to a third party are indemnified under the policy.

15. NOTE: The summary details as described have been confirmed by the Association's Insurers, C E Heath Casualty & General Insurance Limited as being an accurate advice to members of the cover contained in the policy document.

PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi – no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 1/2" and 31 1/2" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

— QUEENSLAND —

By Lost Bird

Congratulations to CTSN on the cover of June copy CTSN, being the Brisbane Nationals, it gives shooters who don't attend Nationals for whatever reasons an inside look at what a Nationals is like. The last advice I gave one of the shooters going to the Nationals was (one) if you get your photo taken look at the camera and smile, (two) if your wife is working on the score board don't go around chatting up the pretty girls, but these young fellas won't listen to us old blokes. Just look at the bottom left photo on the cover and see a maroon jacket with Queensland on the back and what is he doing, chatting up girls.

I am waiting for the Wonthaggi lads to come up on holidays again so I can ask Fred who dropped the forty-eighth target, as for the Veteran champion, the last time I saw Barry he didn't look ten minutes over fifty-five. Good shooting Barry.

Bundaberg — 5-6-94

In perfect conditions Bundy's club shoot was shot with possibles being the score of the day. In the 25t Pts CD in AA Chris Harrison, Trevor Petersen and Irwin Wynyard, all shot possibles with Mike Tipman taking A grade with only one point down. Ron Skerry took B grade and Michael Smith C grade. The handicap again 1st Les Sidwell, 2nd Neil Berry, 3rd Irwin Wynyard all shooting possibles and in the Continental C'ship was Rob Rehbein OA & AA with Paul Anderson A grade, both shooting possibles. B grade to Brad Petersen and C grade Spencer Plath. In the Double Rise AA Neil Berry, A Peter Winzen, B Ron Skerry, C Dougal Rudd. The High Gunners being Irwin Wynyard Overall with Spencer Plath FM. Paul Anderson shot the jackpot. Good shooting by all, sorry we didn't make it.

Gympie Cash Day — 12-6-94

Congratulations to the workers at Gympie on the 5-6-94 when they held their novice charity shoot which raised over \$500 for the Salvation Army. The fall out for Gympie was four new shooters who turned up next shoot to give it a further go, with Jeff Mills joining the club and Aaron Wigmore, Bret Brown, Tony Clark and a young lady in Reeny Randi, all so interested and enjoyed the days shoot. Hope you all join up . . . welcome. Usual visitors Pedro & Brad Petersen and Ron Skerry (now A grade, good shooting Ron) of Bundy with Paul Anderson, Harry Walker and myself of Maryborough club. Shooters to shoot themselves into the cash were 25t DB — Pedro, George Foster and Jeff Mills; 25t PS — Paul Anderson, Norm Dale and Melissa Tipman; 25t Hcp — Gary Carew, Vic Tipman and Jeff Doolan; 15pr DR — Jeff Doolan, Norm Dale and Jeff Mills.

An extra event with prizes of mud crabs donated by Dennis & Gary Carew was won by Dennis & Gary, but as they donated them they gave them back to be used as extra draws in the raffle. First prize in the raffle was a bottle of Johnnie Walker which was won by Lost Bird; he may stay lost for a while.

Central Burnett Annual Shoot — 19-6-94

This shoot usually being a two day shoot was turned into a one day shoot, but hopes to go back to a two day next year. The estimated number of shooters by which the trophies were purchased was only short by a couple, with shooters from Kingaroy, Yellarbon, Bundy, Maryborough, Chinchilla,

Calliope, Mungungo, Dalby and Mundubbera, with the distance too far for some for just one day. I missed the faces of Big & Bald of Rocky and the Clermont Kid Barry Nassar, along with several others who always turn up at CBGC.

With a hiccup with one of the traps the shoot was soon on its way, the first event being cash sweeps, it seemed everyone but myself got into it. The next event th 30t Top Cat Trophy donated by H.A. Meyer and Son, which gave everyone a spell except Les Sidwell who pushed Neil Berry for Overall to 170 to take it out. Les with 169 and count back of first event claimed a break of 175. Most likely the main event of day was the Col Johnson \$1,000 30t event, the ones to dip into the cash were: AA: 1st Neil Berry, 2nd Rob Rehbein, 3rd Graham Bickerton; A: 1st Noel Goody, 2nd Ron Skerry, 3rd Pat Moloney; B: 1st Norm Dale, 2nd Michael Smith, 3rd Dick Osborne; C: 1st M. Benham, 2nd D. Jones, 3rd A. Woolford.

The Mark Shelley Memorial Shield Teams Shoot donated by Frank & Shelly Robinson saw the Rum Runners made up of Neil Berry, Stafford Smith, Ron Skerry, Michael Smith and Paul Anderson come out victorious.

The High Gunners for the day AA Neil Berry, A Noel Goody, B Dick Osborne and C Michael Smith. Behind the scenes the shooter who enjoyed himself was Michael Smith who came to the shoot C grade, shot himself into the first event, which placed him into B grade, took 2nd in B grade in the cash event and was a member of the winning team shoot and took off the C grade High Gun. Good shooting Michael, I bet your dad (Stafford) didn't have much to say at the breakfast table. You will have to lift your game in your family Stafford.

By the way Bald it was a beautiful day and I took a couple of oranges for you, if they don't keep I will let you know what they were like. Congratulations Central Burnett Gun Club on a good shoot and good shooting to Les & Neil. And guess what, Wilma Berry won the raffle again. Thanks for the lift over Stafford. Thanks also to members lead by Jill in the office to work the placings, the shoot just wouldn't run without you.

Maryborough — 26-6-94

Mike Tipman drew his first jackpot to shoot and it must have sent him into shock as he missed his first target, hope you don't have to wait another eighteen years for the next draw Mike.

Thanks to our visitors Mike, Ron, Neil of Bundy; Aaren, Dave, George & Wal of Gympie.

Shooters to stand out for the day were Neil Berry AA SB, OA & AA DR & AA HG. Glenn Durre A grade DB, DR, HG and 1st in DD with Chris Harrison as his drawn partner. Dick Osborne took B grade SB DR & HG with Darryl King taking all C grade events along with High Gun.

Our next shoot Sunday August 28 12 noon, with our one day Heritage City Shoot September 25th 9am with a 50t C'ship and mini calcutta.

Good shooting to all, til next time see you at the shoots

Queensland State Trap Carnival

Gemfields Gun Club

The Queensland State Trap Carnival held over the May holiday weekend at the Gemfields Gun Club proved to be a great success. Although shooters had experienced a lot of first class events, with many of the Nationals being held for the year, the attendance was well within expectations at nearly 160 shooters. As usual the Gemfields Gun Club treated everyone to its customary hospitality.

The shooting at the Carnival was excellent with shooters from Queensland, New South Wales, Victoria, South Australia, the ACT, Northern Territory and Western Australia all taking part to make it a memorable event.

The Queensland Champion was Gary Redmond of the Brisbane Gun Club with a top score of 395/400 over the nominated events. The High Gun Overall was won by Doug Smith who just keeps on being a champion competitor with 393/400. The Ladies High Gun was won by Dot Trindall of the Showmans club with a score of 357/400. Armando Coco from the Redcliffe club was the Junior High Gun winner continuing some good shooting this year. His score was 378/400. Barry Nasser from Clermont also continued his good shooting at the Nationals by winning the Veteran High Gun with a score of 350/400.

The first event was the Winchester 25t Pointscore event sponsored by Winchester Australia. Ray Maroske of Brisbane was the overall winner with 147/147 after going shot for shot with Bill Iles from Victoria 146/147. Bill Iles was the 1st AA grade winner with other winners of the grades being: 1st A Geoff Archer 83/84; 1st B Peter Wood 87/90; 1st C F. Nielson 74/78; 2nd AA C. Witt 92/93; 2nd A L. Chelepy 77/78; 2nd C: R. Jackson 71/78; Ladies D. Trindall 72/75; Jnr T. Meaney 73/75; Veteran B. Nasser 74/75.

The second event was the State Double Barrel Championship over 50t. After a tremendous shoot off, Bill Iles of Victoria was the overall winner 263/263 over Gary Redmond of the Brisbane Gun Club who took out 1st AA grade with 262/263. Grade winners were A grade 1st J. Deeley 126/127; B grade 1st Alfio Coco 58/59; C grade 1st R. Jackson 70/73; 2nd AA R. Rosenberger 239/240; 2nd A G. Archer 68/69; 2nd B W. Dupuy 54/55; 1st Lady D. Trindall 47/50, 2nd V. Storch 48/52; Junior L. Chant 94/95, 2nd T. Meaney 93/95; Veterans W. Francis 49/50, 2nd C. Warnock 46/50.

Third event won by Gary Redmond 165/165 was the State Pointscore Championship over 50t. A close second and 1st AA grade was Neil Berry with 164/165. Grade winners again were: 1st A Stafford Smith 148/150; 1st B D. Seawright 146/150; 1st C R. Jackson who was having a great carnival in C grade 136/150; 2nd AA D. McIntosh 155/156; 2nd A G. Mariner 164/168; 2nd B G. McKellar 142/150; 2nd C Miss L. Jarvis 131/150; 1st Lady M. Casagrande 141/150, 2nd C. Weder 140/150; 1st Junior L. Chant 155/159, 2nd Armando Coco 152/159; Veteran W. Francis 144/150 and 2nd Veteran E. Hawkins 136/150.

The State Double Rise Championship came next with the Overall Winner being Doug Smith with 48/50. 1st AA winner was Gary Redmond with 57/60 after a tight tussle with Danny Casagrande 56/60 who took the 2nd AA place. Other grade winners were: 1st A L. Chelepy 44/50; 1st B A. Comino 49/60; 1st C. K. Pengilly 39/50; 2nd A A. Grimshaw 43/50; 2nd B Alfio Coco 57/70; 2nd C R. Jackson 38/50; 1st Lady D. Trindall 46/60, 2nd V. Storch 45/60; Junior 1st Armando

Junior High Gun winner Armando Coco from Redcliffe club being congratulated by GCTA President, Tom Meadows.

Coco 44/50, 2nd L. Chant 38/50; Veteran E. Hawkins 37/50, 2nd W. Francis 45/60.

Winner of event 5 the State Single Barrel Championship 50t, with clean sweep 54/54 and good shooting was Peter Field of the Dysart Gun Club beating an in-form Doug Smith 53/54. Doug Smith was the 1st AA grade winner with Mick McGill taking 2nd place in the grade. Grade winners for the event were: 1st A Tom Comerford 58/59, 1st B M. Schumaker 48/50, 1st C R. Jackson 48/50, who was making the C grade events a personal target for the carnival, 2nd A G. Archer 62/65, 2nd B Alfio Coco 53/56; Lady Marylin Casagrande 45/50, 2nd Lady Janne Gear 44/51, Junior 1st Derek Bruce 48/50, 2nd G. Benson 47/50, 1st Veteran W. Francis 46/50, 2nd E. Hawkins 46/51.

The last event was the 25t Handicap with the results being for the 11-15m group; 1st J. Wilkinson 35/36, 2nd L. Heywood 34/36, 3rd A. Haywood 28/30. The winners for the 16-17m group were: 1st T. Cross 26/26, 2nd J. Fittler 25/26, 3rd K. Pengilly 25/26. The results of the 18-19m group were: 1st K. Newbold 29/29, 2nd B. Richardson 28/29, 3rd L. Chelepy 28/29. In the 20-22m group S. Laffey came 1st with 34/34, R. Maroske 2nd with 33/34 and Bill Iles 3rd with 32/33, a very close finish.

The Interstate Team Matches were then shot and the High Gun of the Open Team was B. Murphy with 148/150. Ladies Team High Gun Dot Trindall with 72/75 and the Junior Team High Gun T. Meaney with 75/75 an excellent effort.

The final State Representative Team members for the Nationals in 1995 were: Open — Gary Redmond, Doug Smith, Peter Field, Robbie Rehbein and Dennis McIntosh. The Ladies Team members selected were Dot Trindall, Janne Gear and Vere Storch. The Juniors selected at the Carnival were Derek Bruce, Armando Coco and Trevor Meaney.

Congratulations are due to all shooters for a good carnival of shooting, to the Gemfields Gun Club for their hospitality and organisation and the Central Zone for their contribution to making another successful State Trap Carnival happen.

Unbroken Clays or I missed that target because . . .

Shooters are an inventive lot, especially when it comes to making up excuses as to why they missed a target.

If you have heard, or indeed used, any good excuses which you would like to share with other readers then send them to us at the address below.

Some excuses that have been heard are:

- 'The husband put the wrong chokes in for me'.
- 'I was just about to shoot when this fly hit me in the eye'.
- 'I brought my brain along with me'.

We will award a prize to the sender of the funniest excuse and the two closest runners up.

Send you entries to Unbroken Clays, ACTA, PO Box 557, Mount Waverley, 3149.

ACTA Junior Development Squad

With the final National Championships being completed the members of the ACTA's Inaugural Junior Talent Identification and Development Program can now be finalised.

This program is planned to identify our junior talent and begin a program of coaching in each state culminating each year with a week long intensive training camp at the Australian Institute of Sport.

Selection of the 1994 squad was from 3 events shot at each National Championship with the top 5 from each championship forming the squad.

The selection process as used is this, the development squads inaugural year, will be reviewed at the state coaches conference in October.

From this conference will come a laid down selection criteria that should overcome any teething problems experienced this year.

The 1994 Development Squad is:

ISU TRAP:

B. Kelley	NSW
B. Hall	NT
D. Bruce	Qld
J. Whitmore	Vic
D. Webster	NSW

ISU SKEET:

Miss K. Light	Vic
B. Brighenti	NSW

DTL:

N. Cassells	Vic
C. Cunningham	NSW
E. Boulos	NSW
N. McDonnell	SA
L. Chant	NSW

SKEET:

G. Barton	NSW
M. Faber	NSW
R. Salpietro	Vic
Miss R. Langley	NSW
G. Benson	Qld

Congratulations to all those that qualified for the squad and from the talent seen at all the National Championships the names on our honour boards will undergo a dramatic change.

Monarto Clay Target Club Inc.

ANNIVERSARY SHOOT

Perfect weather with 26 degrees was experienced by those shooters who attended the Monarto Clay Target Club's 2 day Anniversary Shoot.

Seventy-three shooters from twelve clubs around the State including several visitors from Horsham in Victoria competed for the 2 Championship titles over the weekend. 11 Veterans, 7 Juniors and 6 Ladies competed against the Open competitors.

If in doubt as how to actually get to our club, a quick phone call will get you a 'mud map' and those who received them this year had no difficulties — those who didn't were found either 'lost' or cruising the South Eastern Freeway past the Monarto Shooting Complex getting more than a little frustrated at seeing the place and not being able to get off the freeway to it — those shooters with mobile phones kept the club's phone running hot asking for directions.

Saturday's first event, the Murray Valley Standard 25t Double Barrel Championship was taken out by Craig Bentley (Lower North) who shot a score of 81/81. Six possibles were shot in the event.

Graham Michell (Monarto) won the Pizza Supremo 25t Single Barrel Championship for the second year in a row, shooting a 28/28 over Tony Rohrlach 27/28, the only other shooter with a possible score.

Event 3 saw Richard Dean (International) shoot the only possible of 75/75 in the Clayton Turf Farm 25t Point Score Championship. Conditions had been ideal for shooting throughout the day and it was surprising to see only 9 possibles being shot. Shot in conjunction with this event is the Shell Shield Team Shoot. Lower North Gun Club took out the Shield with a score of 120/125. Team members were Ron Smith, Lisa Smith, John Byrnes, Bruce Byrnes and Craig Bentley.

High Gun for Day 1 went to Richard Dean with 124/125.

Tents, campers and caravans housed those shooters and families staying on the grounds overnight and they woke to the crispness of a Monarto autumn morning.

Competition got under way in perfect shooting conditions again with the temperature climbing to a warm 28 degrees — and 'no' wind.

Lower North Gun Club winning Shell Shield Team Shoot members L to R: Ron Smith, Lisa Smith and Craig Bentley (missing John & Bruce Byrnes).

Sunday's first event, the Clem Thomas Memorial 30 Mixed Tgt Championship saw Dino Oliviero (International) take out the Perpetual Trophy by shooting 75/75. Again only 3 possibles were registered on the score board.

The fifth event for the weekend, the J & E Johansen 20t Anniversary Handicap went to Tony Rohrlach (Monarto) who shot a score of 33/33 from his 21 metre mark, second placing went to Lisa Smith (Lower North) who shot 32/33 from 19 metres and third place went to Dennis Halikiopoulos (Monarto) who shot 29/30 from 20 metres.

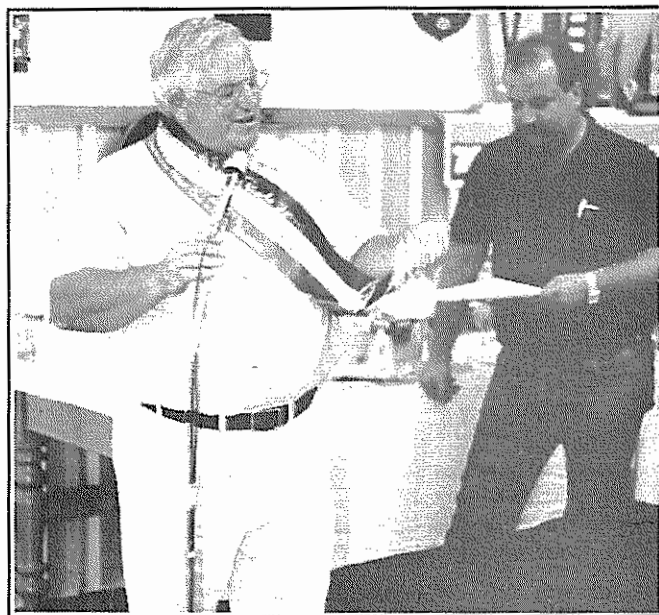

The sixth and final event for the Club's Anniversary Shoot was the Coca Cola Bottlers 25t Point Score Championship. Here again only 2 possibles were shot and Craig Bentley (Lower North) took out the event shooting 87/87 over Tony Rohrlach 86/87. The G & R Michell Team Shoot is held on this event each year and some 8 club teams vied for the Michell Cup and for the second time for the weekend the Lower North Gun Club took the honours with a score of 362/375. Team members this time were Craig Bentley, Ron Smith, Lisa Smith, Rob Fleming and Ernie Koop.

Although the club's official program was now complete the club then hosted the Central Zone's 25t Double Barrel Championship which counted as the first qualifying round for the Central Zone Team. Surprisingly at the end of a long weekend of shooting when concentration may have been hard to maintain, 15 possibles were registered on the score board. The shoot off being finalised under lights saw Richard Dean (International) 72/72 winning out over Craig Bentley 71/72.

Day 2 High Gun went to Tony Rohrlach with a perfect 145/145.

Overall and AA Grade High Gun went to Craig Bentley who shot 266/270 being just 4 points down over the entire weekend. Well done Craig.

A Grade High Gun went to local Pizza Supremo maker (those who attended can vouch for his excellent pizzas) Tony Famiglietti (Monarto) with a score of 254/270, B Grade High Gun to Joe Laxton (S.A.G.C.'s 77 year old veteran) with 249/270 and C Grade High Gun to (in his own words 'temporary land holder and farmer', 'ex Hippie' etc. etc. etc.) Peter Harris (Monarto) who shot 227/270.

Graham Michell, Club President, accepts his Single Barrel C'ship Sash from John Bretag, Vice President, at the club's Anniversary Shoot.

... And so another very hectic weekend came to a close and Philip O'Connell (some say as having been 'touched' by a fairy) took home the \$100 cash raffle — he is still revelling in the glory of having won the car trailer and contents raffle at the State Carnival and word has got out that if you see Philip purchasing a ticket in a raffle don't bother wasting your money because he is bound to win.

Young Lisa Smith eager to get away from the shoot to attend a birthday party was desperate for some hair spray or mousse to put some finishing touches to her golden locks and asked around those attending the shoot — the only one able to help her was our very own Club President . . . Hmm !!!

I have heard of shooters getting excited and shooting the top of the trap house or even the back of the trap house (I must admit I am guilty of this myself), but I wonder just what happened to the shooter competing in the last event who shot the 11 metre mark and made the cement fly - just where was he looking ???

Many thanks to all those who have helped at the working bees prior to the weekend shoot, helpers over the weekend including canteen workers, cooks in the store room (I think there is more sampling of food done out there than we are ever aware of), to those tireless people keeping the shoot running smoothly, the trap mechanics (for those hiccups we experienced), trappers, referees, scorers and to our sponsors who have seen fit to help out yet again this year — our sincere thanks.

Thanks to you all for your company — it was a good but very trying weekend, so from one weary worker I say 'over and out' !

Bonus 'Top Gun' Awards Spread Australia-wide in June

The bonus Winchester 'Top Gun' awards which commenced on June 1st have already proven popular with competitors winning awards in all categories from most states in Australia.

The new additions to the award scheme have been specifically aimed at shooters in the minor grades and categories who in the past have found bonus shotshells hard to win. We apologise for any inconvenience caused in our June advertisement due to printing errors on our behalf in the final proof copy. This was rectified in July CTSN and this copy should be referred to for any reference in regard to our bonus award scheme.

We must emphasise that for any competition to be eligible for 'Top Gun' awards that the events must be advertised in the CTSN. The reason for this is two-fold. Firstly it lets us keep track of what competitions are being conducted throughout Australia which are eligible for awards and secondly we are trying to promote better use of our Clay Target Journal as we believe its future depends largely on clubs utilising it as their primary source of advertising.

A disappointing aspect of our award scheme has become evident with a small number of competitors claiming awards that they were not eligible for. The first and foremost condition of entry is that upon registration a competitor must use solely Winchester-Australia produced ammunition for the remainder of the year to be eligible for awards. To use another brand or even reloads will render them ineligible for any 'Top Gun' awards for the rest of the current year. We have had a number of participants informing us of shooters who have broken their eligibility awards. This helps us keep our records up-to-date and ensures our legitimate entrants that fairness will prevail in the award scheme.

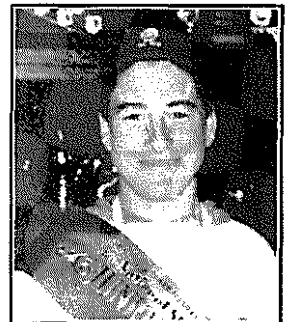

Our awards this month were well spread out with probably the biggest winner being former ACTA Executive Phil Grove from Darwin. Phil receives 1,000 target loads for winning the Northern Territory Single Barrel Championship conducted at their annual carnival at Alice Springs.

A full summary of recent 'Top Gun' winners are as follows:

Phil Grove	1,000 rounds	OA NT Single Barrel
Bronte Evans	250 rounds	Grade NT Single Barrel
James Lithgow	250 rounds	OA WA Skeet Doubles

Waratah State Notes

1994 State Trap Carnival

Well here is the information you have all been waiting for — the NSW State Trap Carnival this year will be conducted at Wagga Gun Club over the weekend of November 5-7. We apologise to those shooters who have sought this information over the past couple of months, but found it necessary to ensure some problems faced in the past would not be encountered again.

This Carnival promises to be bigger and better than ever, with more trophies and greater trophy value than any other carnival. It is now our policy to cater for those shooters who support our carnivals, and we will be awarding trophies for 1st, 2nd and 3rd Overall as well as 1st & 2nd in AA.A.B.C. and Womens, Juniors, Sub Juniors and Veterans in every State Championship event.

So make your bookings for accommodation early and come and take part in the biggest and best State Carnival in Australia.

New State President

We are pleased to announce the vacant position of State President has now been filled by Andy Sanders. The State Presidents position became vacant when Pud Burgess decided he would not stand for another term as a Western Zone delegate. Andy was also elected as a NSW delegate to the ACTA.

Two State Vice Presidents were also elected, being Bill Jones (also the Treasurer) and Col Burt, who was also elected the new State Handicapper. Any of those handicap problems can now be sorted out by Col on (067) 65 9386.

1995 Blue Books

The cost per book will be \$3 each, with clubs being required to order and pay for the books in advance. No extra books will be printed, only those already paid for by clubs. So if you want one, ensure your club secretary has returned the Blue Book order form and cheque by the closing date for orders which will be 24th September 1994.

Advertising is available for clubs as well as Commercial Businesses, with advertising rates being as follows: Full page \$100, Half page \$50, Quarter page \$25. Commercial rate: Full page \$200, Half page \$100, Quarter page \$50. Please contact Libbie Bunting on (063) 68 3331 for further details. Closing date for advertising will be 24th September 1994.

Central Zone

A reminder that Central Zone Carnival is fast approaching on the 21st August, this year being hosted by the popular Canowindra Gun Club. This club although small has a great reputation now for great hospitality, great food and great targets. This promises to be a very successful shoot so why not 'take the challenge' and try for one of our grey and red sashes. For further info, contact Central Zone President John Lawrence on (063) 44 1548.

Grenfell Gun Club has reminded me of their forthcoming Commonwealth Night Deauville Doubles C'ship being conducted on Saturday night 10th September which will be followed on the Sunday 11th September by their 3rd Annual Junior Shoot, which always attracts a good number of junior shooters. All in all this sounds like an enjoyable weekends shooting for everyone.

Championship Result

Inverell RSM Gun Club has advised the result of the 1994 State Single Barrel Continental Championship conducted on the 18th June. The winner was Roger Vidal from the Guyra Gun Club with a score of 51/55.

Changing of Programs

I wish to draw your attention to page 6 of the 1994 Blue Books, regarding clubs who wish to change the date for one of their shoots or schedule an extra shoot. It clearly states "no member clubs should vary an approved program or date, or conduct an unapproved program without consultation with the NSWCTA".

This has now become a problem with several clubs changing dates or conducting an extra shoot, without permission to do so. This includes clubs conducting field shoots. All clubs in each Zone are allocated a shooting day each month within that zone. This is done to ensure clubs in near proximity to each other are not shooting on the same days. Permission must be sought from your zone to change your shoot day to another day.

Once your shoot program has been printed in the Blue Book, it cannot be changed to another day without permission of the State Secretary. Great lengths are taken when compiling the blue book to ensure major clashes do not occur.

It is also a By Law of the Association that clubs who change dates without approval will not be allocated any major shoots for the next year, and in addition, the Committee has also now decided that clubs who allocate shoots or change dates without permission, will not have their clubs annual program printed in the following years Blue Book. Hopefully, this will deter those clubs who continue with this practice.

1995 State Carnivals

The 1995 State Carnivals were awarded by tender at the State Executive Meeting on 2nd July. Both the Skeet Carnival in August and the Trap Carnival in October/November were awarded to Tamworth CTC. As you will note earlier in this report, the Trap Carnival this year is being conducted on the first weekend in November. This is a trial carnival and all shooters attending will be presented with a questionnaire regarding their preferences for dates of future carnivals. See the October CTSN for the revamped carnival program.

The 1995 State ISU Carnival has been awarded to Illawarra Gun Club and will be conducted on the 4th weekend in November.

Northern Zone

Ballandean Win:

Reference was made in last months notes of the NSW win at the annual shoot and since then, Rex Varley from Guyra has provided the names of that team: John Simpson (Guyra), Graham Sweeney (Guyra), Jeff Nash (Grafton), Bud Sweeney (Guyra), Geoff Baxter (Guyra), Rex Varley (Guyra), Geoff Lancaster (Guyra), Monty Klinger (Glen Innes), Peter McGuire (Grafton), Col Varley and John Varley (Guyra) and B. Woods. You could almost say the Guyra Team won — rather than NSW. Congratulations certainly in order.

Zone Championships:

Tamworth hosted the Ball Trap this year and the winner was Col Burt 49/50. There was a good turn out of some 35 shooters, a pleasing result for a one day ball trap event. The Zone Single Barrel was held at Yamba during their annual 2

day shoot over the long weekend and was won by John Farrell with 29/29.

The Kempsey Club hosted the Double Barrel Continental and one of those Western Zone shooters crossed the border and shot 69/70 to take the sash home, Brian Walton, congratulations. Very pleasing also, to see the club secretary, Jenny Baker had time to put a 22/25 together to win the C grade trophy, well done, Jenny.

Inverell was the venue for the Deauville Doubles and the winners were Joe Redman and John Varley with the only 20/20. Events still to come are the Zone Night Pointscore at Kempsey on 17th September and 24th/25th September Taree will be holding this years Zone ISU Carnival, Olympic Trap & Skeet. Grafton hosts the last Championship for the year, the Double Rise on the 8th October.

Promotion Day:

Again, a huge success in our zone and a more pleasing aspect being that most club's had new shooters join up. All clubs should remember that the next meeting will be held at Inverell on Saturday 20th August and it will be at that meeting the arrangements will get started for next year. It cannot be stressed strongly enough that clubs must attend, and put your thoughts forward regarding the Promotion Day, if you want changes, otherwise 1995 will be here and it will just go ahead as in the past years.

Zone Trap Team:

Although selected back in February, will be as keen as ever when the carnival arrives. Those shooters being Jeff Nash, John Farrell, Roger Vidal, Col Burt, John Kent, Harry Yates, Geoff Lancaster, Les Kennedy, Ian Merrick, Arthur Vine, Bud Sweeney and Peter McGuire; reserves: Peter Smith, Noel Campion, Angus Mitchell, Pat Young, John Blazley. The Junior Team is Andrew Kingdom, Johnny Cunningham and Cameron Brooks.

Zone ISU 1995 Newcastle:

January 1995 may appear to be a long way ahead, however all ISU shooters should mark down 21st/22nd January, because the Newcastle club are hosting their first Zone ISU Carnival, and what a run up it will make for the ISU Nationals from 18th February.

Ground Break Records:

Very little response to date from clubs to provide details of the ground break records for their club — records are so easily forgotten, send them to Jenny Burt PO Box 836, Tamworth 2340.

Grafton:

A reminder that the Annual Jacaranda 2 Day Open Trap Shoot in the Blue Book for Grafton on 12th/13th November will now be 8th/9th October, a month earlier.

Marconi Gun Club Ltd.

Earlier this year Marconi Gun Club conducted their first ever Charity Shoot in aid of Camp Quality, an organisation that helps children who are stricken with cancer and are often stripped of their childhood and thrust into an adult world of hospitals, pain and isolation. Camp Quality offers a camping and year round program of love and support to encourage such children to battle on through treatment.

A total sum of \$3,323 was raised and handed over to the representative of Camp Quality, Mrs Jill Smith.

Approximately half the money raised was through a raffle that was conducted during a six week period prior to the shoot and the prizes were drawn on the day of the shoot.

The club wishes to thank all the members who sold the raffle tickets, also a special mention for the members of the Sydney Gun Club who assisted with the sale of tickets and for their support of our shoot. Thanks also to other clubs who allowed our tickets to be sold on their grounds and who also supported our shoot.

In addition to sponsors already acknowledged in the A.C.T.A. journal advert, the club wishes to thank as late sponsors Mrs A Piazza, Mrs P Gei and Marauzio's Restaurant of Wetherill Park.

Because of the generosity of the sponsors large and small, there were 16 trophies 1st to 4th in each grade in three events plus the Overall High Gun and also Ladies, Junior and Veterans High Gun.

The 1995 Camp Quality Charity Shoot is scheduled for late October. We look forward to the clay target shooters support for this worthy cause.

Mr Len Crema, Club President, hands over the cheque to Camp Quality representative, Mrs Jill Smith.

WORLD CUP Fagnano, Italy

After a thirty hour plane ride the Australian contingent arrived in Milan Italy, Russell Mark, Michael Diamond, Graeme Boyd, Steve Atkins and Steve Haberman. After two days of practice the Opening Ceremony was held in Fagnano. Approximately 10,000 people turned out to see a record 42 countries march through the streets to the town square. For those of us who had never been to such an event it was a real eye opener.

Saturday the 28th of May, day one of the Olympic Trap Event shooting in the Team for Australia, Russell Mark, Graeme Boyd and Michael Diamond with Steve Atkins and Steve Haberman shooting MQS. At the end of day one Joshua Lakatos of the USA lead the field on 74 with Michael on 73, Russell had 71, Graeme 68, Steve Haberman 66 and Steve Atkins 64.

Day 2 and at the end of 125 targets Michael had shot 121 and goes into the final in equal second place. 25 in the final for Joshua Lakatos (USA) gave him 148/150 and the Gold Medal. 24s for Michael Diamond (Aust), Carlo Angelantoni (Italy) and Zoltan Bodo (Hungary) meant they were all tied for the Silver Medal and would shoot off single barrel. Michael drew position No.1, Carlo No.2 and Zoltan 3, on the second target Zoltan Bodo missed leaving Michael and Carlo to battle on for the medals. On this third single barrel target Michael drew the hardest target on the program and missed it, so Silver to Italy and the Bronze to Michael. Russell shot 117/125 to be placed 13th with Graeme 113/125 43rd, Steve Haberman just managed to shoot an MQS with 112/125 with Steve Atkins just missing out with 109/125. In the teams event the USA won the Gold Medal with 360/375, the Silver to Italy 355/375 and Bronze to Belgium 351/375, 4th was Australia with 351/375, beaten by a count back for the Bronze Medal by Belgium.

Tuesday the 31st of May and Double Trap Day shooting for Australia was Russell Mark, Steve Atkins and Steve Haberman with Graeme Boyd and Michael Diamond shooting MQS. At the end of 75 pair four shooters Mirco Cenci (Italy), Mickey Rouse (GBR), John Oppio (USA) and Steffan Daebel (Germany) had 140/150. Russell Mark went into the final fifth with 137/150, Russell needing to finish fourth to make the World Cup Final in Double Trap, having already made it in Trench did just that. Good luck Russell in the final in Munich. The Gold Medal went to Mirco Cenci (Italy) 186/200, Silver to Mickey Rouse (GBR) 182/200 and Bronze to John Oppio (USA) 181/200. Steve Haberman finished in 10th position 135/150 and Steve Atkins 18th 132/150, both Michael 131/150 and Graeme 121/150 achieved their MQS. In the

Competitors in the World Cup at Fagnano from l to r: Russell Mark, Michael Diamond, Steve Atkins, Graeme Boyd and Steve Haberman.

Teams event Russell Mark, Steve Haberman and Steve Atkins shot 404/450 to win the Gold Medal by one target from the USA 403/450 Silver and Britain 402/450 Bronze. This was a very good result for Australia with Double Trap being an Olympic event for the first time in Atlanta.

On our last night in Italy we attended the Closing Ceremony so with a Bronze Medal to Michael and a Gold Medal to the Double Trap Team, the whole trip was extremely successful for Australia. Congratulations to all and a special thank you must go to Graeme Boyd from all others in the team for his effort as Team Official.

Tamworth Open Trap September 3rd & 4th

Yes, it is that time of the year again, when the Tamworth club conduct their now well established and attended open trap shoot. The Committee have worked hard again this year to attract sponsors, thus allowing the very high standard of trophies to be awarded and have actually increased the trophy/cash and sash total to \$17,000.

The Club welcomes a major sponsor in Colonial Mutual Insurance. Agency Manager Chris Walker of Tamworth supported the event last year, and this year the company have doubled their contribution. Also adding support will be Scorpio Cartridges, Simpsons Pinline Furniture, Auto Motion Automotive Repairs, and R. J. Prior Furniture. The assistance of Grace Bros — Tamworth is also a great benefit.

A vast display of trophies will be provided, and all those keen handicap shooters should put in some extra practice, because the trophies on that event alone will be over \$2,500. The Handicap winner will receive a cottage type kitchen table and chairs, 2nd a colour television, 3rd an Elna Ironing press, 4th a Volta turbo vacuum cleaner and 5th a microwave oven.

A mobile phone will also be on offer, along with linen, cartridges, electrical equipment and how could you forget the overall high gun of the mahogany dining table and six balloon back chairs, again donated by Rod Prior.

The special grade award over events 2, 4, 6 & 8 has been slightly altered for this year, being \$300 for 1st and \$200 for second, to spread it out a little more, again if a tied result the money will be split.

The club will also be offering a concession to women and junior shooters, with no discrimination of trophy allocation.

The City of Tamworth provides a wide range of accommodation from caravan parks with ensuite cabins to hotels and apartments to five star motels. For those who have not been to Tamworth for a while, you will certainly notice a marked increase in eating establishments. Anything from pub and club type bistro meals to Sizzlers, Steakhouses, Restaurant 83 and Family Food Court, both you pay one price and eat as much as you like, through to the very best in silver service dining at the Power House Motel.

The club has a large City area map in the clubhouse with almost every eating facility pin pointed for convenience of travellers. Campers are most welcome at the club, powered sites, hot showers and plenty of room, at no cost. So, make your bookings and head to Tamworth the first weekend in September for a great weekend of shooting and hospitality.

Veteran's Return to France

A glorious page of war history was re-created, when specially struck medals were presented to thousands of Allied army, navy and air force personnel involved in the D-Day landing in France.

Among the Allied veterans who received the commemorative medal, struck by the Regional Council of Normandy (France) was Gunnedah man, Cec Herbert.

The presentation took place in l'Abbaye aux Dames d Caen, which was built between 1060 and 1080 and founded by Mathilda, wife of William the Conqueror.

Mr Herbert was a flight captain in a squadron of Stirling bombers, engaged in special duty operations over France, Holland, Belgium and Norway.

Mr Herbert was despatched to England in 1943 to join a squadron of Stirling bombers engaged in high-level bombing.

The Stirling, however, were then redeployed as low level aircraft, supplying food, ammunition and personnel to resistance movements in German occupied France, Belgium, Holland and Norway in the lead up to the Normandy invasion on June 6, 1944.

"We used to drop containers, fitted with parachutes, off the bomb racks," Mr Herbert said.

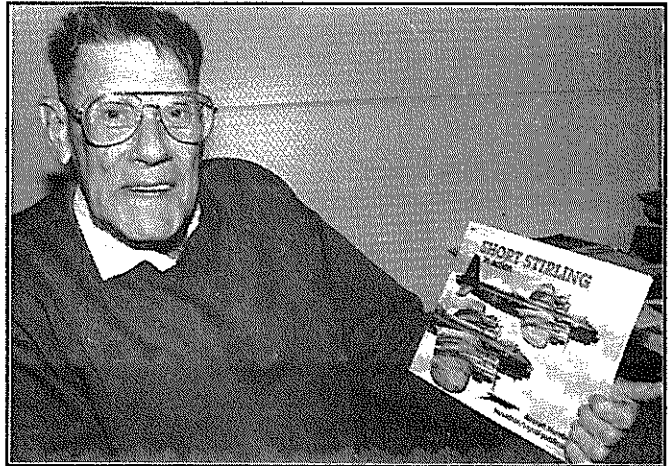

"It was an operation initiated by M15 special branch, which had made contact with the resistance groups on the continent and then trained and sent in organising agents.

There were resistance forces in each country but they operated haphazardly. This was the operation which made them all far more effective fighting forces," Mr Herbert said.

The Stirling aircraft were also used as glider towers, taking troops in behind enemy lines.

"There were three main gliding operations — D-Day of course, Arnhem and the crossing of The Rhine. I missed Arnhem, because I was in hospital, and I'm glad I did. Our squadron lost 63 planes and many others were badly damaged. It was a disaster, the last major setback of the war for the Allies," Mr Herbert said.

Flight Lieutenant Herbert flew a total of 17 missions, three before D-Day and the rest after the invasion, as the tide of the war started to turn for the Allies.

Cec Herbert's visit to France revives memories of D-Day.

"There were no Australian units involved in D-Day but a large amount of personnel, including myself, were dispersed among Royal Air Force and Royal Navy units," he said.

The 50th anniversary medals were presented to veterans and posthumously to family members during their stay in Normandy.

Mr Herbert spent 10 days in the Normandy region, attending anniversary celebrations and visiting battle sites.

"Since I Switched to a Browning, I Set Three World Records and Won Three World Championships." — Bill Roy

2 time National Skeet Shooting World Champion.

Holder of 3 National and 3 World Records including 224x224.

7 time U.S. Shooting Team member.

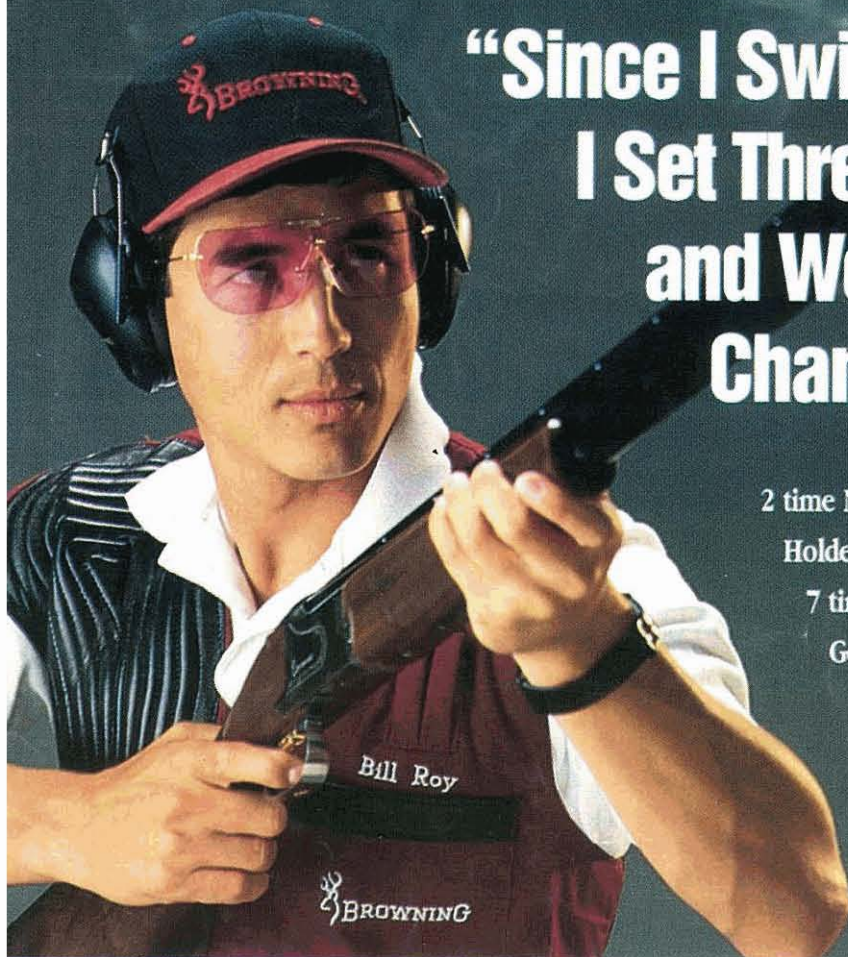

Gold and Bronze medalist in Pan American Games.

1991 United States Shooting Team Shooter of the Year.

NEW 325 Sporting Clays

Citori Lightning Sporting

Citori Special Sporting

GTI Sporting

As a young boy in central Illinois, Bill learned to shoot with his grandfather's trusty Browning Auto-5. It was this inspiration that lead Bill to go back to his roots and buy a Browning Lightning Sporting. He's now one of the hottest shooters in the world. Here's what Bill says about his Browning: "A Browning shotgun gives me an edge. It's loaded with intangibles that translate to a great feel, super looks and hard, hard bits."

Browning's new 325 has been the rage in Europe and now America. A trim forearm promotes optimum eye-hand coordination. A wide 10mm rib excels in picking up fast flying targets. Available in 12 and 20 gauge.

The GTI's extra wide 13mm top rib, ventilated side rib and special sporting clays dimensions make it quick to the point and smooth swinging.

The Special Sporting's high post rib provides an instant view of the target. A palm swell improves shooting consistency. All Browning sporting clays shotguns have a radiused recoil pad for snag-free mounting.

With its quick, rounded pistol grip, lightning style forearm and capacity for 3" magnums, the Lightning Sporting is the ticket for clay birds or flushing gamebirds. A hunting style low rib or high post target rib make the Lightning Sporting a gun for any season.

Bill sums up his feelings on Browning sporting clays shotguns: "Shooters from all over the country and world ask me why I shoot a sporting clays gun in world-class skeet competition. I always give them the same simple answer: **It's the best there is.**"

 **THE BEST THERE IS.**
