National President's Notes

Release Trigger Guns

With a number of shooters now using release trigger guns I have been asked to point out that there are sections within our trap and skeet rules specific to release trigger guns.

Perhaps the rule causing most concern is Rule 4.14(b)(iii) which states, "All release trigger guns used by ACTA shooters and overseas visitors shall be clearly labelled 'RELEASE TRIGGER' - in a conspicuous place near the breech. Such labelling to be consistent, with 12mm width marking tape."

There are a number of shooters using release trigger guns with only the letter R marked on the bottom of the pistol grip. This clearly does not meet our rule requirement.

Sound Familiar?

Recently I was guest speaker at a sports dinner in the rooms of a hockey association. Pinned on the wall was a notice with the following words of wisdom ... "This Association has no set physical fitness program. Members get enough exercise running down the executive, jumping to conclusions, flying off the handle, knifing other members in the back, flogging dead horses, dodging responsibility and generally pushing their own barrow, that a fitness routine is totally unnecessary."

Points Scoring Procedure Change

As of the 1st July 1995, the method of scoring points events will change. A hit with the first barrel will still carry the value of 3 points, a hit with the second 2 points, and a miss will score zero. However the scoresheet will be marked 1 for a first barrel hit, 2 for a second barrel hit, 0 for a miss, and at the completion of the event the 1 will be converted to 3.

It may sound complicated, but in reality simplifies the process. The score sheet becomes much easier to read for all concerned and it eliminates the possibility of a 2 being read as a 3, or vice versa. It makes it much easier for scorers and office staff to total scores. A detailed explanation appears elsewhere in this month's issue.

1995 National Trap Championships

The Australian Clay Target Association National Trap Championships for 1995 were hosted this year by the Victorian Clay Target Association and Melbourne Gun Club. The championships ran from Saturday 25 March to Friday 31 March and in line with the Victorian tradition, we experienced all four seasons during the Nationals.

SATURDAY 25 MARCH

Prior to the Opening Ceremony, teams representing each State and Territory competed for the prized Australian Clay Target Association Cup presented to the State Team in Open, Ladies and Junior divisions. After the success of having this event prior to the Opening Ceremony, this again proved popular, and helped create a fantastic atmosphere to open the championships.

There was a slight delay when a hot air balloon with a crate load of passengers 'ran out of gas' and dropped in on the gun club grounds. After refuelling with the help of their support team and a bit of encouragement from Bob Buchan, the balloon took off and the shoot got under way.

NSW State Team, of which the open and womens teams took out the State Teams event.

NT State Team, of which the juniors won the State Teams event, with Mark Bulluss, NT Executive Member.

The Open teams event was successfully won by the 'two blues', New South Wales, being represented by Mark McInnes (Capt), G. Thatcher, G. Kable, I. Merrick and C. Weaver. They only dropped one target to score 124/367 to win narrowly from Tasmania 123/365 with Victoria in third place 122/365.

The Ladies from New South Wales were successful in completing the double by winning the Ladies Team event. The team was lead by Janenne Kidd (Capt) with Leonie Young-Peters and Glenniss Lawrence shooting 69/75 to defeat South Australia 67/75 with Queensland third 66/75.

The Juniors event went to the team from the Northern Territory. Tony Padondonakis (Capt), Ari Syrimi and Chris Despotis scored 73/216 to defeat Victoria 72/209 and Western Australia 72/208.

It was great to see so many teams entered for the Shoulder to Shoulder State Teams event and congratulations to all states in turning out some very well dressed participants.

The Perpetual Trophy for the best presented team, which was judged by some of the New Zealand contingent in attendance was won again by South Australia who had donated the Trophy some years before.

A piper then lead all teams in a march past the crowd of spectators as Mr Glenn Woodhatch, National President welcomed everyone to Melbourne and introduced dignitaries present, Mr Robert Buchan, President Melbourne Gun Club, Mr Graham Mahoney, President Victorian Clay Target Association, Mr Peter McLellan MLA, Member for Frankston, representing the Minister for Sport, Recreation and Tourism and Mr Alan Mabey, President NZCTA.

The championships was then declared open by Mr McLellan MLA, who welcomed shooters from around Australia, a large contingent from New Zealand lead by Mr Alan Mabey, National President as well as shooters from America and Great Britain.

Mr McLellan, a keen shooter, then fired the opening shot under the watchful eye of National Director of Coaching, Murray Alexander and successfully hit the target.

Mr Graham Mahoney and Mr Bob Buchan issued last minute instructions to all shooters and the individual events were under way.

Grand Australian Handicap — 50t

The first event attracted 520 competitors including 18 from overseas. At the end of fifty targets ten possibles, which included three juniors, shot off for the Royal Blue Sash, Silver Australia Badge and the Gordon Hall Perpetual Trophy.

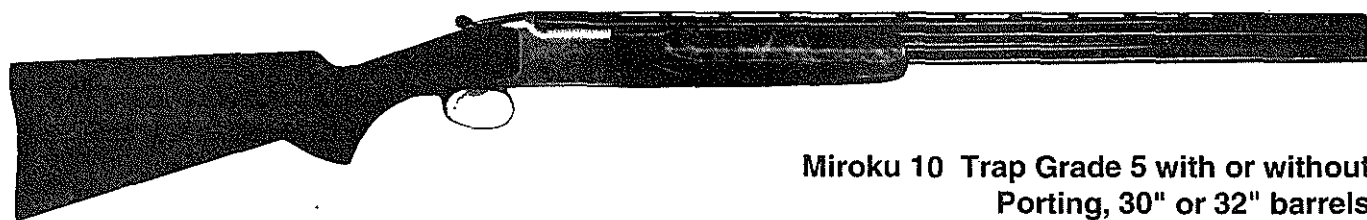

After an extra 25 targets P. Taylor, R. Mark and M. Italla were still in there to decide the winner. P. Taylor was the first to drop away missing his 78th target. M. Italla kept with R. Mark until his 91st target and with R. Mark hitting his successfully, won the Grand Australian Handicap event. Russell Mark became the first shooter to win the event twice having won it in 1993.

MIROKU 10

Miroku 10 Trap Grade 5 with or without
Porting, 30" or 32" barrels

Why the Miroku 10 should be your competition gun

The desire for perfect scores by clay target shooters has led to two great features - Barrel Porting and Overboring.

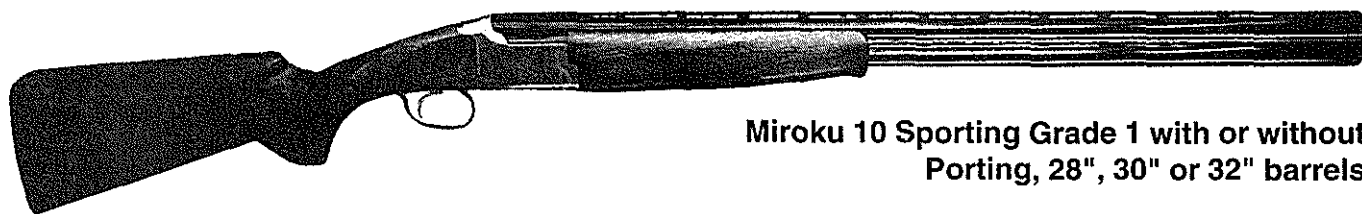

PORTING - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

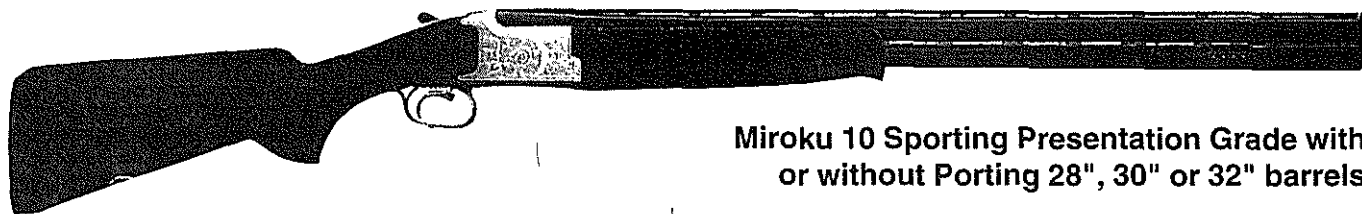

OVERBORING - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.

All Teams, Open, Womens, Juniors and Veterans joined in the Mackintosh Teams shoot for the first time.

The scores for the event are sealed and posted to the C.P.S.A. in England, to be opened at the banquet which follows the Home Countries International in July, when results will be announced.

All four teams shot very well with the Veterans enjoying the experience of participating in this event.

The Womens High Gun was also a tie with Susanne Pay and Cheryl Arnol both having 286/300.

Junior Justin Dale with 298/300 won the Junior High Gun whilst Barney Rooke 295/300 took out the Veterans.

The Association would like to thank Winchester Australia who generously donated cartridges for all teams to participate.

The 1995 National Trap Championships proved to be a very successful carnival series and this can be attributed to the tireless work put in by many people. The Nationals Office under the leadership of Mr Gary Cassells, Office Manager, the administration of the office was excellent and the amount of time and effort that Gary put in can not be exaggerated. He was ably assisted by Geoff Cameron and Melbourne Gun Club Secretary, Leanne Wall and computer whiz Eric Bullmore, with Moira Henwood virtually everywhere, her efforts were tireless and much appreciated by all whom she seemed to be working for. Moira's husband Jack certainly did his fair share as well, under the whip of President Bob. With another office full of Victorian helpers in John Clarke, Jim Shepherd, Trevor Smith, Len Cook, Chris Carrol and crew, the paperwork and score books were kept up-to-date and the smooth running of the carnival ensured. Speaking of scores, a thank you also to Mrs Wilma Berry and her assistants for the tiring task of keeping the scoreboard up-to-date.

The Melbourne Gun Club led by President, Bob Buchan and assisted by Vice President, Laurie Mauger are to be congratulated on playing host to the 664 shooters that competed throughout the week.

To the Victorian Clay Target Association a big thank you for hosting the 1995 National Trap Championships, a special

mention is necessary to VCTA President and Nationals Tournament Director, Graham Mahoney, ACTA/VCTA Executive Member and Shoot Marshall, Ron Traill, who must have used Duracell batteries to keep them going at the pace they did, a great job guys.

It is not possible to name all that assisted throughout the week, to those who are not mentioned, your efforts have not gone unappreciated.

1996 National Championships

The Tasmanian Clay Target Association will host the 1996 National Trap Championships over the Easter period at the Tasmanian Gun Club, Evandale. The dates of competition are Saturday 6 April to Friday 12 April.

APRIL SHOOT

Sunday 9th April saw good shooting conditions, with good scores recorded by all shooters. Thanks to Mick Harold for all the work done to the traps.

All our shooters have arrived home from the Melbourne ACTA Nationals. Two shooters travelling by car were heading for Canberra, when the driver said to new shooter 'Eagle', the ACTA Nationals are in Melbourne, not Canberra. Eagle said but it is the ACT. Young Mick had to explain that there was a difference between the ACTA and the ACT.

We are looking for new shooters to join the club, all interested persons should contact Ian Greenland. Two new shooters to register are Eagle 'Navigator' Ward and Shaun Pearce.

Inaugural 'Wingham 100' Shoot

By P. Ryan, Secretary

Saturday 22nd April

Thirty-five shooters attended this first running of the event which was quite a good beginning.

Perfect weather conditions as ordered, were on hand to see the first event the Northern Zone Night Deauville Doubles taken out by that deadly duo John Farrell and Geoff Lancaster 36/36, who just edged out Ken McWhirter and Ken Neill 35/36.

Second event was the Northern Zone Night Double Rise C'ship with the overall victor being Geoff Lancaster 25/30. Our Zone President Mike Height took out AA 24/30 with Ken McWhirter second 32/40. A grade went to P. Thompson 23/30 defeating R. Marsden 20/30. B grade went to P. Ryan 19/30 with K. Primmer 17/30 second. C grade was closely contested by two new local shooters with Daryl Pasfield 27/40 beating Kerry Miller 25/40.

Sunday 23rd April

The eye opener a 25t CD produced only three possibles from P. McGuire, B. Smith and N. McDonald (I don't know what happened to G. Lancaster).

Geoff soon made amends by shooting a brilliant 100/100 to continue the Lancaster benefit weekend taking the Overall Sash & Trophy in the 'Wingham 100'.

AA grade was taken out by the other half of the duo, J. Farrell 98/100, second went to the consistent K. McWhirter 96/100 with Col Burt third 95/100. A grade winner was R. Marsden 96/100, with the much travelled Peter McGuire 101/108 second and Bob Atchison 100/108 third. B grade with a very good score of 97/100 went to P. Ryan, from R. Abrahams 92/100 and K. Primmer 84/100 third. C grade was again a battle of the new members, with Kerry Miller 93/100 prevailing, from Dick Whitmill 90/100 and D. Pasfield 85/100.

A great weekend was had by all and once again thanks to all those travelling shooters, without whose support the out of town clubs could not exist.

Winchester announce new 'Top Gun' awards

Winchester Australia have announced important changes to their annual 'Top Gun' awards.

On June 30th, the 1995 awards will cease and the announcement of the 'Top Gun' of the year in Open, Ladies, Junior and Veteran categories will be made. The major prize being a Beretta 682 and 5,000 shotshells.

On July 1st, the 1995/1996 awards scheme will commence, ending on June 30th 1996. The award scheme in all disciplines and categories will remain the same.

All competitors who had enrolled before the 1995 DTL Nationals will NOT have to re-register for the 1995/1996 awards, but anyone who is not currently a member can enrol until July 31st, by contacting Winchester on (052) 48 2000 for a registration form. From August 1st, anyone who is not meeting the conditions of entry for participation in the awards will be taken off the program.

The major reason for the change is to make the ACTA DTL Nationals one of the last big events eligible for awards and therefore keep the 'Top Gun' of the year category wide open until the end of the shooting season.

Good luck to everyone in the new 1995/1996 Winchester 'Top Gun' awards.

By Lost Bird

On the Saturday 25th March, Allan Banfield an old friend of Harry's dropped in to stay the night on his trip up North. Sunday morning when I picked Harry up for shooting at our club I met Allan, who was leaving that day. Monday the CTSN arrived and had the story of Allan's grandfather (also Allan) in the National President's Notes which stated Allan Banfield 50 hits in succession (unfinished break). The old saying you wouldn't read about it, but how about that.

And talking about target breaks (true story) there were a few shooters talking about big target breaks, when Garry stated he knew a bloke that had a twenty-five thousand break. With mouths all open in dismay, one bloke said, couldn't be done, another said impossible, and one said who and when, as I never read it in CTSN. So Garry said this fellow had a load of twenty-five thousand targets on his truck when he missed the bend, went down a cliff, landed upside down and broke every target. Now I call that a twenty-five thousand break. Haven't met you for a while Garry, hope you don't mind me telling your tale.

Stafford Smith and family just back from Nationals said his main opposition was the weather, stating one day was the coldest for that time of year for 50 years. But he was pleased to shoot a possible in the Handicap and another in DB C'ship and ended up seventh. He was pleased with that considering the calibre of shooters at the Nationals. Glad you enjoyed yourselves Stafford and arrived home safe and sound. Thanks for the news.

Bundaberg 2-4-95

Because we had a storm on our Heritage Shoot, Bundy had to put on a storm to show anything we do they do better. Captain Pedro said the storm was ordered for 2pm, but didn't arrive until 2.45pm. With visitors Paul, Les, Peter, Harry, myself of Maryborough and Bill Stolberg of Gympie on his first leg of his gulf trip waited for the shoot and was off Monday.

The day was a 100 target day with wins each 25 targets, there were too many winners to name. Shooters to have a couple of bites of the cherry were Les Sidwell, Peter Winzen and Clinton Groves, with 100 target Overall Rob Rehbein taking all four, and front marker Overall Graham Harriman. Pedro shot the jackpot, Gino won the plonk and Mrs Spark won the meat tray, good luck to all. Good to see Spencer Plath back on deck after a hip replacement, only for a look see, but will be shooting again soon. Spencer was soon giving a hand in the bar as the Vice President couldn't handle it too good. He told me he was going to drink Bundy Rum as he heard on the news they were going to make stubbies in China now. Bundy's next shoot is a one day shoot being the Gordon Doblo Memorial Shoot, Sunday 4th June, 9.30am start.

Also Graham Whitfield, secretary of Rockhampton will be pulling his hair out as it is their Two Day Shoot Sat 10th & Sun 11th followed by Central Burnett Sat 17th & Sun 18th June ... see CTSN.

Gympie 9-4-94

It was the first time for Stephen Krake as treasurer, who took over running the shoot under the supervision of Wal, good job, well done Stephen. With visitors Greg Manning, Brett Brown, Barry Power, Ray Wilson, Norm Keech of Sunshine Coast and Josh, Harry and myself of Maryborough, a

most beautiful day for shooting, yet strange enough scores were low for the good conditions.

No doubt the day belonged to the old fox President George, his first shoot after being graded A grade and won the 25t DB CD, 1st 30t PS and A grade HG. He drew the jackpot but refused to shoot it, so to let it grow for the next drawer, next shoot. Also he drew the meat tray raffle. Good shooting and good luck George.

Glen Durrie with his new Beretta modified by McGeoch & Wright took out the 25t Hcp and 2nd in 25t Pts and that was the end of Wal. He said he was told you only had to point in the general direction and you couldn't miss, they must have been joking Wal. Denis Carew took 2nd in Hcp after a shoot off with Wal, and 3rd was Ray Wilson, who also won B grade in the Pts, with Norm Keech 2nd in Pts and B grade HG. Josh Finlay B grade 25t DB CD, Brett Brown B grade 15pr DR, Garry Carew 2nd 25t Pts and Greg Manning C grade 25t DB CD, 15pr DR, 1st 25t DB Pts and C grade High Gun.

Gympie will be holding their two day Gympie Gold Shoot on October 7th & 8th, not as in the Queensland program book, look for CTSN.

Jim Kinghorn Memorial and Trans Tasman Shoot

Some blokes will do anything to get a few days in hospital to be surrounded by pretty nurses, such was the case of Les Greensill who fell and injured his shoulder. Sorry I didn't hear about you when you were in hospital Les, as I would have called into the hospital to see your nurses. Only to see if they were looking after you of course. Best of luck and hope you are back at the shoots soon Les.

Another shooter Dave Gardner of Gympie, also in hospital with nurses staying on duty on their days off just to look after Dave. Hope you are soon back on deck and shooting again, Dave, but they tell me you are in no hurry to go home.

With visitors Wal from Gympie who went home without collecting his winnings, don't worry Wal, we will enjoy a drink on you, and from Bundy Gino, Keith, Pedro, Brad, Ted and Spencer having his first shoot after his big operation, glad to see you shooting again Spencer. Also Harold Sparke after only a few shoots took out C grade.

The Jim Kinghorn Memorial Handicap was won by Les Sidwell also taking A grade 25t DB, 25t DB Cont and A grade HG, with 2nd to Norm Dale and 3rd to Peter Hinschen. The 50t DB Pts C'ship on which our Trans Tasman shoot is shot, OA & B grade Andy Wood and taking B grade HG. Pedro in AA took 25t DB, 25t Pts and AA grade HG. In the 25t DB B grade Brad Petersen, C grade Darryl King. A grade in 50t Pts C'ship was Glen Durrie and Cont 25t was AA Chris Harrison, B grade Peter Pagliarino and C grade Spencer Plath. Good to see you have a win on your first shoot back Spencer. The meat tray raffle was won by Darryl King, once again Harry won the bottle of plonk and Chris Harrison drew the jackpot but failed to shoot it, maybe next time Chris.

A big thanks to John Mitchell who came from Brisbane, John being the State Director of Coaching and held a Coaching Clinic before the shoot, thanks John.

President Paul went to Gladstone at Easter to catch the Easter bunny and took off OA SB C'ship, 1st in AA DB C'ship and 2nd AA Triple C'ship. Looks like his SC3 is coming good, nice shooting Doc. Our next shoot is June 25th at 12 noon with a meeting before the shoot.

Good shooting to all, 'til next time, see you at the shoots.

V.C.T.A. South West Zone

By Jack Matthey, SWZ Secretary

The South West Zone of the VCTA held it's annual DTL carnival at Hamilton Gun Club on 29th April 1995. The weather was overcast but fine and cool with little or no wind. Sixty-four shooters from eighteen Victorian and South Australian clubs attended to contest the four events, clubs from as far away as Mt Gambier, The South East and Millicent in S.A., and Jeparit, Horsham, Alexandra and Geelong in Victoria attended.

This year was the first year that the Zone Teams Shield was contested. It was pleasing to see that eleven out of the thirteen S.W. Zone clubs attended the carnival and most clubs had a team competing for the Shield which was won by Noorat with a score of 550/625. Noorats team was P. Britten (114), J. Matthey (117), K. Vagg (107), C. Darwin (104) and M. Nash (108).

Shoot Marshall Andre Agterhuis commenced the carnival very shortly after the advertised starting time and the first event, 25t DB won by P. Cleggett AA 52/52, A grade L. Howlett, B grade J. Hughes, C grade Rhys Sanders. Event 2 a 25t Point-score was won by W. Wombwell A grade 98/99, AA was won by A. Agterhuis 72/75, B grade R. Hounsel 89/93 and C grade by C. Ritchie 71/75. Event 3, 25t Single Barrel OA & AA grade R. Watson 25/25, A grade R. Millard 27/28, B grade R. Hounsel 23/25, C grade W. Williamson. Fourth event 20t DB Sweepstakes, five possibles: P. Cleggett, W. Wombwell, M. Nash, D. Flavel, M. Dumesney all divided the cash.

Overall High Gun R. Hounsel (Jeparit) 121/125, Veteran J. Matthey 117/125, Ladies S. Milroy (Alexandra) 105/125, Juniors H. Muldoon (Macarthur) 112/125.

When you describe individual achievements and name the person there is always someone who says "what about me?", but having said that I will go against the tide. One of the outstanding wins at this carnival was Jack Hughes of Sebastopol Gun Club who won B grade in the DB, with a score of 27/28. Jack is shy about the exact date of his birth but has admitted to his friends that he did his primary schooling during the twenties, congratulations Jack, the 'coach' is proud of you.

S.W. Zone President Keith Vagg wishes to thank all those people who in any way helped to make this carnival the success that it was, the Hamilton Gun Club who had the grounds and traps in excellent condition, and the ladies whose food was appreciated and enjoyed by all present. Thanks also to the shooters who had success at the carnival and those who attended and were successful, without your presence the carnival would not have been a success.

New method of recording Points Scores

On the 1st July, the method of recording points score events will change.

As of this date the scoresheets will be marked with a 1 for a hit with the first barrel, 2 for a hit with the second barrel and 0 for a miss. The referee will call "one" for a hit with the second barrel and "lost target" for a miss.

At the completion of the event, all '1s' will be multiplied by three and added to the '2s' to give the total.

All this may sound complicated, but in fact it will streamline the addition of the scores, it is easier to differentiate between 1s and 2s, rather than 3s and 2s, thereby making the task of adding the scores simpler for scorers and office staff.

The new method being introduced is used in all other countries shooting points score, therefore we will not experience problems with visitors from overseas refereeing the event in the future, and likewise, visitors from Australia to these countries will not create confusion.

The only change needed in our rule book is to section 4.32(a), where the sentence 'These points scored will be called by the referee and scored by the scorer accordingly' will be removed. Added to the first sentence shall be, 'The referee will call "one" for a hit with the first barrel, "two" for a hit with the second barrel, or "lost" for a miss, the scorer marking the scoresheet as called. At the completion of the event all '1s' will be multiplied by 3, added to the '2s', which will give the total score.'

Below are two score sheets showing examples of both the old and the new. I am sure the majority will agree the new is much simpler.

Victorian State Skeet Carnival

The Victorian State Skeet Carnival was conducted at Frankston Australian Clay Target Club on 21, 22 & 23 April, in generally good conditions. The rain kept away, the wind was no more than a gentle breeze most of the time and the temperature was about 20 degrees on each of the three days.

Victorian Skeet Doubles Championship — 25pr

Fifty-one shooters were squadded for the first event. After the 25 pair two shooters had posted 49s, both Queenslanders, Max Barton from Toowoomba and Neal Dimmick Brisbane. The shoot off took just two pairs, with Max Barton taking the Silver Victoria Badge and Red Sash with 53/54. Neal Dimmick was AA grade first with 52/54, Chris Hughes, Melbourne, topped the A graders on 44/50, Kevin Morgan, Frankston Australian, the B grade with 45/50 and Junior Justin O'Brien, Woods Points, C grade 40/50. Evergreen Reg Clarke, Cecil Park, was top Veteran on 48/50 and Helen Sanders, Wagga, beat the Women with her 43/50.

Victorian All States Skeet Championship — 50t

Friday's shooting was completed with a keenly contested event which attracted 55 entries. Five possibles lined up for the shoot-off, Reg Clarke and Naseem Malouf, visitors from New South Wales and locals Adrian Cousens, Jack Glanville and David Cunningham. Jack was first to go, letting target 9 get past him, followed by Naseem Malouf with target 37. Clarke, Cousens and Cunningham completed 50 without fuss, and then suddenly it was all over with Cousens missing target 59, closely followed by Cunningham target 62, leaving Reg Clarke the winner on 112/112.

David Cunningham, Frankston Australian, was first in AA grade with his 111/112, Jack Glanville, Frankston Australian, took A grade 50/50, Helen Sanders, Wagga, B grade 81/84, after a spirited shoot off with Les Eastoe and Neil Blackmore, Castlemaine, C grade 48/50. Laurie Manger, Melbourne, was the top Veteran 48/50, while Frances Scott, Woods Point, beat the Women with 49/50.

Victorian State Skeet Championship — 100t

Saturday saw some extra people arrive, making the field grow to 65 for the State Skeet Championship. Perhaps surprisingly there were no shoot-offs required for any grades or sections after the 100 targets of the event. Adrian Cousens, Melbourne, shot the only possible to take the State Title, the Red Sash and the Silver Victoria Badge with 100/100.

AA grade went to David Cunningham, Frankston Australian 99/100, A grade a delighted Emilio Pessot, Melbourne, 97/100, B grade the very hard working Danny Parsell from the host club, 96/100 and C grade another local in Judith Kent, 84/100. Reg Clarke again featured, taking the Veterans section with 97/100, while Carol Ogden, Melbourne, was the top Woman with her 94/100.

City of Melbourne Skeet Championship — 75t

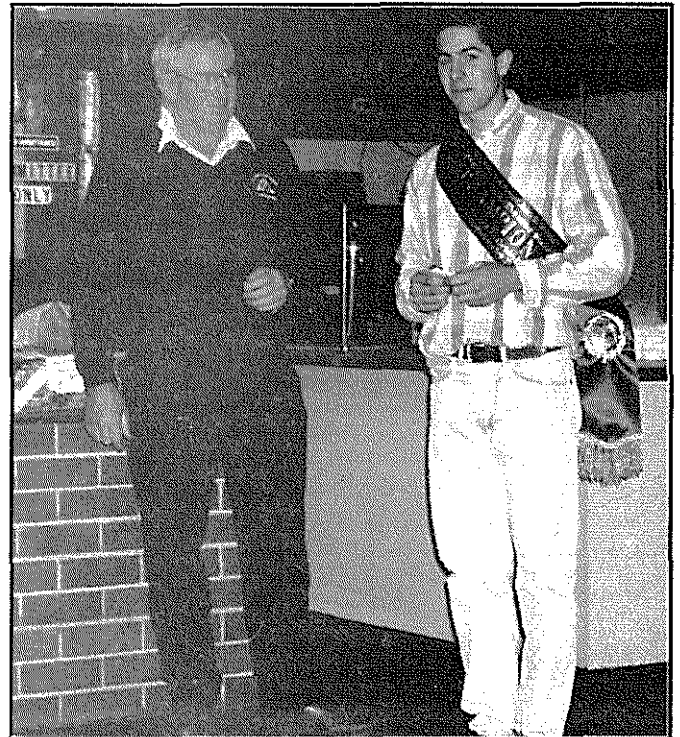

Sunday again had 65 shooters squadded for the 75 target event. One possible was enough to find the overall winner, Ross Salpietro, Frankston Australian, 75/75. AA grade went to Adrian Cousens, Melbourne, 74/75, A grade Paul Kouroukis, Wakehurst, 73/75, B grade Rod Sturzaker, Frankston Australian, 73/75 and C grade Simon Howd, Cerberus, 67/83. Reg Clarke, Cecil Park, made it three Veterans sections wins and one Overall with 73/75 and Carol Ogden had her second Womens section victory with 72/75.

All States Skeet Champion, Reg Clarke.

City of Melbourne Skeet Championship winner, Ross Salpietro.

Waratah State Notes

Western Zone

On Sunday 9th April, Mendooran Gun Club hosted the Western Zone Continental Championships. On a cool overcast day, the club welcomed 66 shooters travelling from as far afield as Cessnock, Brewarrina, Warren, Coonamble and Cowra. Everyone seemed to have an enjoyable day and they all enjoyed the delicious food prepared by the Mendooran CWA ladies. It was nice to see quite a few locals at the club 'just having a look' at proceedings. Over \$3,000 in trophies was presented and some of the locals who won were Peter Wyner, Robert Waters, Colin Dorman, David Kenny and Michael Smith.

Mendooran Gun Club is now fully operational with 2 electric traps and the club would like to acknowledge the wide support it has received not only for the Zone Shoot, but from all the community in its establishment stages. We recently received a grant through the Department of Sport, Recreation and Racing. Much of the credit for this must go to Coolah Shire for its magnificent support of our application. Please see club results section for a comprehensive results listing.

Moree Gun Club conducted the State Night Skeet C'ship on the 1st April with 24 shooters in attendance. Peter Vella from Cecil Park CTC won the C'ship with a score of 48/50.

In General

I was interested to receive a newspaper article from Peter McGuire in Grafton, discussing tighter gun laws. "As for tighter gun laws, this won't disarm the criminal", it states. The article contained an interesting quote also from the forward of the film 'Colt 45' as follows, "A gun, like any other source of power, is a force for either good or evil, being neither in itself, but dependent upon those who possess it". Something to think about.

Monarto Clay Target Club Inc.

ANNIVERSARY SHOOT REPORT

By Ruth Michell

The Monarto Clay Target Club's Two Day Anniversary Shoot held on the weekend of 22nd & 23rd of April was held in perfect weather, fine and mild and no wind, almost too good to be true.

After a feverish work bee the weekend before with cleaning, mowing, trap maintenance etc, and a new coat of paint on the club house, we were ready for what looked like a promising weekend. Some 57 shooters from 11 clubs shot for the six championships over the two days and this included 10 Veterans, 6 Ladies and 3 Juniors.

The Murray Valley Standard sponsored the first event for the weekend and we saw five possibles come in with Peter Hendy (Monarto), taking out the 25 target Double Barrel Championship with a score of 83/83.

The Pizza Supremo 25 target Single Barrel Championship saw another four possibles being shot and Tony Rohrlach, last year's runner-up, proved too good for his fellow competitors and took out the championship with a score of 34/34.

The final event for day 1, the Alfab Engineering 25t Pointscore saw three possibles posted with Lisa Smith (Lower North) Junior/Lady taking out the event over all the 'fellas' with a 105/105.

Shot in conjunction with this event is the Shell Shield Team Shoot and the Monarto No. 1 team took out the shield with a perfect 125/125. Team members were Graham Michell, Tony Rohrlach, Tony Famiglietti, Peter Hendy and Dennis Halikiopoulos.

Day 1 High Gun went to Frank Agostino after a shoot off.

A most delectable evening meal consisting of fried chicken on the BBQ, salads, fruit salad and ice cream, brought day 1 to a close and the shooters sat about the club house reminiscing. The more athletic ones decided on a game of 'footy' in front of the club house and this was continued until they could no longer see the ball, just one injury (that I know of), came from the game. Brother John dislocated his little finger while trying to take a mark! Ivan Hein (a footballer from way back) was out there as well, but if he had any stiffness in joints/muscles on Sunday he certainly didn't let on to anyone.

Sunday saw competition again under way in perfect conditions and Lisa Smith, still on a high from winning the last event on Saturday took out the Clem Thomas Memorial 30 Mixed Target Championship with the only perfect score of 50/50 being shot.

The fifth event for the weekend, the J & E Johansen 25 target Anniversary Handicap saw 4 shooters on 24/25 and as the event had four trophies, even before they went out to shoot they all knew at least they would get something to take home.

Tony Rohrlach, last years winner, was the first to miss a target and ended up with 4th placing shooting 24/26. R. Simmons dropped the next target and took 3rd placing with 25/27. Peter Hall shooting from 20 metres took 2nd place with 28/30 and Dennis Halikiopoulos (Monarto) also shooting from 20 metres took out the Handicap with a 29/30.

Now I have a rather sad tale to tell ... Shot in conjunction with the Handicap was the team shoot for the South Australian Pigeon Shooting Association Shield and clubs have been invited

Lisa Smith smiling happily at having taken out 2 of the 6 championships on offer at the Anniversary Shoot, as well as Ladies High Gun Sash and B Grade High Gun Sash.

to bring/send their best handicap shooters to compete for this most prestigious shield.

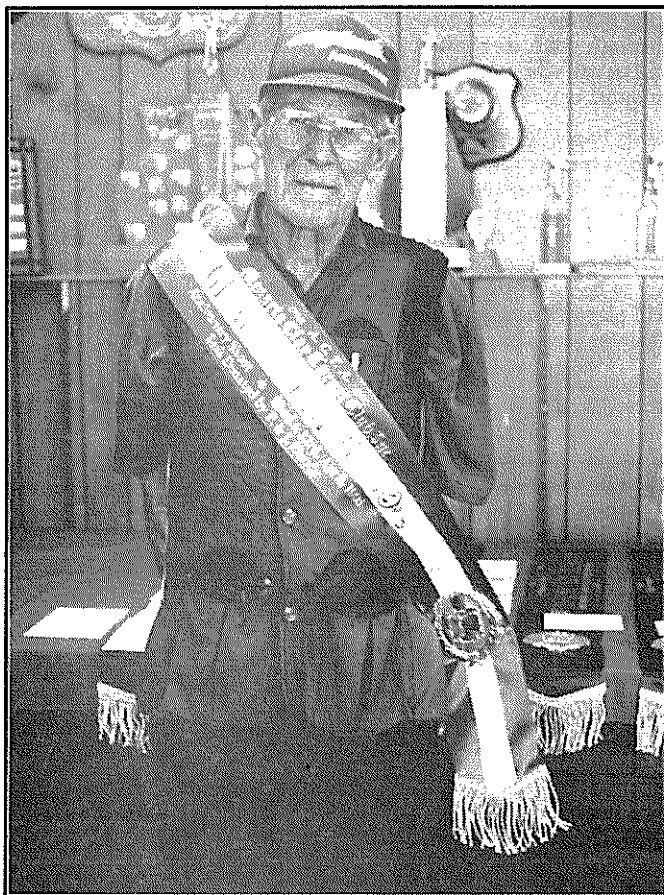

Some seven months ago (September 14th to be precise), after hearing of this 'lost shield' somewhere in the state and finally tracking it down to the Far West Gun Club at Ceduna, a car load of Monarto boys headed for Ceduna to shoot for and hopefully bring this shield back into 'civilisation' (no slur intended for those that live in Ceduna). Funnily enough, the locals had got wind of their coming and rallied teams from their own gun clubs in the zone hoping to keep the prized shield in their own 'neck of the woods'.

Well, as luck would have it, Monarto did manage to win, and brought the shield back home where it has held pride of place on the club house wall, and so here on this handicap event we were trying to defend our prize.

Team members were Peter Hall 24/25 from 20 metres, John Richichi 22/25 from 19 metres, Peter Marcolionni 22/25 from 20 metres, Frank Agostino 22/25 from 20 metres and Metro Martini 22/25 from 20 metres.

We lost it ... International Gun Club w-w-won it! The only consolation is that the shield is now back in an area where more clubs will be able to compete for it ... end of sad story.

The final event for the weekend, the Coca Cola Bottlers 25 target Point Score Championship, shot in conjunction with the Michell Team Shoot, was taken out by Junior, Nick Marinis who shot 74/75. The Michell Team Shoot here was won by the Monarto No. 2 team (originally the No. 1 team, but relegated to

team 2 after their performance in the handicap event), but this time they shot 351/375. Team members being Graham Mitchell, Tony Famiglietti, Tony Rohrlach, Peter Hendy and Dennis Halikopoulos.

Day 2 High Gun went to Peter Hall (suffering from the flu) with a score of 146/150. A personal thank you to Peter for making the trip back on Sunday, with the flu, but bringing some much needed truck parts for a broken down Kenworth, thanks Peter.

Finally the Overall High Gun went to Tony Rohrlach (Monarto) who had shot a 268/275 and it was good to see a local boy take this out, as the last Monarto-ite to take the High Gun was John Johansen back in 1990. Well done Tony.

None more surprised was another Monarto shooter who took out the A grade High Gun, Mr Pizza Supremo himself, Tony Famiglietti. Tony is a great supporter of our club (not always able to attend because of work commitments) but he does provide us 'free of charge' several of his family sized pizza to sell in the canteen at each monthly shoot. I can in all honesty say that nothing else is usually asked for in the canteen until Tony's pizza slices have all been sold. Tony shot a 262/275 and his sash and trophies were personally delivered to his shop on our way home from the gun club.

Another big smile beamed from the face of Lisa Smith who not only took out two of our major championships over the weekend but also took out the B grade High Gun and the Ladies High Gun as well, shooting 259/275.

Tony Rohrlach (left), being congratulated by Tony Famiglietti after having taken out the Pizza Supremo Single Barrel Championship.

However good the above shooters are, I think the one that pleased me most over the weekend was S.A.G.C.'s one armed veteran, Fred Atkinson. I hope he forgives me for saying that, but for those shooters around Australia who don't know Fred he is just an absolute marvel - he only has one arm and manages to break his gun, load and shoot all with his right hand and arm and he just turned 80 years of age on the 7th of February this year. Fred, you are one of my very favourite people. Fred took out the C grade High Gun shooting 231/275.

Nick Marinis, another of our aspiring junior shooters, took out the Junior High Gun with a score of 260/275. Well done.

In finishing I would like to personally thank our major sponsors for their continued support, the Murray Valley Standard, Pizza Supremo, Alfab Engineering (back again after a few years break), the Thomas family, John & Elaine Johansen (when you have had enough of Field and Game shooting John, we would love to see you back), Coca Cola Bottlers, Winchester, Fisher Firearms Wholesale Pty Ltd (for their vouchers), Peter and Jacki Hendy (Grade High Gun Sashes) and to a new sponsor in Clipsal Switchgear Ltd. Many thanks.

Lastly, down to the nitty gritty. We certainly can't get by without our major sponsors but it is the 'little people' who make up a club and here's my thanks to you ... to Ivan and Tony for making sure the traps were working; John and Peter, who seem to get the dirty job of mowing, we are not blessed with a big rain fall and water is scarce, so we mow the grass and weeds that manage to survive amongst the sand; to Fred and Nancy who this year decked the club house in a brand new coat of paint; to Ivan again for his donation towards the BBQ; to Mervyn who came up with a monetary donation for all the Ladies, Juniors and Veterans trophies given out at the Anniversary Shoot; to Nancy, Jacki, Di, Audrey and Ruth for helping in the canteen, especially to Ruth (my name-sake in the kitchen who works tirelessly in the canteen each shoot and goes home with 'dish-pan hands'); to Phil and his helpers John, Mick, Peter etc. etc. in the store room doing the BBQ cooking (and lots of taste testing); to Peter for the bag of onions; to Tony for his pizzas; to Mick for his grapes; and to those whose cooking and work behind the scenes makes this one hell of a weekend. Thanks to you all ... and here's hoping we see you all again next year.

ASDA completes crucial strategic planning for next three years

What is ASDA planning for next three years?

ASDA has recently completed its 1995-97 Strategic Plan. This plan sets out the direction and the major areas in which the Agency will be focusing during the next three years. The Strategic Plan was developed following extensive consultation with a broad range of people who represent sport including coaches, athletes, administrators, government and other support people such as doctors and sport trainers. The Strategic Plan sets out the Agency's Mission and the main areas in which ASDA needs to concentrate to ensure that the mission is achieved.

ASDA's mission is to ensure that Australian athletes are able to compete in sport which is free from banned doping practices.

To achieve this ASDA will focus on six broad areas. These are deterrence, education, international response, co-ordinated national response, client participation and improving the efficiency of the Agency's operations.

What does this mean for sport?

ASDA will continue to conduct an event and out of competition drug testing program. The Agency will endeavour to work more closely with national sporting organisations to ensure that testing is planned to achieve the maximum deterrence and to assist with the development of appropriate education and policy initiatives to support a testing program. This will include work with athletes, administrators and coaches. In addition the Agency will be increasingly involved with conducting both event and out of competition drug tests for international sport federations.

Testing at the international level will continue to be enhanced by ASDA's work in the international arena. ASDA will increase its work with international sporting federations, particularly with the sports of international concern to Australian athletes. The primary objective will be to encourage the implementation of more comprehensive out of competition testing programs.

As a party to several anti-doping agreements ASDA will continue to represent the interest of Australian athletes in its work with countries such as Norway, United Kingdom, Canada, New Zealand, France, China and the United States of America. ASDA will work with these countries with the aim of improving the international response to doping in sport including again advocating for more out of competition testing.

ASDA will continue to provide an information service including the Drugs in Sport Hotline, printed and audiovisual material relevant to drug testing procedures and drug use in sport. In addition, ASDA will continue to work with coaches, athletes and administrators to develop education initiatives that address concerns surrounding the use of drugs in sport. The Agency will continue to actively encourage input, in to plan-

ning and conducting its activities, from all of its clients through such mechanisms as the Athlete Advisory Group. ASDA will also continue to support teachers to provide drugs in sport education.

State based sports drug education units (SDEUs) will be maintained and extended to other centres with high performance athletes to ensure that ASDA has continual contact with the sporting community. SDEUs will also work closely with State/Territory Governments as they introduce Complementary Legislation. Complementary Legislation will enable testing to occur at the State/Territory level. SDEU project officers will play a major role in developing education programs for athletes, coaches and administrators who are affected by this.

To ensure that athletes are not disadvantaged between State/Territories ASDA will work with governments from all States and Territories to facilitate the developments of a National Drugs in Sport Framework. This framework will provide guidelines for a consistent response to DIS between all States. It will set out the roles and responsibilities of all parties involved and provide guidelines for education, policy and testing.

Finally the Agency will continue to liaise and work with peak sporting bodies such as the Australian Sports Commission, Australian Society of Sport Administrators, Australian Olympic Committee, Confederation of Australian Sport and Sports Medicine Australia.

Shoalhaven Clay Target Club

The Shoalhaven Clay Target Club held a novelty night shoot on Saturday 22nd April with 26 shooters fronting up under lights with several new shooters showing good form.

Greg Cobbin from Illawarra won the event with Roger Ehlers from Shoalhaven runner up. A great night was had by all around the camp fire with many keen shooters camping over night.

Sunday 23rd April was the day for the inaugural Southern Zone Sporting Clays Championship. With shooters and families travelling from as far away as Cooma, Yass, Sydney, Crookwell, Goulburn and the Illawarra with entries numbering 60 it was going to be a competitive days shooting.

The club members had worked hard to make this a successful and interesting shoot, and it went off without a hitch, with all competitors threatening to come back and conquer some of the more testing targets. The club is going to stage this type of event each year with bigger and better trophies each time as sponsors see the response of entries.

Bunbury Clay Target Club

BLUE MANNA CARNIVAL

The annual Blue Manna Carnival held on the weekend of 4th & 5th March attracted a field of 75 shooters on Saturday and 82 on Sunday.

Windy conditions on Saturday resulted in a top score of only 47/50 shot by 2 people for the title of State Skeet Doubles Champion. Peter Muntz and John Dyas shot off for the title with Muntz going a further 7 targets to win the shoot off.

The wind was also a problem in the State Deauville Doubles Championship, where shooting off 22 metres proved difficult for many. Four couples managed to shoot 16/20 and went into a shoot off to decide the first 3 placings, with the State Title going to the Collie combination of John Dyas and Max Cubic.

Weather conditions improved for Sunday where the first event was the P.J. Usher Memorial which was won after a shoot off by junior shooter Mitchell Day scoring 41/41 from Club President Ross Silvester.

Shoot offs were needed to decide the winner of the Blue Manna Handicap after 4 shooters top scored with 24/25. The winner was Perth shooter Paul Vivante, with Shane O'Brien second and Walter Lew third.

The 50 target Koombana Challenge Cup was won after a lengthy shoot off by John Coverley of Collie with a score of 86/86, from Katanning shooter Tim Catling, and Bob Benjamin of Bunbury was third.

The Overall High Gun for the weekend was John Dyas shooting 167/175. Junior High Gun for Sunday was Corey Bordley with 87/100 and Sue Bailey won the Percy Hough Encouragement Award.

Mildura Easter Carnival attracts good field

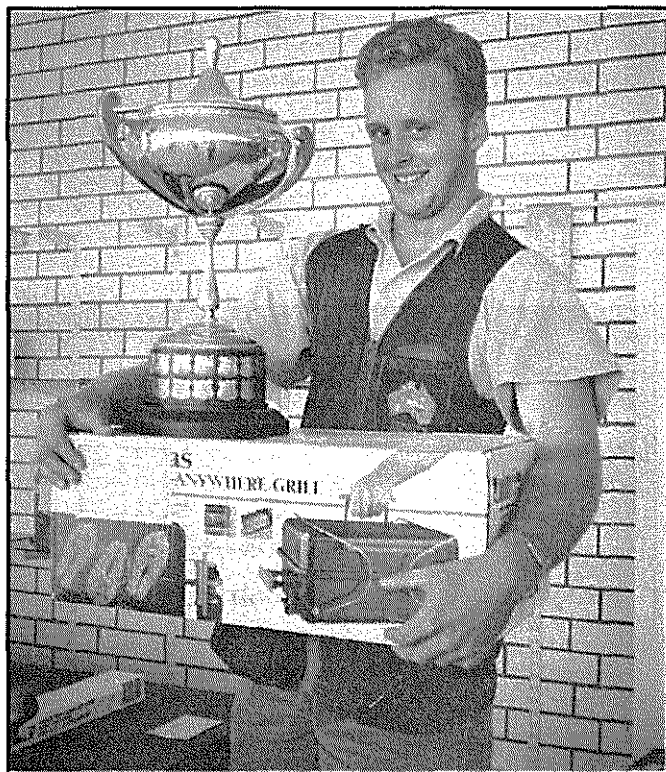

Mildura Gun Club attracted 62 shooters from Victoria, South Australia and NSW to compete at its annual Easter Carnival. The program was well supported by local firms as well as the Melbourne based firm of Airgas Engineering Pty Ltd. The sponsorship allowed the club to provide trophies that appealed to high class shooters.

Two of Australia's recognised top shots, Bill Iles and Glen Hayden were in attendance with Iles being the one in good form. Bill won the Westpac Banking Corporation Perpetual High Gun trophy over the four day program, shooting 243 out of 250 targets. He was also outright winner of several other events.

Even though fields were strong in all events club members managed to take their share of the high valued trophies. Promising club 16 year old junior shooter, Michael Mammone, had to compete against tough opposition to win his trophies.

Mildura Gun Club has produced shooters in the past that have represented Australia at international level on many occasions. With the ability Michael is showing in the sport, Mildura Gun Club will have yet another shooter to reach the same standard and make it tough for visiting competitors at its major tournaments.

We are extremely grateful to our sponsors who supported this program making the tournament such a success both financially and socially. We look forward to seeing you all return for Easter 1996. The results of individual events held over the four days were as follows:

John (J.B.) Blechynden

The Northam Gun Club advises with regret the passing of one of its esteemed members in John Blechynden affectionately known as 'J.B.' by his shooting and other sporting friends.

He was a hard working member who became one of the mainstays of our club, particularly in regard to the Baillie Farm Field Shoot. He also took on the maintenance of the animals in our fauna reserve and looked after our flock of sheep, no mean task for one member who will be sadly missed.

J.B. worked hard and played hard, never lost his sense of humour, was renowned for his ready wit and passed on while on his annual shooting trip in the station country at the age of 40. As he often said "You can't help bad luck".

R.M. Holtfreter, Past President
Northam & Districts Gun Club (Inc.)

Clarrie Copping

Passed away respectfully April 1995 in his 78th year.

Clarrie Copping was one of shootings finest gentlemen, a true competitor, a great trier, a notable character, unselfish in victory and above all else, a great sport.

Clarrie commenced shooting in his early days and joined the Bool Lagoon Duck Hunting Club in 1955, and only a matter of a few years later, joined the Naracoorte Gun Club. Clarrie was instrumental in the foundation of the Robe Gun Club, Clarrie's home club for which he worked so hard and of which he so proudly wore his red shooting jacket whenever travelling away.

Clarrie's love of shooting and desire to travel to make new friends, meant that he was well known at many of the countries major shooting carnivals, especially birthday shoots. Clarrie was always there, enjoying a yarn, helping mates and offering words of encouragement to new shooters.

Clarrie's warm and friendly welcome will be sadly missed.

Achieving a career goal

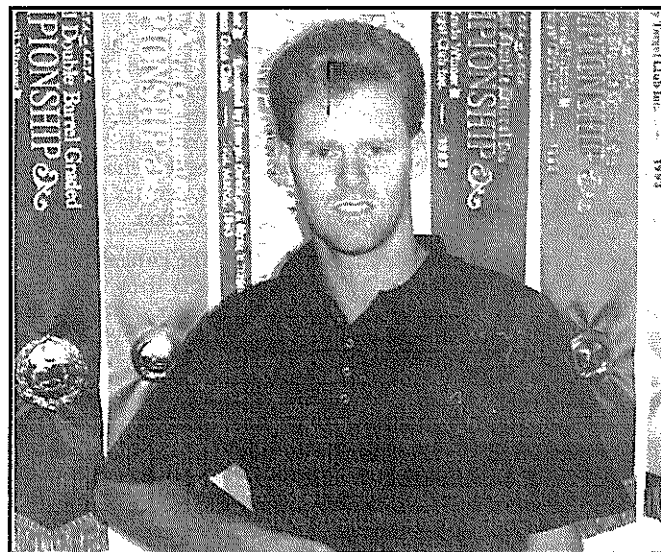

During his early teens Tim Robinson decided his career goal was to become a Gunsmith. Enquiries about obtaining an apprenticeship with a practising gunsmith were not promising. Contact with John Miall of Frankston suggested obtaining a fitter machinist apprenticeship and later teaching himself the craft. Acting on this advice Tim obtained a fitter machinist apprenticeship at the Australian Defence Industries Ordnance Factory, Bendigo. At the completion of his time he continued in the trade at A.D.I. for a further three years.

Over this period of time Tim became a resident of Kerang having spent his past sixteen years at Woorinen and Lalbert. Shortly after moving to Kerang he was encouraged by Frank James to try his hand at clay target shooting. It wasn't long before Tim rose to the AA ranks. He also shot some simulated field and acquitted himself well here too. He is also a keen practising field shooter and enjoys a trip into the remote areas of the country whenever possible.

At one of the regular clay target shoots a couple of years back, Tim met the stock maker Kevin Wright who rekindled his desire to become a gun smith. "Pack your bags and head for the U.S.", advised Kevin. So some serious saving of dollars took place and the advice was acted on. For the past twelve months Tim has been a resident of the U.S.A. where he attended the Colorado School of Trades at Denver Colorado.

The 1800 hour gunsmithing diploma course of study was completed in less than the usual time. Tim, two Norwegians and a couple of hard working native Americans attended day and night classes working sixty hours a week. Tim completed the diploma in the top 25% of all students to have ever attended the college and was granted with honours an Associate of Occupational Studies Degree in Gunsmithing. With some money left and the opportunity to attend the Colorado Gunsmithing Academy of Lamar he completed a further 420 hours of custom rifle making and shotgun work.

Tim has completely financed his studies in America. He now aims to establish a gunsmithing business on his parents property at Kerang. He sees his field of expertise in fine tuning competition shot guns and custom rifle building. Of course general mountains and repair of firearms will be the essence of his craft.

Tim Robinson.

The Editor,

Melbourne Gun Club wish to thank all those members who helped to prepare the grounds for the 1995 DTL Nationals.

To all the members who helped organise the practice trap, bar, cleaning and donors for the Pre Nationals we thank you. To the people who rang or wrote letters of thank you on the way the grounds were prepared we take this opportunity to thank you.

Dear Sir,

It came as a great surprise to be presented with the Presidential Medal during the recent national championships.

I feel very humble for my name to be included with the small list of people who have done so much for clay target shooting over the years. I have enjoyed my years in shooting. It has meant a great deal to me and I have met a lot of wonderful people. It was only fitting that I should put back just a little of what I have taken out of the sport I love. If I have helped, or improved the sport in any way during my years in administration, I am well satisfied.

On closing, I would like to thank a few people. Firstly, I thank the Management Committee and the ACTA Executive for making the award possible. Thank you to the people or groups of people who did the research and put forward my name for consideration. And finally, thank you to my family, especially my wife Joan, for all the support they have given me over the years.

I look forward to see you all around the traps in the not too distant future.

Jim K. Scott

The Editor,

The first step in introducing the modern shotgun sports of trap and skeet to truly international competition was taken at the recent Oceania Games in New Zealand.

I understand that this was as a direct result of action by the immediate past President of the NZCTA. Further I understand that the intention of this Association is to push for inclusion in the Commonwealth and eventually the Olympic Games. This is not the first time that such an attempt has been made, the USA has also made such moves.

That such a move has taken so long, considering the participant level in the activities, tends to reflect unfavourably on us all. Considering that all other sporting events at the Olympics cater for a wide variation in actual events eg. swimming, distance and stroke variation, athletics, etc., why then alongside the ISU discipline cannot trap and skeet be included. Just think of the thousands of shooters who would contest such selection.

However, before such a step is undertaken the games of trap and skeet must be brought in line with what is truly the international game. In skeet for example the distance that targets travel should be increased to that which is standard in the USA. In trap and I say this with some hesitation as I now do not shoot this discipline, the local game of double barrel would need replacing by single barrel or perhaps point score.

The NZ people are to be commended on their action in this matter and should be supported without reservation by the ACTA subject only to us adopting a truly international form of trap and skeet.

Reg Clarke

Dear Sir,

1995 Wagga Gun Club Charity Shoot

On behalf of the members of the Wagga Wagga Rescue Squad I am writing to thank the Wagga Gun Club for staging the above event in aid of our organisation on the 5th of March 1995.

The event was a great success attracting shooters from many parts of N.S.W. and other states to Wagga Wagga. The net amount raised for our organisation was approximately \$1,900. These funds will be used by us in continuing to provide and maintain an efficient rescue service to the people in and around our region.

We wish sincerely to thank the shooters that travelled to Wagga Wagga and helped to make the event the success that it was. We are hoping to make this an annual event on the gun club's calendar with the aim of making the event bigger and better next year.

Yours faithfully
Mark Gain, Squad Secretary

Dear Sir,

I refer to the National President's Notes on the proposed National Ground (CTSN May edition), and his comment that more and more firearm owners will turn to the clay target sports for recreation because of the continuing push for the abolition of blood sports and the cancellation of this year's duck season.

In WA where duck shooting has been banned for several years, clay target shooting sports did not experience an increase in membership as a result of the demise of the duck shooting institution. Instead many shooters simply stopped shooting or sold their guns.

Glenn Woodhatch paints a picture of himself, rubbing his hands with glee, anticipating a surge in ACTA membership, while watching the demise of kindred spirits. I think this is very sad.

One doesn't have to be far sighted to see that in several generations any form of shooting in Australia, like much of Europe, will be so expensive and plagued by restrictions that most people simply won't bother.

I would like to see the ACTA Executive broaden its horizons from the tiny world of trap and skeet and become politically involved supporting us as shooters.

Certainly, here in WA once it becomes a law for all gun owners to spend around \$1,000 on separate, sophisticated steel cabinets to house firearms and ammo, clay target shooting will be on its knees.

Yours sincerely
Mark Westlake

The Editor,

Doug Lucas is a veteran shooter who is still a very active member of our club. He will assist anyone who asks him, but has a passion to help juniors. There are so many adult shooters who tell you 'Doug put me on the right track when I was a junior'.

Recently Doug won 'Overall' in the Points Score Championship out of 21 shooters. It is good to see a sport people can enjoy from a schoolboy to a veterans.

Congratulations Doug, keep up the great work. Leeton Clay Target Club are proud to have you as a member. Doug's wife Molly is also a great club supporter helping with afternoon teas etc.

Barbara McDermott, Secretary
Leeton Clay Target Club

Dear Sir,

Shooting Clay Targets versus Golf

Shooting clay targets is often referred to as a 'noisy golf' in the U.S.A. An analysis of the two sports highlights aspects of technique common to both.

- Correct stance and address to the target area, be it clay target or a golf ball.
- The need for visual concentration on the target.
- The importance of a smooth swing to hit the target.

A major variation in similarity would be that the target (the ball) is stationary when struck by the golfer, while both the shooter and the target are in motion before the clay is broken.

The novice golfer is aided in his quest for improvement by a mountain of magazines, books and videos explaining every detail of the golf swing, technique and course tactics, all testimony to the popular image of this sport.

The novice clay target shooter is not so lucky when it comes to a reference suitable for Australian conditions.

My needs for such a reference have been satisfied by a concise manual 'Shooting the Clay Target' written by George Biggs. I can quickly look to this manual for assistance in the recognition of the many faults in technique that confront the average clay target shooter. I have seen many novices come and go during my brief period of participation in the sport, perhaps a reference as mentioned above would assist in building enough confidence in the new shooter to persevere with the sport.

Yours sincerely
Bill Williams

Dear Sir,

Neil Sutherland who at present is the President of the Cohuna Clay Target Club Inc has not missed a shoot at our club for eight years, making a total of one hundred and thirty-six consecutive shoots that he has attended. This is a great record. Can any shooter equal or surpass this number?

Jack Garner, Secretary
Cohuna Clay Target Club

The High Gun was won by Steve Guest with a score of 103/105 points.

At the Top End

The 22nd & 23rd April was the two day shoot for the Top End Gun Club and shooters attended from Darwin and the Top End.

Two CD events preceded the main event of 50t Sporting Clays State Championship. First up was the 30t DB with the first possible going to 'AA' Victor Ferteklis 30/30, 'A' shared by R. King and P. Grove 29/30, 'B' B. Dalgleish 28/30, 'C' J. Biddle 23/30.

Hot conditions with little breeze saw the shooters taking advantage of the eski placed half way around the course. 'A' Victor Ferteklis 44/50 after a shoot off with B. Mundt, 'B' B. Dalgleish 42/50, G. Draper 41/50, 'C' V. Thistlethwaite 33/50, D. Britland 31/50. State Champion Victor Ferteklis.

Shooter wins senior Sports Star award

Shepparton dental prosthetist, Stephen Atkins has been named the 1994 Senior Sports Star.

The 33 year old Tongala trap shooter was a member of the three man Australian team which took out the gold medal in the teams event in the Olympic Double Trap world title in Italy in June.

The Australians defeated the United States by a single target with Atkins placing 18th individually.

Atkins, who lives in Tongala with his wife Helen and three young children, runs his business Aztec Dental Laboratory in Wyndham Street, Shepparton.

Atkins has been one of Australia's top trap shooters for a number of years and only last week returned from the World Cup in Peru where he and his two Australian Team mates collected a silver medal in the teams event while his 10th placing in the individual rankings earned him valuable bonus points which are vital for Olympic selection.

Forty-three countries contested the World Cup this year, however, this performance was not taken into account by the judges when selecting the senior sports star of 1994.

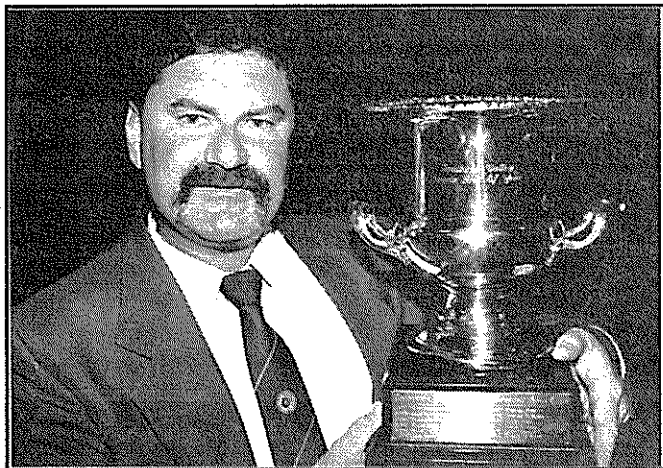

Shane Naylor, who last week won his fourth Australian 100m title, was judged on last years performances which included representing Australia at the Commonwealth Games in Victoria Canada where he was a member of the 4x100m relay team which collected a silver medal.

The 27 year old Tatura sprinter was announced the senior outstanding achiever in 1994.

Atkins and Naylor share many similarities as they battle to raise finance for interstate and overseas trips while trying to raise a young family.

On accepting the award, Atkins said the hardships of finding the money to compete internationally made life hard for Australian athletes.

"Shane would probably understand this". Atkins said, indicating the predominantly Tatura based table where Naylor, his family and friends sat.

Trap shooter Steve Atkins, winner of the senior Sports Star award.

"The Italians at the World Cup are paid \$80,000 Australian dollars a year each to train and compete" Atkins said.

"It's hard sometimes to get there on our own steam to try and have a go, but it was terrific in Italy, it was a real buzz".

Naylor does not have a job and his wife, Gabrielle, and baby daughter Georgia, must go without many luxuries so he can continue his ambition to become the fastest man in the world.

While Atkins has his own business, it does not flourish while he is away shooting and the bills continue to mount.

The \$1,500 presented to Atkins by MITA Copiers Victorian Dealer manager, John Griffin, will help him make a few hard decisions over the next two days as he ponders whether or not to go to Cyprus for another shooting competition.

"Every little bit helps" Atkins said.

And at a later date he will be able to take his wife and family on a seven day tour of Tasmania valued at \$1,700 and presented by Shepparton Travel Centre proprietor, Jock O'Connor, and Tasmania's Temptations Holidays.

Naylor received luggage from Goulburn Valley Sports Assembly president, Tom Montgomery.

"Since I've moved back to the Goulburn Valley on a permanent basis I'd like to thank the people of the area in general for their support", Naylor said on accepting his award.

NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

WINCHESTER- THE AMMUNITION AUTHORITY

WINCHESTER®

Australian made and designed Winchester International 24 gram target loads featuring the unique Convex Wad reigned supreme in two of the world's most prestigious events.

Russell Mark using a Beretta won both titles, becoming the first Australian to win these coveted titles. An Australian using Australian made ammunition created another double of which we can all be proud.
