### FRONT COVER:

1995 Winchester 'Top Gun' winner Adrian Cousens, being presented with his Beretta prize by Rod Laidlaw of Winchester, at the ACTA National Office, with Graeme Brown, ACTA National Executive Director.

# National President's Notes

## Shooting — Is it a sport?

One of the most difficult aspects of our sport is getting the media to report our outstanding achievements. The efforts of our shooters in winning World titles often only rates one or two lines in our national papers and it is almost impossible to have any wins at all noted on television.

Over the past 12 months our national office has submitted articles telling of our achievements to sports publications and have virtually been totally ignored.

One of the major fiascos at the moment involving shooting is the announcement that Manchester is not going to include shooting in the 2002 Commonwealth Games.

It appears our major supporters are the rural media and we should be doing everything we can to get as much publicity as possible ... and every effort must be made to see that shooting is continued as a major part of both the Olympic and Commonwealth Games. Letters, individually, to the Minister for Sport is one way we can start trying to get our message across.

Shooting is one of the four original sports of the modern Olympic Games and every effort must be made to keep it there.

## Production of Handicap Cards

We have mentioned before the requirement of all shooters to produce their handicap cards at all shoots.

We have all heard the excuses for failing to produce cards, the most common being 'I left it at home, sorry just forgot it'. If this was the case, then surely it would stand to reason they would at times forget their gun, their jacket, their shells ... no it is only the handicap card.

Discussion has taken place at National, State, Zone and Club level as to the enforcement of a rule pertaining to failure to produce your card. All other sports that involve the production of a handicap card refuse to allow anyone to participate unless the card is produced.

I have often said that we have too many rules in our sport, and that most rules are introduced due to the failure of a very few to conform to an acceptable standard. If the minority failing to produce cards, whatever the reason, were to suddenly start producing theirs, then the Rules Committee would not be considering penalties for 'failure to produce a current handicap card.'

## Badge Collectors

Last year in this column I made mention of the possibility of forming a 'collectors club' and invited interested people to drop me a line. The response to the suggestion was minimal to say the least, with only five persons responding. Since that time, I have been asked by a number of others as to how they can join, as they have believed the 'club' was in existence.

I am now open to suggestions as to how we may get the 'club' off the ground. Perhaps we can start to compile a list of clubs that have badges available, perhaps each collector could forward a list of their wants or swap badges they have available to me and I will pass the information to other collectors. Perhaps we could start off by having a badge designed for the 'Clay Target Insignia Collectors Club'. Lets have your thoughts.

## Australia Remembers 1945-1995

Currently this program is being promoted throughout Australia and I am sure within our membership we have veterans of World War II with stories that could be reproduced in the CTSN for the interest of all. Perhaps there are members that can submit articles of interest on the activities of gun clubs during the war years. We look forward to any contribution.

## 1997 Grand American package

I am considering organising a package for persons wishing to travel to the United States in 1997 to attend the 'Grand American'. The cost will be approximately \$2,800-\$3,400, including return airfare and 14 days accommodation. Anyone interested should contact the National Office on (03) 9807 7577.

## 1996 New Zealand Nationals package

I am also seeking expressions of interest in a package to attend the 1996 New Zealand Nationals. Again, all interested persons should contact the National Office.

Glenn G. Woodhatch

# 1995 World Cup

Seoul (Korea) and Chiba (Japan)  
25th April - 13th May

*By Greg Chan, Coach/Manager*

Fifteen shooters were chosen to represent Australia at the World Cups in Korea and Japan, quite a large team, with one official. The team comprised of — Coach/Manager, Greg Chan:

Trap	Double Trap	Ladies Double Trap	Skeet
R. Mark	R. Mark	D. Huddleston	J. Summers
M. Diamond	M. Diamond	G. Lawrence	C. Meuleman
F. Petriella	C. Tilley	I. McJames	C. Barton
B. Hall	B. Hall	D. Trindall	B. Brighenti
D. Webster	D. Webster		G. Barton

With two World Cups 'back to back' the tour was always going to be a long one and it was with this in mind that I left Darwin on the 25th April, with Brett Hall, heading for Melbourne to pick up the flight to Seoul. It was the long way north, but turned out to be much cheaper than going direct from Darwin to Seoul via Singapore.

## Korea

After picking up the Victorian team members, we flew to Sydney to meet up with the NSW/Qld members. Ten pm saw us on a Korean Air DC10, and finally on our way. Ten hours later (7.30am Korean time) saw us touch down. After clearing customs, a one hour wait for the bus, a one and a half hour sit on the bus (stationary) and a two and a half hour ride on the bus, we arrived at our hotel — the Hotel Dong Seoul. The hotel was of good standard, although the rooms were on the small side. There were advantages, such as a Pizza Hut down the road, and a 24 hour convenience store across the street.

The first day was unofficial practice, so we caught cabs to the range and knew immediately that the traffic was going to be a problem. Very early starts (5.45-6.00am) were going to be the order of the day, to catch the early buses. The trap shooters shot two rounds on the official practice day and all were happy with their form, although the juniors were a little nervous. That afternoon we attended the opening ceremony which was a pretty spectacular affair.

Korea — Opening ceremony, traditional Korean dance.

Korea — Interested spectators.

Day 1 Trap: Russell 73, Michael 74, Filipo 71, Brett 64, Damien 65. A good effort with Michael sitting equal 1st, Russell equal 2nd and Filipo still in with a chance.

Day 2 Trap: What a day this turned out to be. Michael punched 50 (last 100 straight), going into the final on 124, in 1st place. Russell on a 48 also made the final on 121 in 6th place. Filipo landed a 48 to finish on 119 in 11th spot.

The final looked like this:

1.	M. Diamond (Aust)	124+22
2.	M. Titarelli (Ita)	121+24+3
3.	M. Veturnini (Ita)	122+23+2
4.	R. Mark (Aust)	121+24
5.	G. Pellielo (Ita)	123+21
6.	B. Ballard (USA)	121+22

Michael had not only won the Seoul World Cup, he had also won another quota spot for Atlanta. Russell finished fourth and Filipo 11th, giving them all Olympic points. It's a pity they didn't have teams matches in Korea. We'd have won silver behind the Italians. The award ceremony was something special, 'winners are grinners' etc.

Double Trap: Unfortunately the Double Trap was held without a practice day (they practiced one round each after the trap final), so Michael and Russell had to back up straight away. After finishing 1st and 4th one day, then shooting again the next day was a big task. Our specialist Double Trap shooter, Craig Tilley, led the way with 133 and 10th spot, Brett shot a nice 131 to gain his MQS, Russell 128, Michael 127 and Damien 115. The event was won by W. Schanz (Germany) 138+46=184+2. Deserie led the ladies on 98 (11th) with Iona 61, Gleniss 68 and Dot 81. The event was won by Xiang Xu (China) 108+33=141.

The skeet team had arrived on the 29th and settled in well. Skeet practice went well, with all the guys feeling confident.

Day 1 Skeet: John 70, Craig 67, Barty 62, George 60. The boys were just off the pace but needed a big finish to have a chance.

Day 2 Skeet: Craig nearly pulled it off. Shot a perfect 50 to finish on 117, but only one target away from 10th place. John shot 45/115, Clive 43/111, Barty 40/102 and George 37/97.

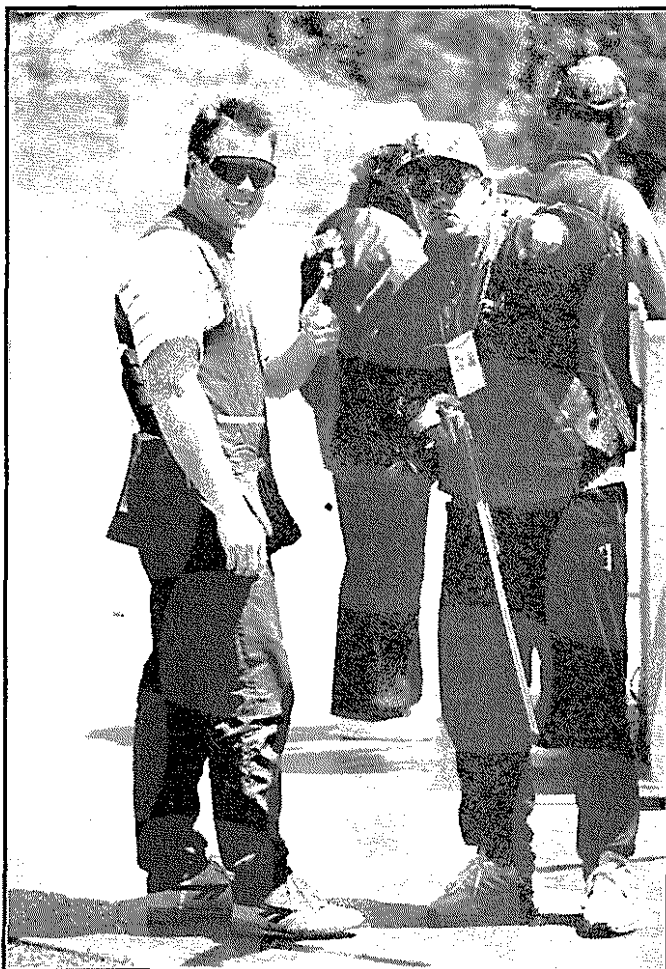

That completed the shooting in Korea and the next day the Trap/Double Trap shooters were to leave for Japan.

We decided to leave the skeet shooters in Korea for the extra four days, as it would be much cheaper, and hopefully they would be able to practice. Unfortunately, George Barton had to fly home as the Japanese refused to let any competitors under eighteen compete.

Meanwhile, while the skeet was on, the Trappies got down to some serious shopping. The local shopping area was called Itacwon, a bargain hunters dream for clothing, shoes, watches and bags etc. Everybody had a ball buying up, but one person stood out as the 'best', the 'supreme bargainer'. Iona, she bargained the locals down on everything she wanted, and heaps of things she didn't. She made a sport of it!

At this point I should point out, we actually had sixteen shooters. Brant Woodward competed for NZ but roomed with us and was included in all our shooting and travel arrangements.

After three or four nights of Pizza Hut, three of the ladies, Brant and I decided to try something different. The five of us went to a restaurant to have 'steak'. The owner couldn't speak English so we had a meal that was barely enough for five people, a round of drinks and asked for the bill. 175,000 wan - about \$350! Brant and the 'supreme bargainer' discussed the price with the owner. Some mention was made of wanting a steak meal, not a whole cow and we walked out about \$200 lighter - back to Pizza Hut.

Korea — Craig Mueleman and Filippo Petriella.

Japan — Australian Trap/Double Trap Team.

## Japan

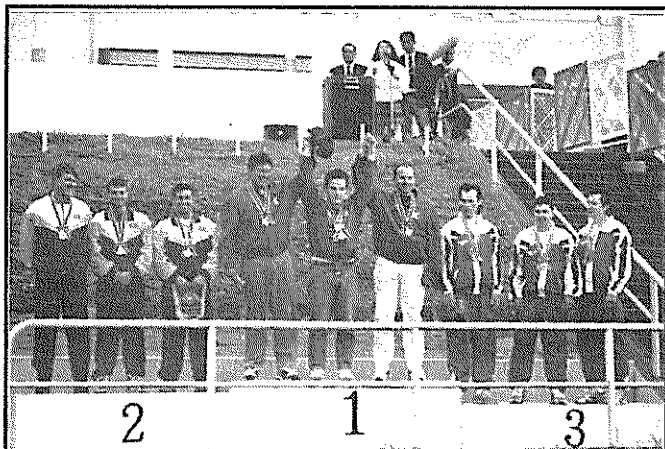

On May 4th we flew from Seoul to Chiba. The Hotel New Tsukamoto would be home for the next nine days. Trap practice was the next day. The range was most impressive with two separate skeet, two trap and one combined trap/skeet layout, complete with electronic score boards. All three trap layouts were connected by a huge tunnel, large enough to drive a fork lift into. The range was only 35kms from the hotel, but took between one to one and a half hours, so again early starts would be needed.

Day 1 Trap: Russell 71, Michael 70, Filippo 68, Brett 60, Damien 61.

Day 2 Trap: Russell 47/118, Michael 48/118, Filippo 43/111, Brett 44/104, Damien 40/101. Russell and Michael both qualified for the final.

Japan — Trap winners: 1st G. Pellielo (Italy), 2nd M. Diamond (Australia), 3rd R. Mark (Australia).

Japan — Trap Team presentations: Italy 1st, Australia 2nd, Russia 3rd.

Japan — Trap team silver medalists with the boss.

Japan — Double Trap Teams: Italy 1st, USA 2nd, Australia 3rd.

#### Trap Final:

1. G. Pellicio (Ita) 119+25
2. M. Diamond (Aust) 118+25
3. R. Mark (Aust) 118+24
4. M. Tittarelli (Ita) 118+23+1
5. Z. Bodo (Hun) 118+23+0
6. M. Venturini (Ita) 116+24

M. Diamond 2nd, R. Mark 3rd, Australia 2nd (teams). Team event won by Italy, with Russia third. Two Australian flags at the presentation, what a feeling.

Double Trap: Russell 127 (8th), Craig 120, Michael 120, Brett 113, Damien 112. Russell an 8th placing, Australia 3rd in teams. Event won by A. Pera (Ita) 139+46=185. Teams event won by Italy, with USA second.

Ladies Double Trap: Deserie 85 (14th), Iona 75, Gleniss 73, Dot 80. Event won by E. Gao (China) 100+31=131.

I should mention our hotel had a 'all you can eat' steak deal promotion on and the guys had five or six steaks each one night. The head waiter boasted the Japanese record was eight steaks – a challenge had to be answered. The next day after some serious training (no lunch), the boys sat down for a steak dinner and proceeded to destroy the records. Damien emerged the new Japanese steak champ with eleven, Brett ten, Barty about nine and Craig Meuleman trailing badly on eight.

The Trap/Double Trap departed on the 10th whilst the skeet arrived on the 8th from Seoul.

Day 1 Skeet: John 69, Craig 66, Clive 66, Barty 62. Conditions were terrible. It was cold and blowing a gale.

Day 2 Skeet: John 45/114, Craig 44/110, Clive 46/112, Barty 38/100. The conditions were just as bad as day one. Event won by Abdullah Al-Rashidi 122+24 and Kuwait's first quota spot.

Saturday 13th May and we are heading home. We arrived at Narita airport for our Qantas flight home. John, Craig and I check our bags through to Melbourne, only to be told we are overweight. After allowances made for sporting teams etc, we are still forty kgs over which was going to cost us \$3,000! We were stunned. After John threatened to put on ten shirts, five pairs of trousers etc. to lighten the load, we protested to the airport manager, who finally said he would turn a blind eye and not charge us anything. Nine hours later we arrived in Sydney, then on to Melbourne. After spending the night at Melbourne airport, I arrived back in Darwin at 2pm the next day.

I would like to take this opportunity to thank the ACTA for the opportunity to do this trip. The team members, a very special thank you. Your co-operation, team spirit and overall behaviour was commendable. You deserve all the success you had, and I am proud to have been a part of it. I wish you all well for the future and hope that one day we may get to do it all again.

Japan — The girls!

## Tour achievements

### KOREA

#### Trap

M. Diamond 1st  
R. Mark 4th  
F. Petriella 11th

#### Double Trap

C. Tilley 10th  
D. Huddleston 11th  
B. Hall MQS

### JAPAN

#### Trap

M. Diamond 2nd  
R. Mark 3rd

#### Teams

Australia 2nd

#### Double Trap

R. Mark 8th  
D. Huddleston 11th

#### Teams

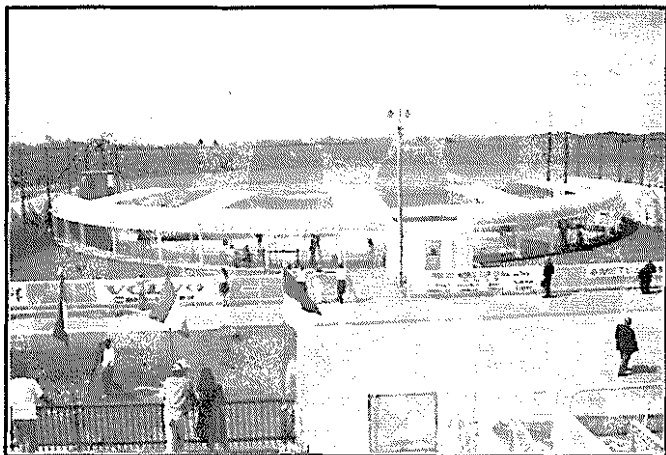

Australia 3rd

This team is arguably the most successful we have ever sent to open international competition and the ACTA and it's members can be justifiably proud of their achievements. To the newer, inexperienced members of the team, think of the positives. Use this trip as a learning experience, a step up the ladder towards your career goals.

A special thank you also to Bruce Burns and Winchester Australia for supplying the ammunition in both Korea and Japan for their 'Top Gun' members. It was greatly appreciated by all the team.

Japan — Australian team members, they were long days.

Japan — Combined trap/skeet range.

## 1995 A.C.T.A. Presidential Medal

Nominations for this prestigious award are now open and should be forwarded to the Executive Director no later than October 31, 1995. Nominations received will be placed before the Management Committee for their consideration and decision. No correspondence will be entered into regarding any nomination received.

The following nomination guidelines apply:

- **Acceptance:** Nominations only acceptable through State Associations or Affiliated Clubs.
- **Presidential Medal:** Awarded to a person for their contribution to the development of the sport.
- **Judging Panel:** Management Committee.
- **Closing Date:** October 31, 1995  
PO Box 557, Mount Waverley, Vic 3149.

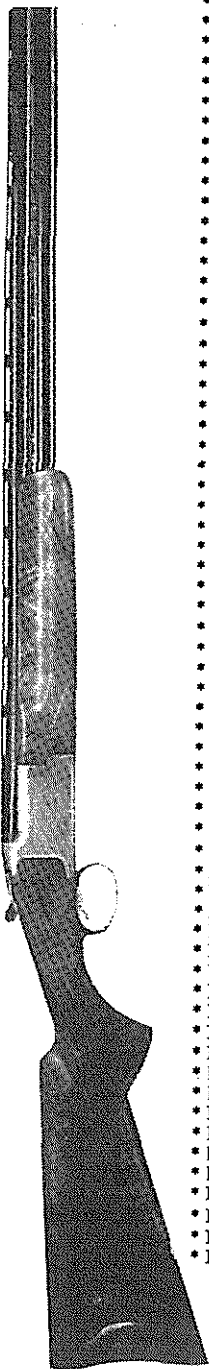

NOTE: The receipt of any nomination does not necessarily relate to the awarding of a Presidential Medal.

## Suspension

Advice has been received from the New Zealand Clay Target Association that shooter Mr John Bennett of Morrinsville, New Zealand, has been suspended for a period of five (5) years as from 29 April 1995.

## Cousens 'Top Guns' Victorian and South Australian titles

Former World number one American Skeet shooter Adrian Cousens from the Bairnsdale Clay Target Club in Victoria, has continued his total dominance of his discipline in April with outstanding victories at both the Victorian and South Australian State Skeet Carnivals. On May 20th and 21st Wagga Clay Target Club held a two day Skeet Carnival and again he won the Overall High Gun as well as amassing 417 straight to pick up a further 1,250 target loads for the weekend. Earlier this year Adrian had convincing victories at the New Zealand Nationals and now starts a clear favourite at the forthcoming Australian Skeet Nationals in Townsville.

Ken Bruns from Cohuna made his first claim in the Winchester 'Top Gun' awards by winning the Overall High Gun at one of Australia's longest running annual competitions, the West Darling Championships, held at the Broken Hill Clay Target Club. Ken wins a bonus 500 target loads for his victory.

Ken Stevens has also continued his fine form from early in the year with an excellent win in the Queensland State Double Barrel Championship over his better known brother Greg. Ian Merrick from New South Wales has had some good recent wins with victories in the two day carnivals at Boggabri-Gunnedah and Canowindra. Some excellent breaks have also been recorded recently, with 75 straight in Olympic Trap by both Angelo Zappala and Robert Simpson from Queensland, and at the other end of the country, a 200 Continental break by Glen Arnol at Hobart. All three receive 500 shotshells for their efforts.

A full summary of recent winners are as follows:

Adrian Cousens	500	Victorian State Skeet Championship
Adrian Cousens	500	Victorian State Skeet High Gun
Adrian Cousens	500	S.A. State Skeet Championship

Colin Havers	500	Overall High Gun - Ayers Rock
Bronte Evans	500	Overall High Gun - Alice Springs
Brad Webb	500	Overall High Gun - The Forest
Les Chant	500	Overall High Gun - Cunnamulla
Roger Duthie	500	Overall High Gun - South East
Arthur Turner	500	Overall High Gun - Brewarrina
Phillip Casey	250	SA State Skeet - 'B' Grade
Mick Burling	250	Tas Olympic Trap - 'A' Grade
Tim Atkins	250	Tas Olympic Trap - 'B' Grade
Andrew Woolston	250	Tas Olympic Trap - 'C' Grade
Nanette McCallum	250	Tas Olympic Trap - Ladies

As you would already be aware the new 1995/1996 Winchester 'Top Gun' awards have commenced on July 1st, with participants that registered for 1995 not having to re-register. However, for new competitors who are not currently enrolled, a registration form can be gained by contacting Winchester on (052) 48 2000 to join by July 31st. From August 1st, anyone not meeting the conditions of registration will be excluded from the 'Top Gun' award scheme until June 30th 1996.

Good luck to all for the new 'Top Gun' year.

Broken Hill two day shoot Overall High Gun winner, Ken Bruns, with Club President, David Zammit.

# Stay active for life with clay target shooting

Clay target is one of the 53 sports participating in the VicHealth 5th Australian Masters Games. The Victorian Clay Target Association is delighted to invite you to take part in the Games in October 1995, and is looking forward to welcoming competitors from around Australia and overseas.

Clay target shooting is very popular throughout Australia, and has been held at every previous Australian Masters Games. Because of its appeal in country areas, competitors are used to travelling long distances to venues, perhaps even camping or caravanning at the venue or nearby.

## Competition dates

The clay target competition will be held from 6-8 October 1995. Shooting times will be from 10.00am to 6.00pm each day.

*Shooters Note:* Entries close on 1 August, 1995 (no late entries permitted).

## Qualifying age

Minimum age for both men and women is 35 years of age. Competition is grouped in the following age brackets: 35-39, 40-50, 51-60 and 61+ years.

*Shooters Note:* Information regarding firearms regulations will be forwarded to entrants. All shooters must be registered with a recognised club/association.

## Sports fee

\$10.00 per event, or \$40.00 for all events.

## Events

The following competition events will be held:

1. Skeet Championship – 50 targets
2. Double Barrel Championship – 50 targets
3. Single Barrel Championship – 50 targets
4. Point Score Championship – 50 targets
5. Champion of Champions – 75 targets
6. 4 person team event (any age combinations) shot concurrently with other events.

## Venue

The competition will be held at the Frankston-Australian Clay Target Club, Rossiters Road, Carrum Downs. Numerous camping and caravan parks are located in the vicinity (a list will be forwarded to all entrants) and several hotels are also recommended in the area.

*Melway reference:* 98 C9.

## Social event

Friday and Saturday evenings will feature activities at the venue following presentations for events held that day. There will be barbecues, happy hours and plenty of fun and entertainment until adjournment to local clubs, hotels or other venues.

There will be a special function for final presentations on Sunday afternoon, 8 October.

*Enquiries may be directed to the Games Office: phone (03) 9666 4284, fax (03) 9666 4232.*

## DRUG TESTING MAY BE CARRIED OUT DURING ANY OF THE ACTA NATIONAL CHAMPIONSHIPS.

Drug testing aims to deter athletes from using banned drugs, making competition fairer for all athletes. To find out which drugs are permitted call

**ASDA HOTLINE — 008 020 506**

(Mon-Fri, 9.00 a.m. to 5.00 p.m. e.s.t.)

DRUG AGENCY**

# Waratah State Notes

## In General

The 'Sportswoman of the Year' awards, as well as the 'Shooting Sportsman of the Year' awards will be upon us again soon. Please put some thought into whether your club has a representative who may qualify for one of these awards. Nomination forms will soon be circulating, so prepare early.

Just a reminder that I need to receive Waratah State Notes by the last day of the month in order to be printed in the CTSN edition 2 months after. ie received by 31st May is printed in July magazine.

I am keeping a photographic record of NSW State Carnivals (State Teams, C'ship winners, High Guns etc) and Shoulder to Shoulder Teams at Nationals, and have a couple of 'holes' in the records which I would like to fill. I'm sure someone out there would have a photo of the following:

- 1986 State Skeet Team at NSWGC
- 1985 Trap Team at Tamworth
- 1988 Trap Shoulder to Shoulder Team at Wagga.

If you have any of these, a copy would be very appreciated.

## 1996 State Carnivals and Commonwealth C'ships

The 1996 State Carnivals and Commonwealth Championships have been allocated as follows:

State Skeet Carnival	Wagga Gun Club
State Trap Carnival	Cobar Gun Club
State ISU Carnival	Illawarra Gun Club
Commonwealth Ball Trap C'ship	Brewarrina Gun Club
Commonwealth Day Deauville Doubles C'ship	Bathurst Gun Club

Many thanks to all those clubs who tendered or applied for one of these. It was most pleasing to see increased interest in these championships.

## VIP (Volunteer Involvement Program)

We have mentioned this program several times now, and have further update for you. The Department of Sport & Recreation have had printed a Club Administration manual, which is in a large ring binder, covering topics such as meetings, legal aspects, committee management, promotion, fundraising, incorporation etc. etc. We have purchased a copy for each Zone (\$25 well spent) in order that each club can have a look. Please contact me if you wish to purchase a copy.

Also, the State VIP Co-ordinator is Jenny Burt and will be contacting Zone Secretaries re volunteers in the near future.

Many thanks to Kerry Turner from the Department of Sport & Recreation who addressed some of our Executive Committee members on Friday night 19th May. Very much appreciated Kerry.

## Southern

Sydney CTC has advised that due to large numbers of shooters attending, they are commencing their shoots at 10am instead of 11am until the 17th September. This will give everyone the opportunity to finish before dark during winter months.

## Riverina

The Riverina Zone has advised of the appointment of a new Zone Secretary, Mr Kent O'Brien of Albury. Chris Condon has done a great job over the past three years, and has now decided to put his energies into other areas of the sport.

Kent is very keen on the promotional aspects of shooting and can be contacted at PO Box 196, Albury 2640, or phone (060) 56 2650 BH or (060) 40 4100 AH, or fax (060) 56 1890.

Also in the Riverina, Ganmain Gun Club has decided to continue operation. They have new office bearers, with the secretary being Denzil Graham 'Anglia', Coolamon, 2701, phone (069) 27 8210.

## Western

The previously known Gulgong Gun Club is now the Goolma Clay Target Club Inc. They also have a new secretary being Lou Knowles 'Argyle', Wellington, 2820. Please contact for further info.

## Northern Zone

### Lucky Draw Tickets:

Every book should have been returned to the Zone Secretary by 31st May, so if there are still zone shooters out there who have tickets still to sell, please do so as a matter of urgency, as all tickets are to be sold and books in hand, to allow for the draw to take place at the Zone Trap Carnival in Inverell on 19th/20th August. Any questions or problems, please phone the Zone Secretary, Jenny Burt (067) 65 9386.

### Zone Skeet Team, State Carnival - Tamworth:

Our team comprises David Michie, Peter Nash, Rod Taylor, Col Barton, Rod Prior and Col Burt, with the reserves being George Barton, Kevin Weatherall, Doug Jackes and Norman Hinds. Good luck everyone.

### Zone Trap Carnival and Team Elimination:

The Inverell club have been working very hard to have everything ready for this years Carnival and Annual General Meeting, so please give them your support by attending. The 12 member open team will be selected over the Zone Double Barrel, Zone Single Barrel and Zone Point Score Championships - and will contest the inter-zone competition at the State Trap Carnival being held in Tamworth over the October long weekend.

John Farrell from the Coffs Harbour club has put a notice of motion on the agenda for the Inverell meeting, which will require a good deal of thought. That being 'that future Zone Carnivals be conducted by the Zone Executive'. My own interpretation of this, is that the Carnivals would be run along the same lines as the present State Carnivals, the host club is paid a price for the targets. However, I would urge clubs and

their delegates to make contact with John prior to the meeting at Inverell and have him explain the motion in detail.

Abide by the current rules:

If there are clubs or club officials having difficulty with rules and/or cards, please contact the Zone Handicapper, John Farrell, for assistance. It makes a simple task very time consuming when cards have not been filled in correctly. The Zone Handicapper is there for your service.

Commonwealth Double Barrel Championship:

This event will be contested during the Tamworth Open Trap Shoot on 2nd/3rd September. Being a 50 target event, the club will be altering their program from four events each day – to three.

Cool 100 at Guyra:

Very appropriately named !! Sunday 30th July and the weather is usually very obliging. But the hardy folk up there have a huge log fire going, plenty of anti-freeze and a hearty New England lunch, so rug up and head for the cold country on Sunday 30th July.

Port Macquarie – change of shoot day:

At the last zone meeting, Port Macquarie was granted approval to conduct their monthly trap shoots on the second Sunday of each month commencing 1996. This is a trial for the 12 month period.

Grafton Open DTL:

The Grafton club have been give approval to alter their annual open DTL shoot from 7th/8th October to 11th/12th November. This was due to the State Trap Carnival being transferred back to the October long weekend. Please make the necessary alterations in your blue book.

## Warwick Outdoors & Sports

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi – no doubt about that.

It's a long-term investment for your enjoyment so why not join the **very wise** shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 1/2" and 31 1/2" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

# The Forest Clay Target Club

The Forest Clay Target Club held the Lakesland Voluntary Bushfire Brigade Charity Shoot on Saturday & Sunday May 6 & 7.

39 shooters started on the Saturday, the program consisted of 15t EO of which there were six possibles, R. Viall, D. Eastaway, N. Mannix, B. Webb, F. Gee, L. Kolher.

This was followed by a 45t Pts AA 1st B. Webb, 2nd C. Sherry; A 1st J. Crompton, 2nd N. Mannix; B 1st A. Garlick, 2nd M. Bajada; C 1st J. Gori, 2nd P. Camilleri.

The last event of the day was a 30t DB AA 1st R. Rose, 2nd B. Webb; A 1st J. Crompton, 2nd A. Welsh; B 1st M. Bajada, 2nd A. Garlick; C 1st J. Gori, 2nd R. Byrne.

After the presentation of prizes the Bushfire Brigade provided the evening meal, a pig cooked to perfection by Mick Free-stone (an all day job) the meat was carved and all manner of vegetables provided.

After dessert, the auction started with Arthur Welsh at the helm. He moved proceedings along at a brisk pace, all cakes and pies and vegetables were sold plus several farm items and sporting goods.

The evening being very successful many returned to the bar to finish the evening, many shooters camped over the night on the grounds or in the club house around the fire.

Day 2, Sunday breakfast cooked and served by Tony Batt and Brian Samuels appreciated by all who stayed.

The weather was overcast and rainy, as 54 shooters lined up for the 100t DB event. The rain eased as the day progressed with only one possible being shot by Brad Webb from Illawarra club, well done Brad.

1st AA B. Webb, 2nd R. Rose, 3rd B. Jones; 1st A J. Kusec, 2nd J. Crompton, 3rd H. Smith; 1st B B. Lambert, 2nd M. Bajada, 3rd J. Ryan; 1st C T. Boulos, 2nd G. Lysaght, 3rd M. Lawler.

The Bushfire shield was won by Brad Webb along with the two day Overall High Gun, a case of shells.

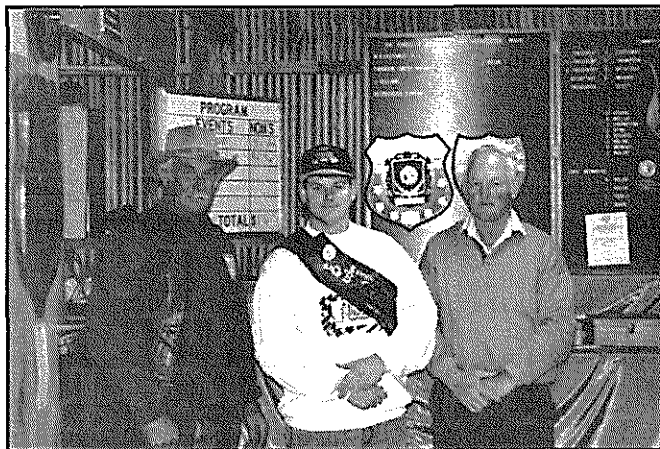

The Forest would like to thank everyone who worked so hard to make this shoot a success and the shooters themselves for making this possible to raise funds for the Bushfire Brigade for much needed equipment, in all \$2,400 was raised.

Special thanks to Southern Soft Drinks, D. Eastaway and J. Nolan and all the ladies who worked so hard.

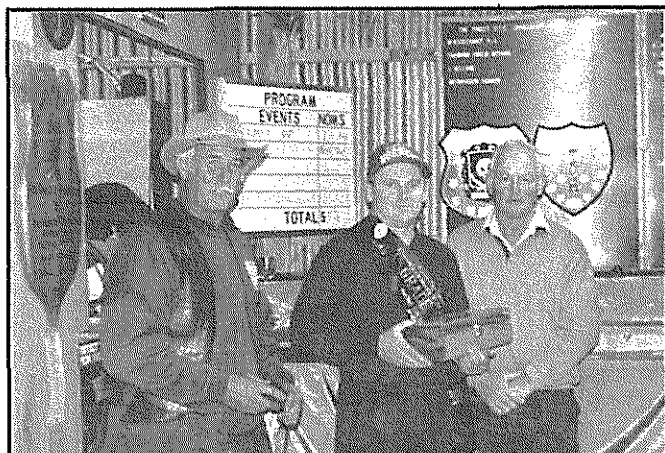

See you all next year.

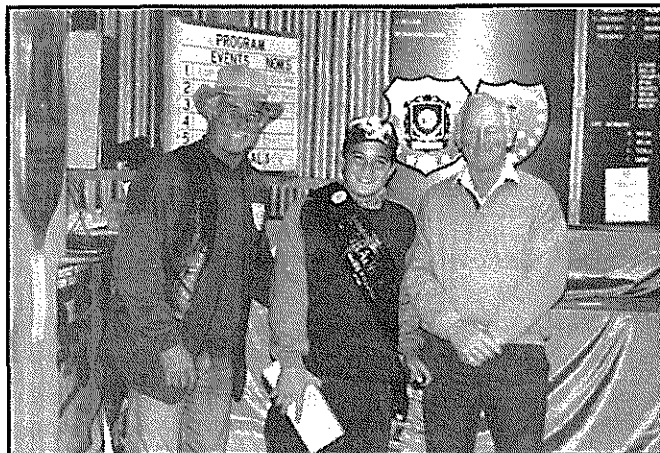

Brad Webb AA & OA (centre), with Brigade President, John Ferguson (left) and Club President, D. Eastaway (right).

B. Lambert 1st B Grade (centre), with Brigade President, John Ferguson (left) and Club President, D. Eastaway (right).

J. Kusec 1st A Grade (centre), with Brigade President, John Ferguson (left) and Club President, D. Eastaway (right).

T. Boulos 1st C Grade (centre), with Brigade President, John Ferguson (left) and Club President, D. Eastaway (right).

# Cousens wins 1995 Winchester 'Top Gun'

Adrian Cousens from Bairnsdale in Victoria has won the 1995 Winchester 'Top Gun' of the year award. The votes were compiled by members of the A.C.T.A. Management Committee after consideration of performances in Australia and New Zealand in the first half of 1995. The new Winchester 1995/1996 'Top Gun' awards commence on July 1st closing on June 30th, 1996.

Adrian receives a 682 Beretta shotgun as well as 5,000 target loads of his choice as first prize. Some of his major achievements this year so far have been winning the New Zealand, Victorian and South Australian Skeet Championships as well as amassing three breaks over 250 with a longest run of 417.

The Ladies, Junior and Veteran Top Gun of the year winners all receive 2,500 shotshells. The Lady section was won by Cheryl Arnol from Tasmania after her fine performance at the DTL Nationals where she won the Overall Ladies High Gun. Veteran winner Keith Mules from South Australia won his section after winning the Veterans High Gun at the Melbourne Nationals. Ben Kelley from Sydney takes the Junior award after his brilliant effort at the Oceania Games in New Zealand where by he won Australia an open quota position for the Atlanta Olympics in the Olympic Trap event.

# Maryborough Tid Bits

~ QUEENSLAND ~

By Lost Bird

In our last MTB's I was only able to mention briefly on our coaching clinic in April, but I think we don't give enough thanks to our coaches who give time and costs to themselves, to help shooters, so thanks again. Coming from Brisbane, State Director of Coaching John Mitchell, Bundaberg coach Gino Sergiacomi, and our two coaches in Dick Osborne and Chris Harrison who coaches school children at Childers every Wednesday, keep up the good work fellas.

Do you ever look around and see the useful trophies being used in your house but never would have bought them yourself, and sometimes when you win a trophy, you say to yourself, what am I going to do with this? But isn't it great when you get a wedding invitation and you have the very thing sitting in the cupboard.

Big shoots coming up Sunshine Coast Carnival Sat & Sun July 15 & 16, see CTSN as I heard it was starting earlier on the Saturday? Also Zone Trap Carnival on Sat & Sun July 29 & 30 at Kingaroy. In last months MTB I stated Central Burnett had a two day shoot taken from QCTA program, but on receiving CTSN they only had a one day, I apologise to anyone who headed off to Munduberra thinking it was a two day shoot.

## Bundaberg 7-5-95

Congratulations to Brad Petersen who shot in the QCTA State Trap Carnival and won B grade State DR Championship and in Junior team shot 4th. Good shooting Brad. Garry Grapley drew the jackpot but didn't shoot it, Barbara Groves won the bottle of whisky and Spencer Plath the meat tray.

With Harry and myself the only visitors the shoot was as follows: The main event of the day being the 25t DB Cont C'ship won by Gino Sergiacomi, taking OA & A grade, Pedro AA grade, Keith Palmer B grade and Garry Grapley C grade. Dick Wright won A grade 25t Pts and 1st in Hcp. Rob Rehbein top gun of the day taking AA 25t Pts, OA HG and partnered Norm Dale to take 2nd in the 15t DD. Norm also took 2nd in the Hcp. But the masters of the DD was Kaye Rehbein and Clinton Groves who took 1st in DD, and Clinton having a good day also taking B grade 25t Pts and 3rd in the Hcp with Harold Sparke winning C grade 25t Pts and resulted in FM HG. It was good to see Spencer Plath back shooting, and in Skeet in the morning took all C grade wins leaving other C grade shooters in his wake, so Spencer looks favourite for C grade on Bundys 100t CD A-B-C Skeet day July 30th - 9.30am start.

## Gympie 14-5-95 — 100t Championship

Thanks for the ring Dave with the results, glad to hear you are back on deck again, but was upset to hear Joy Foster, one of Gympies best workers is now in hospital, hope you are soon back and feeling fit Joy, take care.

Gympie shooters have been busy putting a new roof on clubhouse and fixing up the tower. Welcome to new member Greg Write last shooting in NSW and thanks to visitors for the day Mike Tipman (Bundy), Brett Brown and Norm Keech both Sunshine Coast and Maryborough's Chris Harrison who was an ex Gympie shooter so he was back on his old stamping ground. Wal drew the jackpot and with his new self pointing, ported machine, forgot to switch himself on and missed his first target. Better luck next time Wal.

A family shoot off gave Mike Tipman OA & A grade in the 100t DB Championship with brother Vic second. Good shooting Mike. B grade 1st Dave Gardner and 2nd Bill Edgerton and in C grade 1st Garry Carew with Dennis Carew 2nd. Patrons Day will be the next shoot on July 9th - 10.30am start.

## Maryborough 28-5-95 — 100t DB Day

Visitors for the day, Harold Sparke and Pat Burke both from Bundy, thanks for coming. With a great day for shooting, but only a few good scores, with the winners being A grade 1st Peter Anderson, 2nd Pat Burke and 3rd Peter Shaw. B grade 1st Dick Osborne, 2nd Andy Wood, who says bye-bye to B grade as in the shoot off with Dick he shot into A grade, good shooting Andy best of luck in A grade, 3rd in B grade was Norm Dale. C grade 1st Harry Walker who also shot the jackpot and won half the fruit tray as he went halves with yours truly in a second ticket, 2nd in C was Harold Sparke and 3rd Darryl King.

As the Maryborough Masters Games are later this year, we have to change our shooting day from late September to Sunday 1st October, program remaining the same with Maryborough Masters Games in conjunction with our One Day Heritage City Shoot starting at 9.00am. Our July shoot 23rd at 12 noon. If you enjoy ISU shooting, the State ISU Championship at Brisbane Sat 22 & Sun 23 July.

Good shooting to all, 'til next time, see you at the shoots.

# 1995 A.C.T.A. 'Coach of the Year'

*By M. Alexander,  
National Director of Coaching*

In 1994, the A.C.T.A. Coaching Council instigated the 'Coach of the Year' award which recognises an outstanding Club Coach within the Australian Clay Target Association. The successful candidate for 1994 was Mr Peter McBride of the West Australian Gun Club.

This year, 1995, the A.C.T.A. Coaching Council is asking you to nominate your Club Coach as an entrant in the 1995 'Coach of the Year' award.

This notice is to bring to your attention that the culmination of the award is in September 1995, but now is the time to think about what your Club Coach does for you.

In the August edition of the C.T.S.N. there will be a nomination form for you or your club members to fill out for the nomination of your Club Coach.

## Editor's Mailbox

Dear Sir,

The argument as to whether we should have a National Shooting Ground has been continuing for some time. However on the assumption that the economic argument will prevail and a National Ground be developed I submit these thoughts.

Because the bulk of shooters come from the Easter States it is logical that the site should be located there.

Our sport is a highly polluting activity i.e. noise, and unlike motor sport where noise suppression devices can be used, such are not available to us. It follows then that the possibility of finding a site in the capital cities where significant restrictions on usage will not apply is for all practical purposes a pipe dream.

Of course if somebody has sufficient influence to have an act of Parliament enacted to free us from the existing laws regarding noise pollution this condition would not apply e.g. the act exempting Mt Panarama, Bathurst and Eastern Creek racing events from strict compliance with EPA regulations.

It seems then that the Grounds will have to be in a country area.

This then leads to other problems and these include overcoming the very specific problem of who will have us.

As shooters we are or should be aware of the concerted attacks we have to endure with the projected image of us being anti-social. We know that this is a lie but as a group have, at this time, not been able to satisfactorily counter it.

I find some of the suggestions regarding a National Ground that includes such things as Motels etc., to be unrealistic.

First, such an approach would make us competitors to existing business in the area - we want these people to welcome us not organise to obstruct our development - we already have enough enemies without generating more.

Second, our area of specialty is in the operation of clay target shooting certainly not in the hospitality industry where experienced people can go broke. Even in our area of specialty this expertise is suspect, our membership is diminishing.

Third, the massive amounts of money needed to achieve this end particularly if we take up the notion of competing with local industry.

It seems then that we could profitably examine existing facilities with the view to adoption of one of them as the basis for future development.

To this end I suggest that Wagga meets the requirements for such a development.

1. The Wagga Gun Club exists in a form whereby National Trap and Skeet competitions have/can be conducted - this without any immediate demand for funds.
2. Long term usage is, I understand, guaranteed at a very nominal rate.
3. The Council, Chamber of Commerce and Motellers Association would welcome such a move.
4. The local media outlets, namely print, radio and television give good coverage to shooting - a pretty rare thing you would have to agree.
5. There is no restriction on the use of the site - noise pollution is not a problem - and the type of development surrounding the club ensure that this will continue.

There are a number of arguments that I have heard raised against Wagga and these include:

- a. It always rains during major tournaments.
- b. For skeet the sun can be a problem in the afternoons.

I have shot at Wagga probably as much as any non-resident and am not impressed by either of the above arguments.

Regarding (a) above I have looked and found no rain forests in the Wagga area. I therefore suspect that excepting unseasonable climatic variations, no real effort has been made to check for major events. There was a two day skeet shoot during May this year and the weather was delightful.

Regarding (b), again selecting the time of year where the problem of sun is minimised would be a first step with the second being that shooters can reasonably be expected to ensure that their equipment includes correct eye protection.

At the National Skeet Shooting Association grounds in San Antonio USA the problem of sun exists in both the morning and afternoon. At the World Championships 4 gauges are shot and all shooters get their turn at looking into the sun - in other words the afternoon sun at Wagga is not without precedent.

The Wagga facility has been developed to its present stage by a club not a National or State organisation and full credit to them.

I repeat the Wagga facility exists and we shooters are wanted. These are, I believe, powerful arguments for the adoption of Wagga as a National Ground if indeed such a step is considered necessary.

Reg Clarke

# Level 1 Coaching Accreditation Weekend

**Port Hedland  
8th & 9th April, 1995**

*By Neil Roebuck*

On the weekend of the 8th & 9th of April the Western Australian Clay Target Association, with Hedland Sporting Shooters Club and the Newman Gun Club held a Level 1 Coaching Clinic at the Quality Inn.

The clinic was run by Murray Alexander, Robert Mosel, Trish Gorely and Vince Marney.

Six people attended the course, Alan McHattie and Richard Ayton from the Newman Gun Club, Brendon Bullick, Dennis Priestly, Brett Jordan and myself from the Hedland Sporting Shooters, shotgun discipline.

The Coaching Clinic was well run and covered all aspects of the sport from safety, role of the coach and hands on teaching over the two days.

While the six of us were at the clinic on Saturday, Vince went out to the range in the afternoon to give other members some hands on shooting tips.

On Saturday night, thirty guests enjoyed a meal and were entertained by Murray Alexander telling us about his involvement with the ISU World Championships in Italy and the Commonwealth Games in Canada.

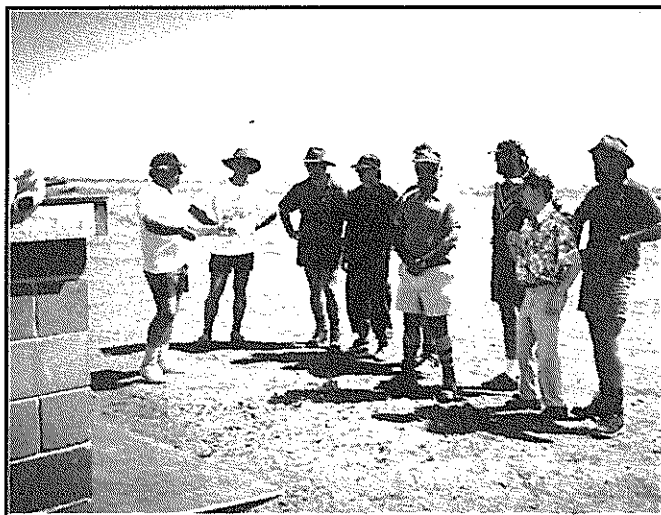

Sunday morning and back to class just before we were allowed out to the range, to see if we had learnt anything - all went well!

With school out a BBQ lunch was put on thanks to Peter Watson, who cooked it and after, Kevin Hamilton and myself took Murray, Vince and Robert for a tour around the B.H.P. iron ore ship loading site at Nelson Point, before leaving for a look of my new gun shop before the flight back to Perth.

Many thanks from the Hedland Sporting Shooters and the Newman Gun Club to all concerned for a great weekend.

*The participants at the Level 1 Course in Port Hedland — coaches and instructors.*

*WA Coach, Vince Marney (left), explaining DTL angles to the coaching candidates.*

# International flavour for Cowra Gun Club's Promotional Day

*By Gwen Clark, Publicity Officer*

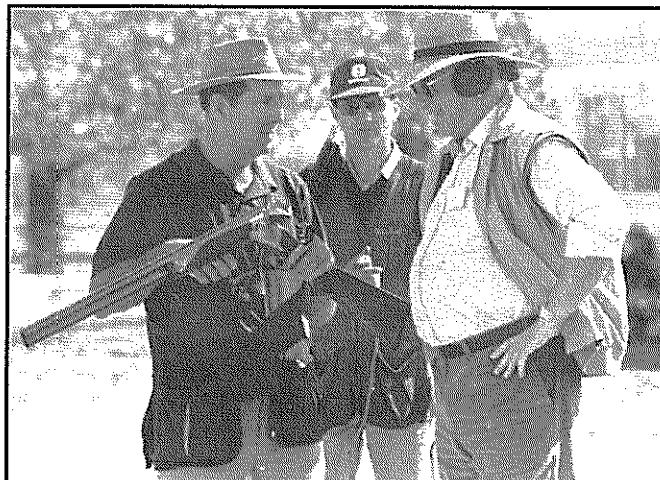

Our Club Patron, Member for Lachlan Mr Ian Armstrong, lent an international flavour to this years Promotion Day by bringing visiting diplomatic leaders from sixteen countries to our club.

Many of the visitors had not before seen competitive shooting of any kind, and after a short demonstration, those interested were invited to take part.

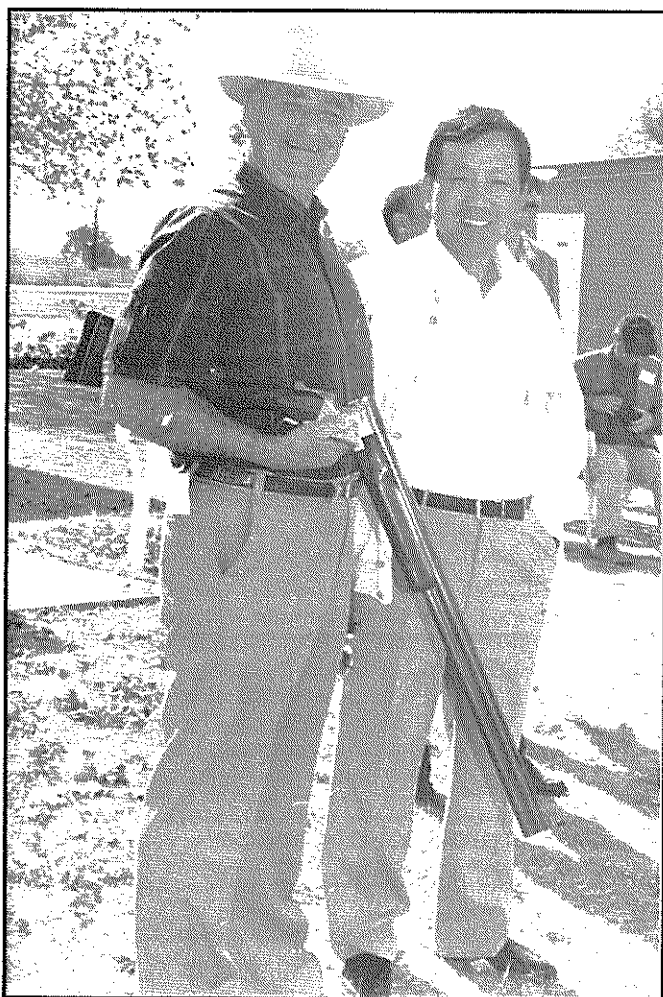

Florence Doyer of Belgium said that she knew that very good guns were made in Belgium, but she had never seen or handled one, so she was pleased to try clay target shooting.

Our Patron, Ian Armstrong, demonstrated his skill by breaking his target convincingly.

All in all, the day was a success and Cowra Gun Club is convinced of the value of a combined Promotion Day to bring clay target shooting before the public in a positive way.

Cowra Gun Club member, John Finn, with his son, Dantel, who proudly displays his certificate earned by his participation in Promotion Day.

## TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

## Mount Isa Gun Club

The Mount Isa Gun Club monthly shoot was held Sunday 14th May and despite the current industrial dispute which undoubtedly kept many members away, two full squads contested the four event program.

The first shots were fired a little after 9.00am in the fifty target Skeet which eventuated in a win to Neil Sinclair who held out Kevin Streeter in the shoot off.

The second event was 50 targets off 15 metres and Bruce Murphy proved that his selection in the Queensland Trap Team at the recent Nationals was no fluke. His score of 50/50 earned him the A grade prize. Ron Power shot 44/50 to claim B grade and newcomer Adam Letts won C grade with a final score of 39/52 after defeating Sam Edmonds in the shoot off.

A break in competition was called to take the midday meal and as usual Rod Maxwell and his helpers in the kitchen were equal to the task with a delicious hot roast meal.

With bellies full and bodies rested the shooters were called back to the traps for 25 targets Points Score. This time it was Mick McGill who shot the perfect score to win A grade. Ron Power once again picked up the B grade with 60/75 and Sam Edmonds, determined to avenge his defeat in the earlier event, won C grade easily with a good score of 69/75. Sam was also the shooter drawn to shoot for the Mount Isa Gun Club members jackpot, but unfortunately for Sam he missed his fourth target.

The final event for the day was 25 targets Single Barrel. Bruce Murphy and Jim Edmonds both carded 24/25 in the event and were sent out to battle out A grade. Seven targets later it was all over with Bruce winning A grade with a final score of 31/32. Once again the lack of competition in B grade was to Ron Power's advantage as he won the grade with a score of 16/25, and Sam Edmonds won his second C grade trophy for the day with a score of 18/25.

With competition ended for the day, President Neil Sinclair presented the trophies to the winning competitors and also made the announcement that due to the current industrial situation in the city, the Royal Flying Doctor Service Appreciation Cup Shoot which was scheduled for Sunday 21st May, had been postponed with a date to be set later.

Neil also announced that the Mount Isa Gun Club Annual Shoot, which was to be held on the Queen's Birthday weekend in June, has been cancelled.

The action on both these shoots was taken as the Mount Isa Gun Club felt it would be unfair to ask people to dig into their pockets and support these events in the current climate.

On a brighter note, however, on Sunday 18th June the Mount Isa Gun Club will be hosting the 'Birdbrain Five Stand Sporting Clays', and anyone who would like to try this exciting and challenging type of clay target shooting is welcome to attend.

# We can't shoot good scores with a poorly fitting gun

by George Biggs, ACTA Historian

One of the biggest problems confronting the average shooter when he decides to buy a trap gun is the fact that in most cases he has to put himself in the hands of the guy behind the counter of his local gun shop, or a friend who has a gun for sale.

The result is, he can finish up with a gun that quite often is not suited to his purpose. In most cases his gun is:

1. Too long or too short.
2. Too heavy or too light.
3. Barrels too short, and not the right choke.
4. Stock is too low etc.
5. Or gun out of balance and feels like a cricket bat.

It is impossible to over emphasise the importance of proper gun fit, especially for the competition shooter.

Equally important and which goes hand in hand with gun fit, is correct gun mounting.

I never cease to be amazed at the large number of our medium to good shooters that shoot trap and skeet targets who are severely handicapping their shooting performance by continuing to use a gun that is either not a proper fit, or they are not mounting and checking it correctly.

Many shooters will buy a gun from over the counter at their local gun shop or from a fellow shooter and pay a big price, thinking that because the gun is highly priced it will automatically shoot the way he wants it to. This is of course not the way it works.

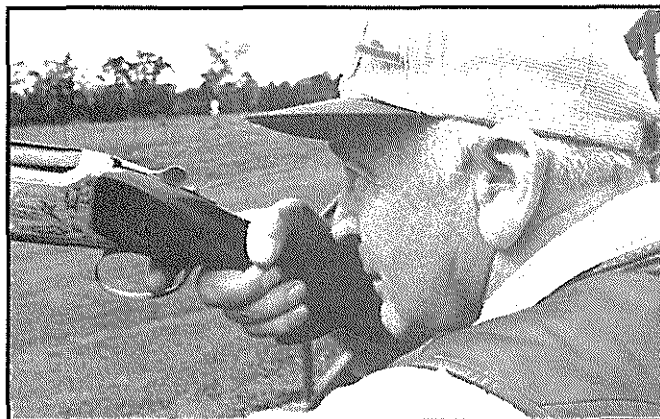

I often see shooters trying to adapt themselves to an ill fitting gun in order to get a proper alignment and sight picture. This practice can be successful some of the time but not every time. I have heard it said that a good shot should be good enough to shoot with any gun he picks up! Fact is that very few shooters, if any can do just this, remembering that champion shots are not born that way, they only become brilliant by keenness, application, coaching, practice and more practice with the **correct equipment properly fitted.**

A well fitted gun will give greater comfort during the act of firing and will provide for greater gun control, recoil effect will be reduced and greater gun pointing accuracy will develop. The wise shooter will strive for an absolutely perfect gun fit. It is only then he will achieve greater performance.

The problems arising from a badly fitting gun are numerous. These problems are with us whenever a shot gun is used, whether for field or clay targets, because shooting a shotgun is an instinctive pointing action.

In other words we don't aim at the target as we would do with a rifle, we simply point the muzzle at the moving target, as one would point a finger, looking only at the target. The trigger is pulled the instant a sight picture of gun and target relationship is formed. Without proper gun fit it is not possible to consistently do all that is necessary in order to shoot well.

Buying a new gun can be something like buying a new suit or new dress 'off the hook'. Almost always it needs to be altered in some way before we can wear it in the way we want it to look and be comfortable.

• Note how the eyes are positioned above the guns action, with eyes level in their most efficient way. Head and shoulders are also in a natural upright position. A gun mounted in this way will point where the eyes are looking. All this will only happen when a gun is correctly fitted and properly mounted.

• In this drawing, the shooting eye is below the rib line, due to his face and head being positioned too far forward and down on a stock that has too much drop at the point of comb. This practice will cause low shooting as well as a bruised cheek.

The gun manufacturer has exactly the same problem. Because we are all built differently, it is not possible to manufacture a standard gun that would fit everyone, hence the need to have a personal fitting to suit the physical characteristics of the person.

Vital gun stock statistics are the following:

Length of pull	Drop of heel
Angle of pitch	Drop at comb
Shape of comb	

Problems connected with an ill fitting stock are many such as loss of gun control during the process of firing, bruised cheek and shoulder, excessive recoil, inaccurate gun pointing, poor alignment of gun and eye.

The young shooters and the lady shooter, because of their physical build, will always require specialist gun fitting, as well as instruction in the correct way to mount and point a shotgun.

As an example of how gun mounting goes hand in hand with gun fit, I'll quote a recent happening —

A shooter whose gun I had recently fitted and made alterations to both length and pitch rang me one evening with the news that he thought I had made his stock too short. When I inquired how he arrived at this decision he said, "Well when I fire a shot I get a bump on the nose from my thumb, which had not happened prior to the stock being altered."

At this point I became aware of what was happening. He was in fact mounting his gun in the same manner he had done before it had been shortened, with the butt out on his upper arm. He had forgotten how I had explained that the butt needs to be in on the shoulder where it will be closer to his face for a correct and easy gun alignment. His problem was that because of incorrect mounting, he had in fact made a well fitted gun appear too short.

One other common fault is the incorrect positioning of ones hand around the pistol grip section of the stock. This is the hand that more or less controls the gun through its entire movement during the act of mounting and firing. Any inconsistency here will no doubt effect ones performance, even to the point of flinching.

Unfortunately, due to limited space in this magazine it's not possible for me to go to an indepth description of all the problems and remedies associated with gun fitting. However if the reader is still interested he will find interesting reading in my recently published book titled 'Shooting the Clay Target' available at ACTA office and most sports stores and direct from me. Price \$20.

In the meantime, don't let anyone tell you that proper gun fit is a lot of rubbish because nothing is further from the truth. Fact is that unless your gun fits you properly, and you have been shown the correct technique of gun mounting and gun pointing, you can forget about becoming a really good shot.

This position applies even more so when the shooter tries his hand at International Trench and Olympic Skeet, where precision timing, perfect gun fit and gun mounting are so important in order to put good scores on the board.

## Rule Changes

*After Executive Committee ratification, the following two rule amendments are in addition to those printed in last months issue of the CTSN.*

### Rule 1.22(e) Ball Trap

Add: "Apart from ISU Eliminations, a ported gun can be used".

### Rule 2.1(h)

Delete in last paragraph: "When he re-registers".

Add last paragraph: "A shooter can only be downgraded one grade at a time".

### Points Scoring Procedure

NOTE: In last months CTSN, the explanation of the new points scoring procedure carried an error relating to the referees call.

The correct procedure is: "The referee will call 'one' for a hit with the first barrel, 'two' for a hit with the second barrel and 'lost target' for a miss".

# Bush Fire Brigades the big winners

By Bernie Mackson

"There's a story with this one", said affable auctioneer, Paul Nicholls. "Her mother was worth \$20,000!"

The reply from the crowd was swift, "What, did she knock off Kerry Packer's gold?"

When the laughter subsided, the black and white heifer was knocked down to a satisfied buyer, satisfied with his purchase and satisfied that he was helping any one of about ten Hunter Valley Bush Fire Brigades.

The auction was one of many fund raising activities as part of Singleton Clay Target Club's ninth annual Bush Fire Brigades Charity Shoot.

Some 85 shooters and another 60 people crowded the grounds of the Singleton club. All were eager for some good shooting and a very enjoyable day. Everyone present was prepared to part with some cash, in one way or another, to support the Brigades.

Along with the regular shooters, 45 novices turned out to try their hand, with many registering excellent scores (see rear

section). All were vying for the huge array of prizes donated by about 80 generous sponsors.

After the shoot, one of the main fund raisers was the auction of donated goods, where one could buy anything from hay, to a duck, at ridiculous prices.

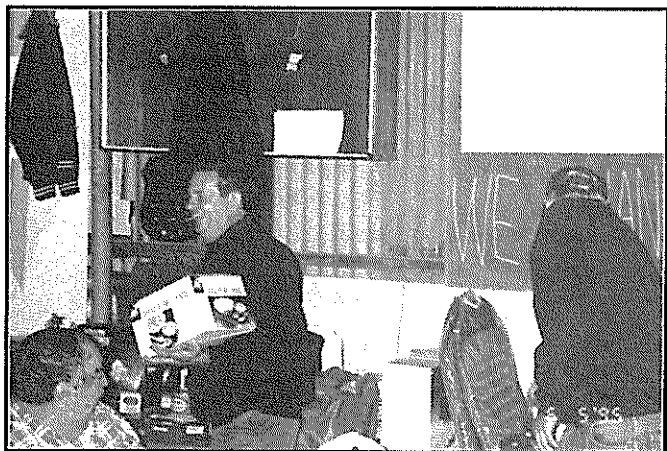

When one buyer purchased a jar of pickles for \$40.00, one wag in the crowd insisted that it would want to make your head spin for that price! Four pumpkins were knocked down for \$12.00 and you could have bought four dozen cold meat pies for \$29.00.

If your shooting was causing some frustration, a pin ball machine was in the club house and for a \$1.00 donation, skills could be put to the test there.

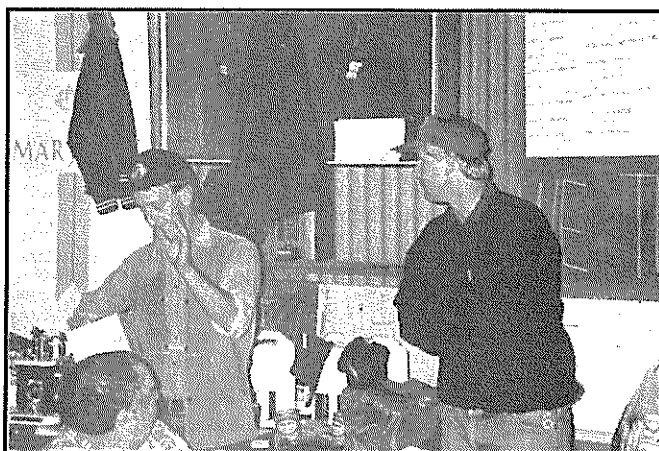

Raffles were run during the day, and even a sweep on the Queensland Guineas, all in the name of raising a few dollars for some very worthy Bush Fire Brigades.

The day concluded with an excellent meal and very happy shooters and their families made their way home.

Judging on the spirit of generosity and the obvious enjoyment of all present, the Bush Fire Brigades shoot is assured a continued listing on the calendars of novices and shooters from the various corners of the Hunter Valley.

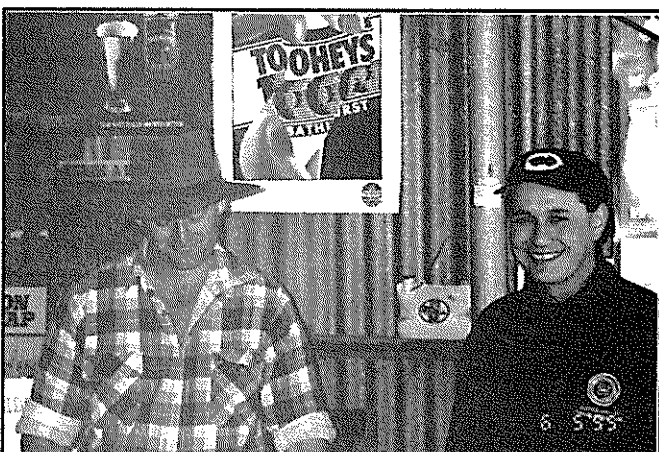

Happy 'A' grader, Col McDonald.

Chris Poole (left) accepts his prize for novice grade, event 2. Ian Mitchell (right).

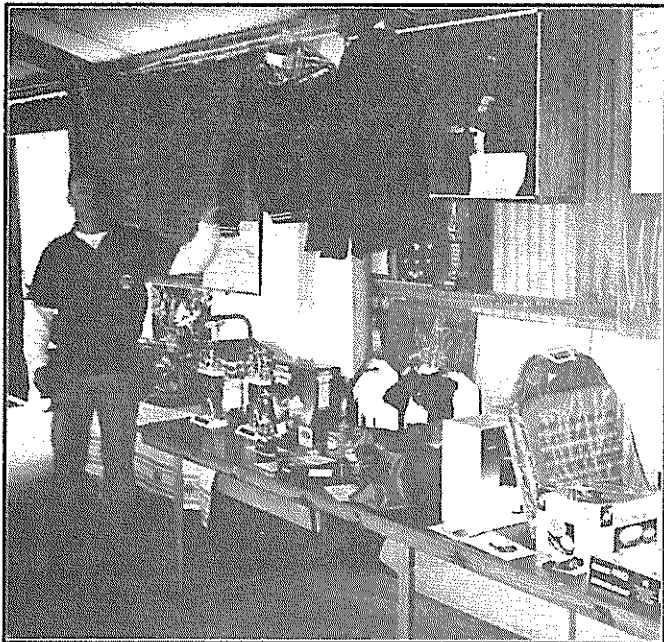

Bush Fire Brigade Charity Shoot — Singleton Clay Target Club — 6-5-95.

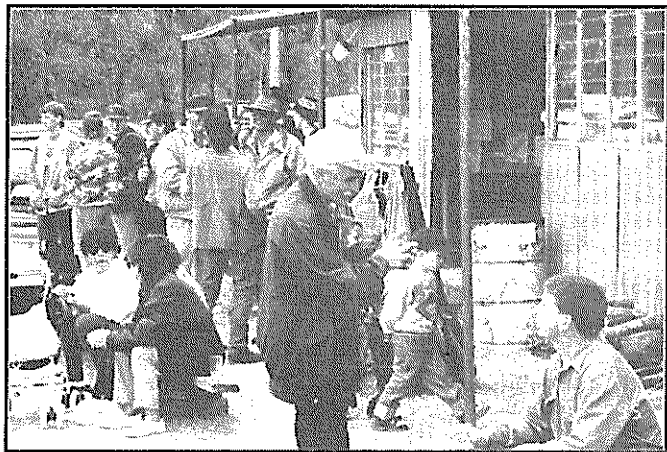

Capable bar staff! Tony Mitchell and Steve Kirk.

Robert Lanningan and the huge array of prizes and trophies.

Mal Caslick (centre) and Wayne Long (right). Is Malcolm telling the truth?

"Four pumpkins for \$12.00." Post shoot auction, auctioneer, Paul Nicholls holding pumpkin. All items for auction donated.

## Glenn Cup Skeet Team win in New Zealand

The five man team of Adrian Cousens, Neil Dimmick, John Withers, Reg Clarke and Scott Wright successfully brought the Glenn Trophy back to Australia.

The event was conducted at the Waikato Gun Club, Hamilton NZ as part of the 1995 New Zealand Skeet Championships. The trophy had gone missing and could not be found. After much searching by the ACTA and NZCTA, it turned up thanks to the help of 'ex-pat' Brian Thompson.

The contest was the aggregate score of the five shooters over 50 targets. The Australian score in shooting order was as follows:

Adrian Cousens (Capt)	50/50
Neil Dimmick	48/50
John Withers	48/50
Reg Clarke	50/50
Scott Wright	50/50

This gave Australia a total of 246/250. They defeated the New Zealand team of Andrew Mitchell, Mike O'Neill, Gary Lisle, Robbie Young and Brian Thompson, who shot a combined score of 239/250. Considering the event was shot in the evening with the onset of darkness the scores were very good.

Not satisfied with winning the Glenn Trophy, the team was successful in taking out the 5 man teams event at the National Skeet Championships, with a score of 249/250. A photo of the Australian team appears on the inside front cover of this magazine.

Adrian Cousens performed admirably as team captain, encouraging his team and giving support all the way. He then went on to win the National Skeet Championship, congratulations Adrian.

Congratulations to all members of the team whom represented Australia so very well and we look forward to a return match at Cecil Park NSW next year.

## Vale

### John Farrow

The Brisbane Gun Club members and members of surrounding clubs were saddened by the death of John Farrow on the 12th March, 1995.

Prior to World War II, John was training to become a school teacher, but before graduating he joined the AIF and saw active service in New Guinea as a member of an anti-aircraft unit.

After the war he did not continue his teaching career but attended Sydney University and graduated as a dental surgeon.

He practised at Wollongong, then Cowra and finally in 1964 he moved to Burleigh Heads on the Gold Coast from which practice he retired in November, 1992.

He contested all forms of clay target shooting including DTL, skeet, trench and simulated field and game. John was always the gentleman, a fine sportsman with a very sound understanding of the rules of clay target shooting and a considerable knowledge of firearms and ballistics which he willingly imparted to others.

His presence will be greatly missed at all clubs which he attended and Brisbane Gun Club members extend their deepest sympathy to his family.

Members of the  
Brisbane Gun Club

# Now the only Choice is which Beretta!

### Left

686 Silver Perdiz sporting.  
28" & 30". Mobilchoke.

### Right

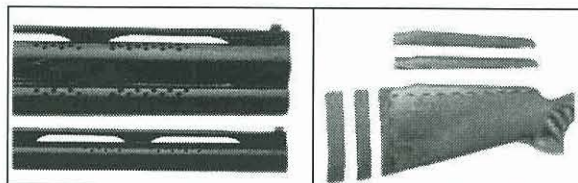

682 Gold Trap. International stock  
low rib. 30" & 32" also available  
left hand.

The latest generation of Beretta competition guns give you more ways than ever to win.

Throughout the wider range the legendary "Beretta Feel" has now been enhanced by design refinements.

The **682 Gold Series** feature a new slimmer low profile action, matched to metallurgically advanced, faster swinging barrels tuned to today's lighter shot charges. A new "Graystone"® action coating adorns and protects the **Gold Series 682, ASE-90 & S05** range. Sporter models come complete with 5 mobilchoke® tubes. All Under & Overs are supplied in a high quality Italian fitted gun case.

A390 and S682 Gold Trap and Sporting models also available in "Super" version featuring barrel porting, and fully adjustable stock for drop and length of pull.

**Beretta** 

A TRADITION OF EXCELLENCE SINCE 1526
