West Australian Gun Club 10th Anniversary Carnival

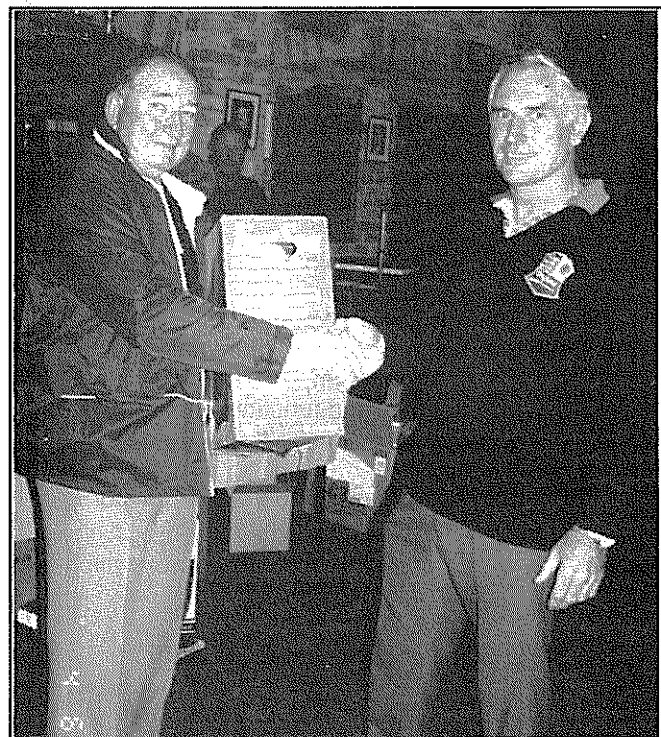

On Saturday the 3rd of June 1995 and Sunday the 4th of June 1995 the West Australian Gun Club held its 10th Anniversary Carnival. The program for the carnival consisted of ten events which totalled up to 280 DTL trap targets.

At 9.10am on Saturday the club President Geoff Faulkes summoned all shooters to the scoreboard area, welcomed everyone and then handed over to Shoot Marshall Ric Vivante. Ric explained what was going to take place and how it hopefully was going to happen to the shooters, 84 in total, and then sent them on their way to the traps for the first event.

Event one was a ten target eye opener shot pointscore off 18 metres cash divided over the four grades, there were 9 possibles in total.

Event two put the first sash up for grabs for The City of Perth Championship; 25 targets double barrel of 15 metres and there were 21 possibles put on the board. The shoot off began and after 69 targets the winner was Collie shooter Jon Dyas, WAGC Vice President Robin Bailey was 1st AA with a 68/69, A grade Eddie Toomey (Geraldton), B grade Doug Berry (WAGC) and C grade D. Charnley.

Event 3 was the Presidents Cup, inaugurated in 1992 by the then President Ted Dickinson and to be shot at 50 targets Pointscore. After the 50 was shot Shoot Marshall Ric Vivante used only one second barrel to post up a 149/150 and take out the overall place. Close behind was an A grade in J. Rourke with a 148/150, first in AA was Collie shooter David Fox, and Katanning shooter Scotty Gibson winning B grade after a shoot off. C grade went to Geraldton junior Mathew Kelly with a 142/150, Mathew also achieved his first 25 break in competition.

Roy Holtfreter, veteran High Gun receiving prize from WAGC president, Geoff Faulkes.

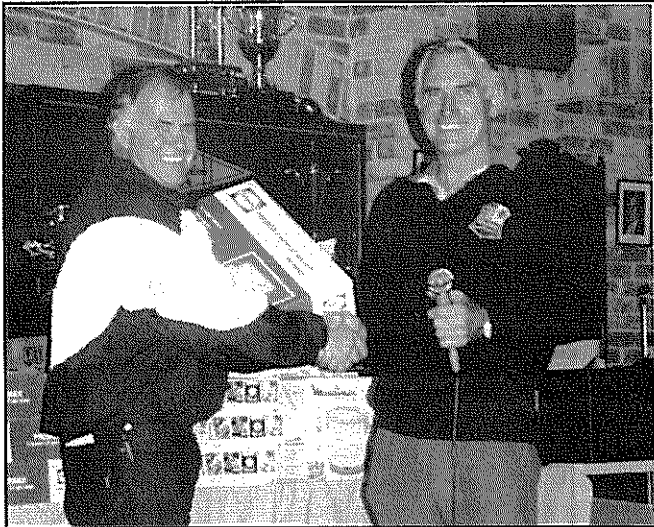

Bert Boschetti, overall High Gun from Geraldton Gun Club.

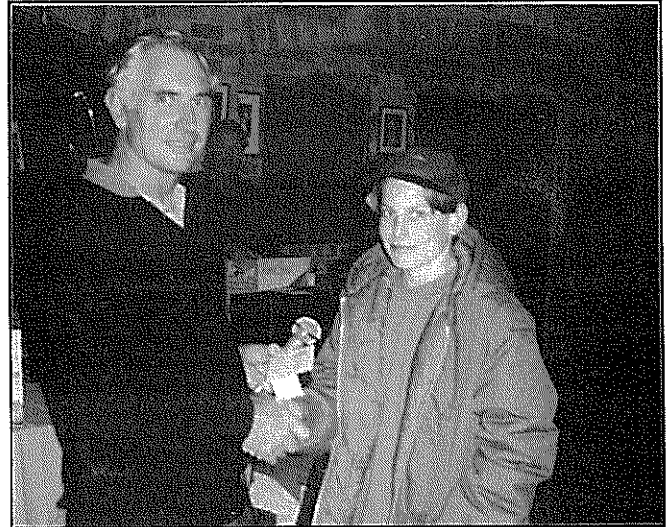

Winchester Australia was the sponsor of event 4 which saw the case of Winchester shotshells and Overall sash go to the shoulder of Collie shooter David Fox after 116 targets, 1st AA was Jon Dyas, A grade Roy Holtfreter (Northam), B grade Tom Byrne (WAGC) and C grade winner was G. Smith. The club would like to thank Lex Shipp from Winchester for donations made to this event.

After this event the BBQ's were lit and everyone had a break and waited for the darkness to arrive and the white targets to fly. The lights were on and event 5 got under way with 10 single barrel off 20 metres. After the shoot off David Fox walked away with another case of shells. This took the shooters to what President Geoff Faulkes summed up in four words, 'the event from hell', 50 targets single barrel from 20 metres, this was Commonwealth Championship so it still attracted some 55 shooters. Conditions were still excellent, as were the targets, although extremely cold and after 50 targets two WAGC shooters in Geoff Faulkes and Ric Vivante were walking back out to find out who was going to be the winner after they had both scored 44/50. Geoff was first to shoot and first to miss, Rick hit his and a much delighted shoot marshall breathed a sigh of relief and danced the jig for winning the Royal Blue Sash. As soon as all other places were finalised the lights were turned off and everyone ran back inside in front of the fire.

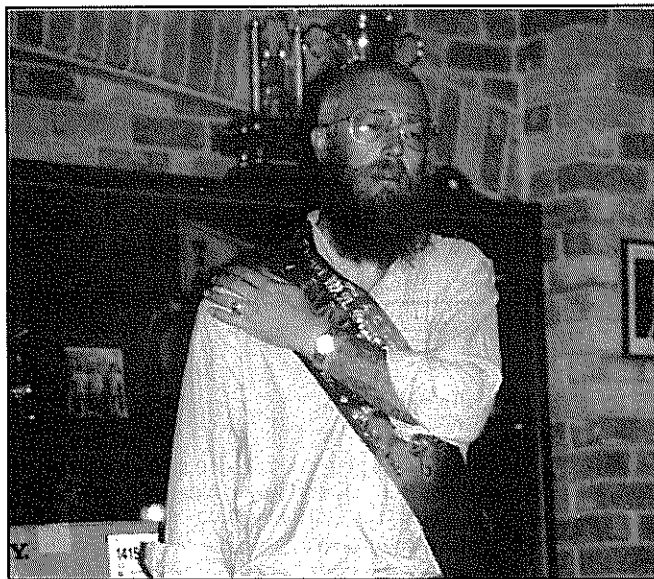

Sunday morning and the rain looked threatening, however it stopped and the sun came up. Continental double barrel was on the shooters minds and event 6, 10 targets were thrown to get everyones eyes open. The shoot off began to find only one winner and WAGC shooter Paul Vivante took the case after a further 24 targets.

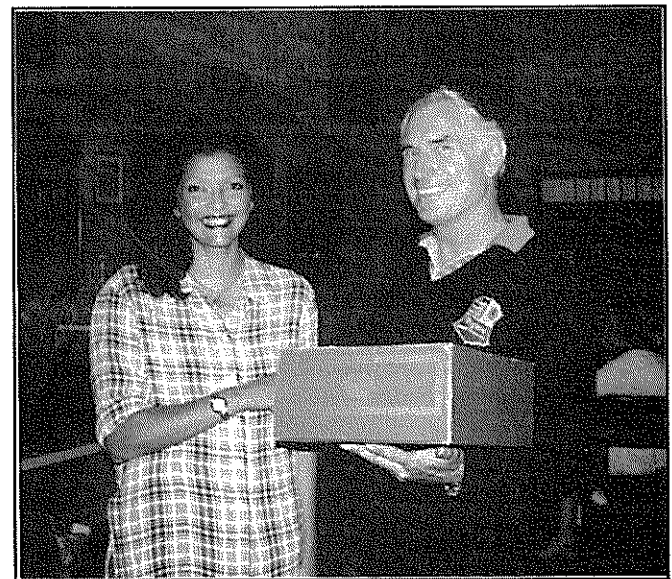

Lex Shipp, left, receiving prize from Geoff Faulkes.

Matthew Kelly, winner of junior high gun from Geraldton Gun Club.

Jon Dyas, winner of State Continental Championship from Collie Clay Target Club.

Anita Dyas, winner of ladies high gun from Collie Clay Target Club.

Event 7 was the 1995 State Continental, after the 50, Lex Shipp (WAGC), 1994 winner Laurie Patterson (Collie), Jon Dyas (Collie) and Ric Vivante all had 49/50 on the board and walked out to decide who was to receive the Red Sash. Laurie Patterson missed target number 4 in the shoot off Ric Vivante and Lex Shipp both missed number 10 and Jon Dyas seized the opportunity and became the 1995 Champion. A grade went to Max Cubic (Collie), B grade Doug Berry (WAGC) and C grade winner was Gavin Shim (WAGC).

The shoot for the 10th Anniversary Championship was appropriately sponsored by the Life Members of the WAGC. After the 25 targets 22 shooters had red chalk after their names and in failing light David Fox and Gary Kelly decided to adjourn to the following day which saw the shoot off re-commence at 8.30am on Monday morning. The overall winner was Gary Kelly after David Fox missed target 167.

The final event for the High Gun was the 25 targets Whiteman Park Handicap. The top 5 shooters on the High

Gun board were within 5 points of each other and the final event became the decider. With the day falling into night some shooters found it difficult so the lights were on again.

After everyone had a go 3 possibles were put on the board. With the lights burning and trap machines re-filled with white targets Helen Wiese (Narrogin), Jon Dyas (Collie) and Pino Mezzatesta (WAGC) began the shoot off. After 11 targets Pino Mezzatesta was the only one still clean with Helen Wiese second and Jon Dyas third, Dean Ireland (WAGC) won an excellent shoot off with Bert Boschetti and came 4th with a 49/50, Bert ended up 5th, Eddie Toomey 6th and Robin Bailey 7th.

This took us to the Presentations and after the two days and one night of shooting the Overall High Gun of the carnival was won by Bert Boschetti from the Geraldton Gun Club. Bert's score of 380/400 was a very fine performance considering that over half his points that were lost were in the treacherous shoot the night before, well done Bert. In his acceptance speech Bert stated that it was only his second Carnival High Gun win in 30 years of clay target

Rick Vivante, winner of Commonwealth Night Single Barrel off 20 metres. Score of 45/51.

shooting. In other sections the juniors was won by Mathew Kelly, ladies by Anita Dyas and veterans by Roy Holtfreter.

The West Australian Gun Club would like to thank all the shooters who travelled many kilometres to spend the weekend in Perth and hope to see them again next year. Also thanks to the few that organised the weekend and helped out over the duration of the two days.

Mount Isa Gun Club

Due to the Mount Isa and District Campdraft being held over the weekend of July 8th and 9th the Mount Isa Gun Club did not hold it's monthly shoot until Sunday, July 16th. The wait however may have only served to whet the appetite of the clay breaking fraternity as quite a good attendance was noted.

The first event of the day was to be 25 targets of Skeet and Neil Sinclair's vow to win did not falter as he and Mick McGill battled it out over better than a full round of shoot off with Neil eventually claiming victory on 52/56. Mick held second place with Rod Maxwell rounding out the top three.

Tower was the discipline contested next and perhaps the defeat at skeet spurred Mick McGill on as the competition just couldn't quite match him. Mick shot the lot and earned first with a score of 25/25. Rod Maxwell, who was just one point behind, grabbed second place leaving Doug Stone holding third with a score of 23/25.

While all this had been going on Monty and his helpers had been busy in the kitchen and everyone paused for a well earned and much enjoyed midday meal.

With the feasting over it was back to the tracks for 25 targets of points score and that man McGill lead the way again. This time winning A grade with 74/75. Doug Stone claimed B grade with 64/75 and Trevor Holley celebrated his return to clay target shooting by winning C grade with 60/75.

The big competition of the day was the 50 targets cash prizes event and this time Brian Palethorpe emerged from the shoot off pack to take A grade with 54/55. Doug Stone once again made his presence felt in B grade and won that grade with 47/50. Greg Moncrieff proved that being the cook wasn't a handicap either and claimed C grade with a score of 40/50.

Handicap shooting has it's pros and cons and while Doug Stone has been known to argue against that discipline Sunday wasn't one of those days. 27/28 after the shoot off was enough for Doug to win first place leaving Neil Sinclair on 28/30 and Brian Palethorpe on 27/30 to fill the minor placings.

With the Mount Isa Rotary Rodeo being held on August 11th 12th and 13th, once again the Mount Isa Gun Club's August Shoot will be held one week later than normal on Sunday August 20th.

Our Sport of Clay Target Shooting

Early days before 1936

by George Biggs, ACTA Historian

Prior to 1936 clay target shooting was a part and controlled by an association known as the 'Gun Clubs Association' of Victoria - a live bird trap shooting association formed in 1903.

It was after World War One, early 1920s news filtered through from America about how popular clay bird shoot-

ing was becoming. Also in England it was gaining a good deal of support with the shotgunner who saw clay targets as a good substitute for live pigeon shooting.

Eventually with the help from I.C.I. Australia, clay targets found their way here from England and U.S.A., and in no time at all were becoming popular with groups of shooters who were members of live bird clubs or just field shooters. It quickly became obvious that some kind of organisation had to be introduced hence the Nobel Clay Bird Club came into being in 1927 and became Australia's first registered clay target club. The club later would consider affiliating with the Victorian Gun Clubs Association.

At the first committee meeting of the new club it was decided to appoint Mr Horrie James to draw up rules of competition and shooting. The meeting also decided the title of the club shall be 'Nobel Clay Bird Club' and that headquarters is to be at Nobels factory, West Footscray.

The objects and aims shall be to foster and encourage the sport of clay target shooting, to arrange and organise practice shoots, to arrange matches and competition, both among members and club, and improve standards of shooting.

Annual subscription shall be 2/6 (25c) for a year or less.

Committee Meeting 13/10/27

It was decided that conditions for the Commonwealth Clay Bird Championship to be 25 birds shot from 20 yards, 3 misses retire. A 1 pound sweep attached and a 5 pound gold medal. Firs 60%, 2nd 30%, 3rd 10% of sweep money after 10% deducted by the club. Starting time 2pm.

At this early stage in our clay target shooting history and before we had the knowledge of conditions of competition, it was the practice to adopt those rules governing live bird trap shooting drawn up by the Gun Clubs Association.

Committee Meeting 24/10/28 (letter from G.C.A)

Mr J. Sutherland discussed the letter from the G.C.A. and explained he had a word with Mr Turner who thought it would be advisable to compromise with the G.C.A. and ask them to accept 2/6 (25 cents) per each shooter of the Nobel Clay Bird Club.

Mr Turner, Mr Hall and Mr Bloom all discussed the question and it was finally resolved that we would not join the G.C.A., but that we wished to harmonise with them wherever possible. Mr James moved that Mr Hall and Mr Bloom be elected delegates to the G.C.A. meeting.

Instruction was give to delegates that they were not to advise the G.C.A. meeting of our attitude re joining the G.C.A. meeting of our attitude to joining the G.C.A., but were to listen to all the council of the G.C.A. had to say

Donald Mackintosh. Australia's first World Champion shooter and Olympic Gold Medal winner. Donald Mackintosh made a name for Australia and himself overseas in early days before clay target shooting got started in Australia.

He was principle of the sporting goods and gun shop of Donald Mackintosh P/L in Melbourne. His firm together with I.C.I. Ammunition Company contributed greatly to the early development of the sport of clay target shooting in Australia.

and bring back the report to the committee.

Committee Meeting 8/11/28.

Interest was mounting in clay target shooting from country G.C.A. members.

1. The secretary was instructed to write to Seymour Gun Club advising them that no restrictions would be placed on any G.C.A. members who wished to shoot in Nobel Club Clay Bird Championships.
2. Club Vice President Mr Clift spoke to the meeting with much feeling on the point of club being formed as an amateur club and was much disgusted at the open betting of several men, and a man intoxicated being allowed to shoot. He also mentioned that the open bar was a detriment to young members. The chairman assured Mr Clift that would not be likely to happen again.
3. Mr C. Hall informed the committee that his impression of the G.C.A. meeting was that they only wished our Association with them and control us later and further they offered us no reasons why we should join them.
4. Mr L. Bloom also spoke similar to Mr Hall and at this point much discussion had taken place and every member had spoken on the matter.
5. Mr Clift then moved, seconded by Mr H. James that the matter of affiliation be deferred to our next annual meeting.

Horrie James. First President of the newly formed Clay Target Association of Victoria 1936.

Horrie played a big part in the development and promotion of clay target shooting in Victoria from as early as 1925. I can safely say of Horrie that I have never known a person so dedicated to his sport.

As a teacher of the game he was outstanding, in my early days as a beginner he helped me no end.

6. An amendment by Mr E. Turner that a special meeting be called to deal with the matter was lost.

The secretary was instructed to write to the G.C.A. re the results of the meeting.

Committee Meeting 11/12/28

A letter was received from the G.C.A. re affiliation and extending the time to Nobel Clay Bird Club until 31 January 1929.

Much discussion took place by members of the committee whether the club committee could deal with the affiliation subject or if it should go to a membership vote.

Mr Bloom moved, seconded by Mr L. Shilling that a special general meeting be called for the express purpose of deciding the question of affiliation with the G.C.A. and a secret ballot be taken. Carried.

Date of Meeting. It was moved by Mr G. Rutledge, seconded by Mr Turner that the meeting be called for January 22-29.

To be continued....Result of the vote to join the (G.C.A) Gun Clubs Association.

NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

New location for the Gumtree

The legend continues

Saturday 30th September & Sunday 1st October 1995

at 'Kibah' on the banks of the beautiful Namoi. 20ks east of Gunnedah (Oxley Hwy)

Vic Eather is retiring from farming and the old site is on the market. Many thanks to Vic for all those years at Boggabri. We look forward to the future as the legend begins another chapter. The 'Kibah' site is magnificent and a most worthy new home for the Gumtree.

We hope to see all those familiar faces and many new ones too, for our first 'new' Gumtree.

Welcome one and all, enjoy the shoot (similar layout), the socialising and the entertainment on Saturday night.
