MATTARELLI

AUTOMATIC FIXED TRAP

**FOR OLYMPIC TRENCH/UNIVERSAL TRENCH/SKEET/
SPORTING/DOUBLE TRAP**

IT IS MANUFACTURED WHETHER RIGHT AND LEFT

Whoever had to carry out the task of setting traps for Olympic or Universal Trench events according to the tables of the Clay target Rule Book, will have certainly been in trouble to get high targets on the right if the traps throw clockwise or high targets on the left when the traps throw opposite. As for the low target, compared to the centre of the shooting station, it gets out rather to the right in the former case, much to the left in the latter one.

**WE HAVE OVERCOME THESE INCONVENIENCES BY
MANUFACTURING TRAPS THAT LAUNCH IN BOTH DIRECTIONS.**

ELECTRIC MOTOR 0.5 HP Singlephase

INTERCHANGEABLE MAGAZINE

It contains over 250 targets for Trap and over 350 targets for Skeet and Sporting.

FREE WHEEL

It is used to retrieve the power exceeding in the launch. The power left over, recharges the spring.

**DIRECTIONAL ANGLE INDICATOR HEIGHT AND
RANGE INDICATORS**

These devices allow quickly to set traps according to the tables in the Clay Target Rule Book, without throwing any trial target. This novelty is determinant whenever the shooting range is oriented in the air or in a false level.

FLAT SPRING

It gently pushes the throwing arm commencing with a minimal thrust which increase as the throwing cycle proceeds, resulting in the ability to throw targets up to 100mtr. without cracking.

PARABOLIC TARGET PLATE

It rises to the magazine loader to receive the target very gently, then it returns in position for throwing. Its parabolic shape rectifies any drifting or deviation caused by windage effect on the target.

AUTOMATIC MULTIPOSITIONAL TRAP

FOR AMERICAN TRAP, A.B.T. AND TRAINING

MAIN FEATURES:

This trap is equipped with three gear motors having different ratios and is suitable for various uses:

- in a fixed position for shooting schools
- with variable angle $22 \frac{1}{2}^{\circ}$ R/L and fixed elevation for American Trap
- Horizontal/Vertical with a variable height from 1.5mtr. to 3.5mtr. measured at 10mtr. and angle 45° R/L

Singlephase electric motors.

Voltage according to the client's request, including 24V and 12V D.C.

Magazine: over 350 targets. Refilling is very fast.

On the basement, a connector is set for the connection of the different control and release systems which can be manual, radio or by phono-pulls.

UNFORESEEABLE TARGET TRAJECTORY

Elsewhere in this magazine you will find an advertisement for members and their families wishing to visit either of these events next year.

Even, if you have contacted either myself or the office previously, or if you are only thinking about it, please forward your name and address to me and I will get the necessary paperwork out to you so as you can be right up to date and start packing.

Year 2000 Olympics

Now is the time our younger shooters should be setting their sights on the Sydney Olympics. One, in all but the rarest exceptions, will only ever be afforded one chance to represent their Country in the Olympic Games on home ground. There is no doubt in most sports, the enthusiasm of your fellow country spectators cheering you on can have you attain results better than you have previously managed.

The actual site of the shooting complex is yet to be finalised and reports from within the Sydney Olympic Games Organising Committee indicate at present there are a number of persons and groups maintaining they are the experts in shooting in Australia and are offering advice in all aspects of the sport. One would like to think that each shooting discipline will be represented by their respective National bodies, and that is, in the case of clay target, by the ACTA.

Congratulations!

Congratulations to Leanne at the ACTA office on the announcement of her engagement, which will be celebrated on the 25th of this month. Wishing Leanne and Gerard a Happy Engagement.

Big Brother???

At present there is move within the Australian Shooting Association to amend their Constitution to enable it to dictate to its affiliates, the type of shooting events each many conduct.

The discipline within the ACTA under scrutiny is 5 Stand Sporting, or as we prefer to call it, ACTA Sporting.

The move is to prevent us from conducting National and State Titles in the discipline and to place it within the responsibility of the Field & Game Association.

5 Stand Sporting is a clay target event designed to be shot over existing trap and skeet layouts exclusively. Trap and skeet layouts are existent in 99.9 per cent of cases, on ACTA grounds and no one doubts that trap and skeet are ours.

At present our shooters are the most successful on the International arena and the ASA are very happy to claim accolades in response to our achievements and to ask for our assistance when it suits them. I wonder who is behind this narrow minded, selfish move.

5 Stand Sporting is clearly a discipline that should be within our control.

1995 State Coaches Conference

Brisbane, 18th-20th August

The Conference venue for 1995 had changed to Brisbane to take advantage of warmer climate and continue a plan of venue rotation.

A Friday evening meeting got underway at 6.30pm to accept the 1994 Minutes and Business Arising. With this completed, the meeting moved onto State Reports. Each State Coach having previously tabled their Report, then delivered their Report and answered any questions. This section of the Conference closed at 7.45pm and dinner was enjoyed at a small Italian restaurant.

Saturday morning Agenda started at 9.00am with all State Coaches assembled being Victoria - Gary Cassells, NSW - Fred Schmetzer, Queensland - John Mitchell, NT - Greg Chan, SA - Phillip Mules, WA - Vince Marney, Chairman Coaching Council - Ross Silvester and the National Director of Coaching - Murray Alexander.

First on the Agenda was the Coaches Accreditation Review. Since 1st January 1995, Coaches Accreditation had been undergoing a program of renewal under the guidance of the Australian Coaching Council. A great many Coaches had not renewed or had not had their Accreditation renewed and to ensure all had been done to keep them on the 'active' list, each State Coach gave a brief overview of their States efforts in this direction. The final consensus was that the Coaches remaining within the system and those entering Accreditation were the workers that would

at Melbourne, a rethink of its objectives and what we wished to achieve was conducted. The results of the rethink were that the booth was a worthwhile project with the following alternatives:

1. Better siting of the display
2. Better use of profile Coaches
3. More individual contact
4. Wider selection of worthwhile videos
5. The selection of informative handouts

Level 3 Accreditation review followed next and all State Coaches had an opportunity to discuss this circulated document. After a round table discussion, the revised Level 3 was accepted and now moves onto the Australian Coaching Council Technical Committee for official acceptance. If all goes well, a new Level 3 program should be able to begin in January 1996.

Probably the main Agenda Items were next and these ended up being broken into three (3) categories: 1996 Junior Development Squad; 1996 Female Development Squad; 1996 Junior Talent Development Squad.

The 1996 Junior Development Squad was first to be discussed in an ongoing program of refinement. A decision was agreed that there be no real change to the format except for a defined number in each discipline. Involvement with the State Coach would become of higher necessity and degree, and once a Junior is selected in a discipline, he/she is to remain committed to that discipline whilst part of the Development Squad.

With the Junior Development Squad agreed to, the Female Development Program (Double Trap) was brought into play. So as not to re-invent the wheel, it was agreed that a Squad of Junior Females would be instigated using the Junior Development Squad guidelines. By doing this, identified females would be involved in a program run correctly with other Development Programs, thereby using all resources available for their benefit. The decision on a Female Development Squad (Double Trap) does not preclude any Junior Ladies from a position in another discipline.

To try and open up the Junior Development Program, a National Junior Talent Squad was discussed. This Talent Squad was aimed at a program to identify and advance juniors with talent based on a State Program. Guidelines were agreed to for 1996 and the National Director of Coaching will now investigate the infrastructure needed to support this 'self funding' program. Some of the guidelines for the program that the camp will be held either SASI (South Aust) or the Brisbane Shooting Complex, there is to be two camps of three (3) days - 1 for standard trap and skeet and the other for ISU disciplines, States to do their own selection and maximum age similar to that of the Junior Development Program.

The day progressed on with many other subjects being discussed in an open and non political forum. The topics covered: 1. A.C.T.A. Coach of the Year. 2. A.C.C. Coaches Code of Ethics. 3. Level 1 Course Questionnaire. 4. Course Presenters Manual. 5. Videos and 'Fee for Service' Coaching.

genuinely benefit the sport. However to overcome any situation of an Accredited Coach failing to have had the opportunity to renew, one last advertisement would be placed in the C.T.S.N.

Next came the Coaches Booth / Display at National Events. Following only a partial success at the 1995 booth

The state coaches from rear left to right: J. Mitchell, Qld, F. Schmetzer, NSW, P. Mules, SA, M. Alexander, NDC, front left to right: G. Chan, NT, V. Marney and G. Cassells, Vic.

A final topic that received good airing was Practical Coaching. The National Director of Coaching raised the subject asking each Coach to look into the use of High Profile Coaches who had undertaken accreditation. The reason being that these people were identifiable by all A.C.T.A. members and their knowledge was eagerly sought by others. By involving them in Coaching sessions, not only did shooters interest and knowledge improve, but other supporting 'Club' Coaches gained first hand knowledge. Tasmania has already begun with a Coaching weekend in September using Russell Mark and John Summers.

A short list of identified Profile competitors who are Accredited Coaches was tabled, and when approached correctly, are willing to assist wherever possible.

Greg Newey, Queensland, Level 2. Peter Quire, SA, Level 3. Michael Diamond, NSW, Level 1. John Maxwell, NSW, Level 1. John Summers, Vic, Level 1. Russell Mark, Vic, Level 1. Deserie Huddleston, Vic, Level 1.

Prior to closing a presentation was made to the retiring N.S.W. State Coach in Mr Fred Schmetzer. Fred had completed his Level 3 Accreditation (the last under the old course) and all assembled Coaches congratulated him. The announcement of Freds retirement was sadly received, but fortunately it only means from the administrative side of coaching to commit more time to practical coaching and just a little to his family.

The conference resumed Sunday morning at the Brisbane Gun Club, where an ongoing program on Vision research was discussed. The Queensland Coaching Director has maintained a program with an Optometrist - Mr Graham Searle and it was with great interest that all State Coaches listened. After several hours of discussing the eyes and what they actually can and can't do, the 1995 State Coaches conference ended.

It had been another worthwhile Conference and the progress of Coaches and Coaching is definitely beginning to obtain the credibility so many have worked hard to achieve.

Congratulations and thanks to Mr John Mitchell for his effort in organising and co-ordinating the Conference and all State Coaches who had given their time to attend and be involved.

Tamworth Clay Target Club

On 2nd & 3rd September the Tamworth Clay Target Club held the annual two day trap carnival.

Numbers were somewhat less than anticipated, however some 70 shooters competed in the program which included the 50 target Commonwealth Double Barrel Championship from 20 metres.

Shooters travelled from Western Australia and Victoria as well throughout New South Wales to compete for a fine array of trophies, including a magnificent display cabinet inspired and crafted by R.J. Prior & Son who sponsored the Overall High Gun Trophy.

Other sponsors who made the carnival possible included Scorpio Cartridges, Olimpyc Targets, Fosters Firearms, Harvey Norman Discounts, Prouds and Blackwoods.

Graham and Rae Richardson had the Loomberah grounds looking magnificent despite the drought Rae Richardson and the Ladies Committee provided fine food throughout the weekend.

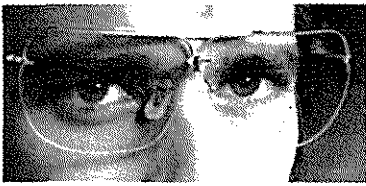

Libbie Bunting was in charge of the office and everything went like clockwork from the administration side and the sincere appreciation of the Tamworth Clay Target Club is extended to Libbie for travelling so far from Trangie to carry out this vital task.

Steve Atkins was the Overall High Gun winner, coming from second place from behind Arthur Turner going into the last event.

Steve is a regular shooter at the Tamworth Trap Carnivals and now has the display case to compliment the dining suite he won a few years ago.

Tamworth shooters to share in the trophies included Clive Schmidt who was second in B grade in the 30 target Country Capital Double Barrel Championship and Theresa Cameron who won the Ladies High Gun.

Leonora Annual Gold Nugget Shoot

September 9th and 10th 1995

The 17th Annual Gold Nugget Shoot was held at the Leonora Gun Club over that weekend.

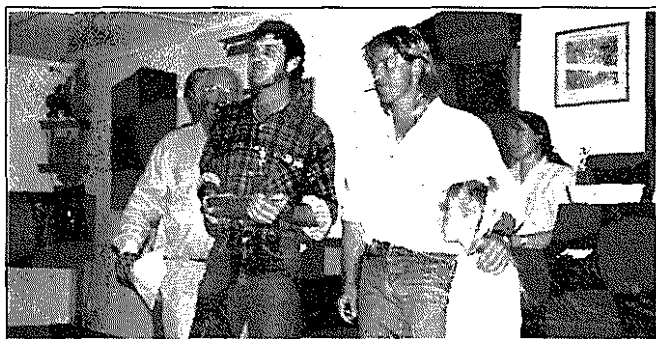

Leonora is a small country town situated in the Goldfields of Western Australia approximately 900km from Perth. Every year this Club is proud to host The Annual Gold Nugget Shoot and this year we were honoured to present two State Titles. 52 Shooters travelled to Leonora to participate in the 17th Annual Gold Nugget Carnival and, although the numbers were down on previous years, it was a brilliant weekend for a great majority of shooters, especially those who achieved break badges - a total of 27 in fact. The weather was just perfect and, with low shrubs, red dirt and blue sky, made the perfect background. The conditions were just a Clay Target shooters dream come true and, when you couple those conditions and use BLACK CLAYS plus put GOLD NUGGETS up for trophies, we have a recipe for a great 2-day shoot.

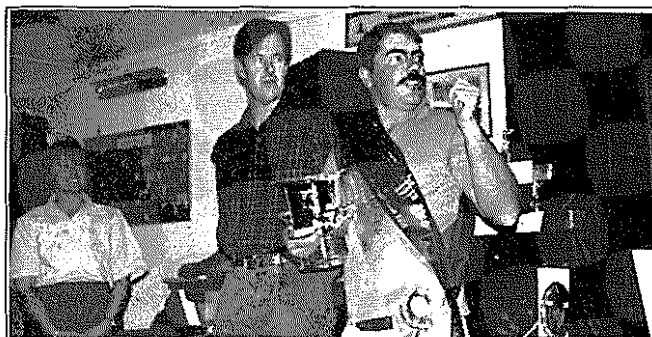

Gay Shipp accepts her Ladies Highgun sash from Booma representing Hercules Crane Hire.

This year the Club decided to pay trophies to the Overall Winner, AA, A, B and C Grades, and that seemed to please the shooters, especially the A Grade shooters. Over \$8,000 worth of Gold Nuggets was up for grabs.

Day one comprised a total of 100 Double Barrel Targets and event 1 was the Leonora Laverton Assay Labs 25 Double Barrel Championship, which got off to a great start with local Leonora lad Rowdy Harrison and Kambalda's AA Grader Tom Vodden shooting off for the title. Harrison put up a great effort, but the experience of Vodden won him the sash and overall title. Even though Harrison lost

the shoot-off, he achieved his 75 Break Badge which set a precedent for more shooters during the day.

Event 2 was the 50 Double Barrel Gold Nugget Championship, which was sponsored by Neale Johnson and Mauri Urquhart. There were 10 shooters who all shot the possible and what was about to take place was history in the making. Geraldton shooters Gary Kelly and Justin Pirratina, Collie's David Fox and W.A.G.C. Lex Shipp were the 4 remaining shooters who were still part of this magnificent shoot-off. C Grader Justin Pirratina was inspirational to so many shooters watching this shoot-off. Justin's score was 181/182 for the event and it just goes to prove that, through dedication and application, what shooters are capable of doing. Justin won the C Grade division plus his 150 Break Badge and the admiration of everyone at the

Club. It was a great achievement by this quiet (or so we thought, but more on Justin later!!!) C Grader who now is a AA Grade shooter. Well done Justin. Back to the shoot-off. After Justin dropped his 182nd target, Lex Shipp went into sympathy for Justin, or that's what we all thought and he dropped his next target and finished with a 182/183, and that just left David Fox and Gary Kelly to continue onwards, and the final honours went to Kelly with a score of 269/269. It was a great shoot-off watching those 4 guys applying the discipline required to continue on for such a long time.

The last event for the day was the Leonora Fish and Chips

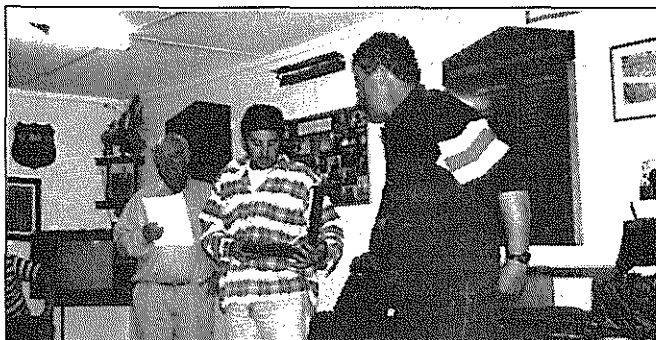

High Gun winner Garry Kelly receives his sash and Gold Nugget from Lance Hurst Manager of Minesite Rehabilitation.

25 Double Barrel Championship and, as you have probably guessed by now, it was another long shoot-off between the one and only Gary Kelly, Tom Vodden, David Fox, John Dohnt and Mick Rowell. The conditions were just so perfect for smashing black clays as all the records proved. Foxy dropped out after missing his 147th target, but achieved his 250 Break Badge and 2nd AA Grade, then Tom Vodden was next to say goodbye after his 173rd target, Tom won 1st AA Grade but was sadly 2 targets off his 200 Break Badge. Kalgoorlie shooter Mick Rowell and Geraldton Gary Kelly were still going strong, but there was just no stopping Kelly on the day and Rowell dropped his 179th target and finished off with a score of 178/179 and left Kelly still standing with no more competition. Kelly's achievements for the day was just none other than brilliant, he achieved his 450 Break Badge, and his total amount of target hit in succession was 455/455. This was history in the making for the Leonora Gun Club as this is the highest break badge ever achieved at our Club in its 30-year history. Congratulations Gary Kelly from Geraldton - we will all be talking about you for a long time to come.

The overall winner of the 100 targets for Day 1, which was sponsored by Hurst Contracting, was won by Esperance shooter John Dohnt. It was a quiet Saturday night with all shooters working out their break badges and how close they were to the next break badge! Mr. Music Man Merv Neve once again entertained us through the evening playing some great golden oldies. Everyone had a great night.

Day 2 was the Red Sash Day. Two State Title Championship events were on the program, the first being Double Rise Tower. Each year our Club is supported by Mick Demasson who owns Demo's Cafe in town, and was an inaugural member of the Leonora Gun Club and sponsors an eye opener event preceding the State Title. This year it was a 5-Pair Double Rise Tower discipline which saw 3 shooters shoot the possible to qualify for the shoot-off. Another Geraldton shooter, Mick Watson, Kambalda's Tom Vodden and Leonora's Jim Hurst were all competing

Mark Wright presents Justin Pirrattina The Encouragement Award for New Shooters.

for the overall trophy and, after scoring a perfect 20/20, the Club Captain of Leonora won the event.

The next event was The Sons of Gwalia Ltd. 15-Pair Double Rise Tower State Title Championship. Only two shooters qualified for the shoot-off with a score of 28/30, and they were Collie's Max Cubic and Leonora's Jim Hurst. They shot their first 5 targets clean until Max dropped his third target of his second bracket. Hurst had to maintain that momentum and not drop a target to win outright. You could feel the pressure building and as Jim Hurst was watched by his wife Karen, we all could sense the tension of this shoot-off. Hurst has never won a State Title and Max is a most experienced tower shooter. They continued the shoot-off and Jim Hurst proved he was a dominate leader in the Tower that weekend by winning the event with a score of 48/50. Max came in 2nd 47/50, 3rd place went to David Fox 35/40, 4th position was won by Neale Johnson 34/40, 5th place Alan Hocking 33/40 and the 6th place went to Gary Kelly 35/40.

Shane O'Brien presents Sean Wright the Junior High Gun sash.

The 6th event was The Mount Edon Goldmines 50 Amateur (American) Trap Angles Single Barrel and, once again, the dominate D.T.L. shooters Gary Kelly and Lex Shipp were in yet again another shoot-off, but there was just no stopping Kelly over the weekend and he won the overall and the State Title Championship with a perfect score of 75/75. Lex won 1st AA Grade 74/75, 2nd place went to Eddie Toomey 49/50. The A Graders had a shoot-off which saw Alan Hocking winning 1st place with a score of 79/80 and John Page coming in 2nd. B Grade was won by Mauri Urquhart 47/50 outright, and 2nd place went to Esperance shooter Eric Hoggard 51/55. The C Grade winner was new shooter Leonora's Jamie Andrew's 45/50, and our visitor from Broken Hill N.S.W., David Woolcock, was 2nd 44/50.

The 7th event on the program was sponsored by the best pub in town, The Central Hotel 25 Double Barrel Handicap. There were Gold Nuggets in excess of \$1,000 for trophies to be shared out amongst 7 winners. Gary Kelly was once more in the shoot-off for 1st along with Kalgoorlie's Mick Rowell, but this time the sash and overall winner was Mick Rowell 75/75, Gary was 2nd, David Fox 3rd 69/70, Jim Hurst 50/51 was in 4th place, Neale Johnson 49/50, Leonora's President Ken Green picked up his 2 Gold Nuggets finishing in 6th place and Vince Oliveri from Geraldton was 7th, scoring 29/30.

The last event of the day was the Golden Clay Mystery Shoot and Mystery Shoot it was! The object of the event was all shooters were grouped into their respective grades and they were to move along each layout and, as soon as they missed a target, they were out. Now just to make things interesting, there were Gold Clays placed in each trap house and, if a shooter was lucky to shoot a gold clay, he won a Gold Nugget regardless. Well, since there were some huge break badges achieved at the Club, we thought that the event should be single barrel since there was

some top shooting happening all weekend, but what a surprise - C Grader David Woolcock from Broken Hill N.S.W. was the only shooter to get through the first three layouts without missing a target. The sponsor of the event, Chad Johnson, presented these shooters with "Golden Bars" weighting around 500oz! John Page was 2nd and Shane O'Brien was 3rd, plus he was the only shooter to hit a Gold Clay so the sponsor of that event, Cliff O'Connor, put all the shooters' names in a hat and the other 2 Gold Nuggets went to new shooter Leonora's Greg Pickersgill and W.A.C.T.A. President Lambert Jackson.

This year we had two lady shooters competing and that was won by Gay Shipp with a score of 176/215. It was great to have Gay back on the circuit once again. Hercules Crane Hire was proud to sponsor the Ladies Highgun and "Booma" was only too pleased to be able to have presented Gay with the winner's sash. O'Briens Fuel Maintenance Manager and fellow Clay Target shooter was the sponsor of the Juniors Highgun. Shane requested that he be able to sponsor this event as he feels very strongly towards encouraging the Juniors who are sports future. This was won by Kalgoorlie's Sean Wright with a score of 153/215. Also Mark Wright, the Manager of Wright Plumbing Meekatharra, wanted to sponsor an encouragement award which is given to any new shooter who first joined A.C.T.A. from 1994-1995. This award is for the shooter who achieved the highest score over the 2 days and is given so that they feel that they are achieving something even though they may not have won an event, but to show that more experienced shooters recognise that new shooters are the future of Clay Target Shooting. It seemed only fitting that this award was won by Geraldton's C Grader Justin Pirrattina, who went to AA Grade after his performance over the 2 days, and he joined A.C.T.A. for the first time in 1994. His achievements during the weekend was inspirational to all of us.

Now for the Highgun of the 1995 Gold Nugget Shoot, which is sponsored every year by Minesite Rehabilitation. It was won by Gary Kelly 209/215. Gary took home trophies and Gold Nuggets worth over \$1,500. Congratulations Gary. After the presentations the Club's President, Ken Green, thanked all of the shooters for making the effort and travelling to Leonora. Ken presented Gold Nuggets to all the ladies who helped in the kitchen, and also thanked Minesite Catering for their assistance. He also presented the Club's Secretary, Sue Green, with Gold Nugget earrings and thanked her for all of the work she had done for the Club. Sincere thanks to the Club's Patron and life member, David Fitzgerald, for doing an excellent presentation of the awards, and also to all of our sponsors we thank you all most sincerely as this shoot would not be able to continue without the assistance of sponsorship.

The bar was opened free to all and the BBQ was on. It was a great weekend and there were many reasons to celebrate. Monday in Leonora was declared a Public Holiday for most, especially the State Title winner Jim Hurst. As it was getting late in the evening, our Bar staff had to leave which left our bar without any staff, or so we thought — remember how I told you how quiet Justin Pirrattina seemed to be? Well, let me tell you how wrong we all were about this young man. He made the decision that the Bar had to be staffed by - you guessed it - none other than Justin Pirrattina! This young man was such a good sport and served drinks till the small hours of the morning and was such a talent that I fully recommend him to all Clubs because he is the only person I know that can make your Club money by serving free drinks! I can't say too much about Justin because a certain Club Secretary - who shall remain nameless - was guilty for encouraging him who, by the way, didn't need much encouragement, but if there are any photographs out there I reckon you could get a good price for them. Our Club would like to thank Lambert and Lex for contributing to the entertainment - it was great

fun which brought a close to this year's Gold Nugget Shoot. A lot of challenges went out to the Geraldton Club from the Leonora boys and I think Foxy is now an honorary member of Leonora, but all in all a great time was had by all shooters and their families and Leonora Club is looking forward to inviting everyone back next year to help celebrate Leonora's 100th Birthday, and we will be presenting The Commonwealth Title Point Score and State Title Single Barrel Tower so please keep September 7th and 8th 1996 free on your calendar.

Thanks for coming everyone.

Ken Shearer

The Colbinabbin Clay Target Club was deeply saddened by the sudden passing of Ken Shearer, one of its long standing members, on 15th September 1995.

Ken commenced his trap shooting career in the late fifties and was a member of our club when it affiliated with the A.C.T.A. in 1972. He was a regular and consistent shooter at home and at neighbouring clubs for many years. In 1988 he was appointed as our club coach and held that position until his death. His quiet approach, support and encouragement to junior and new shooters will long be remembered.

Our deepest sympathy is extended to his wife Thelma and his sons, Rodney and Andrew.

Special thanks also go to parents and members of the Clubs involved in running this event. With their continued support, I am sure this event will go from strength to strength in the future and, hopefully, one day become an Australia-wide competition.

Dear Sir,

I would just like to let you know that Kevin Wright and I have just attended the W.A. State Carnival and to tell you that it is by far the best State Carnival either of us has attended.

The sense of happiness and enjoyment amongst the shooters, the extremely high standard of shooting, the almost perfect running of the shoot, the generosity of providing free afternoon tea, a magnificent free dinner of fish, meat, salads and sweets all had to be experienced to be believed.

There were approximately 170 shooters attending and when one considers the shooting population of W.A., this was a terrific attendance.

All state and national bodies could learn a lot from W.A. More than 85% of shooters stayed back for the presentation each evening, unlike most eastern states where most shooters depart before the last shot is fired. Even the President and Vice President change into their official uniforms for the presentations.

Finally congratulations to Ross Silvester for his honorary life membership.

Thank you to all at the shoot for an enjoyable and great weekend. Keep up the good work.

*Yours faithfully
Ian McGeoch*

Maryborough Tid Bits

— QUEENSLAND —

by *Lost Bird*

With my hurry to get away from our last club shoot and get the results away to be in time for publication I forgot to thank Ric Harrison for filling in as trapper as we were one trapper short, but a phone call from his dad and hey presto we had two trappers, thank you Ric. Hope you got your washing done on your return home.

With the departure of Les and Yvonne from the kitchen, who have done a great job and have made it one of our big money making areas of the club, a big thank you to both and hope you are back soon. We are lucky that Margaret Harrison is a keen kitchen worker and when they were in Gympie helped in the kitchen, and when coming to Maryborough continued to help Yvonne & Les. So with the combination of Margaret and Eileen Anderson and any other helpers we hope the kitchen will carry on. Their first big test is the biggest shoot we have, the Masters Games & Heritage City One Day. Thank you Margaret and Eileen.

With all our local big shoots over, if you travel there is Charters Towers Annual Nov 4&5, same weekend Western Zone Skeet Carnival; Eton Mackay Annual Shoot Nov 11&12 and the Christmas shoots by the hundreds with our Christmas shoot one week earlier being Sunday Dec 17.

Another shooter to miss our big shoot is Peter Pagliarino, who with his family will be in New Zealand having a well earned holiday and hopes to make a visit to Wairau Firth, our New Zealand sister club. We have a postal shoot against this club every April, hope Peter takes a photo of the trophy as we haven't seen it for a few years.

We won't have any shoot news in this copy as we shoot the Masters Games on Oct 1st and will be pushing to get in early enough, so you lucky people get two exciting episodes next month.

BUNDABERG 3/9

With visitors Laurie Chelepy, Craig & Stafford Smith, Irwin Wynyard, Darryl King, Harry and myself the main results were Pat Burke A grade points with only one point down; Clinton Groves B grade points. In the 25t DB C'ship with five possibles which two dropped out early, third last to go on to his 70th target was Gino Sergiacomi, but still took A grade. Next to go was Mike Tipman at his 80th target leaving Rob Rehbein with OA DB C'ship. Rob also took AA points, AA, 10pr DR and OA HG for the day. Good shooting Rob.

Brad Petersen who was in the shoot off with a possible but didn't go the distance tied up B grade DB C'ship and 25t DB Cont. The sooner Brad goes to A grade the better for us B graders. Craig Smith after another shoot off took C grade DB C'ship plus 25t DB Cont and 10pr DR. After Mike missed out in the C'ship after shooting 80t he came back in the Cont to win AA, also Stafford fell over in the C'ship shoot off but took A grade in the Cont. Laurie Chelepy won A grade 10pr DR and Kaye Rehbein B grade 10pr DR, leaving Spencer Plath C grade Points and FM High Gun for the day. Rob also drew the jackpot and shot it with Laurie winning a bottle of scotch on the quickie board, and one of the hard working kitchen ladies Colleen Sherry took the meat tray home for Ron, who eats again. Bundys next shoot will be their Christmas Shoot Dec 3rd.

GYMPIE 10/9

Sorry we didn't make it to the shoot but with big shoots in October we were saving our pennies. Visitors for the day being Dick Osborne, Maryborough and Dick's brother Ike Osborne and Norm Keech both from Sunshine Coast.

In clear and windy conditions the main results were: 25t DB A grade Glen Durre, B grade Norm Keech, C grade Dave Gardner. 25t SB A grade Glen Durre, B grade Dick Osborne, C grade Ike Osborne. 20PR DD won by Greg Wright & Bill Stolberg. The John Cavanagh Memorial Trophy 30t DB Tower OA & A Bill Stolberg with a clean score, B grade Dick Osborne, C grade Ike Osborne. Thanks to Dave for sending the results. The next club shoot for Gympie is Sunday November 12. With only Nov & Dec shoots left where has the year gone, Maryborough next club shoot Nov 26th 12 noon start with DB, SB, PS, DR Championships. Time to pay registrations and have another year of breaking clays.

Good shooting to all, 'til next time see you at the shoots.

Peter McDonald from Colac, a past V.C.T.A. Exec member attended with Colac club members; there was hardly a club in the zone which was not represented, when it came to helpers.

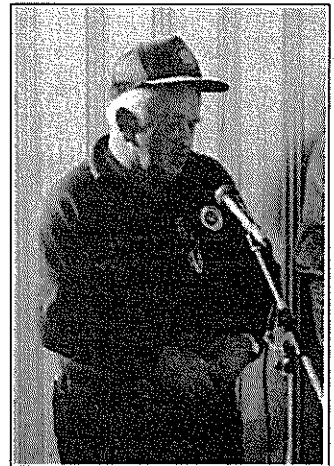

Winning team Colac Tech, left to right: Matthew Holt, Andrew Holt, Rebecca Holt, Brad Sexton and Robert Brain.

Keith Vagg was the shoot marshal and together with office staff, Trevor Smith and Jack Matthey had a very busy day organising the students and ground staff; 196 school student shooters was an all time record for the S.W. Queensland State Skeet Carnival - Townsville

As a lead up to the National Championships, the Q.C.T.A. State Championships were hosted by the Townsville Gun Club and what a great success it was. The large attendance of 100 shooters on the State Championship day made for a great competition all round.

The first event to be contested was the 50 target Townsville Trophy event, and from the 95 shooters, 3 possibles were recorded. The overall winner - Max Barton from Toowoomba with 77/77. Peter Vella (Cecil

and U/18 Salvia Sciuto*

*Winchester Rep Howard Smith with highgun winners
Karen Kennerson and overall winner John Finn*

Cowra shooter John Finn won the High Gun at the Annual Cowra Gun Club 2 day Gold Cup Shoot.

A friendly relaxed atmosphere overcame the chilly conditions experienced during the weekend. Visitors from Dubbo, Cobar, Sydney and Canberra to mention just a few, enjoyed the excellent shooting conditions and facilities provided by Cowra and many compliments were received also on the standard of administration and catering.

Our numbers were down a little on last year. Ninety seven competitors faced the traps. The standard of shooting was good and the High Gun win by local John Finn was particularly meritorious as there was some hot competition.

Winchester provided the trophy which John won after a shoot off with Arty Del-Ben.

The Junior High Gun was sponsored by Arty, and the worthy winner was Scott Schmetzer with an all up total of 212.

Ladies High Gun was won by Karen Kennerson with a score of 207. Karen is a tiny lady whose looks belie her performance on the tracks.

*Lorraine Healy and Louise Wood commiserating with
J. Adamopoulos and J. Procopiou who were unlucky enough
to have a collision on their way to the night shoot.*

President Noel Dwight congratulates Chris Salafia on winning the Lachlan Valley Double Barrel Championship.

After an excellent shoot off the Lachlan Valley Double Barrel Championship was won by Chris Salafia with a score of 205/205.

The Handicap event was won by Martin Bourke with a score of 46/46 and the Len Bird Shield held in conjunction (3 man

team event) was won by G. Kennerson, K. Kennerson and L. Kohler.

Overall winner of the N.S.W. Double Barrel Continental Night Championship was Joe Caltabiano with the only possible 50/50. Six shot the possible 100/100 in the Gold Cup event and after a further 53 targets the winner was found to be Rodney Wright.

The Junior Gold Cup sponsored by Cowra Concrete Products was won as follows: 1st under 14 Adam Healey; 1st under 16 Scott Schmetzer and 1st under 18 was Salvio Sciuto.

Nobody was able to take up the Club's challenge of \$2000 for a perfect score, perhaps next year.

The club thanks our sponsors Winchester, Cowra Concrete Products, Country Gardens Motor Inn, Aalama Motor Inn, and the Countryman Motor Inn.

Their sponsorship allows us to present an attractive program. See you next year in Cowra for the Gold Cup, first weekend in August.

Two Day Carnival a Success

On the weekend of August 26 and 27, the Collie Clay Target Club held its annual two day carnival.

This year's program involved six major titles, two of which were Commonwealth Championships.

These Championships are only allocated every four years and Collie were very fortunate to host them.

The other four titles which were on offer were: The 1995 Griffin Cup, which in itself has become a prestigious event amongst shooters in the few years it has been running; two District Championships and the Mark Green Memorial Handicap.

Winner of the Commonwealth Championship Night Double Barrel Tower, Shane Williams (Edgehill) pictured with sponsor Pine Hawliers, John Coverly and Julie Lee.

Mare Green was a Perth Gun Club (now WAGC) member who shot in Collie on many occasions and became good friends with a number of local club members. Mark passed away a few years ago and Collie has been honoured to hold this event every year in his memory.

Shooters started arriving early Friday afternoon to get in some early practice with the light rain hindering a few scores in the tower warm-ups on Friday evening.

The weather stayed slightly overcast for Saturday's shooting making the targets a bit more difficult to see, but the sun

appeared and stayed all day on Sunday and a pleasant day was had by all.

A total of 140 (74&66) competitors arrived to take part in the weekend's carnival, travelling from as far as Geraldton, Perth, Katanning, Albany, Northam, Narrogin and surrounding districts, all wishing they were capable of taking home one of the Blue Commonwealth Sashes that were on offer.

Practice rounds were between 8am and 8.45am each morning with many shooters arriving early.

At 9am, Banjo Paterson, club president opened the shoot and handed over to David Fox, club captain who have everyone a run down on the day's events and how they would be held.

The competition then began, with many shoot-offs taking part during the two days to decide the winner.

The results of each event may be found in the shoot result.

At the end of the competition, scores were tallied and the Carnival High Gun to receive the High Gun Sash, Badge & Trophy went to Roy Holtfreter of Northam with a score of 242/250.

During the weekend a number of shooters shot their personal bests, including breaks to Greg Martin (Collie) 25, 50; Jim West (Wagin) 75, 100; Bob Benjamin (Bunbury) 100.

Winners of the Commonwealth Championship Deauville Doubles John Dyas and Max Cubie (Collie) pictured with club president Banjo Paterson.

International 5 Stand Sporting Clays

The winning team from Illawarra, left to right: Ali Amb, Brian Nubley, Kevin Perlans, Dave Brenton with Glenn Woodhatch and Ted Drane.

1995 National Championship held at Illawarra Gun Club on August 26 & 27.

The day dawned fine and sunny with just a light breeze to create perfect shooting conditions. This was Illawarra !! Could it last??

The two layouts had been trialled and were working to perfection. The marquee erected and sheltering a variety of merchandise pertinent to shooting, Earmold set to create, as well as Ali's hot dogs. The canteen was emanating delicious aromas, wafting across the grass. Then the shooters arrived from all parts of Australia. A good contingent from Queensland, another from Victoria, a few from South Australia and Tasmania and a lone gun from Western Oz. From all over New South Wales the rest had arrived, looking forward to a weekend of good competition, good hospitality and the opportunity to meet old friends and make some new ones. Shooters were members of the

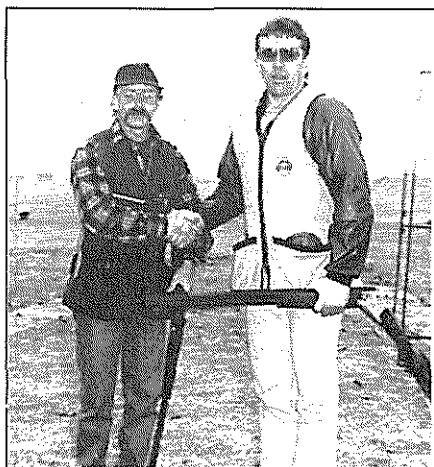

Highgun winner David Cunningham.

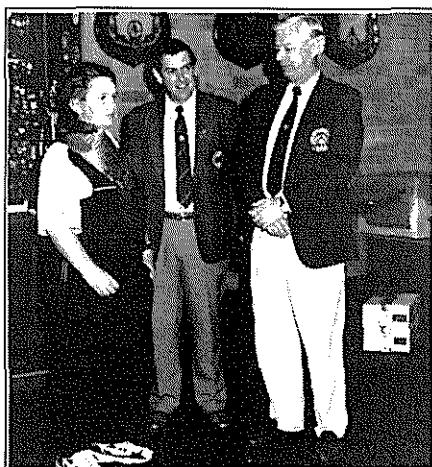

SSAA or ACTA and it was encouraging to see the positive interaction amongst them.

Those who had not shot an entire competition program using the 'Birdbrain' computerised system before were graded on their first 50 targets. Results reflected the accuracy of this rule. There were also competitors whose first introduction to 'Birdbrain' had been a few days prior, but the concept of the discipline to reflect skills required in the field was shown in the success that these shooters had. Spectators were able to enjoy the competition from strategically placed chairs and benches as well as from a naturally occurring amphitheatre under the trees at No.2 layout. There was also a ZZ layout to add some zip to the atmosphere.

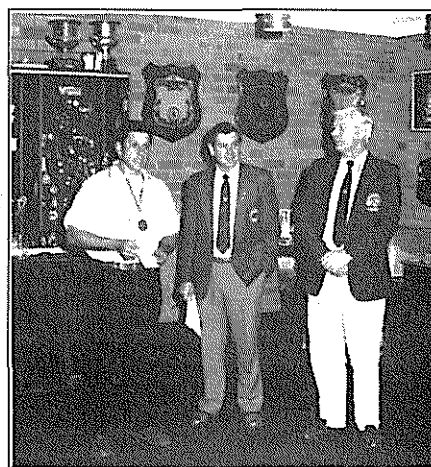

The layouts were challenging, the spectacle most enjoyable. Competition was keen throughout the two days as scores unfolded the most likely contenders, then nature struck for a few hours on Sunday morning with our famous Illawarra Southerly Buster and all sure things were up for grabs again. Nerves were steadied down and concentration was at a premium. Winners and placegetters emerged.

Peter Wells, left, congratulates winner of highgun David Cunningham

Junior winner Ben O'Halloran with Glenn Woodhatch and Ted Drane.

B grade winner Jake Guzelian with Glenn Woodhatch and Ted Drane

C grade winner Col Payne (Illawarra).

There was a shoot off for High Gun between David Cunningham and Peter Wells before David triumphed by two points. We had Ben O'Halloran winning the Junior sash and getting his photo in the local paper. Keep up the good shooting Ben, you'll be in A grade next time. John Younger was another southerner whose performance was top notch.

The Queenslanders were consistent, supported each other well, were fine ambassadors for their state and had a good time too. Peter Muntz from the Faaaarr West squeaked into the team selection despite all the practice.

Got distracted by all the yarn telling in the wee small hours. Illawarra shooters acquitted themselves well with Dave Brenton, who had only met 'Birdbrain' the week before coming second in A grade. Col Payne was in the same boat but had to get the better of his nerves to come first in C grade and then was the mastermind behind Illawarra's winning team of Ali Ambs (of hot dog fame), Brian Nubley (how much was the prize money again?), Kevin Perkins (yes, that K.P.; what a talent!) and, that man again: Dave Brenton !!!

This weekend's exploits have already entered Wednesday nights lore or yarns after Skeet practice and the targets are getting more difficult with each telling.

Thank you all for your participation in the competition, the hospitality and the multitude of chores that were performed above and beyond. I hope all the visitors had an enjoyable weekend and wish you all good shooting till next visit.

The full results are as follows: OA High Gun: David Cunningham, Frankston 164/175; AA: 1st Peter Wells, Newcastle 162/175, 2nd John Younger, Melbourne 139/150, 3rd Mike Birgan, Brisbane 136/150; A: Max Barton, Toowoomba 129/150, 2nd Dave Brenton, Illawarra 120/150, 3rd Ken Moore, Sydney 118/150; B: Jake Guzelian, Sydney 116/150, 2nd John Atkins, Gold Coast 113/150, 3rd Robert McDonald, Fassifern 110/150; C: 1st Col Payne, Illawarra 101/150, 2nd John Bainbridge, Shoalhaven 99/150, 3rd Mike Holmes, Melbourne 98/150; Junior Ben O'Halloran, Springvale 115/150.

Bill Carrington

On 3rd July this year we lost our friend, Bill Carrington, a man who, for a lot of years, had substantial impact on the clay target shooting circuit in North Queensland.

Bill virtually grew up with a gun in his hands and from an early age showed outstanding ability as a target and field shooter. This talent, combined with his dedication to the sport, steered him on a brilliant shooting career which spanned more than 40 years from the 1940's to the 1980's during which time he amassed many, many trophies, was the holder of numerous championships and was several times regarded as the best shot in Northern Australia.

There is no doubt that, but for the lack of opportunity, Bill could have well been a shooter of national, if not world standard.

A life member and the longest serving president of the Charters Towers Gun Club, with the support of his wife, Joyce and their family, was an inspiration to fellow shooters, club patrons and their families from the most junior to the most senior.

Not only was Bill a great sportsman, he was also a man of integrity and a devoted husband, father and grandfather. Those of us who knew him, who appreciated his advice, who enjoyed his witty sense of humour and valued friendship, will long hold his memory in fond esteem. Those who did not meet Bill Carrington have lost the opportunity to know a gentleman, a fine sportsman and a true champion.

Cairns & District Annual Shoot

The Cairns & District Gun Club held it's annual shoot for 1995 on the weekend of the 1st 2nd and 3rd of September. Although low in expected numbers, carrying a total prize value of over \$6000, the competition was very fierce.

Friday saw the last ISU elimination for 1995 and some good scores were recorded, possibles were scarce until the finals when Bob Simpson turned in a fine 25 to take out the High Gun from Angelo Zappala by 4 targets. Results were: OA: R. Simpson 139/150; A grade A. Zappala 135/150; B grade N. Bruce 127/150; C grade D. Bowen Jnr 102/150. Individual placings were 1st R. Simpson 139/150, 2nd A. Zappala 135/150, 3rd K. Drovandi 132/150.

9am Saturday morning, with a crystal clear day, saw the start of the DTL program. The 10t eye opener meterage, carrying a prize of \$300 was won in fine style by A. Zappala 29/29. The next event, a 25t DB event was won by K. Drovandi, overall with an 87/87 after a good shoot off with S. McDowell taking B grade and J. Peach with C grade. The 25t SB FG & VH Simpson Memorial was won in fine style by Atherton shooter and constant visitor, A. Poggioli with a 25/25 and J. Smaniotto taking B grade and junior shooter David Bowen taking a very well deserved C grade. In the 50t DB event to follow, two possibles were recorded by D. Bruce & K. Drovandi and in the ensuing shoot off, D. Bruce emerged the victor with J. Smaniotto, B grade and D. Bowen coming home with C grade. The 10t PS team event was won with a combination of good shooting by D. Bruce, J. Smaniotto, R. Simpson, N. Bruce and K. Drovandi with a score of 138/150.

Sunday morning with the weather still turning on its charm, the 10t \$300 eye opener was kind to K. Drovandi shooting 68/68 to take the pot.

The 25t PS produced two possibles by A. Poggioli and J. Wilkinson and after a good shoot off, Alan emerged the victor shooting a further 18 points. S. Zorzetto and M. Brugger were the B & C grade winners respectively. The calcutta draw and raffle put \$1895 in the pot for the winner and the only possible, 50/50 was Bob Simpson. This event also carried a special purse of \$500 for each 25, the first being won by Bob and a shoot off between seven shooters decided when A. Zappala was the last left standing, \$500 richer. Up until the Calcutta, A. Poggioli was the clear winner, having dropped only two targets to date, but then things went wrong. The 15pr Double Rise was won in fine style by Bob Simpson with a glorious 29/30, putting paid to the Overall High Gun with a score of 292/305, by two targets over K. Drovandi. The B grade High Gun went to J. Smaniotto and new junior Nick Collier, a 'bridesmaid' all week-end, took the C grade High Gun and Atherton junior, Clint Wilkinson shot consistently good to win the Junior High Gun.

The club thanks Winchester Australia for its continued heavy support, and Fuller Firearms also, for their loyal support. To the local donors, many of which are our members, the club wishes to thank you also, some of these have been donors for over fifteen years, not only with trophies, but the weeks of accumulated time given up from their businesses to ensure these big events are prepared correctly.
