### LENS CHOICES

-  **Orange(#45)** Dull cloudy days. Blocks blue light and enhances the orange of the target.
-  **Sunset Orange(#49)** Bright, hazy conditions. Slightly darker than orange to absorb scattered or stray blue light.
-  **Ranger Bronze(#50)** Very bright, hazy sunlight. Stray blue light absorbing qualities which enhance target outline.
-  **Light Purple(#47)** Combines grey and vermilion. It dampens the green and enhances the orange target against tall trees.
-  **Pale Yellow(#48)** The light colour tint allows this lens to be used indoors, outdoors, flat light, or at night.
-  **Vermilion(#46)** Highlights conditions where there is poor background such as trees. Enhances the target against the background.
-  **Yellow(#43)** For hazy, foggy days or late afternoon. This will block out much of the blue light.
-  **Brown(#44)** A blue blocking lens for bright open background and bright glare days.
-  **Clear(#42)** For shooting indoors when no contrast between target and background is desired. Also, excellent for safety lens while hand loading.
-  **Grey(#41)** Transmits all colours at the same level. For use on bright days. Does not enhance target, just brings light down. Use in direct sun conditions.

### YOU CAN STILL GO!!!!

Anyone wishing to attend the 1996 Grand American still has the opportunity of taking advantage of the special package put together for the A.C.T.A. by Mr. Don Allchurch of Tourplanners Australia.

For information and brochures, please contact Don on Toll Free phone 1800 062 788.

C.T.S.N.

For some time now I have mentioned changes to the

C.T.S.N. The Promotions and Development Committee continues to address the magazine in an effort to improve its presentation and content. One aspect of the magazine we appear to have trouble with is the mailing.

It has been stated that some members do not receive the magazine until well after others, despite the mailout being done on the same day. The magazine should reach you during the third week of the month prior, that is, you should have May's edition during the third week of April. I would like to hear from members who are experiencing late arrival of the magazine, so as the delay can be addressed with the mailout company.

### MEMBERSHIP

It is very disappointing that at this time of this year, compared to last year, we are some 300 member registrations down. It is very difficult to establish the reason why, but it is a general trend in all shooting associations.

If you know of someone who has not rejoined, please jog their memory. If there are any Clubs who, for some particular reasons, have not forwarded on registrations, please do so.

**Glenn G. Woodhatch**  
National President

## Two Day Shoot report for 20th-21st January 1996

Event 1 of the weekend saw 72 shooters line up for the 25T D/B Bauman Cup, with 31 possibles being recorded. After the dust settled Dexter Barnes of Melbourne was the eventual winner with 200/200. Event 2, the 50T D/B, and once again possibles were the order of the day with 15 being recorded. At the end of shooting on Saturday there was still six shooters in the shoot-off after having gone to 300. The shoot-off continued at 8.00am on Sunday and another 100 targets later saw Merv Hass victorious over Mike Swale who dropped his 400th target.

**Overall Highgun — Mike Swale being congratulated by Mike Murphy, the club vice president**

Event 3 on Saturday was the 25T points, with once again possibles the order with 12 being recorded. The shoot-off for this event was held on Sunday after the completion of the D/B shoot-off, with Geoff Fett from The Sunshine Coast outlasting Mike Swale 216/216.

**Dexter Barnes, the winner of the Bauman Cup event with club president Mike Swale**

Event 4 was the 25T S/B with 10 possibles on the board. Normally S/B shoot-offs are short and sweet, however, at 66 Colin Witt from Gold Coast let one slip away and let Rob Rehbein from Bundaberg in for a win.

Event 5, 25T D/B and 25T points, and once again excellent shooting saw 8 possibles on the board. After deciding enough was enough, Paul Clarkson from Brisbane and Mike Swale shared the spoils.

Event 6, the 25T D/B 20m; for the most this was the last opportunity to be big and 13 at least thought so. At the end of the day George Hogarth emerged the victor on 86/86.

The Overall High Gun was Mike Swale with 299/300.

For those shooters out there who like seeing red scores on the board, then this weekend would have been a joy to see.

Excellent shooting and targets set correctly made this a most enjoyable and memorable weekend for all those who attended.

To all shooters out there who like shooting dinner plates, mark your calendar now for next year, the 18th and 19th January 1997, and come and enjoy the hospitality at the Gold Coast.

## The Charles Waterhouse Memorial Trophy

Mr. Charles Waterhouse, a longstanding member of the N.S.W. Gun Club, passed away on 8th August 1995. Charlie, as he was affectionately known, enjoyed competing at many competitions in the AA Grade throughout his years of clay target shooting.

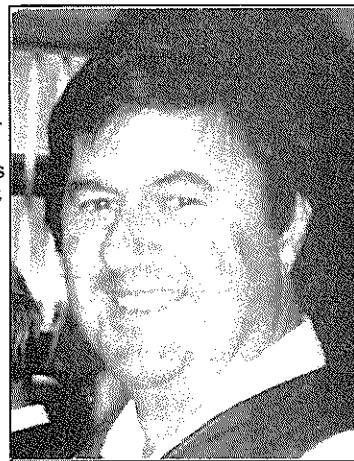

Charlie competed at the highest levels and on a number of occasions was invited to join the Olympic training squad due to his superb ability at shooting. Such was his prowess that his fellow competitors and spectators would be astounded to see him miss one bird when competing.

All who have met Charlie in his time shooting have acknowledged his warmth of spirit, his generosity of character and the true friendship he had with many shooters.

He has left a legacy of camaraderie that will be sorely missed by all his friends.

Charlie is survived by a family who enjoyed his sport and knew him as a loving husband, a caring and proud father and a man who treasured the closeness of ties he felt for his brothers, sister and mother.

It is to his memory that the N.S.W. Gun Club have set up the Charles Waterhouse Memorial Trophy. It is hoped that as many as possible will attend at this competition to honour and respect the passing of Charlie Waterhouse so that he lives on.

# 1995 President's Report to the Annual General Meeting

1995 again was a very successful year for our Association.

Our shooters continued to produce outstanding results, both internationally and domestically. Our Association had a very stable year and it was a successful year financially.

Our first international trip for the year was to the Oceania Games in Auckland, New Zealand, with one of our largest contingents of shooters ever to travel overseas together. Our gains were outstanding with no less than six quota spots being gained, and records falling in most events. The Oceania Games included for the first time team form DTL and Skeet in the hope that we can strengthen these events within the Oceania region and encourage some of our Pacific neighbours to participate in the Oceania Games. Graham Michell ably managed the team, with coaches Col Burt and Fred Schmetzer efficiently carrying out their duties. The wins of individuals and teams are too numerous to mention. Congratulations to all.

March saw a number of our shooters back into New Zealand for their Nationals. Australia again dominated with Adrian Cousens winning the individual Skeet and our Glenn Trophy team of Adrian, Neil Dimmick, John Withers, Reg Clarke and Scott Wright successful in bringing the trophy back to Australia.

In the trap events Roger Duthie (Minis), Bill Iles (Single Barrel and High Gun), 'Chippa' Chant (Single Rise) were our Champions.

Also in March, we hosted the inaugural Australasian Pacific 'Grand Prix' at the Brisbane Gun Club. The 'Grand Prix' was, as they stated, a resounding success. Congratulations must go to the Organisers, and all involved are confident of the future success of this event.

March was certainly our busiest month with Melbourne Gun Club and the V.C.T.A. hosting the 1995 Trap Nationals. A hot air balloon 'dropping in', a few European wasps and good weather provided the backdrop for a very successful Nationals. Our Kiwi friends again crossed the Tasman to provide International competition, but despite their enthusiasm, the Glenn Cup was wrested from them by our team of Michael Diamond, Russell Mark, Steve Atkins, Robert Nisbet and Dino Oliviero.

Our best event was the Double Barrel with some 574 entrants fighting it out, until Michael Diamond's score of 749/749 won him the title. Our thanks to all who contributed to the success of the event.

We again had reason to stand tall in June with Steve Haberman becoming World Double Trap Champion at the World Championships in Cyprus. Our team performed extremely well winning no less than seven medals. Ben Kelley is also to be congratulated for equalling the Junior World Record in the trap event. Our gratitude to all involved.

Illawarra Gun Club played host to our second Sporting Clays Nationals which we host jointly with the Sporting Shooters Association of Australia and all who attended thoroughly enjoyed themselves. Congratulations to David Cunningham on his Overall win of the title.

The third Nationals are to be hosted by the V.C.T.A. and Melbourne Gun Club and will take place on November 29, 30 and December 1 1996.

Our 1995 Skeet Nationals were hosted by Townsville Gun Club and again proved successful. Again we had a number of

New Zealand visitors who managed to "steal" some of our titles. The Overall High Gun was Ray Porter of the Brisbane Gun Club.

Our Olympic Discipline Nationals were moved to October and it was West Australia's turn to take the limelight. The magnificent W.A. complex again made it a pleasure for shooters to attend.

The Overall Trap High Gun at the end of the Carnival was Brant Woodward with a score of 357/375, Junior Trap High Gun was Nathan McDonnell 353/375, and Ladies High Gun Lisa Smith 319/375. Clive Barton of Tamworth took the ISU Skeet High Gun with 360/375.

1995 saw the introduction of our revised method of scoring Pointscore events, and now that shooters have become familiar with it the vast majority are in favour of it.

Next year we are to host the World Down the Line Championships which will be held at Wagga immediately following our Trap Nationals.

The very efficient and professional team from New South Wales are already well into the organising of the event and no doubt it will be a success.

Murray Alexander has again been extremely busy in his role of National Director of Coaching and he is ably assisted by each State Coaching Co-ordinator. With the requirements demanding much time in these positions, these people are to be congratulated.

The Australian Sports Commission again must be thanked by all for their continued support to our sport. In addition to the A.S.C., we must also express our gratitude to our sponsors Winchester Australia, Fuller Firearms, Olympic Targets and Raytrade for their generous support. Without these sponsors our Association could not provide the outstanding trophies at any of our Nationals.

Thanks also to all those sponsors whom have supported our Club events, it is very much appreciated. We must also thank the organisations, individuals and clubs with their continued contributions and advertising in the C.T.S.N.

During 1996 you will continue to see changes for the better in the Clay Target Shooting News due to the efforts of the Promotional & Development Committee, our Office Staff and Mr Jim Shepherd. We are grateful for their input.

In order to attract new members to our Association a National Clay Target Day is being organised for June 30 1996. This everybody's chance of promoting and strengthening our sport by increasing members. Remember all it takes to 2 or 3 members per club and we have an additional 800 members. So keep this day free and bring along a friend.

During the year Mr Graham Mahoney retired from the National Executive and I would like to thank him sincerely for his time and contribution to the ACTA. We welcome Mr Vince Mollica to our National Executive and look forward to his input and trust that it will be enjoyable and productive.

In closing, I must sincerely thank all members of the National Executive, and our National Office Staff of Graeme, Leanne, Gina and Manon. Their support and input has been outstanding.

I refer to the letter signed Richard McGee - Shoalhaven CTC March issue C.T.S.N.

"Don't let a good story get in the way of the facts".

The facts are these:

All National Shooting Associations are affiliate members of the Australian Shooting Association. As such, in accordance with the A.S.A. Constitution, page 4 and section 6, under heading "Affiliates and Field of Interest", each Association is assigned their own "Field of Interest" by the A.S.A.

It then becomes each A.S.A. affiliate's responsibility to be mindful of their obligation under their particular "field of interest".

Field & Game is not an assigned "field of interest" of the A.C.T.A. - fact clearly obvious to most, especially the N.S.W. Field & Game Association.

The Southern Zone meeting which was held to discuss the very issues Mr. McGee refers to was unable to attract any representative of the Shoalhaven Club - this being unfortunate, as attendance would have led to Club members being better informed.

Whilst Mr. McGee's definition of "field of interest" may look good to some, I doubt insurance companies or courts of law would be interested.

The Shoalhaven CTC has chosen their direction without inquiry to or consultation with either the Southern Zone or N.S.W. Clay Target Associations. Fortunately, some other N.S.W. Clubs have contacted the State Office for information and have been satisfied with the outcome.

# Eastern Goldfields Gun Club

It really has been a long time since this Club has submitted an article of substance to this magazine. Since the Clubrooms were destroyed by fire, this Club has been beset with some difficulties. The old Clubrooms was one of those very solid ex-Air Force (WW2 vintage) demountables. A very solid building of character that previously paid a small but important role

in our nation's history. A lot of Club history and memorabilia that is peculiar to each gun club was lost for evermore.

At around the same time, Local Government was casting its beady eye on available land to establish a new Shire Office complex. Yep! EGGC range land was the apple of that beady eye. What was airport land, that formed part of the overshoot safety zone, was rezoned by Local Government as residential development. Late 1993 the Club acquired land for a new shooting complex. After much negotiations with DOLA and the other leases (mining), we had 800m x 400m of virgin goldfields bushland. Clearing and fencing started.

Meanwhile shooting carried on at the old range, sometimes interrupted by developers being in the safety zone. This can tend to make a Club's annual shooting program redundant on the day. 1994 also saw the introduction of the 2 shifts in 24 hours in the mining sector, having dire results on attendance to both shoots and busy bees. In 1995, EGGC could no longer shoot on home range, as the new range was under construction, and the old range was encroached by housing development. Our nearest neighbour, Kambalda Gun Club was in recess, largely due to the 2 x 24 hour shift rosters. EGGC made its presence felt by occasional 460km

round trips to Leonora (magnificent hosts), and thus enhancing the friendly rivalry that exists between us.

Local businesses rallied when called upon, and we are very grateful to them for the invaluable assistance. At long last, the day is here. February 4th 1996, or first official shoot on our new range, at 1:30pm with the temperature hovering at about 43 degrees C, nineteen shooters pitted themselves against such trying conditions.

Results: 25T DB: A: Mick Rowell EGGC 37/37, 2nd Shane O'Brien EGGC 36/37; B: Kevin Phelan Leonora 24/25, 2nd Adrian Rowell EGGC 23/25; C: Merv Wright EGGC 23/25, 2nd Brian Conning EGGC 22/25. 25T HCP: 1st Shane O'Brien EGGC 29/30, 2nd Brian Conning EGGC 28/29, 3rd Kevin Phelan Leonora 37/38.

Thanks must be given to the staunch few that have loyally toiled beyond the call at busy bees and making this day possible.

This year EGGC is hosting a two day Carnival that includes the State Title, Champion of Champions on the long weekend 1st & 2nd June 1996 (see advertisement in Club section). We hope to see you there. That's it for now.

## Management of Clubs Seminar

On the 4th of February a seminar was held at the Bendigo Gun Club. This meeting was being held to bring up to date some ideas in reference to the general management of a gun club; eg. Presidents duties, Secretaries duties and Treasurers duties.

The different jobs of a President were spelt out by National President Glenn Woodhatch. The Secretaries duties were addressed by Jack Matthey and the Treasurers duties were again addressed by Jack and also Bob Buchan.

The handicap system was touched upon by both John Clarke and Jim Shepherd. These gentlemen are more than qualified to speak and offer advice on the subject.

The meeting lasted approximately six hours and from the questions asked by the general forum it was obvious that the people that attended the seminar were keen to take back to their own clubs some of the information acquired that day.

I must thank Glenn for giving us his time, and also the many members of the State Executive who organised the Seminar and made it happen.

Finally I would also like to thank the Bendigo Gun Club and the people responsible for lunch.

These seminars will be held on a more regular basis and hopefully in the future we can get every club in Victoria to attend.

*Vince Mollica  
State President V.C.T.A.*

## WILLIAM TOMAS HENWOOD (BILL)

Members of the Melbourne Gun Club were saddened by the death of their friend and fellow shooter Bill on the 14th February.

Bill was a member and former President of the Croydon Gun Club and also served on the Committee of the Melbourne Gun Club for a number of years. He was an Honorary Life Member of the Melbourne Gun Club.

Being a member of the Henwood family he was a dedicated trap shooter for nearly 40 years, attending many State, Commonwealth and National events, and in later years the Masters Games.

Bill enjoyed great success as a trap shooter and claimed many Commonwealth and State titles over the years.

Bill's funeral was attended by many of his shooting friends who formed a Guard of Honour in memory of their friend. The Committee and members of the Melbourne Gun Club extend their warmest thoughts and sympathies to Bill's wife Una and the Henwood family on their sad loss. He will be sadly missed by all.

## CHUM CHERRY

Chum Cherry commenced competition shooting following his retirement from a local coal mine. A financial and honorary Life Member since 1975, Chum enjoyed all aspects of his sport. He travelled interstate and attended many Nationals. A keen field shooter with an amazing memory for faces and shooting stories.

Sel Horn, a financial Life Member since 1986, Sel contributed much to clay target shooting in Toowoomba and South Burnett areas in particular.

Ian Downie, a competent Skeet shooter. A recent Club member who contributed much technical input to our Club's successful operation.

# Maryborough Tid Bits, Qld

Just going to make a cup of coffee when Giulio Satore dropped in with brother Vic, and sons Andrew & Christopher, up from Deniliquin for a holiday at the Bay with Giulio. What did we talk about? You guessed it, shooting of course. I would have offered them a cup of coffee but I had no Italian coffee. Nice to meet you and the boys Vic, hope you had a good trip home and good shooting.

## Bundaberg 4/1/96

Congratulations to S.E.Zone and Maryborough Coach Chris Harrison to give Brad a coaching lesson with the use of camera and tv on Sunday morning before the shoot. Hope it was a help to you Brad and that you do well in Tassie. Bundy ran a raffle for Brad to help with his expenses, good thinking Bundy.

Ron Skerry is back in A grade, good shooting Ron, and Ron's wife Colleen going halves with Travis won the bottle of whisky. I don't know if they are going to split it down the middle or buy two straws.

Howard Sparke drew the jackpot, and was good enough to shoot it, good fun isn't it Howard.

A big shower of rain before we arrived cleared the air, but it was still very hot, with visitors Chris, Harry and myself.

The main results were as follows: The 25t SB C'ship was won by Pedro, OA & AA; Chris Harrison A; Norm Dale B and Harry Walker C. Harry also shot a possible in the Handicap and went on to eliminate two other possibles making Harry 1st, Rob Rehbein 2nd, Clinton Groves 3rd. Being the third event Clinton went home to watch the motor racing he said, but I think he wanted to leave on a high after shooting the possible in the Handicap.

In the 25t Points: AA Rob Rehbein; A Gino Sergiacomi; B Keith Palmer; C Spencer Plath. The 25t DB Cont AA Rob; A Brad Petersen; B Norm; C Howard Sparke. Rob took the Overall High Gun and Harry backed up for the Front Marker High Gun. It was good to see most shooters took a trophy and spread the wins around. If CTSN arrives in time, Bundy doesn't shoot in April, but shoots 31st March.

## Kingaroy 2 Day Shoot 3rd & 4th

In very hot conditions local shooter Craig Smith took off a 2nd in Points AA, good shooting Craig. Gympie shooters Bill Stolberg took 2nd Handicap and A grade Champion of Champions. Glen Durre OA & A SB C'ship, C/D, and won a case of ammo for the raffle. Dave Gardner C grade 2nd SB and 2nd Points. Good shooting by all.

The saddest news brought back from Kingaroy was shooting mate, and friend Sel Horn passed away. A great shot and a great sportsman who loved shooting clays. A shooter who shot a lot in Gympie some years ago was Jim Wilson who also passed away in the same week. Jim also loved clay shooting.

## Gympie 11/2

I wore my Sunshine Coast Gun Club cap to show Norm Keech, I make use of the cap he gave me, but he went fishing. The only other S.C.G.C. cap there was owned by Greg Browne and from Maryborough Spud Robinson, Harry and yours truly.

Greg drew the jackpot but didn't shoot it. Main results were 25t CD - A Bill Stolberg and Glen Durre; B Sylvia Edgerton (with a possible) and C Spud Robinson. 25t Points A to Glen Durre; B Greg Browne; C Harry Walker. Greg Browne won the 25t Handicap with Bill Stolberg 2nd and George Foster 3rd. OA & A in the 25t Tower to Bill Stolberg; B George Foster and C Greg Wright. Gympie shoot next on 14 April.

## Maryborough 25/2

New member Ted Turton has done the full circle (this may not be exact, but close to it). In 1962 Ted was one of the few who started the first Maryborough club up on the hill, after about two years Ted's work took him to Bundaberg where he shot until last year when he retired to Hervey Bay and joined Maryborough. Another new member Carl Schmidt, welcome both to Maryborough and hope you enjoy shooting with us. Glad to hear brother Dick tell us that Ike Osborne is out of hospital and back on deck doing well, good news Ike. Good to see Peter Henschen back shooting as he tried to stop a ceiling fan by putting his hand in it, next time use the switch Peter, then you won't need stitches.

Maryborough has their new club shirts and look very smart, it made a difference to Chris as he took his first High Gun.

A big thanks to our visitors George from Gympie, Pedro, Brad, Neil, Irwin, Rob & Kaye, Gino, Keith (who drew the jackpot but didn't shoot it, better luck next time Keith), Tim, Howard and Spencer all from Bundaberg.

The quickie board plonk won by Dawn Schmidt and meat tray raffle Andy Wood.

President Paul won the SB C'ship OA & A, Paul had returned from Terranora Lakes where he won the John Farrow Memorial and the AA High Gun.

Over the day Rob Rehbein took AA DR & High Gun, Chris Harrison shone in A grade winning the DB, SB & High Gun. B Grader Fox George shot a possible in the Handicap and in a shoot off with Peter Pagliarino, with Peter coming 1st. George Foster 2nd in the Handicap, 15pr DR and B grade High Gun. C grade Howard Sparke DB, SB & HG.

Apart from the showers another good shoot where Brad was given a donation from Maryborough to help him at the Tasmanian Trap Nationals.

Thanks again to all our visitors as would be a poor shoot without you.

Our April shoot being the 28th noon start on which we run our Trans Tasman Postal Shoot and the Jim Kinghorn Memorial.

Good shooting to all, til next time see you at the shoots.

## Entries in your 1996 Shooters Record Book...The Correct Procedure

It seems that some shooters are having a problem with filling in their Shooters Record Book. I hope this explanation will be of help.

### DTL Section:

All Double Barrel/Points Targets shot under Common Mark (15metres) conditions, will be entered on your card under the Double Barrel columns.

After 200 targets, (or after the end of a Shoot-off, or end of the Event) a shooter will be re-graded if necessary.

For Downgrading - 3 x consecutive 200 targets at a lower grade, will apply.

After 200 targets, ALL columns will be ruled off.

## 1996 D.T.L. Nationals

All shooters are advised that the A.C.T.A. has changed the colour of the targets for the Nationals to full fluoro.

The choice of fluoro targets for the Nationals was made by the A.C.T.A. National Executive, who accept full responsibility for target choice, which was not the recommendation of both the Tasmanian Gun Club and the Tasmanian Clay Target Association.

Any one bad score entered in the Double Barrel column, (within those 200 targets after rule off), will be crossed off and transposed for any one good score from the Other Events column, (of equal target amounts if possible).

### Other Events Column:

Scores shot Continental or Single Barrel will be entered in this column.

Only ONE of these scores shall be used in calculation of a percentage once 200 targets Double Barrel are ruled off.

Your Progressive Total (Double Barrel only), will be recorded in this column. After 200 targets all Columns will be Ruled off.

All WINS must be recorded in the 'W' Column, either GW (Grade) or OW (Overall).

### DTL Handicap Section:

All Handicap Scores, shot under competition conditions will be entered on your Handicap Card.

These scores will be ruled off after 200 targets are shot.

Inward Movement of 1 metre will apply for every 200 Handicap targets shot, unless a penalty has been incurred, within the 200 targets.

1 metre Backward movement will apply to any Handicap Win regardless of score.

All scores will then be ruled off.

A shooters Handicap Mark will not be changed if his/her DTL Grade is Downgraded. This will change only if the shooter is re-graded upwards, then only to the lowest of that grade.

### Skeet Section:

All Skeet targets, (in full rounds of 25), shot in competition, will be recorded in your Score Book, under this section.

A shooter will be regraded if necessary after 200 targets (8 x 25 tgts).

For Downgrading - 3 x Consecutive 200 targets below Grade percentage, will apply.

All Wins will be recorded, either GW (Grade) or OW (Overall) in the 'W' column.

**Tower Section:** As with DTL.

**Ball Trap Section:** As with DTL.

**Please Note:** Grade percentages of these Events are different, please check your Rule Book.

**ISU Sections:** Olympic Trap & Skeet

All Double Barrel/Skeet targets will be recorded in your Score Book.

After 250 targets are shot, re-grading will apply if necessary. This will then be ruled off.

In Trap, if 250 targets fall during an event or shoot-off, regrading will not take place until completion of the Event.

Downgrading will apply only after 3 x consecutive 250 targets are shot, at a lower percentage.

### ISU Double Trap Section:

These will be recorded in the Doubles column only.

A Shooter may be upgraded after 150 pairs, but must shoot 300 pairs at a lower grade percentage, to be downgraded.

Remember shooters, it is ultimately your responsibility to make sure your 1996 Registered Shooter Record Book is filled in correctly.

Please check your book after every shoot.

## I.S.U. Scene

With the February eliminations completed, the top 10 placings now stand as: 1. K. Drovandi; 2. R. Simpson; 3. D. Bruce; 4. G. Newey; 5. A. Zappala; 6. J. Bortello; 7. R. Trindall; 8. J. Smaniotto; 9. D. Trindall; 10. P. Stein - all have shot 250 targets except D. Trindall who has recorded 375 targets.

The Cairns Club conducted their opening elimination on 21st & 22nd January and were pleased to welcome Victorian visitor, John Gilopidis, who set a sizzling pace on the first day with 74/75 and, although he was pegged back a target on two on the Sunday, shot a 25 in the final for a clear win. The Doubles event also saw the Gilopidis name at the top of the list - well done John.

Townsville hosted the Northern Zone I.S.U. Carnival on 17th and 18th February and were well pleased with the attendance. Cairns shooters again figured in the results. The overall in the Olympic Trap was taken out by Bob Simpson from Derek Bruce and Kevin Drovandi. The Double Trap Championship was won by Derek Bruce from Bob Simpson and J. Smaniotto.

Cairns have another elimination round on 5th and 6th April - Good Friday and Easter Saturday, further information from Nimmo Bruce (070) 511 600 BH. Also in April - Warwick have another Ball Trap event set down for the 28th - Greg Newey can provide more details on (076) 613 533 BH. A little further ahead - Brisbane have their elimination on 18th and 19th May - more details from Peter Stein (07) 3344 3099 BH.

The Burdekin Club have advised that they will not be holding their Ball Trap in August - it was down for Sunday 11th - but has been cancelled due to lack of support.

## Central Zone

Weddings Bells have been ringing out around Tambo way - I am sure all shooters will join me in wishing the Zone Secretary Leanne Jarvis and Councillor James Gall congratulations and best wishes on the occasion of their recent Nuptials.

The Gladstone Club have their Annual Shoot on the Easter weekend (6th and 7th April).

Had a note from Reg Woodward of the Callide-Dawson Club at Biloela - they unfortunately were too late with their 1996 program and missed the book - so in case you thought they had folded up here is a bit of information on their Club. The Club shoots on the 3rd Sunday of each month from 10.00am and they would love to see some shooters from other Clubs go along to their monthly event - always have a few coldies in the fridge and all the other goodies that go to make up a good shoot - give Reg a call on (079) 922 138 for more details.

## Northern Zone

The Atherton Club are hosting the Northern Zone Trap Carnival in conjunction with the Suncorp North Queensland Games on 6th and 7th April - Secretary John Suter reports that the installation of the 4th layout is well in and. Over the duration of the shoot 100 medals will be awarded in the Suncorp Games sections - sounds as if Easter will be very busy in the Atherton region.

As noted last month, Townsville have been allocated the 1996 State Sporting Clays Championships and they will be holding them on the weekend of 28th and 29th September - more information can be obtained from Secretary Daphne Leeds (077) 804 556.

Townsville are looking forward to seeing plenty of visitors at the State Trap Carnival - 4th, 5th and 6th May - a reminder that the Q.C.T.A. Annual General Meeting will be held on the Saturday evening following the shooting - everyone is welcome to attend.

A note from Burdekin Gun Club of a marathon effort between Ray Collinson and Mick Blain during their shoot on 11th February - both shot 100/100 in the double barrel event - Ray being the eventual winner with 332 - congratulations to both shooters.

Also from Burdekin - please make this notation in your Program book - their 100 target skeet listed in the book as being on 14th April will now be shot on 8th September.

Cloncurry Gun Club have re-affiliated and will be shooting on the 4th Sunday of each month - the grounds are located at the Cloncurry Racecourse. Further information can be obtained from Gary Brown (077) 421 200 BH or (077) 422 144 AH. We wish them well and would like to see them receive plenty of support.

I understand from the A.C.T.A. Office that the Gunpowder Gun Club have advised them that they have ceased to operate as from end of December 1995. If this could be confirmed to the Q.C.T.A. Office it would be appreciated.

Mount Isa Gun Club have plenty of shooting coming up - 28th April is

the 21st Annual Royal Flying Doctor Service Charity Shoot, followed by the R.F.D.S. Appreciation Cup on 26th May, and this will be followed by their Annual shoot on 8th and 9th June.

## South East Zone

The Caboolture Club are hosting the Zone Sporting Clays Championships on the 27th and 28th April - Club Secretary Darrell Coleman can help with more details (07) 3888 5636 AH. Still on Sporting Clays - Old Koreelah is on the weekend of 25th and 26th May - give Max Barton a call for more info (076) 321 138 BH.

For the Trap shooters - the Annual Texas shoot is also 27th and 28th April. Looking further ahead - Ballandean have their Open shoot on Sunday 19th May.

The Queensland Police Gun Club are hosting the 1996 Australasian Police Trap and Skeet Championships - they will be conducted at the Gold Coast Clay Target Club from Thursday 12th to Sunday 15th September. The program has been drawn up, with Thursday being open for practice from 1.00pm. Day 2, Friday 13th has Skeet events from 9.00am. The Saturday and Sunday are the Trap events - all events have division for Police and Civilians - more information can be obtained from Steve Steenstrup (07) 3398 4203 AH or 0412 014867 mobile.

## Western Zone

Cunnamulla are holding their Annual shoot on 11th and 12th May. Another reminder of the Skeet Club - Tarawera Pistol and Gun Club - located north of Bungunya - they shoot the 4th Sunday of the month September to April, then from May to August the 4th Saturday. Their Secretary is Pam Maher and her phone number is (076) 771 181.

## Don't Forget...

When there is a change of Office Bearer or Bearers at your Club, please remember that you must advise your Zone Secretary, the Q.C.T.A. Office and the A.C.T.A. Office - this is most important, particularly in the case of the Secretary and if there is a new contact phone number for that person.

Please deal with requests from either your Zone, the State Office or the A.C.T.A. Office promptly - a lot of time and phone call money is wasted having to follow up on Clubs who do not return material or settle accounts by the requested dates.

A further mention of postal address, phone etc. for the Q.C.T.A. Office - P.O. Box 2248, Chermide Centre 4032, ph: (07) 3862 8842, fax: (07) 3862 8907.

## *"To the Old Men in the Bar at Kingaroy"*

*For youth and vigour: Read twice daily as directed. If condition does not improve, consult your conscience immediately.*

*Well we've all heard of a legend, The Man from Ironbark.  
The story of the barber, Cut a throat for just a lark.  
But up around Kingaroy, There's The Men from Ironpot.  
They come all shapes and sizes, They work all sorts of plots.*

*There's Patrick, He's the jockey. We don't know what he rides.  
He grows them watermelons, In them he takes such pride.  
He waters them, He handles them, He talks to them each day.  
Sometimes we wonder what he thinks, To treat them such a way.*

*But we think we have the answer, Patrick's such a lonely bloke.  
And with both hands full of melons, We suspect he might elope.  
Because he's rode those wild bush horses, at Fienies near and far,  
But when it comes to ladies, His stable doors been left ajar.*

*Then there's Phil, the tallest of them all. He used to stay up late.  
But now he's getting older, His performance hardly rates.  
Was a time he'd drink with all grown men, a lot better than most,  
The only reason he stays up now, he's obliged cause he's the host.*

*Once this pair would watch the sun poke through the Clubhouse door,  
They'd sit about and drink all night and then still ask for more.  
But now they're getting older, in the twilight of their years,  
A bunch of Romans at their bar, the greatest of their fears.*

*They once stood erect with head held high, and knocked their liquor back,  
They'd argue till they couldn't talk, Even white was black.  
When talk of cars led into strife and they could not agree,  
They'd take off up the highway, Both saying "Now we'll see".*

*But this spirit now seems lacking, their slowing in their walk.  
Won't be long they'll have glasses and hesitation in their talk.  
They take their drinks much slower now, and sometimes not at all,  
It seems such a terrible shame, That such champions must fall.*

*But all their friends are hoping, and yes, we're fairly sure,  
That when they finish reading this, they'll be quickly out the door.  
To go somewhere and prove again, that their still full of rot,  
And add some more to the legend of The Men from Ironpot.*

# Victorian Level 1 Accreditation Seminar

## Maryborough, 10th & 11th February 1996

Following his appointment as Victorian State Coaching Coordinator, Mr. Gary Cassells began the task of resurrecting Coaching within his State.

Victoria, due to varying reasons had, over the past few years, suffered a downturn in Accredited Coaches. Gary identified these areas and set about injecting a new enthusiasm into his Coaches and the search for new Accreditation candidates.

This enthusiasm appears to be working as there appears now to be a steady trickle back of Coaches that had previously appeared disillusioned. To further demonstrate that Coaching is alive and well in Victoria, Gary received requests from Clubs and individuals for an Accreditation Course to be conducted.

As an Accreditation Course under the new revised format had not previously been conducted in Victoria, Gary made contact with me and together we programmed a course for February 10th & 11th at Maryborough Gun Club. The numbers soon grew to an extent that Accreditation Courses will now be conducted in other Zones to ease the numbers at this initial course.

To maintain the momentum of Coaching, Gary involved several Level 2 Coaches and Zone Coaches as presenters alongside myself to spread the workload and obtain a solid base for future courses. The attending Coaches were:

Mr. Jim Shepherd	Mr. John McVitty
Mr. Frank James	Mr. Bruce Jennings

For the course, 12 members were invited to undertake the weekend course which formed part of the full 12 months program.

The attending members were:

Ken Kay	Robert Durbridge
Jim Robinson	Paul Pearce
Stephen Bates	Mark Vistarini
Alan Cole	Greg Brown
Malcolm Absalom	Peter Beaman
Terry Boucher	Colin Anderson

Saturday morning got underway at 10.00am with an overview of the Course and what is involved in the 12 months of the program. This was followed by the component - Role of the Coach and Instructional Methods - both presented by myself.

John McVitty then delivered his first task on Program Planning and Goal Setting. With a short break for lunch taken it was Jim Shepherd's turn to present the difficult subject of Sports Psychology. Bruce Jennings was to present Physical Conditioning but, as he had only the day before a minor operation on his throat, he had to step aside (In-depth Research was his story). The subject was delivered by myself as we headed for a final break and the last agenda item for the day.

Characteristics of Shotguns was the subject and a lengthy discussion was held with all aspects of shotguns and their technology being investigated. It was a tired group who finished Day One.

Day Two began at 9.00am with John McVitty presenting the often overlooked subject of "Safety and Shooting Etiquette". Then, following a short classroom presentation, Jim Shepherd adjourned the group out onto first the D.T.L. Layout, then the Skeet Layout to discuss the various methods involved in the Basics of Shotgun Shooting.

As the day proceeded a set of practical coaching scenarios were presented to the now divided groups to instigate a practical involvement in a Coaching situation. With the guinea

pigs for this practical section being Gary Cassells - D.T.L. and Jim Shepherd - Skeet, the trainee Coaches undertook their assigned tasks. After a set time we all headed back to the Blub rooms where each group leader presented their findings and observations.

To add to the overall picture of Coaching, two Coaches had been assigned to the task of observing all the practical work, and both Frank James and John McVitty presented their overviews to this segment.

Finally, the course came to its conclusion with a round table discussion on the two days and naming of the Supervising Coaches and those under their care.

For Gary and myself the weekend had been a great success and would now lead into other Accreditation Courses being conducted in other Zones throughout Victoria.

To the participants who spoke with enthusiasm about the course, we wish you enjoyment for your involvement in Coaching. To Phyllis James who continually assisted us over the weekend, thank you, as well as to Gary and Jim's wives who prepared the meals.

Thanks also to the Maryborough Gun Club for the use of their facilities, the Coaches who presented the different sections, and the V.C.T.A. for their support.

Finally, to Gary Cassells, who is generating a new enthusiasm for Coaching in Victoria, a job well done, the A.C.T.A. Coaching Council thanks you.

# Tamworth Clay Target Club

Tamworth Clay Target Club held the Annual Two-Day Skeet Carnival on 17th and 18th February. Some 60 shooters from a wide area of N.S.W. and Queensland competed in the 200 target program in good conditions.

The usual fine range of trophies was sponsored by Grahame and Rae Richardson, PBS Air, T.R. and C.M. Coultan Industries, and Olympic Targets.

Grahame and Rae Richardson had the Club looking as good as every with the layouts recovering well after the recent rain.

The program resulted in some great displays of skeet shooting and there was keen competition for the trophies, especially the Geoff Walters Memorial Trophy, which was awarded for the fourth year.

The Overall High Gun winner of the Carnival was Peter Vella from Cecil Park who shot 199/200 and brought the Geoff Walters trophy back to N.S.W. after Victorian shooter Adrian Cousens won it in 1995 with the perfect score of 200/200.

Margaret Denton from Charleville was the Ladies High Gun winner with 187/200, National Champion Reg Clarke from Cecil Park was the Veterans High Gun winner with 196/200, and John Withers Junior won the Junior High Gun with 187/200.

Dave Dundon from Brisbane was disappointed not to shoot at least one extra target, he was the AA Grade High Gun winner with 198/200, Peter Nash from the home Club won the A Grade High Gun with 196/200, Joe Garrett from Coffs Harbour took the B Grade High Gun with 189/200, and new Tamworth Club shooter John Chapman had a great weekend to take the C Grade High Gun with 183/200. John has now progressed into B Grade and looks set to win trophies in that Grade.

Tamworth shooters who put up a fine performance over the weekend to take nine of the 40 trophies included:

Dave Michie - Overall winner of the Loomberah Valley Championship;

George Barton - 2nd AA Grade in the Loomberah Valley Championship;

John Chapman - C Grade High Gun, 1st in the trophy handicap, 1st in C Grade in the Loomberah Valley Championship;

Arthur Vine - 3rd in the trophy handicap;

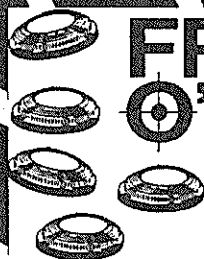

Rod Prior - 1st in AA Grade in the Northern Zone Championship;

Peter Nash - A Grade High Gun, 2nd in A Grade in the Northern Zone Championship.

The shoot has been considered one of the best skeet carnivals at the Loomberah Club and again attracted many of the best shots from a wide area of eastern Australia.

Full results of the carnival are included in the Club News Section.

Publicity Officer.

# S.A.C.T.A. State D.T.L. Carnival

— 9th, 10th and 11th February 1996 —

We all know the work that goes into getting ready for a State Carnival, and this year was no exception. Phone calls from interstate visitors planning to make the trek led us to believe we were in for a good weekend - weather all week leading up to the carnival just perfect.

Well the proverbial ... "hit the fan", and what a shocker of a day Friday turned out to be. I think the remnants of the tropical cyclone that had wended its way down across Western Australia causing a giant low, combined with a cold front coming across the Great Australian Bight gave us what turned out to be one of the coldest and windiest February days on record (I believe Victoria even had snow on this day). What a day to have Handicap and Double Rise!

Some 98 shooters took on the elements and, although some very sad scores were posted, some competitors still managed to smile, and no one's smile could better the one fixed on Pino Marmorale's face - he won the handicap with a score of 47/50. What a happy man. Adrian Medhurst came in second with 45/50, and Ian Watkins was third with 44/50. Back markers went to Bill Eagle and John Lawrence with 42/50.

The second event on Friday was the 25 pair State Double Rise Championship, and this was taken out by Max Medhurst with a score of 43/50. Max said later at presentation time that he had told his son to take out the Handicap and he (Max) would go for the Double Rise, and they very nearly did it - maybe next year!

To those brave souls who camped on the grounds in either tents or caravans, I commiserate with you, for after having spent the night in a caravan kindly loaned to us by Pam and Ron Smith, and being buffeted by the winds all night, I was less than ready for an 8.30am start to the day's shooting.

Weather - slightly less miserable than it was yesterday, the wind having eased slightly, but the forecast is for better weather on Sunday.

First event for the day was the inter-Zone team event, a 25 target Pointscore, Central Zone once again taking out the Curtis Memorial Shield with team members Dino Oliviero, Peter Hendy, Peter Quire, John Byrnes, Phil Mules and Kevin Polst. Central Zone Ladies won their section with Sue Byrnes, Lisa Smith and Sissy Thompson, and Eastern Zone took out the Junior section with Adrian Medhurst, Hugh Cameron and Andrew Beelitz. Lastly the Eastern Zone also took out the Veterans section with Phil Johncock, Keith Mules and Ron Burton in their team.

The 60 target Champion of Champions event was the first major event for the day, and the overall winner here was Dino Oliviero who shot a 125/125.

John Richichi, shooting 130/130, took out the 50 target State Double Barrel Championship along with the Winchester Perpetual Cup which is shot for on this event each year. In conjunction with this event is the South Australian Club Team of the Year trophy, and this year the International Gun Club's team of Peter Marcoionni, Peter Hall, Frank Agostino, Dino Oliviero and John Richichi took out this award, shooting a score of 241/250. Lisa Smith, who shot a 49/50, took out the Winchester Junior Cup for S.A. Schoolboys/girls.

Missing out on the usual Saturday night "eat out" with our local crowd saw just a few of us dining out at the Stoneyfell Winery with the Korean Olympic Shooting Team, who just happened to be in Adelaide for three weeks preparing for the Olympic Games later on in the year. Dot Trindall (Australian Ladies Double Trap Team member), down from Brisbane to train along with the Korean Ladies Double Trap team, joined us at the dinner and a most enjoyable evening was had by those who were in attendance.

Sunday - weather fine, and it kept improving all day. An

early start with the Ray and Pat Mack trophy being hotly contested saw Dino Oliviero win this beautiful trophy - a bronze antelope head complete with a set of horns is the perpetual trophy, and this year a full-length bedroom vanity mirror made up the trophy.

The 50 target State Single Barrel Championship saw yet another South Australian take out the State title. At this point we had not let one of our State titles over any of our borders - well done South Aussies! Craig Bentley, who shot the possible of 50/50, took out the Championship.

The last event for the weekend, the 50 target State Pointscore, saw John Nash of New South Wales take out the event, shooting 165/165.

Overall High Gun for the three days went to Max Medhurst who shot 432/450, Ladies High Gun to Tracey Gray with 236/250, Junior High Gun to Bruce Byrnes with 237/250, and Veterans High Gun went to Keith Mules with 231/250. Tony Rohrlach, with a score of 395/400, took out South Australian Champion Shooter (taken on the D/B, S/B, P/S and the score that he shot in the Postal Team Shoot). Well done to all of you.

Finally I come to the Open top 15 shooters - C. Bentley, M. Medhurst, A. Rohrlach, J. Finis, R. Andrews, P. Hall, D. Oliviero, D. Lymn, J. Byrnes, R. Dower, C. Smith, P. Green, F. Agostino, R. Walsh and P. Hendy. Shooting off for the top five positions saw Tony Rohrlach take out the Postal Team High Gun, shooting 395/400, C. Bentley on 394/400, Max Medhurst on 394/400, Bob Andrews on 391/400, and Dino

Oliviero on 390/400. Good luck to those shooting in the Shoulder to Shoulder Team in Tasmania.

The State Ladies Team is made up of Tracey Gray, Lisa Smith, Lynn Beelitz, Sissy Thompson, Sue Byrnes and Pat Green. The Team to shoot in Tasmania are Tracey Gray, Lisa Smith and Sue Byrnes.

Our Junior team, Bruce Byrnes, Owen Zammitt, Lisa Smith, Anthony Caltagirone, Adrian Medhurst and Hugh Cameron shot for the team to represent South Australia, and the three to go are Owen Zammitt, Bruce Byrnes and Anthony Caltagirone. All the best for the Nationals.

Special thanks to our sponsors for the State Carnival - (not necessarily in order), The Gun Rack Enfield; Express Cartridges; Winchester; Ray and Pat Mack of Earmold Australia; Bay City Clay Targets; Fleetwoods Shooting Scene; Fisher Firearms and the Adelaide Gun Shop.

Thanks also to those who worked behind the scenes - International Gun Club being host Club; to Dino who this year has worked under very trying circumstances, our thoughts go with you; to John Hamer and Fred Guyatt in the office; to Barry Pobke and Rhonda Ayres, handicappers extraordinaire; David Dean (Junior Development Officer and another of our "walking wounded" - all the best); trappers, trap mechanic, shoot marshalls, Phil and John; canteen workers; Joy Curtis and Dot Trindall (our Brissy guest) for helping me with the scoreboard; and lastly I think to Garth Parham (first time State Councillor) who couldn't do enough to help out and I think almost wore his legs out (worn off almost to his knees and last seen limping to his car), a big Thank You.

Yes, I admit we did make mistakes again over the weekend and I must apologise to any of our interstate visitors for any inconvenience - after a long, and I think productive discussion with some of them, hopefully next time we will get it right. The weather is beyond our control but the rest is up to us. Thanks for beer and the advice Lambert and Nick.

Well, that's about if for another year, so I thank you for your company and we hope to see you again next year - same time, same place.

**Ruth Michell.**

# **The Wagin Clay Target Club Phil Becker Memorial Cup Report**

The annual Phil Becker Memorial Cup attracted a good turnout of 35 shooters from around the Great Southern area this Sunday.

In contrast to the hot conditions of late, the cool conditions on the day made a welcome change for some, but for those that were feeling a little chilly they soon warmed up once the shooting got underway.

The day's programme consisted of a 10 target eye opener, followed by the main event, the Phil Becker Memorial Cup, a 100 target double barrel event. To finish off the day was a round of 25 double barrel points.

The results were as follows:

Phil Becker Memorial Cup: AA: T. Catling 99/100, 2nd B. Kowald 95/100, 3rd J. Bates 94/100; A: J. West 97/100, 2nd R. Besson 96/100, 3rd S. Gibson 93/101; B: S. Kowald 91/101, 2nd D. The High Gun, after an excellent day's shooting, was T.

## **Successful Centenary Shoot**

The Colac Gun Club's Centenary Shoot which was held on Sunday, February 11th was a huge success for the Club.

Shooters travelled from as far afield as Millicent in South Australia to Foster in Gippsland and as far north as Swan Hill; all told a total of 110 shooters representing 21 clubs lined up to do battle for an excellent array of trophies.

Also there were a lot of visitors who came along that had been members of the club in the past and wanted to be part of the festivities for the day.

In the Centenary Double Barrel after everyone had shot 25 targets there were only 10 possibles and after only a further 7 targets the Overall winner was Glenn Hayden from Terang defeating Phil Britton from Lake Bolac.

The next event was the Centenary Points score and the only 2 shooters to shoot a perfect score were Steve Haberman from Geelong and Rod Brain from Colac who went on to win the event with a score of 90/90.

The last event for the day saw another of our local shooters in Ian Holt take out the Overall trophy in the 20 targets Centenary Double Barrel Classic; Ian received 2 cases of cartridges for his win which had been donated by Jeff and Steve Holt.

A feature of the day was that of 14 year old Reece Sanders from Macarthur who won \$555.00 to take out the jackpot; to win the money he had to shoot 5 targets single barrel from his B grade mark of 16m.

At the conclusion of the presentation President Peter McDonald made a presentation to Reg Dunn of Colac for being the oldest registered shooter there on the day. Reg is 82 years of ages and still shoots regularly at Colac.

Catling of Katanning. The top Junior shooter was S. Kowald, also from Katanning, and the highest scoring Veteran was J. Edwards of Denmark.

Congratulations to all those shooters who got a place.

The Wagin Clay Target Club would like to thank all of those that attended the day as well as this year's sponsors - without their support this day would not be possible:

B. & S. Pearce; Walker Ford; McLeod Tyres; Malberae Stud; Balgun Stud; Balgun Rambouillet; Bullseye Firearms; Wagin Panel & Paint; Elders; Paramount Seeds; Wagin Concrete; Wagin Machinery; Wagin Shell; Iles Shearing; Ewen Foley; Tally Tag Wagin.

Thank you once again to all that supported us.

The next shoot is to be held on the 24th of March, starting at 9.30am, and consists of 50 Skeet CO-OP Trophy.

## **Mt. Isa Gun Club**

A cool southerly change and clear skies is not what Mt. Isa is supposed to have in the middle of what should be the wet season, but that is what we got last weekend. The cooler temperatures certainly made conditions a little more bearable for the eighteen competitors who turned up to bust clays in the Mt. Isa Gun Club's last day/night shoot for a while. Included in the number were Betty Fawcett, who has recently moved to the City from Normanton, and Gary Brown of the newly reconstituted Cloncurry Gun Club.

As is our normal practice the opening event was 25 targets of Skeet Handicap in which the old master, Mick McGill, scored 25/25 to win first place. Doug Stone claimed second with 24/25 and Jim Edmonds defeated Ron Power in the shoot-off to win third placing.

Just for a change of pace this month, instead of Tower and Ball Trap, we shot a 50 target Fluro Pointscore as event two. Rod Maxwell put his name on A Grade with a well shot 143/150. Neil Sinclair held out Ron Power by just one point to win B Grade with a score of 134/150, and Betty Fawcett, in her first shoot at Mt. Isa, won C Grade with 132/150.

That ended the afternoon action and everyone retired to the Clubhouse to lament targets missed and have a friendly discussion about upcoming events in the area, while Rod, Greg and Grant put the finishing touches on the evening meal.

With the going down of the sun the urge to break clays came to the fore and the shooters lined up for 25 targets Single Barrel. Ted Matthews showed the way in A Grade by winning with 23/25. Ron Power finally cracked a B Grade prize with his score of 20/25, and Greg Moncrieff put aside his kitchen duties to card 22/25 which earned him C Grade.

The finale of the night was the 50 target Night Double Barrel, and this time the A Grade front-runner was Rod Cusack who scored 46/50. Ron Power won his second B Grade trophy of the night with 43/50, and Sam Edmonds also scored 43/50 to comfortably win C Grade.

Cloncurry Gun Club is back after a lengthy break and are looking to conduct their first shoot in late March. It is good to see the Clay Target Sport up and running once again in Cloncurry and Gary, Graeme and the boys are to be congratulated on their efforts. We Mt. Isans look forward to having another Clay Target venue just down the road.

# Big Break at Burdekin

On Sunday 11th February the Burdekin Gun Club came alive when the annual 100 target event was held. Shooters from Bowen, Townsville, Charters Towers and the local members came out in force.

This year it was decided to hold a 10t Pointscore event to open the day with Graded sweeps. A Grade was divided by Doug Killick (Charters Towers), Mick Blain (Bowen), Noel Benson (Townsville) & Richard Bell (Charters Towers) with 30/30. Local shooters Steve Nixon, Fil Bonanno and Steve Becke took the B Grade money after shooting 29/30. Carol Betteridge took the majority of the C Grade money when she shot 27/30, and Geoff Dalton from Bowen claimed the rest with 26/30.

The day was hot and so was the competition with 25's coming in all squads in the first round. Round two saw more 25's than the first round. A lunch break was meant to slow down the flow of good scores, but this did not work as the shooters were just getting better as the day went on. The last two rounds proved to be the best for the day, with several shooters producing personal best performances.

After the 100 targets were shot, there were two shooters with 100/100, and they had to shoot-off for the Grade and Overall. Mick Blain of Bowen and local shooter Ray Collinson decided this event was worth winning and it seemed they just did not want to lose. Shoot-off round after shoot-off round, the boys were just getting better and it appeared likely we could be in for a late night.

Finally however, target number 322 slipped away from Mick, giving Ray the title with a great score of 322/322.

This is the highest break ever recorded at the Burdekin Gun Club and will be talked about for some time to come. Personal best breaks by both shooters meant that they were both very happy and very tired as it was a very hot and humid day.

With such a great shoot-off, let us not forget the other Grades, and local champ Steve Nixon took the B Grade with a very impressive score of 99/100. Keeping him honest for the whole day was Bruce McBow who eventually took out second place after shooting 97/100.

C Grade was by no means a runaway either. Carol Betteridge (Burdekin) and Bill Gall (Bowen) were neck and neck all day and, after both shooters shot a 50 break in the second half of the day, the scores were very close. Carol was the eventual winner when she shot a personal best of 95/100. Bill was only two targets behind with 93/100, which shows how close it really was.

It was good to see a good number of visitors and we hope to see you all back next time we shoot in the Burdekin.

# Collie Clay Target Club

On the weekend of the 3rd and 4th of February, the Collie Clay Target Club held the 1996 West Coast Open.

This has become one of the Club's predigious annual events, proudly sponsored by Pine Hauliers. This event attracts the best of W.A. shooters who compete over the two days for cash, with the overall winner receiving a hand-crafted set of Silver Snap Caps (valued at approximately \$800) and a High Gun sash.

Once again shooters travelled from Geraldton, Peth, Narrogin and the surrounding district to take part in an excellent weekend of shooting.

Barrel warmers tarted at 8.30 Saturday morning, allowing shooters to get their eye in to start the competition at 10.00am.

At the end of a very hot Saturday, Geoff Faulkes from W.A.G.C. (Perth), who was our 1995 High Gun winner, and Kim Newbold from Geraldton were the only two shooters who had shot a perfect 100/100 score, which lead to a shoot-off being held. After another 46 targets, Geoff became our Day One leader.

Winners for Day One were:

1st Geoff Faulkes 146/146

2nd Kim Newbold 145/146

Equal 3rd and 4th Mick Watson and Rick Vivante 99/100

**Geoff Faulkes — Overall Highgun winner of the 1996 West Coast Open**

Equal 5th Jon Dyas, David Fox and John Rossi 98/100.

On Sunday nominations closed at 10.00am and the competition began. Although weather conditions were once again very hot, there was no lack of enthusiasm.

At the end of the day, again two shooters shot the perfect score of 100/100, Bert Boschetti from Geraldton and Geoff Faulkes. These two shooters provided onlookers with an excellent display of shooting before Bert missed his 90th target, giving Geoff another 1st.

Winners for Day Two were:

1st Geoff Faulkes 190/190

2nd Bert Boschetti 189/190

Equal 3rd, 4th and 5th Pieter Muntz, Jon Dyas, David Fox, Mick Watson and Kim Newbold 99/100.

Overall winner of the 1996 West Coast Open, and giving him his second consecutive win, was a very proud Geoff Faulkes, shooting 336/336. This also gave Geoff his 300 break badge for his outstanding effort.

Collie would like to thank Pine Hauliers for their continued sponsorship of this event, and the shooters, without whom this event would not be possible.

*Lorraine Dowey.*

## Shooting Results in Metropolitan Dailies!!!

To help promote our sport, why not publish the results in the metropolitan dailies (through AAP)?

By doing so, we can show the papers that there is a keen interest for our sport "out there", and it helps to keep other shooters within your State informed of results.

There are two ways of having the results placed in the sports sections of the papers. They are by phone or fax:

AAP Sydney - Ph: (02) 322 8000; Fax: (02) 322 8742

AAP Melbourne - Ph: (03) 9619 9300; Fax: (03) 9619 9385

AAP Brisbane - Ph: (07) 3834 9999; Fax: (07) 3834 9990

AAP Adelaide - Ph: (08) 238 4300

When phoning or sending in the results, they should be something like this:

Canowindra (NSW) - 100T MEDLEY

OA: P. Lyons 199/200

A: J. Nash 191/200

B: G. Lawrence 196/200

C: R. Percival 182/200

## "Think Positive"

*If you think you are beaten, you are,  
If you think you dare not, you don't,  
If you'd like to win, but think you can't,  
It's almost a cinch you won't.*

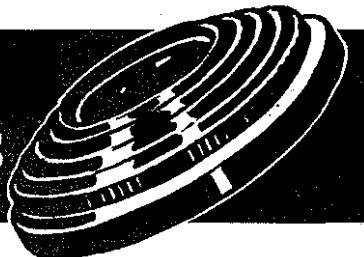

*If you think you'll lose, you're lost,  
For out in the world we find  
Success begins with a fellow's Will —  
It's all in the state of mind.*

*If you think you are outclassed, you are,  
You've got to think high to rise.  
You've just got to be sure of yourself  
Before you can win the prize.*

*Life's battles don't always go  
To the stronger or faster man,

# WINCHESTER®

Australian made and designed Winchester International 24 gram target loads featuring the unique Convex Wad reigned supreme in two of the world's most prestigious events.

Russell Mark using a Beretta won both titles, becoming the first Australian to win these coveted titles. An Australian using Australian made ammunition created another double of which we can all be proud.
