### \$100 Club Insurance and Affiliation Fee

I have received a number of enquiries as to the increase in affiliation fees. The 1996 Club Affiliation Fee has increased to \$100 per annum. The main reason for this increase is that the A.C.T.A. has negotiated through our Insurance Brokers, BRA Australia Pty. Ltd. an excellent Public Liability insurance package covering all members. Clubs will therefore no longer need to have their own Public Liability Coverage (unless they wish to be insured for more than \$5 million), and will represent considerable insurance savings to clubs, some of whom currently spend in excess of \$500 per annum. Also, with this increase in fee the ACTA has agreed to pay the \$1,000 excess on each claim made under this policy. This is an excellent coverage for all in ACTA. We are also in the process of negotiating building and contents insurance for Clubs, should they desire same. More on this as it comes to hand. A full and detailed summary will be published shortly in the CTSN and will be available from the National Office.

### 1996...Introduce a new member to the A.C.T.A. - Target 2000

Whatever your preferred discipline - Trap, Skeet, I.S.U. or A.C.T.A. Sporting - why not introduce a friend, workmate, or neighbour to clay target shooting.

During 1996 we will begin our campaign to increase our membership by at least 2000 nationally and to this end the major drive shall be a National Promotional Day on Sunday, 30th June.

### Birds Only...National Championships

It is interesting to note that the C.P.S.A. (U.K.) introduced the option for shooters to compete in National Championships in 1995 for birds only.

The reasons stated is two-fold:

1. The option does not mean a significant detracton from the overall prizefund, and,
2. An opportunity to participate in a major event is available to those shooters who might otherwise not be able to afford to attend.

It is an interesting innovation - I would be interested to hear of the general memberships' view.

### Executive Committee

Mr. Graham Mahoney has decided to stand down from his position on the A.C.T.A. and V.C.T.A. On behalf of the A.C.T.A., I would like to thank him for his contributions during his term on the Committee and wish him well in his "retirement".

Mr. Vince Mollica, V.C.T.A. President, has been elected to take Graham's place on the Executive. I would like to welcome Vince to the A.C.T.A. and look forward to his input into our Association.

As a result of these changes, Mr. Ron Traill has now become the Management Delegate for Victoria.

# 1995 Victorian State Trap Carnival

Maryborough & District Gun Club in Central Victoria was the venue for the 1995 Trap Carnival.

The grounds were presented in top shape by the Club and, although numbers were down on Echuca last year, three days of enjoyable shooting took place with some good performances on the score board.

## Event 1. State Handicap

We had seven possibles after the 50 targets, one on 11 metres and the rest between 20 and 23 metres. First was Terry Pigram Wangaratta 81/81, second Craig Weaver Moulamein NSW 80/81, third Nessa Jenkins Sebastopol 66/67, fourth Hedley Harmer all the way from Geraldton WA 59/60, and fifth Nathan Cassells Maryborough 54/55, who also took the Junior prize with his 50/50. Nessa Jenkins also doubled up by winning the Womens section with 50/50, and Jack Hughes Sebastopol was successful among the Veterans with 51/53.

## Event 2. State Double Rise Championship

Russell Mark Sebastopol, with an excellent 49/50, took the Double Rise Championship Red Sash and Silver Victoria Badge outright. Overall second after a shoot-off was Paul Ryland Melbourne 65/70, and third Mark McInnes Narrabri NSW 63/70. AA Grade first was Steve Atkins Echuca 56/60, second Les Chant Albury 54/60, and third Kevin Wright Geelong 62/70. In A Grade Malcolm Absalom Boort was the winner with his 44/50, second Peter Mills Cerberus 50/60, and third Wayne Parks Wonthaggi 58/70. B Grade first went to Ian Perks Bendigo 44/50, second Luke Cassells Maryborough 48/60, third Susan Milroy Alexandra 47/60. Justin O'Brien Woods Point with 43/60 beat the C Graders, second was Nessa Jenkins Sebastopol 48/70, and third Kevin Wilde Sebastopol 45/70. Susan Milroy doubled up by winning the Womens section 41/50, while Jack Matthey Noorat was top Veteran with 41/50. Luke Cassells picked up his second Medal by being best Junior on 49/60.

## Event 3. State Double Barrel Championship

The wind had got up on the Saturday morning, but the change in conditions did not deter the 32 shooters who shot the possible in the Double Barrel. After 175 targets four remained, Wayne Parks and Roger Duthie missed in the 250's, and we were left with Russell Mark and Nathan Cassells still going and showing no sign of weakening. Finally at target 351 Russell shot his, Nathan missed, and Russell made it a brace of State Titles in two days after his victory in the Double Rise Championship. Third overall to Russell and Nathan was Wayne Parks Wonthaggi with 255/256. Roger Duthie Hamilton was first in AA 232/233, second Steve Haberman Geelong 168/169, and third Bill Eagle Echuca 168/169. A Grade first

*Russell Mark, overall High Gun, State Double Rise Champion, State Double Barrel Champion, pictured with Bob Buchan presenting the High Gun trophy.*

went to Peter Kerr Echuca 100/101, second Terry Pigram Wangaratta 81/82, and third Bill Woodward Nepean 75/76. The B Graders were led by Brian Hunter Nepean 65/65, second Keith Vagg Noorat 64/65, and third Kane Shepherd Maryborough 73/74. Top of the list in C Grade was Rodney Saligari Echuca 48/50, second Peter Sing Echuca 66/69, and third Justin O'Brien Woods Point 65/69. Nessa Jenkins Sebastopol again beat the women with 50/53, Fred Poon Wonthaggi Veterans 50/50, and Nathan Cassells Maryborough another Junior Medal 50/50. The delay to the start of the Single Barrel Championship caused by the long shoot-off for the Double Barrel has prompted the organisers to schedule the Single Barrel before the Double Barrel at next year's Trap Carnival.

## Event 4. State Single Barrel Championship

Four shooters shot the 50 targets in the Single Barrel, Steve Atkins, Robert Nisbet, Rob Viney and Roger Duthie. In the

*Open team 1995 — Trap Carnival*

shoot-off, Robert Nisbet Echuca outlasted the others to win the Red Sash & Silver Victoria Badge with the score of 85/85. Second overall was Roger Duthie Hamilton 84/85, and third Rob Viney Geelong 61/62. AA Grade first went to Steve Atkins Echuca 55/56, second Jim Finis Mildura 69/70, and third Dexter Barnes Deniliquin 75/77. Keith Calder Frankston-Australian took A Grade first 54/55, second went to Wayne Calaby Sebastopol 53/55, and third Kevin Geppert Moulamein NSW 50/52. B Grade first was Syd Anstee Bendigo 47/51, second Brian Hunter Nepean 51/56, and third Keith Vagg Noorat 50/56. Justin O'Brien Woods Point led the C Graders with 56/50, second was Kevin Wilde Sebastopol 48/54, and third Steven Parks Wonthaggi 47/54. Nathan Cassells Maryborough picked up his third Junior Medal of the Carnival with 49/50, Chris Geppert Moulamein NSW took the Womens Section with 45/50, and Bryan Addison Geelong beat the Veterans with 48/50.

#### Event 5. State Pointscore Championship

As further evidence of the good targets and excellent shooting at the State Carnival, eight competitors shot the lot in the Pointscore Championship. It took another 26 targets to sort out the winner, who was Steve Haberman Geelong 228/228. Overall second was Steve Atkins Echuca 227/228, and third Jim Finis Mildura 210/211. Interstate visitors took the top placings in AA Grade. First was Mark McInnes Narrabri NSW 176/177, second Ian Merrick Cessnock NSW 170/171, and third Rob Godfrey Geelong 155/156. A Grade first went to Bill Woodward Nepean 150/150, second Daryl Hunt Wangaratta 176/177, and third Joe Attard Morwell 175/177. B Grade first made it a double for Syd Anstee Bendigo 158/162, second Robert Hunter Nepean 157/162, and third Ian Perks Bendigo 144/150. Nessa Jenkins topped off a good Carnival for her by winning C Grade with 141/150. Second was Trevor Mullins Mornington 140/150, and third Justin O'Brien Woods Point 141/153. Nathan Cassells made it four out of five Junior Section wins (his brother Luke won the fifth) with 147/150, Joanne Kerr Echuca took the Womens Section 144/153, and Keith Mules S.A. was top Veteran with his score of 149/156.

# Junior Classic Age Championships

Canberra's Majura Park Gun Club is the venue for the inaugural Junior Classic Age Clay Target Championships on Saturday 2nd March 1996.

The Championships have been organised by the NSW Junior Shooters Promotional & Development Committee, which committee acknowledges the co-operation of Majura Park Gun Club and the NSW-ACTA.

Competition will be confined to the following age groups - U'12s, 12 years, 13 years, 14 years, 15 years, 16 years and 17 years, with sectional age groups being calculated by the age of the competitor on the day of competition. ## Bute Gun Club *Last shoot at old grounds*

There was a certain degree of sadness as the club conducted its last shoot on its existing grounds just north of Bute on 15th October, the first having been held in September 1953. New facilities are being established at a site on Warburto Road, which is located south of the airstrip midway between Kadina and Wallaroo. The first shoot will be held on 3rd March 1996. Eric Commons, that much travelled and well-known shooter has been President of the club since 1966 and presented trophies to the following shooters:

Event 1. 5 Tgt EO - C. Smith, W. Moritz, T. Bowman

Event 2. Presidents DB C'ship - A Grade, C. Smith 24/25; B Grade & OA, R. Thompson 29/29; C Grade, D. Bowman 19/25.

Event 3. 25 Tgt PS Cont. C'ship - A Grade, C. Smith 68/75; B Grade & OA, P. Hannan 71/75; C Grade, D. Bowman 58/75.

The Committee's objective is the promotion and development of Junior Shooters. At a time when Australia is leading International Clay Target competitor, and at a time when many sporting opportunities exist, the Championships are there for our Juniors and thinking Clubs.

Mark the 2nd March 1996 on your calendar and look for event details next month.

## Club Junior Coaching Day

The small club of Crookwell, which is situated in the southern part of NSW country, have for some time encouraged juniors. Along with the rise in juniors and new members came the problem of these shooters not being coached properly.

Earlier in the year four of the clubs juniors travelled to the Narrandera Junior Classic and they all shot personal best scores. They won a number of titles and importantly caught the eye of coach Fred Schmetzer.

The club, at present, has two juniors representing zone - one going on to make the State Junior team, and another club junior in the Australian Junior Trench team.

One of the major problems facing the club is that with most of our juniors and new shooters coming from rural backgrounds, don't have the financial backing to travel the long distances to coaching days. Time is also a factor with most of the shooters, working weekends and after school to get enough money to shoot once a month. They do have one advantage, gaining natural talent in field shooting because they start at an early age in the farms.

The clubs next step, therefore, was to organise a coaching day for their members. This was done with Fred Schmetzer and set down for 21st October.

With a 10am start, 10 juniors and 14 C graders turned out on a misty morning. First off was an hour talk by Fred on the mechanics of the sport. Most importantly, eye alignment, the use of peripheral vision for target identification were all discussed at length followed by a session of questions and answers. The shooters then went out to shoot some straight aways, with some of the more advanced shooters broken up into groups and given a rotation of tasks to perform. By the time everybody went through their tasks it was 1.30pm and with Fred losing his voice, the coaching session finished to enable our monthly shoot to commence.

The morning proved to be greatly appreciated by the club, and in particular those members who attended. A follow up day is planned for 1996.

Clubs in all sports need juniors and C graders or your club becomes stagnant and loses its appeal. These coaches are available whether in your own club or a day set up by a state body.

Our appreciation goes to Fred for a difficult job made simple and understandable for the new shooters and if clubs want to approach Fred they can do so on 069 557270.

Publicity Officer, Crookwell GC (Inc)*

# Victorian North West Zone Carnival

On Saturday the 28th October the North West Zone Carnival was held at the Maryborough Gun Club.

Eighty-one shooters competed over the four event programme. The drawcard for the carnival was a five hundred dollar overall High Gun and one hundred dollar Grade High Gun.

The carnival was sponsored by Bay City Clay Targets,

Stewart Gillman, Jim Shepherd and Gary Cassells. The zone committee thanks these donors very much.

Most clubs in the North West Zone were represented at the Carnival.

The Maryborough Gun Club committee had the grounds and facilities in excellent condition and the women in the kitchen worked hard all day.

Full details of results can be found in the result section of the CTSN.

# Bundaberg Gun Club Inc

Bundaberg Gun Club held its annual two-day shooting Carnival on Saturday and Sunday, the 28th and 29th October.

It was pleasing to see a good roll-up of shooters for this event in such perfect weather conditions. There were some good scores recorded over the two days of shooting.

One of our local shooters, Peter Winzen shooting to 160 targets to win one of the events.

Shooters travelled to the shoot from Gladstone, Mungungo, Clermont, Brisbane, Sunshine Coast, Terranora Lakes, Maryborough, Rockhampton and Roma.

An average of 55 shooters attended the shoot over the two days shot in very good conditions with no rain in sight.

The championships were shared around the shooters with no shooter taking out more than one championship.

Mike Kelly from Roma Gun Club took out the Rum City Triple Championship with a score of 50/50 after a shoot-off. Quinto Porfiri shot well to win the Overall in the Wide Bay Bricks Single Barrel Championship, Rob Rehbein the Alan Powell Ford Points Championship with a score of 75/75. Trevor Petersen won the 15 Pair Double Rise Championship with a score of 29/30, Mike Swale from Sunshine Coast won the Winchester Point Championship with a score of 75/75, Paul Anderson taking out the money event after a good shoot-off with K. Palmer and Rob Rehbein. His score for 1st was 67/67 from 20 metres, and Peter Shaw from Maryborough waited to the last event with the Wide Bay Capricorn Building Society Continental Championship with a score of 89/89.

*1st B Grade D/Rise Champion, Clinton Groves*

This is our last competition shoot for the year and our next shoot will be the annual Christmas break-up shoot on the 3rd December, commencing at 1.30pm, along with our Annual General Meeting commencing at 11.00am. Any persons interested in this type of shooting please contact Kaye Rehbein at Rehbeins Guns & Fishing, 35 Targo Street, or on 513-194.

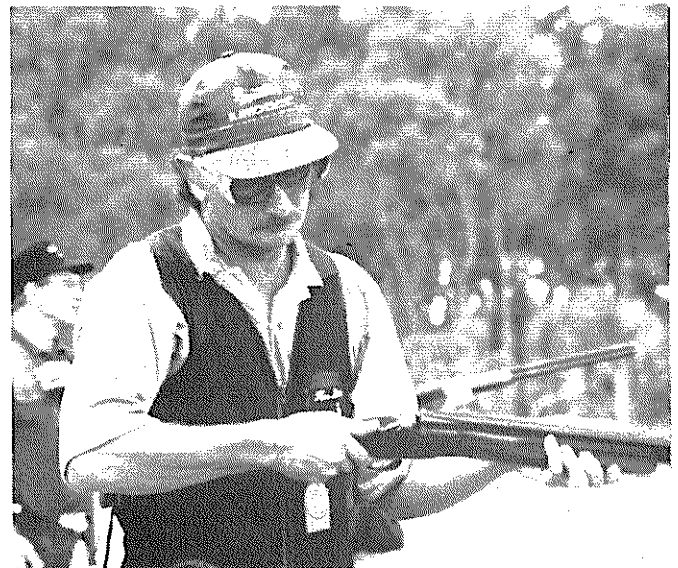

Thanks to our generous sponsors again this year. Thanks to Winchester (Olin) Australia, Primac, Bundaberg Sugar Co., Widebay Bricks, Wide Bay Capricorn Building Society, J. & R. McCracken, Austoft, Patron Ted Jensen and Alan Powell Ford. Thank you once again for your support.

*Peter Winzen, on right, Overall winner Wide Bay Capricorn Building Society D/B Champ. Left to right — I. Wynyard, P. Shaw, B. Stolberg*

Points of interest from this shoot: In the Double Barrel Championships we had 26 possibles, 16-24's and 6-23's. This is a record for Bundaberg and showed the perfect targets that were thrown. In the handicap event we had 6 possibles (mostly Back markers), 23-29's, 10-28's and 6-27's for this event.

For full details on the results, please turn to the Queensland section in the back of the C.T.S.N.

Happy New Year to all and hope you had a great Christmas. First 2-day shoot for year in our area, Sunshine Coast 2nd weekend in January (13th-14th), followed by Kingaroy 1st weekend in February (3rd-4th) (see C.T.S.N.). Stafford Smith headed off to the Clermont's two-day shoot (being Barry Nasser country) and after a couple of rounds they took his score card and marked it AA. But this didn't deter Stafford - he took a 1st and two 2nd in AA Grade, but what Stafford did enjoy was the camp oven tea, cooked by David Henderson, brother to President Peter, and Stafford would like me to congratulate and thank David on a beautiful meal.

I was talking to an old shooter the other day, and he told me there were three things that happened when you get old - the first you lose your memory and, er, I can't remember the other two, he said. I thought he was talking about me.

Rum City Championships, 28th and 29th October 1995.

Sorry we missed the shoot, but the best-made plans can go astray. Anyway, we saw the best of it on television, and they left the weather to Kaye and got the order right with two great days.

At long last Bundy got the weather they deserve as it is a good shoot, and it was one of the best television covers we have had. Thanks Kaye for the results. Bundy doesn't shoot early January, but a phone call will put you right.

Top shooters for the two days being in 30T Triple C'ship M. Kelly OA, G. Redmond AA Grade, P. Winzen A Grade, A. Habberkorn B Grade, M. Jacobi C Grade, K. Rehbein Ladies, R. Barker Juniors, B. Nasser Vets; 25T SB C'ship Q. Porfiri OA, G. Whitefield AA Grade, W. Dupuy A Grade, A. Powell B Grade, G. Rapley C Grade; 25T DB Pts C'ship R. Rehbein OA, R. Fett AA Grade, G. Darr A Grade, A. Habberkorn B Grade, G. Rapley C Grade; 15 Pair DR C'ship T. Petersen OA, N. Berry AA Grade, P. Shaw A Grade, C. Groves B Grade, G. Rapley C Grade; 25T DB C'ship P. Winzen OA, G. Whitefield AA Grade, B. Nasser A Grade, J. Woodall B Grade, C. Smith C Grade, K. Rehbein Ladies, B. Petersen Juniors, B. Nasser Vets; 25T Pts C'ship M. Swale OA, G. Whitefield AA Grade, B. Nasser A Grade, A. Powell B Grade, C. Smith C Grade.

Gympie, 12th November 1995

With an overcast day, it was nice to meet another Fett, this one Bryce of Warwick, brother to Rod, also at the shoot. Brett Brown, who we used to call Browne, but now there is a new up-coming shooter Greg Browne, so we can't call Brett Browne anymore, so everyone trying to get a new nickname for Brett - some I can't publish - but with his type of business, I think it could be Big Mac. Also Barry Power, Eddie Smits, Ray Wilson, and thanks Norm Keech for the Sunshine Coast Gun Club cap (the club these shooters belong) who was rewarded by winning the ham raffle. Hope it fixes your ribs Norm. A Bundy visitor, Peter Winzen, who was doing the shoot then off to a break at the coast (hope you have a good trip Peter), the remaining visitors Harry and myself not shooting for five weeks with problems not in our control. Shooting as follows: 25T DB Cash A 1st Rod Fett, B 1st George Foster, C 1st Garry Carew - 25T DB Cont A 1st Bryce Fett, B 1st Norm Dale, C 1st Greg Browne - 15 Pair DR A 1st Rod Fett, B 1st George Foster, C 1st Dave Gardner. 25T South-East Zone Tower C'ship - this is where Wal came out of the office, shot the possible, and went

back running the shoot with not even a smile. Results: taking trophy and sash Glen Durrie (good shooting Wal, or now called Wal-A-Gater), 2nd the out-foxed fox George Foster, B 1st Brett Brown, 2nd Norm Dale, and C with both shooters only two down after a shoot-off 1st Harry Walker and 2nd Dave Gardner. Top guns of the day Rod Fett (still wearing his gold brooch) A Grade HG, Brett Brown B Grade HG and Harry Walker C Grade HG. And after Wal took off the S.E.Z. Tower C/S he blew the jackpot after six - next time, Wal. Also if you are writing to Norm Keech, he has the title of Norm Keech, Vet. Hope you had a Happy Birthday, Norm. Nice to see John Pickford back at the traps. Good to see you John. Gympie shoot 21st January.

Maryborough A.G.M. and Club shoot 26th November 1995

Our Club members offer our deepest sympathy to wife Netta, daughter Sharon and son Ken of their great loss of husband and father Les Greensill, a great friend and sportsman. You will be missed Les.

This year the Club's Christmas get together was held at one of the member's (Peter Pagliarino's) home hold a BBQ. Thanks Peter.

The A.G.M. didn't hold any surprises. As in all small clubs, it is nearly the same with a few small changes with Paul President, Peter Vice-President, Holly Secretary and Treasurer. We are very thankful to have Holly and the job she does. Andy Captain, Dick Vice-Captain, Chris Shoot Marshall, Peter Shaw Vice-Marshall, Margaret and Eileen had no one to beat for the kitchen with Any, Dick, Harry and Darryl maintenance, and Dick and Chris our coaches with Chris our S.E. Zone Coach and yours truly publicity.

Thanks to visitors Howard, Gino, Keith and Irwin from Bundy and Dave from Gympie, and also new shooter to area Dale Smith from Coolangatta - hope you enjoyed your shoot and hope to see you shooting with us in the future. Dale had the pleasure of pushing Peter in a shoot-off in the SB C/S. Better luck next time Dale. Results of the shoot can be found in the back section of the C.T.S.N.

High guns went to Irwin Wynard in A Grade, Norm Dale B Grade, and Howard Sparke C Grade, who shot very well for the time he has been shooting.

For her hard work Holly was rewarded by winning the meat tray raffle. Andy Drew won the jackpot, but let it get a bit bigger, and the Quickie Board beer prize Howard. Our club shoot in January, Sunday 28th, noon start.

Good shooting to all. Till next time, see you at the shoots.

# BOORT CLAY TARGET CLUB

## Ken "Nugget" Burton Shoot

**On the 21st of October the Boort Clay Target Club held the second Ken "Nugget" Burton Memorial Shoot. 61 shooters braved the less than ideal conditions.**

The day's program began at 9.30am with the 30 target Boort Lakes Points Score Graded Championship. In this event only 2 possibles were shot. Only one target was required to decide the overall winner, this being Jon Whittakers (Deniliquin) 93/93 over Bill Iles 92/93. A Grade was taken out, after a short shoot-off, by R. Glen (Deniliquin) 97/99 from D. Down (Nepean) 94/97. Andy Day (Swan Hill) won B Grade outright with 87/90 over G. Eagle (Horsham) 82/90. Junior St. Arnaud shooter Nick Kay won C Grade with a score of 79/90 from R. Salagari (Echuca) 77/90.

The second event was the Ken "Nugget" Burton 60 Pair Double Rise Graded Championship. The generosity of Kerang Ibis Traps, through Fay Burton, was shown with traps being made available for the overall winner, and the winner in the 3 other grades. The Club and its members thank Faye for her generosity and continued support.

After the 60 pr had been shot 2 shooters, Roger Duthie (Hamilton) and M. Medhurst (Mt. Gambier) were equal on 111 after an extra 5 pr. Roger took out overall with 121/130. He also won the Perpetual Cup, which was donated by Andy Day, for the second time. M. Medhurst was 2nd 119/130. Steve Atkins (Echuca) came in 3rd with 110/120. Apart from a short shoot-off for B Grade places, no other shoot-offs were required. Maybe the wind had something to do with this.

A Grade went to R. Glenn (Deniliquin) 103/120 with Philip Down (Nepean) 100/120 2nd. Ossie Hayek (Melbourne) came in 3rd with 86/120. Ken Kaye (S. Arnaud) took B Grade outright with 96/120. N. Blackmore 2nd and C. Robb 3rd (Echuca) shot off to decide their placings. C Grade went to R. Salagari (Echuca) 94/120 from Geoff Strauss (Jeparit) 93/120, with 3rd place going to David Pay (Kerang) 91/120. The Junior trophy went to Philip Down. Local shooter Sue Pay won the Ladies 87/120, and Geoff Strauss won the Veterans. The day's program concluded with the 30 target Lagoon Lodge DB Graded Championship.

At the conclusion of the 30 targets, 13 shooters had shot the possible. Roger Duthie was the eventual winner with 148/148 from Craig Weaver (Moulamein) 147/148. Local junior shooter Brett Evans 89/90 was successful in A Grade from Ray Peatling (Cohuna) 61/62. B Grade went to C. Robb (Echuca) 28/30 from local shooter R. Whytcross 27/30. Once again C Grade went to R. Salagari 36/37 from G. Strauss 35/37.

After a break for a BBQ, the night program commenced, the event being 50 Target State Night Cont. DB Graded Championships. This event saw 32 shooters nominate. By this time the wind had dropped but so had the temperature.

Only one possible was shot, so R. Glenn (Deniliquin) 50/50 took out Overall and A Grade. Second in A Grade went to Paul Pearce (Kerang) 44/50. A shoot-off was required to decide AA Grade. Bill Iles took this out with a score of 56/59 from club member Steven Rigney 55/59. Another local to get among the winners was Randall Whytcross who won B Grade with 35/50. Another shoot-off was required to decide C Grade. Geoff Strauss 46/56 came in ahead of K. Wilde 45/56. Two club members had success in the Ladies and Juniors. Sue Pay won the Ladies 43/50, while Brett Evans won the Juniors 39/50.

High Gun: Overall - Roger Duthie 274/290; A Grade R. Glenn 270/290; B Grade C. Robb 225/290; C Grade R. Salagari 239/290.

Even though the weather conditions could have been better, the day was a great success, mainly due to all who helped prior to and on the day. With only a minimal number of members, it was pleasing to see the visitors help with refereeing and scoring when asked. This helps small clubs run smoothly. The ladies did a fantastic job providing food and drinks all day. This was greatly appreciated. To Ian and Ray, for working so hard in trying conditions to have the grounds looking so good, a big thank you. Thank you also to the following sponsors - without your continued generous support this day would not have been as successful.

Sponsors: Kerang Ibis Traps P/L; K. & J. Bruns and family; Lagoon Lodge (R. & P. Whytcross); Stewart Gillman P/L; J.D. & L.G. Clark Transport P/L; M. Absalom; Q .B.A. Enterprises (N. Quick); A. Day; N. Watts; R. Ross.

Raffle results - 1st Case shells Lucy Evans (Boort); 2nd 1/2 dressed lamb Craig Weaver (Moulamein).

## Vic does the Trick

Vic Tomasoni, the popular tobacco farmer and emu grower from Smoko near Bright in North Eastern Victoria was absolutely ecstatic when he won the Wangaratta Clay Target Club's 1995 Champion of Champions trophy on November 16th.

At presentation Vic said that he was very happy to win, as he felt he was only there to make up the numbers in amongst shooters of the calibre of Bill Eagle, and it made him feel so proud just like when he gets a good crop of tobacco.

Other contestants were Daryl Hunt and Ken Maurey from Wangaratta, Enio and Peter Cavedon from Myrtleford, Ron Duffy and Shane Pinner from Albury, Phil MacFadyen from Mooropna and Robert Dale from Showmans Club, all of whom were winners throughout the year of the clubs monthly high gun trophies.

Vic's joviality could be heard all over the ground for quite some time after scoring a perfect score of 18/18. This win follows on from Vic's recent success when he took out the Mt. Bogong Champion of Champions.

The final of the Junior Champion of Champions was also conducted on the same day. Michael Ware, the club's hard-working junior committee member, won convincingly with a score of 17/18.

### Les Greensill 1935-1995

It is with great sadness that members of Maryborough Clay Target Club (Qld) say farewell to Les Greensill, whose untimely death on October 26th has deprived us of a long standing member and friend.

Les was a founder member of the original Maryborough Gun Club in 1961, President for three years from 1966 and a keen shooter for many years. In recent years ill-health forced Les to curtail his shooting but his enthusiasm for the sport lives on.

The President and members extend their deepest sympathy to Les's wife Netta, son Ken and daughter Sharon.

### Tribute to Mr. Max Sim

The Coleambally Clay Target Club has recently lost one of its long-time members in Max Sim.

A short tribute to Max Sim (Simbo) as he was known to us. He was a one to one man who would always strike up a conversation with anyone who was willing to listen.

Max's main loves in life were his family, clay target shooting and fishing with the boys.

Over the last few years he had a lot of personal grief, with the loss of two sons. As well as his own troubles, but through it all Max kept shining on. Max was always willing to give a hand or lend machinery to anyone to help them out.

We are only a small club and we value our members very much. But in the end Max lost the battle and we will miss him very much with his humour and wit. So have an amber for us Max.

To those registered junior shooters without any other Clay Target members in the family, welcome to your first issue of the Clay Target Shooting News.

This magazine is now being posted directly to you at the ACTA's expense.

We hope you will enjoy reading the information provided on your sport of clay target shooting, and keep further informed of relevant information.

To those junior shooters who in the past have paid an extra dollar value to receive the magazine, this is no longer necessary.

It is with our compliments to you.

# 1995 NSW Shooter of the Year

The annual NSW 'Shooter of the Year' awards were held for the fourth year in a row in Sydney, but this year, the event was moved to the more glitzy setting of the famous Luna Park.

The awards, conducted by the NSW Shooting Association, and its subsidiary body, the NSW Firearms Safety Awareness Council, were held on Friday 3 November 1995.

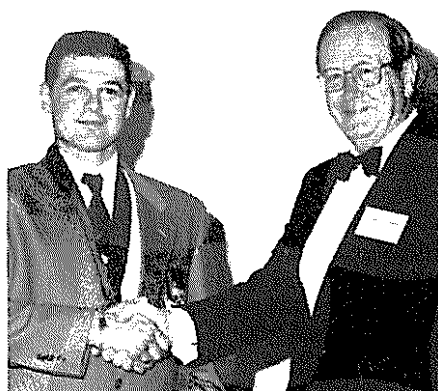

The special Guest of Honour for the evening was NSW Minister for Sport and Recreation, the Honourable Gabrielle Harrison MP. The evening was compared by Master of Ceremonies and Channel 10 television personality, Ron Wilson.

The function was attended by over 200 guests representing all shooting clubs throughout the state. Other special political guests were Senator Bob Woods, representing the Federal Shadow Minister for Sport, Mr Michael Richardson, representing the NSW Opposition Leader; and the Honourable Jim Kaldis, MLC from the NSW Legislative Council.

Leaders of the sport, other distinguished guests and representatives from the firearms industry combined well with the many representatives from target shooting and hunting clubs. An enjoyable evening with an excellent dinner and top class entertainment in the impressive surroundings of the Luna Park function rooms was had by all.

Numerous deserved nominations were submitted by shooting clubs from throughout the state, but only two finalists from each of the shooting disciplines in NSW could be selected, making a total of 18 finalists. The first finalist received a sterling silver medal and \$200 cash prize, and the second finalist was awarded a bronze medal and \$100 cash prize. The awards were in recognition of outstanding performance or achievement in competition shooting or a related shooting sports activity in the preceding year.

The bronze medal for clay target shooting went to Ben Kelley of the NSW Gun Club at Terrey Hills. Although he is only 18, Ben already has a very impressive list of achievements in clay target shooting. He was the Victorian State Junior Champion in 1994, the South Australian

A grade Champion and South Australian State Junior Champion in 1994. This year he was selected to train at the AIS in Canberra as part of the national junior development program and is a scholarship holder on the Olympic Athlete Program.

In the Oceania Championships this year Ben was the winner of the Senior Mens Overall Championship in Olympic Trap and came 3rd in the Senior Mens Double Trap, securing an Olympic quota place for Australia in the 1996 Atlanta Olympics. In June this year Ben participated in the World Cup and Grand Prix in Finland, earning a bronze medal in the Senior Mens Teams event in double trap. He moved on to the World Championships in Cyprus and came 3rd overall in the Junior Olympic Trap. He also received a bronze medal in the Junior Teams event, was placed 5th overall in the Junior Double Trap and 4th Overall in the Junior Teams Double Trap events. In addition, in the 1994 World Championships, he was a member of the Australian Team which won the silver medal in the Open Teams event. Ben is rated as number one National Junior in both Olympic Trap and Double Trap Clay Target Shooting. Ben was a well deserved winner.

The Clay Target Shooting silver medal was awarded to Michael Diamond also from the NSW Gun Club. This year Michael has focused his attention principally at higher level competition, but, last year in the New Zealand Trap Nationals he won the Overall High Gun event and established a new world of 2048 consecutive targets. This year Michael won the gold medal in individual and in teams in the double trap clay target event at the Oceania Games in Auckland. He was also the double barrel overall winner in the Australian Olympic Trap Nationals conducted in Melbourne and the Overall High Gun winner in the Mackintosh International Teams Event. On the International scene, Michael participated in the World Cups and World

Championships. In Korea, he won the World Cup gold medal in Olympic Trap and also equalled the world record. He followed this up with a silver medal in the World Cup in Japan in May, and then in the World Championships conducted in Cyprus in July, Michael again won the silver medal. A splendid achievement.

The overall winner of the Gold Medal and \$1000 cash prize was selected from the 18 nominees and the 1995 Shooter of the Year and gold medal winner was also Michael Diamond. His record was impressive even among the many quality performances recorded by all the finalists.

Michael was presented with his medal and winner's cheque by the Minister for Sport and Recreation, Gabrielle Harrison.

During the presentation ceremony, the President of the NSW Shooting Association, Alex Comino announced that the NSW Shooting Association had formed a consortium and responded to the Government's call for the private sector to build the 2000 Olympic Games shooting facility. The proposal put forward was for the entire facility to be built at no cost to the Government. Mr Comino said; "All forms of shooting have a focal point in the 2000 Olympic Games in Sydney and the Shooter of the Year awards play an important role in encouraging all shooters."

Also on the night, the Chairman of the NSW Firearms Safety Awareness Council, Charles Copeman, presented a special award of 'Firearms Safety Officer of the Year' to Robert Pye of the Cacciatore (Diana) Association. This award was in recognition of his outstanding performance as a safety officer, particularly within the Italian community and for his overall contribution to the sport. Robert has personally conducted over 300 firearms safety tests and is an extremely strong supporter of the firearms safety scheme and the sport of shooting.

Following is a light-hearted poem called "Our Large Bald Friend", by his mates at Roma Gun Club.

### "Our Large Bald Friend"

*By his mates at Roma Gun Club  
This large bald man we knew him well,  
We call him mate I s'pose,  
But now we have the chance to tell,  
We'll put his tale to prose.*

*Tw'as a cool and friendly evening  
and the liquor had flowed free.  
The BBQ was excellent,  
He'd enjoyed his drinks with glee.*

*But slowly as the night wore on,  
His face it glowed bright red,  
He headed off, one job to do,  
Before he off to bed.*

*Tw'as dark that night, no moon at all  
As he headed to the loo,  
But he'd walked this line many times before  
And always straight and true.*

*Upon arrival he dropped his tweeds  
and left the door ajar.  
He couldn't see a thing in there  
the lights were off afar.*

*Now he is a simple fellow  
who enjoys the simple things in life,  
And it was this pure enjoyment,  
That got him into strife.*

*Now we don't know when he dozed off,  
Whether load was dropped or not,  
But we do know when he woke up  
That he had to cop some rot.*

*For there was paper when he entered  
But none when he departed,  
He swears he didn't wipe his arse,  
Perhaps he only farted.*

*But this mystery may have more to do  
With where he spent the night,  
Astride the open ladies loo,  
Could some woman have got a fright?*

*For women are such caring souls,  
I'm sure they wouldn't see,  
A dirty bum on a large bald man,  
Trousers round his knees.*

*We wish you all to know this man,  
But name him we don't dare,  
But Chinchilla was the Gun Club,  
He has a large hole in his hair.*

*We hope you haven't guessed his name,  
For of one thing we are sure,  
He would never aspire to this fame  
If he'd only shut the door.*

## Winchester "Top Gun" Update

The first six months of the 1995/1996 Winchester "Top Gun" awards have seen a record amount of participants and prizes won. Awards have now been won in every State Category and Discipline.

Some notable achievements have been Ray Porter's excellent performance at the National Skeet Titles in Brisbane where he won the National Doubles and High Gun as well as 4500 bonus shotshells from the awards. Arthur Turner won 2500 target loads at the N.S.W. Carnival in Tamworth for his wins in the Double Barrel and Point Score as well as a break of nearly 600. Two Juniors have established themselves as early favourites for their "Top Gun of the Year" award. Nathan Cassells from Victoria had an exceptional State Trap Carnival in Maryborough and Derek Bruce from Cairns shot a brilliant 123/125 to capture the Junior National Olympic Trap Title.

Reg Clarke from N.S.W. continues to dominate the Veterans in American Skeet, but in Townsville he also claimed the Open National Skeet Championship to show everyone that age is no barrier in Clay Target Shooting. Ann-Maree Roberts from Melbourne has shown continued improvement in Ladies Double Trap with victories in both the Victorian and N.S.W. Ladies Double Trap Championships, as well as securing the Commonwealth Title in Perth with a world class score of 104/120. Clive Barton and David Cunningham shared honours at the National U.I.T. Skeet Titles by taking several cases of shotshells each for their efforts over the week.

At this stage, there is no clear cut leader for the Overall "Top Gun of the Year". This year the winner will receive a Beretta 682 Shotgun as well as 5,000 rounds of ammunition.

## NEWS AND UPDATE

# Australasian-Pacific "Grand Prix"

19th-24th March 1996

Brisbane Gun Club is again gearing up for the holding of the Australasian-Pacific "Grand Prix" of Olympic Discipline clay target shooting, which will be held at the club from the 19th to 24th March.

The success of the inaugural event, which was held in March 1995, has virtually guaranteed the "Grand Prix" of greater success in the future, with the organising committee believing that there will be no doubt that the 1996 tournament will attract a far wider range of competitors and will see the filling of all shooting positions in the Olympic Trap and Double Trap championships well before the closing date of 1st March.

As early as November 1995, over two-thirds of the Olympic Trap field was filled - competitors from 7 nations had expressed interest and the tournament had been officially nominated as a National Training Squad elimination venue. The Olympic Team will also be using the Australasian-Pacific "Grand Prix" as an official build-up event for Atlanta.

What more can be anticipated - well, the answer is lots more!

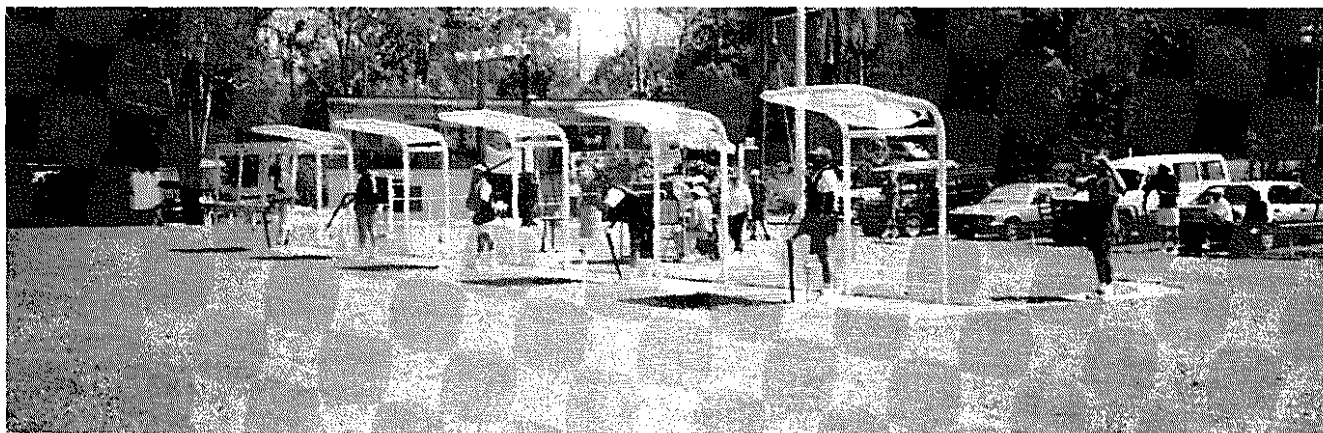

For 1996 Winchester, representing their own products as well as Beretta; the Fuller Firearms Group - distributors of Browning and Miroku; Austral Gun Company - promoters of Perazzi and SKB; and Raytrade - Australian distributors of Remington and Focchi, have all indicated their support for the "Grand Prix".

With a team from Japan already nominated and paid for, and entries from New Zealand, New Caledonia, Asia, Europe, America and every State and Territory of Australia on paper, the 1996 "Grand Prix" will offer the best competition ever offered to Australian Olympic Discipline shooters. Never before have the everyday shooters of Australia been offered the opportunity to compete in an international competition with so many countries represented.

The "Grand Prix", now established as an annual event in Brisbane, is shaping up to be "the" international event on the Australian calendar, if not the Southern Hemisphere calendar, and will no doubt offer the international competition so badly needed by many of our national team members and members of teams from other countries in the future.

As was the case in Brisbane in March 1995, the organisation for 1996 will again be of the highest quality. Plans are well underway to have a greater array of medals and awards in 1996. The program has been increased to accommodate those shooters wanting to shoot more targets, and the organisers are committed to making the entire tournament a friendly competition, and one which will guarantee all in attendance the quality of competition that is required.

"With a club and Organising Committee as dedicated to success as ours" says Chairman Dan Moffitt, "the 1996 "Grand Prix" can be no less than a sell-out. If shooters are contemplating coming to Brisbane for the 1996 "Grand Prix", then they should nominate now. There is no doubt that by the closing date of 1st March, there will not be any positions left in the field for most of the events, and unfortunately we

will be placed in the position where we will have to knock competitors back, or place them on a waiting list - great for us, but not good for those shooters missing out."

The 1996 Australasian-Pacific "Grand Prix" will be an outstanding success both as an international competition and as an important event for Australia's Olympic Discipline shooters. # Tips on how to shoot your problem target at trap or skeet

*By former Victorian State Coaching Director, George Biggs*

I well remember as a beginner clay target shooter when a hard right angle target would frighten the hell out of me from station 5. A hard left from station 1 also had me in lots of trouble before I could figure out what I was not doing the proper way.

In those days some 45 years back we were all self appointed experts on how to shoot better scores at clays.

Strangely enough I have never had a problem with the straight away from any station, simply because I have always recognised the angle and swung up quickly and smoothly, touched the target with the bead and pulled

the trigger and followed through. I have learnt very early in my career how important it is to swing and follow through, the swing is important. Proper foot position, especially on lane 5 is vital. Most shooters who have trouble with the straight away and there are lots of guys who simply cannot face this target with much degree of confidence. If you are one of these shooters, this is what I would suggest you try doing.

Firstly check with someone you know can give you the correct following advice.

1. Does your gun fit you as it should?
2. Are you mounting the gun correctly on shoulder?
3. Is your face properly positioned on the stock?
4. Remember correct footwork on each station is vital.

Note: If these 4 details are not correct, you will not have gun and eye alignment, which means you will not be pointing the gun where the eye is looking. This will mean a lost target.

Having checked that your gun fit is ok and that we have no problem in mounting on the shoulder and pointing on target, let's look at how we are positioning our body on each of the five lanes. Most shooters seem to have trouble with the straight away from lane 3.

Position of the feet must be the first consideration as you get ready to call for the target. Remember, do not call until you are ready!

Photo 1 will show comfortable well balanced position of feet that will allow free and easy body movement either left or right or anywhere in between. Note how the left foot is pointing to a position similar to one o'clock on the clock face, the right foot is pointing to a position just past two o'clock, and the feet are roughly about 12-15 inches apart. Both knees are just slightly flexed to allow body weight to move from one foot to the other if required.

The gun when properly mounted on your shoulder will cross over the base of the left big toe towards the little toe during the process of swinging the gun on to and with the target. At this point a little more weight should be transferred to the left foot and a slight lean forward from the waist. This will help to keep balance and lessen the effect of recoil, while all this is happening do not forget to keep your cheek snug down on the comb.

Failure to keep your head down on the stock is the reason many straight away targets are lost. Slowing down the swing of the gun on to target or stopping the gun swing as you come on to the target are bad habits some shooters find hard to break.

Another bad habit is moving the gun before the target appears.

Looking down the Barrel.

Photo 2 shows what you should see as you look down the

*Photo 1*

Photo 2

barrel rib with cheek snug down on the comb of the stock.

Note how the two bead should look as you align the gun and shooting eye. Also not how the centre bead is not touching the base of the front bead. It is preferable to have a couple of inches of rib visible behind the front sight bead.

As you swing on to the target the muzzle should just brush the bottom of the target, which should be wholly visible on the end of the muzzle. Lead is established, trigger is touched off and follow through is completed as you see the target break.

One point to remember here is don't ever blot the target out with the muzzle, if you do you will probably shoot high and miss, which often happens on a straight away target.

Photo 3. Note how the butt of the sock is nicely in on the shoulder allowing the shooters face to be naturally positioned on the comb in a natural look ahead position without strain.

Note also the angle of about 45 degrees at which the gun is across the chest when properly mounted on the shoulder.

Incorrect gun positioning on the shoulder will causes no end of trouble, simply because you become unaware of what is causing poor gun pointing.

Target lead and how do we handle it. I am sure very shooter will know that if a target is moving at a certain speed we cannot point the gun directly at it and hope to break it. What we have to do in order to break the target that is travelling around 60-70 miles per hour, is allow for the distance the target will travel while the shot pattern is getting out to where it will break the target.

Position of gun hold and target lead are individual factors to a certain extent because of the variations in individual reflexes. Some people will be fast and others

will be not so fast, so you must learn to figure out your own leads and other positions to suit your own style. The leads I have quoted here are actually only for reference purpose, remember lead is relevant to the speed of your gun swing. So if I swing faster than you, I will not need quite so much lead, this is why it is impossible to give a person an exact measurement of what lead he should allow. The best advice is swing fast on to and past with trigger let off as you see the lead ahead of the target and follow through. The swing will take care of the lead factor providing you do not stop or slow down the gun swing as you approach the target. Slowing the gun swing is the cause of many targets being lost.

Maximum concentration should be on seeing the target bright and clear as it leaves the trap house. The powers of concentration should be operating 100% in order to get maximum results shot after shot. Concentration is to do mentally what we must do physically.

Due to limited space in this magazine it is not possible for me to go into an indepth description of all the problems associated with shooting the problem target. If the reader is still interested he/she will find interesting reading in my recently published book on 'How to Shoot Better Scores' at trap and skeet shooting, also on video tape. Book priced at \$20, video \$30 plus \$3 postage.

## Junior Shooters

Canberra's Majura Park Gun Club is the venue for the inaugural Junior Classic Age Clay Target Championships to be held on Saturday 2nd March 1996. The Championships have been organised by the newly formed Sub-Committee of the N.S.W.C.T.A., the N.S.W. Junior Shooters Promotional & Development Committee, which acknowledges the co-operation of the Majura Park Gun Club and the N.S.W.C.T.A.

Competition will be confined to the following age groups - U 12's, 12 years, 13 years, 14 years, 15 years, 16 years and 17 years, with sectional age groups being calculated by the age of the competitor on the day of competition. Sub-Juniors will be restricted to the 13 year age group and under, whilst all shooters will compete for inclusion in classic teams of Sub-Juniors, Juniors and all age as appropriate.

The Juniors Shooters Promotional & Development Committee comprises of Paul Lyons as the President, Therese Nealon as Vice President/Treasurer, Kent O'Brien as Secretary, Ray Kearns as Publicity Officer, Fred Schmetzer as coach and Les Aberley as N.S.W.C.T.A. Executive Committee representative. The Committee is working hard to ensure the conduct of the Championships will be second to none, and invites Junior shooters, parents and clubs to participate or encourage participation in what promises to be a top event.

The Committee's objective is the promotion and development of Junior shooters. At any time when Australia is a leading international clay target competitor, and at a time when many sporting opportunities exist, the Championships are there for our Juniors and thinking clubs.

Mark the 2nd March 1996 on your calendar and look for event details next month.

## Sports Vision Workshop

A very successful sports vision workshop for the N.S.W. Junior Development Squad, their parents and coaches was held on Saturday 4th November 1995 at the Illawarra Gun Club, Dapto.

It was particularly pleasing that so many parents were in attendance to learn more about the relationship and benefits of good sports vision to athletic performance. "A very helpful day", "a very well presented eyeopener" and "it was a great lecture" were some of the comments from those who attended the workshop.

Only two of the thirty in the group were aware of sports vision. This tends to match with the typical results from sports vision screenings performed at the 1992 Barcelona Olympics, the 1994 Lillehammer Olympics and at some recent Australian Championships. For example:

- \* 37% of athletes had less than 20/20 vision;
- \* 39% of athletes had never had a professional eye examination;
- \* 35% had visual symptoms affecting their athletic performance;
- \* 36% needed follow-up care for protective eye wear or contact lenses.

During the workshop, members of the Australian Optometrical Association spoke about the different types of sports vision as well as involving athletes in a number of demonstrations showing how sports performance is affected by vision.

Several key points were made during the presentation. These include:

- \* have regular eye examination from an optometrist;
- \* protect your eyes properly during sport;
- \* specific sports eyewear is available;
- \* contact lenses are ideally suited for sports and young children can use them;
- \* there are sports vision accredited optometrists with specialised equipment and knowledge to enhance your visual skills.

At the end of the presentation the squad members were given two information folders to take home - one to keep and one to pass on to their coach or club. Each member also received an Olympic t-shirt, courtesy of Bausch and Lomb, who are sponsors of the 1996 Aus-

tralian Olympic team and the Atlanta Olympic Games, and who also sponsored the free workshop.

Clay Target Shooting is one of 10 N.S.W. sports to be offered this sports vision awareness program which aims to target junior N.S.W. athletes to give them the benefit of a new edge to add to their sporting performance.

The N.S.W. Clay Target Association wishes to thank Bausch & Lomb, the N.S.W. Department of Sport & Recreation, The Australian Optometrical Association members who presented the program, Janice & Perry Crosswhite of Crosswhite Consulting who co-ordinated the program, and Illawarra Gun Club for the use of their extensive facilities.

## Sporting Shoots

This is a reminder that several forms of clay target shooting come under the umbrella of the Australian Clay Target Association. These include Trap, Skeet, I.S.U. Trap and Skeet and 5 Stand Sporting. 5 Stand Sporting is shot on an existing club D.T.L./Skeet layout. It is not shot as a field shoot. The A.C.T.A. Insurance Policy covers shooters competing on affiliated clubs' registered ranges for the above types of target shooting only.

Field or bush shooting, even on your clubs grounds, is not covered, as field shooting is not an acknowledged "field of interest" of the A.C.T.A. Obviously, anyone attending a field shoot at any venue away from a club's registered range is not covered by any A.C.T.A. Insurance whatsoever. The organisers of these types of events take on that responsibility. Shooters are urged to consider these facts carefully.
