## Visit to the 'Grand American'

Should enough members show interest in attending the 1996 Grand American, I will continue negotiations to get a group visit organised. An advertisement setting out details of the proposed trip appears elsewhere in this edition. If you are at all interested in attending, it is imperative that you advise me of this as soon as you possibly can. It must be understood that to organise such a trip, there are a number of arrangements that must be completed long before the eventual journey to ensure such a trip is smooth and as trouble free as possible. I believe a trip to the 'largest trap shoot in the world' should be an aim of all trap shooters, and the best time is now.

## 1996 New Zealand Nationals

The 1996 New Zealand Nationals will be held at the Belfast Gun Club, Christchurch and it is planned to try and get together a package deal also for those members wishing to take part in these Nationals.

Next year sees our Nationals and New Zealands spread a little further apart. It may well be an opportune time for those who have previously found them too close together, to take the opportunity and visit the 'land of the long white cloud'.

As at this stage the price for return airfare, 9 nights accommodation, on a twin share/double share basis, would be in the vicinity of \$950 per person. This would be staying at a very good motel close to the gun club, which has a licensed restaurant, lounge and public bars, nightclub, swimming pool, gym and sauna. Triple and quad share would be cheaper.

Once again I would ask anyone interested to contact me as soon as possible so as the necessary preliminary bookings can be made.

## World Championships

Congratulations must go to our team who attended the World Championships recently in Cyprus. We have a new World Double Trap Champion in Steve Haberman. Well done Steve.

Our open team won silver in both the trap and double trap, with the trap team equalling the old world record. Brett Hall is to be congratulated on his silver in the Junior Double Trap.

Michael Diamond again proved that he is among the world's best with a silver medal in the trap. Ben Kelley's individual bronze medal and also bronze for the Junior team in the trap is a message to the world that Australia will be prominent in competition in the future.

To all team members and officials, congratulations on an outstanding effort.

## Rules — Down Grading

It appears that some members are having difficulty with the current rules re down grading.

When a shooter has shot 3 brackets of 200 targets (600) at a lesser percentage than his/her grade, he/she is then eligible to be down graded. Put simply this means each of the three groups of 200 targets must be at a lower percentage than his/her current grade, not the total of 600 targets being averaged to arrive at the percentage. The shooter can only come down one (1) grade at a time.

Another problem is arising with handicap marks. No longer does the shooter come forward when his/her grade is lowered, he/she comes forward at the completion of 200 targets, provided that, during the 200 targets he/she has not incurred a penalty.

# 1995 World Championships

**NICOSIA, CYPRUS**  
12th to 20th June, 1995

*by Robbie Smith, Team Manager*

On Sunday the 11th June Craig Tilley, Michael Diamond and Fillipo Petriella joined myself at Sydney airport for our 9pm flight to Melbourne, where we were to meet Russell Mark, Steve Haberman and Deserie Huddleston and onto Cyprus via Singapore and Bahrain leaving at midnight. On my arrival in Melbourne I was met by Gulf Air officials to be informed that the firearms would not be transferred from one plane to another at Bahrain.

After many phone calls between Melbourne, Sydney and Bahrain by Gulf Air officials, the aircraft left without us, and so we started to look for an alternative airline to get us to Cyprus. At 2.30am this was arranged with British Airways via London at 2pm that day so we headed for a well earned sleep.

We eventually arrived a day late after some 36 hours on the move, the rest of the team had been competing in Finland and had arrived the day before. They had settled into the Beau Rivage Hotel, had a days practice, and on our arrival were attending the Opening Ceremony. After a much appreciated shower, we had an evening meal and got ready for the last official day of practice.

The team was now complete:

<u>Trap</u>	<u>Double Trap</u>	<u>Skeet</u>
Russell Mark	Russell Mark	John Summers
Michael Diamond	Craig Tilley	Craig Meuleman
Fillipo Petriella	Steve Haberman	David Cunningham

<u>Junior Trap/Double Trap</u>	<u>Ladies Trap/Double Trap</u>
Ben Kelley	Deserie Huddleston
Brett Hall	
Damien Webster	

The skeet team and junior trap team were very happy with their training, as were Deserie and the trap team considering they had missed a days training. We were all looking forward to the start of competition very confidently.

These events were to be shot differently to the standard procedure, over three days 50 targets per day for the first two days, with 25 targets plus a final on day three in both trap and skeet, and with good weather conditions scores were going to be high.

## Day One

<b>Skeet</b>	110 men, 37 juniors, 19 women.  John 48, David 48, Craig 46. Both John and David were just of the pace with Craig needing a good finish.
<b>Trap</b>	127 men, 41 juniors, 17 women.  Russell 50, Michael 49, Fillipo 47. These scores had Russell equal 1st, Michael equal 2nd and Fillipo in with a chance.
<b>Ladies Trap</b>	Deserie shot 44 which kept her in touch with the leaders.

World Trap Champion — 1st Giovanni Pellele (ITA)  
2nd Michael Diamond (AUS)  
3rd Francesco Amici (SMR)

World Trap Team Champions — 1st Italy  
2nd Australia  
3rd USA

**Junior Trap** Brett 49, Ben 47, Damien 41.  
Brett was equal 1st, Ben 11th with Damien keeping his end up for a team medal.

## Day Two

<b>Skeet</b>	Still hot with gusty winds. Craig shot 48 and John 46 to put them both on 94, Davids 45 put him on 93. This left them around the middle of the field.
<b>Trap</b>	Michaels 50 put him on 99 in equal 1st, Russells 48 put him on 98 in equal 2nd. Fillipo shot another 47 for a 94 and still doing his bit for a team medal.
<b>Ladies Trap</b>	Deserie shot 46 to put her on 90 and still a chance of making the final.
<b>Junior Trap</b>	Ben shot 50 for 97 which put him equal 1st, Bretts 46 left him on 95 in equal 2nd and Damiens 42 for an 83 and still a team medal contender.
<b>Day Three</b>	Still hot and gusty winds.
<b>Skeet</b>	John finished with a 25 for 119, Craig 23/117, David 23/116. Team 352/375 18th position.

World Junior Trap Champion — 1st David Hosterlecky (CZE)  
2nd Martin Davies (USA)  
3rd Ben Kelley (AUS)

World Junior Trap Team Champions — 1st Italy  
2nd Slovakia

Trap Michael, Russell and Fillipo all shot 25. Michael finished on 124 in equal 1st, Russell on 123 in equal 2nd both making the final. Fillipo on 119, this gave us a team score of 366/375 breaking the world record only to see the Italians shoot a new world record of 368/375. So we had to settle for silver with the USA on 363/375 for bronze.

Final	ITA	Giovanni Pellielo	123	25	148
	AUS	Michael Diamond	124	23	147 + 5
	SMR	Francesco Amici	124	23	147 + 4

121/125, a new world record, Deena Julin USA 2nd 119 and Satu Makela FIN 116 + 1 3rd.

Junior Trap Ben shot a fine 25 for 122 to put him in a miss and out single barrel final. Brett 22 for 117 and 11th, and Damian finished with a great 24 for 107. This gave us a team bronze medal with a score of 346/375 behind Italy 354/375 and Slovakia 353/375.

Final	CZE	David Hosterlecky	122	3
	USA	Martin Davies	122	2
	AUS	Ben Kelley	122	0 2
	SVK	Erik Varea	122	0 1

All four shooters equalled the world record.

It was now time for double trap practice and with everybody shooting very well they headed home early for a swim and a good rest.

Double Trap 77 men, 31 juniors, 47 ladies.

Mens Steve 141, Russell 139 and Craig 137 shot very well. Steve making the final in 3rd position, then shooting his way to become World Champion with a 47, truly a champion effort. Russell 139 placed him 8th, a fine performance considering he was not very well. Craig finished 11th, a great team effort to finish with a silver medal 417/450 behind Italy 420/450 with USA 413/450 bronze.

Final	AUS	Steve Haberman	141	47	188
	GER	Waldermar Schanz	140	47	187

	USA	Bret Erickson	141	43	184 + 1
	USA	Lance Bade	141	42	183.

Ladies Deserie did not have one of her better days and could not repeat her efforts in trap and practice, she finished with 87/120.

	ESP	Gema Usieto	106	35	141
	CHN	Xiang Xu	106	34	140
	ITA	Giovanna Pasello	108	28	135
	USA	Kimberly Rhode	107	28	135
	CHN	Ping Hong Ding	105	29	134.

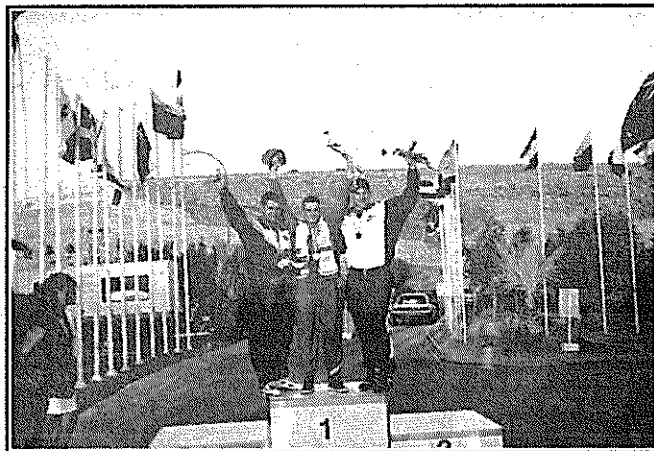

Juniors Brett shot a great 137 to finish in equal 1st and was in a shoot off for gold, it was not to be and had to settle for silver. Bens 134 placed him 5th with Damian shooting 117, their team score of 388/460 placed them 4th behind Italy 402, USA 399, Finland 393.

Final	ITA	Emanuel Bernasconi	137	+ 9
	AUS	Brett Hall	137	+ 8
	USA	Chris Kaernan	136	+ 6
	ITA	Stefano Mezzema	136	+ 5.

This team is no doubt the best performed team to have ever represented Australia in trap shooting at this level of competition, one that all Australian shooters should be very proud of. I am sure that all team members learnt a lot from these Championships, which they will put to good use in future International/National tournaments.

World Double Trap Team Champions — 1st Italy

A special thanks to Winchester Australia for supplying the ammunition to all 'Top Gun' members, it was greatly appreciated by all members of the team.

This was my first trip for three years, and I now know just how much I missed being part of an Australian Shooting Team, to the team members a special thanks for your co-operation, behaviour and team spirit, you are all a credit to both yourselves and your Association, and at this stage may I wish those attending the Olympics the best of luck and to the rest of you, all the best in the years to come.

In closing I would like to thank the ACTA Executive for giving me the chance to be part of such a truly magnificent team.

## Mount Isa Gun Club

On Sunday June 18th the Mount Isa Gun Club and the people of Mount Isa had their first experience of the Birdbrain Five Stand Sporting Clays. While some of the shooters from the more populous areas may say ho-hum, so what, believe me in a city where even to compete at another club we face an eight hour drive (eight hours each way that is) it was very well received. In fact operator Les Pratten probably didn't realise how popular he was until he got to Mount Isa. Even allowing for the natural novelty appeal Birdbrain was definitely a hit.

Despite the bitter cold and the almost freezing southerly winds, some twenty-five brave souls ventured out to give it a go, and they weren't disappointed. Everyone voted Birdbrain the most fun they'd had in ages.

Three Sporting Clays events were held during the course of the day and the 'Old Fox' Mick McGill won his fair share of the A grade although Bruce Murphy and Rod Maxwell kept him honest. In B grade Ron Power won the first event but couldn't compete with Kevin Streeter and Alan Lord who dominated B grade for the rest of the day. C grade was a mixed bag with Grant Casley, Sam Edmonds, Greg Moncrieff, Adam Letts and Glen Miller all getting their hands on prizes. Mark (Duck) Donald, Steven Speechly and Phil Nichols cleaned up the novice division in all three events.

The finale was a 'Flush' and with targets flying thick and fast and scorers running out of counting fingers a winning team came through. Rod Maxwell, Sam Edmonds, Gavin Puet, Phil Nichols and Greg Moncrieff were the winners with a team score of 93/125.

Getting back into the clubhouse for the presentations was a welcome relief from the cold and the wind. As targets were shot again and missed again over a few warming glasses the question raised most often was, "When can we do it again?"

Our thanks to Les Pratten for bringing Birdbrain to Mount Isa, if only for the day, and hopefully some time in the not too distant future we can entice Les back to the Mount Isa Gun Club and run a full two day Sporting Clays Shoot.

— QUEENSLAND —

How many times do you come back to the scoreboard to find that young fella has knocked you off again. Well there is just the shoot to be shooting against your own age, and that is the Maryborough Masters Games Shoot. This year it is being held one week later on Sunday October 1 9am start with the first event being the 50t DB C'ship, the Masters Games event, so be early. This 50t event is also the first event of the Heritage City One Day Program, so mark your diary now.

## **Bundaberg 4-6-95**

### **Gordon Doblo Memorial Shoot**

The main event of the day being the State Mixed Target C'ship with OA R. Rehbein; AA: N. Berry; A: G. Sergiacomi; B: C. Groves; C: G. Rapley. The Gordon Doblo Memorial DR C'ship saw an Overall win to G. Whitfield with T. Peterson taking AA grade. B grade went to B. Darr and G. Rapley took C grade. The Charm City Medley was won by P. Anderson with G. Whitfield taking AA grade, G. Durre took A grade, B grade to A. Woolford and G. Rapley again cleaned up C grade. The Charm City Handicap saw a win to G. Wright, 2nd I. Wynyard and P. Anderson in 3rd. The High Guns went to R. Rehbein OA, Graham Whitfield AA, Glen Durre A grade, Garry Darr B grade and C grade to Garry Rapley.

This was the first Gordon Doblo Memorial One Day shoot with a good roll up (with the usual shower), it will be a shoot to carry on for many years. The quickie board was won by Marge Durre and the \$50 number board won by Harold Sparke. Bundy's next shoot is August 6 with skeet at 9.30am and trap at 1pm.

## **Gympie 11-6-95**

It was great to have a visit from Joy Foster after having her hasty operation, glad to see her looking good and it won't be long and Joy will be back in the kitchen, best of luck Joy. Also Dave back shooting after his spell in hospital, pleased to see you back Dave.

With shooting conditions very good, once again the scores were low. A number of visitors in Geoff and Rod Fett, Norm Keech, Barry Power, Scotty Stafford all from the Sunshine Coast, Harry and myself and new shooter Adam Elstob having his first shot over the traps, hope you enjoyed it Adam and become a regular. Aaron Gardner drew the jackpot but failed to shoot it, maybe next time Aaron.

Main results of the day, 25t DB CD: AA was split between Geoff and Rod Fett with Rod going on to take AA in the 25t PS and 15t DR. A grade in 25t DB CD was Bill Stolberg who also took A grade 25t Pts and 15pr DR. Bill just back from his Gulf trip where he visited a few clubs and enjoyed shooting with them. C grade in the 25t DB CD was divided between new shooter Greg Wright and Melissa Tipman. B grade in the 25t Pts was Norm Keech with C grade going to Harry Walker, also taking 15pr DR and Dave Gardner shooting B grade DR. Vic Tipman came good with a possible in the 25t Handicap to take first with a metre with Dennis Carew second and after a shoot off with ten shooters Norm Dale was lucky to take third in the Handicap.

# Russian Training Camp – an Olympic initiative

by M. Alexander,  
National Director of Coaching

Following the selection by the Shooting Committee of the two (2) clay target competitors to accompany me to Russia on this Olympic Council funded program, we departed for Moscow on the 23rd May 1995.

Our task as set out by the Olympic Council and the ASA High Performance Manager was to see and assess the possible future use of Russian Coaches and their shooting facilities.

The flight schedule took us with Qantas from Melbourne to Frankfurt, where we joined Aeroflot International for the final leg onto Moscow.

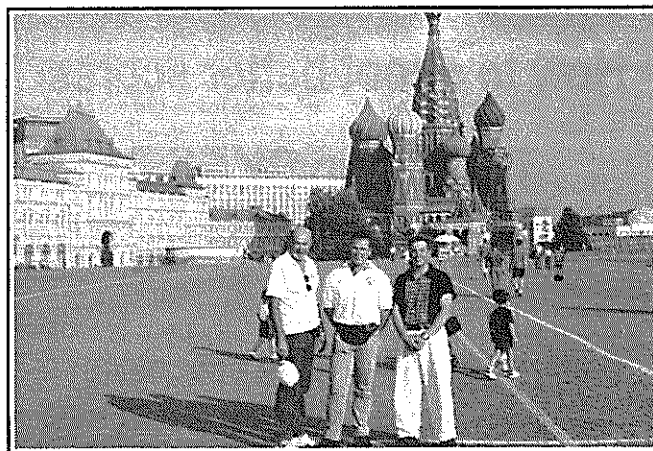

Craig Meuleman (Skeet), Ben Kelley (Trap) and myself as the identified Coach were met by a Russian delegation along with Mr Bill Murray (H.P.M.) who had arrived with the Pistol and Small Bore people several days before. After about 1½ hours, we managed to clear customs in what was to be one of several contacts with Russian 'red tape'. Also at the airport was Dr Ilya Shleper (Russian Team Doctor), whom I had previously met and had contact prior to our departure. As luck would have it, Ilya was approved to be our liaison person and interpreter.

Kizminki Shooting Complex was some 50km from Moscow and after an eye opening and fast ride (our first of many rides in a Russian LADA sedan), we had our first look at our training facilities for the next 12 days. The Kizminki Complex is part of a military establishment adjoining an officers training school. The complex consisted of 6 Trap and 6 interposed Skeet layouts set in a forest of silky fir trees. Twenty metres behind the range, separated by a belt of trees, were five accommodation blocks which could each house approximately 18 athletes as well as a caretaker. This concept for training was excellent as it took less than a minute to walk onto the range. Although we had noticed the general run down condition of Sheremetyero Airport, it was a little more obvious at Kizminki.

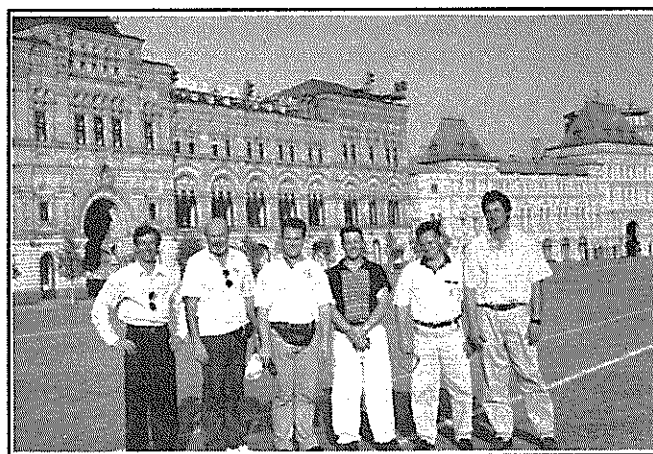

Our first day ended with supper and our first brush with toasting in vodka, with the Olympic Council delegates, Dr Shleper, members of the Armenian Team and designated coach, Alexander Salurov. It was during this supper that we noticed the sunset was 11.00pm and dawn rose again at 3.00am, throwing our inner clock adrift. 'Daylight saving' – Russian style.

Next day following a 9.00am breakfast, again being offered vodka when we politely refused, asked if beer would be more appropriate, we took stock of the facilities we were to call home. Meals were to be served 9.00am, 1.30pm and 7.00pm in the officers mess, which we were to be the only ones to eat there during our whole stay.

After a rest day, we obtained our ammunition and began planning a program while we waited for the Russian Team and additional coaches. However several days later, we were to find that the Russian team had been delayed and would not be attending and that Alexander Salurov would be staying on as coach.

*In Red Square.*

*Red Square l to r: Alexander Salurov, Murray Alexander, Craig Meuleman, Ben Kelley, Slous, Russian massuer, and Ilya Shleper, team doctor and interpreter.*

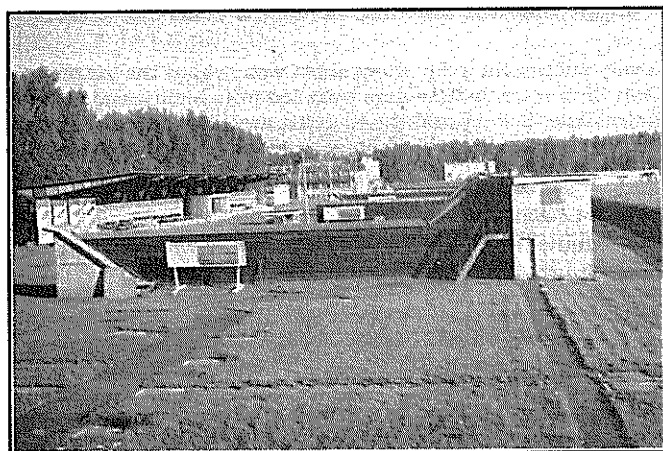

Craig, Ben and myself then decided on a program of training and together with assistance from Alexander and Gor (Armenian coach), began to train.

Ben's techniques were dissected and with hard work, reassembled to overcome incorrect segments, with good gun control, vision and target recognition. After a solid week of genuine effort, we had enabled Ben to stabilise his gun movement, target vision and produce quality shooting skills. This took dedication and mental control by Ben and his scores in Finland and Cyprus showed the benefits.

Craig was also subject to similar treatment, working on his gun mount and problem stations, dissecting each and reprogramming his skills in a more fluent manner. Again scores in Finland and Cyprus indicated the benefits. Our days proceeded under a set format with training being from 10.00am to 1.00pm and after an afternoon break, 4.30pm until 6.30pm. Following supper Ben, Craig and myself would review the days training, analysing different aspects and work on the mental conditioning component.

Left to right: Ben Kelley, Murray Alexander, Alexander Salurov, Russian coach, and Craig Mueleman.

Kizimink Shooting Complex.

Training followed the Russian and Armenian schedule of 3 solid days of shooting with the fourth day being for rest and as we were under their wing, we accepted the schedule.

During these lay days, Ilya and Alexander took us into Moscow, our second ride in a LADA and our first brush with Russian traffic. We toured the city, which has a population of ten million, including Red Square and the Kremlin. Here Craig and Ben found a home grown Australian product - McDonalds', talk about dining in style. After days of training and little else, these breaks were most welcome. On separate evenings we were treated to the Moscow Circus Complex, similar to our own Australian Institute of Sport. It was here we met up with other Australian shooters from Pistol, Small Bore and Running Target as well as Bill Murray, the High Performance Manager (not a great vodka drinker).

After many toasts with vodka, we were glad to be heading back to our elite accommodation and training camp, some one hours drive in the inevitable LADA. However as a public relations venture, the dinner was a success, being attended by the Russian Olympic Committee President, Mr Nikolai

## 1995 A.C.T.A. Junior Development Squad

Selections for participation in the 1995 Junior Development Squad shall be in accordance with guidelines as set down by the A.C.T.A. Coaching Council.

The squad members shall only be selected for each discipline from the respective National Championships:

- D.T.L. 3 events - DB, SB and DB Pts
- Skeet 3 events as shot, not including Skeet Doubles
- I.S.U. Trap 3 events as shot
- I.S.U. Skeet 3 events as shot
- Double Trap 2 events as shot

Once selected the following criteria will be:

- a. Will enter into his/her State Coaching Scheme under the guidance of their respective State Coaches.
- b. Maximum age of the Junior for the Development Squad will be such that they can attend the next Nationals of that discipline as a Junior shooter.
- c. Shooter must reasonably comply with item A, if non compliance then they may be dropped from the squad.

For further information, please contact either the National Director of Coaching, Murray Alexander, or your State Coaching Director.

Lents and the President of the Shooting Federation, Mr Polekamen Eugeny. On a separate night, the Armenian coach and his ladies skeet team invited us to a Shisklak (Armenian BBQ) whereby the vodka, Armenian cognac and Russian beer were forced upon us. Protocol prevailed and we partook of their hospitality, including dancing (photos available). We in turn offered our hospitality with Southern Comfort and found that they derived no 'comfort' in our firewater.

With the assistance of Alexander Salurov and the Armenian team members we were able to train, when required, in a squad situation although Ben did not enjoy this squad situation as much as Craig was able to. From clay targets (where we were experiencing up to 50% breakage) to soft drinks, if we requested it, the organisers went out of their way to provide as nearest possible in our every requirement.

Our time in Russia finally ran out and we were driven to Sheremetyero Airport, this time by what felt like a turbo charged LADA, wheelwobbling at 140kms was not really our idea of fun, especially as we still had to board an Aeroflot flight. Our baggage, although lighter than on our arrival, still created an overweight problem buy Ilya, who stayed with us through customs, saved us what can only be described as Russian sweet talk.

On behalf of Craig Meuleman, Ben Kelley and myself, I would like to express our appreciation to the Australian Olympic Council, the Australian Shooting Association and the Australian Clay Target Association (Shooting and Coaching Committees) for the opportunity to investigate and train at the Russian Shooting Facility.

## Northern Zone

The Zone Trap Carnival and Team Elimination is being hosted by the Inverell club on 19th and 20th August (see July CTSN).

Also at this shoot will be the Zone's Annual General Meeting and Election of Office Bearers. All clubs within the zone are urged to have a representative present at this meeting.

A number of clubs within the zone have made application to shoot sporting clays on a regular basis, those clubs must have a representative present to have their applications discussed.

Also, Glen Innes have made application to change their regular monthly shoot day from the second Saturday of each month to the first Saturday of each month. Likewise, the Singleton club have made formal application to change from the first Sunday of each month to the second Sunday. These two clubs must also have someone there to put their case forward.

## Lucky Draw Tickets

Some clubs have made a mighty effort to have their members sell these tickets. At the time of putting this report together, Upper Hunter, Yamba and Grafton have sold all but the odd book. Congratulations and well done.

Unfortunately, there have been some clubs who have not made any effort whatsoever to get the books to their members and have them sold. At this stage (30/6/95), unless some very willing 'ticket sellers' take extra books and really get into selling them, this draw will have to be postponed to a later date.

Some clubs still have to return their books and money, so hopefully, some more good results will come to light.

## Tamworth Open — 2nd/3rd September

The Commonwealth Double Barrel Championship will be a feature of this years event in Tamworth. Club President and 'maker of fine furniture' has once again provided the Overall High Gun Trophy. This year a magnificent cabinet, which will grace any home.

This event will be a good run up to the NSW State Trap Carnival being hosted by the Tamworth club on September 30th, 1st & 2nd October.

## Glen Innes — Date Alteration

The Glen Innes club have altered their ½ Day Open Shoot from Saturday 11th November to Saturday 9th October. This is to avoid a clash with the Grafton Open.

Make a note: Glen Innes — ½ Day Open Cash/Trophy Shoot — Saturday 9th October and Grafton 2 Day Jacaranda Open — 11th/12th November.

## Central Zone

Bathurst Gun Club has decided to change their shoot days, in an effort to level out shooting in the zone.

Until now, Bathurst has shot skeet on the 1st Sunday and trap on the 3rd Sunday.

As of September, they will be shooting skeet on the 3rd Sunday and trap on the 1st Sunday. For more info, please contact Les Aberley on (063) 31 3791 ah.

# Editor's Mailbox

Dear Sir,

I have read with interest the letter by Reg Clarke (page 18 July CTSN) regarding the proposed National Shooting Ground.

I commend Reg on the quality and thoughtfulness of the letter and I agree with it entirely.

This, in my opinion is the only practical, economical way to obtain a National Shooting Ground, and I hope that the Executive see it the same way and make a start on a very much needed facility.

Yours sincerely  
Jack Matthey

## Wagga Gun Club

### 2 DAY OPEN SKEET SHOOT

Wagga Gun Club allocated 1996 NSW State Skeet Titles

A very successful 2 day skeet shoot was held at the Wagga Gun Club recently. Shooters travelled from Melbourne, Bairnsdale, Sydney and the Riverina area. With the field containing some of the top shooters, some excellent scores were expected. The weather was ideal for shooting.

The first event was a **50t Wagga Gun Club Skeet Doubles Championship**, this event saw no possibles with Bob Old from Frankston taking the title with 49/50.

The second event was **50t Skeet Handicap Event**, this event encourages the lower grade shooters to compete. Sixteen shooters made the shoot off all expecting a hard fought battle. This is the first time since having the handicap that an AA shooter has won the event with a score of 112/112, well shot Adrian.

The third event being **50t City of Wagga Skeet Championship**. With four possibles coming in, a shoot off was necessary to determine the winner. Adrian, Gerry, Bob and Barney went to the shooting ground with the look of determination on their faces, so we settled back for a long shoot off, with Adrian Cousens again being victorious.

Sunday saw the weather again fine and conditions led to the targets being as good as they could possibly be, so another day of good scores were expected.

The first event for the day was **100t Wagga Gun Club Skeet Championship**, with Adrian the only one with the possible, yet another title to Adrian.

This saw Adrian Cousens and Bob Old now equal for the Overall High Gun with the last event for the two days being **50t Murrumbidgee Skeet Championship**.

With both Bob and Adrian the only two to shoot the possible and the way they were shooting, we all sat back for a long shoot off. Unfortunately Adrian dropped his twenty-ninth target and Bob was the Overall winner.

With this decided it left both Adrian and Bob equal for the High Gun. Adrian emerged as the Overall High Gun winner for the weekend with a final score of 301/304.

Wagga Gun Club will again conduct this 300t program on the 18th & 19th May 1996.

# Cecil Park Clay Target Club

## 2 DAY SKEET SHOOT 13th & 14th May 1995

by Peter Vella, Publicity Officer

Cecil Park Clay Target Club held its first 2 day skeet shoot since its inception about two years ago. The program consisted of 100t Saturday 13th May, Southern Zone Night Skeet with 50t and 75t on Sunday 14th May. The weather had been forecast for storms on Saturday and fine on Sunday.

The Saturday 100t had begun and by mid afternoon the skies were looking nasty with lightning flashes across the horizon and the smell of rain in the air.

The 100t ended with three shooters going for Overall — C. Naudin, S. Wright and R. Clarke. As advertised, the shoot-off was doubles on all stations. By station 5 C. Naudin was the victor. Results are as follows:

OA: C. Naudin	
AA: S. Wright	2nd R. Clarke
A: V. Gatt	2nd P. Vella
B: R. Clifton	2nd M. Rooke
C: P. Cox	2nd R. Ruzic.

Dinner was put on by Mrs Jean Clarke, Joanne Vella, Jill Nicholson and club president's wife, Barbera McLeod. 30 diners

stayed for the meal, and they ate the bloody lot, desert included. Many thanks to the ladies for the meal and thanks to C. Naudin for pate and crackers, thanks to R. Ruzic for the small-goods that everyone had snacked on during the afternoon.

The 50t Southern Zone Night Skeet event was shot on two layouts, with the last two squads having to shoot their final 25t in the pouring rain.

John Worley was the Overall winner and shoot-offs were decided by flipping a coin, as it was apparent nobody wanted to get their guns wet. Results for the night shoot were:

OA: J. Worley	
AA: S. Wright	2nd C. Langley
A: P. Vella	2nd M. Daley
B: S. Cavallaro	2nd P. Gullotta
C: F. Marcellino	2nd R. Nicholson.

Sunday dawned fine and clear, and being Mothers Day it seemed that most skeeters are snags and religious types, so only three squads took to the field. Results were as follows:

OA: R. Clarke	
AA: M. Morgan	2nd S. Wright
A: D. Lagden	2nd L. Tosolini
B: M. Rooke	2nd R. Clifton
C: V. Frey	2nd J. Camilleri.

Overall for the two days was S. Wright with many thanks to Dan Lagden of Dan Case who supplied the magnificent gun case for the High Gun.

## Rockhampton Clay Target Club Inc.

*by Dusted Bird*

Over the weekend of the 10th and 11th June under beautiful Central Queensland winter conditions, over 50 shooters competed in Rockhampton's Annual Shoot. The club welcomed shooters from the Gemfields, Maryborough, Bundaberg, Gladstone and Dysart.

The only complaint held over what was otherwise a great couple of days was, "The pies are too cold". A local wit pointed out to the complainant, "They are a lot hotter than your shooting". You can't please all the people all the time. Two people particularly pleased were Peter Wood who won a very large bottle of rum, this was promptly 'MAGNAfied' and never seen again, much to the chagrin of his many friends. Daphne Powell, who worked all weekend in the kitchen, won a case of Winchester ammo, thanks to Winchester for their support.

The results are as follows:

### **Event 1 - 25t Double Barrel Cash Divide**

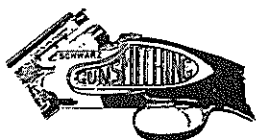

AA: G. Whitfield, R. Wise, M. Warnock, W. Scarborough, D. McIntosh and R. Rehbein all with 25/25. A grade was won outright by G. Cross (25/25), B grade was taken by E. Bates (24/25) and C grade by Don Berrie with 22/25.

### **Event 2 - 50t Double Barrel Capricornia Championship**

Overall and AA grade for the second year running went to A. Grimshaw with 58/58. P. Wood took A grade 51/52, P. Henderson was the B grade winner with 47/50 and C grade was won by A. Scarborough with 45/51. This was young Ashley Scarborough's last C grade win since he then moved into B grade, well done. B grade shooters watch out, he's after you now.

### **Event 3 - 25t Single Barrel Capricornia Championship**

The Overall winner also taking A grade in G. Cross with 39/41. AA grade was won by N. Deeley 24/25; B grade by J. MacKenzie 25/27 and C grade was taken by D. Berrie 21/27.

Col Warnock and Rick Hannah put up a box of shells for the front marker encouragement award and this was shared between D. Berrie, L. Knight and A. Glasson, well done all three and thanks to Col and Rick for their generosity.

In the grades, G. Whitfield took the AA grade High Gun 238/250, P. Wood the A grade High Gun 235/250, P. Henderson the B grade High Gun 226/250 and Don Berrie the C grade High Gun 210/250. Thanks to all who helped with the catering, to 'Stiff Wing' who looked after the scoreboard, and to all the shooters who took their turn to help when appointed. We look forward to your company at the 1996 Annual Shoot — or sooner.

a target down in most events came good with 33/40 in A grade with second place to Mick McPhee 32/40.

## Can anyone remember?

by George Biggs, ACTA Historian

***This is how organised clay target shooting got started in Australia, and when live bird trap shooting became organised in Victoria.***

The following story comes from the original minute book of the Nobel Gun Club, wherein every meeting is recorded from the very first committee meeting on September 9, 1927.

Prior to this point in time the only kind of trap shooting was at live bird trap shooting and controlled by 'The Gun Club's Association of Victoria', it would seem that Victoria was the starting point. Live bird trap shooting was first established in Victoria in 1903 and became known as the Gun Clubs Association of Victoria.

The objects of the Association were to control and manage all trap shooting within the state of Victoria, to further the interests of field shooting and game preservation.

This story will confirm the beginning dates of both live bird and clay target shooting in Victoria at least (more about this later).

### **The beginning of the Australian Clay Target Association — Friday 9th September, 1927.**

A small group of clay target shooters decided that they would prefer to shoot clay targets or clay pigeons as they were called at that time.

A meeting was held at 380 Collins St, Melbourne. Mr J.W. Sutherland was appointed Chairman, Vice President Mr E. Turner, Honorary Secretary Mr G. Rutledge and Treasurer H.G. James. Committee Messrs F. O'Shannessy, Montgomery, Shilling, Curtain and Bigwood.

Name of the club: It was agreed that the name of the club shall be (The Nobel Clay Bird Club).

Subscription: An annual sub of 2/6 (25 cents) per member was deemed advisable.

Handicapper: Mr J.W. Sutherland was appointed to handicap on performances.

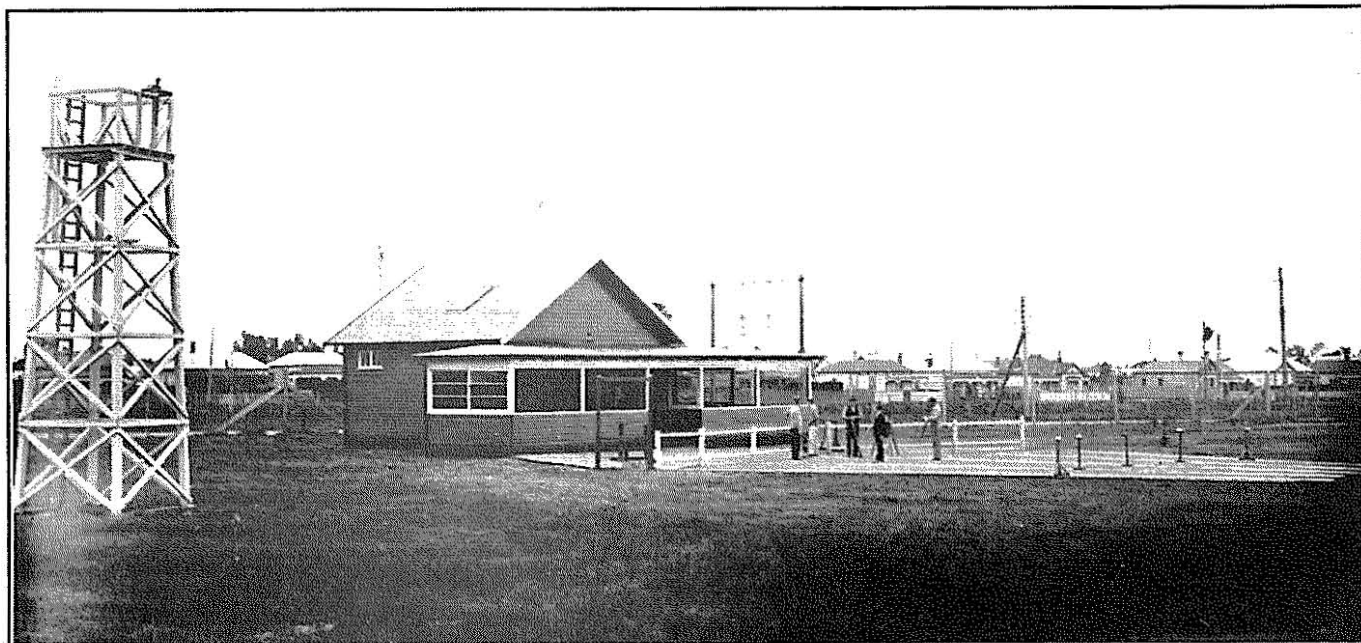

At a committee meeting of the new club on the 15 November 1927 the following were elected to the club committee — Messrs E. Turner, L. Curtain, Bigwood, F. O'Shannessy, L. Shilling, James, Evans and Rutledge.

After a lengthy discussion re the question of supplies and cartridges, Mr James moved, seconded by Mr Turner that all cartridges be purchased from Nobels on the ground and property brands only.

Amendment: Mr F. O'Shannessy, seconded by Mr L. Curtain, that all foreign cartridges be prohibited and that only UK and Australian cartridges be used and all brands outside Nobels be nominated. The amendment became the motion and was carried by 4 votes to 3.

Membership fee was discussed and it was agreed that 2/6 (25 cents) be paid and any member joining at any other period was to still pay the full subscription, the financial year starts from September 1st until August 31st.

It was agreed that no member can shoot or practice unless one member of the committee is in attendance.

From the Australasian newspaper —

#### Nobel Clay Bird Club — November 1928

The Nobel Clay Bird Club held its fortnightly shoot on Saturday, 40 shooters being present. The principal event was the second competition for the E.B. Turner Silver Cup, which attracted 36 entries. T. Knight and H. Gray each broke 12 out of 15, and in the shoot off Knight won with 3 out of 5. Seven visiting shooters were present and shot for a silver trophy. T. Connor and 'Notlem' won with 4 out of 5. The final event, sweepstakes from handicaps, was won outright by E.B. Turner with 10 straight. J. Rogers won the visitors sweep with 8 out of 10.

On Saturday next the Commonwealth Clay Bird Championship will be shot on the Nobel grounds. A record entry is expected as it will be the first time in Australia a clay bird championship has been shot. Shooting will begin at 2 o'clock.

Are there any old shooters still around who may be able to remember these early days of clay target shooting? Perhaps you may have a picture of two. I'd like to hear from you.

# Mildura Gun Club

by Laurie Connors, Secretary/Manager

A special dinner was organised by Mildura Gun Club members at the Boulevard Motor Inn to honour club member Clarry Barnes long association with the club. Clarry, a foundation member has competed at the club on a regular basis for the past 42 years.

In his earlier shooting days Clarry regularly attended the DTL Nationals and was a member of the Mackintosh team in 1957-58-67 and 73. In 1982 representing Mildura Gun Club he was a member of the team to win the Allan Brown Teams Match. Now in the veterans class Clarry is still winning his share of trophies.

In the photo, Clarry is being presented with a Certificate of Life Membership to the club by board Chairman Ralph Dellar in recognition of his meritorious service.

# Singleton Field Shoot

by Bernie Mackson

Whether they came for the great simulated field layout, a very social weekend or for Bettys's Brewarrina crayfish, no one was disappointed with Singleton's Annual Two Day Shoot.

Seventy-five shooters turned out on Saturday 10th June to try out the mild but windy weather and four rounds of twenty-five targets.

One, of two, rare possibles was recorded by John Nichols during the second round. The other was shot by Darryl Groundwater on Sunday. Possibles having traditionally been hard to come by at Singleton, but the challenging, though fair targets gave the AA and A graders every opportunity. Scores of 20+ were regular occurrences for the best shooters. Occasionally a B grader would also slip in a score of 20 or better.

The four rounds were completed with plenty of daylight to spare and a roaring fire was lit. Final preparations were made to vans and other details for the campers, and the Singleton scouts tents were repositioned and secured after blowing away earlier in the day during a strong gust of wind.

The scouts provide excellent service in the 10 traps that are set up in and around the creek bed, that makes up the 7 stations of the popular Singleton course. The scout group are rewarded with a sizeable pay packet at the end of their two days, for their hard work and dedication to duty.

A delectable Saturday evening meal was then provided by the Warkworth Public School P&C, but the late evening supper of Bettys's Barwon River crays was hard to beat in the taste bud department. Tom Turner's rabbit stew was good, but the crayfish boiled in the secret recipe of sliced limes and Barwon River muddy water might have taken the prize in the weekend culinary competition.

After rain on Saturday night, Sunday was much cooler but just as windy. Good scores were, however, still registered. Coming into the last event, Peter Wells had a strangle hold on the high gun with consistent scores throughout the weekend.

The televisions on offer for the Samsung 50 target Championship event were up for grabs for anyone who could maintain her or his form. Darryl Groundwater (AA), Clive Barton (A), P. Stevens (B) and Kevin Finlay (C) were the worthy recipients of the TV's (full details of all events are listed in the club shoot reports).

Even after two shoot offs, Sunday concluded with ample time remaining for travellers to get underway and cover some distance before dark.

This was another very successful and enjoyable Singleton field shoot, and a great indicator of the growing popularity of this type of clay target shooting.

### Jack Avery

It is with sincere regret the members of Cessnock Gun Club advise of the passing of Jack Avery, a long standing member of the club and a true gentleman.

Jack was always available to help and advise, there was not a lot Jack didn't know about shotguns and the sport of clay targets. Even though Jack's eyesight was failing him in recent years he still maintained his enthusiasm for the sport and he kept trying. He was still winning occasionally, up until a few weeks ago.

Jack will be missed by many at the club.

## A.J. (Chub) Smith

The Ballandean Gun Club members and members of the clubs throughout Queensland and north New South Wales were saddened by the death of A.J. (Chub) Smith on May 26, 1995.

Chub was born at home at Ballandean in 1914. He attended Ballandean school and later went to Slade school in Warwick, where he gained the best Junior Examination Certificate of all the Warwick schools. He also excelled at tennis and cricket. Chub returned to the farm at Ballandean and continued to play cricket representing Stanthorpe and district as wicket keeper and opening batsman.

In the mid 1950s Chub took up Clay Pigeon Shooting. He was one of the founders and Inaugural President of the Ballandean Gun Club. He held the position of President for 23 years. Under Chub's leadership, it became one of the most progressive clubs in Australia. In 1985, Chub was awarded the Presidential Medal by the Australian Clay Target Association for services to the sport.

While in Perth for the medal presentation, he won the Australian/New Zealand Veterans Trap Championship.

During his shooting career, he also won the Queensland Single Barrel Championship, the Queensland Walk Up Championship and competed in the Queensland Team in 1963 and 1969. In the World Masters Games of 1994, he narrowly missed winning a medal.

Chub's input towards clay target shooting was always for the betterment of the sport and encouragement to the novice shooter. Always what he could do for the sport, not what the sport would do for him.

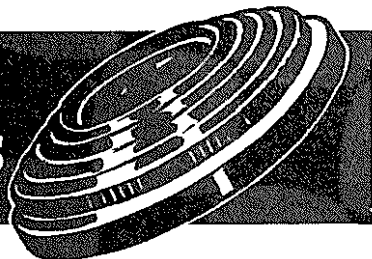

Chub died at his home in Brisbane facing his battle with cancer with the same courage and strength he displayed in all aspects of his life. He leaves his widow Amy, their children Harvey, Graham and Helen, and seven grandchildren.

As a gentleman, a true sportsman and an ambassador to the sport of Clay Target Shooting,

**Chub we salute you.**
