#### FRONT COVER:

The victorious Australian team, 2nd World DTL Championships, Wales.  
From l to r: Dennis Lynn, John Farrell, Bill Iles, Roger Duthie and Mark Crevatin.

## National President's Notes

### World DTL Championships

Australia's trip to the World DTL Championships in Wales resulted in some great efforts by our team, Mark Crevatin, Roger Duthie, John Farrell, Bill Iles and Dennis Lynn in winning gold in the teams event, Bill's second in the open and the outstanding shooting of junior Les 'Chippa' Chant.

Australia has made application to host the next World Championships to be held in 1997. The decision on where the next event will be, will be made in November. We have a very good chance of being awarded the event.

### Chairman: Promotion & Development Committee

Mr Robert Nugent, Chairman, Promotion & Development Committee, has handed over the chairmanship to Mr Alan Kenny, Vice President of the ACTA. This is due to Mr Nugent's commitment to his own club Roma, moving to new grounds.

Mr Nugent continues as a member of the Promotion & Development Committee, Finance Committee and Queensland member to the ACTA Management Committee.

### ACTA Marketing

With Christmas now on top of us, why not choose a gift from our range of promotional gear. A new addition to our range is the all purpose carry bag. It is exceptional value at \$30.00 (add \$5 for postage).

### Handicap Cards 1995

The ACTA Executive is revising the format of our handicap card and a new card will be issued for 1995. The new format, hopefully, will make it much easier for club officials and for the shooters themselves.

### 1995 NZ DTL Nationals

We have been forwarded a draft of the program for the 1995 NZ DTL Nationals, which will be held in March at the Waikato Gun Club (Hamilton). It will be preceded by three days of Pre-National skeet shooting, Wednesday 8th to Friday 10th March.

Saturday	11th	Skeet Teams Matches commencement of Skeet National Champs
		Double Rise Sweeps
Sunday	12th	complete NZ Skeet Grouse 50 DTL

## HISTORY and RECORDS 1936-1992

By George Biggs, ACTA Historian

This informative book details our sport of Clay Target Shooting, its beginning and development. The origin of trap shooting can be traced back to the ancient pastime of popinjay shooting, a game practiced by the ancient Greeks.

You now have the opportunity to track back to the beginning of our Association, thanks to the enormous research the author has undertaken, to present the reader with an invaluable chronicle of the Australian Clay Target Association.

— AN IDEAL CHRISTMAS PRESENT —

# 2nd World DTL Championships, Wales

**Team~Gold • Junior~Gold • Overall~Silver**

*By Glenn Woodhatch, Team Manager*

The Mid Wales Shooting Ground, Trefglwys, owned and operated by Arthur Williams, was the setting for the 2nd World Down the Line Championships. The first World Championship was conducted in 1948.

These Championships came about as a result of the ACTA in 1993 suggesting to the Clay Pigeon Shooting Association that there was a need to establish a recognised World Championship for DTL shooting. Mr Brian Carter, the then Executive Director of the CPSA, took our suggestion to the International Shooting Committee and the event was well on the way to becoming a reality.

In all 15 Australian shooters made the very long journey and participated in the event. The Championship consisted of a 250 target qualifying round, followed by a 50 target final for the top 10% of competitors in each section. The event was scored as a pointscore event and was shot five per lane. The team event was shot over the first 200 targets of competition. There were sections for Overall, AA, A, B and C grades as well as Ladies, Juniors and Veterans divisions. Teams shot for titles in Open, Junior, Ladies and Veterans sections. Entries totalled 410 shooters in all.

There were 11 individual countries represented and some 31 teams took part in the contest. Organisation was first class with each shooter shooting at some stage over all 10 traps and at a different time each day. All were aware of the time they would be required to shoot the event, this being posted on the day prior. All referees and scorers were paid officials and did not shoot, which added to the smooth running of the shoot.

Throughout the competition rain fell fairly consistently causing some discomfort, possibly more so in the car park than on the shooting track.

The Australian No. 1 team of Mark Crevatin, Roger Duthie, John Farrell, Bill Iles and Dennis Lymn shot very consistently throughout the Championship, so much so, that on the 2nd and 3rd days of competition, a very large crowd followed their every move. The teams shooting certainly impressed as they were the recipients of a standing ovation after they shot the last trap of the team event. I guess a score of 373/375 points is worthy of acclamation.

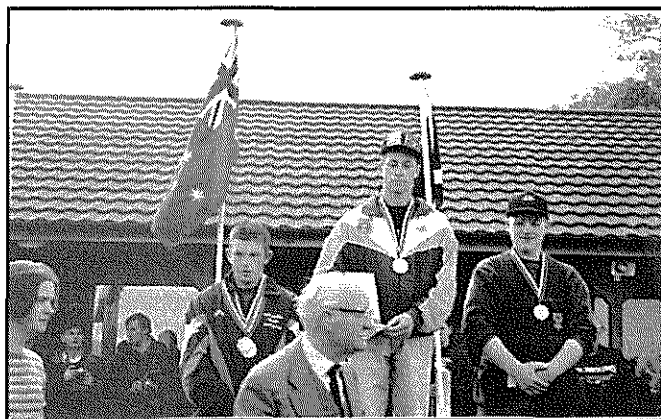

In the week prior to the Worlds, Bill Iles announced to the English he had arrived for a visit by winning the English Open 'Handicap by Distance' by shooting 100 straight from 23 yards.

The Australians went to the Championship to win the Team title, and win it they did by 11 points over the Irish A team, with England A a further 9 points down.

An outstanding achievement was that of our 'Chippa' Les Chant in winning the Junior title by, would you believe, 11 points from the red hot favourite, John McDonald, the current Open Scottish Champion.

Bill shot exceptionally well to end up with the silver medal overall and his score of 895 out of a possible 900 points speaks for itself. Mark Crevatin with a score of 888/900 finished in equal 5th AA, and our other team members were not very far behind.

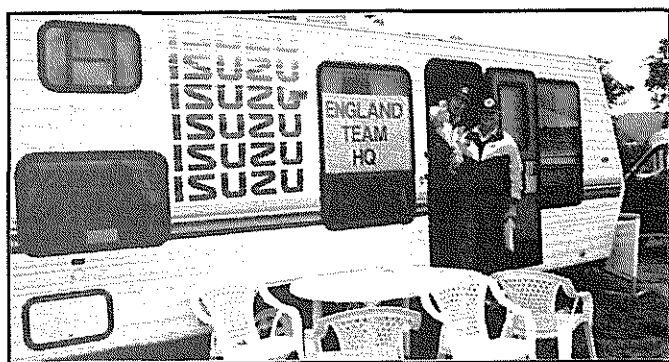

The 3rd World Championship is scheduled to take place in 1997 and I attended a meeting of the International Clay Pigeon Shooting Council and argued Australia's case for conducting the event. I am very confident that we will get to host it, but this will not be known until later this year.

This was a most successful trip for Australia and it is pleasing to see Australia achieving so much on the International arena of clay target shooting.

P.S. If you ever intend to travel to the United Kingdom to shoot, and just happen to be travelling through Singapore, please ensure you have the necessary paper work from there, it will save problems.

"I still don't know how he won!" Bill receiving silver.

# Commonwealth Games Victoria, B.C., Canada

*By M. Alexander, Team Manager*

Following the departure from Italy a group of 27 including Craig Meuleman, Graeme Boyd and myself headed for Canada via the U.S.A. Russell Mark and Ian Hale along with the remainder of the World Championship team returned to Australia.

Our first stop was the J.F.K. Airport in New York City. After clearing our luggage and firearms onto domestic, we had several hours to waste as we waited for our connecting flight to Seattle on the West Coast.

As luck would have it, a tremendous storm swept over New York and so the inevitable delays began. Finally we boarded our flight, only to sit on the tarmac for nearly 1½ hours, waiting in line for take-off.

Some five hours later we landed in Seattle where the usual panic for luggage and equipment began. It was here we suffered our only loss, with one of the Running Target competitors rifle going astray. After a full days stop over, which everyone spent sight-seeing, we boarded a Super Cat (ferry) including the returned firearm and headed for Victoria, 2½ hours away.

Our home for the next three weeks was to be the University of Victoria, conveniently situated beside the main athletic stadium and only 20 minutes by bus to the city centre. Following our registration and securing of firearms at Heals Range, Craig, Graeme and I settled in to acclimatise to the milder weather and time difference.

With Winchester Silver cartridges bought with us from Italy, Craig and Graeme were able to have several training days prior to Russell and Ian and our ammunition from Australia arriving. The grounds were in a magnificent setting, off to one side of the 1,000 metre rifle range, back against a forest of fir trees. Each discipline had two ranges specially constructed for these Games and as we arrived, the workers were putting the final touches to them.

On the 11th August Russell and Ian arrived via the Qantas Charter flight completing our team. It was at this time a similar debacle to that of the ammunition to Italy raised its ugly head in the form of a non-arrival of our consignment to Canada. On checking with the Games Transport Officer, it was found that although he had informed us (before leaving for Italy), our ammunition was already in transit, in fact no such movement had taken place. It took some five days of frustration and frayed nerves before we finally received the ammunition consignment.

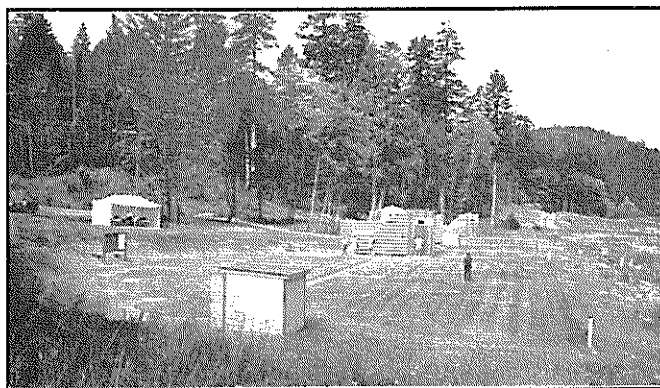

All this time only limited training could be done and this was only achieved through the generosity of Graham Ede of the New Zealand contingent. The first competition (August 15th) was the Trap Badge Match and due to the ongoing ammunition situation I was forced to withdraw Russell, with Graeme having just enough left of the NZ supply to compete. Results weren't as we wished being shot over banded clays (not as advertised full fluoro) and Graeme only carded 82/100.

Next day was the Skeet Badge Match and for the first time since our arrival it began to rain. But nothing could dampen the skeeties and at the end of 100 targets Craig, Ian and Brian Thomson (NZ) had tied on 95. A countback was applied and Brian declared 1st, Craig 2nd and Ian 3rd.

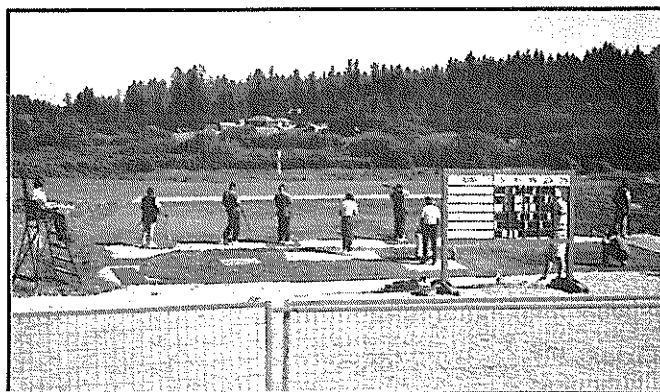

Following a lay day marked by the thankful arrival of our ammunition the Opening Ceremony took place.

Australian clay target team l to r: Graeme Boyd, Craig Meuleman, Murray Alexander, Ian Hale and Russell Mark.

August the 18th is a day that will stay in Clay Target Shooters memory as the day Ian Hale carried the Australian flag in the Opening Ceremony. The pride we felt with Ian was compounded as we entered the cheering capacity packed stadium. It really was a moving moment. The ceremony lasted several hours during which Queen Elizabeth II opened the Games and the Indian tribes of Canada performed rituals of their history.

Saturday 20th was overcast but warm for the first serious event of the Trap Pairs. Russell and Graeme now with their own ammunition felt confident and started well. Several trap problems arose as the day wore on with rounds lasting up to 35 minutes due to broken targets and slow releasing machines. At completion of the event our duo had put together a less than exciting score of 180/200. This placed Australia 6th behind Northern Ireland 188/200, Canada 187/200 and England 186/200. 'Back to the drawing board of basics'.

With another lay day out of the way it was the Skeet Pairs Match, and as with the badge match, down came the rain. Yet this did not detract from some great shooting which for the first time was over full fluoro targets. At the half way mark Australia lead by a target and were shooting well. Suddenly in Ian's final round some 'cad' pinched the lead from his cartridges and vital targets escaped through the pattern. Even with Craig's 95/100, Australia finished 4th behind Cyprus 189/200, New Zealand 186/200 and Scotland 186/200.

No one can describe the pressure that now came onto Russell and Graeme as they trained hard in preparation for the Trap Individual Event.

Both knew they were capable of a far higher performance, and called on their vast experience to improve. Unfortunately the required higher performance eluded them and both finished day 1 down the list. The second day saw both improve, but too many banded targets had landed in one piece.

The event went to 1st Mr M. Singh (India) 141/150, 2nd Mr G. Leary (Canada) 140/150 and 3rd Mr A. Alglou (Cyprus) 137/150.

So now we had only the Skeet Individual event to go and two last chances for medals. This time the weather was kind to the skeeties as Friday 26th turned into a crystal clear and warm day. Both Craig and Ian shot well and at the end of day 1, Craig led with 73/75 with Ian equal 5th on 71/75.

Saturday 27th was another clear and warm day and the excitement that had eluded us at the trap range suddenly was with us. Craig came in early with a 47/50, followed by Ian with a 48/50 and Australia had two finalists.

- |                  |               |     |
|------------------|---------------|-----|
| 1. C. Kourtellas | (Cyprus)      | 120 |
| 2. I. Singh      | (India)       | 119 |
| 3. A. Austin     | (England)     | 119 |
| 4. I. Hale       | (Australia)   | 119 |
| 5. B. Thomson    | (New Zealand) | 119 |
| 6. C. Meuleman   | (Australia)   | 119 |

Craig led the way hitting each target hard leaving only a puff of fluoro dust, eventually followed by Ian hitting them equally as hard. On station 4 Craig hiccupped and let one by, followed by another on 6 to record a 23. The last target that Ian shot will remain etched in his memory for it gave him a clear round and a gold medal.

From carrying the Australian flag to winning a Gold Medal, a dream had come true. But for every winner there are always losers and no one can take away that gut wrenching feeling one has when your best on the day was not good enough. For all the Australians watching, this is the emotion seen as Craig was the first to congratulate his sparring partner for his moment of glory.

Final results were: 1st Ian Hale (Australia) 144/150; 2nd C. Kourtellas (Cyprus) 143/150; 3rd A. Austin 143/150; 4th C. Meuleman (Australia) 142/150.

The celebrations started and it was fortunate that next day was the Closing Ceremony (late afternoon) for several nameless shooters were very late risers. For everybody the Closing Ceremony was another bag full of memories to go with the many others obtained during these Commonwealth Games.

For Ian, Craig, Graeme and myself it only left the long trip home, with Russell heading to friends in Boston for a long overdue rest prior to competing in the World Cup Finals in Munich.

# UIT World Cup Final

## Munich

The International Shooting Union, 1994 World Cup Final, a sporting highlight, was celebrated from September 7-12 on the Olympic shooting range of 1972 in Munich-Hockbrück.

Every year since 1986, world cup events have been held in which the world's ten best shooters of each discipline can qualify for the UIT World Cup Final according to a specific qualification system. Amongst the ten shooters representing seven countries successfully qualifying this system, Australia's Russell Mark acquired the right to compete in this elite World Cup Final in the Double Trap men (150 Target) event.

In addition to qualifying on the completion of the World Cup events attended during the year, Russell automatically qualified being victorious with a score of 141+48/189 at the 46th UIT World Championships held in Fagnano, Italy, ranking first of the best four receiving an invitation to the exclusive Final competition in Munich.

What began as a wet, cold day, completed with the sun shining for a very successful and happy Australian shooter, and supporter.

The competition began, Russell's first round of 46, placed him equal second with Bade, USA and was up against Pera, Italy on 49. Second round, he dropped to 6th place, after scoring a disappointing 43. If he wanted to see any medals, he had to perform.

Russell achieved a perfect 50/50 in his third round which is only the third perfect score recorded in World competition since Double Traps inception in 1988. The 50 placed him in third position for the 'finals'.

In the 'final' Russell top scored with a 47 leaving him in a three way sudden death shoot off with Lance Bade and John Oppio both from the United States. All three tied a score three points below his World Championship and Australian record score one month earlier in Italy.

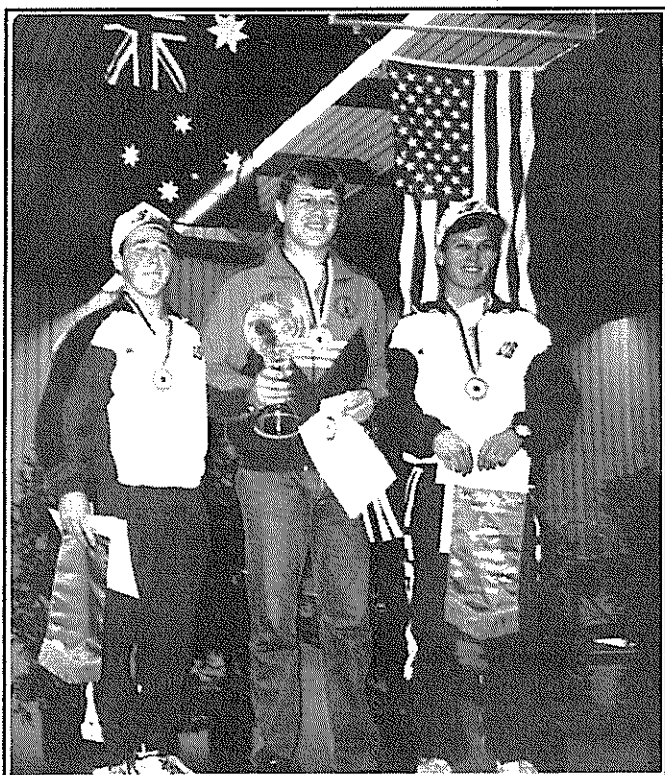

Oppio felt the pressure first on his second pair and fourteen pairs later in sudden death Bade did the same. Russell now becomes the first clay target shooter in the history of the UIT to win both the World Championship and the World Cup Final in the same year. He is the first person from the Southern Hemisphere to win either competition.

In the Ladies section, Demina of Russia scored 138/160 to win from Pusila of Finland, the current World Champion on 136/160.

Thanks to Russell's cool head, he now successfully is ranked 'Numero uno' in the world. In what ended as a very exciting nail biting final (especially for one other very proud Australian cheering amongst the American team), Russell Mark was to be presented with the 1994 World Cup Final Gold medal. In addition he received a fantastic crystal trophy to place on his mantle piece, and a personally engraved S05 Beretta with two sets of barrels. But most importantly, he has now secured a place in the 1996 Olympic Games in Atlanta.

Congratulations to Russell on a very well deserved victory.

# VCTA North West Zone

By David Flavel

The Winchester North West Zone Clay Target Championship was held at the Jeparit Gun Club on Thursday 11th August. 150 students competed, from 14 different schools.

Schools were: Donald High 5 (students), Nhill College 24, Dimboola Sec College 17, Maryborough Regional College 18, Stawell Sec College 4, Boort Sec College 4, Pyramid Hill College 1, Swan Hill College 22, Hopetoun Sec College 6, Kaniva Sec College 9, Warracknabeal Sec College 8, Horsham College 26, Chariton Sec College 1, McAuley College 5.

The weather was cold with stiff head winds and overcast. The handling of firearms was excellent from all students and could not be faulted throughout the entire day. A slight increase in attendance compared to last year was good to see, also the increase in girls, hope to see even more next year, it's not just a sport for the boys.

The results were: Overall High Gun: Nathan Cassells 19/20, Maryborough; Senior Boys: Daniel Crute 16/20, Horsham, 2nd Mark Crammins 27/35, Nhill, 3rd Troy Spencer 25/35, Stawell; Junior Boys: Ashley Bolwell 15/20, Horsham, 2nd Luke Cassells 14/20, Maryborough, 3rd Chris Bartlett 18/25, Dimboola; Senior Girls: Melanie Baker 12/20, 2nd Julie Bone 10/20, Nhill, 3rd Naomi Albracht 8/20, Dimboola; Junior Girls: Maree O'Meara 14/30, Swan Hill, 2nd Belinda Rodda 12/30, Maryborough, 3rd Tyler Lowe 7/20, Swan Hill. Winning Team: Maryborough 54/80 - N. Cassells 19/20, L. Cassells 14/20, K. Shepherd 13/20, M. Johnson 8/20.

## How to shoot better scores AT TRAP AND SKEET SHOOTING

This book, by George Biggs, explains and demonstrates the mechanics of shooting trap and skeet, and the importance of proper gun fitting and gun handling.

Also available are two video tapes, one on trap and one on skeet shooting. Each tape takes you round the trap and skeet fields step-by-step, as the coach demonstrates and explains how and what to do, shot after shot.

Book ~ \$20.00 (including postage and packaging).

Video ~ \$30.00 each tape (including postage and packaging).

# Loddon District Police Trap Club

*By Peter Beaman, Vice President*

On Saturday the 30th of July 1994, the Loddon District Police Trap Club held a shoot at the Bendigo Gun Club grounds at Woodvale. This day being the fifth Saturday in the month and we were hoping not to clash with any of the regular shoots in the district.

We were due to start at midday but the rain had settled in, (the first time for five weeks I might add, and it hasn't rained since) however shooters being true to the cause lined up for the first event, the 25 target Pointscore sponsored by Armaguard. The rain was the winner here with no possibles being shot. A grade and Overall was won by Gary Cassells with 73/75, 2nd W. Calaby 129/132 and 3rd T. Psaila 128/132. B grade was won by D. Hansford 72/75, 2nd was J. Dunn 78/84 and 3rd L. Igoe 77/84. C grade was won by M. Brady 65/75, 2nd was B. Williams 64/75 and 3rd K. Daniel 68/75.

The next event was 25 target Single Barrel sponsored by the United Kingdom Hotel. The rain persisted but then so do the shooters, we were slowly winning the battle, Ossie Hayek and Tony Psaila both shooting possibles. Ossie eventually took out A grade and Overall with a score of 38/38, 2nd Tony Psaila 37/38 and 3rd W. Calaby 28/30. B grade was won by L. Igoe 24/25, 2nd S. Anstee 23/25 and 3rd J. Harbottle 22/25. C grade was won by G. Maunder 20/25, 2nd C. Visintin 19/25 and 3rd Bill Williams 22/29.

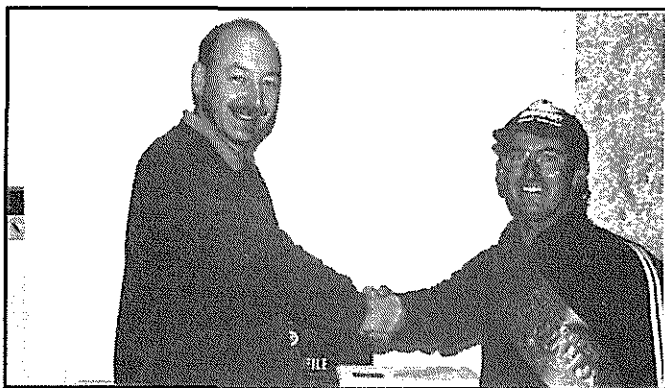

The last event was the 25t Double Barrel sponsored by Mulwex. Eight shooters beat the rain on this occasion with possibles. Terry Boucher ran out winner in A grade and Overall with 63/63, 2nd David Bertalli and 3rd Tony Psaila. B grade was won by Richard Chipperfield 31/32, 2nd was S. Anstee 30/32 and 3rd D. Hansford 29/31. C grade was won by C. Visintin 23/25, 2nd was G. Miles and 3rd Bill Williams.

The Ladies trophy, which was kindly donated by Thomas the Jewellers was won by Jan Woodhatch. The Junior trophy was won by N. Cassells and the Veterans trophy by Jack Matthey. The Overall High Gun Trophy which was generously sponsored by Winchester was won by Tony Psaila with a score of 122/125.

On behalf of the Loddon District Police Trap Club, I would like to thank our generous sponsors named above, and all the 45 shooters who braved the wet and windy conditions.

*Len Igoe, with Junior High Gun winner Nathan Cassells.*

*Open High Gun winner Tony Psaila is congratulated by Len Igoe, President of Loddon District Police Trap Club.*

*Ladies High Gun, Jan Woodhatch and Len Igoe.*

*President LDPTC Len Igoe, with Veteran High Gun Jack Matthey.*

# VCTA South West Zone

*By Jack Matthey, SWZ Secretary*

The South West Zone of the VCTA in conjunction with Winchester held its' annual School Students shoot at the Noorat Gun Club on 31st August 1994. A total of 163 students attended and competed in the different sections.

Champion shooter Glenn Hayden, Rod Laidlaw from Winchester, and a host of teachers, Noorat Gun Club members and SWZ members were in attendance and helped with the smooth running of the championships. Host for the day was SWZ vice president Len Cook, who kindly filled in for president Keith Vagg who was unable to attend.

Sixteen schools had students competing and to the following schools the zone sends a special thanks for conducting and fostering firearms awareness: Bainbridge College, Hamilton, Mortlake Secondary College, Beaufort Secondary College, Macarthur Primary School, Derrinallum Secondary College, Lake Bolac Secondary College, Emmanuel College Warrnambool, Colac Tech College, Brauer College Warrnambool, Terang High School, Cobden Tech College, Warrnambool College, Hamilton College, Monivae College Hamilton, Corio Commercial College, Colac High School.

Results of the competition: Overall Champion Ben Palmer (Monivae), 1st Snr Boy David Kranz, 2nd Brad Sexton, 3rd Craig Kidd; 1st Snr Girl Selina Huft, 2nd R. Coates, 3rd K. Toohey; 1st Jnr Boy B. Dyson, 2nd B. Thomas, 3rd L. McLennan; 1st Jnr Girl Y. Schurman. Winning Team: Colac Tech - R. Brain, T. Holt, S. Swayne, M. Holt.

The zone would like to thank the sponsors, Winchester and the Noorat Gun Club for providing the venue for the shoot, and all those people who helped on the day.

*All of the winners at the S.W. Zone School Shoot (winning team at rear), with Winchester's Rod Laidlaw, Harold Lloyd and Len Cook.*

## Mount Isa Gun Club

Jetset Travel and the Mount Isa Gun Club, a strange combination you may think but certainly an effective one and Sunday September 11 proved it with the excellent standard of competition in the Jetset Travel sponsored monthly clay target shoot.

In conditions that could only be described as ideal some of the best shooters in the north west showed what they could do. Mick McGill and Rod Cusack shared top spot in the opening Ball Trap event with scores of 23/25 and Gary Quan Sing was placed third with 21/25.

The Jetset Travel Skeet Handicap was the second event to be contested and the fifty target event was taken to a further 31 targets to decide the placings. The final results were Kevin Streeter first, Trevor Bennett second, and Ron Power, who shot himself from C grade to A grade in the process, finishing in third place.

With the mornings events over, lunch was served and once again our thanks go to Myrtle Anderson, who not only does a sterling job in the kitchen, but also finds time to shoot at a high level of competitiveness.

Judging by the performances so far the Jetset Travel Double Barrel Challenge was not going to be won easily and that certainly was the case. After a gruelling 100 targets Rod Cusack emerged victorious overall and in A grade with a perfect score of 100/100. Mick McGill was in the running until the final 25 but a momentary lapse of concentration saw him drop a target and settle for A grade second with 99/100. Mick Coleman put in an excellent effort to claim first in B grade with 96/100 leaving Ron Power in second with his score of 82/100. Two new shooters, Trevor Holley and Peter Ponting dominated C grade and finished first and second with scores of 79/100 and 71/100 respectively.

Peter Ponting, who was shooting in his first shoot as a member, drew the privilege of shooting for the club jackpot but unfortunately he failed in the attempt to clean sweep the designated targets and the jackpot will increase for next month.

As the members had done all the shooting so far, it was time for the novices to show what they could do and at the conclusion of ten targets Sam Edmonds was the winner with 9/10 closely followed by Anne Coleman who scored 8/10. However it was Trudy Lyons, the Manager of Jetset Travel Mount Isa, who epitomised what the sport is all about. Trudy didn't shoot an excellent score but the look on her face said it all. This is fun !!!

*Overall champion, Ben Palmer responding after the presentation as Geoff Coverdale and Len Cook look on.*

## COBAR 1966

(an extract from that time)

A Narromine man made clay target shooting history at Cobar at the weekend when in a series of competitions, shooting from varying distances and finishing up under flood lights, he set up an Australian record that experts believe may never be broken.

He is Kevin Heywood, Narromine farmer and grazier, who shot a total of 501 clay targets and was still going strong when the competition ended.

The program at Cobar included the State Team elimination and was attended by a large gathering of shooters from all over the State, including professional representatives of shot-gun cartridge manufacturers.

The State elimination is a 50t event with the shooters standing 18 yards behind the trap house. Kevin made the team and scored in the top 10. The next event was a \$400 handicap of 40 targets double barrel. Kevin shoots from 27 yards, that being the maximum mark. He missed his first target in this event and ended up with a score of 39/40, which is an outstanding achievement from 27 yards. After missing he went on to shoot the other 39 and began to accumulate the greatest unbroken score that has ever been put up by a shooter in Australia in the one day.

Next on the program was the Far Western District Double Barrel Championship. 20 targets from 16 yards. Fifteen shooters scored 20/20 and continued to shoot on 'miss and out'. Ninety minutes later there were three left: D. Scowcroft (I.C.I.), P. Burgess (Cobar) and K. Heywood. Scowcroft missed his 354th target and retired with third place. Heywood and Burgess continued shot for shot until it became too dark. It was then decided to finish it under flood lights using white targets.

A delay of 45 minutes ensued while waiting for it to become dark enough to allow targets to be seen clearly under flood lights. Upon continuing Burgess missed his 384th target making Heywood the winner with 384/384. This score is an Australian record for the number of targets shot by a shooter in one event.

The last event on the program followed. 15 targets from handicap. Kevin got them all, making a total unbroken score of 436.

The record for an unbroken score on the one day at this stage was 452 held by Newton Thomas, a cartridge demonstrator for I.C.I., who might well be called the 'great white father' of clay target shooting in Australia.

In view of this the Cobar club decided to stage their club double barrel championship. 20 targets from 16 yards, to give Kevin a chance to beat the record. He shot the 20 targets and went on to win it scoring another 35 in the shoot off, giving a total unbroken score so far of 491.

At this stage everyone wanted to see if he could make it to 500 so the club put on another event of 10 targets sweepstake off handicap.

Kevin shot the 10, making a total of 501 and making a record that will stand for a long time, and possibly never be broken.

Thus ended a wonderful exhibition of shooting not only by Kevin, but by Scowcroft and Burgess, who had the ability and staying power to run him so far in the championship.

There was no more time for further events so it was not possible to see just how many more he would have got before missing one.

# Something new for Shoalhaven

By Mud Duck

## Simulated Field Clay Target Shooting

The Shoalhaven Gun Club has staged its first two shoots of this type. The club members have worked hard to put together one of the best field shooting layouts in New South Wales with its natural bush setting. The club offers a great variety of targets to hold the interest of any keen hunter while staging competitions and offering good prizes.

The club held its first Sporting Clay shoot on June 26. The day dawned perfect, after a good night around the fire for four keen campers who had to endure the Presidents old shooting stories.

25t CD: A: L. McIntyre 21/25; B: J. McMillan 21/25; C: B. Parker 16/25; D: W. Schrieber. 50T TROPHY SHOOT: OA: L. McIntyre; A: R. Ehlers; B: L. Cook; C: P. Schrieber; D: W. Schrieber.

The Berry Scouts helped out with operating the traps on the two days and received a donation for their group.

Because of the abundance of time it was an enjoyable and social day for all, with some visitors from Illawarra, Batemans Bay and Shoalhaven.

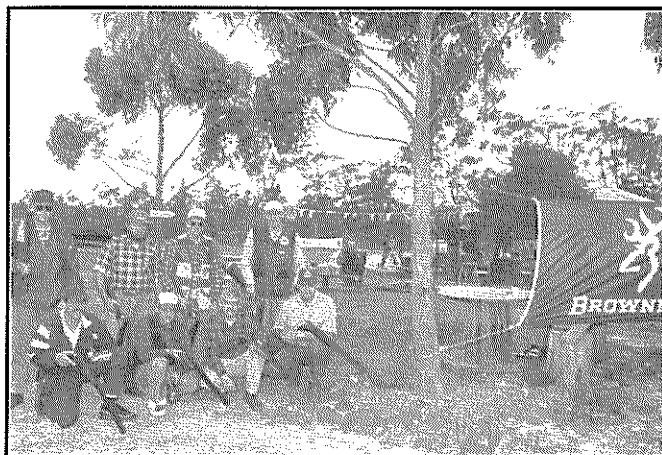

The second shoot, one month later, was a bit touchy with the weather as it rained all day Saturday, but Sunday cleared for a beautiful winters day and the competition began.

With around 30 shooters arriving from as far away as Sydney, Illawarra, Ulladulla, Batemans Bay and Shoalhaven, it was going to be a great day.

25T CD: A: L. McIntyre; B: J. McMillan; C: P. Schrieber; D: W. Schrieber. 50T TROPHY SHOOT: OA: L. McIntyre 48/50; A: J. Simon; B: J. McMillan; C: P. Schrieber; D: W. Schrieber.

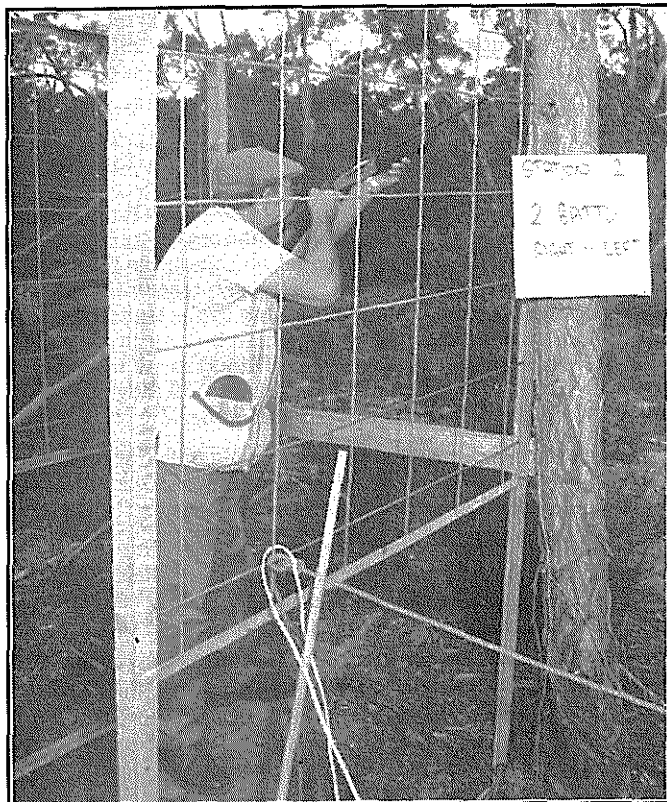

Full results of both shoots are in the shoot report section of this issue. The club members were very happy with the results and hope to stage this type of shoot several times a year.

The Shoalhaven Gun Club is holding the Sporting Clays Southern Zone Championships in April 1995, come and try your luck and have a great weekend. Phone L. Cook (044) 22 1502 for details.

# International Shooting Union

The International Shooting Union was originally founded in 1907 and reorganised in 1921 to become the Union Internationale de Tir. The I.S.U. is formally recognised by the International Olympic Committee as the sole controlling body of Amateur Shooting Sports at international and worldwide levels of competition.

The Union members are those National Shooting Organisations which are recognised and affiliated with their National Olympic Committee and currently represent 109 different countries.

U.I.T. World Championships are conducted every four years, usually two years after the Olympic Games. Shooting events for which World Championships are conducted include 300 metre rifle, smallbore rifle, pistol, running target and clay target (trap and skeet). The 1991 World Shotgun Championships were conducted in Perth, Western Australia.

## Background and History of the Olympics

*By George Biggs, ACTA Historian*

Australia's first crack at Olympic Games Shotgun Shooting took place at the Melbourne Olympic Games in 1956. It was our introduction to International Clay Target Shooting, we fielded a two man team and gained quite a lot of experience in many ways. The event at that point in time was at trap shooting only. International Skeet came to Australia in 1973 when the World Moving Target Championships were staged in Melbourne, 28 countries competed in both Olympic Trap and Olympic Skeet events of 200 targets per shooter each event.

## History of the Modern Olympics

*(with thanks to the National Sports Information Centre and Australian Sports Commission)*

The revival of the Modern Olympics was the brain child of the Frenchman, Baron Pierre de Coubertin. He believed that international competitions between amateur athletes would help promote friendly relationships between people from different countries. Despite strong opposition in 1894, de Coubertin assembled 79 delegates from 12 countries to attend the interna-

tional congress for the re-establishment of the Olympic Games. It was unanimously decided to hold the first modern Olympics in Athens in two years time.

The Athens Games of 1896 were a great success. The Olympics had returned to the land of their birth. On April 5th the Games were opened by King George of Greece, in front of a crowd of 60,000. The first competition of the Modern Olympics was the first heat of the 100m which was won by Francis Lane (USA), in a time of 12.5 sec. American James Connolly was the first Gold Medal winner when he won the triple jump with a jump of 13.71 metres. Australia's lone representative, Edwin Flack, a 23 year old accountant working in the United Kingdom, became not only our first Olympian but our first Gold Medal winner. Flack won the 800 and 1,500 metre track events. He was also leading the marathon until fatigue forced him to withdraw around the 37 kilometre mark.

The next Games were held in Paris and St Louis but unfortunately were overshadowed by the Paris Universal Exhibition and the Louisiana Purchase Exposition.

Interim Games were held in 1906 in an attempt to revive the flagging Olympic movement. These Games were held in Athens, but were not numbered in sequence. Twenty countries attended and the Olympic concept was put back on track.

1908 in London saw the best organised Games so far. The International Olympic Committee (IOC) had decided in 1907 to award medals to the first three places in all events. This was followed on successfully at Stockholm in 1912, where electrical timing equipment was used for the first time in running events.

After World War I the resumption of the Olympics in 1920 at Antwerp saw the first Olympic flag unveiled in front of the 29 nations who participated. The concept of the Olympic oath was also introduced.

In 1924 the Games were held in Paris and saw an enormous increase in the number of competitors — 4,000 from 44 nations. It was the first time all sports were being organised by their international governing bodies.

For the 1928 Games in Amsterdam the Dutch architect, Jan Wils, designed the latest in arenas. At these Games, the burning of the Olympic flame throughout the competition, the release of doves at the Opening ceremony to symbolise peace, and the erection of a large results board were seen for the first time.

In 1932, Los Angeles provided a purpose built village, a vast stadium and an operating profit to host the most successful Games to date. The use of photo finish equipment was also introduced in track events to decide close finishes.

The 1936 Games of the 11th Olympiad were held in Berlin, where the most politically motivated Games on record took place. Although the facilities were even more lavish than in Los Angeles the Games were no sooner established as a world event, than they were stopped again for war.

The 1948 Olympics were held in London. Germany and Japan were not represented, but 59 countries attended.

In 1952 the Games of the 15th Olympiad (the 12th set because of the wartime cancellations), were held in Helsinki with Japan and Germany readmitted. This was also the first appearance of the Soviet Union.

Melbourne was the site of the Olympic contest in 1956. The threat of war in Hungary and Egypt caused five nations to withdraw their teams but did not interfere with the scheduled events. For the first time at the closing ceremony the athletes from all countries entered the stadium together, symbolising the friendship of the Games. The idea came from John Wing,

an Australian born Chinese boy, in a letter to the chairman of the organising committee.

The 17th Olympiad in 1960 in Rome was not affected by any major political disputes, and went ahead as planned.

The 18th Olympiad in Tokyo in 1964 was the first to be celebrated in an Asian country. This Olympiad was not affected by the decision of the International Olympic Committee to exclude athletes from South Africa because of the practised policy of racial separation already active in that country. However the following Games in Mexico in 1968 only proceeded after threats of a boycott by African, Black American and Soviet block countries to force the continued exclusion of the South Africans.

Munich in 1972 was interrupted by a violent attack on the Israel compound by Palestinian terrorists during which 9 Israelis, 5 terrorists, and a West German policemen were killed.

Boycotts again plagued the Games of the 21st Olympiad in Montreal, when most of the African countries withdrew their athletes because of an earlier tour of South Africa by a New Zealand football team.

The 22nd Olympiad of 1980 in Moscow lacked the participation of the athletes of the United States and at least 35 other countries in a protest against the Soviet invasion of Afghanistan.

In 1984, the Los Angeles Games were attended by the Chinese for the first time since 1952, but the Soviet Union and most of its allies withdrew their athletes, alleging insufficient security.

No major political disputes marred the 24th Olympiad of 1988, when the Games were held at Seoul. The 1992 Games, celebrating the 24th Olympiad were hosted by Spain in Barcelona and all nations participated with the spirit of the Olympics.

### Maradona positive — timely warning for all athletes

The Australian Sports Drug Agency (ASDA) said the announcement by Federation Internationale De Football Association (FIFA) that the recent positive test result involving Diego Maradona serves as a timely warning for all athletes.

Soccer star Maradona returned a positive test result for the banned stimulant, ephedrine, which is found in common medications. In a similar fashion many commonly available medications, including cough and cold medications Sudafed and Codral cold and flu tablets, contain banned substances.

This news comes as a timely reminder to Australia's athletes, that they are responsible for determining whether any medication they use contains banned substances.

ASDA, regarded as having one of the most successful education programs, has a number of services and resources to assist athletes and others to find out such information. These include:

**Drugs in Sport Handbook** — A special booklet listing permitted medications by generic and brand name. The booklet also provides information on drug testing procedures and inadvertent doping.

**ASDA Hotline** — By calling the Hotline Number 008 020 506 between 9am-5pm Monday to Friday, athletes can ask if medications they are taking, or have been prescribed, are banned or not. It is not necessary to provide names and all calls are treated confidentially.

**Wallet Card** — ASDA has produced a wallet card for athletes listing some of the permitted medications (without prescription) that athletes can take for common health problems e.g. asthma, allergies, hayfever, diarrhoea, vomiting, pain/inflammation, colds and coughs.

ASDA resource material can be obtained by phoning ASDA on (06) 281 1822. For more information contact:

# Tamworth Open Trap to Merrick

By Jenny Burt, Secretary

Cessnock shooter Ian Merrick may not have won an overall trophy in any of the eight events conducted over the two days of the Tamworth Open Trap Shoot, but, he took home the one that counts, the Overall High Gun Mahogany Table and 6 Balloon Back Chairs. His score sheet read like this - 25t DB (24/25), 30t DB (30/30), 30t Champ of Champs (50/50), 30t Pointscore (89/90), 25t Handicap (25/25), 15pr Double Rise (30/30) - Total Score 303/305.

Breathing right down his neck was Bill Eagle who finished on 302/305, along the way Bill established two breaks of over 300 each, Jason Jolly put together a break of over 600, John Blazley went over 300, Fil Petriella also went over 300, Steve Atkins fell two short of a 100 break off handicap, still a great effort from the back mark.

Again this year, Sunday morning required a 6.30am start to clear the back log of shoot offs from the previous day, and to those shooters who made the effort the organisers are certainly grateful. Although a little down, the 120 attendance figure is considered a great effort considering the financial climate of the country at present. To the huge Victorian contingent who support us so well every year, we cannot thank you all enough.

Our sponsors - there is no way possible that thank you is sufficient - this shoot would be nothing like it is without your great support, this year we had: Scorpio Cartridges, Colonial Mutual Insurance, Simpson's Pinnacle Furniture, Fosters Firearms, Auto Motion Automotive Repairs, and last but by no means least, Rod and Naomi Prior of R.J. Prior Furniture (Tamworth).

The organising committee have already had their 'post mortem' meeting, and ironed out the bugs that crept in. Having been allocated the 1995 Commonwealth Day Double Barrel Championship, the program format will need to be changed for next years event, possibly three events each day in place of the present four, but still retain the same number of targets each day, this also could cut down on the shoot off time (maybe !!!).

To all those shooters who offered assistance, to get little jobs done, we thank you also, to the shooters who took the time to write and thank us for a great weekend, it certainly makes the exhaustion go away. To all the club members and helpers who worked so long and hard to get everything ready, thank you too. I am sure that anyone who has actually run a shoot of this size will fully appreciate the end results.

Ian Merrick — Overall High Gun winner.

President Peter Holmes congratulates Bill Eagle on one of his many wins.

First event on Saturday was 25 target double barrel cash divide, those to pick up a little extra were too numerous too mention.

Event two was the 30 target Country Capital Double Barrel Classic and there were 33 possibles. The Overall winner was determined sometime on Sunday, Bill Eagle with 287/287, from Fil Petriella 286/287, 2nd AA was Steve Atkins 240/241. 1st in A grade was Gerald Camilleri 74/75 from Les Moore 73/75, James Adamopoulos was the B grade winner with 66/66 from Mick McPhee 65/66, Terry Saville returned 33/35 to take C grade from Robert Jones.

Scorpio Cartridges were the sponsors for the 30 target Country Capital Champion of Champions and 13 shooters recorded a possible 50/50. The overall winner again was Bill Eagle with 324/325, from Jason Jolly 322/325 (both missed the same target, didn't they!!) Arthur Turner was 2nd in AA with 198. Craig Bishop from Bega was 1st in A grade with 82/83 from Phillip Allen of Upper Hunter. C grade was taken out by Chad Vernon on 47/50 from Doug Baker 43/50.

The last event on the Saturday was the 25 target Double Barrel Continental which was sponsored by Colonial Mutual Insurance of Tamworth and Jason Jolly went home with the spoils, after returning 89/89, 1st AA was Tom Turner 88/89 from Robert Dale 70/71. 'Frog' McInnes won A grade with 71/72, from Ramon Bertoncello on 68/69, Moree regular, Bruce Ping-Kee was the winner in B grade with 32/33 from Gordon McDonald from Griffith. 'C' grade went to Doug Baker on 25/25 from Chad Vernon 25/28.

The two person teams event was conducted over Saturdays events, and the winners were Arthur Turner and Steve Atkins 259/260.

Sunday got underway very early, but still didn't put the stop to long shoot offs, the first event being the 30 target Loomberah Valley Double Barrel Classic and 38 shooters recorded the possible. The overall winner was Newcastle shooter, John Blazley 322/322, from Jason Jolly 321/322, 2nd in AA grade was Bill Eagle 307/308. Adam Swadling took out A grade with 122/123 from John Procopiou. Paul O'Neill won B grade from Norm Hinds. In C grade Ian Greenwood recorded 28/30, from Robert Jones 29/31.

The 30 target Country Capital Point Score Classic was the next event and five hardy souls recorded a possible 90/90. A very happy Bob Rose was the overall winner with 132/132 (you can now contact him on his new mobile phone!), 1st in AA was Tom Turner (Snr) 129/132 from John Blazley 122/123. Inverell visitor, Russell Rolfe was the winner in A grade with 90/90 from Ludwig Kohler, James McCloy from Taree was the B grade winner from Bob Bertoncello. Chad Vernon picked up another trophy with 83/96 from John Koolbanis on 80/96.

President Peter Holmes congratulates winner of DB Classic, John Blazley.

The 25 target Trophy Handicap sponsored by Simpson's Pinnacle Furniture was going to be the 'one to sort them out' - but 19 possibles hit the board. From the 22 mark, Steve Atkins was first with 98/98, from Bob Christopher (20m) 97/98, 3rd was Steve Osbourne (20m) 89/90, 4th place went to Craig Bishop (18m) 77/78 and fifth place was Ian Merrick (21m) 65/66.

The final event for the weekend was the 15 pair Double Rise Championship, sponsored by Fosters Firearms of Tamworth. The overall winner was Bill Eagle with 40/40, 1st AA grade was Ian Merrick 39/40, from Roger Vidal on 48/50. 'Frog' McInnes returned 27/30 to take A grade from Don Eastaway on 26/30, B grade went to Mick McPhee with 27/30 from Adam Saville 35/40, C grade was won by Ian Greenland from Doug Baker.

The Special Grade Award conducted over events 2, 4, 6 & 8 had cash going to, AA grade, Ian Merrick \$300 174/175, Bill Eagle \$100 173/175, Robert Dale \$100 173/715; A grade 'Frog' McInnes \$300 169/175, Col Loughrey \$200 167/175; B grade Mick McPhee \$300 165/175, Bob Bertonecello \$200 163/175; C grade Chad Vernon \$300 148/175, Doug Baker \$100 145/175, Ian Greenland \$100 145/175.

Team events conducted on the Sundays events saw Cessnock take out the Country Capital Presidents Cup for four person teams over events 5, 6 & 7. Those in the team being Tom Turner (Snr), Tom Turner (Jnr), Ian Merrick and Mick McPhee, their score 569/580.

The Country Capital Shield for 5 person Club Teams over event 6 was won again by the Geelong team of Bob Christopher, Phil Grainger, Kevin Wright, Graeme Smith and Jason Jolly 439/450.

The Grade High Gun awards, sponsored by Ross Freestone of Auto Motion, the winners receiving a case of Winchester shot shells - AA grade Bill Eagle 302/305; A grade 'Frog' McInnes 292/305; B grade Mick McPhee 291/305 and C grade Chad Vernon 265/305. The Veteran High Gun winner was ever-green Harry Somers from Guyra 241/305, Junior winner was Jai Saville 278/305, both received a case of Scorpio shells. A very popular winner in the Ladies High Gun - Kylie Pickles 248/305, and the overall winner was Ian Merrick 303/305.

And so the shutter comes down for another year, almost, a couple of months rest and the planning starts all over again. The club would really like to encourage more C & B grade shooters to this event, something the committee will be working hard to do for next year. Again, thank you to all the shooters who travelled so far and made the shoot the success it was, the kitchen ladies, bar staff, trappers, everyone - THANK YOU. Don't forget - first weekend in September next year.

## Editor's mailbox

Dear Graeme

I would like to thank, through the pages of the CTSN, the many members of the Australian Clay Target Association who have passed on their congratulations for my success at the recent World Championships in Italy and the World Cup Final in Munich. I would also like to thank yourself and the staff in the ACTA office for making many of the arrangements for these competitions which often go unnoticed.

Australia is currently enjoying a very high profile in the UIT events internationally, and I am sure with many of the high class junior competitors that are now being developed within Australia, that the overseas recognition in future years will continue.

Finally I would like to thank Murray 'the pitbull' Alexander for his help behind the scenes over the past few months. I am certain that the amount of personal time he has spent organising the team will have convinced him never to apply for the managers job again.

Yours sincerely  
Russell Mark

## Wonthaggi Gun Club

Jana Kent, 14, of Wonthaggi, with \$27 and \$120 wall clocks, prizes in three grades in a new event at Wonthaggi, Victoria, to be shot on November 5. The event is the Jeph Kent Memorial of 50 points.

Jeph, 67, Jana's grand-father and a farmer at nearby Bridge Creek, died last year.

He was Wonthaggi Gun Club vice-president and a long time member. His three sons and son-in-law have been, or are, president or secretary of the club.

# 1994 Crayfish Carnival

July 30th & 31st, 1994

Dexter Barnes from the Melbourne Gun Club had a brilliant weekend at the recently held Geraldton Gun Club's Crayfish Carnival scoring 286/295 to win the Overall High Gun.

The Carnival opened with a 25 Cash Divide with 25s going to David Fox, Matthew Shipp, Laurie Patterson, Ray McDonald, Neil Yates, David Walker, Eric Maley, Ross Silvester, Lambert Jackson and Dexter Barnes.

The second event of the day was 50 DB Inshore Electronics Championship with the overall winner going to John Coverley with 57/58 from the Collie Gun Club. First in AA/A was Joe Dizinno with 63/65 with the WAGC, first in B grade was Jim Chandler with 48/50 and Greg Jackson 45/52 finished first in C grade, both were from Geraldton.

The third event was 25 PS District Championship where Don Forward won the overall with an impressive 78/78 from Dexter Barnes 77/78 who took first in AA/A as a result. Arthur 'Banjo' Patterson from Collie took B grade with 73/75 and Gavin Toomey from Geraldton took C grade with 68/75.

The final event on Saturday was the 25 DB Crayfish Carnival Graded with Pieter Muntz from Edgehill Gun Club taking first in AA/A with a fine 71/71. Mark Hatch took B grade with an impressive 25/25 and Gavin Toomey took C with 24/25 both from the Geraldton Gun Club. The Ladies was taken out by Elaine Forward with a 20/25 from Katanning. The Veteran category was taken with delight by Ray McDonald with 27/28 and Matthew Kelly shot 22/26 to win the Junior section, both were from Geraldton.

A sash was awarded to the best overall score over the Saturday program, this went to the impressive Dexter Barnes with a fine 172/175.

The Sunday program started with 10 SB Pages Special which was won by Wayne Jackson with 18/18, formerly of Collie, but now firmly in the Geraldton region.

The sixth event was the 25 SB District Championship taken out by Matthew Shipp from the WAGC with 32/32 after a brief struggle with Eric Maley who took AA/A with 31/32 from Northam. John Griffiths took B grade with 23/25 and the improving Matthew Kelly took C grade with 23/25, both from Geraldton.

The seventh event was the State Mixed Target Championship where Allan Hocking hit form to win with 70/74 from Dexter Barnes 68/74 who took first place in AA/A. Don Forward fought hard to win B grade with 56/60 and Phillip Patterson from the WAGC overcame opposition to win C grade with 52/60. Kurt Schinzig from Bunbury took the Veteran's category with 64/74 and Lil Hilsz took the Ladies with 46/60 and Matthew Kelly 45/60 took the Juniors, both shooters from Geraldton. The Three Man Teams novelty was contested on this event with the winners being David Fox, John Coverley and Neil Dowey.

The final event of the Carnival was the 25 DB Crayfish Carnival Handicap with the overall winner being Simon Hadlow off 15m who scored 42/42 from the Eastern Goldfields. Guy Morris from Geraldton won the 11-15m group with 28/29 and Arthur 'Banjo' Paterson won the 16-17m group with 30/31. David Knight won the 18-19m group with 41/42 from the WAGC. Peter Strike showed some rare form with a fine 34/35 to take the 20-22m group. The Ladies was won by Elaine Forward with 21/25, the Veterans went to Alan Brown with 23/25 and Glenn Cook from Narrogin won the Juniors with 18/25.

The Crayfish Carnival Poker which is based on the number of 25s a shooter can get in five allocated rounds. Terry Fraser managed to get 3 consecutive 25s in the five rounds and won himself \$300. Michael Boschetti was the only one to get two consecutive 25s and took out \$100. In the other categories, one single 25/25 out five rounds was worth \$5.80, two 25s, but not consecutively was worth \$11.10 and three 25s but not consecutively was worth \$33.30.

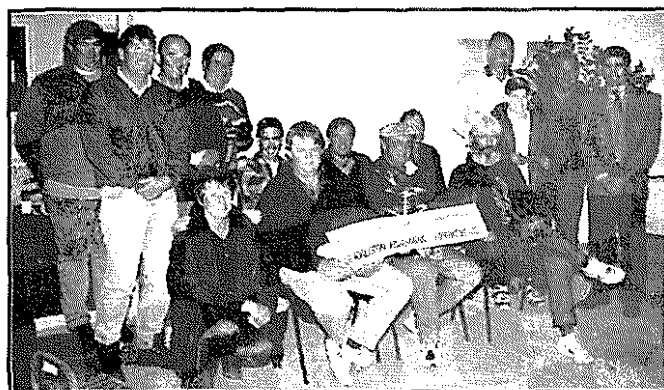

The club also ran its Shooters Jackpot which was eventually won on Sunday by Geraldton's own Greg 'Jacko' Jackson, he won a staggering \$416 for shooting 5 targets from 17 metres.

The Ladies High Gun winner for the Carnival was Elaine Forward with 234/295 from Katanning. Kurt Schinzig from Bunbury shot 263/295 to win the Veterans High Gun. Guy Morris from Geraldton had an interesting battle with Matthew Kelly to take the Junior High Gun with 232/295. The Overall Carnival High Gun winner was Dexter Barnes with a fine 286/295 from the Melbourne Gun Club.

The Geraldton Gun Club wishes to thank the sponsors, ladies and the shooters for a magnificent weekend. A list of results are provided in the shoot report section of this magazine.

## A.S.S.A. News

By Jenny Burt, Secretary

It has been a couple of months since our last report, due to the arrangements for the 1995 A.S.S.A. Open Shoot, still being underway. However since our last meeting held at Wagga during the NSW State Skeet Carnival, the location and date for our 1995 Open has been established.

The Cecil Park Club in Sydney will be the venue and the dates will be 6th, 7th, 8th & 9th of July. These dates were selected following a lengthy process of trying to establish all major skeet shoots in the eastern states, and also due to requests, that the shoot be in the school holidays.

So start planning - the Cecil Park club are very eager to welcome us and will be working in conjunction with the A.S.S.A. Committee to see that it will be yet another great shoot.

The A.S.S.A have held two meetings so far this year, with a third planned for the Queensland State Titles (now only a week away as I write). The first meeting for 1995 will be at the Tamworth Open Shoot in February, and there will be one at each of the State Carnivals in Victoria, NSW and Queensland.

There will be an end of year newsletter coming out - contributions, funny bits, items worthy of note, would be greatly appreciated (PO Box 836, Tamworth, 2340).

I will again be endeavouring to re-establish at least two representatives in each state, to assist with memberships, collect information and so on. If you are interested, please feel free to drop me a line.

Distance is our big problem, and keeping in contact with everyone is a very costly business, but thanks to the A.C.T.A. we can submit this report each month or so, please watch out for it, and note details contained therein.

Also in the pipeline is a skeet calendar, containing open events for 1995, which I hope to have in some sort of order to go out with the end of year newsletter.

Until next time, good skeet shooting.

# Leonora's Gold Nugget 2 Day Shoot

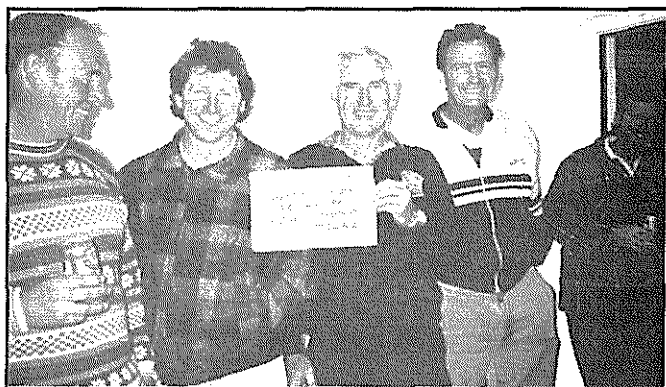

The annual Leonora Gun Club Gold Nugget Shoot was held over the weekend of September 10th and 11th 1994 and shooters travelled all over this vast state to compete for gold nuggets and trophies to the value of \$15,000.

For those of you who don't know where Leonora is, it is a small country town about 900km from Perth, situated in the North Eastern Goldfields which is part of the richest gold mining areas in Australia.

Shooters travelled huge distances to get to this Annual Shoot, some travelled by car other by bus and some even arrived in their private plane. The club grounds were transformed into tent city. Friday afternoon saw the Geraldton boys slowly arrive in town, there were fifteen of them. As more and more shooters arrived at the club, it was obvious that the 'gold rush' had begun and these shooters were here on a mission and that was to take home gold.

Day 1 saw the early morning start off with a complimentary breakfast which club secretary and vice president Sue and Ken Green cooked for the shooters camping at the club grounds. A hearty 'trap shooters' breakfast was enjoyed by all. The weather was hot and windy and the seventy-one shooters were ready to get their hands on those gold nuggets!

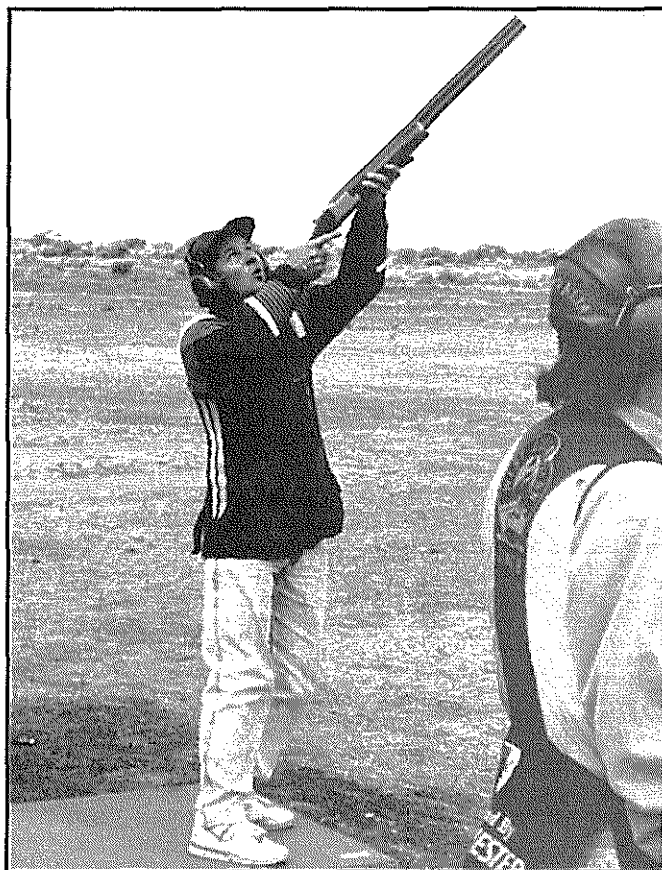

Event 1 The Mount Edon Gold Mines (Aust) Ltd 25t DB Championship saw a heap of possibles being shot and shooters were witness to some amazing long shoot offs. The eventual overall winner was WAGCs Geoff Faulkes with a score of

Bob Sampson, Brendan Vodden, Geoff Faulkes, Tom Vodden and Duncan Burnett.

Mauri Urquhart presents Brendan Vodden his trophy.

Jim Neve calling for the winning target in the Tower Points.

74/74, 2nd place A grade was decided after 127 targets and the honours went to EGGC Mick Rowell and Northams Scott Voak was third.

Event 2 The Johnson and Urquhart Gold Nugget Championship 25t DB was much the same as the previous event which saw more shoot offs take place, and the overall winner was Kambalda shooter Brendan Vodden with 117/117. New C grade shooter Leonora's Dave Rogers took out the honours for C grade 24/25.

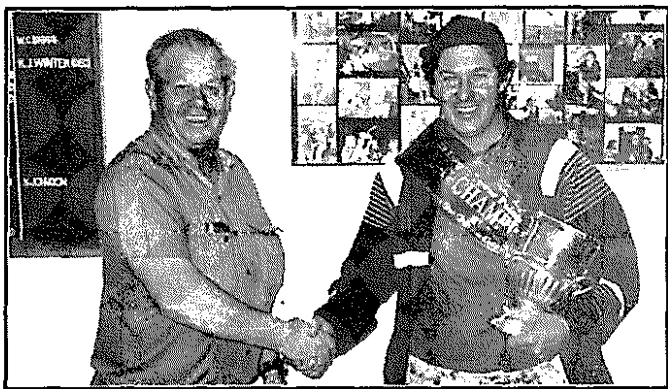

Event 3 25t DB Triton Resources and Sabre Resources Championship was shot under some atrocious weather conditions. The club had a huge dust storm pass through, and Duncan Burnett suggested that the event be re-named 'The Hurricane Doubles'. Hoping that these terrible gale force winds would sort them out, but in true clay target shooters enthusiasm Geoff Faulkes and Brendon Bodden were a part of history being made at the Leonora club, which saw Geoff push Brendan all the way and Brendan achieved his 300 break badge. Geoff Faulkes took out the title for that event and was the overall winner with a score of 184/184, 2nd was Brendan Vodden and WAGC shooter David Knight was 3rd 99/100.

Jim Chandler won B grade with a score of 61/62 from Jim Lithgow and Austin Duffy and C grade was won by Leonora's Justin Millane with 2nd place going to Rowdy Harrison, who had an exceptional day winning a total of 3 gold nuggets and Greg Jackson from Geraldton was 3rd.

Geoff Faulkes was in fine form that weekend not only was he responsible for Brendans 300 break badge, but fellow WAGC shooter Duncan Burnett shot his 100 break badge and Geoff claims he taught Duncan all he knows.

*David Fox from Collie winning 25 DB.*

*Merv Neve 2nd 30 Tower Points and Jim Neve winner State Title.*

Event 4 the L.M.L. Transport 25t DB Championship was won by the clubs major supporter and inaugural member Neale (Johnno) Johnson. It was great to see Johnno hasn't lost his touch. Ken Green who has been inspired by Johnno was honoured to present the winners sash and gold nugget to him. Other winners in that event were B grade Jim Chandler 36/37 and C grade Leonora's Mark Wright 40/40.

The end of day 1 saw John Coverley from Collie winning the Kalgoorlie Express sash and the David Fitzgerald gold nugget for OA winner of 100 targets with a score of 100/100.

At the close of day 1 saw the entertainment begin and 'Mr Music Man' Merv Neve from Kalgoorlie club entertained us all by playing the piano accordion. A BBQ tea and refreshments were a plenty and we all partied on in true clay target shooter fashion till late, discussing why that one clay was missed.

Day 2 was off to another early rise and the weather changed from hot and windy to a chilly and overcast day. Complaints were rolling in about who snored the loudest and shooters wanted keys to the trap houses to get a good nights sleep.

Word had got around about Ken and Sue's magnificent breakfast and the numbers doubled for Sunday morning. Ken was moving very slowly but perhaps the boys from Collie, Kam-balda and WAGC may have contributed to his condition. Anyway today was the Tower Championship so it was only fitting we all ate a hearty 'tower shooters' breakfast.

Event 5 was the 5 barrel warmers Tower Point Score sponsored by Demo's Cafe. This event is always run in conjunction with whatever State Title is being held and this years winner was 'Mr Music Man' Merv Neve from EGGC who shot 72/72.

Merv reckons all the events should have been 5 targets so he could have won more.

Event 6 was the major event The Sons of Gwalia Ltd sponsored the 30 target Tower Points Score State Title and the winner of this prestigious event was Jim Neve from Kalgoorlie with a score of 89/90, his father Merv was runner up with a score of 99/102 after a shoot off with Edgehills Peter Muntz 98/102, 4th place went to Allan Hocking from Geraldton 87/90, 5th place was Leonora's Neale Johnson 107/111.

Event 7 was to have been a 25 target event but was shortened to only 15 DB Handicap sponsored by the Central Hotel and this was won by Allan Hocking 38/38, who found form and was the OA winner from Sam Forsythe 37/38 from a shoot off. John Page was third with a score of 32/33, Leonora shooter Jim Hurst was 4th with 29/30, C grader but not for much longer Geraldtons Grcg Jackson was 5th 25/25, 6th place went to Jim Neve 49/50 and Collie champ David Fox won 7th place with 48/50.

*Life Members — Patron David Fitzgerald and President Dale Nowland.*

*Leonora's C grader, Rowdy Harrison won 3 gold nuggets.*

Winner of guess the weight competition, Frank Bombara and sponsor Chad Johnson.

Event 8 was also dropped back to 15 targets this event was sponsored by Leonora Laverton Assay Labs 15 Point Score and the OA winner was 'The Champ' from Collie, David Fox 81/81. Jack Collins won the B grade 48/48 and C grade was won by Greg Jackson 80/81, who won the hearts of all the ladies from the kitchen by especially thanking them.

The last event of the day was the Chad Johnson's Knock out shoot. The shooters all lined up for an Annie Oakley shoot off. The winners would take home gold bars as their trophies. The gold rush was on for the last 4 trophies but after Geoff Faulkes knocked out Ken Green (who had previously cooked Geoff breakfast) the overall winner was decided and Geoff Faulkes was 1st, David Fox was 2nd, 3rd place went to John Page and Duncan Burnett was 4th. That particular event was a lot of good sportsmanship and fun and not part of the High Gun.

The Junior High Gun was sponsored by Budget Rent a Car was won by EGGC junior Sean Wright with a top score of 203/265.

The Ladies High Gun was sponsored by Western Mining Corporation Mt Kieth-Leinster Nickle Operations and was won by Leonora's Lee Nowland with a score of 217/265.

The Overall High Gun was sponsored by Minesite Rehabilitation and was won by EGGC Jim Neve with a total score of 261/265. Jim was only 4 points off of winning the 'Big One', Johnno's gold nugget valued at \$8,000, so once again the gold nugget was won by the clubs mascot 'Nobby Nobody'.

One of the many highlights over the two days was the surprise donation of a nugget by Chad Johnson. Chad has this 'huge' nugget and everyone was allowed one free guess to the weight of it. The nugget was a great attraction and some of us couldn't even lift it, but Geraldton shooter Frank Bombara who has been coming to Leonora for many years guessed the weight at 864oz. Frank was so excited about winning his first gold nugget at Leonora.

The club also awarded Life memberships to David Fitzgerald who is the clubs patron and an inaugural member of the Leonora club. This award was long overdue. Dale Nowland was also made a life member, who for the past 20 years has been associated with Kalgoorlie and Leonora's club. Both shooters were given a rousing congratulations on their achievements.

After the presentations were over, the bar was opened and a BBQ tea followed and we all partied on, some even saw the sun rise. A great time was had by all and the weekend saw a lot of shooters shoot their personal bests and a lot of break badges were won.

Our club would like to thank all the shooters and their families for travelling to Leonora to compete. We really enjoyed having you all as our guests and look forward to renewing our friendships and having you all back for the 1995 Gold Nugget Shoot which promises to be bigger and better.

*By Lost Bird*

At a two day shoot I thought I would catch up with a Winchester Top Gun shooter and get a story. On arriving at the shoot it wasn't long before I spotted a handsome brute at the bar, but before I made a further dill of myself, I thought I would ask one of the locals if this guy was the one I thought it was. Sure he was, and he has remarkable powers. I asked him what these remarkable powers were, and he said, he claims he can sit on that bar stool, look into his glass and see Bundaberg.

So over I go and ask him if I could see Bundy in his glass, and he said, sorry mate, I just drank the last of it, but hang around, there is another coming up.

So to the interview, I said, I know you reloaded before you started with Winchester, are you pleased you don't have to reload now? He replied, it doesn't worry me, but my wife is very happy. He said he used to use chilled shot, and having a fridge full of chilled shot used to keep it cool. The wife got very upset with no room in the fridge, now she has the fridge to herself, except for a tray of ice to put in the Bundy rum.

Ray Tremul, Dick Osborne and myself all turn sixty-five within a few weeks of each other (no presents please) were concerned with no insurance after sixty-five, but the good news in CTSN gives us another 21 years.

Congratulations to Tom Turner on your Life Membership as you put a lot into the club, it was the club where I had the pleasure of meeting Tom who drove me back to Cessnock after a working bee. Don't get too excited about retirement Tom as it only means paint the house, fix the fence, dig the garden etc etc. Best of luck Tom.

Neil Berry travelled to Gladstone 28/8 and took off the Zone Double Barrel Night C'ship and High Gun. Another semi-trailer load of 1350s for Neil.

## Bundaberg — 4-9-94

Visitors Peter Pagliarino, Harry Walker, myself from Hervey Bay and Paul Anderson from Maryborough. I asked Dr Paul why he didn't get more ammo and shoot it out in the dark with Brad at the last Bundy shoot. He said doctors don't operate in the dark.

The 25t DB C'ship OA & AA Rob Rehbein; A John Straughair; B grade Brad Petersen; C grade Harry Walker. This was a big shoot off and it took ninety-five for Rob to leave the other shooters in his wake. Good shooting Rob.

10pr DR AA grade to Neil Berry; A grade Peter Winzen; B grade Brad Petersen; C grade Garry Rapley; OAHG Neil Berry; FM Spencer Plath.

Young Brad Petersen taking three out of four events in B grade, in an earlier CTSN I said he would be better than his dad (Pedro) and as good as his old uncle. You have proved a point Brad, now knock it off nephew. Thanks for making that late cup of tea after the kitchen was closed Colleen. Rob shot the jackpot with John Straughair winning the meat tray raffle. Good luck to you both.

## Gympie — 11-9-94

With Harry with the flu, we didn't get to Gympie and they didn't send the results. The best Dave Gardner could remember was OA Single Barrel C'ship to Lee Beattie, OA 30t DB Tower Vic Tipman, B grade Dave Gardner, C grade Melissa Tipman. 20t DD was won by Aaren Gardner and Gary Carew. If that isn't right blame Vic for not sending results and Dave for a bad memory.

But one thing that is right Gympie hold the Gympie Gold Classic Annual Two Day Shoot Saturday 12 November, 11am start and Sunday 13th November, 9am start, with a gold brooch and sash worth \$1,400 for Overall High Gun, plus \$4,000 worth of trophies.

## Heritage One Day Shoot in conjunction with Maryborough Masters Games — 25-9-94

With our usual visitors from Bundy & Gympie we had shooters from further afield as Jim Cassimatis from Redcliffe who took silver, Jim Egan of Moonie taking gold, Bill Dunne Sunshine Coast gold, Gordon Watson Chinchilla silver. Len Suosaari from the Sunshine Coast gold and A grade 50t DB & 25t PS. Ike Osbourne won a silver, John Wilkinson (Atherton) bronze & AA 25t PS. His son Clint only 12 and just able to see over the traphouse won the 15t DR. John is on his way to the World Masters Games in Brisbane. Fred Foon of Wonthaggi won silver with his son Mitchell not old enough for the medals, but who needs medals when Mitchell won the 15t DR & A grade High Gun. Graham Gibbs of Dysart took gold and C grade 50t DB & 25t PS, Graham left before the last event which made the rest of C grade relieved for the High Gun.

Welcome to new member to our club, ex Brisbane Police shooter Peter Hinchew, who claims he has been in the long paddock for the past two year, but the spell must have been the right medicine as he took gold B grade 50t DB & 1st Handicap along with the B grade High Gun. Good shooting Peter and glad to have you on board.

Thanks to our workers in the office, kitchen, traphouses etc for the work done to make this a very good shoot. Good shooting to all, 'til next time see you at the shoots.

## Badge collecting

By Glenn G. Woodhatch

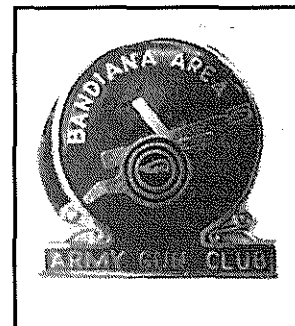

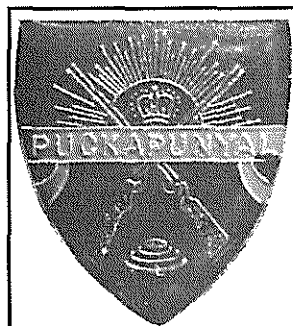

Unfortunately it seems most of our Army Gun Clubs, are no longer existent. Certainly two of our strongest Army Gun Clubs in Victoria were the Puckapunyal and Bandiana Area Clubs.

Puckapunyal was reformed not so long ago, but has gone into recess again. It seems that the existence of these clubs rely on the attitude of the Area Commander at the time.

I believe at one time there were very strong inter club shoots within the army, culminating in a National event. There was also, I believe, a very strong inter service match between the Army, RAAF and Navy.

The Point Cook RAAF Club, and HMAS Cerberus, both in Victoria, are current Military Service Clubs.

I would be interested in hearing of others, and in the history of those clubs, perhaps we can have an Inter Service match again.

# Shooter profiles

**Name:** Dino Oliviero  
**Date of birth:** 2-12-54 in Adelaide, SA.  
**Occupation:** Accountant  
**Resides at:** Adelaide, South Australia  
**Home club:** International Gun Club  
**Club involvement:** Secretary/Treasurer — 10 years (past)  
**State involvement:** Secretary, State Association (present)  
**Favourite club:** International Gun Club

## How and when you commenced shooting:

My father tells me that at the age of four I was carrying his quail bag, at the age of ten I had my first air rifle, when I was twelve I remember going to visit a friend of my father's who had a 410 gauge which followed me home. The next day I had my first quail and the great point from our gun dog. I shot my first clay at International Gun Club, 1968, at the age of fourteen. Basically I love the sport my father and grandfather introduced me to.

## Preferred discipline and why:

ISU Trench, varied and challenging, phono pulls, just feels great to shoot a good score, International discipline.

## Gun and ammo details:

Beretta SO4, ISU — 1350HA 7, DTL — 1250HA 7½.

## Achievements — State:

Over 400 Club Championships, State Championships - State Single Barrel, State DTL Carnival High Gun, SA Champion, State Pointscore, State Mixed/Mini, Several State Shoulder to Shoulder Teams (ISU & DTL).

## — National:

Member of winning Team State Shoulder to Shoulder event; Mackintosh Team Member; Champion of Champions AA grade runner up; ISU Trench A grade winner.

**Highest break:** DTL 512, Trench 75.

## Your shooting goals:

Would love to represent Australia and travel overseas to an International Team Event. To shoot 100 straight. To win a National Championship. To just keep shooting.

## How to attain the best results:

Concentration, competing with the best, fitness, follow through, focus on the target.

## Your funniest shooting story:

The four of us left Adelaide at 3.00am for our 1,000km trip to the Nationals, we arrived and found our accommodation a little squeazy. There was a double bed which we tossed for and I won which then left a very small room with 2 bunk beds. The bunk beds were to support a fairly large man (about 20 stone) and another. What a sight seeing two large men sleeping in small bunk beds and hearing them continuously cursing on how I had that double bed to myself (I slept with ear plugs as the cursing and snoring continued all night). On that same trip one of us had

just bought a new gun i.e. 3 weeks before the Nationals and against all good advice still decided to use it. Poor scores were the result and the advice and controversy that followed was full of laughs and good times with the final conclusion being the stock was too high. In good company one evening one of our fellow shooters advised he had dealt with this sort of problem before, all he needed was a sharp knife or a broken piece of glass and a piece of sand paper to shave that stock down to a perfect fit. Just imagine how this solution impressed the owner when just three weeks before he paid several thousand dollars for the perfect gun.

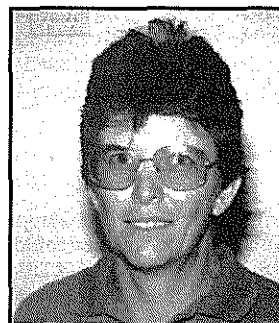

**Your other interests:** Hunting, fishing, classic cars, travelling.

**Your favourite food:** Pasta, quail, shellfish.

**Your favourite drink:** Lambrusco wine, espresso coffee.

**Your favourite TV show:** Rex Hunt's Fishing Australia.

**People you admire:** My father, Russell Mark.

**Name:** Diane Reeves  
**Date of birth:** 18-8-54 in Cairns, Qld.  
**Occupation:** Housewife  
**Resides at:** Normanton  
**Home club:** Normanton  
**Club involvement:** Club Secretary/Treasurer  
**Favourite club:** Normanton

## How and when did you commence shooting:

After a visit to the Coffs Harbour Gun Club with my husband Wayne, while holidaying in 1983.

## Any major influences:

My husband Wayne.

## Preferred discipline and why:

I shoot all disciplines, because I like shooting clay targets.

## Gun and ammo details:

Winchester 101, Winchester 24g.

## Achievements — State:

1993 ISU State B Grade C'ship and Ladies High Gun.

## — National:

1994 Australia/New Zealand Womens Trap Championship.

## — World:

Member of the winning 1994 Womens Mackintosh Team.

**Highest break:** DTL 131.

## Your shooting goals:

To represent Australia at the 2000 Olympics.

## How to attain the best results:

Plenty of practice.

**Your other interests:** Golf and lawn bowls.

**Your favourite food:** Steak and veges.

**Your favourite drink:** Orange juice.

**Your favourite TV show:** Melrose Place.

**People you admire:** Deserie Huddleston.

# Waratah State Notes

*By Libbie Bunting*

## Western Zone

Brewarrina Gun Club once again had a successful Continental Shoot over the weekend of 17th & 18th September with nearly 60 shooters attending.

They had two State Championships up for grabs – the Day DB Cont C'ship and the Night SB Cont C'ship. Well known western zoner Steve Osborne from Cobar won the Day DB Cont C'ship after a shoot off, with a great score of 111/111, while Dubbo shooter Peter Fitzalan won the Night SB Cont C'ship scoring 47/51.

## Return of Piotrowski Raffle Tickets

Please remember to send back your raffle ticket butts to Janenne Kidd before 5th November so we can draw the raffle at our State Trap Carnival in Wagga.

## Northern Zone

The year is slipping by and clubs are looking towards their Christmas celebrations. A major project for the Northern Zone in 1995, is going to be a fund raising guessing competition. Following our last meeting during the Inverell Open Shoot, it was decided to conduct this raffle, with every affiliated shooter in the zone being issued with five (5) tickets.

The tickets will be \$5.00 each, and the prizes, to be drawn at the Zone Trap Carnival at Inverell in August will be:

- 1st: Cased Beretta 682 or \$3,000 Cash
- 2nd: 10 Cases of Shells or \$1,000 Cash
- 3rd: 5 Cases of Shells or \$ 500 Cash

The cash prizes are to make the raffle appealing to people outside the shooting ranks.

Each club will be issued with the necessary number of ticket books, before the beginning of December, to allow them to be distributed to each of their members when they re-register or at each clubs Christmas shoot.

The Zone Secretary will supply each club with a list of their shooters and the number of each ticket book issued. All money raised will go towards our promotion day, assisting teams, coaching camps and so on.

Don't forget, that the 1995 Blue Books will be distributed at the State Trap Carnival at Wagga, so if your club will not be represented at Wagga, please advise the Zone Secretary, so alternative arrangements can be made.

During the recent Tamworth Open Shoot, shooters again dug deep to assist this worthy cause. Lightning Ridge shooter, Joe Marshall and a Victorian Syndicate headed by Robert Christopher, out bid all others at the auction of a case of shells, then donated them back to be raffled, the raffle being won by Vince Gatt. Thanks to auctioneer, Peter Etheridge for his contribution and to all those who purchased tickets and in particular, Joe Marshall, Robert Christopher and company, for their generous support, the total – \$800.00.

## Southern Zone

I understand congratulations are in order for Majura Park CTC for the successful hosting of the 1994 Southern Zone Trap Carnival. Considering the strong winds which came up in the late morning, the scores were particularly good, and

congratulations to those shooters who made the Teams. Hopefully they will all attend the State Carnival and fly the Southern Zone Flag successfully.

The Teams are as follows – Open Team: Jim Ellis, Lou Hearne, Doug Jordan, Mike Lyons, Paul Farrugia, Tony Gray, Glen Large, Chris Milligan, Charlie Sherry, Peter Ewart, Garry Rootes and Kim Nealon; Junior Team: Anthony Castano, George Andonarus, Eddie Boulos; Womens Team: Robin Langley, Karen Kennerson, Loz Lloyd.

Batemans Bay GC hosted the Southern Zone Mixed Targets C'ship recently with Russell Williams winning the title with a score of 35/35, and runners up being J. Tankey for A grade and Merv Lyons for B grade.

## Coach's Corner by Fred Schmetzer

Attention all NSW Accredited Coaches – Just a final reminder that the 1st January 1995 is the date when our ACC Coaches Accreditation becomes due for renewal.

If you are having any problems gaining the required points to maintain your current Coaches Accreditation, please feel free to contact me. If I don't hear from you I can only assume that you are having no problems obtaining the update points for renewal of your current level of Accreditation, or that you are no longer interested in retaining your current ACTA Coaches Accreditation. Please remember, my assistance is available if needed.

### Matthew G. Daly

The passing of a great sportsman, and one of natures gentlemen has saddened members of the Deniliquin Clay Target Club. So too, many other club members, for he had been known far and wide. The death of Garry Daly 79 years, on May 10 followed a slow deterioration in his health.

Garry had been a member of the Deniliquin Clay Target Club from 1947, when he won the first championship held there. He had been President of the club for a record period of 31 years from 1948.

Garry was an Australian Referee, and among the first shooters to achieve 27 yards on AA 25 metre grading. He also had the distinction of representing Australia three times in international shoots held in this country. Garry had won various Commonwealth, State and Regional titles in his time.

In recent years Garry still attended the local clay target club, shooting as long as he was able. His encouragement and tutoring of many young shooters (including his own four sons) was much admired. Garry will be sadly missed by many.

### Ronald Charles Evans

Generally better known as 'Doc' Evans passed away on September 27, 1994 at the age of 68 years.

'Doc' was a man of strong faith and character, a highly respected shooter, and a friend to many. He was an active member of the Victorian Gun Club. He will be sadly missed.

## Francesco (Frank) Petriella

20/2/25 - 6/7/94

It is with great sadness that I advise of the passing of Frank Petriella after a short illness.

In 1959 Frank emigrated from Italy to enjoy a 'better life' in Australia and settled in the Cooma district of New South Wales where he worked on the snowy mountains scheme.

Frank had developed a keen interest in shotguns in Italy where he hunted game regularly with a muzzle loader, taking up clay target shooting and live pigeon shooting for a brief period during the 1940s.

It was here that Frank developed his handloading skills, re-loading all of his ammunition and this was an attribute he carried to Australia.

He was a service of almost inexhaustible knowledge on the subject of shotgun reloading of all gauges from the twenty gauge to the twelve. His particular passion was the smaller gauges, particularly the twenty and twenty-eight gauges of which he owned several.

The Zoli 20 and the Beretta 28 were regular companions on his journeys to his beloved Menaro region, where he hunted ducks and quails with his faithful pointers, even until just before his passing.

His eldest son John began clay target shooting in 1970 and it was here that Frank's interest and promotion of clay target shooting commenced.

There were no ISU facilities available at the time and Frank was convinced that this facility should be available to shooters wishing to attain the highest possible standard and be competitive with other shooters throughout the world.

His interest was fanned in 1973 with the World Moving Target Championships being conducted in Melbourne, and it was there that he made the decision to promote the ISU disciplines in the Canberra District.

Frank was an inaugural member of the ACT International Gun Club, formed in 1974. He was instrumental in having ISU facilities constructed at the Majura Road grounds in 1975, and had a hand in the running of the National Trench Championships held there in November the following year.

A keen interest in the ISU disciplines were now established in the area and this interest quickly spread to the Riverina district. ISU facilities were established at Griffith, Downside and West Wyalong Gun Clubs with the help and assistance of Frank Petriella.

During the late 1970s Frank was involved with the ACT Shooting Association in efforts to establish a National Shooting Ground for all shooting disciplines. Unfortunately this venture did not reach fruition as the ACT was found wanting in terms of suitable available space.

Frank and other family members helped the National Training Squad when they visited the Australian Institute of Sport each year in Canberra. He always made time available to help out on the grounds, cooking, trapping, scoring or indeed in any possible way during their stay.

He was a regular attendee at prominent ISU events particularly the National Championships where he was an important source of knowledge for many shooters experiencing rough times. He was always willing to assist those in trouble and gave his advice freely. Many Canberra International shooters also benefited from his advice during Sunday morning practice sessions.

Frank did not forget his roots and he often visited the Cooma (Berridale) and Tumut Gun Clubs along with family members when time permitted.

Frank Petriella was a life member of the Canberra Clay Target Club (formerly ACT International Gun Club) and he will be sadly missed by all members and friends.

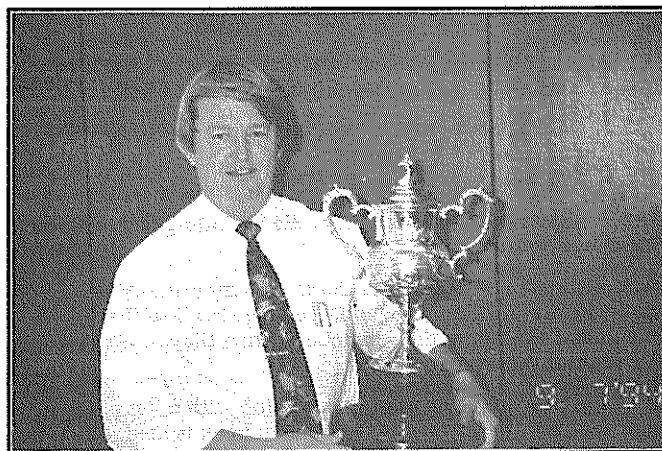

Deepest sympathy goes to his wife Pina, his daughters Milly and Maria, and his sons John and Philip.

### Hay Gun Club's 'Mitchell Cup'

The following articles are out of the Hay Gun Club archives and tell of some interesting facts. Most interesting is the mention of the 'Mitchell Cup', which is still contested for to this day, at the Hay Gun Clubs September monthly shoot. The competition is a 20 target Handicap event. The photo shows Dexter Barnes of the Melbourne Gun Club, this years winner, off the back mark, with the splendid silver crafted cup, an excellent work of art.

### Gun club plans for its Jubilee year

Re-print from Tuesday 7th January, 1984

Golden Jubilee of the establishment of the Hay Gun Club will be celebrated this year at Easter by a special 500 pound Golden Jubilee Handicap, with the nominal nomination fee of 5 pound, it was stated in the annual report of the President of the Club, Mr Norman Milliken, adopted at the annual meeting.

The Golden Jubilee Prize will be in addition to the Easter Gift prize of a car, this year a Falcon, the ninth car shot for by the Hay Gun Club at an Easter shoot.

The Annual General Meeting of the club was held at the club grounds on Sunday night, a good attendance of men, as well as their ladies being present to take part in the meeting and enjoy the social hour which followed.

During the course of the meeting, Mr Ron Mitchell presented to the Club the beautiful silver cup, won by his father, the late W.J. Mitchell in 1914. Mr Mitchell asked that the Cup, now to be known as the W.J. Mitchell Trophy, be shot for each year.

Th Club Patron, Mr John Houston, in acknowledging the gift and thanking Mr Mitchell on behalf of the Club, pointed out that it was a significant gift to receive in the Diamond Jubilee year of the Club. He pointed out that the older clubs, particularly in New Zealand, were making a big thing of preserving their historical records, trophies and the photographs of the past, all of which created a tremendous interest.

Later, it was announced that the Committee had made Mr Mitchell an honorary life member of the club in appreciation of the gift.

### Gun club cup to J. Headon

Re-print from 1988

John Headon had to sustain a shoot off with veteran Harry Cox, and another young competitor Alan Pocock to win the Hay Gun Club Cup on Saturday afternoon. In the evening T. Salafia, of Coleambally, won the Mitchell Cup outright; the only one of the field to shoot a possible 20/20.

The two cups are regarded as the blue ribbon events among the local club shooters. They are both shot for under handicap conditions, the Gun Club in daylight and the Mitchell Cup at night.

At ceremonial time, because the current Hay Gun Club Cup had not arrived from its former holder in time, the original Hay Gun Club Cup, now known as the 'Mitchell Cup', had to do duty in both presentations.

The Mitchell Cup, first known as the 'Lincoln Cup' was shot for first in 1914, and won by the late W.J. Mitchell.

### NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

# WINCHESTER®

Australian made and designed Winchester International 24 gram target loads featuring the unique Convex Wad reigned supreme in two of the world's most prestigious events.

Russell Mark using a Beretta won both titles, becoming the first Australian to win these coveted titles. An Australian using Australian made ammunition created another double of which we can all be proud.

# MIROKU 10

Miroku 10 Trap Grade 5 with or without  
Porting, 30" or 32" barrels

## *Why the Miroku 10 should be your competition gun*

The desire for perfect scores by clay target shooters has led to two great features - Barrel Porting and Overboring.

**PORTING** - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

**OVERBORING** - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.
