Miroku 10 Trap Grade 5 with or without  
Porting, 30" or 32" barrels

## *Why the Miroku 10 should be your competition gun*

The desire for perfect scores by clay target shooters has led to two great features - Barrel Porting and Overboring.

**PORTING** - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

**OVERBORING** - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.

## 1997 World DTL Championships

Confirmation has been received from Emilio Orduna, Secretary of the Clay Pigeon Shooting Association, that Australia will hold the 3rd DTL World Championships in 1997.

Contrary to the rumours circulating as to the venue already being selected, we have only received this information, so it will now be put to the National Executive to decide the way in which the Championship will be allocated. Much work will now have to be done in securing sponsors and getting things in place to ensure the successful running of this event.

## World English Sporting Clays Championship

Members of the ACTA have been invited to participate in the World English Sporting Clays Championship to be held for the first time in the USA on March 18 & 19. The event is to be held at the National Gun Club, San Antonio, Texas. Anyone interested can obtain further information from the ACTA office. Entries are limited to 500 in all, with 150 reserved for international competitors.

## 1995 Handicap Card

By now everyone will have been able to assess their new handicap card. At the time of writing this column at least 5 or 6 members at each of the various clubs I have attended this year have approached me and commented to the effect, 'we should have had a card like this years ago'.

The members of the Executive and other members involved in its introduction are to be congratulated. Mr Jim Shepherd is deserving of particular mention for his input and we thank him for the many long hours of his personal time he contributed.

## Sporting Clays — Rules

The National Rules Committee are currently undertaking a review of the abovementioned rules. We are accordingly seeking your input on this matter and shall be pleased to receive submissions in the National office until March 10, 1995.

## Shot Recovery

We have received enquiries from clubs about shot recovery. If any person has information on this matter or knows of someone in this business, would you please contact the National office.

## Social Dinner & Dance

On Monday 27th March, 1995 a social dinner and dance will be held at the Ringwood Convention Centre. This will be during the DTL Nationals in Melbourne and is sure to be a great event. For the price of \$38 you get a three course meal, drinks (wine/beer/soft drink), as well as a great band to dance the night away. Bookings are now being taken through the National office, so 'let's get together and have fun.'

# 14th Australian Police Trap & Skeet Championships

**Taree-Wingham Gun Club  
October 1994**

As Police trap and skeet shooters mustered for the 14th Australian Police Trap and Skeet Championships at Taree/Wingham Gun Club on the 21st October 1994, the weather closed in with a howling sou'easter blowing with sheets of rain travelling almost parallel to the ground. No one was game to complain, as the locals would have killed them, as the rain came at a time to break the drought, not to mention the hearts of the keen competitors.

Shooters came from all over Australia, from as far as Western Australia, South Australia and Northern Queensland to compete in the Police Division of the championships. Many locals and sponsors competed in the Visitors Division.

The championships were co-hosted by the NSW Police Gun Club and the Federal Police Shooting Team (Federal Gun Club) through an arrangement with the Taree/Wingham Gun Club who supplied the committee to manage and administer the tournament. The local Scout Association set up tents and manned the traps to assist in their fund raising 'Bobs for Jobs Week'. The ladies in the canteen, as always, kept the hungry satisfied with 'country style' cooking that was very pleasing to all.

Day one saw sixty shooters compete for the 50 target Police Skeet Championship sponsored by Sheldon and Hammond and our long term supporter Tom Meadows of Meadows Transport, Queensland.

Police first overall: Andy (Norm) Norman from S.A.

Police first in each grade: A: Glenn Woodhatch

C: Glenn Durre

Police: 1st Glen Durre  
2nd Peter Hinchin  
3rd Craig Bishop

Visitors: 1st P. Smith  
2nd K. McWhirter  
3rd B. Noll

The following day, and the weather did not improve, saw seventy shooters compete for the 50 target DTL Police Pointscore Championship, sponsored by a long term supporter of Police competitions, Gary Colibee of Grycol International.

Police first overall: Ted Galkowski, SA.

Police first in each grade: A: Steve Steenstrup  
B: Trevor Coutts  
C: Denis McKenzie

Visitors first in each grade: A: John Farrell  
B: G. Foster  
C: D. Curtis

Then came the Police Single Barrel Championship, sponsored by Australian Defence Industries (ADI), with the winners:

Police first in each grade: A: Ken Buck  
B: Trevor Coutts  
C: B. Walker

Visitors first in each grade: A: John Farrell

C: Brett Coutts

The final days play saw the 'Blue Ribbon Event', 50 targets Police Double Barrel Championship, jointly sponsored by Lords Safes and Olin (Winchester).

Police first overall: Steven Steenstrup, Qld.

Police first in each grade: A: Craig Bishop  
B: Peter Hinchin  
C: Denis McKenzie

Visitors first in each grade: A: T. Nash

C: R. Primmer Jnr

The 60 targets Police Champion of Champions followed with the winners sponsored by Ken McBroom of Kenmax Special Products:

Police first overall: Neil Phipps Vic.

Police first in each grade: A: Glenn Woodhatch  
B: Max Gregory  
C: Denis McKenzie

Visitors first in each grade: A: Ken McWhirter  
B: G. Foster  
C: R. Primmer Jnr

The Police Winning Team was the NSW No. 1 Team of Ken Beck, Geoff Wright and Craig Bishop.

The Police High Gun Winner of a Browning Auto Shotgun donated by David Fuller of the Fuller Firearms Group was one Steve Steenstrup of Queensland Police. Police Intermediate High Gun Winner, sponsored by Dave Billingham of Keith Herron Pty Ltd was Trevor Coutts of the Federal Police, Canberra.

Visitors High Gun award of a colour tv set donated by the Hampton Court Hotel, Kings Cross was won by Ken McWhirter. Visitors Intermediate High Gun Award of a gun case donated by Keith Herron Pty Ltd was won by G. Foster.

The Australian Police International Team selection on aggregate scores was: S. Steenstrup, A. Vilcins, N. Phipps, T. Galkowski and C. Bishop.

A wonderful weekend for the Police to gather and share the camaraderie that only Police culture permits and to compete keenly in a picturesque spot such as Taree. Our thanks go to the Taree Wingham Gun Club for putting on such a well run tournament, to the scouts for trapping and to the ladies in the canteen for the ever pleasant surprises.

Finally, to any gun club that is approached by the organisers of the Police Nationals to have the tournament on their club grounds, do not hesitate, it is worth the while, both financially and educationally. (Nobody really gets hurt!!)

# Victorian State Trap Carnival — 1994

Echuca Gun Club was the venue, the weather generally was kind to the shooters, and some outstanding performances made the 1994 Trap Carnival one to be remembered. As usual Club President Ron Traill and his crew had the grounds in top shape for the three days of shooting.

## Event 1. State Handicap

Conditions were good as the first event got underway. Entries totalled 157, with four possibles after the 50 targets. The shoot off went just 17 targets, Wayne Parks from Wonthaggi off 20 metres beating David Flavel Jeparit also 20 metres, third place David Hagarty Brewarrina NSW, fourth Glen Beer Deniliquin and fifth Bill Iles Melbourne. Local girl Joanne Kerr took the Women's section, Ashley Bolwell Toolondo the Juniors, and Frank James Kerang the Veterans.

Entries numbered 206 in the Big One. After the 50 targets, 28 shooters lined up for the shoot off. A further 60 targets saw 9 shooters still shooting. At 170 we were down to 5, who seemed to settle down for a long afternoon. Paul Ryland missed at target 238, leaving Bill Iles, Arthur Turner, Glen Hayden and Jason Jolly to fight it out. Bill departed along with target 351, Jason Jolly let 418 get the better of him, and seven targets later Arthur Turner missed, Glen Hayden shot his, becoming the Victorian Double Barrel Champion for 1994 with the excellent score of 425/425. # Wilkawatt Gun Club

## By Hot Shot

The annual two day Anniversary Shoot was held on Saturday & Sunday the 12th & 13th of November.

On Saturday, there were 33 shooters coming from Bordertown, Boinka, Adelaide, Monarto, Lake Albert, Loxton, Mallala, Kangaroo Island and locals. The day ended up showery and windy but this did not deter the better shooters with good scores.

The days shooting started off with a 10t eye opener where 7 shooters shot the possible.

The next event was the Whelan Family 25t Handicap where Don Beelitz and Mark Booker were the only two who shot the possible. After shooting only 9 in the shoot off, Mark was the winner.

The 25t Wilkawatt Grd Single Barrel saw only one possible which was Rodney Ahrens.

The 25t Wild Dog Skeet saw some interesting scores come in, with Rodney Ahrens once again shooting the only possible.

This was shot in conjunction with the three man skeet team, which was won by Wilkawatt No. 1 team by 1 point, from Wilkawatt No. 3 team. The team comprised of D. Beelitz, W. Hayward and R. Ahrens shooting 69/75.

Day one High Gun was won by R. Ahrens 74/75.

Day 2 (Sunday 13th) comprised of 33 shooters who came from Mount Gambier, Adelaide, Mallala, Kangaroo Island, Lake Albert, Bordertown, Monarto as well as the locals. The weather was a slight improvement from Saturday with the scores improving as well.

The day started off with a 10t eye opener and 16 shooters shot the possible.

The 30t Anniversary Double Barrel Championship was the most sought after event with a \$100 voucher for each grade as first prize. There were 8 possibles, with Phil Mules being the outright winner.

The 25t Lameroo Hotel Point Score saw Don Beelitz and Mark Booker shoot the only possible. Don won the shoot off even though he pulled a second to let Mark in, but Mark decided he wanted to go further by pulling a second himself.

The event was shot in conjunction with the Killick & Whelan Team Shield. This was won by Wilkawatt No. 1 team by one point, from the mean machine Monarto team. The team comprised of D. Beelitz, W. Hayward, P. Rundle, M. Booker, D. Hayward shooting 123/125.

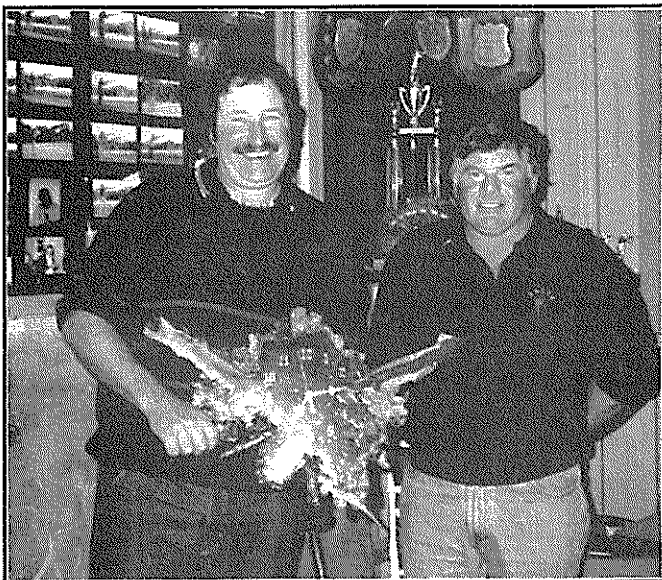

Day 2 High Gun was won by D. Beelitz with 113/113.

High Guns over the two days were won by: OA & A: D. Beelitz 188/194; B: M. Booker 186/194; C: J. Phelps 122/180; Ladies: L. Beelitz 154/180.

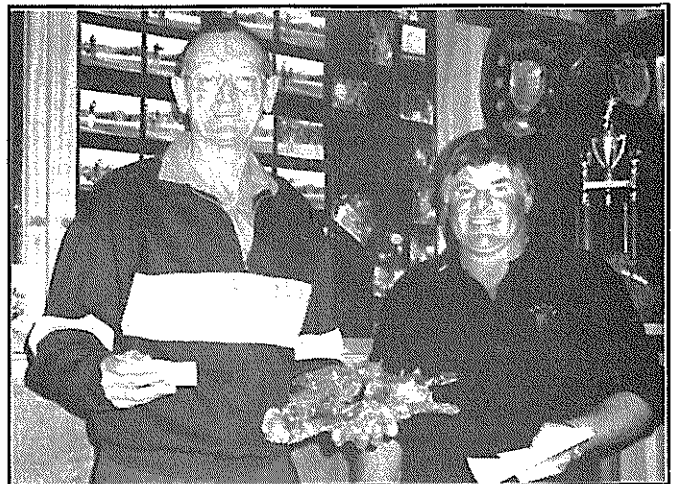

Many thanks go to the referees, scorers, trapper boys, Wendy and her helpers, particularly Wayne in the office, Kevin as handicapper, Lynn as chief cook and bottle washer, the wiper uppers and cooks for the weekend and mostly the sponsors, namely Lameroo Hotel, Whelan Family, Rodney Ahrens, who without them the shoot would not be as successful as it was.

## Level 1 Accreditation Course

SA GUN CLUB — 16-17 DEC '94

*By M. Alexander,  
National Director of Coaching*

With his appointment as South Australian Coaching Director fresh in his mind, Mr Phil Mules, decided the time was right to take a fresh look at coaches in his state.

Due to one reason or another, coaching programs and accreditation courses had lapsed in recent times. Phil despatched a letter to all South Australian clubs requesting 'expressions of interest' for individuals with 'club support' to undertake level 1. The resulting replies were overwhelming, as some 18 people were nominated to undertake coaching accreditation.

After several long phonecalls and much planning, the course was programmed for 16th and 17th December 1994. The National Director of Coaching, Mr Murray Alexander would be in attendance and undertake several presentations supported by SA Coaching Director, Mr Phil Mules and John Ellis, recently retired SA State Coaching Director.

The course was programmed close to years end so that momentum generated by Phil would not be lost, with the first component of the course being held the Friday evening at the South Australian Gun Club.

Attending were 15 eager new coaches, including 1 female, several already accredited coaches, the SA Coaching Director, National Director of Coaching and the SA Coaching Co-ordinator. Also in attendance was the WA State Coaching Co-ordinator, who had taken the opportunity to sit in on the course to observe how another state conducted accreditation programs.

Friday evening at 7pm, the course got under way, but not before that 'Murphy' character slipped in and tried to jinx the overhead projector. However the problem was quickly solved and the course began.

The course introduction was explained by the National Director of Coaching and an overview given of what lay ahead within the program given.

Following this introduction, Murray then moved into the role of the coach, explaining the 'who's and why's' of coaching.

After a short break, the SA State Coach, Mr Phil Mules then presented a component on program planning and goal setting. Shortly after 10pm the evenings proceedings were halted and a short socialising time taken.

Saturday morning at 9am, the next component began with the National Director of Coaching delivering the sports psychology section. After a short break, Mr John Ellis stepped in to present the communication skills component followed by Phil Mules and Murray Alexander on characteristics of a shotgun. The last section was expanded and a lesson on gun fit was included.

With the lunch break concluded, a 'hands on' run down on the basics of shotgun shooting was conducted out on the skeet and DTL layouts. As this section concluded, the budding coaches separated into their already announced groups for two practical coaching scenarios.

Each group was further halved with one half to do the practical coaching of a novice shooter and the other half to be observers of that coaching. One group was despatched to the DTL layouts and the other to the skeet and then the practical component began. At the completion of the allotted time, all moved back to the club rooms to present their findings. Each practical coaching group had elected a spokesperson and they presented what they had attempted to do. The observers had likewise appointed spokespersons who then presented their observations. To gain another view point, the novice shooters were then asked for their comments.

The discussion that followed from the given scenario enabled all to see coaching from different angles and hear what others saw, felt and heard.

To conclude the weekend course, a discussion was held, giving those assembled the opportunity to discuss the program. The assembled coaches were given assignments from the level 1 work book and after final instructions on the years program including the appointment by their state coach, supervising coaches to assist them during the required 30 hours or practical coaching.

The South Australian Clay Target Association must be thanked for supporting this accreditation program, the South Australian Gun Club, for the use of their facilities and the personal efforts of the South Australian Coaching Director, Mr Phil Mules.

In closing, it is my observation that South Australia has begun a revitalisation of it's coaches and if the observed enthusiasm is an indication, then a new generation of coaches has arrived.

*The South Australian Coaching Accreditation group.*

# Waratah State Notes

## Western Zone

Dubbo Gun Club is hosting the Zone Skeet Carnival over the weekend of March 4th & 5th, with plans well underway for a great shooting weekend. The normal afternoon DTL shoot will also take place on the Sunday, as both disciplines can be shot simultaneously. Add this date for your calendar if near the centre of the state on the 4th & 5th March.

A reminder to shooters that the Mendooran Gun Club now shoots on the 2nd Sunday of the month. Further information can be obtained from President Robert Naef on (068) 86 1171 or Secretary Ross Yeo on (068) 86 1059.

## Northern Zone

For those of you looking for a little respite from the heat, why not take a drive into the New England Highlands to Glen Innes. The club is holding their one day open shoot on Saturday 11th February from 9am, with the Zone Pointscore Continental Championship included in the program.

Even further ahead again, the Tamworth club have their annual Ball Trap Championship on Sunday 4th June and this year are hosting the State Championship. In an endeavour to cater for a wider cross section of shooters and have the facility used to capacity, the annual Sporting Clays that the club usually conducts earlier in the year, has been transferred to the same weekend, and the club has also been successful in attracting the Bird Brain equipment for the weekend as well, 3rd & 4th June. So what a shooters smorgasbord it will be, Ball Trap, Sporting Clays and Bird Brain all going at once at various parts of the ground! Shoot all three or any one discipline you wish. Mark your calendar now.

Still on Tamworth, the club ended their year on a high note with a very well attended Christmas Shoot and Annual High Gun Awards Presentation, over 5 squads of shooters plus wives, girlfriends and families made for a great day. The award winners for 1994 being: Overall Trap High Gun Winner Peter Nash; AA Grade Trap HG Peter Holmes; A Grade Trap HG Stewart Bowden; B Grade Trap HG Norman Hinds; C Grade Trap HG Cec Turner and the most improved Trap shooter Clive Schmidt.

In the Skeet awards, Overall Skeet High Gun Winner Rod Prior; AA Grade Skeet HG David Michie; A Grade Skeet HG Peter Nash; B Grade Skeet HG Lachlan Cameron; C Grade Skeet HG Michael Bryant and the most improved Skeet shooter, Cec Turner. The major award for the Combined Trap and Skeet High Gun went to Peter Nash.

The Northern Zone Lucky Draw sold tickets are starting to roll in — don't forget, if you sell your five tickets and would like some more books, there are still some spare books available from the zone secretary. Any shooters from outside the zone who would like the chance to win one of the great prizes: 1st cased Beretta 682 shotgun or \$3,000 cash; 2nd 10 cases of ammunition or \$1,000 cash; 3rd 5 cases of ammunition or \$500 cash, just contact a Northern Zone shooter as every shooter in the zone has been issued with a book of 5 tickets, or you can contact the zone secretary on (067) 65 9386 for any number of tickets at \$5 each. Drawing will take place at the Zone Trap Carnival at Inverell on 19th August.

## Southern Zone

Majura Park Gun Club hosted the State Night Deauville Doubles C'ship on the 3rd December, with brothers Paul and Michael Lyons winning the event after a shoot off with the great score of 39/39. Well done.

A reminder of the Open Summer Shoot which includes the Ern Webb 1000 at the Illawarra Gun Club on the 5th February. As always, great shooting, trophies and hospitality will be on offer for those attending.

## Central Zone

Noel Rodgers from the Kenworth CTC has advised of another very successful shoot at their club late in the year. More than 50 shooters attended with West Wyalong Club President Graeme Fairman being the High Gun winner for the day. More than \$700 was raised and donated to the Piotrowski Appeal. Great work once again Noel.

## Firearms Regulations

After an enquiry regarding shooters who wish to shoot in NSW but hold licenses in other states, I followed up with the NSWFSAC to obtain the latest info re this topic. The advice received advises that a person who is a resident of Qld, Vic, SA, WA, ACT or NT is exempt from the requirement to hold a current NSW Firearms License Class 1 — or Class 2 if they are an equivalent class license in their state. Only Tasmania does not have these reciprocal rights.

## Publicity and Promotion

How many times do we hear 'it doesn't matter how I present material to our local media, our club still cannot get coverage' — I guess anyone who has filled the position of publicity officer for their club can relate to just that. The Department of Sport, Recreation and Racing in Tamworth recently conducted a seminar covering the topic of media coverage and sporting organisations. I have been fortunate to have been provided with a copy of the 'papers' from that seminar. Items covered being — Being Interviewed, Media Awareness, The Press Release, Writing to the Media, if any club would like a copy of these papers, I would be only too happy to provide same (PO Box 836, Tamworth 2340, or (067) 65 9386).

That 'personal' approach to media personnel is a sure way of gaining a response. Seek out the sports writer for your local paper and invite them to come to the club on a practice day for a shot and introduce them to the sport, one club presented all areas of the media with Appreciation Certificates for their support during the recent year — every little bit helps.

## Volunteer Involvement Program or VIP

All clubs have received a brief outline of this Department of Sport, Recreation and Racing initiated program and hopefully the clay target shooting area can really get behind the program in 1995. Having been appointed as the State Co-ordinator mid way through 1994, things have been a little slow to take off for us. However, by the end of January, each zone will have appointed a co-ordinator and then it is envisaged that the program will roll on from there. Every unpaid person attached to your club is a volunteer and they need to be recognised, appreciated and encouraged. This program will do just that, and will enable a data base of names to be created, with a view to Sydney 2000. Think about it, what does that person who goes out every few days and waters the tree at your club receive, why not present a VIP Appreciation Certificate and cap or shirt, so they feel really happy to do the job, and continue to do it. The person who help unload the clays every time they are ordered, the person who picks up the trappers and takes them home after every shoot, the person who cooks the BBQ all the time and the list goes on and on.

Further information about the program is available on request (PO Box 836, Tamworth (067) 65 9386).

# Mildura Gun Club

*By Laurie Connors*

Mildura Gun Club benefits from great sponsorship to its club shoots and major tournaments through their 1994-1995 shooting programs. We are most grateful to our sponsors and appreciate their support. Because of this generosity we will be able to provide good quality trophies to our major events, and include trophies for first and second placings in all graded events. As well, Ladies, Juniors and Veterans will not be forgotten.

Our annual International Olympic Trap Carnival is to continue under similar programming as for 1994. This proved to be a great tournament, even though we were light on in numbers. This carnival will be conducted on Saturday 2nd and Sunday 3rd September 1995. The long weekend in June (10th, 11th & 12th) has been allotted to the Victorian Olympic Trap Grand Prix series. I would suggest all international shooters watch the CTSN for details of this event.

Managers of the local firm BP Valencia Service Station and Mini Mart, Graham & Lynne Leake, fully sponsored a club shoot on Sunday December 11th, 1994. It was a four event program and was well patronised by our members. A family social and barbecue was enjoyed at the completion of the shoot. We were delighted with the financial result. It goes to prove that under the present economic climate, sponsorship is a vital part to club operation, finances and success.

Since the development and installation of Olympic Trap at our club our finances have been well drained. Even though this discipline has been well received and proved popular with our members, it will take some time to recoup the benefit financially.

Once having completed this layout and thinking this would be all that would be necessary to provide for Mr Average Shooter, ACTA sporting clays appear and get introduced. This too has now been installed using a computerised control box. It operates manual or phono pull. It will release all sporting clay targets (ie - singles, doubles, rafales, or on report targets). This discipline is also proving to be very popular with our members. All facilities are under lights for night shooting, including our Olympic Fifteen Trap Trench layout.

*L to r: Larry Dimast and Geoff Mark, major winners at our annual International 1994 Trap Carnival, being congratulated by one of our sponsors, the new Deakin Motor Inn proprietor Peter Wadeson.*

*All winners at the BP Valencia sponsored shoot l to r: Larry Dimast, Ilario Dimast, Goe Firls, Michael Mamone, Don Molina, Kim Gatherrole and Paul Pongraz.*

We have also introduced an annual Mildura Gun Club Top Gun Award which will be conducted on Saturday November 25th 1995. The course consists of 25 targets sporting clays, 25 targets olympic trap, 25 targets DTL 15m, 25 targets tower, 25 targets skeet. Larry Dimasi is 1994 Top Gun scoring 119/125. The invitation is open to all shooters to see who can take the title from him in 1995.

Our grounds and facilities are here for all shooters to enjoy, and we extend an invitation to any shooter wishing to participate at our club or major tournaments at any time, to pay us a visit. Also our facilities are available to individuals or groups for practice or training on any particular discipline. Pay us a visit in 1995. You will be most welcome.

# Atherton Tableland Gun Club

The club's Christmas Shoot was held on Sunday, with 56 shooters from Cairns, Silkwood, Normanton, Mt Isa and Atherton shooting for prizes of christmas fare.

The weather may not be what the farmers on the Tableland need, but for shooting, conditions were perfect. The splendid facilities available at the club grounds, the friendly attitude of the club members, and the delicious lunch supplied by Maurie the cook helped by the members wives, made this year's Christmas Shoot the perfect finale to the shooting year.

The program for the shoot consisted of 125 targets spread over 3 graded, 2 handicap and 1 partnered pair events. The prizes for graded events were awarded for 1st, half ham; 2nd turkey; and 3rd a bottle of port; in each grade.

In the handicap events prizes were awarded for 1st full ham; 2nd half ham; 3rd turkey; 4th box biscuits; 5th bottle of port. The drawn partners event prizes were awarded for each partner in 1st placing a full ham each; 2nd a turkey each; and 3rd a bottle of port each.

The share of the prizes was well spread over the different clubs, but the Silkwood club dominated the day with that club's members taking home 7 of the 15 hams on offer.

The results:

Event 1. Baldy Mountain Special: A: R. Draper, 2nd M. Collins, 3rd B. Hall; B: S. Greco, 2nd J. Marino, 3rd A. Cataldo; C: J. Peach, 2nd G. Collins, 3rd C. Wilkinson.

At the presentation of prizes the club also presented the club's annual awards. The Atherton Tableland Gun Club Encouragement Award was presented to two young shooters Darren Selke and Lionel Selke. The award for the most improved junior went to Shane Sheehy.

This year the Hiland Ford Handicap Club competition was shared by A. Poggioli and R. Draper. The club raffle for an off road trailer with boat and outboard motor was drawn and won by Guido Poggioli with ticket number 2953.

# Maryborough Tid Bits

~ QUEENSLAND ~

*By Lost Bird*

The telephone rang I could hear Les in the background telling Yvonne to tell me off for not including her with Marg & Les in the kitchen honours (in MTB Dec issue), for the Masters Games Shoot. Yvonne had the advantage as she had her CTSN, but I hadn't received mine, so after some fancy foot work I convinced Yvonne I had sent her name in. So off to read carbon copy, yes it was Marg, Yvonne & Les who did the great job in the kitchen. So you must have got lost between here and Mount Waverley Yvonne.

## Caboolture — Martin Gough Trophy Day

When Peter Pagliarino saw the ad in the CTSN he went into top gear and had a paper photo of Martin Gough (when he came up to coach) blown up to an 18"x12" enlargement and framed, with the intention of presenting it to Caboolture club. So with the company of President Paul Anderson and Andy Wood, they travelled to Caboolture and did just that. Congratulations Peter on a wonderful, generous thought. It was presented on behalf of the Maryborough club and Peter Pagliarino, and it was an honour to meet and know Martin Gough which was shown by Peters actions. Thanks Peter.

Andy Wood was the only shooter to return rewarded by getting into the B grade 30t SB.

## Bundaberg — Christmas Shoot & AGM 4-12-94

Gino Sergiacomi has been writing up the score cards for the past two years, but asked for something a bit easier, so they made him President, with Kaye Rehbein Secretary, Rob Rehbein Treasurer, and the bloke to blame when you get the bad days is Captain Pedro.

It was raining from Hervey Bay to Bundy but after paying noms they pushed the fine button and was a cloudy, windy day making targets very hard for some. Being a fun day with hams, meat trays, puddings and nuts for four grades with no shooter able to win two hams. The visitors were Bill Stolberg of Gympie, Les, the two Peters, Paul, Andy, Harry and myself. Good to see Di & Ken Shaw back shooting again, and new shooter to the area Phillip Warren who hasn't shot for a while, last shot in Bairnsdale, welcome Phillip, hope you get back to shooting.

Honours for the year: Skeet Champions Rob Rehbein and John Straughair; Trap & High Gun Champion Rob Rehbein; B grade HG Champion Ron Skerry; C grade HG Champion Brad Petersen; Front Marker Champion Spencer Plath. With too many prizes to name the ham takers in all events and grades, Pedro, Stafford, Clint, Ted, Paul, Ron, Andy, Garry, Rob, Ken, Craig, Ted and in the handicap Ken again. Thanks for the snack to get us home.

## Taree — NSW Police Nationals

The only piece of news I heard was Gympie's President George took a bag of events plus B grade High Gun. Lucky it was your day for release George. Good shooting by the old fox.

## Maryborough — Christmas Shoot 18-12-94

Bundy visitors nearly out numbered the locals with shooters, Kay, Rob, Ted, Mike, Irwin, Neil, Ron, Keith, Gino, Spencer, Clint, Pedro, Brad and Pat, and shooters who haven't shot

with us for a while Rod Osborne, Malcolm Zipf, Earl Kath, Jeff Schmidt and John Winnall, hope they got the bug to come back shooting. President Pauls daughter Emily had her first shot at Maryborough, hope you enjoy shooting Emily and good shooting.

With hams, puddings, chickens and nuts in four grades too many names to mention. The ham winners being Chris, John, Rod, Harry, Peter, Malcolm, Fred, Darryl, Rob, Pat, Ted, Jeff and another Peter and Paul.

Our 1994 High Guns being AA Paul Anderson, B Andy Wood, C Darryl King.

Holly worked hard in the office, but was repaid by picking up both raffles, the cake and the ham, good luck Holly.

Congratulations to our kitchen staff Yvonne, Les and Marg for the great free bbq lunch, and Holly flat out in the office, and our shoot marshalls for a great Christmas shoot. Our next shoot is on February 26 12 noon start with 10am meeting.

Good shooting to all, 'til next time see you at the shoots.

## 1994 State Final ISU Shoot

Just for a change, we were blessed with a beautiful weekend for the NSW State Final ISU Shoot in late November at the Illawarra Gun Club. The grounds were prepared immaculately, and all looked good for a great weekend.

Unfortunately we didn't have as many shooters as expected, which appears to have been due to some confusion regarding the shoot itself. As you will recall, we conducted the 1994 State ISU Carnival in January at Downside, which was the last of the 'old format' for ISU shooting in NSW. After a recommendation from the ISU Representative in NSW, Bob Huddleston, we will now be conducting the final shoot of the year in the latter part of the year, at that will be the State ISU Carnival. This was the Eye Opener for the new format.

Anyway, five squads of shooters competed for the trophies (overall), medals and cash awards which were on offer, and enjoyed the weekends shooting.

Only a handful of shooters competed for the ISU Skeet Championship, with the winner being a junior shooter from Griffith, Barty Brighenti with a score of 106+24. Well done Barti.

The Olympic Trap Championship saw some really great shooting between Michael Diamond from NSW GC (122+25) and Brad Webb from Illawarra (124+23) having tied scores after the final. The miss and out shoot off saw Michael win the event with 151/154. Congratulations to both shooters, and look out ISU shooters, for Brad Webb once he gains more experience.

As is the NSWCTA policy, trophies were given 1st, 2nd & 3rd overall with Filipo Petriella following Michael and Brad to take 3rd overall, then 1st AA went to Jim Ellis 120+23, 1st A to Steven Zadro 114/125, 1st B to Jon Russell 114/125 and 1st C to Loz Lloyd 108/125 (plus a move to B grade). Well done Loz. Deserie Huddleston won the womens division with 113/125 and Ben Kelley the junior 116/125.

All in all it was an enjoyable weekend, with a fine display of shooting, and many happy shooters. Many thanks to the Illawarra Gun Club for their facilities and hospitality. Thanks also to Fred Rapley and Bob Huddleston. Special thanks to Kevin Perkins as trap mechanic for his handling of the target difficulties.

## Brisbane Gun Club

*PhD to be awarded to Brisbane Gun Club member, Arthur Page*

At a graduation ceremony which took place on the 16 December 1994 at the University of Queensland at St Lucia, Arthur Page was awarded a Doctor of Philosophy Honoris Causa (Faculty of Science).

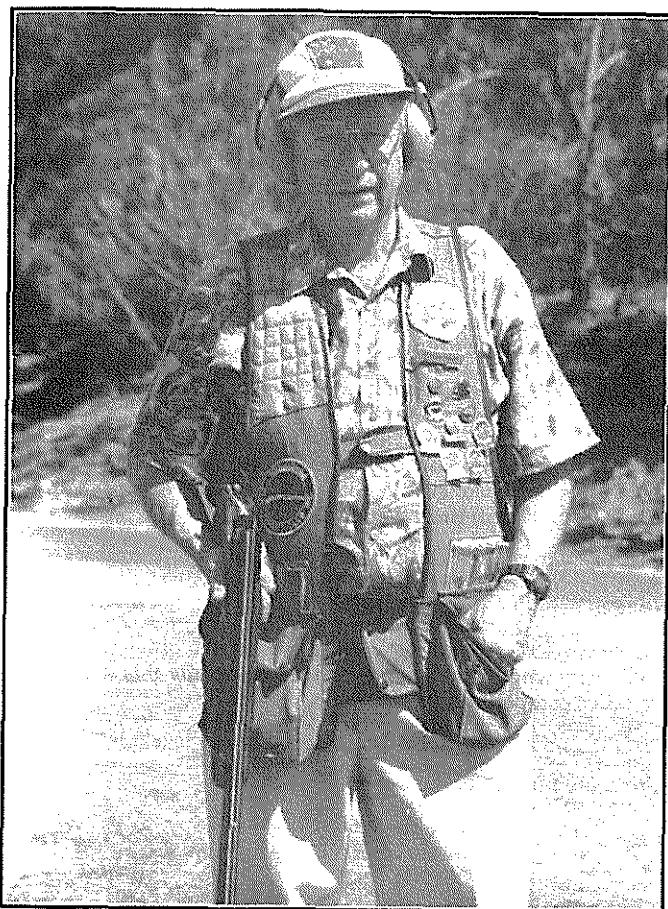

The citation for the degree was for the outstanding contributions and service to the science of astronomy.

He has been, and still is, involved in astronomical research since 1964. He served in the Radiophysics Division of CSIRO as an optical astronomer on national and international combined optical - radio observations of Flarestars. This is a narrow field of interest indeed but one in which he has become an international identity.

When the CSIRO division was closed down by the Federal Government he was fortunately 'salvaged' by the University of Queensland and the University of Southern Queensland's project to establish an astronomical observatory complex of research and educational facilities at Mt Kent observatory on the Darling Downs.

Although now residing in Toowoomba he is still a regular attendant at the Brisbane Gun Club and has also joined the Toowoomba Gun Club to support clay target interests in that city.

Arthur's many colleagues at the Brisbane Gun Club congratulate him on being the recipient of such a high honour.

## MARTIN GOUGH MEMORIAL SHOOT NOVEMBER 1994

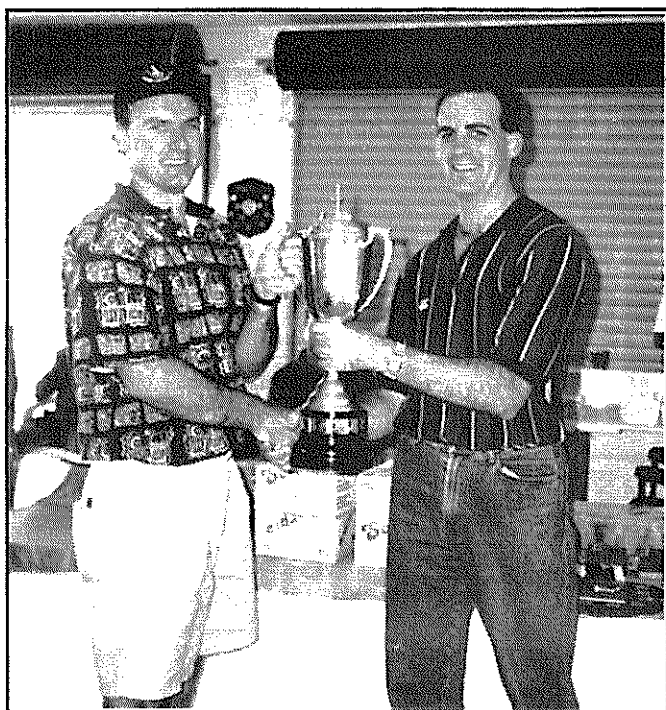

*By Ron Samson, Secretary*

This year the shoot was made more memorable for a couple of reasons.

Firstly, the club house and facilities that Caboolture members have worked so long and hard for has been completed to stage one of the development plan. Whilst Martin was president of the old Kallangur club, he recognised the need to move to more permanent grounds and the present facilities are a culmination of that desire. Facilities comprise brick clubhouse with separate toilet and shower block and three down the line layouts on 20 hectares. It is planned that the basis of a sporting clays layout will be completed by the winter of 1995.

Secondly, a sentimental and moving presentation was made to the Caboolture club by Peter Pagliarino and members of the Maryborough club. This was a mounted photograph of Martin with gun up, taken during one of the coaching sessions he conducted at Maryborough some years ago. It will be a marvelous centre piece for our club and shows the man at his craft as we who knew him so well will remember. There were not many dry eyes at the conclusion of the presentation and again our thanks to Maryborough club.

The day was attended by sixty shooters, some of whom produced some very good scores. The overall was shot over events 2, 3 & 4, comprising double barrel and points, the type of events Martin enjoyed. Greg Stevens won overall the prized trophy of the day. Greg is a member of the Stevens & Sons Firearms family, who support the club handsomely with targets and ammunition.

*Greg Stevens receiving the trophy for Overall winner of the Martin Gough Memorial Shoot for 1994, the presenter is Murray Gough, son of the late Martin Gough.*

A special thanks for contributing to the financial success of the shoot must go to Peter Freeleagus of the Peninsula Private Hospital. Peter's kind and generous sponsorship of the shoot since its inception is indicative of his regard for Martin and his memory. Thanks again Peter.

To those shooters reading this article, the Caboolture club extends an invitation to come and see what we have to offer at our regular monthly shoots held on the first Sunday of the month at Uhlmann Road, Burpengary. Perhaps also to compete for the Martin Gough Trophy next year in November.

## ASDA calls on FINA to increase out of competition testing

The Australian Sports Drug Agency (ASDA), recognised internationally as having one of the leading anti-doping programs, has called on FINA (the International Swimming Federation) to implement on a large scale year round unannounced out of competition drug testing.

ASDA's call is timely as the innuendo and finger pointing continues at the World Swimming Championships in Rome.

Chief Executive of ASDA Steve Haynes says the high reputation of swimming is being damaged and clearly FINA needs to show leadership in dealing with the drug accusations.

"Finger pointing and innuendo are not going to solve the problem. What ASDA's anti-doping program has shown is that out of competition testing is clearly an effective way of deterring drug use."

"Australia's elite athletes can be drug tested at anytime throughout the year. Last year 55% of the 2,802 drug tests conducted by ASDA were out of competition tests."

While ASDA has urged FINA to increase out of competition testing Haynes says that ASDA would be more than pleased to host any overseas country who wished to visit Australia and learn from its anti-doping program.

Already this year ASDA has hosted a visit from the Chinese Anti-Doping Commission. A return visit by ASDA is planned to take place.

"If we can extend our anti-doping program to other countries and show what can be achieved then hopefully this will lead to fairer competition for everyone."

"In the end we must all strive to achieve the level playing field."

## Illawarra Gun Club

### CHRISTMAS SHOOT

17-12-94

*By Elizabeth Batt, Secretary*

31 shooters with their families and friends joined together at the Illawarra Gun Club on Saturday 17th December to celebrate the festive season with an enjoyable day of shooting, feasting, presents and a visit from Santa.

Serious shooting started the festivities with a 25 target point-score. This was a 3 placings graded event with Lawrence Hackett leading the way winning AA grade, Peter Zantiotis continuing his good form winning A grade, Col Payne tearing himself away from his beloved skeet shooting and hunting yarns long enough to win B grade and Keith Schreiber, a promising junior, winning C grade.

Then we challenged the skill and resourcefulness of the dedicated shooter teamed to the keenness and enthusiasm of the trier with an event of variety and entertainment. Drawn teams contested for Christmas fare with 60 mixed targets of Double Rise, Crazy Points, Trench, Walk Up and Batteux. Random midis were substituted among the double rise for extra prizes. Extra points for chips were available in Crazy Points but could be lost if you were too cocky.

You could tell who thought they were 'Top Guns'. It was great having practitioners of all disciplines mixing together and appreciating their respective skills. The winning team was Lawrence Hackett, again! (we'll drug test him next year) well supported by John Haug, second was Dave O'Brien complimented very well by the old duck shooter from the land of the long white cloud, Tony Batt. Third was the favourite number for Fred Rapley for both events but partner, Dominic Cardillo, preferred 2nd in the first.

Well done to all who participated and for those who had a go!

Santa's visit was eagerly awaited by the children, and a few parents too. He was given a very warm welcome before distributing presents under the Christmas tree and listening to requests for the Big Day!

A delicious high tea was spread out for all and did an appreciative vanishing act. Lots came back for seconds. Thanks Allan.

For those who were still in the mood there was a Box Sweep for hams and champagne. This provided great entertainment for the gallery.

This great day's shooting was brainstormed and organised by Ali Ambros, ably assisted by his Christmas Gnomes. Thank you Ali. He promises an even better time next year! Hope we have all recovered by then!

Happy New Year and good shooting to all in 1995.

## NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

Shooters from Dysart, Tallawalla, Tambo, Gernfields and Springsure clubs brought the members up to 30+. Some excellent scores were shot, in pursuit of hams, turkeys, chickens and christmas cheer that made up the trophies.

The committee would like to thank all their members and the visitors for making the past year such a success and wishes them all the very best for 1995. Clermont Gun Club re-commences shooting on February 26, 1995.

# Hobart Gun Club

Tasmania like other states has suffered from extreme weather conditions during the month of November.

At a recent Hobart Gun Club shoot the weather, true to form, produced gale force winds.

Like all good Club Presidents, ours was flat out getting the shoot underway and encouraging members to forget the gale force winds.

And like all good Club Members they should help the Club President, two particularly dedicated members decided to assist the President.

Their concern was focussed on the President's vehicle that they believed was in danger of blowing away in the adverse weather conditions. They struck on a brilliant idea, lets secure the Presidents 4WD to the pine tree, immediately in front of the vehicle by way of the conveniently mounted winch.

The idea was highly successful, the vehicle stayed in place all day, bearing in mind there wasn't any reports of other vehicles being blown away.

The winds subsided and the day's competition drew to a close, however, the two very helpful brothers had failed to tell the President of their activities.

The President, again flat out, decided that he would use his vehicle to collect targets etc., with his typical enthusiasm jumped in, turned the engine on and proceeded to reverse.

After much wheel spinning and temperature increase, not to mention blood pressure, the President has now the only long wheel base, two door Maverick in Australia.

By the way the brothers can be contacted for short to long conversions. Call Paul or Sperry.
