Trip to Grand American

Interest is such that it is almost certain that there will be an organised group visit to the Grand American next year. In the next edition of the CTSN there will be an application form to be completed so as firm numbers can be established and this, in turn, will afford us the best possible rates for all components for the trip.

I must emphasise that bookings will only be available for a short period of time and subsequent bookings will only be in lieu of cancellations, which would only be minimal, if any.

Trip to the 1996 New Zealand Nationals

A similar application will also be included for those members wishing to visit Christchurch for the 1996 New Zealand Nationals. The same conditions also apply re booking.

New Zealand: The cheapest way

The Victorian Clay Target Association is conducting a raffle with three equal prizes of a trip for two to the Land of the Long White Cloud. Tickets can be had by contacting Ian Hill on phone (03) 9887 4597.

C.T.S.N. Subscription

I was recently asked if it was possible to receive a copy of the C.T.S.N. without being a member of the A.C.T.A. The simple answer is yes. An individual, a club, in fact, anyone, can subscribe to the C.T.S.N. for an annual fee of \$25. Clubs are encouraged to take out a subscription and leave the copies at their clubrooms for all visitors to look through.

School Student Clay Target Championships

The four Victorian Zones have just completed their Zone School Student shoots and it is very encouraging that some 600+ students have taken part in this event this year. By the time this magazine is printed the finals will have been conducted at Bendigo, and our State Champions will have been decided. The events are divided into sections for Overall, Best Senior and Junior Girls and Boys, and for the Champion Team.

Thanks must go to Winchester (Aust.), and their Victorian Area Sales Manager, Mr. Rod Laidlaw, for their contribution to the success of these championships. Would not it be wonderful if we had such an event in every State?

World Down-The-Line Championship

The 1997 World Down-The-Line Championship has been allocated to New South Wales, and the current recommendation is that we combine this event with our 1997 Trap Nationals in an amended format so as to afford all the opportunity of competing in this prestigious event. Details will be published as soon as decisions are made on venue, etc.

1995 N.S.W. State Skeet Carnival

This year's Carnival moved north to Tamworth, where we were blessed with warm, sunny weather and a great weekend of shooting. The grounds were immaculate as usual, and although with only 68 shooters present, we had less than expected, those who attended appeared to have a wonderful time.

It was pleasing to see a carload of shooters from Victoria, as well as our Queensland competitors. Their attendance boosts the carnival numbers, but I must ask once again, where are the N.S.W. Skeet Shooters?? If they are out there somewhere, why don't they support their own carnival?? This Carnival is conducted for you by the State Association annually, yet enthusiasm on the part of Skeet Shooters seems very limited.

1995 is the first year of N.S.W.'s new Carnival Strategy, which involves offering medals as prizes for a basic nomination fee, and optional graded cash prizes for those who wish to enter. The general feeling from shooters seemed very positive, with it being well received by all grades and levels of shooters.

One really has to say it though, it was Nasseem Malouf's weekend!

He won both the 100 target events, as well as the State Team High Gun and the Overall High Gun. Well done, Nasseem.

The first event was the N.S.W.C.T.A. Skeet Championship, this year for the first time increased to 100 targets. Nasseem shot the only possible 100/100, with several shooting off on 98/100. Max Barton, Scott Wright and Clive Barton were soon sorted out as the AA Grade winners.

George Barton shot well to take out the Juniors, while Alf Najar was successful in the Veterans. Margaret Denton from Charleville in Queensland was successful in Womens after a shoot-off with another keen woman skeet shooter, Robyn Faber.

The State Skeet Championship on the Sunday ended with a shoot-off between Nasseem Malouf and Paul Kouroupis. Junior shooter, Michael Faber, won B Grade from Arthur Vine and Frank Hedley. George Barton, Margaret Denton and Alf Najar all won their sections again.

The State Team was selected as follows: Nasseem Malouf, Reg Clarke, Dan Lagden, Jim Wilberforce, Clive Barton, Scott Wright, George Barton, Dave Michie, Tony Vallelonga, Ken Jones, Paul Kouroupis, Garry McDonald, David Sampson, Christian Naudin and Bill Clark.

After the Teams event and sorting out of who could attend the Nationals in Townsville, the Shoulder to Shoulder Team was announced as Nasseem Malouf, George Barton, Dan Lagden, Scott Wright and Tony Vallelonga, with Ken Jones the reserve. Congratulations to you all, especially George Barton, while still a junior, being selected in the Open Team.

It was also really encouraging to have a State Junior Team again this year. George Barton, Phillip Jackson, Michael Faber, Kris Jones, Kevin Turner and Craig Turner combined to become the State Junior Team, with the Shoulder to Shoulder Team comprising of Michael Faber, Phillip Jackson and Kris Jones. I understand that this was 13-year-old Phillip Jackson's first big shoot - certainly someone to keep an eye on in the future.

Good luck to both our Teams at the Skeet Nationals in Townsville, and by the time this is read, we will all know the results of the Team Competition.

Overall High Gun, as previously mentioned, was won by Nasseem Malouf; Womens High Gun by Margaret Denton, Junior High Gun by George Barton, and Veterans High Gun by Alf Najar.

The ever-popular Teams event drew an interested following again, with the 2 Member Team being won by Nasseem Malouf and Dan Lagden, the 5 person Mixed Team by Reg Clarke, Scott Wright, Christian Naudin, Nasseem Malouf and Dan Lagden. The 5 Member Club Team was again won by Wakehurst Gun Club, which appears to be our strongest Skeet Club.

Southern Zone won the Hawkeye shield, scoring 583/600 from Scott Wright, Christian Naudin, Reg Clarke, Peter Vella, Tony Vallelonga and Dan Lagden. Only Southern, Northern and Riverina Zones could put forward Teams to compete for the Shield.

Many thanks must go to Tamworth Clay Target Club Committee and members for the ground presentation, facilities, excellent standard of food supplied and for their hospitality. The shooters were obviously very appreciative by their positive comments.

We would also especially like to thank Scott Wright who voluntarily took over the reigns as Shoot Marshall and did an excellent job. Thanks Scott.

We look forward to seeing you again next year, second weekend in August, for the 1996 State Skeet Carnival at Wagga Gun Club.

Volunteer Involvement Program

Money problems - not for Margaret River Hockey Club

If you have ever had to suffer the trauma of having to flog chocolates, raffles or organise fund-raising functions either to raise money for a team or club, then read on.

Volunteers and fund-raising are the two main ingredients that keep many sport and recreation organisations on the rails, and without them many clubs would have folded.

In its endeavours to alleviate the endless burden of fundraising drives, one enterprising club decided to pool their resources and go into business.

Last year the Margaret River Hockey Club in Western Australia formed a kind of syndicate and utilising the many talents and trades of their committee members and people involved in the club, leased and completely renovated a kiosk at the Jewel Caves.

Formerly the Jewel River Kiosk, the structure has had a complete face-lift and a slight name change - Cafe Jewel.

The extensive renovations were carried out by tradesmen and handymen and women within the club, with an electrician the only paid worker amongst the group.

Club President, Mark Harrison believes the club is fortunate in having such an enterprising bunch of people willing to give their time freely to make the venture work.

"We're really lucky with the people involved in the club", he said.

"They're a really switched on group and having a Club Secretary who's an architect as well as Chris Wilson is a bonus - he was really the driving force behind the project."

"We also have an accountant in Terry Wise, our Treasurer, so he makes sure everything's running smoothly for us."

While the cafe is currently mainly servicing the tourists visiting the nearby Jewel Caves, Harrison believes they are gradually winning the locals across and a major re-development plan in the pipeline, courtesy of the Augusta Margaret River Tourist Bureau, will only mean good things for the cafe.

"The tourist bureau is planning a huge re-development of the whole area and basically part of their plan is to have people actually go through the kiosk to get to the caves", Harrison said.

With adventure caving set to take off in Australia, the Bureau is planning to establish one of the caves as an adventure cave, which will no doubt attract cave enthusiasts from not only Australia, but all over the world.

This will only auger well for the business which Harrison says is not thriving at the moment, as all profits raised are going towards repaying the \$15,000 interest free Shire Council loan the club took out.

But, with a five year lease and plans of increasing advertising and special events such as introducing musical groups and the like to the cafe, Harrison believes that down the track, the club will reap the rewards of a lot of hard work.

"It hasn't been plain sailing by any means so far, but we are determined to make it and I believe we will", Harrison said.

The Jewel Cafe is located about five kilometres north of Augusta on Caves Road and is open for Devonshire teas and light lunches. It also sells souvenirs and is open for special functions.

So drop in and help a local sporting club in its new venture - sure beats the hell out of losing raffle tickets and eating that awful chocolate...well almost...better still take your chocolates and raffle tickets with you.

Q: When did you start shooting?

A: I started shooting with a slug gun I received for my 5th birthday. In August 1991 Dad purchased a Ruger 20 gauge for me. I joined the Cowra Gun Club in 1992.

Q: What type of gun do you use now?

A: At present I use a Baretta 682.

A: Short-term, 75 target break; long-term, year 2000 Olympics

Q: Tell us how you first became interested in Clay Target Shooting.

A: I have been interested in fishing, knives, guns, bows and arrows since I can remember. I learnt of Clay Target Shooting by poring over Clay Target, Outdoors & Fishing magazines owned by my late grandfather, Alf Campbell. I used to go out to the farm and practice shooting clays from an old hand-pull trap. I talked Dad into taking me to watch a Cowra Clay Target shoot, then I pestered the President of the Cowra Gun Club Noel Dwight to let me join the club.

In conclusion: I am very proud to be involved in the N.S.W. Junior Development Coaching Program.

Editor's Mailbox

Dear Editor,

I.S.U. trap, double trap and ISU skeet

As most athletes, who are vying for a position in the 1996 Atlanta Olympic Games, have now completed their 1995 international seasons in World Cups, World Championships etc, we now should realise just how good these shooters are compared to all other sports that will be representing Australia in 1996.

I believe our I.S.U. Trap and Double Trap shooters are second only to the swimmers in world class competition, not a bad effort by a very dedicated team of young men who have given a lot of their own time and money to reach the top of their chosen sport, and to be a constant threat at every competition they compete in throughout the world.

- Steven Haberman: World Double trap Champion
- Michael Diamond: Ranked No. 2 in the world in I.S.U. Trap, but 1995 would see Michael break more targets than any other shooter throughout the world.
- Russell Mark: Ranked No. 5 in the world in I.S.U. Trap and No. 8 in Double Trap (1994 World Double Trap Champion).

Others vying for a position to Atlanta are also very strong and dedicated, and have also given a lot of their valuable

time and money in their efforts to achieve a life's ambition to represent their country at an Olympic Games.

- Deserie Huddleston (Double Trap)
- Fillipo Petriella (I.S.U. Trap)
- Craig Meuleman and David Cunningham (I.S.U. Skeet)

All these shooters have shot very consistently throughout the years 1994/1995 and with finishes within the top sixteen in world class competition.

Best of luck to you all.

Yours faithfully
Robbie Smith

Dear Editor,

Firstly a question to the State Handicapper or Rules Committee.

At Finley Gun Club they have until recently ran a Single Barrel Handicap, with the winner being penalised 1 metre. Am I right in saying that this is a novelty event and no penalty applies, or wrong, and a penalty applies for a handicap win, be it Single or Double Barrel.

Secondly, with the new Pointscore system (yes I did vote for it), I may have found a small problem which would only happen when you have a high gun shoot off. With Points scored the new way with 1 for first barrel, 2 for second barrel, the total score could become confusing if 2 or 3 rounds for the high gun were shot. I had thought that going back to the old 3-2-0 for a high gun shoot off would be easier for referees and scorers to total up.

Yours faithfully
Ron Cugley

V.C.T.A. South East Zone Annual School Championships

The end of July had been very, very wet and the first two days of August no better, but Thursday the 3rd started cold and clear for this event at the Frankston-Australian Clay Target Club; even with all this water the grounds were a credit to the Club.

With nomination and the other formalities out of the way, the first shot was fired at 10.30.

Having four traps in use and a very pleasant surplus of adult workers, both parents and teachers.

The sighter and the first 10 targets had been shot at, by all the 113 competitors, by 11.40am and not a possible on the board, but plenty of 9's. After a short break for the lunch the second half commenced, with the only 10 of the day coming from the second squad, added to the 9 in the first round, 14-year-old Aaron White had won the Overall, in fine style; he had missed the first target, and to quote the referee, "he smoked the rest".

Aaron used a Bentley pump, which has a trap stock and Winchester 1200's his favourite shells. This was a remarkable achievement for this Wonthaggi Secondary College student, who shoots with a positive and confident attitude, which is not in line with his tender years. He was a very happy young man.

Overall Aaron White 19/20 Wonthaggi

Senior Boys Ben McGaw 29/31 Traralgon Tighe Hunter 28/31 Marcellin Tim Signorotto 23/27 Niddrie

Junior Boys Cale Pearce 17/20 Korumburra Ben O'Halloran 18/22 Cheltenham Robbie Marino 18/23 Scoresby

Senior Girls Miriam Dixon 8/20 Sale Rebecca Maker 7/20 Sale Amanda Fletcher 4/20 Sale

Junior Girls Julie Couper 8/20 Leongatha Taresa Mazza 5/20 Loyola

The winning team of Ben McGaw, Trevor Ewart, Lee Marriott and Robert Cuddy attend Traralgon Secondary College and shot 55/80.

In all there were 21 teams from 29 schools in attendance and a total of 113 students; this was slightly up on last year.

A shoot like this just doesn't happen and there are a number of "thank you's" to be spread. The first to Rod Laidlaw of Winchester (and Winchester) for his continued and escalating interest, as well as the support for the four Zone Championships.

Winchester gives these young people the opportunity to compete at a higher level, and this is a great experience for those who participate and a large stepping stone for those who are able to go on into the sport, for achievement at this level is usually a good ability indicator.

To the members of the Zone Council who worked on the day. To all the Zone team shoot followers for their financial support during the year, as this provided the no cost on the day, for our shooters of tomorrow. To the Frankston-Australian Club and particularly Danny Parcell.

Finally to the students themselves for their correct, positive attitude toward the safe use of firearms.

Ball Trap Official Opening

The official opening of the new Bairnsdale Clay Target Club Ball Trap Layout coincided with the Willis Growcott Memorial Shoot on Saturday, 5th August.

With the ball trap considered such a challenge to many shooters, and because Willis Growcott grabbed many challenges with both hands, members believed it was appropriate to name the ball trap event in memory of the club's past member.

Willis Growcott, who was a keen member for more than 20 years, gained much pleasure from the sport of clay target shooting and made many friendships.

At one stage or another, the Growcott family have been keen shooters at the club and it was great to see his family present for the opening of the new facility.

In attendance for the official opening included Mr. Glenn Woodhatch and wife (both shooters), who made no hesitation in accepting the Bairnsdale Clay Target Club's invitation to officially help launch the new ball trap layout. Also in attendance was Mr. Ron Schrader, ex-Mayor and Councillor for the City of Bairnsdale. Ron spoke of the gun club's long association with the area and how the club has continued over the years with little assistance from Shire and Council, but from the willingness and enthusiasm within club members.

Ex-Shire Councillor, Mr. Paul Newnham, also spoke as the club resides within the Shire boundary.

Mr. Tom Morgan, President of the Bairnsdale Clay Target Club, gave a brief outline of construction of the new "layout".

Special Projects Officer, Mr. Henry Klein, was the main focus point for organising the trap layout, conducting all research and rallying around members for their assistance in the construction.

The official opening shot was fired by club life-member, Mr. Mick Huggins.

At the conclusion of events, Willis Growcott's family presented the trophy to the winner, Joe Attard from Morwell Gun Club, score 47/50.

Glen Growcott presented trophies and, on behalf of his family, thanked the club for initiating the move to name the ball trap in memory of Willis Growcott.

A lot of hard work went into the success of the shoot day with Bruce Hall (office), Mrs. A. Hall and Mrs. E. Roberts providing a huge spread in the canteen.

Mal Dengate

The Tamworth Clay Target Club recently lost one of its keenest members with the very untimely passing of Malcom Dengate.

Until illness struck some 12 months ago, Mal was a very keen and competent skeet and sporting clays shooter and was active in the club administration, including zone representation.

The President and members extend their deepest sympathy to Joanna and family.

Ron Lawrence

26.5.1923 - 13.8.1995

The Committee and members of the Bairnsdale Clay Target Club Inc wish to announce the passing of fellow member, Ronald Norman Lawrence, better known as "Ron".

Ron, who enjoyed his fishing and shooting, travelled far and wide to many gun shoots over the years. Ron's first pleasure was to chauffeur the late Jack Collins to gun shoots from Melbourne/Frankston Gun Clubs to throughout the East Gippsland region.

Frank Varney from Bairnsdale Gun Club and Ron would often travel together throughout Gippsland and were a "formidable couple" when it came to veteran's events.

Before ill-health, Ron and Frank would spend many hours preparing the club grounds for shoot days.

The members of the Bairnsdale Clay Target Club Inc. express their deepest sympathy to Ron's wife Rose, seven children Les, Helne, Ron, Bryan, Rosalyn, Dianne and David, 12 grandchildren and seven great-grandchildren.

Ron will be missed by many.

Maryborough Tid Bits

— QUEENSLAND —

If your CTSN reaches you early, don't forget - Maryborough Masters Games, 1st October, 9.00am.

We had the pleasure of holding a charity shoot for Vikky Spencer, entrant for Miss Australia, for novice shooters only, with 34 turning up. We made over \$700 for Cerebral Palsy on the 31.7.1995. By doing so we helped Vikky with a good cause and we hope we end up with some new shooters. Best of luck, Vikky.

Western Zone Shoot at Kingaroy, 29th-30th July

With plenty of good shooters on board, Stafford Smith was able to slip off with the OA Western Zone D.B. C'ship. Congratulations Stafford.

Bundaberg Skeet Day, 30th July

With usual visitors Irwin, Stafford, Paul, Harry and myself, the unusual visitors being Reese Ehlers and Greg Pinner from Albury-Wodonga dropping in for a shoot on their way home from their Cairns trip, and will shoot Tamworth Skeet Carnival, thanks for dropping in to Bundy. Hope you enjoyed your shoot with Bundy. In the morning, Reese shared 25t H/C CD and took OA and A in the 25t Skeet C'ship, with the Trap as follows = 25t PTS CD AA - Greg Pinner; A - Stafford Smith, (with a possible); B - Kaye Rebein; C - Garry Rapley.

The High Guns for the day front marker Howard Sparke and OA HG Greg Pinner - the distant winners had a good result.

With Paul Anderson drawing but missing the jackpot, Pedro won the plonk. A shame he doesn't enjoy a drop and Ron Skerry took off the meat tray. Ron eats again. It was very cloudy and cold all day and after a long dry spell was nice to get home and hear the rain coming down. Bundy's big 2-day shoot 28th-29th October. See CTSN.

Also I read in August CTSN that Ted Fayle was given the honour of being a Kingaroy Life Member. Congratulations Ted and happy Eightieth birthday. I bet you didn't blow all the candles out first shot. My first shot in 1967 was at Kingaroy and Ted was always there in the shoot-off to upset your day. Best of luck Ted and keep turning clays into dust.

Gympie 13th August

With Gympie's two-day annual shoot Saturday 7th and Sunday 8th October, they have printed inside club house and getting ready for their big shoot. Visitors for the day being Mike Tipman (Bundy) who drew the jackpot but missed it; nice to meet Ike Osborne again as I haven't seen Ike for some time. Usual visitor Norm Keech who shot very well for the windy conditions we had, also nice to meet Wayne Nichols all from Sunshine Coast, with Harry and myself the results being the 25t DB A-Grade 1st - Vic Tipman, 2nd - George Foster; B 1st - Norm Dale, 2nd - Ike Osborne; C 1st - Dennis Carew, 2nd - Norm Keech. Vic thought he would wear his daughter down by her having to walk back and forward, but the waiting must have worn Vic out as Milissa took 2nd and left Dad 3rd. Good shooting Milissa - I always said you were better than your Dad. The final event 25t DB Cont. C'ship A 1st - Bill Stolberg, 2nd - Glen Durre; B 1st - Ike Osborne, 2nd - Arren Gardner; C 1st - Dennis Carew, 2nd Wayne Nichols; with High Guns A - Vic Tipman; B - Norm Dale; C - Norm Keech; and President George won the raffle. Good to see Joy nearly back to her former self.

Brisbane Annual Exhibition Carnival 12th-13th August

Three local shooters to leave their mark on the shoot against some of Australia's best was Irwin Wynward taking OA Winchester Points Championship; Stafford Smith, OA Toyota Motor Corporation S/B Championship; and Paul Anderson, as his Perazzi was in hospital, he took his late Dad's duck gun and after his coaching from Bill Iles put things together to blaze himself to 2nd (A-grade) Private Health Service D/B Championship, 2nd Toyota Motor Corporation S/B Championship, 1st Brisbane Exhibition Points Championship, 1st Meadows Transport Medley 15t D/B PTS and 15t H/Cap, ending up equal for High Gun and after shoot-off took OA HG. Good shooting by all. Won't the rubbishman get a surprise to find a Perazzi in the rubbish bin.

Maryborough 27th August

This shoot will be the last shoot for Yvonne and Les in the kitchen as they have decided to have a break from the kitchen and shooting for a while and will be back in the near future. Thanks Yvonne and Les for what you have put into the kitchen - apart from the food, the improvements you have made in the kitchen. Thanks again, hope to see you back soon.

Our own Chris Harrison has accepted the position of South-East Zone Coach. Keep up the good work Chris and congratulations on your appointment.

When President Paul told me of his wins at Brisbane he was a bit confused which he was first and second in so at the shoot tried to put me straight, but he got more confused. This is the problem of winning too many events, so please turn to Brisbane 2-day shoot results and you get a clear picture. Our visitors for our shoot Glen Durre and Bill Stolberg of Gympie with Howard Sparke, Kaye and Rob Rehbein of Bundy, we also were host to Tom Brereton and Mark Coyne having his first shoot over the traps, both coming from Gundiah which is down the track a bit. Thanks for coming visitors. We also had a squad of shooters from the charity shoot, at the end of July who came back for another shot.

The results of the shoot as follows, with Paul Anderson taking A Grade 25t DB and 25t SB, and Peter Paguarino taking B Grade in the same events, with Chris Harrison A Grade winning the 15 Pair DR and Howard Sparke taking C Grade 25t DB and 15 Pair DR with Rob Rehbein winning A Grade 25t DB PTS and A.G.H.G., Norm Dale B Grade 25t DB PTS and 15 Pair DR and B.G.H.G., while Harry Walker took off C Grade 25t DB PTS, 25t SB and C.G.H.G., but didn't shoot the jackpot. Better luck next time Harry.

As I had to leave early to attend the 98th birthday for a young lady, I didn't find out who won the raffle. Thanks Harry for bring home my winnings and result of shoot. Our next shoots - 1st October, Maryborough Master Games and Heritage One-Day Shoot, and next club shoot October 22nd DB, PTS, SB, Cont. with Gympie 2-day October 7th-8th, and Bundy 2-day 28th-29th October, giving shooters a busy October.

Good shooting to all till next time. See you at the shoots.

We will be conducting the program on Saturday 4th November at the Illawarra Gun Club, commencing at 11.00am. After the formal presentation, an afternoon's shooting will be available, with lunch being provided.

Interested Juniors are encouraged to contact Libbie Bunting on (068) 887 796 for further information. All shooting disciplines are included.

Don't miss this great opportunity!!!

Government Grant

The NSWCTA wishes to once again thank the NSW Department of Sport & Recreation for their financial assistance by way of partial funding for the Coaching Director and Executive Director's positions, as well as a small Development Grant.

Executive Committee

There have been several changes to the State Executive Committee over the past six months as follows:

Western Zone saw the retirement of Kevin Constable after many years of service and the election of David Hagarty.

Northern Zone saw changes to all three delegates and both Col and Jenny Burt standing down after many years of service to the Zone, and John Farrell finishing his term after several years on the Committee as well. Jeff Nash, Tom Turner Snr and Harry Somers are the newly elected delegates.

Central Zone advised of the election of Joe Caltiabiano from Orange after Phillip Walmsley from Grenfell retired after several years service, and Southern Zone elected Graeme Dowling from NSWGC as their most recent member, after Chris Milligan served a short term.

Executive Committee members give of their time and effort (usually with very little thanks and sometimes a lot of criticism) in an attempt to improve and develop clay target shooting in this State. I'm sure a word of thanks occasionally would not go astray.

NSW Junior Shooters Promotional & Development Committee

The above Committee was formed at a meeting held at Majura Park Gun Club on 8th July, to further assist the Junior Development Squad. Office Bearers are as follows: President - Paul Lyons; Vice-President & Treasurer - Therese Nealon; Secretary - Kent O'Brien; Publicity Officer - Ray Kearnes; and Coaching Officer - State Coach Fred Schmetzer.

If you are interested in Junior Shooting in NSW, please contact one of these persons for more information.

State Coaching Director retires

After nearly five years of dedicated service to NSW, Fred Schmetzer has decided to retire and spend some well earned time with his family. On behalf of the Executive Committee and the NSW shooters, particularly Junior shooters, I would like to thank Fred for his tireless dedication to the job and wish him well with his future endeavours.

1995 Crayfish Carnival Geraldton Gun Club

The wet weather greeted shooters as the Geraldton Gun Club hosted its Annual Crayfish Carnival on July 29th & 30th which saw one of its biggest attendances in recent years, with 98 on Saturday and 101 on Sunday. The field included Bill Iles and Paul Ryland (Melbourne GC), Alan Jones (Cessnock GC), Shaun Burrows (Christchurch NZ) and Neil Sheather from Burdekin in Queensland. The competitors started the carnival with the 25 DB Cash Divide which considering the weather conditions saw a number of 25s shot.

Event two was the 50t DB Inshore Electronics Championship which saw Bill Iles win and first in AA was David Fox from Collie, Mick Watson obtained first in A grade, Kim Newbold got his first in B grade and Guy Morris first in C grade.

Event three was 25t DB PS District Championship with John Coverley winning and Alan Jones taking first in AA. Shane O'Brien took first in A grade with Shaun Burrows getting B grade and Chris Gannaway first in C grade.

Event four was 25t DB Crayfish Carnival graded which saw David Fox win AA, Merv Neve win A and Greg Jackson B grade and Justin Pirrottina win C grade. The junior was won by Matthew Kelly, Veterans by E. Daw and Helen Weise won the Ladies.

By this time it was 5.00pm and we went into the last event which was 25t DB Crayfish Graded. The AA's decided to fight it out under lights but in the end both Paul Ryland and David Fox called it off and shared crayfish for first and second.

Rather than shooting in the dark nine A graders pooled their crayfish, B grade was taken out by Jim Chandler and Chris Gannaway took C grade. Helen Weise took the ladies, Roy Holtfreter took the Veterans and Trenton Kowald took the Juniors.

The best score over the first four events was awarded to David Fox, with 174/175 which was excellent considering the rain and windy conditions. He also collected \$400 for shooting five 25s in the four events.

Sunday started a bit brighter with the customary 10t SB Pages Special which has a prize of a lighting plant which was won eventually by Bill Iles with 41/41. This event was used as a lead up to the 25 SB District Championship which Bill also won with 29/29.

Trevor Morris was able to take first in AA, with the harassed Eddie Toomey taking A grade, Dave Hilsz chipped in and took B grade and Lambert Jackson took C grade.

Event 7 was a 10 target DB Handicap event with the winner receiving an Airline Ticket to the 1996 Trap Nationals in Launceston and once again Bill Iles was triumphant considering there was 32 in the shoot off. Bill shot 50/50.

The State Handicap was won unexpectedly by Shane O'Brien with 54/54 who shot well to win from Gavin Toomey. The Ladies was won by Christine Pollitt with Roy Holtfreter taking the Veteran's and Guy Morris took the Juniors.

After a tough weekend, battling the rain, cold and windy conditions David Fox was awarded the High Gun Sash with a fine 286/295. The third time in four years.

Helen Weise took the Ladies Perpetual Trophy with 273/295 and Roy Holtfreter took the Veterans with 254/295 and Trenton Kowald took the Juniors with 259/295.

The Geraldton Gun Club wishes to thank the sponsors, crayfishing members and shooters from New Zealand, interstate and around the state for making it a successful weekend.

Results in the WA section.

Mt Isa Gun Club

With the excitement of the Rotary Rodeo on our usual shoot date the Mount Isa Gun Club's August Shoot was held on Sunday 20th August. Although the attendance numbers weren't quite as high as had been hoped for the day could only be described as a ton of fun.

Phil Leddick showed how it should be done in the Skeet shooting 25/25 to win A grade. Kevin Streeter nailed down B grade with 24/25 and Grant Casley put his stamp on C grade with a score of 22/25.

Fifty targets of Tower was next and Kevin Streeter and Grant Casley top scored with 47/50 apiece to win B and C grades respectively. Wagga visitor Barney Rooke held on to A grade with 46/50.

While the shooting had been in full swing Tanya Maxwell and Adam Letts had been busy in the kitchen with a helping hand from Chief Cook Grant Kirkwood and as a result an appetising Barbecue Lunch was awaiting hungry competitors.

Once the hunger pangs were sated it was back to the tracks for Single Barrel, an event which can have an unnerving effect on some shooters but not Jim Edmonds and Rod Cusack who both carded 23/25. Rod and Jim were sent back out to battle out A grade and six targets later Jim was the victor. Mick Coleman outclassed his opposition to comfortably win B grade with 21/25. Sam Edmonds said "C grade is mine" and with a score of 20/25 no one was arguing.

The big event of the day was the 50 target Cash Prizes and once again Jim Edmonds got himself in a shoot off with Rod Cusack, this time taking 8 targets to emerge victorious, with a final score of 57/58. Mick Coleman held off a concerted challenge by Ron Power to take B grade by one point with a score of 47/50 and Sam Edmonds rival for the C grade held him to a tie in the event. James Hall and Sam were sent back to fight it out with Sam claiming victory after ten shoot off targets.

The final event of the day was 25 targets Continental and once again a shoot off was called for to determine the result. For a change Jim Edmonds wasn't in it but Rod Cusack certainly was and finally triumphed over Barney Rooke and Doug Stone to finish with 36/37. In B grade Ron Power got his revenge on Mick Coleman by winning with 22/25, and Sam Edmonds once again claimed C grade with 21/25.

All told a good fun day of Clay Target competition for all. Speaking of fun days, on Sunday September 3rd the Mount Isa Gun Club will be hosting the Royal Flying Doctor Service Appreciation Cup Shoot. This shoot is open to the general public and we hope to see you there.

NOTICE TO ALL MEMBERS AND REGISTERED SHOOTERS

PUBLIC LIABILITY AND MEMBERS ACCIDENT INSURANCE

PUBLIC LIABILITY:

The Australian Clay Target Association has negotiated with through our Insurance Brokers, BRA Australia Pty Ltd., an excellent Public Liability package which give coverage to all Members (Affiliated Clubs and Registered Shooters).

All State and Territory Associations, Affiliated Clubs and registered Shooters will be covered for Combined Liability (Public and Products), for their respective rights and liabilities, under a policy held by the Australian Clay Target Association.

The policy is arranged through BRA Australia Pty Ltd as brokers and underwritten by HIH Casualty & General Insurance Limited. The policy number is VZ21199.

Cover is to a limit of \$5,000,000 (Five Million dollars) on any one claim.

Specific extensions include:

- Cross Liability
- Member to Member
- Participants Liability
- Liability of landowners of leased or rented land.

A summary of the Insurance coverage under the policy is available and if any person has any queries in this regard please call the National Office on (03) 9807 7577.

As Clubs do NOT need to have their own Public Liability coverage (unless they wish to be insured for more than \$5 million), it is proposed that the Club affiliation fee for 1996 will increase to \$100. This INCLUDES the abovementioned insurance and will represent a considerable saving to Clubs.

MEMBERS ACCIDENT:

The Australian Clay Target Association has been able to negotiate a very good premium for the Members Accident Coverage.

As from 1996 the Members fee will increase to \$50 per first Family Member. The second Family Member and Veteran fee will increase to \$30 and the Junior Fee will be \$15. All these fees will INCLUDE the Members Accident Insurance so no additional fee is payable.

THOSE SHOOTERS WHOM ARE NOT REGISTERED WITH THE ACTA WILL NOT BE COVERED BY THE MEMBERS ACCIDENT INSURANCE.

NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in
the month, are advised to advertise the details in an earlier edition
to that of competition, to avoid disappointment of the material not
reaching the reader in time.

Every effort is made by the office and printers to mail out our
monthly magazine to arrive prior to or on the 1st of the month. This
is not always a certainty as many factors are to be determined in
reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.
